Donna Hudson new Planned Parenthood Coordinator

Mrs. Donna Hudson has been named county coordinator for Panhandle Planned Parenthood. Her office is at 311 South Carhart. The office will be open Monday and Wednesday from 9 a.m. until 5 p.m. and on Friday from 10 a.m. until 2 p.m.

Mrs. Hudson is a graduate of Colorado Springs High School and Clarendon College. She is currently attending West Texas State University where she will graduate this year with a double major in Criminal Justice Administration and Sociology.

She is married to Dr. Carl Hudson and they live in Lelia Lake. Mrs. Hudson stated, "I'll be available for counseling and advise on planned parenthood." The office phone number is 874-3616.

Youth employment program

The Summer Youth Employment and Training Program will make jobs available for eligible Panhandle youth between the ages of 14-21 this year. There will be various job and training opportunities for students and out-of-school youth throughout the area between June 1 and August 31, 1985. Residents of Donley County may apply at the Community Action Corporation in the old courthouse. The regular program will be for youth 16-21. You must bring your birth certificate, a parent and proof of your parents last 6 months income. There will be some summer jobs for youths between the ages of 14-21.

The office is open everyday from 9 a.m. until 6 p.m. with the exception of Tuesday. Persons interested in these jobs are urged to apply immediately.

Boys varsity basketball

The Clarendon Bronco boys basketball team finished the first half of district play with a 1-4 record. In the last game of the first round, the Broncos were defeated by Shamrock 39-58. After a slow first half, the Broncos came alive in the second half scoring twenty-five points. Treht Sharp was the player of the game, scoring ten points and dishing out 4 assists. Dean Cearley was the only other Bronco in double figures with 14 points. Randy Crump had six rebounds and four assists. The Broncos had an excellent game passing and shooting the ball, with only six passes and shooting 45

Approximately 100 attended meeting

Approximately 100 people attended the town meeting January 24 at the high school cafeteria. The purpose of this meeting was to explore ways and means of helping Clarendon and the surrounding area, not to find fault with what had been done in the past and what had not been done.

Chamber president Mark Winsor's opening remarks consisted of protocol on handling the meeting and hoped that the meeting would be productive to everyone in Clarendon. There are 13 directors in the Chamber and the by-laws calls for 15. In the next Chamber meeting two more directors will be appointed. The groups were divided into 13 groups and each group was asked to make suggestions on what they thought should be done for the good of the community and to promote trade and bring industry into Donley County.

Some of the suggestions were clean up the streets and alleys, annual banquet, trade days, youth work program, get city street signs, numbers on houses, stray dog problem, use the facilities we have to bring more people into the area such as lake, rodeo grounds and college facilities. Other suggestions were better communication, publicizing Donley County such as sending fishing reports and weather reports to the Amarillo TV stations, publishing a Chamber paper, have a welcome wagon for newcomers, and have a Chamber office in town. These were but a few of the suggestions.

Each director will be assigned to businesses, and it will be their job to keep these businesses informed of Chamber activities, and each director will be assigned a specific job, and these businesses will help him get this job done.

The Chamber dues are \$60 per year for businesses and \$36.00 per year for individuals, but the Chamber will accept any amount over that from anyone wishing to donate.

Remember you do not have to own or operate a business to join the Chamber. Individuals are not only welcome, but they are urged to join.

Thirty-five have joined the Chamber since the Thursday meeting. If you have not joined and wish to do so, please contact Chamber

manager John Sarich, President Mark Winsor or any of the directors.

After the membership drive has completed and two more directors appointed, a list of the directors and the business which are to work with them will be assigned and published in the paper. They also will be listed in the Chamber paper which will be printed soon, listing their name, address, phone number, and what they sell. There will be no charge to the members and these papers will be given away. All businesses will be given an equal amount of space.

Clarendon PTA sponsors computer program

We are participating in a collection program to earn FREE computers for our school, announced President Elmonette Bivens. The drive is sponsored by Proctor & Gamble with the participation of IBM and it works this way: For the next month, the students will be collecting proofs of purchase from participating Proctor & Gamble brands. Their goal is to collect enough proofs during that time to earn a FREE IBM PCjr System. Proofs of purchase will be accepted on the following brands: Bounty paper towels; Citrus Hill Orange Juice; Coast bar soap; Crest toothpaste; Encaprin Arthritis Pain Reliever; LUVS diapers; Prell shampoo; Puffs facial tissue; Sure solid and roll-on deodorant; Tide laundry detergent; Crush carbonated beverage (16 and 10 oz sizes); Jif peanut butter; Scope mouthwash; Crush 2 liter bottles; Pert shampoo; and liquid Prell shampoo.

Each Friday, give your child the proofs of purchase you collected to take to school, or you can turn the proofs in at Biven's Pharmacy. You can help by telling your friends and neighbors. The more proofs they collect the more PCjr's they will be able to get for the school.

The COMPUTERRIFIC program is an easy way to obtain the valuable teaching tools that so enrich a child's learning experience without spending a penny of the school budget. An illustration of the Proof of Purchase is shown below to give you an idea of what you are to save from the above listed products.

Lady Broncos drop two games

After winning two district games in a row, the Clarendon Lady Broncos lost two district games this past week.

The first loss came by the hands of Shamrock in the Shamrock gym. Shooting once again was the downfall of the Lady Broncos as they were only able to score 8 field goals throughout the night. The Lady Broncos shot 52 times but only 8 would score points for them. Free-throw shooting was another story as the Lady Broncos made 13 of 22 for a 59 percent total. The final score was Shamrock 46, Clarendon 29. Muzzy Hayes led the scorers with 8 points, followed by Janet Rialley with 7 points and Kristen Couch with 6 points. Kami May was the "Player of the Game" for Clarendon.

The second loss came by the hands

of Quanah, Friday night in the Clarendon gym. The Lady Broncos played a tough game but trailed at halftime by 3 points. Freethrows turned out to be the deciding factor of the game as 16 of Quanah's points came from the free-throw line. Tammi Chambless led the scorers with 8 points, followed by Shay Newland and Muzzy Hayes with 5 points each.

The game against Quanah was the first game of the second half of district play. Quanah and Wellington tied for first place in the first half of district play, followed by Shamrock in third and the Clarendon Lady Broncos in fourth.

The Lady Broncos will play Memphis on Friday, February 1st and travel to White Deer on the 5th.

Panhandle Health Care

Panhandle Health Care is a non-profit independent organization dedicated to providing total health care 24 hours a day, 7 days a week, in the patient's home under the supervision of the physician. Panhandle Health Care wants to remind you that "There's no place like home." This is especially true if you're sick, elderly, disabled, recuperating from an accident or operation. You'd rather be home than in a hospital, nursing home or other institution. Home care is not for everyone, but it may be ideal for an elderly person

living alone, a recovering heart attack victim, or a dying cancer patient. The professionals of Panhandle Health Care can probably help. Home health care is tailored to the patient's condition and family situation. You may need a professional nurse or a home health aide to bring healing and compassion in the comfort of your home.

Remember "we are ready to care." Whatever your health needs, call Panhandle Health Care at 935-6991 or Kitty Proctor RN 874-2036 or Terri Floyd LVN 874-2653.

The object of the Clarendon Area Chamber of Commerce is to promote the commercial, industrial, civic, agriculture, livestock, oil, educational and general interest of Donley

Emergency farm loan applications being accepted

Applications for emergency farm loans for losses caused by this summer's drought and extremely high temperatures are being accepted at the Farmers Home Administration (FmHA) office located in Clarendon, Texas, FmHA county supervisor Marvin Crabtree said today.

Donley County is one of 27 in Texas recently named by Secretary of Agriculture John R. Block as eligible for loans to cover part of actual production losses resulting from the drought.

