A Common Paper for Common People

advising their members to write to their Congressmen and demand cutbacks in spending and cooperation with the President in obtaining a balanced budget. I point out again, as I did in a previous newsletter, that cooperation with the President does not necessarily mean a balanced budget. If we have a balanced budget this year without raising taxes, it will result from some

this last philosophy one that many of which has caused the public debt in years of more than dollars, and the many more billion taxes that should be paid on the public many government—especially in the department—are tied with the interests industrial and business our economy. H being what it is, for the "cut ever philosophy, which the figures that I together on a fe

### Rash Of Grass Fires Cause Alarm Here

Mayor H. T. Burton, along with Fire Marshal Geo. L. Green, issued a request for full cooperation of local citizens regarding burning of trash, etc., as numerous fires and alarms have been turned in the past several days causing considerable concern in regard to the possible loss of more costly property.

The lack of moisture and high winds make it very dangerous to set fire to trash barrels or trash piles. It is especially dangerous to fire a trash barrel and go away leaving it unattended. Most of the fire alarms to date have been caused by fires starting from trash barrels. These fires could easily spread and set fire to your home or other costly structures.

Mayor Burton stated that it was not necessary to fire trash barrels as the city garbage crew is making the rounds twice each week now to help eliminate this hazard. We would prefer that no trash in barrels be burned at all, he added.

If you have a vacant lot or any area that needs burning off, just call the Fire Dept. and they will send the truck out and burn it for you, eliminating any chance of destruction.

### Plans Underway For July 4th Celebration

The Clarendon Outdoor Entertainment Association, under the direction of the new president, W. J. (Bill) Greene, is getting off to an early start in making plans for the annual Fourth of July Celebration which will be held here July 2, 3 and 4th.

At a meeting last week, the board of directors voted to rebuild the bucking chutes and catch pens at the rodeo grounds. They are to be constructed with iron pipe and all welded together. The plans for the new chutes was designed by Morris Stevens of Silverton who will again furnish stock for the four rodeo performances. The new set-up will provide a much faster show than in the past.

The annual free barbecue on the fourth will be featured again and a big parade is in the planning stage for either the 3rd or the 4th.

The Association board is composed of W. J. (Bill) Greene, president; Fontayne Elmoer, vice-president; Kenneth Vaughan, secretary - treasurer; directors: Douglas Shelton, Horace McClellan, Bill Cushing, Pete Borden, L. L. Wallace and Bill Porter.

### Jr. High Honor Roll Announced

The following is the honor roll for the fourth six weeks for the Jr. High School as announced this week by Principal Stina Cain:

A's and B's—John Cearley, Jim Formway, Sue Phelan, Schellon Barker, James Bates, Billy Joe Hutton Gerald Johnson Johnnie Lemons, Danny Ray, Carol Spencer, Connie Williams.

### Comets To Play Queens Here Tonight In Final Home Game

The Clarendon Junior College Comets will meet the Wayland College Flying Queens here tonight in their final home game of the season. The two teams will meet again next Tuesday night in Plainview.

The game tonight will be the second game of a double-header. The first game, a boys' game,

will start at 7:00 o'clock and the girls' game will follow.

This will be the sixth meeting of the year with the fabulous Queens and the Comets have yet to score a victory over their friendly rivals. The Comets this year are currently sporting a record of five wins and 13 defeats. The wins have been over Shepard Air, Force of Wichita Falls, Gray, Weatherford Junior College, twice, and one win over Henderson County Junior College. The defeats have been five to the Queens, two to Iowa Wesleyan College and four to Nashville Business College. Their defeats have all been to the top teams in the nation. NBC won the national crown last year by defeating Iowa Wesleyan in the finals after upsetting Wayland in the semi-finals. Wayland had won four straight national titles and had a string of 131 straight wins prior to their defeat by NBC last year.

### Mystery Man To Show Powers Of Hypnotism

What do you think you would do in a hypnotic trance? Merlin, the Hypnotist, who is appearing at the College Auditorium on Friday, March 20th at 8 p.m., will call a number of willing volunteers from the audience. While under hypnosis, they will shiver from cold, see a motion picture and other uncanny demonstrations, which Merlin achieves through the power of suggestion.

A feature of the show is to make a volunteer stiff as a board, then stretch him between two chairs—his head on the edge of one chair and his heels on the edge of the other. Then Merlin stands on the person's stomach. After it's all over, the volunteer remembers the demonstration as though it had taken place in a dream. To demonstrate the power of post hypnotic suggestion, Merlin tells the volunteer that their right foot will be fastened to the floor when they try to leave the stage. They will find it impossible to leave the stage until Merlin breaks the spell.

Another feature is Erna the Princess of Magic, who has mastered the Hindu Basket trick.

Merlin is one of the few magicians who have mastered the escape from a straight jacket, which is generally considered to be the most difficult of all the magicians' accomplishments. Instead of escaping from a thoroughly examined and padlocked box, as the Great Houdini used to, Merlin locks a young lady in the box, and then in a matter of seconds, the lady is out and Merlin is in. The box is unlocked, the lid removed, and out jumps Merlin.

Were Houdini alive and active today, undoubtedly the two magicians would be close competitors for the top position as escape experts.

Merlin is being sponsored here by the local Lions Club. Admission will be \$1.00 for adults and 50 cents for students.

Coach Travis has indicated that he will probably start Janice Martin, Nancy Chalener, Myrlene Nichols, Virginia Sellers, Melva Kelton and Gay Ivey in tonight's game. Other girls who may see action include Janie Brotherton, Jean Sanders, Traverne Gillham, Sharon Holt and Jo Ann Bennett.

The boys' game will match the Clarendon Independents against either some visiting team or a team made up of this year's graduating sophomores. The Independents are composed of college boys who are either ineligible this year or were not quite capable of making the Bulldogs squad. They are sponsored by Mr. Walter B. Knopp of the Donley County State Bank and feature such players as Marvin Young, Charles Wells, Johnny Hudson, Richard Valance, Pat Wilkins, Charles Roberts and Carl Irbeek. They will be bolstered for tonight's game by regular Bulldog squadmen Alva Carter, Felix Johnson and H. D. Yarbrough. The competition, if Coach Travis is unable to get an outside opponent, will come from this year's sophomore squadmen which will include Loyd Stephens, Bub Eldridge, Jack Buttram, Benny Lesley, Gerald Garvin and Max Whittington.

Rev. and Mrs. W. R. Lawrence of Dalhart were weekend visitors in the home of Mr. and Mrs. O. C. Watson. Rev. Lawrence preached at the Baptist Church Sunday.

### Former Resident Dies In Amarillo

Funeral services were conducted at 2 p.m. Monday, March 16, at Blackburn-Shaw Memorial Chapel, Amarillo, for Mrs. Nora Lee Mace. Rev. Taft Holloway, pastor of Tascosa Baptist Church, officiated. Burial was in Llano Cemetery.

Mrs. Mace, wife of T. Frank Mace, died at the family home in Amarillo Friday afternoon. She was a native of Hamilton County. In 1904 she moved to Donley County and resided here until the move to Amarillo in 1927.

Surviving are the husband, a son, Cliff Mace and a daughter, Mrs. Ed Burke, both of Amarillo; two sisters, Mrs. Lizzie Talley of Clarendon and Mrs. Cora Patterson of Pampa; two brothers, Jim Warren of Clarendon and Ray Warren of Las Vegas, Nevada; also two grandchildren.

