Dog Obedience classes starting

Feb. 11

The Donley County 4-H K-9 Korp will begin new classes Monday, February 11, 1985 at 7:00 p.m. in the Donley County Community Center building. This will be an eight week course in basic obedience taught by Vera Lee Andis. Bob Andis is now working with the more advance Novice and Open classes. This course is free of charge to any child age 9-18 and is also available to any adult for a \$20.00 fee. This fee goes in its entirety to the Korp to help pay expenses for the State 4-H Dog Show in Victoria, Texas, so we need to raise a lot of money so our kids can go. Each new participant must bring to the first class: (1) Proof that their dog has all shots current, distemper, hepatitis, leptospira, etc. (com.), rabies, and parvo. (2) Parent to sign minor's release form. (3) Choke chain and 6' leather lead. Some chains will be available for purchase that night. No one will be allowed to start after the second week of classes. This is not fair to those who came in the beginning. Class will be from 7:00 to 8:00 p.m. each Monday, Sub-Novice and Novice. Open classes will go until 8:30. For more information, call Judy McCully 874-3419 or Marian David 867-3424, project leaders, or Bob and Vera Andis 874-2050, instructors. This program is for all of Donley County, not just Clarendon, so some of you Hedley folks come give it a try too. We have Lelia Lake, Lakeview, Howardwick, Ashtola, Martin, and Clarendon. How about it Hedley? We would also welcome anyone from the surrounding counties who do not have this program available.

ONE GOOD DEED deserves another. Betsy Ellerbrook gives her sons Louis (on snow shovel) and Lowell (standing) a ride after they cleaned snow off the porch and steps

of Mrs. Opal Borden's home. They also shovel snow off the sidewalk of the government apartments behind their apartment.

There is time to soil test

It's not too late to collect soil samples for testing to determine fertilizer needs for this year's crop. Collecting soil samples now and getting them tested can help farmers get a jump on the spring rush at soil testing labs, says Ronald Gooch, Donley County Extension Agent.

Once fertilizer needs are determined, farmers can place their orders, Gooch says. Again, by ordering early, they can avoid the spring rush. Also, fertilizers usually cost more in the spring when demand is greater and supplies tighter.

With fertilizer at hand, farmers can begin application when field conditions permit. This minimizes spring planting delays because of tight dealer schedules and reduces

the potential for moisture loss just prior to planting, explains Gooch.

For more information concerning soil testing, contact the county extension office, says Gooch.

Notice

Shrine Dance

Al Morrah Shrine Club will sponsor a dance to be held February 23 at the Clarendon Community Center.

Darrell Herndon and his Western Band will be playing for the dance, which will be \$8.00 per couple. This dance is open to the public and anyone needing more information, can call Chuck Rogers.

Bains Auction

Bain's Fountain and Gift Shop on Kearney Street will be sold at auction Saturday, February 23. The Antique Connection Auction will sell the store from wall to wall. All merchandise, antiques, fountain and show cases will be auctioned off. The auction will start at 10 a.m. and continue until everything has been sold.

Many of the antiques from the Bain home have been taken to the store to be sold.

Girl Scout cookie sales to start Feb 15

The Clarendon Girl Scouts will be taking cookie orders from February 15 through March 4th. Deliveries will be between March 29th and April 19th. The cookies will be \$1.75 per box. This year's theme is "A Step Towards the Future."

NOTICE

The 50th wedding anniversary celebration for Hollis and Mary Banister which was scheduled for February 2, was cancelled due to the bad weather. This celebration has now been rescheduled for Saturday, February 9 in the Clarendon Senior Citizens Center at 3:30 p.m.

NOTICE

Masonic Lodge 700 will have a Past Masters night February 11 at 6:30. The meeting will be a covered dish supper. A 50 year pin will be presented to Heckle Stark. District Deputy Ronnie Hill from Hedley will attend, and all Masons are invited to attend.

BAKE SALE

The Clarendon Women's Softball League will be having a Valentines Bake Sale, Saturday, February 9, 1985 at Gibson's in Clarendon. It will begin at 9:00 a.m. and last until all of the goodies are gone. Go by and get your sweetheart a homemade sweet and help support Clarendon Women's Softball at the same time.

Meeting on hunting leases to be held

"Hunting Leases--Can They Supplement Farmers and Ranchers Incomes" will be the topic of a

meeting to be held Tuesday night, February 12, 1985, according to County Extension Agent Ronald Gooch. The meeting will be held in the Fine Arts Auditorium at Clarendon College at 7:00 p.m.

Charles Ramsey, Extension Wildlife Specialist, Texas A&M University, College Station, will be the speaker for the meeting. Ramsey will discuss the potential for hunting leases in Donley County, income potential, types of leases, what to include in leases, special laws, etc.

This meeting should be of interest to all land owners interested in leasing their land for hunting. The meeting is sponsored by the Donley County Program Building Committee and the Donley County Extension Service. For additional information, contact Ronald Gooch at the County Extension Office, phone 874-2141.

Program on breast cancer to be given

Ladies of Donley County are invited to attend a program sponsored by the Donley County Cancer Society. The program is about self-examination for breast cancer and will include a film and discussion led by Onita Thomas, R.N. This is a very important subject for all women from 14 to 84 years of age.

The Cancer Society and Clarendon College have arranged for two presentations of this program for the

convenience of as many women as possible. On Tuesday, February 19th, an evening meeting will be at 7:30 in Room 105 of the main building of Clarendon College. On

Wednesday, February 20th, the same program will be given at 3:15 p.m. in Room 102 of the college. All women are urged to attend one of these meetings.

Lady Broncos split in district play

The Clarendon Lady Broncos lost to Wellington on Tuesday night in Wellington but won easily on Friday night in Clarendon against Memphis.

Wellington won the first round of district play and soundly beat the Lady Broncos in their first meeting, but Tuesday was a different story as the Lady Broncos led after the first quarter by 4 points. The Skyrockets came back before halftime and led by 3 points. Wellington slowly increased their lead in the third

quarter, but the Lady Broncos battled back in the fourth quarter to within 2 points of Wellington but were unable to overtake the Skyrockets. The final score was Wellington 55, Clarendon 47.

Janet Risley led the Clarendon scorers with 19 points. Shay Newland had 9 points and Kristen Couch had 8 points. Janet Risley was the player of the game for the Lady Broncos.

On Friday night, the Memphis Cyclones met with the Lady Broncos

in the Clarendon gym. The Lady Broncos exploded for 20 points in the first quarter while Memphis could only score 2 points. The game was never close as the Lady Broncos were never threatened by the Cyclones. The final score was Clarendon 41, Memphis 22. The Lady Broncos' aggressive defense and full court press literally shut down the Cyclone offensive threat. The Clarendon offense made 20 of 52 shots from the field for their best shooting average in district play. Janet Risley and Muzzy Hayes led the Lady Bronco scorers with 12 points each. Wednesday, February 13 at the Mission Hall. They will have decorated boxes for the cookies and

candy. Go by and get your sweetheart a Valentine.

