7,600 bales ginned in Donley County

Winter officially arrived three weeks ago but Donley County is just now getting its first taste of winter, with temperatures dipping into the teens. The county has been without snow, but rain and drizzle over the holidays brought the cotton harvest to a stand still.

All three county gin yards were void of trailers full of cotton but this past week farmers put their strippers back into the fields and combined, the three gins have reported 7,600 bales ginned. West Texas Gin at Hedley reported 1,500 bales of the expected 3,000 bales. Gin Manager Wiggins stated, "the cotton was much better grade than they had expected, but very little of the ginned cotton was being sold. What was being sold brought between 46 and 55 cents and the farmers needed at

least 60 cents." The Farmers Co-Op Gin reported they have ginned 2,500 of their expected 3,000 bales. This falls 1,500 bales short of their last year's ginned crop of 4,500.

Paymaster Gin at Lelia Lake has

ginned 3,600 bales and Manager Earl Shields stated, "they expected to gin about 5,000 bales before the season ends."

One farmer stated, "this is the worst crop in the history of Donley County."

Letter to the Editor

Participate in Clarendon! Clarendon Needs You!

Problems need to be aired and solutions need to be found. If you would like to spend the evening having a relaxing conversation, then you will probably want to stay home. But, if you are interested in the economy of Clarendon and wish to accomplish goals which "you" have suggested, then we urge you to attend the Chamber of Commerce general meeting on January 24, 1985 at 6:30 p.m. We urge everyone, members and non-members, to be there. If I or one of the Directors of the Chamber has not contacted you personally for your suggestions and a commitment of yes or no to attend the meeting, please attend anyway. We did not intend to miss you. So far everyone that we have talked to has given a commitment of yes. We urge you to live up to these

commitments and the same urgency we expect our neighbors to live up to theirs. I have been led to believe that our people would not attend even after giving their commitments; however, I have faith in Clarendon's people and personally have never seen any project that the people of Clarendon believed in "FAIL!"

Please help prove the pessimists wrong, make arrangements to attend, bring your suggestions and let's work to achieve them. Don't be left out! Don't cheat the community by not delivering in person, suggestions which could benefit all of us. I assure you it will be an evening well spent. Make it a goal not to be the one who did not attend.

WE NEED YOUR INPUT!! I am sincerely asking for your support.

Mark T. Winsor, President
Clarendon Chamber of Commerce
1985

Chamber of Commerce has six new members

Mark Winsor, manager of Lone Star Gas, was elected president of the Chamber of Commerce. Other members, which will be serving on the board with Winsor, are Jim Simmons, first vice president; Jim Sharrar, second vice president; Shirley Clifford, David Davidson, Owen Johnson, Darrell Leffew, Larry Mabry, Jim McElroy, Bronnie McNabb, Betty Muse, Troy Skinner, Helen Woody, and Jerry Chambliss, ex-officio member.

John Sarich, manager of the Chamber, said this year's July 4th celebration will be celebrated on Thursday, July 4th, Friday, July 5th and Saturday, July 6th. He urged all businesses and organizations to be thinking about and planning on having an entry in this year's parade. Hobbyist, plan to have a booth and

those with fiddling talent, plan to enter the Old Fiddler's Contest. Anyone needing more information may call John at 874-2421.

Six businesses have already joined the Chamber this month. The Board of Directors and John would like to send a special invitation to anyone who would like to join the Chamber, contact John, Mark or any of the board members.

The new members are: Guys & Dolls Beauty Salon, owned by Brenda Chamberlain and Linda Roberson; Judy's Hair Design, owned by Judy Bland; Hall's Tax & Bookkeeping Service, located on Sully St., owned by Fern Hall; Mary's Country Kitchen, owned by Buddy and Mary Ford; Buster's Exxon on Highway 287, owned by Mr. and Mrs. Buster Kerlee.

Little Miss and Master Donley County Pageant Jan. 19

The Alpha Upsilon Epsilon Chapter of Beta Sigma Phi is glad to again be sponsoring the Little Miss and Master Donley County Pageant. This is the fifth year for the pageant and it promises to be one of the best ever. This year's pageant theme is "Winter Wonderland" and the contestants and audience will be treated with glimpses of snowflakes, snowmen (and women), penguins and other chilling delights. The pageant is Saturday, January 19, 1985, at 7:30 p.m. in the Harned Sisters Fine Arts Center on the Clarendon Junior College Campus. General admission of \$1.50 will be charged at the door. Everyone will be delighted with the entertainment to be presented by not only this year's contestants, but past Little Misses and other area youngsters. Also Miss Donley County lovely Janet Risley, will be there to assist last year's Little Miss and Master Stephanie Floyd and Robert Bertrand with the crowning of the new winners.

Everyone is invited to attend and we know you'll delight in all the fun of this annual event. Contestants remember rehearsal on Friday at 7:30 p.m. You must be there.

Chamberlain Community Center

The Chamberlain Community Center will meet January 18th at 7:30 p.m. for a covered dish supper. Hosts and hostesses will be Mary Lee and Lacy Noble and Lloyd and Estell Thomas.

Steak Night for firemen Jan. 17

Steak Night for the Clarendon Volunteer Fire Department will be Thursday night, January 17th at 7:00 p.m. at Mary's Country Kitchen. This dinner is provided by the City in recognition of the firemen for their time and dedication.

Mrs. Mattie Blankenship to Celebrate 100th. Birthday

Mrs. Mattie Blankenship, long-time Hedley resident during the first half of the century, will celebrate her 100th birthday, Saturday, January 19, in Long Beach, Calif.

She was born in 1885 in Gibtown in Jack County, Texas.

Relatives and friends will gather to wish her well at an open house party at the home of her daughter, Mrs. Jeanne Ney.

She will be surrounded by her three living children, Olson, Lionel and Jeanne, and many of her 12 grandchildren and 10 great-grandchildren.

Mrs. Blankenship and her husband, John, settled in Hedley in 1909. The Blankenships farmed cotton and raised stock for more than 40 years. They moved to Long Beach in the 1950s.

Mrs. Blankenship is the only living charter member of the First Baptist Church of Hedley, which last year observed the 75th anniversary of its founding.

While eagerly looking forward to her birthday, Mrs. Blankenship jokingly says that she "doesn't pay

any more attention to it than if it was 10" years she will be celebrating.

Her only special feeling about being 100 comes, she says, "when I try to get up and down."

Mrs. Blankenship says she would love to hear from her many Hedley friends. Her address is 2317 Tulane Ave., Long Beach, Calif. 90815. Her phone number is (213) 597-2891.

Junior Livestock Show and Premium Sale Jan. 18-19

The annual Donley County Junior Livestock Show and Premium Sale will be held this Friday and Saturday, January 18-19, at the Community Building in Clarendon. Approximately sixty Donley County 4-H and FFA youth will be exhibiting their lambs, pigs, steers, and heifers.

Herman Boone, Roberts County Extension Agent, will be the judge for the show again this year.

The third annual premium auction will be held at 7 p.m. Saturday night will highlight the show. Each exhibitor will be eligible to enter one animal in the auction. The animal itself will not be sold, but interested businessmen and individuals will be making premium bids for the investment and efforts made by the youth exhibiting livestock. Jack Moreman will be the auctioneer.

The show and sale schedule will be as follows: Friday afternoon, weighing of animals; Saturday, January 19, starting at 9 a.m., Lamb Show, followed by the Barrow Show and Breeding Gilt Show; at 1 p.m., Beef Heifer Show followed by the Steer Show. At 6 p.m., there will be a buyers and exhibitors barbecue, and

The Premium Sale will follow the barbecue at 7 p.m.

A belt buckle will be awarded to the winners of the showmanship contests in the lamb, swine, and beef divisions. Jiggs Mann will provide the three belt buckles for the showmanship winners.

Knorrp Insurance will furnish the trophies for the Beef Show; Evans Fertilizer will provide the trophies for the Lamb Show; and The Clarendon Press will furnish them for the Swine Show.

