Minutes Of Hospital Board Meeting Tues.

Editor's Note: Below you will find a complete reprint of the minutes of the hospital board meeting Tuesday afternoon of this week. In addition to these minutes, board members rejected a request by Dr. T. E. Marshall to move his offices into the Clinic. The Board had previously voted not to let any doctor use the Clinic for the private practice of medicine and we commend the board at this time for upholding their position in this manner. But at the same time we do not uphold members asking the press to curb their comments in this regard as some people might think that denying a doctor this privilege would be responsible for not having a doctor serve the community. It is our thinking that every doctor should provide his own means and everyone have equal opportunity to use whichever or whatever doctor they choose.

In addition to the requested audit report on page two, the Leader is publishing additional portions of the audit as a public service on page seven which explains much of the hospital business prior to and including the present Hospital District. The Board of Directors of the Donley County Hospital District met in a called meeting Tuesday, January 23rd, 1973, at 4:15 o'clock P. M. at the Medical Center with the following present: Bright Newhouse, Delbert Robertson, R. D. Cagle, Jeff Walker, J. S. Hinds, Jane Bownds, Wes Langham, Administrator, George Wayne Estiack, Editor of the Donley County Leader, Dean Singleton, Editor of the Clarendon Press, Areta Jones, C. P. A. of Pampa, Texas and Stan West, C. P. A. of Wichita Falls, Texas. Rudy Renfer, Attorney.

The President, Bright Newhouse called the meeting to order. The President introduced Areta Jones, C. P. A. Mrs. Jones presented each member of the Board with a copy of the Audit of the Hospital and Nursing Home and explained in detail the audit. The President introduced Mr. Stan West, C. P. A. and he informed the Board that he had audited the Audit prepared by Mrs. Jones and he could find no errors in the Audit and complimented Mrs. Jones on the Audit. Mrs. Jones and Mr. West agreed that the only solution to the problems of the Board was to obtain doctors and open the hospital at the earliest possible date. Mrs. Jones and Mr. West retired from the meeting.

Minutes of the meetings of November 21st, December 8th, January 2nd, and January 12th, were read. An amendment to the motion made by R. D. Cagle and seconded by J. S. Hinds in the minutes of the meeting of January 12th, which motion read "That the Board authorize the President, Bright Newhouse, to arrange a meeting for all Attorneys and interested parties in the law suits", is as follows: Motion was made by R. D. Cagle and seconded by J. S. Hinds that the motion made on January 12th, 1973 be amended to read "That the President Bright Newhouse and Rudy Renfer, Attorney, have the authority to meet with Dr. George W. Smith and his Attorney, with notification to Sterling Kinney, Attorney, and return to the Board with any proposal for complete settlement of all lawsuits which may develop from such meeting." Motion carried. Motion was made by Jeff Walker that the minutes be approved as amended. Motion was seconded by R. D. Cagle. Motion carried.

Motion was made by Delbert Robertson that the Comparative Balance Sheet and the Cash Accounting as shown in the Audit Report be published in Donley County Leader and The Clarendon Press. Motion was seconded by R. D. Cagle. Motion carried. (Continued on Page 8)

IT'S HELL --- AND BACK AGAIN

(An Editorial)

We had hoped that our community would settle down making it possible to progress and not regress but it seems that a few determined people are out to destroy just as a retreating General lays waste to everything in his path.

A new Doctor moves to our community. What happens — give him hell from every angle so he will leave — or if he is thinking of coming to Clarendon, call and tell him not to come --- as bad as we need doctors to serve our average citizens.

It also appears we have a few Hospital Board members who are apparently among the doubters.

The meeting of the Donley County Hospital District Board held Tuesday afternoon dealt chiefly with the recent audit of the Board's financial records made by Areta Jones, a Certified Public Accountant from Pampa, and being published in this issue of the Donley County Leader.

At the previous meeting of the Board, Mr. Jeff Walker, High School Principal and a more recently purported member of the Board, was most insistent that another CPA be hired to audit the audit of the CPA (Areta Jones) hired by Wes Langham, Hospital Administrator and the Board. Walker stated that he would pay his share of the expense of such audit. It was pointed out at that time that State Licensed CPA's do not sign their names to audits unless all is in order, and in cases where discrepancies exist, this is so stated in their report. No such situation or statement existed and the audit was officially signed.

Another CPA, Mr. Stan West, was hired and on hand for the Tuesday meeting. Mr. Bright Newhouse, President of the Board, stated that the Executive Board composed of the President, Vice-President, and Secretary, ordered the second audit. O. C. Watson, Vice-President was hospitalized in Amarillo at the time after having had major surgery and did not make a statement. Mrs. Jane Bownds, Secretary, reported she was tired of accusations and endorsed the second audit as the only alternative to make clear once and for all, the official audit.