Panhandle Transit available

The Texas Panhandle Community Action Corporation has been duly established and authorized by the State of Texas to operate a Panhandle Transit. The Panhandle Transit will be a door-to-door transit service, which will have a flexible schedule to meet the needs of the riders. The service will be provided to the rural areas throughout twenty-six counties of the Texas Panhandle; service will be provided by station wagons and handicapped vans. Panhandle Transit System will be operated as a private, non-profit transit system.

Routine service will be open to the general public. This is especially suitable for senior citizens and handicapped persons. Various purchase-of-service contracts will be obtained throughout the area to subsidize the cost, all or in part, however, there is a vital need for the participation on the part of the general public, private and corporate

firms to donate funds in order to make this service available throughout the twenty-six county rural areas. An equitable fare rate will be established for ridership.

The Panhandle Transit will be available to assist the public in meeting their basic transportation needs. Regular service will include trips for medical, shopping, or essential business purposes and to visit senior citizens center and nutrition sites. This is not to be used for emergencies. If you have an emergency, you should call the local sheriff's office or the EMS.

You will be able to enjoy the convenience of having a Panhandle Transit vehicle meet you at your door, take you to the door of your destination, then back to your home.

Anyone will be eligible to ride the Panhandle Transit System. There are no membership requirements or income guidelines for

regular service. However, you must schedule your trips 24 hours in advance. The local fee will be 50 cents to your destination and 50 cents back to your home. \$1.00 round trip, with the exception of people 60 years and older, the service is free.

Robbie Hill and Eureda Mays spent three days in Amarillo this past week and were trained in defensive driving, passenger assistance techniques, first aid, cardiopulmonary resuscitation and good judgement concerning energy conservation regarding the vehicles. The drivers will assist the passengers on and off of the vehicle and will assist in carrying groceries and packages.

You may call 874-2573 collect during office hours between 9-6 and give a 24 hours notice for this service if you live in Armstrong, Donley and in the Memphis-Brice area of Hall County. No home phone calls will be accepted.

Dinner Theatre at Clarendon Country Club

Clarendon College will present "Laundry and Bourbon," an adult comedy by James McLure, under the direction of Leslie Schnauffer, chairman of fine arts. The dinner theatre will be held at the Clarendon Country Club, 6 miles north of Clarendon. Performances are February 7 for Country Club members only and February 8 and 9 for the general public. Admission will be \$6.00 for meal and \$2.50 for performance.

"Laundry and Bourbon" is an adult comedy where the action centers on the discontent and very funny gossip of three small town wives whose marriages have turned out to be less than they had hoped for. Cast includes Charla Crump and Dorothy Braddock both of Clarendon and Valarie Camilli of Felt, Oklahoma.

Come join us for an exciting evening of Texas steak and Texas theatre. Help support the Clarendon Country Club and Clarendon College Theatre. We hope to see you there.

Bronco Basketball

The Clarendon boys varsity traveled to Wellington on January 29th to take on the Skyrockets in the second game of the second half of district action. The Broncos were outscored 19-6 in the third quarter and were squeezed out of a victory 49-51. The Broncos started the game on fire, connecting on nine of

thirteen freethrows and shooting about 45 percent from the field. The tide turned in the second half as the Broncos managed only three of seven from the charity line. The players of the game were Dean Cearley, 15 points and 11 rebounds, and Randy Crump, 10 points and 13 rebounds. Trent Sharp also hit in double figures with 13 points. Randy Crump was the defensive player of the game.

On Friday, February 1st, the Broncos hosted the hottest team in district - Memphis. "Memphis had been playing better with each game

even though they had lost to Quanah by four points in Quanah," said Coach Loveless. "I knew we had our work cut out for us, but I didn't realize until the game was over exactly how good they were." The Cyclones won the game 68-39. Randy Crump was player of the game with 13 points and nine rebounds. The defensive player of the game was Rodney Smith, holding Jimmy Richardson to only 19 points.

scoring 12 and 10 points respectively. James Ariola and Clint Hunt led all other rebounders with 7 each.

The Broncos' district record is 4-2 and 10-9 for the season. The junior varsity played their game of the year against White Deer this past Tuesday.

J.V. Girls beat Wellington

The Clarendon J.V. girls led throughout most of the contest but had to come from behind in the end to beat the Wellington J.V. girls with a field goal with 4 seconds left in the game.

The Clarendon girls came out strong in Wellington and quickly built up a lead. But during the second half, the Wellington girls came storming back and the Clarendon girls "cooled off". The result was a Wellington lead of one point with 23 seconds left in the game. It took the Clarendon J.V. girls 19 seconds to work the ball and finally Marcy Helms made the 2 point field goal and Clarendon held a 1 point lead with 4 seconds remaining in the contest. Wellington was unable to score in those 4 seconds, and the Clarendon J.V. girls celebrated another victory over Wellington.

Tanya Bell led the Clarendon scorers with 11 points. Buffie Hancock had 6 points, with Stefani Graham, Shanna Cole and Marcy Helms each having 4 points. Tanya Bell, Shanna Cole, and Stefani Graham shared the players of the game honors. The final score was Clarendon 29, Wellington 28.

Girls Basketball Can't Be FI

Newland, Janet Risley and Muzzy Hayes all shared the player of the game honors for the Clarendon Lady Broncos.

The last basketball game of the 1984-85 season for the Lady Broncos will be Friday in Clarendon against Shamrock, a team currently tied for first place, at 6:30 p.m. Two seniors will be playing their last game for the Clarendon Lady Broncos. They are Gayla Clifford and Muzzy Hayes. They will be lost to graduation at the end of the school year.

Come out and support the Clarendon Lady Broncos in their season finale!

Facts concerning Texas Highways

*More than 1,100 safety rest areas, roadside parks and scenic turnouts are located along the Texas highway system.

*There are no toll facilities on any State-maintained highway in Texas.

*Nearly 218 million vehicle miles are travelled on Texas highways on an average day.

*The first Texas Highway Department tourist bureaus were established in 1936 to aid travelers planning to attend Centennial events and to stimulate additional travel within the state. Today the department operated ten tourist bureaus at key entry points along State highways, the Judge Roy Bean Visitor Center at Langtry, and the State Capitol Visitor Center in Austin.

*Texas highway field operations are under the direction of 24 district engineers. Each district includes from 10 to 25 counties and averages about 2,600 miles of highways.

*Keeping Texas roadways free of trash and litter cost taxpayers some \$22 million last year. Litter pickup costs have risen an average of 17 percent per year during the past five years.

