Jail Escapee Still At Large Wed.

A national all-points bulletin is still out for a jail escapee, James Corbin, and his wife who freed him from the county jail early Sunday morning. The couple escaped in a 1969 Chevy Station wagon which belonged to Jack Clifford. The wagon was parked at the Clifford home in west Clarendon but the keys were left in the vehicle which made it quite convenient for Corbin. Corbin was an employee of the Clifford Grocery.

Corbin, his wife, Nancy and Mrs. Ricky Osburn were charged Saturday with the burglary of the Coca Cola plant here Friday a.m. where they took master keys to fit all Coke boxes located outside of local business firms. Approximately \$30 was taken from five boxes. Corbin was charged with the burglary along with Mrs. Ricky Osburn and his wife. Bond was set at \$2,000 Corbin and Mrs. Osburn were placed in the local jail but due to a statement of pregnancy, Mrs. Corbin was released on bond Sunday afternoon.

The jail break came about when Mrs. Corbin broke into the living quarters of Deputy Vines, stole the keys to the cells and released her husband. They took the Clifford vehicle to make their escape. It was found late Tuesday near Jayton, Texas in ranch country where the escapees apparently ran out of gas. It is now believed they may be on foot in the hill country in that vicinity or possibly taken another vehicle to help their escape.

Corbin was charged here Monday with jail break and his wife Nancy was charged with aid and abetting jail escape. A search of their living quarters here revealed a large number of items that apparently had been stolen in their home area of California.

In other activities the past week, two shot guns were stolen from Patrolman Gerdes Patrol car and toward the end of the week plate glasses at Junior's Food, Palmer Motor Co., Foxworth - Galbraith Lumber Co. and the door at the City Hall were broken by shots from rifles or rocks. Vandalism of this nature is quite costly when plate glass is involved.

UNDERGOES SURVEY

Mrs. Fred King of Clarendon had surgery November 5th at St. Anthony's Hospital in Amarillo. Her friends and neighbors wish her a rapid recovery. At last report she was improving.

Mr. and Mrs. David Patterson and Marcy visited Mr. and Mrs. G. W. Estlack Saturday evening.

Bulldogs Basketball Season Opens Friday With Okla., Game

The "green and white" of Clarendon College will be out to give new head member Gene Davis his first collegiate win in basketball Friday night, November 15, as the Bulldogs open the season against Oscar Rose Jr. College at Oklahoma City. Coach Davis, in his first year as head coach at Clarendon, will field a young unexperienced team against Oscar Rose. Loosing all five starters from last year's team, the Bulldogs return only four sophomores from the 22-11 1973-74 team. David Graham and Archie Hughes, two men that saw a considerable amount of action last year, will be Davis' strengths as the young Bulldogs open the season. Top recruit Terry Blanks, a 6'3" freshman from Kansas City, Mo., should add strength and depth to the Bulldogs; however, Blanks is coming off of a severe ankle sprain and action in this weeks games may be limited.

Charles Quisenberry, freshman from Lubbock, Coronado High and Donald Warrior, freshman from Checotah, Oklahoma will also be probable starters for the Bulldogs. Warrior is 6'5" and the tallest of the "Dogs" this year. Quisenberry averaged 16.3 points a game in high school and handled 11.2 rebounds per game.

The Bulldogs will travel to El Reno, Oklahoma Saturday, November 16, for their second game of the year against El Reno Jr. College. Game time for both games is 7:30 p.m.

Board Meets To Plan For Day Care Center

The Day Care Donor Board met Wednesday morning to discuss plans for the Day Care Center, its needs, and possible fund-raising projects. The Center will be operated on a Matching Fund basis. For every \$3.00 provided by the community the state will contribute \$7.00. This money goes to provide food, pay for electricity, upkeep of the Center and pay the salaries of 6 people. Information regarding the Day Care Donor Board may be received by contacting Planned Parenthood or Kathy Pigg.

Volunteers are needed to help with the Center. The Center is in need of a Food Freezer, small tables and chairs, toys, playground equipment, tricycles and many other items. If you wish to contribute your time, money, or articles for use at the Day Care Center please contact Robbie Hill, Eureda Mays, Naomi Green, or Kathy Pigg.

College Speech And Drama Depts. Present Program Nov. 21, 22

The Speech and Drama Departments of Clarendon College and the Green Masque Drama Club will present their first major dramatic production of the year Thursday, November 21st and Friday, November 22nd at 8:00 p.m. in the Harned Sisters Fine Arts Auditorium on the college campus. The production will be a Gay Nineties style melodrama, "Dirty Work at the Crossroads", by Bill Johnson.

The melodrama, in the true Victorian style, will offer the audience much opportunity to cheer the hero, cry for the heroine and hiss the villainous and villain. The characters are all comic versions of people everyone can relate to in some way or another.

In the cast are Linda Willis, Pampa freshman, Mack Dishman, Childress freshman; Katrina Messer, Clarendon Sophomore; Marilyn Lovnick, Friona freshman; Doug Meador, Matador freshman; Barbara Craig, Pampa freshman; Diane Clayton, Memphis freshman; and Gayle Ballard, White Deer freshman. Also appearing is Jack Hutson, a student at West Texas State University.

Marie Thomas, Pampa freshman, and Terry Wynn, Follett freshman, are assistant director and crew heads. Henry Duckworth, Lefors freshman, will be serving as Technical chief for the production. Mick Jobert, Borger freshman, will be the pianist for the production.

Admission will be \$1.00 for adults and 75c for students.

Medical Center Hospital Unit May Close Friday, November 15

According to a report from the Medical Center Administrator, Garry Knight, the hospital unit of the Medical Center may be closed this Friday, November 15.

Due to a number of complications, the Hospital Board met in a closed session last week and in regular session Monday night of this week. A motion was made at that time that if there is not a change in the Medical Staff and Hospital Load by Friday, Nov. 15, at 3 p.m., the hospital will be closed for a period to allow the board to reorganize the Medical Center Hospital. This motion was passed by unanimous vote.

At this time, the resignation of the board vice-president, O. C. Watson was reluctantly accepted. Mr. Watson, who has served the board previously as president, stated that his resignation was due to health reasons. He also stated that he was pleased to have had the opportunity of serving the residents of this area even though the problems and worries have been many.

Mr. Knight reported that Dr. Richard Carlton Wright submitted a three-fold problem: Lack of Blue-Cross, Blue-Shield approval; too much to do with no help and seven day coverage and the interruption of his malpractice insurance.

At present, Dr. Wright has closed his office for practice. We have been unable to reach him for personal comment.

