Funeral services for Carroll Raymond Molder, age 63, were held at 3:00 p.m. on Wednesday, March 6, 1985 in Robertson Chapel of Memories with Mark Keys of Wellington officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Molder died at 12:45 p.m. on Monday, March 4, 1985 in Heritage Convalescent Center in Amarillo following a lengthy illness. He was born October 6, 1921 near Vivian, Oklahoma and was married to Roberta Jones on February 24, 1949 at Lelia Lake. He had been a resident of Donley County for most of his life except for having lived for several years in Dumas. He had worked as a mechanic and parts manager at Alderson Chevrolet for approximately 10 years prior to his illness. He was a veteran of World War II and a member of Merrills Marauders, CBI Theater, US Army. He was a member of the Church of Jesus Christ of Latter Day Saints (Mormon).

Survivors include his wife, Mrs. Roberta Molder of Clarendon; two daughters, Mrs. Edward Lee (Cheryl) Briggs Sr. of Chillicothe, Mrs. John (Billie) Shelly of Dumas; two sons, Tom Molder and John Molder of Clarendon; two sisters, Mrs. Edward (Fay) Mobley of Amarillo, Mrs. Vivian Moss of Clarendon; three brothers, Clyde Molder of Amarillo, Neal Molder of Wisconsin, Lloyd Molder of Clarendon; and six grandchildren.

Casket bearers were Gene Alderson, Slim Sides, Barney Horton, Barry Welch, Phillip Vargas, and Larry Taylor.

The family requests memorials be to the American Cancer Society.

Mrs. Nettie Mae Owens

Mrs. Nettie Mae Owens, 73, passed away at 9:00 p.m. March 4 in Hall County Hospital. Services will be at 2:00 p.m. Thursday at First Baptist Church at Hedley with Rev. Bryan Knowles, pastor, and Rev. Lewis Ellis of Pampa, officiating. Interment will be in Rowe Cemetery, Hedley, under the direction of Spicer Funeral Home.

She had been a Donley County and Hedley resident since 1919. She was born July 10, 1911 in Crowell, Texas. Nettie Mae Lyons married Otis Owens in September 1931 at Hollis, Oklahoma. She was a member of the First Baptist Church at Hedley, 42 Club, WMU.

Survivors include her husband Otis L. Owens of the home; 1 sister, Mrs. Ollie Warner of Graham.

Casket bearers are her nephews Rolan Clay, Berle and Merle Owens, Sam Owens Jr., Jim and Doug Owens, T.E. Naylor, and French Gafford. Honorary casket bearers are O.T. Owens, Hall Owens, R.V. and Jack Owens, Billy Clubb, Frank Murray, Brownie Quisenberry, W.B. Wiggins, Bob Wiggins and Red Daugherty.

The family requests memorials be made to the American Heart Association and the Rowe Cemetery Fund, Hedley.

IN MEMORY OF CARROLL R. MOLDER 1921-1985

GRANDPA'S BOY

He was his Grandpa's little boy,
His Grandpa was his pride and joy,
He could not understand just why,
His own dear Grandpa had to die.
He laid his head on Grandpa's chair,
And wept with grief he could not bear.

Oh, Lord, he knew not what do to
When Grandpa went to live with You.

Beside his window ledge that night,
He knelt to pray in bright starlight,
And as he wiped his tears away,

In wonderment I heard him say,
"I see my Grandpa in the sky,
He's happy there I plainly see.
Look how he smiles and waves at me."

"My Grandpa's happy there," he said,
With tear-stained face, he climbed in bed,
And when he laid him down to sleep,
He closed his eyes and ceased to weep.
With childhood's pure enchanted eyes,
He saw his Grandpa in the sky,
And in the dreamland of his heart,
The two of them will never part.

Watt's Happening in Hedley

By PEGGY WATT

If you've lost or would like to have a cute female Spaniel pup, let me know. One night last week when my boys came from town, she was on our front porch. She's about six months old and is white with liver colored markings. We are already blessed, or cursed, with three boys and four dogs, so we really don't need anymore of either.

Lola Brown and Lorene McCrary were in Wellington on business last week. I appreciate Lorene being so good to my mother. She's been a good friend.

Tina Hill and little Tashina were recent overnight guests of Tina's grandparents, Gerald and Marie Bland. Terry enjoyed spoiling his little niece.

Brenda Alexander spent a few days with her mother, Mrs. Vion Winn and mother-in-law, Mrs. Nettie Alexander recently. Brenda and Alvin live in Longmont, Colorado with Jill and Greg.

Earl and Sharon Wheatly visited his mother, Mrs. Nawassa Wheatly recently. Sharon was home for church Sunday. It's a good thing, too. She's the only person in the entire congregation who can play the

organ or piano. I envy anyone who is talented. I can't play a musical instrument or anything that's the least bit artistic. All of my brothers could play some instrument. Some of them can play several. I can't even play a Jew's Harp.

Alfred Spalding is home after surgery in an Amarillo hospital. Martha Lowe is here to help Elloise. The Home Health nurse is teaching her how to give him some kind of shots. I talked to Elloise, and she told me that she was feeling alright. Even so, it's good that she has Martha. Doug recently retired and is on a welcome fishing trip.

Joe Waddell passed away in Devine, Texas last week. He was the brother of Bill Waddell and Scott Waddell. Bill's wife Juanita is suffering from some kind of foot problem and wasn't able to go with Bill. We missed her in church, too. She and Bill are two of our more devoted members.

The kitchen at the Methodist Church is almost finished. I heard someone say that all they lacked were the door and the cabinets. Bill Carson said that that's the way things were at his house. Unfinished. It looks real nice and some people have worked hard to get it done. I know that Kay Talley and the children of the church enjoy it. She works with the children in that part of the church.

March arrived in typical fashion. The wind is blowing and from my upstairs windows I can see the sand blowing in the field between my house and Hedley. We are lucky not to get much sand here. I guess the grass that surrounds us stops it.

Bill and Jo Bridges of Amarillo and their daughter Karon Casey and Chris, Jason, and Katie visited with us Saturday evening. They said that Bill's mother, Mabel Bridges was doing well. We always enjoy the Bridges. We've managed to miss them several times when they were here. Sometimes not having a phone is a handicap....and sometimes it's a blessing.

My mother talked to Leonard Mullins a few days ago. He's been in Dallas several weeks taking additional training for his job. I don't have any idea what he does, but he's been taking some kind of schooling for years. It looks like he'd finally learn how to do it. I'd probably get mad if anyone else said that, but I guess it's a sister's prerogative.

Su-San and I went to Paducah Wednesday evening for an Eastern Star salad supper and the meeting on Thursday. Fred came down for the Thursday evening session and I rode back with him.