Crabtree said farmers may be eligible for loans of up to 80 percent of their actual losses, or the operating loan needed to continue in business, or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate on the first \$100,000 borrowed is 5 percent; interest rate is 8 percent on the balance borrowed over that amount. For farmers who can obtain commercial credit but who choose to borrow from FmHA, the interest rate is 13.75 percent.

As a general rule, a farmer must

have suffered at least a 30-percent loss of production to be eligible for an FmHA emergency loan, Crabtree said. Farmers participating in the PIK or federal crop insurance programs will have to figure in proceeds from those programs in determining their loss.

Applications for loans under this emergency designation will be accepted until August 20, 1985, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly carry over into the new farming season, Crabtree said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens, and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Clarendon is open from 8:30 to 5:00 Monday through Friday.

JV girls win consolation at Valley

The Clarendon J.V. girls played four games this past week, so the team of 12 had to be separated into two groups. One group, consisting of Marj Ekleberry, Christi Knorpp, Kristi Deen, Sharon Bright, Twanna Garland, and Amy Johnson, played Quanah in Clarendon on Friday night. The other group, consisting of Shanna Cole, Stefani Graham, Marcy Helms, April McCary, Tanya Bell, and Buffie Hancock, played in the Valley Tournament.

Quanah came to town and defeated the group of J.V. girls from Clarendon by the score of 33 to 14. The Clarendon J.V. girls played a good game against the much taller group from Quanah. The girls had trouble scoring against the taller girls but still played a good game against Quanah. Sharon Bright led the scorers with 5 points, followed by Marj Ekleberry with 3 points, with Kristi Deen, Amy Johnson and Twanna Garland, each scoring 2 points.

The second group of J.V. girls competed in the Valley J.V. Tournament. Their first opponent was room and led throughout the game until the fourth quarter when two of the Clarendon girls fouled out so during the fourth quarter Clarendon played with only 4 players. Groom overcame the Clarendon lead and won by 2 points, 27-25. Tanya Bell led the scorers with 6 points, followed by Buffie Hancock and Marcy Helms with 5 points each.

The second game was against the Childress freshman and Clarendon J.V. exploded in the game and scored 72 points! The final score was 72-13 as the Clarendon J.V. could do no wrong throughout the entire game. Buffie Hancock led the scorers with 22 points, followed by Shanna Cole with 18 points, Stefani Graham with 16 points, Marcy Helms with 8 points, Tanya Bell with 6 points and April McCary with 2 points.

The third game for the consolation trophy was against Hedley, a team that had beaten Clarendon on their previous two meetings. It was a different story Saturday as the J.V. girls held Hedley to just 6 points. The Clarendon girls cooled off from their 72 points game and scored just 16 points, but that was plenty to beat the Hedley girls. The final score was Clarendon 16 Hedley 6! Tanya Bell led the scorers with 6 points. Stefani

Graham had 4 points, with Shanna Cole, Marcy Helms and Buffie Hancock each adding 2 points.

Training and employment program for persons 55 and older

A training program especially designed for eligible persons 55 and older will begin on February 18th at the Memphis Library. There will be limited enrollment. Those selected for enrollment will have the opportunity for training to re-enter the work force on a full or part-time basis.

The training includes Job Search Instructions, Employer Expectations, Interpersonal Relationships, Personal Grooming, Self-Image, Money/Tax Management, Preventive Health Care and Diet, Information on Training and Employment Opportunities, plus Vocational Testing and Counseling Services will also be available. Enrollees will have an opportunity to train while working for local businesses.

Residents 55 and older interested in returning to work on a full or part-time basis are encouraged to contact Ms. Lupe Delgado at the Donley County Community Action Center, Old Courthouse Building, between the hours of 9:00 a.m. and 10:30 a.m. on Tuesdays.

It pays to pay property taxes on time

For most property owners in Texas February 1 is the day unpaid property taxes become delinquent. They should realize that delinquent taxes can become an expensive proposition.

In addition to penalty and interest charges, nonpayment can lead to lawsuits, clouded land titles, and even seizure and sale of the delinquent taxpayer's property if he makes no effort to pay.

BILLY GILBERT

Billy Gilbert joins Donley County

Sheriffs Dept.

Although Billy Gilbert is new to the Donley County Sheriff's Department, he is not a newcomer to the field of law enforcement. At thirty-three years of age, Billy has had more than 8 1/2 years experience. A Certified Peace Officer in both Texas and Oklahoma, he has worked with the sheriff's departments in Childress, Muleshoe, Hollis, Oklahoma, Memphis, and Wellington before accepting the position of Deputy Sheriff of Donley County.

Billy was a senior at Memphis High School when he quit school to join the United States Air Force. He served on the Security Police Force at Beale Air Force Base, California. He attended Sayre Junior College at Sayre, Oklahoma, where he received two hundred hours of classroom and field work to earn an Oklahoma Peace Officer Certificate. He also attended Amarillo College for three hundred twenty hours for his Texas Certification.

Prior to coming to Clarendon, he worked in Childress for 1 1/2 years, 1 1/2 years at Muleshoe, and 4 1/2 years at Wellington. He first worked for 2 1/2 years as a deputy for John Rainey and six months for Kenneth Maxwell. He left then and worked a year in Memphis and returned to Wellington for another two years.

When asked about his job as Donley County sheriff, he said, "I thought about getting into another line of work but with a wife and four kids, I decided I'd better stick to something I knew something about. When Sheriff Jimmy Thompson called me about the job here, I thought about it for a good while. I came up and looked the set-up over. When I saw how the sheriff and his staff were working, I was real impressed. I'm really enjoying the job. I think the sheriff and the entire department are doing a really good job here in Donley County. I guess I came at an opportune time. We've really been busy since I started."

Billy is married to the former Pattie Stephens, who is an LVN and works part time at the Memphis Convalescent Center. They have three sons, Robert 13, Chad 11, Jason 6, and daughter Patricia 5, who is the apple of her father's eye.

PTA to meet Feb. 5

The Clarendon PTA will meet Tuesday, February 5th at 7:00 p.m. in the school cafeteria.

The program for the evening will be two film strips. The first one, Working Together, deals with how schools and parents can work together for the good of the child. The second film is Surviving the Teen Years.

The Parent Education Committee will present the program.

Notice

There will be a blood pressure clinic February 1, 9 a.m.-2 p.m. at the First Bank and Trust. This clinic will be sponsored by the Panhandle Health Care.

IRVEN THOMAS and KIM FOSTER

Foster-Thomas announce engagement

Wedding vows will be exchanged between Kimberly Dawn Foster and Irven Lynn Thomas on February 23, 1985 in the Atrium of the Fifth Seasons Inn in Amarillo.

Kimberly is the daughter of Mrs. Dorothy Foster and the late Dick Foster of Happy. She graduated from Happy High School and attended T.S.T.I. She is currently

employed with Long John Silvers in Amarillo.

Irven is the son of Mr. and Mrs. Claude Thomas of Clarendon, Texas. He graduated from Clarendon High School and attended Clarendon Jr. College and W.T.S.U. He is presently employed with R.E. Hable Company.

Thompson-Dawson exchange wedding vows

Mr. and Mrs. Bryan Dawson of 6108 Calumet, Amarillo, Texas and Mr. and Mrs. Marvin Thompson of Clarendon wish to announce the marriage of their children Christy Sue and Richard Lynn. They were married November 17, 1984 at 7:30 p.m. in the Central Church of Christ of Amarillo, Texas. Tom Harguess, Youth Minister for the University Church of Christ of Canyon, Texas, officiated the ceremonies.

