A COUNTY-WIDE PUBLICATION SERVING DONLEY COUNTY AND ITS TRADE TERRITORY

1965

New Series—Volume 36 No. 25

CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, JULY 15, 1965

A Common Paper for Common People

Higley's Studio Photo - Childress Index Engraving

The pleasure of drinking the first glass of water from the Greenbelt Municipal and Industrial Water Authority at Childress was given to Mayor C. J. Lyons, left, above, who was handed the glass by Dr. S. H. Townsend, president of the Authority. Dr. Townsend, right above, is shown receiving another glass of water from Senator Andy Rogers who took the water from the line in Southwest Childress Saturday morning shortly before it was turned into the city's mains.

## Rodeo Results Announced

The dust finally settled and after all the figuring was completed, the following winners in the various rodeo events July 1-2-3 were announced.

The two saddles donated by the Farmers State Bank and E. O. Simmons Insurance Agency and Knorrp Insurance and Greene Dry Goods Company were Tommy Carr of Canadian in the riding events and Paul Howard of Pampa in the roping events. Billy Scott, former Highway Patrolman here and now of Crowell, was the winner of the saddle given away by the roping club.

Winners of the Rodeo events and money won were:

Bareback Bronc—1st Jan Percelly, \$153.00; Gene Wright and Tommy Carr (split) \$229.50; R. J. Zagar, \$76.50; Hank Creacy \$51.00.

Saddle Bronc — Ed Harlan, \$29.50; Tommy Carr \$19.71; J. M. Bradley \$11.83; 2nd go-round; Tommy Carr \$29.50; J. M. Bradley and F. Westmoreland \$19.71 each.

Bull Riders — Ed Harlan \$156.50; Joe Flemin and Tony Barrett \$126.10 each; Keith Covington \$75.60; Corky Leffew and Tommy Carr \$35.30 each.

Calf Roping — Buttons Howard \$220.40; Bowie Wesley \$182.40; Bill Davis \$144.40; Paul Howard \$106.40; Roy Dale and Larry Potts \$53.20 each.

Team Roping — Tex Garnet \$452.50; James James \$374.40; Ed Smith \$296.40; Manford Elliot \$218.40; Paul Howard \$140.40; Perry Blagg \$78.00.

Barrel Race — Best Average—Debbie Ferguson \$29.20; Darlene Morris \$21.00; Johnnie Reynolds \$14.60; Neta Krebs \$7.30. 1st go-round Judy Clements \$30.64; Debbie Ferguson \$28.00; Darlene Morris \$21.00; Johnnie Reynolds \$14; Joyce Perky \$7.

## Hedley School Faculty Complete

Superintendent Kenneth Sams has announced that the Hedley school faculty for the coming year is now complete and the new building is progressing on schedule. Classrooms are showing a marked progress since inside work is now being done. Sams reports that the school will open early in September.

The following teachers have been employed: Elementary — Mrs. Joyce Boliver, 1st and 2nd; Mrs. Peggy Maxcey, 3rd and 4th; Mrs. Ida Lou Dickson, 5th and 6th; Connie DeBord, Science; J. M. Baker, Mathematics; Doyle Messer, Vo-Ag; Mrs. Sue Shields, Vo. Homemaking; Mrs. Evelyn Messer, English and Business; Duane Reynolds, Junior High Coach and 7th and 8th grade; Jack Webster, Principal, History, Coach; R. K. Sams, Superintendent.

## CHEERLEADERS FEATURE STAMP BOOKS TO RAISE MONEY

Cheerleaders at Clarendon High School are making an all-out effort to raise funds to help finance their attendance at the Texas Tech Cheerleaders School to be held on the Tech campus July 25-30. They plan to give away 100 books of Green Stamps. An opportunity will be given everyone to participate for these stamps. Tickets will be 50¢ each, and any help given these girls will certainly be appreciated.

These schools offer an opportunity to learn new techniques, new yells, and a variety of routines that will improve our drill teams. Cheerleaders for the coming year will be Carol Cornell, Linda Palmer, Christina Moore, Cathy Craft, Janny Robinson, and Sue Hill. When these young ladies call on you, please be generous!

Leader local rate \$3.50

## Childress And Quanah Receive First Of Greenbelt Water From Lake Creek

### NEWS FROM CITY HALL

by R. L. Gilkey, Mayor

A lot has happened in Clarendon the past week. Some of it you know about and here's the rest.

Mr. Mitchell's resignation was really a surprise to me, but it was justified I think. Many factors were evident in his letter of resignation, the offer of a better job, frustration in his attempts to do his job adequately, and the lack of acceptance of his brusque manner by all of us in town. He really liked Clarendon and he did a lot for us. Some of the work will be evident in the future.

The equalization board is now being selected and will start meeting next week. There are no plans to change valuations this year, but hopefully we can truly make them "equal" next year.

If you haven't heard about the Greenbelt Dam recently get a copy of the July 11th CHILDRESS INDEX. The whole story of the dam is told, starting with our Cap Morris, Dr. "Greenbelt" Townsend, and our friends in the state legislature. Find a copy of that paper, it's fascinating reading.

The school board has recently deeded the old school buildings over to the city for use as a community center. The city council has resolved to accept two rooms on the ground floor of this building for an interim tax office. (Someday we can build a beautiful new City Hall, I hope, but until then we need a tax office on the ground floor.) The remainder of this building will be turned over to the Community Planning Committee for remodeling of club or game rooms, a dance floor or for whatever purpose the committee sees fit.

Old City Hall will become Donley County's first museum. The council resolved to start the museum in the large back room, now. Later, when the tax offices are moved, the entire upper floor of the present city hall will be expanded into a better museum. Can you think of a better, more appropriate or beautiful building for such a purpose?

We will need all the help of Clarendon's service and social clubs to build up a good museum, and from it we could reap great personal pride and even financial gain.

Speaking of finances, it rained too much in June. Our water receipts were about \$5,000 below the receipts in June 1964. The city is still solvent, however, we won't have to borrow any money to pay the bills, and we're still within our budget. This month we have already passed that day when we pumped over a million gallons.

This is some of the action at your City Hall. We're still working on possible street paving, cutting down those weedy lots, dusting for flies and mosquitoes, sewage additions and other problems. Those employed at city hall are working for YOU.

