REMEMBER THE A LA MODE—Pretty Carol Ralphs, 19-year-old American Dairy Princess from Utah, gives Texas lawmakers a Texas-size pie of Cherry Pie a la mode. Holding the pie is Rep. Alonzo Jamison of Denton, accepting the pie is Rep. Wade Spilman of McAllen, and at right is Rep. B. H. Dewey of Bryan. Miss Ralphs toured Texas to encourage the greater use of milk, ice cream and other dairy foods.

Hedley-Lelia Lake Schools To Open August 24th

The Hedley and Lelia Lake schools will open Monday, August 24th under a new, split system worked out by the two schools.

The first through fourth and fifth through twelfth grades will be taught at Hedley and the fifth through eighth grades will be taught at Lelia Lake.

All fifth through eighth grade students at Hedley will assemble in the high school study hall by 8:40 and will be taken to Lelia Lake for registration. The first through fourth and ninth through twelfth grade students from Lelia Lake will assemble at Lelia Lake by 8:40 to be taken to Hedley for registration.

PRESIDENT SIGNS BILL FOR WATER STUDY

A telegram from Senators Lyndon Johnson and Ralph Yarborough and Congressman Walter Rogers informed us that the President had signed the bill authorizing the project for Salt Fork and Prairie Dog Town Fork of Red River.

The bill authorizes the Interior Department to make a feasibility study of water resources in the above mentioned rivers. \$90,000 was appropriated for the survey.

VACATION IN YELLOWSTONE

Mr. and Mrs. Oscar Thomas and Miss Chloe Darden returned home Sunday after an eight day vacation at Yellowstone Park and Salt Lake City.

Old Settlers To Meet Again In October

Donley County Old Settlers met at Tate Grove northeast of Hedley with their annual picnic last Friday and due to the small crowd in attendance, decided to change the meeting date of the organization and unit with the annual Cotton Festival at Hedley which is held each year in October.

This will give the Old Settlers two meeting dates for this year as the group plans to go ahead and meet again during the cotton festival.

New officers elected for the organization were Mrs. Mabel Bridges, president; Bill Clay, vice-president; Mrs. Temple Cherry, sec-treas.

Among those to be honored at the picnic Friday were Mrs. W. I. Rains, founder of the picnic, and Mrs. R. E. Newman, 82, oldest lady present. Both were presented pots of ivy as gifts. Frank Kendall 82, oldest man present was also presented a gift.

More details concerning the picnic will be found on page two in the Hedley News which is written each week by our Hedley correspondent, Mrs. Mabel Bridges.

Moisture Past Week Is Most Welcome

Moisture arriving the past week end was a most welcome sight to local farmers as crops were beginning to suffer from the 100 degree temperatures registered the first part of the month.

Although the more beneficial amounts of moisture were not general over the county, all parts have received enough to do some good. Some areas have received over two inches while others have received less than an inch in three different showers.

Here in town we received a total of 1.47 Saturday, Sunday and Tuesday. For the same period Ben Lovell reported .61 inch and Willard Knox at Lelia Lake reported 1.43. The total for August here in town is 1.66 as compared with a total of .42 for the entire month of August last year.

SERVICES HELD FOR DORLEN INFANT

Graveside services for Noah Glenn Dorlen, infant son of Mr. and Mrs. Bill Dorlen of this city were held Sunday afternoon at Citizens Cemetery here with Paul Hancock, minister of the First Christian Church officiating.

The infant died Saturday in a Memphis hospital.

In addition to the parents, survivors include a brother, a sister and the maternal grandparents, Mr. and Mrs. C. E. Flowers of Clarendon.

Funeral arrangements were under the direction of Murphy Funeral Home.

Little League News

Last Friday night the Cubs and Indians finished their baseball season. The Indians defeated the Pirates 4-3 in a nip and tuck game. Little Donnie Mooring was the winning pitcher. The Indians had a very good ball club this year. A lot of credit is due Dub Tyler for his work with this group.

The Cubs wound up their season also by losing to the Sox 10-7. The Cubs started slow in the first half but came back strong in the second half of their schedule winning most of their games. The Cubs were managed by Maurice Hart who has done a fine job with the team.

The Sox were defeated at Quail Tuesday night 11-4.

The Pirates and Sox take on the strong Hedley crew here Friday night. Everyone is invited out to see the last little league game of the season.

NEW STATE LAW FOR HABITUAL VIOLATORS

AUSTIN — The Director of the Texas Department of Public Safety cautioned today that a new state law provides for the suspension of the license of any driver convicted of four moving traffic violations within a 12-month period.

Col. Homer Garrison, Jr., said the new law, passed by the recent session of the Legislature and signed by Governor Price Daniel August 5, for the first time defines the term "habitual violator." The definition is as follows:

"The term 'habitual violator' as used herein, shall mean any person with four or more convictions arising out of different transactions in a consecutive period of 12 months, or seven or more convictions arising out of different transactions within a period of 24 months, such convictions being for moving violations of the traffic laws of the State of Texas or its political subdivisions."

Garrison said if justice of the peace or other designated magistrate finds a driver to be a habitual violator, the Department of Public Safety is authorized to suspend the driver's license for any period up to one year.

The new law also establishes detailed procedures for appeals of persons whose licenses have been suspended and requires the courts to give priority to the setting of such cases. It designates local prosecuting attorneys to represent the state in such appeals cases.

SERVICES IN PROGRESS AT MISSIONARY CHURCH

Elder John W. Reynolds of Tyler, Texas, started a series of services at the Missionary Baptist Church Tuesday of this week. Morning and evening services will be conducted through Sunday evening with morning services beginning at 10:30 and evening services at 8 o'clock.

The public is cordially invited to attend these services.

BACK TO SCHOOL DANCE AT GROOM AUGUST 28th

There will be a back-to-school dance at St. Mary's Hall, Groom, Texas, August 28th.

According to Susan Homer, the dance will begin at 7:30 and last until 11:30. Admission will be 50c per person. All teenagers are invited.

VACATION IN COLORADO

Mr. and Mrs. R. C. Hill, Mr. and Mrs. Billy Hill, and Miss Ann Ruth Messer of Quail visited last week with Mrs. R. C. Hill's sister, Mrs. Lynn Enyart and family at Durango, Colorado. Mr. and Mrs. Billy Hill and Miss Messer also visited in Silverton, Colo. They returned home by way of Santa Fe, New Mexico.

Farm Bureau's Annual Chicken Barbecue To Be Held August 27

The Donley County Farm Bureau will hold its annual chicken barbecue on the evening of the twenty-seventh of August at the Lelia Lake School house at six thirty P.M., says Holly Wood, county president.