The bride, given in marriage by her father, wore a formal gown of white satin and lace embroidered with seed pearls. The gown had a high neck with a standup lace collar, a cathedral length train edged with lace, and the long sleeves were highlighted with lace and seed pearls. Her fingertip length veil was held in place by a satin and lace derby. She carried a bouquet of white rosebuds, stephontas, baby's breath and greenery.

The groom wore a black tuxedo with long tails, a white tuxedo shirt and black bow tie and black cummerbund. His boutonniere was a white rose bud with stephontas. The best man was Kenney Noremman of Minneapolis, Minnesota. The groomsmen were Brad Thompson of Lubbock, brother of the groom, Doug Andrews of Albuquerque, New Mexico, Micky McGuire of Clarendon, Chris Ford and Randy Aufleger, both of Amarillo. The groomsmen, ushers, candlelighters, and ring bearers wore grey tuxedos, white tuxedo shirts and grey bow ties and cummerbunds.

The flower girls were Sophie Dawson of Houston and Shannon McNicholas of Checotah, Oklahoma, both nieces of the bride. They wore floor length dresses of fushia taffeta and were very similar in design to the bridal attendants.

Josh Griffin of Amarillo was the ringbearer. Scott Newland and Brett Bryant, both of Canyon, lit the candles. There was a spiral candle arrangement on each side and a double archway in the center. Norma Dawson, mother of the bride, escorted by her husband Bryan, and Sue Thompson, mother of the groom, escorted by her husband Marvin, both lit a single candle representing their families to begin the ceremony. Lynn and Christy lit their unity candle from them at the close of the ceremony.

Following the wedding, there was a reception at the Tascosa Country Club. On the bride's table there was a 3 tiered white and spice cake decorated with fresh flowers, strawberry punch in a crystal punch bowl and cups. On the groom's table there was a chocolate cake and silver coffee service. There was also a table where the guests had their choice of hot hors d'oeuvres. Each table had a large bouquet of fushia and white daisies and carnations.

The bride graduated from Amarillo High and attended Amarillo College. She is now employed at Banc Central.

The groom is a graduate of Clarendon High School and is now attending West Texas State University. After graduation he plans to enter law school. He is now employed by Mike Moore, attorney at law, as a legal assistant. The couple now makes their home at 3630 Brenan in Amarillo.

Of the 500 guests attending the wedding were the grandparents of

the bride, Mr. and Mrs. Clay Dawson of Canyon, the grandparents of the groom, Mr. and Mrs. W.H. Browning of Clarendon and Mr. and Mrs. Day Thompson of Vega, aunts and uncles of the bride Mr. and Mrs. Larry Martin and Mr. and Mrs. Roy Bentley of Vancouver, Canada and Mr. and Mrs. Ralph Rowse of Toronto, Canada, and Mr. and Mrs. Lynn Dawson of San Antonio, aunts and uncles of the groom Mr. and Mrs. Bill Browning and children of Fredrick, Oklahoma, Mr. and Mrs. Sam Browning and children of Hart, Texas, Patty and Tippy Browning of Lamesa and Mr. and Mrs. Jerry Thompson and children of Amarillo.

There were many other special friends and relatives from Clarendon and Amarillo as well as Abilene, San Antonio, New Mexico and California. This was a very joyous occasion for both families and they were very honored to have shared it with so many friends and relatives.

Mr. and Mrs. Richard Lynn Thompson

The Broncos started the second half of district play with a 45-62 loss to the Quanah Indians. The Broncos played outstanding basketball for three and a half quarters, but the bench depth of the Indians proved to be the Broncos downfall. Randy Crump was the player of the game, scoring twenty-five points and pulling down nine rebounds. Stanley Gardner had an outstanding game with 5 rebounds and 3 assists. "That was one of the better games we've played this year," said Coach Lovelless.

This Friday the Broncos play Shamrock in Clarendon at 8:00 p.m. Next week, the final week of the regular season, the Broncos play in White Deer on Tuesday and host Memphis on February 7th.

Watt's Happening in Hedley

By PEGGY WATT

I had a letter last week from Lois Beach. She lives in Demming, New Mexico now. I'm always glad to hear from her. She's so good for my ego. Anyway, she sent me a clipping from the DEMMING HEADLIGHT. It was about Zona Adamson, who used to live in Hedley. She's one of the outstanding artists in that part of the country.

There have been a lot of busy people working at the Methodist Church. I stopped by there Saturday afternoon and it was like a bee hive. Raymond and Nora Hopper, Bill and Juanell Carson and Helen Lamberson were all busy. So was another lady, but Pie told me she'd do me again if I mentioned that she was helping sew cushions for the pews. The basement looks like it belongs to another building. Bill and Raymond have almost finished with the kitchen cabinet. The ladies have the rooms clean and the furniture is all in place and it is so overwhelming looking. Most of us probably haven't said so, but I'm sure everyone else is as proud of the work they've done as I am.

We had some visiting hunters last weekend. I don't know their names, but I think they worked for Buddy Lamberson. They were driving a pickup with his company logo on it anyway. I asked Helen to get their names for me, but she didn't have time. They camped out in their little camper in our pasture.

Harold and Mary Ruth White recently returned from a trip to Hawaii. They attended the Farm Bureau meeting there. Mary came home sick, but denied it was caused by the night life she enjoyed while she was there. She thinks she was coming down with some virus before she left. She did say that several other people who went with them were also sick.

Murrell and Dorothy Whitaker have been busy since Christmas. They left the day after Christmas for

Rosharon, Texas for a visit with their son, Roy Dean, then on to Houston and Wharton for visits for Murrell's doctors. His check-ups showed he was doing well. So well, in fact, that since they came home last week, they made a short visit to Amarillo to visit her sister, Lela Scath, with friends, Mr. and Mrs. Bill Drake from Childress. On Sunday they left in their RV for Mesa, Arizona to see his brother, Roy, and will spend some time in Tucson, Arizona with his other brother, Leonard. I told her if Murrell let her do any of the driving, she's better keep an eye on where she was going.

Joe and Margaret Wells were in church with us Sunday morning. When Sharon Wheatly is out of town, Margaret plays the organ for us. We appreciate them. Joe is going in High Plains Baptist Hospital for surgery.

Earl and Sharon Wheatly spent the weekend in Darroulette with Earl's mother, Mrs. Nawassa Wheatly. Sharon told me she intended to spend the rest of the winter in the valley. If it had been me, I'd have left about the first week in November. They've had some cold, snowy weather in Darroulette already.

Joe and Lucy Poole of Amarillo were recent visitors in the home of her parents, Pick and Laqueta Cox. I saw them at the ballgame Friday night.

I also visited with Wilbur Leeper that night. I was in high school with him. Only thing is, he was Red Leeper then. He is the superintendent at Valley High School.

Alma Ruth Smith from Oregon is visiting her brother, Otis and Margaret Holland, and aunt Mrs. Clara Fitzgibbons. She'll be here for about another week. She's been visiting her other sisters, Clara Ellis in Clarendon and Betty Stone in Amarillo.

Scott Doherty of the United States Navy is visiting his father, Ronald

and grandfather W.P. Doherty in Hedley. He will be leaving later this week for duty in the Indian Ocean. He told me what kind of plane he worked on, but he used simple six syllable words and I didn't have the faintest idea what he was talking about. Anyway, he said he enjoyed his work so I guess that's all that matters.

L.C. and June Johnson are leaving this week to spend the rest of the winter in California. Glen and Donnie Powers will be in charge of the Rhema Ranch Country Store while they're gone. I hope not. I enjoy visiting with them.

Paula Clendennen and her friend Ruth of McLean visited with Tom and Opal Clendennen Sunday. They enjoyed lunch with Opal.

Gary and Jeannette Burns of Amarillo spent the weekend with her parents Pick and Laqueta Cox. Pick was home from his job. I can't remember if he works at Stinnett or Stratford.

