Objectives of Little League Provide Broad Community Benefits

(By John Payne) As most of you know, the main objective of Little League Baseball is to provide leadership for boys under good leadership and in the wholesome activity of community participation.

The boys who participate, the adults who contribute their services and the parents who share the vigorous enthusiasm, all get something out of the program. The real benefits lie both in concrete results and in intangibles which become increasingly evident as the program develops in the community.

Yes, I would say Little League is a dynamic force that is a "Worker" for the creation of Americanism. Youngsters from all walks of life, regardless of race or religion, report for practice with the same common goal of making the team. LICENSE PLATE SALES LAG AS DEADLINE NEARS

Sheriff Truett Behrens reported Wednesday morning that License plate sales were a way under par at the present time with only two weeks remaining before it will be unlawful to operate a vehicle on public roads without the new tags.

Less than 600 of the new sets of plates have been purchased and the registration last year exceeded 2200 which means a lot of folks may be standing in line the next two weeks.

He is reminding everyone to bring along title papers and last year's registration slip as both are necessary to receive your new tags and it will save time for all concerned.

Chamber of Commerce Membership Drive Now In Progress

A concentrated three day drive by the Clarendon Chamber of Commerce was kicked off at breakfast Monday morning with the board of directors acting as a membership committee. The drive will continue all this week. Forty new members have already signed and the total is expected to go much higher by the week end. A list of all new members will be published in next week's Donley County Leader.

The Chamber of Commerce Committee assignments have been delayed until the membership drive has been completed. Appointments of Committee will be made by next week. Objectives and goals will be outlined at the next meeting. The board of directors is expecting the year 1962 to be a year of achievement.

Girl Scout Week Observance Begins With Cookie Sale

The Girl Scout cookie sale began Friday, March 9 and will continue through Saturday, March 24. The program behind the cookie sale is three-fold: (1) to help the girls make money for their troop treasuries; (2) to help raise the money for building our own established camp and (3) to help with the 1962 camping program. When the girls call at your door, your support through purchase of these cookies will certainly be appreciated.

In observance of Girl Scout Week, March 11-17, several special programs have been presented to civic organizations and all troops, as a group, attended services at the Baptist Church on Sunday, March 11.

Juliette Low established the first troop of twelve girls on March 12, 1912 in Savannah, Ga., bringing with her the principles of Scouting set forth in the Scouting movement in England. On March 12, 1962, approximately 3 1/2 million girl and adult members of the Girl Scouts of the U.S.A. celebrated the 50th anniversary of the organization. Included in this number are the 65 girls and 21 adult members of Clarendon.

Girl Scouting is part of an international movement, in some countries Girl Scouts, in others Girl Guides but linked through membership in the 51-nation World Association. The basic purpose is to inspire girls with the highest ideals of character, conduct, patriotism and service that they may become happy and resourceful citizens.

The overall program is graded according to three age levels: Brownies, 7 through 9 years; Intermediate Scouts, 10 through 13 years; Senior Scouts, 14 through 17 years. Each group has its own uniform. Mrs. T. M. Caldwell, Jr. directs the Clarendon Girl Scout program as neighborhood chairman. Clarendon is a neighborhood in the 10-county Quivira Council. The 65 Girl Scouts in Clarendon are divided among five troops, three of which are at the Brownie level, one at the Intermediate level and one at the Senior level.

Leaders and assistant leaders in Clarendon are Mesdames Tom Jinks, John Lowrie, Dalton Swinney, Bob Trout, Clyde Davis, Lee Palmer, Dick Shelton and Frances Wallace. Serving on troop committees are Mesdames Joe Robinson, Curtis Mears, Gary Barnhill, Ruby Hutton, R. Maxey, Joy Martin, Charles Dehyle, T. M. Caldwell, Jr., Lawrence Neece, Carroll Hudson, Bill Williams, H. N. Price, W. J. Lowe, Claude Moore, and Willard Skelton.

Martindale, DeBord Make All-Star Teams

Kenneth Martindale and Ray DeBord have been honored by selection on the all-star teams of the conference and the regional tournament.

Martindale, by virtue of his outstanding game against New Mexico Military Institute at Amarillo last Thursday, was selected on the all-tournament team. His slick ball handling, dribbling and his ability to drive in against the taller opponents won the praise of many of the sport writers and coaches present. He made 15 points in the game. Others who made the team included Walter Carter and Ernest Turner of Howard County, Kirby Pugh of San Angelo and Clifford Reddington of New Mexico Military Institute.

DeBord was selected on the all-conference team of the Western Junior College Athletic Conference. He was a steady performer all season and finished second in scoring with a game average of 22.2 points. Ten men were selected on this team. Besides DeBord they were: Carter and Turner of Howard County; Pugh and Tibbits of San Angelo; Reddington of New Mexico Military Institute; Berzac of Odessa; Haley of Lubbock Christian; Sims of Amarillo and Cox of Frank Phillips.

WORLD FAMOUS HARLEM STARS TO PLAY JAYCEES HERE MARCH 23

The hilarious Harlem Stars are coming to town. Advertised as the greatest and funniest basketball team in the country today, the Stars are a combination of Negro Stars who tour the world making fans laugh.

The Harlem Stars will play the Jaycee basketball team here in the College Gym, Friday, March 23rd at 8 o'clock. This will be the treat of the year for basketball fans over this entire area. The Jaycees are sponsoring the event and are urging everyone to start making their plans to be present. The admission charge will be \$1.50 for adults and \$1 for students. Children under 10 years of age, accompanied by their parents, will be admitted free.

CJC CAREER DAY COMING SOON

The third annual Clarendon Junior College Career Day has been announced for April 13. It will begin at one o'clock and end at four o'clock.

The career day will be open to seniors of Clarendon High School and all the other high schools in the area. Consultants will be here to talk to the seniors about many different careers. The college has been very successful in the past in securing top-notch consultants for the various careers and professions.

