TxDOT meets with citizens, outlines plans for Hwy. 287

State transportation department engineers held a public meeting in Clarendon College's Bairfield Activity Center last week to discuss proposed upgrades and construction to US Highway 287 and to listen to the concerns and suggestions of local citizens.

The state will spend approximately \$1.6 million to refurbish, modernize, and widen the highway.

Officials at the Thursday night meeting listened closely to citizens' concerns about access to their businesses and homes and about specific drainage problem areas. They said they will consider all of the input they received at the meeting when the actual plans are drawn up over the next few months.

At this time nothing is definite about the plans other than the highway will be rebuilt. But engineers presented several ideas they intend to implement in the highway upgrade.

Daniel E. Brown, TxDOT Area Engineer, said his department hopes to reduce the traffic congestion and the number of accidents on 287.

"First and foremost, we want to build a safe highway," Brown said.

To improve safety, safety appurtenances (possibly in the form of handrails) will be provided where the sidewalk will be narrowed, traffic sensitive signal systems will be installed at both stop lights, a center turn lane will be added throughout town, and storm water drainage will be improved.

To accommodate the center turn lane, the highway will be widened by approximately 2 1/2' on the north and south sides of the road. This means changes will have to be made in the sidewalks downtown.

Brown said that curbing and guttering will be installed on the highway throughout town to help facilitate removal of storm water and to "dress up the looks of the highway through town."

The highway may have to be raised in some places and lowered in others to improve drainage. Inlets to a new underground drainage system will be added in some places, particularly along the south side of the highway.

Brown said his department will be working closely with Mayor Steve Smith and the City of Clarendon to clean out and upgrade existing storm water drainage corridors.

The new highway will incorporate salvaged materials from the old highway to reduce cost. Flyash recovered from the SPS power plant will be mixed into the base to strengthen it. The intersections at Kearney and Koogle will be made of concrete.

Contracts for the new highway will be let in July 1997 with construction beginning around September 1997.

The north half of the highway will be done first, and traffic will be reduced to two lanes during the construction.

Workers will be on the job six days a week. It will take eight to 10 months to complete, and there naturally will be some inconvenience.

"We can't bring (287) up to modern standards and leave it where it is without some inconvenience," Brown said. But he added that his department will work with businesses and residents along the highway to lessen the inconvenience as much as possible.

Contractors will be required to work with businesses to block entrances only at non-peak hours. Access to all businesses and residences will be impaired to a minimum, and denial of access to business and residences will only be for a few hours during critical phases of the construction.

Property owners will be constrained by guidelines that will govern how wide their driveways can be. Long, expansive drives will not be allowed as it reduces the function of the curb and gutter network.

Brown said that engineers, contractors, and inspectors will talk to businesses individually to work on scheduling. Officials will also meet with property owners individually to determine locations of driveways.

Brown said that the contractors will tie people's driveways into the new curbing with whatever material their drive is currently made of.

"If you have a concrete drive, we'll tie in with concrete. If you have asphalt, we'll tie back in with asphalt. If you have dirt, we'll tie back in with dirt."

According to Brown, US 287 was built through Clarendon in the late 1950s and was designed with a 20-year lifespan. The years have taken

Highway Q & A

Some of the most commonly asked questions regarding the new highway are answered below.

Q: When will the project start?
A: The project will be let in July 1997. Actual construction will begin around September 1997.

Q: How long will the project last?
A: At this time TxDOT estimates approximately 8 to 10 months.

Q: How long will the construction obstruct the entrance to my business?
A: This project will be built in two identical halves. The north half of the project will be built first and then the southern half. Access to all buildings and residences will be impaired to a minimum. Denial of access to businesses and residences will only be for a few hours during critical phases of construction. Alternate routes will be used where possible so that complete access is not denied.

Q: Will this construction cause a lot of dust and noise?
A: TxDOT will be implementing a dust reduction policy to which the contractor must comply. The contractor will be required to minimize dust at all times. This does not imply that the construction operation is dust free. Construction will cause dust, but TxDOT will make specific efforts to minimize it.

Heavy equipment will cause an increase in noise; but, for the most part, the construction equipment will not be any louder than semi-truck going through town.

Q: How wide is my driveway going to be?
A: The number and width of driveways are subject to the amount of property frontage.

Q: Are you going to fix the drainage problems we now have on US 287?
A: TxDOT plans to address the drainage problems on US 287 through the use of curb and guttering, storm drains, grade revisions and increasing the flow capacities of existing structures. They say they will not be able to eliminate all the drainage problems. Their desire is to eliminate as many drainage problems as possible and alleviate the problems that cannot be completely eliminated.

Source: Texas Dept. of Transportation.

their toll on the road, and now the pavement is breaking down and is requiring expensive maintenance. Rutting at the intersections of Hwy. 287 and Kearney Street and Hwy. 287 and Koogle Street has become a particular problem.

The highway downtown covers several blocks of Clarendon's historic brick paving. Brown said that contractors will be required to salvage as many of the paving bricks as possible. The bricks will then be turned over to the City of Clarendon to repair other brick streets or to be used as they see fit.

If you have any questions about the proposed construction or have particular drainage or traffic problems you would like to have addressed, call locally 874-3721 or the area TxDOT office at (806) 447-5137.

ROY WILLIAMS has been working diligently to repair the brick paving on First Street. Several blocks of the street had to be cut into in order to lay new water lines recently. Williams has been able to do what city crews have been trying to do for a few years now - make the bricks look like they did before they

were taken up. Good job, Roy!
To the city's credit, recent repairs by city workers on Kearney Street's brick paving, across from the newspaper office, appear very well done also. The Enterprise salutes these efforts to preserve part of Clarendon's heritage.