## HOSPITAL NOTES

Patients as of Wednesday, July 14—Mrs. Tom Crabtree, Raymond Waldrop, Edgar Head, George Green, Elizabeth Barker, Ruby Jordan, Mrs. Glenn Wallace, Mrs. B. L. Knowles and Mrs. Basil Naugle.

Dismissals—Etta Childs, Lenora Gonzales and baby Roberto, Charlie Heath, Mrs. Ida Mace and T. L. May.

Mr. and Mrs. C. G. Moore and their granddaughter, Debbie, are visiting in the home of her sister, Mrs. Emma Gregory.

It was a big day in Childress last Saturday when good Donley County water from Lake Creek was turned into the Childress mains from the pipeline of the Greenbelt Municipal and Industrial Water Authority.

The water was turned on at the metering station in southwest Childress by Senior Engineer for Freese, Nichols and Endress with Dr. Shell Townsend, Mayor C. J. Lyons and State Senator Andy Rogers taking the first drinks from the supply which is projected to end Childress' search for an adequate supply of good water which has been going on for at least 75 years.

"The present supply from the Greenbelt will not supply the needs of Childress and Quanah at the present time," Dr. Townsend said Saturday. "But the Greenbelt will provide enough with the use of the wells from Childress and Quanah for the present," he added.

Water production is expected to be increased from the present million gallons a day to over three million within the next two weeks as more gathering equipment is expected to be installed next week at the pump site on Lake Creek.

The recent heavy rains on the Lake Creek Watershed caused a rise in the creek and washed in sand and clay that almost sealed off the big perforated pipe which was installed. Not enough water was available to keep the small pump operating so 40 sand points were installed in the creek bed along with a gasoline pump to add to the water supply in the gathering system and brought the daily total up to between one million and 1,200,000 gallons in a 24 hour period. No surface flow in the creek was visible below the pump site Tuesday evening.

Childress and Quanah are splitting the present daily supply of water from Lake Creek and numerous reports are that the water is much more palatable than the previous supply.

## Porter-Lowe Ranch Employee Dies In Accident

Howard Barkley, 24, employee of the Porter-Lowe ranch, was killed Thursday night when his semi-trailer cattle truck ran off U. S. 40 at a curve 10 miles west of Steamboat Springs, Colo.

Employed at the Porter-Lowe ranch about a month, Barkley and Dalton Swinney were taking two truck loads of cattle to Wyoming. Swinney reported that the trucks were stopped at the top of the hill over Rabbit Ears Pass, a steep and curved incline.

"I told him to gear his truck as low as possible and I started down first," Swinney said, "then he came racing past me. The truck hit an embankment and the cab was crushed. All cattle in the trailer were killed or had to be destroyed.

Barkley was born in Panhandle and attended school there before moving to Tulsa and later to Clarendon.

Funeral services for Mr. Barkley were held Monday morning in Poston Funeral Home Chapel at Panhandle with Rev. James Todd, minister of the First Christian Church in Claude, officiating. Burial was in the Panhandle Cemetery.

Survivors include his wife, Jeannette of Clarendon; children Sandra Lee 3 and Robert Allen 5; his parents, Mr. and Mrs. A. L. Barkley of Claude, and a sister, Mrs. Kay Skelton of Silverton.

Mrs. G. W. Estlack visited Friday with her mother, Mrs. Faye Scoggins, in the home of her sister, Mrs. L. T. Whitlock of Amarillo.

## Survey In Progress At Greenbelt Dam Site; Spillway Raised 4 Feet

Surveying is now in progress to mark the exact location of the Greenbelt Dam and spillway five miles north of town on Salt Fork of Red River.

Bill Lowe, attorney for the Greenbelt Municipal and Industrial Water Authority, announced that the location of the spillway had been changed further north and will be located about where the Houston McDonald home now stands and will be four feet higher than first planned. It has been reported that the water in the lake, when full, will stand 81 feet at the spillway.

Lowe stated that he now had trade agreements with four landowners and also a meeting date on July 28th with the Panhandle Plains Historical Society to deal for the Old Clarendon townsite section, and that condemnation papers had been prepared on land that could not be acquired otherwise.

He said that exploration and testing was now in progress for rip-rap material for the dam. Native rock found upstream like that used in the construction of our present court house will be used.

Up until the present time, personnel of the Engineering firm of Freese, Nichols and Endress have been devoting their time and efforts to the completion of the pipeline to Childress and Quanah but will have more time to devote to the dam site and construction along with the filtration plant which will be constructed on the Sawyer land approximately four miles north of town on the east side of Highway 287.

## MERCURY HITS 102 DEGREES TUESDAY

It's cotton growing weather but a shower wouldn't hurt anything. Ranchers would like to see good moisture anytime.

The hot weather decided to really set in immediately following the good moisture which was certainly a great help in moving crops along. Our official weather observer reports a reading of 98 to over 100 degrees every day this month so far with a maximum of 102 recorded Tuesday which was the hottest day so far.

Leader Out-of-County Rate — \$4.50 a Yr.

## C. W. Richerson Rites Held In Borger Saturday

C. W. (Woodley) Richerson, 51, Phillips, Texas died Thursday afternoon in North Plains Hospital in Borger. Funeral services were held Saturday afternoon, July 10th, at Garden Street Church of Christ in Borger with ministers Jack Southern and Don Willingham officiating. Burial was in Memory Gardens Cemetery in Pampa.

Mr. Richerson was born September 1, 1913 at Ring, Texas. He attended Hedley Schools.

Since 1936 he had been a resident of Phillips, Texas where he was employed by Phillips Petroleum Company. He was a member of Gardner Street Church of Christ.

Survivors include his wife, Mrs. Wilma Dee Richerson of the home; four sisters, Ruth Richerson of Clarendon, Loyd and Jeanne Richerson and Mrs. Madge Moore, all of Odessa; two brothers, H. S. Richerson of Clarendon and M. Glenn Richerson of Shamrock.

Pallbearers were Granville McAnear, Bill Todd, C. L. Nicholson, A. O. Wells, J. D. Boulter, Maynard Billington, Wayne Robinson, and B. W. Dees.

## Former Student Named Basketball Coach

Supt. K. D. Vaughan announced this week that Carl Wayne Irlbeck, former Clarendon College student has accepted the position of head Basketball coach and Math teacher in the Clarendon High School. He will be an assistant football coach also.

