STREET MARKER DRIVE IS SET FOR TONIGHT (THURSDAY)

The big push for the street marker project is set for 7 o'clock tonight. A valiant effort will be made at this time to round up the amount needed to put the drive over in top shape. Over \$1700 has been contributed at present and approximately \$1500 is still needed.

Workers will report at the Lions Hall tonight at 7 o'clock, weather permitting, and a final canvass of the residential area will be made. Don't be bashful, be ready to contribute all you can as these markers will be permanent and will have our town marked so you can tell a stranger where someone lives without naming all the neighbors and still leave the stranger in a more confused frame of mind. It will also open the way to residential mail delivery.

Each marker costs \$15 so just figure out the most you can contribute toward the purchase of one or more markers.

Clarendon And Quail Jr. High Divide Games

The Quail boys defeated the Clarendon Jr. High Thursday in Broncho gym by a score of 39-10.

John Grady scored seven points and David Mooring scored three points for Clarendon. Harris was the leading point maker for Quail with 15. Boys played for Clarendon were John Grady, Fred McAnear, Cecil Jones, Johnny Wozencraft, Bobby Cain, Douglas Bradshaw, Kenneth Price, Jack Robinson, Richard Thornberry, David Mooring, Ray Pinkerton, Bill Monk and Phil Hart.

The Clarendon Jr. High girls defeated the Quail girls 30-6. Dorothy Richey scored 18 points, Regina Borden 6 points, Marilyn Noble 4 and Cheryl Fedric 2 points.

Girls playing for Clarendon were Dorothy Richey, Regina Borden, Charlene Gray, Carolyn Graham, Beth Bourland, Leane Riskey, Cheryl Fedric, Karen Hill, Marilyn Noble, Sue Hill, Karilyn Noble and Sandra Longan.

Thursday, January 19, the local teams play in Wellington. The next home game for Clarendon will be with Lefors on January 30th at 7 o'clock.

Rites Today At Claude For Mrs. A. D. Blanton

Funeral services have been set for 10 o'clock this morning in the Claude Methodist Church for Mrs. Alcy Danie Blanton with Rev. C. C. Hardaway and Rev. J. J. Allison officiating.

Mrs. Blanton, 94, died Tuesday morning at the home of a daughter, Mrs. Herbert Davis, in Claude. She moved to Claude in 1891 in a covered wagon. Later she lived in Goodnight and was a resident of Clarendon for 35 years before returning to Claude. She was a member of the First Methodist Church.

Survivors are two daughters, Mrs. Davis of Claude and Mrs. N. H. Smelser of Odessa; three sons, Acie of Port Barre, La., Grooms of Dill City, Okla., and H. A. Blanton of Sherman; one sister, Mrs. Bertie Halterman of Scherr, W. Va.; a brother, Andy Kight of White Pine, W. Va.; 46 grandchildren and one great-granddaughter.

Pallbearers will be Cleve Bennett, J. E. Johnson, Roy Dye, Alvin Miller, Bill Brady and J. D. Holtzclaw.

Burial will be in the Claude Cemetery with the Murphy Funeral Home in charge of arrangements.

Services Held Sunday For T. H. Bass

Funeral services for Thurman Harold Bass, 45, were held Sunday in Maysville, Okla. Mr. Bass passed away Friday night at his home in Clarendon following a heart attack.

Mr. Bass had been a resident of Clarendon 2 years and was an employee of Palmer Motor Co.

Survivors include his wife, Beulah Bass; four step-daughters, Wanda Riley of Norman, Okla.; Bonnie Fossitt, Dennison, Tex.; Yvonne Schnuriger, Norman, Okla.; Shirley Messer of Clarendon; one step-son, Raymond Nickles of Dell City, Okla.; 2 brothers, Howard Bass, Oklahoma City and Trub Bass of Clarendon and 10 step-grandchildren.

Funeral arrangements were under the direction of Murphy Funeral Home.

Bulldogs Sink Teeth in South Plains Texans

The Clarendon Junior College Bulldogs fought back into the conference contests last Friday night by putting the bite on South Plains Texans of Leveland to a score of 83-63.

The Bulldogs broke even or went ahead of the Texans statistically in every division of the game except at the free throw line. The South Plains Quintet scored 23 points from the free throw line out of 28 attempts while the Bulldogs were cold on charity tosses, getting only 25 points out of 37 attempts.

Bobby Lesley, setting up play after play for the Bulldogs and receiving valuable assists of accurate passing from Alexander, Bronniman, Humphreys, and others thrilled the larger than average crowd by canning 9 of 12 of his free throw attempts and 9 of 13 of his field goal attempts for 27 points in three quarters of play while leading his team in rebounds with seven.

John Alexander with 15 points and Oscar Bronniman with 13 points displayed one of their best efforts for the year with timely passing and terrific bursts of speed in drives which resulted in breaking the back of the Texans' defense. Alexander came through 3 quarters of the game with 7 of 10 field goal attempts for a 70 per cent accuracy.

James Collins with 18 and Bill Butts with 14 led the scoring for the Texans.

John Morrow and Jimmy Humphreys started the contest making an all-sophomore team and defended the opponents so stubbornly that they had scored only 2 field baskets and were trailing by 9 points at the end of the first quarter of play with a score of 20 to 11.

All of the Freshmen were pressed into service by Coach Roy Young with Wiggins and Debord adding 8 and 7 points respectively, Wiggins hitting 4 of 6 attempts from the field with a 66 per cent average for accuracy.

Buddy Jones showed exceptionally well on the back boards rebounding, while the diminutive 5' 7" Kenny Martindale took over Bobby Leslie's play doing a marvelous job after a shaky beginning.

During the second half, while the freshmen were carrying most of the load, they played point for point with the Texans adding two additional points to the 18-point lead the sophomores had fashioned at the half at 45 to 27.

This first conference win in the three outings may be the spark that will kindle a fire in the hearts of the Bulldogs that will blaze their way to the top of the conference heap.

New Courses Slated For Clarendon Junior College Night School

Dean Abel announces that in addition to the courses in history, government, accounting, Bible, and biology, new courses in shorthand, typewriting, business law, oil painting, and mathematics of finance will be offered during the second semester of our adult education program in night school.

The mathematics of finance will meet on Thursday nights for each week for the Spring semester for three hours of credit, and should appeal to business people throughout the area covering such topics as interest, taxes, annuities, amortizations, stocks, bonds, insurance, and various types of discount such as bank discount, straight discount, and general discounts.

The oil painting course will be under the direction of Miss Ruth Richerson; will meet three hours one night each week during the second semester, and an application has been forwarded to the Education Agency to approve college accreditation for this course.

Reverend W. R. Lawrence will direct the Bible instruction for the next semester, and any individual who has not taken Reverend Lawrence's survey of the Old Testament course should not put it off any longer. The initial enrollment is January 30. February 6 will be the alternate enrollment date with February 13 deadline for second semester night school enrollment.

