1984 Cancer Crusade biggest ever

With a grand total of \$6,069.66 the contributions to the 1984 Cancer Crusade are the greatest ever. This year's continuing generosity on the part of Donley County citizens is what keeps the Donley Unit #1 and helps provide services to the cancer victims in Donley County.

Better than ever, is an apt description of the business division of Clarendon, for the Donley Unit of the American Cancer Society Cancer Crusade. Also they topped last year's total contributions for the largest sum ever at \$1,180.00.

"We want to express our unqualified thanks for the continued support of the members of the business community in the war against cancer," said Darlene Spier, business chairman. "It is indeed a pleasure to work with persons who are dedicated to the fight against this dreaded disease."

Cheryl Burch, Hall's Tax Office; Rhonda Looney, The Nook; Linda Welch, Lone Star Gas; Ann Harper, McKinney beauty Shop; Sandra Longan, Amiga's; Dave Crosslin, Western Skies Motel and Darlene Spier, Chairman, of Chamberlain Motor Company.

persons like that you have to succeed," she explained. The total for residential was \$2,321.81.

The residential volunteers were: Pat McCombs, Ethelyn Grady, Barbara Cosper, Anna Beth McNabb, Sue Rattan, Naomi Phelan, Gay Cole, Roxie Barbee, Debbie Hamilton, Sue Shields, Kay Diahn Bell, Ruthie White and Debbie Roberts, chairman. "Thank you for your time, effort and

caring about those who are fighting for their lives, or the lives of their loved ones. Together we can win," stated Debbie, with conviction.

Chairman for the Bike-a-thon was Jeff Walker, and it too exceeded the amount for the previous years.

Pen of Pastor Pinion

Alexis de Tocqueville, a 19th-century French philosopher and historian, wanted to know how a handful of colonists could defeat the mighty Great Britain in two consecutive wars, so he came to America to discover the secret of her greatness. When he went back to France he wrote: "I looked for America's greatness in her majestic mountains, but I couldn't find it there. I searched her coasts, her plains, her factories, but I still could not discover the secret of her greatness. Not until I entered her churches and found her pulpits aflame with righteousness did I know her secret." He wrote, "America is great because America is good, and when she ceases to be good she shall cease to be great."

America's greatness was predicted upon her love for God and His Word, and when she loses a love for JGod and His Word, she will lose it all. This is the message that must be proclaimed today. This gives man an understanding of the times in which he lives. The way out of this dilemma is-in unto God. Second Chronicles 7:14 is just as applicable to us as it was to Israel some 3,600 years ago. We need understanding of the times.

"If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land."

God Bless America!

The library staff would like to express their appreciation to all the "Friends" who helped with the sale, especially the co-chairmen, Shirley Clifford and Chris Matthews. We hope to continue the sale next year with the Friends' help and the town's support.

1964 Class Reunion

The class of 1964 began its reunion with a get-together at Ronnie and Melinda McAnear's on Friday night, July 6th. Class members and their families enjoyed meeting and visiting. Melinda and Ronnie served hot dogs with all the fixings. Two meetings were held on Saturday, July 7th, at the Clarendon High School cafeteria. The day was spent looking at annuals, scrapbooks and pictures. Frankie McAnear showed films that she had taken during our school years. Ronnie McAnear called the group to attention, and unbelievably we managed to stop talking long enough to have a short business meeting. Class members voted to have a reunion in 1989, marking their twenty-fifth year. Class members also elected officers to organize the next reunion, these being Connie Pitts-President; Nancy Watson-Secretary, Treasurer; Pat Doerric-Corresponding Secretary. These officers are happy to report that they have already had one meeting and have appointed Ronnie McAnear chairman and Tim Ray, Larry Gray, and George Graves as committee members of all the committees that

CLASS OF 1964

they can possibly think of by 1989. At 6:30 Saturday evening we enjoyed a delicious barbeque buffet at Amiga's. Following our meal, the following results from a class survey were announced:

**Texas
Ranch Rodeo
August 17-18**

The working cowboy and the great cattle ranches are still a part of the Texas landscape and not just American folklore. Tough skilled men continue to ride in the legendary kingdoms of cows and horses, unwilling to surrender their place of honor in the Lone Star state to TV's J.R.s or any urban counterpart.

