## Public Schools Week To Be Observed In Clarendon Schools March 2-6

The local schools in recognition of Public Schools Week, March 2-6, extend a cordial invitation to all citizens to visit our school or schools during this week.

Several special programs are planned for the week. On Monday, March 2, at 11:00 a.m. an assembly in the High School Auditorium will open Public Schools Week in the local system. The first half of the program will be presented by the Clarendon Rocket Club. The Clarendon High School Band will then take over to conclude the assembly.

In the Elizabeth Stevens and Junior High Schools, the P-TA is sponsoring a contest. A prize of \$5 will be awarded the room with the most parents visiting that room during the week of March 2-6.

On March 6, the P-TA is sponsoring the Science Fair at the Junior High School. The fair last year created much interest and is expected to be even better this year.

Visit the schools at least once during the week of March 2-6 and see Democracy in action.

## Bulldogs To Enter State Tournament At Corsicana

Coach Buddy Travis will take his West Zone Junior College Conference Champions to Corsicana where they will participate in the annual Junior College State Basketball Tournament on Monday and Tuesday of next week.

There are four zones in the State Junior College Athletic Conference and two teams from each zone will make up the eight-team tournament. It is unknown at this time just who the other teams are who will participate, however, it is known that the Bulldogs will play at 4:00 o'clock on Monday afternoon against either Allen Academy at Bryan or Panola Junior College at Carthage. These two teams finished the season tied for second place in their conference and are playing off the tie on Friday night of this week to determine what team will go to the tournament.

If the Bulldogs can get by their first hurdle on Monday afternoon, they will play again at 9:00 o'clock on Tuesday morning. Finals are slated for 8:30 Tuesday night.

Making the trip with Coach Travis will be Captains Loyd Stephens and Bub Eldridge, Jack Buttram, Benny Lesley, Alva Carter, Felix Johnson, Gerald Garvin, Max Whittington and H. D. Yarbrough.

## Clarendon Takes First In Wellington Tourney

The Clarendon High School "B" teams, both boys and girls, entered the Wellington tournament last week and the boys took first place and the girls took second. The local boys defeated Shamrock, 46 to 30; Samnorwood, 48 to 45; and Wellington, 59 to 55. The girls defeated Shamrock, 37 to 33; and Wellington 45 to 11 before taking a 39 to 31 defeat at the hands of Lelia Lake in the finals.

In the boys division, James Allen led the scorers in the Shamrock game with 10 points with Kenneth Housden and Philip Abel making eight each and James Kay seven. Housden made 22 in the Samnorwood game with Allen scoring 10 and Howard Talley nine. Housden was again high man in the Wellington game as he canned 34 points with Abel making 10 and Sandy Skelton eight.

Paula Adams led the girls in their first two games, making 18 against Shamrock and 12 against Wellington. Ann Slavin was high in the Lelia Lake game with 16.

## Farm Bureau Vo-Ag Dept. To Sponsor Welding Short Course

Representatives of the Donley County Farm Bureau met with Vo-Ag instructors J. R. Gillham and Jerry Hawkins at the Vo-Ag building Friday afternoon at 4:30 and outlined plans for sponsoring the Welding Short Course to be held at the Vo-Ag farm shop starting March 16th. Lee Shaller, Pete Land, and Field Representative Buddy Hedges represented the Farm Bureau.

The course will be taught by C. B. Edwards, Farm Shop Specialist with the Vocational Agriculture Service. Edwards' headquarters are at Texas A&M, College Station, Texas. The course will consist of either five or six three-hour sessions and will be limited to 12 in each course. No tuition is charged, but a laboratory fee of \$5.00 for each enrollee will be collected to pay for welding rod and other such materials used in the course. Each enrollee is urged to secure a reasonable amount of scrap metal to use in practicing running beads and simple welds.

The first 12 men who pay their \$5 laboratory fee will make up the original class and if sufficient enrollment is secured there will be two sessions daily. Anyone interested in taking the course should contact ag teachers Hawkins or Gillham, and Lee Shaller, Pete Land, J. R. Brandon, or Chuck Longan who were named by the organizational group to act as the committee in charge of the course.

In addition to running beads, learning to set approved types of farm welders, learning types of electrodes to use, padding, Fillet (flat) welds, butt welds, horizontal welds, pipe welds, cutting with both acetylene and arc welders, and hard surfacing of sweeps and points will be taught.

The committee in charge of the course pointed out that as farms become more mechanized, there is an increasing need for better farm mechanics on the farm. Welding equipment is becoming common place on modern farms and farmers who can do their own welding can avoid costly delays by doing their repair work, in addition they can build a lot of useful equipment from scrap metal at a fraction of the cost of the ready made article. Welding certificates will be presented to those who attend at least five of the training sessions offered.

The sessions will be from 1 to 4, 4 to 7, or 7 to 10 p.m. depending on the wishes of those enrolling in the courses.

## Methodist Revival Now In Progress

The annual Spring Revival at the First Methodist Church is now in progress and will continue thru Sunday March 1st.

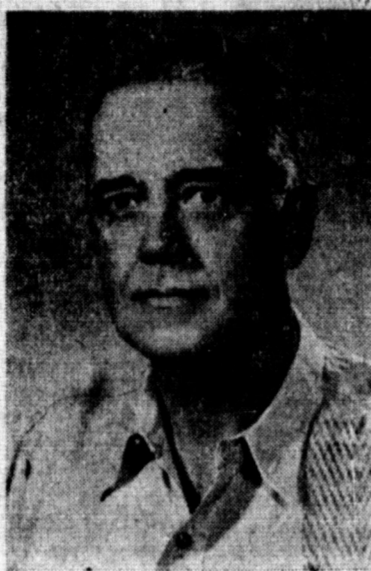

The pastor, Rev. C. M. Ryan, reports a good attendance so far for all services and is extending an invitation to everyone to attend the remainder of the services this week.

Dr. Marshall Rhew of Stamford is the visiting evangelist. Rev. Gene Moore of Hamlin who was scheduled as the music director, was unable to be here this week due to illness. Rev. Ryan took over in his place.

## ATTENDS FUNERAL SERVICES IN AMARILLO

Mr. and Mrs. Will Chamberlain attended funeral services at Southern Presbyterian Church in Amarillo, Saturday, February 21, for Rev. Dr. E. B. Fincher. Rev. Fincher acted as Supply Pastor in the Clarendon Presbyterian Church several years ago.

## Welding Instructor

C. B. EDWARDS

## Services At Hedley For Mrs. W. D. McDaniel

Funeral services were held last Thursday afternoon at the Hedley Baptist Church for Mrs. W. D. McDaniel with Rev. J. S. Tipton officiating. Burial was in Rowe Cemetery, Hedley, with the Spicer Funeral Home in Memphis in charge of arrangements.

Mrs. McDaniel, 76, died February 17 at Pampa. She had been a resident of Donley County since 1921. She was a member of the First Baptist Church at Hedley.

Survivors include the husband, W. D. McDaniel, Hedley; four daughters, Miss Lena McDaniel and Mrs. Cecil Riley of Pampa, Mrs. Martha Patterson, Amarillo, Mrs. Maudie Blaylock, Fort Worth; three sons, A. V. McDaniel of Lefors, Wilton and Vernon McDaniel, both of Fort Worth; also two sisters and two brothers, 18 grandchildren and 18 great-grandchildren.

Pallbearers were J. R. Riley, Hobert Moffitt, Ray Moreman, Jess Mann, Pete Matthews and Leroy Harris.

## FUNERAL SERVICES HELD FOR FORMER RESIDENT

Funeral services were held at Abilene, February 16 for Charles B. Wells, a former minister at the Clarendon Church of Christ. Mr. Wells died in Veterans Hospital at Big Springs February 14.

Surviving are his wife, a son, Jerry Wayne, two brothers, and four sisters.

## Proclamation

GREETINGS: A new perspective has been taken on education by our nation today. This interest is emphasized in the scientific and liberal arts fields.

As we place satellites in outer space, and train scientists, it is important to remember that our public schools will furnish our leaders of tomorrow, with moral and spiritual foundations necessary for advanced training and knowledge.

For the past nine years Public Schools Week in Texas has been set aside as a special time each year to place increased emphasis on our educational system. Parent visitation is encouraged and each citizen is urged to recognize the tremendous importance of our public schools.

THEREFORE, I, as Mayor of Clarendon, Texas, do hereby designate this week of March 2-6, 1959, as PUBLIC SCHOOL WEEK IN TEXAS.

H. T. BURTON, Mayor

## C of C President

J. H. SPIER, JR.

## J. H. Spier Re-Elected C of C President

New officers for the Clarendon Chamber of Commerce for the current year were elected at a breakfast meeting last Friday morning at the Dixie Cafe.

J. H. Spier, Jr. was re-elected president. J. G. McAnear was elected vice-president and J. B. Melton was re-elected Secretary-Treasurer.

The Chamber has a number of projects that are being worked on at present. A progress report was made and plans were discussed regarding more detailed work on the projects. J. G. McAnear, chairman of the membership committee, announced that a membership drive would be made within the near future.

## PLANS FOR SCIENCE FAIR PROGRESS RAPIDLY, DATE SET FOR MARCH 6TH

Plans for the Clarendon Junior High School Science Fair are progressing rapidly at this time according to Johnny Leathers, director of the fair.

The fair is scheduled for March 6th and 7th and will feature exhibits in two classes, Physical and Biological. Entries will be made from the first through the eighth grades. Over one hundred entries are expected and a total of twenty-one trophies will be given.

Citizens of Clarendon should back these youngsters one hundred per cent for from this group may come the leaders in the field of science in the very near future.