Irlbeck attended public schools at Happy, Texas, Clarendon College in 1959-60 and graduated from West Texas State University in 1962 with a BS degree in mathematics.

He is married and has two children.

## Rolling Plains Reg. Beef Cattle Ass'n Sets Barbecue Date

Plans for the big Rolling Plains Registered Beef Cattle Association's annual barbecue are now under way says Secretary and Manager Flip Breedlove. The annual barbecue will be held at the Clarendon Country Club on the evening of August 19th at 6:30 p.m. The Farmers State Bank of Clarendon will be host for the barbecue, the same as they have ever since the bull sale was started.

Tomie Potts, president of the association says that a very good program is in the process of being formulated for the occasion. Breedlove said that the board of directors and members would turn in their list of guests for the occasion and that all invitations would come from the board itself and members. Invitation letters will be mailed out in the near future. Breedlove stated, as well as ballots to the membership for the election of officers for next year. This is always conducted by mail and has proved very satisfactory.

Mr. Potts stated that the date for the annual bull sale this year is the first day of December at the Bull sale barn in Clarendon, Texas. The bull sale barbecue is a "Get Acquainted Party" for the registered breeders and the bull buyers. This gives them a chance to get together and discuss their cattle operations and make plans for the buying of the bulls they need for the coming year. Breedlove said that most of the plans for the coming bull sale were completed in the April meeting of the board, however the final details will be completed before the annual barbecue.

## PITTS GRADUATES FROM NCO ACADEMY

Army PFC David C. Pitts, son of Mr. and Mrs. C. A. Pitts of Clarendon, was graduated from the Seventh U. S. Army Noncommissioned Officer Academy in Bad Toiz, Germany, July 2nd. He received four weeks of training in leadership responsibilities, exercise of command, map reading and military teaching methods.

Pitts was last stationed at Fort Polk, La. He is a graduate of Clarendon High School and attended Clarendon Junior College.

## Raymond Waldrop Dies Wednesday Morning

Raymond Waldrop, prominent farmer in the Martin community, died suddenly at Adair Hospital Wednesday morning. He was up and moving about in preparation to going home after the noon hour when he was suddenly stricken about 11:30 o'clock. He has been a patient of the hospital since July 1st receiving treatment for injuries he suffered when his horse fell on him.

Mr. Waldrop, 47, had been a resident of Donley County around 25 years.

Funeral services are pending with Murphy Funeral Home. Survivors include his wife, Margaret Waldrop, one daughter, Beth Waldrop, two sons, Tom Waldrop and Bob Cole; his parents, Mr. and Mrs. L. L. Waldrop of Clarendon; one brother, Roy Waldrop of Utica, N. Y.; three sisters, Mrs. Joe Hadder, New Orleans, Mrs. Dale Miller, Roswell, N. M. and Mrs. Sam Hendrix of California, and one grandson.

## PEACHES EVERY DAY AT DOHERTY ORCHARD

W. P. (Red) Doherty says that he has some type of peaches at his stand east of Hedley most every day from the first of June to the first of October and if the growing season was longer, would make it the year around, he added.

Mr. Doherty has three orchards near Hedley with approximately five thousand trees. There are around sixty different varieties of peaches which rippen from the last of May up til near frost and they are all tasty varieties.

He operates a fruit stand at his home a short distance east of Hedley on Highway 287 where one of his orchards is located. His daily customers include travelers from all over the nation and their comment in general is "Best flavored peaches we have found anywhere."

## SQUARE DANCE SET FOR FRIDAY NIGHT

The Y Knot Twirlers will be meeting this Friday night, July 16th at Lions Club Hall at 8 p.m. All square dancers come.

Mr. and Mrs. Jim McKee and boys of San Antonio visited the first of the week with his parents, Mr. and Mrs. George McKee.

LIBRARY NOTES

EDITH BARNES

The library is still doing a land office business. In case some few of you have wondered why on our so very limited amount of money for books a big per cent goes for books for the younger set, come down and see how they flock to the library during the summer months. True their vacation reading is mostly on the light side but they are building that all important habit, the love of reading!

Quoting from the Amarillo Sunday News Globe: "Jessamin West, author of many well-known novels including 'The Friendly Persuasion,' has said, 'I believe that short of lifesaving

pital. Mrs. Raymond Waldrop visited Sunday afternoon with Mr. and Mrs. Lloyd McCord.

Mr. and Mrs. Eldon Lyles' new home was moved on their farm Thursday noon. They hope to have the inside finished and be ready to move in about two weeks.

Mr. and Mrs. W. D. Higgins visited Wednesday night with Mr. and Mrs. Carl Barker.

Mr. and Mrs. Truitt Tolbert of Amarillo, Mr. and Mrs. Wes Wilkerson, Mr. and Mrs. Clifton Elliott and boys of Clarendon, also John Tolbert and Muri Jean of Claude were visitors of Mr. and Mrs. R. L. Tolbert over the week end.

Mrs. J. T. Easterling and Mrs. Della Barker were dinner guests Sunday of Mr. and Mrs. Guy Sibley. Guy's sisters, Roxie Lewis and Mable Stevenson, had supper with them Sunday night.

Mrs. Della Barker spent Wednesday night with Mr. and Mrs. Guy Sibley while Mrs. J. T. Easterling went to Amarillo to visit with Wanda Root and Jo Ann Benton and Rickey.

Billy Hearn and Dolfia Valance went to Brownfield Sunday after Shirley Hearn.

Otha Dean Stout and son spent the week end with Mr. and Mrs. Othal Elliott.

Mrs. Walter Deger and Maudie Coffee visited Monday with Mr. and Mrs. Guy Sibley.

Mr. and Mrs. H. Massie of Mineola visited Thursday thru Saturday with Mr. and Mrs. Pete Land and Thursday night they all visited in Tulia with Mr. and Mrs. Clarence Cobb.

itself there is no more blessed act on this earth than the spiritsaving act of putting into the hands of a hungry child a book which will sustain him imaginatively, feed him morally and refresh him esthetically."

"Allen Nevins said: 'The best single test of a nation's culture remains what it has always been since the days of Gutenberg—its attitude toward books.'"

We can't blame the young readers if too much of what they read falls far short of feeding them either culturally, morally or esthetically as how many of us adult readers read, even an oc-

casional book, that does these things for us?"

It seems hard to realize that no longer ago than the 1920s that such writers as Sinclair Lewis, and Theodore Dreiser to name two were having their books suppressed.