Once again, these descendants of the Wild West will gather to compete in traditional contests in the fourth annual Texas Ranch Roundup, scheduled for August 17-18, at the Wichita County Mounted Patrol Arena in Wichita Falls.

More than 200 real working cowboys, wagon bosses, cooks and immediate ranch family members will pit their skills against each other in roundup competition, which features events patterned after activities on a working ranch. The roundup will benefit three state charities.

In addition to selecting the "Best Ranch in Texas" and "Top Hand," judges this year will also pick a "Top Horse."

Roundup participants will represent fourteen of Texas' largest ranches, boasting a combined acreage totalling about 2.5 million, or more than half the size of New Jersey.

The Lewis Ranches of Clarendon will return to defend the best ranch title they won twice—in 1981 and in 1983. If they win for a third time, the Lewis ranch hands will ride home with a replica of the prized Lex Graham traveling trophy for keeps.

Others included in the competition will be the R.A. Brown Ranch, Coldwater Cattle Co., Inc., Cowan & Son Circle Bar Ranch, Double U Hereford Ranch, Moorehouse Ranch (1982 winner), Pitchfork Land & Cattle Co., Scharbauer Ranches, Rendebrook-Spade Ranch, Swen R. Swenson Cattle Co., Tongue River Ranch Corp., Triangle Ranch/Burnett Ranches, Inc., U Lazy S Ranch and the W.T. Waggoner Estate.

The roundup opens Friday, August 17, at 7:30 p.m. Teams of cowboys from each ranch will compete in saddle bronc riding, team roping, team branding, wild cow milking, team penning and a wild horse race. A country and western dance will begin at 9 p.m.

On Saturday, jackpot roping and barrel racing, two events outside regular competition, will begin at 8 a.m. A ranch food cookoff, talent contest and the first lady contest will be held Saturday afternoon before the final roundup events begin at 7:30 p.m. Another dance will begin at 9 p.m., with the awards ceremony getting underway at 10:30 p.m. in the arena.

Points will be awarded on a team basis in each event to determine the ranch, that will take home a traveling trophy, a bronze sculpture by Lex Graham. Judges will cast ballots for the top hand, who receives a hand-tooled saddle. Team members of individual events also will receive awards.

Roundup tickets are available for \$9, reserved seats, and \$4, general admission. Tickets to the dances are \$5 per person per evening. Tickets to the Saturday afternoon contests are \$4 for adults and \$1 for children.

Tickets may be obtained by writing Falls Distributing Co., 3811 Tarry, Wichita Falls, TX 75308, 817/692-9011.

The roundup is co-sponsored by the North Texas Rehabilitation Center, Budweiser and Falls Distributing Co., Inc., local wholesaler of Budweiser and other Anheuser-Busch beers.

Proceeds will benefit the North Texas Rehabilitation Center, Wichita Falls; the West Texas Rehabilitation Center, Abilene, and the West Texas Boys Ranch in San Angelo.

Letter to the Editor

July 2, 1984

Clarendon Press:

We were looking thru our Bible a few days ago and came across the clipping from the Clarendon paper of our wedding.

We were married 1913 on June 20, making it our 71st year of marriage and also 71 years a reader of the Clarendon paper.

Enclosed is a check for another year. We are now living in McAllen, Texas near our daughter where she can be more help to us. We thought our old time friends would like to know we are still living.

We thought you might like to print a piece, but please send it back to us in the enclosed self addressed stamped envelope.

Hope everybody had a good time in Clarendon on July 4th. We have spent many July 4ths there.

Our address in McAllen: Ben & Lila Andis, 738 Lora's Lane, McAllen, TX 78501.

Andis - Tinkle Wed

Last Friday evening, at the county courthouse, occurred the marriage ceremony joining two more of Clarendon's young people for life. The principals in this happy event were Mr. Ben Andis, son of A.W. Andis, and Miss Lila Tinkle, daughter of Tom Tinkle. Dr. S.E. Burkhead officiated.

The groom is an industrious and capable young man, being connected with his father and brother in the livery and transfer business. The bride has lived in Clarendon nearly all her life, is an energetic and lovable girl, and has a large number of warm friends who hope that her marriage life will prove a source of much happiness.

The News extends congratulations to the happy pair.

(This account of marriage of the Andises was taken from their clipping out of the Clarendon News, June 20, 1913.)