Leader—Local rate, \$3.00 a year

## Bulldogs In Final Home Game With Amarillo Badgers Tonight

### Two Have Announced For School Board

Walter B. Knorpp, present president of the Clarendon Consolidated Independent School District Board of Education, announced last week that he would seek re-election to the board in the forthcoming election on April 4th.

Three members will be elected to the Board in this election. The other two members whose terms of office are expiring are J. Alfred McMurtry and Dr. Chas. E. Deyhle. T. M. Caldwell, Jr. is the only other candidate that has announced that he would seek election.

Deadline for filing for a place on the ballot is March 4th.

### FIRST BAPTIST BROTHERHOOD MEETING SCHEDULED

The regular monthly meeting of the First Baptist Brotherhood will be held Monday night, March 2, at 7:30 p.m. Preceding the meeting there will be a covered dish dinner, no charge.

Guest speaker for the program will be Rev. Clifford Jester, pastor of the Springlake Baptist Church, Springlake, Texas. Rev. Jester has been engaged by the church to hold a revival meeting here in April. All men of the community are respectfully urged to attend this Brotherhood meeting and become acquainted with this dynamic young pastor evangelist. You will be welcome.

### JR. HIGH CAGERS END SEASON

The Junior High Colts and Fillies ended the basketball season last weekend with entry in the Quail Junior High Tourney. The Fillies lost in the semi-finals to the Wellington girls. The Wellington girls won first place in the tournament and was responsible for three of the Fillies four losses during the season. The Wellington girls also won first place in the Wellington Junior High Tournament. The Fillies defeated Wellington in one of their four meetings. The Shamrock girls won a game from the Fillies early in the season. Jan Weatherly has been out of the lineup due to an injury.

The Fillies' record for the season stood at 15 wins and 4 losses.

The Colts ended the season with 16 wins and 2 losses. Both losses were in tournament play. The first was to Shamrock and the second to Miami in the finals of the Quail tournament.

### PATROL CARS IDENTIFIED AS FIRST AID STATIONS

According to Highway Patrolman Bill Cornelius, the Department of Public Safety, in connection with the Red Cross, has placed Emergency First Aid decals on each patrol vehicle in order to inform the public that each is a mobil first aid station.

Each patrolman is a holder of at least the advanced First Aid Card and each vehicle is equipped with emergency first aid equipment.

### PUBLIC INVITED TO TURKEY DINNER AT LELIA LAKE SCHOOL LUNCH ROOM

The public is invited to a Turkey Dinner at the Lelia Lake School lunch room Friday evening, February 27. Serving hours will be from 5 to 8 p.m. Price per plate will be 75c for adults, 50c for students, and 25c for children under 12 years of age. Proceeds will go for a Deepfreeze for the lunch room.

The menu will include turkey, dressing, gravy, candied sweet potatoes, cranberry salad, banana pudding, coffee or tea. Everyone enjoys good food so make your plans to attend this dinner and enjoy the food and visiting while helping a worthy cause.

Coach Buddy Travis will send his West Zone Conference Champions against the Amarillo College Badgers in the final game of the season here tonight. Game time will be 8:00 o'clock.

The Bulldogs clinched the conference crown last Thursday night here against Frank Phillips College of Borger, then suffered their first conference defeat of the season at Big Spring Saturday night against the Howard County Jayhawks. This set Clarendon's record at ten wins and one defeat in conference play and left Howard County and Frank Phillips tied for second place with 7-4 records.

The Amarillo Badgers, under the coaching of veteran Dr. Robert Carter, are always hard to beat. The Bulldogs turned the trick in Amarillo recently with a hard-fought 64 to 55 victory and will go into the game tonight as slight favorites. The Badgers are featuring one of the top scorers in the conference in Jim Bevers, an all-state high school player from Ropesville and an all-conference selection at Amarillo College last year. They also have another high scorer in Burt McLain of Palo Duro High in Amarillo. They also have a great rebounder in six foot, eight inch Bob Taylor. The Badgers have lost five conference games this year, all by close scores. They forced both Odessa and Frank Phillips into overtime games on the latter's home courts before losing.

Bulldog Coach Buddy Travis, who played two years of junior college basketball under Dr. Carter at Amarillo, always dreads the tough Badgers. He says that he had a great deal of respect for Coach Carter and knows that his teams are always well-drilled and are capable of beating any team on any given night.

Coach Travis will go along with his usual starting team of Alva Carter, Loyd Stephens, Bub Eldridge, Jack Buttram and Benny Lesley, Felix Johnson will probably see a lot of action, and he has three more capable reserves in Gerald Garvin, Max Whittington and H. D. Yarbrough. Garvin did a great job in relieving Stephens in last Saturday night's game against Howard County when the Bulldog's top scorer was in danger of having to leave the game with too many personal fouls.

## Comets To Play NBC Here Monday And Tuesday Nights

The National AAU Women's Basketball Champions, the Nashville Business College team from Nashville, Tennessee, will make their annual appearance in Clarendon on Monday and Tuesday nights of next week. Games are slated to begin at 8:00 o'clock.

The NBC girls upset the Wayland Flying Queens at the National Tournament last year in the semi-final round and went on to defeat Iowa Wesleyan in the finals to take their first national crown. The Nashville girls are featuring another fine team this year including Miss Joan Crawford, who performed for the Comets for two years.

The Comets so far this year have won three games while losing eight. Their eight defeats have come at the hands of the Flying Queens five times, the Queen Bees once and two losses to Iowa Wesleyan College. They have defeated the Shephard Air Force team of Wichita Falls twice and hold one win over Weatherford Junior College.

### CALLED TO CALIFORNIA

Mrs. Frank Thomas left Friday night for Turlock, Calif. to be with her sister, Mrs. Gene Bengt. Mr. Bengt was killed in an accident at Fresno, Calif. Thursday of last week. Funeral services were held Tuesday of this week.

## WEST ZONE JUNIOR COLLEGE CONFERENCE CHAMPIONS

Standing, left to right: Max Whittington, Portales, New Mexico, transfer student from Wayland College; Felix Johnson, freshman from Quitaque; Alva Carter, freshman from San Jon, New Mexico; H. D. Yarbrough, freshman from Claude; Gerald Garvin, sophomore from Silverton and Coach Buddy Travis. Kneeling, left to right; Jack Buttram from Alamogordo, New Mexico, a transfer from Wayland College; Loyd Stephens from Ron, Oklahoma; Benny Lesley from Borger; Bub Eldridge from McAdoo, and managers V. V. Scott and Benny Brown. Not pictured, but who has been a member of the squad through most of the season, is Carl Irlbeck from Happy.

Mr. and Mrs. Harold McDonald and baby moved this week to Clarendon. We wish them well in their new home.

Mr. Roy Roberson and Mr. Jack Pritchard were in Amarillo Monday at the cattle sale at the stock yards.

LELIA LAKE SCHOOL NEWS

"Aunt Samatha Rules The Roost" is the title of a play to be given by freshmen and sophomore students on March 14. There are eleven characters in the production, which is being directed by Frank Claborn.

Students are rejoicing over the first place trophy won by the high school girls in the sophomore basketball tournament at Wellington last weekend.

A really big Friday evening is planned for this week, with the P-TA sponsoring a turkey dinner, beginning at 5, to precede the novelty tilt in which the men play the high school girls under regular girls' basketball rules.

The hitch comes in that the men are to wear dresses. There will be two referees in each end of the court, and a clown will also help to enliven the proceedings.

To cap it all off, a "queen" will be selected from among the men. All in all, it promises to be a hilarious evening.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin, Texas—After nearly seven weeks in session, the Legislature has not yet given any clear indication of how it will solve its basic problem—how much to spend and where to get it.

State agencies still insist they need every cent they asked for—and need it bad. But those who would be "fall guys" of money-raising measures proposed thus far show no genial willingness to ante up.

Gov. Price Daniel is still pushing hard for his tax program. He suggested that critics would do better to stop sniping and start snooping—for a better way.

State Comptroller Robert S. Calvert called the governor's plan to gain \$18,000,000 by a change in bookkeeping just "legalizing a false statement."

Budget Board Director Vernon McGee termed it "unworkable." Daniel also contends that his plan for the state to take over unclaimed bank accounts, abandoned property, etc., might help a lot of people, since the state first would advertise for rightful owners. But bankers and spokesmen for other affected industries called it "confiscation," said it would undermine public trust in their institutions.

Corporations continue to blast at a franchise tax raise they say would increase their burdens as much as 500 per cent. A two-thirds vote of each House would be necessary to put this into effect to help with the deficit this year. Many say chances are dim.

A Lubbock legislator, Rep. H. J. Blanchard, made a survey on tax and spending attitudes. About 60 per cent of those replying opposed a sales tax. Roughly the same percentage favored more spending for teacher pay, higher education, old age assistance, state hospitals and prisons.

GOTTA HAVE IT — Strong pitches for more spending are being made by spokesmen for three major state services.

"I don't see how higher education can be financed without some broad-based tax," said J. R. Sorrell, chairman of the University of Texas Board of Regents. "You will have the backing of this administration and this board in selling it to the people of Texas."

"We are absolutely broke, we don't have a dollar," said Prison System Director O. B. Ellis. "Riots that will cost more than the appropriation requested may result, if conditions aren't improved."

"You can chop off dollars, but you can't chop off children," declared a representative of the Texas Youth Council. Director James A. Turman said money spent on parole supervision and rehabilitation of youngsters in trouble would save on future prison costs.

THREE FOR SPEAKER — Three definite candidates already are jockeying for speakership of the House in 1961.

They are Reps. Wade Spilman of McAllen, Ben Glissing of Kingsville and L. DeWitt of Corpus Christi. It may be a close-quarters fight. All are from the same general South Texas area.

Rep. Joe Burkett, who lost to present Speaker Waggoner Carr in a very close race, said he won't run again. Many members have protested early campaigning. They say it hampers work of present session.

