Canadian blows past Bronchos 28-6

The Clarendon Bronchos opened their 1984 football season with a loss to a strong 3A team at Canadian. A strong south wind played a big part in the game.

The Bronchos had the strong wind to their back: the first quarter and scored the first time they had the ball. Canadian received and after they were unable to move the ball, punted for 4 yards. The Bronchos quickly went to work. Rodney Smith went 12 around the right end and then on 3rd and 9, Trent Sharp hit Dean Cearly for 10 yards and a first down on the 25 of Canadian. The Bronco score came when Sharp found Robert Youngblood in the end zone for a 22 yard touchdown pass. The PAT attempt was blocked. The Bronchos had another chance to score before the quarter changed but a pass from Sharp to Youngblood fell incomplete in the end zone.

Now facing the wind in the 2nd quarter, the Bronchos found themselves playing defense and they played good defense. The first half ended in favor of the Bronchos 6-0. Canadian chose to take the wind in the 3rd quarter. They got the Bronchos in a hole that they never got out of. By the end of the third quarter the Bronchos trailed 20-6. They also lost quarterback Trent Sharp with a dislocated left elbow. He will miss most of the rest of the season. Junior Leland Howell guided the Bronchos the rest of the way. Canadian added another score the final quarter to make the final

score 28-6. Dewey Mincey lead the defense with several tackles. Booney Gardner and Rodney Smith lead the rushing attack with Booney gaining 79 yards on 23

carries and Rodney had 73 yards on 20 carries. Canadian had 12 first downs to Clarendon's 9. The Bronchos home opener is Friday against Floydada.

Bronchos to host Floydada

The Floydada Whirlwinds came to town Friday night to play the Bronchos at 8:00. Floydada is coming off a 28-0 loss to very strong Crosbyton. The

Winds have 6 starters back, both on offense and defense. The Bronchos are looking for their first win after the opening loss to Canadian.

Donley receives \$16,077 in criminal justice grants

Governor Mark White today announced the award of more than \$24 million in criminal justice grants to help fight crime in Texas.

Most of these funds will be distributed to local law enforcement departments to help initiate programs to put more officers on the street, operate projects to discourage juvenile crime, and organize citizens into neighborhood watch and other crime prevention efforts. "To establish safer communities,

we must encourage citizens and the police to work together to swiftly apprehend criminal offenders and to support programs designed to discourage young people from engaging in criminal activity," Governor White said. Funding of these programs is made possible through assessing fines paid by persons convicted of violating criminal laws in Texas.

Mrs. Gooch to lead St. Jude's fall Bike-A-Thon

St. Jude Children's Research Hospital is proud to announce that Mrs. Bonnie Gooch has been named to lead the 1984 Fall Bike-A-Thon in Clarendon.

Clifford Damstrom, St. Jude Director of the Southwest Region, stated that we are extremely proud to find such a dedicated person for this very important job.

"St. Jude Children's Research Hospital is the largest and one of the leading childhood cancer research centers in the world and it is the first research center dedicated exclusively to the research and conquest of catastrophic diseases of children, such as cancer and other life-threatening diseases," Damstrom stated. "When St. Jude accepted its first patient in 1962, the survival rate for children diagnosed with acute lymphocytic leukemia was less than 5%. Today, the disease free survival figure for children has grown to over 50%. Cancer treatment procedures that originated at St. Jude are now being used to treat children throughout the United States and in other parts of the world. Such progress has brought a world-wide acclaim to St. Jude."

"Children come to St. Jude for one purpose: A CHANCE TO LIVE!" Damstrom stated. St. Jude's dramatic progress has been made possible primarily by volunteer contributions raised through events such as the Wheels for Life Bike-A-Thon. Representing the abstract artists are Steve Mayes of West Texas State University, William Burrell of

because of a vow, stated its purpose clearly: "To wipe catastrophic diseases of children from the face of the earth."

"Since Thomas opened the research center in 1962, his dream of conquering cancer and other diseases that destroy our children has been brought closer to reality," stated Damstrom. "Thomas is still extremely active in pursuing this goal, and he inspires all of us in this cause." Details of the Bike Ride will be announced later.

Don Ray featured in Accent West Magazine

An area artist and Clarendon native is featured in a regional magazine this month.

Don Ray, Western artist born in Clarendon, is one of several area artists featured in the September issue of Accent West Magazine, a regional magazine for the Texas Panhandle.

Ray, who now lives in Channing, is one of three area Western artists from the Texas Panhandle to join in the debate concerning Western art versus abstract art in this month's cover story entitled Art Wars. Ray is joined by Justin Wells and Stefan Kramer, both of Amarillo.

State sales tax to increase Oct. 2nd

New tax laws passed by the Legislature and signed by Governor Mark White go into effect October 2.

The state sales tax goes up 1/8 of a cent across the state, but it translates into a 4 1/8 percent sales tax. In some cities that have local sales taxes and special taxes for mass transit, the cost may balloon to as much as 6 1/8 percent.

