CLARENDON JR. COLLEGE BASKETBALL SCHEDULE FOR 1961-62

Table with columns for dates, opponents, and home/away status for Clarendon Jr. College Basketball.

FORMER CLARENDON BOYS HONORED AT BOYS RANCH

Jimmy and Robert Watson, former Clarendon brothers and two of the 275 boys from all over the nation who are making their home at Car Farley's nationally-famous Boys Ranch near Amarillo, were recently selected as the most typical outdoors boys of the Ranch.

BANKER RETIRES

W. W. TAYLOR

Pioneer Banker Resigns From Active Service

W. W. Taylor, pioneer Clarendon banker and vice president of the Farmers State Bank of this city, retired from active service October 31st. He had been connected with local banking the past 45 years.

Annual Bull Sale To Feature Top Breeders of Southwest

W. H. Cooke III, president of the Rolling Plains Registered Beef Cattle Association says that this year's sale will feature some of the top breeders in the Southwest. Bulls in the December 7th sale to be held at Clarendon, Texas will give a rancher a good selection as to the type of bull he best needs to suit his kind of cattle.

Table with columns for dates, opponents, and home/away status for Clarendon High School Basketball.

(*) Denotes Conference Games. Home games begin at 7:00 p.m. Basketball Coach—J. R. Williams. Colors—Maroon & White

Expansion Goes On In College Library

The Clarendon Junior College library, under the direction of Librarian, Daniel L. Nutter, is undergoing quite a face-lifting this year. The library has added another large room and now has twice the space as in former years.

Estlacks Attend Press Meeting at Quanah

Editor and Mrs. G. W. Estlack attended the fall meeting of the Panhandle Press Association at Quanah last Saturday along with approximately 100 other newspaper people from this area.

One important new addition to the library this year is the 54-volume set of Great Books of the Western World which incorporates many great writings in literature, science, social science and business.

The program for the day included a tour of a nearly-completed Atlas Missile Silo near Hollis, Okla. This was quite a treat as we had wondered just what went into one of these silos that would take so much time and four million dollars to construct.

Also, Mr. Nutter is making a concentrated effort to collect a number of back issues of various magazines which will be bound and made available for students. He is especially interested in back issues of the following magazines: The Texas Almanac, Fortune, Nation's Business, The Instructor, The Grade Teacher, NEA Journal, Historical Magazine of the Panhandle Plains, Atlantic Monthly, Current History, Harpers, Holiday, Life, National Geographic Magazine, Natural History, Nature, Newsweek, Popular Mechanics, Popular Science, Readers Digest, Saturday Review, Scientific American, Time, Today's Health, U. S. News and World Report, Coronet, Science Digest, Science Newsletter, School Arts and Texas Outlook.

There are 12 silos built in the Altus Air Force Base complex and each of these have specific targets and are part of the 127 missile sites in the U. S. Any target within 9,000 miles could be hit with a great degree of accuracy. The 82 foot Atlas rocket and payload can be sent on its way within 15 minutes and can reach its destination 30 minutes later.

Anyone having any old issues of the above listed magazines and who are willing to donate them to the college library, should contact Mr. Nutter and he will go over the list with you and tell you which copies he needs. He has some of the issues and naturally would not want to duplicate copies, but would appreciate the opportunity of telling you what he needs.

The fast-growing home for homeless and delinquent boys was founded 22 years ago on the site of an abandoned ghost town—Tascosa, Texas. Since its founding by retired businessman Cal Farley, Boys Ranch has grown from its original five boys and 120 acres of land to a small community with an ever-expanding population. More than 1,200 boys have lived at the Ranch and are now scattered all over the world, in the armed forces, in colleges, earning their own ways with the skills they have learned at the Ranch and raising families of their own.

Jimmy and Robert are fine young men and we're proud of the progress they have made," Farley said. "They are becoming the kind of citizens the people of Texas and Clarendon can someday be proud of."

over but the communists did and it was surprisingly easy after Castro took over the government. The communists were in key spots everywhere, he added.

Machado was director of the Baptist Student Union of the University of Havana for nine years. "The university has become a school of communism," he continued. "Students there speak Spanish, the books are in English and the professors speak Russian."

He went on to say that there was a communist committee for each block in the cities and these committees handed out cards for the items you could buy to eat each week but that supplies were low and it took usually two weeks to get the half pound of meat that was supposed to be allotted each person every week and other items usually ran in the same manner. He stressed the point of freedom. . . that you didn't really know what freedom was, until you lost it. If more people could hear what Machado has to say, we would all be more concerned with the threat of communism in our country today.

Crain Services Held At Goodnight

Funeral services for Mrs. Violet Berryman Crain, 87, were held Monday afternoon, November 6, at the Goodnight Baptist Church with the Rev. C. B. Stovall, Aberrath minister, officiating. He was assisted by the Rev. Keith McCormick, pastor of First Baptist Church, Panhandle, Texas. Burial was in the Goodnight Cemetery under the direction of the Murphy Funeral Home of Clarendon.

Mrs. Crain moved to Goodnight in 1906. For the past eight years she and her husband had made their home in Panhandle and on October 24 celebrated their 68th wedding anniversary.

Surviving are her husband, Albert N. Crain of the home; one daughter, Mrs. Nell Parks of Panhandle; one son, W. M. Crain of Goodnight; one brother, Henry Berryman of Kemp; three grandchildren, and 10 great grandchildren.

DONLEY COFFEE SHOP OPEN UNDER NEW MANAGEMENT

Announcement is being made in this issue of the Leader concerning the reopening of the Donley Hotel Coffee Shop this week under new management.

The new operators are Mrs. Carolyn Davis and her mother, Mrs. O. L. McBrayer. Mrs. Davis will manage the business.

A formal opening has been planned for Saturday of this week with the business serving free donuts and coffee. The business will operate on a six week day basis and will close on Sunday.

TRAP SHOOT AT COUNTRY CLUB SUNDAY

Another Trap Shoot will be held this coming Sunday afternoon at the Clarendon Country Club beginning at 1:30 p.m. Hams and Bacon will be the prizes and the shoot is open to everyone. Shells will be available at the grounds.

This is another preliminary shoot prior to the annual Thanksgiving Turkey Shoot Nov. 19.

HOSPITAL NOTES

Patients as of Wed., Nov. 8—Guy Mills, Pat Heath, Dewitt Myers, Mrs. M. D. Buchanan, Mrs. Ned Scaff and Claude Mann. Dismissals — Gary Campbell, Mrs. Georgia Calloway and baby girl Ruby Jean, A. G. Carter, Mrs. Cap Morris, John Rhodes, John Richey, Mrs. M. T. Walker and Judy Walls.