"FREEDOM" BILL DELAYED — Senate Committee has set in its "back pocket" a bill to set penalties for those who refuse to make public records public.

Measure is one of several "freedom of information" bills sponsored by a group of newsmen's organizations.

It was sent to subcommittee for reworking with no time set for the subcommittee to report. In some cases, such action means the bill is buried for the session.

NEW AGENCY URGED — A bill has been proposed to take tax collecting out of the Comptroller's Department and set up a new agency headed by a state collector of revenue.

All members of last session's Senate General Investigating Committee joined in sponsorship. They said they felt tax collecting could be handled more efficiently by an appointive officer of longer tenure.

Committee investigated the Comptroller's Department extensively last session. At one time members commented on the awkward position of an official who had to collect taxes and solicit votes—from the same people. However, the present Comptroller hasn't had any opposition in years.

SAFETY CONSCIOUS — Traffic safety legislation is developing into a major issue this session.

Rep. Tom James of Dallas has introduced the uniform traffic ticket bill, which he says will make for more effective enforcement against violators. He also proposes setting up county courts of record to review corporation court cases and also city traffic appeals courts.

James said he would join Col. Homer Garrison, Jr., Director of the Department of Public Safety, in asking better salaries for state highway patrolmen.

Garrison told a recent meeting that "if the present trend continues, every second child born in Texas today will be killed or injured in traffic accidents."

Speaker Waggoner Carr said he felt "the climate of opinion was more favorable than ever before" for safety legislation.

SHORT SNORTS — Texas is pouring millions in state tax money into "inadequate, unnecessarily small school districts," said Texas Research League Director Alvin A. Burger in a recent speech. . . . Maj. Gen. K. L. Berry has been reappointed state adjutant general by Governor Daniel. Brig. Gen. William H. Martin was renamed assistant adjutant general. . . . Texas started 1959 by paying out more fore unemployment compensation than it did in '58, the "recession year." Texas Employment Commission reported payments

for January of this year were \$3,613,664, compared to \$4,918,511 a year ago. . . . In a generous gesture toward a new rival, a House resolution was proposed to fly the flag of Alaska beside the Texas flag when the new 49-star U. S. flag is first raised at the State Capitol.

### GUIDES FOR CLOTHING SHOPPERS AVAILABLE

College Station — Men's sport shirts, women's street dresses and girls' school or sports dresses take a big hunk of the clothing dollars in most family budgets. Extension clothing specialists say these three items deserve special attention when you shop, because the many new fabrics, finishes, colors and styles make the job of selection pretty confusing.

Price is not necessarily a guide to quality. Specialists say it pays to look for a label that gives information on fiber content, care needed, color fastness and shrinkage. A sales person whom you know well can give you much helpful information that will assure greater satisfaction and longer wear.

Buying guides and pointers on judging fabrics and finishes, selecting suitable styles, sizes and colors, and information on labels have been prepared by extension clothing specialists.

Three new leaflets, "Buying Sport Shirts," "Buying a Street Dress" and "Buying a Girls' Street Dress," are available. Call or write your county home demonstration agent's office for copies.

Knowledge, like timber, is best when well seasoned.

Most of the things we wait for aren't worth the delay.

## A. O. HEFNER CELEBRATE GOLDEN WEDDING ANNIVERSARY SUNDAY

Mr. and Mrs. A. O. Hefner celebrated their golden wedding anniversary with an open house at their home in Clarendon, Sunday afternoon, February 22. Receiving hours were from 2 to 5 p.m. All of their children—two daughters, Mrs. Hazel Lusk and Mrs. Ava Dawe, two sons, Ray and Lloyd; and three grandchildren, Patsy Sue Hefner, Holly Gail Hefner, and Mike Lusk, were here to help make the occasion a happy one. Robert Lusk, a grandson and a college student, was the only grandchild unable to be present. Guests were greeted by Mr. and Mrs. Hefner and their four children. Miss Patsy Hefner presided at the guest book while Mrs. Alta Canady, Mrs. Hefner's sister, assisted with the gifts. The house was decorated with lovely bouquets of flowers, sent the Hefners for the occasion. The refreshment table was laid to carry out the traditional gold using a white linen cloth. The table was centered with a wedding cake, beautifully decorated with gold leaves and edged with leaves and frilled lace. Flanking the cake were gold candelabra with three tall white tapers. Mrs. C. W. Lane and Mrs. Edwin Eanes presided at the silver service the first hour and a half. Mrs. M. C. Rampy and Mrs. B. R. Wood of Amarillo presided the second period. Mr. and Mrs. Hefner were married at Memphis, Texas, February 24, 1909. Mr. Hefner had been a resident of Donley County since 1905 and Miss Arrie Wood since 1907. They moved to their farm home in the Naylor Community where they resided for thirty-eight years before deciding to move to town eleven years ago. Relatives present included Mrs. Ava Dawe and Melissa and Mr. and Mrs. V. D. Lusk and Mike of Walnut Creek, Calif.; Mr. and Mrs. Ray Hefner and Patsy, also Mr. and Mrs. Lloyd Hefner and Holly, Mr. and Mrs. B. R. Wood, all of Amarillo; Mr. and Mrs. B. M. Wood, Mr. and Mrs. W. A. Bennink of Pampa; C. L. Wood and Mr. and Mrs. Clyde Wood, Jr. of Pauls Valley, Okla.; Mrs. Alta Canady and granddaughter, Kathleen Reavis of Los Angeles, Calif.; Mrs. Mae Hollowell of Abilene; and Mr. and Mrs. Ernest Womack of Slaton, Texas. Approximately 150 guests called to wish Mr. and Mrs. Hefner well and to greet their family. They also received many lovely gifts, telegrams, telephone calls, flowers and cards making the day one long to be remembered.

### MOTHERS STUDY CLUB

The members of Mothers Study Club held their regular meeting Tuesday evening, February 24, at Patching Club House. Roll was called and a treasurer's report given. Plans were discussed for Guest Day. A very informative and interesting program was given by Jeannie Johnson. She told of the many dangerous poisons that are available to children in the average individual's home and the antidotes that could be used to counteract their effects. Refreshments were served to Jeannie Johnson, Jacquita Owens, Bobby Floyd, Barbara Pyeatt, Jo Ann Edens, Charlotte Johnson and Cherry Shadle by the hostesses, Janie Hill and Bunny Owens. Reporter

### HENRY-WHEELER VOWS EXCHANGED

Mr. and Mrs. James Henry of 104 Shady Lane, Seagoville, Texas announced the marriage of their daughter, Nancy, of Clarendon, Texas to Matt H. Wheeler, Jr. of Jackson, Mississippi. The double ring ceremony was read by the Rev. Conrad Ryan in the First Methodist Church of Clarendon, at 8 p.m. Friday evening, February 20. The couple were attended by Mr. and Mrs. W. H. Edgett, Jr. of Clarendon, Miss Ellen Messer of Quail, and C. W. "Doode" Cornell of Hedley. Mrs. Wheeler was graduated from the Methodist Hospital of Dallas School of Nursing and at the time of her marriage was Superintendent of Nurses at the Adair Hospital. Mr. Wheeler attended Louisiana State University and is employed by Burton Exploration Company. The couple will be at home in Childress, Texas.

### LELIA LAKE M.Y.F.

The Methodist Youth Fellowship meeting was opened with prayer by Beverly Macullum. There were six members present. Our program was on "My Church." The M.Y.F. had the program for the preaching hour last Sunday night. Our meeting was closed with the M.Y.F. Benediction.

### MARTIN QUILTING CLUB

The Martin Quilting Club met with Linnie Cauthen as hostess. There were 13 members and three visitors present. A delicious meal was served to Blanche Higgins, Margaret Waldrop, Dorothy Sullivan, Nola Hill, Velma Hearn, Elsie Sibley, Veda Elliott Lois Stevenson, Lela Bulman, Annie Waldrop, Linnie Cauthen, Minnie Cannon, Edna Osborn, and visitors, Alice Pittman, Helen Land, and Marie Patterson.

### SR. H.D. CLUB

The Sr. H. D. Club met Friday afternoon for their regular monthly meeting in the home of Mrs. William Payne and Mrs. C. H. Darling co-hostesses. Roll call was answered with facts about our U. S. presidents. Mrs. R. C. Bingham, president, presided over the business session. Members took mending to do for the hospital.

Lovely refreshments of cherry pie, cheese crackers, tea, coffee, and mints were served to 14: Mesdames Lena Antrobus, Claude Darden, W. L. Jordan, Clyde Butler, R. C. Bingham, O. C. Watson, G. L. Green, Will Kennedy, Bennie Crabtree, Bertha Benson, C. D. McDowell and J. H. Helton by the hostesses, Mrs. Wm. Payne and Mrs. C. H. Darling. The next meeting will be with Mrs. Claude Darden. Reporter

### CLARENDON STUDENTS JOIN HONOR SOCIETY

Ceremonies honoring new members and those promoted to advanced membership in Alpha Chi, National Honor Society, were held in the ballroom at Cousins Hall, West Texas State College, Canyon, Sunday afternoon. Approximately fifty students, representing the upper 10 percent of the junior and senior classes were given recognition and awarded certificates of membership. David Ralph Harmon of Clarendon was on the new senior list to be initiated. His name was also on the West Texas State Student honor roll for the past semester as announced by Dr. Walter H. Juniper, dean of West Texas State College. Ralph is a transfer to WT from Clarendon Junior College and is the son of Mr. and Mrs. Page Harmon. He is an agriculture major and is a reporter for the WT Agriculture Club.

Sue Talley, daughter of Mr. and Mrs. Edgar Talley, also took part in the ceremonies. She is an economics major.