This year the Donley County Junior Livestock Show exhibitors are taking donations on a dressed and processed pig. There will be two drawings for one-half of a processed pig. They are asking for a \$1.00 donation for each ticket for \$10.00 for eleven tickets and the money raised will go to the Junior Livestock Association toward the premium money of the show. The pig was donated by the Clarendon FFA Chapter.

The Association invites everyone to attend the show and premium sale.

Immunization Clinic Jan. 28

An immunization clinic offering vaccines that give protection against several childhood diseases is scheduled for January 28. The clinic will be held at the Donley County Community Action Corporation, 100 S. Sully from 10 a.m. until 2 p.m.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps. There will be no charge for this service.

Part of Social Security benefits may be taxable

People who had substantial income in 1984 in addition to their Social Security benefits may have to pay federal income taxes on part of their benefits, Jim J. Talbot, Social Security Manager in Amarillo, said recently. Talbot estimates that only one in 10 persons who received Social Security benefits in 1984 will actually owe any taxes on the benefits.

To determine if any tax is owed on Social Security benefits the first step is to figure "countable income."

Talbot explained. Countable income includes all taxable income, plus non-taxable interest, plus one-half of 1984 Social Security benefits. Couples filing a joint return should be sure to include their combined income and benefits, even if only one of them gets Social Security.

According to Talbot, if the total countable income is less than the base amounts shown below for a person's tax filing status, Social Security benefits are not subject to

tax. \$25,000 - if a person files as a single taxpayer. \$32,000 - combined of a married couple filing a joint return. (NOTE: This may include people recently widowed.) One-half of the Social Security benefits of married people who file separate returns, and who lived together during some part of 1984 is subject to tax. (The base amount is \$0.) If countable income is more than these amounts, the amount of benefits

Texas Most Wanted program offers rewards for information

Governor Mark White has announced the creation of a new program that will make it very difficult for fugitives to avoid detection here in Texas.

The new program is called Texas Most Wanted. Each week a different fugitive will be selected for the program.

"My office, through the Texas Crime Stoppers Advisory Council, will offer a \$1,000 reward for in-

formation leading to the fugitive's capture. The council will prepare a news release detailing information about the fugitive and will include a photograph of the individual," stated Governor White.

To be eligible for the cash reward, citizens will be asked to call their local Crime Stoppers program of the Texas Crime Stoppers Advisory Council at its toll-free number, 1-800-252-8477. Of course, callers

Cheese and butter to be distributed

The Donley County Community Action will be distributing cheese and butter Thursday, January 17th. This will be the only day that families may pick up these commodities in January. The office will be closed the following Friday, January 18, to allow workers to attend a meeting in Amarillo.

Cheese and butter will be distributed between the hours of 2 p.m. and 6 p.m. in Clarendon, January 17 only and between the hours of 2 p.m. and 5 p.m., January 17th only in Hedley. This schedule will be for the month of January only.

will be allowed to remain anonymous.

White has asked all newspapers and television stations to cooperate in this venture. With the large amount of publicity we hope to generate with Texas Most Wanted, it will make it very difficult for these fugitives to escape capture.

White stated, "Texas Most Wanted is so important to both law enforcement officials and our citi-

zens."

Each year thousands of criminals who have been charged with committing major crimes here in Texas drop out of sight to avoid capture. It is a very costly process to catch these fugitives and, while they are running from the law, many of them continue to commit crimes and endanger society.

The faster these fugitives are caught, the safer we are and the

more efficient our criminal justice system becomes.

Governor White said, "We need

Stoppers as a citizen-involvement program that has made a major difference in the quality of life in our state."

Loyette Quesenberry Named Mary Kay director

Mary Kay Ash, founder and chairman of Dallas-based Mary Kay Cosmetics, Inc., has announced the appointment of Loyette Quesenberry of Clarendon to sales director in the independent field marketing organization.

In preparation for her new position, Ms. Quesenberry attended a week-long training session at Mary Kay's international headquarters in Dallas. Classes were conducted by Mary Kay Ash, Richard Rogers, president and co-founder of the company and other corporate executives. Among the wide range of topics covered were product knowledge, fashion trends, sales techniques and business management. Ms. Quesenberry was named sales director following a three-month qualification period in which she developed a person unit of beauty consultants and exceeded specific

company sales goals.

As a sales director, Ms. Quesenberry will provide leadership, training and management for her unit. She first joined Mary Kay Cosmetics as a beauty consultant in March 1983.

Ms. Quesenberry joins an elite group of 4, 100 sales directors who coordinate and assist the efforts of more than 196,000 independent beauty consultants who demonstrate and sell Mary Kay products.

Since its founding on September 13, 1963, Mary Kay Cosmetics, Inc. has evolved from a small regional skin care firm to a fully integrated manufacturer and multi-national distributor of skin, body and hair care products, cosmetics, toiletries and fragrances. The company's net sales for 1983 were \$323.8 million.

K-9 Korp Makes great showing at AKC Sanction Match

Sunday, January 13, 1985 three members of the Donley County 4-H K-9 Korp attended the competed in the Panhandle Kennel Club's Sanction Match at the Tri-State Fair Grounds Commercial Exhibits Building in Amarillo, Texas. One of our younger members, Steven Davis, worked his Toy Poodle, Taffy, in Sub-Novice Obedience and qualified with a score of 152 out of a possible 160. He also worked her in Novice and qualified with 180 out of 200. Way to go Steven and Taffy. Gwyn Tolbert showed her Rottweiler (7 month female). She took second place in 6 to 9 month puppies (all breeds) and went on to take Winners Bitch over the grown dogs. Good showing for their first time in the ring.

Michael Moore's Honey, German Shepherd Dog (20 month female) came home with Best in Breed and went on to place third in the Working Group. He also took third in Junior Showmanship, in a class of fifteen with Honey. Steven and Gwyn also did a fine job in Jr. Showmanship, but did not place. Michael's Doberman Pinscher dog Klyde won Winners Dog but was beaten out for Best of Breed by Mom's bitch Bonne. Bonne went on to take a fourth place in Working Group. Michael also showed Klyde in Sub-Novice Obedience, but they failed to qualify this time. This was Klyde's first time in the obedience ring. These 4-H'ers are getting ready for the spring AKC Point Matches and State 4-H Show in August in Victoria, Texas. We are very proud of all our kids and hope even more will attend the next match.

The K-9 Korp will be starting new classes again sometime in February. Anyone interested, child or adult, call 874-3419. This program is a very good one for teaching responsibility, sportsmanship and leadership, as well as learning a lot about yourself and your dog. We already have one of the stronger clubs in Texas and hope to keep building to be the best.

To prevent refund delays, use peel-off label

Many simple errors that can cause weeks of delay in the processing of federal income tax returns could be prevented if taxpayers would use the preprinted label and envelope that accompany the tax package, according to the Internal Revenue Service.

The peel-off label contains the taxpayer's name, address and social security number. It also has a series of numbers that are computer shorthand for the taxpayer's name, another series of symbols indicating the Postal Service local delivery route and the service center where the taxpayer filed the previous year. The two-digit number indicates type of the tax package that was mailed to the taxpayer and a three-digit number allows the IRS to pre-sort and bundle the mail by destination for the U.S. Postal Service.

Many taxpayers are suspicious of these numbers on the label, mistakenly thinking that they are coding that will trigger an audit. They have nothing to do with audits. The coding on the label is designed to speed processing at IRS service centers and prevent common errors that delay issuance of refund checks.

When a return is received at an IRS service center, it ends up in the hands of a data transcriber, who types the taxpayer's name, address and social security number on a machine, which enters this and other information directly into the center's computer. If the return has a label on it, the data transcriber knows that the information already is in the computer and can make an abbreviated entry of just 13 keystrokes. However, if there is no label on the return, the transcriber has to query the computer whether it has the information, which takes 24 keystrokes, nearly twice the time and effort for the same result. If all the information from the name and address part of the label has to be entered into the computer by the transcriber because the label was not

affixed to the return, that can add up to 97 keystrokes. When you consider that IRS service centers process over 170 million federal tax returns annually, over 95 million of which are individual income tax returns, all these additional keystrokes can really make a difference, the IRS said.