Everyone is invited whether you are a Farm Bureau member or not, the only requirement is that you furnish one-half chicken for each member in your party. The chickens are to be in halves and not cut up. If they are frozen please thaw them before leaving at the designated places. Chickens can be left at the Moreman Grocery at Hedley and the Homen Meat Co. in Clarendon. The deadline for leaving chickens at these places is 11:00 A. M. on the twenty-seventh as they will be picked up at that time.

The Farm Bureau will furnish all the trimmings to go with the chickens and Flip Breedlove, Donley County agent, will barbecue the chickens. A good program is planned after the barbecue, says Mr. Wood. Tell all your neighbors and get your chickens together and make plans now to attend this annual barbecue.

Revival At First Christian Church August 23-30

A Revival is scheduled to begin Sunday, August 23rd, and continue through the 30th at the First Christian Church here with Charles Hamilton as the Evangelist. No service will be held on Saturday night.

Paul Hancock, Minister of the local church, will direct the singing; Veo Knight will be at the piano and Dee Williams at the organ. There will be special music every night.

Services will be held each evening at 8 p.m. except Saturday night at which time no service will be held. We invite everyone to come and enjoy any or all of these services, Hancock stated.

Mr. and Mrs. Clyde Wilson and Pat of Indio, Calif., are visiting friends and relatives here.

HOSPITAL NOTES

Patients as of Wed., August 19th —Mrs. H. C. Shaw, Jane Hillman, Mrs. E. A. Tipton, Mrs. J. I. Spurgeon, Mrs. Ella McDowell, Chas. Speed, Mrs. J. R. Hillman, Mrs. Jess Pool, Mary Grisby.

Thirty-Seven Bronchos Report For Workouts Monday

Wildcat Well To Be Drilled Near Ashtola

Drilling equipment has been moved in location of another wildcat well to be drilled near the western edge of Donley County three miles southwest of Ashtola.

Sunray Midcontinent Oil Co. of Oklahoma City holds the lease and the drilling will be done by Luce Grace Drilling Co. The location of the well is on a part of the JA Ranch in survey 6, block C-5, T & T Ry. survey.

The well is located about 2 miles south of Highway 287 on the Donley-Armstrong county line but to reach the well site you drive 1 mile south of Ashtola on the Farm to Market road and turn west about two miles.

It is understood that the well will be drilled to a depth of 7,000 feet or granite.

EDGETT ANNOUNCES BAND MEETINGS

The Clarendon High School Band has commenced rehearsals on Monday, Tuesday and Thursday mornings from 8 a.m. to 10 p.m.

This Thursday, August 20th at 9 a.m. tryouts will be held for mascot. This is a change in plans as it had been originally planned to have tryouts after school starts.

Parents of boys and girls who will be in the 5th grade this year are asked to encourage their children to take band; and those who will have boys and girls in the 6-7-8th grades, who have been in the band before are asked to urge and encourage their children to rejoin as it is going to take everyone to make a respectable band this year as well as in the years ahead. This is a direct appeal to all parents who desire to give their boys and girls something worthwhile as long as they are in school and something they can enjoy and be a part of if they go to college or something they can enjoy after they graduate, Edgett stated.

It is still not too late for those who wish to start in to do so. Private lessons can be had at no cost to the students who will avail themselves. There are still a few school owned instruments that can be had on a yearly rental. Those interested are urged to contact Willard Edgett either by calling 354-J or writing box 916.

Richard Vallance was able to be moved home from Adair Hospital Monday morning. He appreciated all the cards and visits and is happy to be back at home once again.

The 1959 edition of the Clarendon High School Broncho football team began workouts on Monday of this week in preparation of their first game which will be at Stinnett on Friday, Sept. 4.

Coach Tom Jinks, beginning his fourth year as head coach, greeted 37 prospects on Monday. Among the candidates for this year's team are nine returning lettermen from last year; seven members of last year's B team; ten boys who did not play last year, and 11 members of last year's Junior High team.

Coach Jinks will work the boys out once each day this week and will increase the drills to two a day next week.

The returning lettermen from last year include Dewey Wilson, halfback; Dennis Bradshaw, guard; Lynn Spier, tackle; Wayne Mann, end; Neal Carter, quarterback; Ronnie Tyra, center; Charles Percival, center; Bill Hermes-meyer, end; and Jerry Gray, tackle. Boys who played on the "B" team last year include Eddie Tipton, Philip Abel, Don Higgins, Jerry Bones, Frank Hermes-meyer, Tommy Messer and Leon Gibbs. Boys who have had no experience who are reporting include Mat Armstrong, Bobby Hutton, Buster Shields, Bill Spier, Jerry Shields, Roy Lee Helms, Jim Robinson, Sammy Jacobs, J. O. Armstrong and Shelby Bell. Last year's Junior High players are Dwi,ht McAnear, Danny Ray, Jerry Elmore, Punk Campbell, Steve Richerson, Gerald Johnson, John Cearley, Leroy Hight, David Hudgins, Charlie Slavin and Mike Heath.

School Budget Hearing Tonight

The Board of Trustees of the Clarendon Independent School District will meet tonight at 8:00 o'clock for their regular August meeting. Among the things on the agenda will be the annual school budget hearing. Patrons interested in the school budget are invited to attend. The board meets in the Board Room of the Kelley Chamberlain Insurance Building.

ENJOY CANADA TRIP

Mr. and Mrs. L. L. Wallace and Frances and Jackie McClellan have returned home after a vacation trip that carried them into Canada. Leaving here they traveled to Salt Lake City, through Yellowstone and Glacier National Parks and into Banff, Alberta, Canada. They also visited beautiful Lake Louise, returning home by way of Estes Park and Colorado Springs. Nineteen days were spent in travel and sightseeing.

GRANDPA WOULD APPROVE—Second Lieutenant J. E. B. Stuart IV, great-grandson of the famed Confederate cavalry general of the Civil War, follows his grandsire's beliefs on mobility and striking power as he serves with the U. S. Army's Guided Missile Command at Redstone Arsenal, Alabama. Shown here, he looks over the Army's HAWK (Homing-All-The-Way-Killer) missile for use against low-flying aircraft. Lieutenant Stuart was born in Manassas, N. Y., but attended the University of Virginia and married a Richmond girl.

A SHOT OF THIS "RED EYE" CAN KILL YOU—BUT FAST—Under development for the modern U. S. Army, this shoulder weapon is designed to track down and destroy low-flying aircraft. Known as "Red Eye," the development of General Dynamics' Convair Division will, if adopted, provide highly-mobile ground troops with a plane-buster similar to the tank-killing "bazooka." The launch tube also serves as a shipping container for the weapon when sealed at both ends, and the missile itself is a composite structure containing propellant, warhead, and electronic guidance system.