Dedication Program A Success Last Week

The Dedication Program for the Clarendon Public Schools held at the new high school gymnasium last Thursday night was a big success. A large crowd attended and there were approximately 120 honored guests which included all former school board members of the districts now comprising the Clarendon Consolidated Independent School District.

Mr. Delbert Downing, president of the Midland Chamber of Commerce, gave a very inspiring address which was spiced with a considerable amount of "good old country humor."

Superintendent James R. Cox and the school board would like to express their thanks to everybody who participated in the program, the people who came and also to the large number of people who visited the new school buildings on Sunday, March 4th.

CANDIDATES FOR CITY COMMISSION DRAW FOR PLACES ON BALLOT

The six candidates in the race for City Commissioner met at the City Hall last week and drew for places on the ballot for the City election April 3rd.

Absentee voting in the City Election started March 14th and will continue thru March 30th. Candidates in the race are V. P. (Pete) Darnell and Lloyd McCord incumbents, R. O. Thomas, F. O. Naylor, J. R. Allen and W. M. Pickering.

JOHN THOMAS RECEIVES EMBALMERS LICENSE

Mr. and Mrs. John Alf Thomas have returned home after a week's vacation in Austin. While in Austin, John received his Texas Embalmers License. They also visited in San Antonio and surrounding area. John has been employed at the Murphy Funeral Home since August, 1960. Mrs. Thomas is a teacher in the Hedley schools.

Ministerial Alliance To Take Religious Census

There will be a religious census under the direction of the Clarendon Ministerial Alliance Sunday afternoon, March 18th.

It will begin at 1:30 p.m. and continue until all have been contacted. Cards will be distributed at each of the churches at the morning service to be filled out and left in your door. This will be a big help to the workers. They will contact those who have not done this. We will appreciate your cooperation so our churches may be able to do a better job in our community. Rev. J. V. Patterson stated.

Please fill out the form below and place in the door if you are to be away from home Sunday afternoon.

Greenbelt Water to Ask for \$154,000 Advance

Directors of the Greenbelt Municipal and Industrial Water Authority will make application for a grant or an advance of \$154,000 from the Community Facilities Administration of the Housing and Home Finance Agency of the Federal Government. It was decided at a meeting of directors at Childress Tuesday night of last week.

The meeting of directors followed a public meeting in the district courtroom there.

Dr. S. H. Townsend was re-elected president of the Authority, Carroll Knorpp of this city was re-elected vice-president and Kenneth Tooley of Paducah was re-elected secretary-treasurer.

The proposal to apply for the grant was recommended by Jim Nichols of the engineering firm of Freese, Nichols and Endress. The money will be used to further the project on which a feasibility report was given recently. The money is not a loan but an outright grant and no interest is charged.

Once the grant is made by the Community Facilities Administration, the actual work must be completed within 180 days. "If we secure the grant, and we have received some encouragement, it is our belief that we will be able to put the Greenbelt project to a vote of the people this year," Dr. Townsend reported.

The Greenbelt Municipal and Industrial Water Authority has shown unusual progress and has the full support of the Texas Water Commission, according to Otto Dent of Austin, a member of the Commission, who visited in Childress last Wednesday night. Dent said that Commission would be represented at the Red River Compact meeting in Louisiana in April.

Dent assured Dr. Townsend that the Commission was vitally interested in seeing the Greenbelt brought to a successful conclusion which would assure a permanent, adequate water supply.

Oklahoma is expected to ask for the water at the Red River Compact meeting. "The water rights will remain with the Greenbelt as long as we continue to progress," Dr. Townsend said. "And we are progressing."

RECEIVES BROKEN HIP IN FALL THURSDAY NIGHT

Mrs. W. M. Pickering received a broken hip Thursday night when she turned an ankle and fell as she was leaving the dedication program at the school. She was taken to Adair Hospital and later transferred to Northwest Texas Hospital in Amarillo where she underwent surgery Saturday. She is reported improving satisfactorily and it is hoped that she can be transferred to the local hospital in a few days.

Mr. & Mrs. Barcus Antrobus Victims of Gas Fumes: Condition Critical

Officers for Conservative Club Elected

Last Friday, a group who are interested in the United States becoming more conservative in its taxing the taxpayers, its spending, and its diplomacy, met at the Lion's Club Hall. It was gratifying to see an increase in the attendance, a spokesman for the group reported.

A tape recording, "War or Peace" by Mr. Bill Strube, director of the Christian Anti-Communist Crusade, was heard.

The following officers were elected: President, T. M. Caldwell, Jr.; Vice-President, J. N. Weaver; and Secretary-Treasurer, Mrs. Homer Bones.

Everyone is welcome to come to the next meeting Friday, March 16, 1962, 7:30 p.m. at the Lions Club Hall. Another tape by a missionary from China will be played.

CITY ISSUES NOTICE IN REGARD TO NEW CITY ORDINANCE

This is to remind people who have signs on highway 287 obstructing the view at intersections of streets or alleys entering the highway, that an emergency ordinance was passed and has been published twice that they must move signs back 10 feet from the street which is city property or raise signs so that the bottom of sign will be 7 feet from the ground.

The City has received so many complaints in regard to blind intersections that we are compelled to enforce this ordinance beginning Monday, March 19. We are hoping that everyone will cooperate with us.

OPEN HOUSE TO BE HELD SUNDAY AT MUSE HOME

An open house inspection of the new home of Mr. and Mrs. Lee Muse will be held Sunday afternoon from 4 to 6 p.m. The new home is located on Sims Hill in Southwest Clarendon.

C & C Construction Company of Plainview is the builder of the three bedroom brick home. The Public is invited to attend and inspect this new home.

HOSPITAL NOTES

Patients as of Wed., March 14—Mrs. John Blocker, Mrs. Rex Jones, Mrs. Bessie Lane, Mrs. C. C. Powell and M. L. Rattan.

Dismissals—Ethel Brown, Linda Jeffers, Mrs. G. D. McMinn, Mrs. W. M. Pickering, Mrs. Bill Patman, Mrs. C. A. Pitts, Fannie Reynolds, Sylvester Rogers, and Dollie Standley.

