THESE STUDENTS will be modeling these clothes in their Fashion Show next Tuesday. From left are Nikki

Robinson, Twanna Garland, Christie Knorpp and Tanya Bell.

Fashion Show April 23

The Clothing and Textile class and the Homemaking I class of Clarendon High School invite you to attend the first annual Fashion Show, Tuesday, April 23 at 7:30 p.m. in the High School Auditorium. Admission is free.

All of the clothing to be modeled has been made by the students. Their projects include garments for themselves plus a garment for a younger child.

Some of the little models are Jennifer Hatley, B.J. and Haley Hamilton, Melisse Campbell, Susan Rattan, Corey Knorpp, Missie Butts, Rachel Lovell and Josh Mondragon.

Some of the older models include Sue Chambliss, Nikki Robinson, Tanya Bell, Christie Knorpp, Sharon Bright, Kim Sharrar, Kim Rattan, Rachel Bowling, Rachel Torres, Christina Leathers, Lori Mays, Lesa Frister and Connie Ballard.

Nazarene Church to dedicate new addition April 21

Sunday, April 21st will be a day of celebration for Clarendon Church of the Nazarene for on that Sunday, Rev. Gene Fuller who is District Superintendent for the West Texas District Church of the Nazarene will hold services dedicating the new addition onto the Church. Rev.

Fuller is District Superintendent over approximately 90 churches. He has done a tremendous job as such. We at Clarendon Church of the Nazarene would like to invite the public to attend Sunday School at 9:45 a.m. and morning worship at 10:00 a.m.

Nazarene Church to host Songsmiths

Sunday night, April 21, at 6:00 p.m., the Nazarene Church will host the Songsmiths in the evening service. The songsmiths are gospel singers from Pampa. Some of you know them as the back up singers from the group called Power & Light. For those who missed them last month, here is your chance to come and receive a blessing. For those who were blessed by their singing last month, we know you will not want to miss this service. Everyone is invited to come. You will receive a blessing.

Aggie Muster April 21

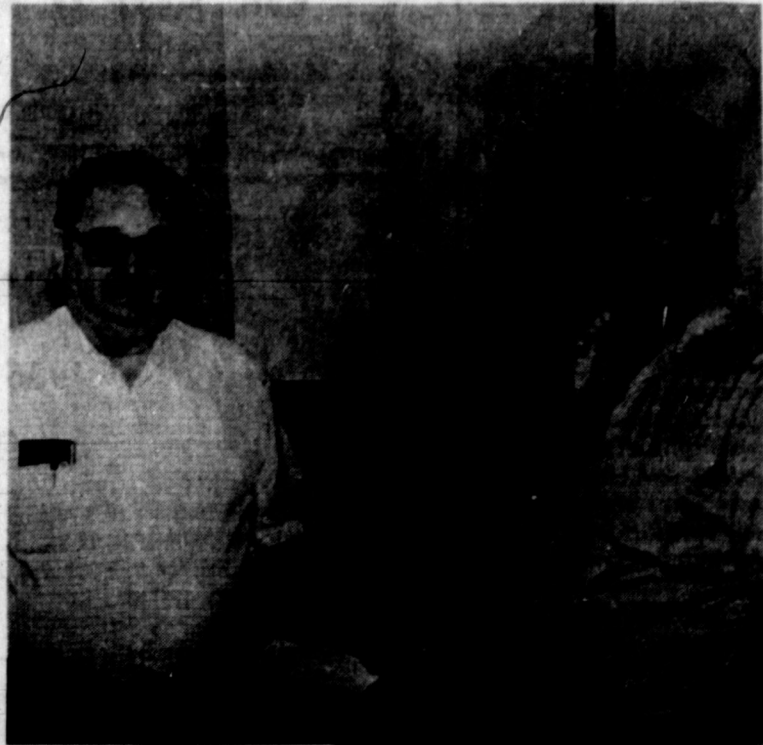

The Aggie Muster will be held Sunday, April 21 at Quail Booster Building and a barbecue lunch will be served at 2:00. Reservations should be made by Friday, April 19. For reservations, call Ben Carson at 806-447-5778.

Virus in tomatoes affect plant development

Problems with tomato plants may be caused by the curly top tomato virus, according to Dr. Robert Berry, Texas Agricultural Extension Service Plant Pathologist. Curly top is first indicated by leaves curling up and showing purple veins underneath. The infection leads to a slow plant death and poorly developed tomatoes.

Dr. Berry stated that curly top is the most prevalent tomato disease for home gardeners in West Texas. Until recently, the only way to deal with the problem was to pull up infected plants to avoid rapid spread of the disease.

Chamber of Commerce Banquet April 18

Don't forget to attend and support the Clarendon-Donley County Chamber of Commerce Awards Banquet Thursday night at 7:30. The banquet is being held at the Clarendon Community Center with the Clarendon College Cafeteria catering the affair. Tickets may still be obtained by contacting the Chamber office in the Clarendon Press building or may be purchased at the door the evening of the banquet. The Chamber of Com-

merce will present the Saints Roost Award, Woman of the Year, Man of the Year and Youth of the Year. The Clarendon Volunteer Fire Department, Alpha Upsilon, and Xi Lambda Xi will also be honoring outstanding citizens in the community. Entertainment will be furnished by the Clarendon College Cowboy Band. Dinner will be served buffet style. All tickets will be \$7.50 per person.

Girl Scout leaders are people like you

The typical Girl Scout leader used to be thought of as a mother of small children and a full-time homemaker. But not in 1985!

Today's Girl Scout leader can be a working mother or a senior citizens, a single career woman or an "empty nester" whose children are grown. She, or he, can hold a Ph.D. in economics, be a full-time student or work at any occupation.

What all these women and men MUST be, however, is energetic, intelligent and supportive of the diverse group of girls who make up today's typical Girl Scout troop.

Kindergarten visitation day May 2

The Kindergarten of Clarendon Public Schools extends an invitation to all children who will be 5 on or before September 1, 1985, to come and visit their class.

Visitation will be Thursday, May 2, 1985. Parents may bring their children to Room B 214 in the main building at 10:15 a.m. and pick them up at 11:30 a.m. The school will provide a free lunch in the school cafeteria for the visiting children.

We will be pre-enrolling the new Kindergarten children on May 2, 1985. Please bring photocopies of your child's birth certificate and immunization record on the visitation day.

including kindergarten-age Daisy Girl Scouts, members of Girl Scouting's newest age level.

To show their appreciation for all the love, generosity, skill and energy of local Girl Scout leaders, the Girl Scouts of Clarendon will join with sister Girl Scouts in thousands of communities across the U.S.A. on April 22 to celebrate the fourth annual observance of Girl Scout Leader's Day.

Clarendon Girl Scouts are planning all kinds of happy events to honor their leaders on this special day. And they hope the whole community will join them in this daylong salute.

We're happy to oblige and to wish Girl Scout leaders, here in Clarendon and across the nation, a wonderful time on their day! We urge all you readers to observe this special day, too. On April 22, extend a warm hello and hearty congratulations to the Girl Scout leaders you know. They deserve it!

Notice

Baby pageant deadline extended
The Clarendon Young Homemakers have extended the entry deadline for the "April Showers" Baby Pageant to Friday, April 19. This pageant is for babies 0-24 months. The entry fee is \$10.00 which includes a picture package. The photos will be taken by Dolores Crump of the Art Studio.

Entry forms are available at The Nook, Saye's, Gibson's, IGA Foodliner, Greene Dry Goods and Osburn Furniture.

Entry forms may be returned to Denise's Cloth Shop, 418 S. Goodnight or Missy Kidd at 502 S. Orpe (Brice Highway).

Baby Pageant April 27

The Clarendon Young Homemakers will be holding the 3rd Annual Baby Pageant Saturday, April 27 at 7:00 p.m. at the Clarendon College Fine Arts Building.

This year's theme is "April Showers". Entertainment will be provided by the Cub Scouts, the children's choir from the Methodist Church, Dan Hall and Ann Harper.

The pageant is for babies 0-24 months. This year there will be four age groups 0-6 months, 7-12 months, 13-18 months and 19-24 months. There is to be a boy and girl winner in each group with each one receiving a \$50.00 savings bond.

Judges will be Betty Smith of Memphis, Dorothy and Vestal Vaughn of Lubbock.

This year's door prizes are being donated by Greene Dry Goods and Harlan's Flowers.

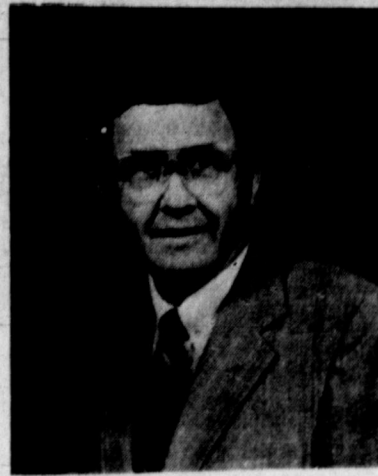

Admission will be \$1.50 for adults and 75c for children. The public is cordially invited to attend.

Chamberlain Community Center
Chamberlain Community Center will meet April 19 at 7:00 p.m. for a covered dish supper.

Hosts and hostesses will be Lloyd and Estel Thomas and Lloyd and Melba Risley.

NOTICE

The Young Homemakers ask that all parents who have entered their children in the "April Showers" Baby Pageant to be at the Fine Arts building at 6:00 p.m. so that pictures can be taken.

JOHN GILLISPIE

BRUCE MORGAN

Howardwick Baptist Church to hold revival

The First Baptist Church of Howardwick will hold a revival beginning Wednesday, April 24 through Sunday morning, April 28. The nightly services will begin at 7 p.m. Everyone is invited to come and worship with them.

The evangelist will be Rev. John Gillispie. Rev. Gillispie has worked extensively in evangelism in the United States, Japan and Korea. He was ordained in the First Baptist Church of Lamesa and has served as pastor in Seminole, Crowell, Groom and Knox City. He served on the Texas Baptist Executive Board, Trustee, Wayland Baptist University and other executive positions throughout the Baptist Association.

He participated in an Evangelistic Crusade in California in 1968, in the Japan-Korea Crusade in 1973 and in the Korea Crusade in 1975.

Bruce L. Morgan will serve as music leader. A graduate of Hardin-Simmons University, he is currently a student at Southwestern Baptist Theological Seminary in Fort Worth.

