FARM NEWS

from County ASCS Committee

EMERGENCY GRAZING AND HAYING

The Secretary of Agriculture has authorized grazing and haying from now until August 31 on soil bank, CAP, and diverted acreages. This authorization is subject to approval of the ASCS County Committee. Regardless of reports you may have heard, grazing or haying this acreage without the committee approval is a violation of program regulations and the regular penalties will apply. A charge for the value of haying and grazing will be collected or deducted from your program payments.

IRRIGATION INFORMATION

If you drilled an irrigation well and used it for the first time in 1964 and/or 1965, please stop by the office as soon as possible. We would like to talk with you about the increased production on your farm.

ASC COMMITTEE NOMINATIONS INVITED

Slates of nominees for membership on ASC community committees soon will be established at the ASC County Office.

The committee system is the backbone of farm programs. Its responsibilities include the conservation of natural resources, the stabilization of agricultural commodities and price support activities which protect and improve farm income. We need the best men available to insure effective administration of the various programs.

Any local resident who is eligible to take part in an ASCS farm program may vote, and he may hold office as a committee member regardless of race, color, creed, or national origin. Further information regarding qualifications of committeemen is available at the ASCS County Office.

Farmers who are eligible to vote in the community committee elections also have the right to nominate as candidates for committee membership any farmers who are eligible and willing to serve. Such petition, each one nominating one farmer and signed by six or more voters, may be filed at the county office at any time before August 12. Eligible voters may sign as many petitions as they wish. Additional nominations may be made by the incumbent ASC community and county committees.

The community committee elections in Donley County will be held by mail on September 7, 1966. Each community committee will choose three community committeemen and two alternates. The regular members elected will serve as delegates to the county convention.

There has been no change made in any community boundary. These boundaries have remained the same for the past several years.

DATES TO REMEMBER

July 29—Last day to bring in proof of production records for

Little League Teams Lose Out In First Games Of Tourney

The Clarendon Little League All-Stars and the Senior League All-Stars both lost out in the area Tourney held here last week end in their first encounters.

The Little League team lost to Memphis 17 to 6 and the Senior League lost a close one to Carson County 5-4 and were leading a greater portion of the game. These games were played Thursday night. At the same time in Little League Play, Carson Co. defeated Amarillo AFB 1-0.

The play-off games scheduled for Friday night were rained out and the visiting teams returned to Clarendon Saturday night. Carson County teams were victorious in both games with the Little League defeating Memphis 6-4 and the senior league boys defeating Ralls 11 to 1.

These games finished up a very busy season for the local teams and those in charge expressed a desire to thank everyone who helped or participated in any manner to make this another successful Little League year. With the number of games to be played, it is a problem to have enough officials on hand to call the games, keep the score etc. in addition to the managers, assistants etc. of the teams that are playing. Everyone did a fine job and we appreciate all efforts extended, was the concluding remarks of K. D. Vaughan, president of the Little League.

GOODNIGHT BAPTIST CHURCH SETS HOMECOMING

Goodnight Baptist Church has announced that Homecoming will be held at the Church August 7th. Sunday School will be at 10 a.m. with preaching at 11 a.m. Speaker for the service will be J. D. Mansfield, a former pastor of the church.

A basket lunch will be served at the noon hour in the Community Center building. Former College students, Church members, and all former residents of the Goodnight area as well as present residents are invited to attend Committee Chairman W. M. Crain reported.

COLLEGE DORMS BY SEPTEMBER 15

Frank Wiginton of Cantex Corp., Canyon, Texas, was here Tuesday afternoon and reported to a college official that plans were to have the College Dormitories ready for occupancy by September 15. He was also checking on utility connections which will be necessary when construction begins.

1963, 1964, and 1965 crops. August 1—Last day to redeem CCC cotton loans.

August 5—Final date to request measurement service.

September 1—Last day to certify to crop acreages.

Gooch Reports Spraying For Cotton Fleahoppers, Johnson Grass

The demonstrations on the control of the cotton fleahopper were put out this week, according to County Agent Ronald Gooch. Two fields of cotton on E. W. Barbee and Hall Hardin farms were sprayed with Trichlorfon (Dylox) at the rate of 1/2 pound per acre. Fleahopper infestations were heavy running over 50 per cent infestations. Trichlorfon (Dylox) is supposed to be a selective insecticide, that is one that will kill fleahoppers but will not kill the beneficial insects such as the Lady Beetle, when applied at recommended rates. The results of the spraying has not been determined as yet. The insecticide was furnished courtesy of Chemagro Chemical Corporation.

Several people are using chemicals to control Johnsongrass in their fields with good results. Use DSMA or MSMA at the rate of 1.15 pounds of actual chemical per acre plus a surfactant. You might want to talk to one of the following people that have used the chemical recently: Don Robinson, Joe Shadle, E. W. Barbee, or Doc Kennedy, to name a few. The chemical is sold under several trade names; your chemical dealer can give you the trade name of the chemical containing DSMA or MSMA, that he handles.

FORMER RESIDENT BURIED HERE MONDAY

Funeral services for Mrs. Bess Reed, 75, former Clarendon resident were held Monday morning in the First Baptist Church of Stratford. Graveside services and burial were held here in Citizens Cemetery at 3 p.m.

Mrs. Reed, long time resident of Stratford, died Saturday night in an Amarillo hospital.

Survivors include a daughter, Mrs. Schuler Donaldson of Clayton, N. M.; a sister, Mrs. Eva Rhoads of Clarendon and two grandchildren.

DONKEY BASEBALL

This Friday night, July 29, 1966 at 8:00 p.m. at the Clarendon Rodeo Grounds the action will be fast as the Clarendon Jaycees take on the KGBH Disc Jockeys in a Donkey Baseball game. Tickets are now on sale from the Jaycees, \$1.00 for Adults and 50c for children.

You will laugh till your sides hurt as you see attempts made to ride the donkeys after the ball is hit. Don't miss it. Bring the entire family for a night of fun.

LOCAL POST OFFICE IS CREDIT TO CITY

Local residents should be proud of the general appearance of the Clarendon Post Office. A great effort is made at all times to keep the building and grounds in perfect order.

Patrons will notice that the 10 minute limit on parking has been repainted on the curb in front to help the parking situation.

Official Proclamation

By R. E. Drennan
County Judge, Donley County

WHEREAS all the citizens of Donley county are deeply concerned about the safety and well-being of farm families from whom we receive our abundance of food and other essential agricultural commodities; and

WHEREAS farm and ranch accidents reap a grim harvest of approximately 150 fatalities and thousands more suffer painful disabling injuries each year in Texas, plus the great economic loss, causes profound physical and psychological damage suffered by members of farm families that are involved; and

WHEREAS the President of the United States and the Governor of Texas have proclaimed the week of July 24-30, 1966, as FARM SAFETY WEEK;

WHEREAS during this special week, a statewide farm accident prevention education program will be undertaken by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, the Texas Safety Association, 4-H Clubs, Future Farmers and Future Homemakers of America, Young Farmers and Young Homemakers of Texas and the Donley County Farm Bureau with the theme "Safety Is Victory Over Accidents"; and

NOW, THEREFORE, I, R. E. Drennan County Judge of Donley County, do hereby designate the week of July 24-30, 1966 as FARM SAFETY WEEK in Donley County and urge all farm and ranch families to become more safety conscious and help reduce deaths and injuries caused by accidents.

IN OFFICIAL RECOGNITION THEREOF, I hereby affix my signature this 28th day of July, 1966.

R. E. DRENNAN
Donley County Judge

RED MARK TIME

We, at the Leader Office, were a little slow in marking this month and so missed the first issue as is customary. Papers are being marked this week indicating that your subscription has expired or will expire during the month of August. If you wish to continue receiving the paper please send in your renewals or make arrangements for payment.

Time permitting, all subscriptions prior to 7-66 will be pulled from our mailing lists. Check the date to the right of your name at the upper left hand corner of your paper or on the brown wrapper. Should you feel an error has been made please notify us as soon as possible.

As always, we appreciate receiving any change of address. You not only receive all issues of your paper but we avoid being charged the 10 cents by the postal department for non-delivery of the paper. Subscriptions are due in advance. We are asking your help in complying with all government regulations.

Petitions Completed Asking For Election On Alcoholic Beverages

The Leader was informed Wednesday morning that a petition had been completed and was expected to be filed later Wednesday asking the Donley County Commissioners Court to call an election for the sale of Alcoholic Beverages for Off-Premises Consumption Only in Precinct No. 2 of Donley County.

It was reported that more than the required number of qualified voters signatures had been acquired on the petitions which were to be filed today and that action on the matter would probably come at the regular session of the Commissioners Court on August 8th.