Attending services from Clarendon were Mr. and Mrs. Chester Talley, Mrs. C. J. Talley, Mr. and Mrs. Will Mace, Mr. and Mrs. Bob Williams and Mr. and Mrs. J. A. Warren and Evelyn.

### Welding Short Course Has Full Enrollment

Twenty Donley County men are enrolled in the welding short-course being held at the Vocational Agriculture Department this week. The course is being sponsored by the local Vo-Ag Department and the Donley County Farm Bureau. C. B. Edward, Texas Education Agency Welding Specialist from College Station, is serving as instructor for the group which has been meeting from 7 to 10 each night this week.

The course has been made possible through the cooperation of the Big Three Welding Supply Company of Borger and the 4-R Industrial Supply Company of Borger and Pampa. These two companies are furnishing the welding machines that are being used in the course this week. Originally a maximum of 16 men were to have been enrolled in the course, but the two companies furnished enough welders so that 20 men were allowed to enroll.

The high school vocational agriculture students have been enjoying the use of the welders during the week. This has been their first chance to study welding as the local department has but one welder and only two students can use one welder at the same time. The metal for use in the course was purchased as scrap from the Amarillo Iron Works by the local ag department.

The majority of the course has been spent in a study of electric arc welding but cutting and hard surfacing with the acetylene torch has also been stressed.

### Schools To Observe Easter Holidays

The Clarendon Public Schools and Junior College will observe Easter Holidays this year on Friday and Monday, March 27th and 30th, according to an announcement released by W. W. Pinkerton this week.

### HOSPITAL NOTES

Patients as of Wednesday, March 18—Mrs. John Bass, Mrs. Betty Keys, Gilbert Bellah, Mrs. John McClellan, Mrs. Harmon Goodman, Mrs. Eva Rhode, Simmons Powell, Mrs. H. H. Flowers, Mrs. James Watts and Mike Heath.

Dismissals — Dwight Bennett, Ed Brown, T. W. Holland, J. A. Howard, R. C. Johnson, Clyde Price, Jr., Mrs. Ned Scaff, Mrs. Jennie Stone, Mrs. Walter Taylor and L. M. Wilson.

### Sale Of License Plates Lagging

According to a report from the county tax office, only about half the usual number have been in to purchase their new car and truck tags for 1959.

This is quite distressing to the tax officials as the usual number is over 2,000 which means there is going to be a mad rush in turning out the remaining 1,000 sets with less than two weeks before the deadline.

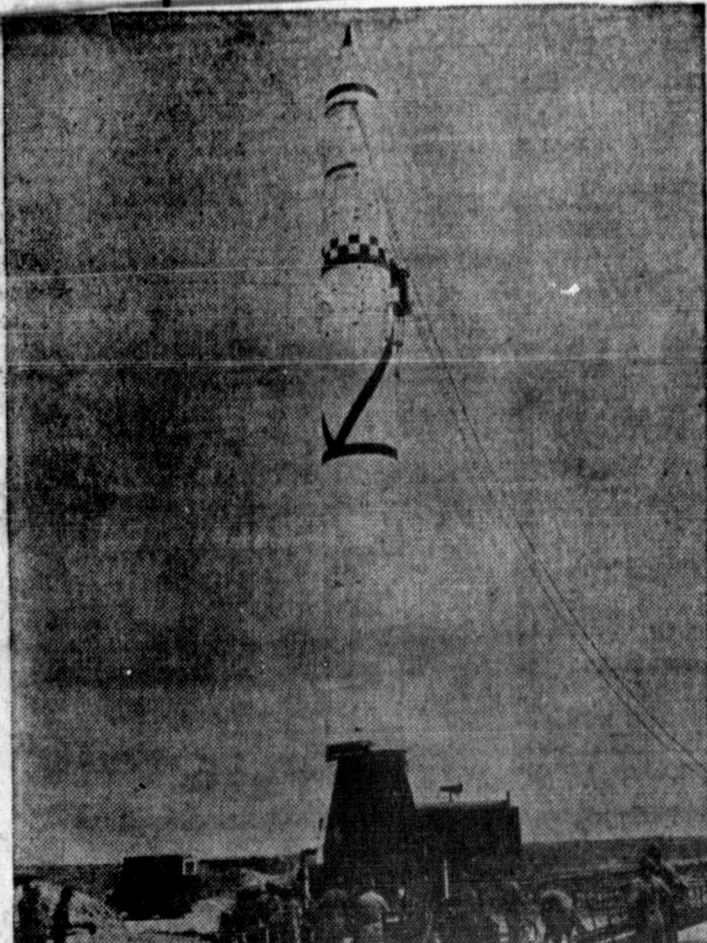

You want to remember that it will be unlawful to operate your vehicle on a public road after March 31st without the new tags. You want to keep in mind that the deadline for Auto Inspection stickers is midnight April 15th so don't get caught napping as this carries a nice fine also.

### MIKE HEATH RECEIVES BRUISED LEG IN ACCIDENT

Mike Heath, son of Mr. and Mrs. Hershel Heath, received a bruised leg as a result of a motor scooter-car collision in the west part of town Tuesday night.

Deputy Sheriff Troy Marsh reported that Mike's scooter was in collision with a car driven by Mrs. Norris Spurgeon at the intersection this side of the water tower on the Ashtola farm-to-market road.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The National Book Award was won by Bernard Malamud of Oregon State College — "The Magic Barrel" is the book. It is a collection of short stories.

We received two St. Patrick Day memorials dedicated to the memory of Mr. Frank Phelan, Sr., as he was quite pleased with his Irish ancestry. "Pause For Living" was given by the Frank Phelan, Jr., family and the Carl Almonds. This is a beautiful collection of bound copies of the issues of "Pause For Living" that will prove of value in the floral arrangements for special occasions.

Mrs. Morrow of Bonham, his sister, sent an Irish story—the book "Famine" by Leon

cousin, Mrs. Eva Mobley, who is ill Thursday and Friday. She is still in the hospital in Amarillo.

Mr. and Mrs. Frank Cannon and family spent Sunday with Mr. and Mrs. R. Cannon.

Mr. and Mrs. Benny Benton and Rickey left for Dallas Monday afternoon. Benny is going to a doctor down there.

Mr. John Perdue spent Sunday night with Mr. and Mrs. Geo. Bulman.

Kenneth and Sherrie Elliott of Amarillo spent two days last week with their grandparents, Mr. and Mrs. Othel Elliott.

Mr. and Mrs. L. O. Christie went to Groom Hospital Sunday night to see Geo. Self.

Mr. and Mrs. Hubert Martin and family from Dalhart, Francis and Jackie Martin of Amarillo, and Mrs. Gladys Christie of New Deal spent Sunday with Mr. and Mrs. L. O. Christie.

O'Flaherty. Each of these are very appropriate for a St. Patrick gift, as the first was compiled by a firm he had been connected with in his business and the other he was happy, as I stated previously in relation to his Irish blood.

We have not received any other gifts recently, or made any purchases.

ASHTOLA NEWS

Mrs. Doyce Graham

The first place winners of the eighth grade group boys were Gary Campbell, Felix Hilburn and Steve Richerson. They will go to the Amarillo Science Fair. Their project was a rocket launcher made of glass tubing, wire, a rotary tube and batteries. The poster showed diagrams of the sucking coil, a right hand test for magnetism and magnetic force.