Editors Note: From all maneuvers and indications, it appears that the hospital board and the citizens of this area are still confronted with the same old problem... see that the hospital is shut down regardless of the consequences and the denial of area citizens of this facility and service for which they are paying their taxes. There should be a solution but this is doubtful as long as a number of people are determined to destroy instead of progress and serve humanity. We feel that the Hospital Board has erred in a very few instances but have certainly tried to give the people something they would appreciate and be proud of. We feel that we have very capable Administrators in charge at the present time and that with reasonable assistance and understanding, they will be able to come up with a workable program for the benefit of all.

It is our understanding that the Nursing Home unit of the Medical Center will continue in operation as usual.

Mr. and Mrs. Harrison Simpson of Amarillo visited Mr. and Mrs. McHenry Lane in the home of Mrs. E. L. Lewis of Clarendon Monday.

Bicentennial Plans For County To Progress

Virginia Browder, in Clarendon Monday, reported that plans have been made and progress is heartening for Donley County's Bicentennial program and project.

Two members of the Donley County Living History Commission, Kenneth Price and Norma Selvidge resigned and no longer live in Clarendon. These vacancies have been filled by Jerry Courtney and Pettigrew Hamilton. Dr. Gilkey has consented to serve as the sixth member of the Board of Directors. Frank Phelan, president, Kay Hayes, and Virginia Browder complete the Board of Directors of the Commission.

Mrs. Browder met with the 1926 Book Club recently and presented the program for the afternoon and was convinced that folks in Clarendon are ready and willing to help with this project. Plans for the development of Cibola Valley are going forward. Leases had to be finalized and funding sources investigated before plans could be instigated. The Valley is almost equal distance from Highway 287 and Highway 66.

Plans for the Valley call for the completion of the Amphitheatre, step by step. The Sportsman Club is to have an acreage for their development and Boy Scout Troop 33 will have an Indian Village. A Mini Park will add to the tourist attraction. The Amphitheatre will be available for concerts, choral groups and various and sundry entertainment.

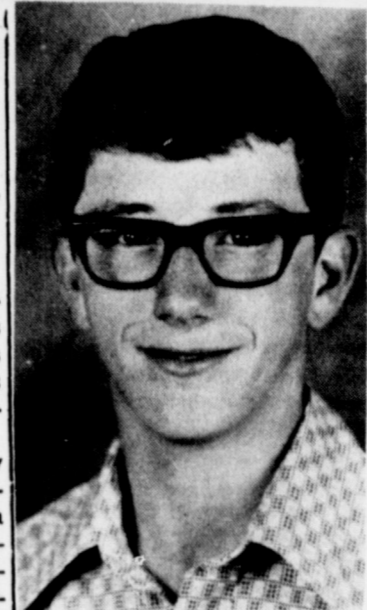

This is to be a community project and by spring we hope to have jobs for one and all, said Mrs. Browder. By the time 1976 rolls around we will have tangible construction to prove to Ann Armstrong that her flight from Washington and her hopes for Donley County were not in vain.

Clarendon FFA Fruit Sale Now In Progress

The Clarendon FFA is having its annual orange and grapefruit sale and as in the years past, this citrus fruit will be of the highest quality. The cost of the fruit this year is \$6.50 for a 40 pound box of either grapefruit or oranges. A 20 pound box of either is \$3.50. A mixed box of 20 pounds each is \$7.00.

If you have not been contacted by an FFA member and wish to buy some fruit, call 874-2513 or 874-2580 or contact any FFA member. Orders will end on November 18.

The Clarendon FFA wishes to thank everyone for their support of this project.

Paul Hermesmeier To Receive Gold Star 4-H Award Saturday

Paul Hermesmeier, a Donley County 4-H club member, will be honored at the District 1 4-H Gold Star Banquet in Amarillo Saturday evening, November 16, according to Ronald Gooch, County Extension Agent. The Gold Star award is presented each year to a 4-H club member in recognition of outstanding achievement, leadership and contribution to the county 4-H club program. Gold Star winners from 22 Panhandle counties will be honored at the banquet which is sponsored by the rural electric co-operatives in the area.

Paul is the 16 year old son of Mr. and Mrs. Bud Hermesmeier of Clarendon. He has been a member of the Donley County 4-H club for the last 7 years. Livestock projects have been his major interest in 4-H and he has exhibited high placing steers and heifers at many local, area and state livestock shows. Paul is a sophomore at Clarendon High School and is active in sports and other youth organizations.

Flying Instruction Offered At College

Classroom instruction for those interested in learning to fly will begin on Tuesday November 13 at Clarendon College.

The 16-week course will give students the required classroom instruction needed in order to begin flight training. The cost of the course will be \$141.40 if there are eight students enrolled or \$118.80 if there are 12 in the class. If 14 or more enroll, the cost per student would drop below \$100.00 per student.

Classes will be held from 7-10:00 p.m. each Tuesday in room 103 of the Academic Building by Jim Mooring of Amarillo Flying Service.

Registration will be held on Tuesday night at the first class meeting.

Broncs To Close Season Against Skyrockets Here Friday Night

Quail Season Opens Sat.; Turkey & Deer November 23rd

The main hunting seasons for this fall begin this week and next with the Quail season to be open in Donley County Saturday, November 16. The Deer and Turkey season will open the 23rd.

Hunters are reminded that there are more and more limitations and restrictions this year. The quail hunter may take 12 birds but he better have definite permission to hunt on the land he enters. Those hunting deer and Turkey should have the same. Hunting licenses may be obtained at the County Clerk's office and these licenses have a number of tags. The deer tag here in Donley county is for a buck deer only or if, an antlerless, it must be by permit. The new deal is on the turkey; you must place a tag on the turkey you take. Here in Donley County you may take a gobbler or a bearded hen... only one or the other. The best advice in regard to all new regulations is to buy your hunting license and pick up one of the new Texas Hunting Guides... and then be careful when you enter the field to hunt... Guns will kill people the same as coveted game. Your family had rather you come home safely than to have game without you.

Tamale - Chili Supper Friday November 15

A Chili and Tamale dinner will be served Friday, November 15, from 5:30 to 7 p.m. at the First United Methodist Church and is open to the public.

This dinner, just prior to the Clarendon - Wellington football game, will consist of Chili with or without beans, tamales, tossed salad, and tea, coffee or Kool-aid. The cost will be \$1.50 with a charge of 75c for those under 12 years of age. Dessert of pie or cake will be 25c extra. For the best dinner you've eaten out all year come and eat with us.

Leader—Local Rate \$4.50 a Year

The Clarendon Bronchos will close out their 1974 season here Friday night by entertaining the Wellington Skyrockets in Broncho Stadium. Game time is 7:30.