Pat Knowles spent several days in an Amarillo hospital recently. She was able to be at church Sunday morning.

The Methodists of Hedley hosted the Baptist Sunday night at their monthly joint service. Brother Bryan Knowles preached. A nice size congregation of mostly Baptists attended.

The Senior Citizens are busy. They have fun and games at the Center every Friday and Monday night. The 42 Club meets every 1st and 3rd Thursday afternoon.

The Board of Directors will meet February 14th. I don't know who they are or where they meet, but suppose they do. I'll try to find out before next week.

I just learned that H. Mobley passed away last night. He was a long-time Hedley resident and operated the dry cleaning shop in Hedley for most of my life. Both of my big kids and I worked for him at one time.

HEDLEY SCHOOL MENU

January 31-February 6
Thursday-Steak patties, baked potatoes, baked beans, hot rolls, whipped honey butter, milk.
Friday-Sloppy joes, french fries, onions, pickles, cookies, milk.
Monday-Spaghetti and meat sauce, green beans, cheese, garlic bread, apple cobbler, milk.
Tuesday-Fried chicken, creamed potatoes, tossed salad, hot rolls, peaches, milk.
Wednesday-Pizza, hominy, cole slaw, spiced cake, milk.

Mrs. Wade's fifth and sixth grade students just completed a chapter on Germany and its place in World War II. Due to the students' apparent curiosity concerning World War II, Mrs. Wade invited Mr. John Carson, a World War II veteran from Quail, Texas, to share some of his experiences with the class. He was a bombardier on a B-17. Mr. Carson's wife also shared with the class her experience of staying behind in the United States while her husband fought in the war. Mr. Bill Hill was also requested to speak to the class on World War II. Mr. Hill, although not a veteran, is a scholar on World War II. The students were highly impressed with the information presented by each of these fine people. They listened intently for approximately two hours and were not ready for their visitors to leave when the time came to change classes.

On Tuesday, January 22nd, the Owls played host to Silverton. The opponent proved to be somewhat tougher than what we had mentally prepared for. We came out of the dressing room looking for something easy and would up having to fight for our lives to the end. The Silverton Owls were under the new leadership of a former Hedley coach, Duane Reynolds, and seemed to have a renewed spirit. The Hedley Owls proved that they could play badly and still come out the victors. The final score was 43-39 in favor of the hometown Owls. The leading scorers in the game for the Hedley Owls were Craig Kennedy with 11 points and Keith Watt with 10 points.

On Friday, we played host to the league leading Valley Patriots. The Patriots came with the intensity to win but were surprised by the gutsy play of the smaller Owls. We played pretty good defense against them in the first half, going into the locker room trailing by only 11 points, 33-22. The much stronger Patriots prevailed in the end and won the game by the score of 69-41. We were very proud of the way that we played most of the game. We did feel that we could have done some better blocking them off the boards. The leading scorers for the Owls were Craig Kennedy with 10 points and Brent Hall and David Phelps with 8 points each.

This weeks feature player is Ricky Springer. Ricky is a 6'1" junior. He is a very devout team member and player. Ricky does not miss practice and is always ready to go when it comes time to play.

On Tuesday, January 22, 1985, the Lady Owls hosted the Silverton Owls. This was our second district ballgame and a very important one. The game was a close one and the Lady Owls trailed only a few points at half. The Lady Owls finally took the lead in the middle of the fourth quarter but lost it on Silverton's next possession. With only 33 seconds remaining in the game, the Lady Owls took the lead for the last time and gave the Silverton Owls their final shot. The Silverton ladies made a basket with only 6 seconds remaining on the clock. The Lady Owls didn't give up. With only 4 seconds on the clock the Lady Owls got up a desperation shot that didn't fall in. The final score was 38-39. The Lady Owls had played one of their finest ballgames of the year. With a good defensive game from all the girls and balance scoring from Karon Harmon

with 15 points and Tonya Moore with 8 points had come close to their first victory in district.

On January 25, the Lady Owls hosted the Valley Patriots. Valley came in with the lead in the district race. The Lady Owls rose to the occasion again. The Owls kept the score close through three quarters, but finally lost 48-60. Karon Harmon had a year high with 18 points and Tonya Moore had 11 points.

This weeks feature players are Amy and Tammy Osborne. Amy is a 5'5" freshman and has spot played on varsity all year. Tammy is a 5'6" freshman and has spot played a lot this year. These twins show a lot of enthusiasm and aggressiveness on defense as well as on offense. We look forward to working with them throughout their high school career.

Hedley School Board met Jan. 21. The Hedley CISD Board of Trustees met in regular session on January 21, 1985 in the school library. All seven members and Mr. Holland were present.

The following actions were taken:
 *A plan was approved allowing adults within Hedley School District to attend driver education classes at the school. A fee of \$125.00 will be charged for the course for adult students.

*A Board election was called for April 6, 1985. Two positions will be up for election for full three year terms. The terms of Bill Clubb and Cheryl Wiggins expire in April.

The contract for Glyndol Holland as superintendent of schools was renewed for one year.

*Current bills were paid.

*Board discussions were held on the following items: a play to encourage better academic achievement and better attendance was discussed. Ideas and options are to be studied and reported at the next board meeting.

*Current tax collections were reviewed. At the present time approximately fifty percent of the 1984 taxes have been collected.

*Since Hedley Schools will be dismissed for spring break during Public School Week, the date of March 18-22 will be used as Public School Week. An open house will be set at a later date and elementary music program is planned for Open House Night at the school.

*The following graduation requirements were adopted by the Board. These requirements become effective immediately.

The graduating classes of 1984-85 and 1985-86 must complete 22

credits. Specific subject area courses must be completed as follows: English 3 credits; Math 2 credits; Science 2 credits; Social Studies 2 credits; Government; 1/2 credit; Health 1/2 credit; Physical Education 1 1/2 credits; Electives 10 1/2 credits.

The graduating class of 1986-87 must complete 23 credits in order to graduate. The same subject area requirements must be met as of previous graduating classes except that 11 1/2 electives will be required.

Students graduating in 1987-88 must complete 24 credits if graduating under the general plan and 25 if graduating under the academic plan. State subject area requirements must be met under each plan. In addition, 1/2 credit will be required in World Geography and 1/2 credit in either Consumer Education or Business Math. The Consumer Education or Business Math must be taken as a junior or senior. The World Geography may be taken at any time.

Students are eligible for graduation upon reaching the requirements.

Persons meeting the requirements for graduation from Hedley High School during a particular school year will be eligible for the honors, awards, and privileges associated with that particular graduating class.

In order to be eligible for the senior trip, a student must have a possibility of graduating at the end of the school term and must be a full time student at Hedley High School.

In order to participate in graduation exercises, a student must have met the graduation requirements of Hedley High School and the Texas Education Agency in advance of the graduation date.

The Hedley CISD Board of Trustees is composed of the following: Billy Clubb, President, Bob White, Vice President, Ben Carson, Secretary, Cheryl Wiggins, Cary Don Neeley, Henry Stephens, Mack Shields.

Employer Seminar to be held February 13

A Job Training Partnership Act Employers Seminar will be conducted on February 13th in the Clarendon Lions Hall. The time will be from 9:00 to 11:30 a.m. Ms. Loretta Kindsfather, Director of Employment and Training, Panhandle Regional Planning Commission, will be speaking on Financial Incentives, both direct and indirect, that are

available to businesses through local training funds. Ms. Kindsfather said, "she likes to use the straight-talk approach when talking to businesses about Employer Training Programs because she realizes that profit is the bottom-line for businesses."