Mr. and Mrs. Barcus Antrobus remained in a critical condition in Adair Hospital according to a last minute report prior to the Leader going to press Wednesday afternoon. Their breathing had improved quite a bit which gave them a better chance of survival although both were still unconscious.

Mr. and Mrs. Antrobus were overcome by gas fumes at their home here Tuesday night. A brother-in-law and partner in the Watson & Antrobus Hardware business, O. C. Watson became alarmed when Mr. Antrobus failed to report to the business. After trying to phone a couple of times, Mr. Watson called a neighbor, Mrs. Ernest Kent, who went to investigate. She was able to see through the bedroom window that both were still in bed and something was wrong. She reported to Mr. Watson, who summoned help and rushed to the Antrobus home.

Upon entering the Antrobus home, he found the house filled with gas fumes that had apparently come from a furnace in the basement. A window in the bedroom had been raised a bit which possibly helped keep the victims alive.

They were rushed to Adair Hospital where all facilities have been used to revive them. Mr. and Mrs. Antrobus were home alone as their only daughter, Sarah, is a student at West Texas State in Canyon.

SIX CANDIDATES FILE IN SCHOOL TRUSTEE RACE

A total of six candidates had filed their names for school trustee prior to the filing deadline last Wednesday night. The sixth candidate to file last Wednesday was Dr. Chas. E. Dehyle, who previously served with the board a few years ago.

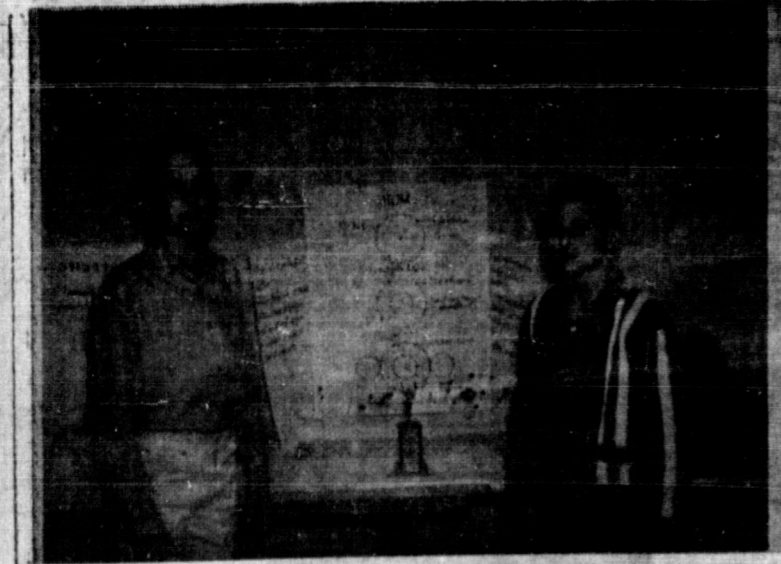

Other candidates are Bill Mooring who is seeking election for a regular term after being appointed to fill out the unexpired term of Walter B. Knorpp, Mike McCully, Pete Borden, Billy Goodman and L. P. (Bud) Moore.

Three trustees will be elected at the school election April 7th. The other two members of the board not choosing to run are Homer Estlack and Clyde Hudson.

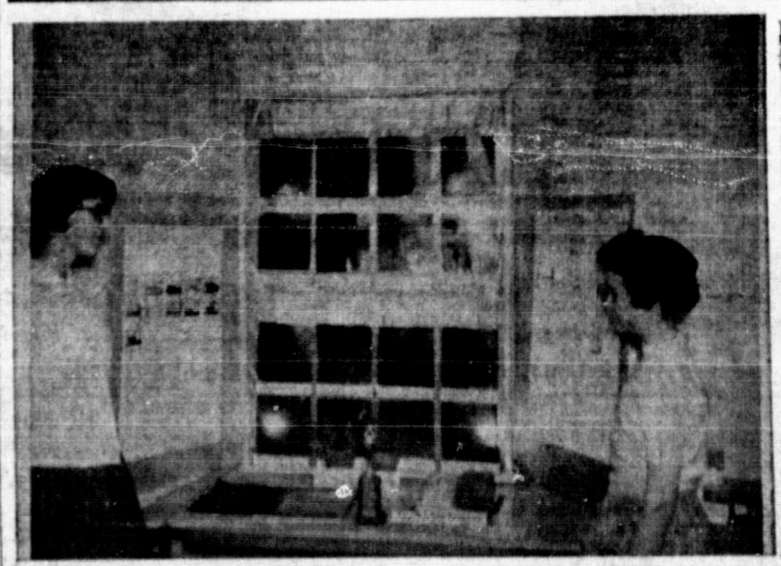

Absentee voting in the election will begin 20 days prior to election date and continue until three days prior to the election.

MILLINERY WORKSHOP TO BEGIN FRIDAY EVENING

A millinery workshop will be conducted in the Clarendon High School Homemaking Department starting Friday evening, March 23, at 7 p.m. There will be four lessons, three hours per lesson. The cost will be \$2 per lesson. If interested call Ruth M. Richerson for further information.

Cooperate with the County Commissioners in use of County equipment irrespective of precinct management. Naturally, I believe each commissioner should apply all monies received for his precinct in and for his precinct. However, all taxes paid in belong to the County as a whole. This also includes equipment. It is my understanding that the commissioners have been charging each other for the use of their equipment in precincts other than their own. I see no justification in this method. If a precinct has a flood disaster or some temporary mishap to his equipment he is welcome to our equipment without charge and I will expect the same from them. HEDLEY NEWS

Mabel Bridges

The Community Auction Sale, sponsored by Hedley Lions Club was a good sale. A large crowd was here and a big auction was carried on until 6 o'clock. The Lions served food in Kendall Hall, the new home of the Club.

The Club wishes to thank every one who helped make this event

a success. Hedley School had a holiday Friday for the teachers to attend the Teachers Meeting in Amarillo Friday.