### HUGGINS QUILTING CLUB

The quilting club met Tuesday February 17 with Frankie McAnear. One Lone Star quilt was quilted. At the noon hour a delicious covered dish lunch was served to Mary Lee Noble, Pauline Kooz, Ruth Lindley, Pearl Self, Cora Elliott, Bell Smallwood, Price Webb, W. O. Elliott, Mr. and Mrs. Wesley Webb and the hostess, Frankie McAnear. Dorothy Helms and Eddie came in the afternoon. The next meeting will be March 3 with Veda Goad as hostess. Reporter

### WINS CONTEST

**DANNY SPIVEY**

Eighteen-month-old Danny Spivey is the proud winner of a loving-cup trophy in the Married Students Week baby contest at the University of Texas. Approximately 40 babies, too young to figure out what it was all about, were entered in the show. Danny was the winner in the one to two years category. He is the son of Mr. and Mrs. Broadus Spivey of 2211 Bristol Drive in Austin, and is the grandson of Mr. and Mrs. Claude Spivey and R. Y. King of Clarendon. Mr. Spivey is attending law school at the University and Mrs. Spivey is a member of the NAUD University Wives Club.

### BIRTHDAY GATHERING

In Mrs. Jim Bain's home, a gathering was held recently honoring Gordon Bain of Turkey and Mrs. Roy Guthrie of Memphis on their birthdays. Twenty-five people were present: the honorees and Mrs. Gordon Bain and Roy Guthrie, also Mr. and Mrs. Ernest Lee of Memphis; Mrs. Tommy Hulsey and children, and Mrs. Bill Turner of Amarillo; Mrs. B. L. Blackburn of Bula, Mr. and Mrs. Roy Blackburn of Clarendon; Mrs. Carl Boston and Mr. and Mrs. J. L. Bain of Pampa, Navarre Bain of Longview, also friends: Mr. and Mrs. John Bass, Mrs. Will Kennedy, Mrs. J. L. Allison, and Mr. and Mrs. A. Ford Jay of Clarendon.

### SHOWER HONORS BRIDE-ELECT

Miss Nancy Henry was honored with a miscellaneous shower Thursday night, February 19, in the home of Mrs. W. H. Edgett, Jr. She was presented with a beautiful red carnation corsage by the hostess after which doughnuts, coffee, and heart shaped mints were served. Attending were Miss Henry, and Misses Ellen Messer, Robbie Johnson, and Mesdames Gladys Blackburn, Berkeley SoRelle, Florence Hester, Kate Beverly, Henry Tatum, Tommie Edwards, Vera Havens, Lee Moody, George Smith Troy Broome, and the hostess. Miss Henry received many useful and attractive gifts.

### ANNOUNCE ENGAGEMENT

Mrs. W. L. Spencer of 2024 Travis, Amarillo, and the late W. L. Spencer, announce the engagement and forthcoming marriage of their daughter, Jeanne of 1216-A West 11th, Amarillo to Harry M. Bartlett, son of Mr. and Mrs. E. G. Bartlett of Anson, Texas.

The Spencers are former residents of Clarendon, having moved to Amarillo in 1948.

Both Miss Spener and Mr. Bartlett are employed by the Globe-News Publishing Company. Miss Spener is a secretary and Mr. Bartlett is production superintendent.

The wedding will take place on April 18 7:30 p.m. in the First Baptist Church in Amarillo.

### BLAIR-ELMORE

Mr. and Mrs. R. L. Blair of this city announce the recent marriage of their daughter, Judy, to Mr. Gene Elmore, son of Mr. and Mrs. Fontayne Elmore, also of Clarendon. They are making their home here in Clarendon.

### MIDWAY CLUB

The Midway Club met with Leona Scott on February 17, our regular quilting day. One quilt was worked on. Those present to enjoy the day and the noon meal were: Bobbie Dishman, Ellen Moreland, Katie Belle Wells and Terry, Lillie Mae Carmichael, Lucille Eanes, Edie Williams, Josie Simmons, and the hostess Leon Scott. We were very happy to have the Misses Minnie and Ava Naylor as guests. The next meeting will be with Ellen Moreland on March 3.

### REBEKAH POT LUCK SUPPER

The Rebekah Lodge will have their regular Pot Luck Supper Tuesday evening, March 3rd. Serving will begin at 6 p.m. The public is invited to the evening meal. Cost per plate will be the usual 75c, the cost covering all you can eat.

### Tips On Social Security For Farm Operators

Self-employed farmers may use an alternate method of figuring their earnings from their farm Harold S. Geldor, District Manager of the Local Social Security Administration office, and Ellis Campbell, Jr., District Director of Internal Revenue, reminded farm operators today.

Director of Internal Revenue pointed out that self-employed farmers may figure their earnings for social security in several ways.

(1) If your gross income from agricultural self-employment is not more than \$1,800, you may count as your net farm earnings either your actual net or 2/3 of your farm gross income;

(2) If your gross income is more than \$1,800, and your net farm earnings are less than \$1,200, you may use either your actual net or \$1,200;

(3) If your gross farm income is more than \$1,800 and your net farm earnings are \$1,200 or more, you must use the actual amount of your net earnings.

Director of Internal Revenue added that use of the option enables farmers with gross income as low as \$600 to obtain social security protection for themselves in their old age and for their survivors in case of death. However, he emphasized that regardless of the way in which you figure your net earnings, you must have net earnings of at least \$400 (from farming alone, or in combination with other self-employment earnings) in order to get social security credit for the year.

In addition to the revised optional method, the law provides social security coverage to some farm owners who received cash or crop share from tenant farmers. If the farm-landlord under his agreement with his tenant, materially participates in the production or management of production of the farm crops raised on his land, this income may be reported for social security purposes.

Requests for information regarding taxes due and tax return forms should be directed to the Internal Revenue Office in Amarillo, Texas. Questions concerning the old-age, survivors, and disability insurance program will be answered by your social security office at Amarillo, Texas or by the representative who visits the town nearest where you live. For a schedule of his visits ask your local postmaster or check the schedule posted on your local courthouse bulletin board.

We wish to thank all our friends for the many kindnesses and expressions of sympathy upon the loss of our Mother and Grandmother. Our feeling is renewed that Clarendon, the place where we grew up and where Father and Mother are buried, is home.

The children and grandchildren of Mrs. Susan E. Smith.

I wish to thank everyone for their kindness, beautiful flowers, many beautiful cards, and visits while I was in the hospital. May God's Blessings be with all of you. Mrs. Chester Martin

We want to thank our many friends and neighbors for the lovely cards, letters, flowers, and gifts sent us on our fiftieth wedding anniversary. Your remembrance helped make the day such a happy one and will be cherished in our memory always. Mr. and Mrs. A. O. Hefner

### LETTER OF THANKS

I am transferring to Arizona and wish to thank the patrons of Hedley rural mail route for your wonderful cooperation. You have made my job easy and pleasant. Please forgive my mistakes. Sincerely, L. E. Blankenship

Mr. and Mrs. Billy Mac Hicks of Amarillo spent the weekend with homefolks.

### FERTILIZER USE UP THE LAST HALF OF 1958

Fertilizer use the last half of 1958 increased slightly more than 4 per cent over the same period of 1957, reports J. F. Fudge, state chemist.

This increase represents almost a 9,000 ton increase over the 213,800 tons during the last half of 1957. The big increases in the fall of 1958 were primarily in anhydrous ammonia and 16-20-0. These materials accounted for almost one-half of the total fertilizer materials sold.

The big increase in mixed goods was primarily in the 1:2:1 grades. The largest seller was 10-20-10, which accounted for about one-third of the total mixed fertilizer sales.

This large amount of fertilizer represents a big investment. To make this annual expenditure more profitable, Fudge advises getting a soil test to determine your soil's requirements. For information and assistance in taking a soil sample and submitting it for testing, contact your local county agent.

### NEW LEAFLET ON PINK BOLLWORM

"Ways to Fight the Pink Bollworm in Texas" is the title of a leaflet just released by the Texas Agricultural Extension Service.

The leaflet states that pink bollworm infestations now are generally distributed throughout the state and if serious losses are to be avoided, it is essential that a sound program be planned and carried out in 1959.

Several ways to fight the pink bollworm are discussed at length in the leaflet. Some of the methods are keeping soil moisture high; uniform short planting period; using insecticides and miticides; stopping irrigation after maximum bolls are set; harvesting and destroying stalks early; and preventing winter carryover. Recommendations in the leaflet are based upon results of experiments conducted by the Texas Agricultural Experiment Station and the Entomology Research Division of the Agricultural Research Service, U. S. Department of Agriculture. It is available free of charge from local county agents or the Agricultural Information Office, College Station, Texas. Ask for L-219.

Mr. and Mrs. Tommy Lane of Albuquerque, New Mexico spent the weekend with his parents, Mr. and Mrs. C. W. Lane.

Mr. and Mrs. Bert Smith, Jr., and children of Amarillo spent the weekend with their parents Mr. and Mrs. Victor Smith and Mrs. Jennie Smith.

Mr. and Mrs. Leonard Parker and granddaughter, Susie Chesier, of Wichita Falls, and Mrs. Rowena Parker of Iowa Park were weekend visitors in the home of their sister and daughter, Mr. and Mrs. H. T. Warner.

Mr. and Mrs. Loren Rhoades of Amarillo, Mr. and Mrs. Harold Green and girls of Borger, Mr. and Mrs. Hubert Rhoades and Mary Sue of Ashtola, and Mr. and Mrs. Walter Green visited Sunday in the home of Mrs. Austin Rhoades.

Mr. and Mrs. C. A. Pitts and David went to Lubbock and picked up their son, Donald, a student at Texas Tech, and all spent the weekend with her brother and wife, Mr. and Mrs. W. A. Taylor, at Midland.

Mr. and Mrs. Theron Holland and family of Amarillo visited homefolks over the weekend.

