Beef Cattle Short Course Slated Here February 20 thru 23

A beef cattle short course for adult farmers will be held Feb. 20 thru 23 under the sponsorship of the Donley County Young Farmers and Ranchers according to Mr. J. R. Cox, superintendent and Mr. Bob Baxter and Mr. Stanley Westbrook, teachers of vocational agriculture.

Mr. William M. Oliver, beef cattle specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Animal Husbandry at Texas A&M College will be the instructor in the course.

"Many beef cattle short courses in various parts of the state have been taught by Mr. Oliver and all have met with outstanding success," according to Mr. Walter Labay, area supervisor of vocational agriculture, Plainview. Arrangements for the adult education short course in beef cattle and in other fields are made through Mr. Labay's office.

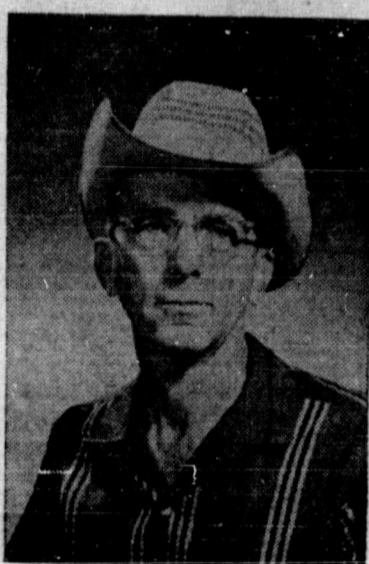

The short course at Clarendon is scheduled to begin Feb. 20 at 8:00 p.m. in the vocational agriculture building. Other meetings in the series of 4 will be held Feb. 21-22-23. During the dates the short course is in progress, Mr. Oliver will be available to assist cattlemen with individual problems and to provide on-the-farm instruction, according to Bob Baxter.

Cattlemen interested in attending the short course should write or call the superintendent of schools, Mr. J. R. Cox, or the teacher of vocational agriculture, Bob Baxter. An entry fee of \$2.00 will be charged. Beef Cattle Short Course Certificates are to be presented to each cattleman who attends all the training sessions.

Mr. Oliver indicates that the beef cattle short course will deal with the methods of producing beef at a lower cost and the ways of producing the kind of beef that the housewife wants to buy. He also states that the course will include such very important fields as the meat type steer, selecting bulls and replacement heifers, proper range use, supplemental winter feeding and will be adapted to the wishes and interests of the farmers and ranchers enrolled.

Bulldogs Play Howard County Here Sat. Nite

The Clarendon Junior College Bulldogs will meet the league-leading Howard County Jayhawks at Big Spring here Saturday night. The game will be played in the new High School Gymnasium and will get underway at eight o'clock.

The Jayhawks, the pre-season favorite to win the conference crown, have lived up to all expectations as they are currently sporting a clean 7-0 conference slate. They have an 18-3 overall season record and seem to be in a class by themselves so far as the Western Junior College Athletic Conference teams are concerned. They recently snapped a 7-year home winning streak of San Angelo when they beat the Rams, 89 to 72, in San Angelo. The Jayhawks are coached by Buddy Travis, former Bulldog coach.

The strong Howard County team is paced by Walter Carter, a 6-6, 200 pound freshman from Roanoke, Virginia. Carter was an All-American high school player. The Jayhawks are currently ranked ninth among the nation's junior college powers.

Coach C. R. Brown's Bulldogs showed signs last Saturday night of coming out of their long victory slump. The Bulldogs are suffering their poorest season in many years with a 2-16 record at the present time, but last Saturday night they almost upset the nationally ranked Garden City, Kansas Team. They lost 76 to 64, but it was after the battle.

The Bulldogs have met Howard County once this year, that being in the Odessa Tournament in early December. The Jayhawks won that game, 81 to 55.

Bronchoettes To Play Spearman Here Next Monday Night

Coach J. R. Williams has lined up a strong opponent for his Bronchoettes to be played here next Monday night. The Spearman team has already captured the District 5-AA championship and will be playing the local girls as a tune-up for their later playoff games. Spearman won both their district and bi-district last year.

The Bronchoettes, who can also establish themselves as district winners for the second year in a row by beating Canadian Friday night, have an impressive 22-2 season record and feel that they are capable of holding their own with any team in the area.

There will also be a "B" game Monday night. The "B" game will start at seven o'clock and the main attraction will follow.

Jaycees and Coaches Pick All-Star Teams

The Clarendon Junior Chamber of Commerce, who sponsored the District 14-B Basketball Tournament here last weekend, and the coaches of the teams involved picked their all-tournament teams at the end of Saturday night's games. The Jaycee's presented each player with a gold basketball.

The girls team was dominated by the two finalists, Claude and Hedley. Susan Cox of Hedley and Betty Ransom of Claude were unanimous choices at forwards. Miss Cox scored 103 points in the three games and Miss Ransom scored 79. The other forward was Miss Favors of Samnorwood. The guards were Glenda Adudell and Gail Edleman along with Sammy Sanders of Hedley.

The boys all tournament team was composed of Joe Darnell and Larry Crump of Hedley, Randall Murry of Samnorwood, Tommy Hunt of Dodson and Dwaine Holey of Sanford-Fritch.

DR. CHARLES E. DEYHLE ELECTED TO TVMA POST

Dr. Charles E. Deyhle of Clarendon, Texas was recently elected second vice-president of the Texas Veterinary Medical Association as more than 300 Texas veterinarians concluded a three-day convention in Ft. Worth. Dr. A. C. Sears of Fort Worth was elected president. The meeting was the largest state convention ever staged in the 49-year history of TVMA.

Keynote speaker was Colonel Robert Hummer, Brooks Air Force Base, Texas. His theme was the important role that veterinarians are taking today and the inter-relationship between veterinary and human medicine in our space activities.

Contributing an inter-professional flavor to the convention was the closed-circuit color television demonstration by two Dallas doctors, Dr. F. D. Prater, who practices small animal veterinary medicine and Dr. A. D. Green, a surgeon with the Dallas Medical and Surgical Clinic. These two doctors combined their skills in performing surgery on an animal patient.

Social highlight of the convention was the presentation of Miss TVMA of 1962, Miss Linda Gay Heaton of Fort Worth. Miss Heaton was selected for the honor by TV Celebrities Dan Blocker and Lorne Greene and by Miss Linda Jeffis, Miss Texas, and Miss America runner-up, 1961.

BAND PARENTS ASKED TO MEET MONDAY NIGHT

Parents of Band Students are asked to meet Monday night, February 19, in the Homemaking Department. Mrs. Dick Vallance asks that all who can be present. Meeting time has been set for 7:30 p.m.

Bronchos End Season At Canadian Friday

The current basketball season will come to a close for the Clarendon High School Bronchos when they go to Canadian for a game on Friday night of this week. The girls still have a chance to win the district championship.

The Bronchoettes, by virtue of their win over Lefors last Friday night, clinched at least a tie for the conference championship. They have lost only one conference game while Canadian and McLean have each lost two. If Clarendon can beat Canadian Friday night they will win the district, but if Canadian wins, the district will end in a three-way tie between Clarendon, Canadian and McLean.

The local girls are enjoying a very impressive season. They have a 22-2 season record but one of their defeats was a conference game to McLean.

Four Announce for School Trustee Posts

According to Mrs. Naomi Pheasant, four candidates have announced at the School business office for trustees of the Clarendon school district.

W. O. (Bill) Mooring, who was appointed to the board to fill out the term of W. B. Knorpp, has announced for a regular term along with Mike McCully, W. E. Goodman, and Pete Borden.

There will be three trustees to be elected at the school election April 7. The deadline for candidates to file is March 7th.

