Services Held Wed. For Mrs. Coronette Clementine Putman

Funeral services for Mrs. Coronette Clementine Putman, age 83, were held on Wednesday, January 12th, at 2:30 p.m. in the First Baptist Church with Rev. W. R. Lawrence, pastor, and Rev. Baldwin Stribling, pastor of the First Presbyterian Church, officiating.

Mrs. Putman died on Monday at 2:20 p.m. in the Hall County Hospital in Memphis where she had been a patient for about a week. She was born on June 1, 1882 in Collin County, Texas and was married to Marcus Lafayette Putman on December 23, 1898.

Survivors include: four daughters, Mrs. R. A. Williams, Mrs. M. B. Trout, and Mrs. J. H. Spier Jr., all of Clarendon, Mrs. Jack Holsenbeck of Kermit, Texas; five sons, Leonard, Guy, Lois, and Clyde of Clarendon and Gene of Claude; eighteen grandchildren and thirty-nine great grandchildren.

Pallbearers were A. J. Garland, Pete Borden, Donald Harlan, Jerril Martin, Gerald Noble and Pete Darnell.

NEIGHBORS GATHER CROP FOR MRS. GENE MARTIN

On Monday morning, Jan. 10, men with boll pullers, trailers, and pickups began to gather at the Gene Martin farm in the Naylor community. In a short time the cotton field resembled a hill of busy ants. At noon lunch was served by Mrs. Ray Holland, Mrs. Don Altman, and Mrs. Howard Gerken of Amarillo to: Lacy Noble, Willie Weatheron, J. D. Anderson, R. D. Castner, P. C. Longan, J. C. Mills, Bill Hall, Bill Poole, J. C. Shields, Don Altman, H. C. Shaw, F. A. Floyd, Johnny Ramirez, James Williams, Earl W. Shields, Harvey Shaw, W. H. Johnston, Carroll Tolleson, Ray Holland, Gary Longan, Clarence Ayers, and Roy Brock. The entire crop was gathered and delivered to the gin by mid afternoon.

This act on the part of thoughtful neighbors proves that the Panhandle is one of the best places in the country to live in. Mr. Martin died as a result of a heart attack December 27.

LITTLE LEAGUE MEETING ANNOUNCED FOR JAN. 20

All persons interested in the Little League program are asked to meet Thursday night, January 20, at 7:30 p.m. at the City Hall.

The Little League program has been carried on in our community for the past several summers and affords the youth of our community recreation as well as providing them with a "busy" program.

It takes the concentrated effort of everyone to keep a program of this type alive. Each summer more and more youth are taking part and this coming summer will be no exception. With the two fields now available for play schedules are completed earlier affording time for vacations and team play works off much faster.

"All interested persons are urged to attend this meeting so that tentative plans can be formulated and needed equipment considered so that all may be in readiness when the playing season arrives," stated Billy Jack Land who headed the Little League staff this past season.

Mike Corder and family of Amarillo visited with Ronnie Rattan last week end.

Last Rites Held At Alamogordo, N. M. For N. N. McCrary

Funeral services were held Tuesday afternoon at the Mullins-Hamilton Chapel, Alamogordo, N. Mex. for N. N. McCrary, former Clarendon resident, with Rev. C. E. Whitlow officiating. Burial was in Monte Vista Cemetery at Alamogordo.

McCrary, 49, was raised in Clarendon and started his career in the Lumberyard business as a bookkeeper for Foxworth-Galbraith Lumber Co. here. He was transferred to Silver City, N. M. as assistant manager. During his tenure with this company he was manager of their yard at Dalhart, Silver City and Deming, N. Mex. He moved to Alamogordo ten years ago where he purchased part interest in the Alamo Lumber Co.