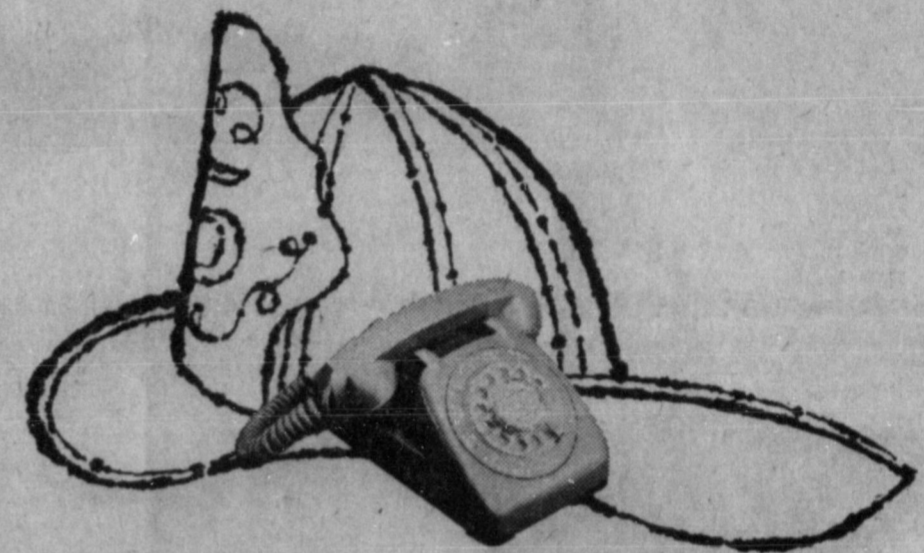

To quote from a review of Sinclair Lewis' biography: "...Lewis was a great emancipator. It is now hard to remember how much, in the booming 1920s, the smug provincialism of Gopher Prairie (remember "Main Street") seemed a valuable part of the American heritage, how full American literature was of false sentiment

and false piety in the days when 'Sister Carrie' and 'Jurgens' were suppressed and 'Pollyanna' was a best seller. Lewis along with the above plus such contemporaries as H. L. Mecken and George Jean Nathan, smashed some windows and let in much-needed fresh air."

A single pocket gopher has been known to dig an underground tunnel over 600 feet long in 48 hours.

The octopus, contrary to his bad reputation, is a rather shy creature, leaving his lair only to seek food.

COMMUNICATIONS — Your Tool for Progress

In case of fire, this telephone rings the alarm

In many of our towns, fire protection comes from a volunteer fire department. An effective communications system summons these volunteers by ringing all members' telephones at the same time. What's more, it is a distinctive ring which means "FIRE!" and brings firemen on the run. Here is another example of how Communications becomes a Tool for Progress—a communications service of great value to every town with a volunteer fire department. For full information about our many communications services, please call our Business Office.

Mr. and Mrs. J. D. Jones, Sr. visited their son, Mr. and Mrs. J. D. Jones, Jr., Mike and Karen Sunday night.

The straight and narrow path even gets the most wear along the edges.

The world may forgive you for making an error if you will bat out a home run now and then, but it will forget the winning run again just as soon as you make another error.

One thing in favor of falling hair—it doesn't ache, and you don't have to pull it.

Nature does work in our favor—the more we eat the farther we have to sit from the table.

Out attitude toward the trip can well change our vacation from a treatment to a treat.

We don't have to spend very long out with mother nature and God's beautiful creation to know that there is nothing wrong with the world except where man has messed things up by his own re-doing.

The more productive the present the more security we will find in the future.

Wisdom is knowing what to do with what you know, and success is having the get up and get to do it....

Easy credit can ruin a fellow even quicker than easy money.

We should always finish what we start, unless we started something that shouldn't be finished.

If we don't know where we are going it won't do any good to be in a hurry.

A good politician knows how to take credit for the programs that go over with a bang without taking the blame for those that go boom.

Bring em back alive is a good slogan for us all during vacation time.

Andrew Carnegie, industrial tycoon and philanthropist, came to this country from Scotland at the age of 10.

## JAYCEE-ETTES MEET

The Jaycee-ettes held their regular meeting in the Hospitality Room of the Farmers State Bank Tuesday evening, July 13th. Meeting was called to order by Brenda Higley. Several committee reports were heard and the group voted to have a program for each regular meeting. They also voted to help with the City Planning and Development Board's project to build rest rooms at the City Park. Donations have come in good for this project. Anyone wishing to donate thru the Jaycee-ettes may make their check to the City Planning and Development Board or leave their check with Tom Cook at the Donley County State Bank.

After the business meeting was adjourned Tom Higley showed a film on Cancer of the skin caused by the sun.

The hostesses, Ann Hommel and Nancy Kidd, served homemade ice cream to seven members. —Rep.

## JAYCEE-ETTE NEWS

The Jaycee-ettes hosted a party Saturday night at the Country Club honoring Janice Riley, Rodeo Queen, and other queen contestants. The group cooked hamburgers and later danced in the club house.

Attending were Mr. and Mrs. Delbert Robertson, Mr. and Mrs. Gary Gerdes, Mr. and Mrs. Tom Higley, Mr. and Mrs. Gene White, Mr. and Mrs. Roland Hill, Mr. and Mrs. Owen Johnson, Mrs. Chauncey Hommel, Miss Janice Riley, and Pete Campbell.

Monday night, Ann Hommel and Brenda Higley visited the Fritch Jaycee-ette Club. This was Ann's official visit to the Fritch club. —Rep.

Barley is the world's fourth most important cereal. —Rep.

## BARNES FAMILY REUNION HELD AT FARMINGTON

The children of the late Mr. and Mrs. Edwin O. Barnes of Clarendon held a family reunion recently at Farmington, N. Mex. Hosts for the occasion were Mr. and Mrs. Bert Barnes and his sister, Mrs. Lola Furman. Nine brothers and sisters, along with other members of the family, were present for the first reunion of the entire family since 1956.

In addition to Barnes and Mrs. Furman, brothers present included Roy D. Barnes of Denver, Edwin Barnes of Santa Ana, Calif., Robert L. Barnes of Austin, Joe A. Barnes of Barstow, Calif.; and sisters: Mrs. C. M. (Delia) Carter of Stockdale, Texas, Mrs. W. H. (Jewel) Kolb of Raton, N. Mex., and Mrs. Annalynn Scussell of Albuquerque, N. Mex. A sister, Nellie K. Martin of Amarillo died in 1958.