THANK YOU

On behalf of the Outdoor Entertainment Association and all others involved in Clarendon's Annual Saint's Roost Celebration, we want to express appreciation to the hundreds who had a part in making this one of the most successful Celebrations ever. Without a doubt, this success can be attributed to the fact that hundreds of Clarendon and Donley County people, along with many friends from the entire area helped plan and then worked hard at their appointed task during the three day celebration. We could not possibly single out any one or any group because there are so many of you. But please, everyone who had a part in any of the activities — the Rodeo, the kid events, the Western Parade, Old Settlers Reunion, Fiddlers Contest, County Craft Fair, and all the other activities that made it all a rip-roaring success — give yourself an extra pat on the back. Thanks for everything and let's look forward to an even bigger celebration in 85

Grand Master of Texas installs officers at Clarendon Lodge

The Most Worshipful Grand Master R.H. "Bob" Waters, the Grand Master of Texas Masons was the installing officer at the recent installation ceremony held June 30th, 1984, in the Clarendon Masonic Lodge #700. The installing marshal was brother A.J. Garland, a revered member of Clarendon Masonic Lodge

#700. The Lodges represented at this installation were, Clarendon Masonic Lodge #700, Wellington Masonic Lodge #763, Hedley Masonic Lodge #991, Hall County Masonic Lodge #1271, Groom Masonic Lodge #1170, Claude Masonic Lodge #719 and Memphis Masonic Lodge #729. There were also three district Deputy Grand

Masters present and they were District #52, District Deputy Grand Master Robert G. "Bob" McCombs, District #95, District Deputy Grand Master David Morris. The other District Deputy was a guest of the Grand Master from the Dallas area. The Lodge was opened at 6:00 p.m.

and a lovely meal was prepared by the Clarendon Order of the Easter Star #6 and was served at 6:30 p.m. Approximately 150 persons were served. A time of visitation was observed and at 8:00 P.M. the installation ceremony began. This was termed a most successful meeting being enjoyed by

all those who were present. The Masonic body was invited to a "cowboy breakfast" at the William R. Chamberlain ranch northeast of Clarendon the next morning at 5:30 a.m. and there were thirty Masons present for breakfast. The menu consisted of scrambled eggs, bacon,

sausage, various types of jelly, homemade apricot preserves prepared by the host William R. Chamberlain, cowboy coffee and the hosts specialty "sour dough biscuits" baked in authentic Dutch ovens by coals specially prepared for the occasion. This meeting of the brethren was one that will long be remembered.

Howardwick News

By ALICE HOOD

Eleanor Crossland left the 3rd of June for England to visit her brother, Raymond, his wife Brenda and family and her sister Kathie and husband George Fussell and family in London. They traveled all over Southern England, toured Wales and many beautiful scenic places. The weather was lovely. No rain which is very unusual for England. Had a great time with her family. Returned home the 24th of June. Her husband, B.F., and her daughter Sue and granddaughter Shannon met her at the airport in Amarillo. Shannon had a week off from Hiddin Falls near Wayside at Palo Duro Canyon. While home in Amarillo she broke her collar bone but is back at Hiddin Falls doing great. While Eleanor was in England, B.F. lost a sister at Muleshoe, June 12th. Friday night his sisters husband died and was buried Tuesday, June 10th. Sympathy is extended to the Crossland family.

Joe and Margaret Wells had as guests Nora Clevenger and daughter Valerie of Lawton, Oklahoma. They

spent Tuesday to Friday with the Wells. Had a very nice visit.

Alice Hood's two youngest sisters spent the 4th with her. Callie, her husband Warren Neighbors, and son Steven came in Sunday from Angleton, Texas, spent the night, went to Amarillo to visit sister, Margie and husband David Springs and to Canyon to visit brother John Rowe and wife Rosa. Came back to the Hoods for the 4th. The Springs met the Neighbors and Alice Hood at the Old Settlers Reunion and they all spent the day visiting friends and relatives. Feasted on the delicious barbecue lunch. Had a very enjoyable time together. The Springs left after supper with the Hoods and the Neighbors left for home Friday, June 6th.

The Lakers Homemakers were proud to present the "Tumbling Block" quilt to Cecil Matthews and would like to take this opportunity to thank each and everyone for their donations. The proceeds in turn will be donated to some worthy causes in the community, county and state.

Natural Gas vehicle being tested

Lone Star Gas Company is one of 25 American and Canadian companies taking part in a two-year field test of America's first factory-built vehicles designed to run exclusively on natural gas.