All of the night school courses with the exception of oil painting are presently approved for college credit, however, many of our night school adult students are pursuing these courses for cultural personal improvement and promotional purposes.

Adults are not required to have a high school diploma before enrolling in this Adult Education Program.

POLL TAX FIGURE IS LAGGING

According to tax Collector Truett Behrens, a large number of local residents will need to pay their poll tax between now and January 31st if the average number for an off-year election is attained.

At the present time only 400 receipts have been issued with approximately 8 to 10 hundred yet to go.

Everyone is reminded that in addition to local elections, Texas voters will elect a senator to replace Lyndon Johnson. Gov. Price Daniel has called a special senatorial election for April 4th. William Blakley of Dallas presently is filling an interim appointment as senator.

Taxpayers are reminded that the poll tax was not included in your billing for state and county taxes and are paid separately. Be sure that you have your poll tax receipt or make plans to purchase yours before the deadline.

4 H Members To Show 14 Steers At Amarillo

Fourteen steers will be shown by the Donley County 4-H club members at the Amarillo Fat Stock Show says county agent H. M. Breedlove. The steers will be moved into Amarillo on Friday morning. Sifting will be on Sunday morning and judging on Monday morning.

Breedlove says that some steers are being held at home and will by-pass the Amarillo show and be taken to the Southwestern Livestock show at El Paso. This is true with some of the steers that will be exhibited at Amarillo.

Those taking steers to Amarillo are Richard and Sandy Thornberry of Clarendon, three Hereford steers; Susan McAnear, one Angus and one Hereford steer; Rod Stone, one Angus steer; Wayne Leathers, one Angus and one Hereford steer; Darrel Holland, two Angus steers; Gene Floyd, two Hereford steers; Tracy Sanders, one Hereford steer. Some of the steers will be sold at Amarillo and others taken to other shows.

Services Held Monday For Mrs. Jim McKee

Funeral services were held Monday afternoon at the First Methodist Church for Mrs. Gail Jean McKee with Rev. E. Lee Stanford, pastor, officiating.

Mrs. McKee, 29, died at her home in San Antonio Saturday night following a lengthy illness. She was born February 27, 1931 in Los Angeles, Calif. She was the wife of Jim McKee, former employee of the Donley County Leader. The family had lived in San Antonio for the past four years.

Survivors include her husband; a son, James Craig McKee of the home; a brother, James W. Craig of Los Angeles, Calif.

Pallbearers were Joe Lovell, G. W. Estlack, Roger Hester, Troy Hamblen, Vernon Earl, and John Hester.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Services Held At Hedley For Mrs. Lucy Ida Tims

Funeral services were held Tuesday afternoon in the Hedley Methodist Church with Rev. S. A. Wolf and Rev. J. S. Tipton officiating.

Mrs. Tims, 77, died Sunday morning in a Memphis hospital. She had been a resident of Hedley and Donley County for 25 years and was a member of the First Methodist Church.

Survivors include two daughters, Mrs. M. I. Sims of Hedley and Mrs. Ben Hogan of Hasaga, N. H.; five sons, L. C. and John of Hedley, G. E. of Muleshoe, W. G. of Lockney, Okla.; 25 grandchildren and 20 great-grandchildren.

Grandsons of Mrs. Tims served as pallbearers.

Burial was in Rowe Cemetery, Hedley with the Murphy Funeral Home in charge of arrangements.

EXTENSION ON WATER RIGHTS GIVEN GREENBELT AUTHORITY

Services Held Monday For Mrs. Jim McKee

An extension of the water rights of the Greenbelt Municipal and Industrial Water Authority for two more years has been granted by the Texas Board of Water Engineers, it was announced at a meeting of directors of the Greenbelt Monday night in Childress.

The permit, under which the authority was operating, expired in December. The new dam site, which will be core drilled within the next few weeks, will impound approximately 50,000 more acre feet of water than the old dam, it was announced.

Dr. S. H. Townsend, president of the authority, reported on their trip to Austin recently for a meeting of the Governor's Statewide Water committee.

The Greenbelt directors voted to endorse at least three of the resolutions passed by the water committee; 1. The resolution increasing the amount the state could participate in a water project from \$5,000,000 to \$15,000,000 and eliminating the one-third the state could help finance. 2. The resolution which would authorize the state to acquire conservation storage. 3. The resolution which would establish a special committee on Abating Water Pollution.

Dr. Townsend pointed out that should the Legislature pass the legislation requested in the first resolution, it would enable the state to give the Greenbelt project 100 per cent backing.

Attending the meeting from Clarendon were Carroll Knorrp, director, J. G. McAnear, C. A. Pitts, Mayor H. T. Burton, commissioner Lloyd McCord and Frank White Jr.

Services Held At Hedley For Mrs. Lucy Ida Tims

Saturday is the date set for the FFA Lamb and Pig Show for Donley County. Judging will begin at 10 a.m.

Some 75 head of Fat barrows and 30 fat lambs will be judged. After the county FFA show, the boys and their livestock will leave for the Amarillo Fat Stock Show and from there on to the Ft. Worth show.

The county show will have one of the best lamb shows that Donley County has ever had. The Hedley FFA chapter will have several head of barrows competing in the local show also. All friends and parents of the FFA boys are cordially invited to attend the county show and see what the boys are doing in their project work.

DONLEY COUNTY FFA LAMB AND PIG SHOW SAT.

Some 75 head of Fat barrows and 30 fat lambs will be judged. After the county FFA show, the boys and their livestock will leave for the Amarillo Fat Stock Show and from there on to the Ft. Worth show.

CITY GIVES STREET PARKING NOTICE

We are having a good many complaints about people stopping in their cars for a Gab-fest and blocking traffic in the middle of the street. If this does not stop, it will be necessary to give tickets.

We hope this notice will be sufficient warning and we will not be compelled to issue violation tickets. Signed: City Commission.

Bulldogs Seek Revenge Here Friday Night

Tomorrow night, Friday, January 20, the Clarendon Bulldogs will host the Sayre Junior College quintet at the college gymnasium in a revenge game.

Earlier in the season the Bulldogs traveled to Sayre to engage Sayre Junior College quintet in a non-conference game and met their old familiar "foreign court" jinx, consequently, suffering a 77-70 defeat.

The Sayre Junior College quintet is a fast-breaking, hard-driving, basket-hungry group of competitors, and the contest Friday night will be entertainingly colorful. Every Bulldog will go into the game to seek revenge for the loss suffered at Sayre, and Dean Abel promises some fast and furious basketball which will be interesting to watch for every spectator Friday night.

Coach Young promises to pull out all stops against the opponents.

HUDSON ANNOUNCES FOR MAYOR

Major B. Hudson authorized The Leader to announce his candidacy for the office of Mayor of the City of Clarendon this week.