He has served as minister of Music and Youth at Connerstone Baptist Church, Fort Worth, First Baptist Church, Knox City, Wylie Baptist Church, Abilene, and the First Baptist Church, Rochester.

James Martindale is the pastor of the First Baptist Church at Howardwick.

Broncos place 2nd at Levelland

The Clarendon Broncos took only about half of their team to Levelland and still came in second. The Broncos brought home three gold medals. Trent Sharp won the 800 in a time of 1:58.3. He ran against the AAAAA boys and still won. He also won the 1600 meter run in a time of 4:43. Robert Youngblood won the 110 meter hurdles in a time of 16.05. He also was second in the 300 I.H. with a time of 41.5. Other Broncos scoring were: Shot-Don Brogdon, 3rd, 44'3"; Discus-Russell Alexander, 2nd, 141'4"; Dan Nichols, 5th, 122'; 3200 M. Run-Clay Sharp, 4th, 11:21; 400 M. Run-Mark Luttrell, 54.0; 1600 M. Relay-Youngblood, Luttrell, Howell and Sharp, 3:30.

The Broncos compete in the district 2AA meet in Shamrock this Saturday. The prelims start at 9:30 and finals start at 2:30.

Al Morrah Shrine Club to sponsor Dance

The Al Morrah Shrine Club will sponsor a dance at the Community Center building beginning at 8 p.m. Saturday, April 20. There will be live music by the Country Comfort Band, which is made up of local and area boys.

If you've been watching TV or reading the newspaper, you have probably seen or read about the Amarillo family whose wife and baby got burned so badly. They were flown to Galveston to the Shriner's Burn Institute where they received medical attention. This care and help were given by the Khiva Shrine of Amarillo of which Al Morrah is a branch.

Al Morrah Shrine Club holds the barbeque each 4th of July and the proceeds go to the Shrine Burns Hospital in Galveston and the Orthopedic Hospital in Houston.

These hospitals are maintained solely by the Shrine. Anyone who is burned can receive treatment there at no cost regardless of whatever their financial condition, or race, color or creed. The Shrine even maintains an apartment complex for the families of burned patients. The only cost to the family is their food.

The Orthopedic Hospital is open to patients up to the age of 18 years for any orthopedic care they might need. Again, there is no cost to the patient.

The Shriners hold various entertainments around the area for the purpose of gaining funds to maintain these hospitals.

Al Morrah Shrine Club meets each 3rd Monday in the Lodge Hall in Clarendon. Ernest Johnston is the president of the club. Billy Ray Johnston is the vice president and Bascom Timmons is the secretary.

This is one of the most worthwhile events in town. Come out and help the Shriners help the burned and crippled children of the area.

Private Applicators Certification meeting April 19

A private applicators certification meeting will be held at 9:00 a.m. on Friday, April 19, 1985, in the Ranch Operations Classroom located in Vaughn Hall at Clarendon College, according to County Extension Agent Ronald Gooch. The producers attending will have an opportunity to complete a request for Private Applicators Certification which will be forwarded to the Texas Department of Agriculture for issuance of certification.

A certified private applicator can use or supervise the use of any pesticide that is classified for restricted use for producing any agricultural commodity on property owned or rented by him or his employer.

For more information contact Ronald Gooch at the County Extension Office, phone 874-2141.

All Sports Banquet May 14

The Annual Clarendon High School All Sports Banquet will be Tuesday, May 14 at 7:30 p.m. in the school cafeteria. Tickets are \$5.00 per plate. Student athletes are admitted free. Parents and friends should turn money in as soon as possible to Tiny Alderson, Darlene Spier or Joyce Krown.

West Texas Chamber of Commerce holds Industrial Seminar

Phil Neighbors and Kirk Woodard of the West Texas Chamber of Commerce in Abilene held an Industrial and Economic Seminar to show the members of the Industrial Committee of the Clarendon Donley County Chamber of Commerce the things they need to do to help attract industry to Donley County.

One of the first and very important things the Chamber needs to do is to send the West Texas Chamber all the things we have to offer companies in way of available buildings, labor force, water, available housing, land for sale, skilled labor, utilities, population, and keep this information updated year to year.

This information goes into their files. When they have an inquiry from a company wanting to relocate or put in a new business, they go to their files and check to see if your county meets their criteria. If it does, then they pass this information on to both parties.

Their advise was to try to help the existing industries expand and hire 2 or 3 more people, and try to interest companies employing 5 to 10 people, rather than some one needing 100 or more employees.

"Neighbors stated, "Texas is the fastest growing state in the nation. The sun belt and available water are our two most important drawing points, and Donley County seems to have plenty of both."

Those attending were Chamber President Mark Winsor, Bud Day, Jim Sharrar, Mack Smith, Billie Schaffer, Jean Baten, Helen Woody, Dave Croslin, and Chamber Manager of Memphis.

Defensive driving course offered

There will be a defensive driving course sponsored by Donley County Farm Bureau on April 22nd and April 23rd. The course is offered to all Farm Bureau members. Classes will begin at 6:00 p.m. and end at 10:00 p.m. both nights. They will be in

room 106 at Clarendon College. Registration has been extended until April 19th. The cost is \$10.00 per person.

Upon completion of the course, each person will be allowed a 10% discount on their auto insurance.

Easy Calcium Boosters From Morning Till Night

With today's active lifestyles, it's often difficult to maintain a balanced diet. And for those people cutting back on calories to shed extra pounds, too often this means cutting back on important nutrients—like calcium.

Contrary to common belief, milk is not just for kids. Adults need milk and other calcium-rich foods to help build dense bones and maintain a strong skeletal system. Calcium also helps regulate muscle contraction, control blood clotting and aids in nerve impulse transmission.

In fact, a healthy intake of daily calcium is a good preventive measure against the bone disease osteoporosis, which can afflict us in later life. No matter how busy you are, you should make time to increase daily calcium intake. For calorie-watchers, try low-fat and skim milk dairy products—calcium content is equal to or more than the calcium found in their whole milk counterparts.

Some easy calcium-boosting tips for those with an active lifestyle:

- When time is tight, whip up a fruity breakfast shake. Combine milk or plain yogurt, chopped fresh fruit, honey and several ice cubes in the blender; whirl until smooth. It's quick, delicious and loaded with calcium!
- For a quick, nutritious lunch, prepare canned soup with milk instead of water.

In old China, a registry was kept listing all the local gods incarnate.

Soil Temperature should be checked before planting

In many cases the early bird does get the worm. But when it comes to spring planting, farmers may want to use a little restraint and take a look at soil temperatures before cranking up their planters.

One of the keys to getting spring crops off to a good start is to heed soil temperatures, cautions Ronald Gooch, Donley County Extension Agent.

Soil temperatures have been shown to have an important effect on how well seeds germinate. Planting in cool soils often leads to poor seed germination and poor crop stands. Plants that do come up often lack vigor for early growth. This opens the door to early season diseases and insect attacks.

Gooch advises farmers to begin planting only after the danger of a late frost is past and the soil has warmed to temperatures favorable to the intended crop.

Farmers also need to keep attuned to weather forecasts prior to planting. A sudden change in weather conditions following planting can be detrimental to the crop, particularly a cool, wet spell that can lower soil temperatures drastically.

Just when is it safe to plant what crop?

Average minimum temperatures (at the four-inch depth) for planting are as follows: corn, 50 degrees; sorghum, 55 degrees; cotton, 65 degrees; and soybeans, 70 degrees.

Hardy vegetables such as onions, cabbage and potatoes can be planted once soil temperatures range between 45 and 50 degrees while warm-season vegetables such as tomatoes, melons, beans and peppers need soil that has warmed into the 60s.

With early season planting, particularly when soil temperatures are still marginal, farmers need to pay particular attention to using high quality seed, fungicides and other seed protectants, and adjusting seeding rates, notes Gooch.

How do farmers keep abreast of changing soil temperatures?

Gooch points out that daily readings are taken at various locations throughout Texas in cooperation with the Extension Service, the Texas Agricultural Experiment Station, the National Weather Service and individual cooperators. For example, the regional temperature reading for North Texas is based on temperatures at Lavon Dam northeast of Dallas, while readings at Lufkin and Longview make up the East Texas average. Regional readings are also made for the High Plains, Trans-Pecos area, Coastal Plains, South Texas and Lower Rio Grande Valley.

As temperatures are collected, they are included in daily agricultural weather advisories issued for each of the regions by the National Weather Service's Southwest Agricultural Weather Service Center at Texas A&M University. The advisories are fed into the NOAA (National Oceanic and Atmospheric Administration) weather wire teletype system to be received by commercial radio and television stations. The advisories are also carried over the NOAA Weather Radio Network.

Specific temperature reading for about 50 locations are also distributed daily through regular weather service dissemination channels.

Keeping tabs on the weather and soil conditions can help farmers get off to a good start with spring planting, believes Gooch. With the high cost of farm inputs, it's information that should be put to good use.

CLARENDON DONLEY COUNTY Chamber of Commerce Secretary-Manager Patsy Leffew (l), Congressman Beau Boulter and Home Extension Agent Terry Floyd discussing the national budget at Friday's town hall meeting.

Town Hall Meeting with Beau Boulter

by PEGGY WATT

On Friday, April 12, approximately 50 concerned citizens met in the cafeteria of Clarendon College with Congressman Beau Boulter.

After being introduced by the Chairman of the Donley County Republican committee Floyd Ramsey, the congressman, who is a member of the Budget Committee, touched on many subjects.

On the subject of agriculture he said, "I'm an optimist. I think the future of the entire world hinges on agriculture. The people who work to improve the life of everyone in the world and who are capable of feeding 76 people deserves a better chance than they're getting. You hear a lot of talk these days about the federal money being spent to subsidize the American farmer, but let me tell you this, the American farmer receives only 1 1/2 percent of the entire federal budget. Part of it should be used to develop world markets for the farm products. The Republicans on the Budget Committee aren't in favor of eliminating farm price supports. We need to redesign the farm program so that the American farmer can help himself. We need to get the federal government out of the business of exporting. The farmer is the chief American exporter and he's being crowded out of the chain of prosperity in exporting."

When asked about ending McKee's announce engagements of their children

Mr. and Mrs. Stanley McKee of Clarendon announce the forthcoming marriage of two of their children.