The coded numbers on the label speed up the processing of the return and prevent common errors that delay the issuance of refund checks.

One of the most troublesome errors, according to the IRS, is an incorrect social security number. Such an error can take weeks or even months to correct and is a major cause of delayed refund checks. Taxpayers should make sure that the social security number is correct on the label and if not, mark through it and correct it on the label. In addition, the number should be written in the appropriate box on the return. What if the name on the label is incorrect or the taxpayer has changed names because of marriage? Correct the name on the label or add the spouse's name on the label.

The IRS said that errors also can be averted if taxpayers would use the special pre-addressed envelope that came with the tax package. This envelope also has special coding on it that speeds the sorting of tax returns in the service centers.

The coding on the labels and the envelopes is designed to help save taxpayer millions of dollars each year in processing costs.

Allen makes NMMI Superintendent's List

William K. Allen, college freshman at New Mexico Military Institute last semester, made the Superintendent's List for academic achievement during the first semester of the 1984-85 school year. Allen is the son of Mrs. Donna Allen of Clarendon.

To qualify for the Superintendent's List, a cadet must have a grade point average of 3.5 or better out of a possible 4.0 and an A in department. Less than 10 percent of about 850 students in the state-supported high school and junior college made the list.

Local students make CC Honor Roll

Local students making the Deans Honor Roll at Clarendon College last semester were Krystal Hayworth, Maria DeKeraty, Carolyn Shaw, and Dorothy Braddock.

Local student making the President Honor Roll were Andy Forehand, Robert Ellerbrook, Steve Schwertner, and John Naylor. To be eligible for the President's Honor Roll, a student must be enrolled full time and maintain a 4.0 average.

MOWING

By Jack Chapman, Agronomist

Mowing is the one operation that has the most influence on the appearance of a lawn. Proper mowing will make the difference between a poor or a beautiful lawn.

The grass leaf is the site of photosynthesis, where sunlight, carbon dioxide, and hydrogen are combined into simple sugar, the first step in the formation of protein carbohydrates, and cellulose. These materials are stored in the root as energy sources to the plant. For good growth balance not more than 1/3 of this leaf mass should be removed at one time. When more than 1/3 is removed the plant is put in an unbalanced condition and will require a period of adjustment where the amount of chlorophyll bearing green leaf surface balances the underground root system.

Therefore cutting height is related to growth habits of the various grass varieties. The creeping type of grasses (creeping bentgrass, bermudagrass, zoysiagrass) can produce enough leaf mass near the soil surface that it can be cut close, from 1/2 to 1 inch of height. The medium growth height (Kentucky bluegrass, fine fescues and rye grass) should be cut from 1 1/2 to 2 1/2 inches. The tall grasses like St. Augustine and tall fescue should be cut from 2 to 3 inches in height.

When you cut more than 1/3 of the top and leave the clippings a thatch can build up which can inhibit water penetration and provide a medium for disease organisms to build up.

The last fall mowing you can set the mower high and leave the grass longer. This will help insulate the grass crowns from severe cold and catch as much snow as possible.

Before the growing season begins in the spring the lawn can be mowed close in order to remove the old dead material and to expose the soil to more of the sun's warming. This will result in an earlier green up. Energy for the first growth in the spring comes from food reserves stored in the root crowns.

Center Plains has served the Southwest as a producer and marketer of diversified agri-business products since 1968. The company is headquartered in Amarillo, Texas.

The Lion's Tale

by GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-seven members, Lion Sweetheart Jessie Adams and four guests were present. Following the regular opening ceremony, Liontamer Messer introduced David Smith, guest of Lion Don Smith, Marty Hammond, guest of Lion Ed Hammond, Tim Taylor, produce manager at Furr's Food in Amarillo, guest of Lion J.L. Phillips, and Kyle Allen, student at Clarendon College, guest of Lion Homer Estlack. Boss Lion Lovelady announced that there would be a directors meeting on Monday night. He then read several letters of appreciation from people who received groceries from the club at Christmas. A letter was read requesting our club's annual contribution to the Lions Clubs International Foundation. The club voted to donate \$100 to the Donley County Junior Livestock Association. Our program chairman Don Smith presented the program on the record keeping requirements on business vehicles effective January 1, 1985.

Emergency Pointers For Parents

Would your children be able to get help in an emergency if you weren't there? Here are some things you can do to help keep your children truly safe at home:

- Teach your children to dial "0" in an emergency and explain how operators can get fire, police and medical assistance to help when needed.
- Make certain children know their full names and address, town and telephone number. Post it by the telephone where the child can see it.
- Let your children know the importance of speaking clearly and calmly to the operator.
- Make sure visiting relatives and babysitters know where emergency telephone numbers are posted and where you can be reached in case of emergency.
- Above all, teach your children the problems associated with abuse of emergency numbers. False alarms and pranks called to police or fire officials can literally jeopardize lives.

Children should understand—and make their friends understand—that abuse of emergency numbers is no joke.

Sales tax payments to Donley County increase

The three Donley County cities received \$5,969.72 in local tax payments from the one percent sales tax for the period ending November 28, 1984. State Comptroller Bob Bullock announced. The \$5,969.72 is .088% above the \$5,792.89 received for the same period in 1983. The total sales tax money returned to the cities by the date was \$98,941.62. In the same period in 1983 they received \$98,076.08.

Clarendon received \$5,312.30. Howardwick received \$657.42 and Hedley reported none received. To November 28, 1984, Clarendon received \$82,835.28. Hedley received \$5,386.49 and Howardwick \$10,719.85.

Tax payments received by the cities for the same period in 1983

were: Clarendon-\$85,709.27 which was a 3.35% decrease. Hedley received \$5,243.92, a 2.72% increase. Howardwick received the largest increase with \$7,122.89, a 50.5% increase.

Payments ending December 28, 1984 were only \$4,075.93. Clarendon saw a 11.68% decrease in revenue. No report was received for Howardwick and Hedley.

Texas State Comptroller Bob Bullock sent checks totaling \$57.4 million in local tax payments to the 997 cities that levy the one-percent local sales tax. That month's checks are the first to reflect receipts from taxes on new goods and services collected for the first time beginning October 2.

LOUIS CLAY 'SLIM' CANTRELL

Louis Clay "Slim" Cantrell
Ben Andis has informed the Press that an old-time JA Cowboy, Louis Clay "Slim" Cantrell, passed away November 7 in the DeBaca General Hospital following a short illness. Mr. Cantrell, 84, was born February 2, 1900 in Sherman. He had worked as a cowboy on many cattle ranches across the United States. He served in the 5th Cavalry during World War II from August 6, 1942 to March 2, 1943. He married Ollie Jennings in 1951 in Springer. They had been residents of Fort Sumner for over 20 years.

Survivors include his wife, Ollie, of the home in Fort Sumner; a step-son, Russell Witt of Houston; two step-daughters, Maxine Emmons of Roswell and Elizabeth Ann Beardsley of Boulder, Colo.; four grandchildren and three great-grandchildren; several nieces and nephews.

Funeral services were held Saturday, November 10 at the First Baptist Church in Fort Sumner with Pastor Bill Sessom officiating. Burial was held at the Santa Fe National Cemetery, Santa Fe., N.M.

George Richard "Jerry" Dugger
George Richard "Jerry" Dugger, age 67 of Clarendon died at 10:50 p.m. on Saturday, January 12, 1985 at his residence in Clarendon of an apparent heart attack.

Cremation took place in Amarillo on Monday, January 14, 1985. Memorial services and entombment will be held in California. Local arrangements were by Robertson Funeral Directors.