Mr. and Mrs. Lloyd McCord and family visited in Claude Thursday night.

Mr. and Mrs. Lloyd McCord had dinner Sunday in the home of her parents, Mr. and Mrs. Pete Hearn in the Naylor community.

Those to help Mrs. Lloyd McCord celebrate her birthday in the McCord home last Sunday were all of her people, Mr. and Mrs. Curtis Phillips and family of Borger, Mr. and Mrs. Thad Carroll and baby of Clarendon, Mr. and Mrs. Pete Hearn of the Naylor community, and Mr. and Mrs. James Watts of Claude.

Mr. and Mrs. Clyde Wilson of Indio, California spent the weekend here visiting friends. They returned home Sunday.

Mrs. J. J. Hanson and Mrs. Hal Hardin of Amarillo visited Tuesday with their daughter and sister, Mrs. Austin Rhoades.

Mr. and Mrs. Ray Shaw of Los Angeles, Calif. announced the arrival of a son, February 19. The young man weighed 7 pounds, 9 ounces and at last report had not been named. Proud grandparents are Mr. and Mrs. Lois Putman.

Mr. and Mrs. J. H. Spier and son, Mrs. M. L. Putman, Miss Eula Haley, and Mrs. Gene Putman were weekend guests in the home of Mrs. W. T. Holsenbeck and family at Kermit, Texas.

Mr. and Mrs. Montye Smith of Lubbock announce the arrival of a son February 22. The young man has been named Montye Winfield and is the grandson of Mrs. Edna Smith of Clarendon and Mr. and Mrs. Winfield Mosley of Hedley.

Mr. and Mrs. C. N. Brewer have received word that their son, James Clifford, has been promoted to major in the United States Air Force. Major and Mrs. Brewer with their two daughters, Connie and Pam, are now stationed at Westover AF Base, Massachusetts, having transferred there from Craswell AF Base, in Ft. Worth, Texas, in June of 1955.

Visitors in the Hinkle home during the weekend were: Mr. and Mrs. R. B. Hinkle and family of Tahoka, Miss Ivy Dea Hinkle of Dumas, Mr. and Mrs. Lloyd Reid, Mr. and Mrs. Lawrence Watson and family of McLean, and Mrs. Ruby Hutton and daughter, Gayla Sue.

Mrs. Alta Canady and granddaughter, Kathleen Reavis of Los Angeles are guests this week in the home of her sister and husband, Mr. and Mrs. A. O. Hefner.

Mr. and Mrs. V. D. Lusk and Mike and Mrs. Ava Dawe and Melissa left Monday to return to their homes at Walnut Creek, Calif. after a visit with their parents, Mr. and Mrs. A. O. Hefner and other relatives.

Mrs. John Norris of Midland spent the weekend with her parents, Mayor and Mrs. H. T. Burton and was here when her father had surgery at Adair Hospital. He is improving satisfactorily and was able to return home by mid-week.

**LESS HOPPER DAMAGE EXPECTED THIS SUMMER**  
College Station — Grasshoppers are likely to be more widespread in the west and midwest this summer but are expected to be less destructive than in 1958.

A USDA-State survey made last fall showed almost 23 million acres with enough grasshoppers to damage crops and grass. The effective chemical treatment of 5 million infested acres last summer not only saved crops and grass but is now paying dividends in fewer grasshoppers.

The total acreage infested in Texas is placed at 3,460,000, according to Texas Agricultural Extension Service entomologists. The heaviest infestations were found in the two northern tiers of counties in the Panhandle and those along the Oklahoma line on the eastern side of the area.

In the South Plains area only spotted infestations were found by the surveyors. The infestation in the north central area was listed as light and these counties primarily are those located adjacent to and including the Red River Valley from Childress eastward to Grayson. Other light infestations were noted in Mc-

Lennan, Coryell and Lampasas counties in central Texas and in the river bottomlands of Johnson, Ellis and Navarro counties.

The entomologists point out that weather conditions between now and hatching time will have a strong bearing on the number of 'hoppers which emerge from egg beds found during the survey last fall. Cool, wet weather with heavy rains during the spring hatching season could greatly reduce the 'hopper population, says the entomologists. Predators and grasshopper parasites could also have a pronounced effect on the infestations, they add.

A check will be made next spring during the hatching season to determine the areas where control measures may be needed. Farmers and ranchers in the areas where infestations could cause trouble are advised to keep a close watch on the egg beds during the hatching season.

#### A Texas Prize Fight

On the 25th ult., a prize fight took place on Point Island, Texas, between an American named Robert Carn, and a Spaniard named Tamandra Pordyer, for \$1,500 a side. A sporting friend has furnished us a full report of the battle, which was long and obstinately contested. They were both powerful men, Carn scaling 192 pounds and the Spaniard 216, and the "mill" was a very merry one indeed, both parties being delightfully punched and pummeled. They fought thirty-four rounds in two hours and ten minutes, when the stalwart Don succumbed to the superior pluck and science of Brother Jonathan. At the close of the entertainment all hands took to their boats and left for parts unknown.

Jefferson Gazette

#### The Senate and Hell, or the Ministry and Heaven

Another romantic article first appeared in the New Orleans Christian Advocate which makes it appear, in plain language, that a distinguished lawyer in this State had the choice laid before him, of a seat in the U. S. Senate, with the Drunkards grave and an eternity in Hell, or the Ministry, sobriety and Heaven. After some prayerful hesitation he chose the latter. There may be truth in the story, or it may be nearly all romance. But it is a melancholy fact, that very many otherwise good men would exchange their chances for Heaven for a seat in the United States Senate. It is true the politicians' chances may be slim; but we think it no great virtue to give up political life; nor is the cause of religion much subserved by boasting over the acquisition of

a prominent politician.

Southern Intelligencer

An Arkansas paper says: "Drive a stick in the ground, place a hat on it, and name it Johnson, and we will venture to say that it can be elected to any office within the gift of the people. The name possesses a peculiar charm or an unexplainable something that draws the vote of the masses."

The Sherman Patriot says the excitement about the Arizona Gold mines is growing immense, and the overland mail stage was crowded with passengers for the "new diggin's," a few days since.

#### Immigration

The immigration into Texas via the Missouri and Arkansas routes, last fall, is estimated at 30,000. Through the town of Carthage, Mo., alone, nearly 1,800 wagons passed, bound for Texas. That town is not on the principal routes, which pass through Minersville and Fort Gibson, and through Van Buren and Fort Smith.

Mr. and Mrs. Herman Ring of California visited Wednesday with his sister, Mr. and Mrs. J. M. Graham.

Mr. and Mrs. Gordon Moore and son visited Mr. and Mrs. Leland Lewis Sunday night.

Mrs. Grace Bolin of Tendelton, Oregon came Tuesday for a weeks visit in the home of her daughter and family, Mr. and Mrs. J. L. Bartlett.

Club members and guests met Thursday night in the clubrooms for a chili supper and movie. Our appreciation goes to Mr. and Mrs. H. M. Breedlove for showing us the film "Tenderfoot In Europe." A large crowd attended. Mrs. Lois Putman was hostess.

#### USE OF MANURE CAN INCREASE PROFITS

Use of cattle and poultry manure as a source of plant nutrients and organic matter can mean profits in increased production and decreased fertilizer costs, reminds Bill Bennett, extension soil chemist.

The value of manure will depend on the type of bedding or litter used, age and type of animals and type of feed used, Bennett pointed out. In general, however, one ton of dairy manure will be about equal to 100 pounds of 8-4-8. A ton of poultry manure

will equal about 100 pounds of 20-16-8.

Handling of manure prior to application can sometimes have a lot to do with its value, Bennett added. He said the best practice is to haul manure directly to the field, spread it and incorporate into the soil as soon as possible.

"However, this usually isn't practical," Bennett explained. "Hence proper storage and handling is necessary. Manure piles should be covered if possible to prevent rainwater from moving through the manure and leaching out valuable nutrients. It is advisable to keep the pile dry if

possible to prevent heating and loss of nitrogen as ammonia gas. Once manure is spread and incorporated, the chance of losing nutrients is decreased except for normal rainfall leaching."

Crops requiring high levels of nitrogen should receive preference on available supplies of manure. Corn, cotton and grass pasture also give good response. Application rates on these crops should seldom exceed four or five tons per acre. If the supply is limited, as is usually the case, it would generally be better to spread the manure over more acres.

Since cattle manure is low in

phosphorus, application of additional phosphorus may be desirable on very low phosphorus soils. Poultry is relatively low in potassium and additional potassium as muriate of potash may be advisable on low potassium soils. A soil test will reveal your soil's needs.

The total weight of the earth's atmosphere is great enough to crush buildings. But the pressure acts in all directions and presses inward as well as outward. According to the World Book Encyclopedia, the atmosphere weighs more than five-thousand, six-hundred million million tons.