*The first construction undertaken by the Texas Highway Department was a 20 mile section of 16-foot wide

highway between Fairfurnas and Encino in Brooks County. Work began in October 1918 and was completed in June 1920.

*In the late 1800s every able-bodied male was required to work on Texas roads a specified number of days each year. Today, highway construction and maintenance are the responsibility of the State Department of Highways and Public Transportation.

*The first definite route of travel was established in Texas in 1691 when Domingo Teran de los Rios blazed El Camino Real from Monclova to the Spanish missions established among the Indians in East Texas.

*The highest point on the State highway system is at Mount Locke, site of the famed MacDonald Observatory, on Park Road 78.

*Texas was the first state to evolve a highway beautification program which made use of native trees, shrubs and flowers, and which linked landscaping with safety measures and erosion control.

*The first Farm to Market Road was added to Texas' growing highway system in 1936 and was built between Mount Enterprise and Shiloh in Rusk County.

*The State Department of Highways and Public Transportation operates toll-free ferry service at Galveston and at Port Aransas.

*Safety is no accident. The Texas highway department is one of the few in the United States that invested more than \$1 million in highway safety research last year, in addition to more than \$13 million in highway safety construction.

*There are more than 70 thousand miles of designated highways in the Texas highway system, of which nearly 41 thousand miles are Farm-to-Market Roads.

J.V. Boys Basketball

The Clarendon junior varsity boys basketball continues to dominate district opponents with wins over Wellington and Memphis. The Broncos defeated the Skyrockets 40-33. The tough defense applied by the Broncos held the Skyrockets to five fourth quarter points, which combined with excellent ball control, to seal the victory. Clay Sharp, with 12 points and six assists, and James Ariola, with 13 points and 11 rebounds, were the players of the game. James Ariola and Russell Alexander were the defensive players of the game.

In a very physical game with Memphis, the Clarendon boys squeezed by with a 33-27 victory. "It was a very emotional game and our boys kept their heads together for the most part - that made the difference," said Coach Loveless. The Broncos shot poorly from the field hitting only twenty-six percent of their shots, but the Broncos controlled the boards to make up the difference. James Ariola and Wes Hatley were the players of the game.

City Minutes

The Board of Aldermen of the City of Clarendon met in regular session on January 15, 1985, in the board room, City Hall at 7:00 p.m.

Members present were Mayor James L. Kuhn, Aldermen Richard Bell, Steve Smith, Lloyd McCord, James Sharrar, and Gene White.

Member absent was Alderman Lloyd McCord.

Others present were City Secretary Donna Edwards, Jim Roberts, Darrell Leffew, Gordon Maddox, and a group from the Chamber of Commerce and several individuals consisting of Jimmy McElroy, B.B. Osburn, Billy Goodman, Ron McDaniels, Judy Bland, Homer Estlack, Homer Allen Estlack, Helen Woody, Bob McCombs, and Jerry Chambliss. The Chamber members were asking the city for help in getting our city cleaned up. Their question was "what can we as businessmen and individuals to help you get our city cleaned up and keep it cleaned up." The group expressed their appreciation to the city aldermen. The aldermen stated they were sure ways to accomplish this could be worked out.

*Minutes of the December 11, 1984 meeting were read and approved.
 *Darrell Leffew explained to the

board the details of a grant application that has been submitted for a multi-purpose court to be built where the deteriorated south court now exists by the school. This court would be available to the public when it is not being used by the school during school hours.

*Gordon Maddox, CPA, from Memphis explained the audit of the City of Clarendon for the 1983-84 Fiscal year. The audit was approved.

*The purchase of I-beams for the Clarendon Volunteer Fire Department was tabled for the time being.

*The question was discussed whether or not a trash charge should be charged to the Health Hangout as this business has no trash cans and does not accumulate much trash and this is carried to the dump. It was decided by the Board to uphold the City policy of charging a trash charge to all businesses and residents in the city limits as a means of meeting the costs of maintaining the dump.

*The policy of paid vacation and sick leave for the City Librarian was discussed by the Board. It was agreed that the City policy for part-time employees regarding these matters would not change.

*The use of a butane tank being used at a Housing Authority apartment unit was discussed. It was agreed that this situation should come under the authority of the Housing Authority Director.

*Bills for the month of December were presented and ordered paid.

 Billy M. and Tena Powell went to Wichita Falls Thursday where they ran into the blizzard of 8 inches of snow and temperatures of 4 degrees above zero Saturday morning. They attended the Texas Society of Professional Land Managers and Appraisers winter meeting.

February 7th, Thursday night, there will be a meeting of the Eastern Star at 7:30 p.m.

Our mail person, Joan Kidd, is a grandmother again. We will let her tell you how many counts this is.

Other Route 1 newly made grandparents are Bob and Gay Cole. Now they will surely turn in their news for who can resist bragging about their grandchildren.

Tena Powell took her mother Lori Ruth to dinner for her 84th birthday in Amarillo Wednesday.

Larry and Jason Green were visitors in the H.A. Green home over the weekend.

They lost their home at Goodnight to fire in the early morning hours last

Tuesday a week ago. The Claude Fire Department answered the call reported by the train crew. The house was a total-loss. We feel fortunate that none of the family was

home and overcome by smoke before they could awaken enough to get help.

Lloyd, Chris and Melba of the Risley family had lunch Sunday with Connie and Jo Schollenbarger at their home in Clarendon.

Carlene Hollar visited with her mother, Mrs. Carl Taylor in Amarillo last Tuesday.

LaRue Pittman of Amarillo came Sunday to help her mother Louise Shadle celebrate her 81st birthday. Happy birthday Louise.

Ray Pittman's mother Mrs. Alice Pittman has moved from her home in Pleasant Valley to the Bivens Memorial Nursing Home.

Bob and Connie Havens and Jitter and Derlene Graham were in Amarillo last Tuesday to order the trophies for the Ashtola Volleyball tournament to be held February 28, March 1 and 2.

J.C. Jewett visited with Clifford and Stella Saturday and Sunday. He has been having water problems in the cold weather. His pressure tank went out Wednesday.

**H & R BLOCK GIVES
COMPETENT SERVICES**

Nearly nine million Americans continued to place their trust in H & R Block at tax time last year.

Why do millions of people keep coming back to H & R Block? Because they like many things about the service, including the care and accuracy of the work; the competency of the tax preparers and their thorough knowledge of all the new tax laws; and, especially, the tax dollars many have saved.

But that's not all. Block's customers value the good year-round service; the courteous treatment they receive; the personal, confidential attention; and the peace of mind attained in knowing a difficult task was completed at a reasonable charge.

Join the millions who go to H & R Block! We guarantee to find you the biggest refund you've got coming — or your return is free.