Others present included Bert Glynn, Cody and Gary Barnes and Sharon Furman of Farmington; Starr Wells of Garden Grove, Calif., fiancée of Edwin Barnes; Mrs. Robert L. Barnes and their daughter and her family, Mr. and Mrs. Ron Reiner and Marcelline, Greg, Thomas and Robyne, Tucson, Ariz.; Mrs. Ned Barnes, Donny and Johnny Scussell, and Jeannie and Ricky Kolb.

## CHAMBERLAIN CENTER

The Chamberlain Community Center will meet Friday night, July 16th. Everyone is invited to come and play 42. Bring a can of fruit and cookies. Drinks will be furnished by the hostess, Mrs. Mary Mann. —Rep.

## ASHTOLA NEEDLE CLUB

The Ashtola Needle Club will have an ice cream supper July 15th at 8 p.m. Everybody who comes is asked to bring a freezer of cream or a cake. The hostess will furnish drinks. —Rep.

**BEACH PARTNEES**—The ensemble look takes to the beach for summer '65. Here, a skirted swimsuit of crisp white cotton pique is stiched with a lattice of embroidery and applique. The matching beach-coat features slashed sleeves with bows at the wrist. By Harbor Road.

## FAMILY REUNION IN AMARILLO

Mr. and Mrs. Doyle Phillips spent Sunday at Elwood Park in Amarillo where they attended a family reunion. Fifty-eight were present. Relatives were present from Anton; Plainview; Dimmitt; Claude; Hereford; Borger; Stinnett; Amarillo; Dalhart; Durango, Colorado; Santa Rosa, N. Mex.; Lawton, Okla.; San Antonio and Clarendon.

There was plenty to eat and lots of good visiting. Everyone is looking forward to next year and another good get-together. One nephew is very ill in a Hereford hospital. This is the first reunion he has missed in 33 years.

Recent visitors in the home of Mr. and Mrs. Lloyd Carmichael and Eddie were Babe Wilkerson of Wetumka, Okla., Wes Wilkerson, Rev. and Mrs. Roy Eason and Delores of Clarendon; Mr. and Mrs. Wayman Staus of Pampa; Ann and Allen Bogert of Sun Prairie, Wis.; Shirley Carmichael and children of Monrovia, Calif.

## ATTEND FAMILY REUNION

Mr and Mrs. Page Harmon and daughter, Mr. and Mrs. Don Newman, returned home from the Senior family reunion, descendants of Gov. John T. Seiner, held at Gatlinburg, Tenn., June 27-29. A picnic dinner was held the first day in Smoky Mountain Park. The second day tours were made to the Knoxville Court House with ceremonies at the graves of the Governor and his two wives. The log cabin still stands with fresh water from the spring.

They also visited North Carolina, Georgia, Mississippi, and Alabama. The Rock City atop Look Out Mountain and other places of interest.

Week end guests in the home of Mr. and Mrs. F. O. Hodge were Mr. and Mrs. Johnny Boyd and children of Andrews, Texas; Mrs. Bob Cole and sons of North Hollywood, Calif.; Mr. and Mrs. Virgil Cosper and Jeanette of Amarillo, and Mr. and Mrs. James Bain of Clarendon.

## HOUSING CREDIT AVAILABLE TO SENIOR CITIZENS

Elderly people, if they live in rural areas, need not give up the idea of building, buying or repairing their homes on credit.

This word comes from Claude Moore, Farmers Home Administration county supervisor, serving Armstrong, Gray and Donley Counties.

Moore said citizens who are 62-years and over, living in a rural community of 2,500 or less, may be eligible for a 33-year loan bearing 4 percent interest to buy an older home or build a new one.

The FHA supervisor said elderly residents may also be eligible for smaller loans for home repairs.

He pointed out the increasing demand in small towns for rental units designed to meet the housing needs of older folks.

The Farmers Home Administration can loan direct funds to non-profit organizations for construction of Senior Citizen rental housing units designed for independent living.

Funds for construction of senior citizen rental housing units may also be provided by private investors with FHA guaranteeing repayment.

This fiscal year through April 30 Farmers Home Administration has advanced \$5,586,876 to senior citizens for construction, buying and repairing of individual homes. The total loaned is up 17 percent over a similar period last fiscal year.

Over 1,200 elderly people in the 30 states, Puerto Rico, and the Virgin Islands were able to get loans for new or improved housing through the senior citizen rural housing program of Farmers Home Administration.

Another \$1,246,510 was advanced by the U. S. Department of Agriculture agency for the construction of rental housing units for senior citizens during the same period, July 1, 1964 through April 30, 1965.

"Farmers Home Administration's senior citizen housing program offers citizens, 62-years and older, an opportunity to have housing suited to their needs in the community in which they have spent their working years," Moore said. "This program also

**THE SURFING LOOK**—Cotton takes to the waves in matching suits for young surfers. The junior miss outfit features a bandeau top and boy-leg trunks which have a bow-tie waist adjustment and flap wax pocket. Her companion wears matching surftrunks. In bright navy and white plaid, both suits are by Jantzen.

stimulates the local economy by providing jobs for workers engaged in the construction industry and customers for local trades and services."

In 1962 Congress authorized Farmers Home Administration to make direct loans and insured loans to individuals and corporations to finance rental housing for the elderly.

FHA directs loans for senior citizen housing in rural communi-

ties bear 3.75 percent interest, with up to 50 years for repayment.

But loans insured by the agency for rental housing currently bear 5.75 percent interest. Borrowers have up to 40 years to repay.

Additional information about the senior citizen rural housing loan program is available at the Farmers Home Administration office, Gillham Building, 111 West 3rd, Clarendon, Texas.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Water remains very much in the spotlight over the state.

As June ended, cattle were in better than average condition, says the US Department of Agriculture. Pastures and ranges furnish good grazing and rising cattle prices have resulted.

On the High Plains heavy showers boosted range prospects, but grass growth was slowing in many areas because of high temperatures which sapped soil moisture.

In the Trans-Pecos ranges some farmers and ranchers were forced to begin supplemental feeding.