Mr. Dugger was born April 14, 1917 in Chattanooga, Tennessee and was a retired service station owner. He had lived in Clarendon for the past 2 1/2 years, moving here from Dolan Springs, Arizona where he has lived for six years. He was a Baptist. Survivors include one sister, Mrs. Margie Schell of Clarendon.

Earl Bryan Burton

Graveside services for Earl Bryan Burton, age 88, were held at 4:00 p.m. on Saturday, January 12, 1985 in Citizens Cemetery with Rev. Howard F.M. Childers, Pastor of the Westminster Presbyterian Church in Amarillo, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Burton died at 11:54 a.m. on Thursday, January 10, 1985 in Veterans Administration Medical Center in Amarillo following a lengthy illness. He was born November 17, 1896 near Sulphur Springs, Hopkins County, Texas. He had lived in Donley County for 40 years before moving to Fort Worth for 5 years and then to Amarillo 3 1/2 years ago. He was a retired house painter and a Veteran of World War I.

Survivors include four grandchildren and four great grandchildren. Casket bearers were Maurice Risley, Don Thornberry, Allen Estlack, and Fred Clifford.

The family requests that memorials be to the American Cancer Society or to a favorite charity.

Tom Alvin Sullivan

Funeral services for Tom Alvin Sullivan, age 89, were held at 2:00 p.m. on Monday, January 14, 1985 in Robertson Chapel of Memories in Clarendon with Tommy Anderson, Pastor of the North Seminole Church of Christ in Amarillo, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Sullivan died at 11:50 p.m. on Friday, January 11, 1985 in the Palo Duro Convalescent Center in Claude following a lengthy illness. He was born May 21, 1895 in Winnsboro, Louisiana and was married to Hallie Adams on May 21, 1916 in Tuxedo, Jones County, Texas. He had worked for most of his life in the road

contruction business. He had lived in Clarendon from 1924 to 1977 at which time he moved to Claude where he lived until the time of his death. He was a member of the Claude Church of Christ.

Survivors include his wife, Mrs. Hallie Sullivan of Claude; three daughters, Mrs. Paulien Brazill of Amarillo, Mrs. Dee Mayo of Berthoud, Colorado, Mrs. Jance Mosch of Dryden, New York; four sons, W.T. Sullivan of Claude, Jack Sullivan of Caldonia, New York, Joe Sullivan of Panhandle, Jim Sullivan of Amarillo; seventeen grandchildren; thirty-three great grandchildren; and four great great grandchildren.

Casket bearers were Olen Cook, T.E. Barker, Tom Kendrick, Eddie Floyd, James McKinney, and Johnny Brown.

Mrs. Myrtle Marie Woody

Funeral services for Mrs. Myrtle Marie Woody were held Wednesday, January 16, 1985, at St. Andrews Methodist Church, Borger.

Mrs. Woody, 75, died in Golden Plains Hospital, Borger, after a short illness. She was born October 2, 1909 in Alluwee, Oklahoma. She married J.E. (Jim) Woody March 9, 1929 in Bartlesville, Oklahoma. He preceded her in death in 1979.

After Mr. Woody retired from Phillips Petroleum Co., Phillips, Texas, the couple moved to Clarendon where they became the first caretakers of Quivera Girl Scout Camp. They lived in Clarendon 3 years and were members of the First United Methodist Church, Clarendon.

Mr. and Mrs. Woody were charter members of the Bunavista Methodist Church, Borger and when the Bunavista Methodist and the Phillips First United Methodist Church merged and became St. Andrews Methodist Church, she became a charter member of that church.

Mrs. Woody had taught Sunday School in the Bunavista Methodist Church for 30 years. She was a member of the Women's Society, Women's Division of the Borger Chamber of Commerce and has been a volunteer at the Helping Hand.

Mrs. Woody is survived by a daughter, Hallijo Slaybaugh of Borger; a son, J.C. Woody of Clarendon; four grandchildren; and seven great grandchildren.

Vallie Usrey
Vallie Usrey, 88, of 1223 W. Baltimore, Durant, Oklahoma died at Kings Daughters in Durant, Oklahoma Monday, January 14th. Services were held January 16 in Balton-Holmes Funeral Chapel in Durant at 10 a.m. Services will be held at Robertson Funeral Chapel Thursday, January 17 at 10:30 a.m. Burial will be in Citizens Cemetery in Clarendon.

Mrs. Usrey was born February 14, 1896 in Quitman, Texas. She moved to Durant in 1977 from Clarendon. She was a member of Northwest Church of Christ. She married O.L. Usrey. He preceded her in death.

Survivors include 3 sons, Clovis Usrey of Riverside, California, Dorman Usrey of Amarillo, Harold Usrey of Boulder, Colorado; 5 daughters, Cleo Crutchfield of Clarendon, Nell Rissle of El Paso, Arkansas, La Vern Scott of Amarillo, Reba Shields of Durant, Oklahoma, Katherine Yates of Madisonville, Kentucky; 19 grandchildren; 31 great grandchildren; and 4 great great grandchildren.

poplars and ashes should be planted on the south and west sides of your home to keep you cool all summer and warm all winter. These trees should be planted at least fifteen feet from the house, to leave room for them to root.

Evergreen trees provide constant shading, and they offer good protection against winter winds. Spruces, firs, hemlocks, magnolias and white pines should be planted on the north and west sides of the home. In this way, they'll block cold northern winds before they reach windows and doors, and shade the house from the hot summer sun.

Inside your home if you heat with efficient propane or natural gas, you can save money and energy with an automatic setback thermostat. This is a thermostat equipped with a timer to give you better heating control at different times of the day.

When an automatic setback thermostat is set to cut heating from 70° to 60° overnight, it can save you as much as 10-15% on your heating bill. A high efficiency propane gas furnace equipped with the automatic setback gives you a heating system which runs only when needed, is safe, comfortable and inexpensive.

For further information on the automatic setback thermostat and the economical alternative of heating with propane gas, call the Texas LP-Gas Association's hot line toll-free at 1-800-252-8232.

*An automatic setback thermostat is not recommended for use with an electric base burner.

APRICOT RICE APPEALS

Looking for a quick and easy side dish you can serve with pride during the busy holiday season?

Golden Apricot Rice Dressing, made with American grown rice, fits the bill.

GOLDEN APRICOT RICE DRESSING

- 1/2 cup chopped onions
- 2 tablespoons butter or margarine
- 1 cup sliced celery
- 1/2 cup green pepper strips
- 1 cup uncooked rice
- 2 cups chicken broth
- 1 teaspoon salt
- 1/8 teaspoon ground white pepper
- 1/4 cup snipped dried apricots
- 2 tablespoons sugar

Cook onions in butter until soft but not brown. Add celery, green pepper, rice, broth, salt, and white pepper. Bring to a boil; stir. Reduce heat, cover, and simmer 45 minutes or until rice is tender and liquid is absorbed. Stir in apricots and sugar. Replace cover and let stand 5 to 10 minutes. Toss lightly before serving. Makes 6 servings.

ENERGY SAVING TIPS

Saving Energy & Money Indoors and Out

You probably enjoy the fresh air and exercise you get when you work in your yard. . . . But did you know your efforts could save you money too? You can cut your energy costs by as much as 10-15% by taking advantage of the shading and wind blockage offered by trees.

Many trees provide dense shade during the summertime, but also shed their leaves in the fall, allowing sunlight through in the wintertime. Oaks, maples,

Beaula and D.K. Hall visited Friday with the Royce Halls at their home in Clarendon.

Jo and Connie Schollenbarger had the noon meal Sunday with the Lloyd Risleys.

Horace Green went to Canyon Sunday to visit his father, Joe Green. Billy Jack Green of Umbarger came to Joe's home to visit also. Frankie was under the weather with the flu.

Sunday a week ago, the Burl Hollar family went to Paducah to help Annie Sue Hollar move into her new home.

Eileen Brown was at Groom Saturday to help nurse Carrie Sue and Kriss Ann Davis who have stomach viruses. Carrie Sue came home with Eileen Monday.