Mr. Hudson stated that having served in this capacity previously, that he was aware of the duties of the office and felt that he was qualified to serve the people of this city in the best interest of everyone. "I earnestly solicit the vote and influence of everyone," he added.

TEXAS PUBLIC SCHOOL WEEK has been proclaimed by Governor Price Daniel for March 6-10. Receiving the proclamation for the tenth annual statewide observance is John McKee (right), who has served as State Chairman of the Texas Citizens' Committee for Public Schools Week since the week was inaugurated in 1950. Chief purpose of the observance is to induce more citizens — not only parents but all others — to visit the schools and see for themselves the functioning of our democratic system of education. More than 3,000 local and area committees are working for a record attendance of adults this year.

Mrs. Doyce Graham

Mrs. J. D. Hester of Seymour and Mrs. Roy Phillips of Knox City visited in the Frank Mahaffey home Thursday.

Mr. and Mrs. Frank Mahaffey visited Mrs. Joe Gill in the Pampa hospital Friday afternoon. Mrs. Gill is a sister of Mrs. Mahaffey, and is recuperating from major surgery.

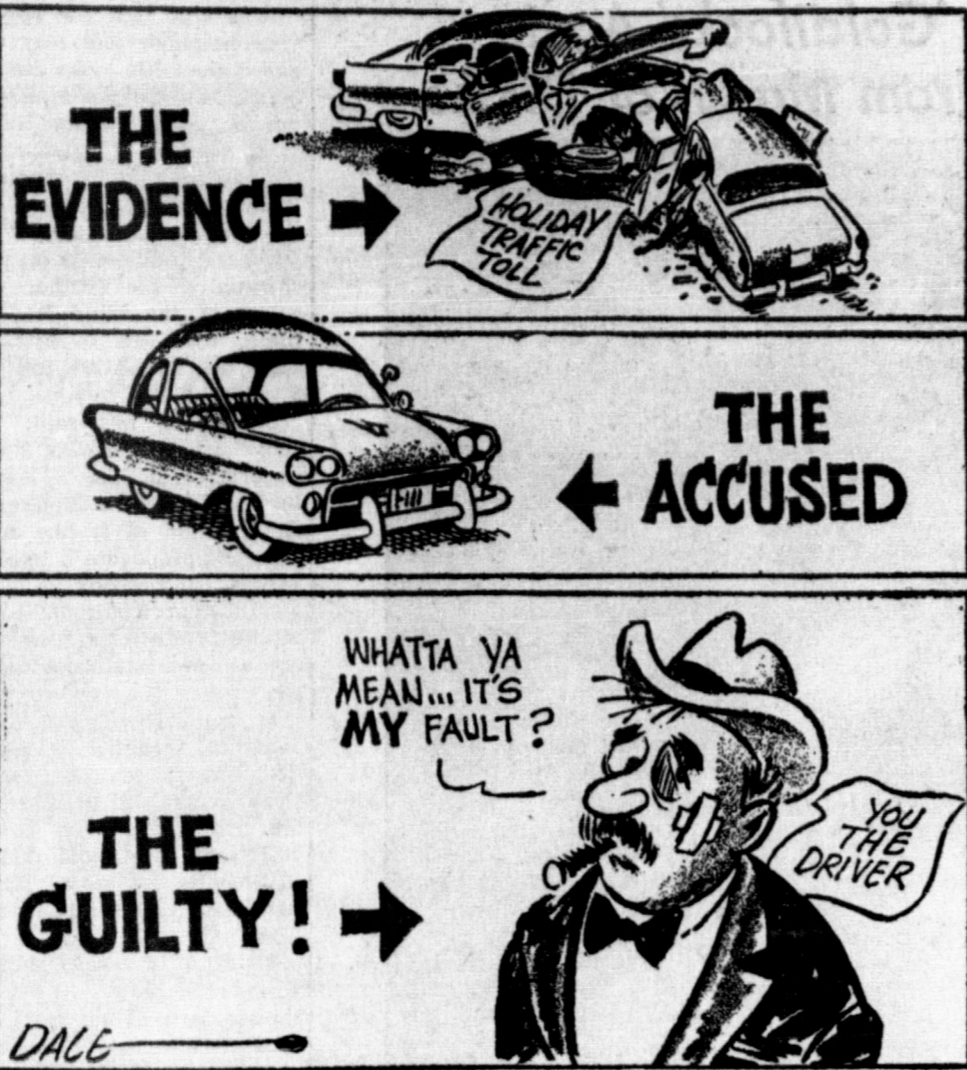

Loretta Hill was hostess to several of her friends at a Slumber Party in the home of her parents, Mr. and Mrs. John Hill, Thursday night. The girls report a wonderful time. Present were Linda Palmer, Janie Robinson, Judy McAnear, Sue Mabery, Belinda Wells, and Sarah Barnes. It was in honor of Belinda Wells — giving her a farewell party — as she is moving.

Week end visitors in the home of Mr. and Mrs. Robert Partain were Mrs. Audrey Partain, Mr. Marshall Davis, Donald Smith, Mr. and Mrs. Neal Sylvester, and Mr. and Mrs. Ray Walker, all of Amarillo.

Mrs. Millard Word entertained a group of her friends in her home Thursday afternoon. Present for the very pleasant occasion were Mesdames H. A. Graham, J. M. Graham, Merle Rattan, Sybil Jones, and Robert Partain.

Mrs. Martha Hill accompanied Mrs. Loraine Helton to Pampa Friday where the ladies enjoyed the day shopping and visiting. Mrs. Doyce Graham attended the farewell luncheon in honor of Mr. and Mrs. D. W. Tomlin-

son and sons, Douglas and Philip, in the home of Mr. and Mrs. Bill Mooring at Lelia Lake on Friday. The Tomlinsons were en route to their new home in Stephenville.

Mr. and Mrs. Van Knox had supper and spent the evening in the home of Mr. and Mrs. G. J. Henders Saturday.

Richard Brown of Borger spent the week end with Jimmy Garland. Mr. and Mrs. Allen Graham of Amarillo spent the week end with Mr. and Mrs. H. A. Graham and J. R.

Mr. and Mrs. John White visited Monday night in the home of Mrs. C. T. Williams. This community was saddened by the

passing of Bro. Charlie Williams as they were former residents, and had many friends here who attended the funeral Tuesday. Mrs. Doyce Graham and Mike visited Mrs. V. W. Nicholson and daughter of Waco in the Williams home Tuesday afternoon. We all wish Mary Sue Rhoades a speedy recovery as she is confined to her home for a few weeks after being ill. Let's send her a get-well card.

The date for reupholstering work dates at the Community Center are two days, Jan. 25th and 26th. Be there for the all-day meetings if you are interested. Mrs. W. T. Weatherly is instructor.