Pick and Laqueta Cox visited their daughter, Linda and Elgie McClesky and boys at Spur over the weekend.

Eva Canada surprised her mother Mrs. Virgie Nivens with a party to celebrate her 90th birthday Saturday in Eva's home. There were 35 family members and friends who signed the register. She received several lovely gifts. Refreshments of birthday cake, punch and coffee were enjoyed by everyone. Happy Birthday Mrs. Nivens.

Mildred Fontenot is home from St. Anthony's hospital following surgery. Her son Johnny is with her. He lives in Norfolk, Virginia. Vion said she was doing well.

Mrs. Ruby McKee and Gladys Howell got moved into their new homes at the Hedley Community Development. Dorothy Johnson is in the process of moving. I talked to

Mrs. Sue Weatherly, and she told me she had one apartment vacant in the original complex and one in the new unit. Any qualified senior citizen can make an application.

I talked to Gerald Bland who is the Post commander of the Hedley American Legion. He said the Legion would meet on the 2nd Tuesday of April.

Red Hill tended to some important business in Clarendon Monday. I know it was important because he got Guy to help him do it. Dean is in Dallas. Chad Pinkerton plays basketball, and his grandmother just had to see him play his last game of the season. Chad's in junior high.

Billy and Pattie Gilbert are getting ready to build a new home in Hedley. They might be like we were and outgrew their present home. They have four kids, and they're like my four were. They're a big housefull.

Classes at Hedley school are enjoying spring break. Part of the teachers are taking tests. Mrs. Wheatly told me she had to take a computer test. Some of the kids will be working in the fields. Mine will, and Calvin Holland told me he would. I read a letter to the editor in Sunday's Amarillo paper concerning boredom among the young people in small towns. If every kid had as much to do as mine do, they wouldn't have time to get bored.

The Senior Citizens have been busy. The ladies have been quilting

and I don't know what their men folks have been doing. They are always there at meal time. I stopped by the Center Friday, and they really had a good lunch. I got lunches for Fred and me to eat at home.

They will have games on Friday and Monday nights. The Board of Directors will meet March 12th. I think.

White's Attend American Farm Bureau meeting

Mr. and Mrs. Harold White of Hedley have returned from the 66th annual meeting of the American Farm Bureau at Hopolulu, Jan. 7-10. They represented the Donley County Farm Bureau, and were

among the more than 600 county Farm Bureau leaders who qualified for the trip in a Texas Farm Bureau awards program. The program allowed for up to two county FB leaders and their spouses to be chosen by their county FB Board of Directors to receive an award which helped to defray the cost of the trip.

The Whites attended the AFBF meeting at which 1985 policies were adopted for the AFBF. They heard addresses by AFBF President Robert Delano, former Environmental Protection Agency director William Ruckelshaus, and Peter Grace, whose commission studied ways to reduce federal spending. There were also conferences on national issues, economic services and commodities.

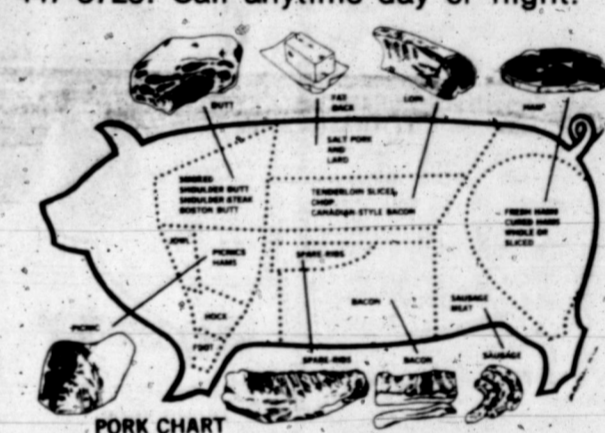

Following the convention, they departed for a tour of the islands of Maui and Hawaii, which is known as the "Big Island."

They saw the Hawaii Volcanoes National Park, including Kilauea, the Kona Surf and a macademian nut farm on the island of Hawaii. They also saw the volcanic crater atop Haleakala ("House of the Sun"), a floral nursery and Lahaina, the former capital of Maui which was an historic old whaling center.

Shamrock St. Patrics Day

By Bill Howe

"Tis an Irish World--Texas Style," theme of the 1985 St. Patrick's Celebration in Shamrock, promises a smooth blending of Irish tradition with western culture when the "wearing o' the green" begins in earnest for the 39th Irish Party, March 15-16-17.

The "greening-up" pace quickens as county and city officials don green underwear, the editor of the newspaper takes pills to turn his beard green, and the count-down begins for the biggest Irish community celebration this side of Erin itself.

It was the area's first postmaster, George Nickel, who named this Eastern Panhandle station Shamrock to remind him of his native Ireland--and thus began the tradition.

The late Glen Truax, a Shamrock High School bandmaster, gave the Irish fantasy life in 1938, when Shamrock Boosters Club latched onto his suggestion that a town with such a fine Irish name should capitalize on it with an annual St. Patrick's Day Celebration so grand it would attract thousands of visitors and worldwide attention.

And thus it is that each year on the closest Saturday to March 17, every Shamrock citizen, like Irishmen everywhere, becomes a real Irishman, grows a foot taller overnight and stalks the earth as a giant. It's his day and he feels it!

The most successful community identification vehicle in the great southwest is headed up this year by General Chairman Andy Seward, who declares that this year's offering will be the biggest and the best of the 39 and urges the 3,000 local residents to roll out the green carpet for the more than 15,000 visitors expected.

Seward is assisted in this year's planning by Assistant General Chairman Daryl Kaire, and dozens of committees doing the legwork for the celebration.

Irishmen by the score, most sporting Donegal beards, with colleens on their arm, are bound for Shamrock to join in the shenanigans honoring the great St. Patrick and to prove to themselves that it is truly "An Irish World--Texas Style!"

This year's pre-St. Patrick's Banquet, Friday night, March 15, at National Guard Armory, will feature the entertaining of Gloria Gilbert, Miss Texas of 1982, and "her friend" Homer. Miss Gilbert, a talented ventriloquist, has entertained at dozens of conventions, sales meetings, and banquets, and she and Homer are always the hit of the evening.

Marlene Miller's Dance Space students will perform dance routines in the Irish mode and Shamrock High School Band Director Daryl Kaire's students will present several instrumental numbers to round out the evening's entertainment.

The meal will be catered by Carol and Helen Williams of The Smokehouse in Dumas and served by Shamrock High School's Junior Class.

Saturday's events include a dignitaries breakfast, a street bazaar, a 10K run, an Old Settlers Reunion, a reunion of Shamrock High School's Class of 1975, a PKA kick-boxing match, a colleens coffee, Donegal Beard Contest, hour-long parade, Old Fiddlers' Contest, barrel racing, calf roping, team roping, water polo and pumper race, the Miss Irish Rose Pageant and two dances.