Mr. Stan West, CPA of Wichita Falls who was present for the meeting stated that it was highly irregular for one CPA to be asked to audit the records of any other CPA. He stated that he found nothing wrong in his opinion and that Mrs. Jones had done an excellent job. He said he audited several hospitals and that the local records corresponded quite closely to others audited.

He further stated that the records showed that Employees, namely the Administrator, had carried out his duties quite efficiently. He found construction figures quite in line and very adequate. His parting comment was that the people should unite and get the hospital into operation for it would be much less expense to the taxpayer who will be paying a big price for a closed institution if present conditions continue.

It is time for people of the community to step forward and put an end to dictation and coercion forced upon the majority by a minority.

It should be pointed out at this time that if CPA's and their work is in doubt, it is time for the citizens to demand a double-check audit for the City, County, Public Schools, College etc.

We have checked and found that CPA's are recognized and highly regarded by the Internal Revenue Service as well as their affiliation with state and national associations.

Bulldogs Win Five Of Last Six Games

by George Bourne
Starting the second half of the season, the Clarendon College Bulldogs have out scored and out rebounded six fine college teams in the area to place them with a present tally of nine wins and nine losses. In Conference play, the Bulldogs have three wins and four losses. Playing Frank-Phillips Painsman and winning could place the Bulldogs in the top four slot in the Western Junior College Athletic Conference. The public is cordially invited to attend this great ballgame on Thursday night and cheer this fine junior college basketball team into the W.J.C.A.C. Conference Play-Off. Tip-off time is 7:30 p.m.

BILL TO CHANGE LAW TO ELECT HOSPITAL BOARD TO COMMITTEE

In a phone conversation Wednesday morning with Senator Max Sherman, the Senator reported that a corrective bill had been referred to a legislative committee to set up the election of Hospital Board members instead of them being appointed by the County Commissioners court. He said the wording read that the board would divide into two parts with 3 members to run for the office this coming April to serve for a term and then the other four would run on alternate years. It was his hope that the bill could clear the senate and house in time for the local board to divide and candidates have ample time to announce for election the first Saturday in April of this year.

State And County Taxes Due January 31

The Tax Assessor-Collector reminds everyone that State and County Taxes will be considered delinquent after January 31, 1973. This means that after January 31 penalty and interest will be added to your taxes plus a \$1 State charge. The \$1 will go into the State treasury with the local agencies receiving no part of this amount. Plan to pay your State and County Taxes by January 31 or before and avoid these extra charges.

BAND BOOSTERS TO HOLD BAKE SALE SATURDAY

The Band Boosters are sponsoring a Bake Sale to be held Saturday, January 27, 1973. Sweet treats will be for sale at Tunnel's and Junior's Food Market beginning at 8 a.m. and continuing until the items are sold. There will be a nice selection of pies, cakes, Brownies, cup cakes, cookies and the usual. Proceeds from the sale will be used to help finance the Band's trip to the Canon City, Colorado Music Festival.

Bertha Beard Graham of Odesa and her sisters, Oleta Mankins and Berta Jackson of Albuquerque, N. M. visited friends here Thursday.

Rev. Billy Wilson Accepts Pampa Job

The District Superintendent of Northwest Texas Conference of the United Methodist Church, Rev. Dots of Pampa, filled the pulpit at the 11 a.m. service Sunday, January 22, at the Hedley United Methodist church and the announcement was made by Bro. Billy Wilson that he will be leaving the Hedley church to accept the pastorate of the Harrah Church at Pampa. We of the Hedley community regret the moving of Bro. Wilson and his family. Our church and our community are losing a wonderful christian family. But Pampa is gaining. Following services, a fellowship hour and dinner at 12 o'clock was enjoyed in Fellowship Hall. A pastoral, parish meeting was conducted by Rev. Dots and the committee which included Mesdames J. S. Hinds, Alfred Spalding, Earl Wheatley, and V. C. Waddell.

PETE LAND RECEIVES PAINFUL BURNS

Pete Land received painful burns to both hands and face during the severe cold weather. The burns were received when a butane stove exploded in the well house. Pete reports the burns are painful but that they are healing and appear to be improving satisfactorily at this time.

Donley Barrow Show Held Here January 18

The Donley County Barrow Show was held here Thursday of last week at the Fair Barns east of town. FFA members from both Clarendon and Hedley Schools and Donley 4-H Club members participated. Judge of the show was Bob Robinson, Assistant County Agent for Potter County.

Grand Champion of the show was exhibited by Clint Robinson with the Reserve Champion being shown by James Thomas. Danny Holland took the Showmanship award.

