1878 A COUNTY - WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY 1958
New Series—Volume 29 Number 44 CLARENDON, DONLEY COUNTY, TEXAS, DECEMBER 4, 1958 A Common Paper for Common People

FIFTH BEEF WEEK IN TEXAS—Governor Price Daniel, himself a rancher, proclaimed December 1-7 as Beef Week in Texas at his ranch in Liberty, Texas. Receiving the salute for the cattle industry which "has built for Texas an international fame as the world's foremost beef producing area" is Leo J. Welder, president of the Texas Beef Council, sponsor of the annual event.

4-H and F.F.A. Youths Advertise Donley County At Stock Shows

Clarendon and Donley County will receive some of its best publicity for the entire year of 1959 in the spring stock shows throughout the southwest. Last year the members of the Donley County 4-H Club under the direction of County Agent H. M. Breedlove, the Hedley F.F.A. under the direction of Vocational Ag Instructor Doyle Messer, the Lelia Lake F.F.A. under the direction of Vo-Ag Instructor Bobby Lee, and the Clarendon F.F.A. under the direction of Vo-Ag Instructor J. R. Gillham made the most outstanding record of any county group of youths in the entire state.

Grand and reserve champion pigs and calves were shown at the Texas State Fair, Odessa's Livestock Show, Amarillo's Tri-State Fair and Fat Stock Show, Fort Worth Stock Show, El Paso's Fat Stock Show, and the Houston Fat Stock Show.

This year Frank Claborn has succeeded Bobby Lee as Vo-Ag Instructor at Lelia Lake, and Jerry Hawkins has joined the Clarendon Schools as a second Vocational-Agriculture instructor. These two youth leaders along with Breedlove, Messer, and Gillham have been working to uphold the record made by the county youths in past years. The largest stock show in the history of the county will be held this spring, and indications are that more outstanding calves and pigs will be exhibited at Clarendon from over the entire county than at any time in the past.

Clarendon Vo-Ag Instructors J. R. Gillham and Jerry Hawkins and members of the Clarendon F.F.A. Chapter are in charge of soliciting funds from merchants and individuals over the entire county to provide a premium list for the show and will sincerely appreciate any help given them in providing funds to encourage the young feeders in the county.

PROCLAMATION

HISTORICALLY, the cattle industry in Texas is older than Texas itself. In its unrecorded beginnings, the industry was born in the vast unbroken miles of one of the world's finest natural pastures.

ECONOMICALLY, the cattle industry has been a pace-setter for Texas, and continues to be a leading growth factor in the State's economy, constantly seeking new techniques for building an even more rewarding future for all our citizens.

THEREFORE, I, as Mayor of Clarendon, do hereby designate the week of December 1-7, 1958 as

BEEF WEEK IN TEXAS

and urge appreciation and recognition from our citizens for the many continuing contributions of this great industry.

In official recognition whereof, I hereby affix my signature this 29 day of November, 1958.

H. T. BURTON, Mayor.

Bulldogs Meet Dodge City Here Saturday Night

The Dodge City, Kansas, Junior College Basketball Team will invade Clarendon for a game Saturday night beginning at 7:30. The Bulldogs are extending their rivalry with the Kansas team as they have already met the strong Arkansas City team and have games scheduled with Pratt, Hutchinson and Garden City in addition to a regular game with Dodge City.

The Kansas junior college strongest junior college teams in the nation. The National Tournament is held annually at Hutchinson. Last year, the Bulldogs split with Dodge City; defeating them 72 to 70 here and dropping a 71 to 69 overtime game in Dodge City.

Notice To All Leader Subscribers

Our prospective linotype operator decided not to come last week so we are still looking for another man to fill the job. In the meantime we are working short-handed and burning the midnight oil in an effort to get the Leader out on time.

For the next few weeks there will be a possibility that we will not be able to get it out on time so we are asking you to bear with us, should this happen, until we get a permanent linotype operator and have everything running kinda like it used to be.

Ed Coulson, a retired linotype operator of Plainview, has been helping us out again this week for which we are very grateful.

We will certainly appreciate all the early news and advertising copy you can turn in. Any copy that can be turned in Thursday, Friday, Saturday or Monday will help us a lot.

BENNY EDENS REPORTED IMPROVING AGAIN

Benny Edens, a victim of severe burns Oct. 16th near Spearman, is reported improving at this time after undergoing major surgery at Northwest Texas Hospital in Amarillo last Wednesday.

He has expressed his appreciation for the blood donors and the many other kindnesses that have been extended his way. If you wish to drop him a line, he is in room 312.

PUPILS TO PRESENT RECITAL

Pupils of Miss Mantie Graves will be presented in a recital, Friday evening, December 5, at 7:30 p. m. at the First Methodist Church in Clarendon. The public is invited to attend.

High School Honor Roll Announced For Second Six Weeks Period

High School Principal Kenneth Vaughan has announced the high school honor roll for the second six week's period. A total of 35 students gained the coveted honor during this period which is the largest number to make the honor roll in the past five years. To be selected in this group, a student must have an overall scholastic average of 90 with no grade lower than 80. The 35 students include seven seniors, five juniors, 13 sophomores and 10 freshmen.

The complete list of honor roll students are: seniors, Elaine Behrens, Paula Johnson, Barbara Koontz, Bobby Longan, Pat Spurgeon, Carl Talley and Carole Wood. Juniors are Dennis Bradshaw, Oveta Garman, Connie McMurry, Sandra Pinkerton and Shraon Smith. Sophomores are Philip Abel, Freddy Cooper, Barbara Gambill, Wilma Mann, Sherry Montgomery, Johnny Rattan, Martha Jo Risley, Wanda Ryan, Norma Self, Howard Talley, Judy Thompson, Ronnie Tyra and Frances Wallace. Freshmen are Paula Adams, Judy Benson, Fredda Bourland, Clayton Ferris, Bobby Hutton, Sammy Jacobs, Marcia McMurry, Audra Pinkerton, Herman Vincent and Charlene White.

Philip Abel, son of Mr. and Mrs. Oliver Abel, was the top student during this six week's period with an average of 97.75. Philip is taking five subjects including Algebra II, English II, Spanish II, biology and plain geometry. Seven other students had a 95 or above average. They are Martha Jo Risley, 96.5; Judy Benson, 95.8; Oveta Garman, 95.8; Bobby Longan, 95.3; Sharon Smith, 95.25; Howard Talley, 95.2 and Carole Wood, 95.0.

Comets Play Decatur Baptist Here Tonight

The Clarendon Junior College Comets will play the Decatur Baptist College girls at the local gymnasium tonight beginning at eight o'clock. This will be the fourth game of the young season for the Comets as they have opened their season with three straight games against the Wayland Flying Queens.

