Citizenship Skill Award: Terry Putman.

Paul Hermesmeyer and Donnie Garman both received their Assistant Senior Patrol Leader Patches.

Special recognition certificates were presented to the following adults for their help and support of the local Scout Troop: Claude Thomas, Earl Ford, Charles Blackburn and Homer Hardin.

We truly appreciate their efforts, Scoutmaster Saye stated.

He pointed out further that he believed that we had one of the best Scouting Programs here to be found anywhere. Our boys work their hearts out to achieve and advance; our adult assistants put forth the effort that helps these young boys and young men grow with honor.

A drive is underway to secure more Scout members. If you want your boy or boys in good hands and wonderful environment, encourage them to talk with Mr. Saye and be a Boy Scout soon.

## Bronchos To Open Season Against Childress There Friday Nite 8 p.m.

The Clarendon Bronchos will open the 1973 Football season Friday night against the Childress Bobcats there at 8 p.m.

Coach Clyde Noonkester reports the Bobcats big, rough and experienced but believes that the Bronchos will be able to make a good account of themselves and should give the Cats a good run for their money Friday night.

We believe we have put together a team that will make any opponent quite aware that we are in the game from start to finish, he added. We may still be a bit weak in filling some positions but experience will be the best teacher and we believe the outcome of this contest will depend a lot on the experience some of these boys have picked up in the last two scrimmage games. He concluded.

Depending on whether the Bronchos will start offensively or defensively, Coach Noonkester's probable starting lineup will be as follows:

Randy Croslin at quarterback, others in the backfield, Gary Shields, Jerry Holland, Kenneth King and Johnny Gerner; ends, Kenneth Reese, Stan Shelton, Scot Hamilton; Rodney Hicks and Jimmy Floyd as guards; Danny Monroe and Wayne Hardin as tackles and Scott Martin at center.

Get out your traveling clothes and go along with the Bronchos Friday night and give them a first class boost from the very beginning.

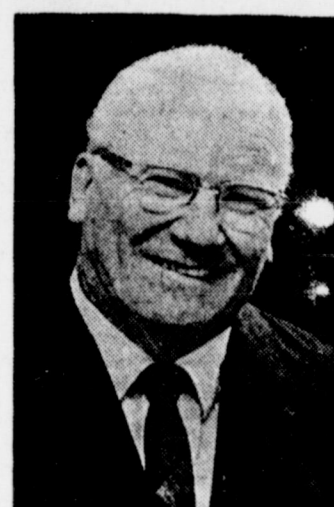

## Co. Attorney Slavin Resigns As Of Oct. 1

Clyde Slavin, County Attorney for Donley County, issued the following statement to the Leader Office this week. It is with regret that we submit his statement to the residents of Donley County. He has carried on the duties of his office with dignity and responsibility and served this County well.

His resignation as County Attorney for Donley County, as of October 1, 1973, has been delivered to the Commissioners Court. My reasons for resigning are personal and my thanks are hereby extended to all officials, officers, Highway patrolmen and all other citizens of Donley County for the cooperation that I have been given.

## United Methodist Announce Special Services Sept. 9-12

Rev. Weldon Rives, pastor of the United Methodist Church has announced special services, "Four Days And Nights For God" September 9-12. Dr. Ray Neill Johnson and Mrs. Johnson will be working in these services.

Dr. Johnson will be present for the Sunday services at 10:50 a.m. and 7 p.m. September 9 and Monday through Wednesday September 10-12 at 6:45 a.m. and 7:30 p.m. Ladies will hear Mrs. Ray Neill (Irene) Johnson Monday through Wednesday, September 10-12, at 9:30 a.m.

Dr. Johnson is a native Texan, born and reared in Mineral Wells, Texas. He has attended Asbury College, McMurry College, Perkins School of Theology, and has held pastorates at San Antonio, Brownsville, San Angelo, Dallas, Vernon, Abilene, Levelland, and Lubbock. He served as a Chaplain in the U. S. Army during World War II and has worked in the field of Evangelism for 9 years. He is presently semi-retired and is continuing evangelistic work.

Mrs. Johnson is a native of Alabama and is a graduate of Asbury College. She characterizes herself as mainly a housewife and mother and helper to her husband. She has worked in all facets of church work particularly that of the women. She has held District and Conference offices in Spiritual Life and has directed Retreats and Days Apart.

We are most fortunate to have this couple for these services. An invitation is extended to all to attend.

## Sheriff Lindsey Wins Foot Race With Jail Escapee Wed.

James Henderson, colored male, was picked up here at 11:30 a.m. Wednesday by Police Chief Gary Gerdes on investigation of a stolen auto from Amarillo. He was lodged in the county jail at 12:20.

After checking the stolen auto west of town and upon returning to town, Chief Gerdes recognized the same person standing by the side of the former Bartlett Motor Co. building. He and Sheriff Frank Lindsey took off on foot after the escapee. Lindsey said he chased the man thru Osburn Furniture and up thru the City Park to the Pat Chilton home where he was apprehended and returned to the security cell in the jail.

Our County Jail is so flimsy that the suspect removed the steel grill and kicked out some old brick in a north window and escaped in a little bit over an hours time. Sheriff Lindsey said he was ready for the Amarillo officers to come and pick up the suspect before another foot race ensued.

Mr. and Mrs. Herschel Heath visited in Amarillo Tuesday afternoon.

## College Classes Begin Wednesday With Enrollment Remaining Stable

### Local Group Works For MD Telethon Sun.

A group of enthusiastic young people volunteered their time and efforts toward the Muscular Dystrophy Telethon, and working through the local Cable TV added about \$280. Combined with other totals from Clarendon the amount raised in Donley County was around \$500. Mrs. Arlis Mooring supplied the group with receipts, cards and other supplies from the Muscular Dystrophy Foundation.

Programming started over the local Cable TV at 1 p.m. Sunday and continued through 12 o'clock Sunday night.

Workers included Mary Nell McGarity, Jack Bell, Ralph McGarity, Tammy Blackburn, Donna Stevens, Kevin Cates, Patti Page, Claudette Alexander, Steven Bell, and Robert Bell. Several others came in and helped out with spot breaks to relieve others from the long hours on the air and answering calls.

We would like to congratulate these young people and express to them our appreciation for their interest and efforts in this worthy cause.

### SCHOOL CAFETERIA MENU

MONDAY — Oven Fried Steak with Gravy, Creamed Potatoes, Seasoned Green Beans, Hot Rolls, Butter, Apple Jelly, Milk.

TUESDAY—Pizza with Cheese, Buttered Corn, Tossed Green Salad, Mixed Fruit, Milk.

WEDNESDAY — Pinto Beans, Cabbage Slaw, Tater-Tots, Cornbread, Cookie, Milk.

THURSDAY — Meat Loaf, English Peas, Buttered Rice, Batter Bread, Stewed Appricots, Milk.

FRIDAY — Sloopy Joe on Bun, Lettuce and Tomatoes, French Fries, Peach Pie, Milk.

From all indications, enrollment at Clarendon College is expected to hold its own with a total close to that of last fall which was around the 400 mark. Most colleges in the area have noted quite a decrease but with night classes still being formulated etc. the total enrollment should be quite stable.

"Numerous new courses have been added this year to attract students in all categories and we feel that the students who have already enrolled are good, solid students who have chosen Clarendon College for the best benefits in their schooling career," stated President Kenneth D. Vaughan.