HEDLEY NEWS

Mabel Bridges

The Donley County Old Settlers met at Tate Grove Friday, Aug. 14, for their annual picnic. A small crowd was present. A good program was rendered.

In the business meeting it was voted to accept the invitation of the Lions Club to move the Old Settlers Picnic to town and unite with the Cotton Festival and plans are to be worked out for the October festival. Due to the few surviving pioneers reaching the age in life that their health does not permit them to attend a picnic at Tate Grove, it was unanimously voted to move to town.

Officers elected were Mrs. Mabel Bridges, president; Bill Clay, vice president; Mrs. Temple Cherry, sec-treas. This corp of officers will cooperate with the officials of the Cotton Festival to make this one of the best gatherings the Old Settlers have had. We hope all the pioneers will be able to present.

Some of the out of town folks attending the picnic were Mr. and Mrs. Elbert Callaway, Cardell, Okla.; Mr. and Mrs. Homer Clarke, Wichita Falls; Mrs. Vera Hickey, El Paso; Barney Clifton, Borger; Mrs. Verdie Moreman Cagle, Los Angeles, Calif.; Mrs. Don Carson and children, Borger; Judge Drennon, Clarendon; Flip Breedlove, Clarendon; Bob Ayers and daughter, Celia; Mrs. Bill Moreman, Memphis; Claude Bain, Borger. There were several more, but I failed to get their names.

A good time was had and many memories were revived during the day.

At noon a bountiful feast was enjoyed and food carried home after everyone was fed. Mrs. W. T. Rains, founder of the picnic, and Mrs. R. E. Newman, 82, oldest lady, were presented pots of ivy. Frank Kendall, 82, oldest man, received a gift.

All left declaring they would

be at the next meeting in Oct. at the Cotton Festival, if possible. We decided two meetings in 1959 was not too often for old friends to meet.

Your reporter would like to say any suggestions regarding the Oct. meeting will be appreciated. Anyone who will help make the pioneer part of the Cotton Festival better, please feel free to do so. The officers will appreciate your help. As plans are made we will have more to say about the future meeting.

The Revival at the First Baptist Church will continue through this week. Rev. Russell Pogue of Petersburg is going some fine preaching. Rev. R. D. Jones of Memphis has charge of the music.

Billy Wiggins and Rodney Hargrove have returned from a visit with Mr. and Mrs. Frank Hargrove in Little Rock, Ark.

Recent visitors in the M. L. Sims home were his brother and wife, Mr. and Mrs. Horace Sims of Whittier, Calif.

Mr. and Mrs. Billy C. Johnson and sons, Tony and Rickey of Corpus Christi are visiting their parents, the C. L. Johnsons.

The Sam Owen, Jr., family visited here recently with he Sam Owen's, Sr., and H. H. Hall. They are moving to Detroit, Mich., from San Antonio.

Mrs. Neil Tibbetts visited her parents, the C. R. Hunsuckers, last week.

Capt. Reba Hall and mother, Mrs. J. E. Hall, and Mrs. Mabel Bridges spent Wednesday in Amarillo visiting Misses Maude and Tat Glenn.

Mr. and Mrs. Don Springer have returned from a fine vacation to Yellowstone Park and other points of interest. They report a fine trip.

Mr. and Mrs. W. C. Quisenberry attended the wedding of their son, Jack, and Ann Godfrey in Dallas Saturday, Aug. 15. Others attending from Hedley were Mr. and Mrs. John Dickson and J. M. Dickson and Richard and Miss Linda. Mr. Quisenberry and little Miss Linda Dick-

son were in the wedding party. Mrs. Delphia Bailey of Amarillo visited friends in Hedley over the week end.

We regret Miss Myrtle Hall is leaving Hedley. She has been teaching in the Hedley school system since the 1947-48 school year. She is moving to Dumas where she will teach at Cactus Branch of the Dumas school system.

Mother Stotts of the Giles Community has been quite ill in a Memphis hospital.

Mrs. J. E. Hall and daughter, Capt. Reba Hall of San Antonio left Thursday after a visit with your reporter and seeing old friends here. Mrs. Hall will keep in close touch with Donley County as she will receive the Donley County Leader each week. They continued their vacation in Tenn. to attend

a Halland reunion. Mrs. Loyd Bailey is visiting in Plainview with her children, the Geary Reckling family.

BUREAU EFFICIENCY

There are so many stories about Bureau inefficiency and red tape, and so few commendations when a good job is done, that I wanted to pass on to you a story of outstanding co-operation and efficiency by the Bureau of Immigration and Naturalization. It concerned the location of a young lady for Reverend and Mrs. Johnny Williams of Adrian, Texas. Reverend Williams is the Methodist pastor at that point. Here is the story:

Miss Brigette G. M. Ziemann was an exchange student who lived with Reverend and Mrs. Williams and family at Plainview, Texas, during 1954. She was processed through the

Church of the Brethren Exchange Program, its headquarters being near Washington in Maryland. After her normal school year she returned to Germany, and on her 1957 vacation she came to visit the Williams in Texas again. In the fall of 1958 they had a telephone call from her in New York advising that she was again in the country and would write them when she had an address. They never heard from her and were of the opinion that her letter to them was lost. They could not correspond with her since they didn't know where to write. They simply assumed that she, having written and not heard from them, deduced they did not want to correspond with her.

Reverend Williams came to my office with the foregoing information, stating that he and his family were en route to New York and would like to find Miss Ziemann if there was any way

of determining her location. We contacted the Commissioner of Immigration and Naturalization, thinking that she would be a registered alien if she was still in the United States. He determined that she had entered the United States as a permanent resident alien on May 21, 1959, and that her records were in the Newark, New Jersey, District Office of Immigration. The Commissioner telephoned the Newark office, requesting the District Director, Mr. William Wirsch, to find her and to determine if she would object to giving the Williams her address and telephone number — this information being considered confidential. The Newark office had the address which she had reported last January when she registered, which was a Hackensack, New Jersey, address but had no telephone number. They got the telephone company to find the telephone number for the address, tried the number repeatedly, but got no answer. Realizing the necessity for speed, they got telephone numbers of residences adjacent to the address, to see if any of the neighbors knew anything about her. The answers varied from "never heard to her" to "she's gone back to Europe." One neighbor advised he thought she worked for "some airline in Petersburg." They tried all the airlines in Petersburg, none of which knew her.