Dr. R. W. Bingham To Direct Summer Institute At U. of H.

A \$52,600 grant has been awarded the University of Houston's College of Technology to support a summer institute in engineering science and mathematics.

The grant was made by the National Science Foundation.

The institute to be directed by Dr. R. W. Bingham, assistant professor of related courses in the college, will be held for eight weeks beginning July 1, and will be attended by Technical Institute and Junior College teachers.

The grant covers stipends and attendance allowances for 40 participants and operational expenses of the institute. The stipends will include \$75 per week for each participant, plus \$100 a week for each dependent to four.

No tuition will be charged and holders and they will reimburse expenses of four per mile for the round-trip to the University of Houston.

The program, dealing with the areas of electrical phenomena, mechanical phenomena and mathematics, will be conducted at both the grad-

uated and undergraduate levels. Dr. Bingham is the son of Mrs. R. C. Bingham of Clarendon.

Mrs. L. O. Dennis of Memphis visited Saturday with her daughter and family, Mr. and Mrs. Dick Vallance. Linda Vallance accompanied her home to visit a few days.

Mr. and Mrs. W. A. Bennink of Pampa were Sunday visitors in the A. O. Hefner home.

THANKS FOLKS - for coming to our big showing of this new Tractor last week. If you haven't seen it yet, come by, you are always welcome.

YOU DON'T NEED A CLUTCH— JUST A LIGHT FINGER TOUCH!

FORD SELECT-O-SPEED ALL-PURPOSE TRACTORS

Hydraulic power does the actual shifting, but it's controlled by this handy lever under the steering wheel.

Now, for the first time, you can shift on-the-go to any speed you want, any power you need, by a simple touch of your finger! Ford All-Purpose Select-O-Speed tractors give finger-tip, clutchless shifting to any of 10 forward and 2 reverse speeds so you can match pull-power and speed exactly, instantly, to changing field conditions. And with Ford's new

independent PTO, you engage or disengage the PTO shaft on-the-go, at any time. Come in and test drive a Ford All-Purpose Select-O-Speed tractor today — see what it can do for you!

### TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

#### THE SPENDING ISSUE

I am deeply appreciative of the many letters that I have received recently expressing concern about the fiscal condition of this country. I realize that some of this mail was prompted by organizations here in Washington advising their members to write to their Congressmen and demand cutbacks in spending and cooperation with the President in obtaining a balanced budget. I point out again, as I did in a previous newsletter, that cooperation with the President does not necessarily mean a balanced budget. If we have a balanced budget this year without raising taxes, it will result from some

conflicts with the President rather than cooperation. It is always good to hear from the people at home, and I only wish that they would write more, even when they're not asked to by some organization here in Washington. Some of these organizations, upon close scrutiny, would appear to be riding the same horse in several directions at the same time. They are saying, "cut expenditures," but what they mean is "cut expenditures on all projects except those that affect our members." It is this last philosophy and the real one that many of them espouse which has caused an increase in the public debt in the past six years of more than 19 billions of dollars, and the expenditure of many more billions in increased taxes that should have been paid on the public debt. A great many government expenditures—especially in the Defense Department—are tied in directly with the interests of certain industrial and business facets of our economy. Human nature being what it is, this accounts for the "cut everybody but us" philosophy, which accounts for the figures that I have gathered together on a few of the sub-

jects involved and pass on to you. The gross public debt of the United States on February 19, 1959, stood at 285 billion 91 million 705 thousand 969 dollars. On January 1, 1959, the population of the continental United States, including the armed forces overseas, stood at 175 million 602 thousand. This means that every man, woman and child born owes about \$1,624, one cent more or less. Many of us are happy that our forefathers had the foresight to forbid imprisonment for debt; otherwise, many of the children born today would go from delivery room to jail, where they would find plenty of grownups waiting for them.

In addition to the debt, it might be well to point out that for the fiscal year of 1958, every man, woman and child had to cough up the sum of \$43.31 in interest charges for the use of the \$1,624 they didn't realize they owed in the first place.

In addition, it might also be well to point out that they are going to have to cough up an additional \$439 to pay for the 1960 budget that the President submitted to Congress in the sum of 77 billion 300 million dollars.

According to the Civil Service Commission, as of December, 1958, there were 2 million 683 thousand 875 civilian employees in the federal government who received for the calendar year 1958 the sum of 11 billion 888 million 169 thousand dollars.

It is reported that as of June 30, 1958, the federal government owned 769 million 717 thousand 114.3 acres of real property, not including the properties managed by the Architect of the Capitol and those held in trust by the U. S. govern-

ment. 408 million 190 thousand 737.7 of these acres were in the United States. 361 million 526 thousand 376.6 acres were outside the United States. The acres owned inside the United States would appear to most people to be far too much land to be in the hands of the federal government, but I hasten to explain that this land includes all of the public parks, as well as the mountain tops, swamps and desert lands that individuals would not care to own because they would be of no earthly use. It is simply a case of the government owning a great many acres of land because there is no one else to hold title to it.

A far more disturbing situation is presented by the figures revealing the rental paid by the government for property during the fiscal year 1957. This amounted to 109 million 100 thousand dollars for property in the U. S.; 1 million 600 thousand dollars for property rented in the territories and possessions of the U. S.; and 19 million 500 thousand for property in foreign countries. This makes a grand total of 130 million 200 thousand dollars that the government paid in rent during that fiscal year for the use of property, in addition to government-owned property.

Another item that disturbs me somewhat is the report on the number of automobiles owned by the federal government, not including trailers and semi-trailers or vehicles used for tactical or construction jobs. As of June 30, 1958, civilian agencies of the government owned 116 million 213 thousand automobiles. The military agencies owned 108 million 743 thousand. This makes a grand total of 224 million 956 thousand.

VISITORS: Several folks from

the Panhandle were in Washington last week, and it was certainly good to see all of them. Captain and Mrs. Bob Haynes and their children, Rob, Kathy and John, of Amarillo, stopped in the Nation's Capital enroute to their new duty station with the Air Force at Skullthorpe, England. Also from Amarillo we had Mr. Wilbur Chappell and Mr. Charlie Garner. Jim Ryan, of Route 4, Amarillo, is a student at Cornell Medical School and was in Washington doing some re-

search work. Our god friend, Bill Boyce, from Amarillo, came by for a visit during his trip here for a national conference on oil and natural gas. From Pampa were Mrs. A. C. Wilkinson and Mrs. H. E. Schwartz, who were here last weekend to attend the Democratic dinner honoring our Speaker of the House, Sam Rayburn. Asa Willis and Mrs. Willis from Texline were in town, along with Mr. and Mrs. John Douglas Pitman from Hereford,

# PLOWIN' Out the CORNERS

*By Uncle Zeb*

Several statements by our Senate Majority Leader, Mr. Lyndon Johnson in his recent Newsletter fills us with the deepest concern and seriousness. Speaking on the Berlin crisis, he says: "The great peril to our nation lies ahead." "Once the decisions are made, this is a country united behind the President."

"Shall Berlin be remembered

as the deathbed of democracy—or as the graveyard of aggression?"  
These are just a few of his thought provoking statements, not coming from an alarmist but from a man close to the top among our nations leaders. We need to be thinking, praying, and acting.