Bronco basketball season to start this Friday with game against Childress

The Clarendon Broncos kick off their 1996-97 season with a Friday contest against Childress in Bobcat Country. Tip-off is set for 8 p.m.

West Texas High cancelled the Broncos scheduled Tuesday season opener because the Comanches remain in the football play-offs. Instead, the Clarendon boys will play Valley Saturday at 3:30 p.m. at Valley High School. The J.V. Broncos will tip off at 12:30 p.m.

The Lady Broncos opened their season against W.T. Tuesday but scores were unavailable at press time. They will meet Childress at 6:30 p.m. Friday.

The junior varsity boys and girls teams are both scheduled to begin play at 5 p.m. in separate gyms in Childress - the high school and junior high facilities. The two teams will not know what facilities they will play in until game day.

Head Coach Jimmy Avery said Bronco fans will see some new and familiar faces on the floor Friday against Childress. "I don't know much about Childress," Avery said. "A lot

of our players faced them this summer in the Childress summer league, so I think they'll be able to react to them."

All-Region I Class 2A player Roy Williams will lead the Broncos in his senior season. Two-year letterman and senior De'n Stanzione will add speed to the team, as will junior Kareem Abdullah, who will return once he recovers from a broken foot suffered during football season.

"We have a lot of speed that we will need to capitalize on," Avery said. "We will be pushing the ball up the court and pressing our opponents."

"The fans will enjoy a lot of fast-paced basketball. We need to rebound well."

The Lady Broncos will suit up all eight returning players, plus some new faces moved up from last year's junior varsity squad, head coach Steve Schmidt said.

"Everything looked good (during their two scrimmages last week), and compared with last year at this time it was considerably better," he said. "The shooting wasn't real good yet,

but that's not a real big worry. Everything else looked better."

The new players can give the Lady Broncos some different looks, and Schmidt hopes to use their increased speed and size to Clarendon's advantage.

Childress is in a rebuilding year, losing nine to graduation, Schmidt said, but that doesn't mean they need to be taken lightly. Clarendon scrimmaged the Lady Bobcats in Pampa Nov. 5 and know what to face.

"They have one tremendous player (Cara Steed); and the rest, they're just trying to find who'll step

Russian priest to visit Methodist Men's Breakfast

The Methodist Church will be hosting Father Sergery Bezchasny, a Russian Orthodox priest visiting West Texas on Thursday, November 20.

Father Sergery will be speaking at the Methodist Men's Breakfast at 7:00 a.m. in the Fellowship Hall. His second presentation will be in the Sanctuary at 7:00 p.m. Thursday evening.

Sergery is here to thank the people of West Texas who have assisted in his work with orphans in Russia. In 1994 and 1995, volunteers from the surrounding area traveled to Russia to assist in renovation work on a Russian Orphanage eighty miles from Moscow. Rev. Terry Tamplen, who was Pastor here in 1994, went on the Russian trip and helped with this project.

The plan is now to create something like a Boys Ranch at an abandoned estate in Russia. He will be visiting churches in the Amarillo area to show slides of the work in Russia and to solicit volunteers and support for his work. He is also bringing with him a fine display of Russian Icons which will be on display in the Fellowship Hall of the Methodist Church after the 7:00 p.m. presentation.

All the men of the community are invited to the Men's Breakfast at 7:00 a.m. Thursday morning, November 21st. Everyone is invited to hear the presentation in the Sanctuary at 7:00 p.m. This will be a rare opportunity to hear a first hand report of the renewal of the church that is taking place in Russia since the collapse of Communism.

Sergery

Keeping an eye on '96 Texas vote

Election results*

Close to 66 percent of Texas' registered voters came to the polls in the November 5 presidential election, down from 73 percent in 1992.

'96 voter turnout

Voters as percent of those registered

- 70% or more
- 60 to 66.99%
- 50 to 59.99%
- less than 50%

Plane tickets to be given away Friday

Want a free plane ride to Las Vegas or any where Southwest flies? Clarendon College's Ex-Students Association and Southwest Airlines have graciously donated two roundtrip tickets which will be given away this Friday, Nov. 15, at the Coca-Cola Bulldog Classic in the CC Gymnasium.

The roundtrip tickets are good to any destination that Southwest Airlines serves. Southwest Airlines currently serves 45 cities, 46 airports, and 22 states.

To be eligible for the ticket giveaway, individuals must attend the game and be at least 18 years of age. All game attendees will be asked to keep their ticket stub, which will be used to select the winner of the airline tickets.

For more information about the Ex-Students Association and Southwest Airlines' ticket giveaway, please call 874-3571.

These Clarendon Headstart students received reading awards at the Regional Parent meeting held on Oct. 24 at the Region XVI Educational Service Center in Amarillo. They are: Dalton Layton, Brandi Mays, Eli Short, and Mariah Benevides.