"We are looking forward to a very productive and successful year in every category and we will be extending every encouragement for the expansion of our institution for the benefit of those students who have chosen Clarendon College for advanced studies," he added.

"In a sense, we are still young in the educational field in some ways but we feel that we have advanced considerably within the past few years and are really building an institution for which we and future students can be proud, Vaughan concluded.

## CHS Band Council Organized Aug. 30

The CHS Band Council was organized at Clarendon High School Thursday, August 30, 1973. The purpose of the Council is to meet with the Band Boosters and coordinate the efforts of the two groups.

Farrell McAfee was elected President. Serving with him will be the Senior Representative, Jerry Holland; Junior Representative, Calvin Burrow; Sophomore Representative, Ralph McGarity; and Freshman Representative, Mary McGarity. Band Director is Garry Bowen.

These young people really put in the long hours and sweat in helping raise funds for the Jerry Lewis Muscular Dystrophy drive over the week end. Everyone is invited to shop the bargains at this sale, stated Nancy Shelton. Proceeds go to the Broncho Mothers to help defray football banquet expenses.

### N. MEX. VACATION

Mr. and Mrs. Durwood Ray and Mr. and Mrs. James McAnear vacationed in New Mexico over the Labor Day week end.

### "BRAD" BRADSHAW AT HOME AS OF TUESDAY

Friends will be glad to know that G. W. "Brad" Bradshaw was able to return home Tuesday. Brad has had a long seige with surgery and complications and it is good to know that he is back home. His first day at home found him somewhat tired by the end of the day. Though he is not yet able to be back on the job, he is improving each day and hopefully will be back soon.

Mr. and Mrs. Dale Hill spent a few days with their daughter, Mr. and Mrs. Johnny Preston and children at Big Spring last week.

**FABRICS**  
 There is something new under the sun — flame resistant fabrics in the sleepwear of small children and in mattress pads currently being manufactured meet the required standard. All such items manufactured after June 21 of this year must either meet the standard or be prominently labeled (with a 40 square inch label) to show that they do not pass the flammability test. This labeling provision is available for a period of not more than six months and is designed to permit plans to complete arrangements for testing facilities.

Arriving at garment standards, as well as procedures for testing various materials, has been a log struggle — one which has taken the cooperation and efforts of fabric manufacturers, clothing manufacturers and government agencies. Rules and testing procedures to cover all types of fabrics going into children's sleepwear were tried over and over again to produce the most effective ones.

Industry and the government have been aware of deaths and injuries caused by fabrics ignition, and new regulation, in effect, are preventive medicine for those most likely to be the victims of burns.

The sleepwear standards are included in the Texas Hazardous Substances Law. In Texas the State Health Department's Bedding and Product Safety Division is charged with enforcement of flammability standards.

The annual toll of fabric ignition fires in this country, says the Department of Health, Education and Welfare, is between 3,000 and 5,000 deaths, along with 150,000 to 250,000 injuries. Directly - related financial losses exceed a quarter-billion dollars.

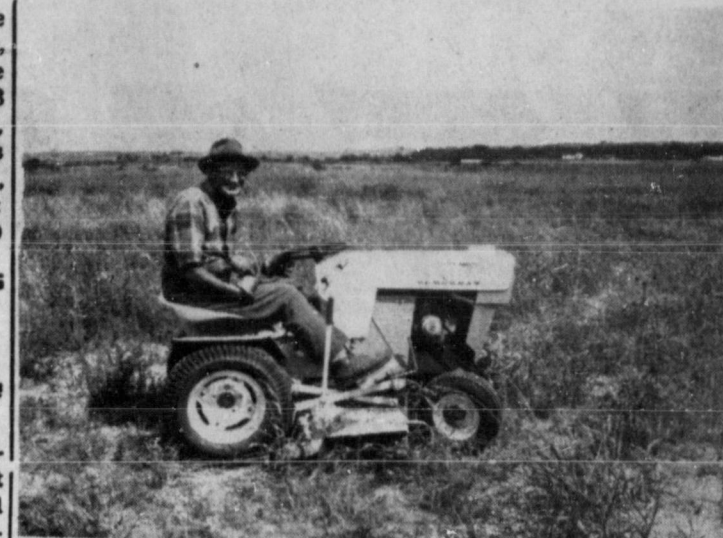

Incident after incident in Texas pointed to the need for flame resistant fabrics — not only in clothing for children but for adults as well. In clothing, it is the quick - ignition fabric which causes the greatest human loss. Usually you'll find this soft, highly-flammable material in children's clothing as well as in nightgowns and robes worn by adults.

Tests have shown that flimsy, night apparel burns faster, for instance than the body-fitting knit garments when worn. Thus, the sleepwear may become more of a torch than regular clothing when ignited. And, in many cases, trim on the garments led to quicker ignition than similar garments without trim. In tests, it made a difference whether a garment was tested on a mannequin or a clothes hanger, which varies the amount of oxygen circulating freely around the fabric.

Now that manufacturers must produce flame resistant garments in smaller sleepwear, what comes next?

"Larger sizes in sleepwear," says Harold R. Ray, director of the Health Department's Bedding and Product Safety Division A year from now, he says, sleepwear in sizes 7 through 14 must be of flame resistant fabric when manufactured. The federal Consumer Product Safety Commission sets compliance dates for manufacturers.

Ray says some of the clothing on the market now will be carry-over items which aren't flame resistant. "These may take a few months to cycle out, but they won't have a label stating they don't comply if manufactured in the past 12 months," said Ray. **ADD ACCENT ON HEALTH**  
 How can a person determine

Andy Robertson donated his time Tuesday and John Jones furnished the mower for mowing and dressing up the area around the Medical Center. It's good to have people like this in our community. Staff Photo

if fabrics are flame resistant? Ray says manufacturers may be able to tell by touch, but that the average person can't. "There may be less frills, but you won't be able to tell by the looks," said Ray. He suggests that you look at the packaging and labeling since some items already have labels stating they are of flame resistant materials. If still unsure, ask the clerk, he says.

In synthetics, flame resistant qualities are built into the fibers. In cotton garments, the fabric may have been treated. In addition, the weave of the fabric along with hemming, stitching and trim affect flammability. Loosely-knit garments, for instance, go up in flames faster.

Burn studies done in Texas and elsewhere attest to the severity of burns when clothing is ignited. Flammable clothing was involved in 61 percent of the patients treated at the Shriners Burns Institute in Galveston. The most tragic aspect of this, say Institute officials, is that 75 percent of these injuries could have been avoided. If flame-retardant clothing had been available, these tragedies might never have occurred.

**Panhandle Good For Mule Deer**

Think that the Trans-Pecos region of Texas has the only mule deer hunting?  
 Guess again, for the Panhandle muleys are offering hunters considerable sport.  
 According to Parks and Wildlife officials, riding the peak hunting year of 1970, some 1,014 deer were killed in the Panhandle.

The bag was evenly divided between whitetails and mule deer.

Traditionally, mule deer in Texas ranged from the mountains near El Paso, east to Val Verde County and north to the Canadian River.

By 1950, the Panhandle herds had dwindled to the point where only 96 mule deer were killed.

Trapping and transplanting activities by the Parks and Wildlife Department in cooperation with concerned landowners increased the herds and in 1956 the harvest was 249 animals.

Last year, the tally levelled off at 332 mule deer.

Hunters planning and looking forward to fall and winter hunting trips might consider the

Texas Panhandle if they are looking for mule deer action.