This is the first year Decatur has had a girls basketball team, so nothing is known of their straight. However, the Decatur boys are annually one of the strongest junior college teams in the state and it is expected that the girls will also be strong. The Comets will return the game to Decatur next Monday night, Dec. 8.

Deyhle To Speak To Livestock Owners

This Thursday night, December 4, there will be a Leptospirosis meeting at the court house in Clarendon at 7:30 p. m. says county agent H. M. Breedlove.

Leptospirosis in livestock has caused a great deal of alarm for livestock owners in this area and in many cases has caused cows to lose calves well ahead of calving time.

Breedlove says that Dr. C. E. Deyhle will discuss the disease from all angles and also discuss vaccination for prevention of the disease. Breedlove is urging all livestock owners to attend this meeting.

Sweet Potato Growers To Meet Friday Night

There will be a meeting of all sweet potato growers and also prospective growers for next year at the county agent's office in Clarendon on Friday night, December 5 at 7:30 p. m. Breedlove says that Mr. Jimmie Rosborough of the Texas A&M College Experiment Service will be on hand to discuss sweet potatoes from all angles and all persons are urged to attend who grow sweet potatoes this year or are interested in going into sweet potato growing for next year.

The average production this year after hail and wash outs was around one hundred bushels per acre. Remember the date, Friday night, December 5 at 7:30 p. m. at the county agent's office.

High School Teams Meet Darrouzzette Friday Night

The local high school boys and girls basketball teams will entertain the Darrouzzette Longhorns in a double-header basketball card here Friday night. This will be the first time for these two teams to meet and little is known of the strength of the Darrouzzette teams, however they are usually strong contenders for the District 1-B crown.

The Darrouzzette teams are coached by Bobby Schneider, who attended school and played basketball and baseball for Clarendon Junior College during the 1955-56 school year.

Coach Young of the local teams has indicated that he will probably start Joan Bennett, Paula Adams, Ann Slavin, Pat Spurgeon, Beth Lamberth and Pat Owens in the girl's game and go along with Keith Schollenbarger Melvin Housden, John Morrow Jimmy Johnson and W. N. Elam in the boy's game.

Conservation Program To Be Discussed With Farmers and Ranchers

The Great Plains conservation program is a program designed to give farmers and ranchers a chance for complete farm and ranch conservation with the government assisting by paying about eighty percent of the cost of the program. County agent H. M. Breedlove says that there will be a meeting on this program at the court house in Clarendon on the night of December 18 at 7:30 p. m. Mr. Lynn Pittard of the Texas A&M College Extension Service will explain the program to all present.

The great plains program does not in any way take the place of any other conservation program but does give the farmer and rancher a complete conservation plan and program for the farm or ranch. The soil conservation service and the Soil Conservation District of Donley County will handle the program and the over all plan for the farm or ranch is worked out with the farmer or rancher by Mr. Bill Swindle, local work unit conservationist for Donley County.

A complete coverage of the program will be discussed at this meeting and Breedlove is urging all people interested in farming or ranching to attend this meeting.

Colts and Fillies To Play Here Tonight

The Junior High Colts and Fillies will host the Wellington Junior High School teams here tonight, Thursday, December 4. Game time has been set for 6 p. m.

This will be the second game for the Junior High team this season.

Probable starters for the girls will be Sharon Williams, Brenda McAnear, and Janie Ivey at forward; with Jan Weatherly, Connie Martin, and Sue Phelan or Linda Taylor at the guard position. Other girls that are sure to see action are Schellon Barker and Deanna McAnear while Judy Pittman, Lucille Cooper, and Marie Blackburn are close runners for a position.

For the Colts, the probable starting lineup is Gerald Johnson, Dwight McAnear, John Cearley, Jerry Elmore, and either David Hudgins or Troy Petty, David Moore, Gary Gambill, Danny Ray, and James Moffett along with Charlie Slavin are giving the starters stiff competition for a position on the team.

If possible, come and lend these teams your support.

Scouts Spend Holidays In New Mexico

The Scouts from Troop 37 spent their Thanksgiving holidays having a good time in the snow near Eagle Nest, New Mexico. Ten boys and two leaders left early Thursday morning packed along with their bedding and extra clothing in one station wagon. After a somewhat noisy trip—as Mr. Neece can testify—and a leak in the gas tank, the group arrived at a cabin near Eagle Nest. That afternoon and Friday and Saturday were spent coasting on a toboggan and two sleds. In addition some of the boys visited Taos Friday afternoon and all went to Red River Saturday afternoon. However, the snow was the main attraction of the trip.

Boys earning the privilege to make the trip by having the best attendance at meetings and making the most advancement in Scout Rank were: Larry Neece, Steve Shelton, Ronnie and Freddie McAnear, Timmy Ray, Kenneth Price, Royce Hawthorne, Steve Richardson, Jimmy Bradlock, and Bernie Green. Lawrence Neece and Jay Gould went along as leaders.

Red Pencil Mark Time Again

The first of another month has rolled by and time to use the red pencil check mark again to remind subscribers that their subscription to the Leader has expired or will run out this month.

Please let us have your renewal promptly as we have no desire to remove your name from the list if you wish to continue receiving the Leader. The subscription rate here in the county is \$3 per year and outside of the county is \$3.50 per year.

Remember too, a subscription to the Leader makes a wonderful Christmas Gift. It is something the receiver can enjoy every week for 52 weeks.

JUNIOR CLASS TO RAKE LEAVES

The Junior Class will rake leaves Saturday morning, December 6, beginning at 8:00 o'clock. If you would like to have your yard raked, contact Sandra Pinkerton, Dennis Bradshaw or Larry Hopkins before Saturday.

The class will work in groups of four and will charge \$1.00 per hour for the group. Also, \$1.00 is the minimum charge for a yard in case it takes the group less than an hour to do the job.

Money received will go into the junior class fund to help sponsor the annual Junior-Senior Banquet.

CATHOLICS TO OBSERVE HOLY MASS DEC. 8

This coming Monday, December 8 is the Immaculate Conception of Mary throughout the world for Catholics. It is one of six days besides Sundays that Catholics attend Holy Mass. Holy Mass will be celebrated at Saint Mary's Chapel-Shrine, the Catholic Church here in Clarendon at 6:30 in the evening. The general public is welcome.

HOSPITAL NOTES

Patients as of Wed., Dec. 3rd: Mrs. T. W. Heatherly, Marjorie Harlan, and Mrs. Don Pierce.

Dismissals: Terry Ashcraft, Mrs. Joe Goldston, Marie Mills, Curtis Wayne Cates, Mrs. W. R. Cates, Mrs. James L. Lyman, Brenda Putman, Mrs. Dick Shelton, Mrs. Nita Tyler, Rev. Donald Wood and Mrs. Frances Wood.

Mr. and Mrs. Jerry LaGrone and family of Canyon visited relatives here Sunday.