### A NEWSPAPER WAS A RARITY IN MANY AMERICAN COMMUNITIES!

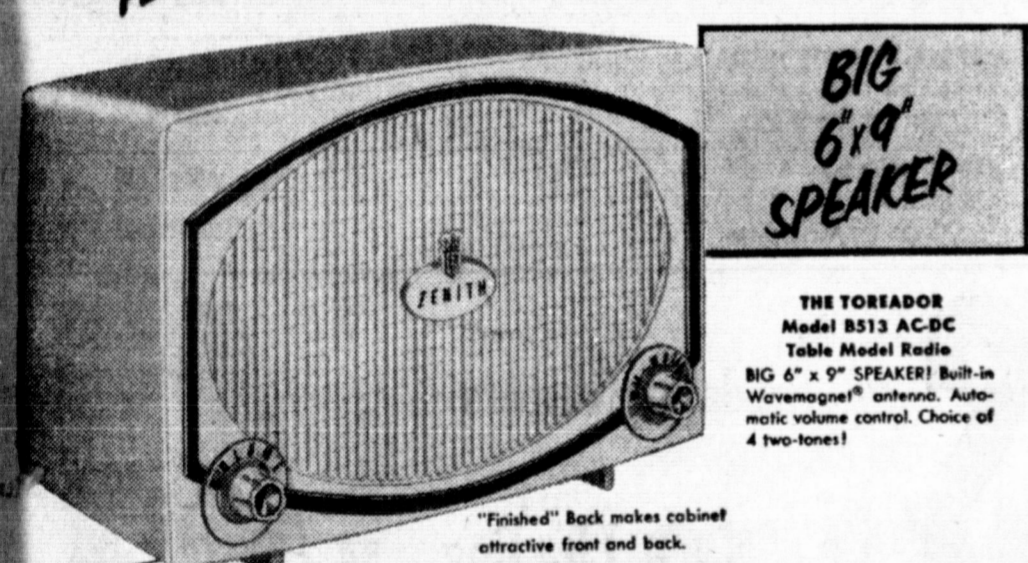

Then—a newspaper was a thing to be marveled at—for memories of the Press' fight for freedom were fresh in mind. Although newspapers are common in our country today, their existence should not be taken for granted. It is a wonderful fact that almost all of our modern communities have their own hometown newspapers, freely edited by members of their own communities—spreading the news, stimulating the business of the community, and keeping their readers informed of important events elsewhere. It is well to keep in mind that a free press and a free people are an unbeatable team.

from the County ASC Committee

## Report On 1958 ACP Accomplishments in Donley County

The 1958 Donley County Agricultural Conservation Program (ACP) shared with farmers in the Donley County Soil Conservation District the cost of establishing selected conservation practices needed to improve and protect their soil, water, and woodland resources. The ACP was administered by the locally elected Agricultural Stabilization and Conservation (ASC) County Committee.

In addition to sharing the cost of conservation practices, the county ACP also helped provide technical services necessary to the success of the practices by transferring \$3,240.00 to the Soil Conservation Service.

Group, composed of the ASC Committee including the County Agent, and designated representative of the Soil Conservation Service, developed the County ASC Committee including the County Agent, and designated representative of the Soil Conservation Service, developed the County ACP. In doing this, the group consulted with the governing body of the Soil Conservation District and got recommendations from ASC Community Committeemen and other agricultural agencies and groups with agricultural interests. The program was designed so that—along with conservation education, technical services, and other conservation efforts—it would be most useful in meeting local conservation problems.

Most of the practices carried out on farms with ACP cost-sharing were needed land treatment measures in the program of the Donley Soil Conservation District.

During the 1958 program year about \$53,464.00 of ACP cost-sharing was used on 279 farms in the Donley Soil Conservation District to help solve particular problems by establishing needed conservation practices. This represents about 34 per cent of the farms in the district. These practices included:

Crop rotation cover for soil protection or land use adjustment, 116 farms, 45,339 acres. Improving range land by deferred grazing, 10 farms, 3,392 acres.

Controlling competitive shrubs on range or pasture land, 7 farms, 1,294 acres.

Wells for livestock water to protect vegetation cover, 6 farms, 6 structures.

Livestock water dams, pits or

ponds to protect vegetative cover, 10 farms, 11 structures.

Constructing terraces, 7 farms, 82,445 lin. ft.

Constructing diversion terraces, 6 farms, 17,437 cubic yards. Erosion control dams to prevent or heal gullying, 3 farms, 3 structures.

Drop spillways for erosion control dams for protection of outlets, 6 farms, 6 structures.

Reorganizing farm irrigation systems to conserve water and prevent erosion, 3 farms, 3,539 linear feet.

Cover for winter protection against erosion, 5 farms, 134.5 acres.

Cover for summer protection against erosion, 9 farms, 305.8 acres.

Stubble mulching to protect land from wind and water erosion, 10 farms, 1,209.8 acres.

Deep plowing sandy cropland to protect from blowing, 51 farms, 1,941.6 acres.

Listing or chiseling cropland for wind erosion control, 48 farms, 4,153.3 acres.

Control of bindweed on cropland, 5 farms, 11.9 acres.

Seeding rye as a cover for the control of wind erosion, 72 farms, 3,397.1 acres.

Cotton burs applied to cropland for the control of wind erosion, 13 farms, 168.4 acres.

In 1958, there were 57 producers who used the Conservation Materials or Services Program and carried out their practices with purchase orders issued to the contractors who did the work for them.

There were 115 farms on which the Emergency F-4-b practices were carried out to rebuild terraces, diversion terraces, earthen dams and waterways that had been damaged by floods in 1957 and 1958. Practically all of this work was done under the CMS program whereby the purchase orders were issued to the contractors who did the work. A total of \$3,680.49 was transferred to the Donley County Soil Conservation Service to help provide technical service for the Emergency Program.

In 1958 there were 228 Donley County farms in the Soil Bank Conservation Reserve Program. The practices carried out on these farms included:

Permanent cover for soil pro-

## Jayhawks Hand Bulldogs First Conference Loss

The Howard County Jayhawks had to withstand a desperate Bulldog rally in the closing minutes of the game to hand Coach Buddy Travis' Bulldogs their first conference defeat of the season at Big Spring Saturday night, 54 to 52.

The tall and fast Howard County team looked like they were going to make a farce of the game in the first half as they built up a 31 to 17 halftime lead and early in the second half, led 37 to 20. At this point the Bulldogs decided to make a game of it and put up a gallant fight for the remainder of the game and were closing the gap fast when time ran out. Clarendon outshot the Jayhawks from the field, making 21 field goals to their opponent's 20, but were cold at the free throw line, hitting only 10 of 20 attempts.

Jack Buttram was high point man for the Bulldogs with 14 points with Bub Eldridge being close behind with 13. Harold Davis was high for Howard County with 11.

The win kept the Jayhawks in a tie for second place with Frank Phillips. Each team has one game remaining on their schedule. If each team wins its remaining game, they will get together for a play-off the latter part of this week to see which team will go with the Bulldogs to the State Meet in Corsicana next week.

## SHIELDS RITES AT QUAIL

Funeral services for Alex Shields were held at the Church of Christ, Quail, Texas, Monday afternoon. J. C. Stepp, minister at the Quail Church officiated. Burial was in Quail Cemetery.

Mr. Shields died at his home Saturday afternoon.

Survivors include the wife, three sisters, and four brothers. Brothers include Newell and Edgar Shields, both of Lelia Lake.

rection or land-use adjustment. 138 farms, 11,020 acres.

Cover for summer or winter protection, 15 farms, 1,054 acres.

## Comets To Enter State Tournament This Week

The Clarendon Junior College Comets will travel to Weatherford, Texas, on Friday of this week where they will participate in the first Texas Women's College State Basketball Tournament. Other teams entered in the tournament are Weatherford Junior College, Wayland College Queen Bees, Henderson County Junior College at Athens, DeCatur Baptist College and Mary Hardin Baylor College at Belton.

The Comets will open tournament play at 7:00 o'clock Friday night against the host team, Weatherford. If they can defeat Weatherford, they will play Henderson County at 9:00 a.m. Saturday. Finals will be at 8:45 Saturday night. If the Comets lose to Weatherford, they will play in the consolation bracket at 1:00 o'clock Saturday afternoon.

Making the trip with Coach Travis and Mrs. Abel will be Janice Martin, Nancy Chalener, Myrlene Nichols, Virginia Sellers, Gay Ivy, Melva Kelton, Jean Sanders, Traverne Gillham, Janie Brotherton and Sharon Holt.

## FORMER TEACHER DIES IN DALLAS

Funeral services for Mrs. P. A. Rawlins, sister of Mrs. Paul Shelton, were held in Dallas last week. Mrs. Rawlins died at her home there following a long illness. Burial was in Laurel Land Memorial Park.

Surviving are the husband, a daughter, a son, eight grandchildren and two great-grandchildren.

Mrs. Rawlins was a teacher in the Clarendon Public Schools a number of years ago.

Mrs. Joe Bownds has been in Mineral Wells for the past 10 days. She returned her parents, Mr. and Mrs. C. E. Killough home with her this week.

Mr. and Mrs. Buddy Davis and family of Panhandle, also Mr. and Mrs. James Vick and family of Lakeview visited Sunday in the home of Mr. and Mrs. Jesse Vick.

## FHA-FFA See Film At Joint Meeting

About one hundred fifty persons—FHA and FFA members—their dates, and other interested citizens saw the film "A Tenderfoot In Europe" at the High School Auditorium Monday evening, February 23. The film was narrated by Cotton John, photographed by Bill Reau, and sponsored by the American National Bank of Amarillo, and told the story of farming, agriculture, and industries of Europe as seen at first hand while on a recent European tour.

High points filmed were in England, Holland, Belgium, Germany, Italy, Switzerland and France. The World's Fair was included in the shots of Belgium. The Fair was in Brussels, Belgium. The part liked by the boys of the crowd was that of the floor shows in Paris, France.

We were shown many historic scenes, too, and everyone present had a great time.

The senior FHA Chapter held a short business meeting after the program. Plans for the Area meeting to be held in Amarillo, March 7, were discussed. Carole Woods was chosen by the Chapter to act as voting delegate at this meeting.

Nominations for the FHA Girl of the Month were Judy Thompson, Jackie McClellan, Connie McMurtry and Robbie Johnson. Robbie Johnson was elected Girl of the Month.

Reporter

## HOSPITAL NOTES

Patients as of Wednesday, Feb. 25th—H. T. Burton, Dr. Joe Goldston, Mrs. Alfred McMurtry, Mrs. H. L. Riley, Sr., Mrs. C. A. Roehr and Mrs. Tom Heatherly.

