Harvest Moon Carnival Set

Are you looking for a great way to spend a Saturday evening with your family? Come to the Harvest Moon Carnival on Saturday, October 29th from 6 to 9 p.m. at the Old CHS Gym. There will be twenty booths featuring games, food, and crafts will be available to entertain both the young and young at heart. There will be a Spook House for those seeking chills and thrills, a cake walk for those with a sweet tooth, and a sponge throw for those daring enough to take aim at their "favorite" teacher.

There will be a complete concession with snacks, such as popcorn balls and caramel apples, as well as meal type foods.

The Broncos parents with the assistance of all CHS athletes and the CHS Student Council are sponsoring this carnival to provide a safe alternative to the sometimes dangerous holiday festivities. The Student Council is encouraging participation in this drug free endeavor as this carnival falls on the last day of Red Ribbon Week.

All proceeds will be used to fund the annual All-Sports Banquet held in the spring.

Band To Participate In UIL Marching Contest

The Clarendon High School band will travel to Borger, Saturday, October 22, to participate in UIL Marching Contest at the Borger Football Stadium. The band will be marching at 4:00 p.m. and the ratings will be announced at 5:15 p.m. There will be 52 band members participating in the Marching contest. Kimberly Wooten and Haley Hamilton will also perform their UIL Twirling Solo Routines at 2:15 p.m. General admission to the contest is \$2.00. The band will eat at Pizza Hut following the performance. Please go and support the Clarendon Bronco Band.

Donley County Jr. Livestock Assoc. Meeting Set

The Donley County Junior Livestock Association Board will have a meeting October 24, 1994, at 7:00 p.m., at the High School Ag Building. All parents of FFA and 4-H members are encouraged to attend.

Covered Dish Supper Set

Howardwick Community is having a covered dish supper at City Hall, October 21, at 6:30 p.m. Jodee Mincey, from Panhandle Health Care, will give the program. Bring a dish and enjoy an interesting evening.

Crop Insurance Deadline Set

Drew Thornberry, County Executive Director of the Donley County Agricultural Stabilization and Conservation Service, (ASCS) said today that the recently enacted crop reform bill contains important deadlines for those farmers concerned with maintaining eligibility for USDA benefits such as farm program payments.

The new law, signed by President Bill Clinton on October 13, requires producers of insurable crops to take out at least the minimum, catastrophic level of insurance to remain eligible for USDA benefits. Drew said that while producers of fall-seeded crops have until early next year to sign up for catastrophic coverage and remain eligible for benefits, those who wish "but-up" coverage on their fall-seeded, insurable crops must do so by October 31. He urges these producers to check with their local private crop insurance agent to determine applicable crops and other options.

"Buy-up" coverage is available only through private crop insurance agents but farmers seeking only catastrophic coverage may sign up within the next few months at either their local ASCS office or with private agents.

The new law--the Federal Crop Insurance Reform Act of 1994--combines the crop insurance and disaster assistance programs into one program beginning with next year's crop. Its provisions virtually eliminate the possibility of future crop disaster assistance programs.

Mr. Thornberry said, however, that for 1994 weather-related disasters, the current ASCS crop disaster assistance program will continue much like it has in recent years. He said the target date for farmers to begin applying at county ASCS offices for partial reimbursement on their 1994 weather-related crop losses is early December.

THE CHS BRONCO BONFIRE was a tremendous success. The highlight of the event was when the giant CHS went up in flames. The Student Council appreciates the help of Dale Robinson, and Lloyd, Charlene and Chandra Ford, David and Walker McAnear, Ronnie and Melinda McAnear, Johnny Floyd, Kelly Hill, E. Wayne Barbee and the Clarendon Fire Department.

Elementary/Middle School Is Subject Of Tape On Local Cable

The continuing educational tape series on the local cable will present a program entitled "Elementary/Middle School Presentation" this week. This presentation will be aired on Channel 8, Monday, October 24, at 1:30 p.m. and on Tuesday, October 25, at 6:00 p.m. Series host, Dr. Willard Daggett, describes a number of new and emerging technological applications. After presentation of each application, a series of questions is provided for students to ponder. Elementary/Middle school students are encouraged to view this program, but all interested parties will benefit from the information. Dr. Daggett also explains the skills, knowledge and behaviors that today's elementary/middle school students will need in a technological world. The viewing time for this program is 36 minutes.