Mr. and Mrs. Marshall Stone had all their children home Sunday except one daughter who lives in California. Present were Mr. and Mrs. James Stone and children of Arlington; Mr. and Mrs. Emory Stone and family of Amarillo; Mr. and Mrs. D. Kootz of Hudgins; Mr. and Mrs. Gary Rodgers and baby of Childress;

Mr. and Mrs. Roy Helms and Mr. and Mrs. Bill Stone and daughters of Hedley.

Mrs. Jess Mann spent several days in a Memphis Hospital. Glad to learn she was able to come home Saturday.

Mr. and Mrs. Guy Cox moved to Memphis to make their home. We regret to lose these fine people from Hedley. Mr. and Mrs. Parks of Phillips have moved to the Cox home which they purchased recently. We welcome them to Hedley.

Mrs. J. M. Dickson and Linda spent Thursday night in Amarillo with the lady's parents, the Theo Johnsons. Mrs. Dickson attended the Teachers meeting Friday.

Mrs. Don Carson and children, Tommy and Susan of Borger spent the week end with their parents and grandparents, the Tom Tates.

Rev. Grigsby, a pioneer Baptist minister of Donley County, passed away in Amherst. Grave-side services were held in Rowe Cemetery Friday afternoon at 4 o'clock. A large crowd from here were present to pay respects to a pioneer of long standing. A good man has gone home. We extend sympathy to his family.

Mrs. W. H. Masten of Amherst passed away Thursday with the funeral being held at 2:30 Sat-

urday. He was a brother-in-law of Mrs. Pearl Masten and an uncle of Mrs. Letha Youngblood. The ladies were unable to attend the funeral.

Mr. and Mrs. Bill Mathes honored Alfred Spaulding with a birthday dinner in their home. Something very unusual was that there were five generations present. Mr. Spaulding, his daughter, Mrs. Mathews, his granddaughter, Angela Mathews, his mother, Mrs. Tillie Spaulding, his grandmother, Mrs. Mattie Beach enjoyed the occasion. Others present were Mrs. Alfred Spaulding and Miss Sarah Spaulding and host, Bill Mathews.

Miss Martha Sue Noll and Miss Helen Merkle, a friend of Phillip's, and J. W. Noll of Memphis visited Mr. and Mrs. Harry Boatright Saturday.

Mr. and Mrs. C. R. Hunsucker spent the week end in Amarillo with their son, Corky and family.

Ward Grimsley of El Paso spent Tuesday night with his parents, Mr. and Mrs. W. E. Grimsley en route to Addan, Iran. Ward works for the Morley Co. of Kansas City who have sold a cooling tower to a London oil refinery. He will supervise the installation of the tower. He expects to take 3 or 4 months. Mrs. Grimsley and sons will remain in El Paso until his return.

Mr. and Mrs. Bill Jones and children Olivia, Judy and Richey of Plainview spent the week end with Mr. and Mrs. Harry Boat-

right and Mrs. Reeves and Myrtle who is ill.

Mr. and Mrs. James Reid and children spent the week end with their parents and grandparents, the Carl Reids.

Mr. and Mrs. Leonard Wall of Wellington visited Mrs. Mabel

... He's an investor

This friend of mine is a pretty good auto mechanic. He worked hard and saved some money. He wanted to invest his money in a privately-owned company. Lucky for me he picked my company. He bought some shares of stock. So this friend became one of the thousands of people who own my company. AND THIS IS WHAT WE MEAN WHEN WE SAY - "We are an investor-owned company."

CLARENDON, TEXAS

Mrs. Mildred Ritter of Clarendon came up with the right answer to the quote we used last week. The quote was, "God moves in a mysterious way, His wonders to perform." To be right honest we almost thought that it was from the scripture. At least we thought it strong enough that we looked through the concordance. When we gave up along with several others it was then that we decided to leave the answer up to our readers.

The two lines are from a rather long poem by William Cowper; too long for us to use in this column. It has some six verses and can likely be found in any library. However we will give the first and last verses of the poem entitled—LIGHT SHINING OUT OF DARKNESS by William Cowper.

God moves in a mysterious way His wonders to perform; He plants his footsteps in the sea, And rides upon the storm.

Blind unbelief is sure to err, And scan His work in vain; God is His own interpreter, And He will make it plain . . .

Thank you Mrs. Ritter for helping us out. If not more than five request a copy of the poem we will send them all verses. If more than that number request it we might just include it all in next week's column . . .

Being Smart is often the result of keeping quiet. It's better to keep silent and have folks

think you don't know anything about the subject than to speak up and have them know it's true.

A good way to have a clean mind is to change it once in awhile. It's all right to be set in your ways, provided your ways have the right set.

Most everyone would consider it ill manners to talk with our mouth full. Too often, folks feel they must speak up or bust when their head is completely empty.

Before we decide to make a living out of our wits we should be sure that we have the necessary equipment.

Even if we refuse to face the facts, there are certain facts that are sure to face us.

We should pity the fellow who is long on dollars and short on common sense.

The man who decides to be his own lawyer should be sure that he doesn't have a fool for a client.

A wise man gets learning from those who have none themselves.

It is said to be all right to let the human mind wander, just so long as we don't follow it.

No matter how wise a person may become, it is all the more reason we should keep looking to a higher power.

Wouldn't it be wonderful if we could sell our experience for what it cost us.

A wise man has ideals. He may never reach them, but like the stars he will have the benefit of their light.

Friendship that can be bought

with money is never a bargain at any price. The price of real friendship can only be earned or repaid in kind; that of being a true friend in return.

Wisely someone has said, "Go often to the house of a friend; for weeds choke up the unused path." One of our most common faults is to neglect our friends.

We forget little obvious things like telling them that we appreciate their friendship. We expect that they understand how busy we are and take for granted all our unspoken affection. We can think of no greater encouragement than a pat on the back by a friend.

We need to build our fences low enough so that we can shake hands with our friends across the top rail. The little poem by Edwin Markham shows us a goal that is well worth shooting for. It is called—OUTWITTED.

He drew a circle that shut me out— Heretic, rebel, a thing to flout. But Love and I had the wit to win; We drew a circle that took him in.

