## Trent Sharp signs letter of intent with Baylor

Clarendon High Schools Trent Sharp signed a letter of intent to attend Baylor University on a track scholarship.

Baylor track coach Clyde Hart was in Clarendon on April 20th to sign Sharp to the agreement.

Trent won the state 800 meter run last year and set a new 2A state record in a time of 1:52.5. His best this year 1:53.86 which ranks in second in state counting all classes.

## False alarm

About 1:45 a.m. Sunday morning, the Donley County Sheriff's office received a call saying there was a bad wreck about 13 miles from Memphis back toward Hedley. This caller said he was calling from Memphis and was just driving through when he came upon this accident.

Three Clarendon fire units with about 14 men, an ambulance crew, two deputies and Hedley's constable along with a Memphis ambulance all responded to this call.

The caller reported that there were several trucks stopped at the accident, and the crews would have no trouble finding the wreck.

After several hours of running up and down the highway between Clarendon and Memphis, with no sign of accidents, these units reported to their base.

This hoax could have cost the lives of many people. There could have been a fire, a real accident, or someone ill while these units were out searching.

These types of things are not funny, and they are illegal. How would the person who reported this hoax feel if some member of their family had needed one of these units and because they were unavailable, they lost a family member...would this hoax then be funny?

## 87th commencement at Clarendon College

Clarendon College graduated 23 students from their Ranch and Feedlot Operations Program at 2:30 p.m. and 86 students at their 87th annual commencement, April 26.

Sharon E. Birkenfeld was top student. Keith Michael Kubicek received the Knorrp Award, and Andy R. Forehand was the outstanding student.

Sixteen students are eligible for membership in the Phi Theta Kappa, a national junior college honorary scholastic society. To be eligible for membership, students must achieve and maintain a 3.0 grade point average for all courses taken. A faculty committee recommends students for membership on the basis of character, citizenship and scholarship. Students were: Andy Forehand, Darla Eberman, Maria deKeraty, Lissa Parish, John Henry Miller, Sharon Birkenfeld, Dorothy Braddock, Mark Chavez, Margaret Green, Laurie Hart, Krystal Hayworth, Keith Kubicek, John Patton, Mauri Sanders and Betty Sanderson.

Students receiving honors by being named to Who's Who Among Students in American Junior Col-

leges were: Sharon Birkenfeld, Leslie Anne Birkey, Dorothy Braddock, Mark Chavez, John Davee, Maria deKeraty, Darla Eberman, Andy Forehand, Robert Grand, Mar-

garet Green, Laurie Hunt, Krystal Hayworth, Keith Kubicek, John Miller, Greg Odom, and Lissa Parish. Students receiving this honor must have a 3.5 grade point average.

## Bike-A-Thon to be held May 11

The Donley County Bike-A-Thon will be Saturday, May 11, starting at 9:30 a.m. at Clarendon School Cafeteria. Jeff Walker, Clarendon ISD Superintendent, will be conducting the ride. The proceeds will benefit the American Cancer Society.

Riders should obtain as many sponsors as possible, explain to them that their contributions are to be used to fight cancer through research, education and service to cancer patients.

On the day of the ride for your own safety wear light-colored clothing. Dress according to weather.

All riders under the age of 18 years old should have a signed waiver from parent or guardian. For more information you may call Mr. Walker at 874-2062.

There will be plaques awarded to first, second and third place riders.

SHAWN READ

Shawn Read receives outstanding chemistry award

Each year the Division of Science at Clarendon College awards recognition to the outstanding first year chemistry student. The award is given jointly with the Chemical Rubber Publishing Company. The recipient will receive the latest edition of THE HANDBOOK OF CHEMISTRY AND PHYSICS.

This year the award is given to Shawn Read from Dumas, Texas. Shawn is a pre-med major and plans to get a degree in chemistry. After another year at Clarendon College he plans to transfer to the University of Texas at Arlington.

Previous recipients of this award are Wayne Hardin and Karen Alderson of Clarendon and Joan Cochran of Wellington.

## To Market - To Market

I intend to shop in the Big City and save lots of money. Everything is cheaper and bigger and better there. Absolutely!

Never mind the cost for lunch \$12, the baby sitter \$20, the traffic ticket \$35, and the impulse buying \$150. But I save so much!

Sometimes the salespeople are rushed and rude. There are large crowds in the city and traffic congestion and miles of walking to get to a sale item that comes in a box and is broken when I get home and can't be returned. Oh! My!

Once I got a jogging suit that didn't fit, and a fish for the aquarium that died of terminal sick, and potatoes that were green and a plant that wasn't. But that's OK I SAVED A LOT OF MONEY! I'm sure I did! I think!

The Chamber of Commerce urges you to shop at home and help us grow.

## Teachers appreciation day May 13

Clarendon PTA will have Teacher Appreciation Day, Monday, May 13th at the High School Cafeteria.

The final meeting of the Clarendon PTA will be Monday, May 13th at 7 p.m., and we urge all members to attend.

There will be a guest speaker, Jan Stedje, District 8 PTA President will have the program.

Show your appreciation -- attend the final school year meeting.

## Lost child program- tip sheet

Children are trusting souls. They have learned to look to adults for help, for comfort, for advice, for love. So it's only natural that these children would follow even a stranger's suggestion, especially if it sounds genuine.

Children can learn to recognize the difference between concern and contempt, compassion and deception. The following tips are offered by the K mart Lost Child Program and the National Center for Missing and Exploited Children, Washington, D.C. and will be displayed on the flyers available at all U.S. K mart stores and inserted in K mart photo processing orders. To report information concerning a missing child, phone toll-free 1-800-843-5678.

### TIPS FOR PARENTS

- \*Talk with your children.
- \*Explain to your children that dangers do exist and why you are always concerned for their safety.
- \*Teach your children never to get into a car or go into a house without

## 6 inches of rain falls in parts of county

If it's true that April Showers bring May flowers, Donley County will be covered with the beautiful blossoms. A general rain covered the county Friday, Saturday and Sunday.

Lelia Lake reportedly had between 5 and 6 inches of rain during the three days. Some pea to marble size hail was reported, with very little damage reported. Some fields were washed out, and water is still standing in some low places.