Letter to the Editor

Dear Editor,
From the Knowledge I have of other countries and their governments, I believe we as Americans are privileged to live in the United States.

We have the right to freedom. Thought shaky at times, yet we still have a country where people and their well being count.

The founding of this country was based on a desire to worship God at the extent of the heart. That is a right we need to excel upon, even when that freedom may be lost. Man was created to worship his Creator and when he does then in his heart, mind, and soul allowed to peacefully live.

When we stray away from that and live a life because everyone else is doing it then we no longer feel at peace. I don't believe God wants us to live a certain life style because that's the going thing. Therefore, people don't believe anything they follow the one in front of them and the one beside them and go because the one in back is pushing them.

I think there should be a place in this free country for those with Godly convictions and beliefs to be able to excel in things that will better their life, education, and etc. Without having to do what the crowd thinks.

All people, children and adults, need to be all they can be. People of other beliefs should not hold them back and make demands on them. Such as, you can't do this because you won't do this! All the time with no basic background to hold their words.

If Clarendon was founded with a desire for a Christian community, where are the offspring of the founding fathers? Seems like someone has turned the wrong trail and has led Clarendon to live like everyone else and yet folks can't see their way thru nothing.

But a great big thanks for the folks that know where you're going has a beautiful end and words to hear well-done my good and faithful servant.

Xi Lambda Xi News

On Monday, January 28, 1985, Xi Lambda Xi of Beta Sigma Phi met in the home of Maurine Butts.

President Butts met with 3 pledges, Pam Fletcher, Doris Ekleberry and Nancy Watson, before the regular meeting at 7:30 p.m.

President Maurine Butts brought the meeting to order. The Opening Ritual was repeated by every sister in unison. Nine were present, and 7 were absent.

Correspondence from "International" concerned what organization the chapter would like to donate funds to; after some discussion the Lupus Foundation was unanimous choice for the donation to the Endowment Fund.

Pat McCombs, treasurer, reported on disbursements and receipts. All sisters are urged to get pecans sold and turn money into Susan Henson.

President Butts had information from WTSU concerning the Panhandle Distinguished Women's Award; luncheon to be held April 20 (Saturday) on the WTSU campus. A committee comprised of Frankie Henson, Betty Veach and Carol Hinton were appointed to nominate candidates for this award and present to chapter at the next meeting.

The City Council will meet January 30 at 4:00 p.m. at the home economics building, high school, to discuss the upcoming Sweetheart Banquet for both sorority chapters.

It was announced that the tentative date for the induction of our pledges will be the first meeting in April. Next meeting, February 11, will be "Revealing" of Secret Sisters.

Our upcoming Charity Ball was discussed. It was voted on unanimously to have a Mardi Gra on March 23 (Saturday) at the Community Center. More details later.

The program was presented by Betty Veach on the subject of the country - Mexico. Many facts were presented about the country, way of life for its people, customs, land, government, education and holidays and its early history. Many sisters had been to the country of Mexico and they shared their experiences of Mexico.

The Closing Ritual was repeated by all, Pam Fletcher, Doris Ekleberry, Nancy Watson, Maurine Butts, Carol Hinton, Pat McCombs, Susan Henson, Frankie Henson, and Betty Veach.

Refreshments were served and everyone voted (secretly) on our sweetheart.

Next meeting, February 11, revealing at Frankie Henson's home.

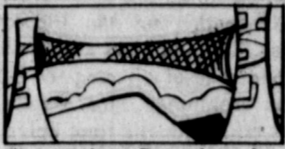

Toothbrush bristles were the first commercial product made of nylon, which was patented in 1937.

School Menu

- January 11-15
Monday-Enchilidas with cheese, Ranch Style beans, tossed salad, pineapple cake, milk.
- Tuesday-Mexican special, tossed salad, buttered corn, peaches, milk.
- Wednesday-Barbeque chicken, potato salad, green beans, hot rolls, banana pudding, milk.
- Thursday-Goulash with meat sauce, hot rolls, mashed potatoes, English peas, cake, milk.
- Friday-Hamburger on bun, sliced cheese, onions and pickles, lettuce and tomato salad, french fries, peach cobbler, milk.

Swedes used to believe a carving knife with a mistletoe handle would keep them from disease.

The ancient Peruvians believed they could catch the sun by stretching a net between two towers. The towers, complete with iron hooks, still stand.

Texas Most Wanted

VICTORIA, Texas -- Just who is the man who calls himself "Kenneth Earl Barnard?" Texas law enforcement authorities would sure like to know. They want him for bank robberies in Victoria and Corpus Christi. "Barnard" is also wanted by police in Utah and California for other savings and loan robberies. Here are a few things investigators know about the suspect:

--he uses a number of aliases. He has an Arkansas driver's license issued in the name Kenneth Earl Barnard. However, investigators have discovered that Kenneth Earl Barnard was the name of an infant who died in 1941. Other aliases used by the suspect include John Roger Canoyer, Edward R. Bright, Edward Grant, and William Grant Osborn. --the suspect is in his early 40's, is a white male, 5-10 to 6-0 tall, 180 to

200 pounds, has short sandy blond hair, blue eyes, and has a small facial blemish above the upper lip on the right side. --he is an avid bridge player and compulsive gambler and travels extensively in the southwest and western states. Investigators from the Corpus Christi Police Department and the Texas Rangers say "Barnard" robbed the First Texas Savings Association in Corpus Christi on February 8, 1984, at about 12:35 p.m. Then on Friday, March 3, 1984, the same suspect allegedly robbed the Goliad Savings and Loan in Victoria at about 2:00 p.m. Witnesses say the offender entered the Savings and Loan armed with a blue steel handgun, possibly an automatic. At least \$100 worth of marked money was taken in the robbery, all in \$20 denominations. The vehicle used in the robbery was rented from a Ford dealership in Victoria. Apparently the suspect switched vehicles shortly after the robbery and was last seen driving a Honda motorcycle with Arkansas plates. Investigators say "Barnard" also is a suspect in the December 28, 1981, armed robbery of Presidential Savings and Loan in Salt Lake City, Utah, and the February 4, 1982, robbery of Gibraltar Savings and Loan in Sacramento, California. In both of those robberies, he used the alias "William Grant Osborn." The two Texas robberies have landed "Barnard" on this week's Texas Most Wanted list. Anyone with information about the true identity of the fugitive and where he might be located is asked to call

Texas Crime Stoppers toll-free at 1-800-252-8477 or their local Crime Stoppers program. All callers may remain anonymous. A \$1,000 cash reward will be paid for information leading to the fugitive's capture. Texas Most Wanted is a weekly cooperative effort between Crime Stoppers and the Department of Public Safety and is designed to enlist the support of citizens in capturing dangerous fugitives. [Editors Note-Governor Mark White furnishes newspapers with these articles on Texas Most Wanted. This is strictly to help law enforcement officers catch these law breakers. These articles are not aimed at any person or business.]