The annual Christmas program, featured each year during the holiday season by the Public School Music Department under the direction of Mrs. J. N. Weaver, will be presented at the College Gymnasium Tuesday evening, December 9, at 7:30 p. m.

Titled "O Come Let Us Adore Him" the program will consist of Christmas carols, solos by Mel Ryan, Pam Hicks and Beth Bourland, and will depict the Christmas story with Scripture and the Nativity scene. Mrs. W. M. Crain of Goodnight will be narrator. Children in the Third, fourth, and fifth grades of the Elizabeth Stevens School, and the College trio will take part on the program.

The public is extended a cordial invitation to attend. There will be no admission charge. The time is 7:30 p. m., Tuesday, December 9.

Clarendon College Reunion Scheduled For Saturday

A reunion of former teachers and students of Clarendon College is scheduled for Saturday, December 6 with registration and a coffee at the Clarendon Press from 3 p. m. to 5 p. m. Immediately following registration there will be a buffet dinner at the American Legion Hall at 7:30.

A quotation from one of Dr. Slover's Campaign speeches in 1911, to raise money for a brick dormitory for girls is applicable to the plans made for the reunion, "I desire to call attention of the people of Clarendon to a few important facts. Plans have been matured for a . . . (reunion) that promises to be the largest and best ever held in the Panhandle. The leading . . . men of the Panhandle, with some local assistance, have been secured to conduct it."

All ex-students of Clarendon College are invited to come and renew old acquaintances.

Xmas Gifts For Christ To Be Emphasized By First Baptist

This Lord's Day the First Baptist Church will take its annual offering called the "Lottie Moon Christmas Offering." This special once a year effort for missions has an appeal for all. This year the anticipated goal for the entire Southern Baptist Convention is \$6,000,000. This is an eleven percent increase over last year. The local church's goal is \$1,831.50 which represents an eleven percent increase over that of last year.

These gifts are brought to the Lord to be used in winning souls in all lands where Southern Baptists have mission workers. They are brought by young and old. They are brought in both small and large amounts. Everyone seems anxious to have a part in this great effort.

Many people have the custom of giving as much to Christ through this program as they spend on gifts for their family. Bro. Van also states that this coming Lord's Day should be planned by all members of the church as a high attendance day in order that the member gifts can come in at one time. But if that is impossible, gifts may be turned in any time this month.

BAKE SALE SET FOR SATURDAY

The W. S. C. S. of the Lelia Lake Methodist Church will sponsor a bake sale, Saturday, December 6, at Junior's Food Store. All of the usual fine cakes, pastries, and cookies will be on sale by 10 a. m.

Everyone is invited to stop by and shop with these ladies.

LELIA LAKE SCHOOL NEWS

With six-weeks' tests over, students and teachers are on the back stretch for the first semester.

Basketball is claiming a share of attention, with junior high games involving Wellington and Hedley and the senior high groups playing Clarendon and Lakeview.

Attracting considerable attention recently were reports in American history class, taught by Billy White. Wayne Chienault made the outstanding oral report.

The Phonetic Word Builder has been added to the collection of learning aids available to the third and fourth grades. Mrs. J. H. Spires handled the room while Mrs. Butler was doing practice teaching in Clarendon.

Christmas is drawing us all on in anticipation.

The secret of happiness is not in doing what you like - - but in liking what you do.

IMPORTANT NOTICE TO ALL Cotton Growers

Regardless of how you have been informed... we are still in the Cotton Ginning business to give you the best of Service and the Best Grade from your cotton.

Prior to the ginning season, our equipment was put in tip-top shape by experienced mechanics in order that you... our farmer friends, might receive the best ginning job with your cotton... and up until the present time, there has been less than 30 percent spotted cotton ginned, and grades have been above average.

We have been in the ginning business for a long number of years and have always maintained a reputation of giving our customers the best for their money.

We know our manager, Mr. Vance Gray, who is amply qualified and experienced in the ginning business, will extend every effort to include you in our long list of satisfied customers.

We invite you to inspect our equipment any time at your convenience... and will appreciate the opportunity of serving you with your ginning needs.

HEDLEY EX-SENIOR BANQUET

The ex-seniors of Hedley High School met in the High School building for their annual Homecoming, Saturday night, November 19. One hundred and one attended.

The ex-seniors and their guests registered in the Library, where they were served coffee. Visiting was enjoyed from 6:30 to 8 p. m., banquet time.

The invocation was given by an ex-senior, Rev. Truman Caldwell of Thornton.

The meal was served buffet style in the school gym and the guests were seated at tables decorated in the autumn theme.

After the guests had enjoyed the delicious meal, cooked and served by the Room Mothers of the Junior Class, a very nice program was presented as follows: Welcome by Aubrey Lee Cherry; Response by Charles Rains of Amarillo. A musical interlude was presented by Letha Springer and ex-students. Mary Ruth White gave a reading. The address was given by an ex-student, Lt. Col. Rex S. Kendall, of Fort Hood. After singing the Alma Mater and prayer by L. E. Blankenship, the group adjourned for a business meeting.

All ex-students present signed a register to be sent to Mr. Snyder, a former superintendent of the school who is now a semi-invalid.

In the business meeting conducted by the president, Mrs. J. S. Hinds, the following were elected to serve as officers for the coming year: President, A. L. Cherry; Vice-President, Mrs. Letha Springer; Secretary-Treasurer, Mrs. Lou Dickson.

Of the number attending, approximately sixty were students who have gone from our town but who still enjoy coming home for

a reunion with old friends and making new ones. It is always good to have them back.—Rep.

GAMMA KAPPAS ENTERTAIN SCHOOL ADMINISTRATORS

The Clarendon Junior College and Public School Administrators were honored with a dinner Tuesday evening, at 7:30 p. m. in the Homemaking Department.

The Christmas motif was carried out in table decorations. Sprigs of evergreen centered the "U" shaped table, and were interspersed with colored ornaments and candles. A beautifully arranged centerpiece graced the head table. At each place there was a clever nut cup topped with a miniature tree; napkins decorated with Christmas jingles, and appointed menus and program cards completed the decor.

Mr. W. W. Pinkerton pronounced the invocation. Mrs. Velma Weaver, Chapter president, gave a short history of Delta Kappa Gamma. Members gave the seven purposes of the society. The program was concluded with the group singing Christmas carols led by Miss Inez Blankenship.

Administrators present were Mr. and Mrs. W. W. Pinkerton, Mr. and Mrs. Oliver Abel, Mr. and Mrs. Kenneth Vaughan, and Mr. and Mrs. Stina Cain. Other guests were Miss Mabel Mongole, Bill Todd, J. N. Weaver, and Otis Naylor.

Gamma Kappa member hostesses were Mesdames Velma Weaver, Claudine Todd, Hazel Brandon, Lucile Naylor, and Misses Gladys Burnham, Inez Blankenship, Ruth Richardson and Edgar Mae Mongole.

