## Hedley and Claude Girls Play for District 14-B Championship

The Hedley and Claude girls basketball teams will get together at the Clarendon High School Gymnasium tonight at 8 p.m. to decide the championship of District 14-B.

Claude won the round-robin schedule by beating Hedley six points at Claude and two points at Hedley. Hedley won the district tournament held recently here in Clarendon by beating Claude four points in the finals. Since the round-robin schedule and the tournament each count one-half toward the championship, this left the two teams tied for the title. Tonight's game is the big one for both teams as the loser will be through and the winner will continue into the state play-offs.

The game is strictly a toss-up. Claude is generally given a slight edge because of their superior height and because of their two-time all-state girl, Betty Ransom. However, Hedley counters with a hard fighting team along with Susan Cox, one of the highest scoring forwards in the country. The game will be close if their three previous meetings this season is any indication and tension and speculation is beginning to mount as to who the winner will be, but tonight will tell the story.

## Memphis Challenges Clarendon Jaycees In Basketball

Once again local area residents will have an opportunity to see the Clarendon Jaycee Basketball team in action. Tonight at 8 o'clock in the Memphis High School gym, they will meet the Memphis Jaycees in a game that is expected to be a thriller from start to finish.

In order to keep the game on the level, the local Jaycees are taking Sheriff Truett Behrens to handle the officiating job along with Hall County Sheriff Bill Baten.

This game is being played for the purpose of raising funds to assist in the organization of the Memphis Junior Chamber of Commerce. The price of admission will be 50 and 75 cents.

## PITTS GRADUATES FROM OFFICERS TRAINING SCHOOL

2nd. Lt. Donald Pitts, son of Mr. and Mrs. C. A. Pitts, graduated from Officers Training School, Medina Base, San Antonio on February 6th. He left Tuesday after a visit with his parents here to attend a Guided Missile School at Wichita Falls for the coming twenty weeks. At the conclusion of the school he will join a S.A.C. unit at Roswell, N. Mexico.

## Bulldogs Play Amarillo and WT Freshmen Here This Week End

The Clarendon Junior College Bulldogs will bring their 1961-62 basketball season to a close with four games in five days beginning on Friday night of this week. Friday night they will meet the Amarillo College Badgers in the new Clarendon High School gymnasium and Saturday night the West Texas State College Freshmen will come to town for a game in the same gymnasium. Then Monday night the Bulldogs will meet Howard County at Big Spring and will close their season against the San Angelo Rams at San Angelo on Tuesday night.

The Bulldogs have won only one conference game this season. Their conference record is 1-12 and their season's record stands 3-21. However, they have played some close games against some of the best junior college competition in the nation.

Friday night's game with Amarillo should be a good game. The Badgers defeated the Bulldogs recently in Amarillo by a score of 80 to 72 which indicates that the two teams are about even.

Saturday night's game against the West Texas State Freshmen should also be an interesting game. One of the Bulldogs' two wins this season was at the expense of the freshmen recently in Canyon. One of the Freshmen's outstanding players is Bobby Roland of Hedley.

This weekend will be the last home appearance of the Bulldogs and, although they have had a disastrous season so far as wins and losses are concerned, they will still appreciate the support of the home people and might come through with a couple of wins.

## TEAM NO. 1 TRIMS TEAM 5'S LEAD IN BOWLING TOURNAMENT

The No. 5 team, Foxworth-Galbraith, is still leading the pack in the Clarendon Men's bowling handicap but team No. 1, Clarendon Electric, improved their standing considerably Tuesday night winning 6 and losing 2 while Foxworth-Galbraith won only 2 with six losses.

The standing at present with the games won listed first is as follows: Foxworth - Galbraith, 60-28; Clarendon Electric 54-34; Kidd Bros. 66, 52-36; Wallace Monument, 49-39; Don's Chevron, 47-41; Emmett Simmons Insurance, 35-53; Mutt's Cafe, 28-60; Knorrpp Insurance, 27-61.

## Local FFA Judging Teams Rate High In Competition

Clarendon F.F.A. Judging teams have rated high in competition this year. The Livestock Judging team has entered four contests thus far and each time brought home a first place banner. In the Childress contest the team won first place. Hudgins received a 4, 5, 6, rating; Frank Hermesmeier was high individual; and John Longan placed. In the Hereford contest the team also won first with Hudgins the high individual. There were 43 teams entered in the Hereford contest. At the Amarillo Fat Stock Show contest they placed first in the Swine division with John Longan rating fourth individual. This past week they won first at the El Paso Show; David Hudgins was first high point individual. Members of the team are David Hudgins, Frank Hermesmeier, Don McAnear, and John Longan. Their next contest will be at the Houston Stock Show followed by the Greenbelt District Contest March 6 at Pampa.

On February 3, the Poultry Judging Team competed in the Poultry Contest at the Fort Worth Exposition and Fat Stock Show. Approximately 50 teams were entered in competition. Timmy Ray was the 10th high point man in the contest. Members of this team are Timmy Ray, Lloyd McCord, and Ronnie McAnear. The team was trained by Keith Barbee.

## Funeral Services for H. R. King Held Wed.

Funeral services were held at the First Baptist Church in Clarendon Wednesday morning for H. R. King with Robert C. Jones, minister, officiating. Burial was in Citizens Cemetery.

Mr. King, age 69, died Monday morning in Neblitt Hospital, Canyon, Texas. He had been ill several months. He was born March 31, in Red River County, Texas and moved to the Lelia Lake area 51 years ago. He was a retired farmer and member of the Church of Christ.

Survivors include one daughter, Mrs. J. R. Batson of Lelia Lake; two sons, Sam W. of Washington, D.C., and H. R., Jr. of Canyon; one grandson, Steve Howard King of Canyon; two brothers, W. W. King and E. W. King, both of Bogata, Texas; also one sister, Mrs. Thornton Jones of Mayer, Arizona.

Palbearers were Earl Myers, Quinn Aten, Nelson Seago, Glenn Williams, Coleman Shields, Luther Butler, E. W. Chenault, and Clarence Ayers. Arrangements were under the direction of Murphy Funeral Home.