Senior Citizen's News

Thirty came out on a very cold night to enjoy dance practice on Monday, January 28th. We enjoyed a new couple Bob and Maria Lane. Had a nice Birthday/Anniversary salad supper on Tuesday, January 29th. Forty-eight came out to enjoy a delicious meal and a good time. Two new couples joined in the fun. They were Fed and Jean McAnear and Bob and Maria Lane. Since I was not here for the December party we took pictures of the December people that were present. December Birthday people were: Jack Davidson, Lesley Keith, Goldie Barbee and Clarence Moss. December Anniversaries present were: Jack and Elfreda Edwards, Henry and Eunice Mann, Fed and Jean McAnear and Creed and Jake Smith. Clifford and

Billy Taylor had a December anniversary. They were present in December. January birthday people present were: Homer Estlack, Marie Sides, Jake Smith, Truett Behrens, Frank Barbee and Fed McAnear. January anniversaries were: Clarence and Oddie Moss and Bob and Maria Lane. Wallace Sides got the door prize while Goldie Barbee, Louise Argo and Jake Smith were the winners of the little prizes. We didn't have any planned entertainment so we just visited and played games. It was cold, snowy and icy on Thursday, January 31st. Twelve ventured out to enjoy Eighty-Four, Skip-Bo and Kings on the Corner at game night. Thanks to Robert C. Jones and Don Wooten for shoveling snow and keeping our walks clean last week. We really appreciate you good people. Fun After Fifty enjoyed games, a good film on the Hawaiian Islands, a delicious lunch and lots of visiting and fellowship on Saturday, February 2nd.

Scholarship fund set up to honor Edith Ballew

Four grandchildren and three great-grandchildren wishing to honor a very special grandmother and surprise their parents established a scholarship fund at Clarendon College this week. The grandchildren were Michael D. Ballew of Conroe, Mark Ballew of Waxahachie, Steven Erickson of Alexandria, Virginia, and Peggy Moore of Winona. The special lady they honored was Edith E. Ballew. Mrs. Ballew was teaching school here in Clarendon when she met and married Elba Ballew. She was a charter member and president of the Book Club and a member of the Methodist Church. The Ballew's children, Jack and Jean, were raised in Clarendon and now live in Dallas and Alexandria, Virginia. The Edith E. Ballew Memorial was established to provide an annual scholarship for an education major attending Clarendon College. This is a vital, on-going memorial to a woman who believed in education, young people, and this area. Clarendon College has several scholarship funds that are excellent means of honoring loved ones. People are invited to contribute to these scholarships; some of which are designated for special fields of interests such as business, music, Ranch and Feedlot Operations, agriculture and education. Over the years hundreds of students have been able to meet their educational goals at Clarendon College through the gifts of caring people like the four grandchildren and three great-grandchildren of Edith E. Ballew.

Insurance salesman pose as Social Security Agents

[Editors Note-This article from the Pampa News was sent to The Clarendon Press by Gertrude Dingler Calbersen, Box 1674, Pampa, 79066. As far as The Clarendon Press knows this is NOT HAPPENING in Clarendon, but it might be something which the Donley County citizens should be aware of. It could happen here.]

Con artists trying to sell insurance policies to elderly residents may be operating in Pampa, according to police and a representative of the local social security office.

Men who claim to be social security representatives have phoned elderly residents about alleged problems with their Medicare coverage, according to reports re-

ceived by the officials. The men then make an appointment to meet the senior citizens in their homes, where they try to sell them insurance policies, according to the reports.

Shirley Nicholson, a claims representative with the Pampa social security office, pointed out that the agency doesn't sell insurance policies. She warned residents not to believe insurance salesmen who claim to be social security representatives.

She asked residents to help protect elderly relatives from the apparent scam going on in Pampa.

"Don't leave that person alone. Call the police or something. We don't have anyone trying to sell insurance," Nicholson said.

"If we have this going on in our

community, it needs to be stopped. This is how elderly people are victimized," she added.

A relative of an elderly resident approached by the salesmen earlier this week reported the incident to Pampa police.

The social security agency administers the Medicare program for people ages 65 and over.

Nicholson said the local office has received three separate complaints about the false sales tactic this week.

"About three months ago, the same situation happened in Borger," she said.

4-H's exhibit top placing animals in Fort Worth

Donley County 4-H'ers exhibited several top placing animals at the Southwestern Exposition and Live-

stock Show in Fort Worth, January 23-February 2, 1985, according to County Extension Agent Ronald Gooch.

In the Junior Shorthorn Heifer Show, Laura McAnear placed 2nd with her junior heifer calf. In the summer yearling heifer class, Leland Howell placed 2nd and Shane Klinnert 3rd, and in the junior yearling class, Traci Burch placed 1st and Christie McAnear 2nd.

In the Junior Steer Show, Doug Hawkins exhibited the reserve champion Polled Hereford steer of the show with his 2nd place heavy-weight that had been Grand Champion at the Donley County Show. His steer sold for \$3,500.00 in the premium sale.

Donald Gooch exhibited the 1st place light weight Shorthorn steer and sold him for \$2,000.00 in the premium sale.

In the medium weight Hereford steer class, Lesia Fuston placed 5th. Leland Howell placed 6th with a

heavy weight Shorthorn. Lisa Burch placed 8th with her light weight Shorthorn steer and Traci Burch placed 10th with a middle weight Shorthorn. In the light weight Hereford steer class, Lori Roberson placed 17th. These steers all sold in the premium sale for \$1.00 to \$2.00 per pound.

Other steer placings but not making the premium sale were: Chris Downer, 11th and Todd Roberson 17th in the medium weight Polled Hereford class, and Jason Klinnert 15th in and Jason Klinnert 16th in the heavy weight Shorthorn class.

Donley County can be proud of these 4-H'ers that exhibited their 4-H projects in competition with the top animals in the state of Texas.

No society can grant "freedom of choice" where the fundamental principles of justice are involved. We cannot allow the freedom to choose rape or robbery or murder. Why, then, should we allow freedom to choose the violent extermination of the unborn? God warned His people in the Old Testament that they should not pollute the land with the shedding of blood. Since 1973 America has been polluted with the blood of millions of aborted babies. This is contrary to God's Word. (See Num. 35:33,34.) It is our duty to speak out. We are responsible for warning our country of the danger of God's judgment. (See Prov. 24:11, 12; Ezek. 3:19.) We cannot, for the sake of our national future and for the sake of the millions of unborn children who may yet suffer, remain silent.