**Veteran News**

Q—What cutoff date has been set for veterans' benefits for the Vietnam War?  
 A—No such date has been set. The Vietnam Era is still continuing for purposes of eligibility for veterans benefits.

Q—I hear rumors about a device that will give sight to the totally blind. Is this VA prosthetic? Is there such a device?  
 A—You have heard of a concept still in the early research stage and nowhere near ready for prosthetics development. In March 1973, medical newspapers reported that a neurologist from Albert Einstein College of Medicine believes such a device eventually may be possible if the concept of electrocortical stimulation proves feasible.

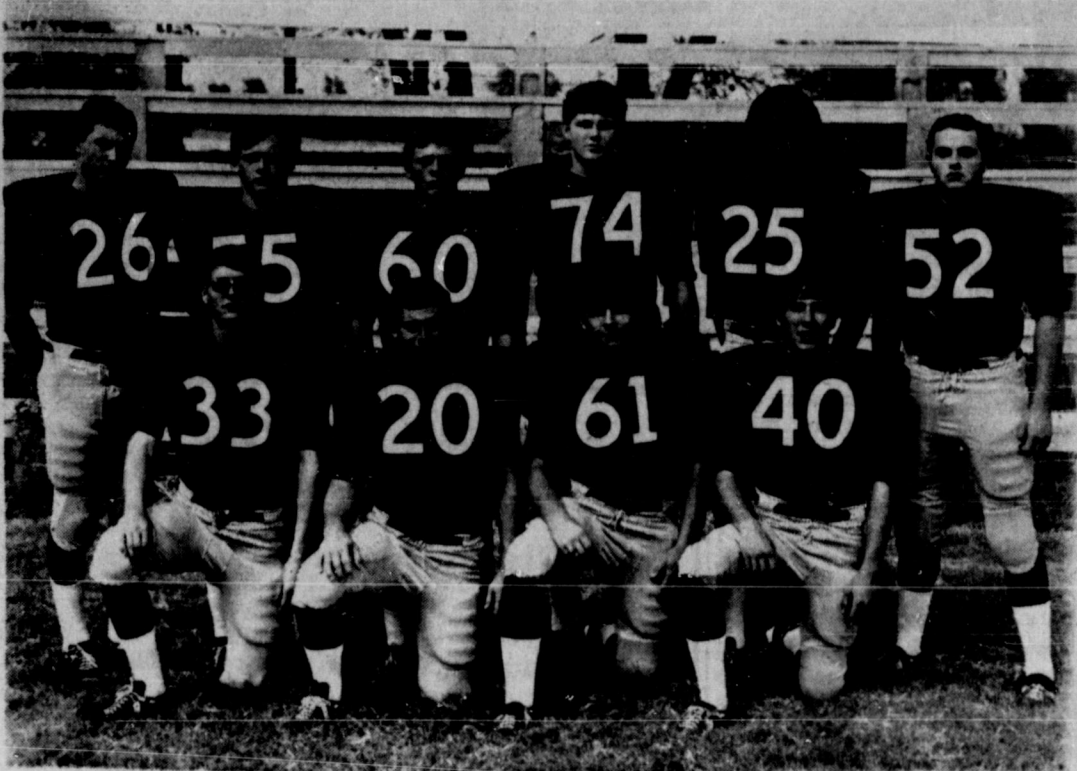

Q—How much time do I have to get my schooling under the G. I. Bill?  
 A—Education or training under the current G. I. Bill must be completed within eight years of separation from military service or by May 31, 1974, whichever is later.

## Fun After Fifty Club Meeting Held Sat.

The Fun After Fifty Club (Senior Citizens) met at Lions Club Hall Saturday, September 1. Approximately 50 were present to enjoy games of 42 and dominos, an interesting program, and a delicious meal.

The program was presented by L. L. Wallace who showed slides made while he and Mrs. Wallace were enjoying a two and a half month vacation via their mobile home through Texas, New Mexico, Colorado, Utah, Idaho, Montana, and Canada. Mr. Wallace's narration made these color slides most interesting.

Mrs. Nina Dale, vice-president, welcomed visitors, guests, and members. Mrs. E. P. Shelton led in prayer. Original floral table decorations were furnished by Mrs. Lois Hutchins.

Birthdays were recognized and a poem from GUIDE POST was read by Mrs. Kate Beverly. Mrs. A. G. Lane and Mrs. Tom Sullivan were recognized for perfect attendance since the club's inception and were presented

with gifts. Special guests from Howardwick were Mr. and Mrs. John Mills.

A Salad Luncheon was enjoyed at the noon hour. For our next meeting, the first Saturday in October, Mike McCully will entertain with his electric organ along with special guests from Hedley.

### Weight Watchers

Weight Watchers held their regular meeting at 6 p.m. Monday night at Lions Club Hall. Members were asked the question, "What do you find to be the happiest about in Weight Watchers?"

Some of the answers were: "I didn't gain any weight while on vacation." "I can cross my legs the proper way while losing weight." "I can wear my blouse tucked in at the waist now."

These were only a few of the happy remarks made by members.

Regular members were urged to attend classes and continue bringing program books. Some great changes are being made in the program.

There were 2 Lifetime members, 19 regular members, and 2 new members attending. New members always welcome.

### CHAMBERLIN CENTER

We will meet at the Chamberlain Community Center Friday night, September 7. Bring a covered dish. We will eat at 8 p.m. Hostesses will be Mrs. Grace Ayers and Mrs. Ola Williams.

## Rev. Bob Stamper At Calvary Baptist Sun.

Sunday, September 9, Rev. Bob Stamper, one of our fine Missionaries who will be going to Ethiopia in the near future, will be bringing the evening message at the Calvary Baptist Church. He will be showing slides of the many missionary fields that we have already established in Ethiopia. We have seventeen missionary families that are working in this great field at present. Some have been there for many years. New missionaries are going to Ethiopia almost every year.

Bro. Bob Stamper will be a real blessing to every one that will be present at the Calvary Baptist Church for the Sunday evening service beginning at 7:30 p.m. There will be special music also with the young ladies' quartet singing.

Everyone is invited. Bring your friends and be present and enjoy a wonderful time of fellowship and meet one of our great Missionary men that has surrendered his life to be used on a foreign field that lost men might be saved, reports Bro. Roy W. Sullivan, pastor.

**Hedley Lions Family Picnic Held Thurs.**

A large crowd attended the annual Hedley Lions Club Family Picnic Thursday night, August 30, at Hedley City Park. Barbequed Chicken, done to perfection, with all of the trimmings was served and the many present enjoyed visiting before and after the bountiful meal. The invocation was offered by Allen Estlack of Clarendon. It is wonderful when a community will stop individual work and concentrate their efforts in community affairs as the Lions Family Picnic and the annual Cotton Festival to be held Oct. 12-13 at Hedley. There is always laughter, fun, and relaxation along with good fellowship when Hedleyans and their friends get together.

**CHS JUNIORS ELECT OFFICERS AUGUST 30**

**Squall Line Drops Bountiful Moisture**

A squall line that moved thru the area late Tuesday afternoon dropped a good measurable amount of moisture over most of the area in a matter of just a few minutes, but it was appreciated as crops were beginning to go down hill fast.

Here in town our official weather observer recorded 1.09. Willard Knox had 1.15 at Lelia Lake, Hubert Rhoades .70 at Ashtola, Homer Hardin reported 1.65 at Goldston and Mrs. Watt Hardin north of Ashtola reported 1 inch. Ross Noles reported water standing in the furrows all the way from Ox Bow near Turkey into town.