Dian McKee of Silverdale, Wa. will join Leif Johnson at the altar of St. James Episcopal Church on Sunday, April 21. Dian is a word processor for Kelly Girls, Inc., and has appeared in several Little Theater groups in California. Leif is a civilian employee with the U.S. Navy. They will reside in Silverdale.

Jeff McKee will exchange vows with Sonja Sorenson on Thursday, May 2 in the "Little Chapel" in Harmony, CA. Miss Sorenson is an R.N. associated with Home Health Care of Kings County. Jeff is a cotton ginner for Wasco Coop Co., of Wasco, CA. They will make their home in Hanford, CA.

Stanley and Miz Ellie will leave Clarendon May 6 to attend a joint reception for the two couples in Hanford, CA on Sunday, May 12.

Revenue Sharing the Congressman said, "How can you share revenue when there isn't any revenue to share? There's a huge federal deficit to be shared by every American. I am in favor of stopping the Revenue Sharing program. We could save 4 1/2 billion dollars if we eliminated it."

When asked about waste in the military services, the congressman replied, "There is absolutely no unity in the military. There needs to be someone in command with the authority to make decisions. There are many more officers in Washington than there was at the height of any war in the past. We need to get rid of those superfluous officers. There are also more than 20 thousand civil employees in the Pentagon. Get rid of the ones who aren't essential. There are approximately 25 obsolete military bases in this country, but 5 of them are in the district of one of the budget committee members and there's no way he's going to vote to close them. He'd lose too many votes. The same thing goes for an airplane factory whose airplanes aren't even being used by the Air Force. If it is shut down, the member in whose district it is would lose votes. That's the name of the game in Washington. Everybody has his own special interests."

When the question of the federal deficit came up, the congressman had this to say. "If we don't do something about the deficit spending, I fear for the future of our children. My children are one of the reasons I decided to run for congress in the first place. I want my kids to be able to choose the way of life they want. I want them to have the right to pray in the public schools. I don't want them to have to spend 20 days of their work month just paying the interest on the debt we've made. There are many warning signs. By October 1985 we will have spent \$230 billion. That is 6% of the gross national income."

"Our number 1 challenge is to solve the problem of government spending. In less than 2 years we will owe more to foreign countries than they owe us. We must concentrate on economic growth without inflation. We must cut federal spending by \$50 billion and do it in such a way as to spread it out."

These goals of balancing the budget are bi-partisan. Both houses of congress want to stop deficit spending, but there are some who think it can't be done without increased taxes. I think it can. If we cut out the waste spending, we could save \$424 billion during the next 3 years. The Grace Commission has 2478 ways to eliminate waste. I'm not in favor of all of them. I don't think the Social Security Fund should be tampered with. It is solvent and will stay that way if left alone.

The corporations are not breaking any laws by not paying more taxes. The corporations are people and the shareholders pay taxes on their dividends."

One other subject touched on by the congressman was the buying of oil from foreign countries.

"We need to be independent by permitting the independent oil companies get on with the business of finding the oil we need. We have vast untapped sources of oil waiting if the independent driller were permitted to find it. At the present time, we are at the mercy of oil producing countries who can charge any price they choose to ask for their crude oil."

Concerning the power structure of the house, the congressman said, "In the last election Mr. Reagan carried 49 states, and the Republicans hold 49.6% of the votes. There are only 39% Republicans on committees. A good portion of Republican legislation gets pegion-holed in committee. The structure of the house needs to be rearranged so that the legislators are more evenly distributed."

Asked about the closing of small post offices, he said, "I think there should be postal service in every rural area. The post office department should be self supporting. It is not a business, it is a service."

The congressman was most emphatic about the proposed nuclear waste depository at Hereford.

I'm against it! It isn't in my district, but it's too close to home for me to be in favor of it. It would cost from 30 to 100 billion dollars to store it there. We have a facility on the east coast where it can be reduced to about 25% of its present volume. We are working on placing it in orbit around the planet Jupiter where it would orbit for 63 million years. Why should they bury it in the ground when they can get rid of it for that long?"

Prior to the meeting, the congressman enjoyed coffee at the Country Club and a barbeque with the trimmings with the Clarendon College Sportsman Club. Others attending were area representative Ernie Houdashell, Mr. Floyd Ramsey, Mr. and Mrs. Bill Hill, Mrs. Patricia Leffew, and Mrs. Terry Floyd.

Mr. Hill is the County Campaign Manager and Mrs. Leffew is the secretary for the Area Chamber of Commerce, and Mrs. Floyd is the Donley County Home Extension Agent.

From The PEN of PASTOR PINION

There is a silly story about two Chicago men who had never been out of the city who decided that they had just about "had it" with urban living. So they bought a ranch down in Texas. They decided they were going to live off the land like their ancestors.

The first thing they decided they needed in order to ranch was a mule. So they went to a neighboring rancher and asked him if he had a mule to sell. The rancher answered, "No, I'm afraid not."

They were disappointed but they decided to stand around and visit with the rancher for a few moments. One of them saw some watermelons stacked against the barn and asked the rancher, "What are those?" The rancher, seeing that they were hopelessly city slickers decided to have some fun. "Oh," he answered, "Those are mule eggs."

The two city refugees were entranced, "Mule eggs?" they asked. "Yes, mule eggs," the rancher answered. "You take one of those eggs home and wait for it to hatch and you'll have a mule." The Chicagoans were overjoyed at this and they offered to buy one of those mule eggs. They agreed on a fair price, put one of those watermelons in the back of their pickup truck and headed down the bumpy country road toward their own ranch. Suddenly they hit an especially treacherous bump and the watermelon bounced out of the pickup truck, hit

the road and burst open. Seeing in his rearview mirror what had happened, the driver turned his truck around and drove back to retrieve his mule egg.

Meanwhile this big old Texas jackrabbit was hopping by and he saw this watermelon burst in the road and he hopped over to it. Standing in the middle of that watermelon, he begins to eat. Here comes the two city men. They spy their mule egg burst open and there is this long eared creature in the middle of it. One of the men shouts, "Our mule egg has hatched!"

Seeing those two men coming toward it, that jack rabbit takes off hopping with the two city fellows in hot pursuit. As is a jack rabbit's custom, it ran for a few minutes in a circle with the two men from Chicago giving everything they had to catch him. Finally they could go no farther. Both men fell wearily onto the ground grasping for air while the jack rabbit hopped off into the distance. Raising up on his elbow, one of the men said to the other, "Well, I guess we lost our mule." The other man nodded grimly, "Yes but you know," he said, "I'm not sure I wanted to plow that fast anyway."

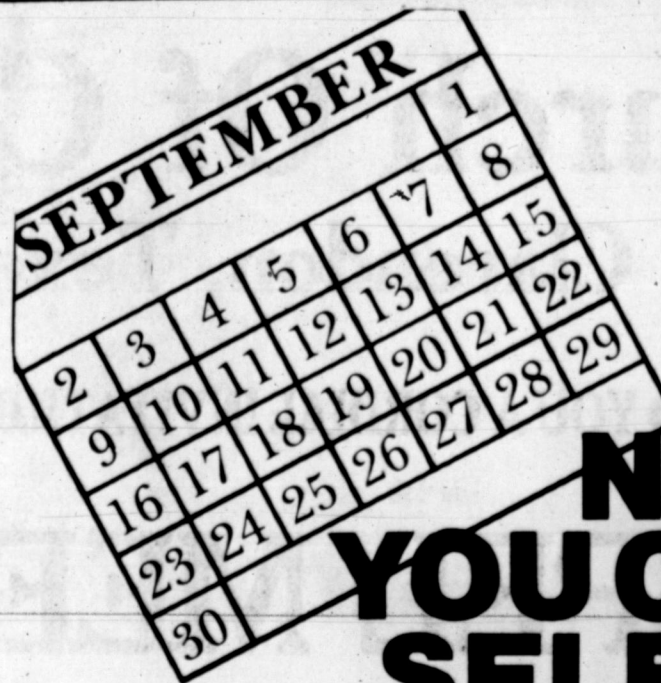

That is an absurd little story, but please think about that punch line. Is it not true that the greatest barrier in our lives to the Gospel is the fact that we are not sure we want to plow that fast anyway? Is it not true that we want just enough religion to get by?

Yet the tragedy is that there is no joy in a half-hearted faith. Many of us have just enough religion to make us miserable. But Christ wants to make our lives a miracle.

The Lion's Tale by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-six members and one guest, Pud Bain of Clarendon, were present. Following the meal, our fearless songleader, Lion Bentley, led us in one verse of "America" which came out amazingly well considering it was done a cappella. Boss Lion Lovelady reminded us that Lion District 2 T-1 District Convention will be held in Amarillo April 19th and 20th. Plans were made to put down new linoleum in our kitchen. Meeting adjourned.

Some consider it bad luck for women to look at trumps

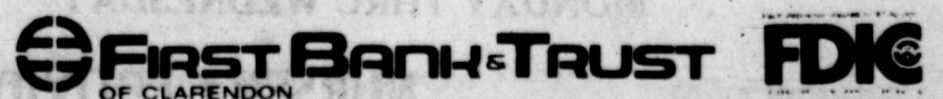

NOW YOU CAN SELECT THE MATURITY DATE FOR YOUR C.D.

The choice is yours. Select two weeks from the date of deposit, or up to five years. New legislation pertaining to banks now allows you to select the exact date of maturity on Certificates of Deposit.

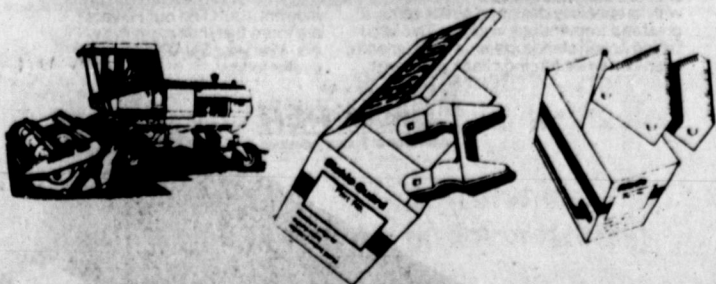

Minimum requirements are 14 days for deposits of \$100,000 or more and 32 days or longer on smaller deposits. (Penalty for early withdrawal.)