Meanwhile, all the neighbors they had called in Hackensack had conversed with all their friends and neighbors and had commenced calling Mr. Wirsch at the District Immigration office to report small tidbits of information. One of these callers reported that they thought she had moved into New York City and was working at the German Consulate. Upon calling the German Consulate, they were advised she did not work there.

but that she might be located at the German-American Chamber of Commerce in New York City. Meanwhile, the telephone calls from friends and neighbors were still pouring in reporting small bits of information.

Miss Ziemann was located working at the German-American Chamber of Commerce in New York City, and was thrilled to learn that her friends, the Williams, were en route to New York. She was overcome with all the efforts which had been made to locate her, advised her business and home addresses and telephone numbers and that the Williams should contact her immediately upon arrival in New York. Reverend Williams was also impressed and most grateful. We are sure they had a nice visit.

DEATH WHOOP

Since we are telling stories, let me tell you the one about the painting of Indian life called "Death Whoop." The picture was painted by Mr. Seth Eastman, who had been commissioned by the government to paint some Indian pictures. He was chosen because of his vast knowledge of many of the Indian tribes. Several of his pictures are hanging in the Committee room of the Committee on Interior and Insular Affairs, of which I am a member. The picture "Death Whoop" portrays an Indian standing erect and holding at arms length the scalp of a white man. The white man is laying at the foot of the Indian and the place where the scalp was removed is plainly visible. Unless you appreciate this kind of art, you can readily understand that it might be abhorrent to some eyes. This seemed to be the case, because some years back when the Democrats were in control, the Republicans complained because the picture was hung opposite them and they had to sit and look at it all during Com-

mittee meeting. Their complaint went for naught, but when they won an election and got into power, they promptly switched "Death Whoop" to the other wall where it stared the Democratic members in the face. This allegedly went on for two or three sessions of Congress until the 82nd session. "Death Whoop" was removed entirely from the wall in the Committee room, supposedly because some of the Indian tribes complained that it put the Indian in a bad light. There is no doubt that the white man was never an all-out enthusiast behind the Indian pastime of scalping. However, most of us on the Committee had understood that this was a lost art. In any event, the request of the Indians was honored and the picture removed. However, with the advent of the 83rd Congress the picture again found its way to the Committee room and now adorns the wall high above the spectator section of the room. No one needs look at it unless they want to. It might be added that the complaints from Committee members came from those with hair. Several of us felt no danger of being scalped by an Indian or anyone else and, therefore, made no complaint.

"Previously Owned by a Little Old Lady..."

Surprisingly, that gentle little old lady who never drove over 30 miles an hour was really tough on her car's motor. The fact is that start-and-stop driving at low speeds means the motor doesn't warm up enough for its own good. Sludge forms in the motor oil. Damage to the engine will result.

Most of us do a lot of start-and-stop driving these days, and that's why it's wise to protect with Phillips 66 Trop-Artic Motor Oil. It flows quickly in a cold engine . . . resists sludge formation . . . then keeps on protecting your motor on long, hot drives.

Trop-Artic is an all-season oil. Get it from your Phillips 66 Dealer.

Two Chevy middleweights prove their rawhide stamina!

Top hands on high-country hauls!

Ask any trucker who's been over Wolf Creek Pass, 10,850 feet up in the San Juans: a 9-mile pull to the summit and low gear all the way down. Mr. C. H. Phillips of Alamosa, Colorado, has a 6403 and a 6503 Chevrolet truck that are up over this route the year round, taking sheep and beef to pasture, later marketing the stock in Denver. In less than a year, his Chevy middleweights have averaged about 50,000 miles of this kind of treatment—and they're going stronger than ever!

Watch Chevy trucks at work out in range country. It's a sight to see the way they pack into high-up mountain pastures and handle through brush and rock like a cowman's favorite cutting horse. Take any truck work for that matter. Chevy middleweights probably handle a bigger variety of jobs than any trucks alive. About anything you name, including work that used to be reserved strictly for bigger rigs. When a truck's built the way a Chevy is, lean-muscled and rawhide-tough, it takes to ugly trails the same way most trucks roll over the highway. It just keeps going, without a big to-do, but looking good every mile of the way. How they do it is your Chevrolet dealer's department. He'll be glad to supply details and specifications on the type of models you need.

No job's too tough for a Chevrolet truck!

ideas. It is easy sometimes to get off by ourselves afterward and start adding up the score and come out with our own self in the right and whole poopole of the folks wrong.

When we come up with this sum total we better go back and check our addition. It just could be that in some of the columns we kept on just carrying a ONE when we should have been bringing forward a larger number . . . And this ONE was likely our own opinion of ourself.

Some folks grow under responsibilities; others just swell. One good thing about keeping our chin up is that this also keeps our mouth closed.

Friendly criticism, that is really meant to help us is far better and much more valuable to us than a lot of false flattery.

A Smart Aleck is a conceited fool who thinks that he knows more than you do.

A man's horse sense seems to desert him when he is feeling his oats.

We can be so right until we are wrong . . . So dogmatic about it that folks run from us . . .

It has been quite awhile since we have used a poem for those who keep scrap books. The following sent to us by Mrs. Stella Dye is too good to pass up. It is called:

JUST WIFE AND I
by H. M. Benson

Long years ago a knot was tied That bound the lives of wife and I—
We pledged our faith to live and die True to that promise—just wife and I.

Soon babies came to laugh and cry And make things lively for wife and I. Sometimes we smiled, sometimes we sighed Amid life's trials—just wife and I.

The days went by—soon evening tide Found us alone—just wife and I; For one by one these babies have hied

And left the home of wife and I. It must be true — signs don't belie; We are growing old—just wife and I.

Life's hardest storms, the darkest sky, Have now been seen by wife and I. Now all alone with moistened eyes, We recount life's scenes—just wife and I.

So please young friends, don't pass us by, For we are lonely—just wife and I.

Mrs. Bettye Burrows sends us some good sayings for our collection of which the following is a sample:

"Liberty is the privilege of being free from the things we don't like in order to be slaves to the things we do like."

"If you don't do your own thinking you will be doing someone else's work."

"Grade crossings are where headlights and lighthead meet."

Another friend Miss Ruth Richerson sends us the following:

"In the footprints of the sands of time some people leave only the marks of a heel."

"You won't find many success rules that will work unless you do."

"Goodness is the only investment that never fails."

Thanks to each of you good friends for thinking about us and for sending us the above.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN — Quiet has settled over Texas' Capitol Hill after 202 days of hubbub.