Many items that have never been taxed, will appear on the tax list, along with higher taxes on some items already carrying tax status.

Fertilizer used for non-agricultural purposes will be taxed. Other garden items such as bedding plants bought at nurseries and plants bought at the grocery store are subject to the higher tax rate. Exempt from the tax are annual plants that die after a growth year or that yield food for human consumption. Fertilizer used for agricultural purposes remains exempt. Newspaper subscriptions are included in the list. Starting October 2, papers you buy at news stands, grocery stores or receive through the mail will be taxed.

The cost of repairing personal property, including home repairs such as washing machines, dryers, lawn mowers, vacuum cleaners, microwave ovens, telephones and television sets are all included. Also included are the extended warranties consumers buy to protect these items. Repairs to real estate are not taxed. Neither are repairs to items that are specifically exempt, such as eye glasses or hearing aids, motor vehicles and aircrafts. Parts are taxed, but not the repair work itself.

If your watch breaks or if your camera's shutter is on the blink, their repair is taxable at the place where you take them to get them fixed.

Sports tickets, along with tickets to most other entertainment and recreational events come under the Texas sales tax for the first. (As far as we know at this time, this does not include high school sports.)

The coming attraction at local

movie theatres may be higher priced. Admissions to movie houses and to almost entertainment event will be taxed under the new sales tax law, including cable TV.

Tobacco products get a double-dose of taxes. Texans will have to pay both a sales tax and a tobacco products tax. The tobacco products tax went up by 1% to 19.5 cents per pack. But for the first time, cigarettes, cigars, chewing and pipe tobaccos will fall under the tax structure. Additionally, the vending machine price of cigarettes - already higher than the over-the-counter price will inch even higher. A pack of cigarettes out of a machine costs about \$1.25.

A laundry list of new items will be subject to the tax. The most common type of bill is dry cleaning personal clothing. It also will include employee uniforms or linens such as tablecloths or cotton napkins sent out to be cleaned. Drapes that are repaired or steam cleaned also will be taxed. If you have upholstery cleaned or repaired, valet services at hotels and other ironing or pressing services you will also pay tax on these services. Not affected are coin-operated laundry machines operated by consumers.

This list is only part of the taxable items the \$4.8 billion tax package includes. How much of the new tax burden will fall on you depends on what you buy and where you live.

Questions regarding any of the new taxes can be answered by calling State Comptroller Bob Bullock's office toll free, 1-800-252-5555 or on the regular number 512-475-1931.

Paper subscription to be taxed beginning Oct. 2

Subscriptions will be taxed under the new law passed by Legislature and signed by Governor Mark White when the law goes into effect October 2. You will have to pay a penny more for your paper at news stands and grocery stores. Starting in October you will pay 10:00 plus 51 cents tax for your yearly subscription in Donley County and \$13.00 plus 67 cents tax on subscriptions outside of the county.

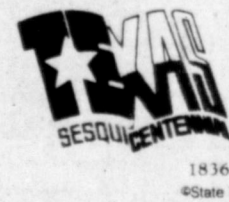

If you know your paper is expiring soon, you might want to consider paying your subscription a little early to avoid the tax. If you do pay early your paper will be continued from the date it was due.

Craft to attend TCU ranch Management Program

John Robert Craft of Clarendon was among 35 young ranchers from eight states and Canada, Guatemala and Brazil selected to attend Texas Christian University's 1984-85 Ranch Management Program.

The unique nine-month program combines intensive classroom study of all aspects of ranching with 10,000 miles of travel each year to examine principles and practices applied on working ranches.

The new class includes men and women from Texas, Arkansas, New Mexico, Florida, Pennsylvania, Wyoming, California and Louisiana. They join some 700 ranchers from 33 states and 21 foreign countries who have taken part in the program.

Sesquicentennial Notes

Pledge of Allegiance to the Texas Flag: "Honor the Texas Flag, I pledge allegiance to the Texas one and indivisible."

The provision for a salute to the Texas flag was made when the Texas legislature passed a law for the salute and a series of rules on the proper use of the banner in 1932.

Interest in the Texas History class offered by Clarendon College is high with enrollment continuing. Hedley is well represented with a good number of citizens from that community all ready attending class. Some class members are first time students, some are "second time around" and some are originally out of state residents who are interested.

Senior Citizens Dance Senior Citizens will have their dance September 18, 8 p.m.-11 p.m. in the Clarendon Community Center where there is plenty of room and plenty of seats. There will be live music.

83 YEAR OLD JESSE SNEED from Clarendon, the first Tumbleweed Talents entry, will be playing the organ for this year's show. Read article for more details.

5th Tumbleweed Talent show

The search is now on for entries into the Fifth Annual "Tumbleweed Talents Show," which will be held in the Clarendon College Fine Arts Theatre, Saturday, September 29, at 7:00 p.m.

Individuals and groups of all ages are encouraged to enter the talent contest and participate in this wonderful evening of family entertainment. ENTRY DEADLINE is September 17.