Obtain Money Market rates on CD's with a minimum deposit of \$1,000.

All deposits insured to \$100,000 by the FDIC and your money stays in Clarendon.

City Minutes

adjourn.
The Board of Aldermen of the City of Clarendon met in called meeting on April 8, 1985, in the board room, City Hall at 9:30 a.m.
Members present were Mayor James L. Kuhn, Aldermen Richard Bell, Lloyd McCord, and James Sharrar.
Members present were Aldermen Steve Smith and Gene White.
City Secretary Donna Edwards was also present.

There came to be considered the returns of an election held on April 6, 1985, for the purpose of electing the hereinafter named officials, and it appearing from said returns, duly and legally made, that there were cast at said election 131 valid and legal votes; that each of the candidates in said election received the following votes:

FOR MAYOR	
James L. Kuhn	119
(write in) Clarence Hamilton	1
FOR ALDERMEN (2 places)	
James Sharrar	104
Richard Bell	91
Ricky Rattan	42
(write in) B.L. Graham	11
(write in) Tex Selvidge	1

Mayor James L. Kuhn was elected for two years, and Aldermen Richard Bell and James Sharrar were elected for a term of two years.
Therefore, be it resolved by the City Council of Clarendon Texas:
That said election was duly called, that notice of said election was given in accordance with the law, and that said election was held in accordance with the law, and that James L. Kuhn was duly elected Mayor of said City of said election, and that Richard Bell, and James Sharrar, were duly elected Aldermen of said City at said

election, and said above named parties are hereby declared to said respective offices, subject to the taking of their oaths and filing bond as provided by the laws of the State of Texas.

It is further found and determined that in accordance with the order of this governing body, the Secretary posted written notice of the date, place and subject of this meeting on the bulletin board located in City Hall, a place convenient and readily accessible to the general public, and said notice, having been so posted and remaining posted continuously for at least 72 hours preceding the scheduled time of said meeting. A copy of the returns of said posting shall be attached to the minutes of this meeting and shall be made a part thereof for all intents and purposes.

Passed, adopted, and approved this the 8th day of April 1985.
Mayor James L. Kuhn

Attest:
City Secretary Donna Edwards
There being no other City business at this time, motion carried to adjourn.

The Board of Aldermen of the City of Clarendon met in regular session on April 9, 1985, in the board room, City Hall at 7:00 p.m.

Members present were Mayor James L. Kuhn, Aldermen Richard Bell, Steve Smith, Lloyd McCord, and James Sharrar.

Member absent was Alderman Gene White.

Others present were City Secretary Donna Edwards, Jim Roberts, Ricky Rattan, and City Attorney John Lovell.

Minutes of the March 28 and April 8, 1985 meetings were read and approved.

The Oath of Office was given to the newly elected City officials, Mayor James Kuhn, and Aldermen Richard Bell and James Sharrar.

Ricky Rattan presented a franchise check in the amount of \$1,648.86 from Cable TV to the Mayor.

Motion carried to sell the City's trash trucks. Sealed bids will be accepted at City Hall until 7:00 p.m., May 14, 1985. Notice of this will be printed in The Clarendon Press.

Motion carried to approve a work study for the library during the summer months and approve extra hours by part-time employee during the Summer Reading Program.

Motion carried to purchase an adding machine for the library.

City Attorney John Lovell, having completed the trash ordinance for the City, went over it with the Board.

Motion carried to approve this ordinance.

ORDINANCE NO. 453

An ordinance regulating the use of garbage containers within the City of Clarendon, Texas and the disposal of roofing materials, construction materials, concrete and other commercially produced bulky material.

Whereas, the City of Clarendon has contracted with Blawie-Ferris Industries for the establishment of a containerized garbage disposal service; and

Whereas, the landfill previously operated by the City of Clarendon and the County of DeWitt is to be closed; and

Whereas, there are no ordinances or regulations controlling or regulating the use and maintenance of the new garbage collection system; and

Whereas, this City has the right and duty to adopt and enforce such regulations as are necessary in order to control the use of such garbage disposal services and facilities, and to protect the health and safety of the community;

It is therefore ordained by the City Council of the City of Clarendon, Texas:

SECTION 1: No burning of garbage, leaves, tree trimmings, or other refuse within the city limits shall be allowed without the prior written consent of the city fire marshal. Under no circumstances shall any person burn or cause to ignite the refuse contained in any garbage or refuse container provided by the City, or by any person or business entity which provides such containers.

SECTION 2: No side loading garbage container provided by the City, or by any person or business entity providing such containers, shall be filled with roofing materials, construction materials, concrete, brick, stone, dirt or soil, stoves, refrigerators, water tanks, washing machines, or other similar bulky materials.

SECTION 3: The disposal of roofing materials, construction materials, concrete brick, stone, dirt and soil, and other bulky materials by contractors shall be made into the roll-off container provided by the City. Prior to disposing of such materials, the contractor shall contact the City office to obtain permission to dispose of such materials. At that time, the contractor shall inform the City office of the nature of the materials and the approximate weight and volume. Upon payment

of a disposal fee to the City office, and approval by the City office, the contractor shall be allowed to dispose of such materials. The City shall maintain a fee schedule in the City office, which schedule shall be set by resolution of the City Council, and amended from time to time as the City Council deems necessary.

SECTION 4: Any individual resident or business, which is not a contractor producing roofing materials, construction materials, concrete, brick, stone, dirt or soil or other bulky materials in the normal course and scope of their employment or business operation shall not be allowed to dump more than one (1) pickup load of such materials in any given ten (10) day period without prior consent of the City office. Any such individual or business desiring to dump more than one (1) half-ton pickup load of such materials in any given ten (10) day period shall pay a disposal fee to the City office and receive approval from the City office prior to disposing of such materials. The City office shall maintain a fee schedule for such disposal, which schedule shall be set by resolution of the City Council and amended from time to time as the City Council deems necessary.

SECTION 5: All garbage, trash, brush and trimmings which are placed in sideloading containers shall be no more than four (4) foot in length.

SECTION 6: The use of the roll-off container provided by the City is reserved for use by city residents only. County residents desiring to dispose of garbage in City containers shall obtain permission from the City office prior to dumping. The City shall maintain a fee schedule in the City office, which schedule shall be set by resolution of the City Council, and amended from time to time as the City Council deems necessary.

SECTION 7: PENALTIES.
Any person who shall violate any of the provisions of the ordinance hereby adopted or fail to comply therewith, shall severally for each and every such violation and non-compliance respectively, be guilty of

a misdemeanor, punishable by a fine of not less than \$40.00 dollars, nor more than \$200.00 dollars. The imposition of one penalty for any violation shall not excuse the violation permit it to continue; and all such persons shall be required to correct or remedy such violations or defects within a reasonable time; and when not otherwise specified, each ten (10) days that prohibited conditions are maintained shall constitute a separate offense.

The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

SECTION 8: REPEAL OF CONFLICTING ORDINANCES. All former ordinances or parts thereof conflicting or inconsistent with the provisions of this ordinance are hereby repealed.

SECTION 9: VALIDITY. The invalidity of any section or provision of this ordinance shall not invalidate other sections or provisions thereof.

SECTION 10: PUBLICATION. The City Secretary is hereby authorized and directed to order publication of the descriptive caption of this ordinance together with the penal provision for the time and manner provided by law, and an alternate method of publication.

SECTION 11: DATE OF EFFECT. It being immediately necessary for the preservation of the public peace, health, and safety, an emergency is hereby declared to exist by reason for which this ordinance shall be in force and effect from and after its date and approval.

PASSED AND APPROVED this the 9th day of April, 1985.

City Attorney John Lovell presented the completed real estate lease for the County to lease one acre of the southwest corner of the dumpground for a roll-off container for rural residents for a period of 20 years for the fee of \$1.00 per year. Motion carried to approve lease.

Bills for the month of March 1985 were presented and ordered paid.

There being no other City business at this time, meeting adjourned.

The Board of Aldermen of the City of Clarendon met in emergency called session on March 28, 1985 in the board room, City Hall at 7:00 p.m.

Members present were Mayor James L. Kuhn, Aldermen Richard Bell, Steve Smith, James Sharrar.

Members absent were Aldermen Gene White and Lloyd McCord.

Other present were City Secretary Donna Edwards, Jim Roberts, Judge Billie Christal, and County Commissioners Will Chamberlain, Dude Cornell, Steve Reynolds, and Buford Holland, and City Attorney John Lovell.

Judge Christal and the County Commissioners met with the City Board of Aldermen to ask if the City would lease the County an acre of land at the southwest corner of the dumpground for them to enclose a roll-off container for the trash of rural residents. Motion carried to lease the acre of land at the southwest corner of the dumpground to the County for a period of 20 years for the fee of \$1.00 per year. City Attorney was asked to meet with County Attorney Pat Slavin to draw up the contract for the lease.

There being no other City business at this time, motion carried to

THIS AD IS FOR THOSE PEOPLE WHO THINK ALL MOWERS ARE THE SAME

Most lawn mowers have a blade, engine and four wheels. So you think they're all the same. But other mowers don't have the engine-thing that makes SNAPPER Hi-Vac® the ultimate in lawn performance. No other mower has Hi-Vac® the patented design that revolutionizes lawn work. The bottom edge of the mowing deck is formed in a unique shape. So when the blade with its specially designed airfoil spins, it creates a tremendous vacuum. This vacuuming action stands grass up for a smooth, even cut, while forcing clippings, leaves, pine straw and pine cones into the catcher. This vacuum system works even in tall, damp grass. There are other advantages, too. Such as versatility when the optional attachments are added. And when it comes to durability, SNAPPER's lawn machines have heavy gauge steel decks and solid steel axles. Just by finding all of these features on other mowers, you'll find our Hi-Vac® are more than just mere mowers. Visit your SNAPPER dealer today.

Moore finalist in pageant

Billie Joanna Moore, the 10 year old daughter of Terry and Sherry Moore of Spearman, has been notified that she is a finalist in the Miss National Pre Teen Pageant. She was a finalist last year also and was in the top 5 finalists. It will again be held in Lubbock June 27-28-29 with the finals the night of the 29 in Texas Tech Civic Center auditorium. Girls from all over the state of Texas will be in competition with Jo. Not everyone that applies is accepted. Jo was selected on beauty, her past awards in pageants, her talent and also her scholastic average in school. This pageant is in affiliation with the Miss National Teenager Pageant and the Miss Texas Pageant. She will be judged on her talent number alone by a different panel of judges; then another panel will judge on beauty - poise - modeling and interview. She will be escorted again by her father Terry the night of the finals.