Ford Motor Company designed and built the test fleet of 1984 Ranger pickup trucks. Lone Star received its Natural Gas Vehicle (NGV) in late May.

Each NGV Ranger is powered by a 2.3-liter four-cylinder engine with increased compression to take advantage of the high (130) octane rating of natural gas.

Fuel economy with an automatic transmission is estimated by Ford to be equivalent to 21 miles per gallon for city driving, compared to 22 mpg for a gasoline-powered Ranger. Based on current cost of natural gas and gasoline, the price of fuel is equivalent to 60-cent-per-gallon gasoline. Range is expected to be about 225

Thank you again! Charles and Lucille Boren had company from Perryton, Sunday. Lucille's cousin, Celta Anderson and a friend Nora Tolliver spent the day with them. Celta reports they had nice weather for the wheat harvest.

miles per fill-up for the Ranger being tested by Lone Star.

Natural gas as a vehicle fuel has been used in this area since early 1981 by the Carrollton-Farmers Branch school district. The district transports about 1,300 students daily in a fleet of 44 natural gas-powered buses.

George Smith, assistant superintendent of business services, says, "We get better combustion. We don't have gasoline truck deliveries or the spot market to worry about. And we're excited because we are not able at the whim of OPEC." He adds that the buses are safer and require less maintenance.

The school district installed a refueling area at its bus barn that includes a compressor and two ca-

cade storage systems that allow buses to be refueled in a matter of minutes. The entire conversion cost about \$200,000.

A recent article in GAS INDUSTRIES reported exhaust emissions tests "on a sample group of vehicles revealed... (natural gas vehicles) produced 14 percent less hydrocarbons and 68 percent less carbon monoxide than comparable vehicles running on gasoline." All emissions were within Environmental Protection Agency vehicle emissions standards.

Lone Star has 29 dual fuel vehicles--capable of using either gasoline or natural gas--operating in Fort Worth.

Natural gas is a popular fuel in other countries, with widespread use in New

Zealand, Italy and Canada. In Canada, government grants have been available for construction of refueling stations since early 1983.

In Illinois, state funds are used to

convert school buses and maintenance costs have been reduced by 50 percent in districts that switched. Fuel costs have also declined.

Ford estimates no significant cost difference between a natural gas engine and a gasoline engine, al-

though the stronger natural gas fuel tanks for these initial test vehicles cost about \$1,000 more per vehicle.

RICKY SPRINGER AND DEBBIE CLUBB

Two Attend Texas Farm Bureau Seminar

More than 400 high school juniors and seniors participated in the 22nd annual Texas Farm Bureau Citizenship Seminar, June 18-22, on the campus of Angelo State University at San Angelo.

Attending the seminar from Donley County were Ricky Springer and Debbie Clubb.

Purpose of the seminar is to give students a better understanding of the various forms of government and their responsibilities as citizens, according to Jamie Gipe, Coordinator of the TFF Young Farmer and Rancher Program and coordinator for the seminar. Students are sponsored through county Farm Bureaus.

TFB Public Affairs Director Vernie Glasson and Dr. L.D. Vincent, President of Angelo State, delivered a welcoming address to the students. Glasson presided at the opening session and also responded to questions from students in the audience. The students heard inspiring talks

about patriotism and free enterprise from six individuals. The speakers and their topics were: Dr. Calvin Kent, Director, Baylor University's Center for Free Enterprise, "Free Enterprise and You"; Glenn Kimber, senior vice president, The Freeman Institute, Salt Lake City, Utah, "The Miracle of America"; Dr. Sam Zakheim, vice president for economic affairs, Rocky Mountain Orthodontics, Denver, "Understanding the Middle East"; Dr. Joseph Ioffe, a Russian immigrant, "Understanding the Soviet Union"; Dr. Thomas Cunningham, a family life specialist, Stillwater, Okla., "Citizenship and Self-Esteem" and "Citizenship and the Family" and Elvin Caraway III, director of Sen. John Tower's West Texas office, Lubbock, "The Challenge for Young Leadership"; and Jack Jackson, Chairman of the Board for LDL, Incorporated, Oklahoma City, Oklahoma, "The Price of Free Enterprise".