Perhaps you sing or have an amateur musical group. Maybe you love to impersonate famous people or give comedy routines or dramatic readings. It could be that you play the piano, guitar, or some other instrument, or perhaps you are a music or voice teacher with some talented students who would like to perform.

Do your school cheerleaders or twirlers have a really super routine to share with area residents? Do you have a dance troop who would really like to "show their stuff"?

Proceeds will go toward student scholarships for Texas Panhandle students by the sponsoring clubs, the Green Masque Drama Club and the PTK National Honor Society.

Entry forms may be obtained by calling (806) 874-2574 or (806) 874-2389 or by writing CLARENDON COLLEGE, TUMBLEWEED TALENTS, BOX 968, CLARENDON, TX 79226.

Trophies and prizes are awarded to winners in 6 age divisions. Write or call today for an entry form for you, your group, or someone you would like to encourage to share their talent at TUMBLEWEED TALENTS on September 29.

Billy Price hurt in accident

Billy Price, an employee of Price Super Save, was injured Thursday, September 6th when a truck tire he was fixing exploded. The impact of the tire broke both of his hands, both wrists and a bone in his arm between his elbow and shoulder. He had a large scalp wound and severed an artery in his arm.

Pat Robertson of the Emergency Medical Service, credited the quick action of Dr. Deyhle in saving Price's life. The ambulance was on the scene within 5 minutes, but in that length of time, Price could have bled to death.

He was taken to Dr. Gilkey's Clinic then transported to Northwest Texas Hospital where he underwent surgery.

He is reportedly out of intensive care.

Mooring, Price receive degrees from WT

Two Clarendon residents have been awarded bachelor's degrees during summer commencement ceremonies at West Texas State University.

Receiving degrees are Darlene Mooring, Bachelor of Arts in English education with a second major in speech education, and Ricky Price, Bachelor of Science in physical education with a second major in history education.

Of the 362 candidates for graduation, 128 received master's degrees. Bachelor's and master's degrees at WTSU are awarded in the School of Agriculture, College of Arts and Sciences, School of Business, College of Education, School of Fine Arts and School of Nursing.

KIM FORMWAY

Formway named Academic All-American

The National Secondary Education Council announced today that Kim Formway has been named an Academic All-American. The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior

students who excel in the Academic disciplines. The Academic All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the NSEC. These are awards few students can ever hope to attain.

Kim Formway who attends Clarendon High School, was nominated for this national award by Betty Veach, Business education teacher. Kim will appear in the Academic All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the Academic All-American Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the National Secondary Education Council.

The Council selects Academic All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the NSEC for other

honors. Kim is the daughter of Jim and Jeannie Formway. The grandparents are Lee and Gene Welch of Clarendon and A.L. "Loc" and Myrtle Formway of Panhandle, Texas.

From The PEN of PASTOR PINION

As we continue our series on "Revival God's Way", I want to take this weeks article to ask the question "Do we really need revival?" After all, a recent Gallup poll indicated that over 60 million Americans claim to have had a "born again experience." Even the secular press has drawn attention to a so-called resurgence of evangelical Christianity. We live in a day of "super churches" with "super programs". We boast of the best television and radio programs, the best missions' programs, the best preachers and preaching that the world has ever known!

But ironically, while we have been offering our "best," we have at the same time seen a dramatic acceleration of crime, moral perversion, and self-centered, hedonistic living in our society. If the church is so strong and healthy, why isn't it, like salt and light, making a greater impact on the world in which we live?

The pure, committed, Spirit-filled lifestyle of the early church caused the fear of God in fall on the unbelieving world. Drawn by the power of the Holy Spirit, quite apart from gimmicks, prizes, and contest, lost people flocked to find the Saviour. Could we honestly say that even our biggest and best soul-winning programs are producing that kind of interest?

Do we really need revival? Look at the contention, competition, and conflict that characterize many of our churches. Are these the marks of a healthy church?

You see, if the essence of Christianity is merely knowing the right things and doing the right things, then maybe we're doing all right. But the truth is that God keeps the record book on the heart. He knows how many of us know right and do right, while covering up hearts that aren't right. True spirituality is measured not so much by what we know and what we do (as important as these are), but by what we really are. And what we really are is revealed by our attitudes-how we respond and react in real life situations.

We may be able to impress each other with our knowledge of the Bible, but God is not impressed if what we know of His Word has not radically transformed the way we live and think and respond.