The dinner was prepared and served by the ladies of the Lelia Lake Methodist Church.—Rep.

1926 BOOK CLUB

The 1926 Book Club held their regular meeting Tuesday afternoon, December 2, at Patching Club House. Hostesses were Mrs. L. N. Cox and Mrs. Otis Naylor. Refreshments of coffee and cake were served to fifteen members.

The officers table was centered with a very lovely candle surrounded with fruit.

Meeting was called to order by the president, Mrs. J. R. Gillham and Mrs. C. E. Bairfield led the group in Club Collect. During the business session the name of Mrs. W. M. Crain was submitted and she was elected to membership. Mrs. Frank Phelan, Jr. read a letter from Rebecca King telling some of her impressions of life in Austria where she is studying. Mrs. Elba Ballew read an article, "World Peace," from the Magazine Club Women.

The program was presented by Mrs. C. B. Morris who in her charming manner gave an interesting and entertaining review of the book "My Sky Is Blue" by Loula Grace Erdman. The story was that of a teacher who went to New Mexico and told of her many experiences while there.

Following the review, meeting was adjourned.—Rep.

1919 STUDY CLUB

Mrs. Roy Jewell was hostess to the 1919 Study Club last week. Mrs. Hall was assisting hostess.

The Jewell home was tastefully decorated with fall arrangement of pyracantha, autumn leaves, and berries.

Mrs. Kinslow, leader for the afternoon, stressed the importance and privilege of the American way of life. Roll call was answered with "What we have to be thankful for." A beautiful devotional was given by Mrs. Kendle commenting on "What Price Thanksgiving." The group sang "Count Your Blessings" accompanied by Mrs. Simmons. Mrs. Hall told of a Thanksgiving to be remembered, and in conclusion, Mrs. Glass read a Thanksgiving poem.

A dainty salad plate with coffee carried out the theme of Thanksgiving and was served to one guest, Mrs. Taylor, and fourteen members.—Rep.

MOTHERS STUDY CLUB

Members of Mothers Study Club enjoyed a Thanksgiving dinner at Mrs. Bromley's dining room, the evening of November 25. We were served a delicious meal.

Following the meal, Mrs. Joe Ritter presented the program.

Attending were Mrs. Ritter and members Betty Baker, Jacquitta Owens, Charlotte Johnson, Bunny Owens, Maxine Robinson, Janie Hill, Bobbie Floyd, Melba Edwards, Pat Martin, Patsy Robertson, Joy Martin, Jeanie Johnson, Wanda Moore, Cherry Shadle, Barbara Pyeatt, Doris Salmon, Barbara Kidd, Genella Eads, Jo Ann Edens, and Clarice Choate.—Rep.

CHAMBERLAIN COMMUNITY CENTER

The harvest theme of "Thanksgiving" was carried out in decoration of the small tables at the Chamberlain Community Center, Friday night, November 28, when the annual Thanksgiving supper was held. Many neighbors and friends gathered and enjoyed a delicious supper and a short program.

To top off the evening, visiting and games of 42 were enjoyed. As everyone slowly departed they expressed the hope of being with us again next year for "giving thanks" in 1959.—Rep.

THANKSGIVING DINNER

Members of the family of Mrs. A. P. Todd enjoyed Thanksgiving dinner in the home of a son and family, Mr. and Mrs. T. C. Todd in Amarillo, Wednesday evening. Present were Dr. and Mrs. Byron Todd of El Monte, Calif., Mr. and Mrs. C. E. Todd of Plainview, Mr. and Mrs. Bill Todd and Mrs. A. P. Todd of Clarendon.

Unable to be present due to illness in the family were Mr. and Mrs. Dexter Todd and family of Clovis, N. Mex. and Rev. and Mrs. R. T. Dyess.

MIDWAY CLUB TO MEET

Midway Club will have their next meeting in the home of Lucille Eanes, December 9 instead of the regular meeting date, December 2, as previously planned. A covered dish luncheon will be served at the noon hour.

SCIENCE CLUB-JR. HIGH

The Clarendon Jr. High School Science Club met Monday night, December 1. There were 37 members present.

Meeting was called to order by Danny Ray. The minutes of the last meeting were read followed by roll call.

Our guest speaker was Mr. Will Chamberlain. Mr. Chamberlain gave a wonderful talk on prehistoric animals and fossils. We certainly enjoyed having him as our guest. Afterwards, the club viewed a filmstrip on fossils and animals, narrated by Mr. Chamberlain.

We were then dismissed.—Rep.

THANKSGIVING DINNER

Mr. and Mrs. C. L. McCrary enjoyed having several of their children with them for a Thanksgiving dinner Thursday. Here were Mr. and Mrs. N. M. McCrary and Craig of Alamogordo, N. Mex., Mr. and Mrs. Ollie McCrary and Ollie Ann of Silver City, N. Mex., Mr. and Mrs. June Brown and children of Amarillo, also Mrs. H. L. Riley of Clarendon.

Afternoon visitors were Mrs. Tipton and daughter of Ft. Worth, Mrs. Ernest Tipton of Clarendon, and H. L. Riley, Jr.

CHAMBERLAIN CENTER TO HAVE BOX SUPPER

There will be a "Box Supper" at the Chamberlain Community Center, Friday night, December 12. All girls and women bring a gaily decorated box filled with lots of good things to eat; and the boys and men bring a well-filled pocket of money.

We invite our friends, both in town and the country, to come and have an evening of fun with us.—Rep.

MYSTIC WEAVERS

The Mystic Weavers Club of Lelia Lake met recently in the home of Mrs. N. R. Simmons with eight members present. Quilting was the work of the day with a sack lunch served at noon.

The next meeting will be with Mrs. J. B. McDaniel the afternoon of December 17. There will be a short Christmas program and gift exchange.—Rep.

LELIA LAKE M.Y.F.

The Lelia Lake M.Y.F. meeting was opened with prayer by Jerry Don White. Six members were present.

The program was titled "There's Always An Answer." Sunday night the M. Y. F. had the program for the preaching hour. We had a Thanksgiving program. Meeting was closed with the M.Y.F. Benediction.—Rep.

Bulldogs Lose To Arkansas City, 51-45

The Bulldogs of Clarendon Junior College journeyed to Arkansas City, Kansas, last Friday and lost a thrilling 51 to 45 decision to the strong Arkansas City Junior College team. Coach Travis was quiet well pleased with the showing of his charges against the team that was the number two junior college team in the nation last year. The Kansas team figures to have about the same caliber team this year as last.

The game was a defensive battle all the way with the Bulldogs holding a 22 to 20 edge at the half. The Kansas team got away from the Bulldogs midway of the second half when Alva Carter left the game with five fouls. Carter was doing a great job guarding the big Arkansas City center, 6 feet 7 inches Hi Heidebrecht. The Bulldogs lost the game at the foul line as they made only 13 charity shots as compared to 25 for the Kansas. The Bulldogs actually outscored their opponents in field goals, 16 to 13.