These petitions have been in circulation for quite some time and have not been previously mentioned by the Leader until they became a point of fact. There are times when premature announcements can cause undue concern.

LOCAL PEOPLE VACATION IN CANADA

Mr. and Mrs. J. R. Brandon, Mrs. Otis Naylor, and Mrs. Julia Heuer have returned home after an 18 day vacation which carried them over 5578 miles.

Leaving Clarendon they traveled to St. Louis, Mo., Springfield, Ill. where they visited Lincoln's home; Marion, Ohio where they toured President Harding's home; and thence to Toronto, Canada. At Kingston, Canada they took a 40 mile boat trip down the St. Lawrence River.

Historical sights were visited at Ottawa, Montreal, Quebec City, and Riviere-du-Lout. Going south they visited the providence of New Brunswick and Woodstock where they crossed the border into the United States to Maine. The drive along the rock bound coast of Maine was truly wonderful.

Other points of interest included Boston, Mass.; Plymouth; Cape Cod; Province Town; Hyannis Port; Newport, Rhode Island where a visit was made to the Breakers, elaborate mansion and home of Cornelius Vanderbilt; Valley Forge, Pa.; Washington D. C.; Arlington Cemetery where they visited the grave site of President Kennedy as well as those of relations; Virginia, Tennessee and Pine Bluff, Ark.

Seeing the road marker indicating the town of Clarendon, Ark., curiosity got the better of the four Clarendonites and a visit was paid there. They found the town somewhat larger than our Clarendon but or hometown much nicer. From Texarkana the return was uninterrupted and all reported a most enjoyable trip.

Mr. and Mrs. Gerald Tipton and girls of Sweetwater, Okla. visited the week end with his brother and family, Mr. and Mrs. Bill Tipton, Marty and Misti.

Leader local rate \$3.50

Beneficial Rains Cover Large Portion Of County — More Still Needed

Local Organizations Ask For Hearing On Train Service

The Clarendon Chamber of Commerce, Industrial Foundation, City of Clarendon and numerous individuals have joined other cities served by the Ft. Worth and Denver Railway in asking for a hearing before the Interstate Commerce Commission on the proposed discontinuation of two Fort Worth and Denver passenger trains serving this area. The trains are Nos. 1 and 8 which run through Clarendon. If a hearing is not called by the ICC, service is slated to stop August 15.

These two trains at present handle the greater portion of the mail coming into Clarendon.

PASTOR TO LEAD REVIVAL AT GOODNIGHT CHURCH

The Goodnight Baptist Church announces a three day Revival this week end, July 29-31. This is to be a Gospel Fellowship meeting featuring Special Music and Testamonies.

Elena Ann Donald will be arranging the music and Juanita Haynes of Miami, Texas will be at the piano. A musical treat is in store for all who attend.

Pastor O. C. Edwards will be the Evangelist. The Goodnight Church, "The Church with a Purpose," invites the public to come and worship during these services this week end. Services will be Friday and Saturday at 8 p.m. and Sunday at 11 a.m. and 7 p.m.

CHS CLASS OF 1926 SEEKS ADDRESSES

The CHS Class of 1926 would like to plan a reunion for this fall during the annual reunions. This would be a 40th Anniversary for the group. Many addresses are not available, however.

Addresses should be mailed to Kenneth Fink, Box 550, Childress, Texas. The following list of names may not include girls' married names but any information regarding names and addresses would surely be appreciated.

They read: Leonard Harris, Ruth Chapman, Lucille Goldston, Isabel Bailey, Coy Latson, Reuelia Dubbs, Frances Park, Robert Weatherly, Rufus White, Roy (Mutt) Ingram, Clarence Whitlock, Mary Crawford, Harold Ruddell, Clyde Martin, Evelyn Ingram, Eula Allen, Irene Parker, Loyd Johnson, Ruby Lee Lane, Charles Summers, Agnes Caraway, Clovis Gerner, Edith Hill, Frances Cauthren, Gordon Lane, Maude Crawford, Vada DeJarnette, Clarence (Buck) Clark, Byers Irwin, Geraldine Kelly, and Lillian Murphy.

Quality Job Printing at the Leader

Beneficial rains moved across the area Friday and again early Sunday to drop good moisture in some areas, especially to the west and north. Amounts reported were spotted to the south and east.

The heaviest amounts reported last Friday were at the Country Club where C. C. Rich measured 1.50 and at Hedley where W. G. Johnson caught 1.30. At this same time Willard Knox reported .50 at Lelia Lake and .54 was recorded here in Clarendon.

The big rain came about 4 a.m. Sunday morning at Ashtola with Hubert Rhoads reporting a whopping 3 1/2 inches and Rich reported only .50 at the Country Club.

The big downpour at Ashtola put the Salt Fork of Red River on a rise and flooded the river bed where work is in progress on the Greenbelt Reservoir. Water spread out on both sides and ran through the concrete water outlet which is under construction at the present time. Minor damage or delay was reported.

Here in town we added another .20 Sunday morning to the .54 Friday to give us a total of .74 for the month of July so far. This brings our yearly total to 9.34 which is approximately 2 inches under the total at this time last year. Our July total this year exceeds the .50 inch recorded last year.

Crops in general are holding up exceptionally well over most of the county considering the amount of moisture received. Those with irrigation have kept their wells going night and day and their crops are doing real well. A good general rain would give them an opportunity to rest a bit and certainly would help the cattleman's feelings and pocketbook as a large number have had to continue feeding operations.

FORMER BRICE RESIDENT DIES AT BEEVILLE

R. B. Melton, 70, a long-time resident of Lubbock and a former resident of the Brice community died Tuesday of last week at Beeville, Texas. Funeral services were held Thursday morning at 10 a.m. at the Calvary Baptist Church in Lubbock with Rev. R. J. Walls officiating. Burial was there.

Mr. Melton moved to Hall County in the Brice area in 1909 and to Lubbock in 1922. He retired in 1951.

Surviving are his wife; two sons, Nathaniel Hutchins of Shallowater and Ralph of Tyler; two daughters, Mrs. G. W. Nichols, Jr. of Lubbock and Mrs. G. T. Doggett of Shallowater; also three sisters, Mrs. O. A. Churchman of Sudan, Mrs. J. L. Moore of Clarendon, and Mrs. G. E. Bates of Gatesville.

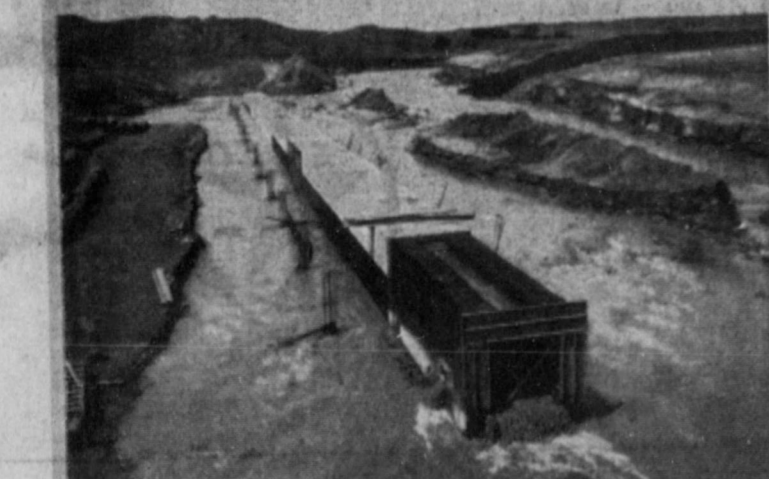

MRS. R. R. RILEY'S GRANDSON KILLED IN VIET NAM

Platoon Sgt. James Robert Croley, 33, a former Amarillo resident and grandson of Mrs. R. R. Riley of Clarendon, was killed in combat in Viet Nam, July 19.

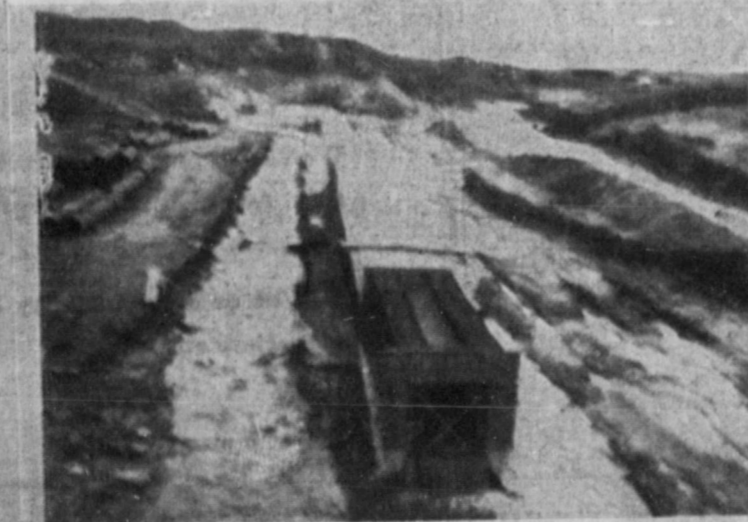

Funeral services for Sgt. Croley will be held at 10:30 a.m. Friday morning, July 29, at Grand Junction, Colo. Survivors include his wife and four children of Grand Junction; his mother, Mrs. Laura Evans of Amarillo; his grandmother, Mrs. R. R. Riley of Clarendon; also two sisters, and a brother.