His prominence at Alamogordo is better described by the following reprint from the Alamogordo Daily News Monday "A wave of shock and surprise still was spreading through the Otero county community today following the death late Saturday night of N. N. (Mac) McCrary, businessman and civic leader, who passed away at his home in Mountain Park in the mountains near Alamogordo. Although McCrary was known to have suffered from a heart condition, friends had known of his sudden passing struck a wide circle of friends and associates with shock. Always active in civic affairs during his residence here, he was a leader of the Chamber of Commerce, a member of the Rotary Club, a past director of the Mountain States Lumber Dealers Assn., a member of the Veterans of Foreign Wars and a Member of the First Baptist Church, Clarendon, Texas."

Mr. McCrary was born April 4, 1916 in DeKalb, Texas, son of Mrs. C. L. McCrary and the late Mr. McCrary. He attended Clarendon schools and was married to Miss Neva Riley of Clarendon in 1935. During the time he served in the Army during World War II, Mrs. McCrary lived here with her sister, Mrs. Hattie Palmer in Clarendon.

Surviving are his wife, Neva, and son Craig, of the home; his mother, Mrs. C. L. McCrary of Amarillo; two sisters, Mrs. T. E. Steinbock of Amarillo and Mrs. Lewis Underdown of Laredo; and three brothers: Ollie of Silver City, N. Mex., Clifford of El Monte, Calif. and C. F. of Amarillo.

Pallbearers were Milton Stovall of El Paso, Howard Cearley of Deming, G. W. Estlack of Clarendon, Doug Reding, Hollis Coker, Herman Boyd, Scott Davis, and John Joe Wilkinson, all of Alamogordo.

Large Endowment Left To Junior College By Miss Etta Harned

The Clarendon Junior College has been made the primary beneficiary of the estate of Etta J. Harned it was revealed this week by William J. Lowe, local attorney and the executor of her estate.

Miss Harned died in Adair Hospital at Clarendon on December 29, 1965, at 76 years of age. Her will was probated on January 10 in County Court.

The First Methodist Church, Clarendon, Texas, was the other beneficiary of her will, and was left her home in Clarendon.

The bequest to the Clarendon Junior College should amount to at least \$200,000 after her estate is liquidated, Lowe stated. Her estate consisted primarily of land in Armstrong and Randall Counties.

The bequest was partially given in memory of her deceased sister, Ida M. Harned, who died in 1959. The bequest is to be called the Harned sisters Memorial Endowment.

The Harned sisters came to Clarendon from Denver in 1913 and had since resided in Clarendon. They were engaged in the millinery business in Clarendon for a long number of years. Their parents were school teachers.

The Harned sisters were always interested in the Clarendon Junior College and in furtherance of music education. The Harned Sisters Memorial Endowment is to be administered by the Board of Regents of the Clarendon Junior College with a preferential stated purpose for the music department, but other purposes for the Junior College may be designated by the Board of Regents with the consent and approval of William J. Lowe as executor in carrying out her wishes.

"It is commendable that property is bequeathed to local institutions instead of distant or out-of-state organizations, whereby people who knew the benefactor may benefit from her generosity," Lowe stated. "I only wish that proper recognition could have been given Miss Harned during her lifetime for such a noble and magnanimous gift, but her thoughtfulness and generous endowment will live on to be appreciated and remembered by countless students and appreciative citizens."

JAYCEE-ETTES SPONSOR WHITE ELEPHANT SALE

The Jaycee-Ettes are sponsoring a White Elephant Sale at 7 p.m. January 18th, in the home of Frances Hill. The public is invited to attend. Admission will be one White Elephant.

AREA RESIDENTS ATTEND MCCRARY SERVICES

A number of area residents attended funeral services for N. N. McCrary in Alamogordo, N. Mex. Tuesday afternoon. Among them were H. L. Riley, Jim Riley, Pete Riley, Mr. and Mrs. Hal Riley, Mr. and Mrs. T. E. Steinbock, Mr. and Mrs. C. F. McCrary and daughter, and Mr. and Mrs. Don McCrary, all of Amarillo.

Mr. and Mrs. G. W. Estlack, and Mrs. Hattie Palmer of Amarillo also attended services leaving Sunday and returning home Tuesday night.