John W. Hatley, Sr. Buried Here Wednesday

Funeral services for John W. Hatley Sr., 76, of the Lesley community, were held Wednesday at the Church of Christ at Lakeview with Robert C. Jones, Minister of the Clarendon Church of Christ, officiating. Burial was in Citizens Cemetery here.

Mr. Hatley, a retired farmer, died in a Memphis hospital Tuesday. He had been a resident of Hall county and the Leslie community since 1907.

Surviving are a son, J. W. Hatley Jr. of Lesley; five daughters, Mrs. Madelia Stogner of Amarillo, Mrs. Kathrina Adull of Lesley, Mrs. Francis Brock, Mrs. Laverne Evans and Mrs. Jo Anna Haynes, all of Amarillo; a sister, Mrs. Fannie Mae Jones of Lampasas, Texas; six brothers, Alex of Waterford, Calif., M. W. of Clarendon, G. W. and C. A., both of Brownwood, L. A. of San Jose, Calif. and M. G. Hatley of Port Wayne, Ind.; and 12 grandchildren and eight great-grandchildren.

FORMER CJC ATHLETES PLAYING BASKETBALL

Two former Clarendon Junior College basketball players are continuing their careers at senior colleges this year.

John Alexander of Samnorwood, a two-year regular and second team all-conference player here at the college the past two years, is reported to be on the starting team at Wayland College of Plainview this year. He is majoring in physical education and minoring in biology at the Plainview school and has recently been elected social chairman of the junior class.

Another former Bulldog, Bobby Lesley of Hedley, is reported to be making the starting line-up at Texas Western University at El Paso. Bobby was selected on the All-American Junior College team as a member of the Clarendon College Bulldogs last year and averaged 25.6 points per game during his last year here. He is playing for his former high school coach, Don Haskins, who went to the El Paso school this year as head basketball coach.

Texas Panhandle Heritage Foundation to Meet November 12

A meeting of the Texas Panhandle Heritage Foundation, Inc. will be held Sunday afternoon, November 12, at 3:30 p.m. in the Branding Iron Theatre of the Fine Arts Building on the campus at West Texas State College, Canyon, Texas. Memberships will be available at the door.

Paul Green, creator of the symphonic drama form which will be used for the great historical play in the Palo Duro Canyon and which the Texas Panhandle Heritage Foundation, Inc. was organized to create, will arrive in Canyon Friday, November 10. He will be on hand for the Sunday afternoon meeting and speak to the group of the plans now being made for the production.

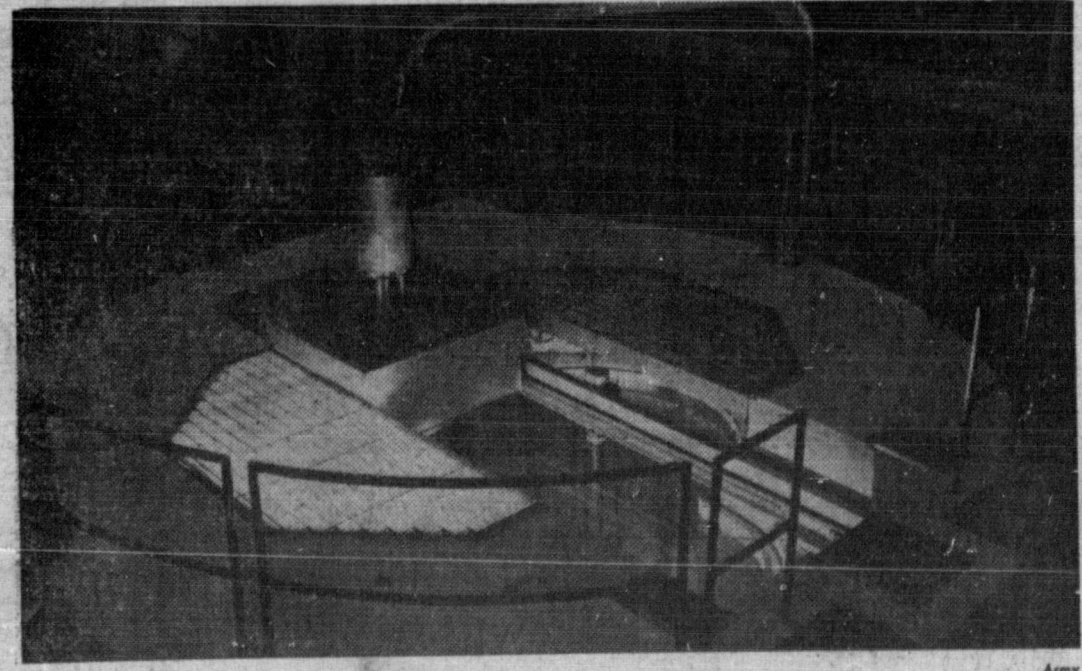

Mr. Green has written several such historical dramas which have become very famous: the Lost Colony which has been running on Roanoke Island in North Carolina for sixty nights a summer for more than twenty years; the Common Glory which has played on a similar schedule in Williamsburg, Virginia for thirteen years; and the Stephen Foster story which has just completed its third successful season. He is coming to the Panhandle to meet with the Board of directors and members of the Foundation and to spend some time in the archives of the Panhandle Plains Historical Museum and to drive about the Panhandle getting acquainted in various communities.

At the October meeting of the Foundation the size of the Board of Directors was set at 65 or less and the size of the executive committee at seven. Among the area Board members is Bill Todd of Clarendon.

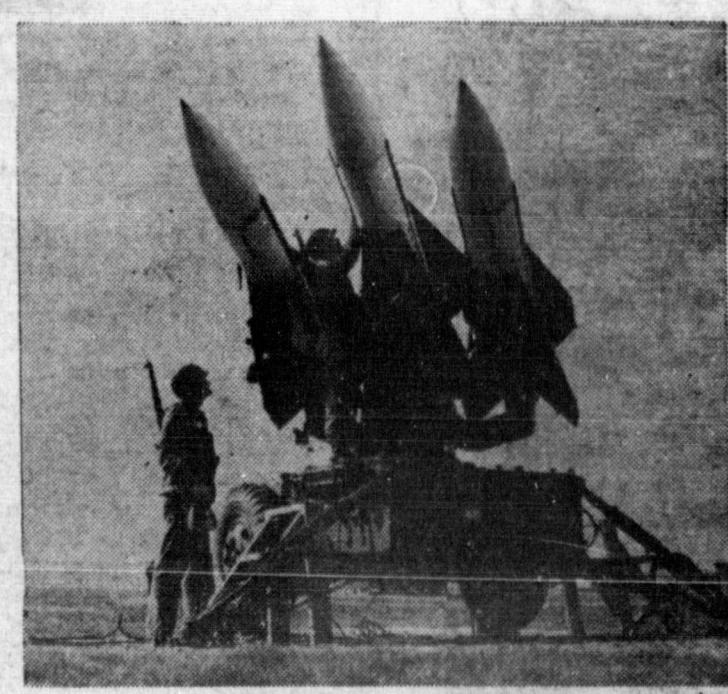

VACATION ON THE COAST

Mr. and Mrs. W. M. Pickering, Mr. and Mrs. H. T. Burton, and Mr. and Mrs. George Green have returned home after spending the past two weeks at Port Aransas and on Mustang Island. They report fishing good and weather fine.