Ashtola reported from 1 to 2 1/2 inches around over the community. Wind and small hail damaged some trees, but the rain was more beneficial than any of the damage reported.

Hedley sounded their storm warning system Friday. No tornadoes were reported, but the clouds were so threatening, officials thought it best to be prepared. From 4 to 6 inches of rain was reported. It was reported that hail damaged a wheat field south of Hedley.

Most of the people reporting stated they felt the rain was a general one, and sufficient moisture was received all over the county so that the fields could be prepared for spring planting.

year there will be a new section added to the show. This section is for professionals.

## Boys track team warms

The Clarendon boys warmed up for the regional meet at a regional qualifiers meet in Vernon last Saturday.

Brent Hayworth and Clay Sharp had personal bests in the 1600 and 3200. Hayworth ran second in the 1600 with a time of 5:01. Sharp set a new school record with a time of 10:51.44 in the 3200 meter run.

Trent Sharp won the 800 in a time of 1:57.8. Robert Youngblood was second in the 110 H.H. with a time of 15.67. Rodney Smith was fourth in the 400 meter run in a time of 52.1.

Dewey Mincey was second in the pole vault with a vault of 12'6". Russell Alexander was fifth in the discus with a throw of 143'. Don Brogdon was sixth in the shot with a put of 43'.

The 1600 meter relay was third with a time of 3:36. The relay consisted of Robert Youngblood, Rodney Smith, Leland Howell, and Marcus Smith.

The boys and girls travel to Big Springs this weekend to take part in the regional meet.

## Ranch tour to be held May 2

All Donley County Livestock producers are invited to the East Panhandle Range Tour to be held Thursday, May 2, 1985. The tour is sponsored by the Texas Agricultural

Extension Service and the County Program Building Committees in Donley, Collingsworth, Gray and

Wheeler counties. The tour will begin at 9:30 a.m. on the O.J.

The banquet will be held Tuesday, May 14 at 7:30 p.m. in the cafeteria.

problem on many Donley County ranges and control measures should be considered. Weed control on rangeland is a practice that can produce significant returns. Weed control result demonstrations have shown a significant increase in grass production by controlling unwanted weeds. In many cases, control of goldaster has doubled the pounds of grass produced.

To obtain maximum benefits from weed control, good grazing management practices should be followed. Proper grazing management will help keep a good cover of grass and reduce the possibilities of a weed infestation.

A free barbecue lunch will be served at 12 noon at the Gray County Ag Barn on the southeast edge of McLean, courtesy of Elanco Products Co.

Letters to the Editor

Dear Editor:

People in Texas should know that the Democrat leadership in the House of Representatives is about to trample on your Constitutional right to choose your own representatives.

Next week, House Speaker Tip O'Neill is going to use bare-knuckle partisan power to steal an election from the people of Indiana's 8th District and seat his handpicked candidate as the representative in Congress. This is going to happen despite the fact that Tip's candidate lost the election and lost a recount conducted under the state law.

Of the 27 members of the Texas Congressional delegation, 13 have voted to seat the rightful winner, including three courageous Democrats. It is our hope that the remaining members of the Texas

delegation will join us next week in our efforts to see that justice and equity prevail in the McIntyre case.

If the Democrat majority can simply step into Indiana, overturn that state's laws and reverse the decision of the voters, then representative government, of, by and for the people is in danger all across the nation.

As deeply concerned members of the House of Representatives, we believe it is vitally important that people in Texas understand that their Constitutional rights are at stake. Sincerely,

Letter to the Editor

Did you know that the Federal Government wastes \$4,255.92 of your tax dollars every 6 minutes.

In 1982 President Reagan appointed J. Peter Grace to head up a commission of businessmen and labor leaders to investigate the federal bureaucracy and find every possible savings opportunity.

The results of the Grace Commission study are shocking.

In the next three years the federal government will waste over 424 billion tax dollars through gross mismanagement, sloppy procedures, and outright fraud. That 424 billion could be used to reduce the deficit without cutting back or eliminating any social or defense programs.

Let me give you a few examples of how your tax dollars will be thrown away.

1. The Health and Human Services Department has been paying benefits to 8,500 dead people.

2. The Navy's Training and Equipment Center in Orlando paid \$511 for bulbs that cost 60 cents in the grocery store.

3. Food stamp cheating amounted to \$1,000,000,000.00 in 1981, 10% of the whole program.

4. It costs the Veteran's Administration from \$100 to \$140 just to process the paperwork of a single medical claim. The average for private insurance companies is \$3 to \$6 per claim.

5. Of the \$124 billion appropriated annually to help the poor, only 30 cents of every dollar ever reach them.

The Grace Commission documented literally thousands and thousands of other outrageous examples of how our tax dollars are being recklessly wasted.

Most of the Grace Commission recommendations require Congressional action, so don't expect too much, since the same bunch of big spending eastern liberal Democrats are still running rough-shod over the Congress.

President Reagan alone doesn't have the constitution or legislative authority to implement most of these vital cost-cutting recommendations.

As you will recall in President

Reagan's State of the Union address he called on the Democrats in Congress to approve these cost-cutting measures, yet they have still refused to act.

Right now there is a Republican sponsored bill coming before Congress which would implement many of the Grace Commission recommendations, but don't be disappointed if it never gets to the house floor much less passed. The special interest people will see to that, since many Congress members owe their election to them.

Now lets take a closer look at Austin and see if our elected Representatives down there are still trying to figure a way to raise our taxes and call it "Revenue Enhancing". Have you contacted your Representative and Senator yet?

1926 Book

Club meets

The 1926 Book Club met in regular session at the Patching Club House on April 16, 1985 at 4:00 p.m. Hostesses were Dorothy Whitaker and Susie Shields. Delicious refreshments were served to guests and members present while Betty Veach played selections of music on the piano.

President Frieda Tucker brought the meeting to order and turned the program over to Betty Veach who was in charge. The program was entitled "Music, Music, Music" and music we did have. We were honored to have Mrs. Edie Robertson and her piano students play for us. Six students presented their selections: Bridget Bland, "Nadia's Theme," "Here I Am"; Brandi Strickland, "Fame," "Ice Castles"; Jessica Martin, "Pink Panther," "Pink Elephant Walk"; Lynn Wiggs, "The One That You Love," "You're the Inspiration"; Dorcus Osburn, "Almost Paradise," "Music Box Dancer"; and Michelle Chambliss, 2 selections. Betty Veach changed the pace of music by singing and playing a selection - "I Want Jesus More Than Anything." The parade of music was enjoyed by all present.