Watt's Happening in Hedley

By PEGGY WATT

If you haven't been outside during the last few days, let me tell you, it's been cold. It was -2 degrees on my back porch one day. That was the temperature. The chill factor was -38 degrees. I don't understand about the chill factor. If it feels -38, why isn't it? The wind was blowing about 30 miles an hour though. The ditches and roads got some nitrogen from the snow we got. The fields and pastures didn't get much because the same wind that put the chill factor down to -38 blew the snow off the fields and pastures and into the ditches where the only thing that grows are sunflowers and tumbleweeds. Now one tumbleweed can produce about 1000 seeds and if you get a field or yard infested with them, you might as well forget about getting rid of them. It could have been a lot worse here though. The snow could have kept falling and the wind could have kept blowing.

I've wondered if you can catch the flu over the phone. Last week I talked to Mary Ruth White, and she told me she had it. I almost accused her of living it up too much when she was in Hawaii. Well, I've decided she didn't. The day after I talked to her, I started sneezing and sneezing and by the end of the week, I was about past going. I spent most of the weekend in bed with Fred and the boys fending for themselves. I don't know if I caught her 'bug' over the phone or if I got it somewhere else, but I can tell you for sure, I didn't get it from living it up too much, either in Hawaii or here!

Helen Lamberson had her sister Betty Hix from Amarillo visiting for the weekend. They were at the Methodist Church Sunday morning. I didn't see them, since I was home in bed, but one of my little spies told me when I was in town Monday.

Dorothy Crawford and Pauline Kaufman attended the funeral for their cousin Franklin Coleman in Graham last week. Their sister Naomi and Bud Kemp of Amarillo got ice in at Hedley on the return trip. They managed to get home Friday.

Jane Long visited the nursing home in Memphis last weekend. She visited with the Hedley people who live there. She visited with Ethel Kinslow and Bessie Yandell. She also visited with Pauline Kaufman and Dorothy Crawford's father Mr. J.D. Morrison and Mrs. Nellie Stephens, who is a friend of Nora Hartwell and Lola Brown.

Stuart and Amy Messer spent the weekend with his parents Doyle and Evelyn Messer and brother Lyndon. Stu and Amy live in Wichita, Kansas.

The senior class at Hedley School have tentatively set February 16th as the date for a community volleyball tournament. If the boys basketball team doesn't have a game that night, the seniors will have a "Sweets Auction" in the gymnasium just prior to the volleyball games.

Anyone who wishes to play, can get in touch with any of the seniors or Miss Springer. There will be no trophies awarded. I guess the gate receipts will be all the profit the class will make.

I understand they're planning a trip to the coast and cities surrounding, so everybody come and support the seniors of '85.

The teachers and students of the elementary classes are planning a musical program in the near future. Mrs. Sheila Wade is in charge of the music, and I understand Mrs. Reynolds is in charge of discipline. Mrs. Woodard and Mrs. Quisenberry will also help.

The Kindergarten-3rd grades will present one program and the 4th-6th grades will present the other. I don't know if they will both be presented the same night or not. I do know that the programs have been selected and the characters cast. I'm looking forward to it.

The drama class is working. I don't know if they've selected a play

for the one-act competition yet or not, but I'm really looking forward to it. Mrs. Messer works hard with this group and certainly deserves all the help and encouragement she can get for this important extracurricular activity. Miss Springer will be helping Mrs. Messer in the one-act play.

HEDLEY SCHOOL MENU

February 7-13

Thursday-Tamale Pie, pinto beans, AuGratin potatoes, apricot cobbler, chips, milk.

Friday-Hamburgers, sliced cheese, french fries, peanut butter, cookies, milk.

Monday-Tacos, cheese, green salad, chili beans, peach cobbler, milk.

Tuesday-Steak fingers, creamed potatoes, cabbage slaw, hot rolls, pudding, milk.

Wednesday-Corn dogs, macaroni and cheese, baked beans, chocolate cake, milk.

On Tuesday, January 29th, the Owls played host to the Lakeview Eagles. From past experience, we knew that they would be a formidable foe. We wanted to get a good start on them and try to stay on top, and one of the two things were accomplished; we got off to a good start. We did play pretty well the first half and went in the locker room with a 28-16 lead. In the third quarter, everything that we had going for us earlier seemed to be going against us now. We scored only 6 points and they scored 11, which made the score at the end of the third quarter 32-27 still in favor of the Owls. Things continued to go downhill for us as the Eagles managed to tie the score with only two minutes remaining in the game. The Owls did go back ahead by two points, and Lakeview chose to try for one last shot to try to tie the score, but with thirteen seconds left on the clock, the Eagles turned the ball over to the Owls on a bad pass. We went down and scored another bucket and put the icing on the cake. The final score was 45-42 in favor of the Owls. The leading scorers in the game were David Phelps with 12 points and Brent Hall with 10.

On Friday we traveled to Silverton to play the Owls on their home court. Our first game with them had been a close encounter as well. We were expecting to have another close game and did. At the end of the third quarter, the score was 10-6, our favor. We continued to let them stay in close range of us throughout the first half, ending it with a score of 23-16, but still in our favor. Silverton had some trouble finding the basket the third quarter and we stretched our lead to 33-18, and held an advantage the remainder of the game. The final score was 44-33. The leading scorer for the game was Keith Watt with 14 points.

This week's feature player is Shane White. Shane is a 6'2" senior. He moved here from Lubbock in mid-November. Being a newcomer to the program, he has been in the learning situation but is coming along very well. Shane is a strong rebounder and will really be of some help in games to follow.

The Lady Owls started the second half of district play January 29th. The Owls were matched against the Lakeview Eagles. This was a must win game for the Lady Owls. The game started out slow for the Owls, and they were down by ten points by the end of the first quarter. The Lady Owls found this to be fatal throughout the game. They were defeated 35-26. High for the Owls was Carol Glover with 10 points and Tonya Moore with 6 points.

On February 1st, the Owls traveled to Silverton. With the Lady Owls now out of the district race, it was a challenge to get up for the game. The Owls made a fine showing.

leading Silverton 10-2 at the end of the first quarter. The game ended with the Silverton Owls leading the Hedley Owls 51-39. High for the Lady Owls was Karon Harmon with 12 points, and Tonya Moore with 9 points.

The featured player for this week is Susan Phelps. Susan is a 5'5" freshman who has traveled with the varsity all year and played on our J.V. team. Susan plays good defense and is developing into a fine shooter. We look forward to working with Susan the next three years.

The Senior Citizens will be busy during the next few days. Well, they're always busy, but there's lots of things happening in the next few days. The Board of Directors will meet February 12th. The directors are Murrell Whitaker, Verta Hinds, Ruby Bardwell, Ethel Henry, Bob Roland, Lois Lair, Don Blanks, Clyde Hoggard, and Dorotha Crawford.

On February 14th, there will be a blood pressure clinic at the Center. The girls will be taking blood pressure from 1-4 p.m.