THIS AND THAT

Campus Chatter

by Jim Blackerby
The holidays are over and lessons are clicking along on the Hill. Everyone is preparing to take semester exams. Wow, how time does fly. It seems only yesterday that school was beginning, and now, as we near the end of another semester, there are many things we did not get done —

things such as studying every night so that there would be no late hours of cramming and writing those themes before the day they were due. Now it is late, semester exams are nearly here, and my guess is that there will be many tired, sleepy eyes on campus during the next 2 weeks as a result of burning the midnight oil.

There may have been a lot of studying over the holidays. At least a lot of students looked like they had been staying very hard when they returned. Explanations for all the red, bloodshot eyes were hazy. From the reports it seems that everyone had a very good time during the vacation. But some do not recall just how or when or where.

HERE AND THERE

Dafynitions
by Gwen King

Sharon Henson defines a "career girl" as a person who goes out and earns a man's salary instead of sitting at home and taking it away from him.

"Chaos" says Jimmy Blackerby, "is Maudena, Dolphia, and Charlene discussing the two sides of an issue."

"Comic books," says Dan Mitchell, "is illiterature."

Asked to define a "cauliflower," T. Rose Stepp replied, "A cabbage with a college education."

"Chastity" says Tommy Thompson "is the sterilized milk of human kindness."

On returning to class from the holidays, Mrs. Hamilton assigned her freshman English class a theme. When the papers had all been turned in, she noticed a note in the upper corner of Steve Lindsay's paper which expressed his regret for not reading the assignment and that he felt honesty would be rewarded. On receiving the theme after it had been graded, Steve was surprised to see the gesture from Mrs. Hamilton which was symbolized by an "F" with a halo above it.

WHO AND WHAT

Harlem Exhibition Game
Basketball fans got their money's worth at the exhibition game between the Harlem Stars and Clarendon College alumni on New Year's Day.

Sponsored by the college Athletic Department and directed by Coach Lawrence Overcast, the contest drew a good crowd.

Coach Overcast expressed his appreciation for the good support given by the college exes and announced that they had requested that an annual contest between the college varsity and alumni be scheduled. Plans are now being made toward that end. Ex-students participating in the exhibition include Don Johnson from Briscoe, Lloyd Stevens and Kenneth Martindale from Sannorwood, Ray DeBord from Canyon, Carrol Stepp from Lakeview, Carl Irbeck from Clarendon, Max Courtney and Randall Murray from West Texas State University, Bill Snyder from Sanford-

Fritch, Dwayne Reynolds from Hedley.

BULLDOG PERSONALITY

Ricky Potts

One of the two former Panhandle High School basketball players to cast his lot with Clarendon College this season is 6-6 postman, Ricky Potts. Potts, a former all-district cager in Panhandle, is a freshman center and has been seeing plenty of action for Clarendon thus far in the cage season.

Potts is 19, and his parents are Mr. and Mrs. R. H. Kingham of Panhandle.

Comments From The Coach's Corner

In the game against Howard County last week, we felt that we played well enough to win. We lost the board game in the second half and let them get away from us.

In the Odessa game we put out about the same effort that we exhibit all the time—it was good enough to win. The Odessa club had beaten Howard County and

Arrows frequently are lost from the quiver. To prevent an occurrence of this sort, fit a chunk of styrofoam into the bottom of the quiver.

Arrowheads then can be stuck into this pliable material. But, a slight pull will release them.

QUIVIARA GIRL SCOUT COUNCIL CONFERENCE TO BE HELD

A conference for members of the board of directors of the Quiviara Girl Scout Council will be conducted January 15th, from 8:30 a.m. to 4 p.m. in the Coronado Inn, Pampa. Mrs. J. D. Giddings of Baytown, Texas will be in charge of the meeting.

Lawrence Neece of Clarendon is a nominee for member-at-large and will attend the conference.

KEEP POSSESSIONS SAFE

Small objects sometimes are lost overboard in rowboats, or other small craft, during rough weather.

Keep such valuables safe by screwing or nailing, the metal top of a widemouth mason jar to the underside of a boat seat. Then place your keepsakes inside the jar and screw it to the top that you fastened under the seat.