President Frieda Tucker presided over the business meeting. The minutes of the previous meeting were read by recording secretary Betty Veach, and they were approved.

President Tucker reminded the assembly that if you had made a pledge to "help with the kitchen" fund they are coming due. The kitchen of the Patching Club House is looking so nice after remodeling.

A special welcome welcome back was given to Pauline Morris and Hazel Brandon.

The next meeting, the President's Dinner, was discussed. It will be a salad supper on May 7 unless the date is changed. There are other activities on that night, but members will be notified.

Pauline Morris, treasurer, brought us up to date on our finances. It was discussed and voted on to donate \$25 to the City Library.

It was announced that the "Citizenship Pins" Award have been ordered and will be presented to the junior high students at graduation.

Present were Dorothy Whitaker, Cedley Lex, Susie Shields, Hazel Brandon, Oressa Delaney, Viola Bones, Mary Hazel VanZandt, Norma Jones, Pauline Morris, Mary Thornberry, Dikki Howell, Dorothy White, Glenda Hawkins, Frieda Tucker and Betty Veach.

Local Chamber members attend Memphis luncheon

The Memphis Chamber of Commerce hosted a luncheon at the DeVille Restaurant on Wednesday at noon. Larry Milner, executive president and director, and Betty Cox, marketing director of the Amarillo Chamber of Commerce were the guest speakers.

Milner spoke on the problems in small communities. Leadership is a chief problem since it requires a lot of time that most do not have to donate. Milner stated, "Leadership is that quality in a person which makes people give up a dollar today to make two dollars tomorrow." He explained that the economic pie is constantly changing. It never remains the same. It is either shrinking or growing. We need to do all we can to make our pie grow. A prosperous chamber of commerce needs leadership dedication. A good manager is necessary and can make a difference, but it's leadership that is the responsible source. Each of us

should accept responsibility and make it our personal job to make our economic pie continue to grow. We MUST all work together - it is essential to our own well being."

Betty Cox explained about several programs that might help the smaller communities. The first was a membership drive. Inviting the community to become involved. Explain what the chamber of commerce can do for them as well as what they can do for the chamber of commerce.

The second program was an "after hours" get together. Businesses meet after hours for a social meeting to compare new ideas and get to know each other. Even though you see each other often you don't necessarily get to "visit".

The Clarendon Donley County Chamber of Commerce was represented by Patsy Leflew, Chamber Manager, and Terry Floyd, Donley County Home Extension Agent and Ambassador for the Chamber of Commerce.

# TFTA Leadership Conference held

April 19, 20, 21 was the date for the state and district TFTA Leadership Conference held in Corpus Christi at the Hershey Hotel. Annette Watson, state TFTA president, Kim Formway, state TFTA corresponding secretary, and Miss Betty Veach, state TFTA advisor, flew to Corpus Christi Friday, April 19 to meet the TFTA state consultant, Curtis H. Nixon and the other state TFTA officers to plan the conference. This was the last official meeting of the 1984-85 state TFTA officers.

All the state officers and advisors and state consultant met together and went to eat pizza, while together they discussed plans for the next two days.

Saturday, April 20 in the Laguna Madre Foyer around 10:30 a.m. registration began for the 20 district presidents, 1985-86 state officers and 1984-85 state officers and advisors.

The general session started at 11:30 a.m. in the Laguna Madre Room with Annette Watson, state president from Clarendon High School, presiding. Penny King, state historian from Burkburnett High School, gave the invocation. Introduction of the state officers were made. Curtis H. Nixon, state TFTA consultant, Austin, gave a brief orientation as what the conference intended to do.

Starting at 1:00 p.m. a workshop was conducted by Roger de los Santos of the TSTA (Texas State Teachers Association) staff entitled "Inspiring Working Relationships Toward A Stronger TFTA." for all district presidents and state officers. If dealt with having better communications between district level and state level, keep the channels open for better communication, inform each other of what is going on. Everyone in the room got a better idea of who the district presidents and state officers were as a result of the workshop. Communication is VITAL!

At 2:00 p.m. Tom Llewellyn of the TSTA staff in Austin conducted a workshop on TFTA district and state constitutions in the Laguna Madre Room. Mr. Llewellyn has great expertise in doing constitutions and interpreting the constitution. The constitutions should be precise and should be followed.

The district presidents and their advisors met at 3:15 p.m. with Kerry Moore, FTA advisor from Muleshoe High School. Her conducted a workshop entitled "How to Improve and Conduct District Conventions." He gave step by step instructions of how to put together a district convention and how to make it run smoothly. It takes all district officers working in harmony to make a successful district convention.

In the Laguna Madre Suite at 4:15 p.m. Tom Llewellyn of the TSTA staff, Annette Watson and different district presidents and state officers had a mock convention/house of delegates. The district presidents and state officers got an insight view of how a House of Delegates could be run. Parliamentary procedure was also discussed. It also showed what problems might arise and how they could be solved.

The discussion of the TFTA theme for 1985-86 came at 4:45 p.m. Annette Watson, state president, divided the FTA'ers and advisors into 8 groups. Each group was to come up with 3 themes and then they would be narrowed down to 5 and voted on Sunday morning. The meeting was adjourned around 5:45 p.m. and each one could enjoy Corpus Christi, the Texas Riviera.

The 1984-85 state officers and advisors and state consultant went to "Captain Boomers" Restaurant, a floating restaurant. The evening and meal was interesting to say the least.

Sunday morning, April 21 at 8:00 a.m. the district presidents and advisors met with the 1984-85 state advisors to talk about district president's responsibilities on district levels and state level. Miss Betty Veach, Clarendon High School, and Mrs. Mary Bates, Brady High School, conducted the meeting along with Shelly Sweat, Burkburnett High School and Mrs. Hyatte Owens, Huntsville High School. Mr. Curtis Nixon related to the district presidents and advisors some updates on what is going on on the state level. At 8:45 a.m. there was a combined meeting of the 1984-85 executive committee and the 1985-86 executive committee and district presidents and advisors. Annette Watson, state TFTA president, Clarendon High School and Curtis H. Nixon, state TFTA consultant, Austin, presided. Topics discussed: evaluation of 1985 state convention in Fort Worth; discussion of 1986 state convention to be held in Dallas; discussion of site location for 1986 leadership conference; selection of 1985-86 theme which is EDUCATION: A NEW FRONTIER; and membership ideas for 1985-86.