Lloyd Stephens, sharp-shooting Bulldog guard, was high point man for the game with 22 points. Jack Eldridge contributed 9 points. Bub Buttram 8, Benny Lesley and Dennis Love, two each, and Carter and Max Whittington, one each. Heidebrecht was high for Arkansas City with 13 points, seven coming from the four line.

High School Teams Take Two From Turkey

The Clarendon High School Bronchos and Bronchoettes remained undefeated for the young season as they took their third victories of the year from the Turkey High School teams at Turkey Tuesday night. The girls had an easy time, chalking up a 55 to 29 win and the boys followed with a 50 to 41 decision over the Turkey boys.

Joan Bennett lead the local girls to victory with 20 points with Paula Adams making 15, Ann Slavin 11, Charlene White six, Beth Lamberth two and Pat Spurgeon one. Pat Owens, Gay Watson, Pauline Mills and Peggy Jackson also saw considerable service in the game. The Bronchoettes jumped off to a quick lead and were never threatened. They held a 12 to 6 first quarter lead, increased it to 26 to 10 at the half and 42 to 15 at the three-quarter rest period.

The Bronchos had a little harder sledding with the tall Turks. Turkey was ahead 12 to 9 at the first quarter and were holding on to a 22 to 21 halftime advantage. The Bronchos came out with a one-point 36 to 35 three quarter lead and outscored the Turks 14 to 6 in the last period for their nine point win. Keith Schollenbarger, senior forward, continued to lead the Broncho scoring attack with 18 points. John Morrow, another senior veteran, added 14 points followed by W. N. Elam with eight, Kenneth Housden with seven, Jimmy Johnson with four and Melvin Housden with one. David Blume, Turkey's great all-around athlete, scored 18 for the Turks.

Dr. and Mrs. Byron Todd of El Monte, Calif. visited Wednesday and Wednesday night with his mother, Mrs. A. P. Todd. Dr. Todd had attended Conference in Fort Worth.

Postmaster Urges Early Christmas Mailing

Postmaster James R. Moore said today, "Christmas may seem quite a way off, but nevertheless, we're starting our annual 'Mail Early For Christmas' Campaign immediately, because there's every indication that the 1958 Christmas season will set an all time mailing record."

The Postmaster said further that right now is the time to plan your Christmas card and gift mailings. The first thing to do is to check your Christmas card list very carefully — make sure that each address particularly on mail to larger cities includes full name, street and number, city, zone and state.

He went on to say that by a little advance planning, a lot of headaches can be avoided when the Christmas rush is on. The Postmaster suggests that you stock up now on heavy wrapping paper, sturdy corrugated cartons, strong cord, and paper adhesive tape, for use in securely packing and wrapping your Christmas gifts. Remember, also, that you can include your Christmas card on letter inside your gift package if you'll just add the appropriate First Class mail stamps to the postage for the package itself.

Be sure to use only First Class four cent, or seven cent Air Mail postage on your Christmas cards. All cards sent by First Class mail may include a personal handwritten message, whereas a signature only is authorized on cards that are mailed at the three cent, Third Class rate.

The Postmaster says it's especially important to include your return address on every Christmas card envelope. Besides being socially correct, this is a big help to both you and your friends in keeping your mailing lists up-to-date.

Through the fine cooperation of the public during recent years, Postmaster Moore reports that great progress has been made in getting the Christmas mails through on time. He is making many advance preparations to handle the 1958 Christmas mail rush, with extra mail clerks, carriers, and expanded facilities all

around. Speaking further about his plans, the Postmaster said, "With over 170,000,000 people in the U.S.A. today, that means more Christmas mail than ever before, and that's why the Post Office needs your help in planning your Christmas mailings well in advance."

Christmas cards and gifts for most distant points should be mailed first, preferably well before December 10th, and those for nearby points should be mailed by December 15th, or at least a week before Christmas.

Mr. and Mrs. L. H. Spurlock and girls of Amarillo visited Saturday in the home of Mr. and Mrs. Pete Borden.

Miss Dorothea Jenison and Miss Thyra Haley of Amarillo spent Thanksgiving day with Mrs. Sallie Haley.

Mr. and Mrs. R. E. Beard and children of Amarillo spent Thanksgiving with her parents, Mr. and Mrs. V. W. Carpenter.

Mr. and Mrs. Don Bagwell and son of Claude visited in the home of her parents, Mr. and Mrs. L. N. Cox Sunday.

Mr. and Mrs. C. E. Bairfield visited Sunday with her parents, Mr. and Mrs. L. T. Alexander, at Wellington.

Mr. and Mrs. T. K. Vandiver and children of Amarillo spent Thanksgiving in the R. A. Hay home.

Wears best on the road...Looks best on your car...

Double Eagle
by
GOOD YEAR

As strong as it is beautiful because it's built with...

3-T NYLON

You'll appreciate the quiet, effortless ride, the safer road-gripping tread, the incredible strength that only 3-T Nylon Cord can provide. If only the best will do, Double Eagle must be your choice.

BLUE CIRCLE OF SAFETY
The new Double Eagle can be fitted with the Captive-Air Steel-Cord SAFETY SHIELD, the "inner spare" that fully supports your car after a puncture or blowout.

Designed to end blowout worries! Only the air in the outer chamber escapes. Reserve air, trapped in nylon-and-steel "inner spare" supports your car, safely!

Designed to end puncture worries! Steel-Cord Safety Shield, like a suit of armor, actually bends nails aside. You drive on, safely... making the repair at your convenience.

Terms as low as \$1.25 weekly!

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

Austin—Higher pay for legislators is an issue that's buried, but not dead.

Voters buried it under a two-to-one avalanche of disapproval when it was submitted as a constitutional amendment Nov. 4. But already there is talk of trying again.

It is being discussed both by those who supported "Amendment One" and those who fought hardest against it. Sen. Dorsey Hardeman of San Angelo, leading spokesman for the opposition, has indicated he may submit a pay raise plan of his own next session. Hardeman attacked the recent proposal, not on the principle of better pay for lawmakers, but on the grounds that the amendment was a muddled conglomeration of too many things.

State AFL-CIO, which worked for Amendment One, is plugging for re-submission of the annual pay question. AFL-CIO headquarters officials sent a letter to legislators expressing regret that the amendment did not pass and placing the blame on labor's favorite targets - business lobbyists and newspapers.

Whatever the merits of the case, a lot of people in the state agencies in Austin are glum about the prospect of facing a disgruntled, pinch-penny Legislature next year. With the general revenue fund in the red, there's bound to be an effort to cut expenses. In addition, state employees fear there'll be a feeling among lawmakers that "if we can work for peanuts, so can you."