A special St. Patrick's Celebration presentation of Shamrock's Ministerial Alliance will be Wanda Jackson in Concert Saturday night, March 16, in High School Auditorium at 7:30 p.m. Miss Jackson's company includes famed steel guitarist Leon McAuliffe.

The 39th celebration will wind down Sunday, March 17, with a cowboy church service, barrel racing, team roping and calf roping finals.

Clarendon Firebelles

The Clarendon Firebelles held their regular monthly meeting Friday, March 1 at the fire station.

The meeting was called to order by president JoDee Mincey. Connie McAnear, vice-president, introduced Jim Sharrar, president of the Fire Department, who gave a program of kitchen fires, the causes and what to do to extinguish one. He also showed how to use a fire extinguisher.

After the program, the business meeting was held. The minutes from the last meeting were read, and a treasurer's report was given.

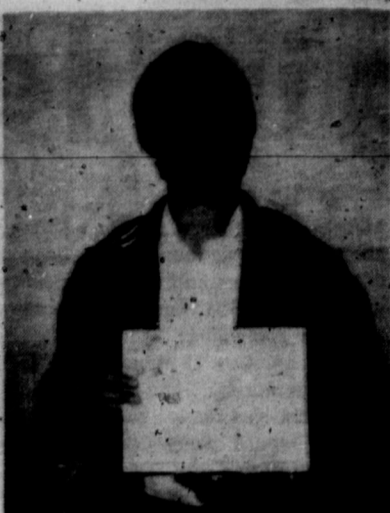

The state convention, which will be held in June, was discussed. It was decided that those wanting to attend need to let JoDee know by March 15 so reservations can be made.

Also discussed was entering the water polo contest at Shamrock's St. Patrick's celebration. Those interested in having a team are to contact Edie Robertson.

Honorary members present were Jean Chamberlain and Melita Greer. Members present were Edie Robertson, Connie Pitts, Wanda Smith, Debbie Hollan, Venita Sharrar, Connie McAnear, JoDee Mincey and Annette Osburn.

ANNETTE WATSON, Soutler at CHS was elected as FTA'er for January. She is very active in FTA. She stated her goal of being State IFTA President this year. She is also chapter President. She also participates in FHA and is a varsity cheerleader. Clarendon FTA is very proud of Annette.

COACH ROBERT KLEIN was elected FTA Teacher for January. He teaches Biology, girls and boys athletics. He coaches the junior varsity girls basketball team and varsity girls basketball team. His wife, Andra, is school secretary.

He had been a resident of Clarendon for the past 5 1/2 years moving here from Phoenix, Arizona where he had lived for approximately 2 years. He had worked for several years as a truck driver for North American Van Lines prior to his illness. He was a member of the First Baptist Church in Royal Oaks, Michigan.
Survivors include his wife, Mrs. Amy Lawson of Clarendon.

K-9 Korp Kapers

by LISA BURCH

Congratulations Georgi Klattenhoff and Roscoe, February's K-9 Team of the Month! Georgi and Roscoe (Miniature Schnauzer) won this month's award with their outstanding work in the new open class each week. They have shown rapid progress with the dumbbell which is not an easy task to achieve. Roscoe has somewhat of a stubborn streak, but so does Georgi and this time she won. Good going kids.

Our new classes are in full swing now. We have three different levels of training: Sub-Novice or beginners includes Shannon Myers and Paddy (Collie), Lisa Burch and Nikki (Lhasa Apso/Pekingese - Mix), Robert Plummer and Cajun (German Shepherd Mix), Christy Smith and Babe (Alaskan Malamute), Brandie Stroup and Blue (Australian Shepherd), Craig Wright and Max (German Shorthaired Pointer), Stephen Bivens and Freckles (Australian Shepherd Mix), Brian Hammond and Bubbles (Boxer), Gwyn Tolbert and Katarina (Rottweiler), Nell Hudgens and Ralph (Miniature Schnauzer), Tim Salem and Bubba (Boxer) and Bud Moore and Tess (Australian Shepherd). This class is taught by Vera Lee Andis. The Novice Class includes: Dawn May and Bear (Collie/Australian Shepherd Mix), Michael Moore and Klyde (Doberman Pinscher), Jennifer Davis and Ben (Border Collie), Steven Davis and Taffy (Toy Poodle), Debbie Tolbert and Chico (Schipperke Mix), Gwyn Tolbert and Brandy (Golden Retriever Mix), Matt Drager and Minky (German Shepherd Mix), Georgi Klattenhoff and Roscoe (Miniature Schnauzer), Todd McAnear and Sandy (Labrador Retriever Mix), Wil Burlin and Roscoe (Miniature Dachshund), Scott Myers and Ginger (Shetland Sheep Dog). The Open Class consists of Michael Moore and Max (Dobe), Jennifer Davis and Ben, Steven Davis and Taffy, Georgi Klattenhoff and Roscoe, Gwyn Tolbert and Brandy, and Scott Myers and Ginger. The Novice Class is taught by Bob Andis and the Open is taught by both Bob and Vera. All of the classes are doing a really fine job. Come out and watch these kids and their dogs work some Monday night, 7:00 p.m. at the Community Center. We welcome visitors.

We would like again to ask anyone who would like to help in the earning the money to go to the State 4-H Dog Show in Victoria, Texas. We will be doing a lot of things to raise the money and sure hope we can count on all our friends for your support in this effort. Coming events: K-9 Korp Benefit Dance - KLSR MUSIC MACHINE - March 16, 1985. Tickets now on sale with any Korp member.

City Minutes

The Board of Aldermen of the City of Clarendon met in regular session on February 26, 1985, in the Board Room, City Hall at 7:00 p.m.

Members present were Mayor James L. Kuhn, Aldermen Richard Bell, Steve Smith, Lloyd McCord, James Sharrar, and Gene White.

Other present were City Secretary Donna Edwards, Jim Roberts, John Lovell, Willis Malone, Jack Wilhite, Tom Sharp, and Joe McRee.

*Minutes of the February 12, 1985 meeting were read and approved.

*The Board discussed with City Attorney John Lovell and representatives of BFI of Amarillo various aspects of the proposed BFI contract. After all points were agreed upon, motion carried to enter into a contract with Browning-Ferris, Inc., waste service company, subject to the changes discussed in this meeting.

*BFI will visit local businesses and determine their trash collection needs. Hopefully by April all dumpsters will be in the place and BFI will begin collecting and hauling trash for the City of Clarendon. Motion carried to set the sanitation rate at \$10.00 residential and \$27.50 and \$37.50 commercial, depending on the size of the container. More information on this will be published in the newspaper soon.