The installation brunch of the TFTA state executive committee was held Sunday, April 21, 1985 in the Neuces A suite at the Hershey Hotel. Going into this last meeting for the 1984-85 state officers, there were mixed emotions of sadness and happiness. This would be the last time the 1984-85 state TFTA officers would officiate in official capacity: Annette Watson, president, Clarendon; Cathy Baker, recording secretary, Huntsville; Kim Formway, corresponding secretary, Clarendon; Penny King, financial secretary, Burkburnett; Tracie D. Scheler, historian, Waco; Lisa Droby, parliamentarian, San Antonio.

Presiding was Annette Watson. Invocation was given by Kim Formway. Cindy Kilcrease, 1984-85 vice president, Cleburne, gave the welcome. In charge of the candlelight ceremony for the installation of 1985-86 state officers were Miss Betty Veach, state advisor, Clarendon, and Mrs. Mary Bates, state advisor to past president, Nita Fields, Brady. On a table was placed one lighted big red candle representing the TFTA State organization. Miss Veach introduced Sylvia Leal, TSEA president, Corpus Christi University, who was the installing officer for the installation. As Mrs. Leal read the charge for the incoming officer, the outgoing officer would light their candle and pass their state medallion to them as a symbol of their office. It was a beautiful candlelight ceremony. The newly installed officers are: Devin Bruton, president, Granbury; Lisa Martin, vice president, Victoria; Angela Walker, recording secretary, Plainview; Stacy Kennedy, corresponding secretary, Granbury; David Webb, financial secretary, Tulia; Kathleen Morrissey, historian, Vernon; Suzanne Laux, parliamentarian, Plano. Their advisors are Susan Snodgrass, Granbury; Annette Scott, Victoria; Melissa Mayfield, Plainview; Dorothy Hulsey, Tulia; Clea Holt, Vernon; Linda Whitehurst, Plano. "Being a state officer of any organization is an honor and privilege that every few high school students attain in their high school career." They are to be commended for their efforts to run a campaign for a state office and their determination to do their best when they are elected. Texas Future Teachers of America is an outstanding organization which builds our leaders for the future of education or other field. Texas Student Education Association (on the college level) continues with this task. Our parent organization, Texas State Teachers Association supports these organizations wholeheartedly. The 1984-85 State TFTA officers served their organization extremely well through their leadership and determination to make TFTA a stronger organization working with TSTA. Curtis H. Nixon, state TFTA consultant, announced that the newly elected TFTA state officers would get together in August/September to start planning for 1985-86 year. Miss Betty Veach has the privilege of being on the state board with the 1985-86 state TFTA officers and state consultant. The advisor to the past president always stays on the board the coming year. It has been a privilege working with the state 1984-85 TFTA officers and the state 1984-85 TFTA advisors and state consultant, Curtis H. Nixon. 1984-85 TFTA state advisors were Miss Betty Veach, Clarendon, Mary Bates, Brady, Cleburne, Walter Schoenfeld, Hyatte Owens, Huntsville, Kay Walling, San Antonio, Charlotte Lowe, Waco, Shelly Sweat, Burkburnett.

## From The PEN of PASTOR PINION

The words of the angel in Acts 1:11 declare: "This same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven." This SAME Jesus. This same Jesus whose birth the angels heralded in majestic song that has been heard around the world. This same Jesus whose wisdom at the age 12 confounded the doctors of law in the temple of Jerusalem. This same Jesus whose compassion moved Him to open the eyes of the blind, to unstop the deaf ears, to unloose the dumb tongues, to raise the dead to live again. This same Jesus whose death on the cross brings eternal life to all who will believe. This same Jesus whose Resurrection brought life and immortality to light. This same Jesus who ascended into heaven giving us a guarantee of our entry into the celestial city of God. This same Jesus whom ye see go away shall so come in like manner. I am not talking to you about what the philosophers say. I am talking to you about what the Word of God says. This same Jesus will soon come again. For you see, beloved, it is not a question of IF Jesus will return. The question is simply, "WHEN" will Jesus come again? Are you prepared?

WASHINGTON - At a meeting in the White House Oval Office Texas Congressman Ben Ray Lujan (right), and Florida Congressman Charlie McClellan (left) presented President Reagan with a letter signed by 166 of their colleagues. "The letter which the President told us had 'made his day,'" Lujan explained, "had enough signatures to sustain a Presidential veto of any legislation which tries to increase taxes. Now such legislation will be stopped first by the President's veto, and then by

the House which won't let that veto be overridden." Noting the significance of the meeting date, which was April 15th, the day all federal taxes are due, Lujan said that "the American people are already overtaxed. They support a balanced budget, but don't want to see it achieved through tax increases. I'm proud to be able to say that through this letter, I have taken an active role in preventing a tax increase in the House of Representatives."

## FTA News

On April 2, 1985, the Clarendon FTA chapter met in regular session at 6:30 p.m. at the high school, room 104. President Annette Watson presided. Sheri Chamberlain was program recording secretary. The minutes of the previous meeting were read and approved. The "Student Teach" days were discussed. It was decided that most FTA's could go to Junior High and Elementary for 2 days. This would be counted as 2 of their 10 days rule. The program was completely explained. The dates will be announced. The project of the "giving away of 100 gallons of gas" was not approved, so it was abandoned. The historians, Janet Risley and Tammi Deen, were reminded that the chapter scrapbook materials were

mounting up. They need to get scrapbook completed before school is out. Sheri Chamberlain has been helping with scrapbook too. Attending were Annette Watson, Lynn Alderson, Janet Risley, Rachel Bowling, Tammi Deen, Sheri Chamberlain, Shanna Cole, Brigett Spier, Kami May, Trisha Clifford, Marcy Helms, and Miss Betty Veach, chapter sponsor. The Clarendon FTA met in regular session on Tuesday, April 16, 1985, at 6:30 p.m. in room 104 at C.H.S. President Annette Watson presided. This meeting was short. The minutes were read by recording secretary Kim Formway and they were approved. Unfinished business was the "Student Teach" days, April 24 and 25 (Wednesday and Thursday) are

designated for the days the FTA's will participate in this program. Twelve F.T.A.'ers will participate: Annette Watson-Mr. Johnny Leathers, Kim Formway-Mrs. Pauline Heath, Lynn Alderson-Mr. Jack Hall, Mitch Johnson-Mrs. Mary Beth Nielson, Sheri Chamberlain-Mrs. Freddie Moreman, Rachel Bowling-Mrs. Phoebe Hill, Brigett Spier-Mrs. Ethelyn Grady, Tammi Deen-Mrs. Hatley, Kami May-Mrs. Bobbie Thornberry, Trisha Clifford-Mrs. Renee Duncan, Marcy Helms-Mrs. Helen Estlack.