Pete and Eunice Land visited with Charlie and Velma Hearn Friday. Velma came home from her Christmas visit at Houston with back problems. She was well enough to attend church Sunday.

Jiggs Land took Pat Scroggins and Mary Land to Amarillo Thursday for Mary to see the doctor. Mary fell and hurt her already damaged hip about the 27th of December. It has been some time mending the sprained ligaments.

Rosilea Watson visited with her father C.I. Casteel in Clarendon Monday.

Veda/Elliott was in Amarillo Christmas to be with her daughter.

They spent quite a bit of time at the hospital with her sister Mary Myres who passed away and was buried New Years.

Mr. and Mrs. Terry Banister brought their New Year's son, Jeremy, to spend the weekend with grandmother Veda Elliott last weekend.

Stan Leflew and a friend from Lubbock were guests of Wilma and Darrel Leflew this past weekend.

Rhonda and Lori Green of Amarillo picked up Jason of Canadian at the H.A. Green home Saturday afternoon and returned him Sunday afternoon for the trip back to Canadian with Larry.

Della Allen spent her Christmas in the Dallas area. They enjoyed roses out of the yard while there but since then Dallas had sleet and frost stopping the season for roses out of

the yard.

Jiggs and Evelyn Mann had dinner Sunday with the Richard Dinglers. Donald and Gladys Ballew visited Sunday afternoon with Ethel and Richard.

Katherine Green assisted with the wedding of Anne Woodbury Lemons to Thomas Glenn Harper at Pampa January 4th.

Cold weather and flu have kept folks home but not prevented the finish of harvest. Most of the families I talked with this week felt that cotton harvest would be complete by the end of the week if weather holds.

Low income households may be eligible for energy assistance

Some low-income Texas households may be eligible for help in paying their heating bills this winter through the Home Energy Assistance Program, according to Texas Department of Human Resources Commissioner Marlin Johnston.

Commissioner Johnston said the one-time payment is available to many low-income households which this month received food stamps, Aid to Families with Dependent Children, Supplemental Security Income, or needs-tested Veterans Administration benefits.

Potentially eligible veterans are those who receive payments under Section 415, 521, 541, or 542 of Title 38 of the U.S. Code or under Section 306 of the Veterans and Survivors Pension Improvement Act of 1978.

Eligibility is limited by gross income. For instance, aid is available for a one-person household having less than a \$371.49 gross

income per month. The gross income limit is \$608.49 for a two-person household, \$835.49 for a three-person household, \$1030.49 for four persons, \$1,216.49 for five, and \$1,422.49 for six.

Eligible households must be subject to energy cost increases because of higher bills or rent due to rising utility costs.

Households in privately owned or rented housing are eligible if the cost of utilities is included in the rent payment or if the household pays a portion of its home energy costs.

Johnston said application forms are mailed automatically to households receiving food stamps, AFDC, and SSI. Households receiving needs-tested veterans benefits must request an application from DHR in January.

Those who have not received an application and think their household may be eligible should contact a local DHR office.

Wilson participates in Maritime exercises

Navy Seaman Mark P. Wilson, son of Travis and Pat Wilson, is a crew member aboard the guided missile cruiser USS Texas, homeported in San Diego, which recently participated in the large scale, maritime exercise, Fleetex 85.

Fleetex 85 was designed to enhance the readiness of commanders, staffs and forces in integrated battle force command and control, anti-air, anti-surface and anti-submarine warfare.

The exercise started off the coast

of California with ships and aircraft of the U.S. THIRD fleet, and moved into the U.S. SEVENTH Fleet's area of the Pacific Ocean. In all, more than 70 ships were included in the exercise.

A 1979 graduate of Clarendon High School, he joined the Navy in August 1983. His wife, Rhonda, is the daughter of Jim and Dorothy Butler of Corpus Christi and the granddaughter of Mr. and Mrs. Luther Butler of Clarendon.

The word *band* comes from an ancient word for *bind*, since a band is a group of musicians bound together.

From The PEN of PASTOR PINION

A few years ago in a midwestern city, a young man went shopping in a large department store. It was a slow day and there were very few clerks around as the young man worked his way through the many display racks. Busy looking, he missed hearing the announcement that the store was

closing. Suddenly the lights were turned off. Should he try to break out, would they believe his story? The telephone switchboard was shut down. He couldn't call for help. So he accepted the possibility of spending the night there.

While waiting, he thought it would be funny to change some price tags around. You can imagine the confusion the next day when buyers wanted to take six stereo systems for \$15.00 each and bedroom furniture for \$33.50! But no one wanted a shirt for \$595.00 or a scarf for \$1,600.00!

Sometimes we are like that young man. We constantly switch our values in life. We spend three hours watching television and ten minutes reading God's Word. Our wardrobe costs hundreds, while our offerings consist of a dollar bill.

Let's take inventory before it's too late. Remember the verses of this old hymn.

Take time to be holy,
the world rushes on;
Much time spent in secret
with Jesus alone.
By looking to Jesus,
like Him you shall be;
Your friends in your conduct
His likeness shall see.

Broncos 1-1 in district

The Clarendon boys varsity basketball team opened the district race on January 8th against the Quanah Indians. The Broncos committed thirty turnovers as the Indians

went on to win 75-55. Many of the Broncos' bad passes were turned into easy baskets by the Indians. The Broncos fell behind 8-22 in the first quarter. The halftime score was 22-44, but a hustling Bronco effort in the second half outscored the more experienced Indians by two points. "We went out in the second half with a commitment to work hard, do the best we could, and the score would take care of itself," said Coach Loveless. Randy Crump was the defensive player of the game and had nine rebounds. Trent Sharp had 14 points and 11 assists, and Dean Cearley had 16 points and four recoveries. Both had good all around games.

The Clarendon boys varsity squared off with Wellington, in Clarendon, on Friday, January 11th and came up with their first district victory. In the first quarter the Broncos took the lead 14-10 but the Skyrocks had a strong second period to tie the game 31-31 at halftime. Again in the third quarter, a superior fastbreak by the Broncos scored easily. "Our fastbreak was the best it has been all year. If the kids' intensity will continue to be high, we will be tough to beat." The Broncos outrebounded the Skyrocks 32-22 in the fast paced game in which the Broncos had less than half a dozen bad passes. The players of the game were Trent Sharp, 22 points and 6 steals, Dean Cearley, 12 points, 8 rebounds, and defensive player of the game, Randy Crump, 15 points, and Stan Garland. Stanley Gardner and Leland Howell also had outstanding games. "This game was probably the best team effort we've had all year."

The district teams records are as follows: Memphis 2-0, Quanah 2-0, Clarendon and Shamrock 1-1, Wellington and White Deer 0-2. The Broncos played in Memphis last Tuesday, play White Deer at home Friday and in Shamrock on Tuesday, January 22. These games will determine the winner of the first half of the district race. In the second half of district, the Broncos play three of the best teams (Memphis, Quanah, Shamrock) at home and only two games out of town (Wellington and White Deer). Everyone help cheer on the fighting Bronco basketball team to victory.

Lady Broncos drop district openers

The Clarendon Lady Broncos began district play last Tuesday night in Quanah and also played Wellington in Clarendon on Friday night. The two district games proved disappointing for the Lady Broncos as both games were lost.

In the game against Quanah, Clarendon shot 9 of 43 shots from the field and were only able to score 28 points for the game. Almost half of the Lady Indians points came on free throws as the Lady Broncos had to foul in order to close the scoring gap of the game. Clarendon pulled to within 5 points of Quanah late in the third quarter but Quanah continued making their free throws and the game ended in Quanah's favor 45-28.

Kristen Couch, Tammi Chambless, Shay Newland, and Amanda Page all played well for the Lady Broncos. Muzzy Hayes led the team in scoring with 9 points, followed by Janet Risley with 8 points, and Tammi Chambless with 7 points. Tammi Chambless was the Lady Broncos' "Player of the Game."