As legislators packed up to go home, directors and employees of state agencies were filling scratch pads with figures. For most state-supported activities, the new budget which goes into effect Sept. 1 will mean more funds. Altogether, \$300,000,000 more.

There were some disappointments, of course, in the appropriations bill. Many programs got less than had been asked for, some salaries were cut, and there were riders and restrictions in other activities.

But, overall, there was more relief and rejoicing than tears and complaining. Most seemed to regard the new budget as the best that could be hoped for in such a "hard year."

For their parts, lawmakers were eager to get home and "mingle with the folks." Ahead lie probable showdowns on new spending for welfare and public schools, and, always, the inching up every two years in general spending.

BUDGET BREAKDOWN — Texas' new record high budget of \$2,418,000,000 was reported out after 95 days of haggling in conference committee.

But once out, it zipped through both house, with only 8 dissenting votes in the Senate and a 108-to-30 vote in the House.

Spending from the general revenue fund, the state's multi-purpose housekeeping kitty, totals \$322,800,000. This is up \$42,000,000 from the present biennium.

To show how hard up the state was, more than 56 per cent of total general revenue spending—or \$185,000,000—will have to come from the new tax bill passed this session.

Here's how the pie was finally sliced on major items:

PUBLIC SCHOOLS — Received an appropriation of \$774,904,500, an increase of about \$85,000,000, mostly because school spending has an "escalator clause" which ties it to enrollment.

HIGHER EDUCATION — Got the biggest increase from the general revenue fund of any program. It was boosted by more than \$12,000,000 to a total of \$130,933,424 for the state's 18 tax-supported colleges and universities. Increase was only about half what was asked by the Commission on Higher Education.

saw one of their fondest dreams come true in that the "available fund" (income from the University's permanent fund) was left free for buildings and "excellence" programs.

HOSPITALS, SPECIAL SCHOOLS, YOUTH COUNCIL Allotted a total of \$90,456,554, an increase of \$6,348,252.

This is to be used to improve medical care in state hospitals and to build a new mental hospital at Denton, a new dormitory for delinquent boys at the Gatesville school and a new building at the Gainesville School for Girls. It will also cover some salary increases and cost of some repair and remodeling in the vast hospital and school systems.

It does not allow for setting up the juvenile parole system ardently desired by the Youth Council and recommended by Gov. Price Daniel.

STATE EMPLOYEES — Lower bracketed employees, from \$2,400 to \$6,000 annually, will get a \$180 a year raise. It's not a lot—\$15 a month more in the employees' pay envelopes — but it will cost the state about \$14,000,000 for the two years.

JUDICIARY — Will receive \$9,338,769 from general revenue, a \$312,779 increase. Most of this goes for new district courts plus briefing attorneys and secretaries for the Supreme Court.

PRISON SYSTEM — Operating budget increased by \$2,800,000 plus \$7,720,000 to provide additional buildings for a prison population soaring toward 11,000.

LIVESTOCK DISEASE — A new program to control brucellosis was tabbed for \$239,960, considerably under the \$2,170,000 requested.

STATE ADVERTISING — State Highway Department was authorized to use \$100,000 to lure tourists and the Texas Industrial Commission \$20,000 to seek new industries.

CONSTITUTION — Texas Legislative Council was given \$50,000 for a study of the State Constitution with a view to revising it.

INSURANCE DEPARTMENT — All the furor over top officials' salaries brought little change. Commissioner of Insurance William Harrison was cut from \$20,000 to \$15,000 a year; the three board members, from \$15,000 to \$14,000.

BUILDING PROGRAM — To further the Capitol expansion program \$2,753,000 was appropriated.

ated for buying land, \$2,924,000 for a second state office building.

WATER PLANNING — Board of Water Engineers was allotted \$2,037,000, an increase of \$200,000, but nearly \$800,000 less than requested. It will allow for some salary increases for board members and engineers and mapping to locate future damsites.

RIO GRANDE NAVY — Sen. Abraham (Chick) Kazen, Jr., of Laredo, Texas' fourth "governor for a day" this year, used his time in the spotlight to call attention to needs of his South Texas border country district.

As Senate president pro tempore, Kazen served as chief executive in the absence of the governor and lieutenant governor. He proclaimed Good Neighbor Day, created the Navy of the Rio Grande and urged Congressional approval for construction of Diable Dam west of Del Rio.

Sen. Frank Owen III of El Paso succeeds Kazen as president pro tempore for the interim between sessions.

REPRIEVE FOR CHURCH — St. Martin's Lutheran Church, a beautiful, classically designed building one block north of the Capitol, was to be destroyed to make way for the state building program.

Texas Employment Commission's new building has already gone up within a few feet of it.

But the Senate, in a resolution sponsored by Sen. Charles Herring of Austin, has asked TEC to study the possibility of putting the church to some use, such as a non-denominational chapel, before deciding to level it.

SHORT SNOOTS — Penalties up to \$200 and court costs can be assessed against operators of dual-wheeled vehicles without protective "mud flaps" after Aug. 9. Previously the law had required use of the mud flaps only when the pavement was wet.

Now they must be used at all times . . . Beginning Oct. 14, parents' consent and a three-day wait will be required between the application for a marriage license and the wedding of the groom is under 21 or the bride under 18. Changes in the law to slow down quickie weddings were voted by the Legislature in its recent called session . . .

Salk vaccine still hasn't put an end to all polio in Texas. Total cases in the state this year had climbed to 231 as of July 25, the State Health Department reported.

GEORGE'S WIFE
By "Sarah"

"Capitol's Not Very Stable . . . The Foundation Is Lost" headlines an article by Ed Katerba in the Editorial section of the Amarillo Daily News recently. Mr. Katerba is the smiling editorial writer and we seek out his smiling face eagerly each day. He says President Washington's ritual on Sept. 18, 1793, represented something far greater than placing a silver plaque in place on a block of stone. On that day he was setting into place a foundation, Symbol of Democracy — a solid stone upon which our Capital would lean through the centuries. Mr. Katerba wonders if maybe George W. himself hadn't turned over one too many times in his grave at the ways things were going in the Capital and just came by and removed his plaque. His last report on this was that it's under Martha and George in the crypt where they lay. We are going to keep a weather eye on this story as it unfolds, because we think he will find it before he quits. But my George says that this symbol is carried up to the hill with every man that makes it, that it's only they have been there a while . . . they lose it. Oregon has become the 20th state to be declared a modified-certified brucellosis area, announces the USDA. Brewster, Jeff Davis and Presidio are the only counties in Texas which are modified-certified free.