Leader—Local rate, \$3.00 a year

NUCLEAR PULSE REACTOR—The U. S. Army Ordnance Corps' first Nuclear Pulse Reactor was dedicated Oct. 17 at Walter Reed Army Medical Center, Forest Glen, Md. Nicknamed DORF—for Diamond Ordnance Radiation Facility—the reactor will be manned and operated by personnel of the Diamond Ordnance Fuze Laboratories. The pulsing reactor can simulate many of the conditions encountered in a nuclear blast with safety to operating personnel. Radiation effects on selected Army items of equipment then can be analyzed without the blast and heat effect of an exploding bomb. The reactor was constructed by General Dynamics Corp., Calif.

PREPARED FOR FIRE—U. S. Army HAWK missiles are prepared for simulated firing during an exercise in Germany. Checking the Army's HAWK are (left) Sp5 Irvin F. Herman (Yamhill, Ore.) and Pfc Garlin Eads (Pulaski, Va.). The HAWK is deployed with Army units overseas.

Joy Roberson will have the club Thursday all day Nov. 9. Bring a covered dish and spend the day.

Cotton culture is thought to have originated in India about 1500 B. C.

LIBRARY NOTES

EDITH BARNES

A memorial gift has been given to the library dedicated to the memory of Mr. Ray Moore.

Over two hundred years ago an Indian Chief said the following to a missionary who was trying to convert him to Christianity: "You call us savage, yet we want no part of the white man's religion when he not only thinks it is right to whip his

helpless children but encourages the practice in others. We may kill the children of our enemies but no uncivilized savage ever lifts his hand to his children. We teach them discipline."

All of the writers of child-care books can't be wrong! The following are quotes from two of them:

"The common law gives the parent only a moderate degree of authority over his child's person, which authority relaxes as the child grows older. With the progress of refinement, parents have learned to enforce obedience by kindness rather than severity."

"In all these no mention is made of corporal punishment. This is because corporal punishment is never necessary, never right, but is always harmful.

Corporal punishment teaches a child nothing of the reason why what he does is wrong. Wrong must seem to him to be dependent upon the will of another, and its disagreeable consequences to be escapable if only he can evade the will of that other.

Corporal punishment is wrong because it inculcates fear of pain as the motive for conduct, instead of love of righteousness. It tends

directly to cultivate cowardice, deceitfulness, and anger — three faults worse than almost any fault against which it can be employed. True, some persons grow up both gentle and straightforward in spite of the fact that they have been whipped in their youth, but it is in spite of, and not because of it."

Strange as it may seem the above are not from some new fangled book. The first is from a law book on "Domestic Relations" published in 1889. The second is from "The Study of Child Life" by Marion F. Washburne published in 1907.

Lillian Gilbreth, highly successful mother of 12 children, has this to say in her book, "Living With Our Children." "I am, myself, opposed to corporal punishment. It seems to me to degrade the person who gets it, but especially the person who gives it." Her book was written in 1928.

According to Chain Store Age, sales in food chains with two or more stores increased 3.6 per cent in a late month compared with the same month of last year. All regions of the country showed increases.

The one low-price compact that's every bit as lively as it looks—Valiant '62!

You're looking at the sports-loving compact car given an award of merit by the Society of Illustrators for design excellence. Come see it!

Unlike some compacts, Valiant will take off like a scared kitten at the drop of a "Scat!" You'd have to pay extra for an optional engine in most any other compact at Valiant's price to match Valiant's standard 101-hp Economy Six.

A modified version of this engine shot Valiant to victory over all American compacts competing in the 1960 and '61 Daytona Beach compact car competitions! Yet, for all its go, Valiant puts plenty of care-free miles between gas pumps. A Valiant scored 26.13 mpg in the last Mobilgas Economy Run!

And this new Valiant has the distinctive good looks to match its gumption. America's most famous artists recently honored the 1962 Valiant. For the first time in seven years, the Awards Committee of the Society of Illustrators has bestowed its coveted citation on a car—Valiant!

That's even more proof that the 1962 Valiant is indeed the Style Leader of the Compacts!

For looks and liveliness, you just can't match Valiant at Valiant's low initial price! And this year's Valiant offers a bundle of economy extras. Like half-as-often oil changes and almost-never 32,000-mile lubrication on major chassis points. See your Plymouth-Valiant dealer. Drive the low-price compact that's quality-engineered by Chrysler Corporation. Find out why...

Nobody beats VALIANT for value!
STYLE LEADER OF THE COMPACTS

A. A. A. MOTOR COMPANY
Highway 287 Clarendon, Texas

FIRST BEATNIK: Why, man, that's a fantasy kick going the rounds. There's this stove, see, and it thinks. You're not hep to fairy tales if you haven't heard this one.

SECOND BEATNIK: That's square—real way out. Next there'll be another Buck Rogers story—like housewives are obsolete.

Housewives aren't obsolete when they cook with flameless electricity—but they're in perfect control of the situation. Your modern electric range offers perfectly controlled flameless heat. We don't promise you another "brain" around the house—but we do promise you cooler, cleaner, safer, flameless cooking. And, it's economical too... for customers served by West Texas Utilities it costs less than 3¢ to cook a complete meal. See your electric appliance dealer for your electric range.