This is expected to be one of the better games of the season as the strength and ability of both teams run pretty close the same. According to other games played, the Bronchos will enter the game with a slight edge but they had that also against Wheeler and were upset. This was minus the services of Kenneth King most of the game. If he doesn't get re-injured Friday night, the Bronchos will most likely, outscore the Rockets.

The Bronchos defeated Claude 34-2 last Friday night while Wellington was downing the cellar team, McLean Tigers, 46-0.

The Rockets are usually a hard bunch to handle, especially since they will be playing the Bronchos. It appears that every team in the district prepares especially for their encounter with the Bronchos so the local boys have their work cut out for them in any contest on their schedule.

Be out Friday night to help encourage the team on to a big victory to close out the season which certainly has not been bad by any means. The coaches and team members appreciate the backing they receive from local fans.

COURTHOUSE ANNEX LOW BID IS \$198,690

County Judge W. R. (Billy) Christal reported yesterday that bids had been opened and considered for the proposed Courthouse annex. The low bid by High Plains Building Co. of Amarillo was \$198,690. The high bid was \$244,800 by Page & Wirtz of Amarillo.

Christal stated that the low bid had not been accepted yet and that the court was still studying the situation.

The question was raised as to the need of a new county jail. Christal pointed out that to meet requirements, the jail would have to be constructed with such finery that the county would be unable to afford such a construction. To meet requirements, they must now have TV, recreation rooms, reading rooms etc. More or less, a lot more than the average home... to house those who have done wrong and should be punished by depriving them of such conveniences. It's a new world apparently and our laws now provided by some lawyers in the state should be completely revamped to help return us to the old days of "Law and Justice."

The United States had an average of 50.5 persons per square mile of land at the end of the 1960 census.

The Lord's Den - Community Center at Hedley sponsored by the Methodist Youth. Last Friday was another work day at Hedley since school was out for a teachers meeting at Amarillo. The Lions Club of Hedley is furnishing the building, the Security State Bank provided the front etc. and donations from citizens are providing the means to fix up this building to be one of the nicest community centers in the entire area. To date \$200 in donations have come in and the project is open to everyone's pocket book. The building will be for the community as a whole. It will take help from a lot of people interested in our youth and community to help pay utilities and upkeep, but we know this project will be a great asset and a place to enjoy, stated Mrs. Sharon Stafford. Lower left, these youth, Shirley Overton, Kay Skaggs and Jeff Hill are painting this pew a bright blue; center photo, Sherrie Hill and Daisy Overton are painting this pew a brilliant red. At right, Tom Clendenen, County Commissioner Junior Hill, Mrs. Sharon Stafford and Vicki Skaggs are nailing down the Versi-board flooring. They were hitting the nail on the head. Staff Photo

The Broncos downed the Mustangs in a super-foggy game last Friday with the score 34-2. The Broncos were in high spirits after that game . . . considering what happened last year! Got them back, right?! Tomorrow night the Broncos play for the last time this year . . . against Wellington. And for the Seniors—their last game with CHS. It's been a great season . . . Even tho we did have some bad luck, everyone knows the Broncos are the greatest. Hold your head high and be proud to be from Clarendon!

Basketball season is nearly underway for CHS. Saturday the Bronchettes face the Panhandle Pantherettes. We hear that both Clarendon teams, girls and boys, are supposed to be really good this year. Let's hope so! Good Luck, Bronchettes!

The Junior Class (Spirit of '76) ordered their Senior rings last Monday. It won't be long until CHS has a new set of Seniors. Only 7 more months 'till graduation. (Just 7, that's all!) But—time flies when you're having FUN!!

The theme in the halls this week is "Smile On To Victory," featuring Smiley faces. The big sign at the end of the hall is really colorful. The locker signs are about carrying the Maroon and White proudly.

Last Saturday morning the Varsity Cheerleaders, Mascots, and Mrs. Grady were hosted by Mr. and Mrs. Gunnels to breakfast.

Tomorrow night after the games there will be a dance in Lions Club. It's for High School students and their dates, only.

The Cheerleaders received necklaces from Mrs. Grady last Monday. They were Smiling Faces for Smiling Cheerleaders!

Nancy O., your bikini won't fit if you keep on eating like this!! If you think teenagers act bad . . . you ought to see parents . . . especially in the College Library!

Sounds like there was quite a get-together last Saturday night over at the Eads' house. Anyone want to tell us about it?? Pam J., what were you doing on Pat's shoulders? (Surely not Cowboys and Indians!)

Brenda R., did you have fun Sunday afternoon? Fuzz D., who's that little dog you've got following you around? Congratulations, Donna S! When is the big day?

John N., will you ever learn to be quiet?! Happy "Late" Birthday, Barbara C!! Karen B., does Mona always gag you at Patti O.'s house?? Kenneth K., who is "Bertha"?

Russell B., that class picture looks perfect!

HAVE YOU HEARD:

—about Claude's flying fatalities?

—about Maxwell's Magazines?

—about the "Lonely Heart's Club"?

—that Gary J. has a cool Phone No.? (He thinks so, Anyway!)

—Where THE place to hang-out is?

Those Old Remedies Of Old Clarendon

Dr. James O. Brandon
Pastor First Baptist Church

One of the characteristics that the folk of Old Clarendon had, according to those who recount those days through testimony from their parents, was the ability to make do with what they had. There weren't any of these things we have today in the stores. You bought the basics at the old trading store: flour, coal oil, and sugar. They lived off of the land. They had the ability to make their own way under hard times. They knew how to do without and make the best of a bad situation.

As a result of this "making do," many old remedies came into being. Listening to some recount some of these old remedies make a person wonder how anybody ever lived to tell about it. For the crump they used a little sugar with coal oil. Some of you have probably

had some of this. For the cough they had their toddy with whiskey and a little sugar. There were mustard plasters for chest infections, all kinds of herbs and potions. It is said that some of them worked.

They were not only apt in medical remedies but were also industrious in making soap. Every household made its own soap. "The ash hopper goes away back," said one of our senior citizens. "Ashes from the fire places were put in the ash hopper. When it was full, water was poured into the ashes. The water seeped through the ashes, came out the bottom of the ash hopper, and the result was lye water from which lye soap was made. The lye water was put into a big black pot along with grease collected from everything cooked. The potion was cooked until thickened. It was poured into vats to cool, dry, and then cut into bars. You had home made soap."

"We used lye soap," said one senior citizen, "to wash our clothes, wash our hair, wash our babies, and ourselves." Said another, "My mother made

The Howardwick Party Line

By Sharon Mills

Hello, Party-Liners!