COLLEGE BULLDOGS MEET ODESSA HERE TUESDAY

The Odessa College Wranglers, currently in fourth place in the Western Junior College Athletic Conference basketball race, will invade the local gymnasium for a game with the Bulldogs next Tuesday night. The game is slated to begin at 8:00 o'clock.

The Wranglers have a colorful team this year and are one of the stronger teams in the conference. They defeated the Bulldogs at Odessa recently by a 101 to 80 score.

DEAN ANNOUNCES SEMESTER HONOR ROLL STUDENTS

Dean Oliver J. Abel of Clarendon Junior College has announced that a total of eleven students have been selected to appear on the Dean's Honor Roll for the first semester of the 1961-62 school year. In order to make this honor roll, a student must gain a 2.6 grade point average which amounts to approximately 88 per cent.

Among the eleven students are five sophomores and six freshmen. The sophomores are Norma Jones, Pauline Heath, Jo Ann Wood and Sandra Pinkerton, all from Clarendon, and Sharon Hall from Pampa. The freshmen are Philip Abel and Dennis Bradshaw from Clarendon, Jon Leggett from Hedley, J. O. Armstrong from Irving, Martha Hanna from Rockport, and Marilyn Plunkett from Samnorwood.

GILCREST DIES AT MEMPHIS

Funeral services were held Wednesday at Memphis for Joseph Earl Gilcrest, 58, brother of Cecil Gilcrest of Lelia Lake and Theodore Gilcrest of Hedley. Mr. Gilcrest died Tuesday morning at his home in Memphis. He had been a resident there 35 years.

A. T. Tolbert Rites Held Wednesday

Funeral services for Alfie Theodore Tolbert were held Wednesday afternoon in the Assembly of God Church with Rev. Claude Spillman of Amarillo officiating.

Mr. Tolbert, 77, a retired farmer, died Monday in a Memphis Hospital. He had been a resident of Clarendon and Donley County 46 years. He was a member of the Assembly of God church.

Survivors are his wife, Daissie Belle Tolbert of Clarendon; two daughters, Mrs. Inez Wilkinson of Washburn and Mrs. Ruby Lee Elliott of Clarendon; five sons, Johnny of Claude, Ralph and Scotty of Amarillo, James and Robert of Clarendon; 24 grandchildren and 11 great grandchildren.

Grandsons of Mr. Tolbert served as pallbearers.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Broncs Defeat Memphis In 55-53 Thriller

The Clarendon Bronchos defeated the Memphis basketball team 55-53 in a triple over-time event here Tuesday night to top off festivities which included the naming of the basketball queen and king.

Miss Molly Floyd was presented as queen and Bill Spier as king.

Since Memphis does not field a girls team, the local girls played Paducah and defeated the visitors 56-34. Paula Adams topped the scoring for girls with 37 points. In the boys game with Memphis, James Allen hit the basket for a total of 35 points.

DRAWING FOR PLACES ON BALLOT MONDAY, FEB. 19

The County Executive Committee will meet Monday, February 19th at the County Court House for the purpose of drawing names of candidates in the order in which they will appear on the ballot for the first primary election.

Any candidates or other interested persons are invited to be present.

Grass Fires Cause Great Concern And High Rate of Damage

Rites Held Wednesday For Mrs. S.C. Richerson

Funeral services were held Wednesday afternoon in the Hedley Church of Christ for Mrs. S. C. (Si) Richerson with Don Willingham, minister of the McLean Church of Christ and Robert C. Jones, minister of the Clarendon Church of Christ, officiating. Burial was in Rowe Cemetery at Hedley.

Mrs. Richerson, 79, died Tuesday morning in a Wellington hospital. She had been in ill health the past ten years and had been in the hospital at Wellington the past five months.

Mrs. Richerson was born July 30, 1882 in Grayson County. She moved with her parents, the late Mr. and Mrs. Jesse Ring, to the western part of Collingsworth County more than 60 years ago. The Ring community in Collingsworth County was named for her parents.

She was married Dec. 20, 1903 at Memphis. She lived at Hedley from 1914 until a few years ago when her husband died. Since that time she had made her home in Clarendon with a daughter, Miss Ruth Richerson.

Survivors include four daughters, Miss Ruth Richerson of Clarendon, Miss Loyd Richerson and Mrs. Owen Moore, all of Odessa; three sons, C. W. Richerson of Phillips, H. S. Richerson of Clarendon and M. Glenn Richerson of Shamrock and six grandchildren.

Agricultural Clinic Date Set for April 2nd

County Agent Flip Breedlove announced this morning that a big agricultural clinic will be held in Clarendon on the second of April this year. The final details of the clinic are now being worked out and will appear in this paper as they are finished.

Breedlove says that definite parts of the program will be cotton insect control, dealing with all cotton insects and particularly with boll weevil, soils and soil testing, irrigation and watering of crops, animal health program, agriculture outlook program and others as will be selected by the program building committee. This program is being planned far in advance so that farmers and ranchers can get first hand information on topics vitally important to them in their operations and from men who are the best informed on the topics on which they will speak. Breedlove says that more information will be coming out as the program progresses.

An item of great concern at the present time is the increase in grass fires in this area as well as a great portion of the southwest area.

Range grass is at one of its driest stages at the present time and every precautionary measure should be taken by everyone to prevent fires in town as well as in the country.

The local fire department reports that the majority of fire calls the past 30 days has been grass fires here in town and out in the range country. Some of these grass fires have caused greater damage by igniting out-buildings and dwellings.

Monday night of this week, the fire department was called out to fight a grass fire east of town and a short time later, two grass fires west of town had to be taken care of. Sunday afternoon, the local fire department and volunteers were called out to help bring a prairie fire under control on the Bill Cushing Ranch south of Brice. This fire started at about 2 p.m. and it was midnight when it was brought under control and only after several sections of good grass land was spared. Mr. and Mrs. Cushing have expressed their appreciation to the local fire department and other volunteers who assisted in this tireless battle and want everyone to know they are indeed grateful for every effort extended.

City officials are asking local residents to be extremely careful in burning trash and are asking that no one burn in their garbage barrels, especially during this critical period. Persons motoring in the country are asked to be extremely careful about tossing out cigarettes, lit matches or committing any act that might start a fire of any nature.

CARL C. WOOD (UNCLE ZEB) PUBLISHES NEW BOOK

Carl C. Wood of Claude was a visitor in the Leader office last Friday morning and brought us a copy of his new book "Plowin' Out the Corners" by Uncle Zeb. The 64-page book is composed of choice selections from the column "Plowin' Out the Corners" which appears in the Leader and other leading publications in the area each week.

Woods column began its appearance in the Leader 15 years ago and hasn't missed an issue since that time. Mr. Wood has received a good supply of the new book from the publishers and they are now available at \$1 per copy. If you want one of the new books, just drop Mr. Wood a line at Claude, Texas and he will see that you receive it.

FARM RECORDS ARE ESSENTIAL FOR SUCCESS

Good farm records are essential for a successful operation, says Cecil Parker, extension farm management specialist. Records provide the proof of past performance, and they are an indication of the potential of a given farm, farm manager and the technology used.

Proper records will allow the farmer to compare one enterprise with another and they are very important when the farmer wants to combine enterprises. An analysis of a good set of records will point out the strong and weak points of the business, and they are also handy to have around when it comes time to file income tax.

The type of record book or system you use depends on what you want your records to do for you, says Parker. The minimum record should include an inventory of land, buildings, equipment, livestock and supplies; all expenses grouped by kind; all income received; land use and production of crops and livestock; and a place to summarize the year's operation. The more details the record shows the more valuable it will be.

Parker says this is a good time to get your records for 1962 started, and it is also a good time to study last year's records to determine if any changes need to be made.

It is easier to keep good records if you have a special place to work. Entries should be made as soon as they occur or as soon

thereafter as possible, Parker advises.