There was a large crowd present at the Center Friday night for the business meeting and party. Mrs. Van Knox, chairman, presided over the business session at which time it was voted to have the five-night course in refinishing furniture under the supervision of Mr. Gene Long and his assistant from Clarendon. This course will begin February 6th at 7:00 p.m. and run for five consecutive nights.

It was also voted to have the project of re-upholstering furniture with Mrs. W. T. Weatherly from Clarendon as counselor on January 24th and 25th. But due to a conflict, these dates have been changed to January 25th and 26th (Wed. and Thurs.). The 25th will be an all-day meeting with lunch at the Center, and the 26th will be decided later as to whether it will be all day. Let everyone know if you think they are interested. Everyone is invited, from any community — anyone who is interested. There have been three sofas donated to the center; the one in best condition will be re-upholstered and left at the Center for our use. Mrs. Vance Gray, Secretary, read the minutes and gave a financial report. After the business

GEORGE'S WIFE

By "Sarah"

We have already received letters from a few members of the new 87th congress, and one letter from an ex-senator. He tells us how he has served us lowe these past twelve years, and appears that soon he will undertake new responsibilities in a new office, but is anxious to keep in touch with us and wants to know if we want to stay on his mailing list.

Now as any one knows, prestige-wise we will be 'way ahead with the Vice President of these United States dropping us a line now and then, and then we would with a mere Senator. So of course, I'm gonna clip my address (which was addressed by the metal addressograph plate on file in his office) paste it on to the little square lined off for that purpose and send it air mail today.

The answer we received from our Rep. in Congress assures us that the new Administration

meeting games of "Forty-Two" were enjoyed. Coffee and pie were served as refreshment. We welcome all of our visitors back among us: Gene Long, Mrs. C. C. Spivey and children, Mr. and Mrs. W. D. Higgins, and Mr. and Mrs. George Bulman.

cannot outspend the administration that has been in power for eight years, (You wanna bet?) and he regrets that the unprecedented spending record of that Administration, for some reason, was not fully told to the public.

We resent the implication that we do not know the spending records of most all Administrations and the voting records as well. What we failed to tell our Rep. was that it's time to call a halt on all Administrative spending records as far back as three decades, regardless of the party in power.

Our prestige went sky-high when we received an invitation to the Inaugural Festivities honoring our Governor and Lieutenant Governor on the 17th of this month, but took a nose dive when we heard of all the people receiving invitations to the President's inauguration, and we did not.

Even George says I'm slipping or else my sins have found me out.

The supposedly awakening of the American people to the enemies within and without our borders has not produced the results that we had expected, at least not as fast as we had hoped. But then the fact that we are a 21st century American, accounts for the speed we were looking for, I suppose.

Only this morning we heard the underground leader of Cuba, telling his way of eventually overthrowing Castro, just as Castro did his predecessor. We hope and expect this sort of thing in Cuba, in America it wouldn't look so good. Although we have had a few bombings, and one brand of government trying to overthrow the other brand every four years, the difference remains our free elections. This freedom is stifled after it leaves the precinct level.

This fight going on in Congress now over the Rules Committee, is another way of cutting off some more of our freedom. This time last year we would have been all for this bill, for no other reason than to stop the cost of recording all the nonsense into the congressional record, as well as putting to a halt the business of the whole U.S.A. There may come a time when the right to talk a bill to death, might save the American people billions instead of cents.

It last week's paper on the Oil News page we found a small bit of news of much interest almost missed, because we are not in the oil business in a very big way. Says: "A non-partisan public affairs workshops sponsored by Continental Oil Co. for its employees have been attended by 3,

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

It is possible that due to this being an election year, Congress will not complete all the vital projects before adjourning. But there is no doubt, when a tax revision bill is considered, definite consideration will be given on this matter of taxation of cooperatives.

The House Ways and Means Committee, headed by Rep. Wilbur Mills, has already gathered extensive testimony on matter.

Basically, if the loopholes in the income tax laws on cooperatives are not plugged, it appears that in due time much of the country's independent business will be forced into cooperative by tax law pressures the same as Kremlin edicts forced Russian business into state owned stores.

Testifying before the committee, George Burger, Washington vice president of the National Federation of Independent Business pointed out that on four different occasions over 90% of the nation's independent businessmen members voted in favor of closing the loopholes.

This is not an attack on simple pure farmer cooperatives which operate for cooperative marketing of farm crops.

But the laws on taxation of cooperatives are so loose that they have opened the gates for promoters to develop all kinds of business in manufacturing, wholesaling, and retailing.

In the fields of chemical, mining, oil production, jet fuel production, printing, food can-

ning, and others, in past ten years cooperatives have become a growing phenomena.

Under the laws as they now stand, a private corporation, wishing to lay aside profits for expansion first has to pay out 52% for income taxes.

But an enterprise qualifying under the present loose law as a cooperative theoretically pays out its profits in the form of patronage dividends.

Theoretically, those who receive the patronage dividends, or refunds, as they are called in cooperative circles, pays an income tax on them.

But, a cooperative can hold these dividends, or refunds, in the business and by giving the patrons certificates, which are tantamount to stock, use the money to finance expansion plans.

In other instances, it has been worked out so that an investor in a cooperative manufacturing venture receives his returns in the form of extra production signed to agents for resale.

The investor then receives on this production his patronage refunds in the same manner as if he had actually used the goods himself, thus giving him a much higher return on his investment than any private company could possibly pay.

There seems to be no question that there is a legal right for cooperative enterprises. The question is should they be able to compete with private industry on a tax basis that makes competition with them all but impossible. At present as alert promoters have discovered, cooperatives are the biggest and the best business tax dodge existing.

000 persons to date and stimulated about one-fourth of them to take an active part in their government in 1960. "Guest this sort of thing is going on in the cities all the time. Sitting 'way out here miles from the city we got pretty excited about the "Good Government Club" organized in our town just before election. What has happened to it? We need it more than ever now, to even get a whiff of this tricky business of politics. George says there's nothing wrong with us but the after-election, after - Christmas blues and I'll wear it off in a few days.

BLOWIN' Out the CORNERS

By Uncle Zeb

Red River in the winter-time. Seeing Red River, New Mexico in the winter time is fast becoming a habit with us. For the last two Januaries we have seen the beautiful green mountains when they were snugly packed in for the winter. Last year about the middle of the month the snow looked from one to two feet and the temperature revolved from 20 above in the daytime to 20 below at night.

This year the days would see some thawing and the nights were only zero or slightly below. Several of the business men who normally close up for the winter stayed on this year along with those whose homes are permanently there. They were looking forward to their new sport for that area—that of skiing. Nature has given them the

beautiful terrain for the ski runs. Mr. and Mrs. S. E. Bolton, formerly of Oklahoma City began the job a few years back of developing the lifts and runs. These include one of the most modern chair lifts in the United States. Other business men have helped with the accommodations and comforts. This winter they looked for the big snows to complete the picture.