Not much news this week, so the column will be very short.

The old city hall building has been moved to make room for the new and much larger building. I'm sure we are all anxious to get the new one, especially residents who have attended the city meetings as interested parties.

Carrell Rippetoe, our water and maintenance man, attended a short school at Lubbock on waste water treatment.

Mrs. Alton Hendrick's brother, Bill McBride of Eagle Nest, N. Mex., was here over the week end.

Mr. and Mrs. Will Corgill went to Claude Friday to see their daughter and family, Sue and Bud Strange. They returned Saturday in time to attend the Lions Club.

Mrs. Bill Littlefield visited with Mrs. Carrie Johnson of Clarendon last Thurs., Mrs. Littlefield's son and family, Billy and Jeannie Adams of LeFors, were here Sunday. Mrs. Addie Smith and son, Cletus, were visitors in the Littlefield home Sunday afternoon also. Mrs. Smith is a former resi-

dent of Clarendon. Sgt. Reggie Rippetoe returned home from Germany Tuesday, November 5th for a thirty-day leave. Sgt. Rippetoe re-enlisted for four years in the Army.

Pathfinder Meeting At Club House Fri.

Members of Pathfinder Club met Friday, November 8, at Patching Club House. Mrs. R. S. Brumley and Mrs. C. E. Bairfield were hostesses.

Meeting was called to order by the president, Mrs. Joe Ritter. She welcomed the guests and introduced the guest speaker for the afternoon, Rev. Weldon Rives, pastor of United Methodist Church.

Rev. Rives spoke on "Thanksgiving" tracing the history of the national observance from 1621 to 1941.

In 1621 the Pilgrims set apart a day of Thanksgiving. In 1630 Massachusetts Bay Colony observed a day of Thanksgiving for the first time. In 1639 Connecticut held its first observance and in 1644 New Netherlands held its first observance. During the Revolutionary War the Continental Congress approved one or more Thanksgiving Days each year except in 1777. In 1789 President Washington approved a day of Thanksgiving, Thursday November 26. In 1795 President Washington approved another day and in 1812 President Madison, in response to resolutions of Congress, set apart a day of Thanksgiving at the close of the War of 1812. In 1858 a proclamation approving a day of Thanksgiving was issued by the governors of 25 states and two territories. President Lincoln, in 1864, approved the last Thursday of November as the day of Thanksgiving.

In the year 1939 President

Roosevelt proclaimed an earlier date and in 1941 Congress declared the fourth Thursday in November as the official Day. Rev. Rives closed the program with the showing of many beautiful slides from over the state.

This was a very interesting and informative program and was enjoyed by all.

The Thanksgiving theme was used in the decor and refreshments. In the Pathfinder room the president's table was centered with a Horn Of Plenty surrounded with autumn leaves and in the rooms were potted mums.

The dining room table was covered with a lace cloth and centered with an arrangement of yellow mums. Yellow napkins accented the arrangement. The president, Mrs. Joe Ritter, presided at the silver service. Delicious refreshments of Pumpkin pie topped with whipped cream, orange balls, coffee and tea were served to five guests: Rev. Weldon Rives, Mrs. Bill Thornberry, Mrs. Forrest Sawyer, Mrs. Frank Hommel, and Mrs. E. C. Herd; and to members: Mesdames A. R. Henson, Verdine Herrington, Pete Kunz, S. W. Lowe, Walter Love, Mabel Mongole, J. P. Rhode, Joe Ritter, Dick Shelton, Frank White, Jr., Frank Phelan, Jr., C. T. McMurtry, Paul Shelton, R. S. Brumley, C. E. Bairfield, and Heckle Stark.

After the social hour meeting was called to order and the president read a beautiful poem, "The Scent of Love," by Abe Lincoln, a tribute to our deceased member, Mrs. H. T. Burton.

During the business hour the

club voted to give \$10 to the Volunteer Service Center in Vernon, Texas instead of packing a box for Christmas.

Our next meeting will be at 3 o'clock December 13 in the home of Mrs. R. S. Brumley.

Friendship Club Meets In Ora Aten Home

The Friendship Quilting Club met Wednesday, November 6, in the home of Ora Aten for an all day meeting. A delicious meal was served at the noon hour with a leisure and enjoyable rest period following.

The business session was called to order by the Vice-President, Mary Lee Noble, and minutes were read by the Secretary, Louise Aten. The Thanksgiving Dinner was discussed again with the time being set for Thursday, November 14, at 6:30 p.m. in the Lelia Lake Community Center. All members are urged to be present with their families as this will be a fun time for all. There will be turkey and all of the trimmings in the making. Members are to bring a covered dish. Mary Lee Noble and Florine Bennett are on the serving committee.

The club voted to have a Christmas party in the home of Yvonne Belle McDaniel at Lelia Lake Wednesday, December 18, at 2 o'clock. We hope to have a good turn out. Members will exchange gifts. We are also asked to bring an assortment of some kind of goodies. The entertainment committee has planned a good program so don't forget the date and the time.

Grace Ayers will have our next quilting in her home January 8.

Members present and helping finish a quilt were: Louise Aten, Grace Ayers, Yvonne Belle McDaniel, Nora Myers, Mary Lee Noble, Leona Quattliebbaum, and visitors: Blanche Gray, Eula Merrell, Verdine Herrington, Lina Payne and the hostess, Ora Aten.

Girl Scout Troop 95 Are Brownie Scouts

Fifteen girls composing Troop No. 95 were formally initiated as Official Brownie Scouts in the Girl Scout Room November 7, 1974, Thursday. The investiture service was beautiful and impressive.

The girls were led by their leader into the wonder of magic Brownieland through a forest of natural trees, mystic with flickering candlelight, to the resting place of a wise old owl situated above a wonderful magic reflecting pond. The girls each renewed their Brownie Promise, then, were directed to look into the magic pond in search of the elf. As the girls discovered the elf each found an official Brownie pin.

Girls participating in the service were: Kay Bell, Debra Blaggs, Kim Campbell, Gayla Clifford, Zondria Edwards, Kim Formway, Amy Hancock, Mary K. Hayes, Shelly Hicks, Christina Jaramillo, Melissa Johnson, Susan Mosley, Regina Phillips, Tish Robinson, and Rebecca Sowers. Mrs. Paul Bell is leader of the troop. She is assisted by Mrs. Paul Hancock and Mrs. Jim Robinson.