Ms. Kindsfather will present topics related to profit generation such as Employee Retention, Employee Reliability, Cash Flow, and available Tax Credits. Also included will be a look at the local economy and the work force, plus the productivity of the Older Worker and the Teen-Ager, and how all of these have a cumulative effect on current and future business operations.

Ms. Kindsfather says that some employers are reaping the benefits of available training incentives to ensure growth and survival. While other businesses are literally losing thousands of dollars each year through lack of awareness. Why not plan to attend this valuable informative seminar and join the many other large and small businesses who are enjoying technical assistance and financial benefits through employer training programs.

Jan. 25, 1985

Dear Folks,

Enclosed is our check for another year of the Clarendon Press. I hope it is the right amount. My last paper has disappeared so I could not look for the right price.

Letter to the Editor

To the Editor:

As a scleroderma patient who has suffered alone for too many years with a disease that few people have ever even heard of, I am attempting to locate other who suffer from scleroderma (systemic sclerosis).

My New Years Resolution is to correspond with as many scleroderma patients as possible. Doctors tell me there are 300,000 of us. Perhaps your readers can assist me in locating others like myself. I can be reached at 21 Brennan Street, #21, Watsonville, VA 95076.

Thank you,
Diane Williams

Letter to the Editor

Dear Friends of Donley County,

I would like to take this letter as a means of encouraging all our friends in and around Donley County to be aware of and to attend a meeting to be held in Hereford on February 28. This meeting pertains to the proposed siting of the Nuclear Waste Dump in Deaf Smith County. The meeting will be conducted from 4 to 9 p.m. in the Hereford High School Auditorium. There will also be a meeting on February 26 in Tulia and on March 1 in Austin. I would urge you to attend one, or all, of these meetings. These are the three scheduled meetings to be held this winter for the purpose of hearing viewpoints from the public. This "public comment" period will end March 20 and so will your chance to be heard.

This problem is not exclusively a Deaf Smith County problem. It involves you and all people who are being supplied water from the Ogallala Aquifer. It is the greatest issue of our time and of the Southwest. If you are not familiar with what a nuke-dump could possibly do to our only source of water, to our future economy, to our Texas highways and to our posterity, then I suggest you find out and speak out before March 20.

Comments or requests can be made by writing the U.S. Department of Energy at 1000 Independence Ave., SW Washington, D.C. 20585. Either "Attention: Comments - EA" or "Attention: EA" should be the second line used in addressing the envelopes.

Please be in attendance or write to the above address. Let's don't totally rely on Mark White's "dead body" or Phil Gramm's "zero chances".

Thank you,
Naoma Mooring Spann

Cold & Wet Or Hot & Dry...

Vitavax® Seed Treatment
Gets Your Cotton Off To A Fast, Healthy Start.

Bronco Seed Company can treat your cottonseed varieties with Vitavax systemic seed treatment fungicide to help insure you of a healthy, vigorous crop.

Vitavax effectively controls many soilborne and seedborne diseases, including *Rhizoctonia solani*.

Since Vitavax is patented as a growth stimulant, it can help your cotton weather the stress of a cold, wet spring, with a root system that can maintain vigor during those hot, dry spells.

Bronco can also treat your cottonseed varieties with *DI-SYSTON systemic insecticide. DI-SYSTON provides early season protection against aphids, thrips and mites and helps eliminate the first expensive insecticide application.

Our modern delinting facilities and quality control program assure you of the highest quality cottonseed. And, we can store your seed in warehouses to prevent it from becoming wet or contaminated.

Watt's Happening in Hedley

By PEGGY WATT

I had a letter last week from Lois Beach. She lives in Demming, New Mexico now. I'm always glad to hear from her. She's so good for my ego. Anyway, she sent me a clipping from the DEMMING HEADLIGHT. It was about Zona Adamson, who used to live in Hedley. She's one of the outstanding artists in that part of the country.

There have been a lot of busy people working at the Methodist Church. I stopped by there Saturday afternoon and it was like a bee hive. Raymond and Nora Hopper, Bill and Juanell Carson and Helen Lamberson were all busy. So was another lady, but Pie told me she'd do me harm if I mentioned that she was helping sew cushions for the pews. The basement looks like it belongs to another building. Bill and Raymond have almost finished with the kitchen cabinet. The ladies have the rooms clean and the furniture is all in place and it is so overwhelming looking. Most of us probably haven't said so, but I'm sure everyone else is as proud of the work they've done as I am.

We had some visiting hunters last weekend. I don't know their names, but I think they worked for Buddy Lamberson. They were driving a pickup with his company logo on it anyway. I asked Helen to get their names for me, but she didn't have time. They camped out in their little camper in our pasture.

A Board election was called for April 6, 1985. Two positions will be up for election for full three year terms. The terms of Bill Clubb and Cheryl Wiggins expire in April.

The contract for Glyndol Holland as superintendent of schools was renewed for one year.

Current bills were paid.

Board discussions were held on the following items: a play to encourage better academic achievement and better attendance was discussed. Ideas and options are to be studied and reported at the next board meeting.

Current tax collections were reviewed. At the present time approximately fifty percent of the 1984 taxes have been collected.

Since Hedley Schools will be dismissed for spring break during Public School Week, the date of March 18-22 will be used as Public School Week. An open house will be set at a later date and elementary music program is planned for Open House Night at the school.

The following graduation requirements were adopted by the Board. These requirements become effective immediately.

The graduating classes of 1984-85 and 1985-86 must complete 22

credits. Specific subject area courses must be completed as follows: English 3 credits; Math 2 credits; Science 2 credits; Social Studies 2 credits; Government 1/2 credit; Health 1/2 credit; Physical Education 1 1/2 credits; Electives 10 1/2 credits.

The graduating class of 1986-87 must complete 23 credits in order to graduate. The same subject area requirements must be met as of previous graduating classes except that 1 1/2 electives will be required.

Students graduating in 1987-88 must complete 24 credits if graduating under the general plan and 25 if graduating under the academic plan. State subject area requirements must be met under each plan. In addition, 1/2 credit will be required in World Geography and 1/2 credit in either Consumer Education or Business Math. The Consumer Education or Business Math must be taken as a junior or senior. The World Geography may be taken at any time.

Students are eligible for graduation upon reaching the requirements. Persons meeting the requirements for graduation from Hedley High School during a particular school year will be eligible for the honors, awards, and privileges associated with that particular graduating class.

In order to be eligible for the senior trip, a student must have a possibility of graduating at the end of the school term and must be a full time student at Hedley High School. In order to participate in graduation exercises, a student must have met the graduation requirements of Hedley High School and the Texas Education Agency in advance of the graduation date.

The Hedley CISD Board of Trustees is composed of the following: Billy Clubb, President, Bob White, Vice President, Ben Carson, Secretary, Cheryl Wiggins, Cary Don Neeley, Henry Stephens, Mack Shields.

Employer Seminar to be held February 13

A Job Training Partnership Act Employers Seminar will be conducted on February 13th in the Clarendon Lions Hall. The time will be from 9:00 to 11:30 a.m. Ms. Loretta Kindsfater, Director of Employment and Training, Panhandle Regional Planning Commission, will be speaking on Financial Incentives, both direct and indirect, that are

available to businesses through local training funds. Ms. Kindsfater said, "she likes to use the straight-talk approach when talking to businesses about Employer Training Programs because she realizes that profit is the bottom-line for businesses."

Ms. Kindsfater will present topics related to profit generation such as Employee Retention, Employee Reliability, Cash Flow, and available Tax Credits. Also included will be a look at the local economy and the work force, plus the productivity of the Older Worker and the Teen-Ager, and how all of these have a cumulative effect on current and future business operations.

Ms. Kindsfater says that some employers are reaping the benefits of available training incentives to ensure growth and survival. While other businesses are literally losing thousands of dollars each year through lack of awareness. Why not plan to attend this valuable informative seminar and join the many other large and small businesses who are enjoying technical assistance and financial benefits through employer training programs.