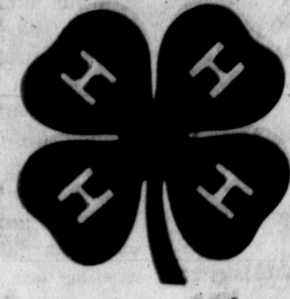

Historians were reminded to meet and work on scrapbook. Miss Veach, Sheri Chamberlain and Tammi Deen have been working on the scrapbook. Marcy Helms was elected FTA'er for April and Mrs. Carrie Howell was elected FTA Teacher for April. Following the meeting Annette Watson, Kim Formway and Miss Betty Veach, advisor, made plans to attend FTA Leadership Conference at Corpus Christi, TX on April 29, 20, 21.

Present were: Annette Watson, Kim Formway, Lynn Alderson, Mitch Johnson, Tammi Deen, Sheri Chamberlain, Trisha Clifford, Marcy Helms, Shanna Cole, Brigett Spier, and Miss Betty Veach, Advisor. On April 24-25, several FTA students participated in the "Student Teach" program. FTA wishes to thank Mr. Bob Howell, Mr. Floyd Gunn, and all participating teachers for having this program. This program enables the FTA student to experience the classroom on the side of the teacher. Each student got with their cooperating teacher and planned to observe and/or teach in their class for one or two days. This gives my FTA students some taste of the role of a teacher and helps them make a decision as to whether they might consider "Teaching" a career. The students who participated were Annette Watson with Mr. Johnny Leathers, Lynn Alderson with Mr. Jack Hall, Mitch Johnson

Thanks to Edie Wallen for some coffee cup holders. We appreciate these items.

Monday night dance practice on April 22 was good, as usual. Had a nice crowd and all enjoyed the evening.

The thunder boomers didn't keep twenty-two home on game night, Thursday, April 25th. After it quit lightning and thundering I even enjoyed getting beat at Pinochle.

After the storm on Friday, April 26th, thirty came out to play in the Jam Session or listen to the music. Music makers were: Creed and Jake Smith, Jack Davidson, Truett Behrens, Fred Fortenberry, Wallace Sides, Ray Anderson, Bud White, and visitor Jean Bridges. We are glad to have Bud and Betty join our group of music makers. We enjoyed the Ray Bridges family visiting from Morton, Texas.

A group of friends and former Brice schoolmates met at the Center on Sunday afternoon, April 28th, to renew acquaintance and visit with Gretchen (Tidwell) McKnight from Vancouver, Washington. Forty people enjoyed this get-together and talked of getting a Brice reunion started.

By NAOMI GREEN

Mary Lou Hopkins of Snyder spent the weekend with her sisters Viola Graham and Nova Mooring.

Last week Ruby Jewel Hardin attended a pattern grafting seminar at the Villa Inn in Amarillo. Thursday Ruby Jewel and Warren attended the 3rd annual diabetic seminar at the Hilton Inn in Amarillo. They were especially impressed with the class on motivation.

Mr. and Mrs. J.D. Wooten of Lella Lake have gone to San Antonio to be with their daughter Mrs. Jimmy Krause who is seriously ill.

The Robert Partains were back to Leedey, OK this week to be with her mother Minnie Taylor who has had problems with circulation.

Warren Hardin and Gladys Blackburn's mother, Mrs. Frank Hardin passed away Saturday evening late. Services are Tuesday afternoon. Our sympathy is extended to all of the family.

J.T. and Beatrice Sikes of Amarillo came Sunday to help with the plans for Mrs. Hardin's service. They went on to Kansas to pick up their daughter and returned Monday to be

with the family.

The Jerry Green family visited Sunday with Joe Green at Canyon. They also toured the West Texas State Museum. Rodney Green of Umberger and Joe Green had just returned from the Bob Wills celebration at Turkey.

Fay Naylor of Hedley, Fay Fry of Amarillo and Thelma Hall attended the baby show with Linda and Tex Naylor Saturday night. Jared, son of Linda and Tex, went home with a first place award for two year olds. They all enjoyed the performance of the United Methodist Littlest Angel Choir and the contribution of the Cub Scouts.

Thelma Hall went to Pampa with Senior Citizens Friday. She visited a cousin J.L. Bain. Mary Helen Boston came and joined them for visiting while she was there. A less welcome visitor was a golf ball hail storm that broke out double storm windows. Alma Hall of Amarillo came and took Royce to Hedley to visit with Beula and Durrell Hall the same afternoon. Their weather was somewhat better. Linda Jewett of Panhandle had

lunch Monday with Horace and Naomi Green.

Mr. and Mrs. Bill Pendelinton from Stratford visited this past week with Royce and Thelma Hall. Olace Hicks visited Royce Hall Thursday.

Tressa Moore from Dallas flew to Amarillo to be with her father Bud Moore who had surgery at St. Anthony's Hospital Saturday. Rev. Frank and Christene Braugh came from Oklahoma City to visit Bud and spent the night with their son, Mr. and Mrs. Ronnie Brough. They came Sunday morning and took Lily Knox to church and to lunch.

In spite of the fact that Bob Andis enjoyed a 1 1/4 inch rain Thursday, more Friday and again Sunday night, he thinks he has had a rough week. He and Vera took their dogs to Oklahoma City for a show. He had his dogs did fine on Saturday until they changed judges on Sunday, then Vera "out dogged" him and has been hard to live with all week.