**SHERIFF'S SALE
THE STATE OF TEXAS
COUNTY OF DONLEY**

WHEREAS, on the 2nd day of October, A. D. 1961, in Cause No. 3044, in the District Court of Donley County, Texas, wherein CLARENDON CONSOLIDATED INDEPENDENT SCHOOL DISTRICT, as Plaintiff, and the State

of Texas, Donley County, Texas, and Clarendon Junior College, as Impleaded Party Defendants, recovered judgment against ROY VEST, ET AL., if living, and if deceased, his legal representatives, if any, and all unknown heirs and their legal representatives if any, and all unknown persons owning, having or claiming any interest or lien in and to the property hereinafter described, as Defendants, for \$84.41, with interest thereon from the 2nd day of October, A. D. 1961, until paid at the rate of six per cent (6%) per annum, for taxes, penalties, interest and costs against the hereinafter described property; and the further sum of \$63.22 for court costs accrued as of the 2nd day of October, A. D. 1961, and such other court costs as may be incurred as provided by law;

WHEREAS, on the 30th day of October, A. D. 1961, by virtue of said judgment and the mandates thereof, the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 30th day of October, A. D. 1961, size and levy upon as the property of the above Defendants the following described property, situated in Donley County, Texas, to-wit:

All of Lot Three (3) in Block Two Hundred, Thirty-three (233) of the Original Town of Clarendon, in Donley County, Texas, as shown by the recorded map or plat thereof;

AND I WILL on the first Tuesday in the month of December, 1961, the same being the 5th day of December, A. D. 1961, proceed to sell all the right, title and interest of the Defendants in and to the said property at the Court House door of said county in the city or town of Clarendon between the hours of 10:00 A.M. and 4:00 P.M. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to any one having an interest therein or to any part other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of \$100.00 of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Clarendon, Texas, this, the 30th day of October, A. D. 1961.
TRUETT BEHRENS,
Sheriff, Donley County, Texas
(40-3c)

AN ORDINANCE PROVIDING FOR METAL CONTAINERS FOR GARBAGE AND RUBBISH OF NOT LESS THAN FIVE NOR MORE THAN THIRTY-TWO GALLONS CAPACITY, EQUIPPED WITH A TIGHT FITTING METAL LID TO BE KEPT SECURED AND FASTENED EXCEPT WHILE CONTAINERS ARE BEING FILLED OR EMPTIED; AND DECLARING AN EMERGENCY.

Be It Ordained by the Board of Commissioners of the City of Clarendon:

SECTION 1. Every owner, occupant, tenant, or lessee of real property shall provide a container or containers for garbage and rubbish of not less than five (5) nor more than thirty-two (32) gallons capacity, constructed of metal, with a tight-fitting metal lid. The lids or covers of all containers shall at all times be kept secure and fastened so that cats, dogs, rodents, flies, and other insects may not have access to the contents thereof, and said lids shall be removed only while containers and receptacles are being filled or emptied as the case may be.

SECTION 2. Any person, firm, or corporation who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined in any sum not to exceed \$100.00 for each offense and each day's continuance of failure to comply with this ordinance shall constitute a

separate and distinct offense.

SECTION 3. All ordinances or parts of ordinances insofar as conflicting herewith are hereby repealed.

SECTION 4. The effective date of this ordinance shall be June 1, A. D. 1962.

SECTION 5. The fact that unsanitary conditions now exist within the corporate limits of the City of Clarendon by virtue of insufficient and inadequate containers for garbage and rubbish, and the fact that cats, dogs, rodents, flies, and other insects have access to the contents thereof, of which further causes unsanitary and unsightly conditions to exist, and the fact that it is necessary to alleviate such conditions within a proper time by giving adequate notice of the effective date of this ordinance, creates an emergency for the immediate enactment of this ordinance; therefore this ordinance shall take effect at once on its first reading, approval and publication, and it is so ordained as in the Charter

as such cases made and provided. PASSED and APPROVED, this the first day of July, A. D. 1961.

/s/ H. T. BURTON
Mayor

ATTEST:
/s/ DESSA C. DAY
Clerk
(SEAL)
I, Dessa C. Day, the Clerk of

the City of Clarendon, do hereby certify that the above and foregoing is a true and correct copy of the ordinance appearing in Volume 2, page 302 of the Ordinance Books of the City of Clarendon.

Witness my hand this the 1st day of July, A. D. 1961.

An all-new Ford...
right size... right price...
right between
Galaxie and Falcon

**Some cars have new names...
this name will have a new car!**

The name is familiar—the Ford Fairlane 500. The car itself is totally new—so new you'll see nothing else like it this year. It is one of Ford's milestone designs—and will be as influential in its way as the first mass-produced car (a Ford Model T), the first popular station wagon (a Ford Wagon), the first four-passenger luxury car (a Ford Thunderbird), the world's most successful compact (a Ford Falcon).

Right between Galaxie and Falcon in size and in price, the 1962 Ford Fairlane 500 is just the right car for just about everybody, you have never been able to buy anything so right before. Big in room, ride and performance, it is still priced under most compacts. It nurses a nickel as though it never expected to see another. It moves like a rabbit on roller skates.

Twice-a-year maintenance Service is reduced to a minimum—30,000 miles on many items, twice a year on the rest. You go 50,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. You don't have to touch the engine coolant-antifreeze for two years—or 30,000 miles—at a time. Brakes adjust themselves.

would be gratifying in a smaller car. In a car this size it's a downright delight.

Preview America's newest car now As part of Preview Run U.S.A., new Fairlane 500's are riding the nation's highways and main streets right now. Watch for them. See what thousands have already seen—and raved about. Take a turn at the wheel—and perhaps do a little raving yourself. We think you'll agree: this all-new Ford is just right for just about everybody. No matter how many new cars you've looked at, you haven't seen anything like this one. It will be at your Ford Dealer's next week. If you miss it now, be sure to see it then.

New unitized body a foot shorter outside... full-size inside Ford engineers have changed the proportions of the automobile: a completely new unitized body gives you more room inside with less bulk outside. A foot shorter than previous Fairlanes, the new Fairlane 500 is pleasantly parkable, delightfully driveable, easily garageable. At the same time it packs into its neat and nifty 197 inches as much passenger room as you had in some of the biggest Fords ever built.

All-new economy Eight from world's V-8 leader The hand that honed the Thunderbird—and sped the Falcon to all-time Economy Run honors—turned to a new problem here, the world's first economy V-8. Made possible by new Ford foundry methods, the new Challenger V-8 is as strong as iron—and a lot lighter than iron's ever been before. As lively as you'd like... thrifter than you'd expect a V-8 to be... it's a natural powerplant for America's first eat-your-cake-and-have-it-car. For those who want even greater thrift, there's a new Fairlane Six. Its economy

ASHTOLA NEWS

Mrs. Doyce Graham

Mrs. J. C. Sutton and sons of Vernon and Mr. and Mrs. Allen Graham of Amarillo spent the week end in the H. A. Graham home. Mr. and Mrs. A. H. Moore of Clarendon visited Wednesday night in the home of Mr. and Mrs. Van Knox. Miss Linda Updike of Midland and Doyce Graham, Jr. of Lubbock visited in the Doyce Graham home Sunday afternoon. Mr. and Mrs. Lowell Hall and children have moved to Lelia Lake to the Lamar Aten place to work for him. Mr. and Mrs. J. B. Lane visited Mr. and Mrs. W. L. Jordan Sunday evening. Mr. and Mrs. J. F. White and children of Phillips spent Sunday with Mr. and Mrs. John White. Guests of the Hubert Rhoades over the week end were Mr. and Mrs. Loren Rhoades and Mr. and Mrs. Leon Rhoades and son, all of Amarillo, and L. B. Mauldin of Borger. Mr. and Mrs. Van Knox attended funeral services for Mrs. Violet Crain, mother of Mirza Crain, in Goodnight Sunday. Mr. and Mrs. J. R. Brandon visited Mr. and Mrs. John White Sunday night.