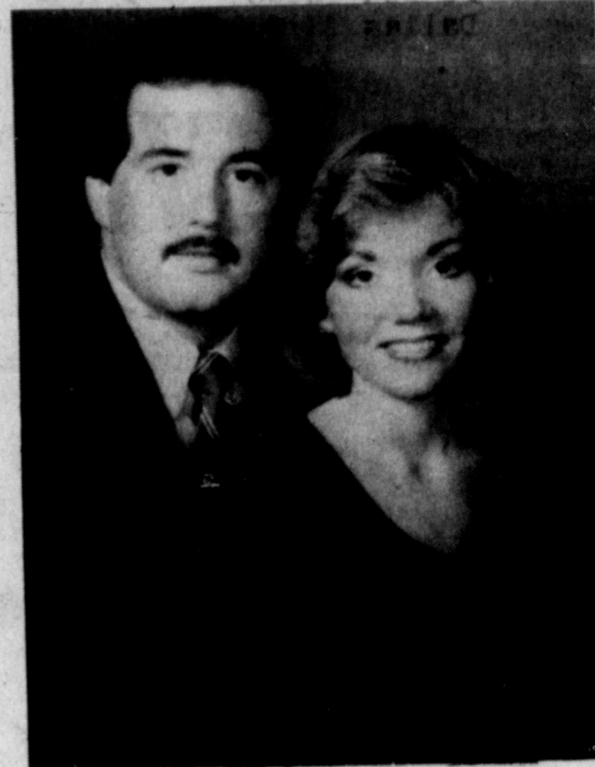

Do we really need revival? Perhaps not, if spirituality is solely measured by how actively involved we are in the Church's programs. But if God is looking for people whose hearts are pure, whose consciences are clear, and who are practicing Spirit-filled living, then I believe that our need for revival is critical and urgent.

My friend, when God turns the spotlight of His Word and His holiness on our lives and churches, the easiest response is to slap a coat of religious cosmetic paint on our failures, pat ourselves on the back, tell ourselves how wonderful everything is, keep pumping ourselves up in the energy of the flesh, keep acting like everything is all right, and hope that nobody ever discovers the "dead men's bones" that lie underneath all our beautifully whitewashed tombstones.

But, oh how we need to humble ourselves, get honest and agree with God about our true spiritual condition, fall on our faces before Him in repentance, and cry out to Him for the reviving, restoring ministry of His Spirit in our midst.

Yes, we need revival, but we need God's way and not ours.

Next week we will discuss "The kind of Revival we need."

KAREN BURGESS AND MARK BOOTHE

Burgess-Boothe engagement announced

Mr. and Mrs. Douglas Burgess of Clarendon announce the engagement of their daughter, Karen, to Gary Mark Boothe, son of Mr. and Mrs. Melvin Boothe of Lubbock. The ceremony will be November 3 at the First United Methodist Church in Childress. Miss Burgess is a graduate of Abilene Christian

University and is currently an Electric Living Consultant with West Texas Utilities Company in Childress. Her fiancé, a graduate of Texas Tech University, is presently a Petroleum Engineer for Amoco Oil Production Company in Odessa. Both are graduates of Clarendon High School.

Hodges appointed chairman of Salvation Army

Billy D. Hodges has been appointed Donley County Salvation Army Service Chairman, Paul Bivens has been named campaign chairman and Bronnie McNabb, Jr. serves as treasurer.

The Salvation Army has been providing gifts to the needy for over 100 years. A volunteer donation is being solicited from businesses and individuals to support the welfare programs, disaster relief and summer camps provided by the Salvation Army.

Local Salvation Army Service

Unit also provides assistance to stranded travelers and assistance to others in need locally.

Allen Estlack, William J. Lowe, M.O. Weatherly, Jerry Hawkins, Clarence Hamilton, W.R. Christal and Rev. Bill Watson serve on the board with Hodges, Bivens and McNabb.

The Donley County Salvation Army Service Unit needs support, both financially and volunteers for their campaign. If you would like to make a donation, you may contact any member of the committee.

AGAINST THE LAW!

Controlled substances are medicines that tend to be abused - such as narcotics and stimulants. It has always been illegal to take such medicines from pharmacists via burglary or armed robbery.

President Reagan signed into law this year The Controlled Substance Registrant Protection Act of 1984. This act authorizes federal backup in cases which may exceed the ability of state or local law enforcement agencies to handle. Federal intervention is now authorized [1] when the value of stolen materials is \$500 or more, [2] when significant bodily injury or

death occurs to someone other than the offender, or [3] when the crime impacts upon interstate or foreign commerce. Penalties under the new law provide for fines up to \$50,000 and life imprisonment.

Pharmacists and other individuals who handle controlled substances as a public service welcome this new law. Armed robbery of pharmacists and burglaries of pharmacies have become all too common in many areas. Federal involvement in prosecution of law offenders will hopefully make it possible for the pharmacist to continue to serve patrons with the medicines they need.

We would like to make this a new column in The Clarendon Press. If you have a favorite cowboy recipe and would like to see it printed, please mail it to The Clarendon Press, Box 1110, Clarendon, 79226. This Angel Biscuit recipe was submitted by Clea Hall, Mrs. Hall

stated she makes this biscuit a lot when she cooks for the cowboys on the Lewis Ranches.

ANGEL BISCUITS

5 cups all-purpose flour
3 tablespoons sugar
1 tablespoon baking powder
1 teaspoon soda
1 teaspoon salt
1/2 cup Crisco
1 pkg. dry yeast
1/2 cup warm water
2 cups buttermilk

Combine flour, sugar, baking powder, soda and salt; cut in shortening. Dissolve yeast in warm water; stir into buttermilk. Add buttermilk mixture to dry ingredients and stir until moistened. Cover and refrigerate. When ready to use, roll out dough on lightly floured surface, cut out and place on greased cookie sheet. Bake at 400 degrees for 12 minutes. Dough will keep several days in the refrigerator.