Letter to the Editor

Henrietta, Texas
Jan. 25, 1985

Dear Folks,
Enclosed is our check for another year of the Clarendon Press. I hope it is the right amount. My last paper has disappeared so I could not look for the right price.

Letter to the Editor

To the Editor:
As a scleroderma patient who has suffered alone for too many years with a disease that few people have ever even heard of, I am attempting to locate other who suffer from scleroderma (systemic sclerosis).
My New Years Resolution is to correspond with as many scleroderma patients as possible. Doctors tell me there are 300,000 of us. Perhaps your readers can assist me in locating others like myself. I can be reached at 21 Brennan Street, #21, Watsonville, VA 95076.

Thank you,
Diane Williams

Letter to the Editor

Dear Friends of Donley County,
I would like to take this letter as a means of encouraging all our friends in and around Donley County to be aware of and to attend a meeting to be held in Hereford on February 28. This meeting pertains to the proposed siting of the Nuclear Waste Dump in Deaf Smith County. The meeting will be conducted from 4 to 9 p.m. in the Hereford High School Auditorium. There will also be a meeting on February 26 in Tulla and on March 1 in Austin. I would urge you to attend one, or all, of these meetings. These are the three scheduled meetings to be held this winter for the purpose of hearing viewpoints from the public. This "public comment" period will end March 20 and so will your chance to be heard.

This problem is not exclusively a Deaf Smith County problem. It involves you and all people who are being supplied water from the Ogallala Aquifer. It is the greatest issue of our time and of the Southwest. If you are not familiar with what a nuke-dump could possibly do to our only source of water, to our future economy, to our Texas highways and to our posterity, then I suggest you find out and speak out before March 20.

Comments or requests can be made by writing the U.S. Department of Energy at 1000 Independence Ave., SW Washington, D.C. 20585. Either "Attention: Comments - EA" or "Attention: EA" should be the second line used in addressing the envelopes.

Please be in attendance or write to the above address. Let's don't totally rely on Mark White's "dead body" or Phil Gramm's "zero chances".

Thank you,
Naoma Mooring Spann

Cold & Wet Or Hot & Dry...

Vitavax® Seed Treatment
Gets Your Cotton Off To A Fast, Healthy Start.

Bronco Seed Company can treat your cottonseed varieties with Vitavax systemic seed treatment fungicide to help insure you of a healthy, vigorous crop.

Vitavax effectively controls many soilborne and seedborne diseases, including *Rhizoctonia solani*.

Since Vitavax is patented as a growth-stimulant, it can help your cotton weather the stress of a cold, wet spring, with a root system that can maintain vigor during those hot, dry spells.

Bronco can also treat your cottonseed varieties with *DI-SYSTON systemic insecticide. DI-SYSTON provides early season protection against aphids, thrips and mites and helps eliminate the first expensive insecticide application.

Our modern delinting facilities and quality control program assure you of the highest quality cottonseed. And, we can store your seed in warehouses to prevent it from becoming wet or contaminated.

Hersey Melton Mobley

Funeral services for Hersey Melton Mobley, age 83, were held at 10:00 a.m. on Tuesday, January 29, 1985 in Robertson Chapel of Memories with Rev. Bill Watson, Pastor of the United Methodist Church, officiating. Interment was in Rowe Cemetery in Hedley with arrangements under the direction of Robertson Funeral Directors.

Mr. Mobley died at 9:00 p.m. on Sunday, January 27, 1985 at his residence in Hedley. He was born December 17, 1901 in Dresden, Texas and was married to Eveah Fitzgerald on November 12, 1929 at Hollis, Oklahoma. He came to Hedley at an early age and had been a resident most of his life. He and his wife owned and operated a dry cleaning business in Hedley for over

fifty years. He was a member of Hedley Masonic Lodge #991 and was a 32nd Degree Scottish Rite Mason. He was a member of the Hedley United Methodist Church.

Survivors include his wife, Mrs. Eveah Mobley of Hedley; one daughter, Mrs. Mattie Irene Roberts of Clarendon; two sisters, Mrs. Ruby Blades of Amarillo, Mrs. Jewell Whitney of Amarillo; one grandson, Jimmy Dale Roberts of Clarendon; and two great grandchildren, Jenny and Megan Roberts of Clarendon. He was preceded in death by a brother, Bill Mobley.

Casket bearers were Melvyn Gibbons, Bill Hill, Jack Moreman, Tige Hill, Hobart Moffitt, and T.W. McAnear.

Gene Albert Rowe

Funeral services for Gene Albert Rowe 69, were held Wednesday, January 30th at 2 p.m. in Memphis. Mr. Rowe passed away in the Vet-

erans Hospital, Amarillo, January 28th. Services were conducted by Rev. R.A. Staggs, pastor of the Assembly of God Church, Memphis. Burial was in the Citizens Cemetery under the direction of Spicers Funeral Home, Memphis.

Mr. Row was born September 17th, 1915 in Oklahoma. He was a retired truck driver and a veteran of WWII. He moved from Channing to Clarendon in 1925 and then to Memphis in 1957.

He is survived by his wife Mae of the home; a step-son J.R. Murdock, Amarillo; 2 step-daughters, Mrs. Loreina King and Mrs. Christine Lindsey, both of Amarillo; two brothers, J.C. Row, Memphis and Fred Row, Clarendon; a sister Mrs. Corene Ashcraft of Clarendon; seven grandchildren; and 4 great grandchildren.

Pallbearers were Jackie Row, Rex Row, Ricky Row, Ricky Lindsey, Jesse Murdock and John Murdock.

Senior Citizen's News

Wasn't too many out for game night on Thursday, January 24th, but they enjoyed the evening. I attended the Chamber of Commerce meeting, which was very interesting. With the cooperation of this town, I feel we will see these projects materialize

that will help to improve our community.

Thanks to Pud Bain for some material and quilt scraps. Marie Sides, one of our cooks, volunteered to make aprons for the kitchen help from some of this material.

We really appreciate Thelma Behrens, Alta Adkins and Ann Bunyan for taking care of the home deliveries last week while Pat was sick. Thelma also helped a couple of hours each day at the Center.

Fun After Fifty will meet at the Center next Saturday, February 2, 1985, from 10 a.m. to 1:30 p.m. There will be games, a film and pot luck lunch. Bring your dish and let's enjoy the day. We do need to be out by 1:30 p.m. so they can get ready for the celebration of Hollis and Mary Banister's 50th Wedding Anniversary at 3:30 p.m.

Capitol Comments

by FOSTER WHALEY

Little has happened in the legislature up to this time. The fireworks are about to start. On Thursday, the Natural Resources Committee began taking testimony on the State Water Bill. This issue is moving much slower than some would like. An effort is being made to quickly pass the bill through the House and Senate and get it out of the way before other very pressing matters are taken up for debate.

There is a great deal of apprehension from West Texas legislators about the bill. The bill is being

pushed by the Governor, Lieutenant Governor and Speaker, all of whom are from down state. The Lower Colorado River Authority, which is responsible for blocking the Stacy Dam project in this West Texas area, has been unyielding to those in West Texas.

I am fortunate to have as my desk mate, Rep. J.W. Buchanan of Dumas, Texas. Buck is recognized as the most knowledgeable person in the state on matters pertaining to water. I will be relying on his good judgment and advice as we proceed in this issue. If passed with 100 votes in the House and 21 votes in the Senate, and then finally passed by the voters of Texas, this will be the most historic legislation Texas has

ever enacted affecting all aspects of water.