Results follow giving the champion exhibitor and placings in each breed in the order named. **Berkshire:** Champion, Bobby Kidd; Reserve, James Ellis. **Heavy Berkshire:** Bobby Kidd, James Ellis, Don Hillis, Jem Simmons, Velma Calloway. **Light Berkshire:** Joe Leathers, John Clifford, Ray Fichte, Jim Owens, Kenneth King, Roger Harris.

St. Sen. Max Sherman Named To Head Resource Committee

State Senator Max Sherman of Amarillo (District 31) was named Wednesday by Lt. Gov. Bill Hobby to head the Senate Natural Resources Committee. Hobby named chairman for all nine of the Senate standing committees. He said he feels the assignments provide equitable representation for all geographical areas of the state. "These appointments recognize the expertise of individual senators regardless of seniority," Hobby said. "However, the continuity of experience is an obvious asset, which is reflected in my assignments of senior senators."

"With substantive committee appointments, freshmen senators also will have a chance to make real contributions to the many complex problems confronting this 63rd Legislature." The newly adopted Senate rules call for the nine standing committees while during the last legislative sessions Senate standing committees numbered up to 27.

No Classes At Public School Thurs. Jan. 25

Superintendent Arling Cordell announced Wednesday morning that there would be no classes at the Clarendon Public School Thursday in observance of the National Day of Mourning for former President Lyndon B. Johnson.

Spring Enrollment Climbs At College

At the close of business Monday, January 22, the enrollment at Clarendon College was listed at 334 students and from all indications, the enrollment for the spring of 1973 will be more than the spring of 1972. February 1, 1972, reflected the total enrollment at Clarendon College to be 339 students. It is anticipated that by February 1, 1973, the total enrollment of CC should reach a figure of 350 students which will be 11 more students this year than were enrolled the previous year.

History Of Ashtola Community & Center

By Mrs. Van Knox

(Continued From Last Week)
Back in the thirties there were three stores in Ashtola, also a blacksmith shop. One store was operated by Mr. John Drennan, now deceased. Also the Post Office was in one of the stores and this store existed through the early forties. Several men

owned this store. At one time Mr. Ben Scroggins owned it, then later John White and the late Pete White, John's brother, owned the store. Others were Mr. and Mrs. Joe Bownds, Mr. and Mrs. D. L. Vaughn, Mr. and Mrs. Crawford, at which time it burned. Later Mr. Crawford and Mrs. Crawford built a small room for the postal business until Postal Authorities closed it.

Ashtola is surrounded with

ranches. South is the J. A. Ranch, also the Jordan Ranch; Southwest is the Shelton Ranch; Northwest is the S. J. Ranch where Mr. and Mrs. Leland Lewis now live. Old timers will remember the Millard Woods who lived there. Mr. Word is now deceased and his wife lives in Amarillo. The ranch home place is one of the most beautiful homes in the community.

There are approximately 22,061 acres of farm land in this area, about 150 or 160 at this time, 1958. At that time there were only a few irrigation wells. The first one was on the Cap Morris place; the second well was on the Knox place. Also that same year, Kermit Evans put down a well. Now in 1972 there are wells all over the community.

The community has one of the few Galloway herds in Texas in its midst; the owner is Mr. H. A. Green. A race track and a stable of six race horses at that time, 1960 or later, was established by Mrs. Vera Lewis.

A large part of the T. L. Ranch is in the Ashtola district. The late Mr. T. L. Roach and son, T. L., Jr. constructed several dams across streams on their land creating several beautiful lakes. The Salt Fork of Red River lies just north of Ashtola about four miles.

In the early thirties the community enjoyed a Home Demonstration Agent who gave demonstrations on many things such as canning, sewing, preserving all fruits, canning of vegetables, meats. The Ashtola Demonstration Club was well attended at almost all meetings which were held once a month. There was

a large membership but the State sponsors from College Station as well as Donley County decided they could no longer sponsor the Home Demonstration work so the agent was dismissed and the club folded after a few months so there was nothing for several months.

In these early thirties some of the women began to discuss the possibility of organizing another club. Mrs. Muffett Merrell, Mrs. Eva Brown, and myself (Mrs. Van Knox) went calling on every woman in the community and on ranches and called for a meeting of all who could possibly come. Our first meeting was in the section house with Mrs. Lucille Ledford with twenty-one ladies present. Mrs. W. A. Poovey was elected President; Mrs. Merrell was elected Secretary; and Mrs. Cula McClellan elected Treasurer. We called the club Ashtola Needle Club. Only four Charter members are living at this time, 1973. They are Mrs. Muffett Merrell of Kansas City, Missouri, Mrs. Eva Brown of Greeley, Colorado, Mrs. Mary Myers of Amarillo, Texas, and myself (Mrs. Lillie Knox) of Clarendon.