Dismissals—Kate Beverly, Ben Chamberlain, Charles Deyhle, Jr., Mrs. U. T. Fowler, Eddie B. Jones, Howard Jones, Jr., Mrs. Joe Pfeiffer, W. W. Roney, Becky Runner and Mrs. Homer Estlack.

Mr. and Mrs. James Vick of Lakeview and Mr. and Mrs. Jesse Vick visited in the C. W. Martin home Sunday afternoon.

## To Play Lions

GOOSE GARVOUTTE

Pictured above is one of the Arkansas Travelers team members who will be playing against the local Lions Club basketball all men's team here the night of March 10th. This girls team is rated as the No. 1 Women's basketball team in the world and will really put on a show here against the local men who are being coached by Waylan Newman. Newman says his boys are whipping into shape and will be ready to give the Travelers a first class battle.

Green Stamps PHONE 5 WE DELIVER

### PLOWIN' Out the CORNERS

by Uncle Zeb

Mrs. Francis Louis, who hails from 14898 Lauder St., Detroit 27, Michigan, and happens to be some of our folks who writes to cast her vote on the "Good Ole Days" discussion for the "Good Old Right Now." She concedes that folks used to have lots of good times but she thinks all the modern day inventions and the fact that our world of every day life is so much broader that we modern day folks have the most blessings. She mentions the automatic washer that did away with "Blue Monday," and our ability to visit friends in other states. She wonders about the next century and predicts that even greater things will be coming along. Some of you write to this former Texan who is all stranded in the snow bound water soaked, frozen country up north. Thanks Frances.

Mrs. J. J. Justiss of Claude, Texas handed us the following bit of verse or truth. It is so very true . . . "Rock-a-bye baby, why do you fret? Are you aware of the national debt? Father has gone around the corner to vote Millions in bonds for his snookums to tote. Are you suspicious? Sleep while you can; You can squirm later, dear, when you're a man."

A real nice letter from Mrs. B. R. Conway of Box 41, Gene Autry, Oklahoma. She tells us of how their little town of Berwyn changed the name after the famous cowboy movie star bought a ranch near there. A petition was circulated and everyone signed up for the change and the whole countryside and all around turned out for the celebration. The signed scroll is now in Washington, D. C. All this happened back in 1942. Since then Gene Autry has sold the ranch but the name will stick.

The following also came from Mrs. Conway, and we are so very thankful. "The man who wants to get rid of the Sabbath because it is an ancient custom ought to try getting rid of the sunshine." "No wound bleeds longer than the cutting jest or slander."

"If you want to be rich—Give If you want to be poor—Grasp If you want abundance—Scatter If you want to be needy—Hoard"

**MYSELF**  
One day I looked as myself, At the self Christ can see; I saw the person I am today And the one I ought to be. I saw how little I really pray, How little I really do; I saw the influence of my life How little of it was true. I saw the bundle of faults and fears, I ought to lay on the shelf; I had given a little bit to God.

But I hadn't given myself, I came from seeing myself, With a mind made up to be The sort of person that Christ can see With a heart He may always see.

Another letter comes from Mrs. Ray Smith of Box 1281 in Plainview, Texas. She takes her stand for the "Gold Ole Days." She thinks of the times when we were not in such a hurry. When we had time to play with the children and when a new baby was a community event. Then, Mrs. Smith thinks that modern day TV has taken up too much of our time, and keeps us from doing many things to help other folks.

The following poem was also sent to us by Mrs. Smith and was written by her sister Ola Curry. It is called:

**I WISH I COULD**  
I wish I could always say things nice and sweet, About people I know, and the people I meet. I wish I could spread sunshine wherever I go, I wish I could always smile; not letting frowns show. I wish I could do for others, acts great and small, Trying to help through troubles, not gossiping about their fall. I wish I could be given a world of strength in my arms, To lift up each weak one, and shield them from harm. I wish I could see in everyone, the goodness that is there, And unfold it in the heavens, to be seen everywhere. I wish I could heal pain, by the touch of my hand, And send out the white dove, to bring peace to our land. There are so many things I keep wishing I could do, Yet I'm only one person, and my talents so few. But if I keep on trying, and praying, though human I be, I could start a chain reaction of kindness for all humanity.

If you have written us lately and we haven't gotten around to mentioning your contribution don't be out of patience with us. Actually, we just talked too much about our trip and got behind or ahead whichever way one would say it. But we are so thankful for every kindness and for each little item you remember to send us.

We have said it before and we say it again; the editors pay us a little bit for our efforts but the best pay we make, and the pleasant little things that happen as we walk along life's way together, I even appreciate my brother-in-laws. Honest, I do.

In no place does a passenger have less control of his life than in an automobile.

# TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

## LINCOLN'S BIRTHDAY

A few days ago marked the 150th anniversary of the birth of Abraham Lincoln. It has been traditional in the Congress to celebrate the birth of Abraham Lincoln by proper and fitting ceremonies and remarks. This year, being the 150th anniversary, the ceremony was much more elaborate. A Joint Session of the House and Senate was called to order by the Speaker. It was also attended by representatives of every branch of the government and most of the foreign powers represented in this country. The invocation was delivered by the Reverend Bernard Braskamp, Chaplain of the House, and the benediction was de-

livered by the Reverend Dr. Frederick Brown Harris, Chaplain of the Senate. The famous Gettysburg Address was delivered by Mr. Frederick March, who was selected for the role by the Motion Picture Association of the United States of America. This was followed by one of the most moving addresses it has been my experience to witness during my lifetime. It was delivered by a great historian, Mr. Carl Sandburg, who is probably the greatest authority of all time concerning the life of Abraham Lincoln. I wish there was room in this newsletter to repeat the address, but there is not. However, I do want to quote one part of it and comment on it. Mr. Sandburg, in discussing the trials and tribulations of Lincoln, made this statement:

"He argued and pleaded for compensated emancipation of the slaves. The slaves were property, they were on the tax books along with horses and cattle, the valuation of each slave written next to his name on the tax assessor's books. Failing to get action on compensated emancipation, as a Chief Executive having war powers he issued the paper by which he declared the slaves to be free under 'military necessity'. In the end, nearly \$4 million worth of property was taken away from those who were legal owners of it, property confiscated, wiped out as by fire and turned to ashes, at his instigation and executive direction. Chattel property, recognized and lawful for 300 years was expropriated, seized without payment."

Mr. Sandburg, in this short statement, put his finger on the cause of the War Between the States. Contrary to the beliefs of many, slavery was not the question. The question was the unlawful confiscation of property. There has never been a doubt in my mind but that had those who

brought these unfortunate people into this country and sold them into slavery been as anxious to right a wrong born of their action as they were to sell these people, there would never have been a War Between the States. No Christian human being would today argue as an advocate of slavery. The South would gladly have relinquished any claim to property ownership in a human being, but they did feel that they had the right to ask for and receive a return of the price they had paid to those who were clamoring for the violation of a vested property right at this time.

I am glad that the remarks of Mr. Sandburg have been imprinted in the Congressional Record. He did a wonderful job in preparing his speech and it will serve as a rich source for reference in the future.

## OLD HOME WEEK

Last week was like Old Home Week for Texans in Washington. The NRECA (National Rural Electric Cooperatives Association) held its annual meeting in the Nation's Capitol. Of the 7,000 delegates registered, well over 500 came from Texas. The Panhandle sent a sizable contingent of almost 30. Most of them were able to come by the office for a visit. The Texas Delegation in Congress entertained the Texas group at a coffee in the room in the Capitol originally occupied by the Senate of the United States, then occupied by the Supreme Court before it moved to its present building, and now used for committees and other purposes. This room is steeped in history and is one that should be visited when you come to the Capitol. The NRECA group from Texas entertained the Texas Congressional Delegation at a wonderful dinner in Sheraton Hall at the Sheraton Park Hotel, the largest meeting hall for this purpose in the Nation's Capitol. All of us enjoyed ourselves and had a good visit. Those attending, ac-

## Proposed Bill To Increase Truck Weights

Austin — A meeting has been set for the Senate Transportation Committee to consider the proposed legislation that would increase the Texas truck weight to 72,000 pounds, including vehicle. Other provisions of the present law would remain unchanged, no weight in excess of 650 pounds per inch width of tire; no single axle to carry a load in excess of

18,000 pounds; no tandem axle to carry a load in excess of 32,000 pounds; no tractor semi-trailer to exceed 50 feet length; no vehicle to exceed 96 inches overall width; no vehicle to exceed 13 feet 6 inches height.

Total gross weight of 72,000 pounds, including vehicle, could be carried provided the vehicle be a five-axle combination with 18 tires. By adding an axle with four tires the weight per inch width of tire would actually be reduced to only 400 pounds—250 pounds less than the present legal limit.

Senators William S. Fly of Victoria, Abraham Kazen, Jr., of Laredo and Wardlow Lane of Center, sponsors of the bill, said in a statement that this bill will permit the "use of the most economical highway transport vehicle in Texas." The statement continued:

"This will mean millions of dollars in savings in transportation costs to Texas growers and shippers.

"Transportation facilities are prime factors in the inducement of new industry to settle in Texas. Recently, Texas voters authorized the spending of state funds to attract new industry. But new industry will go where there is a favorable business climate and a favorable transportation climate. These two factors are inter-

dependent. You can not have one without the other.

All the states adjoining Texas have the advantages of increased truck-carrying capacities. Those states offer a greater transportation inducement to new industry than does Texas.

## GOVERNOR PROCLAIMS 4-H WEEK IN TEXAS

College Station—By proclamation, Governor Price Daniel has designated the week of February 23-March 7 as 4-H Week in Texas. The week is also being observed nationally.