If you need help in setting up your records or in analyzing your old one, see your local county agent. He can start you on the road to good records.

BLOWIN' Out the CORNERS
The Buckle Belt

Taking ADVANTAGE of every situation is the thing that many times makes the difference between success and failure. It rains on the just the same as the unjust but there will always be some neighbor that makes a better corn crop than the others. He took advantage of some situation and it paid off in more corn.

Not long ago we were in the mountains of New Mexico on the day that the bear season opened. Hunters had been out the day before exercising their dogs. Amazing to us was the fact that the bear dogs were not particularly large animals but rather ordinary in size and looks. The hunters told us that they whipped the bear and finally chased him to a tree from which the hunter would shoot him down not by sheer force but by taking advantage of the situation.

Being faster of foot one dog would stay in front of the bear and keep his attention while his partner would nip him from behind. When the bear reversed himself the dogs would trade tricks. After a while the bear was ready for retreat with all his three hundred pounds, and the two well-trained little dogs had won the battle by taking advantage of the situation.

Little things can be important—we can sit on a tack.

The smile we give away can well be the gift with a lift. The frown would always be something that would pull both the giver and the receiver further down.

Our willingness to give the other fellow a clean slate may decide whether we are to receive one for ourselves.

Tomie Potts, our good friend from down Memphis way sends us the following sample of his poetry dealing with the subject of money.

They call it legal tender—
That green and lovely stuff.
It's tender when you have it,
And when you don't "it's tough."

Thank you Tomie, and how fitting these words are as we have to pay taxes on the amount we are supposed to have made rather than what we have to show for our year's work.

Some folks don't care which way they are going just so they are leading the parade.

We need to keep our foot on the ground, but we won't get any place unless we are making tracks.

It's mighty hard to blow the whistle when you are riding in the caboose.

Bread has always been considered so important to mankind that it has been called the "staff of life." In the England of the 15th and 16th centuries, the fine for murdering a baker was three times as high as that for killing an "ordinary man."

LIBRARY NOTES

EDITH BARNES

A memorial gift has been given to the library in memory of Grady Rhodes.

If you read and liked Arthur Hailey's "The Final Diagnosis" you will enjoy his new book, "In High Places."

You remember "The Final Diagnosis" was a behind-the-scenes look at the doings in a pathology laboratory of a big hospital.

Author Hailey uses his considerable talent in his new book to give the reader a view of the hidden agencies and workings of politics, which most not only know nothing about but never even dream that such shenanigans are going on. Unfortunately dirty politics is not fiction but very much a reality and will continue to be so until an aroused majority of the voters clean house.

The following is a quote from a review: "In High Places" is the most exciting political novel since "Advice and Consent."

Within this fast-paced, breathless novel are woven two love stories — one haunting and sweet, the other practiced and ironic.

If Arthur Hailey's plot is excellent, his characters are superb. Each one is real; each is distinct, defined by choices he or she has to make—blunt alternatives forced on them by the harsh truth of their lives. James Howden, the fascinating investigator — his unrelenting sense of national purpose is distorted by the methods he employs, the only method he knows, the same ones that put him on top: patronage, nepotism, bribery, and blackmail.

This is a remarkable book about volatile, ambitious, greedy, grafting, corrupt and saintly men and women set in the amoral

world of compromise. It is a hard-hitting, suspenseful and even prophetic book. In short, it is a book about those who live and struggle 'In High Places.'

How many of you know that you can get booklets on about any subject that you need information about from The Government Printing Office and that they cost very little.

A memorial gift has been given to the library in memory of Miss Anna Moores.

A hectic final night ended the special session of the Texas Legislature. Two major problems—loan regulation and appropriations—were left unfinished.

Senate killed the loan regulatory bill by a two-vote margin, after the House had approved it by 18 votes. It was described by experts as the strongest loan regulatory law in the nation.

Death came to the appropriations bill in the House. It would have provided money to advertise for tourists, repair San Jacinto Monument, repair damages done to state properties by Hurricane Carla and by fires, pay Senate employees, and finance a number of other items.

Gov. Price Daniel called it a very productive session, nevertheless.

He said it had settled two long-standing issues — bank escheat reporting and farm-to-market road policy.

Daniel was disappointed about the failure of the loan legislation, tourist advertising, and San Jacinto Monument repairs. But he said he would not call this Legislature back into session in the foreseeable future.

Lawmakers headed for home to file for re-election and begin their campaigns for the same or other offices.

Governor Daniel studied a flood of mail, telegrams and phone calls, which he had elicited, and decided that there was a definite public demand for him to try to become Texas' first four-term governor.

Names In The Hat

With the special session of the Texas Legislature ended, candidates for state offices quickly grabbed the spotlight.

Most surprising announcement was the filing of former Gen. Edwin A. Walker as a Democratic candidate for governor.

Then came Gov. Price Daniel's statement that he would seek reelection to a fourth term as governor.

Land Commissioner Jerry Sadler predicted that Daniel would run again, and cancelled his tentative plans to seek that post. Instead, he announced for reelection.

Attorney General Will Wilson said failure of the loan shark bill to pass was the determining point in his decision to file as candidate for governor.

John Connally, already actively campaigning for the office of governor, came to Austin to pay his \$1,000 filing fee and left immediately on a flying organizational trip to West Texas.

Gubernatorial candidate Marshall Formby opened state headquarters in Austin. He appointed Dr. James B. Ray of Austin, Wendall Gambill, Dr. Joe Webb and

Clint Formby to organize his campaign.

Don Yarborough, Houston attorney, paid Austin a visit to announce his candidacy for governor.

So far, the only Republican contender for governor is Jack Cox of Breckenridge.

This is the Ford Fairlane's new Challenger "260" V-8.

There's no other V-8 like it. It's the latest in a series of Ford V-8 triumphs that started back in 1932 when Ford introduced the world's first popular-priced V-8. Today—30 years and 30 million V-8's later—the Challenger "260" adds new fuel to the hottest performance record in V-8 history. It gives you all the time-tested toughness of iron—with a lightness and compactness iron never had before. A muscular 164 hp, this new Challenger "260" V-8 is all snap, sparkle and smoothness. *It runs on regular, yet gives you better gas mileage than any standard-size 6-cylinder car.* Price it and you're in for a surprise—a Fairlane V-8 carries a smaller price tag than some compact Sixes. And, of course, a Fairlane gives you big-car room and fine-car quality you'll find in no other car anywhere near Fairlane's amazing low price. There's never been a buy like Fairlane because there's never been a car like Fairlane; that's why this all-new car from Ford is now out-selling every other "new-size" car!

Economic Highlights

As everyone must know, the American economy rests in large measure upon consumer credit—and, in late years, on an ever-soaring volume of consumer credit. It takes many forms—mortgages, revolving charge accounts, installment contracts, credit cards which can be used to buy practically anything, and so on. In any case, it provides a means where people can obtain what they want now and pay for it later. In some fields—such as homes, automobiles, and major appliances—cash buyers are few and far between. The majority of the business is done on credit.

In a recent issue Newsweek devoted a lengthy feature article to credit—its vices and virtues, its excesses and its assets, its significance, its probable future. As it observes, never before "have so many owed so

much to so many for such an immeasurable variety of things." At the end of last year, total consumer debt was about \$290 billion, of which home mortgages accounted for \$175 billion. The largest portion was owed to banks, with finance companies, retailers, credit unions, and others following.

The magazine observes that such relatively new economic elements as social security and unemployment compensation have soothed the debtor's classic fear of being trapped by economic collapse and unemployment. But there is much more to the drastically changed picture than this. To quote again, "Most important of all has been the expansion of the U.S. middle class and its demand for goods, too huge and too insistent to be satisfied on a cash basis. Debt, in fact, has been transformed from stigma to status symbol, from a last resort of people in need to an entree to the good, material things in life."