But the Ashtola Club lives on and is a very busy club today, though only the faithful remain and are striving to keep the club going and I know they will succeed. They are hard working women who have worked for a long time. Only a few members have come into the club the last several years, but so many have moved away or passed on to that home not made with hands. So many tears, so many heartbreaks, so many happy days to remember too. We are thankful for those days and happy hours

spent together, working together, and sharing memories so many will always remember.

After the high school children were moved in to Clarendon schools, the Ashtola School didn't qualify for government aid as the number of pupils had decreased below the standard number of pupils allowed for Government Aid; therefore, the room that had been the kitchen was not in use, so the trustees gave their permission for the club to use it for a club room. This made it so much more convenient for all members. We had a number of members from both Goodnight and Clarendon in the latter years and they were very welcome and always ready to help. We quilted a lot those days. We quilted for one another as well as for needy folks. We quilted fourteen quilts for Boys Ranch, four for the Orphans Home in Amarillo, and Girls Town at White Face received four quilts from Ashtola. Several were also quilted for Girls Ranch near Borger. We

quilted quilts for the T. A. Nelsons who lost their household things due to a fire burning the house down. We gave them a shower. We gave many showers for weddings as well as for the less fortunate than others.

The Methodist Church members there in the Ashtola Community worked with the Baptist Church as well as a few other faiths but we all worked together. After the children had been moved in to the Clarendon schools there just wasn't much to interest them in the community so both Churches moved their membership in to their respective Churches also. This helped to remove some of the interest we had in our club work. Then we began to hear about Community Progress for better homes, on better farms, in better communities. This Texas Improvement Program was sponsored by ten electric companies of Texas and conducted by the Texas Agricultural Extension Service.

IRS Announces Four January Tax Deadlines

Four important tax deadlines face taxpayers and employers in Texas during January, W. T. Coppinger, District Director of Internal Revenue Service for North Texas, said today.

Employers are reminded that the deadline to give employees their 1972 W-2 forms is Wednesday, Jan. 31, 1973. The form should show earnings, income tax withheld and Social Security information. Jan. 31 is also the deadline for reporting Social Security and withheld income taxes for the calendar quarter ended December 31, 1972. If employers make timely deposits of the full amount of the tax due, ten additional days are allowed to file the return. The Director said that employers who received a pre-addressed Form 941, "Employer's Quarterly Federal Tax Return," should use this form to report their tax liability. Other

employers can obtain blank copies from their local IRS office.

The last day of January is also the last day to report and pay any balance of Federal Unemployment Tax not over \$100.00 for 1972, using Form 940. If the balance of tax due is over \$100.00, the employer must make a deposit with FTD Form 508. If the full amount of the tax is deposited on time, employers may then file the return no later than February 10, 1973.

Texas farmers and fishermen who did not file a declaration of estimated Federal individual income tax by January 15 may have a tax deadline of March 1, 1973. Mr. Coppinger said that if at least two thirds of the gross income was earned from farming or fishing, and no estimate was filed by January 15, 1973, these taxpayers must file their 1972 Federal income tax return and pay any tax due by Thursday, March 1, 1973, to avoid penalty for underpayment of estimated tax.

The Basketball teams went against Memphis last Tuesday night and they really played a good ballgame. We didn't win but sometimes winning is not the most important part of the game. They played hard and did a great job. Friday night we met Claude and the boys came out victorious. It was an exciting game and C.H.S. is really proud of that victory. Keep it up, gang!

"The Year We Went To State" was the theme for the 1972 Clarendon High School Football Banquet. All the boys, their Dads and Mothers, and their special guests were on hand for this special occasion. A very good meal was enjoyed by everyone. The guest speaker was Gene Mayfield. The boys were given a small trophy with "State Finalist" written on it. Each Senior boy received a scrap book of all the games that were played. This football year and this banquet will be remembered for many years to come.

Our hats are always off to them on this score . . . Very little snow is allowed to stay on and melt on the pavement and its edges . . . Often we fail to realize how much this saves in repair and of course in our tax dollar. The moisture that soaks under the edges of the pavement does untold dam-

age to our good roads. Our hats off to the state employees, and also the cities for working in the cold to save us cold cash.
Thanks

The other day one of my neighbors was on the puny list . . . His head was under h's wing, so to speak . . . We thought we would cheer him up and remarked: Oh, you will be all straightened out in a day or two." This made the situation worse as he took us literally and thought he might be straightened out DEAD. It is so easy to say the wrong thing.

Hedley News

Mrs. Mabel Bridges

Charley Johnson's Conoco Service Station suffered heavy damage when the truck was unloading gas. The fumes were ignited from a heater in a nearby restroom. Due to the quick thinking of Charley, who pulled the hose out of the underground tank and put the top on the tank, the damage was less; however, the gas truck was very hot but Johnson jumped in and drove it away before it caught fire. He received some painful burns on his leg and foot. Extensive damage was done to the station.