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (1/5) for The University of Texas System and 1/4 for the Texas A&M University System) to 30% (3/10) for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 1/2 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

TABLES AND CHAIRS MISPLACED

WHEN the person or persons who borrowed four tables and (7) chairs from the Episcopal Church please return them. No questions asked. If you have any information about these items please contact Lawrence Neece at 874-3392.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

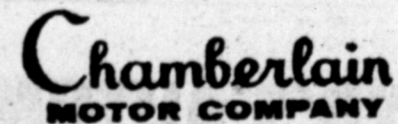

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$80; the maximum deduction is now \$75.

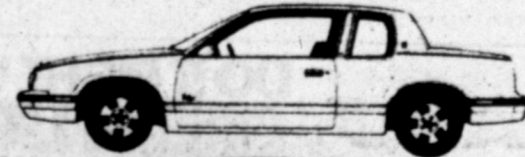

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explicativos sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 6 de noviembre de 1984. Hedley Happenings

Things are rolling right along getting ready for the Thirty-third Annual Cotton Festival. According to M.O. Weatherly, the Carnival will be here. The businesses have started building their floats and the girls running for queen are busy selling tickets. I don't know just exactly what the boys expect to get out of it, but there are at least two boys selling tickets. Maybe Thunder intends to be the first Cotton Festival King! I personally am looking forward to the parade. I think the floats in the parade are as pretty as any I have seen anywhere. I know that a lot of hard work goes into the making of those floats. I always look forward to seeing what new idea Sue Weatherly has come up with. She has planned, built, decorated, and shown some of the most beautiful floats in the world.

Bob and Jessie Roland spent the weekend with their son, Bobby and Pat Roland in Amarillo. Jessie allows as how she and Pat walked a thousand miles while Bob and Bobby kept the television occupied. Paula Clendennen of McLean visited her parents, Tom and Opal Clendennen last week. She was on her way to Amarillo on Business. Tony went along for the ride.

Opal's other son, Tommy and Carolyn, stopped by on their way to Possum Kingdom Lake on vacation. They expect to bring home a lot of fish. If Tommy brings home any fish, it will beat what he used to do.

L.C. and June Johnson received a nice write-up in the Lighthouse Electric News about their Rhema Ranch Country Store. The store is located five miles south of Hedley at Giles. If there's anyone who hasn't visited the store, they should do so. It's nice and clean, the people are friendly, and the food is good. I understand their ice cream is worth the trip down or up as the case might be. In my case, I guess it's over, since the store is just across Highway 287 from the ranch. My boys have probably bought a hundred gallons of ice cream this summer.

Mrs. Nettie Alexander is in El Paso with her daughter, Mrs. Bonnie Lesley. Faye Naylor took her to the airport in Amarillo Monday.

Fred and I took our boys, Keith and Guy, to the fair in Amarillo Wednesday. Keith Brinson, Calvin Holland, and Kelly Harmon went with us. When we got ready to come home, I thought part of us would have to hitch-hike. Those

boys had the back of that pickup full to overflowing with 'valuable prizes' they had won mostly by tossing basketballs. Mr. Collins would have been proud of the way they were putting those balls through the basket. My mother, Mrs. Lola Brown, went with us.

We saw John and Mary Farris, Shane and Otis and Neil Taylor at the fair. We also visited with Mr. and Mrs. Earl Tollitt of Follett and Richard Stotts. Earl and Richard had their cattle entered in the Angus Show Thursday. Richard lives in Wichita Falls now.

The high school seems to be getting off to a good start. They have elected their sponsors or whatever they call it. I think I'd call it coercion. Anyway the high school sponsors are: Miss Springer-Seniors; Miss Birkey-Juniors; Mr. Collins-Sophomores; Mr. Hill-Freshmen; Mr. Messer-7th, 8th. Witt Builders are working on the Gym floor. They are refinishing it and repairing the dead spots (whatever that is). Mr. Holland said they hoped to be able to use the gym by next week.

The cafeteria serves breakfast to the students who wish to eat and serves the noon meal to almost all the students and teachers.

HEDLEY SCHOOL MENU
September 13-19
Thursday-Chicken fried steak, baked potatoes, sliced carrots, hot

rolls, butter, pear halves, milk.
Friday-Chili dogs, grated cheese, French Fries, apple cobbler, milk.
Monday-Barbequed franks, hash brown potatoes, green salad, rolls, butter, pineapple pudding, milk.
Tuesday-Fried fish with tartar sauce, blackeyed peas, cornbread, butter, mixed fruit, milk.
Wednesday-Meat loaf, scalloped potatoes, green beans, rolls, butter, peaches, milk.