Not only will your valuables be out of the weather but they'll also be off the floor, partially hidden and out of harms way.

CHECK YOUR HOME FOR POISONS, SPECIALIST SAYS

An appropriate slogan for all homemakers might be "protect young lives," says Mrs. Patsy Reynolds Yates, Texas A&M University Extension specialist in family life education.

"Parents must be constantly aware of all the forms of danger to children," the specialist reminds.

Accidental poisonings continue to mount each year. Not all are fatal, but in 1961, there were 42,000 cases of poisonings — 90 percent which involved children under five years of age.

"When a child is that young, he cannot be held responsible. His parents must protect him. Many parents are unaware of how many household items are poisonous. A child is full of curiosity. Part of his big task of growing up is to explore his world. So he does it by poking, opening, tasting and swallowing," the specialist says.

What heads the list of the most common culprits? Aspirin was the leader in 21 percent of the cases reported in 1961. Other items were insecticides, bleaches, and detergents. Any liquid, powder or tablet which youngsters can put in their mouths is dangerous. They have been known to swallow household ammonia, roach tablets, and oven cleaners, Mrs. Yates says.

Attend the church of your choice.

CHS Cagers Take First Place In Claude Basketball Tourney

The Clarendon High School Boys overpowered three tough opponents with apparent ease to win the Claude Basketball Tournament.

Fast starting Quitaque was the boys' first opponent and seemed to hold a slight edge at the end of the first quarter of action with a three point margin, 12-15. The CHS boys rallied to carry a four point spread into the dressing room at the half. Clarendon was out in front by a score of 34-30. The CHS cagers extended their lead in the third quarter to lead by a score of 51-40. The fourth and final period ended with Clarendon the victor by a healthy thirteen point margin. The final score was 67-54. Archie Smith was high point man for Clarendon hitting the hoop for 23 points.

Odell Louis sank 20 points, David Mooring hit for 18, and Richard Thornberry got 6. High point man for Quitaque was Ramsey with 20 points.

The local boys played Groom in the second game and had rather an easy go. The first quarter was a feeling out period for both teams, ending with the local boys ahead 8-7. Clarendon burst ahead in the second quarter and lead at the half 27-16. The third quarter was a repeat of the second for the boys and they led 43-26. Groom never posed a serious threat and Clarendon drifted along for an easy win at 56-37. David Mooring set the pace for Clarendon with 20 points with Archie Smith right behind, finding the basket for 19 points. Odell Louis had 9, and Richard Thornberry 6. High scorer for Groom was Jerry Roberts with 17.

In the final game the local boys played Adrian. This game was closer for the boys but they pulled it out in the second half. The first period of action was a close 16-14. The half ended with the score tied at 30-30. An aroused Clarendon monopolized the action in the third period to lead 51-44. At the final buzzer the local boys had defeated Adrian 64-53 to win first place in the tournament. Archie Smith led the Clarendon scoring with 27 points. Mooring had 9 and Thornberry had 8. Odell Louis and Larnce Gardner tied with 5 each. Brown was high for Adrian with 16.

The CHS boys have outscored their opponents almost 18 points. These cagers have averaged 62.2 points per game to their opponent's 44.4. Four boys are presently averaging in the double figures. This is the record that the local boys will take into district play.

The CHS girls did not fare as well as the boys in the tournament. The girls lost two games but only by a few points. Last minute rallies were not quite enough to win the games.

The first opponent faced by the Clarendon girls was Adrian, a tough defensive team. The score was tied 14-14 in the first quarter and then the tough defense of the Adrian team held the local girls scoreless throughout the second quarter to lead at the half 14-24. Adrian kept the lead in the third quarter, 25-32. A rally by the Clarendon girls did not prove sufficient and the final quarter ended with Adrian the winner by a close four points, 37-41. Setting the pace for the local girls was Cheryl Fedric with 23 points. Sandra Longan netted 8 and Judy McAnear 4. Jobe found the basket for Adrian with 27 points.