Motion carried to allow the Library to put up periodic exhibits arranged by the Chamber of Commerce and other groups.

*There being no other City business at this time, motion carried to adjourn.

Neon tubes were shown for the first time at the Paris Motor Show in 1910. Its main drawback was that it only came in red.

The Way We Live Makes Our Electric Meters Run Faster!

In The Winter

Because the sun works less in the winter and we need artificial light, we use our electric lights more. And, since it's cold outside, we tend to go indoors and turn our thermostats up, so we can enjoy the comfort of generated heat. We also use electric blankets in the winter. Electricity can help make winter more comfortable in many ways.

In The Summer

Because the sun works more during the summer months and it's hot outside, we go indoors and turn our thermostats down to make our homes cool. Electric fans that help to cool our homes and electric gardening tools for grooming our yards, among other things, also help make our summers more pleasant.

All Year Long

Because we enjoy the convenience and comfort of:

electric blenders, can openers, clocks, clothes dryers, clothes washers, dishwashers, door bells, drills, fans, freezers, hair dryers, heating pads, hedge trimmers, irons, lawn mowers, lights, saws, sewing machines, shavers, stereos, televisions, toasters, vacuum cleaners, waffle irons, waste disposals, water heaters and other benefits too numerous to mention, we use more electricity.

Because we're human, we forget about these things until an electric bill reminds us.

WTU is proud to be able to supply all the electric energy you need, and we encourage you to use it wisely.

Ashtola Martin News

by NAOMI GREEN

Mrs. Jerry Bowles, sister to L.A. Watson, spent the night Monday with the Watsons and attended the funeral of their cousin Fay Hickerson of Spearman. Graveside services were at Hedley, Rowe Cemetery. Rosie Watson received word last week that a cousin, Chester Jewel of Arkansas, had died due to an accident a month earlier. A tree fell on Mr. Jewel and he died of internal injuries.

Mr. and Mrs. L.A. Watson enjoyed hosting Jeanine Wimberly who was music director for the Martin Baptist Revival. Her husband Ora of Canyon joined them Saturday night.

Rosie Watson visited with her sister of Lubbock, Jean Stephens, at the home of Elizabeth Bohanon in Clarendon last week.

Viola Graham, Nova Mooting and Don Barker visited this week in Bartlesville, Oklahoma with their sister, Mr. and Mrs. D.W. Tomlinson. One night they attended the Community Concert Association presenting the stars of the Lawrence Welk Show.

Billy Jack and Frankie Green visited the H.A. Greens Saturday enroute to Oklahoma to visit with

Frankie's mother and sister.

Tena Powell was Good Samaritan for Judy and her baby who were involved in a one car roll over near her home. She brought them to Clarendon to rescue necessities for the infant from the wrecked automobile. The coffee drinkers at Mary's Country Kitchen at 2 p.m. Monday are to be commended for the funds donated to help mother and child reach Fort Worth where they had relatives.

Horace and Naomi Green attended the open house reception Friday afternoon at the Federal Land Bank offices in Childress honoring Honoria Helm. Honoria is retiring after 32 years of service with the Federal Land Bank.

Bill and Tena Powell attended the Eastern Star school of instruction at Paducah Thursday night. Eleven from Clarendon Chapter #6 were in attendance.

Duane Naylor of Thalia brought his mother, Thelma Hall home Saturday afternoon and came out to visit with Horace and Naomi Green.

Glen Helton has been in High Plains Baptist Hospital with surgery. Joe Wells and C.A. Pitts have both been lucky enough to have him for a roommate. We hope that his condition has improved enough that he and Lorane can be home the latter part of the week.

Derlene Graham's father, Alvin Ward of Memphis stayed with her family last week while her mother flew to California to visit with her

brothers and sister there.

Shirley, Larry and Jason Green of Canadian brought Dusty Allen to the Shields and had lunch with them Sunday. Kandy Floyd has the chicken pox.

Carl Taylor of Amarillo, father of Carlene Hollar, had a heart attack Sunday.

Annie Thomason and Yvonne Belle McDaniels went with Florine Bennett to the eye doctor in Amarillo Thursday.

Jewel Butler from Warshburn and Aline Partain visited with Florine Bennett Friday.

After church Sunday evening Mr. and Mrs. Robert Partain and Mr. and Mrs. Bill Bennett went to Lelia Lake to have supper with the J.D. Wootens.

The Ashtola Community Center volleyball tournament made about \$640. I am not sure that all the bills are in. We want to thank all the teams for coming and all the workers who worked. It is heart warming to see the young families bring their children and bed them on pallets until time for their team to play. Everybody played for fun. We are grateful for the work done on the building providing such clean and wholesome recreation for all ages of our community. Anybody ready for a team over 60? I qualify on age and might improve on ability.

Farm homes have available back doors and mine has let in judges, district attorney, preachers, salespersons and everybody the children brought proudly through all the trash that accumulates on the back porch. Finally I have a cure. Folks you had better use my FRONT door. Missie had pups right in the back door home I fixed because she refused to move to the barn during the snow and ice. She had ten with seven females -- somehow all but four disappeared. She is VERY protective of the pups and has turned into a non-discriminating biting watch dog. BE FOREWARNED you want to use my front door. If I don't hear you first time around hollar louder.

Melissa and John William Butts of San Antonio are the proud parents of a son, Eric William, born the 1st of March. The five pound and seven ounce boys is the grandson of Bailey and Louveta Estes of Clarendon and Bill and Katherine Butts of El Paso. He is the first grandchild on the Butts side of the family and they are prepared to have him well on the road to "spoiled" before Louveta gets a chance at him.

Blue-Gold Banquet honors Cub Scouts

The Clarendon school cafeteria was the site of the annual Blue-Gold Banquet to honor the Cub Scouts. The event Thursday night, February 21 was attended by 106 people.

The opening ceremony of the Pledge of Allegiance, Scout Pledge and Scout Law was led by members of the Webelos.

Elmonette Bivens was introduced as Scouting Coordinator and Darrel Thomas as the Scout Master.

Master of Ceremonies, David Lowery, introduced the Webelos, Bear Cubs, Wolf Cubs, and Tiger Cubs, and their leaders, Terry Ashcraft, Marian Davis, and Helen Estlack. After a delicious meal of fried chicken, green beans, salad and

dessert, the Bobcat Cubs presented a skit that was very entertaining.

The speaker for the evening was Mike Branigan of Memphis who has been active in scouting since 1954. His slide presentation of the National

Jamborees held in Colorado Springs in 1960 and Valley Forge in 1964 which he attended were very interesting. His message for the boys was to stay in scouting and have a great time with other scouts in the area and the nation.

