# CHS Cheerleaders To Camp At SMU, Dallas

Six Cheerleaders from Clarendon High School: Shauna Hardin, Debbie Robertson, Jan Barbee, Jean Brandes, Tracy Cagle, and Freda White, left Amarillo Sunday morning, August 12 to attend Cheerleaders Camp at Southern Methodist University in Dallas. The group will return home Friday morning, August 17.

These girls worked very hard. as they do each year, to raise money enough to pay their expenses to the school. While there, they compete with other cheerleading groups throughout the state as well as learning new routines and skits and picking up new ideas from the other girls by talking with them and watching them perform.

ndon cheerleaders win several wards in group competition and receive much praise because of their skills. Clarendon High School should be proud to have such an outstanding group represent them in Dallas.

#### East Falls To West Friends will be glad to know

that Mrs. W. T. Holsenbeck of In Greenbelt Classic The West took an easy win over the East in the Greenbelt Bowl Football Classic played in Childress Saturday night August 11. Mike Leeper and Steve Carter, both 1973 graduates of Clarendon High School, represented

Clarendon in the ballgame playing on the East team. Carter did a most outstanding job of blocking and setting up

many of the game's most crucial plays. Leeper set up the East's only touchdown on a fine 58 yard pass reception to the West's two yard line from East fore half-time.

Watt's passing proved to be the East team's biggest asset as he hit 15 of 19 throws for 151 yards. The East's only score came in the second quarter while the West scored 13 points in the first quarter, 3 in the second, and 6 in the third to bring the final talley to 22-7 in favor of the West. The entire game proved to be a thrillen for the more than 2,500 fans who converged on the Childress Fair Park Stadium, despite the disappointment to the favored East team's fans and players.

Turk Nelson of Childress was named as the game's outstanding back while the honor of outstanding lineman went to Lubbock's Roy Travino.

Named at half-time ceremonies was the new Greenbelt Bowl Queen, Sally Burdette of Lamesa, Clarendon should be proud of the two home town athletes who did such a fine job representing our town as well delightful experience. as the Queen candidate, Debbie