The snows came but not quite enough to make everyone happy. Some weeks real good and other times fair to poor. Several of the business men told us that they are trying to keep everyone posted on conditions. Next winter things may be different. Plans are under way to help nature out by adding one of today's most modern inventions, that of a snow-making machine. We are told, that with this equipment installed along the run all that is needed is for the temperature to pass a certain point. Then, by turning on the sprays inches of snow can be made in minutes. It even lasts longer than the regular kind. What will they think of next!

Skiing was made for those who dare—

Lisa Can Ride Her 'Goldilocks' Again Because of Help From March of Dimes

A magnificent fairyland of a special kind, in which leg aches are still known but not felt so often as before, has just opened for four-year-old Lisa Sliker, of Leicester, N. Y.

"My doctors," the blue-eyed and auburn-haired Lisa tells everyone today, "have made my leg almost all well again. Now I can sit on my horse, Goldilocks, and I can walk to the barn on my crutches and see my kittens and the pigs."

The new lease on life accorded little Lisa is due in great measure to the treatment she continues to receive each month at the arthritis clinical study center at University of Rochester-Strong Memorial Hospital, established with public contributions to the March of Dimes. Stricken three years ago with baffling rheumatoid arthritis in her right leg, the attractive child wore a cast for many months but now no longer wears it at night—although she goes to sleep hugging "my old leg" like a doll.

Lisa is one of 30,000 youngsters in the United States who are afflicted by rheumatoid arthritis which interferes with bone growth and may cause deformity. In addition to the study center visited by Lisa at Rochester, March of Dimes funds have made possible the opening of additional arthritis study centers in New York City, Dallas and San Francisco.

Mrs. Sliker recounts: "My husband and I were scared witless when Lisa's stumbling was diagnosed as provoked by rheumatoid arthritis, which somehow sounded like something that might strike your great-grandfather. But not strike down the beautiful, merry and innocent little baby with whom God had blessed us.

"It was a terrifying experience for us to watch Lisa lying motionless in her crib, pain in her eyes and face but holding back the tears. Her right knee was swollen to unbelievable size. But now that she is much better and some day may walk again unassisted by crutches, we pray that, like Lisa, others

may be helped by the March of Dimes." Mrs. Sliker is a volunteer worker in her county during the March of Dimes, collecting funds for The National Foundation's expanded program which includes significant birth defects together with arthritis and continued work in polio.

him. It is true that the only Bible your neighbor sees may be you, and if your life looks like a hypocrite, you are giving him a bad version of a mighty important book. Even though it doesn't help his case any to be reading you, it does make your case or mine a lot more implicated. We have our basic problem of being blind spiritually, the further complication of the blind leading the blind, with the eventual doom that we will both fall in the ditch.

Some one has said: "If we could get religion like a Baptist, experience it like a Methodist, be positive about it like a Disciple, proud of it like an Episcopalian, propagate it like an Adventist, and enjoy it like the Negro—that would be some religion. Likely one could change the names around and still make the point.

A hypocrite is not likely to bring all three of the following books to church: the Bible, the hymn book, and his check book. He may bring two, but if he brings the third and really uses it, there is a mighty good reason to believe that his heart is there also.

What a wonderful old world this would be if everyone would do his duty, as we see it . . . On second thought, we doubt it . . .

WEST TEXAS UTILITIES COMPANY BELIEVES THIS AREA FACES...

Growth Unlimited

... AND "LAYS MONEY ON THE LINE" TO BACK UP THE BELIEF

Why is our faith backed by dollars?

Very simply, it is because the Southwest is growing 25% faster than the nation, and the WTU service area is the CENTER OF THE SOUTHWEST.

As a result, one of our major projects is designed to stimulate this growth, and another is designed to add service facilities to meet it. These projects are described briefly below. We will keep you informed of their progress as we go along, since they are of vital importance to this community.

It is our conviction that with faith, vision and cooperative effort on the part of all of us, the Center of the Southwest has a sound foundation for GROWTH UNLIMITED in the years ahead.

OUR AREA DEVELOPMENT PROGRAM PROMOTES

Growth Unlimited

For many years we have been engaged in a program designed to inform business executives about the industrial advantages of the Center of the Southwest.

This activity is being continued in 1961 with an expanded area development program.

It includes a new series of ads running in a number of national publications, which depict the growth potential of this area and the states it serves.

The national advertising schedule, the information brochures we are publishing, the trips we will make to industrial centers, and the fine cooperative spirit of communities like this one, all combine to promote GROWTH UNLIMITED.

\$50 MILLION EXPANSION PREPARES FOR

Growth Unlimited

On the shores of Oak Creek Lake in Coke County, construction is progressing rapidly on a large new WTU generating station.

It is tangible evidence of the expansion being made in our generating and distribution facilities, in anticipation of coming growth in the Center of the Southwest.

An area expansion program, costing in excess of \$10 million, is well under way, and will continue through the months ahead. It will permit us to keep pace with the growing needs of this growing area.

It is proof that here is GROWTH UNLIMITED.

West Texas Utilities Company

Which way they land, have little Care.

Standing on the sidelines watching makes one ache from head to toe. Just to watch these experienced skiers come swooshing down the mountain makes some of us oldsters want to sink back comfortably in an easy chair. Either that or call back a good many years and resolve to grow up to be one of the most

reckless grandpas in the world.

They tell us, one doesn't have to be young to learn, but the instructors admit that it helps. The youngest pupil we saw taking lessons looked to be pre-school. He was going good with only a few hours help.

With all of the modern inventions such as a machine to make snow in seconds it seems that someone would invent the kind that would be easy to stand right side up at least with plain shoes. It is said that the fellow who invented the snow-making machine was only trying to keep some crop from freezing when the temperature dropped a few degrees lower and the orchard was suddenly covered with beautiful man-made snow. For this accidental happening he became famous.

We get a thrill, all that we can stand, just watching. How exciting it must be for those who master the art of skiing. It is easy to imagine how it would get to be a popular week-end relaxing sport for those who dare to learn. Even though we saw a fellow almost our age doing what they called "hotrodding" down the straight-aways we came back home without getting up the courage to try our luck.

Some people give as their reason for not going to church that they do not want to associate with hypocrites. This is a poor excuse because they never seem to mind throwing in with them

Pathfinder Club Holds Meeting

Seventeen members of Pathfinder met at Patching Memorial Club House Friday, January 13, at 4 p.m. Refreshments were served before the program began. The following were present: Mesdames C. E. Bairfield, George Benson, Fred Buntin, T. M. Caldwell, Jr., W. S. Greene, Lee Holland, J. H. Howze, Morris Ledger, S. W. Lowe, C. B. Morris, L. B. Noble, Frank Phelan Jr., Dick Shelton, Heckle Stark, and Miss Mable Mongole. Mrs. H. T. Burton and Miss Ruth Richerson served as hostesses.