From Congressman Walter Roger's Newsletter we note that based on a recent report each person owes \$1,824.00 as his part of the national debt. On the same page of our daily paper was another headline to the effect that two Texans had introduced a bill in the House of Representatives to pay off this debt in 100 years at the rate of 1 per cent each year. Reps. Wright and Ekard along with Bob Casey, also of Texas, are receiving quite a response in mail to the idea. We almost expected some Texas Oil Millionaire Joke to go the rounds that

a Texan had offered to write a check for it all. We do seriously appreciate this good idea from these good gentlemen. We ought to cooperate. It would be sound to get rid of this interest payment. But, of course we won't do it. The reason is obvious; the same page we noted that several groups were going all out to have even more money spent on their groups. No, too many of us still believe in Santa Claus.

All this talk about putting a man on the moon sort of gives us the "jitters." It may be that we are a bit old fashioned but somehow we grew up thinking that the sun and the moon were for light and for signs and seasons and not to be explored by the likes of mortal man. Anyway, there are still several places in Texas which we haven't explored and more than half of Arkansas.

The best way to kill and ugly rumor is to just starve it to death.

Congratulations to Alaska on being the first to claim to be larger than Texas. We don't

want to seem pessimistic or discourage them from bragging but we will wager our last winter's snow man that they will never convince even on Texas.

We don't have one thing against the corn growers up north but the report comes to us that even before the last cut in the loan on Grain Sorghum that mostly they were putting their corn in the loan and letting the government have it and in turn buying our grain sorghums for their extensive feeding programs. What will happen now with our price down to \$1.32 per hundred? If we have heard wrong we are sorry, but if this be true, we have been "took." Sorghum growers have just had it in the worst way.

## Tough-built Chevy truck bulls its way deep into the woods for mammoth loads

This big Series 60 Chevy bulls its way as far as 8 miles into the Louisiana woods, fights over rats and jagged stumps . . . then grinds back out with towering loads of logs! The Sabine Lumber Company attests to the truck's ability to take it: "Chevrolet makes the best truck for our type of operation."

Out where a truck is known for the beating it can take, Chevy's making friends fast. Truckers like the

way these toughies hold up; the way they wade right in, take their lumps, yet stay in shape.

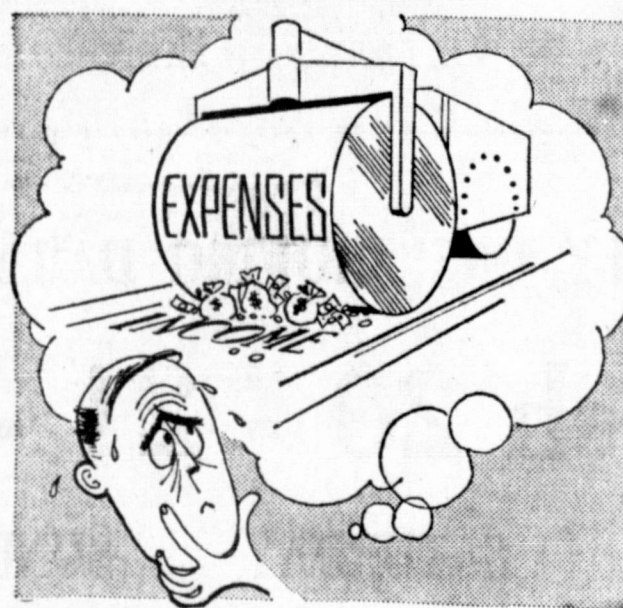

Today, it's grit that Chevy's showing the trucking industry. Real toughness that pays off in job-after-job dependability . . . in ability to get work done at least expense. You can match Chevy muscle against any tough light-, medium- or heavy-duty, job and know you've got it beat!

Your Chevrolet dealer's ready right now to meet your special work requirements. Stop by and see him soon.

No job's too tough for a Chevrolet truck!

See your local authorized Chevrolet dealer

**HEDLEY NEWS**

Mabel Bridges

**HEDLEY GARDEN CLUB**

The project for this year for the club is the planting of a rose garden on our garden plot on main street between the Masonic Hall and Moffitt Hardware Store. This will add beauty to our town. The club had tried each year to help to beautify our town.

If you care to donate a rose bush for our rose garden we will be very happy to have you do so. The club is asking each family in Hedley to plant some kind of a flower or tree this spring.

The 1919 Study Club sponsored the film "A Tenderfoot in Europe" at the High School Auditorium Tuesday evening, March 10th, 7:30 p.m. About 220 attended. The president, Mrs. Jewell, called the meeting to order and welcomed the visitors then introduced Mrs. C. L. Johnson as program leader and she in turn introduced Mr. Potts of Memphis and Cotton John of Amarillo. Mr. Potts with his humorous jokes and pleasing manner entertained the group for several minutes. Then Cotton John showed the film with a commentary before and after. Mr. Breedlove operated the projector. The film was narrated by Cotton John Smith, photographed by Bill Ream and sponsored by the American National Bank, which told the story of farming and agriculture and industries of Europe as seen on the recent European tour.

High points filmed were in England, Holland, Germany, Italy, Belgium, Switzerland and France. The World's Fair was included which was in Brussels.

After the program a social hour was enjoyed by all. Coffee, punch and cookies were served by the social committee.

Mrs. Clara Jones Terry of Ft. Worth visited her brother, Mr. and Mrs. W. H. Jones last week. Mrs. Eleic Butler has been quite sick at her home. Her children, Mrs. Edd McCracken, Pearly Butler and Mrs. Bruce McCracken of Amarillo have been at her bedside.

Frank Newton who spent several months here with his sister, Mrs. Edd Morton, has returned to his home in Los Angeles, Calif.

Mrs. Roy McKee spent several days last week in Clarendon with her mother, Mrs. Behrens, who is sick.

Mrs. Eva Mobley is improving in an Amarillo hospital. Mrs. Eva Parker spent a few days in a Memphis hospital. She is able to be home feeling much

better.

Funeral services for W. A. South of Lawton, Okla. was held Saturday afternoon at 2 o'clock in the Lawton Funeral Chapel. Mr. South had been ill for several years. Surviving are his wife, Hazel Lan dSouth, five sons and two daughters. Attending funeral from here were Mrs. South's sisters, Mr. and Mrs. Bill Scales, Mr. and Mrs. Elmore Bailey, Mr. and Mrs. Tige Hill and Miss Millie and Ellen Fay Land.

First Lieutenant Adrian Youngblood from England Air Force Base at Alexandria, La., visited his mother, Mrs. Letha Youngblood and Grandmother, Mrs. Pearl Masten last week. He has been assigned to the Moore Air Force Base near Brownsville, Texas.

Grandpa Sanders who fell and broke his hip several weeks back was carried to the home of his daughters at Olten last week from the Groom Hospital.

Hudson Couch was called to Vernon Wednesday to the bedside of his mother who is seriously ill. Glad to report her improving at this writing.

Misses Millie and Ellen Faye Land and Mrs. Bill Scales visited Mr. and Mrs. Clarence Casin in Wellington Sunday.

Mr. and Mrs. Alva Simmons visited relatives in Ft. Worth last week.

Mr. and Mrs. Johnny Everett and children, Charlotte and Nancy, of Amarillo visited their grandmother and great-grandmother, Mr. W. L. Rains Saturday.

