City Applies For Disaster Relief To Repair Dams And Sewer System

Mayor and Mrs. H. T. Burton made a rush trip to Austin Sunday to present material and a request for disaster relief for Clarendon in regard to the dams that were washed out south of town and damage to the sewer disposal plant on June 15th.

Mayor Burton presented 5 files of disaster information Monday morning to the Civil Defense Coordinator, Emergency Disaster Relief Department. The request was for approximately \$36,000. Mayor Burton was assured that the request would receive immediate attention along with other requests from this area.

It will take quite a bit of time for action on the request. In the meantime, Clarendon business firms are in immediate danger should we receive another deluge of rain on this particular watershed.

Mayor Burton also stated that without the disaster relief or no other way of accomplishing this needed repair work, city officials would be forced to raise valuation across the board and also vote bonds.

The dams that were washed out June 15th were the smaller structures. Without them, the load will be heavier on the larger structures near town and should the go out, the business section of town along with a large residential area would be in great danger. Older residents can remember the flooding conditions prior to the construction of the dams and are fully aware of the danger. They can relate incidents when automobiles were washed down main street and stacked up in piles.

Local residents should give this situation more concern and get behind our city officials in doing whatever is necessary to preserve the safety of our residents as well as our little city.

TRADE DAY WINNERS

Winners in the trade day event here Saturday were \$25 - Mrs. Doss Palmer; \$10 - Mrs. Emmett Bryson; \$5 - Mrs. Donald Ballew. The participating merchant listed on the first and second tickets was Bob Moss Pharmacy.

Services Held Monday For Z. C. Cornell

Funeral services were held Monday afternoon in the First Methodist Church here for Zimariah Calhoun Cornell with Rev. S.A. Wolfe and Rev. J. S. Tipton of Hedley officiating.

Mr. Cornell, 74, died Saturday afternoon in a Memphis hospital. He had lived in Donley County for 14 years. He was a retired farmer and mail carrier. He was a member of the Hedley Methodist Church and the Clarendon Masonic Lodge.

Survivors include his wife, Lizzie; five daughters, Mrs. M. C. Brown of Paducah, Mrs. C. L. Franks of Tulsa, Mrs. Charles Cunningham of Amarillo, Mrs. Maurice Campbell of Dimmitt and Mrs. Austin Kirkland of Cactus; six sons, H. M. of Watsonville, Calif., E. B. of Crain, Marvin of Lakewood, Colo., Z. C. of Harver City, Calif., Bill of Perryton and Clarence Cornell of Clarendon; one sister, Mrs. Rose Bodkins of Breckenridge, one brother, John Cornell of Hale Center; 21 grandchildren and 12 great-grandchildren.

Pallbearers were Jess Smith, Tommy Bain, Henry Moore, Ross Springer, Hobart Moffitt, and P. C. Messer.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Mercury Hits 103 Here Monday

Summer arrived a day early with the highest temperature of the season being recorded on Monday which was a sizzling 103 degrees. It had been hot several days previous but the Monday reading topped the record. A front that moved through the area Tuesday afternoon brought relief with a very comfortable night Tuesday night.

Farmers in the area have been putting in long hours replanting and many already have a good stand of cotton up. Wheat harvesting has been in full swing with the combines running night and day in the main wheat belt.

Mrs. Virgil Poole returned home Sunday after attending the wedding of her niece in Fort Worth.

Sheriff Behrens Names Criminal Deputies

Sheriff Truett Behrens announced yesterday that he had named two native citizens to serve as criminal deputies in the Sheriff's department. They will take over their new duties Monday, June 27th.

The deputy to serve with Behrens here in Clarendon is Ralph Hill and the Hedley deputy is Jimmy Thompson. Both men were raised here in Donley County.

Sheriff Behrens stated that he and his new deputies would appreciate all-out cooperation in dispensing the duties of the sheriff's office. "When you need our services, just give us a call," he added.

In addition to Sheriff Behrens announcing his staff, Sgt. Albers of Pampa was a visitor in the Leader office Wednesday morning and reported that the Highway Patrol would have a patrolman stationed here within the immediate future or just as soon as one can be drawn from another locality. There is a shortage of men at present and another school will not finish before September but we hope to be able to find a patrolman desiring to be transferred to this area, he added. The station will definitely be kept here he concluded.

Services Today For Mrs. Esther Wilson

Funeral services have been set for 10 a.m. this morning at the First Christian Church for Mrs. Esther Belle Wilson with Rev. Paul Hancock officiating.

Mrs. Wilson, 83, died here Tuesday in the home of a daughter, Mrs. Charles Darling. She had been a resident of Clarendon the past five years. She was a member of the First Christian Church of Pampa.

Survivors include Mrs. Darling of Clarendon and a son, George A. Wilson, of Bethel, Kan.

Pallbearers will be Pete Kunz, Tommie Saye, Richard Finch, Roy Clampitt, Frank White, Jr., and G. A. Anderson.

Burial will be in the Canton, Kan., Cemetery with arrangements under the direction of Murphy Funeral Home.

Mrs. John Norris, Linda Sue and Clara Ann left Friday for their home in Midland after spending the past two weeks with her parents, Mayor and Mrs. H. T. Burton.

Dance Friday Night First Of Celebration Activities

Everything is moving along in tip-top shape for the annual Fourth of July celebration which will be the big event of the Panhandle July 1-2 and 4th. Bill Greene, president of the association reports all committees functioning on schedule and stated that he was looking for a much larger crowd than ever with the wheat harvest moving along in good shape and local farmers getting their re-planting done.

On Saturday afternoon a delegation, including rodeo queen contestants will go to Amarillo to appear on Cotton John's TV program at 3:30. All planning to make the trip are reminded to be at the KGNC studio by 2:30 p.m. to get everything ready for the show, stated Flip Breedlove, who has been making arrangements for this TV appearance.

The first activity of the celebration will be the Rodeo Kick-off Dance this Friday night at the Legion Hall. Weldon Bright and his orchestra from Amarillo, will furnish the music. Admission tickets will be \$1.50 per person and tickets may be purchased from Bill Porter or any of the directors.

Ray Palmer reports that the reserved tickets for the rodeo are going fast but that he still has some choice box seats left. Contact Ray at Palmer Motor Co. for your needs. Pete Borden has the parking tickets around the arena and several of these are still available but will go fast this next week. These parking spaces are \$3 for all rodeo performances.

Hedley Leads Greenbelt Little League

As of June 20th, the Hedley Little League team moved out in front to hold the number one spot in the Greenbelt Little League with a four won and one lost record. The Clarendon Cubs are second with a 3-2 record; Lakeview is the 3rd place spot with a 2-3 record and the Clarendon Sox are trailing with a 1-4 record.

The Clarendon Sox defeated Lakeview Friday night 16-13. The Pirates were defeated 16-2 by the Lakeview Pee Wee team. Hedley defeated the Cubs 8-0 at Hedley.

Tuesday night, June 21, the Cubs defeated the Sox 14-12 and the Indians defeated the Pirates 19-2.

ESTLACK'S ATTEND TEXAS PRESS MEET

Editor and Mrs. G. W. Estlack returned home Sunday night after attending the 80th annual Texas Press Association meeting in Houston which was in session from Thursday through Saturday night.

L. B. Smith of Brady, Texas, and cousin of Claude Moore of this city, was elected President of the Association for the coming year. Forrest Weimhold of Leveland, a West Texas publisher was elected vice president. Editor Estlack went on the official board of directors after serving on the editorial board the past year.

Among the outstanding speakers for the meeting were former Governor Allan Shivers and Vice President Richard M. Nixon.