On Friday night the team from Wellington came to town. The Lady Skyrocks are the pre-season pick to win district 2-AA in girls basketball. The Lady Broncos once again found trouble in scoring as they were only able to make 15 of 72 shots from the field. Clarendon outscored Wellington in the last quarter but it was not enough to overcome the Skyrocks lead, so the final score was Wellington 53, Clarendon 37. Janet Risley, Christi Page, Shay Newland and Kami May all played well for the Lady Broncos. Janet Risley led the Clarendon scorers with 9 points, followed by Muzzy Hayes with 6 points, with Kami May, Tammi Chambless and Gayla Clifford all scoring 4 points each. Janet Risley and Kami May shared the "Player of the Game" honors.

Captains were elected earlier this week for the Lady Broncos with Muzzy Hayes and Gayla Clifford, both seniors, receiving this honor.

On Tuesday the Lady Broncos traveled to Memphis to meet the Cyclones and Friday the team from White Deer will come to Clarendon to meet the Lady Broncos. On Tuesday, January 22nd, the Clarendon Lady Broncos will travel to Shamrock.

J.V. Girls beat Wellington

This was the third meeting between the J.V. teams from Wellington and Clarendon with the series tied at one game each. In the first meeting, Wellington took 3 overtimes to beat Clarendon by 2 points. In the second meeting, Clarendon avenged their loss by beating Wellington by 1 point. In their third meeting, played in Clarendon last Friday night, there was no question as to who was going to win the game. The Clarendon girls never trailed and the closest the Wellington team could get was 4 points. Playing an excellent offense and tough defensive game, the Clarendon J.V. girls won 23-14. Tanya Bell led the Clarendon scorers with 12 points, followed by Stefani Graham with 6 points, Marci Helms and Amy Johnson each added 2 points.

Freshmen girls lose two at Shamrock

Six freshman girls from Clarendon traveled to Shamrock Thursday and Saturday to compete in the Shamrock 9th grade tournament.

Playing the host team in the first round, the freshman girls played a very tough good game. The girls outscored Shamrock in the 2nd and 3rd quarters, but were not able to overcome the Irish's slim lead. The

final score was Shamrock 24, Clarendon 23. Kristi Deen led the Clarendon scorers with 8 points, followed by Sharon Bright with 5 points, with Amy Johnson and Marj Eklebury each adding 4 points each and Twanna Garland adding 2 points.

On Saturday, the Freshman girls played the team from Follett for the consolation trophy. Again, it was a very close game with Clarendon leading until the final moments of the game. Follett scored a basket with 1 second left on the clock to defeat the Clarendon freshmen by the score of 18-16. All six of the Freshman girls scored for Clarendon with Sharon Bright leading with 5 points, Twanna Garland added 3 points and Christi Knorpp, Amy Johnson, Marj Eklebury, and Kristi Deen all added 2 points each.

Wellington defeats Bronco J.V.

The Clarendon boys junior varsity basketball team defeated the Wellington junior varsity 44-43 in overtime January 11th. The combination of excellent outside shooting and a tight zone defense slowed down the taller and more powerful Skyrocks. James Ariola and Russell Alexander led all rebounders with five apiece. Jake LaGrone had 10 points and three other Broncos, Clay Sharp, Wes Hatley, and James Ariola, had eight points. "This

junior varsity team is quite unique, they seem to know exactly what is going to happen during the game," said Coach Loveless. The Broncos are 1-0 in district and 5-5 for the season. The junior varsity plays White Deer in Clarendon Friday, at Shamrock Tuesday, January 22nd, and Quanah in Clarendon on January 25th.

Watt's Happening in Hedley

Nettie Alexander and Lola Brown shopped in Clarendon last week. At least Nettie shopped. Mother said she just went along for the ride.

Marge and Elmore Bailey shopped in Clarendon Friday. He was complaining about the price of groceries, but didn't mention the price of cigarettes. It's funny, you can buy more groceries for an hours labor now than at any time ever, and we still fuss about the cost. I've never heard anybody complain about the price of tobacco or beer, or even golf balls. I guess it doesn't matter how high the cost of these little 'necessities' get. Some of us think we have to have them. Not that I have any idea what tobacco, beer, or golf balls cost. I never bought any of them, but I've never heard anybody say they cost too much.

I saw several Hedley people in Clarendon last week. Junior Hill, Jerry Holland, and Pie Adamson were some of them.

I found out something new recently. The Feed Mill at Hollis not puts cottonseed cake in fifty pound burlap bags. They have put it in 50 pound paper sacks for a long time, but we haven't used them. The paper never tears when it's supposed to and you usually end up pouring the cake all over the ground or in the back of the pick-up. Now you can get the small burlap bags and open them with the string they're closed with. It sure is handy. Even I could manage one of them. Not that I expect to feed. With 3 teenage boys to help Fred with the feeding, when I go with him to feed, I just go along for the fun of it.

Happy Birthday Mrs. Blankenship. I didn't get to sign the card that's on another page of the paper, but Fred and I wish you all the happiness there is in the world.

Helen Lamberson and I guess J.T. have gone to Red River. Their son, Bud, is one of the owners of the ski area there and they're having a contest to find a logo for the resort. I told Helen if my entry didn't win, I'd see to it that everybody on the PRESS mailing list knew the details about her mishap in the back of the beauty shop recently.

The weather has really been cold here the last few days, but we haven't had any snow. Down at San Antonio, they've had something like 15 inches. Austin has been almost as bad. We have a niece who lives near

Austin and I doubt that her kids have ever seen any snow. I think they're about 8 to 10 years old.

I've mentioned this before, but the folks who live at Giles are the best neighbors in the world. Our pick-up broke down Monday morning and Terry Bailey and Marty Martin postponed their own work to help us. I know Terry was anxious to get his fence built, but he stopped in the middle of the job to take us to town and helped Fred fix it.

I talked to Nookie Wiggins at the West Texas Gin. He said most of the cotton is averaging 1/4 bale per acre or less. The early freeze we had in September damaged a lot of young immature bolls. He said the turnout has been low and that the prices had also been low. I asked him why the price was so low, if Mr. Block was right when he said the farmers simply didn't take the trouble to find a higher market for their crops, and he said that most farmers had to take whatever they could get because they owed the bank or other lending agency for growing it in the first place. He also told me that the short staple cotton grown in this area didn't bring as high a price as the long staple grown other areas. He said that the low grades caused by the wet weather, the cotton went through just prior to pulling and the low MIC also brought the price down. When I asked him about the MIC, he told me that was the fiber strength.

I have lived in this cotton country all my life, and I know almost nothing about the journey a bale of cotton takes from the field to the cotton mill where it's woven into cloth. I was an adult before I was inside a gin. In fact, I was about middle aged before I was.

The school has started the second semester of the 1984-85 year. The students took their semester tests just before Christmas and got their report cards last week. Superintendent Glyndol Holland has announced the honor rolls for both high school and the elementary grades. I don't know but it seems like there's more kids on both the 'A' and 'B' honor rolls than usual. Maybe they're keeping their grades up on account of the athletic rules. Whatever the reason, they all seem to be doing better. In high school those on the 'A' honor roll are: Thunder Denton, Carl Cox, Karon Harmon, Craig Kennedy, Gaylee Osborne, Ricky Springer, Stephanie Holland, Gina Smith, Amy Shields, Tina Shields, Amy Osborne, Tammy Osborne, Scheli Holland, Carol Glover.

The 'B' Honor Roll consists of Steve Mullins, Susan Phelps, Michelle Davis, Ben Clifford, Tonya Moore, and David Phelps.

In Junior High the 'A' students are Anthony Carson and Billy Clubb. The 'B' group is composed of Bud Drum, Guy Watt, Larissa Floyd, Robert Gilbert, Jeff Wilkenson, and Norman Andiverdi.