The minutes of the previous meeting were read and approved. Miss Ruth Richerson was elected as corresponding secretary to fill out the term of Mrs. Bill Greene who resigned. Mrs. Ed Dishman's name was placed on the honorary roll by a unanimous vote.

The new slate of officers was presented and the following were elected to serve for the coming year: President, Mrs. Heckle Stark; Vice-President, Mrs. J. H. Howze; Secretary, Miss Mable Mongole; Treasurer, Mrs. L. B. Noble; Corresponding Secretary, Mrs. Stina Cain; Parliamentarian,

The meeting adjourned to meet January 27 with an anniversary luncheon to be served at 12 o'clock at Patching Club House.

GAMMA KAPPAS MEET IN MEMPHIS

Memphis teachers were hostesses to Gamma Kappa Chapter of Delta Kappa Gamma Society in the Travis Elementary School Cafeteria, January 14, at 2 p.m. The president, Mrs. Anna Mae Foster, presided. The invocation, a poem "For Teachers," was read by Mrs. Brunetta Morris. Mrs. Faye Pinkerton, accompanied at the piano by Mrs. Velma Weaver, led the group singing of "Little Red School House," and "School Days."

During the business session the committee that had been appointed to study the proposed division of Gamma Kappa reported that they were opposed to the proposition and the chapter accepted the report.

Mrs. Morris gave some pertinent information on several bills that are to come up for consideration in the present session of the state legislature, and urged the members to write their representatives and senators.

The program, "The Status of Education—A Teacher's Dream," was given in dramatic monologue. Miss Zady Belle Walker acted the part of the dreamer as

she sat in her easy chair after a strenuous day of teaching and committee meetings. She turned on the radio to get the news and the song, "Far Away Places" softly and beautifully sung by Mrs. Weaver came over the air. This began a trend of thoughts. Then the voices of Tops Gilreath, Reba Stroehle, Marjorie Bain, and Ethel Hillhouse (previously recorded) began to relate stories of some of these far-away places—West Ghana, Israel, India, and Venezuela—giving a description of the country, the people, economic conditions, and the need for better educational facilities. The program ended with the thought that there is a job for everyone in this fast changing world and that we as teachers and Americans should dedicate ourselves to freedom, and carry a torch for peace.

During the social hour pumpkin pie, topped with whipped cream and coffee were served to 23 members.

Clarendon teachers attending were Miss Ruth Richerson, Mesdames Faye Pinkerton, Velma Weaver, Hazel Brandon, and Lucile Naylor.

Jr. H.D. Club In Thursday Meeting

Members of the Junior Home Demonstration Club met Thursday afternoon, January 12, at Patching Club House. Letha Smith and Gladys Hommel were hostesses.

Nona Lewis, president, presided over the business meeting. An interesting program on "Quick Meals" was presented by Mable Elmore.

Attending were Mesdames Cleo Crutchfield, Mary Belle DeBord, Nora Decker, Leona Henson, Gladys Hommel, Nona Lewis, Hazel Noble, Edith Spivey, Irene Mann, Wilma Spier, Ona Tatum, Cula Jo Trout, Wanda and Patricia, Dollie Wilson, Letha Smith, and Mable Elmore. Rep.

ENTERTAINS WITH COFFEE. Mrs. Hall Hardin entertained the hostesses for the shower honoring Miss Martha Joe Risley at a coffee in her home Monday morning, January 9. Eleven were present.

PROBLEM SOLVED—This elegant but practical problem of what to do with two single windows with an awkward wall space between was solved by running over-drapes of Waverly cotton the full window width. Then a center panel of light weight plyboard was covered with the same print and attached to the wall with small blocks of wood. The cotton print sports mellow tones of old red, antique gold, and colonial blue.

Bride-Elect Honoree At Miscellaneous Shower

Miss Martha Jo Risley, bride-elect of Keith Schollengar, was honoree at a miscellaneous shower at Patching Club House Saturday afternoon, January 14. Receiving hours were from 2:30 p.m. to 4:30 p.m.

Mrs. Joe Ritter and Mrs. Roy Blackman alternately greeted the guests at the door and presented them to the honoree, her mother, Mrs. Lloyd Risley, and Mrs. George Schollengar. Mrs. Robert Olin Bain of Lubbock presided at the register.

The refreshment table was laid with a white linen cloth and a floral arrangement of white carnations and yellow acacia. Crystal appointments completed the setting. Presiding at the table were Marie Richey, Nancy Huff, Alice Davis, and Leanne Risley.

A musical background for the afternoon was provided by Miss Sandra Pinkerton and Mrs. Ral-

ph Adams, pianists. Sixty-three guests registered and a number sent gifts.

Hostesses for the courtesy were Mesdames Warren Hardin, Hall Hardin, Harold Phelps, Homer Bones, P. C. Messer, Cecil Heckman, Roy Blackman, Raymond Waldrop, Hershel Heath, Joe Bownds, Joe Ritter, Buck Roberts, Joe Pfeiffer, and Raieigh Adams. Rep.

1926 Book Club Holds Tuesday Meeting

The 1926 Study Club met at Patching Club House Tuesday afternoon, January 17 with Mrs. C. E. Bairfield and Mrs. Auford Jay, hostesses.

Meeting was presided over by the president, Mrs. J. R. Brandon.

Meeting was presided over by the president, Mrs. J. R. Brandon.

A program of short stories was presented for the afternoon. Mrs. C. B. Hudson reviewed "Nail Broth" taken from "Miss Boo Is Sixteen" by Margaret Lee Rumbeck.

This was a clever parable on human relationships. Mrs. Fred Chamberlain, Jr. introduced Rev. Baldwin Stribling, pastor of the Presbyterian Church, who reviewed "The Destructors" from a collection of short stories by Graham Green. This story was published in Harper's Magazine in January of 1955 and is a psychological story of boys ranging in age from nine to fourteen years.

The program for next meeting, February 7, will be on International and Political Affairs and will be presented by Louise Evans of the Amarillo News-Globe. Mrs. L. N. Cox will be program chairman. This will be a Guest Day program and the public is invited to attend at Patching Club House at 4 p.m.

Attending were three guests: Rev. Baldwin Stribling, Mrs. R. S. Brumley, and Mrs. W. E. Ray, also members Mesdames C. E. Bairfield, E. S. Bailow, Homer Bones, J. R. Brandon, Fred Chamberlain, L. N. Cox, W. M.

Cub Scout News

The second session of the Cub Scout training course put on by the District Training Committee, Don Moore and Grady Haynes of Memphis, will be held Friday evening, January 20th at 7:30 p.m. in the Cub Scout Council room, in the City Hall. This is for all Cub leaders, Den Mothers and parents interested in what their boy is being taught.