"For a nation to remain free, its people must take the responsibility to keep that God-given freedom. What are you going to do about it? If you think you are too busy, remember Hungary, Tibet and Poland. Rearrange your schedule to fulfill your responsibility for the preservation of freedom. It is your life you want to save, as well as that of your loved ones and your country. Eternal vigilance is the price of liberty." — Churbusco, Ind., Tri-County Truth

Donley County Leader, 88 a year in county.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

Now You See Him, Now You Don't

The Russian people must be completely confused by the recent turn of events. Since they are not allowed to speak out and to demand explanations, I wonder what is going on in their minds. It is possible to close the mouth of a human being by duress or otherwise, but it is impossible to stop the thinking machinery of a human being unless you physically destroy the individual. Despite the suppression to which the average Russian has been subjected, he must be presently asking himself, "Who and how much can I believe?" He has been told that the names of Karl Marx, Lenin, and Stalin were synonymous with Communism. He was first told that the name Trotsky was associated equally with Lenin. You will recall that Trotsky met his end by violence in Mexico. Historians have differed as to why, but they have not differed as to the fact that it was at the hands of the Communists that he died.

During the life of Stalin, he was the lord and master of all the Russians and the satellites. Much has been written about the manner in which he wielded his power and his trials and tribulations in maintaining that power. Never-

theless, after his death in 1953, which was questioned in many circles as to its cause, his body was entombed beside that of Lenin. They laid side by side in a tomb in front of the Kremlin wall, adjacent to the vast Red Square. The faithful from all the Russians made their pilgrimage to this tomb to view the remains of these two Communists, encased in glass, preserved in some sort of gaseous substance with a faint orange tinge; Lenin with his arms by his sides and his fists clenched, and a stern look on his face; Stalin, to the contrary, with his hands folded across his chest, a faint smile beneath his heavy mustache, his entire body completely relaxed, a picture of serenity — a picture completely contrary to the real Stalin of blood purge fame who has now been denounced and condemned by his own fellow travelers, those who no doubt feared during the living days of Stalin that this fate might be visited upon them at any moment.

Why were the Russian people led to believe for more than seven years after his death that Stalin should be revered and worshipped? Had Stalin so entrenched himself with power in depth that it required this length of time to unshackle the stranglehold that he had gained? Surely the Russians must be thinking silently, "If Khrushchev was associated with Stalin and his group, as he was, surely he knew the truth about this man. Why did he withhold this information from us

these many years? Why has he stood atop the tomb holding the body of Stalin and praised this man to the vast crowds gathered in Red Square on so many occasions?"

Speaking of the thoughts that must be passing through the minds of Russians, it would be interesting to know what Mr. Khrushchev is thinking. Surely he must be reviewing in his own mind the fate of Trotsky, the fate of Beria, the fate of Malenkov, Bulganin, Molotov, and last but not least, Stalin. He must be convinced that Communism will not permit even the dead to rest in peace. He undoubtedly knows what is in store for him. His prime objective is to delay that end as long as possible.

All of the Soviet Republics should take note of what has transpired in this last meeting of the Communist Party Congress. Also, the satellites should view

this with alarm. Certainly the newly independent countries should have little difficulty in choosing the path that will be best for their people. What better evidence than the short history of Russian Communism. Although retribution is slow, it is sure, as can be testified to by Hitler, Mussolini, now Stalin and, in the not too distant future, Mr. Khrushchev.

The Commies will be so busy burying and re-burying each other that they will have little time to carry out their threat to bury this country, which they now know was the height of fantasy.

Tropical storms at sea generate winds up to 210 miles per hour.

The world's highest temperature, 136 degrees, was recorded in Libya in 1922.

1926 Book Club In Regular Meeting

The 1926 Book Club held their regular meeting Tuesday afternoon at Patching Club House with Mrs. J. R. Brandon and Mrs. Billy Christal, hostesses. Arrangements of pyracantha decorated the entertaining rooms.

Mrs. Nelson Seago, president, called the meeting to order and Mrs. C. B. Morris led the group in prayer. During the business session officers for the coming year were elected as follows: Mrs. W. M. Crain, president; Mrs. A. J. Garland, vice-president; Mrs. W. C. Thornberry, recording secretary; Mrs. C. E. Bairfield, treasurer; Mrs. J. R. Brandon, corresponding secretary; Mrs. Loyd Johnson, parliamentarian; and Mrs. Homer Bones, Federation Counselor.

The program for the afternoon was presented by Mrs. W. N. Poole who reviewed the short story on the life of Helena Rubenstein.

Present were Mesdames C. E. Bairfield, E. S. Ballew, C. B. Hudson, W. N. Poole, C. B. Morris, W. C. Thornberry, Bill Williams, Nelson Seago, Frank White, Jr., Loyd Johnson, L. N. Cox, one guest, Mrs. Joe Dilli, and the hostesses, Mrs. J. R. Brandon and Mrs. Billy Christal. Rep.

CHAMBERLAIN COMMUNITY CENTER NEWS

If you missed our party Saturday night and the program brought by Mrs. Roy Blackman and Mrs. Mark Allen, hostess, then you missed the beautiful music played on the piano by Mrs. John Bass and Mrs. Van Kennedy. Mrs. Roy Blackman was mistress of ceremonies. She announced the songs we all knew and loved and Mrs. John Bass and Mrs. Van Kennedy played them so beautifully on the piano.

Then for more fun and comedy you should have heard Mrs. J. D. Jones & Son, Mike, give their readings. Little Mike's reading about his "stomach ache" and Mrs. Jones "bath in the old wooden tub." Then Mary Mann's reading letting us all know, "she ain't dead yet." Then to top the whole evening, you should have heard Mrs. Joe Ritter, as she told us all about Joe taking her to the ball game to see the White Sox play. If you missed this then you missed the most enjoyable night at the Community Center. The evening was finished up gathering about the piano and singing old songs and hymns with Mrs. Van Kennedy at the piano.

Don't miss our Thanksgiving supper Nov. 17 at 7:00 o'clock. We will have music played by the Hill-Billy band of Pampa. So all members be sure and bring full baskets of food. Mrs. Donald Ballew, Mrs. A. C. Carter, Mrs. Dick Dangler, Mrs. A. B. Ivey will be hostess. Rep.

Mr. and Mrs. Joe Dilli and children of Farmington, N. Mex. are visiting her parents, Mr. and Mrs. L. N. Cox. Rep.