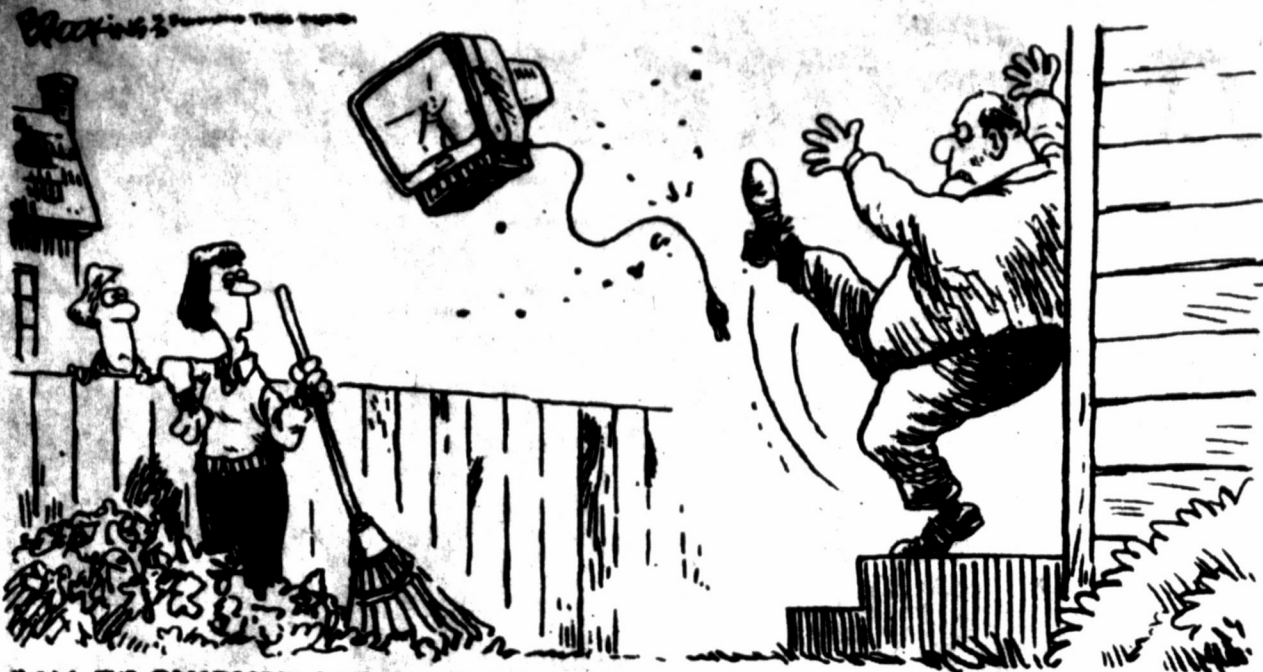

American Cancer Society sets 'Smokeout' events for area

This year, more than 400,000 people will die of tobacco-related diseases according to a press release. That's why the American Cancer Society is serious about helping smokers to quit.

The premier event for helping smokers quit is the American Cancer Society's Great American Smokeout on the third Thursday in November. The Smokeout is a lighthearted, upbeat event aimed at reducing the ranks of smokers by encouraging them to quit for just 24 hours. A successful quitting experience can lead to a decision to give up the habit permanently.

Smokers and non-smokers alike will be taking part in the Smokeout at events around the state. Schools, businesses, military bases, hospitals - all will host Smokeout events designed to spread the word about quitting smoking. American Cancer Society volunteers have spent months setting the stage for the Smokeout. From events aimed at keeping school children from starting to the traditional event designed to get smokers to quit, volunteers have been recruiting help, reserving facilities, and gathering informational materials to make this year's Great American Smokeout the best ever.

For information about Great American Smokeout events in your area, or for facts on tobacco and cancer, contact your local American Cancer Society office at 353-4306.

"An Empty Chair at our Table"

By Scott Elliott

R-r-r-r-ing! R-r-r-r-ing! R-r-r-r-ing!
It was elevenish last Thursday night when the telephone beckoned. I was lying on the couch, drifting in and out of some black-and-white Gary Cooper classic. The shrill interruption didn't really alarm me because it wasn't quite late enough for one of "those" calls. You know, the middle-of-the-night kind that normally brings bad news. No, this time I reckoned it was just one of Scotty's buddies or maybe our college security guard, filling me in on some late night campus rascality. But I was wrong. Dead wrong. It was, indeed, one of those calls - Dean Tex Selvidge giving me the news about a student who had perished in an automobile accident on some dark farm-to-market road out in the middle of nowhere. He also told me of two other students injured in the mishap, one of whom had suffered a broken neck and was herself teetering on the brink of death.

The church accepted such young scholars *en loco parentis*, meaning that the school administration acted "in place of the parents."

That educational premise generally remained in vogue until recent generations when it was tested one too many times in court. Colleges have become increasingly less liable for the well-being of students. Today, we bear little to no responsibility under the law for the residential student beyond the same standard of reasonable care which would be expected of any innkeeper and/or restaurateur.

Yes, the law, in my opinion, has lessened the liability of colleges, but perhaps rightly so, since it has also bound and gagged us. With the adoption of the Buckley Amendment in 1974, college administrators can not lawfully contact the parents or guardians of any student 18 years or older without his/her written consent. If a student is habitually cutting classes, failing, posing a disruptive influence, or otherwise engaged in what might be considered less than positive recreational pursuits, we can't do a cotton-pickin' thing in terms of parental notification.

And maybe that's the way it should be. After all, if 18-year-olds are mature enough to be shipped to Vietnam, Iran, Haiti, Grenada, or wherever and put their lives on the line for us; if they are adult enough to vote on the most powerful governmental office in the world, well, then maybe they're also matured enough to make their own decisions about their devotion (or lack thereof) to school and their extracurricular pursuits.

On the other hand, I have wanted to pick up the phone a zillion times and counsel with some unsuspecting parent - hardworking men and women who send their most precious possessions off to college to hopefully acquire some relevant tools for working and living.