There are people, of course, to whom credit—easy, abundant credit—seems as enticing and irresistible as heroin to an addict. Newsweek cites some horrible examples. A \$7500 a year engineer managed to run up a total of \$80,000 in debt—he wound up in a mental hospital. A woman filed bankruptcy papers, then immediately bought \$2500 worth of clothes on a credit card and added this debt in. A \$100 a week clerk took on so many installment payments that he had only \$28 left to live on.

However, credit lunacy is not general. According to the magazine, most people who buy on credit keep it within comfortable limits. Only about 1.8 per cent of consumer loans and installment debt become delinquent. Also, only four out of each 1,000 home mortgages have to be foreclosed.

How important is consumer credit as an economic force in encouraging production and distribution, maintaining employment, and producing other such plus factors. The answer is—just about all-important. As Newsweek sums it up, the debtor is "the very bulwark of the economy and creator of the U.S. standard of living. Without him, the nations great industries would slow to a crawl, and the price of almost everything would soar." It quotes a University of Southern California economist as put-

ting the case this way: "Credit makes possible mass production because it makes possible mass buying."

What is the future of credit. The experts think there may be periodic slowdowns, but that they will be temporary and that, over the years, the trend will continue upward. For instance, people borrow most after reaching the age of 25. And, starting in 1965, the war-time babies will reach that credit-eager age.

LOSS ON SALE OF PERSONAL RESIDENCE NOT TAX DEDUCTIBLE

If you sold a personal residence during 1961, then you'll want to hear what Internal Revenue Service has to say about its tax angles. Hubert B. Hamill, Administrative Officer, IRS, Amarillo, Texas, is doing the talking.

The general rule, he explained, is that any profit from the sale of your home, or any other personally owned item of property such as an automobile, furniture, securities or real estate, is subject to tax.

On the other hand, the IRS representative said, federal tax law does not permit a deduction for the loss from the sale of a home or other personal asset which was not held for the purpose of producing income.

He added: "There is a special rule which allows you to defer paying a tax if you sell your personal residence at a gain and, within either one year before or one year after the sale, you buy and occupy another residence costing as much or more than the adjusted sales price of your old residence.

"The same rule applies, if instead of buying, you begin construction of a new home within one year before or within one year after the sale of the old residence and occupy it within 18 months after the sale.

"If the adjusted sales price of your old residence exceeds the cost of your new residence, the gain on the sale is taxable to the extent of the excess. For example, if you paid \$10,000 for your old residence, sold it for \$15,000, and invested only \$13,000 in a new one, you would pay tax on a gain of \$2,000 (\$15,000 minus \$13,000).

"The adjusted sales price is computed by deducting any sales expenses or commissions and any expense of redecorating and fixing-up the property for sale. The work of redecorating and fixing-up must be done within the 90-day period before the house is sold, and must be paid for within 30 days after the date of the sale," he advised.

Taxpayers with questions on this tax subject or any other, may telephone the IRS office.

APRIL 15 IS DEADLINE FOR AUTO SAFETY INSPECTION

Less than thirty per cent of the registered vehicles in this area have been safety inspected for 1962, according to Patrolman Gwin Fowler Motor Vehicle Inspection Service of the Texas Department of Public Safety.

With the April 15 deadline, for having the vehicles checked, rapidly approaching, this means there are approximately 2200 vehicles in Donley County remaining to be inspected by the five approved inspection stations. The inspection stations in Clarendon are as follows: Alderson Chevrolet, Carpenter's Garage, Chamberlain Motor Co., and Palmer Motor Co. The station in Hedley is Saunders Garage.

Many motorists are going to find long lines awaiting them as the deadline draws nearer, due to the inspection stations not being able to cope with this large number.

Drivers are urged to have their vehicles inspected as soon as possible to avoid this last minute rush. In addition, he reminded drivers that this time of the year is noted for adverse weather conditions which prevents the inspection stations from checking the vehicles.

"Passenger cars are inspected for brakes, lights, reflectors, horn and windshield wipers; while commercial vehicles are inspected for the above plus additional items required by law," Patrolman Fowler said. "All motorists not displaying a valid 1962 inspection sticker by April 15 will be in violation of state law."

When buying cotton clothes, look for a label that says they are pre-shrunk.

SUPPLY AND DEMAND THE FORGOTTEN SOLUTION

President Kennedy spoke with accuracy in describing the farm problem in one of his Congressional messages, when he said: "Without new, realistic measures, it will some day swamp our farmers and our taxpayers in a national scandal or a farm depression."

He added that he is submitting "... to the Congress a new comprehensive farm program, tailored to fit the use of our land and the supplies of each crop to the long-range needs of the Sixties, and designed to prevent chaos in the Sixties with a program of common sense."

We have had farm program after farm program—and about the only result has been more surpluses, more spending, more waste, more tax-subsidized reward for either non-production or useless production.

Perhaps, ultimately, farming will be returned to the framework of the free, competitive enterprise system, where production is geared to consumption and the law of supply and demand prevails in the marketplace. That's about the only "solution" we haven't tried.

F.H.A. Valentine Banquet Held Saturday Evening in Cafeteria

"F.H.A. in Candy Land" was the theme of the annual Valentine banquet which was held in the Cafeteria Saturday night. A large pink and red heart framed the theme of the Valentine queen, and a fence of hearts flanked by candy cotton trees outlined the area for the queen's court. Candy houses and Valentines decorated the tables.

The program was presented by F.H.A. girls. Fredda Bourland, The Cracker Jack Kidd, exceeded the program. Judy Pittman, the Candy Shop Keeper, brought news from Dan Cupid. Background music included "The Bells of St. Mary" by Ella Just; a piano duet, "Let Me Call You Sweetheart," by Janet Goodman and Deanna McAnear; and a solo, "Love Makes The World Go Round" by Lynn Bourland accompanied by Mrs. J. N. Weaver. Andra Pinkerton did a humorous pantomime, "The Lover's Errand."

The Valentine Princess, Connie Martin, was crowned by her escort, Phillip Abel. She was attended by the runner-up, Donna Estlack, escorted by Jerry Allen. Judy Pittman escorted by Lynn Spier, carried the tiara. Jackie McClellan, 1961 queen, escorted by William Clark, lighted the candles. Other princesses and their escorts were: Peggy Jackson—Howard Talley; Jeanne Gray—Jim Davis; Paula Adams—Melvin Housden; Agatha Wallin—Alfred McNabb; Jamie Ross—John Cearley; Sandra Deyhle—Bill Hermesmeier; Jeannie Gibbs—Larry King; Judy Benson—Joe O'Neal.

A group of volunteer F.H.A.

Mothers served a delicious meal of fried chicken, mashed potatoes, English peas, lime jello Salad, French bread, strawberry short-cake, and iced tea.

Special guests included past queens and their escorts: Sandra Pinkerton '58, Andra Pinkerton '59, Joann Wood '60, and Jackie McClellan '61. Other guests included chapter parents, honorary members, Mr. and Mrs. J. N. Weaver, and the sponsor, Mr. and Mrs. Fred Bourland.

Lions Hall was miraculously changed to an outdoor garden for the Valentine Prom. Beautiful stars above, stone wall with lollipop flowers, and cotton candy trees grew here and there. The refreshment table was centered with a candy house. Pink punch, cookies, and hard candy were served from the Valentine decorated table by Mrs. Carol McClellan, honorary member, and Mrs. L. E. Yankee. Chapter parents sponsored this prom.

MARY MARTHA SUNDAY SCHOOL CLASS

The Mary Martha Class met in the home of Mrs. Van Knox, February 6, 1962 for their monthly meeting. The group was led in prayer by Mrs. Sam Lowe. A short business session was conducted by our teacher, Mrs. Cecil Cook.