Some farmers have been combating the rain problem by irrigating their crops. A joint study by the USDA, the Texas Water Commission and the State Soil Conservation Board indicates that irrigation in Texas rose significantly from 1958 to 1964. Amount of water used increased nearly one third, to 12,500 acre feet or an average of 18 inches per irrigated acre.

Amount of irrigated land increased by about 15 per cent during the six-year period. Much of the gain occurred in the High Plains—in the upper parts of the Canadian, Colorado, Brazos and Red River Basins—but some of it also was in the basins of the Rio Grande and Nueces Rivers. By next September studies to show how much water will be available in 2020 from Texas reservoirs and ground water strata already in use will be complete.

Then will come the job of finding additional sources to match yield to needs. This will involve searching for new surface water supplies as well as desalinization of poor underground water.

When in-basin sources are checked out against the needs of each river basin, the planners expect to find some of the heavy rainfall regions will have more water than they will need, even to 2020, while others will not have enough.

Then, the question will be: where to take the surplus? \$100,000,000 SURPLUS—State government will begin the new fiscal biennium with a surplus of nearly \$100,000,000. But it will wind up with a balance of only \$4,200,000, according to estimates of the Governor's budget office.

In a recap of legislative spending, Gov. John Connally's staff totalled all appropriations at \$3,700,000,000, of which \$622,900,000 will come from general revenue. (Vetoes by the governor of \$2,600,000 from the spending bill are deducted.)

Figures put state cost of the average \$533 teacher pay raise at \$70,600,000,000 for the two-year

period beginning September 1.

Total new revenue provided by the 59th Legislature will come to \$82,500,000, according to revised figures. Biggest portion of this comes from the three-cent-a-pack increase in the cigarette tax.

HOSPITAL TRANSITION UNDER WAY — Texas' vast system for treating the mentally ill, mentally retarded and victims of tuberculosis is entering a vital transition period.

On September 1, realignment and reorientation of these facilities and services, as enacted by the 59th Legislature, will go into effect.

Separation of the tuberculosis hospital treatment program for the mental health and retardation services and consolidating it with the State Health Department, which now handles case finding and follow-up work.

Abolishing the existing hospital board—general policy-making agency for mental and tuberculosis hospitals and special schools for the retarded — and creating a new department of Mental Health and Retardation. A new, nine-member board will replace the present Board for Texas State Hospitals and Special Schools.

Sweeping new concept of care, spelled out in recommendations

of statewide study committees named by Governor Connally, are expected of the reorganization.

AUTO INSURANCE HIKES — will increase an average of 14.4 per cent on August 1. Rates will vary widely in the 26 rating areas in the state.

However, some coverages will go down in cost, by as much as 17 per cent. These policies are for insurance against losses not connected with accidents — such as fire and theft.

State Board of Insurance says it has carefully reviewed the loss data forming the basis of the rate changes and finds that the new rates will be "adequate and reasonable as required by law."

In another area of insurance Texas companies have had more than \$15,000,000 worth of claims from hail and storm damage. By this time last year, \$9,000,000 had been paid in such claims. Biggest blow came from the Wichita Falls storm of May 27.

BOUNDARY COMMITTEE NAMED — Governor Connally has named a seven-member committee to negotiate with Louisiana in an effort to settle a long-standing boundary dispute as to the Sabine River boundary between the two states.

Connally appointed his executive assistant Larry Temple, Land Commissioner Jerry Sadler, Atty. Gen. Waggoner Carr, Sen. Martin Dies Jr. of Lufkin, Sen. Jack Strong of Longview, Rep. David Crews of Conroe and Rep. Charles Wilson of Lufkin.

Recommendations as to location of the boundary line will be submitted to the state legislatures and the Congress of the U. S. for ratification.

Louisiana has claimed the boundary line is the west bank of the Sabine. Texas maintains that the

center line of the river is the correct line. Ownership of the area south of the mouth of the Sabine also is in dispute.

Valuable oil and gas are at stake.

UT LANDS LEASED — University of Texas leased 47,014 acres of land for \$10,106,000 at the 50th public auction of oil and gas leases.

Active bids were drawn on 159 of 187 tracts offered. All leases were made for five-year terms and a one-sixth royalty on mineral production. Highest and second highest bids—\$260,000 and \$225,000—were on 320 acre tracts in Ward County.

Receipts from auction will swell the Permanent University Fund to over \$442,000, Land Commissioner Jerry Sadler said.

GOVERNOR'S VETOES — Just before the veto deadline Governor Connally vetoed the bill which would have allowed banks, savings and loans associations and others to charge up to 17 1/4 per cent interest on certain types of loans.

"No evidence was presented to justify these specific rates, either on the basis of reasonableness

or need," the Governor said in his veto message. He said he also was concerned about a provision of the bill which would have let lenders require borrowers to purchase or provide insurance as security for a loan. That provision, he noted, would not have limited in any way "the number or types of insurance coverages which (could have been) required."

Connally vetoed a total of 40 bills passed by the 59th Legislature. Among them were:

Insecticide bill which would have affected both commercial insecticide applicators and farmers and ranchers; Bill which would have authorized the expansion of the Upper Colorado River Authority to include Coleman, Concho, Irion, McCulloch, Menard, Runnels and Sterling Counties; and Bills creating Northeast Texas State College at Texarkana and Permian State College at Odessa.

Identified below are eight major insects that infest home gardens in summer and the suggested Spectracide method of control.

**APHIDS.** Also called plant lice. Soft-bodied, many colors, under 1/4 in. long. Infest all garden plants, feed by sucking plant juices. Some transmit plant diseases. Spray entire plant.

**BERMUDA MITES.** Need magnification to be seen. New pest of Southern lawns. Suck sap from grass causing wilting and stunting. Spray complete lawn regularly.

**ARMYWORMS.** Great hordes can appear suddenly. Attack vegetables, lawns and flowers. About 1 1/2 in. long. Spray with Spectracide at first sign.

**BILLBUGS.** Grubs of Snout Beetle. Feed on roots and crowns of grass plants. Brown or black, 3/4 to 1 1/2 in. long. Spray with liquid or spread granular insect control.

**LAWN CHINCH BUGS.** Evident by yellowish spots in lawn that turn brown and die. Several species in U.S. About 1/8 in. long. Suck plant juices. Use spray or granular Spectracide.