Sgt. Croley was making the Army his career. He enlisted in the Marine Corps 17 years and served in the Korean War. After 17 years in the Marine Corps he joined the Army paratroopers and finally served with the infantry. He was killed by metal fragments while in combat.

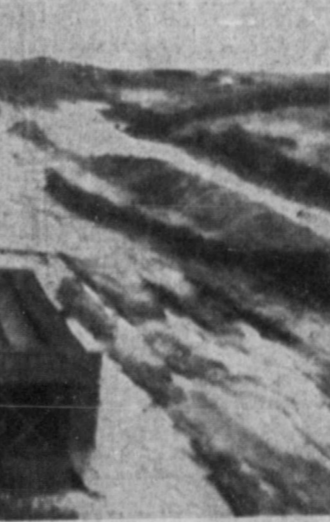

LEADER CLASSIFIEDS GET RESULTS

Water surrounds water supply outlet at Greenbelt Dam site. Photo at left shows the flash rise in Red River following the Ashtola downpour early Sunday

morning. This photo was taken about 10 a.m. after flood waters had receded some but the water had been pouring through and on both sides of the water supply

right shows the big pipe coming to town and near its destination. This location is immediately north of the railroad tracks north

of Foxworth-Galbraith Lumber Co. The 14 inch pipe hit its biggest problem here, that of going underneath the tracks and crossing the city ditch, but it only had to travel around 1500 feet to completion.

OFFICIAL MINUTES OF CITY COUNCIL

July 5, 1966
The City Council, City of Clarendon, met in regular session at 7:30 P.M., July 5, 1966 with the following members present: Mayor Gilkey; Mayor Pro-tem Basil Smith; Aldermen Chauncey Hommel, John Jones, J. G. McAnear; and City Secretary W. B. Knorpp. Members Absent: O. F. Russell. Others Present: None.

A motion was made by Basil Smith with a second by J. G. McAnear that the minutes of the previous meeting be accepted as read.

A motion was made by Chauncey Hommel with a second by John Jones that the bills for July be allowed and ordered paid.

There was a discussion on the food locker. It was decided at this time to contact E. J. Britten and if he will not do anything it was agreed to contact the State Health Office.

There was a discussion on some of the City equipment. It was decided at this time to advertise the Case 800 tractor for sale.

A motion was made by Chauncey Hommel with a second by John Jones that the meeting adjourn. Motion carried.

Minutes of Regular Meeting July 19, 1966
The City Council, City of Clarendon, met in regular session at 7:30 P.M. on July 19, 1966 with the following members present: Mayor Richard Gilkey, Mayor Pro-tem Basil Smith, Aldermen: John Jones, Fred Russell, J. G. McAnear, Chauncey Hommel, City Secretary Walter B. Knorpp. Others present: Carrell Rippe- toe, Gary Gerdes, J. R. Gillham.

Motion was made by Basil Smith with a second by O. F. Russell that the minutes of the previous meeting be accepted as read.

Mr. Gillham met with the Board to inform them that he is getting ready to close the road behind his property. This is the road that runs North and South between 6th and 7th street along side the Golf Course. This road has been opened for the convenience of the Golfers, but is now being closed so that the property may be developed. A Dead End sign will be erected on 6th and 7th streets.

Board action to fix sewer line at 6th and Taylor.

Board action to put Transceiver in Trash truck.

Motion was made by J. G. McAnear and seconded by Chauncey Hommel that any surplus Interest and Sinking Fund or Bond Retirement Fund money be put in Certificate of Deposits.

At this time City Secretary Knorpp gave a brief report on

any changes or corrections made for the City since his employment. He also discussed the Tax setup and asked that he be allowed to make some changes in this particular field. Board approval.

There being no further business to come before the board at this time upon motion by Jones with a second by McAnear the meeting was adjourned.

If more folks are stung by the honey bee than the wasp, it could well be that it is because the bee has something we want.

The trouble with thinking we are right all the time is finding someone to help us prove it.

Don't worry - if we miss our station in life someone is likely to tell us where to get off.

Sometimes it takes a lot of courage to speak up, and then again it takes a lot of wisdom to shut up.

The man who knows why he is where he is usually knows how to get where he is going.

When two people strike their match it doesn't take too long to start a fire.

A good sign that we are growing up— When we slow down on blowing up.

Storming about the way things are Will seldom get one very far.

That the dove of peace which we send out Sends back his bill there is little doubt.

To be rated as a top thinker one should wear dark-rimmed glasses, listen to all manner of twiddle-twattle, and then say nothing.

If about our life good things be said Our heart should be softer than our head.

Mr. and Mrs. Ronald Pool of Charleston, S. C., Mrs. Adelia Welch of San Angelo, Miss Brenda Pool of Fort Worth, and Miss Ila Pool visited with the J. P. Pools over the week end.

Leader out-of-county rate, \$4.50

National Farm Safety Week Set For July 24-30

The Texas Safety Association urges Texas farm families to join in observing National Farm Safety Week, July 24-30. J. O. Musick, TSA General Manager, also urges all persons and organizations allied with agriculture to unite in the nationwide effort to reduce the number of accidents among farm families. Accidents kill some 8,200 farm residents each year and an additional 760,000 or more are victims of disabling injuries.

The 1966 farm safety campaign will place special emphasis on the prevention of highway accidents involving slow moving farm vehicles.

Farm residents are being urged to use the new SMV emblem on

all slow-moving vehicles, such as farm tractors. The emblem, a fluorescent yellow-orange colored triangle with a dark red reflective border about 14 inches high and 16 inches wide, is placed on the rear of a slow moving vehicle so it can be easily seen by other drivers, day or night, from a distance of 500 feet or more.

The motoring public is being urged to stay on the alert for the emblem.

"The average motorist does not realize how slowly the vehicle ahead of him is moving until it is too late to avoid a collision," Musick explained.

"Under normal conditions, recognition of the emblem would provide ample time for the motorist to safely reduce his speed."

SW EDUCATIONAL LAB TO BE SET UP

Kenneth Laycock of West Texas State University at Canyon has been named the Northwest Texas Area Coordinator for the Southwest Educational Development Laboratory. His appointment was announced by Dr. Edwin Hindsmann of Austin, executive director of the Laboratory.

Laycock will organize the Laboratory's task forces in the 51 county Northwest Texas area of which Donley County is a unit. The Laboratory is financed by a development contract with the US Office of Education, and by early autumn, projects should be ready in many sections of the two state area of Texas and Louisiana, all with the single objective of improving educational

opportunity for all students of the region.

Task forces will work with school superintendents, college and university representatives, directors or organizations—business, industry, and cultural—interested in school improvement at the elementary and secondary levels.

Laycock will work with a 24 member Area Advisory Council composed of 8 representatives from elementary education, eight from secondary education, and eight from higher education.

Kevin Jay Phelps is visiting his grandparents, the Frank Thomasons while his parents, Mr. and Mrs. Tom Phelps are vacationing in Colorado and Wyoming.

FARM NEWS

from County ASCS Committee

EMERGENCY GRAZING AND HAYING

The Secretary of Agriculture has authorized grazing and haying from now until August 31 on soil bank, CAP, and diverted acreages. This authorization is subject to approval of the ASC County Committee. Regardless of reports you may have heard, grazing or haying this acreage without the committee approval is a violation of program regulations and the regular penalties will apply. A charge for the value of haying and grazing will be collected or deducted from your program payments.

IRRIGATION INFORMATION

If you drilled an irrigation well and used it for the first time in 1964 and/or 1965, please stop by the office as soon as possible. We would like to talk with you about the increased production on your farm.

ASC COMMITTEE NOMINATIONS INVITED

Slates of nominees for membership on ASC community committees soon will be established at the ASC County Office.

The committee system is the backbone of farm programs. Its responsibilities include the conservation of natural resources, the stabilization of agricultural commodities and price support activities which protect and improve farm income. We need the best men available to insure effective administration of the various programs.