Another storm Saturday dropped good moisture in scattered areas and some damaging hail in the Martin community and to the north... but the good moisture has overshadowed the damage for the most part.

**PRESIDENT OF CONCEPT NOW CO. TO BE IN CLARENDON TUES.-WED.**

Mrs. Tillie Anglin, representative for Concept Now Company in this area, has announced that the President of the Company, Rita Gross, will be in Clarendon Tuesday and Wednesday of this coming week to visit, talk to, and work with interested persons in this area.

Concept Now Co. deals in Cosmetics and Natural Vitamins. Read Mrs. Anglin's advertisement in this issue of the Leader and contact her for further information.

Mr. and Mrs. Oscar Jones of Borger visited his sisters, Mrs. Vera Parker and Miss Opal Jones Sunday.

Mr. and Mrs. Bill Percival visited his sister, Mrs. Lorene Pond, in Amarillo Tuesday.

Mrs. Fred Riley of Amarillo spent Tuesday with her mother, Mrs. W. T. Roberts.

Miss Dixie Irons of Hart spent Tuesday night with Mrs. W. C. Ragan.

**WTSU Buffaloes Open Season At Canyon Sat. Nite, 8th**

Coach Gene Mayfield and the mighty "Buffaloes" of West Texas State University, Canyon, Texas will be opening the 1973 Football season at Kimbrough Stadium in Canyon Saturday night, September 8. Game time is 7:30 p.m.

The Blue and White of the Drake Bulldogs from Des Moines, Iowa will be trying to add another win to their 3-2 series with West Texas State University and the Buffaloes will be trying just as hard to tie up series play in the Missouri Valley Conference.

Drake fields 27 returning lettermen including 12 starters from the team which tied with West Texas State and Louisville last season in conference play. WTSU has 15 seniors, 29 juniors, and 22 sophomores working out. Many on the roster are from throughout the Panhandle area. Plan to start the season off with the Buffs and follow them each week. Tickets may be ordered in advance by calling West Texas State, Ticket Office, 806-656-3436 or write Ticket Office, Box 4, W. T. Station, Canyon, Tickets may also be purchased at the gate.

Coach Mayfield feels he has a fine team this year and he and his boys are out to capture the Missouri Valley Conference title.

**VISIT CALIFORNIA**

Mrs. Alma Cross of Kings Manor, Texas flew to Anaheim, California August 23 where she visited ten days with her son and wife, Mr. and Mrs. C. R. Cross, Jr. and family. While there she attended the wedding of her granddaughter, Louise, daughter of the C. R. Cross, Jr.

Mr. and Mrs. G. W. Estlack attended the annual Hedley Lions Club Family Picnic and Chicken Barbeque at the Hedley City Park Thursday evening. It is always a pleasure to visit with these friends. The occasion was a most enjoyable one and the food delicious.

**Texas Baptist Women Raise \$1,000,000**

Texas Baptist Women are involved in raising a million dollars for special work in our state. This involves scholarships for Latin American and Negro college and professional students; Mexican Baptist Bible Institute for special training and education of Latin American youth; Valley Baptist Academy for training youth who have slipped behind in their education; work with Latin American people along the Rio Grande River; service opportunities for retired people who care to use their retirement years in service to others; and opportunities for college and high school youth to work in various social welfare programs through the summer months such as nursing homes, day schools, building churches and etc.

In keeping with this effort of Texas Baptist women, "Missions Next Door," will be the projection of the Women's Missionary Society of First Baptist Church, Clarendon, for the week of September 9-15.

Monday, September 9, 7:30 p.m. has been designated Ladies Night. The women of Clarendon are invited to attend a special reception in Fellowship Hall of First Baptist Church.

Wednesday, September 11, 7:30 p.m. has been designated Family Night in First Baptist Church, with the youth of the church in charge.

Friday, September 14, 10:30 a.m., you are invited to hear Mrs. Tommi Gonzales from Amarillo who works directly with Latin American people in the "River Ministry" of the Rio Grande. Her work is both religious and social with our neighbors across the border. Lunch will be served at the church at 12:00 noon.

The ladies of Clarendon are invited to participate with the ladies of First Baptist Church during these days of emphasis. Will you be our guests?

Mr. and Mrs. W. C. Ragan visited their grandson, Ronnie Ward, in High Plains Baptist Hospital Saturday.

Mr. and Mrs. Dee Blankes of Amarillo spent the week end at their country home in the Goldston Community.

Mr. and Mrs. Frank Wooten spent the week end with their daughter at Paris, Texas.

Mrs. C. E. Killough entered Hall County Hospital at Memphis Tuesday morning.

Mr. and Mrs. Grady Henson and daughters of Stinnett spent Monday with his mother, Mrs. Mae Wilkinson.

Mr. and Mrs. Ferral Floyd visited Friday night in the home of Mrs. Lillie Knox.

The Clifton Elliotts enjoyed having all of their children at home for the week end.

This is the type of neighborly visiting that took place at the Hedley Lions Family night chicken barbecue last Thursday night. Staff Photo

Mr. and Mrs. Grady Henson attended a family reunion at Munday, Texas over the week end.

Mrs. Mae Wilkinson spent the week end with her son, Junior Wilkinson and family at Shamrock.

Mrs. Pearl Thomas of Pampa visited her brother, Earl McAllister, in Clarendon Rest Home Saturday.

Mr. and Mrs. Glen Riley of Belen, N. M. visited her mother, Mrs. John Rhodes, Wednesday.

Joe Bownds entered Hall County Hospital Tuesday morning for a medical checkup.

**Cong. Bob Price Asks For Relief In Fuel, Fertilizer Shortages**

Congressman Bob Price, Aug. 30 called on Secretary of Agriculture, Earl Butz, to exert every influence on the Cost of Living Council to permit the passage of increased cost of production of certain fertilizers by their manufacturers. Price made the request as a result of the Secretary's recent visit with Agricultural leaders and numerous phone calls that Price has received concerning the fertilizer need for the production of the 1974 Wheat crop.

"The Congress has just passed, and the President signed into law, the most progressive Farm legislation in modern history. The legislation is designed to expand production, with the hope that America Agriculture can feed not only our Nation but much of the world, Price said. Under the present conditions farmers are unable to meet the demands for lower food prices, which could be provided by increased production, because of a fuel and fertilizer shortage. It is imperative that Mr. Dunlop of the Cost of Living Council, immediately and fully understand the impact of this shortage and initiate steps to alleviate it. It is my hope that other members of Congress will join me in an attempt to impress upon the critical nature of the current situation," Price continued.

Price, who has been traveling throughout the District on a series of Town Hall Meetings, indicated that he would introduce necessary legislation for a pass through of Fertilizer Production Cost if the Cost of Living Council did not take immediate action to end the fertilizer shortage.

The Congressman is also asking the Oil and Gas Division of the Department of Interior, to review their lists of priority users in an effort to afford Farmers necessary. Fuel supplies appear that the Farmer has mediate action by all agencies involved in the Price and Allotment Control Program of Fuel.

**Bert Smith Jr. Rites Held Friday, Aug. 31**

Funeral services for Elbert Preston (Bert) Smith Jr., 45, a resident of Donley County for more than 30 years, were held at 2 p.m. Friday, August 31, 1973, in the First Baptist Church with Dr. James O. Brandon, pastor, officiating. Interment was in Hillcrest Cemetery at McLean with arrangements under the direction of Murphy Funeral Home. Mr. Smith died at his home on

Greenbelt Lake at approximately 9 a.m. Wednesday, August 29th. He was born at Shawnee, Oklahoma January 23, 1928 and came to Donley County at the age of 3. He worked as purchasing agent for the City of Amarillo for 10 years before moving back to Donley County. He was a member of the Second Baptist Church in Amarillo.