Jo has a busy summer planned; the 1st week of June she will be attending West Texas State University basketball camp for 1 week and staying in the dorm there. It is taught by WT's head basketball coach Bob Schneider. Then the 3rd week of June she will be staying again in WT's dorm and attending 1 week of classes for gifted and talented students. She was nominated and turned in by her Junior High Principal for this. Only the top students are invited to attend this program. She has a 93.5 average over all her subjects in school this year. Then the last week of June is the National Pre Teen Pageant. She is being sponsored by Roy Bulls of Baker - Taylor Oil Drilling Company where Terry is employed. Jo is working on a new jazz dance now for her talent number in the pageant.

Her local grandparents are H.C. and Joan Shaw and Bud Moore, all of Clarendon. She is currently in the 5th grade at Spearman Junior High and turns 11 June 25.

BILLIE JOANNA MOORE

Ashtola Martin News

by NAOMI GREEN

Last Tuesday Nova Lee Mooring and Viola Graham enjoyed a day in Amarillo and ended the event with a visit with Mr. and Mrs. Don Barker and their twins, Don and David.

Horace remarked this week that the scissor-tails had returned. Well the Brandons have also. Hazel and J.R. left January third and went to the valley. They started home March 14 visiting a sister of Hazel's at Houston Romaine and Audrey Meadow. From there they journeyed to Athens to visit cousins, Irva Reynolds and Farris Brown. At Tyler State Park they side tracked to see Hazel's dad's brother and his wife, Mr. and Mrs. W.W. Cole of Frankston. A cousin, Aiyne Chambers and Mr. and Mrs. Gilbert Cole were visited at Tyler. Aunt Carrie Johnson and her daughter and husband, the Cody Malones were the attraction to Lindale. On to Waco they attended the Air Stream Trailer Rally at the fair grounds. Four hundred two trailers were represented with an excellent musical program by Gordon Duit's (our old friend "The Red Robin Comes Bob Bob Bobbin") if you remember the forties. They visited Gladys Seago and Wilma Batson for lunch along with Sue Payne and Phillip Hill. From there they went to Austin to see Hazel's cousin Mrs. Lelia McCarty and family. They stopped off at Lampasas to see our friend Mrs. Paul Shelton at the nursing home. Her daughter Edith McCandless came while they were there. On down the road to Santa Anna,

Texas they visited with J.R.'s cousins Elton and Bessie McDonald and Elsworth and Alaire Brandon of Coleman. Finally along with the scissor-tails they arrived back in Clarendon.

The Jerry Green family visited Sunday with the Haskel Talleys at Memphis.

Katherine Green catered "open house" at the new dental office of doctors Dan Bentley and Chris Brady, south Georgia Street in Amarillo Sunday afternoon from 2 to 4 p.m.

Easter Sunday Frank and Myrel Regger of Hedley and Don and Jimmie Lee Matherson of Claude and W.D. Brandon had lunch with the J.R. Brandons.

Mrs. Oleta Vaughn of Claude had lunch Monday with Cathy Vaughn. Saturday J.R. and Hazel Brandon and Jimmie Lee and Don Matherson from Claude went to Hedley to visit Frank and Myrel Regger.

Laura Tucker was 89 years old Monday, April 15th. Happy birthday Laura. We won't tell anybody how we celebrated.

C.I. Casteel spent Wednesday night with Rosie and L.A. Watson.

Hazel Brandon had a doctors appointment last Wednesday. She got a good report. While in Amarillo, they visited with T.M. and Jaunita Cole and enroute home visited Cleve and Freda Bennett at Claude.

Thresa McPherson of Amarillo visited her aunt and uncle, Thelma and Royce Hall Monday.

Royce and Thelma Hall took dinner down to D.K. and Beula Hall at Hedley Sunday. Beula is under the weather at present. We hope that she will soon be herself again.

Bernice and Bertha Porter of Borger and Tommy, Luanne and George Porter of Washington were guests of the Benny Clays this week. Steve Reynolds and Wesley Webb of Panhandle spent the weekend at Gordon, Ark.

Otha Eddleman of Claude spent Tuesday with Flossie Reynolds.

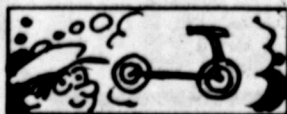

Linda, Jim, Amy and Allison Risley of Denver City spent Thursday through Sunday visiting with his parents, the Lloyd Risleys.

The Jo Schollenbarger family joined the Risley family for lunch Sunday and entertained them for pizza supper Saturday night.

Melba Risley attended the Rebecca Sunday School class luncheon at the Baptist Church Thursday noon.

Wayne Brown of Melissa spent Wednesday night with his parents, the Skeet Browns. Thursday night Rosalie Lockwood of Claude had supper with the Skeet Browns. Gary, Marcia, Cary Sue and Kris Ann Davis spent Saturday with the Skeet Browns.

Country Girls won second in the volleyball tournament.

The scooter was invented by a 15-year-old London schoolboy, Walter Lines, in 1897. But he didn't take out a patent. His father didn't think it would catch on.

K-9 Korp Kapers

by LISA BURCH

The K-9 Korp would like to thank Annette Brooks of Canyon, Texas, for coming to our 1984-85 graduation, held April 8th. Mrs. Brooks was a wonderful judge, and is the president of the Amarillo Obedience Club.

The graduation began at 7:00 p.m. at the Clarendon community center. The Sub-Novice class began the graduation. The final results were: 1st, Lisa Burch - Nikki; 2nd, Gwyn Tolbert - Katarina; 3rd, Shannon Myers - Paddy; 4th, Robert Plummer - Cajun. Special awards were presented to Shannon Myers - (Paddy) for most improved dog, and to Robert Plummer (Cajun) for Most improved handler. Other Sub-Novice handlers were Christy Smith (Baby), Craig Wright (Max), and Stephen Bivens (Freckles).

The Novice class came up next, starting with the performances, then sits and stand for inspection. The order in which they were chosen are: Debbie Tolbert (Chico) 1st, Matt Drager (Minky) 2nd, Michael Moore (Klyde) 3rd, and Todd McAnear (Sandy). Other handlers were Scott Myers (Ginger), and Wil Burlin (Roscoe). Debbie Tolbert and Chico also won High in Trial. We were very proud of this young lady and her dog. She worked hard at it and it payed off! Way to go Debbie and Chico! Congratulations!

In the Graduate Novice class, 1st was Georgi Klattenhoff (Roscoe), 2nd Jenifer Davis (Ben), 3rd Gwyn Tolbert (Brandy), and 4th Steven Davis (Taffy).

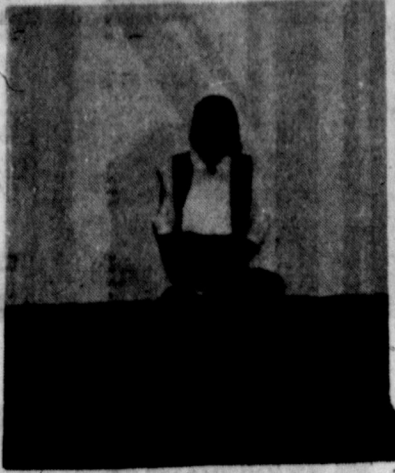

In the Open class, 1st was Michael Moore and Max.

The Adult Sub-Novice class was Bud Moore and Tess 1st, and Tim Salem and Bubba placed 2nd.

We are very proud of these kids. They did great!

We would like to thank Bob and Vera Lee Andis, Ronald Gooch, Marien Davis, Judy McCully, Annette Brooks, and especially all the parents for all their great support at graduation and throughout the year!

Don't forget that if you have any aluminum cans get in touch with any K-9 Korp member or Judy McCully at 874-3419.

DEBBIE TOLBERT and Chico, winners of the High in Trial.

Howardwick City Council met

The Howardwick City Council met in a regular session at 8:30 a.m. April 13, 1985 at the Howardwick City Hall. Those in attendance were Mayor H.L. Tipton, Aldermen C. Boren, C.L. Pettit, E. Derr, and City Secretary Susan Dunlap. Alderman L.L. Whitehead was not present. There were approximately 14 guests. Mayor Tipton welcome members and guests and asked Rev. James Martindale to lead the invocation.

Mayor Tipton proceeded to swear in the new mayor Freland Davis. Mayor Davis then proceeded to swear in the new members to the council (those being E. Derr as 1 year alderman, Don Chambliss as 2 year alderman and Mrs. Willie Moore as 2 year alderwoman although Mrs. Moore was not present and will be sworn at the May 4th meeting).

City Secretary read the minutes of the last meeting and they were accepted as read. The bills to be approved for payment were read and accepted when Alderman C. Boren made the motion to pay bills and Alderman E. Derr seconded the motion, motion unanimously accepted by show of hands.

The mayor and aldermen were given the two new revised ordinances (those concerning dog, cat, cattle, and fowl control and concerning noise control) to look over and note any changes to be made. This matter tabled until further discussion.

Mayor Davis recognized Willis

Malone from B.F.I. dumpster service in Amarillo who wished to present a proposal to the council on the aspect of placing trash containers throughout the city. Mr. Malone presented his proposal and it was decided that this matter would be left up to public interest and would be considered after some time had lapsed allowing time to gather public opinion. Rev. Martindale suggested that Mr. Malone be at the upcoming community supper on Friday, April 19, 1985 to which Mr. Malone stated that he would be there.

The subject on the agenda concerning the transmission of the Army truck was tabled as there was no one available at the meeting that could help the council determine what exactly was needing to be decided.

Fire plug item on the agenda was also tabled as there was not sufficient information on the subject to discuss the matter effectively.

The city dump was next on the agenda and it was brought to the

council's attention that persons from Clarendon was using our dump and asked if there was any way we could control this. A suggestion was made that we as citizens try to help observe and enforce the city's ordinance #40 (that stating that no one but Howardwick citizens were allowed to use the dump and could be subjected to a fine).