## LITTLE LEAGUE BASEBALL MEETING FRIDAY NIGHT

A meeting has been called for Friday evening at 7:30 in the City Hall of all persons interested in Little League baseball.

The purpose is to get plans started early for organization of the Little League set up prior to the beginning of the playing season and also to try to get lined up for Little League affiliation which will bring about more competition with towns in this area.

## Operation Screwworm Control Program Organized in Donley

Texas' multi-million dollar screwworm control program got underway Wednesday morning, February 14, when sterile male screwworm flies were air-dropped over Hays County. The fly release climaxed the efforts of thousands of stockmen and sportsmen who have worked on the program for many weeks.

C. G. Scruggs, president of the Southwest Animal Health Research Foundation in Austin says the Screwworm Control Program involves a goal of \$3 million. Contributions by stockmen and sportsmen now total \$1,400,000 and an intensive drive is being continued. Scientists believe there is an opportunity for lowering, if not totally eradicating, screwworms in Texas this year. The program will follow the pattern of the successful eradication effort recently made in Florida and the Southeast.

Release of the sterile flies is only half of the job. The remainder is up to stockmen. If the maggot infestation is found, stockmen are asked to remove 10 from the bottom of the wound and report to their County Agent for a positive identification.

H. M. Breedlove, County Agent, says that the control program in Donley County is organized and at a meeting in his office last week a committee of ranchers elected Spencer Sitter of McLean, Texas as chairman of the committee; Joe McMurry, vice-chairman; Bob Head, treasurer; and H. M. Breedlove, secretary. Directors are Joe Robinson, Lee Shaller, W. C. Thornberry, Bob Baxter, Stan Westbrook, and W. H. Cook III. Collections have already started by this committee to help out with the screwworm control program. All persons interested in seeing control of the screwworm get underway can contact any member of this committee and leave their checks to help support the program.

The Donley committee attended a meeting on Wednesday at the Herring Hotel for ranchers all over the area who are interested in screwworm control. An account of this meeting will appear in your next week's Leader.

The committee also decided to have one hour devoted to the Brucellosis law in the April 2 Agriculture Clinic to be held in Clarendon. This will bring ranchers and livestock men up to date on the operations of the law and let them see how it affects them.

## Garrison Services Held At Petersburg, Texas

Funeral services in memory of Mrs. Martha Addie Garrison, 87, a Donley County resident for 29 years, were held Wednesday in the Nazarene Church at Petersburg, Texas with the Rev. Elmer Stahly, pastor, officiating. Burial was in the Petersburg cemetery.

Mrs. Garrison was the wife of the late J. D. Garrison. She was a member of the Nazarene Church and formerly lived in Petersburg. Death came on Monday.

Surviving are five daughters: Mrs. Claude Bagwell of Claude, Mrs. Pearl Hensley of Redondo Beach, Calif., Mrs. Jewel Grove of Phoenix, Arizona, Mrs. Ruth Rhodes and Lucy L. Garrison, both of Lubbock; five sons: Monty R. of Vernon, R. L. of Miami, Florida, John of Oceanside, Calif., Charlie of Escondido, Calif., and George of Clarendon; one sister, Mrs. Pearl Anthony of Dallas; one brother, M. E. Duke of Amarillo; 38 grandchildren, 73 great grandchildren, and 8 great-great grandchildren.

Palbearers were grandsons. Murphy Funeral Home of Clarendon was in charge of arrangements.

## Services for Homer C. Parsons Set for Today

Funeral services for Homer Chew Parsons, prominent Clarendon businessman, will be held at 2 p.m. this afternoon in the First Methodist Church with Rev. J. V. Patterson, pastor, officiating.

Mr. Parsons, 60, died early Tuesday morning in Adair Hospital following a lengthy illness. He had been a resident of Clarendon since 1915 and had been in the Dry Cleaning business here for over 30 years. He was a member of the First Methodist Church and was a Mason and a Shriner. Survivors include his wife Thelma Parsons of Clarendon; a step-daughter, Mrs. Lavern Graham of Seymour and a nephew, Carl M. Bennett of Clarendon.

Palbearers will be W. S. Bagby, Lee Holland, Bill Ray, George L. Green, Walter Clifford and Barcus Antrobus. Burial will be in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

## College Bulldogs Beat Odessa

The Clarendon Junior College Bulldogs won their first game in the Western Junior College Athletic Conference for the current season when they beat the Odessa College Wranglers here Tuesday night, 82 to 79.

The Bulldogs were ahead most of the time in a thrilling game. They had a 44 to 40 half-time lead, but the score was close throughout the second half. Dee Blevins and Ray DeBord, the two leading point-getters of the Bulldogs, paced the home team to their first conference win. Blevins poured in 27 points before he left the game with five fouls with about five minutes to play. DeBord came in with 25 points to hold his second place among the leading conference scorers.

## COLLEGE TEACHERS WILL ATTEND TJCTA MEETING

Seven members of the Clarendon Junior College faculty will leave Clarendon Thursday morning (today) for San Antonio where they will attend the annual Texas Junior College Teachers Association State Meeting. Registration for the meeting will be from seven until nine o'clock on Thursday night and the convention will continue through Friday, Friday night and Saturday morning. The Clarendon delegation will leave San Antonio around noon on Saturday for the return trip.

Members of the faculty making the trip will be Mrs. Lucile Naylor, Mrs. Gladys Seago, Mrs. Annie Ruth Thomas, Weldon Day, Joe T. Preston, W. W. Pinkerton and Dean Oliver J. Abel.

There will be no college classes on either Thursday or Friday of this week.

## CLARENDON F.F.A. NEWS

Several members of the Clarendon F.F.A. chapter have just returned from Stock Shows. We are happy to announce that we did quite well. We managed to place several hogs and all of our steers. Among the higher placings were David Hudgins' Grand Champion Angus Steer at El Paso and Bill Hermesmeier's Breed Champion Spotted Poland China Barrow at Ft. Worth.

Most of our animals brought good prices at the sales and we are very well pleased. We would like to express our appreciation to the people of Clarendon for their help during this past year. It would have been exceedingly difficult without it.