The program for next week is entitled, "High School Awareness Presentation."

ON FRIDAY, October 7th, the student body was surprised with a pizza party. The faculty and staff of Clarendon High School recognized all the organizations, clubs, and student body in general for a great first six weeks. They were encouraged to continue making those changes that are positive and constructive for CHS. Congratulations also goes to the parents and the community! Remember to tell your student, or any student, that they are doing a great job! The school and its students are a direct reflection of what is expected by the community. Go Broncos.

Nominations For The ASC Committee Needed

Farmers are asked to nominate candidates of their choice by October 31 to be on the ASC Donley committee ballot says Drew Thornberry, County Executive Director.

ASC committees are responsible for managing federal farm programs on the local level. To meet the needs of individual producers, ASC Committee members must be concerned and responsible individuals. County farmers and ranchers have the opportunity to nominate people they feel would best serve the farm community.

A few basic considerations should be kept in mind when circulating petitions. In order to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve if elected, must be signed by at least three eligible farm votes in the ASC community, and must be received in the county ASCS office by the October 31 deadline.

Farmers may circulate or sign nominating petitions for as many candidates as they choose. Anyone wishing to nominate a farmer for the ASC committee election may contact the county ASCS office for full details, including eligibility requirements for office holders.

Farmers should petition for and elect those individuals they feel would do a good job as a member of the ASC committee. The election of concerned farmers to positions on ASC committees is essential in the administration of farm programs.

The ASC Donley County committee election will be conducted from November 25 to December 5 by mail ballot.

Mr. Thornberry further explained that the county ASCS office welcomes all valid petitions. The opportunity to nominate, vote, and be elected to office is guaranteed to all farmers regardless of race, color, religion, sex, age, marital status, handicap, or national origin.

Featured Business of the Week

by Shelley Tongate

This weeks featured business is Motion Video, located at 120 Sully, owned and operated by Lola Ferguson. Lola receives help from Carla Williams, which has worked there for two years.

Lola and her husband Carl moved to Texas in 1983 from Iowa. They reside part-time at Greenbelt Lake, while they spend their other time in Panhandle, where Lola owns and operates another video store. Lola has always wanted to own a movie store, but never really had the opportunity. When she heard that Clarendon needed a movie place, she decided to open up the store, which has been here since November of 1991. She travels back and forth, from Clarendon to Panhandle working hard to run both places. On her spare time, Lola enjoys going fishing and camping with her husband.

Motion Video offers movie rentals, nintendo's, nintendo games, sega's, sega games and VCR players. They have a 99 cent special on movies on Monday's and Wednesday's. They also offer a drop off box for customer convenience.

Lola states, "We appreciate all the business and nice people we have met since we've been here. We hope to continue doing business with our customers and we hope to get a few more as time goes on!"

College Holds Round Table

The annual Fall Counselors' Round Table at Clarendon College this year will be Wednesday, November 9, in the Bairfield Activities Center.

The Round Table, designed to gather area school counselors for discussion of current issues, will start at 11 a.m. Ways to help students make a smooth transition from high school to college is one item on the agenda.

From 1 to 4 p.m. Nelson Christie, the new counselor for the Clarendon campus, will provide a workshop. His topic will be "Student Transitions-Education goal setting and life planning." Three hours of LPC credit will be given to participants who want them. Nelson formerly was a counselor at Chinle High School on the Navajo Reservation in Arizona. That twenty-three years of experience together with his new duties will be reflected in his workshop presentation.

The day is structured so counselors are free to attend the Round Table and lunch even if they don't need or want the workshop information and LPC credits.

The events are free to representatives from area schools, but require pre-registration. Anyone planning to attend should call 806-874-3571 ext. 43.

Chamberlain Reunion Held

The school reunion of Chamberlain, Hudgins and Windy Valley was held, October 9, 1994 at the Clarendon Community building.

There were 70 people in attendance who registered. There were others who only put their town as an address, so they may not receive a notice of the next reunion which will be October 8, 1995.

A bountiful covered dish was spread at lunch and served at 12:30. The serving tables were decorated in a fall motif using pumpkins donated by Ted Shaller from his pumpkin patch and green and red hot peppers from the garden of Coy and Jane Stevens.