Even though the law may suggest otherwise, I will always feel as though our parents have, in a sense, entrusted me with the care of their son or daughter. I take that responsibility seriously, and we try very hard at Clarendon College to develop policies, procedures, and practices that promote the best interests of our students. But the bottom line is that, try as we might, we can not be all knowing.

One of the reasons I desired to become associated with Clarendon College nearly two years ago is that I perceived it to be an institution that was more like a family than a business. Today there is an empty chair at our family's table and a hollow place in our hearts.

As I wrote earlier, I do not have all the answers. Far from it. All I know is that a 19-year-old with worlds to conquer and dreams to fulfill is dead, and I feel sad. Very, very sad.

Dr. Scott Elliott is the President of Clarendon College.

Letters

Dear Editor,

I've been observing the crews laying the water lines throughout our fair city; and I would like to state my admiration for them.

Saturday, Nov. 1, a crew was about to lay a water line across our parking lot. Leanne and I thought the trench would be a barrier to our customers; and we debated closing that day. However, as we watched, the crew did some preparation work and then moved on to another location by the time we opened at 11:00. After our lunch run was over, the crew moved back in, laid the water line, and was out by the time we opened again at 5:00. Like, you know, wow, man.

I spent 10 years in the oil business, geological, and engineering, so I have at least a small appreciation for the logistics of an operation such as this. There are the headaches of the planning stages and the headaches of having your required materials on-site when needed, assuming you can even find them. But the biggest headache is trying to plan everything around the public. And believe me, boys and girls, the general public can be a royal pain when it comes to disruptions.

Those of you griping about the disruptions this construction is causing, or is going to cause, should keep your whining *sotto voce*. These guys are good.

James F. Howell III
Howell's Chili House

Good point. Right on, man.

Dear Editor;

I want to express my deep thanks to the voters of Texas who invested their trust and their confidence in me by re-electing me to represent the greatest state in the Union in the United States Senate.

Other than my wife, Wendy, and

my two sons, the thing that I'm most proud of in my life is that I have the opportunity to serve you.

I want every Texas family to know that when I said I was going to Washington committed to bringing back power where it belongs, to our families, I meant it. I will work hard to be sure that Congress does what it was elected to do so that family, faith, and freedom can come first in America.

I will always make you proud that you elected me as your senator.

Yours respectfully,
Phil Gramm
United States Senator

Dear Editor;

I want to congratulate Billie Shaffer on her very interesting excellent letter to the Editor of the Clarendon Enterprise that was published in the Enterprise Thursday, November 7, 1996. Having lived off and on in the Texas Panhandle since August 20, 1950, it was not the greatest ear shattering news I've read lately. However, the real shock is that we have an Editor & Publisher that considered a visitation by a major Democratic Candidate to the area, not to be newsworthy!! I'm afraid that Mr. Estlack has been brainwashed into thinking that every word that comes from the GOP is the Gospel Truth with no recognition for the opposing views.

There is one thing for certain, the 356 voters who voted for Mr. Silverman from Donley County and all the Democrats from the 13th Congressional District that voted for Mr. Silverman, will be watching Rep. Thornberry voting record, remarks, pro's and con's, and how well he works with the President on legislation. President Clinton has called for

the "SETTING ASIDE POLITICS" and working together for a change and for the good of the Nation. We'll be watching very close on how Rep. Thornberry handles that offering!

The GOP is the party of inclusion only if you agree 100% with the Radical Right. If you even question any of their agenda then you are excluded.

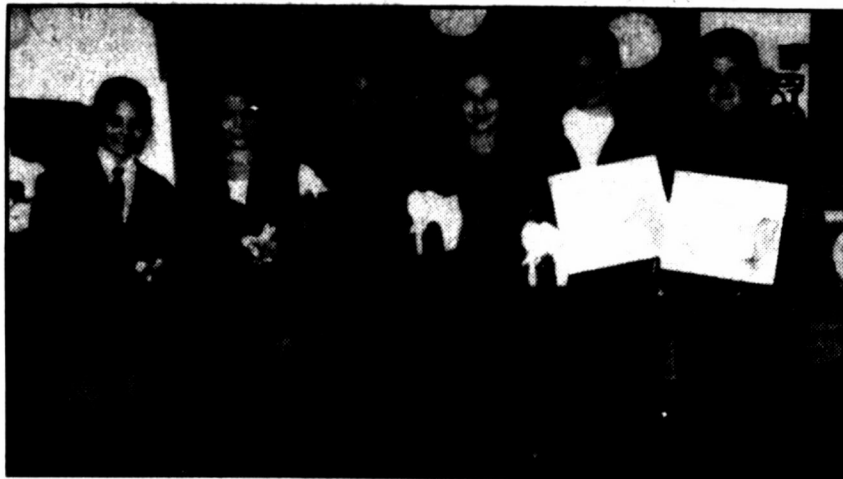

Wayne L. Doering

P.S. We were very unhappy with Mr. Silverman due to his lack of performance. We'll try and have a real Democrat for the 13th Congressional District in two years.

Thanks for the thoughtful letter. I guess my secret is out. About a year ago, four henchmen from the RNC tied me down and inserted a microchip in my brain that is controlled from the office of none other than Newt Gingrich himself.
Gimme a break.

-Editor

P.S. I'm sure the 1,215 people from Donley County, who voted for Mr. Thornberry, will be watching how he works with the President also.