Mr. and Mrs. Aubrey Lee Cherry are the proud parents of a fine little son born March 12 in a Groom hospital. His name is Aubrey Clay and he weighed 8 pounds, 6 ounces. Congratulations.

Mr. and Mrs. Hobart Moffitt attended a GE district meeting in Lubbock Thursday. Mrs. Jo Mosley accompanied them and visited Mr. and Mrs. Monty Smith and children and Mrs. C. L. Johnson who visited Mrs. DeBusk at Idalou. They returned home Thursday night.

Mr. and Mrs. Tode Hill spent the weekend in Oklahoma. Mr. and Mrs. J. N. Kendall of

Abilene visited his parents, Mr. and Mrs. Frank Kendall Sunday. Mrs. Frank Kendall returned home with them.

**LELIA LAKE SCHOOL NEWS**

Winning tournaments in volleyball seems to be a habit with the Chenault Welding Shop aggregation from Lelia Lake. They took first in the men's division at Lakeview this past weekend. It was a costly victory, however, and Coach Billy White has a bunched-up foot and is "out for the season." For the interscholastic league contests he would of course have to be replaced, but the competition should also be easier in these parts. The first six in basketball will probably be also the sextet to be used in volleyball.

Meanwhile, following the P-TA sponsored basketball banquet of Monday evening, big preparations were on for the invitational volleyball tourney at the Lelia Lake gym on Thursday, Friday and Saturday of this week, in which there will be only two divisions, men and women's play.

Saturday is being looked forward to as a few are going to Claude for the district literary meet.

## PATHFINDER

Pathfinder Club met Friday afternoon, March 13, at 4 p.m. in Patching Club House with Mrs. Bill Greene presiding. The meeting was called to order with the reading of Club Collect in unison. The pledge to the flag was given. Roll call was answered by 14 members.

During the business meeting, Mrs. George Benson was elected delegate to the district convention. Mrs. C. E. Bairfield was elected Federation Counselor and Mrs. Clyde Hudson was placed on the associate roll.

In keeping with the theme of Texas Day, Mrs. L. N. Cox reviewed the book, "The Home Place" by Fred Gipson. Mrs. Cox very interestingly and entertainingly told the story of the heart-break, struggles and joys of a successful insurance salesman who returned to "the home place" in Texas.

Two guests, Mrs. W. C. Thornberry and Mrs. Sam Dyer were present.

Hostesses were Mrs. Clyde Hudson and Mrs. C. E. Bairfield.

## GOLDSTON QUILTING CLUB

Blanche Gray was hostess to guest present Mrs. Lola Bennett on March 12th. One guest, Mrs. Lola Bennett, attended. Members present were: Joy and Mammie Robertson, Ola McBrayer, Frances Joy, Edgar Williams, Nora Smith, Billie Ashcraft and the hostess.

Delicious cake and ginger ale punch was enjoyed by all.

Mina Dale, a member of our polyantha club received a gift.

The next meeting will be with Mammie Robertson March 26th.

The members sent Mazie Eichelberger a gift and get well card.

We hope Mazie is back with us soon.

## BETA SIGMA PHIMU GAMMA

Mu Gamma Chapter of Beta Sigma Phi met at Patching Club House Thursday evening, March 12, at 8 p.m. After the business session was over the program titled "Drama" was presented by Nancy Shelton. The raffle was won by Evelyn Mann.

Hostesses for the evening were Melba Ruth Vaughan and Evelyn Yeates. They served coffee or Coke, potato chips, and sandwiches topped with an olive to the following members: Beth Bennett, Jane Bownds, Pat Cornelius, Jo Ann Davis, Pat Day, Beverly Edgett, Hazel Guy, Frankie Henson, Ann Hommel, Glenda Lacy, Betty Leathers, Jane Leathers, Evelyn Mann, Barbara Morris, Lena Morris, Juanita Phelps, Mabel Dean Porter, Lois Schollenbarger, Nancy Shelton, Marilyn Simpson, Vanetta Thornberry, Lee Tyler, Melba Vaughan, Pat Wallace and Evelyn Yeates.

## GOOD NEIGHBORS CLUB

The Good Neighbors met Friday, March 13, in the home of Maggie Easterling with an all day quilting and covered dish luncheon at the noon hour.

We had five guests: Donna Turner, Mollie Wheeler, Miss Willie Marshall, Mrs. W. H. Ivey and Ruth Wasson of Panhandle.

Members present were Della Barker, Nova Barker, Rosie Bingham, Florence Harp, Lida Warren, Eula Butler, Ruby Jordan, Louise White, Bennie Crabtree, Carrah Mixon, Bessie Helton and the hostess, Maggie Easterling.

Louise White received a polyantha gift.

The next meeting will be with Florence Harp, March 27.

Reporter

## 1926 BOOK CLUB

The 1926 Book Club met Tuesday afternoon, March 17, at Patching Club House with Mrs. John Gillham presiding.

As is their custom, the social hour preceded the business and program period. Guests were served refreshments of strawberry delight and coffee from a table laid to carry out the St. Patrick's Day motif. Centering the table was a floral arrangement featuring a green derby and white gladioli. Shamrocks, derbys and pink pigs were also used in decoration.

Mrs. Axford Jay led the group in prayer to open the business meeting. Minutes of the two previous meetings were read and approved and a treasurer's report was heard. Mrs. W. C. Thornberry gave a report from the Club House Board. Mrs. Gillham announced that the District Convention of Federated Club women would be held in April at Berger.

The program was presented by Mrs. J. R. Brandon who gave a review of the book "The Staked Plain" by Frank T. Tolbert. Tolbert was born in Amarillo, Texas and at one time was employed by the Amarillo Daily News. He has also written for the Wichita Daily News, the Fort Worth Star Telegram, and at present is a columnist for the Dallas News. His articles have appeared in the Saturday Evening Post, Readers Digest, Esquire and Look magazines. "The Staked Plain" is a dramatic, historical novel of American folk lore and was delightfully told by Mrs. Brandon.

Attending were one guest, Mrs. Bill Porter and members Mesdames Clyde Hudson, W. M. Crane, W. C. Thornberry, J. R. Porter, C. E. Bairfield, J. N. Weaver Otis Naylor, Loyd Johnson J. R. Brandon, Axford Jay, Frank Phelan, Jr., C. B. Morris, A. J. Garland Bill Pool, Nelson Seago, John Gillham and Miss Inez Blankenship.

Hostesses for the afternoon were Miss Inez Blankenship and Mrs. J. R. Porter.

Reporter

Mr. and Mrs. A. G. Lane, Jr., and son of Gruver spent the weekend with his mother, Mrs. A. G. Lane.

## Miss Ryan To Sing At State F.H.A. Meet

WANDA RYAN

Miss Wanda Ryan, daughter of Rev. and Mrs. Conrad M. Ryan, has brought additional honors to Clarendon High School this past week. She has been notified that she was selected to sing soprano in the State F.H.A. Chorus when they convene in Dallas, Texas, April 24-25 for their state meeting. Area 1 will have only ten girls who are privileged to participate in this program. Wanda will go as a regular representative of the Big Sister Chapter. With this announcement, Wanda was advised that she will also be Area 1 representative for the F.H.A. choir at the national F.H.A. meeting July 13-17 in Chicago. She will compete with two other girls at the state meeting for this honor.

Miss Ryan is a sophomore in Clarendon High School. She has her Junior Degree and is completing her Chapter Degree this semester. She is a voice student of Campbell Bunting, Minister of Music, First Presbyterian Church, Amarillo.