WATER STRUGGLES
State Board of Water Engineers has completed public hearing on one squabble over Trinity River water and is faced with another soon.

Probably as a result of the recent drought, there seems to be an increasing intensity in the struggles between various areas of Texas for water rights.

In the case of a major river like

the Trinity, which passes through or near three major cities - Fort Worth, Dallas and Houston - there's always a fear that one city will take out so much water another will run dry.

Water Board has under consideration now Dallas' request for a permit to build Forney Dam on the East Fork of the Trinity. There was strong opposition from the North Texas Municipal Water District, particularly Rockwall County, on the grounds that the dam would secure Dallas' water future at the expense of north county neighbors.

In the making is another wrangle over Houston's request to build a reservoir at Livingston. Houston wants to divert 1,100,000 gallons daily to the reservoir - practically all the unappropriated water from the Trinity. Dallas is attempting to organize Upper Trinity towns and cities - including Fort Worth - to oppose the plan.

WELFARE PROGRAM
Texas Social Welfare Association at its meeting in Austin asked the next Legislature to:

1. Pass laws putting into effect the new constitutional amendment permitting medical aid for the aged, disabled and dependent.
2. Overhaul laws dealing with delinquent, dependent and neglected children.

3. Appropriate money to the Texas Youth Council for more staffers, including parole supervisors for juveniles.
4. Pass a minimum standard hospital licensing law.

Association also passed a resolution praising State Welfare Dept. Director John Winters and presented its Distinguished Service Award to Miss Ima Hogg of Houston (daughter of the late Gov. James Hogg) for her generosity on the behalf of mental health work.

MECHANICS LICENSE LAW
Next Legislature will be asked to decide whether to require auto

mechanics to have a license before monkeying around under the hood of your car.

Texas Independent Garagemen's Association has voted to work for such a law.

Under the association's proposal all independent auto repair shops, all authorized car dealers' shops and all mechanics would be examined and licensed under a state board. Purpose, say the garagemen, is to protect the public from those who pad bills and do little, if anything, for cars.

SAVINGS & LOAN CHANGE
An attempt will be made next session to patch up the savings and loan association law after a part of it was declared unconstitutional.

Atty. Gen. Will Wilson held unconstitutional the law which provides for automatic cancellation of a savings and loan association's certificate to do business if it fails to start operations within six months after the certificate is granted. Wilson ruled this violates the constitutional guarantee against being deprived of life or property without "due process of law."

State Banking Commissioner J. M. Faukner said he will ask to have the savings and loan law made like the banking law. This gives the Banking Commission authority to extend a bank's certificate if business is not begun within 90 days.

UNCLE SAM HAS SAY
Texas regulatory agencies cannot set rates for railroads, truck lines, etc., carrying goods and personnel for the federal government in Texas.

This ruling by the Texas Supreme Court was made in a test case brought by the Texas and Pacific Railroad and others. It had been knocking around in the courts for some years. Former Atty. Gen. John Ben Shepperd had ruled that the Texas Railroad Commission did have authority to set rates for transportation entirely within the state's borders.

Final ruling was based on a decision by the Supreme Court in a California case of the same type. **NO HARM IN A STILL**

Court of Criminal Appeals insists the evidence has to be 100 proof to convict a man of manufacturing an "illicit beverage."

Appeals Court threw out the conviction of a Lamar County man who had pled guilty to a charge of "possessing a still to manufacture intoxicating liquor."

Majority opinion said, in effect, that the law prohibits possession of a still to make "illicit beverages," but that illicit beverages and "intoxicating beverages" are not necessarily the same.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

This week the Literary Guild Books were received, and the month's selection is in two volumes. "More Stories To Remember" is selected by Thomas B. Costain and John Beech Croft. These stories are chosen from the classics and also some of our recent stories. One of the late publications is "Good Morning, Miss Dove," and then there is Jack London's "Call of The Wild," and De Maupassant's "Was It a Dream?" These are a collection that would be a delightful asset to any library.

The boys' shelf has added "Good Field, No Hit" by Duane Decker. This book is a selection from the "Morrow Junior Collection" for boys.

We should purchase "The Bone Pickers" by Al Dewlin, perhaps if prompted only by curiosity, since it has Amarillo coloring and a fairly interesting report in the Star Telegram last Sunday.

William E. Barrett has written "The Family Shrine." It is not as excellent reading as the "Left Hand of God" which I consider one of the most interesting books I have ever read. His stories defend Catholic Faith and picture characters that are clean and marvelous.

"Wild Streets" by members of the Western Writers of America has a story by Noel M. Loomis who now lives in southern California, but attended Clarendon College quite a few years ago. His story is entitled "The City of Sin." It concerns "lusty doings" in New Orleans.

We shall purchase two or three of these popular editions. There have been several books ordered but they are slow to arrive.

COTTON REFERENDUM TO DECIDE IMPORTANT QUESTIONS

How farmers vote in the cotton marketing quota referendum to be held throughout the Nation's cotton-growing area on December 15 will determine whether quota penalties will apply, the kind of allotment program in effect and also the level of price support for 1959-crop cotton. The referendum therefore is of vital concern to every cotton grower, says Mr. Cooke, chairman of the Donley County Agricultural Stabilization and Conservation Committee.

The marketing quota program will be in operation for next year's crop, the chairman explains, if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case, farm operators will have an opportunity to elect a choice (A) complying with their "regular" allotments — with price support available at not less than 80 percent of parity for the 1959 crop of upland cotton, or (B) complying with an increased farm allotment 40 percent larger than the "regular" farm allotment — with support at a level 15 percent of parity lower than under the first choice quota penalties will apply to any cotton produced in excess of the chosen allotment.

If more than one-third of the votes are against quotas, there would be no quota penalties, only the "regular" allotments would be available and the price support level to eligible growers would drop off 50 percent of parity.

All farmers who are engaged in the production of upland cotton in 1958 will be eligible to vote in the referendum.

The referendum will be held between the hours of 8 a. m. and 6 p. m. on Monday, December 15, 1958.

1958 ACREAGE RESERVE PROGRAM

Remember?? 1958 Acreage Reserve Agreements remain in effect through December 31, 1958, so even though you have received payment, the land under contract cannot be grazed or harvested during 1958.

1958 CONSERVATION RESERVE PROGRAM

Donley County has 228 Conservation Reserve contracts in effect who have received their Annual Payment check for 1958 totaling \$193,698.63.

CHISELING CROPLAND

ACP cost-share assistance is available to Donley County farmers who wish to chisel any cropland during the month of December.

Contour chiseling, cross-slope chiseling or chiseling not on the contour will be approved. The cross-slope chiseling or chiseling not on the contour will be approved only on those areas where it is impracticable to chisel the land on the contour. Contour chiseling must follow terraces. Bulldogs Take Win From Wayland Frosh

The Clarendon Junior College Bulldogs opened their 1958-59 basketball season with a 76 to 56 win over the Wayland College Froshmen on Tuesday night, Nov. 24, but due to a conflict in the schedule, was moved up to Nov. 25.