In the elementary grades the 'A' students are David Ward, Jana Hill, Kari Glenn, Mandi White, Nancy Andiverdi, Rachel Woodard, Stephen Carson, Shawna McCrary, Amanda Ward, David Neeley and Curtis Neeley.

On the 'B' honor roll is Sammy Slover, Gina Garcia, Shannon Johnson, Carrie Moore, Jennifer Chapman, Joson Gilbert, Christina Schwertner, Joe Beachy, Shanna McCrary, Rachel Chapman, Dana Monroe, Susan Lee, Dean McCrary, Wade Gillespie, David Taylor, Marisol Andiverdi, April Bramblett, Danny Mullins, Kevin Johnson, Jennifer Hill and Brannon Stephens.

There's 120 students in school at Hedley and 60 of them are on either the 'A' or 'B' Honor Roll. I guess the kids at Hedley are smarter than kids in most places. Or maybe they are like I was when I was in school. I was afraid if I made less than an A on my report card, my mother would murder me. I didn't know I could make less than an A. I was out of high school before I got there and I found out that you could make as low as a 'C' and still have skin on your body.

Tuesday, the Owls hosted the Chillicothe Eagles. Having played them earlier, we had an idea as to what some of their stronger points, and tried to prepare for them. The Eagles stayed close throughout the first half, with the score at the half being 30-25 in favor of the Owls. Starting out in the third period, the Owls showed strong defense holding Chillicothe to only eight points. The Owls held on to the lead and beat the Eagles 61-50. The leading scorer for the Owls was Brent Hall with 12 points. In this game all of the members of the team played and everyone did a fine job. The people that came off the bench really did show some positive things as they accounted for 18 of the points scored. The Owls were idle Friday night, hopefully resting up for Tuesday night's game against the yet undefeated Allison Antelopes.

This weeks feature player is David Phelps. David is a 5'11" senior co-captain and three-year letterman. He has missed the last two games

with an injured ankle. We hope to see him back in action shortly. Until the time that he hurt his ankle, he was leading the team in scoring and rebounding with 13 points and 7 rebounds a game. David has been a leader all the way through his high school years and we are looking forward to his return.

On Tuesday, the Lady Owls played Chillicothe. The Lady Owls were defeated 41-33. They did not play as well as they had the last week, but the lay off on Friday we feel can help us be in top playing condition again. Also our free throw shooting was down from the week before and this is a key to our success. High for the Owls was Tammy Osborne with 9 points and Amy Shields with 7.

The players featured this week is Carol and Cheryl Glover. The Glover twins are 5'6" and are in the freshman class. Carol is a starter on the varsity and Cheryl spot plays on the junior varsity team. The junior varsity will participate in a tournament on January 24, 25, 26 at Valley.

SUGAR COOKIES

- 3/4 cup butter or margarine, softened
- 1 cup confectioners' sugar
- 1 egg
- 2 tablespoons milk
- 1 teaspoon vanilla extract
- 1/2 teaspoon almond extract
- 2 cups all-purpose flour
- 1 1/2 teaspoons baking powder
- 1/2 teaspoon salt
- Sugar

In large bowl with mixer at medium speed, cream butter and confectioners' sugar. Beat in egg, milk, vanilla and almond extract until well mixed, occasionally scraping bowl. Stir in flour, baking powder and salt until well mixed. Cover with plastic wrap; chill several hours or overnight.

Preheat oven to 375°F. On lightly floured surface, with floured rolling pin, roll chilled dough 1/8 inch to 1/4 inch thick. With floured 2 1/2-inch cookie cutters, cut dough into desired shapes. Sprinkle with sugar. Roll trimmings and cut more cookies. Place cookies 1 inch apart on cookie sheets.

Bake 8 to 10 minutes until cookies are lightly browned. Immediately remove cookies to wire racks; cool.

Tip: Shape dough into 1 1/2-inch balls instead of rolling it out. Using a flat-bottomed glass dipped in sugar, flatten balls on cookie sheets.

BETTER THAN BICARB

The occasional use of sodium bicarbonate for indigestion, for most individuals, provides rapid relief and no harm. It's chronic use (day after day) may, however, be harmful to some persons.

One problem is that sodium bicarbonate contains sodium. When the material combines with the acid of the stomach, sodium chloride (salt) is formed. Persons who are on low sodium diets or whose feet tend to swell will certainly want to avoid this source of unneeded sodium.

Unlike many antacids, sodium bicarbonate can be easily absorbed into the bloodstream. If sodium bicarbonate is taken with milk or calcium-containing antacids, a condition known as milk-alkali syndrome may result. Symptoms and signs of this syndrome include nausea, vomiting, headache, mental confusion, and loss of appetite.

Many of the commercially prepared antacid products are free of sodium and available in liquid and chewable tablet forms. The taste of these products is usually thought to be superior to that of sodium bicarbonate in water. When an antacid must be taken frequently, the commercial antacids offer many advantages over sodium bicarbonate.

NEWS

Who invented Pineapple Up-
side Down Cake? Truth is — it's
been with us so long, nobody
seems to know. It's all-Amer-
ican — a classic dessert, but
food experts and historians can
only guess the origins.

Research by a food historian
shows that 1870 is when up-
side-down cakes first appeared.
The term "upside down cake"
wasn't used much before the
late nineteenth century, but
that style of baking could date
as far back as the Middle Ages.

In 1925, Dole ran an ad for a
recipe contest, seeking cre-
ative and original recipes us-
ing pineapple. The contest
drew a response of 60,000 recip-
es — 2,500 of which were for
Pineapple Upside Down Cake!

The original recipes were
made in skillets — probably
cast iron — and cooked on top
of the stove, rather than in
the oven. This technique dates
back to days when cooks did not
have bake ovens at home.
For this reason they were
nicknamed "skillet cakes."

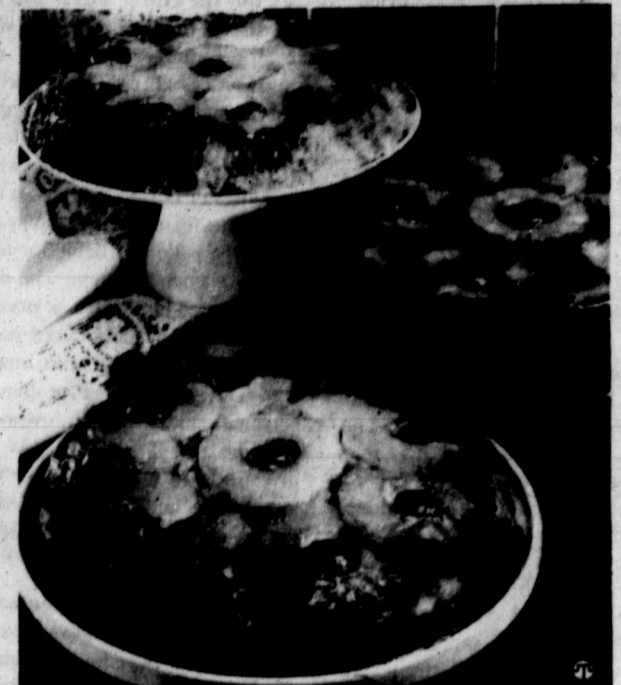

This is our favorite "scratch"
recipe for Pineapple Upside
Down Cake from the modern
Test Kitchen of Dole.

**PINEAPPLE
UPSIDE DOWN CAKE**

- 1 can (20 oz.) Dole Sliced
Pineapple
- 1/4 cup butter
- 2/3 cup brown sugar, firmly
packed
- Maraschino cherries
- 1-1/2 cups flour
- 3/4 cup sugar
- 1-1/2 teaspoons baking powder
- 1/2 teaspoon salt
- 1/2 cup milk
- 1/4 cup shortening
- 1 egg
- 1 teaspoon lemon juice
- 1 teaspoon vanilla
- 1/4 teaspoon grated lemon
peel

Drain pineapple reserving 2
tablespoons syrup. Melt but-
ter in a 10-inch cast iron skil-
let. Stir in brown sugar until
blended. Remove from heat.
Arrange pineapple slices in

sugar mixture. Place a mara-
schino cherry in center of each
slice. Combine flour, sugar,
baking powder and salt. Add
milk and shortening; beat 2
minutes. Add egg, reserved
syrup, lemon juice, vanilla and
lemon peel. Beat 2 minutes.
Pour over pineapple in skillet,
spreading evenly. Bake in a
350° F oven 40 minutes. Cool
on wire rack 5 minutes. Invert
onto serving plate. Serve
warm. Makes 8 servings.

side down cake try this.