Mrs. W. C. Ragan brought the devotion the topic of which was "Forward For Christ." We were dismissed in prayer by Mrs. Carl Naylor.

The Valentine motif was carried out in the dessert plate which consisted of individual heart-shaped cakes covered with pink icing and centered with a red cherry. Tea and coffee were served to ten members and two associate members.

Pathfinder Meeting Held In Club House

Mrs. Joe Goldston and Mrs. Morris Ledger were hostesses to the Pathfinder Club at Patching Club House Friday afternoon, February 9.

Mrs. Heckle Stark, president, presided and opened the meeting with Club Collect.

Mrs. J. V. Patterson was in charge of the program on Travel. Mrs. Frank White, Jr., guest speaker for the program, showed slides and gave explanation of the pictures which were taken on her recent trip to Europe. This was a delightful and restful way of seeing the high spots in Europe.

A short business session was held.

The Valentine motif was carried out in decoration. The refreshment table was centered with an arrangement of red carnations and red candles in silver candle holders. Lemon chiffon pie, red mints, coffee, and tea were served. Mrs. Morris Ledger presided at the silver service.

Attending were one guest, Mrs. Frank White, Jr. and members, Mesdames J. H. Howze, Wm. S. Greene, Frank Phelan, Jr., Fred Buntin, S. W. Lowe, Genoa Lowe, H. T. Burton, George Benson, Guy Stricklin, C. E. Bairfield, L. N. Cox, Joe Goldston, Morris Ledger, Heckle Stark, C. B. Morris, J. V. Patterson, John Bass, and J. L. McMurtry.

SR. H. D. CLUB TO MEET

Mrs. Claude Darden will entertain members of the Senior Home Demonstration Club in her home Friday afternoon, February 16. Meeting time will be 3 p.m.

Mrs. W. J. Lewis Gives Kil Kare Program

Members of the Kil Kare Kneedle Klub and guests met Thursday afternoon, February 8, in the home of Mrs. R. S. Brumley with Mrs. H. C. Brumley, Mrs. R. S. Brumley, and Mrs. W. E. Ray, co-hostesses.

White chrysanthemums arranged in the Valentine motif were used as the decor in the living room.

Refreshments were served from the dining table which was laid with a beautiful imported, white, drawn-work cloth and centered with red carnations artistically arranged for Valentine. Mrs. W. E. Ray presided at the silver service pouring coffee or tea. Mrs. A. O. Hefner served cherry tarts, assorted nuts and heart-shaped red mints.

Mrs. R. S. Brumley introduced Mrs. Wm. J. Lewis, Jr. who narrated the showing of numerous colored slides and Kodak pictures taken on her recent tour of Japan and other oriental countries. She also displayed articles purchased while there including beaded sweaters, handmade towels, and jewelry. This was a very interesting program and graciously presented.

Those present were guests: Mesdames Wm. J. Lewis, Jr., A. T. Cole, C. W. Taylor, C. B. Stephens of Houston, E. C. Hurd, Bob Head, W. G. Word, May L. Prewitt, S. J. Armstrong, W. E. Ray, R. S. Jr. H.D. Club Has Valentine Party

Members of the Jr. H. D. Club and their guests enjoyed a buffet supper and Valentine party at Patching Club House Thursday evening, February 8. The Valentine theme was carried out in decorations. The buffet table was laid with a white cloth and centered with an arrangement of red and white roses and red candles.

Following the meal, Bill Love presented a very interesting program on "The Making of Wills."

Games of "42" were played with Mr. and Mrs. Johnnie Rex McClellan winning high score prize, Mr. and Mrs. Roy Crutchfield the low score prize, and Basil Smith the traveling prize.

Attending were Mr. and Mrs. Roy Crutchfield, Mr. and Mrs. Grady Henson, Mr. and Mrs. G. A. Lamberth, Mr. and Mrs. Gordon Mann, Mr. and Mrs. C. C. Spivey, Mr. and Mrs. Bobby Trout, Mr. and Mrs. Johnnie Rex McClellan, Mr. and Mrs. Basil Smith, Mr. and Mrs. Clyde Wilson, and Mesdames Nora Decker, Mary Belle DeBord, Norma Lewis, and Clarice Choate.

GOLDSTON CLUB MEETS AT COMMUNITY CENTER

The Goldston Club met at the Community Center, with Joy Roberson as hostess. Eight members were present and they enjoyed refreshments of cookies, Kool Aid and coffee. One quilt was quilted. The club voted to do some quilting for a party in Amarillo. Bonnie Davis and Quata Phillips received polyanthas.

Our next meeting will be with Ola McBrayer February 22nd.

MRS. HARMON ENTERTAINS MUSIC STUDENTS

Music students of Mrs. Page Harmon met at the Music studio last Saturday morning at 10 o'clock where they were entertained with a Valentine party.

Musical games and exchanging of Valentines were enjoyed after which refreshments of ice cream, sugar Valentine cookies and Valentine hearts were served.

DELTA KAPPA GAMMA MEET HELD IN CHILDRESS

Delta Kappa Gamma, society for women teachers, met in Childress Saturday afternoon, February 10, at 2 p.m. Meeting was held in Fellowship Hall of the Methodist Church. The president, Anna Mae Foster, presided. Lillie Castleberry pronounced the invocation. During the business session Lucile Naylor reported for the Scholarship Committee, Myrtle Hill for the Nominating Committee, and Zady Bell Walker for the Constitution Committee.

The following officers were named for the coming year: L. C. Morris, president; Inez Blankenship, first vice-president; Reba Stroehle, second vice-president; Alma Bruce, recording secretary; Hazel Brandon, corresponding secretary; Dora Diggs, parliamentarian.

Music for the afternoon was led by Velma Weaver accompanied by Inez Blankenship.

Brunetta Morris introduced the program on Scholarships, February being scholarship month for Delta Kappa Gamma. Lucile Naylor spoke on "Building Through Scholarships," and Velma Weaver on "Getting Things Done."

Following the program a White Elephant Sale was conducted with the benefits going to Delta Kappa Gamma Scholarship Fund in the amount of \$46.

Members of the Childress group served delicious refreshments. Attending from Clarendon were Hazel Brandon, Lucile Naylor, Velma Weaver, Inez Blankenship, and Edgar Mae Mongole.

The next meeting will be held in Clarendon March 3rd.

Alex B. Saied

TO THE CITIZENS OF THE NEW 82ND STATE REPRESENTATIVE DIST.

Did you know:

That the cost of operating our state government has risen more than 94 percent, from \$615,201,759 to \$1,200,374,164 since 1952?

That the per person tax burden in Texas has nearly doubled since 1952?

That our area lost one-half of its representation in our State House of Representatives last year?

That only Texas has a sales tax resembling the work of madmen?

That only Texas and one other state has tax laws that favor out of state business over their own home owned independent businesses?

That the tax money of our citizens being spent primarily in our large cities at the expense of our farming small town merchants and citizens?

That no other State has the same kind of confusing and unfair insurance laws as Texas?

That in our State the American tradition of fair play, equal rights and economic justice under the law is being taken from our average citizen, farmer and businessman to the benefit of large out-of-state owned business?

That despite our tremendous increase in spending and taxing Texas remains near the bottom in rank of providing an adequate public school system, aid to our needy aged, blind and mentally ill citizens, animal health program and many other effects?

I find the above facts and others alarming and because of them I humbly submit to the people of the 82nd District my candidacy for State Representative in the Demo. primary of May 5th, 1962.

I am not a lawyer — it is my belief that we have enough of these in Austin. It is also my belief that we deserve a State Representative in Austin who will represent the interests of the citizens of our area and not primarily those of Dallas, Odessa, Houston and big business monopoly and who will do all possible to reserve the alarming spiral representing and taxing.