Invited guests included Mesdames Rusty Mosley, Jerry Hicks, Jim Formway, Gaylon Johnson, Gary Campbell, Fred Clifford, James Hayes, W. M. Sowers, Lupe Jaramillo, Ramon Sanchez, Bobby Blaggs, Jay Pitt, Jere Lucero, Gloria Jaramillo, and Mr. George Wayne Estlack. Refreshments were served by Mrs. Paul Hancock.

Miss Betty Veach, center, sponsor of F.T.A. at CHS and the two CHS candidates for office. Mac Thornberry was a candidate for office on the state level and Gary Jack, right, was candidate for District Vice-President of F.T.A. Elections were held at the District meeting in Canyon. Gary was elected to the office of District Vice-President. Mona Robinson, District F.T.A. Historian, introduced Mac Thornberry, candidate for office on the state F.T.A. level, at the District Convention held in Canyon.

CHS Chapter FTA To District Meet, Canyon

On November 5, 47 F.T.A. members went to Canyon with Miss Betty Veach to attend District XVI F.T.A. Convention. It was held in the Activities Center on the Campus of West Texas State University. This year the Clarendon Chapter of F.T.A. was running two candidates, one for state endorsement and one for a district office. At 8:00 when we first arrived, the club campaigned for both candidates — Mac Thornberry, trying to get endorsed for state F.T.A. President, Gary Jack for District Vice-President. The first general session started at 8:45. The keynote speaker was Mrs. Edna Stephenson, President of F.C.T.A. from Borger.

At 10:00 voting delegates from each school were seated for elections. Our delegates were Pat Trout, Denise Owens, Mark Boothe, Roy Monroe, Bubba Newhouse, and Mary McGarity. Our campaigning paid off, for our nominee for District XVI Vice-President, Gary Jack, won his nomination. Our candidate for state endorsement didn't win, but he did a superb job of his presentation. — Mac Thornberry.

A skit was presented by 9

members of the club for Gary Jack, during the election of officers. Participating were Liz Bromley, Billy Price, John Hall, Ellen Green, Karen Burgess, Patti Page, Paula Hardin, Robbie Wise and Mary McGarity.

After the elections, members split up to go to three different workshops. The 3rd session began at 1:45, our District XVI Historian, Mona Robinson, gave the benediction, and we were on our way home by 3:00. The club is very proud to have a district officer for three years straight—Shauna Hardin, Historian, 1973-74, Mona Robinson - Historian, 1974-75, Gary Jack Vice - President, 1975-76.

Members attending were Andi Eads, Ricky Mooring, Mona Robinson, Kevin Cates, Mary McGarity, Walter Riggs, Shirley Wise, Lisa Woods, Jack Bell, Roy Monroe, Randy Croslin, Jennie Barbee, Missi Grady, Patricia Odom, Chris Craft, Ellen Green, Prescott Wright, Bubba Newhouse, Jan Barbee, Debbie Robertson, Mark Boothe, Mac Thornberry, Daryl Rives, David Leathers, Patti Page, Gary Jack, Paul Hermesmeier, James Thomas, Robbie Wise, Karen Burgess, Ralph McGarity, Bill Bromley, John Hall, Liz Bromley, Denise Owens, Richard Leathers, Pat Trout, Rosilyn Shields, Paula Hardin, Billy Price, Sandra Rippetoe, Tam-

ra Day, Bob Myers.

We wish to express our appreciation and thanks to Mrs. Susie Shields for attending the convention as a co-sponsor, and also thank our bus drivers, Dwayne Reeves, and Dwayne Weis.

Greenbelt Water Use Over Previous Year

The use of Greenbelt Water for the month of October by member cities of the Authority was up over that of a year ago, reports James L. Kuhn, General Manager.

Recorded in million gallons, Clarendon used 9,760,000 in 1974 compared to 9,563,000 in 1973. Childress was up from 14,509,000 in 1973 to 16,306,000 in 1974. Quannah recorded 12,330,000 this year compared to 10,399,000 last year.

Red River almost doubled its usage from 5,952,000 in 1973 to 11,285,000 in 1974. Other member cities showed an increase in Greenbelt Water use.

Total water used for the month of October 1974 was 60,607,000 compared to 53,190,000 in 1973. The years 1971 and 1972 were peak years during the month of October with 68,230,000 the total for 1971 and 66,434,000 for October 1972.

College Basketball Team Is Introduced

Press Day was held at Clarendon College Monday, November 11, at which time Coach Gene Davis and the Bulldogs were introduced.

Clarendon College Bulldog Coach Gene Davis is in his first year as basketball mentor at the college. He has 16 years of experience as a coach. He holds a BA and MA degree from Southeastern State University, Durant, Oklahoma.

Members of the team include Archie Hughes, a 6'0", 170 pounder from Philadelphia, Pa. and a sophomore return, Davy Graham, also a returning sophomore, is a 6'4", 205 pounder of Ft. Towson, Okla. Other sophomores include Harrison Andrews of Philadelphia, Pa., Larry Mitchell of Muleshoe, and Joe Evans of Abernathy, Texas.

Freshman members of the team include Charles Quisenberry from Lubbock, Texas; Terry Blanks of Kansas City, Mo.; James Davis of Roaring Springs; John Hagans of Williamsburg, Ky.; Robert Evans of Big Spring; Donald Warrior of Checotah, Okla.; Howard Etheridge of Eufaula, Okla.; Russ Franklin of Gallup, N. M.;

and Curtis Washburn of Floyd, N. M.

The Bulldog manager is Elgin Sledge of Dalhart, Texas. Coach Davis stated, "The key to this season will depend upon discipline, conditioning, and depth." Davis feels the overall team quickness will be employed.

The Bulldogs and their Coach are planning a big season ahead and will be looking forward to your support.

Turkey Tags Are New This Year

Local hunters nervously fingering their hunting licenses in anticipation of Nov. 23 might notice some additions to this year's licenses: turkey tags.

Law enforcement and wildlife officials at the Texas Parks and Wildlife Department say that the new tags will "put teeth in enforcement of bag limits on turkey."

In Texas counties which have a turkey season, the bag limit varies from one to three birds. In the past it has been difficult to enforce bag and possession limits on turkeys and the "gentlemen's agreement" was not always honored by a minority of hunters.

Now, the laws are clear on the matter:

"It is unlawful for any person to kill and possess a turkey without attaching the turkey tag from a valid hunting license to the bird.

"No person may possess any turkey that has not been properly tagged and this tag must remain attached to the bird until arrival at its final destination."

Much like the rules which apply to the disposition of deer, "final destination" is defined as the residence of a hunter or a commercial meat processing facility.