Highway Patrolman and Mrs. Billy Scott are the proud parents of a boy, Michael David, born Friday, February 23rd at Crowell, Texas.

## Bronc-ettes Meet Stratford at Berger Tuesday Night for Bi-District Crown

### Club Boys To Exhibit Commercial Steers Here Friday

Three pens of Commercial Steers, fed by FFA Club Boys, will be exhibited all day Friday at the County Fair Barn. This is a new program for the boys that was started this past fall. These pens of three steers each are owned by James Moffett, John Grady and Steve Shelton. They have been fed a commercial ration of feeds grown locally.

This is a program designed to provide a more profitable market for both cattle and milo which is grown locally. Economical feeding and good records are very essential in this program and the public is cordially invited and urged to come out and see the results of these young men with their feeding program on a commercial basis. Free coffee will be served by Household Supply Co.

Steve Shelton will take his 3 steers on to Houston to exhibit them at the Houston Fat Stock Show. The other six steers will remain on display Saturday. They will be sold locally if the price is comparable or higher than the animals will bring at Amarillo. If you want some good beef to put in your frozen food locker, this will be your opportunity to get some of the best and be helping these young feeders at the same time.

### RED PENCIL REMINDER

If a red pencil mark appears at the top of this page it is a reminder that your subscription to the Leader has expired or will expire in March. Since we have been behind and did not use the reminder check earlier this month, we are checking the March expirations also.

In sending in your renewals, be sure to include the state tax of 6 cents for in-county subscribers, a total of \$3.06 and 7c for out-of-county subscribers, a total of \$3.57.

### LEGION SPONSORING FREE DANCE SATURDAY NITE

In order to get their Saturday night dance program under way, the local Legion Post is featuring a Free Get-acquainted Dance at the Legion Hall Saturday night and are inviting everyone to come out and enjoy themselves. Emmett Allen and his Sunset Ramblers will furnish the music for the dance which will begin at 9 p.m.

The Clarendon High School Bronchoettes took the District 2-A basketball championship for the second year in a row when they downed the Canadian team at Canadian last Friday night, 55 to 29. They will meet Stratford, the District 1-A winner, at Berger next Tuesday night at 8:00 o'clock.

The game at Berger will be played in the Sam Houston Jr. High field house located on the Sam Houston campus at 6th and Hedgecoke streets.

The girls finished their regular season with an impressive 23-2 record. Their only two defeats were to Samnorwood in the Samnorwood Tournament in December, and to McLean in January. They later defeated McLean here and finished their conference slate at Canadian with only one league defeat.

The game at Canadian, which was billed as the championship game since Canadian had also lost only one conference game, was close only for a few minutes. The Bronchoettes took charge of the game early and were ahead, 14 to 4 at the end of the first quarter and held a 33 to 14 advantage at the half. The game was never in doubt after the second half got underway. Clarendon led 47 to 18 at the end of three quarters and the reserves finished the game. Paula Adams scored 37 points to lead the Bronchoettes to their championship-clinching victory.

Monday night of this week the Bronchoettes extended their record to 24-2 as they downed the District 5-AA champions, Spearman, to the tune of 42 to 39. They will travel to Spearman for a return game on Friday night of this week.

### DEAN OLIVER ABEL SPEAKS TO JAYCEES

Last Thursday night, Mr. Oliver Abel, Dean of Clarendon Junior College appeared as guest speaker. Future programs include discussion of the proposed dam on Salt Fork of Red River.

The next regular meeting will be at the City Hall next Thursday night at 7:30 p.m.

### SON OF LOCAL RESIDENT DIES AT GARLAND

Funeral services were held at Restland Memorial Chapel in Garland Thursday, February 15, for Frank D. Adams, son of E. W. Adams of Clarendon. Mr. Adams died Tuesday following a heart attack. Other survivors include his wife, two sons, and a daughter, all of Garland.

**SOIL CONSERVATION DISTRICT NEWS**

Farm and ranch planning is necessary and very important to each and every land owner if they wish to obtain maximum preservation of their natural resources and enjoy a profitable cash return on their investment. Conservation of soil, water, grass and wildlife should be the first consideration. To carry out a plan effectively the plan must first be made to fit the land. By this we mean that each different type of land must be planned to be used for the land use for which it is best suited, whether it be cropland, range-land, meadow, pasture or wildlife. Common sense and good judgement must be used along with land capability to formulate a good plan for your land.

The Donley County Soil Conservation Supervisors encourage every land owner to develop a sound land use conservation plan with the assistance of the Soil Conservation Service personnel. Contact them at the SCS office in Clarendon if you haven't already done so.

Crop Residue Use and/or Stubble Mulching is a necessary practice for all cropland in this area. It is too late now to worry about that field you left uncovered last Fall but if you will just look around the next time the wind kicks up about 90 miles an hour you will see our precious soil

picking up and moving across country to the next county. Besides loss of the valuable soil it is downright uncomfortable to have to breathe up dust in the air. This situation could be cut to a minimum by the use of cover crops and leaving all crop residues on the land till about April 1 before plowing it. Emergency tillage is only partially effective for holding the soil and has no comparison with the effectiveness of a vegetative cover. Low residue crops such as cotton should have cover crop such as rye, seeded in the early Fall. This practice not only holds the soil down but improves the soil structure by building up organic material and helping conserve moisture. This cover crop can be seeded with the last cultivation by using a cyclone seeder attachment on the front of your tractor. The cultivator sweeps will cover the seed adequately. These attachments can be rented from the SCD for 10c per acre, left on the land produced

Adequate stubble should be left on the land produced by high residue crops such as grain sorghums. Observe the waste of land by blowing this Spring and make up your mind to leave your land covered next Fall.

**Organization of a New Operating District Announced by WTU**

The organization of a new operating district of the West Texas Utilities Company was announced today by Cal Young, WTU president.

The new operating district will be known as the Panhandle District. It was formed by combining the Quanah and Childress Districts. J. C. Randel, manager of the Quanah District and acting manager of the Childress District, has been named manager of the new district.