The second girls' game was about the same type of defensive battle CHS girls played Claude in this contest. The first period emphasized defense and ended with Clarendon behind 6-7. The second period was almost a repeat of the first but Claude moved in front 14-17. Clarendon fell a little further behind in the third period which ended 20-27. Clarendon rallied in the final period but lacked 3 points at the end of another close game. The final score was 37-40. Once again Cheryl Fedric tallied the most points for the local girls with 16. Judy McAnear sank 11. Sue Hill and Sandra Longan hit 5 each. Leading the scoring for Claude was Suzanne Brown with 17 points.

NEWS FROM CITY HALL

by R. L. Gilkey, Mayor

1965 was a good year for the city as well as the county and the local school district. I hope that 1966 will be even better. Here is what we will be working for as a city this year.

The city offices will be moved to the red brick school building. If you've driven by recently you've seen lots of activity and remodeling. Once the offices are completed for the city, I assume that other organizations will remodel and refinish their rooms as required.

Law enforcement will remain a prime objective. With a patrolman on the streets of Clarendon 24 hours a day we should have a marked decrease in the number of traffic accidents. Along this same line I have heard several citizens ask about a wet-dry election. If such persons desire an election then a petition will be required. I shall not call for such an election without a petition, and I shall instruct city officers to work with county and state law officers to enforce the present law as well as possible. If citizens think it would be beneficial to our area, then change the law. Otherwise we shall enforce the present law.

Trash and garbage pickup is economically not feasible for our city. In the new budget the aldermen noticed that the city sustains a monthly loss for this service to the citizens. At present a \$1.00 charge is assessed on each water meter for trash pickup at a residence. This is a "hidden charge". The minimum water fee of \$3.50 is composed of \$2.50 water minimum and \$1.00 trash pickup fee. During the heavy season citizens have trash pick-up twice weekly for the sum of \$1.00. Businesses pay an additional amount of two to eight dollars depending upon the amount of refuse and type of business. These businesses fees are in line with cost of pick-up, but the residence fee is simply too low. I look for the city council to remove this "hidden charge" and increase the residence trash pick-up fee

from one to two dollars. This may be done by leaving the present "basic minimum water fee" at \$3.50 and adding a \$1.00 trash and garbage charge.

Of utmost importance this coming year is the election of aldermen for the city. It is my hope that several interested citizens would consider taking some of their time to serve the city in this manner. There are, of course, times when it seems a thankless job, but those times are overshadowed by the sincere thanks that is received by interested citizens. Few jobs are more satisfying than public service for fellow man.

The Greenbelt Dam will be started in 1966. The city along with the county will assist the water authority in every way in promotion of water sales, recreation, and in any other method possible. With good water available, the local industrial foundation may have an additional tool with which to entice industry to this area.

A fair tax valuation and equalization will be one big step in the request of the city council in 1966. This was attempted several years ago and failed. This year it shall succeed because I feel that the majority of the citizens want a fair tax valuation and equalization.

Water, sewer and street service shall be extended in 1966, albeit a bit slowly. Water and sewer service, being the most important, shall have prime consideration of spending the city funds. Street paving shall be done only if the funds are available.

The council paid \$1500.00 from the budget to the fire department

toward the purchase of a new vehicle this month. Similarly other equipment in constant use, is wearing out. Funds will be necessary for the maintenance and replacement of such equipment.

As a citizen you may think that these plans are too elaborate and unnecessary. I think that they are necessary. I am concerned about the future of the city. Our population was 3000 when I came to Clarendon some years ago. Now is the time to step ahead and plan for tomorrow. The Space-Age byword is "Progress or Perish". WE SHALL PROGRESS.

NO UKASE IS NEEDED

During the last session of Congress, there was a good deal of discussion over proposed measures that, allegedly, are needed in the name of "consumer protection". And during the coming session this matter promises to be a prominent one.