As yet, the use of turkey tags applies only in those counties which are under the fish and wildlife regulatory authority of the Texas Parks and Wildlife Department.

Legislation is being proposed by the department for the upcoming session of the Texas Legislature to make the use of such tags statewide.

Most Texas counties are under department regulatory authority; check a copy of "A Guide to Texas Hunting and Freshwater Sport Fishing Regulations, 1974-75," which is available from all TP&WD offices and license sales deputies such as sporting goods stores.

Veteran News

Make certain the right person is beneficiary on your GI insurance policy, is the Veterans Administration reminder to five million veterans covered under its government life insurance program.

Otherwise, you may add to emotional stress of survivors when it is discovered the intended beneficiary was not named on the policy VA Regional Director Jack Coker explained.

In such cases, VA is obligated by law to pay insurance proceeds to the beneficiary of record. Most of the agency's insureds are World War II veterans who carry National Service Life Insurance.

The problem of insurance benefits going to an unintended recipient arises in most instances because the veteran simply never gets around to changing his beneficiary, Coker said.

In a typical case, the veteran named his mother as beneficiary when he first took out his policy. When he married he forgot to notify VA that he wished to change his beneficiary. Besides emotional stress, the result often is unwarranted financial hardship, especially for his widow and young children.

Coker urges any veteran who wishes to ascertain or change his beneficiary to contact the VA insurance center to which he pays his premiums — either in Philadelphia or St. Paul. Be sure to provide as much information as possible, including policy number, full name and address, Coker advises.

Lincoln was assassinated at Ford's theatre while attending a play entitled "Our American Cousin."

NATURAL GAS For Years To Come

With all the talk about conservation, many might believe that we have only enough natural gas for a few tomorrows. We'd like to assure our residential and other high priority customers that Lone Star has an adequate supply. Not only for the present, but for years to come.

We were actively engaged in exploration programs long before the energy crisis. And since the crisis, we're exploring even harder to insure your continued supply of natural gas.

Conservation is one way to extend the supplies we now have on hand. And they can last much longer by avoiding wasteful uses of energy. By making it last longer, more time is allowed for new forms of energy to be developed.

Of course new supplies are going to cost more. But natural gas is still the best buy for your energy dollar!

Conserve natural gas. Conservation will help keep the cost as low as possible.

WTSU Buffs Close Out Home Games Sat.

The Buffaloes of West Texas State University will play their final home football game of this season Saturday, November 16, playing North Texas State in Kimbrough Stadium. Game time will be 1:30 p.m.

North Texas State defeated WTSU last year by a score of 32 to 15. Last Saturday West Texas State dropped Tampa, Florida 24-6 in Tampa.

This week's game should be a good one and everyone is invited to come out for this final home game of the 1974 season. The Buffs will play Louisville, Ky., there Saturday, November 23.

Tech Raiders Play In Waco Sat., Nov. 16

The Red Raiders of Texas Tech will challenge the Baylor Bears in Baylor Stadium at Waco Saturday, November 16. Game time is 2 p.m. In past rivalry Tech has won 12 games to Baylor's 19 and one tie game. In Southwest Conference play Baylor has won 6 games to Tech's 8.

Last week Tech defeated TCU 28-0 in Jones Stadium at Lubbock.

The Raiders will close out their 1974 season playing Arkansas in Jones Stadium at Lubbock November 23. Game time 2 p.m.

TOO FAST FOR CONDITIONS

The speed indicated on the sign post is not always safe, according to the Texas Department of Public Safety. A light rain on a dusty highway can create a condition which makes the posted limit much too fast, and it is pointed out that "speed too fast for conditions" is a violation of the traffic laws.

Is There A Man In The House?

By: Weldon Rives, Pastor First United Methodist Church

1 Corinthians 16:13 — "Be on your guard, stand firm in the faith, live like a man, be strong! strong! Let everything that you do be done in love."

A few years ago I was attending a McMurry College football game in Abilene, Texas when I heard myself being paged over the public address system. It brought to mind the number of times I had heard the voice inform a doctor, usually by a number rather than name, to call his answering service. Then I wondered, "how often we heard the announcer ask "Is there a doctor in the house?" that usually when a team member is hurt and they need a doctor but are not sure if one is present.

In today's critical concerns about inflation, ethical behavior of political leaders and national credibility as well as that which is personal, we hear the question "Is there a man in the house?" Not just any man, or someone that looks like a man, but is there a man, a real man in the house? You see we're looking for a "solid" man. Well, briefly following are some characteristics of a "solid" man.

He is a responsible man. He assumes obligations and discharges them honorably. This is true whether he is a leader in a local civic club or government, or in the state or national institutions. You know where he stands and you can depend on him.

He is also an understanding man. He puts himself in the place of others, as best he can, so he can experience circumstances as they experience them.

Real fishermen are still bringing in the big ones at Greenbelt Lake. Mr. Sinyard and Mr. Marchman of Groom, Texas are quite proud of the 7 lb. Channel Cat they caught on a trotline with liver last Saturday. Photo courtesy The Canteen

He follows Ezekiel when he went to minister to the Hebrews in exile in Babylon. He says, "For seven days I sat where they sat." Until he had done that, he had not earned the right to say anything to them.

Then, he is a morally disciplined man. We live amid a culture that is increasingly becoming weak morally. Too many persons engage in illicit relationships and we've encouraged it by saying that what they do in their personal life is no concern of ours, but if we have Christian concern for them their sinful actions are our concern.

Again, he is a man of genuine Christian faith. His will not be a pretense as so many men's faith is whereby they say they believe but do not so live their lives. Deep within himself he has a sense of the reality of God, and he honors Him seeking to live by the precepts of Jesus Christ.

Finally, he is a man who is "solid" in his home. Here you see him for what he really is by the house he lives in, the way he furnishes his home, provides entertainment for family and friends, etc. Here is where everyone removes his mask.

There you have the solid man! Is there a man in the house? GRACE AND PEACE. THINK ON THIS: The world makes way for men who are willing to accept responsibility.

It seemed like on our trip to Eureka Springs that there were a lot of what some refer to as older folks along the way, and a lot of us were there all at the same time for the Fall Festival.

In our Motel room, and I suppose in each room, we found the so-called Irish Prayer . . . We love to read it over and over and it makes a good memory to carry with us. It goes:

"May the road rise to meet you. May the wind be always to your back . . . May the sun shine warm upon your face . . . And rains fall upon your fields . . . And until we meet again . . . May God hold you in the palm of his hand."

C. L. Lewis Thanks Donley County Voters

I wish to thank the voters in Precinct 2 for their vote, confidence and trust in me for your Justice of Peace.