Wanda represented the local F.H.A. Chapter at the Area meeting Saturday, March 7, by singing several popular songs. Since entering high school she has sung for the following programs: The Class Night and Commencement program for the seniors of 1957-58. The Delta Kappa Gamma Dis-

## trict Meeting in Clarendon.

Sang with the Amarillo First Presbyterian Youth Choir when they sang at the West Minister Choir Music Festival in Oklahoma City February 7.

She sings in the local choir of the First Methodist Choir and is song director at the night service.

The Clarendon Chapter of the Future Homemakers of America are proud of the honors Wanda has received and has brought to Clarendon High School.

## KIL KARE KNEEDLE KLUB

The Kil Kare Klub Klub met with Mrs. Buel Sanford in the home of Mrs. W. H. Skelton, Thursday afternoon, March 12. During the business meeting, we decided to have a Pot Luck lunch at our next meeting. At that time polyanthas will exchange their gifts.

After a social hour of chatting and sewing, we were served coffee and delicious hot Hershey pie.

Those to enjoy the party were Mesdames G. C. Heath, Nolie Simmons, R. O. Thomas, Frank Whitlock, John Bass, S. W. Lowe, J. R. Bartlett, M. C. Rappy, Homer Mulkey, Major Hudson, Miss Etta Harned, and Mrs. Sanford and Mrs. Skelton.

## MYSTIC WEAVERS

The Mystic Weavers met March 11 in the home of Mrs. D. M. Cook. Twelve members were present. A quilt was finished for the hostess.

Mrs. Guy Cox will be hostess for the next meeting, March 25. Meeting will be held in the home of Mrs. D. M. Cook, Lelia Lake.

## New Location Mrs. Bromley's

Serving all three meals. Same service and the same prices. 5 Blocks South of Palmer Motor Co.

## JR. H.D. CLUB

The Jr. Home Demonstration Club met in Patching Club House the afternoon of March 12 with Lucille Swinney and Dollie Bain hostesses.

Noma Lewis had the program on Artificial Flowers. She gave a very good demonstration concerning flowers. Mary Belle DeBord gave the demonstration on how to make them.

The hostess served refreshments to the following members: Bernice Adams, Dollie Bain, Gladys Blackburn, Mary Belle DeBord, Nora Decker, Sadie Head, Leona Henson, Gladys Hommel, Noma Lewis, Lucille Swinney, Cula Trout and Clara Finley. There were five small visitors present: Vallerie, Wanda and Patricia Trout, Treena Reid and Mark Phillips.

## PRESBYTERIAN WOMEN

The Presbyterian Women's organization held their general meeting in the home of Mrs. Fred Chamberlain, Jr., Wednesday afternoon, March 11. Mrs. John Knorpp was co-hostess.

Mrs. J. G. Stewart brought the lesson. Her subject was World Missions in a Modern World. Twelve members were present.

## SR. H.D. TO MEET

The senior Home Demonstration Club will meet in the home of Mrs. Claude Darden Friday afternoon, March 20, at 3 p.m. Each member is reminded to bring her towels for the towel shower for the hospital.

## CHAMBERLAIN CLUB

The Chamberlain Club met Thursday, March 12, at the Community Center, with Laura Ivey as hostess. We had a delicious luncheon at noon. One quilt was finished. At the business meeting we had a discussion on who would have parts in some plays which we will present at a later date. Those enjoying the day were: Eunice Mann, Mary Myers, Bradis Ballew, Ethel Dingler, Clara Mae Carter, Willie Hott, Vivian Allen, Virginia Smith, Floree Webb, Susan Hardin, Lee Welch, Mary Mann, and hostess Laura Ivey. We were pleased to have Mr. Hott, Mr. Carter and Mr. Ballew eat dinner with us.

The next club meeting will be March 26 with Willie Hott as hostess. Bring thimbles and needles as we will either quilt or embroidery for the hostess.

## SR. H.D. TO MEET

Mr. and Mrs. C. T. Williams and Mrs. Chester Martin visited Mrs. Martin's sister, Mrs. J. G. Davis, in a Mangum, Oklahoma hospital last Wednesday. She suffered a heart attack.

# FARM NEWS

from the County ASC Committee

## Premeasurement of Cotton Acreage

Donley County farmers who wish to have their cotton acreage measured before planting must call at the Donley County office on or before April 1, 1959 and make their application and deposit the premeasurement fee. The fee for this service is \$10.00 for the first plot plus \$4.00 for each additional plot.

## Release Any Unused Allotment

Remember, April 17th is the last day to release any cotton acreage that you will not plant, so it may be reapportioned to farmers in this county on April 24th.

## Conservation Reserve Program

Approvals are being issued at this time to farmers in the Conservation Reserve Program cov-

ering the acreage they are to put a cover on. We hope each farmer in this program will start early preparing seed beds and planting these grasses. We want to get a cover on all acreage this year, if possible.

## Soil Bank Certificates Is Income When Received

An acreage reserve certificate received in 1958 as a Soil Bank payment should be included as income for that year in the farmer's income return, according to a Treasury Department ruling received by Chairman of the Donley County Agricultural Stabilization and Conservation office.

The Treasury ruling, Mr. Cooke said, is that an Acreage Reserve certificate is income to the farmer in the taxable year when he receives it. This applies whether the farmer cashes the certificate, redeems it in grain, the farmer exercises his option to reduce the loan at 105 per cent of the amount of the certificate, the additional 5 per cent

must be included as income. The ASC official stressed that this ruling applies only to the Acreage Reserve portion of the Soil Bank, for which payments were made in the form of negotiable certificates. The Acreage Reserve ended in the 1958 crop year, and final payments were made in 1958.

Mrs. Delre Edens of Midland and son, Spud, who is based at Key West, Florida spent the weekend with Mr. and Mrs. Benny Edens and family.

S.N. Jack Moore left Wednesday morning to report at the Naval Base at Seattle Washington after spending a furlough here with his parents, Mr. and Mrs. A. H. Moore. Jack has just completed radio school at the Naval Base at San Diego, Calif.

Mrs. Winnie Wester and son, Herald Stogner, of Canyon were Clarendon visitors Tuesday afternoon.

## Drivers Urged To Observe Traffic Rules

The rural traffic accidents summary for Donley County for the month of February 1959 were released today by Sergeant E. G. Albers, Jr. Patrol Supervisor of the Texas Department of Public Safety.

The Highway Patrol investigated a total of 7 accidents of which 4 were property damage, 3 personal injury, and no fatal accidents. These accidents caused a total property damage of \$6,675.00 with no persons killed and 6 injured.

The Sergeant advised that too many people look upon driving as a thing apart—something divorced from the code of morality which governs the other activities of their lives. The result of this split thinking is a staggering annual traffic toll.

To reduce the death rate during 1959, the Sergeant stressed the necessity for drivers, as well as pedestrians, to maintain vigilance and observe the lifesaving rules of the road. He urged greater compliance with the speeding and driving-while-intoxicated laws, pointing out that in 1958 these were prime factors in traffic accidents.

will deny. This is a strange and encouraging contrast to the attitude of scientists and informed doctors of only a decade ago, when the consensus seemed to be that cancer, by and large, never would be controlled.