Ms. Kelley's fifth grade class presented a program to all the elementary students on November 5, 1996, on the election process. The students wrote the program which gave information about each candidate and their parties. The candidates were Chrissy Martin and Alice Hommel as Bill Clinton; Jeremy Howard and Lydia Hartman as Bob Dole; and Tim Leeper and Otis Scrivner as Ross Perot. After their presentation, the students cast their vote for their favorite candidate. Bob Dole won the election by a 2 to 1 margin, Clinton came in second, and in a distant third was Perot.

Clarendon Impersonators make debut Nov. 26

Chances are you will be chosen. If you are a Clarendon Bronco, a teacher, a business owner, a pharmacist, or hang around the coffee shop, you will want to be on the Courthouse Lawn at 7:00 p.m. on November 26.

See yourself being imitated by a Clarendon Girl Scout. You will see

city workers, grocery store workers, and even volunteer fireman, only smaller.

If this describes you or someone you know, you will want to be there. We will even poke fun at our local law enforcement officers. Come join the fun on Tuesday, November 26, at 7:00 p.m. You may run into yourself.

Cubs Pack to meet next Monday night

Cub Scout Pack 437 will hold its November pack meeting next Monday night at 7 p.m. at the First United Methodist Church.

All cubs, parents, grandparents, and friends are urged to attend. Help your favorite den win Ol' Gus for the next month.

The Tiger Cubs will receive a paw for visiting Wallace Monument Co.

CC women to play Ranger and Odessa in Bulldog Classic here this weekend

The Clarendon College Lady Bulldogs won one and dropped two in their season-opener this past weekend in the tough South Plains Classic in Levelland.

Clarendon hosts the Bulldog Classic Friday and Saturday. Clarendon faces Odessa College Friday at 6 p.m. and Ranger College at 6 p.m. Saturday.

"Odessa College is not as good as they have been in the past, but they'll still be tough," head coach Joel Zehr said. "Ranger is supposed to have a good team."

Perennial power Frank Phillips travels to Clarendon Monday for a 6 p.m. start.

Clarendon opened the Levelland series Nov. 7 against a strong Northern Oklahoma squad.

Northern Oklahoma raced to a formidable 48-27 halftime lead and never looked back. Andrea Watson paced the Lady Bulldogs in the first half, dropping in four field goals and draining a three-pointer for 11 points.

Maxie Flores boosted Clarendon in the second half with two buckets and going 3-for-3 from the charity stripe.

Northern Oklahoma outscored Clarendon in the second half, 41-26, for a 89-53 final.

"We didn't play really well," head coach Joel Zehr said. "It was partly mental playing our first game. I thought Brandy Thomas of Wellington, one of our returning forwards shot, the ball really well. We just weren't mentally ready to play."

Scoring for the Lady Bulldogs were Watson, 12; Thomas, 10; Charmaine Alfred, 8; Flores, 7; Patricia Castillo, 5; Moni Hernandez, 3; Rebecca Soto, 3; Angie Kepley, 2; Tiffany Wilcox, 2; and Jeanenne Tubbs, 1.

Western Texas raced to a 34-29 halftime lead Nov. 8, but Clarendon outscored the Snyder school, 41-27, in the second half behind Thomas' 14 points.

"We rebounded well; we moved the ball well," Zehr said. "We really handled their match-up zone really well."

Watson racked up 11 points in the first half and followed with a trey and two field goals in the second half for 18 points in the contest.

Scoring for the Lady Bulldogs were Thomas, 21; Watson, 18; Alfred, 14; Tubbs, 7; Hernandez, 6; Wilcox, 2; and Flores, 2.

"Alfred played real well against Western Texas," Zehr said. "She had 17 rebounds. She rebounded well."

Host team South Plains - the strongest team in the tournament - dealt the Lady Bulldogs a disappointing 74-46 loss Saturday.

"We didn't handle the pressure well against South Plains. They ran a man. We handle the zone better than the man," Zehr said.

"There were times we played well, and there were times we weren't focused - not remembering how to run a play, run a screen, not making the passes."

Clarendon struggled in the first half falling behind 29-19. Wilcox hit two field goals and a free throw, and Thomas added a bucket and was two-for-two from the free throw line in the opening period.

Scoring for Clarendon were Tubbs, 9; Thomas, 6; Alfred, 6; Hernandez, 6; Wilcox, 5; Flores, 5; Castillo, 4; Soto, 3; and Watson, 2.

"We're going to be a good basketball team if we will focus every time we go out," Zehr said. "They will have to play hard to succeed."

The fund raiser committee of the Donley Co. Senior Citizens met Oct. 6 to discuss plans for a chili supper in downtown Clarendon for Dec. 5. Committee members pictured are: Patsy Hill, Ruby Jewel Hardin, and Bill and Judy Hodges. Other committee members are Virginia Christie, Chairman; Onita and Claude Thomas; Bob and Joan Kidd; and Tommie and Lucy Saye.

Bulldogs to host big game Monday night

The Bulldogs followed up their two-game sweep of their own tournament with a tough three-day series Nov. 7-9 in the Garden City Classic in Garden City, Kan.

Clarendon dropped three games to three good teams, head coach Joe Mondragon said.

They will ride their 2-3 record into Friday and Saturday's Bulldog Classic in Clarendon.

Bayridge College from South Texas will be first up for Clarendon Friday at 8 p.m. Exhibition team Amarillo Athletics in Action will face the Bulldogs Saturday at 8 p.m.

Clarendon Bronco fans Monday will see two of their alumni square off against each other Monday when Clarendon High graduate Danny McCampbell, who suits up for Frank Phillips Junior College meets former Bronco teammate Corey Fields, who plays for the Bulldogs.