Even as a nation if we could find some way to build more friendships, we could well get along with fewer battleships. It seems in this field more than perhaps any other we find the lesson of trying to buy friendship with money best illustrated. Somehow, we have failed to express true friendship in the gifts and loans to other nations. Those with friendship for sale seem to want it placed on the auction block with the communists bidding against us. We say again, friendship that can be bought with money, is no bargain at any price.

3 ACCIDENTS DURING JAN. IN DONLEY COUNTY

The Highway Patrol investigated three rural accidents in Donley County during the month of January according to Sgt. J. W. Wilson, Patrol supervisor of this area.

These wrecks accounted for three persons injured, and an estimated property damage of \$555.00.

The Highway Patrol supervisor pointed out that rural motor vehicle traffic deaths, injuries and accidents increased in the 31 county Panhandle district during January, 1962, as compared with the same month last year. Fourteen deaths were chalked up last month as compared to six that were recorded in January, 1961, 81 injuries were reported this January with 51 for last year. A total of 162 rural traffic accidents were investigated as com-

pared to 127 for January, 1961. "This trend can get us off to a bad start, unless motorists assist every way they can in helping to keep these grim statistics to a minimum," the Sergeant stated.

The Highway Patrol Sergeant reminded motorists that TEXAS law requires all registered motor vehicles to have valid inspection stickers displayed by midnight April 15 and the best way to avoid the long line expected in the last minute rush is to have your vehicle inspected now.

TO THE PERSON OR PERSONS WHO POISONED OUR PET DOG, CHESTER

Dear Sir or Madam,

I don't know what our dog did to bring about such cruel and disrespectful treatment, but I do believe it could have been avoided.

Chester wasn't a thoroughbred dog by any means but a dog that was loved by 5 little boys and their mother and father. If this person or persons could have called or come to see us if Chester was being a bother, we would have made every effort to stop him. But, no, you waited till we left Sunday afternoon when we were gone. When we returned Chester was lying on the porch dead from being poisoned.

This is Monday morning and I still have 5 heart-broken little boys. I wish that whoever you are you could have seen them burying their pet and putting a cross on his grave.

The dog had every tag that was needed for him to live in town, but that wasn't enough. May God forgive you.

The Mother and Father of 5 heart-broken little boys—Mr. and Mrs. V. L. Adams.

There were 1,224 railroads operating in the U. S. at the turn of the century—now there are about 400.

DONLEY COUNTY COMMITS 126 TO PRISON DURING 40 YEAR PERIOD

During the 40 year period from 1920 through 1959 a total of 109,949 individuals were committed to the Texas Prison System, according to a study of crime in Texas, recently completed by Dr. R. C. Koeninger, director of the Department of Sociology, Sam Houston State Teachers College, Huntsville.

The study was made by Dr. Koeninger, a sociologist and

criminologist, to show the trends in prison commitments for the State and for each county in Texas.

Donley county committed 126 persons to the prison during the period studied, and ranks 165 in the state for the number of persons committed during the 40 year period.

Th five most populous counties in Texas, Harris, Dallas, Bexar, Tarrant and El Paso, account for

one-third of those committed. Koeninger bases his statement on the ratio of commitments to prison for each 1,000 persons over the 40 year period. "For example," Koeninger said, "El Paso county has committed a total of 21 persons for each 1,000 of its population over the 40 year period, while Harris county committed a total of 17 persons for each 1,000 of its population over the same period."

The rating of 17.7 for Donley county indicates that 51 counties of the state send more persons for each 1,000 of its population, over the 40 year period.

Pathfinder Club Enjoys Girl Scout Program

Pathfinder Club met Friday afternoon, March 9, at Patching Club House with Mrs. L. N. Cox and Mrs. J. L. McMurtry as hostesses. Mrs. Heckle Stark, president, called the meeting to order and Mrs. J. H. Howze offered the opening prayer.

Mrs. T. M. Caldwell, Jr., as program leader, introduced Mrs. Tom Jinks and a group of Brownies and Girl Scouts. The girls gave the Girl Scout Promise and sang several Girl Scout songs. They also told of plans for this week when Girl Scouts over the world celebrate the 50th anniversary of Girl Scouting.

Following the program fifteen members answered roll call and minutes were read and approved. It was decided that each member would invite three guests for the next Pathfinder meeting which will be March 23. Mrs. L. E. Dudley of Abilene will be guest speaker at that meeting and will present a book review. Mrs. Heckle Stark was chosen voting delegate to the District Federated Club meeting to be held in Shamrock, April 12-13.

In closing, Mrs. Stark gave a thought concerning the United States Flag.

Attending were Miss Mable Mongole and Mesdames C. E. Bairfield, Fred Buntin, H. T. Burton, T. M. Caldwell, Jr., L. N. Cox, Joe Goldston, J. H. Howze, S. W. Lowe, C. T. McMurtry, J. L. McMurtry, J. V. Patterson, Heckle Stark, Frank Phelan, Jr., and C. B. Morris.

Misses Ivy Hinkle and Edna Wood of Dumas spent the week end with homefolks.

Junior High Band Students Banquet Held Tuesday Evening

Junior High Band Students were entertained with a banquet Tuesday evening, March 6, in the Homemaking Department. Food was prepared and served by band mothers.

The entertaining area was decorated in the St. Patrick theme carrying out the green and white color motif. Tables were accented by gumdrop trees in miniature. The menu consisted of baked ham, potato salad, tossed salad, baked beans, hot bread, butter, and iced tea. Ice cream blocks topped with miniature Shamrocks were served with white cake decorated in green.

The invocation was offered by the Rev. J. V. Patterson, and following the meal a short program was presented. Mrs. Joe Ritter gave a reading in dialect and Miss Andra Pinkerton and Jerry Barrett sang several songs with Miss Pinkerton providing the piano accompaniment. As a token of appreciation those taking part on program were presented a "Texas Mosquito."

The young people enjoyed dancing after the program. Approximately fifty students attended.