One job which stands out for its service and closeness to the people is the Justice of Peace. Sometimes called "The Peoples Court" the Justice of the Peace can and does, act as a clearing house of information for those who have minor legal problems and do not know where to turn. The Justice of Peace courts have jurisdiction in criminal matters where the penalty or fine may not exceed \$300.00 and in civil matters of cases where the amount in controversy is \$200 or less if original jurisdiction is not given to another court. Because each case and each problem deals with people and their government system, the Justice of Peace must have a sense of feeling for both. He must be interested in government and politics and in people. This is my Philosophy of the Justice of Peace office.

The Word Of Truth

Lawrence Thompson, Pastor United Pentecostal Church St. Math: 9:17 — Neither do men put new wine into old bottles: else the bottles break, and the wine runneth out, and the bottles perish: but they put new wine into new bottles and both are preserved.

Many times Jesus would speak in terms of the natural to bring in the spiritual. This scripture tells us that men do not put new wine into old bottles lest the bottles break and both the wine and bottles are lost.

There is a spiritual story to this of which Jesus wants everyone to know. "Not everyone that saith unto me, Lord, shall enter into the kingdom of heaven." St. Matt. 7:21.

We are as the bottle! Jeremiah went to the potters house and saw the potter forming a vessel. The Lord spoke saying, "O house of Israel, cannot I do with you as this potter?"

We have got to become a new creature in Christ Jesus. Gal. 6:15—Knowing this, that your old man is crucified with him, that the body of sin might be destroyed, that henceforth we should not serve sin. Romans 6:6. Then this body (the vessel or bottle) is clean and made

new, then the new wine can fill it up.

The new wine is the Holy Ghost.

Joel 1:5 — Awake, ye drunkards, and weep; and howl, all ye drinkers of wine, because of the new wine; for it is cut off from your mouth. Also read Acts 2:13-18. On the day of the Pentecost the 120 were filled with the Holy Ghost, and acted as though they were drunk.

One's life has got to be clean —made new before the Holy Ghost will come in. This comes through genuine repentance —

(being dead to sin) then we shall be filled. Eph. 5:18 — Jesus will not fill anyone until the vessel is new for if so, the bottle might break and both the wine and bottle be lost. Pastor Lawrence Thompson, United Pentecostal Church.

CONSERVE AND SAVE

On Home Laundry

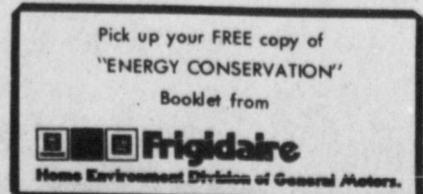

Wash and dry a full load, but never overload... it is essential for each item to move freely for proper cleaning and drying.

Choose the correct cycle for washing modern materials. Too much detergent can clog machine and drains... always measure, don't guess! Follow the manufacturer's recommendations for your type equipment.

Many manufacturers of permanent press garments recommend machine washing for best results. Following instructions on the garment tag can help preserve the life of your clothing and give you wrinkle-free clothes without need for ironing. A big savings! Important! Clean the lint trap and lint filter on both washer and dryer after each load or a full day's use of your home laundry.

Magazine Publishes Ronnie Null Articles

Ronnie Null, chairman of the Language Division at Clarendon College, had an article published in the October issue of the OLD TIMERS' NEWS. The article concerned an interview with Elmer Sparks, Canadian, Texas, long-time rancher. Sparks is an authority on the old cattle trails of the Texas Panhandle, especially Hemphill County. Sparks has researched these old trails for many years. He has documented letters, pictures, and newspaper articles that are invaluable to anyone interested in the settling of the old west. Sparks' research gives facts about the Marcy, the Rath, and the Gregg trails in addition to supplying research on the smaller trails of Hemphill County. Null has also written articles for the next four issues of the magazine. The November issue will carry an article on the coming of the railroads to the Texas Panhandle. In December, an article will be printed discussing old cattle brands. The January article will recall memories of the "blue northerners" or blizzards of the early days, and the February issue will give an account of the "dust storms of the 20's and 30's." Those interested in the magazine may contact Mr. Null for information.

Area Officers Gain Certificate At AC

Twenty officers representing Panhandle area law enforcement agencies received diplomas acknowledging they have completed the education required for certification as a law enforcement officer in Texas. The graduation ceremony was held Nov. 7 at Sutphen's Barbecue, 620 W. 16th in Amarillo. State Senator Max Sherman delivered the graduation address. Among the graduates, who completed a six-week training session at the AC West campus, School of Vocational Arts is Steven D. Vines, deputy sheriff with Donley County Sheriff's office. Johnny Hoggatt, formerly of Hedley and now a resident of Tulia, was also in the group receiving certificates.

VISITORS

Mr. and Mrs. Ray Hefner of Amarillo visited Sunday afternoon with Mr. and Mrs. E. V. Quattlebaum.

COTTON LOANS — Cotton loans are available from the ASCS office. The loan rate is \$27.05 for strict low-middling, white, 1 1/16 staple with a micronaire from 3.5 through 4.9. A loan service fee of \$1.50 per bale will be charged. The interest rate is 9.375 percent per annum. Loans mature on the last day of the tenth calendar month from the first day of the month in which the loan is disbursed, or upon such earlier date as CCC may demand for payment. The last day to pledge cotton for loan is May 31, 1975.

SPOT HARVEST — If you spot harvest feed grain or cotton, we need to look at the unharvested portion before it is destroyed. **PRODUCTION EVIDENCE** — Remember to bring in production evidence on cotton as soon after harvest as possible. If a low yield payment is involved, feed grain production records must be brought in also.

GRAZING OUT FEED GRAIN — This acreage must be appraised before grazing occurs in order to be eligible for low yield payment.

CROP AND LIVESTOCK REPORTS NEEDED FROM FARMERS AND RANCHERS — During the last half of November and in December, some 75,000 farmers and ranchers will receive either a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service. Accurate estimates have always been of great importance to producers and are even more important in light of the supply-demand situation facing agriculture today. Data collected in this survey will provide an accurate picture of agriculture for each county and for the state of Texas. Each farmer receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin. Individual reports are confidential and used only for State and County estimates.

COUNTY COMMITTEE ELECTION — Ballots and voting instructions will be mailed to all eligible voters on November 22, 1974. If you are an eligible voter and do not receive a ballot, please contact this office.

COOPERATING GINNERS — The USDA has adopted specifications for bagging and bale ties as a condition of eligibility for loans at the request of the cotton industry. The Paymaster Gins at Clarendon and Lelia Lake along with the West Texas Gin at Hedley have certified to CCC that they will use only specification bagging and/or bale ties or bagging and ties which are properly identified with the National Cotton Council's Experimental Bale Packaging Program on Cotton which may be pledged to CCC.