Any local resident who is eligible to take part in an ASCS farm program may vote, and he may hold office as a committee member regardless of race, color, creed, or national origin. Further information regarding qualifications of committee members is available at the ASCS County Office.

Farmers who are eligible to vote in the community committee elections also have the right to nominate as candidates for committee membership any farmers who are eligible and willing to serve. Such petition, each one nominating one farmer and signed by six or more voters, may be filed at the county office at any time before August 12. Eligible voters may sign as many petitions as they wish. Additional nominations may be made by the incumbent ASC community and county committees.

The community committee elections in Donley County will be held by mail on September 7, 1966. Each community committee will choose three community committee members and two alternates. The regular members elected will serve as delegates to the county convention.

There has been no change made in any community boundary. These boundaries have remained the same for the past several years.

Gooch Reports Spraying For Cotton Fleahoppers, Johnson Grass

The demonstrations on the control of the cotton fleahopper were put out this week, according to County Agent Ronald Gooch. Two fields of cotton on E. W. Barbee and Hall Hardin farms were sprayed with Trichlorfon (Dylox) at the rate of 1/2 pound per acre. Fleahopper infestations were heavy running over 50 per cent infestations. Trichlorfon (Dylox) is supposed to be a selective insecticide, that is one that will kill fleahoppers but will not kill the beneficial insects such as the Lady Beetle, when applied at recommended rates. The results of the spraying has not been determined as yet. The insecticide was furnished courtesy of Chemagro Chemical Corporation.

Several people are using chemicals to control Johnsongrass in their fields with good results. Use DSMA or MSMA at the rate of 1.15 pounds of actual chemical per acre plus a surfactant. You might want to talk to one of the following people that have used the chemical recently: Don Robinson, Joe Shadle, E. W. Barbee, or Doc Kennedy, to name a few. The chemical is sold under several trade names; your chemical dealer can give you the trade name of the chemical containing DSMA or MSMA, that he handles.

FORMER RESIDENT BURIED HERE MONDAY

Funeral services for Mrs. Bess Reed, 75, former Clarendon resident were held Monday morning in the First Baptist Church of Stratford. Graveside services and burial were held here in Citizens Cemetery at 3 p.m.

Mrs. Reed, long time resident of Stratford, died Saturday night in an Amarillo hospital.

Survivors include a daughter, Mrs. Schuler Donaldson of Clayton, N. M.; a sister, Mrs. Eva Rhoads of Clarendon and two grandchildren.

DONKEY BASEBALL

This Friday night, July 29, 1966 at 8:00 p.m. at the Clarendon Rodeo Grounds the action will be fast as the Clarendon Jaycees take on the KGBH Disc Jockeys in a Donkey Baseball game.

Tickets are now on sale from the Jaycees, \$1.00 for Adults and 50c for children.

You will laugh till your sides hurt as you see attempts made to ride the donkeys after the ball is hit. Don't miss it. Bring the entire family for a night of fun.

LOCAL POST OFFICE IS CREDIT TO CITY

Local residents should be proud of the general appearance of the Clarendon Post Office. A great effort is made at all times to keep the building and grounds in perfect order.

Patrons will notice that the 10 minute limit on parking has been repainted on the curb in front to help the parking situation.

Official Proclamation

By H. E. Drennan

County Judge, Donley County

WHEREAS all the citizens of Donley county are deeply concerned about the safety and well-being of farm families from whom we receive our abundance of food and other essential agricultural commodities; and

WHEREAS farm and ranch accidents reap a grim harvest of approximately 150 fatalities and thousands more suffer painful disabling injuries each year in Texas, plus the great economic loss, causes profound physical and psychological damage suffered by members of farm families that are involved; and

WHEREAS the President of the United States and the Governor of Texas have proclaimed the week of July 24-30, 1966, as FARM SAFETY WEEK;

WHEREAS during this special week, a statewide farm accident prevention education program will be undertaken by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, the Texas Safety Association, 4-H Clubs, Future Farmers and Future Homemakers of America, Young Farmers and Young Homemakers of Texas and the Donley County Farm Bureau with the theme "Safety Is Victory Over Accidents"; and

NOW, THEREFORE, I, H. E. Drennan County Judge of Donley County, do hereby designate the week of July 24-30, 1966 as FARM SAFETY WEEK in Donley County and urge all farm and ranch families to become more safety conscious and help reduce deaths and injuries caused by accidents.

IN OFFICIAL RECOGNITION THEREOF, I hereby affix my signature this 26th day of July, 1966.

R. E. DRENNAN
Donley County Judge

RED MARK TIME

We, at the Leader Office, were a little slow in marking this month and so missed the first issue as is customary. Papers are being marked this week indicating that your subscription has expired or will expire during the month of August. If you wish to continue receiving the paper please send in your renewals or make arrangements for payment.

Time permitting, all subscriptions prior to 7-66 will be pulled from our mailing lists. Check the date to the right of your name at the upper left hand corner of your paper or on the brown wrapper. Should you feel an error has been made please notify us as soon as possible.

As always, we appreciate receiving any change of address. You not only receive all issues of your paper but we avoid being charged the 10 cents by the postal department for non-delivery of the paper. Subscriptions are due in advance. We are asking your help in complying with all government regulations.

Petitions Completed Asking For Election On Alcoholic Beverages

The Leader was informed Wednesday morning that a petition had been completed and was expected to be filed later Wednesday asking the Donley County Commissioners Court to call an election for the sale of Alcoholic Beverages for Off-Premises Consumption Only in Precinct No. 2 of Donley County.

It was reported that more than the required number of qualified voters signatures had been acquired on the petitions which were to be filed today and that action on the matter would probably come at the regular session of the Commissioners Court on August 8th.

These petitions have been in circulation for quite some time and have not been previously mentioned by the Leader until they became a point of fact. There are times when premature announcements can cause undue concern.

LOCAL PEOPLE VACATION IN CANADA

Mr. and Mrs. J. R. Brandon, Mrs. Otis Naylor, and Mrs. Julia Heuer have returned home after an 18 day vacation which carried them over 5578 miles.

Leaving Clarendon they traveled to St. Louis, Mo., Springfield, Ill. (where they visited Lincoln's home); Marion, Ohio where they toured President Harding's home; and thence to Toronto, Canada. At Kingston, Canada they took a 40 mile boat trip down the St. Lawrence River.

Historical sights were visited at Ottawa, Montreal, Quebec City, and Riviere-du-Lout. Going south they visited the providence of New Brunswick and Woodstock where they crossed the border into the United States to Maine. The drive along the rock bound coast of Maine was truly wonderful.

Other points of interest included Boston, Mass.; Plymouth; Cape Cod; Province Town; Hyannis and Hyannis Port; Newport, Rhode Island where a visit was made to the Breakers, elaborate mansion and home of Cornelius Vanderbilt; Valley Forge, Pa.; Washington D. C.; Arlington Cemetery where they visited the gravesite of President Kennedy as well as those of relations; Virginia, Tennessee and Pine Bluff, Ark.

Seeing the road marker indicating the town of Clarendon, Ark., curiosity got the better of the four Clarendonites and a visit was paid there. They found the town somewhat larger than our Clarendon but or hometown much nicer. From Texarkana the return was uninterrupted and all reported a most enjoyable trip.

Mr. and Mrs. Gerald Tipton and girls of Sweetwater, Okla. visited the week end with his brother and family, Mr. and Mrs. Bill Tipton, Marty and Misti.

Leader local rate \$3.50

Beneficial Rains Cover Large Portion Of County — More Still Needed

Local Organizations Ask For Hearing On Train Service

The Clarendon Chamber of Commerce, Industrial Foundation, City of Clarendon and numerous individuals have joined other cities served by the Ft. Worth and Denver Railway in asking for a hearing before the Interstate Commerce Commission on the proposed discontinuation of two Fort Worth and Denver passenger trains serving this area.

The trains are Nos. 1 and 8 which run through Clarendon. If a hearing is not called by the ICC, service is slated to stop August 15.

These two trains at present handle the greater portion of the mail coming into Clarendon.

PASTOR TO LEAD REVIVAL AT GOODNIGHT CHURCH

The Goodnight Baptist Church announces a three day Revival this week end, July 29-31. This is to be a Gospel Fellowship meeting featuring Special Music and Testimonies.

Elena Ann Donald will be arranging the music and Juanita Haynes of Miami, Texas will be at the piano. A musical treat is in store for all who attend.

Pastor O. C. Edwards will be the Evangelist. The Goodnight Church, "The Church with a Purpose," invites the public to come and worship during these services this week end. Services will be Friday and Saturday at 8 p.m. and Sunday at 11 a.m. and 7 p.m.