Randel, who has been manager of the Quanah District since 1956, assumed supervision of both districts in December of last year following the death of Allan Shahan, manager of the Childress District.

The new district will be the Company's third largest, comparable in size to the Abilene and San Angelo Districts.

The district office, which will be located in Childress, will be almost in the exact center of the Panhandle District. The district will extend approximately 80 miles in each direction; from Vernon on the east to Quitaque on the west, from Shamrock on the north to Paducah and Matador on the south.

Young emphasized that only the two district offices were involved. He pointed out that in no event would personnel in the district offices concerned lose seniority or be released.

"In our continuing efforts to hold electric rates to our pre-WW II level," Young said, "it is necessary that we take every step, such as the creation of this new district, to cut our operating costs, reduce our overhead and to improve our operating efficiency."

Randel, in speaking of his new assignment said, "The opportunity of operating one of the Company's largest districts presents a wonderful challenge which I welcome."

"Today, when every economy of operation is necessary to keep our cost of service low to our customer," Randel pointed out, "it is just not practical to maintain two district organizations only thirty miles apart."

"In 1927, when the old Quanah and Childress Districts were established," Randel said, "I do not recall there being a paved highway in the area and our communications, such as were available at the time, pretty well limited us to a small operating area."

"Today, the situation is entirely different. With the excellent network of paved highways crossing

the territory east to West a north to south, and with the convenience of modern telephone and two-way radio communication, we have found that district personnel can be responsible for and supervise larger areas."

"Another factor enters into this new development," Randel continued. "The areas of the two districts are very similar; the economies are closely related; and together they make a logical working unit for our operation."

"We believe that the future of the new Panhandle District holds great promise. With the wonderful ranch and farm lands providing the basis for a balanced agricultural economy; with the expansion of oil production and with the progressive community spirit of the people, I know we will be able to assist substantially in the development of the area included in the Panhandle District."

"Particularly with the various groups in the district working to solve the problem of adequate water supplies and to create a favorable climate for industrial expansion, it will be our purpose to work for the fullest industrial development of the area."

In commenting on his plans, Randel said, "Certainly it will take some time to completely merge the operations and personnel of the two district offices. Mrs. Randel and I plan to move to Childress; however, we have to first dispose of our home in Quanah and make arrangements for a new home in Childress."

The new District Manager is a veteran WTU employee, having been with the company 34 years, most of which has been in the new Panhandle District area. In 1949, Randel was named Assistant District Manager and assigned to Verron. He was promoted to District Manager, with headquarters in Quanah, in 1956.

A veteran of WW II, Randel has been active in the American Legion and Veteran of Foreign Wars. He also is a member of the Quanah Rotary Club and in the towns where he has served, his record as a civic worker and a Chamber of Commerce booster has been outstanding. Randel has served as a director of the Vernon, Quanah and West Texas Chambers of Commerce.

An Elder of the Presbyterian Church in Quanah, Randel is also an active member of the Masonic Lodge. He and Mrs. Randel have one daughter, Mrs. Don Haynes of Chillicothe, Texas.

**Signup Period for Feed Grain Program Began February 5**

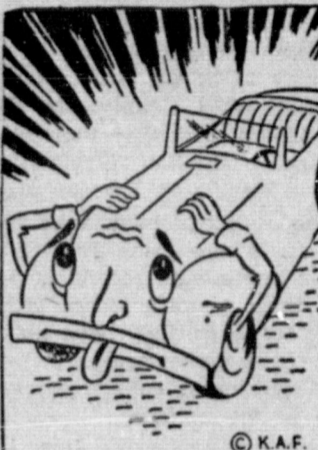

The signup period for the 1962 Feed Grain Program began February 5 and ends March 30 says H. M. Breedlove, county agent. If you produce feed grains, corn, grain sorghum or barley, you will want to check into the provisions of this program and how they affect you.

Under provisions of the program, farmers will receive payments for diverting to conservation use 20 to 40 percent of their feed grain acreages. In addition, Feed grain crops raised on remaining land will be eligible for price supports. You must decide on whether to participate and if you do, the extent of your participation. Each of these alternatives will have a different effect on your net farm income.

Your county ASCS office has detailed information on the workings of the program.

**Our Political Institutions Are Vital to Our Way of Life**

Politics and politicians are vital to our way of life. We must maintain and build confidence in these and all our other governmental institutions. Otherwise we must subscribe to the heresy of the debunks that freedom has outlived itself in this country and should be replaced by a more modern socialist state. When we slander and vilify our elected representatives and the offices which they hold, we make it extremely easy for the Mistaken to convince additional numbers of people that they have the fool-proof system. When our elected representatives are guilty of misconduct in office, we have the responsibility of removing them by the various means outlined in our Constitution.

Here are several points which should constitute a positive program for building proper respect and appreciation for our American political institutions and practices:

Study the political philosophy of our government. Read our Declaration of Independence, the Constitution, and the Bill of Rights. The writings of Thomas Jefferson and other statesmen will also prove helpful.

Study the history of political parties in the United States. How did they get started? What have they advocated at various times?

Mrs. John Semrad visited Mrs. A. C. Carter Wednesday.

Miss Ruth Corbin and Mrs. A. C. Carter visited Mr. and Mrs. Nuford Dill Thursday afternoon.

What is their present platform? Start participating in politics. Attend precinct meetings, ask questions, inform yourself as to the requirements for various elected offices, and most important, qualify and vote in every election.

Encourage qualified people to run for office when you think they would be a positive asset to the community or country.

Encourage capable young people to think of entering politics as a career. Show them how they could make a real contribution to the betterment of the country by choosing politics as their life work.

Keep in contact with your elected representatives. Let them know your desires, and help keep them sensitive to the public will. Compliment them for courageous stands on important issues, but let them know when you think they have been unduly influenced by pressure and special interest groups.

When you criticize, be sure that your criticism is based upon truth and fact. Keep your criticism as impersonal as you can, and try to offer an alternate solution. When you criticize the government, be sure to include yourself.

Influence others to become interested in better government. Share your information with them and encourage them to study political issues and then vote on their convictions.