The table decorations were prepared by the Cub Scouts, and included teepee napkin holders, animal pelts with Indian markings and cattle brands as place mats.

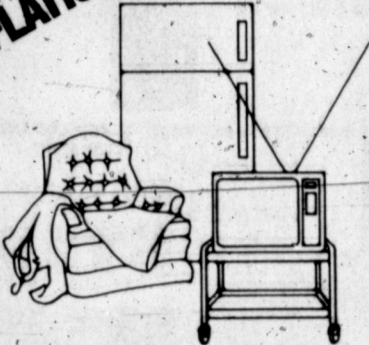

Some people have believed magic can be worked with the aid of someone's footprint.

YOUR BEST DEFENSE AGAINST DEPRECIATION AND INFLATION

When it comes to insurance protection for your personal possessions, Replacement Cost Coverage, from USF&G Insurance is your best defense against depreciation and inflation.

Unlike your standard homeowners policy, USF&G Replacement Cost Coverage pays to replace your possessions with new ones if they're stolen, damaged or lost in a fire—without the usual deductions for depreciation, and at current market prices. And that can save you a lot of money. Call us or stop by to find out more.

Senior Citizen's News

Fifty people enjoyed another great Birthday/Anniversary Salad Supper on Tuesday, February 26, 1985. February birthday people present were: Lucille Smith, Gertrude Reid and Fannie Wilson. There were no Anniversary people present. Eunice Mann was the winner of the door prize. The little lit's went to Goldie Barbee, Gwen Putman and Clarence House. We had talked about a musical jam session and we really had a great one. We jammed ten musicians in the corner and they

entertained us for two hours. Everyone really enjoyed the music by Creed and Jake Smith, Hugh and Nova Newhaus, Ray Anderson, Oddis Moss, Fred Fortenberry, Wallace Sides, Ruett Behrens and Jack Davidson. We appreciate these folks for making our parties so enjoyable. Thanks to Clarence House for putting up an extra speaker from the juke box. This will be a great help and we sure appreciate it.

We are saddened by the loss of Amy's husband, Alvin (Al) Lawson. Amy has been cooking at the Center for several years. Our thoughts and prayers are with her at this time.

Dumpsters from page 1
 charge to cover expenses. Operating expenses, such as gasoline, equipment maintenance, wages and insurance for City workers continue to rise, as do the substantial capital requirements needed to refurbish or replace old equipment. In addition, budget restraints can prevent expansion of services to new areas.

We will do away with our dump and the County will seek another alternative for the County trash, possibly the use of the large 40 cu. yard containers to be used outside the city limits for rural residents only. BFI has indicated that they would be willing to buy the old trash trucks.

The Texas Department of Health performs rigid periodic inspections of the City/County dump. The most recent inspection was performed on February 15, 1985. The inspector reported that the dump is becoming filled and there are not many months of useful life remaining. He stated that we either obtain a new site for our dump (a lengthy, expensive, and difficult process), or seek an alternative to the operation of the dump facility. He advised that if we elect to purchase a new site, a new facility cannot be placed into operation until a permit has been obtained from the Texas Department of Health. He further advised that the legal requirements for processing a technically complete permit application necessitate a minimum of five to seven months. This time allowance does not include the preparation of the application, completed and submitted to the Department's satisfaction, nor does it include the time required to actually locate a site. The site requirements are rigid for obtaining a new dump as to the location, type of soil, etc.

Another problem that now exists for the City, is the fact that the City trash trucks are on their last leg. Many of you have noticed that trash pick up has been delayed more and more lately due to breakdowns on the trucks. All of these factors together, new dump site, new trucks, and sanitation expenses exceeding revenue, have made our present situation economically prohibitive. The City Board of Aldermen has elected to seek the alternative to these problems, and has therefore, turned our trash problems over to an expert in this field, BFI.

Browning-Ferris, Inc. is a large company with waste service systems operating throughout the United States, parts of Canada, as well as many foreign countries. Asked how Amarillo feels about accepting trash from outside their city, the BFI representative stated that the City of Amarillo can use the revenue and that their dump could accept all the trash in the Panhandle for the next 100 years.

BFI begins by making a thorough and detailed analysis of refuse collection needs. They will visit with local businessmen and determine their personal trash situation before the placing of dumpsters begins. They will use fully automated side-loading vehicles which will pick up and empty containers into the side of the truck. Dumpsters will be placed in alleys wherever possible. These dumpsters have plastic lids eliminating the worry of some, that they might not be able to lift a heavy lid.

All aspects considered, the City feels that this contractual agreement will provide, clean, efficient trash handling more economically than the other course we would have had to take. Many residents have already voiced enthusiasm at the prospect of using dumpsters. We look forward to seeing our new dumpsters in place and a resulting cleaner, more sanitary city. We know you will, as well.

From The PEN of PASTOR PINION

Last week I suggested several questions that should be answered "Yes" by the church pastor, leaders, Sunday school teachers, etc. in order to determine whether or not a church is sound in doctrine and practice. This week I want to give some questions that should be asked of the leaders of the church that should be answered with a definite "No".

Does anyone in a leadership position in your church (or any organization with which your church is affiliated) have doctrinal views differing from the sound Bible positions you profess? (See Amos 3:3 and Acts 20:26-31)

Do you believe that a person has to speak in "tongues" to be saved or to show that he is filled with the Holy Spirit? (See I Corinthians 12:4-11, 29, 31 and 13:8-10)

Can anyone pray or get blessings from God by going through anyone other than the Lord Jesus Christ? (See I Timothy 2:5)

Does your church teach or believe that any book, writings, or teachings other than the Bible are inspired by God and therefore equal to the Bible? (See Revelation 22:18-19)

Do baptism, the Lord's Supper or church membership help a person to be saved or help to keep them saved? (See Romans 6:23 and Ephesians 2:8, 9)

Does your church permit women to be preachers? (See I Corinthians 14:34 and I Timothy 2:11, 12)

Is your church or your denomination (if your church is not completely independent) a part of the liberal, Bible-denying National or World Councils of Churches? (See II Corinthians 6:14 and 7:1)

If a church and its leaders cannot answer "No" to the following question, I feel that they have departed in some way from sound Bible doctrine and practice.

Thank you!

The first letter boxes were erected in Paris in 1653. They probably consisted of nothing more than a wooden box with a slit on top of it.

In early England, land was measured by how much an ox could plow in a day. These measurements were known as oxgangs and averaged about 15 acres.

TFTA State Convention

The TFTA held its 36th annual convention February 14, 15, 16, 1985 at the theatre/Tarrant County Convention Center and the American Hotel with an attendance of around 2,000 students from Texas high schools.

EDUCATION: KEY TO THE FUTURE was the theme. President Annette Watson presided over the convention -- two general sessions and the House of Delegates.