Vice President Nixon spoke to the group at the closing banquet Saturday night with over 900 in attendance. Three microphones were set up in the audience and the Vice President answered questions presented from the floor by Texas publishers. This part of the program lasted over one and a half hours with Nixon answering the questions in detail which gave everyone attending a better knowledge of what is taking place on both the local and national levels.

School Bond Election Set For July 9

Beef Cattle Ass'n. To Meet Friday

The officers, directors and consignors of the Rolling Plains Registered Beef Cattle Association will meet this Friday night, the twenty-fourth of June, at eight p.m. in the conference room of County Agent H. M. Breedlove's office in Clarendon. W. H. Cooke, III, President of the Association said the purpose of the meeting was to set the sale date for our bull sale this December and set some general policies of the association. Two new directors will also be appointed at the meeting. This is a very important meeting and all are requested to attend.

The last meeting of the Association was held on the thirtieth of April when the Farmers State Bank of Clarendon was host to the Association with a barbecue at the Clarendon Country Club. The officers of the association for 1960 are W. H. Cooke, III, Pres.; Bill Bradley of Memphis, Vice Pres.; H. A. Green of Clarendon, Treasurer; John Knorpp of Clarendon, Sales manager; and H. M. Breedlove, Secretary. Directors for 1960 (two new directors to be appointed are not available at this time) are Lowell Houston of Memphis; Wade Watson of Claude; F. J. Hess of McLean; Leonard Ford of Claude; Bill Thornberry, Brice Station, Clarendon; J. H. Gilbert of Claude.

When the two new directors are appointed the entire set up will be ready to go with the bull sale in 1960.

HOSPITAL NOTES

Patients as of Wed., June 22: Cap Morris, Mrs. Maud Donald, Carl Bennett Sr., W. H. Mendenhall, T. M. Caldwell Jr., Royce McClusky, Mrs. Pearly Brown, Mrs. Horace Green and baby daughter, Mrs. J. R. Bulls and Tommy Messer.

Dismissals: Mrs. John Bass, Jerry Davis, Mrs. James Gouldy, W. O. Mooring, Mrs. W. W. Raney.

Finally, after waiting several years, the Clarendon Consolidated School District, now has an opportunity to go ahead with a much needed building program. Few people in the district need to be reminded of the need of new school buildings as most everyone is aware of the condition and the limited accommodations of our present buildings. It has been over forty years since a new school building has been constructed here.

Voting To End July 2 In Rodeo Queen Contest

A little over a week remains before the final tally comes in the Rodeo Queen Contest and voting is expected to reach a high peak by the middle of next week with the big spurge of votes being cast toward the end of the week.

Counts will be made on Monday, Friday and Saturday of next week at the Rodeo Headquarters at 3 p.m. The Rodeo Queen will be crowned on July 4th.

Miss Judy Thompson is still leading the field of 24 candidates. Andy Pinkerton is in second place and Donna Estlack is in third place. The other contestants in the order of standing in the contest are as follows: Judy Benson, Connie McMurtry, Marcia McMurtry, Karen Knorpp, Frances Wallace, Jacquie Bell, Sherry Montgomery, Jeanette Crutchfield, Gayle Bones, Jane Lowe, Pat Wilson, Carolyn Wallin, Shirley Nichols, Sandra Pinkerton, Jerry Sursa, Jackie McClellan, Frances Mann, Martha Jo Risley, Janie Smith, Sharon Smith, Jo Ann Wood.

Remember, votes are 1 cent each and you can put your votes in the containers that are in the business places all over town. The voting ends July 2nd, so don't wait too long to cast as many votes as you wish for your favorite candidate.

NEW SCHEDULE FOR SOCIAL SECURITY REPRESENTATIVE

Beginning July 5, 1960, the Social Security representative will be in Clarendon from 9:15 a.m. until 11:30 a.m.

He will continue to be here twice each month and can be contacted in the county judge's office in the courthouse.

A schedule of his visits is on the courthouse and post office bulletin boards. This was announced today by Hal S. Geldon, manager of the Amarillo Social Security District Office.

Petitions have been circulated for calling an election on \$750,000 in bonds. The date of the election has been set for July 9, 1960, and will be held in the School Tax Office. 344 persons signed the petitions which were presented to the school board.

The issues which will be submitted for vote will read substantially as follows:

For the Levy of a Maintenance Tax; Against the Levy of a Maintenance Tax and For the Issuance of the Bonds and the Levy of a Tax in Payment Thereof; Against the Issuance of the Bonds and the Levy of a Tax in Payment Thereof.

New buildings cannot be constructed or maintained without raising taxes to some degree. Valuation of property must be raised and a new tax rate of \$1.50 must be voted. Everyone knows a building program cannot be undertaken without it costing some money. Up to the present time our valuation and tax rate has been very low compared with school district all around us. Even with the new rate and valuation we would still be paying much less than many of our neighboring towns.

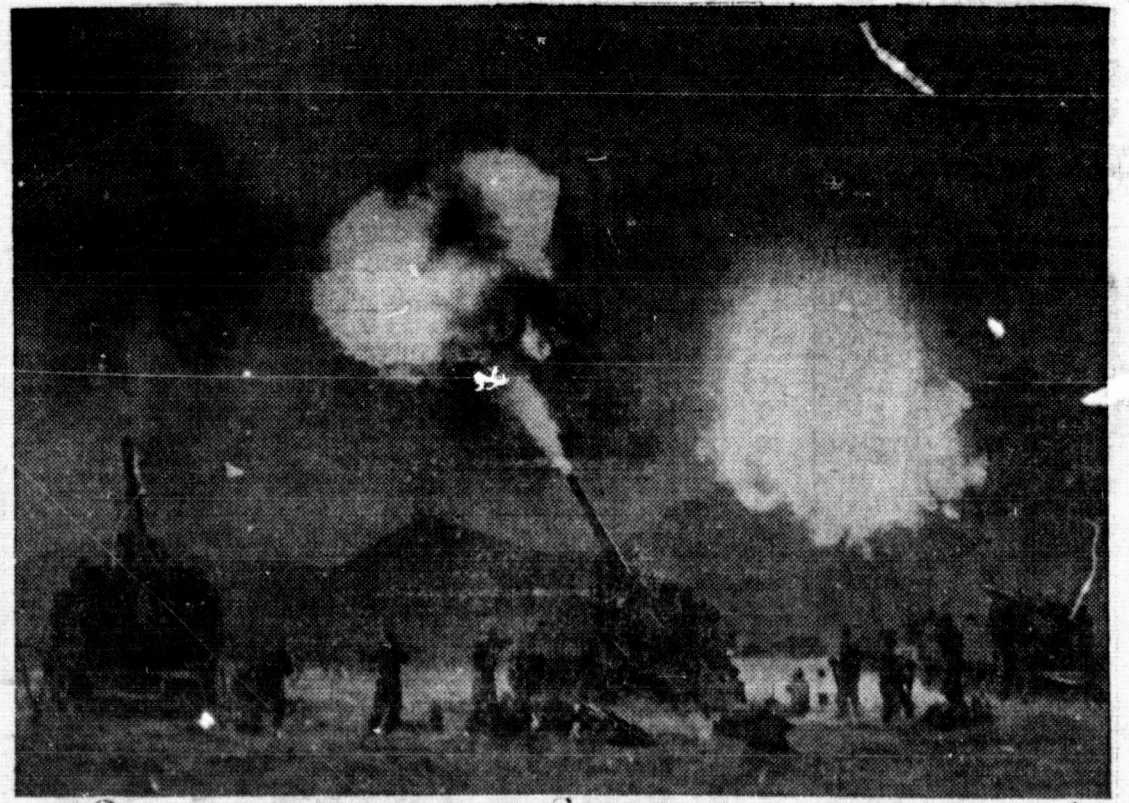

These issues that are to be voted on should receive 100 percent support from the residents of this school district. Anyone who might be opposed to a school building program should visit most any of our neighboring towns, many of them with much less population, and see the type of school facilities they offer in comparison with the antiquated set-up we have here in Clarendon.