Gambill-Morrow Vows Repeated August 14

In a candlelight service at seven o'clock in the evening of August 14 in the First Methodist Church Miss Barbara Gayle Gambill, daughter of Mr. and Mrs. Guy Gambill, became the bride of John Tom Morrow, son of Mr. and Mrs. Kenneth Morrow. The Reverend Conrad Ryan read the single ring service before a satin covered kneeling bench. Other decorations were baskets of white gladioli and potted palms.

Miss Dianne Moore organist, presented pre-nuptial selections of "Traumere and Romanze" and "Ave Maria" and a recessional of "Joyful Joyful". Wanda Ryan, vocalist, sang "O Promise Me" and "The Lord's Prayer" as a benediction.

Attending the bride as maid-of-honor was Miss Pauline Gillean. Her dress of blue polished cotton was styled with a rounded neckline, empire waist, and a bouffant skirt. She wore a half hat of white pique and her corsage was of white gladioli.

Melvin Housden served the groom as best man, and ushers were Philip Abel, Kenneth Housden, and Sandy Skelton.

For her wedding the bride chose a dress of white with accents of blue. The fitted bodice was styled with a rounded neckline and short cap sleeves complemented by short gloves. Bands of blue satin terminating in tiny ribbon rosettes marked the empire waistline and the bouffant skirt. A face veil of blue illusion fell from her head piece of blue velvet. She carried a white Bible topped with a glamelia surrounded by gladioli.

Both the bride and groom have attended Clarendon schools. The bride, who was active in all school activities has just completed her sophomore year in high school. Mr. Morrow was a member of the spring graduating class. After a short trip they will be at home in Clarendon.

1926 BOOK CLUB

Members of the 1926 Book Club met at the Country Club Tuesday evening, August 18, at 7 p.m. for their annual summer picnic supper. Mesdames C. B. Morris, L. N. Cox, Walter Clifford, and Frank White, Jr., were hostesses.

Fried chicken and all of the usual picnic trimmings were served. Elba Ballew pronounced the invocation.

Twenty-five members and guests attended. — Rep.

SLUMBER PARTY

HONORS BRIDE-ELECT

Miss Pauline Gillean entertained Miss Barbara Gambill, bride-elect of John Morrow, with a slumber party on the evening of August 6. Guests gathered at the Gillean home and spent the evening listening to records and talking.

Refreshments of cheese dip, chips, and cokes were served to Linda Lemons, Wanda Ryan, Beth Gillham, Dianne Moore, and the honoree by the hostess. Barbara was presented with a rolling pin and a set of cooking ware by the group.

Mr. and Mrs. James R. Lovell of Dumas are the proud parents of a boy born August 18. He weighed 7 lbs., 6 oz., and was named Joe Lloyd. The grandparents are Mr. and Mrs. Ben Lovell and Mr. and Mrs. Ernest Hunt.

White - Gresham Nuptials Solemnized

Miss Patsy Ruth White, daughter of Mr. and Mrs. M. T. White of Quail, Texas, became the bride of Wendell Eugene Gresham, son of Mr. and Mrs. George Gresham of Clarendon, Texas, in a double-ring ceremony read Friday evening, August 7, in the First Baptist Church at Quail. The Rev. O. D. Holton officiated.

A wrought-iron archway entwined with jade leaves and white hearts and flanked by pedestal baskets of white gladioli provided the background for the ceremony. A satin covered prie dieu centered the archway.

Nuptial music was presented by Miss Judith Ann Wilson, organist, and Mrs. O. D. Holton, vocalist.

The bride, given in marriage by her father, wore a gown of lace over white bridal satin. The fitted bodice was designed with a bateau neckline and long sleeves. The full floor-length skirt was gathered to the back and sides with a lace overskirt scalloped down the front. Her tiered veil of illusion was attached to a cornet of satin roses. She carried a bouquet of rosebuds. Her only jewelry was a double strand of pearls, a gift of the bridegroom.

Miss Elwanda Gresham, Clarendon, Texas, sister of the bridegroom, was maid of honor. Bridesmaids were Miss Glenda Gay Phipps of Lubbock and Miss Betty Whitson of Dalhart. Miss Gresham wore a pink embroidered cotton satin dress while the other attendants wore silk broadcloth in shade of blue and yellow. The dresses were fashioned with a fitted bodice, scoop neckline, princess skirt, and cummerbund. They carried fan-shaped bouquets of French carnations in colors matching their dresses.

Bill Dale Hill of Amarillo was best man. Roy Gresham of Memphis and Bill Clifton of Amarillo were groomsmen and ushers. Escorting the parents of the couple were Alvin White, Jr., and Lindy White.

Flower girls were Linda Hightower of Panhandle, Sharon

MRS. WENDELL EUGENE GRESHAM

White and Janice Keeton of Amarillo. Mark White of Quail was ringbearer.

For her daughter's wedding, Mrs. White chose a dress of tangerine embroidered linen with beige accessories. Mrs. Gresham wore a navy linen dress with white and navy accessories. Each wore a corsage of white carnations.

Following the ceremony a reception was held in the church dining room. The refreshment table was laid with an ecru cutwork cloth sent by the bridegroom to his bride from Germany. The bride's bouquet flanked by pink tapers provided the table decor. Mrs. Don Johnson of Canyon served the wedding cake while Miss Jessie Lee White of Canyon and Mrs. W. C. Howard of Lelia Lake dispensed punch.

Mrs. Bill Dale Hill of Amarillo presided at the bride's book. Others in the houseparty were

Mrs. Alvin White and Mrs. George Keeton of Amarillo and Mrs. Delbert White of Quail.

For traveling to Colorado Mrs. Gresham wore a blue dress complemented by blue accessories and the corsage taken from her bridal bouquet.

Mrs. Gresham will be a member of the graduating class at West Texas State College this month, and will teach in the Amarillo school system this coming school term. Mr. Gresham has recently returned from Germany where he served with the United States military forces. He is a graduate of Clarendon High School and Clarendon Junior College.

Mr. and Mrs. Jack McElroy and family of Oklahoma City and Mr. and Mrs. Doc Adamson and boys of Los Angeles, Calif., are visiting in the home of their parents, Mr. and Mrs. John Rhodes.

OBSERVE FIFTIETH WEDDING ANNIVERSARY

Mr. and Mrs. R. R. Riley celebrated their fiftieth wedding anniversary with open house at the family home Sunday afternoon, August 16. Receiving hours were from 2:30 p.m. to 5:30 p.m.

The refreshment table was laid with a lace cloth. The wedding cake provided the decor and was flanked by gold candles. Crystal appointments were used.