During the business meeting with H.C. Shaw acting as host, because president Lacy Nobles and vice-president Bailey Estes were unable to attend, welcomed the guests and hoped that each and everyone was having a good visit with old school friends. He thanked the ones who had brought the food and that Donley County sure had some good outstanding cooks. The next business was the election of officers with H. C. Shaw elected president, W.O.D. Meadows elected vice-president, Jane Stevens was elected secretary/treasurer. A collection of \$104.00 was received.

Oldest man attending was Clarence Ayers. Oldest woman attending was Grace Ayers. Family with most members attending were

the Ayers family with 12 members. The Cole family had 11 members attending.

Influenza and Pneumonia Season Approaches

American Lung Association of Texas Urges Senior Citizens and Others at Risk to Get Annual Influenza Vaccine

AUSTIN - Each year millions of Americans are afflicted with influenza and pneumonia. Those most at risk are the very young, the very old, those suffering from chronic lung or heart disease and those with weakened immune systems.

This fall, the American Lung Association of Texas urges all those who are considered high risk to get a flu shot. You are at high risk if you are over age 65, have chronic lung, heart or kidney disease, reside in a nursing home or other long term care facility or if you have other chronic diseases. In addition, health care workers should be immunized to reduce the chances of spreading this condition to high-risk people. The shot is recommended every year because the influenza virus strain changes annually. The ideal time to receive flu

vaccine is between October 15 and November 15.

According to the Lung Association, both influenza and pneumonia are deadly. "Influenza is a highly contagious, potentially life-threatening lung disease," said Dr. William Paul Glezen, epidemiologist at the Influenza Research Center at Baylor University. "Since 1960, pneumonia has been the leading killer by infectious disease in the U.S. It is both the most common and most deadly complication arising from influenza," he explained.

"Combined, influenza and pneumonia are the fourth leading cause of death among all American women and fifth leading cause of death among all Americans over the age of 65," Dr. Glezen said. Lung disease, including influenza

and pneumonia, is the third leading cause of death in America.

Influenza Fact Sheet

* Influenza is a potentially life-threatening, contagious disease that is caused by a virus. When the flu attacks the lungs, the lining of the respiratory tract is damaged. The tissues temporarily become swollen and inflamed, but usually heal within two weeks.

* Influenza and pneumonia (the most common complication of the flu) combined are the fourth leading cause of death among all American women and the fifth leading cause of death among all Americans over the age of 65.

* In 1991, there were more than 129 million estimated cases of the flu, nationwide, resulting in 249.6 million bed days at a cost to our nation of more than \$11.5 billion. In addition, influenza and pneumonia resulted in 77,860 deaths.

* For healthy children and adults, influenza is typically a moderately severe illness. For unhealthy people, influenza can be very severe or dangerous. In a flu epidemic year, from 20 to 50 percent of people not immunized may contact influenza.

* Adults 65 years of age and older who contract influenza are much more likely to have serious complications from this illness, which can affect their health and independence.

* A person can have influenza more than once because the virus that causes influenza may belong to different strains of one of three different flu virus families, A, B or the rare type C. Type A viruses tend to have a disproportionate affect on adults, Type B viruses have a disproportionate affect on children. Both A and B have strains that cause illness of varying severity. The influenza A family has more strains than the B family.

Flu can be prevented with influenza vaccine. This vaccine is produced each year so that the vaccine can contain influenza viruses that are expected to cause illness that year. A yearly influenza vaccination is about 75 percent effective in preventing flu and reducing the severity of the flu.

* Target populations for flu vaccine are people 65 years of age and older, and others with chronic

Troop Attends Seminar

Several girls from Cadet Troop #45 are attending the Atomic Energy Seminar hosted by Mason & Hanger-Silas Mason Co., Inc. of Amarillo, Texas. The Seminar will run through three weekends of October. The girls will learn such things as how irradiated beans grow differently from control beans, how to construct atom and chain reaction models, make an electro-scope, and they will go on a weekend trek to Albuquerque and Los Alamos in New Mexico. While in New Mexico, they will tour Kirkland Air Force Base where they will tour the National Atomic Museum and selected nuclear reactor facilities and solar/wind energy engineering projects run by the Sandia National Laboratory. The girls attending from Clarendon Troop #45 include: Jannah Mondragon, Sammy Sue Shelley, and Camille Choate. Their leaders for this event are Denise Bertrand.