Prior to election time, the Leader will publish more facts and figures regarding the issue so you will be well informed as to the actual benefits and costs involved.

For those who plan to be away at election time, may vote an absentee ballot. You can vote absentee any time now and up until three days prior to election day, July 9th.

WHITHER WE

One of the most curious pastimes to emerge in the United States during the past 15 years is a parlor game called "What's Wrong With America." People of all ages and occupations, prompted by the compelling nature of our country's foreign and domestic affairs, indulge almost daily in this simple substitute for Canasta and Scrabble.

The object for each player is to out line in some detail his assessment of the "mistakes" America has made and the fearsome future she faces. Two or more players seldom agree and even less seldom achieve any certainty concerning their ideas for a solution. Political disagreement, of

We extend sympathy to the Cornell family in the death of Mr. Cornell. He passed away Saturday in a Memphis hospital after a long illness. Funeral was held Monday at 2 o'clock in the Methodist Church at Clarendon. Burial was in Citizens Cemetery.

course, is as American as the Fourth of July and has lent distinction to our history for more than 180 years.

But "What's Wrong With America" is more than a political disagreement. In many respects it is strictly non-partisan. The recent debate in Congress over the so-called Civil Rights Bill was a clear-cut issue, with opponents and supporters. It was discussed almost entirely on its merits or lack of same. But when we begin playing "What's Wrong With America," much of our effort is disjointed and all but lacking in purpose.

The game dies if an agreement should be reached on "what's wrong," just as one of our television Westerns would collapse if the hero ever lost one of those Main Street duels. If anything at all is really wrong with America, it is probably the fact that for the first time in our history public opinion ranges across such a wide field as to inhibit the thoroughgoing, prompt, and effective action that has been our hallmark for so long.

This scattering of public opinion would not be unusual so long as it was directed to specific public issues. But so much of the world is out of step with itself that many who deal with "issues" discover a tremendous growth of ambiguity within the public forum since 1945.

In the backwash of momentous technological, economic, diplomatic, and social strides taken since V-J Day, the "issues" have simply not been given the opportunity to settle down into any sort of sharp pattern.

As a result, the world at large has lost a number of extremely important allies. These allies are not geographical entities, but are

psychological concepts such as "predictability" in foreign affairs or "clarity" in domestic policies. Much of our time on the international scene is spent on the defensive simply because we are so often incapable of translating Russian action into commonly accepted terms. At home, so much of our life is burgeoning with our efforts to get a grip on the subtle implications of this or that policy that little time remains to seek out a national purpose as a whole and act upon this purpose with dignity, determination, and vitality.

The American people, in a majority of cases, have not yet decided what, if anything is "wrong". And obviously, very little can be done by either government or by individuals to correct the situation when we are vague and inept about basic problems and issues. Countless goals, which almost everyone wishes to pursue, have been "reached" by sweeping them under the rug with a slight change here and there. The goal is thus only put off, not actually reached, and the process strongly suggests the approach to an appealing but illusory mirage in the midst of a great desert. We are not going to measurably reduce our serious national debt, for example, with a sporadic budgetary surplus now and then. This task will require much more in the way of a carefully planned program accepted and understood by enough citizens to keep it rolling.

A profound gap exists between the political, social, and economic postures which events have forced us to adopt on the one hand and our basic understanding of these postures on the other. This gap, more than anything else, has sparked our vague search for

something "wrong". I earnestly believe that "What's Wrong With America" can be played with immense profit for each of us as well as our nation. We can struggle to seek out and define our nation's problems with the knowledge that we will eventually succeed in clarifying the forces of the 20th Century. But this must not obscure our search for the understanding which will close the gap in our knowledge and place us, once again, with God's help, on the road to confidence and vitality.

It was my great pleasure last week to meet Miss Wanda May Wood of Shamrock. Miss Wood received her Bachelor of Arts Degree on Monday, June 8th, here in Washington from Gallaudet College, the world's only College for the deaf, and she has been elected to the scholastic honor society of Gallaudet. Not only has she achieved membership in the Phi Alpha Pi Society of the College, but she also has received the Thomas S. Marr Award for outstanding academic achievement and scholarship, graduating with the highest average in her class.

Additionally, Wanda has recently reigned as Sweetheart of Alpha Sigma Pi Fraternity during its Annual Carnival held at Gallaudet, having been named sweetheart in honor of her leadership, scholarship, and character.

I certainly share the pride of the family, of her community, and of all the people of the Panhandle in the accomplishments and example of this wonderful young lady.

An accident is just around the corner.

#### DEFERRED GRAZING

Deferred grazing refers to the practice of periodically postponing or deferring grazing on range land for a prescribed length of time during any growth period of the year. It should be emphasized that a pasture be deferred when the grass is growing to obtain results.

**PURPOSE** — When grass plants are badly overgrazed the plant

will have little vigor because of the decreased number of roots and leaves. These two plant structures are very important in the manufacture of food in the grass plant which regulates growth of the plant. Therefore, first of all, the vigor of grasses will be increased when a pasture is deferred. Second, deferred grazing gives the desirable plants a chance to produce a seed crop. This is very important on range land where the percentage of good grasses is low. A third reason for deferring range land is to provide a feed reserve for fall and winter grazing or emergency use. Last of all, newly seeded grasses will be protected from grazing until they become better established.

**WHEN TO DEFER** — A pasture should be deferred for at least 3 months for short grasses, 4 months for mid grasses, and 5 months for tall grasses. A year such as this when there is a lot

of rainfall is the best time to defer because of the extra response of the grasses to moisture.

Now is a good time to defer to obtain a good seed crop in the fall. The abundant moisture has caused a good seed crop to be set but livestock may destroy a large percentage of the seed if kept in the pasture. Deferred grazing is a very good way to reseed range land.

**WHICH PASTURE TO DEFER** — The pasture to defer will depend upon the kind of grass present and the grazing system being used. Buffalo grass and Blue Grama can be deferred during the growing season and grazed in the winter. Such grasses as Little Bluestem, Indiangrass, and Switchgrass would have to be grazed in the summer and may be deferred in the fall, winter, and early spring periods. The kinds and percentages of grasses in each pasture will have to be checked before the time of year to defer can be determined.

For help in planning a deferred grazing system on your range land, contact the Soil Conservation Service which is assisting the Donley Soil Conservation District.

### RESTRICTED FEEDING FOR REARING PULLETS

College Station — Restricted feeding of broiler strain pullets from the sixth-eighth week of the growing period until the start of egg production has been found to result in a delay in sexual maturity and a lower body weight at the beginning of egg production.

This practice has several advantages for the poultryman, said Dr. C. W. Dayoe, Texas A & M Poultry Service Department.

There is an increase in the number of large, settable eggs during the production period, an overall increase in egg size, reduced mortality, and a reduction in the cost of rearing the pullets to sexual maturity.

The two general methods commonly used for feed restriction are mechanical restriction of a high energy ration or caloric restriction with a low energy, high fiber formula containing 13-14 percent protein and oat or rice hulls as the fiber source.

Mechanical restriction may be accomplished by limiting the amount of high energy feed given to the pullets to 10-15 pounds per day, or by limiting the length of time the birds have access to the feed. The use of a high fiber

diet will restrict the caloric intake because the birds will be unable to consume enough feed to meet their total energy requirement.

Since mechanical restriction involves more labor expense, the use of a high fiber formula may prove to be more economical under some conditions. Dayoe stated. Birds on a high fiber diet, however, will consume up to one and one-half times as much feed as pullets on a high energy diet, so this must be considered.