Les Beaux Arts Club Guest Day Speaker Presented Friday

Les Beaux Arts Club presented Professor Robert Lockard of Lubbock as guest day speaker at their meeting Friday afternoon, November 3, at Patching Club House. Professor Lockard, teacher of Architecture at Texas Tech, was introduced by James D. Howze of the Art Department of Texas Tech and son of Mr. and Mrs. J. H. Howze of Clarendon.

Subject for the afternoon program was "Appreciation of Art." Professor Lockard spoke on this subject and also showed a film which is being used as an aid in teaching water color painting. On display were twenty-one of his pictures painted at various times and depicting scenes in Colorado and New Mexico as well as in Texas.

Mesdames C. T. McMurtry, C. G. Stricklin, Hall Hardin, Gene Alderson, and W. J. Lewis, Jr. were in charge of the social hour.

Approximately eighty Clarendon women had the pleasure of hearing Professor Lockard speak and paint a picture during the afternoon. Rep.

MIDWAY CLUB ENTERTAINED WITH 42 PARTY NOV. 4

Mr. and Mrs. Earl Myers, Mr. and Mrs. Albert Sanders and Mrs. Maude Palmer entertained the Midway Club and guests with a 42 party at Lelia Lake Community Center Nov. 4.

Those present to enjoy the evening were guests, Mr. and Mrs. Luther Butler, Mrs. Pauline Roberts, Jimmy, Terry, and Glen Myers, Larry and Wayne Ayers.

Club members present were, Mr. and Mrs. C. C. Ayers, Mr. and Mrs. E. V. Quattlebaum, Mr. and Mrs. Quin Aten, Mr. and Mrs. W. C. Scott, Mr. and Mrs. Edwin Eanes, Mr. and Mrs. Pete Riley, Mr. and Mrs. Edward Dishman, Mr. and Mrs. Glen Williams. Lovely refreshments were enjoyed by all. Rep.

Cub Scout News

The Clarendon Cub Scout display won first place in the Cub division at the 1961 Comanche District Scout Exposition in Wellington. Held in the National Guard Armory, Explorer, Boy and Cub Scouts from the entire district participated.

The Clarendon booth displayed Indian craft made by the boys. Totem-poles, headdresses, tomahawks, necklaces, jackets, and bell bracelets were worn or shown by the Cub Scouts who attended from Clarendon. The boys sat by the campfire and beat the tom-toms or strung colored bean bracelets.

to give to on-lookers. Our booth caused much interest and evoked favorable comment. The boys enjoyed immensely their trip and worked with such enthusiasm they were a credit to our pack.

There will be an "Open House" for boys who wish to become Cubs and their parents on Tuesday night, Nov. 14, at the First Christian Church. A boy must be accompanied by at least one parent. The meeting will begin at 7:00 p.m. and will be conducted by Hollis Oxford of Pampa. A film strip from the National Scout Council will be shown. This meeting is for all boys over 8 not registered as Cubs.

In conjunction with the Open House there will be a Pack Committee meeting for all Cub dads. The Pack Charter must be completed and sent in.

INCREASE IN CRIMES AGAINST BANKS STUDIED

A record 895 crimes against banks and banking-type institutions in the fiscal year 1961 has prompted FBI Director John Edgar Hoover to schedule special nationwide law enforcement conferences to cope with this threat. More than 25,000 prosecutors, law enforcement officers and representatives of banks and banking-type institutions are expected to attend these conferences which will continue through the end of the year.

Mr. Curtis O. Lynam, Special Agent in charge of the Dallas Office of the FBI, stated that crimes of robbery, burglary and larceny against banks and banking-type institutions throughout the country increased by 142 in the fiscal year 1961 over the fiscal year 1960. Mr. Lynam explained that the FBI's increased jurisdiction to include Federal credit unions, of which there are approximately 10,000, has been one of the factors contributing to the larger total of violations investigated by the FBI.

Bill Gerner, Alma and Roger of Borger visited Mrs. E. H. Gerner Thursday night.

The Right Rev. G. H. Quarterman
More than 3,000 Episcopalians from Northwest Texas will gather in Lubbock on December 3rd for a Service of Witness at the Lubbock Municipal Auditorium.

The 11 a.m. service, which will be a celebration of the Holy Communion, will mark the 15th anniversary of the consecration of The Bishop of Northwest Texas, The Right Reverend George H. Quarterman. Bishop Quarterman will be the Celebrant at the service.

The Right Reverend Gordon V. Smith, Bishop of Iowa, and seminary classmate of Bishop Quarterman, will be the preacher at the service. The Right Reverend C. Avery Mason, Bishop of Dallas, will read the Gospel, and The Right Reverend Chilton Powell, Bishop of Oklahoma, will read the epistle.

The Rev. Charles C. Carman (vicar) of St. John the Baptist Church reports that 40 people from Clarendon plan to attend the service.

LEADER CLASSIFIED ADS GET RESULTS

Aware of the fact that more money soon may be available for trunk-highway construction, 15 delegations of civic leaders descended on Austin.

They asked the Texas Highway Commission for a record number of dollars for highway work. Specifically, \$171,056,000.

Houston and Harris County, presenting a plan of freeway development designed to carry Houston's traffic in 1980, asked for approval of an \$89,400,000 program. That was the big one. But all of the 14 other projects were equally as pressing to the home-folks, even though less money was involved.

State Highway Engineer D. C. Greer feels that 22,000 of the 25,000 miles in the trunk-highway system are inadequate. He says that less attention has been paid to these "town-to-city" roads during the years in which urban freeways and farm-to-market roads have taken top priority.

Gov. Price Daniel brought the issue of highway financing to a head when he vetoed the \$15,000,000 Colson-Briscoe farm-to-market road appropriation. Legislators had appropriated it for the year starting next September 1.

Governor Daniel will ask the Legislature, at its special session this winter, to cut down on farm-to-market road construction and step up the money available for trunk-highway work.

Texas County Judges and Commissioners Association has endorsed the change. Governor Daniel will go in person to the Texas Farm Bureau convention in Galveston November 12-15 to try to get that powerful rural group to accept the plan.

Business Coming Back

A steady growth in Texas retail trade in 1961 is reported by the Bureau of Business Research of the University of Texas.

Despite a Gulf Coast slowdown in September, due to Hurricane Carla, retail sales for the first nine months of 1961 pulled to within one per cent of the sales for the same period of 1960. First six months of 1961 were three per cent behind 1960.

September sales were off, largely because people bought heavily in August to avoid the sales tax. But the nine-month figures indicate to the Bureau's economists that things are looking better.

A big gain in construction in 1961 has helped the business picture. Not even Carla's September blow could head off a new nine-month record in the construction field in Texas. The UT Bureau found \$1,047,625,000 in construction authorized the first nine months of 1961, five per cent above 1960's first three quarters.