When Mayor Davis asked if there was any further business a visitor asked what the city was going to do about city mowing since last year the city took a loss for doing mowing for property owners and those people would not pay the city though the city had already paid mowing contractors. Alderman Boren asked for

the city secretary to get the records together and for the council to try and start putting liens against those property owners. Mayor Davis advised the visitor that there would be more discussion on the matter and a solution derived at a later date. There being no other business this council meeting adjourned.

The first playing cards were Chinese sheet dice, believed to date to the 10th century A.D., made to reproduce the notation of dice on paper.

EAR WAX IS THE "SNEAK THIEF OF SOUND"

Many hearing problems can be due to excessive ear wax. One way that ear wax can impair your hearing is as the hairs lining the ear canals grow coarser and stronger they might eventually form a barrier and prevent the wax from getting out. This, of course, will also diminish sounds trying to get in.

If you do suspect a hearing problem of any kind, the first step is to consult your physician to find out the cause. Should it turn out to be a build up of ear wax there are products he can suggest to remove existing wax, prevent build up, and help you practice good ear hygiene.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

DELBERT ROBERTSON digging up a tree stump in front of the Adair Hospital which is being made into the Saints Roost Museum

JOHN LOVELL, City Attorney, swore in newly elected Richard Bell, Mayor Jimmy Kuhn and Jim Sharrar

Museum Board met Saturday

The Board of Directors of the Saints Roost Museum met Saturday morning at 8 a.m. at the old Adair Hospital, which is being converted into a museum. They made a tour of the facilities so they could make some decisions as to which rooms should be used for storing of records, artifacts, kitchen, meeting rooms, and display area.

It takes dedicated members to attend an 8 a.m. Saturday meeting,

but equally dedicated members of the fire department showed up at 9 a.m. to help clean the grounds and move some furniture. The firemen left another community project which they had been working on.

The museum board wishes to thank the firemen for their help. It is greatly appreciated. Another work day will be scheduled soon.

Helms-Foster nuptials read

Saturday night, April 6, at 7:00 held the nuptials between Miss Karen Marie Helms of Amarillo and Mr. Timothy Alan Foster of Hart in the United Methodist Church of Hart. The service was presided over by the Rev. Steve Ulrey, beginning with a solo, "O Perfect Love," sung by Mrs. Mark Bennett after an organ prelude by Mrs. James Campbell. The bride was attended by Miss Tonya Moore of Hedley, dressed in fuchsia tissue-silk, while Wade Cook of Hart served as best man with Pete

Barretero and Kerry Newsom of Hart assisting as ushers. "The Lord's Prayer," sung by Mrs. Bennett followed the taking of the vows, and the usual weekly choral benediction sung by the church audience was led by the church's song-leader, Mr. Robert L. Hawkins.

The bride wore a formal gown of candlelight peau-do-soie designed with a Victorian neckline; the sheer bodice was enhanced with alencon lace and seed pearls. Its ornate bishop sleeves were caught at the

cuffs with a self-fabric buttons while the tightly-fitted, natural waistline was accented with lace trimmed in pearls. The bride's long, full skirt was swept into back fullness cascading into a chapel-length train. She wore a matching veil of alencon lace which fell to finger-tip length and was secured to a Victorian headpiece, carrying a bride's bouquet of dusty-pink roses accented with fuchsia and trailing stephanotis.

The bride's mother wore a suit of natural shantung with a fuchsia silk blouse, ornamented by a corsage of a large, white orchid surrounded by pink roses and fuchsia; the groom's mother wore an accordion-pleated chemise of cerulean blue silk edged in cerulean blue lace, set off by a corsage of roses and fuchsia. The orchid in the bride's mother's corsage is to be preserved as a memento of her daughter's wedding in her Bible; the white carnation which the groom wore is to be preserved in his mother's Bible as a token of his.

The reception was held in the home of the groom's parents at 302 Ave. F. Hart. The table was covered with a cloth of natural crochet over dusty-rose; a towering, three-tiered wedding cake, covered, each layer, with violets, American Beauty roses,

pink carnations, fuchsia, and stephanotis, over a large mirror encompassed with greenery, topped with a lace gazebo featuring child-like figures of a blond groom and a brunette bride, centered the table, with appointments of silver and Depression glass in shades of old rose, crystal, and cranberry aiding in the service of punch, coffee, and wedding cake to a houseful of guests.

Out-of-town guests included: Mr. and Mrs. Marion Tucker of Amarillo; Mr. Larry Hick, Mrs. Donna Allen, and Mrs. Joel Hodges of Clarendon; Mr. and Mrs. J.W. Helms of Lella Lake; Miss April Luchanhaus of Amarillo; Mr. and Mrs. L.D. Moore of Memphis; Mr. and Mrs. Roddy Klinnert, Shane and Jason and Miss Shay Newland of Clarendon; Mr. David Wall of Fort Worth; Mr. Denny Lacy of Lubbock; Mr. and Mrs. J.R. Moore of Amarillo; Mrs. Angela Bryant and Amber of Amarillo; Mr. and Mrs. Don Shields and Tracy of Lella Lake; and Mr. and Mrs. Art Owen and Chris of Pampa.

Parents of the couple are Mr. and Mrs. Wamon Foster and Mr. and Mrs. Larry Helms. Following a short honeymoon, the couple will return to Hart where they will join his parents in their farming operations.

YOUR BEST DEFENSE AGAINST DEPRECIATION AND INFLATION

When it comes to insurance protection for your personal possessions, Replacement Cost Coverage from USF&G Insurance is your best defense against depreciation and inflation.

Unlike your standard homeowners policy, USF&G Replacement Cost Coverage pays to replace your possessions with new ones if they're stolen, damaged or lost in a fire—without the usual deductions for depreciation, and at current market prices. And that can save you a lot of money. Call us or stop by to find out more.

Your Printers With Pride and Years of Experience

Medical Center News

On Monday, March 25, the "Littlest Angels" of the First United Methodist Church entertained the Medical Center Nursing Home residents. The 15 little angels sang their Easter program consisting of the following songs: "Christ the Lord Is Risen Today," "Bethlehem, Galilee, Gethsemane," "Little White Duck," "If You're Happy That It's Easter," "Into My Heart," and "Apple-Red Happiness." Through these songs, the children learned of Jesus' Life, the last week of His life here on earth, His death and His coming alive again to reign eternally. They

understood through their songs again to reign eternally. They understood through their songs truly why we celebrate "Easter" and the message was passed on lovingly as reflected in the faces of the smiling residents!

The Littlest Angel Choir members are: Nathan Sears, Jason Archuletta, B.J. Hamilton, Chris Chamberlain, Scott Bivens, Corey Knorpp, Lindsay Green, Blake Deyhle, Jenny Roberts, Margaret McNabb, Liza Tull, Missie Butts, Leia Deyhle, Melisse Campbell and Tiffany Patterson; pianist, Gayla Davidson; directed by Jamie Devhle.

LITTELST ANGEL CHOIR

LITTELST ANGEL CHOIR

Some believe it bad luck to laugh before breakfast.

DID YOU KNOW?

Homeowners can save energy and money with wood-burning stoves. Something called a catalytic combustor can help wood-burning stoves create as much as 50 percent more heat. Air pollution is cut by 90 percent. That's especially good news for environmentalists.

The threat of chimney fires from wood-burning stoves is also reduced, thanks to the catalytic combustor. It reduces creosote buildup by about 90 percent. A new model from Corning operates twice as long as older ones—able to burn continuously for 12,000 hours. That adds up to about six years of operation.

MAKE PROPERTY RENTIONS SOON
Almost everyone with property in the Donley Appraisal District has now been mailed rendition forms. Blank forms and other information is also available from your Appraisal District office in the Court House Annex.

Please complete the listing of your taxable personal property and return the forms by the end of April. Your estimate of the market value of the property is requested and will be considered along with reliable published price guides.

All personal property must be rendered each year. You should include cars, pickups, trucks, RV's, travel trailers, motorcycles, boats, and airplanes. You should also include all merchandise in inventory held for resale. January 1 of each year is the rendition date in Texas; render only that property which you owed on Jan. 1, but make your rendition before May 1. Household goods and personal effects are exempt; generally all other personal property is taxable.

SPOTLIGHT On Teen's

REV. TONY COLBURN
PARENTS AND TEENAGERS

A good relationship between teenagers and parents is what most families dream of having, but never obtain. I certainly hope that those families haven't given up yet. You as a teenager can have a better relationship with your parents if you desire it enough and if you are willing to trust God for it.

First of all you must decide to become a peacemaker. Matt. 5:9

says, "Blessed are the peacemakers..." Jesus said that we would be happy if we would become peacemakers. However, that's not an easy task. The questions is, "How badly do you want to have peace with your parents?"

In order for a teenager to become a peacemaker they must become aware of their parent's needs. It's easy to look for their faults, and to over-emphasize how "awful" they may be. You might think that your

parents are too old fashioned, too strict, too overprotective, too set in their ways, unrealistic, insensitive to your needs, too bossy, not understanding, and so on... What you need to do is put away your hostile judgemental attitude toward your parents and begin to view their needs and interests as a top priority in your life.

God loves us and forgives us when we do wrong and He desires that we do the same. God desires that you love your parents and that you forgive them when they may be wrong. He also desires that you retain a servant's spirit and attitude toward your parents. Remember, it's not going to be an easy task, but if you desire peace in the home bad enough, you can have it.

PROPHECY SEMINAR COMING SOON

Texas Most Wanted

AMARILLO, Texas -- Jose Madera Rios has a tattoo on his left forearm with a cross and the name "Lilly" imprinted.

It was the name of his wife. Now Rios, 27, has made the Texas Most Wanted list for the 1984 murder of Lilly Rios.

Amarillo Police Department in-

RIOS

investigators say Ms. Rios, 21, was shot to death on February 12, 1984, during a family disturbance at her residence. At the time of the shooting, Jose and Lilly Rios were estranged.

Rios was arraigned for his wife's murder and posted bond. When he failed to appear for a trial, a warrant was issued for his arrest. To compound his problems, Rios also was named in a Mandage, ordering his return to prison for five years on a theft charge.

This week the Texas Crime Stoppers Advisory Council is offering a \$1,000 reward for information leading to the capture of Rios.

He is 5-3, 140 pounds, with black hair and brown eyes. He sometimes wears a small, scraggly beard and speaks broken English.

In the past, Rios has used the alias Juan Antonio Chavez-Zamora.