The use of restricted feeding practices has also gained much interest in replacement stock for egg production. But here the results of restricted feeding are not as clear cut as with broiler replacement pullets, Dayoe said.

Numerous practices may be used for rearing replacement stock and the method chosen should be one that produces a healthy producing bird with the lowest possible laying house mortality, and a maximum return per chick started, he added.

Oconto, Wisc., Reprter: "There is still a loud and persistent clamor to turn over more and more responsibilities to Uncle Sam. This embraces not only welfare but medicine and education.

"One cannot rule out the value of coordinating effort in many fields on the national level. But let us make certain that we, the private citizens, do not abandon our continuing responsibility and place it in the hands of bureaucrats.

Those who are concerned about Soviet Russia's progress in certain fields ought to keep in mind that they not only stole our atomic secrets but several of our effective industrial methods — methods that evolved from the American free enterprise system, not the bureaucrats."

drastic symptoms as has been the case this year. We can't get enough sittin', never are caught up on our sleep, always hungry and thirsty and continually thinking about some favorite spot for a good rest.

We feel a lot like the fellow we heard about that took a trip to his longed for vacation place and once there was just sitting for hours in a rocking chair on the front porch of his cabin. Someone asked if he didn't want to do something for excitement.

"No," he said, "I just want to sit here for a couple of weeks, maybe after that if I feel like it I might rock back and forth just a wee bit."

Another person was telling her young daughter that she, the mother, had a bad case of voluntary

inertia. "Oh Mother," said the youngster, "You ain't sick, you're just lazy." This seems a dignified enough sounding name for the trouble we have.

We heard of another fellow who was enjoying his Saturday afternoon off and was afraid that the wife would think of something for him to do. Heading off the thought and trying to save the situation at the same time he said; "If you need anything honey, don't bother to call me, I'll call you."

The other day we told the wife that she should always be real good to me because if anything should happen she would never get another husband like we had been. We thought she would break down and make over us a little, but she only looked relieved. Wonder why?

"Smoke ascends to Heaven as lightly from an humble cottage as from a mighty mansion." When we ponder this thought we are reminded again that God is no respecter of persons and that no matter how small our little niche in life may be, that He will look upon us with equal favor to that of any other person among His creation.

Our prayers, which in reality are our thoughts and our wishes turned Heavenward, will be heard equally as well from the lowly inner closet, as ever they would be heard if breathed from the sacred sanctum of some towering cathedral.

Whether our position in life would be that of a king or that of the poor beggar along the railroad track, each must meet the same requirement in that we must have an humble and trust-

ing spirit if our thoughts and our prayers are to reach the ears of the Almighty One.

If we are the young in years and our problem might be only a worry connected with our high school romance we have the same opportunity to be heard as anyone else. Though our problems might involve thousands of dollars we cannot hope to be heard with any greater degree of compassion than the one who prays for his daily bread.

He notices the fall of the sparrow, and He created the mighty fish for a certain purpose. He took note of the beggar at the gate, and he talked with the rich young ruler about his need. Whatever our need may be He will consider our case, and will in His own way cause things to work together for good to those that love Him.

Taxes could be defined as something that no one likes to pay; something that the politicians don't like to say who has to pay, what with the elections coming up and everything like that; something that we all like to spend however. Trouble is, the state and the federal government are getting to where they do like we citizens and spend the money before they get it. Seems to me, most of the trouble the present legislature is having in agreeing on a tax bill has been brought about by not facing up to the situation last time.

This week we noticed the list of things that were to be taxed under what has been called the selective sales tax, and one thing stands out as being real considerable of the law-makers. That is the proposed tax on air conditioners. This way instead of the

## GEORGE'S WIFE

By "Sarah"

There is a ten year old boy type, string bean of a child staying with us right now, learning what farm life is like, and we hope to put some weight on his bones while here.

It will be a battle though, he burns it up as fast as we can cook for him. He is afraid of wasps,

taxpayer being in a sweat over new taxes he can just pay as he sits under the cooling fan of his new cooling off device. Right nice of the boys to think about it this way.

Taxes are a lot like the balloon; they go up and up but seldom do they ever come down unless something goes busted.

Death and taxes are said to be the most certain things in the world. They are different in this respect, death many times comes sudden and unexpected, but taxes usually get us little by little.

Taxes are the fee we pay for wanting someone else to paddle our canoe for us . . .

hoss, water in the bath tub, and that's about all. He is allergic to lots of things also, such as picking up clothes, toys, dead grasshoppers (which he captures, ties a string around them and let them fly around the kitchen while we cook, until they die of fright).

He loves small cars, model airplanes, catsup on everything and chocolate in everything. He loves to explore bar-ditches and lumber piles where rattlesnakes have been found and killed. It's fun to ride a plow which has no place to sit, but hang on with one arm and help the cogs and wheels turn.

There are a pair of cowboy boots for a reward if he can stay until cotton chopping time, we have a feeling homesickness will overtake him about that time. Guess it's just as well, we are not sure we can stand in the window all day, watch him trudge those weedy miles and be able to get our work done. Grandma's were not meant to build the whole man I guess, just the good part, plenty of food and loving.

alize the world is a better world in a far short our puny efforts to improve ourselves. We feel we live up to the trust and faith in the two big blue eyes that watch us daily, we will have won this battle within.

George is still fighting the battle of sand, hail and rain, its good to see his tired old eyes light though, when this bounding bundle of energy runs out to meet him each day.

## Electric Kitchen

### Symbol of Modern Living

The touch-of-a-button magic of an electric kitchen brings the whole world of tomorrow to today's homemaker. The modern electric food preparation center is a decorator-designed dream of beauty, comfort and convenience. Here's why . . .

**CLEAN . . . . .** In your electric kitchen everything stays sparkling clean. Walls, ceilings, curtains, pots and pans testify to the fact that your electric range gives efficient, controlled heat without the dingy by-products of flame-type cooking.

**COOL . . . . .** Electric heat is transmitted directly to the pots and pans and not out into the room. Your kitchen stays cool and comfortable . . . and so do you!

**CONVENIENT . . . . .** Push a button or twist a dial for automatic, carefree cooling, clothes washing and drying, dish cleaning and garbage disposing. It's as simple as that!

**ECONOMICAL . . . . .** Costs less than 3¢ to cook an average meal electrically this year. And, a penny's worth of electricity does an equal big job in washing and drying your clothes, preserving your food, parking your coffee, toasting your bread, or disposing of your garbage.

**SAFE . . . . .** Enjoy odorless, flameless security in your electric kitchen. Breezes can't blow out this heat. And, you can safely youngsters by throwing away the matches forever!

**SURE . . . . .** In your electric kitchen you know the heat will remain constant; you know it will be the same temperature for each day; you know it is the proper temperature for each day you prepare; you know all this because you know you depend on electricity!

**YOUR TAX FUTURE ???**

In the long light of history, 47 years is only an instant of time. But, from the point of view of the taxpayer, the last 47 years have been somberly outstanding in this country.

Back in 1913, reports the Tax Foundation, all federal tax collections amounted to a mere \$662 million — now they are estimated at \$76.3 billion. The states haven't lagged. In the same period, their collections have soared from \$301

## White - Hargrove Vows Exchanged

Miss Brenda White, daughter of Mrs. Ocie White of Memphis, became the bride of Rodney Hargrove, son of Mr. and Mrs. Franklin Hargrove, of Jacksonville, Arkansas, on Saturday, June 11, at the First Baptist Church in Hedley.

Minister Alfred White, cousin of the bride, performed the double ring ceremony, assisted by the Rev. J. S. Tipton.

A quartet of ladies from Wellington sang the traditional wedding music. Sue Wilson of Quail sang "Bless This House" and "Because."