Recovery of the home building business was the major factor. Third quarter saw \$169,127,000 worth of one-family homes authorized. This was 23 per cent above the same quarter of 1960. Apartment construction is nearly double the rate of the previous year.

More Taxes?

James W. McGrew, research director of the Texas Research League, told the group's annual meeting that additional state spending of about \$50,000,000 a year is in sight for the two years starting September 1, 1963.

New sales tax will provide part of the added money, McGrew predicted. Other taxes will just about produce the extra money. But it will require some economizing to make ends meet in the 1963 session of the Legislature, in spite of the huge new tax.

Growth of Texas is the reason for the added spending. Growth means more children, more schools, more patients in mental hospitals, more college students, more cars and more highways to hold them.

More people mean more government spending to serve them.

Railroad Commissioner Ben Ramsey, main speaker at the League's luncheon, said Texans should be commended for their willingness to accept the added tax burdens needed to finance education and other essential services.

Ramsey provided some startling figures. While he was lieutenant governor, presiding over the Texas Senate, state spending increased nearly two and a half times, from \$520,000,000 to \$1,200,000,000 a year from 1950 to 1961.

In defense of the Legislature, he said it wasn't "free spending." Spending was necessary for essential programs like education, highways, welfare, hospitals and the like, Ramsey explained.

Rep. Jesse M. Osborn of Muleshoe has some tax cutting in mind. In a letter to Governor Daniel he proposed that the Senate ad valorem tax be abolished, and the sales tax revenue be used to make up the gap.

So far, sales tax revenues have only begun to trickle into the State Treasury. So the state's main checking account is still \$86,850,569 in the red. If good business conditions continue and income is up, it will still be more than a year before the deficit is erased.

Cattle Rules

New rules invoked by the Texas Animal Health Commission are designed to protect areas where brucellosis control programs are under way.

Under the new brucellosis control law, 78 counties, mainly in West and South Texas, have set up programs for testing herds. Purpose is to see if they have brucellosis, and to dispose of cows having the disease.

So the commission has notified truckers, livestock auctions and commission merchants that movements of cows into the certified control areas is restricted. They must have been tested and shown free of brucellosis before they can be moved from an uncertified county.

Then the new owner must keep them quarantined. He must have them retested in 30 to 60 days before he can put them with his herd.

Restrictions do not apply to steers, spayed heifers, calves under eight months of age, and calves under 30 months which have been officially vaccinated against brucellosis.

Texas Monument

A delegation of Texans headed by Governor Daniel will journey to Vicksburg, Mississippi, on November 4, to dedicate a \$100,000 monument to 35 Texans who played heroic roles in the defense of

Vicksburg.

Ceremony will be a part of the Texas Civil War Centennial observance.

Monument was authorized by the voters of Texas in the 1953 constitutional amendment which switched revenue from the Confederate pension tax to a state building program.

Movement to build such a monument was started by Confederate veterans and was carried on for more than 50 years by the United Daughters of the Confederacy.

TB Campaign

Story of how one county has just about whipped tuberculosis was told at the Texas Tuberculosis Association meeting.

Bell County set up a chest clinic in 1954. Persons who had contacts with known TB patients were asked to come in for free check-ups. But if they did not come, warrants were issued to bring them in.

After 3,162 clinic visits, the program has located 84 new cases of TB over the years. But it has worked so well at checking spread of the disease that last year only one case was found when tuberculin tests were given extensively.

Dr. Howard Smith, head of the TB division of the State Health Department, said it took a lot of hard work by Bell County people, but it has paid off.

Loan Study

A committee of the Texas Legislative Council went to work with its staff to bring a study on loans and lenders up to date.

Acting Lieut. Gov. Bruce Reagan named Rep. Criss Cole of Houston to head the committee. He was author of the constitutional amendment which gave the Legislature power to allow interest rates to exceed 10 per cent.

Other members of the study committee are Sen. Nevenille Colson of Navasota, Sen. Preston Smith of Lubbock, Rep. Joe Cannon of Mexia and Rep. Murray Watson of Mart.

Governor Daniel asked for the study updating so he can have it ready as the number one topic when he calls the Legislature into special session.

Those visiting Mr. and Mrs. C. F. Moss and Shirley Saturday were Mr. and Mrs. J. W. Allen and Bill of League City, Mr. and Mrs. Paul King and Susan of Limon, Colo., Mrs. G. T. Moore of Amarillo, Mr. and Mrs. Bob Moss and boys of Borger, Mr. and Mrs. Harold Gerner and boys and Ann Martin.

"Never before in our history as in recent years have the American people so complacently accepted handouts and returned to ask for more and more of the same. We wonder what has happened to the American spirit when our forefathers did not receive tax aid from the Federal government when they built this country — its roads, schools, homes, hospitals, etc. They used their own savings and they used the taxes collected at the local level.

"This country has been greatly blessed and we have been recipients of the greatest gift of all times—freedom. But at the present rate, it's slowly ebbing away

We wish to thank all those who helped and extended kindness in so many ways when our home was destroyed by fire. We want you to know we are indeed grateful for everything.

Mr. and Mrs. H. T. Mix and family.

We wish to express our deep appreciation for the many acts of kindness extended to Ray and his family, not only during the last few days but through the long years of his illness.

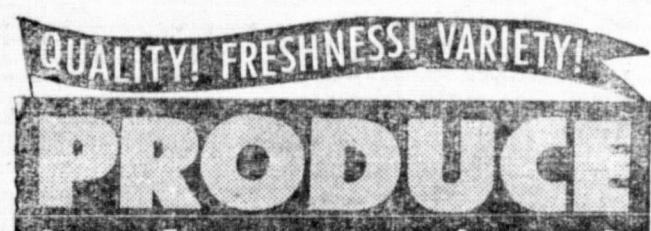

Mrs. Ray Moore and children

THE KINDNESS AND SYMPATHY of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all those comforting acts.

Bronchos End Season With 26-6 Loss To Powerful McLean Tigers

The McLean Tigers posted a 26 to 6 win over the out-manned Clarendon Bronchos here last Friday night in the season ending game for the Bronchos. The loss made Clarendon's season record stand at 5-5, while the win brought McLean's record to 8-1 and set the stage for a district showdown this week at McLean where the Tigers will meet the Lefors Pirates who are also undefeated in district play.

The McLean attack last Friday night against the Bronchos was

led by Dickie Crockett, Ken Willingham and Jim Watson. They scored in the first quarter on a 21-yard run by Crockett and an extra point conversion by Willingham. However, the Bronchos came back and made a game out of it for awhile by scoring their only tally just before the end of the first half. Halfback John Cearley climaxed a 63-yard drive by going over from six yards out. The conversion failed and the Tigers were leading by a mere 7-6 score. The Tigers, however, quickly dampened the Bronchos' hopes by storming back and scoring on a 31-yard pass and run play from Willingham to Watson to go ahead 13 to 6 at halftime.