Subscribe to good newspapers and periodicals which will keep you informed concerning activities on the political scene. It is always good to see both "pro" and "con" arguments on a situation before you decide your course of action.

Above all, have faith in our country and in our leaders. We have made many mistakes and we face many serious problems, but a strong belief in our strengths and assets will give us renewed hope and make us courageous champions in the final analysis.

**BLOWIN' Out the CORNERS**  
By Uncle Zeb

To know that this column people around the world looked could be a part of The Citizen, with alarm to the report that Amarillo's big town weekly gave the world would on a certain us a thrill. This way we could

still have the joy of coming into many homes which we had already won a place around the fireplace. Thanks to its editors and to the friendly family like staff of workers who make us feel so welcome when we drop by . . .

Just a few days back many people around the world looked with alarm to the report that the world would on a certain day at a given time come to an

end. Many worried themselves into a frenzy and others committed suicide. This need not have been so alarming, and of course it wasn't to those of us who believe in an all powerful God. What better solution to our complex problems than for man to have to turn things over to the Creator for a lasting eternity. Somehow we felt like repeating some words from a column by John McCarty on about that day. It said in part:

"Each new dawn can be greeted with confidence and each night welcomed with assurance. Any end to the physical life or to the world would be simply an earlier opportunity to meet Him in His own Kingdom." Such a wonderful way to put it.

In the last few weeks four

other weekly newspapers have joined our family, or rather have let us join up with them. First, the McLean News, then the Hall County News, The Springer Tribune, and lately, the Shamrock Texan. The latter could not have happened at a more opportune time — with St. Patrick's Day coming up and all . . .

Happiness can pretty well be called a state of mind. We can have just about everything that would seem to be needed to make one happy and still be of all people most miserable. On the other hand many times those who seem to have so little of the things of the world have that inner thing that we call Happiness. Many times we ask, what is their secret.

Happiness is something you can't pour out to others without getting a few drops on ourselves. If we start out some morning to make others happy it is almost a cinch that after the first application to the other fellow we find ourselves all brimfull and running over with the thing we are trying to give away.

Happiness usually sneaks in through the door that we didn't know that we left open. It is the little unexpected things that bring the most joy into our lives. Remember your last birthday when someone sent a card or called on the telephone; someone that you didn't know ever even had one thought about you—this little thing left you feeling tops.

A candle loses none of its light by another candle being lighted from it. The same is true with each of us; if we try to bring a little sunshine into the lives of others it will only make our part of the world brighter. Knowing this we wonder why we have so much trouble getting our own self to do it.

If we are a happy person folks will be happy to be around us.

We can't stay awake till bedtime anymore, and by the same token we can't stay in bed till time to get up . . . We told this experience to one friend and they claimed it was a symptom of old age . . . Why, I never heard

of such nonsense . . . Surely, I'd better see a doctor. . .

The following little prayer in rhyme seemed to sort of fit our own thinking:

I do not ask a life of ease,  
So send Dear Lord what e'er you please;  
I only pray for strength to bear,  
The load you think to be my share. — by Mrs. Ruth Davis

There's nothing wrong with a practical joke, not until someone pulls it on us. . .

A Boulder, Colo. minister hung the following sign on the bulletin board: "CH—CH. . . What's missing? . . . Right . . . U R.

It's better to know the whereabouts,  
Of all our tender sprouts,  
Than to be as wise as folks can be,  
About our family tree.

Someone put it another way,

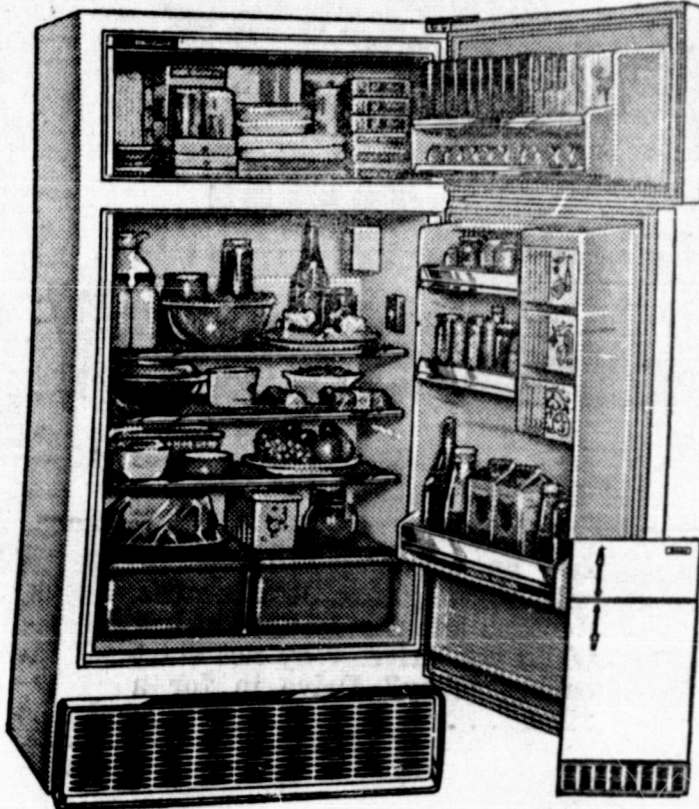

"It is better to know where our children are tonight than to know whether our parents were on the Mayflower."

Train yourself to concentrate. It is the only way to learn.

**W. S. (BILL) HEALY ANNOUNCES FOR STATE REPRESENTATIVE, DIST. 82**

W. S. (Bill) Healy gives his formal announcement today as a candidate for re-election to State Representative, District 82, comprised of Donley, Hall, Motley, Cottle, Childress, Hardeman, Foard and Wilbarger counties.

Healy, a senior member of the Texas Legislature is offering himself as a candidate for re-election to the Legislature to represent Donley County; and seven other counties now making up the newly formed 82nd District.