An archway covered with greenery and centered by white wrought iron gates flanked by floor candelabra and baskets of white gladioli decorated the altar

area. The family pews were marked with white satin bows.

The bride was given in marriage by her brother, Garrell White. He ballerina length gown was an Angelo Original, fashioned of white satin and net covered by Chantilly lace. The sabbina neckline was outlined by pearls and iridescent sequins. Her fingertip veil of illusion fell over a Queen of Scots crown of seed pearls. The veil was bordered by Chantilly lace. She wore a single strand of pearls, a gift from the groom. Her bouquet was a white orchid and carnations atop a white Bible.

The bridal attendants wore soft pink, street length dresses fashioned with a scoop neckline and full skirts. Their head pieces were copies of the bride's, with short halo veils. Their bouquets were of pink carnations designed in a fan shape and tied with white

satin streamers. The maid-of-honor was Cordelia Harris. The bridesmaids were Betty Moseley and La Rita Patterson.

Billy Wiggins, cousin of the groom, was best man. Billy Fred Maddox, Bobby Roland, and R. E. Butler served as groomsmen, candlelighters, and ushers.

The mother of the bride wore a dress of pink nylon organza with matching accessories and a white carnation corsage.

The groom's mother wore a dress of white linen and lace over beige taffeta with matching accessories and a corsage of blue carnations.

The bridal couple greeted wedding guests in the foyer of the church immediately following the ceremony. A cousin of the bride, Margie White, was at the register. A reception was held in the Fellowship Hall of the church.

The tea table was covered by a white linen cutwork cloth over pink and centered by the bridal bouquet flanked by crystal candelabra holding white dinner candles, and a beautiful silver tray of a unique design that contained the couple's wedding invitation.

The three tiered wedding cake was cut and served by Sue Wilson while the punch was poured by Tobytha Sanders. Others assisting with the reception were Mes-

## MR. & MRS. W. M. BIFFLE OBSERVE ANNIVERSARY

Mr. and Mrs. W. M. Biffle of Hedley observed their 50th wedding anniversary Sunday, June 19, in Fellowship Hall of the First Baptist Church in Hedley.

The children and grandchildren were hosts and hostesses for the celebration.

Willie Biffle and Gussie Moffett were married June 21, 1910, in the home of the bride's parents, Mr and Mrs. J. M. Moffett in Roswell, N.M. Willie Biffle was born in Basque County, Texas, and Gussie Moffett was born at Buffalo Gap. After their marriage they lived on their homestead at Knowles, N.M. They moved to Hedley in 1935 where they have been in business since. Mr. and Mrs. Biffle and children

dames Alva Simmons, Hobart Moffitt, Roy Jewell, Joe Miller, Tommy Bain, Luther Petty, L. D. Messer, and W. C. Quisenberry.

The bride traveled in a pink linen dress with pink and white accessories and a white orchid taken from her bridal bouquet.

After a short wedding trip the couple will be at home in Childress where the groom is employed by the Lone Star Gas Company.

Mesdames John Nash, Rowland Wyley, and Wilson and Billie Biffle greeted the guests. Linda and Jerry Biffle registered the guests.

The table was covered with a gold net cloth with gold hearts and cupids on the border, a gift from a relative in Calif. The three tiered wedding cake with a gold 50, bride and groom on top with yellow daisies in gold bowl and dinner candles in crystal with crystal punch service, completed the arrangement. Punch was ladled by Miss Sharon Biffle, Marvin Biffle and Zanda Carl Wyley served the cake.

Music was played by Mrs. Wilson Biffle, Mrs. Johnny Brumley and Mrs. Katie Cummings.

Many lovely and useful gifts were on display.

Children present were Mr. and Mrs. John Nash, Wellington; Mr. and Mrs. Wilson Biffle, Sharon, Marvin and Jerry, Albuquerque; Rev. and Mrs. Roland Wyley, Zanda Carl and Carol, Tucson, Ariz.; Mr. and Mrs. Billie Biffle, Linda and Karla, Albuquerque, John Nash, Amarillo, Mr. and Mrs. Johnny Brumley and great-grandchildren, Rick and Kimberley Brumley of Happy.

A large group of relatives and friends called to wish this fine couple many more anniversaries.

## SR. H.D. CLUB MEETS IN KENNEDY HOME

The senior Home Demonstration Club met in the home of Mrs. Will Kennedy Friday afternoon. Meeting was opened with Club Collect read by Mrs. O. C. Watson. The president, Mrs. R. C. Bingham, presided over the business session. Mrs. W. L. Jordan gave the secretary's report and roll call. We had the Penny Parade.

Refreshments of lemon bisque and fruit drink were served by Mrs. Will Kennedy to Mesdames O. C. Watson, Clyde Butler, W. L. Jordan, Claude Darden, William Payne, Bertha Benson, Bennie Crabtree, R. C. Bingham, and J. H. Helton.

Officers elected for the coming year were: President, Mrs. Clyde Butler; Vice President, Mrs. Bertha Benson; Secretary-Treasurer, Mrs. Claude Darden; Reporter, Mrs. O. C. Watson.

This was the last club meeting until September. —Rep.

## ASHTOLA NEEDLE CLUB HOLDS MEETING

Mrs. Harold Graham was hostess to the Needle Club Thursday afternoon, June 16th, at the Club Rooms. She served cake and punch to 22 members and one guest, Mrs. Nuford Dill.

Pollyannas were revealed, and new names drawn. At the next meeting, July 7th, at 3:00 we will discuss Fair plans. —Rep.

Mrs. Newman, mother of Waylan Newman, underwent surgery at Highland General Hospital in Pampa Monday. She is reported doing as well as could be expected at this time.

ALVIN LANDERS WE DELIVER W. E. RAY

**MIDWAY CLUB MEETS THURSDAY, JUNE 16**

Loyd Hillis was hostess to the Midway Club Thursday, June 16. Ladies worked on a very beautiful applique rose quilt. Due to various reasons several of our members were absent; therefore we didn't get the quilt finished.

It was decided to meet at Eddie Williams' for a call meeting June 23. Bring a sack lunch. We are quilting a quilt for a gift.

Those present to answer roll call were Bobbie Dishman, Ellen Moreland, Katie Bell Wells, Eddie Williams, Beulah Sanders, Louise Riley, Leona Scott, Allie Quattlebaum, and the hostess, Loyd Hillis.

We were very happy to have Rev. and Mrs. Stanford of the Methodist Church call in the afternoon. We hope they will come again.

The next regular meeting will be announced later but will be in the latter part of July. —Rep.

**GOLDSTON QUILTING CLUB MEETING**

The Quilting Club met with Nora Smith the 16th with guests present, Quata Phillips, Daphne and Tofinana Sullivan of Chaning, Wilma and Nancy Ann Bible of Borger and Jene Mae Bible of Albreed.

We are glad to have a new member, Jewell Sickle to our club. Other members present were Johnnie Bryson, Ola McBrayer, Irene Pritchard, Bonnie Davis, Connie Talley, Mae Pearl McDonald, Blanche Gray, Joy Roberson, Minnie Roberson and the hostess, Ola McBrayer and Eloise Ashcraft received polyanthus. We didn't quite finish a quilt. We missed our other members. Frosted cold drinks and cookies were enjoyed by all. Blanche Gray will be hostess the 30th —Rep.

**HUGHJONS QUILTING CLUB MEETING**

The Club met Tuesday with seven members present. One quilt was quilted on. Refreshments of iced tea and cake were served. One guest, Mrs. Kenneth Webb, was present. The social will be held Friday night. Come and play "42" with us. —Ref.