The public is invited and urged to attend. A film strip will be shown, that is produced by the National Boy Scouts of America for Cubs.

CHAMBERLAIN COMMUNITY CENTER FETE

The first get-together in 1961, at the Chamberlain Community Center was enjoyed by everyone present. The variety of "dips" and "chips" made lovely refreshments and our "good coffee" drew many favorable comments.

The next party will be Jan. 20, with Ruth Lindley and Nelda Jones as hostesses. Bring cookies for refreshments. All our neighbors and friends are invited to come and enjoy an evening of fun with us. —Reporter

SR. H. D. CLUB TO MEET FRI.

CARDS OF THANKS

We wish to express our sincere thanks and deep appreciation for the many kindnesses shown in the loss of our dear loved one. May God be with you. The C. T. Williams family

ACCEPTS MEMBERSHIP

Miss Jewel Ellis has been invited and has accepted membership to the Leather Craftsmen "Blue Ribbon Club" by Mr. John H. Banks of Dallas. Miss Ellis has achieved membership into this organization by virtue of a State Fair award for excellent leather craftsmanship at the 1960 Dallas Fair. Her contribution was a hand-tooled mans travel kit.

The honorary group is composed of national fair award winners who try to improve the quality of exhibits.

Miss Ellis has been tooling and carving leather for many years.

Sims P-TA To Hold Regular Meet Tuesday

Sims P.T.A. will hold its regular monthly meeting on Tuesday, January 24th at 7:30 p.m. in the Junior High Auditorium.

"Time-How Is It Used?" is the program topic selected for the meeting. The purpose of the program is to present the need for a balance in the use of time, individually and as a family unit. Several questions will be considered in the discussion period.

The Sixth grade, under the direction of Mrs. Van Kennedy and Mrs. John Gillham will present a short program.

Nurseries will be provided for pre-school children. Coffee, Cokes and doughnuts will be sold after the meeting is adjourned at 8:30 p.m.

The local parent-teacher association can become the machinery through which confidence, respect, and understanding may be achieved.

UNDERWAY: The prototype rises swiftly from the launching pad. Army spokesmen forecast a NIKE ZEUS firing in 1961 from Kwajalein Island to intercept an incoming ICBM launched 4,500 miles away in California. The NIKE ZEUS will meet and master the ballistic missile threat presented by the Soviet Union.

MATHEMATICS OF FINANCE

Clarendon Junior College will offer Mathematics of Finance on Thursday nights for the spring semester. Mathematics of Finance (Math 135-3 hours credit) is a general course in mathematics as applied to finances. Topics will include interest, taxes, annuities, amortization, stocks, bonds, insurance, and discount.

Enrollment may be completed during the week of January 30, on Monday, Tuesday or Thursday nights. Tuition will be \$15.00 for the course.

Instructor for the course will be Mr. Day. Further information may be secured from the Dean's office or Mr. Day.

FORMER RESIDENT WRITES HISTORY ARTICLE

CANYON, Jan. 5 (Special) — A close examination of the physical characteristics of the Texas Panhandle is made in an article by Fred Rathjen, instructor in history at West Texas State College.

The article, "Physiography of the Texan Panhandle," appears in the January issue of the Southwestern Historical Quarterly, published by the Texas State Historical Association.

Rathjen, who first joined the WT faculty in 1956, returned to the campus last fall after a leave of absence to study toward his doctorate at the University of Texas.

His article describes the terrain and topography of the region, its soils, and weather phenomena, along with the geology and grasses.

RABBIT AND HARE ARE DIFFERENT BUT IMPORTANT

Austin — The cottontail rabbit is very important to the balance of the animal community, and he's probably the target of more hunters than any other single animal. Texas has four species of the genus Sylvilagus, or cottontail, according to the director of wildlife restoration, Texas Game and Fish Commission.

"The biggest of the four is the swamp rabbit. The eastern and desert cottontails are smaller but very similar in color and appearance. The fourth bunny is called the marsh rabbit.

"These animals are true rabbits," reports the director. "By this, I mean they are not hares like the jack rabbit. The difference between a rabbit and a hare is that the hare has much longer legs and the structure of their digestive tracts is different. Therefore, the jack rabbit isn't really a rabbit at all, but a hare."

Another definite difference in the two is that hares are born completely covered with hair, and with their eyes open. Rabbits enter the world naked and their eyes remain closed for at least a week. Since the cottontail is born hairless and with closed eyes, he's not a hare but a rabbit.

Whether hare or rabbit, the bunny plays a very important role in nature's balance. One of the most important values of the mammals, according to the director, is their role as a buffer species. They serve as food for both man and animal.

Klamath Falls, Ore., Herald and News: "The postwar economic recovery of West Germany is not a new story. The new thing today is that country's emergence as the second biggest, economically, in the entire free world... In an age when America and some others seem captivated by a mood of ease, comfort, convenience and fun, the lesson of West Germany is clear. There is still no substitute for hard work."

A creditor is worse than a master; for a master owns only your person, a creditor owns your dignity, and can belabor that. —Victor Hugo

AUSTIN, Tex. — Texas motorists soon will be "seeing red" when they approach highway construction projects.

State Highway Department announced that the signalmen who direct traffic around construction projects will start wearing fluorescent red nylon vests and waving flags of the same bright material. Use of the new material has been adopted as an additional safety measure since it will be more visible, day and night. At night, flares will be used also.

Same signals will be used by the flagmen. Flag-holding arm fully extended horizontally means "stop." Movement of the flagman's free arm means "proceed."

LAKE SUCCEEDS STEAKLEY — P. Frank Lake is new secretary of state, succeeding Zollie Steakley.

Steakley was appointed associate justice of the State Supreme Court.

Lake served as assistant secretary of state under Steakley for the past four years. An attorney, he formerly lived in Tyler. He is a lieutenant colonel in the Marine Corps Reserve, retired; married and the father of four children.

POLL TAXES DUE — Texans have until January 31 to pay the poll tax that will enable them to vote in 1961 elections.

Despite 1961's being an off-year, a major election will be held this year. U. S. Sen. Lyndon B. Johnson ended his 12-year career in the Senate by submitting his resignation to Gov. Price Daniel on the opening day of Congress.

Daniel appointed William A. Blakley of Dallas to serve until a successor is elected this spring. A special election to fill the office for the remainder of the term will be held April 4. If no candidate receives a majority in the first election, a runoff will be held from 30 to 40 days later.

In the last special senatorial election in April, 1957, there were 23 candidates. Same sort of crowded field is expected this year with enough activity to give every poll tax payer his \$1.75 worth.