Annette Watson, State TFTA President, Kim Formway, State TFTA Corresponding Secretary, and Miss Betty Veach, State TFTA Advisor flew to Fort Worth Thursday, February 14, 1985 to meet with the other state TFTA officers to plan and get started the 36th annual convention of TFTA. After school, Thursday, the club of Clarendon FTA started out for Fort Worth with Peggy Anderson, sponsor, and Gene Denny, bus driver. Attending were Sheri Chamberlain, Lynn Alderson, Mitch Johnson, Jake LaGrone,

Tammi Deen, Marcy Helms, Brigett Spier, Trisha Clifford.

Convention registration began February 15 at 9:00 a.m. Exhibits were set up in the registration area for teachers and FTA'ers.

Carolyn O'Neal, National Education Association, gave the keynote address at the first general session at 2:30 p.m. February 15. Annette Watson, State TFTA president, presided at the session at the Theatre/Tarrant County Convention Center. Earlier Sheri Chamberlain submitted the Clarendon FTA scrapbook for competition at 11:00 a.m. in the Trinity West/Americana Hotel room. At 12:00 noon State Advisors Mary Bates, Brady, Betty Veach, Clarendon, and Shelley Sweat, Burkburnett presided over a District Presidents' Advisors meeting at the Americana Hotel. They discussed with the district presidents for the coming year their responsibilities as district presidents for their districts; there are 20 districts in the state of Texas.

At the first general session, TFTA president Annette Watson presided. The music was provided by the UT Arlington Jazz Orchestra, the Pledge of Allegiance was led by Penny King, Burkburnett, TFTA Financial Secretary, the invocation was led by Lisa Drobny, San Antonio, TFTA Parliamentarian, and the TFTA Pledge was led by Cathy Baker, Huntsville, TFTA Recording Secretary. Greetings were brought by Charles Beard, TSTA President Elect to the group of FTA'ers. Communications were conducted by Kim Formway, Clarendon, TFTA Corresponding Secretary. Annette introduced the platform guests. Phillip Sanov, Gladewater, 1982-83 TFTA president and Nita Fields, Brady, 1983-84 TFTA president gave short addresses. The guest speaker was Carolyn O'Neal, National Education Association.

District meetings were scheduled from 4:00-5:30 p.m. on February 15, 1985. Each district got together and discussed what candidates they would vote for and listened to candidates give speeches about themselves.

Skits and speeches for state office candidates highlighted the second general session at 6:30 p.m. in the Theatre/Tarrant County Convention Center. Annette Watson, TFTA president presided over the session. Candidates running for state officer were: Devin Burton, Granbury H.S., President; William Jeffrey Hathaway, Kilgore H.S. and Lisa Martinez, Stroman H.S. for vice president; Susan Venegas, Seminole H.S. and Angela Walker, Plainview H.S. for recording secretary; Maria DeCreare Crockett H.S. and David Webb, Tulia H.S. (Dist. XVI) for financial secretary; Kathleen Morrissey, Vernon H.S. and Kay-Kay Mullins, Christoval, H.S. for historian; Suzanne Laux, Plano H.S. for parliamentarian.

Convention entertainment was from 9:00 p.m. to midnight including a disco dance and light show which featured Brent Green of Disco America, Austin, TX -- computerized disco and light show.

On February 16 convention activities resumed at 9:00 a.m. with state committee meetings and workshops. Workshop topics included: District Presidents and Advisors workshop; Campaigning for Office and Sharing Fundraising Ideas; Sharing, Caring, and Knowing Oneself; The Law and You; and So, You Want To Be a Teacher. Annette Watson, TFTA State President met with all state officers and delegates Saturday morning. Miss Betty Veach was in charge of the advisors' workshop for chapters with less than 30 members, along with Walter Schoenfeld, State Advisor from Cleburne H.S., then there was a combined workshop with advisors with more than 30 members.

Attention was focused at 9:00 a.m. on the Mr. and Miss TFTA competition.

The House of Delegates convened at 1:30 p.m. Annette Watson, TFTA president, presided. At this session, the president and treasurer gave reports for the year. Each candidate for a state office was asked a question about their office, and they answered with a short speech. New business was the election of state officers for 1985-86. Mitch Johnson and Sheri Chamberlain served as delegates for District XVI. Each district had 10 delegates.

The highlight of the convention came at 6:30 p.m. with the awards program in the Theatre, Tarrant County Convention Center. The new Mr. and Miss TFTA was announced and later given \$1,000 scholarships by TSTA. Winners of the top ten projects, scrapbooks and yearbooks received trophies. Also, the John H. Lovelady Lifetime for Youth Award was given to outstanding advisors who are retiring from TFTA work. Mr. Lovelady, who retired in 1976 after 24 years of service on the TSTA staff, was the first TFTA state consultant after the group affiliated with TSTA. Miss Betty Veach, Clarendon, was the presenter of this award. All the state officers were presenters of the various awards. TFTA also recognized the advisor

who had made an outstanding contribution to TFTA work and a TSTA local association which promoted its TFTA chapter.

TFTA is sponsored by Texas State Teachers Association, and its membership is composed of junior high and high school students. Through chapter programs and statewide activities, TFTA tries to provide these students with worthwhile experiences related to their opportunities in the teaching field.

TFTA's twenty districts follow the same structure as TSTA and are overseen by a TFTA state executive committee. Each chapter affiliates by paying \$10.00 annually and submitting an application for chapter or charter renewal. In return, TSTA makes available, consultative services; TFTA Torch, TFTA Handbook, and other materials as needed. TSTA also annually presents two \$1,000.00 scholarships to deserving TFTA members.

State Consultant is Curtis H. Nixon, Austin, TSTA Organizational Development.

Clarendon can be proud of our own Annette Watson, TFTA State President and Kim Formway, TFTA State Corresponding Secretary and Miss Betty Veach, State Advisor. All the state officers under the guidance of Annette Watson did a superb job of running the TFTA Convention for the state of Texas.

"As advisor for the Clarendon Chapter of FTA, I am extremely proud of all my FTA'ers who attended the TFTA State Convention and other FTA'ers who did not. I believe our chapter does some good work on the district and state levels. For next year, Sheri Chamberlain

Defer pastures for turkey hens

wild turkey hens begin nesting in March. Since the nesting season peaks in April and extends through May, deferring pastures from grazing that have good nesting habitat from March to early June greatly benefits turkey reproduction.

Tall and medium height bunch grasses in stream bottoms and along creeks provide excellent nesting habitats. The vegetation provides nesting material and concealment from predators. Hens need drinking water daily, as will their poults soon after hatching.