"In 1914," Governor Daniel said, "the United States Government invested in the rural youth of our nation through the 4-H Club program. Since that time, more than 20 million young people have received the benefits of this vast program and become 4-H alumni. These alumni are engaged in farming, ranching, homemaking and a variety of other occupations. Throughout Texas and the Nation a special salute is extended to them."

In a letter to the 111,000 4-H Club members in Texas, the Governor said, "Since the 4-H Club program was organized 50 years ago, members of your organization have made outstanding contributions to the material wealth of Texas and the Nation. More important, as young people, you

represent the richest resource of our State.

"I extend sincere congratulations to each of you on your fine accomplishments of the past year and join the people of Texas in saluting you, your parents, adult leaders and friends who make this program possible.

"Please accept my best wishes for 1959 and the years ahead. May you continue to build yourselves, your homes and your communities, and thus help build our State and Country. The future holds bright promise for our land, and as 4-H Club members you have a vital share of this future."

Plans for observing 4-H Week are being perfected in the counties and will include special recognition for 4-H alumni. More than 1,000,000 Texas young people have been 4-H members during the past 50 years. Today, 4-H alumni are leaders in business, industry, the professions and government, and are among the strongest supporters of the Agricultural Extension Service sponsored organization.

No man is fully educated until he learns to read himself.

That's what users say of Golden ESO Extra gasoline . . . and truer words were never spoken! Golden ESO Extra will improve the performance of any car in any price class.

It is a modern gasoline of highest octane rating and exceptional purity, formulated with special chemicals from Humble's great Baytown refinery. It gives superior anti-knock performance; it burns cleaner than any other gasoline; it eliminates "bucking" when you start and "rumble" as you run; and it adds the power and response that make driving safer and—yes, more fun! As one Humble customer puts it, "Golden ESO Extra wakes up your car!"

The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel. Any car in any price class.

See for yourself—fill up with Golden ESO Extra under your neighbor's Humble sign. Every time!

Well Developing and Repairs. PEERLESS PUMPS EDWIN EANES Naylor Route, Clarendon

rock Hilton Hotel.

Features of the March 3rd meeting will be: (1) A color presentation of the big 1959 sales program; (2) feature speaker Al Erickson of Chicago...

Sam von Rosenberg, state manager of this dairy farming association, stated, "We surely hope this will be another successful annual meeting."

The American Dairy Association of Texas is a Sales-Marketing program of Texas dairy farm-

ers. This program is active in 48 states building better markets for the dairy farmers and giving the public new recipes, uses, and information regarding milk and milk products.

Hereford Show & Sale At Pampa March 2-4

The Top O' Texas and the North Plains Hereford Breeders Associations have joined forces in sponsoring their annual show and sale to be held in Pampa, on March 2nd, 3rd, and 4th.

Judging of all breeding cattle will be held on Tuesday afternoon at 1:30 p.m. with Milton England, head of the Agriculture Department, Panhandle A&M College of Goodwell, Oklahoma, doing the judging.

The sale will be held on Wednesday, March 4th, at 1:00 p.m. with Colonel Walter Britten of College Station, Texas, auctioneer.

The Top O' Texas Junior Livestock Show and Sale will be held along with the Breeders Show. A total of 225 hogs and 76 steers are entered in the Junior Show.

Money Available For Conservation Work

Is conservation being left out of your farm plans because of the cost involved? Would you include it in your plans if you could receive financial assistance and procedural advice?

If you answer "yes" to both these questions you may be interested in some programs that can help make this increasingly important practice a part of your operations, suggests Lynn Pittard, extension assistant soil and water conservation specialist.

The Farmers Home Administration has money available to

lend for soil and water conservation work, Pittard explains. As much as \$25,000 may be borrowed and paid back in 20 years or less.

The Agricultural Conservation Program is a cost-share program which provides up to 80 per cent assistance for conservation practices.

The Great Plains Conservation program, another cost-share program, provides assistance to 76 counties in the Great Plains area of Texas. It is administered by the Soil Conservation Service.

All of these programs are designed to encourage and assist farmers and ranchers in carrying out conservation work, Pittard points out. Information on these and other programs and facilities for which you might be eligible may be obtained from the office administering the program or from your local county agent.

EXPLORER SCOUT POST 37 HAS STUDY PROGRAM

The Explorer Scouts of Post 37 have had some very interesting study programs the past several weeks. Carlie Bennett has attended the last three meetings this month and has talked to us about mechanics.

In January, Barney Horton explained a few things about a car motor.

The last weekend in January, six Explorer Scouts and two leaders made a two-day stay at Amarillo Air Force Base. While at the base, we visited the radar station, tests cells, hangars, and the weather station.

In our meetings next month we will study Driver Education.

PONTIAC NAMED CAR OF THE YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling... performance and styling of any '59 car" —The Editors of Motor Trend Magazine

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

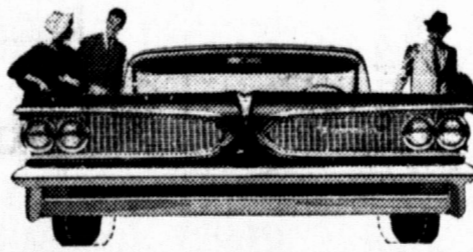

"Pontiac's lines are clean, simple and beautiful. It has a fleet look, a trim appearance. The wide wheel design contributes greatly to its

over-all integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Tempest economy engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

THE ONLY CAR WITH WIDE-TRACK WHEELS

Wheels are five inches farther apart. This widens only the stance, not the car. Pontiac takes a better grip on the road, hugs tighter on curves and corners. Sway and lean disappear, ride is smoother, balanced, steadier. Handling is easier. You drive with a new confidence, a comforting security. Pontiac gives you roadability no "narrow gauge" car can offer.

FREE! If you would like a reprint of the complete, illustrated article with all the tests and evaluations on which Motor Trend judged Pontiac "Car of the Year"—see your Pontiac dealer or simply send your name and address on a postcard to Pontiac Motor Division, Department 10, Pontiac, Michigan.

Now—call long distance anywhere with a Telephone Credit Card

You're welcome to use anyone's phone—no embarrassment with your host—no need to reverse charges, either—with a Telephone Credit Card taking care of all charges on your long distance calls.

It not only makes phoning faster—but the charge, placed on your home or office phone bill, is a record for accounting purposes.

A General Telephone Credit Card is good anywhere in the country. We'll be glad to issue one to you—without charge—if you'll phone our Business Office.

**GABIE BETTS BURTON LIBRARY NOTES**

By May L. Prewitt

We have been very fortunate this week. A friend said she would pay for John O'Hara's "From The Terrace for the Library. John O'Hara terms this his best piece of work, and his longest book, 893 pages. It takes the leading character, Alfred Eaton, thru World War I and his life as a sub cabinet officer in World War II. To quote "the story is told with candor and compassion, humor and wisdom, and it is, in the author's own words his best."

We have two children's books, "Timmy Rides The China Clip-

per," and a precious edition "The Dear Little Deer," by a Swedish author and artist Maj. Lindman. The children will find the last fascinating and the first instructive. The author explains in the forward that the story about which the story revolves is not technically the China Clipper but the Boeing California Clipper which makes the trip to China for Pan American Airways System. This is a book copyrighted 1947, but I did not know this when I ordered the book. However, the children will learn much about airplane travel.

Quite a few March magazines are on the reading rack.

We need one more State Institution—An asylum for high-speed artists.

**Party Registration**

There is a concerted movement underway this session to provide for registration of all voters according to their party preference. In other words, when you buy a poll tax you state whether you are a Democrat or a Republican or an Independent.

In essence this is a good bill. Stewards in the Methodist Church should, of course, not be allowed to vote with the Deacons of the Baptist Church in their church affairs. Neither should Republicans be allowed to control the Democratic party.

**Objections To Bill**

I have one major objection to the bill as it is written, however. The bill would require all our elder citizens to register. As present our older folks in the smaller counties do not have to buy a poll tax or register. I would like to leave that part of the law as it is now.

Perhaps the bill can be amended to require only those who now have to buy a poll tax to designate their party affiliation.

**Driver's Education**

I have had a great deal of correspondence during the first part of the session regarding a State program of Driver's Education.

Certainly we are all for increased safety on our Texas highways. A program of Driver's Education would undoubtedly in

the years to come be helpful in reducing the number of accidents.

**Major Difficulty**

The major difficulty this time is, of course, money. A complete program of Driver's Education would cost in the millions of dollars. The more millions we spend, the more millions we must raise in taxes. If we can solve our money problem, this program should pass.

**PUBLIC OPINION POLL**

How do you want your Representative in Austin to vote? Express your desires to him.

1. Compulsory driver's education in high schools.  For  Against
2. Require showing of car insurance prior to buying car license plates.  For  Against
3. Registration according to political party of all persons required to buy poll tax.  For  Against
4. Continuation of present Farm to Market Road program.  For  Against
5. When children involved, a divorce decree shall not be final for 1 year.  For  Against
6. Holding primaries in May instead of July.  For  Against
7. Repeal poll tax as qualification to vote.  For  Against

**Electric COOKING COSTS LESS THAN 3¢ A MEAL**

How would you like to walk into your kitchen and have a whole staff of chefs working away for you? Well—that's just about the way you feel, the day you start cooking with a modern Frigidaire electric range. And just think how inexpensive this modern electric cooking really is. It costs less than 3¢ a meal for the average family served by WTU to cook the modern electric way. About \$2.34 per month lets you cook the electric way. Why don't you start today!

Electricity COSTS SO LITTLE — YOU CAN USE LOTS OF IT!

Morning—Chevy panel hustles over causeway to St. Petersburg.

**Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!**

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 587 miles a day... runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

This year, the light-, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip anything that comes their way—and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevies of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy! If you have a job that puts a truck on its mettle, see your Chevrolet dealer!

**No job's too tough for a Chevrolet truck!**