The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, October 11, 1994, at the Lions Hall with fifteen members, Lion Sweetheart Dee Williams and six guests in attendance. After a delicious meal of stew, cornbread and chocolate cake, the meeting was called to order by Boss Lion Garland. Following the regular opening ceremony Lion Delbert Robertson who is Fire Chief of the Clarendon Volunteer Fire Department intro-

duced Fire Marshall Duane Garman, Asst. Fire Chief Pat Robertson and Fireman Bob McCombs and Gary Thomas. They were visiting the club in honor of National Fire Prevention Week. They showed the club an interesting and informative video on volunteer fireman - past and present.

Also visiting the club were Russell Estlack, guest of Lion Allen Estlack and Raymond Hodges, Agricultural Representative of the 1st Bank and Trust of Clarendon, guest of Lion Garland. The club's annual Ladies Night Banquet will be on October 25th. The club will not meet at noon that day. Meeting adjourned.

BRANDI BETTS, 1994 Bookmark winner, holds book prize receiving from Texas Panhandle Library System

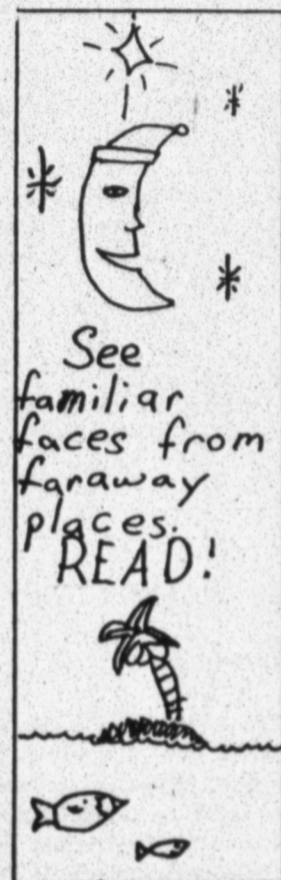

Brandi Betts age 9 G.B. Burton ML Clarendon, TX

AMY SHIELDS, 1994 winner in Texas Panhandle Library System's bookmark contest

1994 Bookmark Winners Announced

Congratulations to Brandi Betts and Amy Shields, 1994 Bookmark Winners. The annual bookmark contest, which encourages children's reading and creativity, is sponsored by the Texas Panhandle Library System, and is open to all participating libraries in the Texas Panhandle. Many students enter this contest, so it is quite an honor to be chosen as winners. Brandi and Amy are students at Clarendon Elementary School.

At this time, Burton Memorial Library welcomes Barbara Alexander as assistant to Librarian, Mary Green. Barbara's efforts will be appreciated and very helpful to Mary and library patrons.

Several months ago, I informed you of two Time Life books, African Americans Voices of Triumph, that had been donated to Burton Memorial Library by Time Life Publishing, a division of Time Warner, Inc. who promised to complete the set with a third volume. That book, "Creative Fire," has now been received. Volume I of these interestingly photographed and informative books is entitled "Perseverance", and deals with the issues of slavery, abolition, the Old West, military, and civil rights. "Leadership", Volume II, includes the heritage of African leadership. It involves science, invention, business, industry, religion, education, and politics. Both books contain an endless number of Black American heroes and heroines on their contributions to our country. Volume III, "Creative Fire", reveals much detail concerning African Art, film making, music, literature, and visual arts. Anyone interested in this aspect of American culture will not be disappointed in the wealth of information that these books offer. High School Students, school librarian, Jean Stavenhagen, tells me a three volume set is now in your school library. Aren't you lucky? These can be very helpful with your reports and essays, especially during Black History month. Be sure to ask Mrs. Stavenhagen about them.

Burton Memorial Library continues to receive benefits from its membership in the Texas Panhandle Library System. Librarian, Mary Green, called my attention to an outstanding reference recently donated by the Library System. It's a brand new Concise Encyclopedia of Science and Technology. After examining it, and according to the inside cover, it contains 7,900 alphabetically arranged articles; 1,600 high quality photos and line drawings; 30,000 entry analytical index; extensive cross reference and bibliographies; measurement conversion tables; animal and plant classifications; over 75 major areas of science and engineering; astronomy; chemistry; physics; meteorology; medicine; life, earth, geological, ocean, and atmospheric sciences; and other areas too numerous to mention. This is another wonderful study supplement for high school and college students and anyone interested in the sciences.