They will be having games each Friday and Monday nights. I don't know what games they play, but I'm sure everyone is welcome to join the fun.

I visited the new addition Monday and saw Mrs. Hinds, Ruby Bardwell, and Dorotha Crawford quilting. They had just finished a beautiful 'Bow Tie' pattern. They were just starting a new one. I understand it was to be for one of Etta Mae Cherry's kids or grandkids.

Firebelles met Feb. 1

The Clarendon Firebelles met Friday, February 1, at the home of JoDee Mincey.

The meeting was called to order by the president JoDee Mincey. After the minutes and treasurer's report was read the state convention and scrapbook were discussed. It was also decided for the club to join the Chamber of Commerce.

Edie Robertson, chaplain, closed the meeting with a prayer.

Those present were Nancy Watson, Tammy Taylor, Lisa Winsor, Debbie Hollan, Edie Robertson, Connie McAnear, Venita Sharrar, Wanda Smith, Annette Osburn and JoDee Mincey.

Some people once believed that the magic power of witches resided in their hair and that they would be powerless if shorn.

Some people used to believe that hanging a branch of mistletoe in the ceiling would protect them from harm in general, and fire in particular.

YOUR ANSWERS HELP

When you ask your pharmacist for assistance in selecting a nonprescription medicine he or she will probably ask you several questions regarding the health problem for which a product is being sought. Answering the following questions will better enable your pharmacist to help you obtain the product or products that are most useful for your specific needs:

1. When did the problem begin?
2. Is this a new problem or one that you have had in the past?
3. Do you have any other health problems that began at about the same time?
4. What makes the problem worse and what makes it better?
5. What have you used to relieve the problem, and how effective has this been?

In addition, your pharmacist may ask you about other chronic illnesses you may have such as heart disease, high blood pressure, diabetes, or thyroid disease. Because many nonprescription medicines cannot be taken with these health problems, your answers help the pharmacist and they help you.

Veterans News

The 3.4 million veterans who have kept their GI life insurance policies in force will share in an annual dividend distribution that, for the year 1985, will total a record \$798.8 million.

Administrator of Veterans Affairs Harry N. Walters said the record high dividend was made possible because of lower death rates among policyholders and high interest earnings on the insurance funds' investment.

No application for the annual dividend is needed, Walters stressed. Each policyholder will receive the dividend in the month of the anniversary date of the individual policy. Payments will be made in the manner selected previously by the policyholder. Choices range from cash to the purchase of paid-up insurance.

Government life insurance has

been issued through various periods starting January 1, 1919, through May 2, 1966, to veterans of World War I and II and the Korean Conflict. The only VA-administered program now open to new issues is Service Disabled Veterans Insurance. It is available, without dividends, to veterans with service on or after April 25, 1951, who have a service-connected disability.

Not affected by the dividend payout are Vietnam Era veterans and post-Vietnam Era veterans who fall under different life insurance programs. They are the Servicemen's Group Life Insurance, the Veterans Mortgage Life Insurance, and the Veterans Group Life Insurance. These are group programs that do not pay individual dividends.

The 61,751 holders of United States Government Life Insurance (USGLI with file numbers prefixed by K) will receive an average dividend

of \$248 out of a total distribution of \$15.3 million. These policies were issued mainly during World War I.

Some 2.8 million World War II veterans, who kept their National Service Life Insurance (NSLI prefixed with V) in force will receive an average \$142 dividend on Modified Life Plan policies. The total dividend distribution on these policies is \$688.2 million.

The newer Veterans Special Life Insurance (VSLI, prefixed with RS and W) will pay out a total of \$65.8 million to 352,748 policyholders. The average payment to W term policyholders will be \$73, the RS term will receive \$113, and the W permanent plan \$217.

The Veterans Reopened Insurance (VRI) program will pay \$28.6 million to the 145,206 holders of J, JR and JS policies with J policyholders receiving about \$183, JR \$287, and JS \$469.

"Stubbornness is the energy of fools."

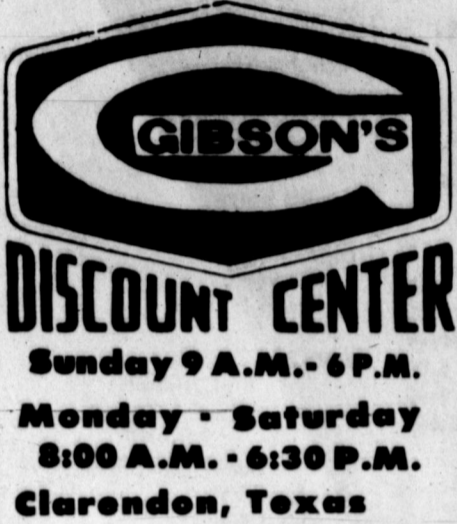

Dividends for individuals covered under each program will differ according to age, plan selected, and length of time the policy has been in force.

Volunteer Fire Dept. elects new officers

Clarendon Volunteer Fire Department has elected new officers for 1985. Delbert Robertson remain chief. Mutt Graham was elected assistant chief, Jim Sharrar, President; Ernest Johnston, 1st Vice President; David Pitts, 2nd vice president; Mark Winsor, Treasurer; Pat Robertson, Secretary and Lloyd McCord, Chaplin.

Chamber News

The Chamber of Commerce has had a lot of good feedback on their January 24 town meeting. At the time of the meeting, the Chamber had 72 members. Since that day, 92 new businesses and individuals have joined the Chamber. The dues are \$36.00 a year for individuals and \$60.00 per year for businesses. The dues may be paid anyway you choose, monthly, quarterly, half or by the year. Chamber Manager John Sarich will either pick up your dues or mail you a statement, whichever is the most convenient for you.

Several people have been assisting in this drive, and they have tried not to miss any of the businesses. If you have been missed and are not a member and would like to join, please call John Sarich, 874-2421; Clarendon Press, 874-2259; Patsy Leffew, 874-3159; Harlan's Flowers, 874-3828; or Mark Winsor, 874-3133.

YOU DO NOT have to own a business to be a member of the Chamber of Commerce. Any individual may join. If you would like to help find ways of helping Donley County, the Chamber urges you to join. When the membership drive is finished by the end of February, members will be divided into groups of 10 with a director of the Chamber

as a zone director. Each zone will be assigned a job and it will be up to them to meet and find ways and means of getting this job done, but this job must be something which will help the community, cities or county.

The Chamber of Commerce phone number is 874-2421. The president is Mark Winsor. Board of Directors are Darrell Leffew, Larry Mabry, Betty Muse, Helen Woody, Jerry Chambliss, Jen Simmons, Owen Johnson, Bronnie McNabb, Shirley Clifford, Jim Sharrar, Jim McElroy, David Davidson and Troy Skinner. At a noon meeting, Monday, February 4, Troy Skinner turned in his resignation, which was accepted by President Mark Winsor. Mr. Skinner stated, "I do not have the time I feel must be devoted to the Chamber, but I support the Chamber wholeheartedly." Ricci Tunnell, Patsy Leffew, Billie Schaffer, and Ron McDaniels then were elected as new directors of the Chamber.