As this campaign progresses I hope to contact everyone in our eight county district and more fully present my platform.

It is my pledge to you that I will conduct a hard but clean race, based upon the facts and not upon defamation of character or weaknesses of others.

I further pledge that no special interests on groups shall sponsor me in this race. If elected I will wear the brand of no one but will do my very best to represent all the citizens of our district fairly and impartially.

That you may know more about my qualifications, I submit the following personal facts:

1. 44 years of age, of which 35 years has been spent in the Greenbelt area.
2. Deacon, Presbyterian Church
3. Past president of Chamber of Commerce, Childress, past president of Greenbelt Bowl Assoc. (2 years) member of City Council of Childress (6 years) chosen "Citizen of Year in Childress" in 1959, Rotarian.
4. Fraternal organizations and work — Masons, 32nd Degree, Scottish Rite and Shriner, past Exalted Ruler of Elks, past Chief de Gare of 40 & 8.
5. Veteran (overseas 41 months) present Commander of American Legion; and Post Commander of Veterans of Foreign Wars (Childress)
6. Occupational experience — businessman (Department Store), and have been interested and engaged in farming and cattle operations.

Your vote and influence in behalf of my candidacy will be

Club Steers Bring High Price at El Paso Show

Donley County 4-H club members made a good showing at the Southwestern livestock show in El Paso this past week, says County Agent Flip Breedlove. In the light Angus division David Mooring was first in his class, Gary Longan was third and Don McAnear was sixth. In the heavy Angus division, Don Mooring was third and Rod Stone was ninth. David Mooring's lightweight Angus steer was judged the Reserve Champion Angus of the show. In the Hereford division, lightweight Herefords, Susan McAnear was third in her class, in the middle-weight division Don McAnear was fourth and in the heavy division David Mooring was eighth. Donley County placed second in the best group of steers from any county at the entire show.

Of the steers selling in the show, Donley County sold seven of the 36 steers in the sale. David Mooring got 75c per pound for his reserve champion Angus steer. It weighed 834 and brought David \$625.50 plus \$25.00 premium money. Susan McAnear got 65c per pound for her lightweight Hereford; it weighed 776 and brought Susan \$504.40 plus \$21.00 premium money. Gary Longan got 60c per pound for his third place Angus steer; it weighed 822 and brought \$493.20 plus \$21.00 premium money. Don Ray Mooring sold his heavy Angus for 60 cents per pound and it weighed 852 and brought \$511.20 plus \$21.00 premium money. Don McAnear got 55 cents per pound for his fourth place Hereford and it weighed 888 and brought \$488.40 plus \$19.00 premium. Don also got 55c per pound for his lightweight sixth place Angus steer and it weighed 776 and brought \$426.80 plus \$15.00 premium. David Mooring sold his heavy Hereford for 40 cents per pound; it weighed 961 and brought \$384.40 plus \$11.00 premium. The seven steers sold for a total of \$3,566.90 which included premium money. It was a good sale and all the 4-H club members made good money on the steers.

Six steers will compete in Houston on February 26 to March 4.

Bronchos and B'ettes Hand Lefors Twin Loss

The Clarendon High School basketball teams journeyed to Lefors last Friday night and handed the Lefors teams a double whipping. The girls raced by the Lefors girls by a score of 57 to 15 and the boys came through with a 57 to 52 win.

The girls, in rolling up their 22nd win against only two defeats for the season, had no trouble with Lefors. They jumped off to an 11 to 2 first quarter lead and increased it to 27 to 9 at the half and 40 to 13 at the end of three quarters. Dorothy Richey topped the scorers with 31 points, Judy Castner made 10 points and Paula Adams and Jeanette Rampy scored eight each.

The boys had a little tougher sledding as they had to fight to take the win from the inspired Pirates. They had defeated Lefors here recently by a score of 62 to 31, but last week's game at Lefors was a different story. The game was close all the way although Clarendon led throughout the game. The Bronchos were ahead, 12 to 9 at the end of the first quarter; held on to a hairline 24 to 23 lead at the half, and put on the pressure to build up a 45 to 32 lead at the end of the third quarter. However, in the fourth quarter the Pirates came storming back to cut the final victory margin to five points for the Bronchos. James Allen scored 27 points for the Bronchos to lead the scorers. Bill Spier made 14 points, followed by John Cearley with 9, Bill Stavenhagen with 4 and Jerry Elmore with 3.

Garden City Edges Bulldogs In Thriller Saturday Night

The Clarendon Junior College Bulldogs played one of their best games of the season here Saturday night in holding the strong Garden City, Kansas, Junior College team to a narrow 70 to 64 victory. It was the 16th defeat of the season for the Bulldogs as compared to only two wins, but the Bulldogs definitely showed signs of arousing from their long victory drouth. The game was close all the way and the visiting Kansas only got away from the Bulldogs in the last minute of the game.

Garden City, paced by their two great Negro athletes, Bennie Crawford and Don Page, took a quick lead over the Bulldogs in the opening minutes of the game and led throughout the first half. They held a 40 to 35 advantage at the half, but the Bulldogs came back strong the last half and scored ten points to take a 45 to 40 lead. At this point, Kenny Martindale, Clarendon's watchman guard and playmaker, was injured and had to leave the game and Garden City promptly came back to take the lead that they never relinquished. The Bulldogs kept snapping at their heels throughout the remainder of the game but could never quite catch up.

Ray DeBord, the Bulldogs' leading scorer, made 18 points to lead the Bulldogs while Billy Wiggins made 13; Max Courtney, 10; Martindale, 9; Dee Blevins, 8, and Alvin Scott, 6. Courtney played perhaps his best game of the season as he grabbed 11 rebounds and pretty well held his own with the giant, 6-5, 220 pound Page. Crawford and Page paced Garden City with 25 and 22 points respectively.

Candidates flooded this capital city as the filing deadline arrived. Politicians came to town to pay filing fees for state offices at both the state democratic headquarters and the republican camp.

Thousand dollar fees were paid in many ways: One thousand one-dollar bills, one hundred ten-dollar bills, and varied contributions from friends of the candidates.

A former athlete brought a handful of ex-football stars along, to show that he had a sporting chance.

There were very few surprises at the State Democratic Executive Committee: Governorial candidates John Connally, Marshall Formby, Will Wilson and Maj. Gen. Edwin A. Walker had paid before the deadline; Don Yarborough was expected, and everyone knew Gov. Price Daniel would show up after his TV announcement.

Austin Attorney Bob Looney arrived at the last minute to join Tom James, Tom Reavley, Waggoner Carr, W. T. McDonald and

E. J. Chenault INCOME TAX SERVICE BOOKKEEPING CLARENDON, TEXAS Office in Goldston Bldg.

Less Procter in the attorney general's race. Keith Wheatley, 27-year-old Stamford oil operator, decided to oppose Railroad Commissioner Ben Ramsey in the May primary.

Both Looney and Wheatley filed without paying, but plunked down their \$1,000 fees by the Feb. 8 deadline.

Joe R. Pool, Dallas attorney, Charles H. Stevenson Jr. of Nueces County and rancher Phil Willis of Kaufman County, made the same sort of financial transaction as candidates for congressman-at-large.

Houston businessman Robert W. Hervey and Mitchell County District Judge Eldon Mahon forfeited their right to run for congressman-at-large when they failed to follow filing with payment of filing fees.

Republicans Rally "Rebirth of the republican party in Texas" has been widely discussed. It was quite evident when filing time was over that considerable progress had been made.

If the party wasn't reborn; it certainly was revitalized. Breckenridge oilman Jack Cox — former democratic candidate for governor who announced for the GOP months ago—got two opponents at the countdown. One was Amarillo rancher-publisher Roy Whittenburg, who polled 185,926 votes when he opposed Ralph Yarborough for the U.S. Senate in 1958. The other was Harry Diehl, Houston factory representative, who was one of the 71 who ran for Lyndon Johnson's senate seat last year.