Miss Alta Hill and R. R. Riley were married August 15, 1909, at Princeton, Texas, in Collin County. Both were born in Cumberland, Kentucky. The couple moved to Donley County thirty-seven years ago and engaged in farming until Mr. Riley retired. They have since made their home in Clarendon. The Rileys have had twelve children. Nine are living at this time and of these six were present for the celebration. There are twenty-two grandchildren, and twelve great grandchildren.

Mr. and Mrs. Riley received many lovely gifts, cards, and wishes for many happy returns of the day.

Children present to help make the occasion a memorable one were Mr. and Mrs. Jim Ambersson and family, Mr. and Mrs. Jim Evans and family, Mr. and Mrs. Fred Riley, Mr. and Mrs. Leon Riley, all of Amarillo, Mr. and Mrs. Jigis Riley and Mark and Mrs. Irene Winchester of Clarendon.

Others present were Mrs. Mamie Henley, Mrs. Curtis Corbell, Mr. and Mrs. Jim Pitner, all of Snyder, Texas; Mrs. Edgar Eades of Ira, Texas; Mr. and Mrs. W. R. Hill, Mrs. Carl McMillan,

Darrell, Stanley and Debbie of Dodge City, Kansas; Mr. and Mrs. Carl Brown and Vic, Mrs. H. C. Hill and Jimmy Guy of Amarillo; Mr. and Mrs. Buck Hill of Altus, Okla.; Mrs. Julia Barker, Sonya Eldon, and Edwin of Borger, Texas; Mr. and Mrs. Roland O'Donald of Canyon, Texas; and Mr. and Mrs. Rob Hill, Mr. and Mrs. Billy Hill, Mr. and Mrs. L. ATTENDS REGIONAL SOCIETY MEETING
 Mrs. Velma Weaver, president of Gamma Kappa Chapter of Delta Kappa Gamma, attended the Southwest Regional meeting of the society held in Tulsa, Oklahoma, August 9-12 with headquarters at Mayo Hotel.
 The general theme of the conference was "Opening Doors on Tomorrow's World." Dr. B. June West of Portales, New Mexico, was the southwest regional director. Eight teachers from the Panhandle area were present; among them Miss Zady Belle Walker of Memphis, Jewell Foster of Dumas, Mildred Hulsey of Tulsa, and Velma Weaver, Clarendon.

The southwest region includes eleven states and delegates were present from all with the exception of Nevada. Guests were present from seven other states with a total of 508 registering.
 A reception was held Sunday afternoon, a breakfast Monday morning, a birthday luncheon and sessions and group meetings Monday afternoon. Mrs. Weaver attended two group sessions, "Elementary School Faces the Future," and "Strengthening the Educational Program."
 The big question raised at the conference was "What is the Shape of Our Future World?" Mrs. Weaver sang in the chorus which provided music for the conference. The chorus was composed of forty members from ten states.

Week end visitors in the home of Mr. and Mrs. R. C. Hill were Mr. and Mrs. Buck Hill of Altus, Okla., Mr. and Mrs. W. R. Hill and Mrs. Carl McLillan and children of Dodge City, Kansas, Mrs. Clyde Barker and children of Borger and Bill Hardin.
 Mr. and Mrs. R. C. Hill, Mr. and Mrs. Billy Hill, and Miss Ann Ruth Messer of Quail were in Amarillo recently to attend funeral services for infant twin sons of Mr. and Mrs. L. C. Robinson. They also visited Mrs. R. C. Hill's mother, Mr. and Mrs. D. R. Conner and with a brother, Bill Robinson of Long Beach, Calif.

Mrs. Dick Allen and Mrs. Horner Mulkey returned home from Denver last Friday after visiting with Mrs. Allen's daughter, Mrs. Lucile Hitt, and family. They reported a most enjoyable time. Mr. and Mrs. W. C. Larimer from Garland visited at the same time. Mrs. Larimer is Mrs. Hitt's sister.

Mr. and Mrs. George Thompson, III, of Lubbock, Texas, announce the arrival of a daughter August 14. The little Miss weighed 6 lbs., 14 1/2 oz. and has been named Faith Renae. She is the granddaughter of Mr. and Mrs. Bert Bural of Groom and Mr. and Mrs. George Thompson, Jr., of Clarendon.

Mr. and Mrs. Kenneth Sams and children left Sunday to return to their home at Brownfield. Mrs. Sams and children have been visiting her mother, Mrs. Allene Estlack and Dana while Mr. Sams attended school at Baylor.

Mr. and Mrs. Theron Holland and children of Amarillo spent the week end in the Chester Martin home.

Visitors Wednesday and Thursday in the Bill Cornelius home were Mrs. Don Shadid and Mark of Weatherford, Okla.

Mr. and Mrs. L. O. Dennis and Mrs. Bill Johnson of Memphis visited last Tuesday in the home of Mr. and Mrs. Dick Vallance.

A MARK OF RESPONSIBILITY
 Just recently Soviet Premier Khrushchev said: "Capitalists are going to be kept in archives like old newspapers or newsreels. We will look at them as today we look at the remains of prehistoric monsters and say: 'Look, that was a capitalist.'" This is nothing more than a threat to every American's future.

When Tupolev, the Russian aircraft designer, visited our aircraft plants it wasn't the planes that astounded him; it was the crowded parking lots at the factories. He found it hard to believe that thousands of workmen owned a car and a home.

Maybe Russia will learn someday that capitalism is a mark of personal responsibility. Until

then, every American should keep in mind Russia is bent on taking away from him the privilege of being a capitalist.

Mrs. W. F. McDonald and family of Amarillo and Merlene Ivey visited with their aunt, Mrs. J. A. Henry Saturday evening.

Mr. and Mrs. J. A. Henry, Fannie Mae McDonald and Merlene Ivey went boating at Buffalo Lake Sunday.

Mr. and Mrs. Otis Naylor spent their vacation in the Washita and Ozark mountains of Oklahoma and Arkansas.

A driver can't cut expenses cutting corners.

What About The Great Plains Conservation Program?

There are now 2,462 Great Plains Conservation Program plans in action in the Great Plains area of the United States covering 6,538,298 acres. In June, 1959, there were 330 new plans signed into action. Hundreds of new applications are taken each month. There are 2,891 new awaiting action. At the present rate, 33% more money will be needed for the next twelve months than is appropriated. This means that some will have to wait.

Money needed for the next few year's conservation work should be set aside now for you to be sure that it will be available. If you are thinking about improving your land, seeding grass, controlling brush, controlling erosion, or other needed practices, you should contact the local Soil Conservation Service office as soon as possible and talk this over. They will explain the program in detail and help you work out the best plan of action available to you.