HOLIDAY — This office will be closed November 28 in observance of Thanksgiving. Jerry C. Gage County Executive Director

The 30th anniversary of the original GI Bill, which, among other things, authorized a government mass education program for veterans was observed on June 22, 1974.

Broncs Down Claude Mustangs 34-2

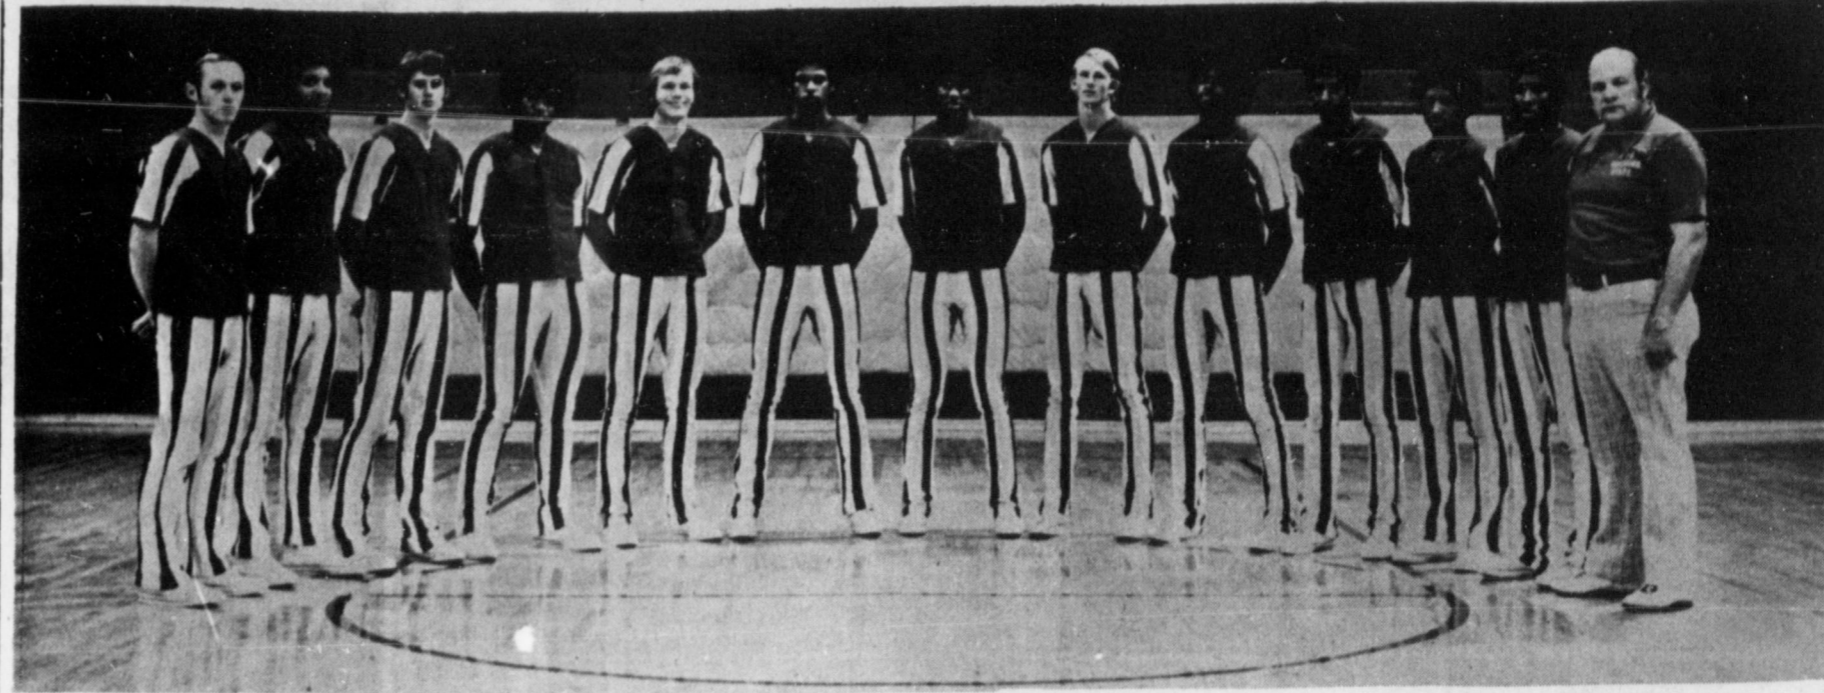

The Clarendon Bronchos bounced back last Friday night after their loss to Wheeler the previous week to down the Claude Mustangs 34-2 in a one-sided affair at Claude.

Kenneth King started the scoring for the Bronchos with a 60 yard sprint in the first quarter and kicked the extra point. He scored again in the second and third quarters, adding the extra point on each occasion. Larry Shields drove over the next counter in the fourth period and King kicked the extra point. Lynn Floyd added the final score going over from the 2 and the extra point try failed.

The Mustangs picked up their lone 2 points in the first period on a safety.

The Broncho defense held the Mustangs throughout the game and the Bronco offense moved almost at will. Coach Noonkester doesn't believe in building up a big score against a team that is down in strength and gives his substitutes more opportunity to play.

At the Boston Tea Party 342 chests of tea were cut open and emptied into Boston Harbor.

Colts Defeat Claude To Close Out Season

The Clarendon Junior High Colts defeated Claude Thursday of last week by a score of 22-8 in a game played in Broncho Stadium. Coach Pete Bromley reported the entire team played one of their better

games. Fourteen boys participated in the game; Gary Thomas, Johnny Shields, Wade Porter, Stacy Hohenberger, Shawn Barker, Larry Davis, Gary McClellan, Dan Brandes, Glendale Hearn, Billy Gardner, Johnny Jaramillo, Barry Hightower, Ed Bromley, and Steve Rives. This has been a fine season. Cheerleaders have been great in leading good pep rallies and the Band and Twirlers have added a lot to the rallies. Seventh graders will finish their season at Wellington tonight, Thursday, with game time 5 o'clock. After this game boys and girls will go into Basketball. Colt Mothers will have the

Colt Banquet Saturday, November 23, at 7 p.m. Tuesday night, November 19, against Wayland Baptist College. Game time is 7:30 and all "Bulldog Backers" are encouraged to be present to give Coach Gene Davis and the Bulldogs the support needed to show this young team that Clarendon is interested and behind the Bulldogs all the way.