THE CLASS OF 1995 had a meeting to vote for Senior Class Officers. The class voted Donny Howard as President, Jeremy Hicks as Vice-President, Danny McCampbell as Secretary, and Shelley Tongate as reporter.

JUNIOR CLASS OFFICERS

FRESHMAN CLASS OFFICERS

38 Boisterous Boozers Busted

A juicy party ended abruptly Wednesday night about 10:30 when law enforcement officers descended on a house in Howardwick. They took 38 college-age people into custody, but released most after questioning.

Three were charged on various counts of misconduct. The host of the party, Bradley Roberts, was charged with Making Alcohol Available to Minors and Bootlegging. Douglass Johnson was charged with Public Intoxication and Minor in Possession of Alcohol. Shannon Adkins was charged with Terroristic Threats.

Officers participating in the raid included Deputies Joe Shadle, Butch Blackburn, Kelly Hill, Gary McFall, Gary Hunt, Refugio Benavides, Randy White and three Reserve Deputies. Sheriff Jimmy Thompson and Warden Gary Hunt also participated as well as supervising the operation.

The sophomore students also voted on their class favorites, who were Stephanie Floyd and B.J. Hamilton

Freshman Class Meeting

by Jesse Williams

On September 2, 1994 in the High School Auditorium, the Freshman sponsors held a meeting to elect officers. The president is Chandra Ford. Chandra has a great mind and talent to do this job and get the job well done.

Walker McAnear who is Vice President also has great talent to get the job done but he will get it done just as well when the President Chandra Ford is out.

The secretary/Treasurer Chris Taylor is a good treasurer because he is honest about things.

Me myself Jesse Williams is the reporter of the officers. I think I will be good at this because I like writing.

The 1994 male class favorite for the Freshman is Brent Gaines. He got a lot of votes on it.

The female 1994 class favorite is Tarah Tamplen. She is a good girl and is the favorite of our class.

Reporting on September 8, 1994, by reporter Jesse Williams.

Autumn Merchants Carnival Set

The Clarendon Merchants Association will be sponsoring an Autumn Carnival on Halloween, October 31, from 5 to 7 p.m. on main street. Each merchant is invited to participate by placing an activity in front of their store, such as hop scotch, balloon throwing, ring toss, etc. Merchants can wear a costume if they desire. The public is invited to participate and join in on the fun.

It is also time to start thinking about the 4th Annual Parade of Lights. They ask that every business, resident, and organization be thinking about putting up lights. These lights can be purchased at Henson's. Also, dues for the merchant members are due by Oct. 1st.

FLU—from p. 3

health conditions, such as lung disease.

* Most people experience little or no reaction to the vaccine. One in four people might have a swollen, red, tender area where the vaccination was given.

* Influenza vaccines are covered by Medicare and other health insurance programs.

* The best period to receive the influenza vaccine is between October 15 and November 15, before the peak of the influenza season.

* Influenza is very serious illness for anyone at high risk. Certain

diseases that place people at high risk include: Chronic lung disease such as asthma, emphysema, chronic bronchitis, bronchiectasis, tuberculosis or cystic fibrosis, heart disease, chronic kidney disease, diabetes or other chronic metabolic disorder, severe anemia, diseases or treatments that depress immunity.