Hazel and J.R. Brandon were co-hosts to the Air Stream Rally at Cap Rock State Park near Quitaque last week. They had twelve trailers and an interesting program by the past president of Texas Archaeologist, Jim Word of Floydada.

Edgar Mac and Mable Mongole and Helen Green of Canyon were house guests of J.R. Brandon's this weekend while they attended Clarendon College homecoming.

Jimmy Lee and Don Matherson of Claude and Myrl and Frank Reger of Hedley came Sunday afternoon to visit with the J.R. Brandon's.

Chris Jewett celebrated his second birthday with a party at the home of his parents Bobby and Cathy. Guests included Pa Pa and Nanny Jewett of Ashtola, Aunt Linda Bagrich and cousins Christie and Ker-shane of Amarillo, Uncle and Aunt Danny and Barbara Mason and Bryan and Brandon of Amarillo and Chris Schollenbarger and Mark Dickerson.

LaRue Pittman of Amarillo and Melba Risley attended the Clarendon College Homecoming this weekend.

Jo, Connie, Chris Schollenbarger had lunch Sunday with the Lloyd Risleys.

Clean up crew can not get to the community center Tuesday night due to water over the road. If the water has receded by Thursday and it is possible to get to the building, we will clean the building and have the welcome party for new neighbors Richard and Glenda Patterson, as soon as clean up is finished. If we can not get to the building, but it is warm and not too windy, we will have a patio party at the Warren Hardin home. If the party must be moved indoors, we will go either to the Hardins or the H.A. Green home depending upon how everybody feels. See you Thursday night with sandwich fixings or dessert.

## Methodist Women to sponsor bake sale for cystic fibrosis

The United Methodist Women will be sponsoring a bake sale on Saturday, May 4th at Gibsons. It will begin at 10:00 a.m. The proceeds will benefit the Cystic Fibrosis Foundation. Please come out and support this very worthwhile cause.

Did you know:  
\*Cystic fibrosis (CF) is the number one genetic killer of children and young adults in the United States;

Every day, every five hours, a child is born with CF;

Every day, every eight hours, someone dies from CF;

At present, there is no cure or long term control for CF;

An estimated 10 million people - one in 20 Americans - are unknowing, symptom-free, currently undetectable carriers of the CF gene;

CF, a disease involving the lungs and digestive system, is often misdiagnosed, delaying treatment which can prolong life.

Cystic fibrosis is not contagious. It is genetic or inherited (hereditary) disease, beginning at the moment of conception and resulting from a defect or abnormality of a gene. Genes are the basic unit of heredity and determine physical and chemical characteristics such as eye color, stature, facial features, and many health conditions. Genes are carried on chromosomes, which are thread-like structures found in the nucleus of every cell in the body. Each chromosome carries thousands of different genes. The specific gene responsible for CF and the chromosome which carries this gene have not yet been identified.

Each parent of a child with CF is a "carrier" of a single CF gene. In the United States, an estimated one of every 20 persons (about 10 million people) carries a gene for CF. Inheriting a single gene for CF causes no special health problems, and a

person's carrier status often isn't recognized until he or she becomes a parent of a child with CF.

An individual with CF has inherited a pair of chromosomes, each containing a CF gene. One chromosome of this pair came from the father and the other chromosome from the mother. However, when both parents are carriers of the CF gene, their children will not automatically have CF. Each time a woman carrier of the CF gene and a man who is also a carrier of the gene conceive a baby, there is a 25 percent chance that the child will inherit CF; a 75 percent chance that the child will not have CF; and a 50 percent chance that the infant also will be a carrier. These odds apply to each pregnancy. A pregnancy which resulted in a child with CF doesn't guarantee that the next pregnancies will escape CF.

Cystic fibrosis, the number one genetic killer of young people in the United States, has signs that are common to other childhood illnesses. If your child has any of the following symptoms, do not assume he or she has CF, but do consult with a doctor about the possibility of CF. Early diagnosis and treatment help to prolong life, so be alert to: Recurrent wheezing, persistent coughing/excessive mucus, pneumonia more than once, excessive appetite/poor weight gain, clubbing (enlargement) of the fingertips, salty taste to the skin, bulky stools, nasal polyps.

## SPOTLIGHT On Teen's

by REV. TONY COLBURN

It is important to note that God has given our parents certain acquired abilities that will help us to attain qualities in our lives that God wants us to have.

Parents have the ability to see events, people and circumstances that will do us great harm. Our parents already experiences many of the things that we will encounter in the future. Therefore, we should give attention to their advice. They have insights that are valuable to us concerning dating, jobs, friends, education, finances, personal responsibilities, etc...

Often when parents say, "I have learned..." or "It seems to me..." they are speaking from their own experience. It would be very wise on

our part to listen to them for they may have already gone through what we are facing. We can benefit from the mistakes they have already made. It is very important that we listen and obey the instruction of our parents. Prov. 12:15 says, "The way of a fool is right in his own eyes; but he that hearkeneth unto counsel is wise."

Parents also have the ability to discern rough edges in our attitudes which can hurt us the rest of our lives. They not only can discern these rough edges, but they also have the ability to become "sand paper" to smooth the rough edges off. Many times this rubbing will come through discipline. Next week we will deal more with the subject of children.

## Two local residents graduate from Amarillo College

Two Clarendon residents are graduating from Amarillo College May 10th at 8:00 p.m. in the Amarillo Civic Center Auditorium.

Ethel Adams, Rt. 1 and Gail Rojas Hamby, Rt. 1 both will receive an associate in applied science degree in nursing.

527 students will be graduating in this 56th annual Amarillo College ceremony. Dr. H.D. Yarbrough, president, will preside over the

ceremony and Professor Robert W. Wylie, chairman of the English Department will present a charge to the graduates.

Summer registration at Amarillo College takes place on June 3 with classes starting on June 4th for the first summer session.

## Whaley becomes member of TCC

Representative Foster Whaley (D-Pampa) has become one of the founding members of the Texas Conservative Coalition, a new group of more than sixty Senators and Representatives in the Texas Legislature.

The three goals of the TCC are to identify and discuss legislation and issues important to conservatives, to obtain and analyze information from private enterprise and think tanks, and to assist in the sharing of research from one legislative staff to the next.