CHS CLASS OF 1926 SEEKS ADDRESSES

The CHS Class of 1926 would like to plan a reunion for this fall during the annual reunions. This would be a 40th Anniversary for the group. Many addresses are not available, however.

Addresses should be mailed to Kenneth Fink, Box 550, Chilland, Texas. The following list of names may not include girls' married names but any information regarding names and addresses would surely be appreciated.

They read: Leonard Harris, Ruth Chapman, Lucille Goldston, Isabel Bailey, Coy Latson, Reuelia Dubbs, Frances Park, Robert Weatherly, Rufus White, Roy (Mutt) Ingram, Clarence Whitlock, Mary Crawford, Harold Ruddell, Clyde Martin, Evelyn Ingram, Eula Allen, Irene Parker, Loyd Johnson, Ruby Lee Lane, Charles Summers, Agnes Caraway, Clovis Gerner, Edith Hill, Frances Cauthren, Gordon Lane, Maude Crawford, Vada DeJarnette, Clarence (Buck) Clark, Byers Irwin, Geraldine Kelly, and Lillian Murphy.

Quality Job Printing at the Leader

Beneficial rains moved across the area Friday and again early Sunday to drop good moisture in some areas, especially to the west and north. Amounts reported were spotted to the south and east.

The heaviest amounts reported last Friday were at the Country Club where C. C. Rich measured 1.50 and at Hedley where W. G. Johnson caught 1.30. At this same time Willard Knox reported .50 at Lelia Lake and .54 was recorded here in Clarendon.

The big rain came about 4 a.m. Sunday morning at Ashtola with Hubert Rhoads reporting a whopping 3 1/2 inches and Rich reported only .50 at the Country Club.

The big downpour at Ashtola put the Salt Fork of Red River on a rise and flooded the river bed where work is in progress on the Greenbelt Reservoir. Water spread out on both sides and ran through the concrete water outlet which is under construction at the present time. Minor damage or delay was reported.

Here in town we added another 20 Sunday morning to the .54 Friday to give us a total of .74 for the month of July so far. This brings our yearly total to 9.34 which is approximately 2 inches under the total at this time last year. Our July total this year exceeds the .50 inch recorded last year.

Crops in general are holding up exceptionally well over most of the county considering the amount of moisture received. Those with irrigation have kept their wells going night and day and their crops are doing real well. A good general rain would give them an opportunity to rest a bit and certainly would help the cattlemen's feelings and pocketbook as a large number have had to continue feeding operations.

FORMER BRICE RESIDENT DIES AT BEEVILLE

R. B. Melton, 70, a long-time resident of Lubbock and a former resident of the Brice community died Tuesday of last week at Beeville, Texas. Funeral services were held Thursday morning at 10 a.m. at the Calvary Baptist Church in Lubbock with Rev. R. J. Walls officiating. Burial was there.

Mr. Melton moved to Hall County in the Brice area in 1909 and to Lubbock in 1922. He retired in 1951.

Surviving are his wife; two sons, Nathaniel Hutchins of Shallowater and Ralph of Tyler; two daughters, Mrs. G. W. Nichols, Jr. of Lubbock and Mrs. G. T. Doggett of Shallowater; also three sisters, Mrs. O. A. Churchman of Sudan, Mrs. J. L. Moore of Clarendon, and Mrs. G. E. Bates of Gatesville.

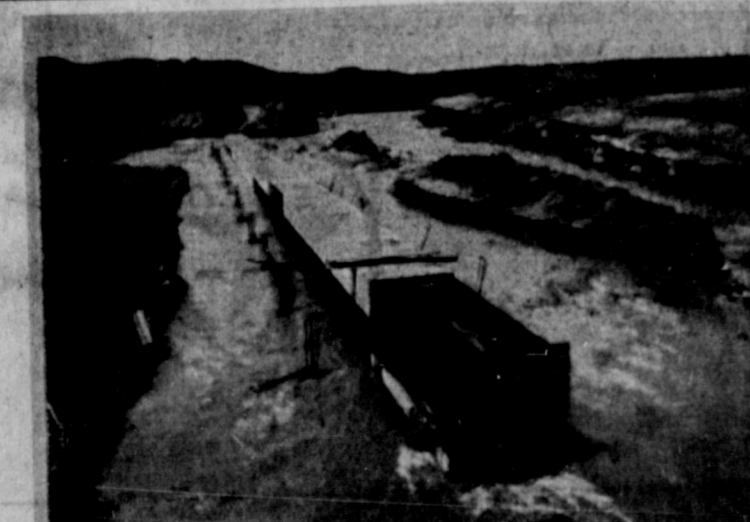

MRS. R. R. RILEY'S GRANDSON KILLED IN VIET NAM

Platoon Sgt. James Robert Croley, 33, a former Amarillo resident and grandson of Mrs. R. R. Riley of Clarendon, was killed in combat in Viet Nam, July 19.

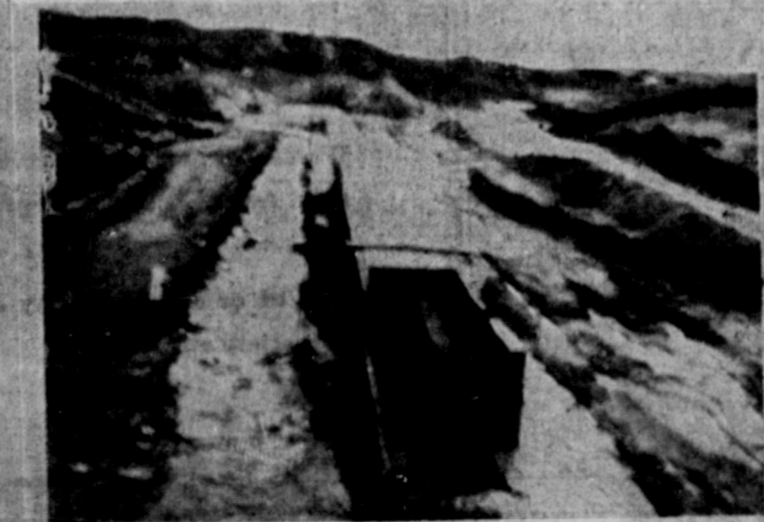

Funeral services for Sgt. Croley will be held at 10:30 a.m. Friday morning, July 29, at Grand Junction, Colo. Survivors include his wife and four children of Grand Junction; his mother, Mrs. Laura Evans of Amarillo; his grandmother, Mrs. R. R. Riley of Clarendon; also two sisters, and a brother.

Sgt. Croley was making the Army his career. He enlisted in the Marine Corps 17 years and served in the Korean War. After 17 years in the Marine Corps he joined the Army paratroopers and finally served with the infantry. He was killed by metal fragments while in combat.

LEADER CLASSIFIEDS GET RESULTS

Water surrounds water supply outlet at Greenbelt Dam site. Photo at left shows the flash rise in Red River following the Ashtola downpour early Sunday

outlet which is under construction. Second photo was taken near sundown showing a good flow of water still making an island out of the outlet. Photo at

right shows the big pipe coming of Foxworth-Galbraith Lumber Co. The 14 inch pipe hit its biggest problem here, that of going

underneath the tracks and crossing the city ditch, but it only had to travel around 1500 feet to completion.

Bride-Elect Feted With Miscellaneous Shower

Miss Dewanda Swearingen, daughter of Mr. and Mrs. Gene Swearingen of Clarendon and bride-elect of William Davis of Clarendon, was honored at a miscellaneous shower Thursday evening, July 21, in the home of Mrs. A. L. Formway. Receiving hours were from 7 to 9 p.m.

Guests were presented by Mrs. Formway and her mother. Miss Laveta Formway presided at the register.

The bride-elect's chosen colors were used in the decor throughout the house and the refreshment table was laid with a white lace cloth over pink. The centerpiece featured a miniature bride and groom with pink and white rosebuds and pink streamers. Appointments were crystal and silver. Presiding at the table were Misses Linda and Shirley Welch.

The honoree received many lovely and useful gifts. Co-hostesses for the evening were Mesdames Lillie Mae Carmichael, Billie Ashcraft, Lee Welch, Doris McAfee, Eloise Ashcraft, Ruby Annis, Helen Rodgers, Mertie Formway, Marjorie Lockwood, Mrs. Shadix and Misses Shirley and Linda Welch. —Rep.

SWINNEY-PAGE

Announcement has been made of the marriage of Miss Jackie Swinney and Charles Page. Vows were exchanged Saturday evening, July 23, at the Methodist Parsonage with Rev. Charles Gates officiating.