Local

Mr. and Mrs. Rex L. Anderson of Clarendon and Quitaque, Mr. and Mrs. Carl Pittman, and Mrs. Frank Phelan, Sr. of Clarendon entertained

the following people in their homes during the 4th of July week: Mr. and Mrs. D.J. Anderson and Frank Buck of Quitaque, Mr. and Mrs. Cowboy Johnson and Ms. Jaci Holcomb of Dimmitt, Mr. and Mrs. Keith Pittman, Mr. and Mrs. Don Roderick, Robert Swan, Shirley O'Dell, Buddy and

Drena Shores all of Amarillo, Ms. Mary Butler of Fort Worth, Ms. Anne Solomon of Dallas, Mrs. Janis Elmore of Houston, Ms. Sue Etzold of Denver, Colorado, Jimmy Coleman and Mr. and Mrs. J.R. Ross of Quail, Mr. and Mrs. Steve Brown of Childress, Ms. Sue Strickland of Hereford, and Roger Murphy, Mr. and Mrs. Eddie Eads and Lindsey, Mrs. Dwayne Strickland, Brandi and Chad, Mr. and Mrs. Rickey Gerner and children, Mr. and Mrs. Don Hinton, and Tim Salem, Ms. Stacy Watts, and Jenks Boston all of Clarendon.

Everyone enjoyed the parade sitting in the shade in Rex and Judy Anderson's yard and a cook out afterwards. Thursday evening Mrs. Frank Phelan, Sr. entertained the crowd with a delicious ham and homemade ice cream supper, and several of the group joined members of the Class of 1984 who were in town for their 20th class reunion in the home of Mr. and Mrs. A.R. Henson. Saturday, July 7th found the crowd at the First Annual Chili Cookoff at the Country Club. Carol Hinton, Belinda Guy, Mary Butler and Judy Anderson comprised one team called the Chili Con Cronies and Jeanie Johnson, Jaci Holcomb, Mona Pittman and Shirley O'Dell comprised an adversary team called the Swinging Chilies. After cooking and eating chili the group enjoyed the horse races, the rodeo and outdoor dance, and much visiting with old friends. A good time was had by all and we are looking forward to the 2nd Annual Chili Cookoff next year.

Track and Trail

Riders Assoc.

The Track and Trail Sports Riders Association, Inc., is from Amarillo. This is a family-oriented motorcycle club which was formed in 1969 to promote and encourage recreational sport cycle riding. Membership presently includes sixty-six families; most of the members live in Amarillo, but they have members from Dumas, Memphis, Pampa, Dimmitt, and Friona.

Track and Trail sponsors a cycle event each month; some are races and

some are fun parties for the members. The biggest monthly event is the annual Cotton Boll Enduro at Memphis; this year's Cotton Boll Enduro is scheduled for October 14th. This will be a one hundred mile cross-country race in the rough hills and sandy creek beds south of Memphis. The Cotton Boll Enduro is once again part of the Texas State Championship Enduro Circuit, and they expect five hundred riders from all parts of Texas plus New Mexico and Oklahoma.

Track and Trail encourages safe riding; always wear your helmet, boots, eye protection, and other protective

clothing when you ride, and watch out for the other guy.

Anyone who shares the love for the

sport of riding motorcycles in the dirt is welcome to join this club and share the fun!

The deer family includes about 60 species, ranging in size from the huge Alaska moose down to the Chilean pudu, which is almost as small as a rabbit.

SUN AND AGING SKIN

Many of the changes that occur in the skin with age are actually due to sun exposure. Body parts that are routinely protected from the sun's rays may appear "baby-like" in old age. Skin that receives sunlight appears older than the remainder of the body. Wrinkles and skin discoloration are common results of sun exposure. Skin cancer is also a direct consequence of excessive contact with the sun. Fortunately, just about everyone can enjoy outdoor activity and not be overly concerned about skin changes or skin cancer. Even sunburn can be avoided with the use of sun screens and sun blockers. Screens and blockers, when applied to the skin, either

reflect, scatter, or absorb the sun's rays. Less radiation reaches the skin. With screens, tanning occurs over a prolonged period of time. With blockers, very little radiation reaches the skin and, therefore, tanning does not tend to occur.

A variety of effective preparations are now available for use on large skin area as well as on body parts that require special protection [lips, ears, and nose]. Products are rated with numbers that indicate the amount of protection provided [higher numbers give most protection]. Your pharmacist can recommend a suitable product for your skin type and lifestyle.