Survivors include his wife, Mrs. Debra Smith of Clarendon; one daughter, Mrs. Kenneth Rickwartz of Temple; two sons, Roger Smith, and Gale Smith

both of Amarillo; his mother, Mrs. Tennie Smith of Clarendon; one sister, Mrs. Harlene Phillips of Stratford; one brother, Donald Smith of Amarillo; and three grandchildren.

Bearers were Dudley Trussell, Richard Maxey, Gene Smith, Montye Smith, Henison (Buck) Hayes and Vester Lee.

Mrs. Gerald Lane and daughter of Turkey visited her parents, Mr. and Mrs. Claude Spivey, Thursday.

**Church Youth Plan To Collect Newspapers**

The Young people of the Co-operative Youth Program involving youth from primarily the First United Methodist Church and the United Presbyterian Church, but including youth of other churches also, are collecting old newspapers.

Paper is produced from natural products which are becoming short in supply in our nation. We understand that the public schools are having difficulties securing mimeograph paper for their class work. Someone has suggested that the old school slate might make a come back if paper gets much harder to secure.

IN light of this shortage, the youth wish to remind the people of Clarendon that if you burn your newspapers you will add to the fastly increasing shortage of paper. On the other hand, if you will let them have them, the paper will then be recycled and return to serve you again, thus you will be helping to stay any acute paper shortage.

If you will help you are asked to find some convenient place for you to store your newspapers—newspapers only, please—and call either the United Presbyterian Manse (874-3428) or the First United Methodist Church (874-3667). The young people will pick up your papers each fourth Saturday of the Month. In September they will pick them up on Saturday, September 22.

**ASSEMBLY OF GOD PUBLIC SALAD SUPPER**

The members of the Assembly of God Church in Clarendon will have a Salad Supper at the City Park Tuesday night, September 11. Food will be ready for serving at 7 p.m.

A charge of \$1 for Adult and 75c for children under 12 years of age will buy you all you can eat. The public is invited to attend. Proceeds will be used for Church projects. Rev. R. L. Leeder is pastor of the Clarendon Assembly of God Church.

Students of Clarendon College  
Clarendon, Texas 79226

Dear Students:

On behalf of the administration, faculty, staff and Board of Regents, it gives me pleasure to take this means of extending to you a warm welcome to the campus of Clarendon College for the 1973-74 school year. It is my sincere hope that your attendance will be an enjoyable and profitable experience.

The creation and maintenance of this institution by the citizens of Donley County is to provide education for the young people of this area. I am sure these citizens join me in extending this welcome to you.

We are proud that you have selected Clarendon College and pledge our abilities to serve and help you enjoy it.

Sincerely,

Kenneth D. Vaughan

## Feedlot Operations Course Offered At CC

A course in Feedlot Operations is being offered for the first time this semester at Clarendon Junior College and is being favorably received by area feedlot managers. Courses are planned to include classroom time as well as field trips.

Veterinarians in the area have expressed support for the program.

Students enrolled in the class will tour some sixty feedlots during the school year. Trips are planned to include lots, auctions, and packing houses. In May students will be placed in a feedlot for six weeks and when this time has elapsed will return for final evaluation of the course.

## STOLEN CAR REPORTED IN CALIFORNIA

Mrs. Rex Jones, daughter of Mrs. J. F. Blocker, reported her car stolen Saturday a week ago August 25. The car was located in Los Angeles, California about 2 o'clock Mon. morning of this week, September 3. We understand that a suspect is being held in custody.

## Why Take English?

You are a practical person and want to prepare for a career in journalism, writing, advertising copywriting, editing, publishing, business, teaching, the ministry, law, medicine, administration, diplomacy, government, etc; or a career in being a fully developed person with a clear understanding of self in relation to others.

You would like to feel equal to conversing with a teacher or individual who has inspired you with his or her easy familiarity with art, literature, music.

You just like to read, a personal satisfaction.

You are aware that all upper-level positions in the business world and the professions are filled with articulate people able to communicate fluently in written and spoken language.

You were never good in English but feel you could be.

You like to write and secretly feel there's an artist in there somewhere.

You don't mean to, but the computer put you there.

You don't have to, but studying "people" in literature appeals to you more than textbooks or microscopes.

Ronnie Null, Department of Literature and Languages, Clarendon College, Clarendon, Texas 79226 suggests that if you would like to find out about English, degree programs, or talk it over write your name and address on a postcard and send it to him.

## Mrs. Ruth King Is New Supervisor At Vaughan Hall, '73-74

Mrs. Ruth King, formerly associated with the Central Office of West Texas State University Housing, has been employed by Clarendon College and will be in charge of Vaughan Hall, according to Mr. Kenneth Vaughan, President of Clarendon College.

Dormitories opened at 2 o'clock Monday, September 3.

## Sul Ross University Signs Kenny Bacon

Sul Ross State University basketball Coach Chester Story has announced the signing of Kenny Bacon of Clarendon to a pre-enrollment agreement to attend Sul Ross and play basketball.

Bacon is a 6-7, 200 pound junior who is transferring from South Plains Junior College where he played the last two years under Coach Buddy Travis.

The 20-year old athlete is a 1971 graduate of Clarendon High School and is the son of Mr. and Mrs. A. L. Bacon of Clarendon.

In high school, Bacon won all-state honors and was selected to Who's Who in High School Athletics.

Bacon and his wife Carolyn have one son, Scotty, 2 years of age.

The Lobo basketball team will open play Nov. 19 in the Lubbock Christian College tournament at Lubbock.

## Aoudad Population In Palo Duro Canyon

Aoudad — A release of 44 animals in the Palo Duro Canyon area of Texas in 1957 has resulted in a present population of more than 600 aoudad in that area. These sheep are free-ranging and are quite popular with hunters from Texas and from outside the state. Aoudad are relatively large sheep with mature rams standing as tall as 44 inches at the shoulder and weighing in excess of 300 pounds. A native of northern Africa, these sheep have done well in the semi-arid, rugged conditions of the canyon. Population is 3,217 statewide.

Hedley News

Mrs. Mabel Bridges

When you want to see a crowd in Hedley you do not have to wait for the Cotton Festival. Just come to the Lions Club Barbeque and Family Picnic. There is always a big crowd as was Thursday, August 30, at the City Park. Delicious Barbequed chicken with all the trimmings was enjoyed by all. If you missed it, too bad.

Deep or bright tones of nail polish draw attention to hands. If hands aren't perfectly groomed, choose a clear or lighter shade so they're less conspicuous, advises Mrs. Becky Culp, clothing specialist with the Texas Agricultural Extension Service, Texas A&M University System.

# CHS Snoopy

By The Snoop

Well, the Bronchos looked great in the scrimmage at Shamrock last Friday night. They really are showing spunk. There were sure a bunch of Clarendon supporters that traveled with the boys. It feels good to be getting ready to open the Football season and the excitement is running high. Is Everybody ready to Gage the Childress Bobcats? We will see you in Childress Friday night.

The Cheerleaders worked all day Saturday decorating the halls and the boys' lockers. They had a lot of fun and enjoyed every minute of it. The girls really appreciate the opportunity to get to do what they can for the boys. It's also nice to be back in the swing of things. Right, girls?