The second half was all McLean so far as the scoring was concerned. Watson scored on a 16-yard run in the third quarter and Willingham scored on a 30 yard run in the fourth quarter.

The Bronchos fought every inch of the way and looked good in spots against the superior speed and weight of the Tigers. Bill and Frank Hermesmeier, Leon Gibbs, Charles Stout, Steve Richerson, Jim Robinson and several others looked good on defense while the offense was paced by Dwight McAnear, Jerry Elmore and Cearley.

McLean held the edge in the statistics. They gained 234 yards rushing to Clarendon's 142, however the Bronchos made 92 yards as compared to McLean's 56 through the air. The Bronchos completed five of 17 passing attempts while the Tigers could complete only two of six attempts. The Tigers made 15 first downs to 13 for the Bronchos. The Bronchos ended the season about as even as possible. They won five and lost five and scored 120 points as compared to 121 for their opponents in the ten game season.

LEADER CLASSIFIEDS GET RESULTS

FARM NEWS

from County ASCS Committee

1962 WHEAT PROGRAM

You must sign up to receive price support on your 1962 wheat. The mandatory 10 per cent reduction in your 1962 wheat allotment does not automatically qualify you for price support and payment. You must sign your intention to participate before December 1, 1961. Call by the ASCS office for details.

15 ACRES OF WHEAT WITHOUT ALLOTMENT

Please do not seed wheat without an allotment or marketing quota exemption. The 15 acre exemption has been eliminated by an act of Congress. If in doubt about your permitted acreage, check with the office.

1962 BARLEY PROGRAM

Barley is a controlled crop for 1962. Only producers who harvested barley in 1959 or 1960 will be permitted to participate in the 1962 barley program. If you are a barley producer, you should sign your intention to participate and be eligible for payment and price support for 1962.

1962 COTTON QUOTA VOTE ON DEC. 12

Dec. 12 is the date set for the referendum on marketing quotas for the 1962 cotton crop, the Donley ASCS Committee reminds cotton growers. At least two-thirds of the upland cotton farmers voting must approve the quotas if they are to be effective.

If marketing quotas are approved in the referendum, price support will be available to growers who comply with their 1962 upland cotton farm allotments at a level within the range provided by law — between 65 and 90 per cent of par-

ity. If quotas are not approved for the 1962 upland cotton crop, the allotment program will remain in effect, and price support will be available to cooperators at 50 per cent of parity, as provided by law.

Under a quota program, growers who exceed their 1962 farm acreage allotments would be subject to penalties of 50 per cent of the cotton parity price as of June 15, 1962, on the farm's excess production of the crop. In addition, none of the upland cotton produced on the farm would be eligible for price support.

FARMING OPERATIONS

If you have rented, leased or sold a farm recently, please notify this office so that we can make the necessary corrections on our farm record cards.

NEWS FOR WHEAT PRODUCERS

Did you know that beginning in 1962 wheat placed in the Government Loan Program will be tested for gultin content by using the sedimentation test? Those varieties of wheat with excellent to good baking qualities will receive an additional premium ranging from \$0.09 to \$0.25 per bushel. The program for 1962 has been revised whereby the premium will be based on gultin content rather than protein content.

NOVEMBER 11, VETERANS DAY

Donley County ASCS office will be closed November 10 in observance of Veterans Day.

COLLEGE DEAN GETS COMMITTEE APPOINTMENT

Dean Oliver J. Abel of Clarendon Junior College has recently been appointed to serve as chairman of the Professional Development Committee of the Texas Junior College Teachers Association. Mr. Abel has served as a member of this committee for the past two years.

One of the duties of this committee is to set up rules and regulations governing the selection of the outstanding male and female junior college teacher in the state. Tentative regulations for the selection of these teachers have been set up as follows:

1. Each college faculty will nominate a female teacher and a male teacher.
2. Biographical data relative to selections will be sent to the chairman of the Professional Development Committee not later than Jan. 6th of each year.
3. The President of TJCTA will appoint a committee of three educators not connected with junior college work to judge the nominees and make the selections.
4. The selection will be announced at the annual banquet by the chairman of the Professional Development Committee.

AIR FORCE RECRUITER FROM ELK CITY, OKLA. ASSIGNED DONLEY COUNTY AREA

T/Sgt. Charles J. Meadows, Air Force Recruiting Representative from Elk City, Oklahoma announced today that he has taken over the Donley County area from the Air Force Recruiting office in Amarillo. For the information of all concerned, Sgt. Meadows will be in Clarendon at 1:30 p.m. on the fourth Wednesday of each month. He can be contacted at the Post Office on that date or by writing to Box 68, Elk City or by calling collect, telephone number 2666 in Elk City on Monday or Thursday.

TEXAS TAXPAYERS GET AID FROM IRS

Texas taxpayers will get a break in claiming Texas sales tax payments on their federal income tax returns for 1961. This was announced today by B. Frank White, Internal Revenue Service Regional Commissioner for Texas and four other southwestern states.

The IRS has devised a Texas Sales Tax Table to help the Texas taxpayer calculate his state sales tax deduction at a glance and without troublesome record keeping.

According to Mr. White, Texas taxpayers who itemize their deductions on Form 1040 will not have to keep their state sales tax records, providing their Texas sales tax deductions do not exceed those on the Tax Table.

"Texas taxpayers making state sales tax payments in excess of the amounts shown on the Table may take deductions which they are lawfully entitled," Mr. White said.

However, these taxpayers must keep sales tax records and be able to prove their deductions in the same way as they would be required to verify any other deductions on their federal tax return.

"Taxpayers using the standard 10 percent deductions would not be entitled to deduct the Texas Sales Tax payment," Mr. White

said. The Tax Table gives average amounts spent by Texas residents for sales taxes and is arranged according to various adjusted gross income brackets. Since the Texas Sales Tax Law did not go into effect until September 1 of this year, the IRS Tax Table covers the period between September 1 and December 31, 1961. A new table will be published for 1962.

Mr. White explained that estimates of average Texas general sales tax payments are based on two kinds of information — state sales tax laws and a statistical analysis of consumer spending. When new spending patterns are established, or substantial changes are made in the Texas Sales Tax Law, the Table will be revised.

The Table does not include such deductible items as the Texas state tax on gasoline, which is five cents a gallon, or the state tax on cigarettes, eight cents a pack, which was effective August 28, 1961.

Mr. White said that the time saving Sales Tax Table will be off the presses and available for general distribution at IRS district offices in Austin and Dallas by December 6.

Cork comes from the outer bark of a species of oak found in the Mediterranean area.