For our purposes, a cancer breakthrough would be any development which would (a) prevent a substantial percentage of cancers which now occur, or (b) bring about the cure of advanced cancers—the kind against which medicine today is completely helpless.

The best way to beat cancer is to prevent it. The only way to prevent it now is to avoid the things that cause it.

## Inspection Sticker Deadline Is Near

Only 45 per cent of the vehicles registered in Region No. 5 of the Texas Department of Public Safety have been safety inspected for 1959, according to Captain Alan Johnson, Motor Vehicle Inspection Supervisor in this Region.

"This number includes about 2,190 vehicles in Donley County where there are 5 inspection stations to do the work," said Captain Johnson.

Many motorists are going to find a long line awaiting them as the deadline rolls nearer as the inspection stations will not be able to cope with the usual last minute rush. The deadline is midnight of April 15th.

He added, "It is as much a violation to display an old sticker as not to have one at all."

The Captain pointed out that the law provides a fine of from \$1 to \$200 plus court costs for operating a vehicle registered in Texas without the current inspection sticker.

Mrs. Lena Antrobus went to Oklahoma City last week where she will visit a few days in the home of Mr. and Mrs. T. G. Stargel.

All men are created equal — and endowed by their creator with an insatiable urge to become otherwise.

There are 12 deepwater ports along the Gulf Coast of Texas. All are man-made in varying degrees.

## ANOTHER GRASSHOPPER PLAGUE THIS YEAR?

Agricultural workers are keeping a close watch this year on grasshoppers—that ravenous insect that engulfed much of the Texas Panhandle in 1958.

A late fall survey of insect eggs shows that grasshoppers are likely to be more widespread in the Western states this year but not so heavily concentrated as during the scourge of last spring.

During the survey, grasshoppers were found on 22,666,922 rangeland acres in 15 western and midwestern states as compared with 18,886,492 in 1957. However, where the previous year's survey showed many areas of extremely heavy infestation, the most recent count revealed most of the acreage to carry only a light or moderate number of hatchable eggs.

Field workers check the hopper eggs in order to give advance warning to farmers and ranchers. Later spot samplings will be made as the year progresses. One encouraging note in Texas and Oklahoma is the fact that they have found considerable parasitism of grasshopper eggs by blister beetles and bee flies, which should reduce the egg hatch.

Colorado, Montana and California have the largest rangeland areas with heavy grasshopper populations, followed by Wyoming, Utah, Oklahoma and Texas. Some 3,460,000 acres in Texas have an egg count ranging from "light" to "very abundant."

The effects of the Texas Department of Agriculture's campaign against the hopper last spring showed up clearly in the survey. Few grasshoppers were found in many of the areas treated with insecticides. Over 1,000,000 acres were treated in Texas during the campaign.

Grasshoppers are a very real threat to the farmers' and ranchers' pocketbook. The average annual loss to crops and range forage in 17 states west of the Mississippi is estimated at \$90 million.

Pest control workers urge land owners to keep a sharp eye on potentially threatening areas so they can act promptly if spring surveys show that grasshoppers are hatching in abundance.

You can't place or show in a race with a train.

## Large Supplies Dominate Feed Grain Outlook

College Station — Fed grain prices in the 1958-59 marketing year are expected to average a little below the 1957-58 level, principally as a result of large supplies, predicts John McHaney, extension economist.

High yields have helped to boost feed grain production and stocks, McHaney points out. Near record yields in 1956 were followed by record yields in 1957 and 1958 and total utilization this year is expected to be 16 million tons below total production plus imports. This is expected to bring carryover stocks up to a record of about 75 million tons, a 27 per cent increase, at the beginning of the 1959-1960 marketing year.

However, he adds, better quality of the 1958 corn and grain sorghum crops will make a larger percentage of these grains eligible for price support. Coupled with the 6 per cent increase in the number of grain-consuming livestock to be fed, this will help to give some strength to feed grain prices.

Grain sorghum prices in 1958-59 should average near those of last year, but will probably be much less than the 28 per cent rise from January to June of 1958 because of record supplies on hand.

Grain sorghum prices in 1958-59 should average near those of last year, but will probably be a little lower. The higher quality of the 1958 crop appears to be the main factor which is holding the price above those of a year earlier, despite the larger 1958 crop and the record supply.

Supplies of oats and barley are at record levels and, as a result, prices in 1958-59 will probably average a little lower.

Outlook for feed grains the next few years is dominated by the large stocks that will be on hand for 1959-1960 and the years to follow, McHaney said. Whether these stocks turn out to be an increasing problem of disposal or a desired reserve, they are now the most significant factor in the outlook for feed and livestock for the next few years.

Trials, if very heavy, kill little people, but they make great ones.

## Major Breakthrough To Control Cancer Is Possible, Says Scientists

Is the long-awaited "cancer breakthrough" near?

A few recognized authorities have suggested that it may be. But the word, "breakthrough," is left undefined. And few, if any, will hazard a guess as to just when this blessing may come to pass. They don't say how near is near.

Unhappily, it must be said at the outset, nothing in the reports of thousands of scientists working on the cancer problem now suggests that a new cure is at hand. As things stand, the 260,000 Americans doomed to die of cancer in 1959 will die on schedule — unless something unforeseen happens.

That a "breakthrough" will come to pass eventually few now

Lots Of Politicing Due Before 1960 Election

There's going to be some extremely intensive politicking between now and November of 1960—an observation which certainly should surprise no one. Both the major parties are full of dissension and with opposed factions seeking power. Neither party has anyone who can be considered a safe bet for the Presidential nomination. And neither party, despite the Democratic sweep of last November, can afford to rest on its oars and assume all is well—a fact which the professionals in both camps fully understand and are acting upon.

That sweep, of course, led numbers of people to believe that the GOP was on its death bed. But this view indicates a short memory or a lack of historical knowledge. Both the Democratic and the Republican parties have been on the ropes before and have come roaring back. For instance, the Democratic surge in 1932 was even greater than that of last year — whereas, following the Wilson Administration, the party had been deep in the doldrums most of the time.

The professionals must contend with many problems. For one thing, neither party can present anything resembling a united front on leading issues. Both contain Senators, Representatives and Governors who cover the political spectrum from far right to far left.

For another, what used to be known as party loyalty among the voters has largely ceased to exist. The straight-ticket voter, outside of the Deep South, is rare these days.

For still another, the personality of candidates has become an infinitely more important factor than it used to be—largely, no doubt, because of the vast changes in means of communication. When the candidates, so to speak, can come right into the living room, personal magnetism becomes an asset of jewel-like value.

The great old American game of politics has lost none of its color. Some men who desert their wives shouldn't be charged with desertion. Most of them are in reality refugees.

Drinking to another man's health isn't going to improve your own.

Leader—Local rate, \$3.00 a year

Opportunity

For ambitious men, ages 17 to 50, from Northwest Texas area, in Industrial Electronics and Guided Missile Field.

No previous experience needed. Must be willing to spend one hour a day, four days a week, on short, practical, industrial training using actual equipment under the guidance of our engineers. Arrangements will be made for those accepted so that training will not interfere with present employment. Positions for which this training will qualify you currently pay from \$90 to \$140 per week. If you have sincere desire to better yourself with a steady job and income, we will be glad to discuss these opportunities with you. No obligation for strictly confidential interview with our bonded personnel man.