Republican line-up for house and senate seats is imposing. Fourteen republicans are campaigning for 10 of the 31 senate seats. And 74 republicans have filed for 70 of the 150 representative offices. Two already are members of the House. They are George Korkmas of Texas City and Kenneth Kohler of Amarillo. They seek re-election to offices they won in recent special elections.

Valley Freeze Creates Food Shortage Agriculture workers "frozen" from jobs by the recent freeze in the Valley caused a stir of activity in the commodity distribution division of the State Department of Public Welfare.

Division Director W. M. Herndon has just returned from two trips to the Valley to talk to county commissioners in Cameron, Zavala, Willacy and Hidalgo counties. There, the need for emergency distribution of government surplus foods is desperate.

DPW is distributing food for 5,000 in Cameron County, 4,000 in Willacy County, and 2,500 in Xavala County. Also it is adding 20,000 people to the program at Hidalgo County, which provides food for 600 needy people on a regular basis.

Most commissioners look for the emergency to end within 30 days, when business in that area is expected to recover.

Sales Tax Rulings Keep Coming Governor Daniel's announcement that he hopes to amend the sales tax structure probably caused groans in the Comptroller of Public Accounts' office, where they're constantly busy interpreting the two per cent sales tax as it now stands.

Comptroller ruled that the tax does not apply to intangible services and therefore excludes the commission from taxation.

But clients must pay tax on drawings, paintings, lettering and printed matter, and with the fantastic volume of this type of production involved in a campaign year, the state ought to net a fair-sized income from advertising agencies.

Migrant Workers Conference Ranchers, farmers, educators and businessmen from all over the state will attend a Texas Conference on Education for Adult Migrant Farm Workers, in the House of Representatives on March 8.

Texas Committee on Migrant Farm Workers and Good Neighbor Commission are planning the conference.

"Hello— is this the butcher shop? Where's our breakfast bacon?"

HEDLEY NEWS

Mabel Bridges

Hedley friends were shocked and grieved when word came that Luke Heart of Amarillo had suffered a heart attack and died suddenly at his home Tuesday morning at 1 a.m.
Mr. Heart was a former Hedley resident living here a number of years before moving to Amarillo. He has a host of friends who extend sympathy to the family.
Surviving him are his wife, the former Jewell Brinson of Hedley; a son and 2 daughters, a sister, Mrs. Herlie Moreman and seven grandchildren. Funeral service was held Thursday at Blackburn-Shaw Chapel in Amarillo.
Attending from Hedley were: Mr. and Mrs. Tommy Bain, Mr. and Mrs. Alva Simmons; Mesdames Tillie Spaulding, Cullen Taylor and Alfred Spaulding, Mr. and Mrs. Kenneth Brinson and Mr. and Mrs. G. C. Brinson, and Mr. and Mrs. Herley Moreman.
Mrs. Gene Allison and Mrs. Andy Anderson were honored with a Coffee Tuesday morning in the Bank Committee Room introducing the two new residents who have recently moved to Hedley.
Hostesses were Mesdames Clifford Johnson, Hobart Moffitt, Ray Moreman, Myrtella Deahl, Ansil Adamson, Luther Petty, Kenneth Brinson, Bill Matthews, and Miss Myrtle Reeves.
A large number of guests called during the entertaining hours and welcomed the two ladies to Hedley.
Mr. and Mrs. Royce Hall were in Clovis, N. Mex. last week due to the illness of Mrs. Carl Naylor, who suffered a heart attack Sunday. Last report is that she is improving.
Rev. and Mrs. Wolfe of Halfway visited in Hedley Tuesday and Wednesday with friends. Rev. Wolfe is a former pastor of the Methodist Church here. Their many friends are always happy to see them.
Mr. and Mrs. Loyd Bailey were here Wednesday after spending several weeks in Amarillo. Loyd was seriously ill in Northwest Hospital. We are happy to see him looking fine and feeling better. Mrs. Bailey is doing much better after a lengthy illness. They plan to come home in the near future. Their friends are glad to see them and welcome them home.
Mr. and Mrs. Lloyd Acord of Laguna Beach, Calif. visited friends in Hedley Saturday.
Mr. and Mrs. Joe Glass of Snyder, Tex. spent the week end with his brother, Mr. and Mrs. Malcom Glass.
Mrs. Mabel Bridges spent the week end in Amarillo with her children and grandchildren, the Bridges and the Jeffreys families.
Mrs. Anna May Riddle of Amarillo spent the week end with her parents, the Walter McCrackens.
Mrs. Julious Stephens of Childress spent Sunday with her sister, Mrs. Homer Morgan.
Mrs. Mary Clay is in Amarillo visiting her niece Mrs. Hugh Nall.
Mr. and Mrs. Paul Dishman and children and Dr. Hiroshi Sakakida of Kyoto, Japan, who is a teacher in Medical Research at Southwestern Medical School in Dallas spent the week end in the home of Mr. and Mrs. Roy Jewell.
Mr. and Mrs. C. L. Johnson left Friday for Corpus Christi to spend two weeks with their son, the Billy Johnson family.
Rev. and Mrs. Lamb were in Hollis Monday on business.
Mrs. Pearl Masten and Mrs. Letha Youngblood transacted business in Clarendon Thursday.
Several grass fires have caused considerable damage to quite a lot of pasture land in our vicinity. Everyone should be very careful and help prevent these fires. The Hudson Couch place and the Donough Ranch have suffered loss from grass fires and there is possibly others.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

How About De-Urbanization?

Much has been said and written about the problems and difficulties of the urban population. It has been repeatedly pointed out in economic reports that the decrease in our farm population means that there is a corresponding increase in the city areas. I believe it is now estimated that 70 percent of our population resides in the urban or metropolitan areas of the country. This trend has been obvious for years to statisticians, but its physical impact on the economy of the country and on the political makeup of the country is just now beginning to be felt. It is an assumed fact of human nature that a great many of Man's problems are caused by over-congestion. The social ills of the past were primarily the result of overcrowding in Eastern cities. It provided a fertile field for the exploitation of Man by Man on an economic basis. It was the breeding place for crime that subsequently developed into national and international syndicates of crime. It created innumerable other problems associated with the greed of man. As the population continues to increase at the rate of some three-plus million per year (an increase which will in itself increase), the problems become accordingly greater. The migration from the rural areas into the metropolitan areas has not ceased but, in fact, appears to be increasing.
Only recently it was estimated that by 1980 our population will have increased by 65 million people. This will mean that we will have some 240 million people in the United States. Yet, in 1950 the experts estimated that by 1975 we would have 175 million people. They also estimated that it would be almost impossible to feed that many people. It shows how wrong experts can

be. The fact is that the migration from the farms to the cities is caused by the increasing difficulties encountered by farmers in making a living, especially small farmers trying to operate family-sized farms. It is presently estimated that although the population will increase to some 240 million by 1980, 50 million less acres will be required to feed the population. Some argue that the farmer has advanced technologically so fast and so well that he has virtually put himself out of business. Be that as it may, the more rural people who move into the cities, together with the natural increases in the populations of the cities, the more social problems we are going to be faced with in this country, and the more and greater the demands for legislation to solve them. It will necessarily follow that the demands for such legislation will be to the Federal Congress in most instances, rather than the State Legislatures. The reason being that most States undertaking to meet the problems posed by this great influx of the population to the metropolitan areas are now bankrupt or on the verge of it. They do not have tax sources from which to acquire the funds to meet the demands. Most of their taxing powers have already been stretched to the breaking point. Hence, these cities are turning more and more to the Federal government, as a number of them have done in the past, and as others will do in the future. The end result will be complete centralization of the government of this country.