CHAMBERLAIN CLUB MEETING HELD

The Chamberlain Club met at the Community Center March 8 with Mary Mann as hostess. One quilt was quilted. Refreshments were served to Ethel Dingler, Bradis Bailew, Clara Mae Carter, Eunice Mann, Corrine Harrison, Vivian Allen, by the hostess, Mary Mann.

The next meeting will be March 22 with Mary Myers as hostess. Bring your thimbles and needle work.

Mr. and Mrs. Gene Odom and children of Amarillo were week end visitors in the home of her parents, Mr. and Mrs. Willard Skelton.

MARY MARTHA SUNDAY SCHOOL SOCIAL

The Mary Martha Sunday School class of the First Baptist Church met Tuesday, March 6, for a luncheon. Mrs. W. C. Ragan offered thanks for the meal.

The meeting opened with prayer by Mrs. Pat Myers, after which Bro. W. R. Lawrence brought a most inspiring devotional. His subject was "Living Abundantly" and his reference to the scripture was Matt. 16:24, bringing the thought of "How can we live the fullest and not feel left out when we are old." First we need to give up something for a full Christian life, the one thing in our life that would hinder us as a Christian. Second, take up something that would help us as a Christian, some phase of church work; and third, follow someone. Jesus is our goal.

Mrs. James Smith, president, conducted the business meeting. The group sang our class song, "Where He Leads I'll Go." Mona Churchman, benevolence chairman, gave her report. Group captains, Mrs. G. C. Heath, Mrs. W. C. Ragan, Mrs. Van Knox, Mrs. J. D. Wood, made reports. Mrs. A. H. Moore, assistant secretary, made the reports in the absence of the secretary, Mrs. C. N. Brewer. A short business meeting was held after which Mrs. Van Knox dismissed the group with prayer.

Present were the following guests: Rev. W. R. Lawrence, Shorty Thompson, Rosie Harper, Ona Tatum, Nora Decker, Shirley Clifford and Johnny, Mrs. M. C. Rumpy and associate member, Lila Lowe, also members Myrtle Wood, Mary Myers, Mona Churchman, Hana Naylor, Lois Moore, Lora Ragan, Genoa Lowe, Lena Smith, Lucy Heath, and the hostess, Mrs. Walter Clifford.

Mrs. W. H. Price and daughter Shirley of Belleville, Ill. have been here the past week visiting her parents, Mr. and Mrs. J. T. Patman. Mrs. Geo. M. Wright, the former D'Laurel Beville, of San Antonio was a visitor Tuesday at which time the group helped Mr. Patman celebrate his birthday.

LOCAL YOUNG PEOPLE TAKE PART IN MUSIC FESTIVAL

Three Clarendon young people were among those taking part in the annual Junior Music Festival held in Borger, Texas Friday, March 9. They were Pat Perkins, Pam Perkins and Cynthia Williams. The festival is sponsored by the National Federation of Music Clubs, First District of Texas and was held at the First Methodist Church.

Pat Perkins took part in Voice contests and Pam Perkins and Cynthia Williams in Primary Piano contests. The three received superior ratings. They are pupils of Miss Lilly Larsen. Pat and Pam are children of Mr. and Mrs. Thomas Perkins. Cynthia's parents are Mr. and Mrs. Bill Williams.

ATTEND WELLINGTON CONCERT

Mrs. M. R. Word and Mrs. Joe Lipscomb of Amarillo presented a musical program of Mrs. Word's compositions in Wellington Thursday afternoon. Attending from Clarendon were Mrs. J. L. McMurtry, Mrs. Joe Goldston, Mrs. Frank Phelan, Jr., Mrs. C. E. Bairfield, Mrs. T. M. Caldwell, Jr., Mrs. Will Word, and Mrs. Heckle Stark.

I would like to take this means of thanking all of you who were so kind to me during my stay in the hospital. I sincerely appreciated your interest and concern. I enjoyed so much the many flowers, cards, gifts, and visits. Your thoughtfulness meant more than words can tell.

Lula Budd
We extend deep appreciation to all our friends who did so much for us during our recent bereavement. The many beautiful expressions of sympathy were most helpful.
Mr. and Mrs. Stina Cain and family.

We want to express our deep and heartfelt thanks to all our friends for their sympathy and many deeds of kindness during the illness and death of our husband and father.

The Family of J. H. Headricks

Our heartfelt thanks to the Chamberlain Community who prepared food and helped during our recent sorrow. For the beautiful service and floral offering and other kindnesses, we are deeply grateful.

The family of John McClarnen and the Alford and Jess Iveys.

Mr. and Mrs. C. E. Beach of Loveland, Colorado, and Mrs. Rachel Stephens of Greeley, Colo. returned to their homes Monday after spending the past two weeks with their mother, Mrs. Edith Longan.

Red Cross Assistance for Past Year Listed

L. C. Neece, Home Service Chairman of the Donley County Chapter of the American Red Cross, reports that during the past year 19 grants of money were made to aid a total of 77 people.

These grants covered a wide range of requests but were mainly for groceries, clothing, fuel, medicine, rooms, meals and gasoline. Of the 77 people aided, 46 were from Donley County and the other 31 were transients stranded here.

In addition to the grants that were made there were loans to 5 servicemen and 1 veteran. Most of this will be repaid.

A total of 10 reports were made to servicemen on the health and welfare of servicemen.

There were 13 servicemen who were assisted in obtaining furloughs, or extension of furloughs, or discharge from the armed forces.

Aid was given in 11 other instances not listed in any of the above classifications.

BULLDOGS LOSE TO NMMI IN REGION TOURNAMENT

The Clarendon Junior College Bulldogs ended their basketball season last Thursday by losing to New Mexico Military Institute team in the Region V Tournament in Amarillo. The score was 82 to 71. Thus, the Bulldogs closed what is probably their poorest season in many years so far as wins and losses are concerned. They could win only four games while losing 23.

The Bulldogs played a good game against the tall New Mexico team and were in the game until the last few minutes. The military boys held a 38 to 28 halftime lead but the Bulldogs cut the lead to six points after ten minutes of play in the second half but could get no closer.