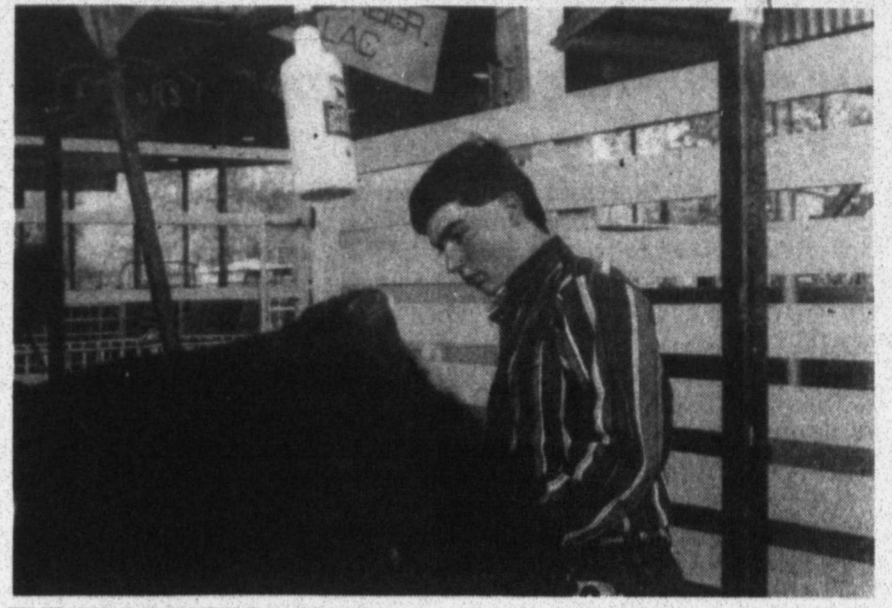

* Some of the symptoms associated with the flu are: fever, chills, weakness, loss of appetite, bodily aches and pains, sore throat/dry cough, burning eyes, coughing.

* Two antiviral drugs, amantadine and rimantadine are useful for treating influenza A if given as soon as possible after exposure to or onset of flu. Both drugs are used as preventive medications, but they must be taken daily as long as flu cases continue to occur in the community. Both may cause mild side effects.

* Call the American Lung Association at 1-800-LUNG-USA for more information.

Thank You

This is a letter of thanks and an invitation to the entire community in and around Donley County.

As most are aware, the local congregation of Jehovah's Witnesses constructed our Kingdom Hall on 3 very hot days this past June. We are now ready for the dedication and open house to be held this coming Saturday, the 22nd of October. We will hold an open tour for anyone wishing to tour the building from 8:00 a.m. until 1:00 p.m. The dedication program will commence at 2:00 p.m. with a brief overview of the local congregation and then the actual dedication talk to be given by Walter Whisman, who after spending more than 40 years as a traveling representative of the Watchtower and Bible Tract Society is now serving as one of the local elders in the Clovis, New Mexico Congregation. He will stay over and give the public talk the next day and all are invited to this talk as well.

We would like to take this opportunity to express our thanks to many of the local people and companies that have worked with us in this endeavor, helping us stay on schedule for the three day build in June. We list these, not in any particular order, but with many thanks.

The initial call that got all of this in motion was made by Robbie Hill of Panhandle Community Services asking if the building was still for sale. We referred her to the man in charge of selling it, our good real-estate agent, Jim Garland. He worked everything out on the legal end of it for us and brought both parties together on mutual ground. Johnny Raymond then took over for Panhandle Community Services out of Amarillo and with the help of Robbie Hill and Carlene Holler all of the paper work was signed allowing this new building to be completed.

West Texas Utilities: Jerry Chambliss, Mike Proffit, Leon Ward, Kim Schaefer, Carolyn Myers, Charles Moore, Bud Davis, and Sam Strader. It would be hard to find a harder working, more dedicated people in any utility in the country. We were asked how we got the power we wanted, and so fast by many of the individuals that work on these quick builds all over Texas and New Mexico. One even works for another power company and made the remark there would have been no way they could have done it for us. A nice compliment to our local power people.

Next all we can think of that really helped on the actual preparation of the site and having the materials that were needed.

Lloyd Ford and his crew, John Morrow Well Drilling, J&W Lumber, Henson's, Verne Ford and Ricky Cannon. The State of Texas Highway Dept. for the cross over work. B&R Thriftway for helping with the ice and food. Mac Stavehagen, Bill Lowe and Security Abstract Co., The Clarendon News for running the article about the construction.

Western Sides and Coronado Motel for their cooperation, Tommy Saye and Ferrel and Annie Shelton for the rooming facilities. We thank all of you and everyone else involved in this project, and all are invited to tour the building this Saturday.

Letter To The Editor

There is so much fraud and deceit going on in the world, that no wonder the young people of today are so wild, and some are down right mean. They see their parents cheat and lie and see all the filth on TV. These filthy talk shows should be taken off TV. It's just sex-sex on all of them. I don't wonder why young boys and girls are confused. God made us to have sex, but only in the confinement of marriage. Pastors of churches should preach more on things of this nature, more about homosexuals, for according to the Bible, the word of god, it's a sin. They need to be taught, and learn the word of God, instead of condoning it. Just like the politicians, Thornberry gets up and talks about Sarpaluis and Sarpaluis gets up and talks about Thornberry. People seem to get pleasure out of lying and talking about people and saying bad things to them and about the wonder sometimes if we should vote for any of them. We are living in a World of Violence, Crime and hatred. Perhaps God will end it all soon. Neil Derr