INAUGURATION CEREMONY — Tuesday, January 17, Gov. Price Daniel and Lt. Gov. Ben Ramsey will be inaugurated. Since it is a third term for Governor Daniel and a sixth for Lieutenant Governor Ramsey, it will be "one of the simplest inaugurations in years," according to the Governor's office. No parade is planned.

NEW INSURANCE CHAIRMAN — Former Dist. Judge Thomas C. Ferguson of Burnet has been named chairman of the State Insurance Board by Governor Daniel.

Ferguson succeeds another district judge, Penn J. Jackson, who has returned to his bench in Cleburne.

New board chairman is also a former newspaperman, deputy

THE STATE OF TEXAS)
COUNTY OF DONLEY)

I, P. C. Messer, County Clerk in and for Donley County, Texas, do hereby certify that the foregoing is a true and correct account of Receipts and Disbursements of County Funds for the year ending December 31, 1960, and correctly reflects the condition of County Funds as disclosed by the Records in my office.

R. E. DRENNAN
County Clerk, Donley County, Texas.

Sworn to and subscribed before me this January 14, 1961.

R. E. DRENNAN
County Judge, Donley County, Texas.

EXAMINED AND APPROVED in open Commissioners' Court this 14th day of January, 1961.

P. C. MESSER
County Judge, Donley County, Texas.

district clerk, member of the Texas House of Representatives, mayor of Burnet and county judge. As he begins his service on the Insurance Board, one of the most pressing problems before it is whether to revise auto insurance rates.

WATER PROGRAM TARGETS SET — Reorganize it on top of the State Board of Water Engineers after the pattern of the State Highway Commission has been proposed by Governor Daniel.

Daniel advocated separating the engineering services under a chief engineer from the semi-judicial functions of the Board. He made the proposal before a pre-legislative meeting of the Statewide Water Committee.

Committee, composed of laymen to help in development of a State Water Development Board. At present, the Board can grant loans to subdivisions for one-third the cost of a water project or \$5,000,000, whichever is less. A \$15,000,000 maximum is recommended by the Committee.

CHURCH - SCHOOL CONFLICT APPEALED — A group of Bremond citizens is appealing to the State Board of Education in protest of what it regards as a violation of church-state separation.

Bremond School District leases a Catholic Church-owned school building for use as a public elementary school and uses Catholic nuns as teachers.

This arrangement has been a source of local controversy for some years. Finally a group of Protestant citizens brought the case before State Commissioner of Education J. W. Edgar.

Dr. Edgar said he had no authority to prohibit the school board's hiring nuns, but he strongly urged the district to get a school district-owned building.

Seeking more vigorous action, the protesting Protestants appealed to the State Board.

Two elections to approve bond issues to build an elementary school in Bremond have failed. Bremond, a town of about 1,100, is located 70 miles southeast of Waco in Robertson County.

GAS DISPUTE BEFORE COURT — Texas Supreme Court is considering three related cases involving whether a certain gas drilling process steps on neighboring property owners' toes.

Also at issue is whether the decision can be made in the Courts or by the Railroad Commission.

In all three suits, Delhi-Taylor Oil Corporation charges that operators using the sand-fracturing process in drilling are removing gas from beyond the limits of their lease. In sand fracturing, acids and liquids are forced into the ground to open crevices to permit escape of the gas.

SHORT SNORTS — Bexar County (San Antonio) Dist. Atty. Charles Lieck, Jr. has taken issue with the State Liquor Control Board on its new regulations governing private clubs. In a letter to the Liquor Control Board on its new regulations governing private clubs. In a letter to the Liquor Board, Lieck was particularly critical of the regulation that permits board agents or peace officers to inspect a private club without a search warrant. . . . Texas Republican Executive Committee will name a new chairman at its meeting January 16. Thad Hutcheson, chairman since 1957, resigned.

BRUSH PLANTED ON GRASS LAND IN PANHANDLE

AUSTIN — A partnership wildlife habitat improvement program is being carried on in the Panhandle of Texas, intended to restore game to the area, according to W. J. Cutbirth, assistant executive secretary of the Game and Fish Commission.

The work is described in an article in the December issue of TEXAS GAME AND FISH magazine. It was prepared by J. K. Parson and B. D. Hudgins, wildlife biologists.

The project is located 30 miles northwest of Dalhart, on what is now known as the National Grasslands, owned by the Forest Service. Management is under direction of the Game and Fish Commission.

The primary study right now is on scaled quail (blues), and motts are being produced to provide cover for more of these birds.

Plots have been fenced off and Russian olive and squaw brush planted to provide this cover.

Since the first plantings in 1956, approximately 150,000 seedlings have been placed in 34 plots and spaced over 7,000 acres of land. Plantings now are getting large enough to provide additional cover. The place is closed to hunting.

FARM NEWS

from the County ASC Committee

ACP INFORMATION

As we close out ACP's 25th program year we look back with satisfaction on many worthwhile accomplishments. But we also look ahead to administering the 1961 program. Our collective opportunity is to make the 1961 ACP the best agricultural conservation program we've ever known.

Farmers used ACP cost-sharing assistance to establish conservation practices on 335 farms and ranches in the 1960 program year. In 1960 cost-share average about half the cost of the practices carried out. Participating

farmers paid their half in money, materials, labor and equipment.

This public investment has resulted in about double the amount of conservation actually being applied on the land for conserving soil and water as would have been accomplished by farmers using only their own resources.

1961 ACP PROGRAM

This office is now accepting requests for cost-sharing for carrying out approved conservation practices under the 1961 ACP and those approved for Donley County are as follows:

- A-2 Permanent Pasture
- A-3 Increase Rotation Pasture
- A-6 Shelterbelts
- B-1 Pasture Improvement
- B-2 Deferred Grazing
- B-3 Controlling Competitive Shrubs
- B-5 Stockwater Well
- B-7 Stockwater Dam
- C-1 Sod Waterway
- C-4 Standard Terraces
- C-5 Diversion Terraces
- C-6 Erosion Control Dam
- C-7 Drop Structure
- C-12 Reorganizing Irrigation System

- C-13 Land Leveling
- D-1 Winter Legumes
- D-2 Summer Legumes
- E-1 Stubble Mulching
- E-3a Deep Plowing
- E-3c Bindweed Control
- F-1a Seeding Rye
- F-1d Applying Cotton Burs
- F-1g Shore Protection

A written request must be filed and prior approval given by the County ASC Committee before any practice is started if cost-sharing is expected.

EMERGENCY ACP PROGRAM

Emergency ACP program will provide supplemental assistance to carry out farmland restoration work on farms damaged by flood in 1960.

1961 WHEAT PROGRAM

If the weather stays favorable a reporter will be visiting your farm in the near future to measure wheat. We have over 50 per cent wheat farms already measured.

its rating as cropland. Under existing law, any cropland in the Conservation Reserve is classed as cropland for an additional period after the contract expires. The additional period is equal to the number of years that the land was under contract prior to expiration.