The Hedley Lioness Club held its first meeting of the year Thursday, September 6th in the Lion's Den. President Zora Stephens called the meeting to order and plans for the Cotton Festival were discussed. The Club Float will take part in the Memphis Parade on September 15th. The Club will have their annual Chili Supper on October 12th starting at 5:00 p.m. in the Lioness Hall. The Lioness Hall is in the old post office building on Main Street. After the meeting was closed everyone enjoyed a delicious supper. There were 16 members and 3 guests present. Those attending were: Zora Stephens-President, Eva Canada-Secretary, Helen Lamberson-Treasurer, Mary Ruth White, Nora Hopper, Dottie Bogue, Pauline Kaufman, Sue Weatherly, Mildred Lett, Betty Williams, Patty Springer, Mahdene Debord, Mary Kay Clubb, Jean Taylor, Dorothea Crawford, Betty Gilchrest and visitors Rosa Day, Tiny Harmony, and Miss Robin Springer. Tiny joined the club.

Wilson Stephens recently retired from working for the county. T. Mullins took his place. I'll expect my road to be kept bump-free now. Actually, the roads are kept in very good condition considering the dry weather we've had, so I'll expect T. to keep up the good work.

Mrs. Beulah Hall was rushed to Hall County Hospital Saturday. The doctors are running tests now.

Mollie Dickson had visiting in her home last weekend, Mrs. Opal Thomas of Amarillo and Johnny and Eunice Dickson and their girls from Panhandle.

When I passed the Methodist Church this morning, Froggy Stewart was there working. He's working on the basement and kitchen.

Mrs. Mabel Bridges is in Northwest Texas Hospital, room 560. Hopefully she'll be able to go home soon.

The Senior Citizens are selling tickets on a beautiful quilt to be given away at the Cotton Festival. You can see the quilt at the Senior Citizen's Center. The tickets are \$1.00 each or 6 for \$5.00.

Come join the Senior Citizens for games each Monday and Friday.

Dog Obedience Class

by JANET RISLEY
Monday, September 10, the Donley County 4-H K-9 Korp met and began regular class once again. Many old members came back to continue training their dog. Those present were Jenifer Davis with Ben (half Border Collie, half Blue Healer), Steven Davis with Taffy (Toy Poodle), Gwyn Tolbert with Brandy (half Springer Spaniel, half Golden Retriever), Georgi Klattenhoff with Roscoe (Miniature Schnauzer), Mike Moore with Baron Maxwell Von Schamann CD (Doberman), and Janet Risley with Sir Laddie Boy III (Collie).

We also had some extremely eager beginners participate. These being Scott Myers with Ginger (Sheltie), Matt Drager with Miky (half German Shepard, half Labrador), Todd McAnear with Sandy (mixed breed), and Sam Goodall with Brandy (Doberman).

We would like to thank our new members for participating and also encourage all newcomers to join. It's not too late to begin.

We would also like to thank the parents of Jenifer and Steven Davis for hosting a very nice swim and hamburger party for all the state dog show participants. It was very generous of them and also a great success.

Our next class will be held in the Clarendon Community Center on Monday, September 17, at 7:00 p.m. If you haven't joined yet, come on out and share our fun.

Judd family gathers for annual reunion

John and Willene, Snooks and Jewel Judd were hosts to eleven children of the late Mr. and Mrs. I.T. Judd family at the Clarendon Community building Saturday and Sunday September 1 and 2.

Visiting, taking pictures and showing movies were enjoyed by everyone.

Those attending were Mrs. Berdie (Judd) Francis, Mr. and Mrs. Tommy Bowerman with J.T. and Billy of Amarillo, Mr. and Mrs. Dick Judd of Wellington and Mr. and Mrs. Truman Judd and Angie of Amarillo, Mr. and Mrs. Dan Culp of Amarillo, Mr. and Mrs. Buck Judd and Mr. and Mrs. Dwight McKay and Jody, Mr. and Mrs. Bryan Owens all of Amarillo, Steve Judd of Austin, Mr. and Mrs. C.C. Wisdom and Mr. and Mrs. Alek Louhas with Marloina and Kent, Deana Griffin and Leesa, Mr. and Mrs. Joe Melvyn with Jason and Jeromey all of Amarillo, Mr. and Mrs. Bill Miller of Lubbock, Mr. and Mrs. Paul Fister of Austin and Mr. and Mrs. Billy Walker with Lindy, Lacy and Kyle of Buda, J.R. and Janell Standifer and Renee, Kay, Cara, Brandi Blevins, Vicki, Kristi and Kelly Feuerbarn all of Yukon, Oklahoma, Imogene (Judd) Johnson with Kelly, Shanda, and Amber King, all of Amarillo, Dewey and Betty (Judd) Lindsey and Mr. and Mrs. Jeff Linley and Kelley all of Amarillo.

Friends attending were T.C. Raper of Dumas, Mr. and Mrs. Ronald Jacobs of Amarillo, Stacy Quesenberry of Clarendon, Mrs. Cloe Louhas and Mrs. Cristal Bishop of Amarillo.