Congratulations to all the new class officers and the Student Council representatives.

The freshmen are beginning to relax and enjoy CHS now that they have found out how much fun it is. It always takes a while for the freshmen to get over their fear but they can always look forward to being upper classmen some day and they can frighten some other freshmen.

Several of the kids spent part of their week end helping on the Muscular Dystrophy Drive. This was done of their own free will and it was really appreciated. Good Work, kids.

Jimmy Floyd, did something "ring" a bell with you the other day?

When Karen Burgess falls, she falls for quite a distance but isn't it nice to have a good looking guy catch you before you reach the floor?

Well, Terry Saye finally got a letter that didn't have a red stamp. It's the letter that she looks forward to. She isn't a stamp collector yet. What's new in New Jersey, Terry?

We hear that Terry Ellerbrook is looking forward to his birthday which is only a few months away. Why are you so anxious, Terry?

Doesn't Belinda Tanner look cute in braids?

Pat Trout sat and waited for the phone to ring Sunday but it never did. Maybe next week end, Pat.

Rodney Hicks has a sore hand. It makes it kind of hard for him to get his money out of his pocket but he had some help offered him for this task. Rodney says, "No thanks, I'd rather do it myself!"

Barbara Shadle is pretty handy with a baseball bat. It's not that she is trying out for a team or anything. It's just that she ran across a rattlesnake and she took care of him with the bat. Good work, Barbara.

Buzzy Maxey, someone was hunting you the other night. Did they find you?

Tommy Hill went to Amarillo over the week end. Did you bring anything back with you, Tom, just to prove where you were?

Mitzi Cagle always seems to be at the right place at the right time. Meet any interesting people, Mitzi?

Laneta McDonald, who was that you were seen on the highway with the other night?

Larry Doane, do you have a secret?

Debbie Robertson has wanted a poodle for a long time and Danny Holland got her one the other day. She was so proud of it she gave it a special name. It's a stuffed poodle, not a live one. She likes it a lot!

See Cathy Hommel, all your worrying was for nothing. Alan Harper understood that anyone can get caught in a hail storm.

Cathy Carmichael, why were you checking out all the cars at really not so bad after all. Right?

Kim Horton, are you glad now that school has started? It's really not so bad after all, right?

Congratulations to Debbie and Jeff Campbell on their recent marriage. We wish you all the luck in the world. You deserve it.

Question of the Week — "What high school boy is going to be surprised when a group of kids go together and knock the chip off his shoulder?"

Cutest Couple — Mona Robinson and Pat Robertson.

to Austin for college.

Mrs. Bradis Ballew will be hostess of the Chamberlain Club this Thursday, our first fall meeting.

Earl Laycock who used to live in these parts but who now hails from Grand Junction, Colorado was explaining to his friend Albert Rutherford why he could not come to this year's school re-union. In speaking about how that when we were a long ways past 39 that; "The roads are getting longer, the steps higher, than they used to be. People don't talk as plain as they used to, and the print in the papers is getting smaller. Even at Uncle Zeb's age we could know just what he meant."

We had a request from a reader at Clarendon for a copy of the poem "The Fellows Called Me Bill" . . . It turned out to be the same poem as the one "Just Before Christmas", by Eugene Field . . . We didn't re-

member all that from our school days. Just a lot of things were in the back of our mind but the right would not come out . . . Anyhow, Miss Grace Weigman of Claude came up with the entire poem and now my reader named Bill can rest easy, and he better try being good not only just before Christmas . . . Our thanks to Miss Weigman, who is now retired, and who was in our books one of the finest English teachers we have ever known . . . We are so glad to congratulate one teacher during this month when a new and important school year is just beginning.

Last week we read about a fire in which two small children were burned. It seemed that the paper made quite a thing out of the story when the plain facts were bad enough. It seemed the parents had not been able to pay the light bill and the light company had cut them off. The baby sitter had been using candles which overturned setting the house on fire. The baby sitter crawled out the window but the babies perished. It seemed the light company was the most blamed with the candles running second. We couldn't help wondering if the parents were out for a night on the town that perhaps this money could have paid the light bill, and then the baby sitter wouldn't have gone to sleep and allowed the mean old candles to turn over.

### "Four Days And Nights For God!"

Ray Neill Johnson

Through the invitation of Weldon Rives I am your guest writer for this week. Also through his invitation and his people my wife and I will be directing Four Days and Nights for God - September 9-12. WHAT IS FOUR DAYS AND NIGHTS FOR GOD? Briefly it is a time for the following:

**I. REAFFIRMATION!** A time when all services will be directed to a reaffirmation of our faith in Him our Lord. Jesus asked His disciples, "Who do you say that I am?" Peter answered with an affirmation that has been the key of the Church Everlasting, "Thou art the Christ, the Son of the Living God." It is this affirmation that we can make today in the Now.

**II. RENEWAL!** The Word promises times of refreshing and renewal when man seeks through prayer and worship the Holy Spirit. Special meetings are not only times to be saved from sin to salvation; but a time to be renewed in the things of faith by which we live. I do not believe that I have ever seen a day that I did not want more of the grace of the Lord Jesus—I shall become disturbed and distressed if the day ever comes—God forbid—that I shall not hunger and thirst for Him and His presence.

**III. RECLEANSING!** The Word tells us if we confess He will cleanse from all unrighteousness. The perfecting grace of Christ is ever present to provide recleansing, restoration, renewal, and realignment with His will and way.

**IV. REANPOINTING!** God gave Christ to the World and Christ

Darlene Spier and Ruth Lyles are pictured as they helped two new students register for classes. Pat Robertson—Staff Photo

gave Himself for each of us. He also gave His Holy Spirit to convict, convert, and consecrate and sanctify. One of the great needs of our Modern Man is an awareness of God through Christ and the Holy Spirit.

Four Days and Nights for God will allow the people of Clarendon to seek and find. We shall come to you seeking with you and finding anew that His promises are redeemable today by simple faith. I have no gadgets or tricks of trade—only the simple Gospel story that becomes luminous when we share it together with the Living Christ. Elsewhere in your paper the times of services will be announced. We are looking forward to seeing you and giving four days and nights to Christ—who will reaffirm, renew, recleanse, lives available to His Holy Spirit.

Irene, my wife, and I, were driving along a mountain road and came to a curve at which stood a Country Church with a most attractive bulletin board. I have always been attracted to bulletin boards and what they say. The message that day has preached itself to me many, many times. Perhaps its message is the one we need today as we look forward to Four Days and Nights for God. The message read, "YOU CAN DEPEND ON GOD; CAN GOD DEPEND

and reanoint, as we make our ON YOU."

Ray Neill Johnson  
Visiting Evangelist

It is my pleasure to relinquish my article this week to Dr. Ray Neill Johnson who will be our guest evangelist at the First United Methodist Church September 9-12 for a "Four Days and Nights For God."

Grace and peace in Christ Jesus.

The residents of Knorpp Hall (Girls Dorm) seemed to be the most excited about moving in and starting the school year. As you can see, they had to make several trips to their heavily loaded cars to carry in everything they had to have.

### Highlights and Sidelights FROM YOUR State Capitol

By BELL BOYKIN  
Texas Press Association

Next big political campaign shaping up is for legislative pay raises and annual legislative sessions on the November 6 election ballot.

Top four elected Texas officials launched the campaign with the cooperation of 35 citizens' organizations.