Game time is set for 8 p.m.

Poor shooting and bad shot selection in the first half put Clarendon in a 34-24 halftime hole Nov. 7 against Trinidad State. Tony Clark sparked Clarendon with two treys and two field goals in the first half.

Clarendon closed the gap to seven with 4 minutes left in the contest but turned over the ball several times, shooting themselves in the foot.

Freshman Ryan Ross of El Paso and sophomore Clark of Schertz lit up the board in the second half nailing seven treys together.

"We had to shoot the three," Mondragon said. "We were behind by 20, and we had to get all our three-point shooters in. (Ross) and (Clark) shot the ball well. I think (Ross) was 4-for-4, and (Clark) was 5-for-8."

Scoring for the Bulldogs were Clark, 23; Ross, 14; Marlon Green, 11; Bryan Shed, 7; Wendell Harris, 4; Jason Kinney, 3; Fields, 3; and Angel Otero, 2.

"We didn't shoot the ball well at all this weekend," Mondragon said. "I think we were 34 percent from the field. It was just bad shot selection."

Lee College out of Baytown put their big defensive muscles on Clarendon Nov. 8 and dominated the Bulldogs en route to a 83-43 drubbing.

Lee College ran away to a 46-26 halftime lead and never looked back.

Scoring for the Bulldogs were Clark, 12; Green, 10; Shed, 7; Lawrence Bailey, 7; Ross, 6; Otero, 5; Harris, 2; Kinney, 2; and Fields, 2.

Clarendon saved its best effort for last against the tournament's strongest competition - host school Garden City.

Poor shooting plagued Clarendon in the first half as Garden City rolled to a 41-19 halftime lead. Green stepped it up in the second half hitting three treys and two field goals.

Garden City pulled out an 86-60 win - its lowest scoring margin of the tournament.

Mondragon had plenty of praise for freshman Fields. "He had a real good floor game. He ran the offense well for us. I was real happy with how he played. He probably played 30 minutes. (Green) played real well too."

Scoring for the Bulldogs were Green, 15; Fields, 11; Harris, 8; Shed, 8; Jamie Carter, 6; Ross, 3; Kinney, 3; Clark, 2; and Otero, 2.

CC Students and Staff support ACS with benefit dance

The American Cancer Society will get a much-welcomed helping hand from the Clarendon College students, faculty, and staff. The CC family will sponsor a benefit dance on Wednesday, November 20 at the Bairfield Activity Center. Open to all, the dance will feature give-aways for those participating in a mini Dance-A-Thon.

Couples or individuals who are interested in entering the dance contest, must be signed up by 9:30 p.m. The top prize will be \$200.

CC students also will serve as volunteers for the American Cancer Society. Wearing official ACS nametags, CC student will collect donations in Clarendon this Wednesday, November 13, from 1-3:30 p.m. "The college is very pleased the American Cancer Society has asked us to help fight cancer by collecting donations," Michelle Schmidt, Director of Activities said. "We are hoping that the community will be as supportive in promoting this worthwhile cause."

Local students attend Clarendon College's annual High School Round-Up recently

Clarendon College held its second annual High School Round-Up Day on October 18 in conjunction with the college's intramural rodeo. Over 60 students attended the events. High school students representing Texas, Oklahoma, and New Mexico participated in a morning program where they had the opportunity to learn more about Clarendon College's departments.

Those attending from Clarendon High School were: Lollie Menchaca, Chris Chamberlain, Trent Mooring, Gabriel Irving, Joli Grady, Lynette Wills, Tangelia Smith, Missie Butts, Andrea Shelley, Laura Hommel, Delinah Powell, Corey Knorpp, Scott Bivens, Wade James, Josh Mondragon, Candy Oliver, Andrea Bruce, Stephanie Floyd, Marci Moore, Roy Williams, and Heather Shields.

Students toured the campus, were treated to lunch, and then attended the intramural rodeo. Door prizes were awarded to participants, and one \$100 scholarship to attend Clarendon

College was also given away. The event gives students the opportunity to visit Clarendon College's campus, meet instructors, and visit with current students.

Bobbitt-Raney announce engagement

Mr. and Mrs. Emmett Bobbitt of Hobbs, New Mexico, have announced the engagement and upcoming marriage of their daughter, Lisa Kay, to Christopher Scott Raney, son of Mr. and Mrs. Scott Raney of Brownfield, Texas.

Lisa and Chris will be married at 1:00 p.m. on Saturday, December 21, at Vandelia Church of Christ in Lubbock, Texas.

The bride-elect is a 1988 Hobbs high graduate, a 1990 graduate of New Mexico Junior College, and a 1992 graduate of Lubbock Christian University with a bachelor's degree in social work. She is currently employed as a Social Worker with Cavazos Junior High School in Lubbock.

The prospective groom is a 1986 Brownfield High School graduate and a 1990 graduate of Abilene Christian University with a bachelor's degree in accounting. He is currently self-employed as a real estate appraiser.

The couple plans to continue to reside in Lubbock following their marriage.

Les Beaux Arts Club meets

The Les Beaux Arts Club met on November 1, 1996, in the United Methodist Church Fellowship Hall for a luncheon provided by the hostesses Pat Thornberry, Leona Musgrove, Sue Dunagan, and Virginia Christie. The meal was prepared and served by Mary Berrig of Creative Catering and consisted of salads and a chocolate raspberry torte.