The Bulldog attack was led by Alva Carter a 6-5, 190 pound freshman from San Jon, New Mexico. Carter scored 17 points in addition to playing a great game on defense. Another New Mexico boy, Jack Buttram, who played for the Wayland Froshmen last year, scored 14 points for the Bulldogs as did Co-Capt. Loyd Stephens. Benny Lesley, letterman from last year's team, scored 13 points and Captain Bub Eldridge came in with 10. Max Whittington, another transfer from Wayland who played his high school basketball in Portales, New Mexico, scored 6 points and Dennis Love rounded out the score column with 2 points. Gerald Garvin and H. D. Yarbrough also played but did not score.

The Bulldogs had trouble with the sharp-shooting Wayland boys for most of the first half. The game was close until the Bulldogs put on a scoring spurge the last four minutes of the first half and pulled out to a half-time lead of 38 to 30. The Bulldog defense solved the Wayland offense during the last half and the local boys pulled away for the easy victory.

Coach Travis was well pleased with the performance of his boys in their first game, especially the defense. Carter, Buttram and Leslie were all outstanding on defense, and Whittington, a 6-3 speedster, is a dependable defensive player. Also, the fact that five of the Bulldogs scored ten points or more makes it look like a well balanced offense.

Mrs. Newt McBrayer of Ft. Worth visited friends thru the holidays.

Bulldogs Take Home Opener; Comets Lose To Queens

The Clarendon Junior College Bulldogs took a hard-earned 65 to 60 decision from the tall and talented West Texas State Freshmen here Tuesday night in the second game of a double header. The Comets, after playing a great first half, fell apart the last half and lost to the Wayland Flying Queens, 60 to 30.

Captain Loyd Stephens, smooth playing Bulldog guard, played perhaps the best game of his career as he paced the hard working Bulldogs to victory with 30 points. He hit eight of ten field goal attempts the first half, most from 20 to 30 feet out and continued with four field goals and six free throws the last half. Benny Lesley, a greatly improved Sophomore guard, made 14 points followed by Bub Eldridge with six, Alva Carter with five, Dennis Love with four, Jack Buttram with three and Max Whittington with two. Buz Bailey, Felix Johnson and H. D. Yarbrough played but did not dent the score column.

The Bulldogs led the young Buffalos all the way and at one time in the second half had built up a 15 point lead. However, the visitors started a full court press and coupled with the Bulldog's inability at the free throw line, closed the gap to a three point difference with two minutes to play. Jim Curtsinger, the Buffalo's all-state performer from Hereford, led the visitor's attack with 15 points followed by David Seal with 13 and Jerry Bell with 12. Alva Carter, the Bulldog's six feet five inch, 190 pound center from San Jon, New Mexico, excelled on defense as did Buttram and Eldridge. The Bulldogs had a 32 to 25 halftime lead.

The Comets started out like they meant business against the Queens and led during most of the first quarter. The Queens held a slim 13 to 12 edge at the first quarter and were ahead 25 to 20 at the half, although the score was tied at 20-20 near the end of the first half. However, the far superior ability and experience paid off for the Queens the last half as they won going away. They held a 41 to 24 lead at the three-quarter intermission.

Myrlene Nichols was high scorer for the Comets with 10 points. Janice Martin made nine, Nancy Challenor six, Gay Ivey two and Virginia Sellers, Georgia Binford and Melva Kelton one each. Janie Brotherton, Jean Sanders and Traverne Gillham also saw some action in the game. The Queens were led by Martha Washington

with 11 points, with Joyce Kite and Carolyn Miller following with 10 each.

Clarendon Teams Deal Defeat to Lelia Lake

The Clarendon High School boys and girls basketball teams took a double win from the Lelia Lake teams at the local gym in their opening home games on Tuesday night, Nov. 25. The girls defeated the Lelia Lake girls by a score of 78 to 54 and the local boys had little trouble with the visiting boys in gaining a 69 to 47 win.

The Bronchoettes jumped into a quick lead and were never in danger. They held leads of 21 to 14 at the first quarter, 40 to 26 at the half and 56 to 40 at the three-quarter period. Paula Adams and Joan Bennett, a fresh-

man and senior respectively, took care of the scoring for the local girls. Miss Adams pumped in 34 points and Miss Bennett was close behind with 32. Ann Slavin and Peggy Jackson each made 4 points. Charlene White made 3 and Pat Spurgeon made 1. Spurgeon also played a good game at guard as did Beth Lamberth, Pat Owens, Gay Watson, Pauline Mills and Sandra Webb. Coach Young used an all-freshman team the last four minutes of the game and this team gained four points on the visitors. The Lelia Lake attack was paced by Jean Fox who made 31 points, followed by Richey with 13, Monk with 8 and Rampey with 2.

The Bronchoes also had little trouble in gaining victory over

their close neighbors. They led 14 to 6 at the first quarter, 37 to 17 at the half and 51 to 27 at the third quarter. Butch Schollenbarger scored 20 points for the Bronchos with Jimmy Johnson close behind with 19. John Morrow scored 13, Melvin Housden and W. N. Elam had 6 each and Kenneth Housden 5. Steve Mills, Larry Hopkins, Jerry Allen, Philip Abel, Sandy Skelton and Dennis Bradshaw played but did not score. Wayne Chenault led Lelia Lake with 21 points.

Mr. and Mrs. Wayne Matheson and Mr. and Mrs. Acie Cleaton and Paula of Hollis, Okla. visited Saturday night and Sunday in the home of Mr. and Mrs. Lee Ball and family.

Plowin' Out the Corners

By Uncle Zeb

Speaking of small towns; we heard of one down state that was located between two Burma-Shave signs.

Did you notice this short story in poem in one of our leading magazines?

"Cleaned floors, waxed same.

Three o'clock, children came." Even at that I'll bet that grandma was tickled pink. There is no other joy in the world to equal the thrill of watching happy children at play. Perhaps sometimes we want them to be a bit more quiet but all in all I think most of us love little children. Almost 2000 years ago Christ spoke of them as the "Of Such" that our home for eternity is to be largely inhabited by. We as mortals here below can all agree that little children are the "Makins" of the future of this world too.

Someone has said that; "We should stop making our highway to be dieways."

If alcoholism is a disease, then

it must follow that alcohol is the germ. On this basis our common judgement should tell us to avoid this dangerous germ. The germ is avoidable, but doctors tell us that the disease is incurable.

"The men who move the world are the men that the world can not move."

By the above we mean that the folks who stand by their true convictions in the face of popularity loss or any other form of modern pressure are the ones who can finally set the pattern for real good in the world. If the world moves us back and forth from our tried and true principles then the world will not long believe in the things we stand for nor will they long follow in the path we try to lead them.