Gov. Dolph Briscoe, Atty. Gen. John Hill, Lt. Gov. Bill Hobby and House Speaker Price Daniel Jr. are united in support of Constitutional Amendment One.

The amendment would raise legislative pay from \$4,800 a year (plus expenses) to \$15,000

a year (Plus \$18 a day during sessions).

It would also provide for regular legislative sessions of 180 days during odd-numbered years and of 60 days, mainly for budgeting matters, during even-numbered years.

Austin attorney Will Davis was selected chairman of the organizational support group, with Phil Strickland of Dallas as vice chairman.

An executive committee headed by Davis and Strickland will work with the 35 cooperating trade, civic and professional associations in the campaign. (Texas Press Association is among the organizations.)

"This is a must thing," said Attorney General Hill. "It is a necessity that we pay the right amount for an honest day's work in a very high calling."

"Annual sessions in this day and time are essential for an efficient, responsible, intelligent and accountable legislative branch to properly function," said Daniel.

The statewide support organization will coordinate fund raising and publicity activities for the campaign.

Legislators have been paid \$4,800 a year since 1960.

Voters defeated proposals for pay raises in 1965, 1968, 1969 and 1972.

They also rejected annual sessions of the legislature in 1969.

COMMISSIONER RESIGNS — Byron Tunnell resigned his position as a member of the Texas Railroad Commission and was immediately replaced by Mack Wallace of Athens.

On September 15, Tunnell 47, will become vice-president of Tenneco of Houston in the company's governmental affairs department.

Wallace, 43, a former district attorney, has been serving as executive director of Governor Briscoe's Criminal Justice Council and as legal advisor to the governor. Briscoe appointed him two days after Tunnell's resignation.

Tunnell was appointed to the powerful, three-member oil, gas and transportation regulatory agency by Gov. John Connally in 1965, succeeding Ernest O. Thompson. He was re-elected to a six-year term in 1972.

VENDING RECORDS BLOCKED — Vending industry leaders blocked House Speaker Price Daniel Jr.'s effort to make public records of a 1968 legislative investigation of the industry.

Raymond B. Williams and Burnie H. Williams in their lawsuit contended release of the investigative record held by the Department of Public Safety in a confidential file would cause "possible abuse" through circulation of "ill-based stories."

Their case was set for hearing September 6.

Meanwhile, a former Austin vending machine operator claimed he made cash payoffs to a state representative, a state judge and an ex-state senator. Daniels said he is considering a new House sub-committee investigation of the coin-operated amusement machine industry.

TELEPHONE SAVING CLAIMED — Legislative Budget Board approved a new telephone system for state agencies which reportedly will save a million dollars a year.

The system, pushed by Governor Briscoe, would link all state agencies over Texas and provide a toll-free long distance service nationwide. An installation charge of \$170,000, plus \$350,000, plus \$350,000 a month is required for the TEX-AN communications network.

LBB advised Briscoe to be cautious he is not buying more out-of-state service than necessary. One member, Rep. W. S. Healy of Paducah, said the telephone company should be required to improve service to ordinary citizens before the state purchases TEX-AN. Present state telephone service now costs about \$431,201 a month for long distance and WATS lines.

AG OPINIONS — With some exceptions, Welfare Department records on child care facility licensing are public, Attorney General Hill held, although identity of persons covered by social and health records would remain confidential.

In other recent opinions, Hill concluded:

Fees assessed adult probationers can be used for juvenile probation at discretion of judges, although they should be used primarily for adult probation purposes.

No member of the 63rd Legislature would be eligible to paid appointment to the office of House administrator, having resigned from the legislature to accept it. But Rep. James D. Cole of Greenville took the job without

salary.

County commissioners can hold bond elections for buildings and acquiring books for library purposes.

APPOINTMENTS — Lorenzo D. Cole of Houston is first executive director of the Governor's office of Equal Employment Opportunity.

W. J. (Bill) Harding of Austin has been designated chief clerk of the State Board of Insurance September 1.

Governor Briscoe appointed Kaufman County Attorney Harold D. Hollingsworth criminal district attorney for the county.

He appointed James Arnold acting director of the Office of Traffic Safety.

District Judge Herman Jones of Austin will head a special fact-finding committee to inspect conditions at Austin State School.

Joe G. Moore Jr., director of the Office of Research at the University of Texas Lyndon B. Johnson School of Public Affairs, became program director of the National Commission on Water Quality September 1.

Sen. Lloyd Doggett of Austin was named by Lt. Gov. Bill Hobby to the State Legislative Library Board.

Raymond L. Prewett is head of the governor's Division of Rural Community Affairs.

800,000 NEW ADULTS — Texas picked up about 800,000 new adults overnight August 27 when a law took effect granting majority rights to 18-to-20-year-olds.

Under the new law, the young Texans can buy alcoholic beverages, enter contracts, get married without their parents' consent, and serve on juries, among other things.

A total of 249 acts of the 63rd

Legislature took effect last week. Among them was reduction of the penalty for first offense possession of marijuana (up to four ounces) to a misdemeanor.

Sessions are set for Lubbock, Sept. 4; Renner, Sept. 10; Waco, Sept. 11; Weslaco, Sept. 18; Brenham, Sept. 25; Uvalde, Oct. 8; and Seguin, Nov. 29.

"Although swine producers with more than 50 mature animals or 500 piglets in confinement have been required to register with the Texas Water Quality Board since August 1970, less than 10 percent of those eligible have registered," says Dr. John Sweeten, agricultural engineer in waste management for the Texas Agricultural Extension Service.

Detailed information on the exact location and time of each of the seminars is available from the respective county Extension offices.

Information and permit application forms can also be obtained from district TWQB and TACB offices and the regional EPA office located at 1600 Patterson Avenue, Dallas, Texas 75201.

Nearly a million veterans will use this year's annual dividends from "V" - prefixed National Service Life Insurance policies to buy additional paid up life insurance.

### Handling Of Swine Waste Meetings Set

Seven swine seminars throughout Texas this fall will focus on waste management in an attempt to increase producer compliance with state pollution control requirements.

Sessions are set for Lubbock, Sept. 4; Renner, Sept. 10; Waco, Sept. 11; Weslaco, Sept. 18; Brenham, Sept. 25; Uvalde, Oct. 8; and Seguin, Nov. 29.

"Although swine producers with more than 50 mature animals or 500 piglets in confinement have been required to register with the Texas Water Quality Board since August 1970, less than 10 percent of those eligible have registered," says Dr. John Sweeten, agricultural engineer in waste management for the Texas Agricultural Extension Service.

### Hedden Reports Good Bulldog Prospects

The Clarendon College Bulldogs are looking forward to a most eventful year with the first game set for November 12 in Bulldog Fieldhouse when the

### Panhandle Junior Varsity invades Bulldog land.

After getting off to a slow start last year, the Bulldogs came back to finish fourth in conference play.

Through the summer, Coach Jack Hedden has recruited from York City; Archie Hughes of Philadelphia; David Graham of Oklahoma; Joe Evans of Abilene; Steve Amerine of Albuquerque; and Randy Merkey of Perryton, Texas. The team has four starters returning with a year's experience.

In all, six players are returnees: Joe Pride, Herman Brown, Brent Sharrod, Keith Embry, Evander Ford, and Harold Crew. Coach Hedden reports he feels he has a most promising team for the 1973-74 season.

### VISIT BROTHER

Mr. and Mrs. Lloyd McCord moved to San Antonio over the Labor Day week end where they visited a brother, Mr. and Mrs. Lee Roy McCord.