Vicki and Bob Feuerborn of Yukon had recently lost their home to fire. The family gave them a money love offering and also showered them with gifts.

The hosts and their families were John and Willene Judd with Eddy, Linda and children, Trina, Shane and Kyle of Clarendon, Snooks and Jewel Judd, Mr. and Mrs. Herman Judd and Nicole of Amarillo.

The 1985 Judd Family Reunion will be in Clarendon over the Labor Day weekend.

The population of the American colonies in 1610 was 350.

'Big Red Feed' helps kick off football season

The Red Raider Club, Texas Tech University's athletic booster organization will sponsor a "Big Red Feed" preceding the Texas Tech vs. University of Texas at Arlington football game in Jones Stadium in Lubbock on September 15, 1984.

The "Big Red Feed" is designed to provide quality entertainment and food for the entire family while raising money for the Tech athletic scholarship fund. The pre-game festivities will be held in the Lubbock Municipal Coliseum adjacent to Jones Stadium from 4:30-6:30 p.m.

The internationally famous Odessa Chuck Wagon Gang will provide the "feed" portion of the day's program—a complete barbecue meal, prepared as only the Chuck Wagon Gang can.

The Pepper Martin Band from Odessa will provide musical entertainment at the Coliseum from 4-5 and 5:30-6:30 p.m. In between, the Lubbock Square Dance Association will provide dancing and musical entertainment from 5-5:30 p.m.

The Tech-UT Arlington game will kick-off at 7 p.m.

Tickets for the "Big Red Feed" are priced at \$8 per meal and may be obtained from the Red Raider Club office in Lubbock or the Texas Tech Athletic Ticket Office. They will also be available at the Coliseum door on September 15th.

To order tickets from the Red Raider Club through the mail, send a check to: The Red Raider Club, P.O. Box 456, Lubbock, Texas

79408. To obtain tickets from the Texas Tech Athletic Ticket Office by mail, send a check to: Athletic Ticket Office, P.O. Box 4199, Texas Tech University, Lubbock, Texas 79409, or stop by the office in the north end of Jones Stadium southwest of the intersection of 4th Street and University Avenue in Lubbock.

Free trees given by Foundation

The National Arbor Day Foundation is giving ten free trees to people who become Foundation members during September, 1984.

Colorado Blue Spruce, Red Maple, White Flowering Dogwood, Black Walnut, Norway Spruce, Red Oak, Washington Hawthorn, European Mountainash, Pin Oak, and Silver Maple trees will be given to members joining during September.

These trees are part of the Foundation's efforts to foster tree planting throughout America. They were selected because they provide a wide range of benefits: flowers, berries and nuts, as well as shade and beautiful foliage, according to John Rosenow, the Foundation's executive director. The trees are guaranteed to grow, or they will be replaced free of charge.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The

six-to-twelve inch trees will be shipped postpaid at the right time for planting this fall between October 15 and December 10. Planting instructions will be enclosed. The Foundation will give the ten free trees to members contributing \$10 during September.

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to TEN TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by September 30, 1984.

The famous violin maker, Stradivarius, whose products now sell for thousands of dollars, sold them originally in the early 1700s for what would be less than \$10 today.

LOYETTE QUESENBERRY, of Clarendon, Texas met with Mary Kay Ash, founder and chairman of Dallas-based Mary Kay Cosmetics, Inc., at a reception held in Mary Kay's home.

Quesenberry returns from Mary Kay training in Dallas

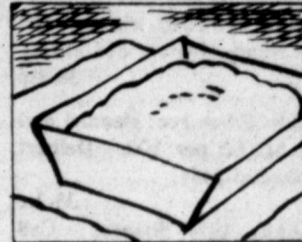

Loyette Quesenberry of Clarendon just returned from an action-packed week of education, training and motivation at the international headquarters of Mary Kay Cosmetics, Inc. in Dallas, Texas. Ms. Quesenberry was recently appointed director-in-qualification

and traveled to Dallas for a week of extensive training to prepare her for the position of independent sales director.

Her training in Dallas featured executive conferences with ranking members of the Mary Kay management team including president Richard Rogers, as well as meetings with top sales directors and national sales directors in the company's 196,000-member sales force. Ms. Quesenberry was given tours of both the manufacturing and corporate facilities and spent an afternoon in the home of company founder and board chairman, Mary Kay Ash.

Ms. Quesenberry now begins a three-month qualification period. After meeting all required performance standards, she will be eligible for the appointment to sales director December 1.

Mary Kay Cosmetics, Inc. is an international manufacturer and distributor of a premium line of skin, body and hair care products, toiletries, cosmetics and fragrances. Net sales for 1983 were \$323.8 million.

Sept. 29 Museum Day in Carson County

Saturday, September 29, will mark the nineteenth anniversary of the Carson County Square House Museum Day and the twenty-sixth annual Pioneer Day.