**LAWN MOTHS (Sod Webworms).** Cause irregular brown, dry spots in lawn. Night feeders, they are 3/4 in. long caterpillars. Usually found in silken webs. Adults are small whitish-gray moths. Spray complete lawn.

**LEAF HOPPERS.** Many species, green, yellow or brown. Rarely over 1/4 in. long. Attack all garden plants, some transmit diseases. Spray every seven days with Spectracide.

**LEAF ROLLERS.** Green Caterpillars up to 3/4 in. long. Feeds inside rolled leaves. Found on fruit trees and garden plants. Adult moths 1 in. wide. Spray to wet inside rolled leaf.

For control, it is recommended that a regular spraying program be established — once every ten days to two weeks. Spectracide® lawn and garden insect control will keep all these insects in check. When spraying, wet the entire plant with properly mixed Spectracide — spray both sides of leaves, stems and flower stalks. More frequent spraying may be necessary in wet or hot weather. In extremely hot weather, spray only in morning or late afternoons.

Mr. and Mrs. Chester Scott and Connie were guests of his mother, Mrs. W. C. Scott Saturday.

Mr. and Mrs. Bill Edwards and family of Amarillo visited Mr. and Mrs. L. R. Foster.

Mr. and Mrs. Kermit Evans of Arlington stopped enroute to Colo. to visit his sister, Mrs. James Smith.

Mr. E. D. Head is in Adair Hospital in Clarendon, where he underwent surgery on Tuesday. At this time he is doing very well, and we all wish him a speedy recovery.

Mrs. J. L. Butler called on her sister, Mrs. Andrew Womack of Memphis Friday.

Mrs. Jerry Shields, Mrs. Earl Shields, and Mrs. Coleman Shields were shopping in Amarillo Tuesday.

Mr. and Mrs. Norman Kennedy of Norman, Okla. were here visiting Mr. and Mrs. Coleman Shields and other relatives. Miss Katie Meaders returned

home with her niece, Mrs. Troy Coker, of Lovington, N. Mex.

Mr. and Mrs. Solon Messer of Fort Worth spent Wednesday night with her sister, Mr. and Mrs. D. E. Leathers. They visited other relatives in the community.

Earl Myers was able to return home from the hospital in Amarillo Saturday. He is doing well, but must rest a lot, and take good care of himself. We are glad he is back.

Mr. and Mrs. D. E. Leathers went to Amarillo Tuesday, for his medical check-up.

Another good friend is entering the hospital for surgery. Mrs. Clarence Ayers is booked for an operation on Tuesday in Hall County Hospital. We wish her good luck, and are sure every thing will be all right.

Visitors in the home of Mr. and Mrs. E. V. Quattlebaum Sunday for the day were: Miss Estelle Plummer, Mrs. J. P. Heilkecker, and grandson, Bradley, and Mrs. Ira Plummer from St. Petersburg, Fla. Mrs. Plummer remained for a few days' visit.

E. J. Myers of Ruidosa, N. Mex. visited his mother, Mrs. Earl Myers and Glenn, and his father Earl Myers in the hospital.

Mrs. Sid Pointer and Stevie returned home Saturday from an extended vacation to Los Angeles, Calif.

Mrs. Lester Carol Myers and

Kathy spent the week end with the Earl Myers, and Sunday went on to Wichita Falls to spend a few days with her parents, Mr. and Mrs. Ernie White.

Rev. and Mrs. B. F. Todd arrived from Hawaii to spend a few days with her parents, Mr. and Mrs. S. C. Denton, and in Pampa to visit with other relatives.

Mr. and Mrs. Edgar Turley and daughter Inez of Fort Worth spent the week with Mr. and Mrs. Earl Myers and Glenn.

Mr. and Mrs. W. H. Dickerson and daughters Gayle and Karen of Andrews were visitors this week end in the home of her father, Mr. and Mrs. Edd Mooring.

Mrs. Herbert Shields and Mrs. Hester Shields made a shopping trip to Amarillo Saturday.

Mrs. Vida Shields was honored with coffee, celebrating her birthday in the home of Mrs. Thelma Shields. Guests were Mrs. Suzy Shields, Mrs. Hazel Shields, Mrs. Reba Shields, Mrs. Jo Ann Shields, Mrs. Sue Shields, and

the hostess. Mr. and Mrs. Wallace Riffle and family of Sheridan, Ark. spent last week visiting her parents, Mr. and Mrs. O. L. Usrey and other relatives.

**HEDLEY NEWS**

Mrs. Mabel Bridges

George Stone arrived in Dallas Tuesday of last week after completing his service in Germany. Mrs. Stone and children have made their home here while he was gone. They plan to accompany him to his next location at Ft. Bragg, N. Carolina.

Mrs. Eva Hill was in Amarillo last week with her son, Clarence, who is quite ill in St. Anthony's Hospital.

The R. L. Nivens family have returned from a recent fishing trip to Possum Kingdom. Word has reached here that Miss Jewel Everett of Abilene is

seriously ill in John Sealy Hospital in Galveston. She underwent major surgery.

Walter Johnson and grandson, Roger Gibson, attended the Wheeler Rodeo over the week end and visited Walter's brother, the Clyde Johnson family.

Mrs. Mary Stotts and her mother, Mrs. G. T. Foster, spent Saturday night in Childress with Mr. and Mrs. H. Greer.

Mr. and Mrs. A. E. Ranson spent Saturday night with her mother, Mrs. Wigginton, in Memphis.

Mr. and Mrs. Charley Foster attended a family reunion of the Williams family in Paducah over the week end.

The Blackie Johnson family is on vacation in Old Mexico. Mrs. Mattie Barnett and Adell Myers of Pampa spent Saturday in Hedley.

Mr. and Mrs. R. M. Saunders are vacationing in Colorado this week.

The Gene Allison family vacationed in San Antonio, Austin, and Denison last week.

Mrs. Iva Ranson of Canadian spent a few days here visiting friends. She was visiting in the home of Miss Jessie Davis.

Mrs. Lois Moffitt returned home the first of the week after visiting her sister, The Tom Johnson family in Dumas.

Former Hedley residents visiting here recently were Barney Clifton of San Angelo, the L. O. Thompson family of Canadian, Mr. and Mrs. Jim Crawford of Tulia, Mr. and Mrs. Luther Neely of Amarillo, and Mr. and Mrs. Billy Wiggins and family of Lub-

bock. Our good friend, J. W. Noel, is in St. Anthony's Hospital in Amarillo for medical attention. We wish him a complete recovery.