Mr. and Mrs. Lon Harmon have moved to the home they bought in east Hedley. Mr. Harmon is Hedley's new deputy. Welcome to Hedley.

Veteran News

GI Bill enrollments during November 1972 topped the previous November by 95,000 continuing their climb toward a predicted two million trainees during the current fiscal year.

Jack Coker, Waco Veterans Administration Regional Office Director, noted nearly 1.3 million veterans and servicemen used the agency's training programs Jan. 8 percent increase over November a year ago, and 31 percent more than November 1970.

November enrollment included nearly 760,000 trainees at the college level; 415,000 enrolled below college level; and about 101,000 pursuing on-job training, Coker said.

"Nearly 1.9 million trainees used GI Bill benefits during fiscal year 1972," he pointed out.

"This is about 18 percent more

than fiscal year 1971, and 54 percent more than fiscal year 1970."

Education officials feel increased GI Bill allowances authorized in October 1972 under Public Law 92-540 make it easier for veterans and servicemen to enter and remain in training. This also applies to wives, widows and children of veterans for whom the law broadened training opportunities under the agency's Dependents' Education Assistance program.

Eligible persons interested in education benefits were urged to contact any VA office, veterans county service officer, or representatives of local veterans service organizations.

Veterans Administration spinal cord injury treatment centers have been increased from 10 to 14, since 1969 and by summer of 1974 will be expanded to 18.

Tyler - Simmons Vows Exchanged Recently

Miss Gail Denise Tyler of Quitaque, Texas, a student at Wayland Baptist College, Plainview, Texas, became the bride of Stanley Elbert Simmons, minister of the United Methodist Church of Quitaque, in a double ring ceremony solemnized at the church Thursday evening, December 28, 1972. Dr. Roy McClung of Wayland College, Plainview, and a long-time friend of the bride's father, officiated.

The bride is the daughter of Mr. and Mrs. Grady Tyler of Quitaque and the granddaughter of the late Mrs. Ermine Blair and Mrs. Lillie Tyler, both of Clarendon, Texas. Parents of the groom are Mr. and Mrs. Elbert E. Simmons of Nolan, Texas.

Donald Ramsey of Plainview, organist, presented nuptial music and accompanied Mrs. O. R. Stark, Jr. who sang "It Seems I've Always Loved You," "The Wedding Song," and as the couple knelt at the altar, "The Lord's Prayer."

Vows were exchanged before an arch formed by 15 candelabra with red candles, pink gladioli daisy

palms and red carnations flanked by a pair of seven candelabra. Placed in front of the candelabra was the altar table covered in white. A red velvet covered stand held an open white Bible as the center of worship completed by a white satin kneeling bench. Baskets of gladioli and pink daisy mums completed the altar decor. Red votive candles lighted each window in the church. Rebecca Ussery of Nolan and Jon David Davidson of Quitaque lighted the tapers.

The bride, given in marriage by her father, wore a formal gown of white satrapeau and imported Peau d'Ange Chantilly lace designed along Empire lines and featuring scalloped lace overlaying the bodice with sheer yoke and high lace-ring collar and extending the length of the skirt in two vertical garlands. The long, full, lace sleeves were gathered onto wide fitted cuffs, and lace trimmed the chapel train which was attached at the back waistline. Her brief tiered veil of illusion fell from a lace Juliet hat accented by seed pearls and she carried a bouquet of white palms centered with three Phalaenopsis orchids atop a Bible belonging to her late maternal grandmother, Mrs. Er-

Mrs. Stanley E. Simmons—nee, Miss Gail Denise Tyler

mine Blair. The Bible was covered with a handmade lace cover made by the groom's mother. As a special part of the ceremony the bride and groom light-

ed three candles, two red centered with one white. The lighting of the red candles signified the love of the bride and groom for each other, and together they lit the white candle signifying God's love for everyone.

The bride observed all of the traditions, wearing a blue garter worn by her mother at her wedding, a borrowed sapphire belonging to the groom's grandmother, Mrs. N. M. Ussery, and placed pennies in her shoes signifying the birthdates of the bride and groom. She also wore a horseshoe and heart charm borrowed from the watchchain of her grandfather, Harry Blair. Her earrings belonged to her paternal grandmother, Mrs. Lillie Tyler, and she wore a heart necklace given her by the groom.

Miss Anna Jean Taylor of Quitaque was maid of honor. Bridesmaids were Miss Vanessa Robinson of Quitaque, and Mrs. Jolene Hall Bittell of Arlington, Texas. Their gowns of red velvet were floor-length and designed along Empire lines with long sleeves accented by pink velvet trim and red heart appliques. Juliet caps held their shoulder-length veils of red silk illusion. Each carried a white Bible presented them by the bride, topped with pink daisy palms and red roses.