Nests located in stream bottoms and along creeks will be close to drinking water in most years. Hens may also nest in upland pastures when the vegetation is right and drinking water is available.

Nesting hens can be disturbed by domestic livestock and humans. Grazing may reduce the height and density of nesting cover. Disturbances by livestock, people, dogs, and vehicles may cause hens to abandon their nests. Total pasture deferment during the nesting season will increase the number and success of nests, so there will be more poults in June.

For more information about grassland management for wildlife, contact personnel at any local office of the Soil Conservation Service, U.S. Department of Agriculture. SCS conservationists give technical assistance to landowners and operators through soil and water conservation districts which are governed by elected landowners.

Information about wildlife habitat can also be obtained from game wardens and county extension agents.

Mustard first appeared in paste form in 1720. It was sold by Mrs. Clements of Durham, England, in earthenware pots covered with parchment from legal documents.

Les Beaux Arts Club

On Friday, March 1, 1985. Les Beaux Arts Club met at the Patching Club House at 3:00 p.m. The 1985-86 slate of officers was presented by the nominating committee and approved by a vote of the club members. New advisors will be: President-Anna Moores Simmons; Vice-President-Gladys Sawyer; Secretary-Polly Sarich; Treasurer-Marjorie Benson; Historian-Lucy Saye; and Parliamentarian-Dorothy White. The club also voted to donate \$500 to the kitchen renovation project at the club house.

Following the business meeting, Gayla Fletcher presented an interesting and informative program on American Handicrafts, including crochet, tatting, and quilting. She brought many beautiful heirloom pieces which have been handed down to her from previous generations. Everyone enjoyed seeing and learning about these arts of years past.

Members present were: Jo Baldwin, Betty Boston, Marjorie Benson, Pam Fletcher, Maxine Hardin, Theda Hardin, Leona Henson, Cennet Rhode, Polly Sarich, Lucy Saye, Anne Moores Simmons, Bobbie Thornberry, Mary Thornberry, Dorothy White, and guest Gayla Fletcher. Refreshments were served by Polly Sarich, Pat Thornberry, and Bobbie Thornberry.

Lady Broncos place 3rd. at White Deer

The Clarendon Lady Broncos began the 1985 track season with a 3rd place finish at the White Deer Relays. Preliminaries in the running events were held on Friday afternoon with the weather being warm with a slight breeze. But on Saturday, the weather was cold and windy thus hampering many of the times and distances. The Lady Broncos did an excellent job at the meet despite the absence of some team members (due to spring break) and the cold, windy weather.

Here's how the Lady Broncos placed individually at the White Deer Relays:

Shot Put: Larinda Pettit, 3rd place, 27'9"; Jennifer McAner, 6th place, 24'.

Discus: Terri Leffew, 1st place, 73'8"; Rachel Bowling, 4th place, 60'3".

Long Jump: Kristen Couch, 3rd place, 14'9".

High Jump: Janet Risley, 6th place, 4'4".

400 meter relay: Linda Hill, Kristen Couch, Donna Ford, D'Liss Robinson, 5th place, 58.81.

100 meter low hurdles: Muzzy Hayes, 1st place, 15.02.

800 meter dash: Stefani Graham, 5th place, 2:48.47.

100 meter dash: Donna Ford, 3rd place, 13.71.

200 meter dash: Donna Ford, 6th place, 30.26.

1600 meter run: Kami May, 4th place, 6:48.89; Regina Havens, 6th place, 7:01.27.

800 meter relay: Marcy Helms, Kristen Couch, Muzzy Hayes, Janet

Risley, 1st place, 1:57.01. 1600 meter relay: Janet Risley, Kristen Couch, Stefani Graham, Muzzy Hayes, 2nd place, 4:33.68.

Mehaffey assigned as Pampa Conservationist for SCS

Thomas Claude Mehaffey of San Benito will be reassigned as area conservationist at Pampa for the USDA Soil Conservation Service effective March 3, 1985. He replaces Douglas E. Cunningham who retired. Mehaffey has been district conservationist for SCS at San Benito since 1975.

A native of Breckenridge, Mehaffey graduated from Abilene Christian University in 1959 with a BS degree in range management. He served in the U.S. Army from 1952 to 1954.

Mehaffey started his conservation career in 1959 at Throckmorton. He later was a district conservationist for SCS at Graham, Paducah, and Cleburne before moving to his present position at San Benito in 1975. He received awards for outstanding work in 1963, 1972 and 1980.

O.C. Edwards retires after 49 years in the ministry

O.C. Edwards resigned his position as minister of the Howardwick Baptist Church December 1, 1984 after 49 years and 3 months continuous service in the ministry with the exception of 60 days. He and his wife Annie plan to retire and do the things they enjoy.

O.C. was born to Mr. and Mrs. J.A. Edwards, July 28, 1907 in McLennan County, Texas. The Edwards family moved to Estelline and settled in the Hulver community in Hall County in October of 1907.

He attended Toby's Business College in 1925, studying bookkeeping, banking, business management, secretarial skills, including typing, shorthand and penmanship. He returned to the panhandle April 26, 1926 went to work for Mistletoe Creamery. He worked in just about every department, including butter, ice cream, laboratory and manufacturing. He continued to work for Borden's when they purchased the company in the early 1930's.

O.C. attended the Second Baptist Church, Amarillo, and was licensed to preach by them in 1935. At the time, he felt the call to preach the Gospel. He was an ordained deacon and training union director, and served the church as treasurer.

After being licensed to preach, he continued to study accounting and commercial law and work for Borden's.

It did not take him long to find out that the Lord was indeed preparing him for a life long call to preach the Gospel to the whole world and a special call to the pastorate. A call that, at that time, he could not know that he would preach for 49 years in 14 different churches in 5 states. He preached in cities, towns, villages, and in the open country. He

has held evangelist revivals in Alaska and Brazil South America. His business profession was behind him, but this preparation was an ever source of help in his ministry, working with people, in all kinds of circumstances. He had to deal with personal, family, youth, community and racial problems. He has had to deal with demonstrations on college campuses and crime.

Rev. Edwards stated, "My ministry could not have continued without the help of my many people, including the support of Wayland Baptist College, Oklahoma Baptist University, South Western Seminary in Ft. Worth, great pastors and teachers such as J. Howard Williams, that preached his ordination sermon, J.D. Horton, the pastor of Second Baptist Church, Amarillo, L.R. Scarborough and others, especially without the support of my life long companion Annie and our family."

O.C. and Annie Clara Smith were married in Amarillo January 16, 1930. She was also a member of the Second Baptist Church where she taught Sunday school. The Edwards have three children, O'Dona, Patricia Ann and Larry. They have seven grandchildren and six great-grandchildren.