Healy is 49 years old and has resided in Paducah with his wife and three boys since 1947. He is an elder of the First Christian Church of Paducah and is now serving as Chairman of its Building Committee. Healy has served as President of the Paducah Lions Club; has served on the Texas Commission of Alcoholism, and is presently a charter member of the Board of Directors of the newly created Chamber of Commerce of Paducah, as well as many other important civic and fraternal capacities. He is a member of the Knights of Pythias Lodge No. 241 in Childress, Texas. He owns his home in Paducah and farms and ranches in Cottle and Dickens counties, and so knows the problems facing landowners and taxpayers first hand.

Healy states that he attended public school in Mart, Texas where he was reared on a farm, and that he later attended Decatur Baptist College and after graduating, he enrolled in Baylor University and received his B.A. and LL.B. degrees from Baylor in 1936.

As a member of the Legislature during the last four terms of two years each, Healy has served as chairman of the State Affairs Committee and the Appropriations Committee, probably the two most important committees in the Legislature. He has also served on the Legislative Budget Board, the Legislative Council and the Legislative Audit Committee, the three most important between-terms activities of the Legislature. He has also represented Texas many times at various sessions of the Southern Regional Education Board, an activity of the Southern Governors Conference.

On his return to the Legislature, Healy will find fewer than ten members out of 150 who will have been in the Legislature longer than the eight years he will have served. This seniority will stand him in good stead in serving the people of Donley County and the southeast panhandle and north central Texas. During his tenure in office he

has gained the recognition as the ardent foe of legalizing gambling in Texas, as well as the leader in attempting to equalize the tax on beer with cigarettes and gasoline. Beer pays only 3 per cent sales tax while gasoline pays 18 per cent sales tax and 27 1/2 per cent sales tax on cigarettes.

He has succeeded in his attempt to defeat the legislation that would have legalized gambling in Texas in the past regular session and has had some success during the 54th Legislature in equalizing tax on beer along with the aid of Senator Grady Hazlewood of Amarillo.

He was one of the authors of the House version of the Farm to Market road bill that was passed during the last Special Session, and has always voted for all of the constructive legislation affecting the farmer and cattleman and will continue to support such constructive legislation.

He has at all times voted to maintain the operation of Rural Electrification and will continue to support legislation to maintain it.

I feel that there are perhaps some inequities in the insurance rating system and that after the study committee reports, these inequities should be corrected.

Healy states that 85 percent of all money spent by the Texas Legislature is spent on the following: Education, both public and high levels; Highways; Mental Institutions, welfare and penal and reform schools.

During his tenure in office, he has supported all constructive measures which have aided in elevating the standards of both the Public Schools and Colleges, and will continue to support such measures.

He points with pride to his work on our hospitals and special schools in elevating them, thereby helping many unfortunate people who have become afflicted. Healy has also been a supporter of the M. D. Anderson Hospital in Houston that has the responsibility for the care, treatment and research of cancer.

During his tenure in office Healy states that one of the major accomplishments and perhaps that which he feels the best about, is the fact that he has had the opportunity to assist many boys and girls to obtain part-time employment at the state-supported colleges in order that they might further their education.

Healy is a Democrat, and states if re-elected the democratic nominee again for the position which he seeks he will continue to give the people of this district a completely sober representation at all times.

Now that the district contains

eight counties, Healy hopes to be able to get around to see all the people, but by this announcement earnestly solicits each voter's vote and influence.

## Mu Gamma Chapter of Beta Sigma Phi Celebrates Anniversary

Members of Mu Gamma Chapter of Beta Sigma Phi and their husbands celebrated the Chapter's tenth anniversary with a Valentine Box Supper on February 14th at Patching Club House. The men did the bidding for the pretty boxes, found their partners, and enjoyed a bountiful supper at quartet tables centered with Valentines. Cake and punch were served later from the dining room. The table was beautifully laid with a white net cloth over red satin and caught up at each corner with sprays of white rosebuds.

Ginny Garland was elected Sweetheart by secret ballot. She was presented with a rhinestone,

heart-shaped necklace and seated in a white covered Sweetheart's chair which was decorated with various sizes of Red Hearts. Hazel Guy made the presentation while Bland Draper led the group in singing "Let Me Call You Sweetheart." Dee Williams, pianist, provided the accompaniment.

Secret Pals were revealed and then games of 42, Canasta, and Bridge were played. Attending were Dee Williams, Helen Crawford, Mr. and Mrs. A. J. Garland, Mr. and Mrs. Marion Garland, Mr. and Mrs. Troy Guy, Mr. and Mrs. A. R. Henson, Mr. and Mrs. Chauncey Hommel, Mr. and Mrs. Maurice Risley, Mr. and Mrs. Bland Draper, Mr. and Mrs. Jiggs Mann, and Mr. and Mrs. Johnny Leathers.

The social committee, Ann Hommel, Frankie Henson, Betty Leathers, assisted by Ginny Gar-

land were hostesses for the party. Rep.

## MISCELLANEOUS SHOWER HONORS MRS. JOHNSON

A miscellaneous shower honoring Mrs. Dennis Johnson, nee Edna Beth Finch, was given in the home of Mrs. Bill Williams Saturday afternoon, February 17. Receiving hours were from 3:30 to 4:30 p.m.

Guests were greeted by Mrs. Williams and presented to the honoree and her mother, Mrs. Richard Finch. Mrs. Glenn Wallace presided at the register.

A green and white decor was carried out. The refreshment table was laid with a white linen cloth and sterling appointments. The centerpiece was of white carnations and ivy in a silver compote. The white cake was accented by green and white wedding bells. Miss Evelyn Chamberlain and Mrs. John Lowrie presided at the table.

Hostesses were Miss Evelyn Chamberlain and Mesdames Bill Williams, Glenn Wallace, John Lowrie, L. N. Cox, F. O. Naylor, Pete Borden, and Carl Pittman. The honoree received many lovely and useful gifts. Rep.

## MRS. TRENT BOLIN HONOR GUEST AT MISCELLANEOUS SHOWER

A miscellaneous shower honoring Mrs. Trent Bolin, the former Willa Rumpy, was given Saturday, February 17, in the Educational wing of the Lelia Lake Baptist Church. Receiving hours were from 3 p.m. to 5 p.m.