Following lunch, President Ruth Robinson introduced the guest speaker, Christi Ross. Mrs. Ross is the Clarendon College Public Information and Marketing Director. Her program was entitled "The Art of Quilting" and included many examples of various quilt patterns. Some shown were Lemoine Star, Ohio Star, Double Irish Chain, Appliqued English Rose, Dresden Plate, Tumbling Blocks, Double Wedding Ring, and the Amish pattern "Sunlight and Shadows."

The speaker stressed the value of quilts in preserving a family's heritage. People should protect and research "family" quilts while older members and quilters can provide information. Mrs. Ross did an excellent job and members enjoyed her presentation.

During the business meeting, conducted by the president, the club constitution was referred to and discussion held concerning absences, dues payments, and the status of the Patching Club House.

Members present, in addition to the president and hostesses, were Dorothy White, Genevieve Caldwell, Frances Dehyle, Ruth Hancock, Maxine Hardin, Mary Beth Rector, Cennet Rhode, Lucy Saye, Buffie Smith, Bobby Thornberry, Tookie Thornberry, Lea Tyler, Zell SoRelle, Kathryn Cain, and Kay Hayes.

The club was adjourned until the Annual Christmas Ornament Exchange to be held on December 6, 1996.

Howardwick Friendship Club to meet Friday

The Howardwick Friendship Club will meet on Friday, November 15, at 6:30 p.m. A Thanksgiving Dinner will be served and all those attending are asked to bring a cover dish.

Lisa Kay Bobbitt and Christopher Scott Raney

Band Boosters to raise scholarship money

The Bronco Band Boosters will be holding a Paper Airplane Toss during the Tuesday, Nov. 19, varsity boys' basketball game to raise money for band scholarships in the names of Jacob Smith and Betsy Ellerbrook.

Participants will buy a sheet of specially marked paper from the Band Booster table for 50¢. At halftime of the boys' game, everyone will fly their airplanes onto the court. The owner of the plane landing closest to center court will win a prize from Kidd's Texaco and Dairy Queen.

Ms. Duncan's Kindergarten class participated in a Costume Parade on October 31. The class toured through all of the Clarendon Elementary classes.

Hedley Schools receives AEIS

"Academically Acceptable" rating

Hedley ISD has received the 1995-96 results of the Academic Excellence Indicator System (AEIS). Hedley received an "Academically Acceptable" rating for 1995-96.

There will be a public hearing to discuss the results of the district's performance on the AEIS. The hearing will be held on Monday, November 18, 1996, at 7:00 p.m. in the Hedley

ISD Cafeteria.

The Academic Excellence Indicator System involves the district's educational performance in the areas of student achievement, attendance, dropout rates, and campus performance objectives. The District Improvement Committee will be reviewing the AEIS indicators as a part of its continuous improvement planning.

Broncos:

Continued from page one.

up," Schmidt said. "They have confidence and a little bit of tradition. We'll have Kasi (Ashcraft) guard (Steed) a lot, but she can play inside and out."

Class 3A Amarillo River Road travels to Clarendon Tuesday for a 6:30 p.m. contest.

"They're huge," Schmidt said. "They have a 6'3" post and a couple of 5'11's. They've got things going good. They made it to the regional finals last year, so it will be a good match-up."

Clarendon lost to River Road by seven last year, but Schmidt believes the Lady Broncos "can play with them."

The Broncos tip off at 8 p.m. in a rematch in which Clarendon dominated last year. River Road returns a strong contingent of shooting and ball-handling guards and plans to capitalize on its quickness.

Avery plans on breaking out of River Road's half-court defense that is built on trapping with his own set of players who like the running game.

"Brent (Gaines), Jason (Archuleta) and Nathan (Sears) will be expected to get a lot of rebounds," Avery said. "We need rebounds to win games."

The junior varsity girls game is scheduled for 4 p.m., and the boys J.V. contest will follow at 5 p.m. in the Bronco gym.

Donley Co. Homemakers Extension Club meets

The Homemakers Extension Club met November 6, in the home of Betty Jean Williams. There were ten members and one visitor present.

The Extension Agent, Jeanene Sinclair, met with them. She told them about the 4-H Club Food Show the 16th of November at the rodeo grounds.

She also told them about her resignation from Donley County. She will be going to Panhandle as the Carson County Extension Agent on December 2.

There will be a District Training meeting in Amarillo on November 21.

New officers were elected for the coming year. They are President Betty Jean Williams, Vice Chairman - Program Chairman Betty Hester, Secretary-Treasurer Maxine Hardin, Reporter Carolyn Blackerby, Council Delegate Anita Mooring, TAFCE Chairman Betty Hester, and TAFCE Vice Chairman Maxine Hardin.

Jeanene Sinclair brought the program on Christmas quick crafts.

Their next program will be December 4. They will have their annual Christmas Luncheon with a Christmas ornament exchange.

Colts destroy White Deer

The eighth grade Colts finished its 1996 season with a punishing 40-14 win over the White Deer Bucks and a 6-2-1 record Nov. 7 in Skellytown.

Running back Dee Thompson romped for four touchdowns, including a kick-off return and two two-point conversions en route to the win. Thompson also chipped in at quarterback duties after starter Colt Floyd was injured and his back-up Michael Lane also sustained injuries.

Shanon Martin was responsible for two of the Colt scores - a short rambble and a 30-yard effort.

Thompson scored on 10-, 20-, 25- and 80-yard runs.

The seventh graders ended their season at the 500-mark with a 4-4-1 record with a 20-0 loss against the Bucks.