Ray DeBord, the Bulldogs' leading scorer, was again high point man with 22 points. He ended the season with a 22.2 per game average and was second only to Howard County's Walter Carter, who finished with a 23.1 average. Dee Blevins made 17 points in the game and Kenneth Martin-dale made 15.

St. Patrick's Day Celebration to Be Held in Shamrock March 17th

SHAMROCK, Texas (Special)—Whether you're Irish or not, you'll be a McSomething or other in Shamrock on St. Patrick's Day in the mornin'! And come to think of it, what other suitable place is there to be on St. Patrick's Day?

So, when the Irish bands begin to play and the blarney runs thick in the streets on March 17, it's you we'll be expectin' to share the beauty, fun and pagantry of Shamrock's 16th annual St. Patrick's Day celebration, begorra!

The activity starts Friday evening, March 16, with the St. Pat's Kick-Off Banquet at National Guard Armory with former U. S. Senator Josh Lee of Oklahoma as guest speaker and Governor Price Daniel as honor guest.

From then until late Saturday night, things will be jumping in this Irish City, as the program arranged by General Chairman Carl Williams, Deputy Chairman Jim Moore and their corps of efficient committeemen unfolds step by step.

Pilots will begin flying in soon after dawn to join the dignitaries gathered at National Guard Armory for the Flight and Dignitary Breakfast. Things will begin happening early at the sound stage, corner Main and Second Streets, too, as the Shamrock Irish Band presents a concert at 8:30 a.m.

The Old Farris Building on North Main will start buzzing as Old Settlers begin registering at 9 a.m. followed by awards to the oldest of the old settlers and the old settlers living in the area longest.

Other highlights of the colorful St. Patrick's Day Celebration include the mile-long street parade, the crowning of Miss Irish Rose of 1962, Saturday afternoon boxing, a two-day Rodeo, sponsored by Shamrock's Sheriff's Posse, and three dances the evening of the 17th.

SOIL CONSERVATION DISTRICT NEWS

Grass Seeding on Conservation Reserve Land

The Donley County ASC Office has recently announced that they will share the cost of planting permanent grasses on land that is presently in the Soil Bank and does not have a satisfactory cover. Rate of cost-share is 50 per cent.

This is a good opportunity for those who planted sorghum alnum or perennial sudan on their land to get it set to permanent grass. In most cases, the sorghum or perennilla sudan have died out, or become very weak, and weeds and other undesirable vegetation has moved in. By planting this land to good native grasses, the weed problem will be taken care of, and the land will be in good shape to graze when it comes out of the Soil Bank.

When grasses is planted in sorghum alnum, perennial sudan, or Johnson grass cover, there is one thing that the land will need until the little grass is well established. The cover should be kept mowed down to a height of about 4 inches throughout the first growing season. This will allow the little grass seedlings to get plenty of sunlight, and will control the other vegetation to the extent that the little grass seedlings can compete with it for moisture. After the planted grass is well established, mowing will no longer be necessary. Usual cost to the farmer for drilling grass is approximately \$1.75 to \$2.50 per acre. **Are You Ready for a Drought?** Frequent occurrence of drought is a part of the Texas Panhandle history. As ranchers, we can be ready for drought because we know it is coming. Among stockmen a favorable year or two often encourages an unwise effort to make up for the losses of past, less favorable seasons, by expanding livestock numbers. Wishing will not change the weather. Seldom does a series of five (5) years go by without a year or two of drought or very dry weather. The operator who has expanded his livestock in expectation of another favorable year doesn't like to sell his animals on a declining market until the threat of drought becomes a certainty — then it is likely to be too late.

Data gathered from ranchers with experience over the years indicate some practical means of managing the rangeland and the cattle to minimize the effects of the next drought. Basic management practices include conservative stocking, adequate supplemental feed supplies, seasonal use of the range, uniform distribution of livestock over the range, and inclusion of both steers and cows in the commercial herd.

Recommended adjustment during drought years include close cutting of dry cows and undesirable animals, and caution in restocking the range before good vigor has returned to the rangeland.

Try not to be caught unprepared for drought — we all know we are due for a dry spell.

347,000 owners prove... **It's value that puts Valiant on the best-seller list!**

Make book on it. What follows is fact—not fiction—and the names have been changed to protect anybody. Chapter I starts with style. It asks who is the only compact ever to receive the Society of Illustrators' award for design excellence. Answer: The Valiant Signet 200—America's lowest-priced hardtop with bucket seats—that's who! Read on... Chapter II talks about performance. The Valiant can, and has, run circles around every competitively

priced compact, including the Falcon, Corvair and Lark. All of which leads many to suspect they know the plot—Valiant is priced with the so-called "super-compacts." Not so, reveals the surprise ending in Chapter III. Valiant is priced competitively, model for model, with Falcon, Corvair, Rambler and Lark. Why not drive one this week? Could be you'll want to join those 347,000 folks for whom Valiant's a kind of love story that is continued every month. The title of our story: **NOBODY BEATS VALIANT FOR VALUE!**

LIBRARY NOTES

EDITH BARNES

It is hoped that the "Textbook Hearings" will so stimulate interest that we will examine our children's textbooks and find out just what Johnny is being taught. It will also be easy to compare present day books with the old ones as there are more than enough of the old ones in the library to make a fair comparison.

It may surprise some of you when you get to re-reading history that had the Pilgrims and all other early settlers in our country been conservatives we would have had no Founding Fathers. And further, had the conservatives had their way there would have been no war for our independence from Eng-

land. On the other hand these same Founding Fathers did not believe in selling their freedom piece by piece, by turning all of their affairs over to the national government as long as they as individuals were getting a check of some kind from "Uncle Sam" every month, as the liberals do today.

Quoting from a letter to "The Golden Spread Forum," "Instead of wasting your strength trying to abolish the Birchers or the Americans for Democratic Action, turn your guns on frauds, fakes, hypocrites. Jump with both feet, shod with nailed boots, on Hell's favored poverty, ignorance, and crime." The writer is writing about preachers but it would be a wonderful thing if the righters and the lefters joined in this fight, then when the battle against poverty, ignorance, and crime was won they could go back to fighting each other.