Refreshments of cake, punch and salted nuts were served from a table laid with a white cloth and appointments of silver and crystal. The centerpiece was a large pink and blue lace heart, surrounded with flowers in pastel colors. Miss Carolyn Castner served the cake and Miss Jo Dishman ladeled punch. Miss Mollie Floyd and Miss Judy Castner alternated at the bride's book where some fifty guests registered.

Many lovely and useful gifts were received from those present and a large number who were unable to attend sent gifts. Out-of-town guests for the courtesy came from Alexandria, La., Amarillo, McLean, Lesie, Hedley, Chamberlain, and Clarendon.

Hostesses for the party were Lucille Luttrell, Altha Floyd, Edna Dishman, and Mary Jane Smith. Rep.

## MIDWAY CLUB MEETS IN SCOTT HOME

The Midway Club met in the home of Mrs. W. C. Scott Thursday, Feb. 15 for an all day meeting. One quilt was finished and some work done on another one.

The family of Mrs. S. C. (Si) Richerson wish to express their appreciation for the many flowers and kindnesses shown during the illness and recent death of our loved one. May God bless each of you.

The family of Mrs. Nettie Richerson.

I take this means of saying "thank you" to all who remembered me with cards, gifts, and kindnesses during my illness and stay in the hospital. Your thoughtfulness was sincerely appreciated.

Mrs. Roxie Littlefield.

It is with grateful hearts that we express our thanks and appreciation for the many kindnesses extended to us in the loss of our home by fire. We especially thank the Fire Department for their effort to save our home and their success in keeping the blaze from

spreading to our neighboring homes. Such kindness and neighborly thoughtfulness can never be forgotten.

No matter what our school books taught, latest evidence indicates the earth's core is a huge ball of iron—more solid than any iron we know.

In an article translated by the U.S. Joint Publications Research Service, Dr. V. N. Zharkov, reports that the temperature of this iron ball, which is so dense it weighs almost 600 pounds per cubic foot, is more than 12,000 degree Fahrenheit — three times hotter than previous estimates. (Surface iron weighs only 450 lbs. per cubic foot.) The core has a thick liquid covering.

Captain Kidd of KGNC-TV is pictured with the Clarendon Cub Scouts who were in their Blue & Gold Banquet program "Parade of the Presidents." The boys turned in a splendid performance and the program was highly enjoyed by families and friends.

Each boy was dressed as a president or a famous American. The town Crier, who acted as master of ceremonies, was Joel Greene. The flags were placed by Boy Scouts Wes Henson, Den Chief of Den 2 and Barry Tyler, Den Chief of Den 6. Uncle Sam, who headed the parade, was Randy Choate. Each Cub Scout president then told a little about his boyhood. The presidents and the boys who portrayed them were:

George Washington, Ted Tyler; John A. Adams, Byrd Adkins;

Thomas Jefferson, Tommy Lindley; James Madison, Kent Heath; James Monroe, Jackie Johnson; John Quincy Adams, Toddy Knorpp; Andrew Jackson, Ricky Swearingin; Martin Van Buren, Danny Cearley; William H. Harrison, Steve Ellis.

John Tyler, Ike O'Neal; Zachary Taylor, Jay Lamberth; Millard Fillmore, Jim Moore; Franklin Pierce, Steve Estes; James Buchanan, Mike Johnson; Abraham Lincoln, Larry Taylor; Andrew Johnson, Steven Pointer; Ulysses S. Grant, Gene Hommel; Rutherford B. Hayes, Keith Mullinax.

Chester A. Arthur, Mac Tomlinson; Grover Cleveland, Pat Chilton; Benjamin Harrison, Charlie Deyhle; William McKinley, Eddie Helms; Theodore Roosevelt, Tommie Saye; William

H. Taft, David Taylor; Warren G. Harding, Johnny Gillian; Calvin Coolidge, Everett Monroe; Herbert Hoover, Bobby Leeper; Franklin D. Roosevelt, Charles Phelan; Harry S. Truman, Gary Bennett; Dwight D. Eisenhower, Danny Hill; and John F. Kennedy, James Shadle.

Larry Melton was the Chief Justice who led the Cub Scout Presidents in the Presidential Oath of office. Other famous Americans portrayed by the Cubs were Benjamin Franklin, Frankie Ellis; Robert E. Lee, Joe Robinson; Davy Crockett, Tim Saye; Jackie Kennedy, Steven Bell.

The program was closed by the audience and boys repeating the pledge of allegiance to the flag. Rev. Paul Hancock gave the invocation and the audience then went to the cafeteria for dinner. Mrs. Oliver Abel and her cafeteria helpers prepared a wonderful turkey and dressing dinner with all the trimmings.

After dinner, the guests were introduced by Tommie Saye, Cubmaster. Guests were Mr. Oliver Abel, Clarendon Pack Committee Chairman, Mr. and Mrs. G. W.

Estlack, who have helped the Cub Scouts in publicizing their activities, and donated the program and menu, and their granddaughter, Marcy Patterson, Mr. Don Moore and friend from Memphis, Mr. Tex McCoy, District Scouter and wife, and of course, the main speaker, Captain Kidd.

All the children enjoyed meeting and talking with Captain Kidd whom they all know from watching TV. He spoke to the boys about teamwork and sticking with a job until it is completed. He complimented them on their program and their ability to speak well before a microphone.

Captain Kidd helped Mr. Saye award the boys their badges, arrows and year pins. Because no awards had been presented since the November Pack meeting, there were an unusually large number. The banquet was closed with the Cub Scout Promise.

**CARL ALLMOND STARTS SERIES OF ARTICLES ON PLATFORM**

Carl Allmond, candidate for Commissioner of Precinct 2 is starting his series of articles on the eight points of his platform.

1. Cooperate with City Fire Department and the City of Clarendon.

First, our local volunteer fire department should be recognized and congratulated more often. These boys draw very little pay for the tremendous amount of work they do in protecting our property. Next time you see a fireman, tell him how much you appreciate his being on 24-hour call for your protection.