I often do not agree with the Sierra Club on many of its positions, but I do agree with them that conservation of water should have the highest priority of any water plan for Texas. Over half of Texas is very arid. Chances of a water importation plan from another state is more of a pipe dream than a remote possibility. Available sites for building dams to retain water are relatively few. As the water issue becomes more acute, growing cities down state will have more political power than West Texas. The people from down state will be successful in blocking efforts to build or enlarge reservoirs up state.

There will come a time when we in West Texas will not turn our faucets on full force as we wash our teeth. We will sod or plant buffalo grass for our lawns. We will add several bricks to the water closet in our commodes. There will be no tail water in our bar ditches. Deep irrigation wells will be silenced. Many will return to dry land farming. Crops and varieties of crops will be planted that are drought-resistant. Total yields will be greatly reduced. Prices will be much higher. There could be talk of moving underground water (held so sacred in West Texas) down state to cities having pressing domestic water needs.

Comptroller collected \$13.4 million in mixed drink tax

AUSTIN, Tex. -- State Comptroller Bob Bullock sent checks totaling \$13.4 million to 220 counties and 427 cities as their share of the state's mixed drink tax collected at the new rate of 12 percent during the fourth quarter of 1984.

The Texas Legislature raised the tax from 10 percent to 12 percent, effective October 2, 1984.

Bullock said the state collected \$46.5 million in mixed drink taxes during the quarter, up 22 percent over the fourth quarter in 1983.

Texas cities and counties are receiving a 15 percent rebate of the tax collected on mixed drinks sold within their boundaries under the law that legalized the sale of mixed drinks in the state. The state's general revenue fund received the balance -- \$33 million -- of the tax money collected. The Legislature reduced the city and county share of the tax to 12.5 percent, effective with

first quarter collections in 1985, and the state will then get the entire gain from the tax increase.

The mixed drink tax is collected by the Alcoholic Beverage Commission and city-county rebates are sent out quarterly by the Comptroller's Office.

Bullock said the mixed drink tax brought a total of \$167 million to state and local coffers during 1984.

Howardwick collected tax of \$2,953.28. City of Howardwick received \$442.99 and Donley County received \$442.99.

Maine is the only state in the union that borders on only one other state: New Hampshire.

Cub Scout Pack Meeting

Dens I through IV met at the First Methodist Church, January 17. February is Boy Scout Month. Sunday, February 3, the different troops will attend the churches of their choice. The Kiowa District Scout-Arama will be held February 9, in Pampa. The Clarendon Scout Banquet will be held February 21st.

Den IV, led by Helen and Allen Estlack, won the attendance banner with a 240% adult representation. Ten Wolf badges and nine gold arrow points were awarded members of Den IV.

Terry Ashcraft, leader of Den I, awarded Engineering, Craftsman, and Webelos patches to troop members.

The different dens displayed crafts they had completed: cars made for the Pinewood Derby, birdhouses, and contrack made from railroad spikes.

YOUR BEST DEFENSE AGAINST DEPRECIATION AND INFLATION

When it comes to insurance protection for your personal possessions, Replacement Cost Coverage from USF&G Insurance is your best defense against depreciation and inflation.

Unlike your standard homeowners policy, USF&G Replacement Cost Coverage pays to replace your possessions with new ones if they're stolen, damaged or lost in a fire--without the usual deductions for depreciation, and at current market prices. And that can save you a lot of money.

Veterans News

A large number of veterans and other recipients of disability and death pension benefits from the Veterans Administration will fail to receive their regular payment on February 1, 1985. According to Jack A. Moreman, Veterans Service Office for Donley County, failure to receive the benefit payment will probably be related to the annual income report which is required by the Veterans Administration each year.

On November 1, 1984, all veterans, as well as widows and children of veterans, in receipt of disability or

death pension from the VA received an annual income questionnaire card. This income report had to be completed and returned to the VA prior to January 1, 1985, or benefits would be terminated. Many of these pension recipients either lost the income report card, or failed to complete and return it by the deadline date, thus no benefit payment was sent on February 1, 1985.

Those who failed to return the income card can still do so and be reinstated if their entitlement continues. If the income card cannot be found at this time, a substitute

reporting form may be obtained from your local Veterans Service Officer or from any office of the Veterans Administration. Under current law, benefit payments cannot be resumed until the required annual income report is received showing all 1984 income and the anticipated income from all sources in 1985. In addition, if the annual accounting is not received by the VA, it is possible that an overpayment will be declared covering all benefits which were paid during 1984. It is, therefore, most important that the VA be provided with the annual income report as soon as possible.

Boys JV Basketball

Last week the Clarendon boys junior varsity basketball team played in two district games and in the Valley Tournament. The Broncos lost to Shamrock 15-30 at Shamrock. Clint Hunt scored five points leading all scorers. Jay Gage had four points and five rebounds. Scott Edwards had seven steals and three rebounds.

The Quannah Indians also slowed down the Bronco junior varsity 39-28. Clay Sharp was the player of the game with four rebounds and six assists. James Ariola led in scoring and rebounding with 12 and 6 respectively.

In the first game of the Valley Tournament, the Broncos beat Groom 51-41. James Ariola was the player of the game with 8 points and 17 rebounds. Clay Sharp had 17 points and Wes Hatley had 12. Russell Alexander scored 12 points and pulled down 9 rebounds. The Broncos shot 49 percent from the field and 65 percent from the freethrow line.

In the second game, the Broncos were edged by Valley 49-41. In the third quarter a strong Valley defense held the Broncos to only two field goals. James Ariola was player of the game with 8 points and 17 rebounds.

rebounds. Clay Sharp had 17 points and Wes Hatley had 12. Russell Alexander scored 12 points and pulled down 9 rebounds. The Broncos shot 49 percent from the field and 65 percent from the freethrow line.

In the second game, the Broncos were edged by Valley 49-41. In the third quarter a strong Valley defense held the Broncos to only two field goals. James Ariola was player of the game with 11 points and 9 rebounds. Russell Alexander scored 11 points and Wes Hatley had 9.

The Broncos played Childrens for third place and lost 60-68. The smaller Broncos played a good game except for the fourteen bad passes - many of which the Bobcats scored on. Russell Alexander led all scorers with 16 points (10 on freethrows). Other Broncos scoring in double figures were James Ariola and Brent Hayworth with 11, and Clay Sharp had 10. Wes Hatley had nine points and Clint Hunt had 3. James Ariola had 12 rebounds and Wes Hatley had 4 assists.

This Friday the Broncos play here against Memphis. Next week the Broncos travel to White Deer for their last basketball game of the year.

Texas Most Wanted

COAHOMA, Texas -- The people around the West Texas town of Coahoma say Anthony Ginnett was a super salesman.

Investigators from the FBI, the Texas Department of Public Safety, and the Swisher and Howard County Sheriff's Departments say the same thing. The only problem, they say, is that all Ginnett sold was a "bill of goods."

Ginnett, who also goes by the names of Terry Lee Ginnett, Terry Lee Prero, Anthony Culpert, and Tony Argus, is wanted by state and federal law enforcement officials on charges of defrauding the Coahoma State Bank out of \$260,000 and a private individual out of some \$150,000.

The dapper-looking 37-year-old fugitive began negotiating with Coahoma State Bank in October 1982, to secure an automobile "floor plan" for his Car City Auto Sales and Service business. The original agreement, say investigators, was for \$38,000 worth of automobile purchases. A total of \$20,000 was to be secured by a Certificate of Deposit held by the bank and the rest of the loan was to be secured by automobile titles held by the bank as collateral.

But detectives say that between October 1982 and April 1984, Ginnett was able to get the "floor plan" raised to \$80,000, with \$30,000 in CD's and the remainder in automobile titles.