**PATIO SUPPER**

Mr. and Mrs. Carroll Knorpp had as their guests to a Patio Supper Sunday evening the following guests:

Mrs. W. H. Patrick and Mr. Norman Cross of Long Beach, Calif., Mrs. Elgin R. McNaughtin and daughter, Martha, of Amarillo, Mrs. Helen B. Officer of Tulsa, Okla., Mr. and Mrs. H. B. Bugbee, Mrs. Myrne Rhoades, Mrs. Stelia B. Hearne and Miss Mae Bennett of Clarendon.

**SURPRISE DINNER**

Those who surprised L. L. Foster with a Father's Day dinner Sunday were Mr. and Mrs. J. H. Jones, John and Danny Cearley, Mr. and Mrs. Otto Elliott, Wanda, Dub and Ann, Mr. and Mrs. Pat Myers, Mr. and Mrs. Otho Elliott, Mrs. G. T. Elliott and Mrs. N. L. Jones.

Those who visited in the afternoon were Wayne Mann, Wilma Elliott, Glenn Reeves, Mr. and Mrs. Charlie Hearn and Shirley and Donna Swinney.

**EPISCOPAL CHURCH TO HAVE SPECIAL SERVICES**

St. John Baptist Episcopal Church will celebrate Holy Communion Friday at 7:30 p.m. to mark the Saint's Day of the prophet for which it is named.

An Amarillo clergyman will conduct the service. The public is invited.

The Clarendon church was the first Episcopal church in the Texas Panhandle. The first service was held in the J. B. McClelland ranch home on Kelly Creek in November, 1887.

The white frame Gothic building now in use was erected five years later. An elderly Philadelphia woman who gave a donation to the mission in the distant Texas frontier named the new church for the Biblical "voice of one crying in the wilderness."

Bishop A. C. Garrett of Dallas who served the Texas diocese consecrated it on April 24, 1893.

The Clarendon church, center of all Episcopal activities in the area in its early days, helped raise funds to build the first Episcopal mission in Amarillo. Its choir presented two operettas there.

**Cub Scout News**

The monthly Pack Meeting for June was held Thursday night, June 16, at the North Fork of Red River, 5 miles north of Clarendon. 104 Cub Scouts, families, and friends had a wiener roast.

The Olympic Games, which were contests between the boys of each den, provided a good time for the boys and entertainment for the grown-ups: Winners of ribbons are as follows: Zuni (stick kick), Gene Hommel; Corncob Darts, Larry Kidd; Toss Ball, Frankie Ellis; Three-leg Race (Dad & Son), Bill Jack and Steve Land; Second Race, Bill Jack Land and Jim Moore; Horse Shoe Pitch, Gary Baker; Discus Throw (Paper Plate), Jay Hon; Bean Pitch, Rodger Johnson; 50 yd. Foot Race, Jim Moore; Ring Toss, Tommie Saye.

After the games a fire ceremony set the stage for the awards earned by the following boys: Under the Wolf Badge, Larry Kidd; 2 Silver Arrows, Frank Phelan III; 1 Silver Arrow, Gary Baker; Gold Arrow, Steve Bell; 2 Silver Arrows, Everett Monroe, Silver Arrow, Steve Land, 3 Silver arrows, Tommie Saye.

The new attendance trail was won by Den 4, the permanent owners of the first one. This gives them the privilege of carrying both attendance tails in the 4th of July Parade. They had a total of 38 people stand up for their den, and the other two dens tied with 32 each.

To light up the campsite the boys had made "Olympic" torches, which were placed in a circle around the four campfires. The fires and torches made an impressive sight from the highway.

Mr. and Mrs. N. M. McCrary and Craig of Alanogordo, N.M., are visiting his parents, Mr. and Mrs. C. L. McCrary.

**AUSTIN** — In looking forward to the 57th Legislature, speculation now centers on (1) who will be elected Speaker of the House and (2) who will get important Legislative committee assignments.

Speaker's race is following the pattern of two years ago. Both Rep. Wade Spilman of McAllen and Rep. James Turman of Gober claim sure victory. Each accuses the other of claiming votes from members that aren't actually pledged to him.

It takes votes of 76 of the 150 House members to win. Actual election takes place when the Legislature meets in January.

Committee assignments will be made at the start of the session by the Lieutenant Governor or the Senate and by the newly-elected Speaker of the House.

Make-up of committees is of crucial importance since an unfavorable committee can, by delay or disapproval, bring almost sure death to a piece of legislation. Lawmakers themselves attach much personal significance to their committee assignments, usually regarding chairmanship of key committees as rungs up the political ladder.

But this year some members are saying, either jokingly or seriously, that they'd just as soon pass up top committee honors. They note a high casualty rate in the campaigns among last year's key committee members.

Among those who lost out were Sen. William Fly of Victoria, chairman of the powerful Senate finance committee; Sen. Floyd Bradshaw, member of finance and other important committees; Rep. Max Smith, vice chairman of the House state affairs committee; Rep. Frates Seelgison, vice chairman of House revenue and taxation committee.

Leadership can have a high price tag, one member observed. "Some of those committees, like state affairs or taxation, get nothing but hot potatoes. You make a batch of enemies with every bill."

**BEACH SUIT FILED** — Attorney General Will Wilson has joined Nueces County officials in getting a court order to stop barricading of beaches on Padre Island by private landowners.

Action stems from the open beach bill passed by the Legislature last summer. This law, hotly debated, affirmed public ownership of beaches and guaranteed public access to them.

Padre Island Land and Development Co., which put up the barricades, claims property rights up to the water's edge as a result of a Spanish land grant.

Another suit has been filed at Galveston where a similar situation developed.

Final decision on who can go swimming where will hinge on court interpretation of the law.

**CARDS OF THANKS**

We extend deep appreciation to all our friends who did so much to help us in our recent bereavement. The many beautiful expressions of sympathy were most helpful.

Mr. and Mrs. Regan Bain Tillie and Ike Johnson Weldon and Nelda Baskin Howard and Elaine Baskin Mickie and E. L. Sill

I wish to thank the doctors, the hospital staff, friends and neighbors for each prayer, visit, all the pretty flowers, cards and other gifts, also their kindness shown me during my illness. Everything each one has done is deeply appreciated.

Mrs. W. H. Gray

To our friends in Donley County: We appreciate your prayers, thoughtfulness, and concern for our son, Richard. May the Lord bless you.

Betty and Johnny Leathers

Jerry Sadler, Democratic nominee for land commissioner, has suggested that careful study should be made to determine what action the next Legislature should take to insure legal and orderly development of Texas tidelands.

Sadler suggested the state should chart its course carefully to avoid the possibility of any more difficulties in the management of its submerged lands. Recent U.S. Supreme Court ruling that state ownership extends 10 1/2 miles from the shoreline ended a 15 year tidelands battle.

First thing, said Sadler, will be to settle by law where the shoreline is so the tidelands boundary can be established in relation to it. Also, the boundary between Texas and Louisiana coastlines will have to be definitely determined. Court decreed Louisiana owned tidelands for only three miles out.

**DON'T FENCE US OUT** — You can ride horseback to your heart's content in the Davis Mountains State Park, but be sure to close the gate as you come and go. This is the gist of a State Supreme Court ruling in a case which pitted the State Parks Board against the owners of grazing rights in the Davis Park.

State as a long-term lease on the land for park use with grazing rights reserved by the landowners. Owners declared public horseback riding in the 1,340-acre area interfered with grazing and padlocked the gates. Parks Board contended the riding was a legitimate park use to which the public was entitled.

Supreme Court agreed, but added that some safeguards should be set up so the grazing cattle wouldn't be let loose. High court sent the case back to the local district court for the writing of specific directives.

**EMPLOYMENT HITS PEAK** — Employment in Texas hit an all-time high this spring with 3,454,000 jobholders, Texas Employment Commission announced.