Attending the couple were Miss Ruby Gillian and Lynn Rampy. The bride is the daughter of Mr. and Mrs. Dalton Swinney. Parents of the groom are Mr. and Mrs. Ira Page.

PINK AND BLUE SHOWER HONORS MRS. LEWIS

Mrs. Bobby Lewis was honored at a pink and blue shower in the home of Mrs. John Wayne Stepp Saturday afternoon at 3 p.m. Pink and blue Hallmark decorations were used in the entertaining rooms.

The serving table was covered with a lace cloth and was centered with a miniature Stork.

Twenty-nine guests registered and others sent gifts.

Hostesses were Mesdames O. L. Hill, Pat Roberson, Noel King, Wayne Lewis, and Miss Nelda Stepp. —Rep.

MOULDER FAMILY REUNION

The Molder Family Reunion was held in the home of Mr. and Mrs. Edward Moberly in Amarillo Monday.

Attending were Mr. and Mrs. Neil Molder and children of Menasha, Wis.; Mr. and Mrs. Carroll Molder and children of Dumas; Mrs. Don Moss and children of Ashtola; Mr. and Mrs. L. L. Molder and girls, Mr. and Mrs. C. T. Molder, Mr. and Mrs. Clyde Molder and Brenda and new baby girl, Lucy Melissa who arrived July 15 and weighed 6 lbs 4 oz.

Several friends called in the afternoon. —Rep.

Recent visitors in the home of Mr. and Mrs. Lloyd Carmichael and Eddie were Mr. and Mrs. Bill Bryant, Mike and Beth of Azusa, Calif., Mr. and Mrs. Dock Whittington, Mickey, June, and Leon of Riverside, Calif., and Mr. and Mrs. Henry Butler, Annaletta, Rutha, Jerry, and Lorrie of Floydada.

Mr. and Mrs. J. R. Brandon visited Friday with her parents, Mr. and E. N. Cole in Amarillo.

Mr. and Mrs. William C. Davis

Miss Dewanda Swearingen And William Davis Exchange Wedding Vows Monday Evening

Miss Dewanda Swearingen, daughter of Mr. and Mrs. A. E. Swearingen of Clarendon, Texas, and William C. Davis, also of Clarendon, son of Mrs. E. W. Davis and the late Mr. Davis of Las Cruces, New Mexico, exchanged nuptial vows in a single ring ceremony Monday evening, July 25, at the Assembly of God Church. Bright Newhouse, minister, officiated.

The ceremony was performed against a background of palms and baskets of white gladioli with candelabra bearing white tapers. Candles were lighted by Sharon and Gary Swearingen, sister and brother of the bride. Pews were marked with white bows and small wedding bells.

Mrs. Hubert Kidd played the traditional wedding marches and "I Love You Truly."

The bride, given in marriage by her father, wore a street length dress of Chantilly lace over taffeta fashioned with a fitted bodice featuring a square cut neckline outlined in sequins and long sleeves. The full skirt was designed with a panel of ruffles to the front. Her veil of illusion was attached to a bow also ornamented with sequins and seed pearls. She wore a pearl necklace and carried a bouquet of white feathered carnations centered with a white orchid atop a White Bible. All of the usual traditions were observed.

Mrs. Wayne McClure attended the bride as matron of honor. She wore a deep pink knit dress complemented by white accessories and a corsage of white gladioli. Guests were registered by Misses Lois Rogers and Marjorie Annis. Attending the groom as best man was Wayne McClure.

Mrs. Swearingen, mother of the bride, wore a blue dress of Avril and rayon, white accessories and a corsage of white gladioli.

Following the ceremony a reception was held in the home of the bride's parents. The refreshment table was marked by a floral arrangement of pink and white roses. Appointments were crystal. Serving the three tiered wedding cake and dispensing punch were Mrs. B. G. Whisenant and Misses Lois Rogers and Marjorie Annis.

As a traveling costume the bride chose a pale blue sheer dress with white accessories. After a short trip, the couple will be at home in Clarendon where the groom is employed at Lee's Cafe and the bride at the Broncho Drive Inn.

Mrs. John D. Alley of Detroit, Texas visited last week with her sister, Mrs. Allene Bain and Mr. Bain.

Mrs. J. D. Brandon and Mrs. Joe LeFevre of Lancaster, Texas are visiting in the home of Mr. and Mrs. J. R. Brandon.

On February 11, 1854, the Texas Legislature appropriated \$17,500 for the erection of a suitable residence and out-buildings for the governor. The present Governor's Mansion was completed in 1885.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

LET'S TELL THE PANHANDLE STORY

Headlines shout the news of crisis in America's largest cities—of racial strife, rising crime rates, air and water pollution, inadequate transportation systems, overcrowded schools and hospitals, and strained municipal treasuries. As I noted in this newsletter several weeks ago, money is an increasing problem for city governments and the Nation's largest cities have turned with increasing pressure to the Federal treasury in an effort to obtain assistance in solving their problems.

Meanwhile, the cities compete aggressively to attract new industry to provide new jobs for their burgeoning populations and to generate new tax revenues. Cities such as New York are working with business leaders to hold the business-industrial base already developed, and to broaden it.

There are no easy answers to the problems cities face, but it is apparent that millions of residents of huge metropolitan areas, in the city cores and suburbs, desire improvements in the quality of their living. Many of these Americans were attracted to the cities in the first place because the economic opportunities were less attractive in the rural areas and small towns they had called home.

In my views, there is increasing opportunity for areas such as our Texas Panhandle to attract the new business and industry on which a regional economy can be strengthened. We have the people, the community leadership, the climate, the transportation structure, the recreational opportunity (so greatly augmented by Lake Meredith and other water projects being developed or in the planning stage), the pleasant life of friendly cities and towns where families can put down roots and feel at home. And we have the rich mineral and agricultural resources that provide the essential raw materials for numerous industrial enterprises.

It is possible that Congress may next year consider some form of incentive plan to assist new plant construction in areas primarily rural in character. Legislation may be proposed providing Federal income tax incentives for such development, although such a measure would be almost certain to draw opposition from huge cities and their Representatives. However, the precedent for tax write-off approaches was set some years ago by Congress in approving a bill advocated by the Defense Department to help disperse defense industries from areas regarded as prime targets in event of enemy nuclear attack.

A good, healthy trend toward non-urban plant locations is developing. All of us need to keep telling the wonderful Panhandle story, and the story of our own towns and cities.

With local chambers of commerce taking the lead, communities across the Panhandle are scouting for businessmen and industrialists who wish to relocate facilities or build new ones. The Amarillo Chamber of Commerce, to cite an example, has prepared a very attractive brochure based on a recent Texas Parade magazine article, "Amarillo: Space to Space Age." With many color photographs and drawings, the brochure's last page notes that Amarillo is the fastest growing metropolitan market in the Southwest, with a growth rate increase of 22.9 percent from 1960 to 1965. The Panhandle area as a whole can speak in the same terms. Along with chambers of commerce, the utility companies, rural electric cooperatives, banks and other enterprises are working hard to bring industrial development. In my own conversations with business leaders, I have found growing interest for the possibilities of developing new facilities in our area. On the state level, the West Texas Chamber of Commerce and the Texas Industrial Commission pursue the search for new business and industrial development.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

There could be a new look around many Texas county commissioners courts under a reapportionment opinion laid down by the Texas Supreme Court in the case brought by Mayor Hank Avery of Midland.

Avery maintained that it isn't constitutional for one Midland County Commissioner to represent 95 per cent of the county's population—the City of Midland—while the other three commissioners represented only 5 per cent of the people.

Supreme Court agreed, 6-1, but with reservations. It held that the ratio was not fair representation, but that re-division of county precincts, which it told Dist. Judge Joe B. Dibrell of Coleman to order, could consider factors other than population.

Declining to extend the population only rule which the U. S. Supreme Court has applied to state legislatures, Supreme Court held that a commissioners court is not a legislative body. Court's majority wrote that the road, bridge and tax activities of the commissioners courts have more concern to rural residents than to city dwellers. In recent years, such courts have concerned themselves mainly with non-urban areas, leaving city matters to the city governments.

Supreme Court concluded that not just population, but also factors such as miles of county road, taxable values and geography, plus the "convenience of the people" set out in the Texas Constitution, can be taken into account by a commissioners court in dividing the county into four precincts. High court agreed with Judge Dibrell that the present Midland County situation is arbitrary and should be declared invalid.

Case either will go back to Judge Dibrell for final decision or will be appealed to the U. S. Supreme Court by either Mayor Avery or Midland County—since neither won a clear-cut victory.