It will mean the ultimate destruction of the dual sovereignty form of government and could well do much damage to the basic separation of powers theory.
Several years ago a group of us in the Congress undertook to place a "dispersal amendment" on authorization and appropriation bills for defense expenditures. This would have set up machinery for expenditures by the Federal government to be spread out through the country and contribute to the dispersing of the population. This amendment was repeatedly defeated because of the greater number of Representatives from the areas designated as industrial areas of the nation. Had the amendment passed I feel that the people of those areas, or perhaps their children, would have been much better served. Although it may have been necessary for them to have been removed from one geographical location to another geographical location within the United States, it could be assumed that this would have been to their benefit rather than their detriment. Certainly it would have avoided the declaration of many of these areas as distressed areas, to be the recipients of negotiated contracts to keep employment up, and Federal welfare grants.
In short, it is my feeling that emphasis should be placed on de-urbanizing our population if we are to solve the problems of health, of social justice, of freedom from exploitation, of crime, and create an opportunity for the freedom which many of the people have never tasted. They might like it.

Hedley Takes Championship In 14-B. Tourney Last Week

The Hedley Owls and Owletts took both ends of the District 14-B Basketball Tournament which was held here last Thursday, Friday and Saturday. The boys won the district championship outright, by beating Samnorwood, 32 to 27, but the girls will have a play-off with Claude for the title. Claude won the round-robin schedule and Hedley the tournament which causes the two teams to be tied for the crown.

The two games Saturday night were both real thrillers. In the first game the Hedley girls out-

fought and outscored the Claude girls by a score of 43 to 39. Before a standing-room-only crowd, the Hedley girls took the lead with four minutes to play and Claude could never quite catch. The game was a duel, as expected, between Hedley's Susan Cox and Claude's Betty Ramson. Miss Cox came through with 31 points and Miss Ramson was close behind with 29. Hedley was ahead 12 to 9 at the end of the first quarter and held a 25 to 23 lead at the half. Claude held a narrow 33 to 32 lead at the end of the third quarter.

The boys championship game between Hedley and Samnorwood was also a real thriller. Hedley jumped off to a 13 to 2 first quarter lead and early in the second quarter they led, 17 to 4, but they had to fight for their lives in the fourth quarter as the hard fighting Samnorwood boys finally cut the lead to 28 to 27 with four minutes to go. At this point the Hedley Owls went into their stall and through the benefit of fouls by the Samnorwood boys, finally won by a score of 32 to 27. Joe Darnell scored 12 points for Hedley and Randall Murry scored 10 for Samnorwood.

The Hedley boys and girls played impressive basketball all through the tournament. The boys got to the finals by beating Claude, 69 to 44, and Dodson, 38 to 29. The Owls, by far the smallest team in the tournament, out rebounded their larger opponents and hit well from the outside. The Hedley girls also showed a spirited brand of play as they downed Groom, 56 to 35, and Quail, 56 to 39, on their way to the finals. Susan Cox made 36 points in each of the Groom and Quail games although she played little more than half of each contest. Her 31 points against Claude in the finals gave her a total of 103 points in the three games.

The Samnorwood boys and the Claude girls also played well on their way to the finals. Samnor-

wood defeated Sanford-Fritch, 55 to 45 and Quail, 46 to 37. Randall Murry led the scoring in both games as he hit 33 points against Sanford-Fritch and came back with 19 against Quail. The Claude girls defeated Samnorwood, 52 to 36 and Sanford-Fritch, 46 to 25. Betty Ramson scored 36 against Samnorwood and 14 against Sanford-Fritch. This, coupled with her 29 points against Hedley in the finals gave her a total of 79 points for the three games. The other game in the tournament saw the Quail boys defeat Groom, 55 to 50.

Both Friday and Saturday night's sessions were played before a packed gymnasium of approximately 850 people.

JAYCEES BACK FFA IN RECENT PROJECT

A recent project of the Clarendon Junior Chamber of Commerce was to insure the local FFA chapter of a reasonable market price for their livestock at the Amarillo Fat Stock Show. With the assistance of the local ranchers in this area, the Jaycees collected sufficient funds to allow Bill Porter to attend the auction in order to see that the livestock from this area were sold at a fair market price.

To partially compensate for the loss of his fourth place winning pig at the Fort Worth Livestock show recently, the Jaycees intend to present a check to FFA member, Charlie Anderson.

Many of the Clarendon Jaycees attended a meeting of young men in Memphis, Texas last Tuesday night to assist in forming a Junior Chamber of Commerce in that city. The formation of the Memphis chapter was stimulated by the Pampa Jaycees.

The meeting tonight will be at 7:30 at the City Hall.

Mr. and Mrs. Earl Myers and Glenn had business in Welling-ton and Childress Tuesday.

FARM NEWS

from County ASCS Committee

ADVANCE PAYMENT AVAILABLE UNDER FEED GRAIN PROGRAM

Producers who participate in the 1962 Feed Grain Program are entitled to payments for diverting acreage from production of corn and grain sorghum. Up to half of the estimated payment to be earned may be paid in advance when the producer signs up under the program. This program provisions should be of substantial benefit to growers who can use some extra ready cash during the spring planting season.

Signup for the program runs from February 5 through March 30. The program offers payments to producers for diversion of feed grain cropland to approved soil conserving uses. The program is voluntary, but farmers who cooperate must divert a minimum acreage in order to be eligible for price support on the normal production of their 1962 crop corn and grain sorghum acreage.

Farm payment rates will vary according to the farm's productivity in relation to the county average productivity and the number of acres diverted.

Farmers who are interested in participating in the 1962 feed grain program should get in touch with the county ASCS office at their earliest convenience.

NOTE
At the same time that the farmer has been making food a better buy for consumers, he has been getting less for his labor. He now gets a little less than 40 cents of every dollar spent for food . . . about 10 cents less than he got a decade ago.

1962 WHEAT STABILIZATION PROGRAM
Quality Job Printing At The Leader

Mr. Loyd C. Johnson, performance supervisor and C. H. Long, reporter, are in the process of measuring wheat diverted acres. It will be a great help if, when he arrives at your farm, you have decided on the area to be diverted.

REQUEST FOR ADDITIONAL COTTON ACREAGE

The ASCS Office is accepting requests for additional cotton acres. You must make a request not later than April 13, 1962. If you do not intend to plant your cotton allotment, you should release it to the County Committee and protect your allotment history and base.

PRE-MEASUREMENT OF COTTON ACREAGE

Pre-measurement of your intended 1962 planted cotton acreage service will be offered again this year. The cost of the service must be borne by the farmer requesting the service. Request must be filed in the County Office not later than March 30, 1962. Come by the office and we will work out the cost with you.

NOTE
The greatest single source of strength in the struggle to insure that freedom prevails around the world is the success of American Agriculture and the American farmer. It is the strongest deterrent to the spread of Communism because the contrast between American Agriculture and that of the Communists is apparent to the whole world. To those nations where farming is the primary occupation for 60 to 80 per cent of the people, the failure and inefficiency of the Soviet agriculture and the collapse of the commune agriculture in Red China is an ever present symbol of the difference between Democracy and Communism.

Mr. and Mrs. L. B. Phelan of Borger spent the weekend with his parents, Mr. and Mrs. Lee Phelan.

Cub Scout News

The Blue and Gold Banquet will be held tomorrow night, Feb. 16 at 7 p.m. The program by the boys, "Parade of the Presidents" will be held first in the gymnasium at 7 p.m. and we should be ready to go across the hall to the cafeteria by 7:30. The boys should come dressed as their parts at 6:45 and go to the basketball boys dressing room.

Rehearsal will be this afternoon (Thursday) at 4 p.m. in the gym. Ticket sales were good and we will have a nice crowd.