The proposed "protections", in almost every instance, consist of giving a federal bureaucracy sweeping powers over the goods from which the consumer may pick and choose. They involve labeling and the size and kind of packages. The whole idea is to impose a dull and sterile uniformity on a long list of consumer wares, including foods.

No one objects to laws which demand honest statements of weights and measures and what is inside the package. These laws are in effect everywhere, and in some instances they need to be strengthened that certainly can be done without lessening competition and arbitrarily restricting the consumers' freedom of choice.

There is no conceivable need, for instance, for a ukase from Big Brother which will tell a producer what kind of a package he may use in an effort to stimulate sales, and what a retailer can offer.

These proposals, it seems, are predicated on the idea that consumers are generally incompetent and just aren't able to look out for their own interests. Actually, as just about any storekeeper can tell you, the situation is utterly different. The housewife is a wily shopper. She compares, judges and selects. If she ever feels she has been deluded or exploited, she is through with that particular brand of merchandise—and, possibly with the store which sold it. She is her own best policeman.

Mrs. Gertrude Hardisty of Salem, Oregon visited through the holidays in the home of Mrs. Julia Huer, Mrs. E. T. Naylor, and Rudolph Wiedman.

LOOSENING TENT ROPES

Loosening tent ropes that have become wet can be a chore.

Make such work easier by digging a 6-inch hole on the tent side of each pole. Then as you slide the poles into the holes the ropes become loosened.

We wish you well, we cannot tell how much, although we'd like to.

May your New Year bring lots of cheer, and every day delight you.

A smile is a situation upon your fact Which puts a lot of things in their place.

Many good luck charms may come and go, A happy smile is the best we know.

To be smart, one must first listen to learn. To be popular, one must learn to

listen. It's too bad anybody has to be poor, but the fear of it keeps a lot of folks workin', and the politicians in office.

Funny thing, folks will get mad at the other fellow because he doesn't agree with his religion, when he doesn't agree with it enough to practice it.

If we thought folks could see our faults were there — We'd groom them as carefully as we do our hair...

On Miss Laura V. Hamner's correspondence cards there appears the following statement: "There are always blue skies over Texas." This is a good thought about a grand state, and this winter so far it has been really true.

Some folks dabble with religion just about like they do patent medicine—always hunting something to cure their aches and gripes.

About the most unbearable situation in this world is to meet

up with someone who has some of our own pet faults.

So many times when we find an easy way to do something, before long we have decided that it doesn't need doing at all.

Too many folks are trying to take all of life's load off their children. My goodness, a load on our shoulders is about the only thing that will keep a fellows feet on the ground.

Aunt Bee quit her Busy Ant Club. She said all they did was talk about things they ought to be doing.

Most children would turn out better, if they didn't turn out like their parents acted when they grew up.

BRONCHO COLUMN...

Broncho Chit Chat
Today is officially "S. T. Day" (Semester Tests Day), and all the

students are groaning profusely about it. Today and tomorrow in a small sense determine the fate of many students who think they are progressing. Grades will soon tell! The wear and tear of the past two weeks is beginning to show; the students walk around with dazed expressions, and look at the teachers as if to ask, "What is this all about, anyway?" They have been bustling about, staying up late studying, working on themes and doing research papers. Poor children, they're pooped.

Last week was fairly uneventful, as it was the first week after the holidays, and no one really felt like doing much because they were still thinking about all the turkey, the fun at parties, and getting to sleep late in the mornings. They came out of their lethargy long enough to cast their votes for Mr. and Miss CHS. The eight finalists are: Cheryl Fedric, Melinda Moore, Nelda Stepp, Sue Hill; Wayne Leathers, Mike Horton, David Mooring and Richard Thornberry. Two of these students are the lucky ones, and everyone is on pins and needles to find out which is which, but their

curiosity won't be satisfied until the 19th of February when the winners will be announced at a very impressive ceremony sponsored by the annual staff. They are all good candidates, and are proud of the honor of being a finalist. Congratulations to all of you, and Mr. and Miss CHS, who ever you are, CONGRATULATIONS!

What's the best 5-letter word for fertilizer?