Pam and Vanessa Myers returned home Friday from Canyon after spending two weeks with their uncle and aunt, Mr. and Mrs. George Younger.

Miss Ellen Fay Land of Perryton visited homefolks this week end.

Mr. and Mrs. A. T. Watkins of Palasades, Colo. and Mrs. Alvin Swinney of Hugoton, Kan. visited their father, Cal Watkins, and sister, Vashti Bates, last week.

Miss Millie Land returned home Thursday from the Spearman Mule Train trip to Oklahoma City and Muleshoe. Zebbie Land Catering service of Pampa fed the train on the trip.

Jim Younger of Ft. Morgan, Colo. is visiting homefolks a few days.

Mr. and Mrs. Rex Willoughby and son of Tyler are visiting the lady's mother, Mrs. Edna Wilson. They all plan to vacation in Colorado this week. Mrs. Wilson plans to return home with them for a visit.

Sorry to report Mrs. Gene Bolin is critically ill in Northwest Texas Hospital in Amarillo. Her family is with her.

Mr. and Mrs. Clifford Johnson and Mr. and Mrs. Alva Simmons attended funeral services for Horace Duval in Lakeview Wednesday afternoon.

Not all crows are black; some have brightly colored feathers.

**STAY COMFORTABLY COOL**  
 for  
**AS LOW AS**  
**\$ 6 64**  
 per month

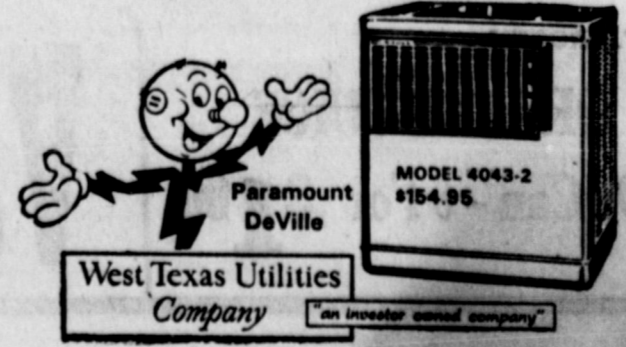

On days when the heat is unbearable, people go to the lakes or beaches to be cool and comfortable. The cool breeze of the lake or sea shore is air in motion that has been cooled by the process of water evaporation. This same process is created by a Paramount Evaporative Cooler. The large squirrel cage blower continuously pulls outside air through wet redwood filters thereby lowering the temperature through evaporation of water in the filters. This cool, fresh, filtered air is then directed into the area to be cooled.

Some of the advantages of a Paramount Cooler are:

- Low cost of equipment, operation and maintenance
- Quick and easy installation
- Maximum comfort at all times
- 100% fresh, cooled, filtered air
- Fresh air ventilation, without cooling, for spring and fall—just turn off the water

See the Paramount DeVille evaporative cooler at your WTU Showroom.

Normal installation FREE for WTU residential customers.

### TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

#### THE CIGARETTE ISSUE

The question: Does cigarette smoking cause lung cancer? Some eminent medical scientists and others say YES. Other equally eminent medical and other scientists say NO. One eminent psychologist stated that the statistical evidence used to support findings that cigarette smoking caused lung cancer could be used in the same manner to prove that divorce causes lung cancer.

The facts: The facts are that it has never been proven biologically that cigarette smoking causes lung cancer. Millions of dollars have been spent in laboratory and other tests to prove that inhalation of cigarette smoke is the primary cause of lung cancer. The testimony from all witnesses before the Congressional Committee on this subject was to the effect that inhalation of cigarette smoke had never caused lung cancer in laboratory animals, although the matter has been under experimentation for more than 60 years. It has been established, however, that certain hydrocarbons, many of which are present in polluted air breathed in many cities of this nation, have and do cause lung cancer in laboratory animals. This is a matter of record in the hearings and also in the Surgeon General's report on this subject.

The real issue: The underlying and real issue in the cigarette controversy was never properly publicized. Simply, it was this: Should the Congress of the United States meekly surrender its Constitutional legislative powers to a Federal bureau not directly answerable to the electorate of this nation? The cigarette issue was used as a smoke screen in a veiled attempt by a bureau to further

encroach upon the Constitutional legislative powers of the Congress. Those of us who undertook to protect and preserve those powers were subjected to a malicious, false, and unfounded attack by a syndicated columnist. Strangely enough, this particular columnist has long supported absolute centralized power in the Federal bureaus and boards over the freedoms and the rights of Americans. Strangely enough, he is the same columnist who has so often visited in Russia and has paid compliments to Khrushchev as well as many of the practices of the Russian economy. He has the right to his beliefs and his philosophies, but by the same token I have the right to my belief that true representative government will be destroyed if the Congress of the United States, made up of the duly elected Representatives and Senators, is required to surrender legislative powers to appointed boards, bureaus and agencies.

I do not smoke, chew, or dip, and have not used tobacco in any form for more than 14 years. It is my personal belief that any young person who takes up the tobacco habit is very, very foolish. However, tobacco is the livelihood of many, many Americans and constitutes the basis for a substantial segment of our economy. If tobacco can be established biologically as the primary source of lung cancer, it should be placed in the same category as marijuana, heroin, opium, and any other drug. Its production and sale should be forbidden. Such proof has not been produced after more than 60 years of experimentation. I, as a free American, subscribing to the guarantees of our Constitution, do not propose to write the death sentence of a substantial segment of the economy of the United States and the world on unsubstantial conclusions of government-paid employees who are not willing to advocate prohibition of cigarettes, but who are willing to spend mil-

lions of dollars of taxpayers' money (by their own testimony) to brainwash the American people that their opinions are correct. A good example of their findings is contained in the Surgeon General's report, which I quote: "Although smokers are different from non-smokers psychologically and socially, there are many differences among smokers and non-smokers, so that some smokers may be like some non-smokers." Frankly, I think tax money could be spent for much better purposes and more effective results. If they are of the opinion that cigarette smoking is the primary cause of lung cancer, they should be honest enough to demand absolute prohibition of cigarettes.

I shall continue my efforts to preserve the Constitutional legislative powers in the Congress, which is the body directly answerable to the electorate.

WALTER ROGERS  
Member of Congress  
18th District of Texas

#### ATTEND STATE FFA MEET