The Coalition is non-partisan with twenty-six Democrats and thirty-eight Republicans. Some of the issues the Coalition will study include promoting efficient and responsible state government, maintaining free enterprise, and providing local control of government programs.

# April Showers Baby

## Pageant held April 28

The 3rd annual baby pageant, sponsored by the Clarendon Young Homemakers, was held Saturday, April 27 at the Clarendon College Fine Arts Building.

Missy Kidd, club president, greeted the audience then introduced the judges Betty Smith of Memphis, Vestal and Dorothy Vaughn of Lubbock. MC's were Joan Kidd and Patsy Robertson.

The entertainment was provided by Dan Hall accompanied by Valorie Ashcraft, Ann Harper accompanied by Joberta Helms, Cub Scout Den 4 and the Littlest Angel Choir, under the direction of Jamie Deyhle and accompanied by Wayne Chambliss.

This year's entrants were carried on stage by Kathy Holland, Nancy Kidd, Nancy Newhouse, Tammy Taylor, and Debbie Hollan before a large umbrella bearing this year's theme "April Showers".

This year's winners in the 0-6 month category were Mallorie Kathleen Cole, 2 1/2 month old daughter of Tim and Renee Cole and Justin Shawn Myers, 6 month old, son of Roger and Trudy Myers. In the 7-12 month category the winners were Heather L'Nea Smith, 9 month old daughter of John and Jamie Smith and Jared Wayne Naylor, 12 month old son of Tex and Linda Naylor. In the 13-18 month category Chance Douglas McGuire, 13 month old son of Mickey and Sue McGuire and Promise Jasmine Garrison, 18 month old daughter of Mack and Judy Garrison and in the 19-24 month category Courtney D'Ann Newhouse, 24 month old daughter of Mike and Rhonda Newhouse and Gregory Martin Leeper, 23 month old son of Bryan and Debbie Leeper were our winners. Each winner received a blue ribbon and a \$50.00 savings bond and each entrant received a certificate of appreciation.

The Young Homemakers would like to take this opportunity to thank the judges, MC's, entertainment, local merchants, Dolores Crump, the parents and most of all the babies for making this year's pageant such a success.

### THANK YOU

The Clarendon Young Homemakers would like to take this opportunity to thank all of the merchants for their donations to the 1985 baby pageant. Without their support this pageant would not have been possible. They are Greene Dry Goods, First Bank & Trust, Osburn Furniture, Neita Draper, Bivens Phar-

macy, Alderson Chevrolet, Mary's Country Kitchen, J&W Lumber, IGA Foodliner, Davis Body Shop, Owens Boot Shop, Saye's, Terry's Conoco, Harlan's Flowers, Donley County State Bank, Henson's, The Grocery Store, Stavenhagen Furniture, Eddie Floyd's Shop, Automotive Supply, McKinney Motors, Denise's Cloth Shop, Simpson's, The Nook, Robertson Funeral Directors, Judy's Hair Design and Dolores Crump.

**Clarendon Young Homemakers**  
The Clarendon Young Homemakers met Monday, April 22 at the home of Annette Osburn for their regular monthly meeting.

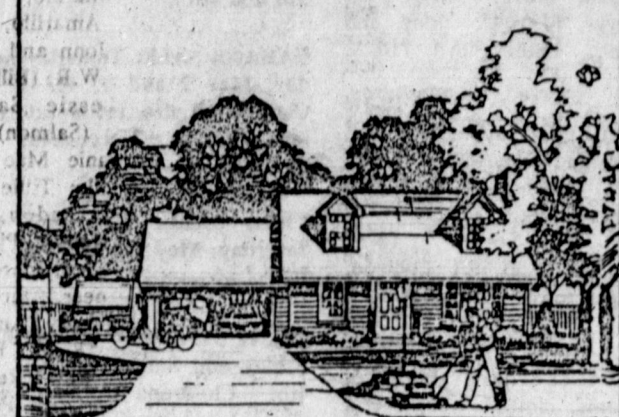

The meeting was called to order by the president Missy Kidd who also introduced Terry Floyd, Extension Agent. Most of the meeting was for the purpose of finalizing plans for the baby pageant.

Members present were Wanda Smith, Debbie Blackburn, Cindy Shelton, Nancy Newhouse, Rhonda Newhouse, Fay Vargas, Nancy Kidd, Kim Lumpkin, Edie Robertson, Linda Naylor, Debbie Hollan, Missy Kidd, Kim Lindley, Jondel Moffitt, Terry Floyd, Kathy Holland, Denise Bertrand and Annette Osburn.

**YOUR BEST DEFENSE AGAINST DEPRECIATION AND INFLATION**

When it comes to insurance protection for your personal possessions, Replacement Cost Coverage from USF&G Insurance is your best defense against depreciation and inflation.

Unlike your standard homeowners policy, USF&G Replacement Cost Coverage pays to replace your possessions with new ones if they're stolen, damaged or lost in a fire—without the usual deductions for depreciation, and at current market prices. And that can save you a lot of money.

## PUBLIC NOTICE

### CITY OF CLARENDON TEXAS COMMUNITY DEVELOPMENT PROGRAM

The City of Clarendon is currently making plans to apply to Texas Department of Community Affairs for Texas Community Development Program funds.

The City of Clarendon will conduct a public hearing to discuss use of past TCDF awards, the amount of funds available, and eligible activities. The public hearing will be held at True Church of God in Christ, corner of Jefferson and Rosenfield, Clarendon, Texas, at 7:00 p.m. on May 6, 1985.

The City of Clarendon encouraged individual citizens and citizen's groups to make their views known at this public hearing. The City welcomes the full participation of its citizens in the development of this TCDF application.

Citizen's comments may be delivered in advance to City Hall at any time prior to the public hearing. Handicapped individuals who may have difficulty in attending this meeting should contact City Hall to arrange for assistance.

For further information, contact James Kahn at the City Hall at 874-3438.

## You and the Law

**Q:** I live in a subdivision annexed by the city. I am told the city will soon be installing gutters and curbs in front of all the houses in my neighborhood. Do I have to pay for this service?