Special programs and art exhibits are planned throughout the day culminating with the barbecue at the Carson County Agriculture Building. The Museum Day activities begin with class reunions in the morning, and art exhibits beginning at 9 a.m. The featured artist this year is David Damm, of Irvine, California. David is an outstanding western artist who will be bringing his work to the Square House for the first time. An exhibit of Chilmark Pewter sculptures, courtesy of Wagner's Jewelers of Amarillo will be on display in Freedom Hall as well. A gallery lecture on the production of pewter will be given at 10:30 a.m.

At 10 a.m. a branding party will be held following the past tradition. Area cattlemen are invited to bring their brand, a sketch of the brand and brief history, and with the hot fire furnished by the arrangements committee, put their brand on beams at the museum. Mr. Jim Williams will be in charge of the branding party.

The Museum Day program, featuring T. Boone Pickens, Jr., will commence at 2 p.m. at the High School Auditorium. The Panhandle

High School Band will provide the music, and as in the past, the Bones Hooks memorial will be presented in honor of area pioneers.

At 4 p.m. a Blackpowder Firearms Demonstration will be held at the museum. Mr. John C. Adams, II, a former resident of Panhandle and now of Okarche, Oklahoma, will give a demonstration with arms of his own manufacture.

From 4:30 to 7:30 p.m., the annual barbecue will be served at the Carson County Agriculture Building. A country store will also be in operation.

The public is invited to attend. All activities, except the barbecue which required a \$5 minimum donation to the museum, are free to the public.

The word ye, in such expressions as "Ye Olde Shoppe," is pronounced like the word the. The letter y in Anglo-Saxon indicated the same th sound as apparent in the current spelling.

According to folklore, you can expect rain if an ant covers the hole to his anthill.

Hi Folks!
Last year the applause was so great we're happy to say we will be skating more than ever before in our new, exciting Ice Adventure.

We're proud to be associated with champion skaters, renowned comedy acts, superb pairs, adagio and excellent productions, in this year's completely different Ice Capades.

P.S. See you there for a Smurvy good time.

Senior Citizens News

The cantaloupes were enjoyed at lunch Tuesday were furnished by Dennis and Ruth Lindley. They picked them, brought them in and we enjoyed them. Thanks a lot, we appreciate you good people.

Dennis and Ruth Lindley also treated the Dance Club to a watermelon feed after dance practice, Monday night August 27th. We really enjoyed some good eating out on the lawn in the moonlight.

Birthday/Anniversary Salad Supper, August 28, 1984 -- Gets bigger and better all the time. Sixty of us enjoyed a table full of good food, a lot of visitation, music and games. We were pleased to have Billy Ray and Janice Johnston as our guests and hope they will visit us again. Thanks Billy Ray for playing the Happy Birthday song. It's great that we had four couples present with August anniversaries. They were: Truett and Thelma Behrens, Blaine and Murlie Butts, Frank and Gertrude Reid and Earnest and Verdie Tipton. Birthday people attending were: Eunice Mann, Clarence Garman, Clifford Taylor, Lela Swain, Helen Welch, Lillian Eudy, Frank Reid and Ilene Davidson. The door prize went to Goldie Barbee and caps to Raymond and Nora Hopper, Alta Adkins and Louise Argo. Music makers were: Creed Smith, Dee Williams, Fred Fortenberry, Al Lawson and Ray Anderson. It was nice having Al

join our music group. We do appreciate these people for entertaining us.

Thanks to C.A. Pitts, Ray Anderson, Creed Smith, Pat McCombs, Jim Groom, and all others that have brought us fresh tomatoes.

A big THANKS to Janice Breiting and the Quivira Girl Scout Council for several boxes of Girl Scout cookies. I am sure we will enjoy eating these.

Veterans enrolling under GI Bill

According to Jack A. Moreman, Veterans Service Officer for Donley County, persons planning to enroll in school under Veterans Administration programs this coming fall should commence work on their applications without any further delays.

Veterans planning to enroll under the GI Bill, as well as wives, widows and children of certain veterans, should make certain that the necessary paper work has been accomplished.

GI Bill training for veterans terminates at the end of ten years following discharge or release from service. Wives and children of 100% service-connected disabled veterans, as well as widows and children of veterans whose deaths were caused by service-connected disabilities, are eligible for education and training under VA laws. This latter group of beneficiaries have an entitlement period of ten years from the date eligibility is determined, generally the date of death of the veteran.

Veterans may enter training under the GI Bill without any VA counseling, although the special counseling is available upon request. Wives, widows and children are not required to undergo counseling if they are pursuing a college degree program. Otherwise, coun-

seling may be required before VA benefits can be paid.

GI Bill veterans who are full time students may receive VA benefits of \$342 per month, plus allowances for legally established dependents. Wives, widows and children under the Va Dependents' Educational

Assistance Program are entitled to \$342 per month if enrolled full time. There is no additional allowance for dependents of wives, widows or children.

For assistance in applying for VA benefits, visit your local Veterans Service Officer or visit the school you wish to attend.

Back in 1829, New England rum was considered to be excellent for cleaning the hair and keeping it healthy. Brandy was supposed to strengthen the roots.