High point was hit in April. Part of it was attributed to the usual good-weather pickup in farm and construction activity, part of it to industrial expansion.

A further increase in farm employment is forecast as planting, irrigating and cultivating work gets into full swing.

**Non-farm employment rose by 32,000 between March and April, hitting a total of 3,053,100.**

**YEAR TO REMEMBER** — An historic Texas date, 1836, will be used on the road signs in San Jacinto State Park, the State Highway Commission announced. Approximately 6.5 miles of roadway will be marked Park Road 1836. It will run from a junction with State Highway 134 and will include all state-maintained road sections within the limits of San Jacinto State Park near Houston.

**SHORT SNORTS** — Joe G. Moore Jr. of Austin has been appointed secretary and research director for the State Finance Advisory Commission. Moore was at one time a research assistant for the Texas Legislative Council, helping in a study of state tax laws. Next meeting of the Commission, appointed by the governor to study state finances and make tax recommendations, is set for Friday, June 17.

Texas draft quota for July will be 290 men, State Selective Service Headquarters has announced. In addition, local boards have been asked to send up approximately 1,000 men for pre-induction exams.

Gov. Price Daniel has announced the promotion of two National Guard officers. John L. Thompson Jr., Houston business man, was named a major general and Everett Selden Simpson, A-

Alma, Mich., Recorl: "Contrary to a sometimes heard observation, newspapers must have support if they are to serve. There is rarely a week goes by that we don't have more news than we can publish because of a lack of advertising to support it. There is rarely a week goes by that someone doesn't suggest that we expand this way or that. We appreciate these suggestions and are keeping them on file for future reference. Yet the fact remains that these needs cannot be accomplished without the recognition and support of the people."

The late President Theodore Roosevelt once said: "Americanism means the virtues of courage, honesty, justice, truth, sincerity and hardihood — the virtues that made America. The things that will destroy America are prosperity-at-any price, safety-first instead of duty-first, the love of soft living and the get-rich-quick theory of life." And former President Hoover says: "We are in the midst of an increasing moral slump, as witness the increase in major known crimes."

 TEXAS PRESS ASSOCIATION

**AUSTIN** — In a period of deep gloom about state finances, Texans had to pinch themselves to believe the good news.

U.S. Supreme Court ruled that Texas does indeed own its tidelands for 10 1/2 miles out — just as Texans have been claiming for 115 years.

Financially, it's a long-range gain at best. But as a moral victory for Texas principles, it's the biggest thing since the Battle of San Jacinto.

Revenue from the publicly owned land will go into the permanent school fund. Problem of Texas' bankrupt general fund is unchanged.

How much money comes to the school fund will depend on how much oil is under the submerged lands and how good is the market. Money going into the permanent school fund — from mineral leases, royalties, bonuses, etc. — is invested, and only the income from these investments may be used for current school spending.

Thus far, the oil yield from Texas tidelands has been far from spectacular. There have been only 24 producing oil wells and 47 gas wells in 22 years.

But if conditions are promising, oil men undoubtedly will keep trying. As an immediate effect, the state will get some \$29,000,000 in mineral payments that accumulated while the issue of state

**POLITICKING VACATION** — Gov. Price Daniel will spend his vacation politicking for U. S. Sen. Lyndon B. Johnson.

First step will be the National Governors Conference in Montana June 26-29. After that, said the governor, he'll vacation and visit around with other governors where he feels he can do the Texas favorite son's cause the most good.

And after that, he will go on to the National Democratic Convention in Los Angeles July 11.

Daniel predicted Johnson would lead on the first ballot at the convention.

**ANTI-INCOME TAXERS** — Voters who oppose the federal income tax and the United Nations will find a haven in the Constitution Party.

Like the Republicans and Democrats, the Constitution Party will hold a state convention June 14 to name delegates to a national convention.

At a preliminary meeting in Austin, delegates were selected and instructed to work for a ticket headed by J. Edgar Hoover for president and Tom J. Anderson of Nashville, Tenn., for vice president.

Constitution Party also nominated candidates for all statewide offices except governor. Gubernatorial nominee was omitted, because if he should receive 200,000 or more votes in a general election, state law would require the party to go the expensive primary nominating route next election year.

Dmitri Vail, famous portrait painter, shown here with his portraits of Shirley Jones, and Maurice Chevalier, which are being placed in the State Fair Music Hall in Dallas, as part of the permanent collection in the "State Fair Music Hall of Fame" on display during the State Fair Musicals 19th summer season which runs thru Sept. 4. Other Dmitri Vail portraits, all painted from life, to be seen in the "Hall of Fame" are Anna Maria Albergheggi, Jack Benny, Jeanette MacDonald, Liberace, Peter Wolf, Hyman Charninsky, and Lehman Engel. Two more stars are to be painted by Vail in 1960 for the collection.

system has increased money needs that must be reckoned with. Board has voted to ask the Legislature for a \$107,000,000 appropriation for the 1961-63 period. This would be \$34,000,000 more than the present allocation.

Part of the extra funds, about \$2,000,000 a year, would go to hire extra people so present staffers could change from the present 44-hour week to a 40-hour week. Board has recommended this change to put hospital employees on equal footing with those of other state agencies.

But the main problem, says the Board, is that the hospital system is getting more and more patients and needs more money to

take care of them. In addition, it has the problem of caring for many oldsters who are not really mentally ill.

**YOUTH NEEDS CITED** — Another state agency with a story of urgent need for more state support is the Texas Youth Council.

Youth Council has the responsibility for trying to stem the tide of rising juvenile delinquency and also to provide homes for children who have none of their own.

For this task in 1961-63 the Council is asking for a \$13,695,636 appropriation — up by \$3,000,000 from the present. Some of this would be used for

new construction at the Gatesville Training School for Boys, Gatesville Training School for Girls, a state home for orphaned Negro children and for additions to the Waco and Corsicana State Homes for orphans.

It also would enable the Council to set up a parole supervision staff to follow up on the rehabilitation of youngsters released from training schools.

**ADULT CLASS HELD IN HOMEMAKING DEPT.**  
Several ladies of Clarendon participated in an adult class in Millinery in the high school homemaking dept. last week. The ladies made the buckram hat frames and covered them under the direction of Mrs. Sue Shields. Self shape frames were made and a few frames were shaped on the hat block. As in any new undertaking some mistakes were made and had to be corrected. A few designs did not turn out as anti-

ciated and had to be re-done. Much experimenting was done in draping the fabric on the frames. The ladies learned a great deal concerning the construction of hats and the use of fabrics in covering them. Some decided that hat making was not for them while others plan to make a hat in every conceivable color and shape. — Rep.

Miss Ivy Dea Hinkle and Mrs. Stella Goode visited relatives in Tahoka, Lubbock and Plainview the past week.

**FARM NEWS**

from the County ASC Committee

**Cotton Measuring**

The ASC County office is making plans to begin measuring cotton acreage next week, provided farmers can get a stand of cotton up by then. Each farm operator will be expected to assist the reporter with the measuring or have his representatives to help. Be sure that all cotton acreage originally planted is measured even though it may have been replanted to another crop. This is very important since the new legislation requires that at least 75% of the cotton allotment must be planted in at least one year of the 3 year base period.

Due to adverse weather conditions, operators of Choice (B) farms are making inquiries as to when an operator of a farm on which Choice (B) allotment was elected may change such election to Choice (A). The operator of a farm for which Choice (B) allotment is elected may file an application of Choice (B) allotment for a particular farm to Choice (A) where conditions beyond the control of the operator prevent the planting of cotton or having cotton available for harvest on any acreage in excess of the Choice (A) allotment for the farm. For this purpose, conditions beyond the control of the operator are limited to excessive rain, flood, hail, and drought.