It is a shame that a writer of a letter which contains such obvious truth has to be one of those name-on-file ones!

Those of the early days seemed to believe that being a good American should come before party or righter, or letter beliefs.

There is no doubt about it!

TO THE VOTERS OF CLARENDON

I have been asked by several different people to run for City Commissioner of Clarendon. I will accept the responsibility and will represent the people of the town to the best of my ability.

I am for good clean water and good sanitary conditions. I am not in favor of the City furnishing transportation for hunting outside city limits.

I have no desire to condemn the City or anyone in the City for my own personal interest.

You support me and I will support you. Would appreciate your vote and influence. Thank you. J. R. ALLEN (7-p)

Objectives

(Continued from Page 1)
shouldn't and hasn't any bearing in this competition.

As teams are formed, in accordance with their selective system, the manager has but one thought, and that is "Can a boy hit, pitch, field and run?" Because of this you will see teams composed of youngsters from every part of our small city as well as in the other cities. The boys interests in their teammates seem to parallel that of their manager as batting, fielding and pitching ability is the only measurement of a boy

playing on their team. This alone helps eliminate juvenile gangs and cliques. Un-American traits, such as thinking that a fellow attends another church is "different" is eliminated. Ideas that a boy who comes from a different social climate is not a person with whom to associate, will be corrected.

Little League makes no pretense of being a "Cure-All" for juvenile delinquency, yet, we find that in communities that have a program, the boys behave and make their towns better places to live.

Service to Little League is service to your community. There are no financial awards to persons who give time and money to the movement. But volunteers do see results in the shape of youngsters developing into good citizens. They see communities welded together through better understanding and a purposeful unity. This is the Little League worker's reward. These are the dividends they receive.

If any parent or citizen has any questions on this program, we would be glad for them to meet with the Little League workers at our next meeting which will be this Friday night, March 16 at 7:30 p.m. in the City Hall. We are appealing to everyone who can help in any way to offer their services. We are currently short on umpires and we need a person who would be willing to have the grounds ready for play before each game. Anyone interested in these capacities, check with the Clarendon Little League President, Horace McClellan or attend our meeting Friday night.

BAND PARENTS SCHEDULE REGULAR MEETING

Band Parents will hold their regular monthly meeting Monday night, March 19, at 7:30 p.m. in the Band Hall. All parents of High School band students are invited and urged to attend.

FARM NEWS

from County ASCS Committee

For the first time in nine years, feed grain stocks are being reduced.

Program for this year can maintain these grains or increase them, thus giving program for 1963 a good chance to succeed without first having to work off new buildup.

Farmers in Donley County are showing increased interest in 1962 feed grain program. As of March 8, a total of 126 farms were signed up to take part in the 1962 program.

From now on the office will be increasingly busy explaining the program to farmers and helping them fill out the necessary forms indicating their "intention to participate" in the program.

We urge you to get in touch with this office without delay. The sign-up period extends thru March 30, 1962.

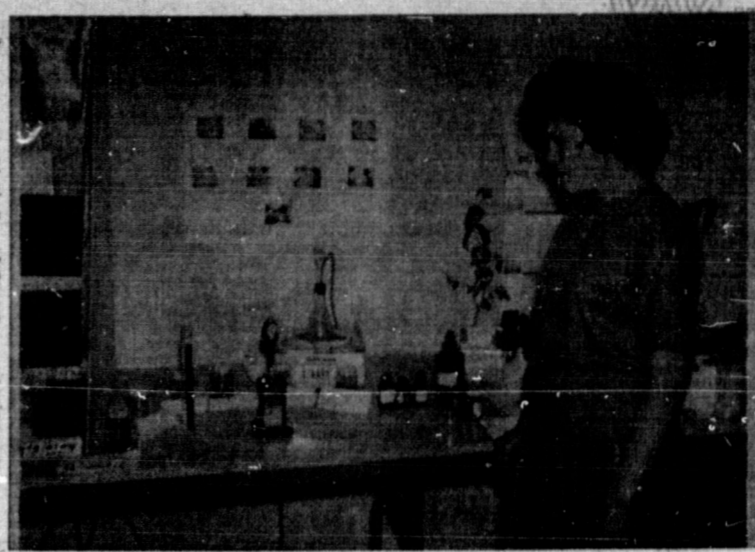

There will be two meetings explaining the Feed Grain Program. One meeting will be held March 15th at 7:30 p.m. in the County Court House and the other meeting will be held March 16th at 7:30 p.m. in the Hedley School Cafeteria.

Please keep these dates in mind and try to attend one of these meetings.

SKIP-ROW PLANTING FOR COTTON

Beginning with the 1962 crop, cotton may be planted in any skip-row pattern and only the land actually planted to cotton will be counted against the cotton allotment.

For example:
2 rows cotton and 1 row fallow will be counted 2/3 cotton.
2 rows cotton and 2 rows fallow will be counted as 1/2 cotton.
The above does not apply if

Elaine Tolleson, eighth grade student and daughter of Mr. and Mrs. C. W. Tolleson, shows How to Test Pig for Lead at the science fair here March 4th.

the area is planted to one row of cotton and 1 row fallow. Also, it does not apply if the area is planted to one row cotton and two rows fallow. These will be counted all cotton.

PRE-MEASUREMENT OF COTTON

Producers who wish to have their cotton acreage measured before planting, may do so by paying for the cost of the service.

Request must be filed not later than March 30, 1962.

1962 ACP PROGRAM
The 1962 ACP Program is in full swing. The following are some of the practices being carried out at this time.

1. Grass seeding — This can also be carried out on Soil Bank Land.
2. Deep plowing — Sandy land only.
3. Terraces — Standard and diversion terraces
4. Deferred grazing
5. Wells—Stockwater
6. Dams — Stockwater and erosion control dams
7. Sod waterways