Flower girls were Nadine Rice and Mary Jane (Candy) Jones, both of Quitaque. They wore dresses corresponding to those worn by honor attendants and carried baskets of pink and red daisy palms.

Johnny Ussery, Jr. of Nolan attended his cousin as best man. Larry Tyler, brother of the bride, and Jarrell Rice of Quitaque served as groomsmen. Ushers

were Jimmy Don Davidson of Quitaque, Gary Rotan of Sweetwater, and Jimmy Davidson of Quitaque.

For her daughter's wedding, Mrs. Tyler chose a blue ensemble with grey accessories. The groom's mother wore orchid with beige accessories. Each wore a corsage of red roses.

Following the ceremony a reception was held in Fellowship Hall of the Methodist Church. The bride's table was laid with a satin cloth and silver and crystal appointments. The three-tiered cake was topped with a pair of white doves and a silver Christian cross. Red punch, nuts and mints were served with the cake. The groom's table was laid with a red cloth with pink trim and a silver coffee service. The traditional chocolate cake was served.

Miss Gay Simmons of Nolan, sister of the bridegroom, and Miss Melissa Estes of Clarendon served at the bride's table. At the groom's table were Miss Janet Foster of Abilene, and Miss Debbie Farley of Quitaque. Miss Cheryl Merrell registered the guests at a table accented by a white Bible on a gold easel.

As a traveling costume the bride chose a crushed velvet three-piece burgundy suit with pink blouse and the corsage of orchids lifted from her bridal bouquet.

After a short wedding trip the couple will be at home in Quitaque. Mr. Simmons graduated from Quitaque High School in 1972 and is now attending Wayland Baptist College in Plainview.

Mr. Simmons graduated from Divide High School in 1966 and received his bachelor of arts

Miss Becky Hudson, left, was awarded the annual Beta Sigma Phi Scholarship this year. Miss Hudson is a freshman student at Clarendon College and was chosen because she is a deserving young lady working hard to achieve her academic goals. degree from McMurry College, Abilene, in 1970. He has completed a year and a half on his master of divinity degree. He is now minister of Quitaque-Ft. Worth Methodist Church.

Beta Sigma Phi Plans Charity Ball Feb. 10

Mu Gamma Chapter of Beta Sigma Phi will hold its sixth annual Charity Ball February 10, 1973 at the Electric Theatre from 8 to 12 p.m.

Tickets are now on sale at \$2.50 per person and may be bought from any member. If not purchased in advance, tickets will be \$3.00 per person at the door.

Mrs. Howard of Amarillo who has played for so many of these Charity Balls will be unable to be present. In her place will be a live band from Hereford. Mrs. Howard's daughter is a member of this band and the band was asked upon Mrs. Howard's recommendation. Quoting a sorority member, "We hope this band will please everyone. They are noted for playing the same type music as that presented by Mrs. Howard."

Benefits from the Ball will go to help the Human Development Center, Park Improvement, and the Summer Recreation Center.

Everyone is invited to attend and join in the fun while at the same time contributing to community improvement.

Beta Sigma Phi Meets In Mooring Home

The 360th meeting of Mu Gamma Chapter of Beta Sigma Phi was held in the home of Nova Mooring January 22, 1973. Sandra Mooring was co-hostess. Pledge training was held before the regular meeting.

Sandra Mooring, president, called the meeting to order and meeting was opened with the Opening Ritual. Members voted on the 1973 Queen of Hearts. The name will be revealed the night of the Charity Ball.

During the business session, Sandra Mooring read a Thank You card from Peggy Day expressing her appreciation for the card and book of poems. The Chapter voted to help the Human Development Center, Park Improvement, and Summer Recreation program with funds from the Charity Ball. Motion was made and carried that all bills be paid.

The program was presented by Norma Selvidge titled "Voice and Vocabulary." Several interesting points were discussed. Mistakes in speech of two words were pointed out and group discussion followed.

Bonnie Ellerbrook received the Door Prize.

The Closing Ritual was repeated in unison and all joined

hands for the Misspelled Benediction.

Present were Barbara Cosper, Peggy Day, Genella Eads, Bonnie Ellerbrook, Gloria Gage, Alberta Garland, Frankie Henson, Susan Henson, Francis Johnson, Helen Johnson, Debra Martin, Nova Mooring, Sandra Mooring, Kathy Pigg, Mary Neal Risley, Norma Selvidge, Cherry Shadle, Bonnie Spier, Darlene Spier, Betty Veach, and Beth Walker. H. D. Club Meets In Mae Wilkerson Home

Mae Wilkerson entertained the Home Demonstration Club in her home Friday afternoon, January 19. Meeting was called to order by the president, Mrs. J. H. Helton, minutes were read roll called and the Penny Parade held.