He has worked at various auto dealerships and body shops as a mechanic.

Anyone with information concerning Rios' whereabouts is asked to call Texas Crime Stoppers toll-free at 1-800-252-8477 or their local Crime Stoppers program. In all cases, callers do not have to reveal their identities.

Texas Most Wanted is a cooperative effort of Texas Crime Stoppers and the Department of Public Safety. It is designed to enlist the assistance of citizens in obtaining information about the location of dangerous fugitives.

Cash rewards are offered on a regular basis by the 127 Crime Stoppers programs throughout Texas for information leading to the capture of other wanted felons.

Senior Citizen's News

There is just no way to properly thank our many volunteers. The time they spend helping our Center is greatly appreciated. One of our newest volunteers is Don Wooten. Don is absolutely the greatest trash man in town. Every day he patiently waits for everyone to get through so he can empty all the trash cans. We really appreciate Don and Annie for their interest and participation in our Center activities.

It's springtime and a lot of yard and garden work is being done. This kind of work gets us a little dirty -- so what, at home we just brush off the dust, wash our hands and eat. You can do that here also. We don't expect anyone working to go clean up or hike out to come here for lunch. So go ahead with your work and when dinner comes, just brush off the dust and come on down to eat lunch and rest for awhile. The social break will be good for you.

The dance group enjoyed the evening of our 2nd Tuesday dance on April 9th at the Center.

Twenty-nine enjoyed games on Thursday, April 11th. We have room for more. Let's fill the house next Thursday.

The Board of Directors met in regular session on Wednesday, April 10th. Jean Baten, Director, asked for approval to make a budget amendment to re-appropriate some of the money for capital equipment. We need a sneeze-bar for our serving counter. Due to the increase of participation our program income has exceeded the budget projection which allows us to do this. March was a very good month. We served 1900 meals at the Center and delivery. It was reported work is still being done on the 16b-2 grant application for a new van for the Center. It takes a long time to process these applications before it ever gets to the approvers. Some may think this is not needed, but let's look ahead -- our van is now seven years old and if we are lucky and get our application approved it may be eight or nine years old. We would hope no one would be to opposed or negative about this kind of progress for our Center activities. Again we need to emphasize ALL the Center activities are for ALL the senior people of Clarendon and Donley County.

Had a real good jam session Friday night, April 12th. About thirty-three enjoyed music made by Hugh Neuhaus, Creed and Kirk Smith, Cecil and Alice Munden, Jack Davidson, Fred Fortenberry, Truett Behrens, Wallace Sides, Jerry, Dana, Michelle and Wayne Chambliss. We hope they decide to do this again. It was a very enjoyable evening.

Calendar of Events

April 18-24

Thursday-Exercise 11 a.m., Game Night 6-10 p.m.

Friday-Exercise 11 a.m.

Monday-Exercise 11 a.m., dance practice 7-9 p.m.

Tuesday-Exercise 11 a.m.

Wednesday-Exercise 11 a.m., arts and crafts 1 p.m.

SENIOR CITIZENS MENU

April 18-24

Thursday-Liver and onions, English peas, corn on cob, waldorf salad, plain cake with frosting, dinner rolls, milk, tea, coffee.

Friday-Meat loaf with tomato sauce, potato au gratin, mixed greens, orange jello with fruit, rice and raisin pudding, dinner rolls, milk, tea, coffee.

Monday-Chicken fried steak, mashed potatoes with gravy, green bean ambrosia salad (Mand. orange a

Monday-Beef stew with carrots, potatoes, celery, peas and tomatoes, sliced tomato on lettuce, cornbread, cake with frosting, fruit juice, milk, tea, coffee.

Tuesday-Roast beef with natural gravy, cream potatoes, steamed cabbage, toss salad, peaches, dinner rolls, milk, tea, coffee.

Wednesday-Barbeque ribs, baked beans, potato salad, stewed tomatoes, chocolate pudding with nuts, bread, milk, tea, coffee.

Four days after the first American atomic bomb was detonated on Bikini Atoll in the Pacific, the first bikini swim suit was modeled in Paris. The name was to express the idea of the "ultimate."

HERE'S SOMETHING OF INTEREST WORTH CHECKING ON! NOW...

One Thousand Dollars Is All You Need To Earn High Rates.

Now you can earn high money market rates on your Vernon Savings checking account even though you only keep \$1,000 in your account. (And, even if your balance falls below \$1,000, you'll still earn 5 1/4%), so either way your checking account works to earn money for you, and with a balance of \$1,000 or more, your checking account can become an investment account as well.

Features of this account include:

- Unlimited check-writing privileges
- Monthly interest payments to your account
- FSLIC Insurance on your account up to \$100,000

Our new thousand dollar minimum checking-with-interest account is truly something of interest worth checking on! Call us today for more details.

THANK YOU

Judy Anderson, acting hospitality chairman of the Donley County Republican Club, would like to thank the hospitality committee for their creative talents and hard work on the reception for Beau Boulter last Friday night in the college cafeteria. First of all I would like to thank my husband, Rex, and Donley County Republican Chairman Floyd Ramsey for doing any and everything we needed them to do to get ready for Beau's arrival. Next I would like to thank the welcoming committee, Chris Matthews, Stacie Boston, and Jamie Deyhle. A big thank you to co-chairmen Roberta Pittman and Molita Greer without whose help nothing would have gotten accomplished. They provided refreshments and decorated the cafeteria. Thank you to Wil Burlin for making the Beau Boulter posters. A special thank you to Patty Craft for the darling Republican elephant cookies, the tablecloths and the lovely fresh flower arrangements. And don't let me forget to thank Mr. and Mrs. Bill Hill, Tex Selvidge, Cindy Myers, and Annis Stavenhagen. All of these fine people contributed to making the Beau Boulter reception a success.

16-1tc

NOTICE OF BIDS

Greenbelt Municipal and Industrial Water Authority, P.O. Box 665, Clarendon, Texas 79226, will receive bids on the following equipment until 10:00 a.m. on April 29th, 1985, at its office in the Filter Plant located north of Clarendon, Texas, on Highway 70, at which time bids will be opened and publicly read: One (1) used 1977 Courier 2 DR PU; One (1) used 1976 Chevrolet PU; One (1) used 1968 Centercraft Twin Hull Inboard-Outboard boat - 120 HO engine; One used 1977 Dilly Boat trailer.

Greenbelt Municipal and Industrial Water Authority reserves the right to reject any or all bids on the above equipment.

Do You Know An 18 Year Old Man?

If you do, he should know that he is required to register with the Selective Service System. Young men born on or after January 1, 1960 must register within 30 days of their 18th birthday. All it takes is five minutes to fill out the simple form at the local post office.

So if you have a student, son, relative or neighbor who is 18, or about to turn 18, make sure they know about Selective Service registration.

For posters, brochures and speakers, contact the Selective Service System, Washington, D.C. 20435.

Registration. It's Quick. It's Easy. And it's the Law.

Selective Service System

DANNY ASKEW watches as City of Paducah installs a Care-Free water conditioner.

Danny Askew sells water conditioner to Cottle - King Water Supply

The Cottle-King Water Supply Corporation has just purchased and installed a Care-Free water conditioner on the well that supplies water to many people in the community. It was purchased from Care-Free Water Conditioners, Inc., Danny Askew, dealer. The new conditioner was installed on Tuesday, March 26, 1985. Present for the installation of the 6" unit were three representatives of the company, W.R. Norris, Marketing Directors from Lovington, N.M., Lyndol Askew, Distributor from Tahoka, TX, and Danny Askew, dealer from Clarendon, TX, formerly a King County resident.

The Care-Free conditioner is a self-contained water conditioning unit consisting of a brass casing that contains a non-ferrous, catalytic core. This core is a special "high-tech" allow casting that contains

GARAGE SALE: 9 1/2 Idletime cabover camper, self contained, complete with tie downs, jacks, stabilizers; bicycles, tools, misc. April 19 and 20, Hwy 287, Goodnight, Texas. 16-1tc

GARAGE SALE: 608 W. 3rd, 8-5, Saturday, April 20. Books, toys, childrens and adults clothing, tires, plants, household items. Lots of good buys. 16-2tp

YARD SALE: 4th and Hawley, 9-5, weather permitting. Marjorie Rowe. 16-1tp

curved, multiple-venturi passage ways. The alloy is composed of 16 different precious and semiprecious metals. The core is extremely hard, highly resistant to corrosion and erosion, and is designed not to require replacement or maintenance. The conditioner requires no electrical power, additives or chemicals.

The Care-Free water conditioner is scientifically designed to improve the quality of water. Following thirty years of research and development, the Care-Free Conditioner is able to help eliminate the adverse effects of many of the undesirable substances in your water supply. This conditioning inhibits new and reduces existing scale in pipes, valves, hot water heaters and boilers, which extends the life of your equipment. Plants and gardens benefit from the conditioning of the water also - it

reduces tip burn on plants and crops, encourages healthier, greener plants, lawn and crop growth, and prevents soil compaction. The Care-Free Conditioner also inhibits algae and fungus growth in tanks and pools. Around the house, the conditioned water will remove stains, water scale and rust deposits from plumbing fixtures, helps keep tile walls clean in the shower and tub, and inhibits algae and mildew growth. The conditioned water is also helpful in the laundry - requiring less detergent or soap and it rinses clothes cleaner. But best of all is the benefit to drinking water. Care-Free conditioned water is spring-like in taste with little or no smell. The conditioner removes distasteful gases, chlorine and other similar elements in most water.

you and the LAW
PRESENTED BY THE STATE BAR OF TEXAS

Q: I am considering taking in a foster child. I have just learned that the child is not eligible for Medicaid. Since she will be a foster child in my care, she will not be eligible for coverage on my family insurance policy. Who will pay for her medical expenses?

A: If the foster child is being placed in your home by an agency, such as the Texas Department of Human Resources, you should check with the agency to determine if they have insurance available. Perhaps, the agency could have the child's parents or guardian take out a policy. As an alternative, you could go into District Court and seek to be appointed a managing temporary conservator of the child, asking the Court to order the parents to pay sufficient support for insurance premiums. This procedure would be expensive; you would need a private attorney. Finally, if neither an agency nor the parents can or will pay the medical bills, you might look into buying a policy at your own expense.