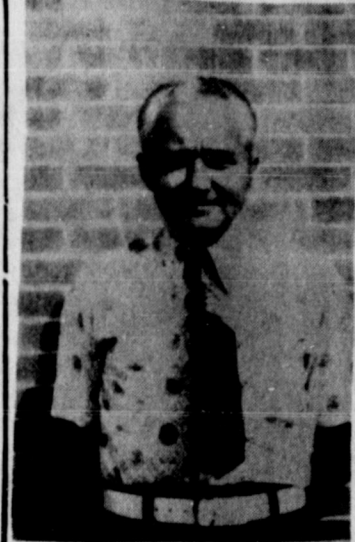

### WORD RECEIVED OF KIN'S DEATH

Friends were grieved to learn of the death of Dwight T. Smith, husband of Mrs. Mary McLean Smith, who died August 13, 1973. Funeral services were held in Boerne, Texas August 15th. Burial was in the family cemetery in Lynn Grove Cemetery, Wheeler Co. Iowa.

Dwight and Mary had lived in Boerne, Texas about 25 years after moving there from Des Moines, Iowa. Mr. Smith was a brother-in-law of Miss Mary McLean of San Antonio, Texas.

### BROTHER NAMED FIRE CHIEF IN AMARILLO

Curtis Richards of Amarillo, brother of Ted Richards of Clarendon, was named Fire Chief in Amarillo last week. Mr. Richards has been with the Amarillo Fire Department for a number of years and for the past eight years has served as Captain.

Mr. Vaughn is formerly from Canyon where he has been in private business. He is married and he, his wife, Betty, and son Lance are living in Clarendon where Lance is an eighth grade student in Clarendon Junior High.

### Rev. B. L. McIncon Director of BSU, CC

The Rev. Burton Lee McIncon is the Director of the Baptist Student Union of Clarendon College for the coming year. The Baptist Student Union is an arm of the Student Division, under the Directorship of Dr. W. P. Howard, of the Baptist General Convention of the State of Texas. The Student Division is located in the Baptist Building in Dallas, Texas. Rev. McIncon will be working with college students in our town under the direction of the Student Division by whom he is employed.

Rev. McIncon is a native of Hobbs, New Mexico. He married the former Rhonda Gowdy of San Jon, New Mexico July 30, 1971. For the last year they have been living in Lakeview, Texas where he served as Pastor of the Baptist Church while continuing his college education at Wayland Baptist College in Plainview, Texas. Rev. McIncon also attended New Mexico State University from 1969-70.

Rev. McIncon has served as Youth Director of the Mesilla Park Baptist Church of Las Cruces, New Mexico as well as working in the Baptist Student Union of New Mexico State University.

The Baptist Student Union office at Clarendon College will be set up in the First Baptist Church of Clarendon. The first meeting of the Baptist Student Union for this coming school term will be Tuesday, September 11, at 7:30 p.m. in the Chapel of the First Baptist Church. The meeting will involve inspiration, fellowship, food, and recreation. All college students are invited.

Veterans with service-connected injuries or illnesses have first priority for admission to VA hospitals and enough additional beds are available to treat thousands of needy veterans whose medical problems are not related to military service.

### Aoudad Sheep No Easy Trophy

Got your mind made up that this is the year to go after one of those big aoudads in the Panhandle?

The Nov. 10-16 season might seem far off but now is the time to get in touch with the Panhandle landowners who might receive permits from the Parks and Wildlife Department to hunt aoudads.

And that's just the beginning. The department has figured that it took an average of 13 hours of hunting to bag each aoudad taken last year.

Aoudad, or barbary sheep, were first stocked in the Palo Duro Canyon in 1957. From the original 44 animals the herd has reached an estimated 600 sheep, some coming close to the world's record trophy size. Clambering about the canyons of the Palo Duro in bitter winds and cold in search of a 270-pound aoudad ram which has to be carried back out calls for someone more expert than the

"Mother" Hubbard, parent to Knorpp Hall, discusses room changes with Mr. Selvidge, Registrar of Clarendon College. Pat Robertson—Staff Photo

### average weekend hunter.

But still, as the herd grows, the number of hunters interested in the big sheep also increases. During the first season in 1963, only nine aoudad were killed. In 1972, some 46 sheep were bagged.

### HOLIDAY VISITORS

Mr. and Mrs. John Sommers of Dallas spent the week end with his parents, Mr. and Mrs. C. A. Wright. Other visitors in the Wright home were Mr. and Mrs. Bill Hall and Mr. and Mrs. Tommy Bell of Memphis.

Q—What is my share of the cost of care in a hospital for the first 60 days if I have Medicare Hospital Insurance?

A—For the first 60 days in a hospital, you pay the first \$72.00 (\$4.00 more than in 1972). Medicare pays all other covered, in-patient charges.

Q—Is it true that the \$50.00 deductible for the Part B doctor bill insurance is being raised?

A—The deductible on the doctor bill insurance was raised to \$60.00 per year effective January 1, 1973. This was necessary because of rising medical expenses.

Q—In 1972 I spent ten days in the hospital and only had to pay the first \$68.00 of my hospital bill. I spent twelve days in the same hospital in February 1973 and I had to pay the first \$72.00 of my bill. Why the difference?

A—Beginning January 1973 the deductible portion of hospital insurance was increased from \$68.00 to \$72.00 for the first sixty days of hospital care in a benefit period.

Q—I heard recently that my share of the co-insurance cost in a hospital had increased. Is it true?

A—Effective January 1, 1973 the coinsurance was raised. If you have a hospital stay of more than sixty days you will pay \$18.00 a day for the 61st through the 90th day (an increase of \$1.00 per day).

**JUICE— and Rejuvenate!**

BY GAYLORD HAUSER

"It was in the Carlsbader Sanatorium in Czechoslovakia that, more than 30 years ago, I discovered the immense healing and invigorating power of freshly made raw juices. Since then, I have recommended a daily pint of fresh vegetable juice to every human being I have met. I am convinced, after all these years, that the addition of one pint of vegetable juice to the daily diet, is one of the best safeguards against tiredness and premature aging..."

In Czechoslovakia there is a sanatorium where people with digestive difficulties flock by the thousands. There I learned about the importance of fresh raw vegetable juices. Around this sanatorium are acres and acres of vegetables, and they are grown on rich organic soil.

I will never forget Schwester Karoline's expression when she talked about vegetable juices. She called them the "blood of the plant." The green magic of chlorophyll, she would say, is the quickest way of healing overfed and undernourished patients. Many were English and Americans, with colitis, ulcers, liver and gall bladder difficulties.

It was in this sanatorium that, more than thirty years ago, I discovered the immense healing and invigorating power of freshly made raw juices. Since then I have recommended a daily pint of fresh vegetable juice to every human being I have met.

I am convinced, after all these years, that the addition of one pint of these vegetable espressos, as we call them today, to the daily diet is one of the best safeguards against tiredness and premature aging.

Needless to say, I was happy to see the excitement created all over America when Dr. Cheney, of California, announced that fresh cabbage juice cured ulcers in two weeks' time. His cure was based on giving his patients a quart of fresh cabbage juice or 75 per cent cabbage and 25 per cent celery juice.

This is the first time that fresh vegetable juices were "officially recognised" — but why only cabbage juice or celery juice? All fresh juices have marvellous healing power, not only because of their vitamin and mineral content, but because of the "matere vivante," as Bircher-Benner calls it; and no chemist has yet been able to duplicate this energy.