Clarendon's junior varsity finished their season with a 42-0 loss at the hands of the mighty Bucks. White Deer scored on their first two possessions and never relented.

The Broncos' Brandon Word scrambled 35 yards on the kick-off to the White Deer 44, and Jeff Hearn drove 11 yards to the White Deer 33-yard line for the first down.

As Clarendon knocked on the door, they fumbled; and White Deer converted it into another score.

Carey Thornberry and Word both carried for first downs, but the Broncos fumbled, and White Deer returned it for a TD and a 26-0 lead at halftime.

The Bucks opened the second half with a touchdown to increase the lead to 34-0.

Clarendon's highlight was a 50-yard pass from Word to Thornberry as time ran out.

(Junior varsity statistics compiled by Mike Butts.)

Broncs fall to White Deer

Clarendon's Roy Williams rushed for 307 yards on 42 carries during the Broncos season-ending 41-13 loss to the White Deer Bucks Nov. 8 in Bronco Stadium.

That season- and career-high effort pushed the senior's rushing mark to 1,359 yards for the season. The rushing effort was accomplished despite missing the first three games of the season because of a foot injury.

White Deer's Craig Urbanczyk struck paydirt first on a 19-yard run, but Williams responded with a 75-yard run.

Blake Bass' kick was good, and Clarendon led 7-6 entering the second quarter.

The Bucks reeled off 15 unanswered points and held onto a 21-7 lead at half.

Urbanczyk, who rushed for 262 yards, scored on a 66-yard run, and Williams followed up with a 5-yarder of his own.

White Deer capped off the game with two more TDs.

Girl Scouts hold investiture ceremony

On Monday, November 7, 1996, Daisy Girl Scout Troop #542 held their investiture ceremony. As their families carefully looked on, the girls each recited the Girl Scout Promise, gave the Girl Scout handshake, and received her Girl Scout Pin. An investiture ceremony is the ceremony which makes the girls "official" Girl Scouts. The Clarendon Daisy Troop planned their own ceremony down to the very last detail, from what songs they wanted to sing, to what refreshments would be served. Each girl did a very good job and their leaders as well as families are all very proud of them.

This year's Daisies are Audrey Jones Brown, Chandice Lowe, Leigh Ann Layton, Macy Shadle, Jenci White, Janae White, Anastasia McAnear, Gabby Perales, Abby Massingill, Jessica Goodwin, and Latisha Powers. Their leaders are Shirley Ariola and Larinda Brown.

Education makes a people easy to lead, but difficult to drive; easy to govern but impossible to enslave.

—Henry Peter, Lord Brougham

THE LION'S TALE

By Gene Alderson
The Clarendon Lion Club held its regular meeting at noon on Tuesday, November 12, 1996, at the Lions Hall. Nineteen members, three guests, and pianist Clayton Ferris enjoyed a fine roast beef dinner before the meeting was called to order by Boss Lion Morris.

Following a regular opening ceremony, Lion Tamer Henson introduced Jim Blackerby, General Manager and John Cook, Sales Manager at Chamberlain Motor Co. They were the guest of Lion Trey Chamberlain. Gary Sutherland, an ag-service representative was the guest of Lion Hayes.

Boss Lion Morris announced that he had been transferred and would not be able to attend on a regular basis in the future. He also said the club had received an applications for eyeglasses.

There was no program and the meeting was adjourned.

Public Notice
Pursuant to Tex. Rev. Civ. Stat. Ann. art. 1446e, § 5.08 (1996) Lone Star Gas Company and Lone Star Pipeline Company, Divisions of ENSERCH Corporation, and ENSAT Pipeline Company (collectively referred to as "Applicant") hereby give notice of intent to change the city gate rate of Lone Star Gas Company established by Order of the Railroad Commission of Texas in Gas Utilities Division Docket No. 3543.
Applicant proposes a Monthly City Gate Rate Calculation (MCGRC) to replace the rate approved in GUD 3543. The MCGRC recovers the costs of purchasing, storing, and transporting gas to the city gates, including an adjustment provision to recover the carrying cost of working gas in storage. Applicant also proposes transportation and storage rates for city gate deliveries with tracking clauses to recover fuel and lost and unaccounted for gas.
The proposed effective date of the change is November 29, 1996. The change is a major change, and will result in an increase in annual revenues of approximately \$24.2 million or 4.8 percent (4.8%). The customers affected are the 1.3 million residential and commercial customers in Texas served by Lone Star Gas Company under the rates established by the local regulatory authorities in the municipalities and the Railroad Commission in the environs areas.
A statement of intent to make such change has been filed with the Railroad Commission of Texas in GUD 8664 and is available for inspection at the Commission's office in Austin, Texas and at the offices of the Applicant in Dallas, Texas.

Thank You

We appreciate the help, flowers, cards, and calls which were received during the loss of our loved one. Sincerely,
The Wes Sharp Family

Thank You

Thank you for the cards, phone calls, prayers, and flowers during my recent surgery.
Susie and J.E. Kidd

We want to express our deep appreciation and gratitude to all our friends for the many acts of kindness for our husband and father. Thank you for all the prayers, food, flowers, cards, and visits. You have honored us with your friendship.
Cleo Crutchfield
Joyce Blasingame and family
Jeanette Blevins and family

Roberta Pittman's children and "Roscoe" join their mother in saying a great big thank you to their friends and their church families for taking such good care of them during her hospital stay and since she has been home. All acts of kindness including prayers, good food, beautiful flowers, cards, taxi services, and visits are greatly appreciated. A special thank you is extended to Billie Shaffer, she knows why!