Q: I am 16 years old and I often go hunting and fishing. A friend told me I need to have a fishing and hunting license, but I thought the age for that was 18. What is the law on this?

A: A resident of Texas under 17 is not required to have a hunting or fishing license unless you plan to hunt wild tur-

key or deer. Under 17, you may hunt any wild bird, except turkey and any wild animal except deer without a hunting license and may fish without a fishing license.

When you are 17, you must have a resident exemption license to hunt wild turkey and deer.

Send your questions to "You and the Law," State Bar of Texas, P.O. Box 12487, Austin, 78711. Answers may appear in columns in hypothetical terms; personal answers not possible.

health hints

The Effects of Stress

Does stress affect your body? Yes, reports Andrew Lovy, D.O., director of psychiatric training and education, Michigan Osteopathic Medical Center, Detroit.

Doctors have found both internal and external regulators of the body in response to stress. Some internal regulators are adrenalin, blood sugar and other products that prepare the body for "fight or flight" reactions. In times of stress, almost all of the body's major systems are affected, including the cardiovascular, neuro-muscular, respiratory, and renal and digestive systems. External regulators include all environmental elements that are seen as stressful by the individual, including such elements as job, school, family and adjustment problems. According to Dr. Lovy, an

osteopathic physician, stress can cause real damage to target organs. This damage can take the form of ulcers, asthma, colitis, dermatitis, migraine headaches or backaches.

Dr. Lovy reminds us that frequently it is the accumulation of stressors which will finally break down a functioning system.

The first line of defense is to isolate the stressors, identify them, and try to deal with them one at a time. Another strategy is to develop regular work, sleep, diet and recreation cycles.

Diet has become increasingly important. When stress begins to mount, busy people find themselves falling into improper eating habits which can lead to vitamin deficiencies and excess weight.

Watt's Happening in Hedley

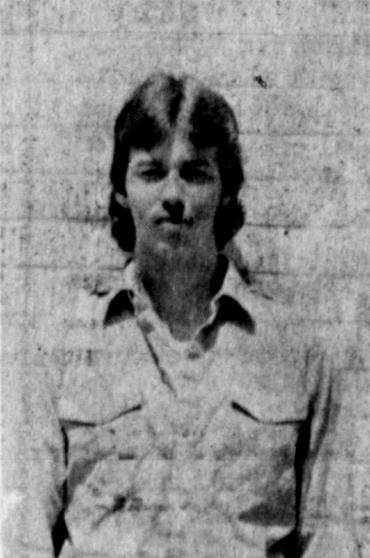

by Peggy Watt

ALL DISTRICT BASKETBALL second team [L-R] Karon Harmon and Tonya Moore

ALL DISTRICT BASKETBALL team [L-R] Craig Kennedy and David Phelps

ALL DISTRICT BASKETBALL first team Brent Hall

Hedley All-District players

The coaches of District 6-1A have released the names of the All-District basketball teams. Named to the teams from Hedley were Brent Hall-1st team, David Phelps and Craig Kennedy-2nd team.

Kay Talley took her van full of kids and mothers to Amarillo to see Sesame Street. The kids were Josh and Matthew Talley, Matt and Kendra Martin, Lynn Holland, Laray Shaw, and Lindsey Brinson. The mothers were Sis Martin, Kathy Holland, Rhonda Shaw, and Sammy Brinson. Josh told me they really had a good time. He said they had a hard time finding Big Bird.

William and Margie Mullins visited Saturday with his parents, Moon Mullins and Lola Brown.

L.D. and Derlene Ball have purchased a new mobile home in the east part of town and got moved in last week.

James and Nonie Hartwell visited his mother, Mrs. Nora Hartwell, enroute to Wichita Falls Saturday and again on Sunday as they returned home.

Louie and Dottie Bogue have had visiting his siter and brother-in-law, Bill and Mary Burge of El Dorado, Okla. and nephew, Mr. and Mrs. Bill Burge of Denver, Colorado.

Jack Stafford is in Methodist Hospital in Houston for heart treatment. The doctors used the arterial balloon treatment on him. Jackie and the boys are with him and they expect to be home in a few days.

Geraldine Wiggins is in the hospital in Amarillo. Mrs. Land told me she was doing better and hopefully she will be able to come home soon.

Eloise Spalding visited her sister, Geneva Kenny in Granbury recently.

Fred and I were busy Thursday. We hauled some livestock to the sale in Wellington then went on to the salt mine in Oklahoma. When we got back to Wellington, Fred stopped to see the doctor. He said it was amazing how something so small could feel so big when it was in your eye and how bad it could hurt while it was there and feel so good when you got it out.

I saw Tom Johnson at his parents house in Giles Friday. He was parked in the middle of the road and we almost ran over him. Blackie should warn him that it's dangerous to park in the road in and around Giles. Fred's apt to come around the corner any time and run over him.

Edna Benton of Wellington visited with Mrs. Lola Brown Saturday afternoon.

It was good to have Hobart Moffitt back in church Sunday morning. We missed him while he was sick.

Harry Rowley and Jeff and Robert spent Saturday with us. Well, actually they spent most of their time roaming up and down the creek over at Giles. It looks good to see a father spend time doing nothing with his teenaged sons. You don't see it too often. Jeff and Robert are good boys and we enjoy having them and

me the directions were in one of the textbooks and the boys wanted to make some. Dusty Wilkerson, Jason White, and Stephen Carson had some classy looking vehicles.

On Sunday, April 7, Mr. and Mrs. Clyde Hoggard held a multi celebration in honor of their 43rd wedding anniversary, and their granddaughter, Audra Hoggard's 12th birthday.

Shonda Phillips, Brandi Strickland, Tammy Stegall, Carla Hammond, Carrie Simpson, and Candi Hoggard spent the night at the Hoggard's house the night before.

Those enjoying the day at the Hoggard's Sunday were Mr. and Mrs. Jimmy Lemons of Brice, Mr. and Mrs. Allen Beasley and Benjamin of Memphis, Mary Braddock, Bobby Hoggard, Bill, and Candi of Clarendon. Everyone missed Mr. and Mrs. Tim Wigginton, Flecity and Joe of Brice who were unable to attend.

Several Hedley people attended the town hall meeting with Congressman Beau Boulter Friday. I saw Johnny and Della Linville, Bill and Becky Hill, and Lyndon Messer. There were also some high school kids there. I think they were earning extra points for a government or history class.

Dean Hill and Lola Brown accompanied Nettie Alexander to Littlefield Tuesday to visit Nettie's sister, Mrs. Cora Ammons. Mrs. Ammons is 96.

Laqueta Cox took Moon Mullins to Childress to the doctor Tuesday.

I stopped by the school one morning and there were several go-carts parked in the hall. When I asked Mrs. Hill about them she told

All children who will be 5 years of age by September 1, 1985 and live in the Hedley School district are invited to visit the Kindergarten class. Visitation will be from 8:15-12:00 on Friday, May 3, 1985. Please contact the school if your child would like to attend.

The Senior Citizens got a new roof on their new addition, or the old one repaired. They enjoy fun and games each Monday and Friday. Remember that birthday party night is April 22. I don't know if any of the Senior Citizens are still celebrating their birthday or not. I know one who will only admit to being "over 21".

HEDLEY SENIOR CITIZENS MENU
April 18-24

Thursday-Steak with gravy, au gratin potatoes, blackeyed peas, lettuce-tomato salad, roll, butter, apricot cobbler, milk, Tang, coffee, tea.

HEDLEY SCHOOL MENU
April 18-24

Thursday-Goulash, blackeye peas, corn, hot rolls, applesauce, milk.
Friday-Chili dogs, french fries, cheese, onions, pickle relish, pineapple cake, milk.
Monday-Raviola, salad, english peas, cheese strips, brownies, milk.
Tuesday-Fried fish, baked potatoes, cole slaw, hot rolls, pudding, milk.
Wednesday-Spaghetti, cole slaw, spinach, garlic bread, fruit, milk.

In girls basketball Tonya Moore and Karon Harmon were named to the 2nd team.

Brent is a senior and is the son of Don Hall of Amarillo. Craig is a senior and is the son of Carroll Kennedy of Hedley. David, also a senior, is the son of David and Margaret Phelps of Hedley.

Tonya is the daughter of Mrs. Sharon Moore of Clarendon and Karon is the daughter of Ricki Linebaugh of Hedley and Robert Harmon of Memphis.

Mr. Hoss Pickard took two juding teams to Lubbock for the Area Juding Contest on April 13.

The Dairy Products Team won 2nd in the contest. That placed them 1st in the district and 2nd in Area. They will advance to the State Contest to be held at College Station on April 27. The team members all placed in the top 10 individually. Craig Kennedy was 2nd high individual. Karon Harmon was 5th and Amy Shields was 8th.

The Dairy Cattle Juding Team had bad luck. Part of their members had to miss the contest on account of grade problems, so did part of the Livestock Juding Team. Mr. Pickard combined the remaining members of both teams to make 1 Dairy Cattle Team. They wound up 14th in the area and 4th in the district. Carl Cox, Terry Moore, Ricky Springer, and Keith Watt were on the team.

Letter to the Editor

There is absolutely nothing wrong with the current presidential primary system in Texas.

Many of the politicians in Austin don't like the way the 1984 elections turned out so they want to change the rules. This would be a classic example of "fixing something that ain't broke." Their proposal for splitting the primaries and moving the presidential vote to March would cost the taxpayers \$10 million at a time when Governor Mark White and the big spending legislators have placed us in a deficit position, it would lengthen an already long political season and would increase the burden on those volunteers, who already give considerable time to conducting one primary, and would most assuredly confuse the voters and discourage voter participation which would be in direct opposition to the intent of the Federal Laws on voting rights.

Their proposal to move the regular primary from May to the late summer would diminish participation and add great hardship on party workers during vacation months and make it more difficult to get a reasonable turn-out at the polls, but I supposed that is the real purpose of this whole ridiculous idea of splitting the primaries. If the professional politicians can devise a method to keep people away from the polls, they can get away with anything, and they could care less about spending another \$10 million of our tax money.

"Revenue enhancement" is a new term politicians devise when they want to transfer money from your pocket to the states. We use to call that raising our taxes. If you don't want those Austin politicians doing any more enhancing you should contact your State Representative and Senator, especially your State Senator. They may get the idea you don't care, and while you are at it tell them to leave our present primary system alone.