During the same period of time, say investigators, Ginnett was able to defraud the bank in the following manner:

- replacing all good automobile titles held by the bank with illegally acquired titles, thereby effectively reducing a portion of the collateral held by the bank.
- passing insufficient fund checks, which were honored by the bank.
- having the bank release liens on automobiles by telling them he had the vehicles sold and would return with the money. He would never deposit the money in the bank.

Forging his partner's signature to checks and drafts which were honored by the bank.

Volunteer Fire Dept. Minutes

The Clarendon Volunteer Fire Department met November 29, 1984. President Buster Gray opened the meeting by having Lloyd McCord give the invocation. President Gray had membership vote on 2 new members and 1 new trainee. Vote turned out as follows: David Pitts received 15 votes for and none against for regular member; Arlis Thomas received 15 votes for and none against for trainee; Wade Olsen received 16 votes for and none against for regular member. The reason Wade received 1 extra vote was that Mark Winsor came to the meeting late. President Gray congratulated the new members of the fire department. President Gray introduced Benny Osburn, a guest. Chief Robertson reminded everyone about the dinner at Molita Greer's Saturday night, December 1, also, needed volunteers to take chairs to Molita's house. President

Gray called Molita in question as what to wear for the dinner party. Molita responded by saying that ties are not required but that Levis are out. Mark Winsor had some information about the wreck that happened on 4th and Koogle. He said one of the family members was very pleased with the way the rescue squad handled the injured. Chief Robertson discussed the grass fire that occurred north and east of Greenbelt Lake. Mark Winsor made motion to get truck and tank and bring to the fire hall to see if it can be repaired. Mike Spier seconded the motion. Motion passed. Chief Robertson said that all the VCR and camera equipment was in. Pat Robertson will train other members. Motion passed to adjourn the meeting.

LOCAL PROPERTY TAXES DUE NOW

Property taxes assessed by local tax units are due during January. They are past due beginning February each year. Your 1984 taxes will be increased by 7% penalty and interest; it will increase each month thereafter until paid. 1984 taxes not paid until June will have 15% penalty and interest attached. This is by state law that your representatives and senators update from time to time. But none of the property tax goes to Austin; it all stays here to help support your local schools and services.

THE NEW TAX LAWS WORK FOR YOU AT H & R BLOCK

H & R Block's 30 years of experience in tax return preparation helps make the income tax laws work for you. There are over 400 new changes in the tax laws and forms this year. H & R Block can help you reduce the risk of paying more taxes than you owe. You get a complete interview by a tax preparer who is specially trained in these new tax laws. The Block tax preparer checks every exemption, credit, or deduction the law allows. The Block personal interview combines quality and accuracy backed by the Worldwide Block name - every return is double checked. Block assures you peace of mind at a very reasonable cost. We'll even guarantee to find you the biggest refund - or your return is free. See your telephone directory for the office nearest you or call (806) 259-2714

"A Biblical view of abortion"

This week in our continuing series "A Biblical View On Abortion," we want to discuss the "Pro-Choice" position. Many Christians have taken the position expressed by certain anti-abortionists, "Certainly I'm against abortion, except...I guess...in cases of rape or incest or when the mother's life is in danger."

In addition to affirming the pro-life position, the Bible also condemns the "pro-choice" position. Paul asserts, "Ye are not your own, for ye are bought with a price." No person certainly no Christian has a choice about how she uses her body.

FmHA ACCEPTING EMERGENCY LOAN APPLICATIONS

Donley County was declared eligible for Farmers Home Administration (FmHA) disaster emergency loans on December 20, 1984. Generally, that means that farmers who have lost at least 30 percent of their production due to the drought are eligible for FmHA loans. Proceeds from crop insurance and the PIK Program are taken into account when determining eligibility.

FmHA County Supervisor, Marvin Crabtree is urging farmers who are interested in receiving an emergency loan to get their applications into FmHA as soon as possible. Mr. Crabtree said, "we hope farmers will get their applications in early rather than waiting until near the deadline which is August 20, 1985. The longer they wait, the more chance there is for long delays in getting their checks. If their applications come in early we can avoid backlogs and speed up the process."

The FmHA office is at 410 South Kearney in Clarendon. The telephone number is 874-3552.

SECOND ACP SIGN-UP FOR 1985

Our second sign-up for cost-sharing on conservation practices will be from February 11, 1985 through February 22, 1985. Funds are limited and approvals will be based on National priorities as well as amount of conservation received per dollar spent.

Please remember that all practices must be approved before you start the work or it will not be eligible for cost-sharing.

FEDERAL CROP INSURANCE FOR GRAINS AND COTTON

The sales closing date for corn, grain sorghum, and cotton has been set for April 15, 1985. If you want Individual Yield Coverage for these crops, you need to request it and furnish us with all of your production records before April 1st.

\$50,000 PAYMENT LIMITATION

Remember: The \$50,000 payment limit is in effect for the 1985 Program Year. If your projected program payments will exceed \$50,000 for 1985, you may qualify for a reduction in required ACR. For more details, come by and visit us on an individual basis.

WOOL INCENTIVE PROGRAM

If you have sheep and have sheared them in 1984, and are interested in the wool incentive program, please bring your wool receipts by the county office and file an application. The deadline is January 31, 1985.

"Therefore glorify God in your body, and in your spirit, which are God's." (1 Corinthians 6:19-20). We glorify God by recognizing His sovereignty over our bodies. Abortion is never a legitimate solution.

The pro-choice faction says that children who result from rape or incest, or who are defective or deformed really never have lives worthy to be lived, and they lead us to conclude that nearly all abortions performed in this country correct one or another of those tragedies.

It simply isn't true. Abortions in the United States for rape, incest, to protect the life of the mother, or to void a defective fetus comprise less than five percent of all abortions. The rest are performed just for convenience, and we're talking about over one million abortions a year.

RAPE practically never results in pregnancy. Studies in Pennsylvania and Minnesota concerning rape and pregnancy show that as many as five thousand rapes have occurred successively without a single pregnancy.

Even if a child is conceived through rape, destroying it does not end the trauma. It does not blot out the woman's memory of the assault. It does not change her degradation in any way.

We must remember that half of that baby belongs to her. It is part of her family no matter who the father was. The woman needs extraordinary care, but we should not add the guilt of killing her unborn child to all her other problems. Abortion is the same kind of violence as was the rape.

Yes, she has rights. She has the right to an abortion under the law. Even the rapist has rights. The only one with no rights at all is the unborn baby.

INCEST is the most common untalked-about crime in this country. Because this is a quiet crime, the girls is usually very far along in her pregnancy before anybody knows about it.

Most people do not know that the younger the mother is the more likely she will suffer sterility later if she has an abortion. Studies in Canada indicate that sterility is as high as thirty percent among women fifteen to seventeen years old who have had abortions.

Abortions in young victims of incest are unusually hazardous. We are working not only with a very late pregnancy, with a viable unborn child, and with a pre-teen or early teen mother, but also with all kinds of guilt, family-wide, because the unborn has a father who is possibly also his grandfather or his uncle.

PROTECTION of the life of the mother as an excuse for an abortion is a smoke screen. According to C. Everett Koop, M.D. and U.S. Surgeon General, he says, "In my thirty-six years in pediatric surgery I have never know of one instance where the child had to be aborted to save the mother's life."

When a woman is pregnant, her obstetrician takes on the care of two patients - the mother-to-be and the unborn baby. If, toward the end of the pregnancy, complications arise that threaten the mother's health, he will take the child by inducing labor or performing a Caesarean section. The baby is never willfully destroyed because the mother's life is in danger.

Human life is a gift from God. To take that life is murder. Our attitude should be that of the psalmist who said, "Lo, children are an heritage of the Lord: and the fruit of the womb is his reward." (Psalm 127:3).

The first written constitution in history is believed to have been the Fundamental Orders of Connecticut.