Ask your Donley County Soil Conservation District Supervisors about this new program available to you. They work without pay to help keep conservation work going in your vicinity. Their job is to help you get your conservation work in

The world's first commemorative soil conservation stamp will go on sale August 27, 1959. It is a tribute to the Nation's Soil Conservation Districts — locally organized by landowners to marshal all possible efforts toward stopping erosion and building up the productivity of the soil. It is a salute to State and Federal scientists and technicians who have carried on research, found better ways if protecting the land and helped landowners carry out conservation plans. It is an expression of gratitude to those carrying on other programs — such as education, credit and cost-sharing — that have helped farmers and ranchers install conservation improvements more rapidly. Those interested in buying this stamp can do so in Clarendon on August 27, 1959, according to Mr. Ray Moore, Postmaster.

the proper and most efficient manner.

People now engaged in Great Plains Conservation Program work in Donley County are Lloyd and E. P. Hahn, Mrs. W. E. Bray, Frank Thomas, Rhode and Gould, John Nash and James Doneghy, Charles A. Williams, Thomas Trostle, Mrs. Tommie Boston, A. D. Hendrix, J. N. Weaver, J. W. Sullivan, Van Kennedy, and T. G. Fields.

What Others In The District Are Doing

Terracing — T. G. Fields, Bernard Adamson, Jap Shaw.

Pond Construction — T. L. Roach and Son, F. J. Hommel, T. C. D'Spain, Lloyd Shelton.

Diversion Construction — Lloyd Shelton, JA Cattle Company.

Donley County Conservation Needs Inventory Completed

The Donley County Conservation Needs Committee met on Wednesday, Aug. 5, 1959, and completed the Conservation Needs Inventory for Donley County. This was the third and final meeting of the committee.

According to Bland Draper, chairman of the committee, the purpose of the inventory is to make a prediction of changes in acreages of cropland (both irrigated and dryland), rangeland, and other land uses in the county between now and 1975. With this basic information, the committee estimated the conservation needs of the county for the next 1 1/2 decades.

Some of the predictions that the committee made were that there would be an increase in cropland, both dryland and irrigated. But the committee predicted that most of the deep sandyland that is now being farmed would be returned to grass. There is a decrease in expected rangeland acreage. Acreage devoted primarily to wild-life production is expected to increase sharply, as population becomes denser and recreational areas become harder to find.

The committee was composed of all agricultural agencies and organizations. Those who assisted in completing the inventory were H. M. Breedlove, County Agent; James Goulde, Farmers Home Administration; Mollie Ritter, A. S. C.; Bland Draper, Soil Conservation Service; Walter Hicks, Game Warden. Also, the Donley County Soil Conservation District Board of Supervisors and the Donley County A. S. C. County Committee were very helpful in completing the inventory. At the last meeting the Soil Conservation District board was represented by Frank Hommel and Roy Jewell.

September 30, 1959 ASC ELECTION

County and Community Committee elections will be held in September. Ballots for the election for community committeemen will be mailed during the latter part of August to be returned by no later than the date of the election which will be September 8th, which was set by the county election board. The county convention will be held on September 24th. The Committeemen will take office on October 1, 1959.

Remember, please cast your ballots.

CONSERVATION RESERVE

All producers who have land under a Conservation Reserve contract must control sunflowers, Russian thistles, and cockleburrs. If you have planted a sorghum or millet for a cover crop, please do not let it mature. Spot checks are being made at different times to determine if there are any violations of the contract.

"H" COMMUNITY

"H" Community is located in the northeast part of our county.

The Community Committeemen serving you this year are:

1. Spencer B. Sitter
2. Billy D. Rice
3. Virgil Burr

There are sixty farms in "H" community with eighteen Soil Bank contracts.

With ACP cost-sharing assistance the following farmers have carried out the following conservation practices:

Listing & Chiseling: Granville Simmons, Shelby Carpenter, Donald Harlan, J. L. McMurtry, Joe B. Leonard, Mina Kalka, Billy D. Rice, Archie Hardman, Al Cooke, James Shaw, Mayburn Trout, J. L. Shields.

Control of Bindweed: Wm. J. Lewis.

Seeding Grasses: Billy D. Rice.

Const. Dam for Livestock Water: Thomas C. Spain.

Chemical Control of Shiner: Charles H. Hall.

Mechanical Control of Sagebrush: Frank R. Crisp.

Mechanical Control of Mesquite: Cathleen C. Griffin.

Deferred Grazing: Evan L. Sitter, Spencer B. Sitter.

1960 CONSERVATION RESERVE

Several changes to be effective under contracts which begin in 1960 have been made in the Conservation Reserve to strengthen its operation and make it more effective. These changes include:

1. Cropland the ownership of which has changed since December 31, 1956, is not eligible unless the change in ownership occurred because of inheritance as a result of the death of the previous owner.

2. Land which is rented for cash or a fixed amount of commodity will not be approved for a contract at an annual rate higher than the rent per acre paid for the land.

3. A farm which has been operated by or with tenants during 1958 and 1959 will not be eligible for a contract unless tenants are designated on the contract to share in the annual payment.

4. A farm that was idle during both 1958 and 1959 is not eligible for a contract unless the farm was idle as a result of a Conservation Reserve contract or an Acreage Reserve Agreement.

In addition to the above major changes in the Conservation Reserve program for 1960, a change in the method of approving applications for contracts has been made. The principal change is that applications offering land for which 1960 is the first year of the contract period cannot be accepted for contract unless the rate offered by the applicant is below the basic rate established for the land offered.

August 24 through September 10, 1959, is the period set for making application for a 1960 conservation reserve contract.

Please come into the ASC office and ask for an application on your farm as we will need the productivity of your land for the years of 1955, 1956, 1957, 1958 and 1959.

Mrs. Frank Whitlock left the last of the week to accompany her daughter and husband, Mr. and Mrs. George Garrison to California where they will visit the Garrison's daughter and family, Mr. and Mrs. Soderburg, and Mr. and Mrs. Price Whitlock at Escondido.

BAND PARENTS MEET MONDAY NIGHT

Seven members were present at the first meeting of the year of the Band Parents organization. Mrs. John McClellan, outgoing vice-president, presided as new officers were installed.

Mrs. Geo. Thompson, incoming president, took charge of the business meeting. Mr. Edgett, band director, discussed a band picnic for August 28th.

Committees and sponsors were appointed for the coming year.

The next meeting, which will be the 7th of September, will be a covered dish supper for all

band parents. Each band parent will be contacted as to what to bring for the supper. The meeting was adjourned by the president. — Reporter.