And for wheat — NIPAK 45.

Get better wheat crops and earn bigger profits. Topdress your wheat with Nipak 45 right now — for greater yield and higher protein. Nipak 45 — 45% nitrogen fertilizer from Urea — gives you one-third more nitrogen per pound than any other form of solid nitrogen fertilizer — which enables you to handle less fertilizer and cover

more ground in less time. Nipak 45 is uniformly prilled, too. It flows easily, won't cake, clog—or corrode your equipment. Nipak also dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power, ask your local Nipak dealer about Nipak 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.

PERFORMANCE THE CHEVROLET WAY

It's our Turbo-Jet 396: the V8 strong enough to run your Chevrolet and its automatic transmission, power steering, air conditioning, power windows, AM/FM Multiplex Stereo radio. And more. Without even breathing hard. Reason is, a Turbo-Jet V8 breathes deeper. Breathes freer. Delivers more usable power whenever you need it—like for safer passing. Works more efficiently. Where the smaller engine hurries, a Turbo-Jet V8 just loafs along. You try it, at your Chevrolet dealer's. And nowhere else.

We offer two Turbo-Jet 396 V8s for '66. You can order 325 hp in any Chevrolet; 325 or 360 hp in a Chevelle SS 396. There's also a 427-cu.-in. Turbo-Jet (up to 425 hp) available in Chevrolets and Corvettes.

SEN. ANDY ROGERS TO BE HONORED AT PLAINVIEW

A large crowd of Panhandle and North Texas is expected to be in Plainview January 21, to show their appreciation to State Senator Andy Rogers of Childress for his 17 years of service in Austin.

Sen. Rogers represents the 30th Senatorial District of Texas which now has 21 counties. He did represent Donley County but under the recent re-districting measure the county was placed in the northern district. Sen. Rogers has not announced for re-election but is expected to do so within the next few days. The 'Sen. Rogers Appreciation Banquet' will be held in the Hale County Agriculture Building.

Prior to becoming a state senator Rogers served in the House. The banquet tickets will sell for \$5 each.

Mike Corder and family ate dinner Sunday with his aunt, Mrs. Edith Longan, and visited Mrs. J. C. Estlack and Mrs. C. E. Beach in the afternoon.

SENATOR HAZELWOOD WILL SEEK RE-ELECTION

Senator Grady Hazelwood will seek re-election to the Texas Senate post for the 31st Senatorial District.

The district has been enlarged by four counties so that is comprised of the 20 upper Panhandle counties. Additions are Armstrong, Collingsworth, Deaf Smith and Donley Counties.

Hazelwood's tenure in the Texas Senate is exceeded by only one member, Senator A. M. Aikin, Jr. of Paris. The veteran Panhandle legislator has served for a quarter of a century.

For many months, the Panhandle district has sought Hazelwood's announcement of candidacy, recognizing that the re-districting of Texas boundaries has placed large power in the

downstate cities, emphasizing the necessity of keeping an old hand as representative of the 31st District.

BLACKMAN ANNOUNCES FOR CO. COMMISSIONER, PRECINCT NO. 2

In announcing for County Commissioner, Precinct 2, I would like the public to know that I have had a number of people to contact me asking that I run for this office.

I believe I am qualified for the office and certainly will devote my time for the interest of the county. I have been a resident of this county for 47 years and I believe I understand the desires of the people.

Your vote and influence will be appreciated.

BREEDLOVE TO JUDGE DALHART STOCK SHOW

The Tri-County livestock show being held in Dalhart, Texas on the 17th of January will be judged by Flip Breedlove, Vice-President of the Farmers State Bank. There will be approximately fifty steers in the show. The show is composed of 4-H club and FFA members from the three adjoining counties to Dalhart county. This is one of the largest joint shows in the Panhandle.

Mr. and Mrs. W. S. Canady of Los Angeles, California recently flew into Amarillo to visit her son and family, Mr. and Mrs. Lloyd Hefner, and then on to Pampa to visit a brother. The Canady's also visited friends in Clarendon.