A good blessing for the table; "Back of the loaf is the snowy flour, Back of the flour is the mill, Back of the mill is the wheat, The sun, the shower, and the Father's Will."

Back again to small towns. Do

Several cooperators in the Donley County Soil Conservation District have improved their rangeland this year by controlling vast areas of brush. Alfred McMurtry of Clarendon sprayed some shinnery brush this year

you know how your little town received its name? We have long been interested in this sort of thing. Some day we would like to tour the state and find out how hundreds of the unusual named towns selected their name. For instance we heard of one Texas town named Blessing, another Democrat, etc. There is usually a good story connected with each one. If you know how your home town got its name write us a short explanation about it. We will print some of the most unusual ones.

Brush Control

and the J. A. Ranch has bulldozed several acres of mesquite. The practice of brush control in the district is becoming more popular as more and more ranges are being invaded by sand sage, shinnery, mesquite, and other brush.

Brush control is the killing or suppressing of bushes and scrub by woody growth by mechanical

chemical or biological means so as to facilitate the use and treatment of rangeland. Basic benefits derived from brush control are (1) the elimination of woody plants that compete with forage plants for moisture, and (2) the increased spread and production of desirable grasses and other forage plants. It has been estimat-

ed that about 1900 pounds of water is required to produce one pound of dry mesquite tree, while only about 400 pounds of water is required to produce one pound of Blue grama grass. These figures indicate that only one mesquite tree can use most of the water and a lot of the soil nutrients so badly needed by range grasses.

Cost-share payments to operators for brush control are available through the Agricultural Conservation Program and the Great Plains Conservation Program.

Now is the time to begin planning the brush control program for next year. Information on this practice may be obtained by contacting your supervisor or the local Soil Conservation Service office.

If you are big enough, your troubles will be smaller than you are.

An optimist sees an opportunity in every calamity - a pessimist sees a calamity in every opportunity.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers
ACCIDENTS
The United States Public Heal-

th Service recently published a survey delineating the principal types of accidents from all causes in the United States. The definition of the word itself implies the unexpected or unintentional. Most of us have, from childhood, been taught to prepare for the unexpected, and some of the statistics in this recent survey would

certainly bear out the wisdom of that teaching. Accidents resulting in fatalities in 1957 totaled 37,350. The greatest killer by far is the motor vehicle accident, which accounts for some 40 percent of all accidental fatalities. Home accidents claim 20 percent, and all other accidents are responsible for some 32 percent. One of my recent newsletters dealt with the all-important subject of traffic safety promotion. The following information might be helpful in the avoidance of, and preparation for, some common but frightening causes of accidents.

In 1056, 1,422 people died from accidental poisoning, of which almost 90 per cent were children five years or under. Medications, especially aspirin, but also barbiturates, laxatives, tranquilizers, antihistamines, iron pills and many other over-the-counter and prescription drugs are accidentally swallowed most frequently. Pesticides, kerosene and related products, and household preparations such as bleach, soaps and

detergents are frequently taken internally also. In the overwhelming majority of instances, the substances were not properly stored out of the reach of preschool children.

The survey states it has been shown positively that alcohol is an accompaniment of accidents and deaths on the highways far in excess of the numbers expected. Physiologically, it produces effects which are still not completely known, but does show clear deficiencies of skill with even small amounts in the blood, or more important, however, is the lack of recognition by the average driver of such ill-effects. In addition, there are probably dangerous changes, also unrecognized, in his risk-taking tendencies and attitudes of care and responsibility.

The greatest single phenomenon associated with automobile deaths and injuries is ejection through doors which have popped open in crashes. Three out of four injured in automobile crashes sustained some degree of head

injuries. These injuries occur most frequently to the front passenger near the driver, and least to rear passengers. Impact with the steering wheel and post-cause a large proportion of the severe injuries to drivers.

It is pointed out that most fires occur in the home, and can be prevented by careful practices and proper equipment, such as the encouragement of home inspections by the local fire department, a constant look-out for fire hazards to children and the aged. In 1955, some 27,200 persons died from home accidents. Falls accounted for 13,636 deaths; fires and explosions for 5,347 deaths; mechanical suffocation for 1,222; poisons, liquid or solid, for 1,207; firearms accidents for 839; and poisonous gases for 839. More than 80 per cent of

falls in the home occurred to persons over 65. Because of their relative helplessness, young children and aged persons were frequent fire victims. It is estimated that at least 20 million are injured in the home annually. In other words, each year approximately one person in eight in the United States is disabled one or more days by injuries received in home accidents.

In farm areas, careless storage and use of petroleum products for cooking, heating, and tractor fuel is the cause of many severe burns. In 1956 there were 1,200 accident deaths caused by poisonous gases and vapors, 90 per cent of these contributed to carbon monoxide. Mortality figures only partially indicate the extent of carbon monoxide poisoning among the population.

Despite increased distribution and consumption of electricity, the death rate of electrical accidents has decreased over the past 25 years. Nevertheless, such accidents take about 1,000 lives annually and account for a considerably higher number of burn and shock injuries. The hazards of low voltage accidents are frequently overlooked, as evidenced by an increasing number of fatal electrical accidents in and around the home.

It is not wishful thinking, I believe, to suppose these statistics could be sharply reduced, since the majority of accidents can be prevented with elementary precautionary measures. To paraphrase an old axiom . . . "Eternal caution is the price of safety."

The finest ride you've ever known

You get the solid quality of Body by Fisher.

... starts with the wonders of wide-track wheels

to give you the most beautiful roadability in the whole wide world!

ONLY CAR WITH WIDE-TRACK WHEELS

... acclaimed by experts as the year's top engineering advance! The wheels are moved out 5 inches for the widest, steadiest stance in America—lower center of gravity for better grip, safer cornering, smoother ride, easier handling. Pontiac gives you roadability no narrow gauge car can offer!

You've never known a car to ride so smoothly or handle so surely . . . because no car was ever built like this before. And that wide, solid stance is only the beginning. Engineering's hottest team really poured it on to produce this one for you: There's a great new Tempest 420 engine to give you the most breath-taking performance on wheels . . . or, if it's extra economy you're after, Pontiac has, at no extra cost, a new V-8 companion, the Tempest 420E, that actually delivers better gas mileage than many smaller cars with so-called "economy engines"—and uses regular gas for further savings! There are great new True-Contour Air-Cooled Brakes for smooth, safer stops. And inside, seats wider than a sofa! Come on in and see this new '59 Pontiac for yourself.

PONTIAC MAKES V-8 HISTORY! A Pontiac Tempest 420E has set a NASCAR sanctioned and supervised 2,442 mi. coast-to-coast economy mark on regular gas—only 1 1/2¢ per mile at an average speed of 40.2 m.p.h.! See your Pontiac dealer for details and a test drive.