After the business session games of 42 and dominoes were played.

Refreshments of coffee or tea and cake were served by Mrs. Wilkerson to two guests: Della Allen and Lena Mae Graham, and to members Mesdames Blanche Higgins, Oma Brock, Edna Hudson, and Bessie Helton, Rep.

John Quincy Adams declined nomination to the Supreme Court in 1811 before becoming the country's sixth President in 1825.

CHS Football Banquet Sat., Jan. 20, 1973

The annual Broncho Football Banquet honoring the Clarendon Bronchos, their coaches, fathers, and special guests was held Saturday night, January 20, 1973 at the High School Cafeteria. The Broncho Mothers sponsor the event each year.

The banquet hall was decorated in the school colors of maroon and white. "The Year We Went To State" was the theme accentuated by the outline of the state of Texas at the head table. A football placed on the outline indicated the location of Clarendon and miniature footballs and helmets surrounded the centerpiece from which maroon and white streamers with the words "State Finalist" were extended. Old football shoes painted maroon and filled with ivy and old helmets decorated the other tables.

The head table was backed by miniature players, (replicas of the varsity squad), two officials and the cheerleaders placed on the wall. The remaining long wall was marked by silhouettes of the senior boys on the squad. Table favors were miniature trophies. Place cards were maroon lettered in white; programs were white lettered in maroon, and to the center of the room was

a display of the trophies won by the Bronchos this year.

E. Wayne Barbee, Master of Ceremonies, called on Mike Leeper for the Invocation. Danny Holland welcomed those present and E. H. Monroe responded to the welcome. Steve Carter had the pleasure of introducing the Cheerleaders and the Football Queen and her attendants.

Speaker for the evening was Gene Mayfield, Coach of the West Texas State University Buffaloes, Canyon, Texas. Mr. Mayfield, a native of Quitaque, was an outstanding player for the Buffaloes during his college days and was a successful coach at Odessa before becoming Head Coach at West Texas.

Coach Noonkester's only comment was that each time he turned around somebody was handing him another gold football.

Some 145 Bronchos, fathers, and special guests were present.

Bulldogs' Bite As Loud As Their Bark

Returning from the Christmas Holidays, the "Mean Green Pack" of Clarendon College competed in the Murray State Tournaments at Tishomingo, Okla. defeating two major teams to earn a berth in the championship playoff being defeated by one point in the last two seconds of the game. With their ears knocked down, the Bulldogs knashed their teeth and decided to fight to the finish. Challenging the Trinidad Junior College, Trinidad, Colo., on January 18th at Trinidad, they came home with a win of 67-55. Joe Pride played fourteen minutes of the game and scored sixteen points and had 16 rebounds. Friday night, January 19th, New Mexico Junior College visited the Bulldog Den and returned to Hobbs defeated by a score of 71-66. Pride again scored 31 points and 33 rebounds for the top slot.

January 22, the Bulldogs visited Amarillo to play the Amarillo Badgers in Badger Gym. The Bulldogs defeated the Badgers by a score of 71-64. Jake Rogans was high point man with 24 points and four rebounds. Joe Pride hit for 23 points and 25 rebounds, and Herman Brown tallied 20 points and 11 rebounds. Thursday night, January 25th at 7:30 p.m., the Bulldogs will be on their home court at Clarendon College. The Bulldogs take on the Frank - Phillips Plainsman from Borger. This game should be one of the highlights of the season with a "run and shoot" ballgame and a high scoring game. Game time 7:30 p.m.

Bulldog Pride Leads League In Rebounds

Clarendon College and Coach Jack Hedden are most pleased to announce that Joe Pride of the Clarendon College Bulldogs leads the Western Junior College Athletic Conference in rebounds with an average of 24 grabs per game. He is fourth in scoring with an average of 21.5 points per game in all play. Not to be overlooked on the Bulldogs Squad is Herman Brown constantly pushing upward and presently posting 19.9 points and 12.9 rebounds per game in season play. In the near future a complete run-down on the results of action will be published on all members of the Bulldogs.

Coach Byerly reports improvement as the season progresses. Plan to follow these teams and give them your full support.

FTA News From CHS

The Future Teachers of America are hard at work raising money for their trip to the State Convention in San Antonio coming up soon.

Money for this trip is being raised by selling candy and by dues paid by each member.

Members eligible to go will have the most points earned. These points are earned by answering roll call at meetings, serving on committees, serving as teacher's aides, grades, amount of candy sold and serving as an officer. We are looking forward to a good meeting again this year.