Elizabeth M. The Mother of Panhandle, Texas and where they staff the new \$150,000 Children's Home. Their convent is also located there. They are members of the 3rd Order of Saint Francis. They also teach in Dalhart, Dumas and Borger. Mother General is on a tour of their school, convent and orphanages in South America Keand the United States.

Mrs. Winnie Wester and Rickey Wester visited with Mrs. Chester Martin Friday.

### Bulldogs End Successful Season

The Clarendon Junior College Bulldogs ended their most successful basketball season in history at the Region V Tournament at Amarillo last week. The tournament itself proved a disappointment to the Bulldogs and their followers as they could do no better than fourth place, however their overall season's record of 20 wins and 11 defeats is their best won-loss record.

In the Regional Tournament, the Bulldogs won their first game by trouncing Sayre, Oklahoma, 51 to 43, but lost a heart-breaker to Howard County in the semifinals, 55 to 53. It was their inability to hit from the free-throw line that cost the Bulldogs the Amarillo County game. They could hit only 15 of 34 shots from the Lularith line. Howard County then pushed the champion San Angelo Rams to the limit in the finals before losing 83 to 82. In the third place game the Bulldogs could not get up for Frank Phillips and lost to the Plains-FOJEN, 55 to 49.

However, over the season, the Bulldogs did well. They won the West Zone Conference for the second time in the school's history with a 11-1 conference record, nearly went to the State Junior College Tournament at Corsicana, FOJEN came home with third place. Their eleven defeats came at the hands of some of the outstanding junior college teams in the nation. They suffered losses at the hands of such teams as Cameron A&M College of Lawton, Oklahoma; two narrow-margin defeats to the Howard County Jayhawks; five defeats in Kansas to Arkansas City, Dodge City, Hutchinson, Pratt and Garden City; one loss in the state tournament to Henderson County College and one to the West Texas State Freshmen who are claiming their best team in history this year. Besides their eleven conference wins, the Bulldogs hold victories over such teams as the West Texas Freshmen; Dodge City, Kansas; three wins over Sayre, Oklahoma; two over the Wayland College Freshmen and two wins in the state tournament over Allen Academy of Bryan

and Howard County. The Bulldogs scored 1,783 points during the season for an offensive average of 57.5 points per game while their opponents were scoring 1,650 points for a defensive average of 53.2 points per game. They ranked fifth in the nation on defense.

The Bulldogs will lose four of their usual starting five boys this year. Leaving will be Captains Loyd Stephens and Bub Eldridge along with Jack Buttram and Benny Lesley. Also graduating will be Gerald Garvin who proved to be a very capable reserve during the latter part of the season. Max Whittington, another capable reserve, will graduate. This means that six of the nine-man traveling squad will not be around to perform for the Bulldogs next year. Returning members of the squad include Alva Carter, Felix Johnson and H. D. Yarbrough.

Coach Buddy Travis, who has molded the Bulldogs into dangerous competitors during the past three years, has a very high regard for the boys who have played for him this year. He says that the fact that the boys trained well, worked hard, took coaching well, and kept up a good attitude toward each other and the team, has been the thing that has made them successful this year. The Bulldogs were picked to finish fifth at the beginning of the season and it looked like Frank Phillips, Howard County, Amarillo and Odessa would surely finish ahead of them.

During Coach Travis' three years here at CJC, his teams have won 53 games while losing 31 including one clear-cut conference championship and one tie for the crown. The Bulldogs have lost only one home game in the past three years, that being to the Cameron A&M College during the 1956-57 season.

Mr. and Mrs. Bill Yoakum and children of Spur, Texas came Sunday to return their mother, Mrs. W. H. Yoakum to her home at Spur. Mrs. W. H. Yoakum has been here several months helping Mrs. Pearl Terry care for their mother, Mrs. W. N. Blackwell.

### Locals Are Candidates For Degrees At WT

Several area students are among the 315 candidates who will seek degrees during the spring convocation May 24 at West Texas College.

Dean Walter H. Juniper has announced that 279 are candidates for Bachelor's degrees and 36 are seeking advanced degrees. Should most of the candidates graduate, another record class will be registered at WT.

Those seeking degrees are: Rachael Roberts Butler, Lelia Lake; David Ralph Harmon, Clarendon; Joan Hennesmeyer, Clarendon; Bill Hill, Clarendon; Faye Pinkerton, Clarendon; Mike Smith, Clarendon and Mildred Sue Talley, Clarendon. Harmon, son of Mr. and Mrs. R. P. Harmon, is seeking his B. S. degree. He is a physical education major.

Mrs. Pinkerton, daughter of Mr. and Mrs. W. O. Griffin, is seeking her B. S. degree in elementary education.

Smith, son of Mrs. Francis W. Smith, is seeking his B. S. degree in geology.

Miss Talley, daughter of Mr. and Mrs. Edgar Talley, is seeking her B. S. degree in economics.

#### RECEIVES SCHOLARSHIP

Lester C. Myers, a Physics teacher in Amarillo Junior College, was awarded a scholarship presented by the National Science Foundation for College Physics Teachers, University of Texas, Austin, for the summer term of school. Myers is the son of Mr. and Mrs. Earl Myers of Lelia Lake.

Mr. and Mrs. Bob Harvey of Amarillo spent the weekend with their mother and sister, Mrs. W. N. Blackwell and Mrs. Pearl Terry.

Mr. and Mrs. Robert L. Green, Judy and Steve of Temple, Texas spent the weekend with his parents, Mr. and Mrs. Geo. L. Green.

Mrs. Fred N. Bentley and Mary Helen of Amarillo spent Sunday with her parents, Mr. and Mrs. Geo. L. Green.

### Hedley Seniors To Present Play Friday Nite

The Hedley Seniors will present Aunt Min Drops In, a three-act farce by James F. Stone Friday night, March 20 at 7:30. Admission is 50c for adults, 25c for students. Advance tickets may be secured from the seniors.

Enough, a dark breeze from the South, is played by Barbara Hansard, Mary Downey, a ranch manager, Bonnie Alexander, Gracie May, in search of adventure, Nancy Hinds, Ivy May, in search of romance, Linda Davis, Alex Sagebrush a cowboy milkmaid, William Mullins, Eddy Eddy, a boy from Ohio, Dwayne Meador, Slicker Sam, a fugitive from justice, Jimmie Youree, Professor Peruche a scientist, Bobby Lesley, Mrs. Fatheringay, a blast from the East, Loveta Housdashele, Alicia, a pain in the neck, Elnera Butler, Sir Freddie a fugitive from an aspirin, Leonard Mullins, Aunt Minnie, a lady in distress, Mildred Sims the sheriff a lost soul, Rodney Hargrove.

The play is directed by C. R. DeBord, the class sponsor. John Stephens, Ronald Youree and Dale Bible are in charge of sound effects and props.

The action takes place in the Downey ranch house somewhere in the remote Southwest. The playing time is a full evening of hilarious entertainment. Come out and see!

Visitors Saturday and Sunday in the home of Mr. and Mrs. A. H. Moore were SN Jack Moore who is to be based at Seattle, Wash., Mr. and Mrs. Doyle Walls and Brenda of Floydada, Mr. and Mrs. Dwight Blair and girls of Lubbock, Mr. and Mrs. Wayne Moore of Canyon, also Mr. and Mrs. Gordon Moore at Pat, and Mr. and Mrs. L. P. Moore and family of Clarendon.

If you wish to be perfect, follow the advice that you give others.