The Edwards have served churches in Hartley, Hart, Hale Center, Goodnight, Houston and Howardwick in Texas, Mountain View, Ryan, Shawnee, Cooperton and Apache, all in Oklahoma. His ministry since 1972 has been on an Interim basis, but it has included every week for the past 12 years.

Rev. Edwards is still in good health and does interim and supply work whenever he is needed. He also works with senior citizens.

SPOTLIGHT On Teen's

Note: This article will be a weekly feature in The Clarendon Press by Rev. Tony Colburn, Assoc. and Youth Pastor of the Calvary Baptist Church, Highway 287 in Clarendon.

TEENAGE SUICIDE: DO YOU CARE?

I believe that it's time that we wake up and get concerned about teenage suicide. We can not just ignore it any longer. Do you realize that over a half million teenager's commit suicide every year and that 5,000 teenagers actually commit suicide every year. It breaks my heart to think that there are teenagers out there who think that nobody loves them, who think that there is no longer any reason to live, who think that they would be better off to kill themselves rather than to have to face everyday life. Why do they do it? Why do they

want to end it all? Are they crazy? No! Many times a teenager will commit suicide because of an overwhelming failure: a young girl discovers she is pregnant; a boy has been arrested for drunk driving; a senior is busted for drugs; a boy didn't make the basketball team. Whatever it is he feels he can not cope with the situation.

What does the teenager need? He needs someone to love him. He needs someone to deliver the message that Christ is the answer. He is the only one who can give meaning to life. Listen, I know. I was once a teenager not long ago. I had no purpose at all in life and had many times contemplated suicide as a teenager. But then I met Christ. Believe me, there is no friend like Jesus. Jesus Christ alone can solve the teenager's problem.

Top O' Texas

Jr. Livestock

show March 13-16

Plans are complete for the Annual Top O' Texas Junior Livestock Show to be held in Pampa March 13-16, 1985 at the Clyde Carruth Pavilion in Recreation Park according to Kenny Smith, Chairman of the Agriculture and Livestock Committee of the Pampa Chamber of Commerce.

Activity will get underway on Wednesday, March 13, at 6:00 p.m. with the Steer Weigh-In. The Gray County Junior Livestock Show, sponsored by the Pampa Noon Lions Club with Dr. M.W. Horne as Show Superintendent will begin at 9:00 a.m. on Thursday, March 14.

9:00 p.m. Thursday is the deadline for weighing the swine and lambs. Fifty-three steers, 180 barrows and 149 lambs are entered this year. Judging of the steer division will

begin at 6:00 p.m. on Thursday evening, March 14th. Bill Meese of Friona, Texas will judge this division. Friday will be devoted to judging swine and lamb divisions. The swine will be judged by Jim McManigal of Happy, Texas, beginning at 9:00 a.m. Lamb judging will begin immediately following the swine and will be judged by George Ahlschwede of San Angelo.

Approximately thirty FFA Livestock Judging Teams from Area I will compete for honors on Saturday, March 16, with registration scheduled to start at 9:00 a.m. in the stock show sales area. Rex McAnelly is contest Superintendent and Dr. Ted Montgomery and Mark Sebrack of West Texas State University will be the official contest judges. Winners will be announced and awards made at an awards luncheon beginning at 1:00 p.m. in the First United Methodist Church basement in Pampa with a past Frank M. Scholarship Recipient giv-

ing the address.

The Frank M. Carter Scholarship Award of \$1,000.00 to Texas Tech University School of Agriculture will also be presented to the outstanding FFA student from Area I. The winner will be selected by a panel of three who will evaluate the applications and interview the students.

On Saturday, the 16th, a Bidder's Bar-B-Que will be held in the Clyde Carruth Pavilion from 1:00 to 2:30 p.m. Immediately following, auctioneer Bob Caddel of Pampa will sell the junior stock.

The show is sponsored by the Agriculture and Livestock Committee of the Pampa Chamber of Commerce with Clyde Carruth as Superintendent and Jim Greene as Assistant Superintendent.

Bentson fears farm bill will worsen credit crisis

Editors Note: This article appeared in High Plains Journal, Feb. 25th issue.

Sen. Lloyd Bentsen of Texas said fears about the direction the Administration's new farm program will take are making the farm credit crisis worse.

"We have a crisis in farm credit on our hands," Bentsen said in a recent speech before the Senate.

"Farmers right now are going in to get financing to plant their next crop. In my home area of South Texas, planting season starts in about a week. In many cases that credit is not going to be there."

"Let's be honest about why many of those loans won't be made."

"I have talked to Texas bankers. I know they want to help their farm customers survive. But all too often,

they can't.

"One banker said quite frankly if the rumors he was hearing about the Reagan farm bill were true, then he would simply liquidate all his farm loans.

"He pointed out his farmers were barely making it at current prices, and he had a fiduciary duty to his depositors and his stockholders that would not allow him to throw away money on loans that could not be repaid.

"Yes, we have a farm credit crisis, but the real crisis in agriculture is a crisis in prices. Farmers can't get loans because they can't pay them back.

"They can't pay off those loans because interest rates are too high and prices are too low. The prime interest rate has been over 10% for

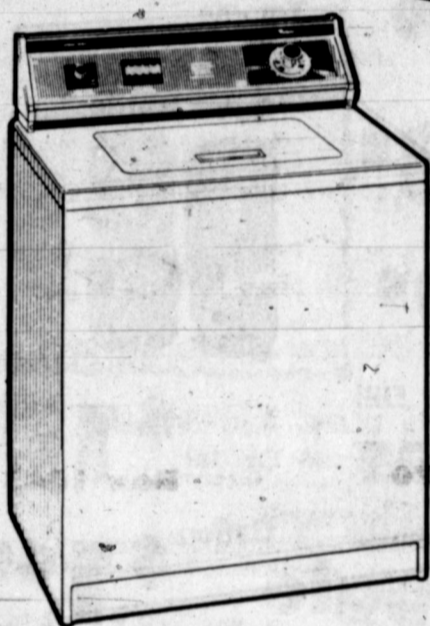

six years now. Since 1981, the price of wheat has dropped 20%, grain sorghum has dropped 25%, cotton has dropped 26% and rice has dropped 38%.

"It could well be that real, after inflation, cash income for farmers in 1985 will be the lowest since 1968. Farmers can't pay 1985 bills with 1968 paychecks," Bentsen said.

"Farmers tell me they don't want more credit they want a fair price for their product. They know they can't borrow their way out of debt. They just want a chance to earn their way out of debt," Bentsen said.

"I think our government's policy should be to cushion the shock of our current farm problems, not make them worse. I for one do not intend to abandon this nation's most important industry, and I would hope this Administration will do likewise and come up with some better farm policies than those we have heard rumors about in recent months," Senator Bentsen said.