INTEGRATION WARNING—Sixty-four Texas school districts have received letters from the Federal Office of Education warning of slowness in faculty integration, reports Leon R. Graham, assistant state education commissioner.

Graham said 33 other districts around the state were notified that they had violated federal laws by failing to submit plans for integrating teachers.

He said the Office of Education expects districts to employ at least one Negro teacher for each school which was previously all-white and at least one white teacher for each previously all-Negro school. Some flexibility, however, is allowed, he added.

No federal funds will be given schools which fail to comply with the regulations of the Office of Education, Graham noted, and the federal government wants full-time teachers integrated, not part-timers or substitutes.

NEW EGG REPORT—Texas Department of Agriculture's Marketing Division begins publication of a new one-market egg price report July 19, Agriculture Commissioner John C. White said.

Formerly, quotations from six separate state egg market areas were used in reporting egg prices. "Advantage of the new policy," White said, "is that the single state-wide price quotation for each grade represents a true market for the state, so the information is

more useful to producers and buyers alike."
NURSES NEEDED—Former Gov. Allan Shivers has launched a statewide campaign to pull Texas up from rank of 46th in the United States in number of registered nurses on the job.

More than 200 civic and business volunteers from all corners of the state joined with Shivers in seeking \$12,000,000 within the next five years to recruit and teach enough nurses to make up for the 10,500 shortage now. Their meeting was the first of the Development Council of the Texas Hospital Association health careers program.

Gerald Mann of Dallas, newly appointed chairman of the development council, said the group will ask the Legislature for more funds to fight the critical shortage of nurses.

MORE AIR SERVICE—Texas Aeronautics Commission approved application by two small airlines to provide three new state routes.

Houston Commuter Airlines, a new organization, will run two flights daily between Houston and Laredo with a "whistle stop" at Alice. Hood Airlines of Killen will extend its present service to include a Houston-Ft. Worth flight and a separate Killeen-Houston run.

ATTORNEY GENERAL RULES—Out-of-State witnesses in felony trials and grand jury hearings must be paid by counties up to a limit of \$2,000, at usual rate for out-of-county witnesses, Atty. Gen. Waggoner Carr held.

In other official opinions, Carr ruled that:
• A city judge sitting as a magistrate has jurisdiction to accept local complaints in cases which he cannot try, issue warrants of arrests and transfer the cases to other magistrates for examination trial.

• Vocational Rehabilitation Division of Texas Education Agency can pay tuition for handicapped persons to attend denominational schools for training.

• Thirty-one-year-old dormant Galveston Junior College still is in legal existence and may be reactivated by disannexation of overlapped territory of another district.

FUTURE PROBLEMS EYED—Governor's Committee on Public School Education adopted further research project guidelines for its three-year study of school needs. One committee member insisted on adding to the list of study topics, "how to get rid of incompetent teachers."

Committee recommended a budget of \$253,338 for 1968 and \$40,000 for 1969 to finance its work through the 1969 legislative session.

SHORT SNORTS—Rep. Will Smith of Beaumont has asked an investigation of auto insurance rates by Texas Council, research arm of Legislature. Light infestation of pink bollworms were reported in Trans-Pecos cotton fields, according to U. S. Department of Agriculture, which also reports Valley cotton is opening three to four weeks later than in 1965. State Highway Department will acquire scenic easements to protect area around President Johnson's LBJ Ranch from commercial signs and buildings. Railroad Commission has set August 1 hearing on application of Texas and Pacific to discontinue passenger train service between Dallas and El Paso.

Governor Connally announced approval of 16 projects under Economic Opportunity Act, including initial program development grants for Cass and Marion, Potter and Randall counties and \$189,643 employment project grant for Atascosa, Karnes and Wilson counties. Governor's Council on Mental Retardation is studying proposal to extend services of State Welfare Department to families with mentally retarded children in 37 East Texas counties served by Denton State School.

LIBRARY NOTES

EDITH BARNES

A memorial gift has been given to the library to be dedicated to the memory of Mr. Joe Allison.

Another memorial gift has been given to the library to be dedicated to the memory of Mr. Buel Sanford.

Another memorial gift has been given to the library to be dedicated to the memory of Mr. Paul Shelton.

It is time to remind those few

who seem to think that the librarian is on call at any time. That isn't so. As most of you know the library hours are from two until five every day except Sundays and Holidays. Since the library files etc. are at the library that is where you naturally come to take care of matters that have to do with the library.

Isn't it time for us to be a little more concerned about the 50,000 people who were slaughtered on our highways last year?

It is a salute to some because they have been concerned enough to make Ralph Nader's "Unsafe At Any Speed" a best seller. Au-

thor Nader points out that it isn't the nut behind the wheel every time who causes some of the wrecks but too many cars have "Designed in Dangers" that do indeed make them "Unsafe at Any Speed."

Quoting: You have been told many times that thousands of people are killed each year by automobiles and millions are injured by them. But when you read this book you will know for the first time that the main causes of these deaths and injuries are automobiles that are unnecessarily dangerous.

"Unsafe at Any Speed" is the

full story of how and why cars kill, and why the automobile manufacturers have failed to make cars safe, even though the knowledge and technical skill to do so have been in their hands for years. The documented history of the industry's intransigence is here along with the detailed background of the campaign to convince us all that only a changed driver can prevent the ravages of the "traffic toll."

A memorial has been given to the library to be dedicated to the memory of Mrs. U. J. Boston.

GOODNIGHT NEWS

LEE ANN PALMER

Mr. and Mrs. Carl Heggett and grandson, Carl, left for Richardson, Texas Friday night. While there they visited Mr. and Mrs. James Jackson.

Mrs. W. E. Gammage of Plainview visited her sister, Mrs. G. A. Blankenship. Coming with her were Mr. and Mrs. Hamilton Gammage and son, Ronnie, of Lockney.

The Euzilian Sunday School Class taught by Miss Mat Miller met in the home of Mrs. G. A. Blankenship Thursday.

Mrs. Boston's sister and niece of Lubbock and Abernathy visited her Saturday.

Mrs. Lena Boston of Amarillo visited Mrs. Boston Saturday night and Sunday morning.

Joe McDowell and daughter Mrs. Vernon Morris, visited Mr.

and Mrs. Clack Tuesday.

Mrs. Lee Palmer and Lee Ann visited Mrs. Clack Friday.

The Goodnight Church is holding a three night local revival. Services will be held Friday, Saturday and Sunday night. Services will be held Sunday morning at 11 a.m. Miss Elena Ann Donald is in charge of the singing and Miss Juanita Haynes of Miami, Texas will be playing the piano.

Rev. and Mrs. O. C. Edwards went to Amarillo Sunday. On their way back they visited friends in Claude.

Visiting in the home of Mr. and Mrs. Hudson Tuesday night were Mr. and Mrs. W. M. Crain. Mr. and Mrs. Horschler visited Mr. and Mrs. Hudson Friday night.

Tony Bass of Amarillo visited Mr. and Mrs. Clyde Hudson Friday and Saturday.

James Reed Iovell of Dumas returned his daughter, Lynnita, and left son, Jimmy, at Mr. and Mrs. Ben Lovell's Saturday.

Mrs. Earl Butler and son, Kenneth, of Borger visited Mr. and Mrs. Ben Lovell Saturday afternoon.

Visiting Henry Reese Saturday were Mr. and Mrs. Neal Fulton.

Mr. and Mrs. Lloyd Reid spent the week end with Mr. and Mrs. Bill Reid and family at Lamesa.

Visiting Mr. and Mrs. Howard Hill of the Goodnight Ranch were Mr. and Mrs. Joyce Lane of Wayside. Both couples attended the Claude Rodeo Saturday.

Mr. and Mrs. J. T. Easter and family recently returned from their vacation in Oklahoma. They enjoyed visiting their son, David, who lives in Oklahoma City and friends and relatives in Thomas and Frederick, Oklahoma. Enroute home they visited friends in Wellington, Texas.

Friday, Howard Hill broke his foot and will be in a cast for several weeks. We all hope he is soon better.

Denms Watson is visiting relatives in Mesa, Arizona and plans to stay until after August 1.

Mrs. Thompson, representing the M. K. Brown Estate, was in Goodnight supervising the work on the Charles Goodnight Cemetery lot this week. The completed work is a wonderful improvement and we of Goodnight are most thankful.

Mr. and Mrs. W. M. Crain visited their daughter and family who live at Phillips.

Mr. and Mrs. W. M. Crain attended the Old Settlers Reunion at Claude Friday.

Visiting Mr. and Mrs. L. S.

Newberry were the Jerald Wood family of Claude, the Bill Pittmans from Amarillo, and Mr. and Mrs. A. B. Gonne.