**Wheat**  
We are now in the process of establishing 1961 wheat allotments for the wheat farms in the county. This year, our wheat allotment was 17,753 acres — next year's allotment has been set at 16,757 acres. Farm allotments, as a result, must be much smaller. Marketing quotas will again apply. The price support level for 1960 wheat crop is \$1.79 per bushel for No. 1 wheat. 1960-Crop Grain Sorghums

Price support will be carried out, as in previous year, through farm and warehouse-stored loans and purchase agreements. Support will be available from harvest time through Jan. 31, 1961. Grain sorghums price support loans mature March 31, 1961. The 1960 Grain Sorghum loan rate is \$1.48 per Cwt. for No. 2 or better. **Soil Bank Program**

Every farmer having a soil bank contract should check frequently to see that all fences protecting C.R. land are kept in good shape. A lot of the soil bank acreage with that good cover of grass is looking mighty tempting to "Old Bossy". Remember that grazing of Soil Bank land will constitute a violation of the contract.

Reporters will be in the field full time soon measuring allotment and soil bank crops. These reporters will also check for Conservation Reserve violations. Do not harvest a crop from the designated area; do not plant soil bank base crops in excess of permitted acreage; do not break out new land; and do not fail to control noxious weeds.

**Disposition of Excess Cotton**  
Remember when you receive a notice of acreage in excess of your allotment please notify this office of the disposition of excess and pay a fee of \$4.00 per farm plus \$2.00 for each plot over one within 15 days from the date of the notice.

**ATTENDS SEMINAR**

Miss Inez Skinner attended a two-day seminar (educational program) for nursing home personnel at Quanah June 15-16. It was sponsored by the Hardeman County Medical Society and conducted by the State Health Department workers from Austin. It was a very interesting program.

Mrs. Gale Ledbetter and Gary of Conroe, Texas, are spending two weeks with her parents, Mr. and Mrs. O. C. Watson, and will celebrate a joint birthday with her father, June 23.

Mr. and Mrs. Joe Turner and children of Little Rock, Ark., were guests Monday night in the home of her sister and family, Mr. and Mrs. Johnny Leathers and boys.

**Services Held Thursday For Former Resident**

Funeral services were held Thursday afternoon in Blackburn-Shaw Memorial Chapel, Amarillo, for Mrs. Lillie Baskin with Dr. Winfred Moore, pastor of the First Baptist Church officiating.

Mrs. Baskin, 74, died last Wednesday morning at her home in Amarillo. She was a resident of Clarendon prior to moving to Amarillo 28 years ago and was the mother of Mrs. Alice Bain of this city. Her husband, Lonnie Baskin, predeceased her in death in 1932.

Survivors include two sons, Weldon Baskin and Howard Baskin, both of Amarillo; three daughters, Mrs. Ike Johnson of Amarillo, Mrs. Regan Bain, Clarendon and Mrs. E. L. Sill of Stroud, Okla.; a brother, Cloma Fulgham of Dallas, a sister, Mrs. F. E. Wiseman of Portland, Ore., four grandchildren and three great-grandchildren.

Burial was in Llano Cemetery, Amarillo.

**FAMILY HOLDS REUNION**

The home of Mr. and Mrs. F. A. Floyd and Mollie was a place of family reunion Sunday. Those attending were W. F. Floyd, Hedley; Mr. and Mrs. J. H. Mace and Paula of Eldorado; Mr. and Mrs. B. V. Floyd, Bill and Mike of Borger; Mr. and Mrs. Clyde Hogard, Cecelia and Bobby, Hedley; Mr. and Mrs. Bill Lowe, Jeanine, Cathy and Jimmie of Alaband; Mr. and Mrs. Edd Floyd, Gene, Jan, Pat, Janie, Jerry Don of Hedley; Mr. and Mrs. L. J. Wade and family, Borger; Mrs. Wanda Burgess of Abilene; Mr. and Mrs. A. L. Stanford and family of Chickasha, Okla.; Mr. and Mrs. Eddie Floyd and family of Clarendon.

All brothers and sisters were present with the exception of J. T. Floyd and family of Bowie, Texas.

**GIRLS ENJOY CANDY MAKING WORKSHOP**

For the past week, candy making has been the center of interest for girls taking the Summer Homemaking Course in Clarendon High School. This is a project which most people enjoy at Christmas, but it can also be turned into a hobby or an avocation. Good candy is always an acceptable gift. Emphasis in these classes was placed on the art of making hard candies, wax or "chewy" candies, fudge, divinity, fondants, and quick candies made with sweetened condensed milk and chocolate chips.

The girls learned to calibrate a thermometer and to adapt all recipes to our altitude. Making good candy isn't due to luck. Careful measurement of ingredients, correct cooking temperatures, and proper manipulation of your product insures your candy making success.

Those girls taking the course were Sharon Williams, Norma Self, Gay Watson, Judy Benson, Sue Phelan, Judy Pittman, Shirley Mann, Agatha Wallin, Brenda McAnear, Becky Spivey, Sandra Webb, Irene Elam, Clea Kootz, and Janie Ivey. —Rep.

The children of Mr. and Mrs. W. C. Scott surprised their father Sunday with a nice lawn mower. Those present were Mr. and Mrs. Chester Scott, Glenda and Connie, Mr. and Mrs. Ray Hefner and Patsy, Mr. and Mrs. Billy Scott and Chryle, Mr. and Mrs. John F. Harlan, Mr. and Mrs. Don Barker, all of Amarillo.

Mr. and Mrs. Johnny Leathers and children returned home Sunday from Houston where they have spent the last several weeks. Their oldest son, Richard, received medical treatment at Texas Children's Hospital there. Enroute home they visited her parents at Gatesville and picked up their youngest son who visited his grandparents during that time.

Guests in the home of Mr. and Mrs. A. O. Hefner Sunday were Mr. and Mrs. W. M. Pickering and Mr. and Mrs. Edwin Eanes. Mr. and Mrs. Ray Hefner and Patsy of Amarillo were afternoon visitors.

**CLARENDON DUSTERS DEFEAT NIP AMARILLO**

The Clarendon Dusters defeated Amarillo here Sunday afternoon, 5-4.

Bobbie Leslie went all the way on the mound to take credit for the win. The Dusters were trailing 3-1 going into the 8th when they broke loose and scored 4 runs.

The Dusters journey to Spearman Sunday. They will leave from in front of the court house at 10:30 a.m.

**ADAMS NAMED TO DEANS HONOR ROLL**

Canyon (Special) — Jimmie Don Adams, Clarendon senior, was named to the Dean's Honor Roll for the 1960 spring term according to a recent announcement made by Dr. Walter H. Juniper, Dean of West Texas State College.

The roll is made up of students ranking in the upper five per cent of the entire undergraduate student body.

Son of Mr. and Mrs. Raleigh Adams of Clarendon, Jimmie is a physical education major. He is a 1956 graduate of Estelline High School and transferred to WT in 1958 from Clarendon Junior College.

Visitors in the home of Mr. and Mrs. Geo. L. Green the past week end were Mr. and Mrs. Robert Green and family of Temple, Miss Helen Green of Dallas, Mr. and Mrs. Roy O'Brien of Richardson. Saturday night they all attended the wedding of Mr. and Mrs. Geo. Green's granddaughter, Miss Mary Helen Bentley, to Lannie Golladay, who is a student of Texas University. The wedding was performed at the Presbyterian Church in Amarillo.

Mrs. Clifford Taylor and children have returned home after a two weeks visit with her daughter, A-2c Donald Mills, wife and grandson at Sewart AFB in Smyrna, Tenn.

Mrs. U. A. Jackson of Goldston and Miss Billie Jean Jackson of Memphis spent Friday with Mr. and Mrs. J. C. Ashcraft and Fern.