The Chamber meets the 4th Thursday of each month at 7 p.m. in the Hospitality Room of the First Bank & Trust of Clarendon. This meeting is open to any member who wishes to attend these meetings.

Young Homemakers met Jan. 28

The Clarendon Young Homemakers met Monday, January 28 in the home of Debbie Hollan. The meeting was called to order by the president Missy Kidd who introduced paramedics Pat Robertson and Phil Vargas. Pat discussed treating burns and poisoning. Phil then showed them pediatric CPR and what to do if a child got choked. The Young Homemakers would like to thank both of them for a very informative program.

After the program, a business meeting was held which included reading of the minutes from the last meeting and a treasurer's report. It was decided to hold the 3rd annual pretty baby contest in April. More information will be available at a later date.

After the meeting was adjourned, refreshments were served to new members Jondel Moffitt, Valerie Ashcraft, Kim Lumpkin, Kim Lindley, Nancy Newhouse, Stacie Boston, and members JoDee Mincey, Fay Vargas, Cathie Jewett, Edie Robertson, Debbie Blackburn, Kathy Holland, Tammy Taylor, Missy Kidd, Annette Osburn and Debbie Hollan.

The Young Homemakers' next meeting will be February 25 at the home of Debbie Blackburn.

Museum

Directors visit Square House Museum

Several members of the Board of Directors of the Saints Roost Museum Board spent Saturday afternoon, February 2, at the Square House Museum in Panhandle.

Jo Stewart Randell spent the afternoon giving them information on how to set up records, displays, lighting and other important information regarding the museum.

Those attending were Frankie Henson, Ruth Hancock, Helen Woody, Wayne Riggs, and James Owens.

A new roof has been installed on the flat part of the museum and patch-work on the old part is underway.

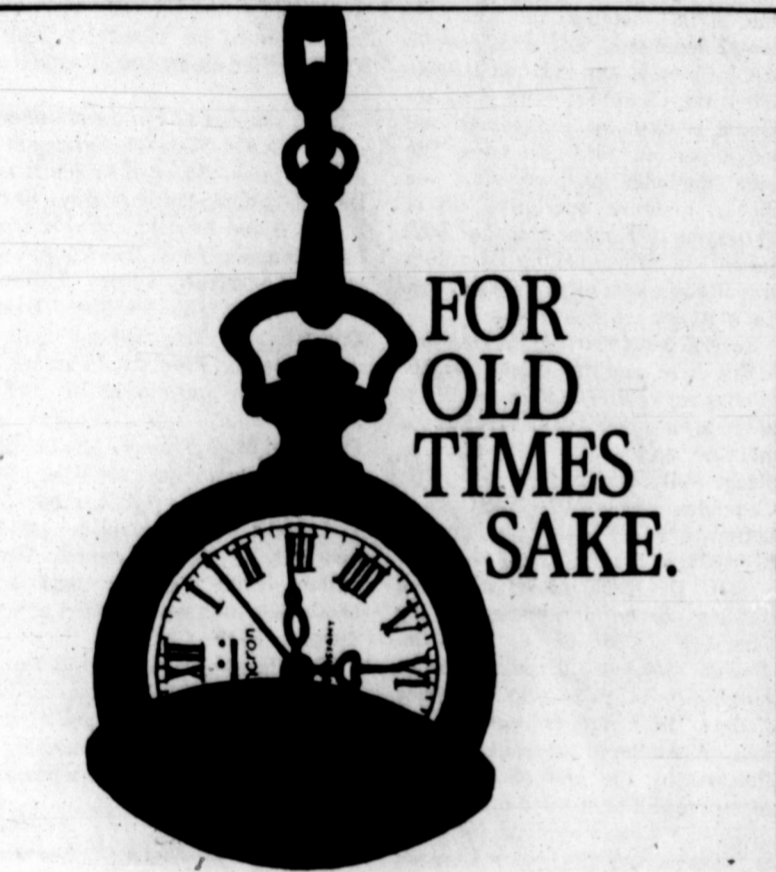

Since it was decided to use the old Adair Hospital for a Saints Roost Museum. The building has been cleaned out, the grounds have been cleaned up, water and lights have been repaired and reconnected. Some 102 window glasses have been replaced. The Board appreciates all the volunteer work which has been done so far.

The human body consists of about 60 trillion cells, and each cell has been said to have 10,000 times as many molecules as the Milky Way has stars.

Echo Farms Dairy Co. of New York introduced the milk bottle in 1879.

YOUR BEST DEFENSE AGAINST DEPRECIATION AND INFLATION

When it comes to insurance protection for your personal possessions, Replacement Cost Coverage from USF&G Insurance is your best defense against depreciation and inflation.

Unlike your standard homeowners policy, USF&G Replacement Cost Coverage pays to replace your possessions with new ones if they're stolen, damaged or lost in a fire—without the usual deductions for depreciation, and at current market prices. And that can save you a lot of money. Call us or stop by to find out more.

Chicken Salad Shortcake

- Cheese Bread (below)
- 2 1/2 cups cut-up cooked chicken or turkey
- 1 cup toasted slivered almonds
- 1/2 cup sliced ripe olives
- 2 stalks celery, sliced (about 1 cup)
- 1 can (20 ounces) crushed pineapple, well drained
- 1 teaspoon salt
- 1 1/2 cups dairy sour cream
- 1 cup mayonnaise or salad dressing

Bake Cheese Bread. Mix chicken, almonds, olives, celery, pineapple and salt. Mix sour cream and mayonnaise. Mix 1 1/2 cups sour cream mixture into chicken mixture.
Place 1 Cheese Bread, sesame seed side down, on serving plate. Spoon chicken mixture over bread; top with remaining

Cheese Bread, sesame seed side up.

Spread remaining sour cream mixture over bread. Cover loosely with aluminum foil. Refrigerate at least 4 hours but no longer than 24 hours.

Cheese Bread

- 3 cups buttermilk baking mix
- 2 eggs
- 1/2 cup milk
- 1 cup shredded Cheddar cheese (4 ounces)
- 2 tablespoons sesame seeds
- 1/4 cup margarine or butter, melted

Heat oven to 400°. Mix baking mix, eggs, milk and cheese. Divide dough into halves; pat each half in greased round pan, 9 x 1 1/2 inches. Sprinkle each with 1 tablespoon sesame seed. Pour 2 tablespoons margarine evenly over each. Bake until golden brown, 20 to 25 minutes. Remove from pans; cool.