My idea of cooperating with these boys if elected your commissioner, is to have the county help to buy a four-wheel drive truck with at least a thousand gallon tank and pump. This tank to be used to aid farmers and ranchers in fighting brush and grass fires.

The boys always answer their calls but the present truck does not carry sufficient water to do the job in most instances. Also, when the truck leaves town, our city property is in jeopardy. As you know, all fire losses are added to your fire insurance rate.

This truck could also be used here in town. Seconds sometimes means the difference in having a large loss. This truck could go along and start immediately throwing water on your fire while the pump truck is being connected to the fire hydrant. There is also a possibility of your fire insurance rate being reduced in purchasing this truck.

The fire department welcomes this project. Watch next week for the second article of my platform. Carl Allmond. (Pol. Adv.)

### Bulldogs Lose to LCC, HCJC Last Week

The Clarendon Junior College Bulldogs gave the nationally ranked Howard County College Jayhawks a king-sized scare here last Saturday night before falling to the conference leaders by a score of 69 to 62. It looked like the Bulldogs had the upset of the season in their hands until the last three minutes of the game when the Jayhawks put on the pressure and came through with the narrow win.

The Bulldogs jumped off to a quick lead and held it throughout the first half. They left the floor at the half with a 36 to 30 lead and maintained the lead for the first eleven minutes of the second half. The Jayhawks caught up at 51-51 with nine minutes remaining, but the Bulldogs grabbed the lead again and the Jay-

hawks again knotted the score at 59-59 with less than three minutes remaining. At this point, Dee Blevins, who had been doing an outstanding defensive job on the conference leading scorer, Walter Carter, left the game with five fouls, and the Howard County team pulled away for the victory.

Ray DeBord, ace Bulldog back-court man and sharpshooter, held on to his second place among conference scorers with 22 points. Blevins counted with 17 while Kenneth Martindale made 11, Billy Wiggins, 6, and Alvin Scott and Jimmy Zaring made three each.

On Friday night of last week, the Bulldogs journeyed to Lubbock and lost a real thriller to Lubbock Christian College, 94 to 91, in an overtime battle. In this game the Bulldogs found themselves behind, 44 to 38 at the half and early in the second half were trailing, 56 to 44. They erased the 12 point LCC lead and went ahead 79 to 73 with three minutes to play, but LCC came back to tie the score at 81-81 as the game ended. The overtime period saw the Pioneers take a four point lead in the first two minutes and the Bulldogs could never catch up. DeBord was the high scorer in this game for the Bulldogs with 31 points, Blevins made 21, Martindale, 15, and Scott and Wiggins made 12 each.

## FARM NEWS

from County ASCS Committee

### COTTON PRE-MEASUREMENT

Applications are being accepted in the ASCS Office from farmers who desire their allotment acreage measured before time for planting. The requests will be accepted until March 30, 1962. The county committee adopted the following charges to farmers after a review of the cost involved in previous years of pre-measurement service.

The cost of pre-measuring has been set at 10c per allotment acre, 9c per mile round trip to the farm, 15c per stake used in staking off the measured acres, \$8.50 for first plot and \$3.00 for each additional plot.

### IMPORTANT INFORMATION

If you are in doubt about the expiration date on your Conservation Reserve Contract or the provisions thereof, please contact this office for further information.

### SKIP-ROW PLANTING OF COTTON

Beginning with the 1962 crop cotton, only the area in a field devoted to cotton will be measured as cotton.

Two rows cotton, one normal width row out — 2/3 cotton.

Two rows cotton, two normal width rows out — 1/2 cotton.

One row cotton, one normal width row out — ALL COTTON

There seems to be some confusion as to how much land it will take to plant your cotton allotment by planting in a normal skip-row pattern. In planting 2 rows in and leaving one row idle it will take your allotment plus 1/2 your allotment more. For example if your allotment is 30.0 acres it will take 45 acres of land for the allotment planting two rows and leaving one row idle.

In planting three rows and leaving one idle it will take a plot of land equal to the allotment plus 1/3 of the allotment. For example if the allotment is 30.0 acres, it will take a plot of land 40.0 acres to plant in this pattern.

The land fallowed in skip-row planting of cotton cannot be used as diverted feed grain acreage.

### NOTE

"Farmers," said the city visitor, "are just as dishonest as some city milkmen."

"Why do you think so?" asked the farmer's wife.

"This morning," said the girl accusingly, "with my own eyes I saw the hired man water the cows before he milked them."

### THOMAS AND NAYLOR ANNOUNCE FOR CITY COMMISSION

R. O. Thomas and F. O. Naylor authorized the Leader to announce their candidacy for the office of City Commissioner this week. Both men are long-time residents of Clarendon and are familiar with the functions and needs of our city. Both stated that they had ample time to devote whatever time was needed to dispense the duties of the office in the most efficient and progressive manner.

### Conservative Group Sets Next Meeting Tues. Nite

A group of citizens interested in good government and curbing the trends toward socialism met at the County Court House Thursday evening. Attendance was about as expected with many people interested in learning more about the program before formal organization of the Conservative Club in Clarendon. Don Hughes of Amarillo was on hand to speak to the group.

Plans were made to meet Tuesday night, February 27. This meeting will be held at Lions Club Hall and will begin at 7:30 p.m.

Mrs. Homer Bones, in discussing the meeting just held, stated that "the Conservative Club in your community will give you an opportunity to express yourself in a democratic nation. It is one way to keep up to date on all the issues that are to be discussed and voted on in Congress. There are many insignificant sounding issues that are voted on each week and affect our government in one way or another. One of the works of this organization is to send personal letters to your congressman expressing your opinion of these issues. That is the only way your representatives have of knowing your sentiment about the matter. Another activity of the club is to listen to tape recordings, see films, and listen to conservative speakers who will inform you of things that are being done in your government.

This organization is strictly an independent one. It is in no way connected with any other organization. Each local club is independent of itself. It is only a means by which a group of interested people can meet to try to accomplish the continuation of a democratic government in the

United States of America. Whether you are a conservative republican or a conservative democrat you are urged to attend the next meeting. It is hoped that you will be there, February 27, Lions Club Hall, 7:30 p.m."