**A:** Yes, an owner of property that benefits from public improvements may be assessed a portion of the cost.

You may be assessed up to 90 percent of the city's cost up to the amount the improvement enhanced the land. There must also be notice and a public hearing to determine the amount of assessment in these cases.

**Q:** Is there a new law in Texas that makes it illegal to transmit herpes to someone?

**A:** No, there is no law which makes it a crime to transmit genital herpes. In 1983, the Legislature did pass the Texas Venereal Disease Act which prohibits knowingly exposing another person to a "reportable venereal disease." A violation of this law is a class B misdemeanor punishable by up to six months in jail and/or a fine of up to \$1,000. However, at this time the only two "reportable venereal diseases" are syphilis and gonorrhea.

It's really been raining in and around town the last week. I talked to Nookie Wiggins, and he said he'd had between 4 1/2 and 5 inches of rain during the past week. There's also been some hail. We've had about 4 inches of rain at our house and no hail. Every water-gap on the creek at Giles went out. My menfolk spent Sunday repairing them. Blackie Johnson took time off from his police work to put in the ones that joined his.

Helen Lamberson came home from Houston sick. J.T. Jr. and Colleen brought her home Tuesday. She could barely talk when I talked to her, but she did say that she was able to attend the auction sale in Clarendon last week. She said she bought some really good stuff. Buddy and Alma Lamberson stopped and visited his folks enroute to Burburnett. J.T. and Helen also had their grandson, Randy Lamberson, and some of his friends from Lubbock visiting over the weekend.

There were several attending the auction at Clarendon Saturday. Elmore Bailey and Jack and Sue Nivens and Terry Bailey were among those who were there.

Mahdeene Debord has been sick. I talked to Connie Lee Wilson, and she told me her mother was feeling really bad. Troy and the boys stayed at home in order for Connie Lee to have time to tend to her mother.

Matt Martin fell a few days ago and cut his head pretty bad. He got the stitches out and attended the circus with his mother, Sis and sister, Kendra. Kendra told me they enjoyed the elephants.

Nookie Wiggins was in Amarillo to see the doctor Thursday.

Frank and Helen Lindsey and T.E. and Faye Naylor were happy, happy grandparents Saturday. Their grandson, Jarred Naylor was the boy winner of the 7-12 month group in the April Showers baby contest in Clarendon. Jarred is the son of Tex and Linda Naylor. Great grandparents are Mrs. Cassie Owens, Sam and Flora Sanders, Royce and Thelma Hall.

Pick and Laqueta Cox and Carl and Sondra Layton went to Paducah last weekend for the Old Settler's Reunion.

Nookie and Geraldine Wiggins had their entire family at home Sunday. Those enjoying the day including church at the First Baptist Church

were Bill and Tobitha Wiggins and children from Wheeler, Bob and Cheryl Wiggins, Chad and Jason, Phillip Wiggins, Mrs. W.W. Wiggins, Mrs. Nell Land, and Dorothy Johnson all of Hedley. Geraldine went back into the hospital in Amarillo Wednesday and will have surgery Friday. When I talked to her last, she was very optimistic about the outcome and said she expected to enjoy complete recovery. Everyone certainly hopes so.

Among those braving the weather to attend the Bob Wills Celebration in Turkey Saturday were Walter Johnson, Sue and O'Neill Weatherly. Someone told me that the highway patrol said if O'Neill Weatherly got in jail over there he'd better be sure it was the Hall County jail he got put in rather than the Donley County jail.

Su-San and I went to Paducah Saturday for an Eastern Star meeting. There were several from Clarendon there, including Bill and Tena Powell.

Fred and Guy went to Amarillo with a load of cattle for a neighbor Saturday.

Joe and Margaret Wells were in church with us Sunday. Margaret played the organ.

It's official now. Rev. W.H. (Bill) and Boots Watson will be leaving the Hedley and Clarendon Methodist pastorate on June 12. They will be going to Littlefield. Rev. James Carter and his wife Juanita will be coming to Hedley and Clarendon in their place. I know everyone in both churches will miss the Watsons. They are both such lovely people, but I'm looking forward to the Carters. We've had the good fortune to have the Watsons for six years, and we wish for them everything good and hope the people in Littlefield are as nice and friendly as those in Hedley and Clarendon!!!

Sis and Marty Martin had his niece visiting over the weekend. Lisa Eaton stayed part of the weekend while her parents, Lewis and Joy were at the Bob Wills Celebration. I understand they left early on account of the weather.

Su-San and I went to Wellington Thursday to see the doctor. He gave me a lecture about keeping my blood sugar down.

My dad, Curtis Mullins hasn't been feeling very good. I told him it was old age and he told me I didn't know what I was talking about. I do

know he had a birthday Tuesday.

Harry Rowley, Robert and Jeff enjoyed the rain at Giles Saturday. I think the rain here is better than that which falls in Amarillo. This is the second weekend they've been here when it was raining. I missed them, but Harry brought Guy a snakeskin belt with the buckle covered with snakeskin. I personally wouldn't touch one of the things, much less wear it around my waist.

Murrell and Dorothy Whitaker took their friends, Bill and Ollie Drake of Childress, to the Bob Wills Celebration. He said they nearly drowned.

Bob and Jessie Roland accompanied their children Bobby and Pat Roland of Amarillo to Lake Texoma this weekend to visit Bob's sister-in-law, Mrs. Jessie Roland.

Virgil McPherson took Opal to the doctor in Amarillo Friday. She's got to go back later this week.

Kelley Woodard of Aurora, Colo. is visiting her parents the Bill Lowes of Hedley.

Mother and Nettie Alexander took their aluminum cans to Amarillo earlier this week and sold them. They intended to paint the entire town of Hedley bright red with the proceeds. Due to the depressed price of aluminum, they will only be able to give the town one thin coat of pale pink!!!!

## The Lion's Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-eight members, Lion Sweetheart Jessie Adams and two guests were present. Following the regular opening ceremony, Lontamet Messer introduced Lisa Winsor, guest of Lion Mark Winsor and Marty Hammond, who was the guest of Lion Ed Hammond. Boss Lion Lovelady called on program chairman Don Smith who introduced Lion Winsor who gave us a report on the District Convention for Lion District 27-1 which was held in Amarillo recently. Judging from their report, I believe the delegates who attended were well aware that the Clarendon delegation was present. Meeting adjourned.