**GINGERBREAD
UPSIDE DOWN CAKE**

- 1 can (20 oz.) Dole Sliced
Pineapple in Syrup
- 1/2 cup butter, softened
- 1 cup packed brown sugar
- 10 maraschino cherries
- 1 egg
- 1/2 cup dark molasses
- 1-1/2 cups flour
- 1 teaspoon baking soda

- 1 teaspoon ground ginger
- 1/2 teaspoon ground
cinnamon
- 1/2 teaspoon salt

Drain pineapple, reserving
1/2 cup syrup. Melt 1/4 cup but-
ter in a 10-inch cast iron skillet.
Blend in 1/2 cup sugar. Remove
from heat. Arrange pineapple
slices in skillet. Place a cherry
in center of each pineapple
slice. Cream remaining butter
and sugar until light and fluffy.
Beat in egg and molasses until
blended. Combine flour, baking
soda, ginger, cinnamon and salt.
Bring reserved 1/2 cup pine-
apple syrup to a boil. Remove
from heat. Add flour mixture to
creamed mixture alternately
with hot syrup. Pour over pine-
apple slices in skillet. Bake in
350° F oven 35 to 40 minutes
until cake tests done. Cool in
skillet 5 minutes. Invert onto
serving plate. Makes 6 to 8
servings.
*To make your skillet oven-
proof, wrap handle in foil.

Social Security from pg 1

fits subject to tax is the smaller of one-half of countable income ABOVE the base amounts, or one-half of the annual Social Security benefits.

Thus, never more than one-half of Social Security benefits is subject to tax, pointed out Talbot.

Every person who received a Social Security benefit in 1984 will receive a Social Security Benefit Statement, Form SSA-1099, before the end of January 1985, Talbot said. The form will show the amount of Social Security benefits received in 1984 and any amounts returned or paid back. The net figure provided should be used in figuring 'countable income.' A worksheet, IRS Notice 703, which can be used to determine if any benefits are taxable, will come with the Form SSA-1099.

Talbot urged beneficiaries who need information about the figures shown on the Form SSA-1099 to call the toll-free SSA number provided on the form. Also, a free booklet—Publication 915, Tax Information on Social Security and Railroad Retirement Benefits—is available at any Social Security or Internal Revenue Service office, Talbot said.

If Publication 915 doesn't provide the answer to taxable income or tax liability questions, Talbot suggested people contact local tax assistance volunteers or call the toll-free IRS number for their area provided on the back of the Notice 703.

entitled to receive money damages to compensate him from the person responsible for causing the injuries.

Q: My little boy has had a lot of trouble with his ears. Our health maintenance organization doctor referred us to an ear specialist. After I read my son's medical records from the HMO, I learned that the specialist recommended tubes for the ears but the HMO doctor did not insert them. My son now has suffered hearing damage. Who do I sue for malpractice? the HMO itself? the HMO doctor? or the specialist for telling the HMO and not telling us?

A: Generally, a physician who misdiagnoses or fails to diagnose a medical affliction which results in injury or damage to the patient is liable for malpractice. So, depending upon who did what or who failed to do what, it may be that both the doctor who referred you to the specialist and the specialist himself are both liable to your son for damages. A personal injury lawyer, who would work on a contingent fee basis, would investigate to decide whether the doctor, the specialist, the health care facility, or all three should be joined as defendants in a lawsuit.

Q: Do I have any recourse against an employer who makes it very plain that my job may be in jeopardy if I fail to contribute to the United Fund?

A: If you have no contract with your employer, then he may fire you with or without a good reason. But, if you do have an employment contract, then it

may state what grounds are necessary for your employer to terminate. Furthermore, if your contract does not specifically address grounds for termination, your employer is still prohibited from discharging you before the expiration of your contract unless he has good cause. Whether good cause exists is a question of fact usually to be determined by a judge or jury. Ask a civil attorney to read your employment contract to see whether the contribution is required.

Q: When a woman marries in Texas, is there a state law that says that she has to take the man's last name as her own? I thought that it was more of a custom than a requirement.

A: You are correct. There is no state law which requires a woman to use her husband's last name. Traditionally, most women do change their names at marriage, but it is a matter of choice. Once a woman has used her husband's name, she must apply to the District Court to return to her maiden name, whether at divorce or during marriage. The Court will inquire at the hearing whether the change is made to escape obligations to creditors, but if not, the change is routinely granted.

Q: Can I be fired from my job for the way I choose to style my hair and wear my make-up? Neither interferes with my ability to do my job.

A: Unless you have a contract with your employer, your employer may discharge you at any time with or without

reason. So, if you have no contract with your boss and he doesn't like your new hair style, he has the right to fire you. But if you do have a contract, then the terms of the contract control especially where the contract outlines the grounds for dismissal. Even if the contract is silent on the question of permissible reasons for discharge, your employer probably is not entitled to fire you before the expiration of the contract, without good cause. Under those circumstances, your employer would be required to convince a judge or a jury that the way you styled your hair or wore your make-up gave him good cause to fire you.

Q: I purchased an electronic game for my son. The game does not work properly and the store will not take it back because I no longer have the receipt. What should I do?

A: You should write a letter to the manufacturer of the game explaining where and when you purchased the game, when the game stopped working and what the problem is. Also ask what the manufacturer will require for you to have the game serviced or replaced. If the game was manufactured by a reputable company, then it will probably be repaired or replaced. If the game came with any sort of written warranty, of course, mention this in your letter.

Know Your Traffic Laws

The driver of a vehicle intending to turn at an intersection shall do so as follows: Right turns - both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway.

Left turns - the driver of a vehicle intending to turn left at any intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle, and, after entering the intersection, the left turn shall be made so as to leave the intersection in a lane lawfully available to traffic moving in such direction upon the roadway being entered.

Despite the decrease in fatalities in traffic accidents, the number of people injured in motor vehicle traffic accidents reached a record high of 208,157. This is a 2% increase over the 1982 figure of 204,666.

There were 349 motorcyclists killed in 1983. Of this number 74% were not wearing helmets. Although Texas laws require motorcyclists under the age of 18 to wear helmets, 48% of the motorcyclists under 18, who were killed in traffic accidents, were not wearing helmets.

Friendship Club met Jan. 9

The Friendship Club met Wednesday, January 9 in the home of Norma Corgill with eleven present. After the roll call and business meeting there were 2 tables of 42 played. The afternoon was enjoyed by all.

A delicious lunch was served, sandwiches, Jello, dips, cookies, candies with tea, coffee and punch.

The next meeting will be an afternoon meeting with Oddie Moss Wednesday, February 13th.

Those present were Mary Lee Noble, Yvonne Belle McDaniel, Irene Jones, Louise Aten, Muriel Butts, Edna Dishman, Florene Bennet, Anna Thomas, Jane Stevens, Oddie Moss and hostess Norman Corgill.

PRESENTED BY THE STATE BAR OF TEXAS

Q: What is meant by the term "mental anguish?"

A: Mental anguish is a term frequently used in personal injury cases. The term implies a relatively high degree of mental pain and distress. It is more than mere disappointment, anger, resentment or embarrassment although it may include all of these. It includes a mental sensation of pain resulting from such emotions as grief, severe disappointment, indignation, wounded pride, shame, despair, and/or public humiliation. A person who suffers mental anguish as a result of physical injuries is