Visiting in the home of Mr. and Mrs. C. C. Bailey was H. A. Bailey.

MARTIN NEWS

Mrs. Raymond Waldrop

Mr. and Mrs. Roy Waldrop, Deloris and Brian of Utica, N. Y. are visiting here with Mr. and Mrs. L. L. Waldrop and Mrs. Margaret Waldrop and family.

Mrs. Eldon Lyles' uncle, Roy Fuston, died Thursday night at Turkey. The Lyles went down Friday night to be with the family. They have our sympathy.

Mr. and Mrs. L. L. Waldrop, Mr. and Mrs. Roy Waldrop, Deloris and Brian visited Saturday in Memphis with Mr. and Mrs. Elmer Sanders.

Mr. and Mrs. L. A. Watson and Mr. and Mrs. Eldon Lyles went to Claude Saturday night to the Rodeo.

Mrs. Bob Keller of Wellington visited a few days last week with Mr. and Mrs. C. E. Jackson.

The rain out Martin way was real nice Sunday morning. We had over two inches.

WILD NOTEBOOK-PATTERNS FOR PROGRESS

INDUSTRIAL SITES AND BUILDINGS

...basic for new and expanding industry

Industries' requirements for land and buildings are one of their most important interests when selecting a town in which to operate. Each industry has its own peculiar needs. Therefore, a wide variety of different type industrial sites gives a community increased chances of obtaining new industry as well as helping its existing industry to expand. Planning and zoning by a community is important to the community as well as to industry. Land is now available in West Texas. Wise planning for the future can easily be accomplished.

INDUSTRIAL SITES — range from industrial parks, planned industrial districts, individual sites (with all utilities) to raw land to be developed. Communities desiring new industry should have the following information on firmly committed industrial sites . . .

PLATS — Showing size, shape, location of utilities, access to transportation and topography.

LOCATION — Inside or outside of the city and any zoning restrictions.

PICTURES — Aerial photos tell an excellent story on an industrial site.

INDUSTRIAL BUILDINGS — existing buildings are very important as they are usually available at a lower cost than building new ones. In addition to the above information on sites, a community should have the following information on buildings. . .

FLOOR PLAN — Showing the size and dimensions of building, wall and ceiling heights, floor bearing capacity, office space, whether it has sprinkler system for fire protection and what type heating and air conditioning would be available.

PICTURES — Show the type construction of the building as well as many other items of information that industry would be interested in.

VIP (Very Important Part) — Have firm commitments in writing on all industrial sites and buildings as to sale price and/or lease price, cost of extending utilities or roads and basic construction costs in the area for new facilities.

Ask your WTU local manager for additional information and services available.

Prepared by Area Development Department, West Texas Utilities.

STATEMENT OF FACT

Our decision to close-out the Watson & Antrobus Hardware was made only after long and careful deliberation. We have tried our very best to take care of the hardware needs of the community for over a half of a century, and during these many years, we hope we have made a friend of every customer that entered our store.

Both of us are several years beyond the normal retirement age and we do not feel that we want to continue spending the time and energy that the proper operation of a retail store requires today.

We sincerely hope that in our retirement we can continue to be of service in any way possible to the community and the people that have been so good to us for these many, many years.

Our good friend Foster Whaley from over Pampa way comforts us in agreeing that we spelled Hegari correctly. He admits that he didn't get a stand the first planting this year for the reason that he used a set of plates too stingy to offset all the obstacles.

Even though the world may not be getting better it surely must be growing tougher. It had to have endurance to last out all this going to the dogs anew with each generation.

The trouble with blindly following someone else as an unquestioned leader is that when they claim to be right it may turn out they are only half right and the ones who seem wrong may turn out to be only half wrong.

A man begins cutting his wisdom teeth the first time that he bites off more than he can chew.

Someone is always ready to help you, especially if you have trouble opening your billfold.

Someone has said, "Liberty is dangerous, but is the only safe thing we have."

Don't judge a man by his family relations, Cain, you remember, belonged to creation's number one family.

One good thing about keeping quiet and looking dumb is that you will seldom be picked to head a committee.

Temptation not only knocks more often than opportunity, but more people are listening for it.

Jerry Carmichael is spending the summer with his grandparents, Mr. and Mrs. Lloyd Carmichael and Eddie. He will return home in August.

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all those comforting acts.

The family of Al Covington

Our heartfelt thanks to all of our friends for their sympathy, comforting words, help, food, and the beautiful flowers, and service in the recent loss of our loved one (husband and father). Thanks to the nurses and Dr. Smith for their kindnesses and efforts to save the life of our dear loved one.

May God's richest blessings be upon each and every one of you from now on.

The family of W. J. (Joe) David, and W. J. David, Jr. & family of Tulsa, Okla.

On The Liquor Question

Are we going to let liquors come openly to our city? Let us think before we vote the cause of liquor, open saloons or package stores. Package stores will provide more car loads of adults and teenagers riding our highways to receive their car load of liquor with one 21 year old to do the buying. Are you going to vote to further the cause of broken homes, broken hearts, empty places in our homes, empty chairs at the table, sorrow, broken bodies for life, hospital bills, funeral expenses and property damage?

Some of us know of a family of innocent people with 7 wiped out by a drinking driver. A family of four had two wiped out and left the wife crying wondering how the funeral expense would be paid. This serpent of drink is doing all this and much more all for the puny excuse of a few tax dollars. Think twice before you vote.

Are you going to put the bottle to some youth's mouth and make an alcoholic out of him, or perhaps to his Dad's and make an orphan out of the youth. Satan will tell you to get the tax dollar "They are going to get it anyway." The Bible says, "Strong drink is raging and whosoever is deceived thereby is not wise." Talk to God before you vote.

Grub Control In Cattle Pays Dividends

Grub control in beef cow herds by the use of systemic insecticides can sometimes increase calf weaning weights as much as 40 pounds according to Experiment Station research, said County Agent Ronald Gooch. Grub control costs as little as 12 cents per cow and few management practices will pay such good dividends.

According to Dr. Dixon Hubbard, Livestock Specialist with the Extension Service, heavy infestations of grubs reduce a beef cow's milk production as much as 2.5 pounds per day. Multiply this times a 205 day suckling period and it means a loss of more than 500 pounds of milk.

Experiment Station research indicates 500 pounds of milk can make a difference of 40 pounds in the weaning weight of a calf.

Using recommended dosages and procedures, the grub control costs per head are about 22 cents for spraying, 50 cents for pour-on, and 12-cents for dipping. Grubs can also be controlled through feed or mineral that contains a systemic. Stockmen should consult their feed dealer for information on this method.

Treatment should be made after the end of the heel fly season and some of the systemics should be used before September 1.

Three result demonstrations will be put on local beef cow herds, using the systemics, during the next few days, Gooch said. Anyone that is interested is invited to watch the demonstration.

Contact Gooch at the County Agent's office for the time and dates.

THE GLEN ADKINS ENJOY VACATION IN CALIFORNIA

Mr. and Mrs. Glen Adkins returned home Monday after a vacation in California and points of interest along the way. They visited Mr. and Mrs. Cecil Thomas at Santa Cruz, Calif. The Thomas family lived in Clarendon for a number of years and visit here occasionally.

The Adkins also visited Mr. and Mrs. Coy Pierce of Sunnyvale, Calif. and saw the Giants-Philadelphia Phillies ballgame at San Francisco. They returned home by way of Las Vegas, Nevada, reporting a most enjoyable time.

Leader out-of-county rate, \$4.50

BRONCHOETTE DRILL TEAM ELECTS OFFICERS

The 1968-67 Clarendon Bronchoette Drill Team met July 25 and elected officers for the coming year.

Officers elected were Judy McAnear, president; Janice Riley, vice-president; Lynna Carter, secretary; and Trudy Reed, treasurer. Material has been received for new uniforms.

Officers and Cheerleaders will meet Monday, August 1, at 2 p.m. in the home of Carol Cornell to work out new routines.

Lloyd Carmichael and Eddie went to Pampa Saturday on business.

Mrs. Ed Gerner has returned home after visiting her children in California.

GOOD EDUCATION KEY TO LEADERSHIP

A good education is the key to good leadership, according to Ben Barnes, speaker of the Texas House of Representatives. Speaking at the recent Texas 4-H Roundup awards dinner, Barnes told the young people that they are "fortunate to be living in this decade of the Space Age. Some of you may even go to the moon. Education is the key that opens the door for your tomorrows. Texas provides fine facilities for a good education, so don't stop until you have completed yours and are fully prepared for leadership roles."

Rob Hill was able to return home Thursday after spending the past 16 days in Groom Memorial Hospital.