Cotton Classing News From USDA Office

Cotton harvest will resume on a limited scale this weekend over the Memphis, Texas area if clear skies and good ground drying conditions continue, said W. E. Cain, in charge of the USDA, AMS, Cotton Classing Office in Memphis, Texas. "Farmers welcomed the good drying weather this past week as about 30 percent of this crop is yet to be harvested," said Cain. The Memphis, Texas Cotton Classing Office graded 5,000 sam-

ples this week to bring the season total to 136,300. This compares to 102,750 on the same date a year ago. The predominant grade classed this week was Strict Low Middling Light Spotted (42) with 12 percent. The predominant staple classed this week was 32 with 64 percent followed by staple 33 with 32 percent.

Micronaire, or fineness and maturity, readings showed 76 percent milled in the desirable range of 3.5 to 4.9. The 3.3 to 3.4 range accounted for 12 percent and the 3.0 to 3.2 range accounted for 8 percent.

Pressley, or strength, tests showed 88 percent of the samples tested 75,000 psi or higher. The average for the week was 80,000 psi.

The cotton market continued active and prices about steady compared to last week. Some average prices on the most active qualities traded were: Strict Low Middling (41), 32 staple, 27.50 to 28.00 cents per pound; and Strict Low Middling Spotted (42), 32 staple, 26.00 to 27.00. This was for cotton milled 3.5 to 4.9. The average price paid farmers for cottonseed at the gin was \$52.00 per ton.

OFFICIAL WEATHER REPORT FOR MONTH

Tommye Saye, Official Weather Observer here, reports a total of .70 inch of moisture for the month thus far, indicating that the snowfall received was dryer than usual.

The lowest temperature was recorded the mornings of January 11th and 12th when 4 degrees was registered. The low-high was 15 degrees recorded January 10th. The high thus far this month has been 66 degrees recorded January 18th. We are all hoping for continued warmer days and dry weather to allow harvesting operations to be completed.

TYPEWRITERS & ADDERS AT THE LEADER

On March 4, 1970, the voters of Donley County authorized the creation of Donley County Hospital District providing for the levy of a tax not to exceed 75 cents on each \$100 valuation. The voters also approved a proposition authorizing the issue of the obligation bonds up to \$ 590,000.

Tax rate of 65 cents per \$100 valuation was set for the fiscal years ending June 30, 1972 and June 30, 1973.

The Hospital District contracted with Clarendon Independent School District to collect the Hospital District Taxes. The annual fee for tax collections for the fiscal years ending June 30, 1972 and June 30, 1973 is \$ 4,200.00.

Upon creation of the Hospital District all the operations of the City-County Hospital Adair Hospital, passed to the Hospital District. According to the Senate Bill 525, which created the Hospital District, all assets and liabilities were to be assumed by the Hospital District. Liabilities were discharged in due order. Adair Hospital discharged its last patient on June 29, 1970 and ceased operations.

Donley County Medical Center was built and furnished from the proceeds of the sale of Bonds, \$ 590,000. At June 30, 1972, the Nursing Home of Donley County Medical Center was in operation with five resident patients. The Hospital and Clinic of the Medical Center were subsequently opened for patient care in July with the coming of Dr. Patrick Dolan. Dr. Dolan has since terminated his association with Donley County Hospital District and the Hospital and Clinic are not operating at the date of this report.

Negotiations are in progress toward the securing of one or more practicing physicians. The reopening of the Hospital and Clinic is contingent upon the securing of a physician.

NOTE 2: At June 30, 1972, there was still a claim with the Medicaid Program outstanding for the Adair Hospital, fiscal year ending September 30, 1969 in the amount of \$667.04.

NOTE 3: Physical Properties for Donley County Medical Center are entered in the books of accounts and are shown hereon at cost. Depreciation is computed on straight line basis as follows:

Building	\$ 518,658.12	40 years
Paving	21,217.00	15 Years
Major Movable Equip.	99,552.67	10 Years
Automobile	3,250.00	5 Years

For the period ending June 30, 1972, Depreciation was computed for time the assets were in service.

NOTE 4: The City of Clarendon and Donley County Texas began operation of Adair Hospital in October, 1956 and were granted the deed to certain real and personal property by the Adair Hospital Corporation on November 20, 1956. The terms set forth in the conveyance of these properties stipulated in part that:

The conveyance was made for the sole and only purpose of the operation of the hospital jointly by the City of Clarendon and the County of Donley.

Whenever such property ceases to be used as a hospital for more than twelve consecutive months the properties conveyed shall revert to the grantor, Adair Hospital Corporation or its successors or assigns.

Senate Bill 525 relating to the creation, administration, powers, duties and financing of the Donley County Hospital District stipulates in part:

Any lands, buildings or equipment that may be owned by Donley County or any city or town in Donley County, by which medical services or hospital care are furnished to needy persons of the county, shall become the property of the hospital district; and title thereto shall vest in the hospital district.
