Mooring, Deyhle and Goodman Elected To School Board Posts

Voters of the Clarendon Independent Consolidated School District went to the polls last Saturday and elected three school trustees and re-elected one county school board member.

Bill Mooring, who had been serving an appointive term, was elected for a regular term and led the ticket with 301 votes.

Chas. E. Deyhle was second with a total of 271 votes and Billy Goodman, the third man elected, received a total of 262 votes.

Next in line in the voting department was Pete Borden with 137 votes, L. P. Moore 133 and Mike McCully 132.

In the County School Board election, W. H. McDonald was re-elected trustee from Precinct No. 1.

The new Clarendon school board members will take over their duties Thursday night at which time the board will be reorganized. The retiring members of the board are President Homer Estlack and Vice-President Clyde Hudson.

Other members of the board are Hershel Heath, who is the present secretary and Billy Jack Land, Warren Hardin and Joe Robinson.

F. F. A. WORK DAY SET FOR APRIL 14 & APRIL 20

The Clarendon Future Farmers of America chapter will observe Work Day on Saturday, April 14 and again on Friday, April 20.

The members will do any type of work that you want done such as yard, spading gardens, window washing, painting, haul trash or whatever you need done.

The money they earn will be used to finance their annual Father-Son banquet which is slated for sometime in May. The response to their last work day was wonderful and these young men are looking forward to working for you on the above dates.

You may contact either ag teacher, Baxter or Westbrook or the following members: Jim Robinson, Frank Hermesmeyer and Steve Shelton.

CLARENDON HIGH SCHOOL JUNIOR CLASS TO SPONSOR VOLLEYBALL TOURNAMENT

By DWIGHT McANEAR There will be some top-notch volleyball teams participating in the Junior Class Volleyball Tournament to be held Thursday, Friday and Saturday nights in the new high school gym April 12-13-14. Game times will begin at 4:30 and will continue until 10 p.m. Admission price is 25 cents for both children and adults. Everyone is extended a cordial invitation to attend.

The class has worked long and hard to make this tournament the best in a long time and enjoyable for all. So, come on out and root for your favorite team. The class also would like to thank all of the merchants who have been so generous, patient, and co-operative in the sponsoring of the teams.

JUNIOR TENNIS MEET AT LEFORS MONDAY

The junior division of the high school tennis meet will be held at Lefors next Monday. This is for students in high school who had not reached their 15th birthday when school began last fall. Clarendon entries will be Richard Bell in the boys singles division. Richard is a freshman who has climbed to the top of the freshman - sophomore intramural tennis competition. Timmy Ray and Douglas Bradshaw will team in the doubles division.

In the girls competition, Regina Borden will play singles. She has only been playing a short time but shows signs of developing into a top-notch player in the future. Lynn Bourland will team with either Jill Benson, Dolphia Vallance, Sharon Henson or Melissa McCully in the doubles division.

Locals Attend Meet at Ft. Worth Relative To Dam Project

Mayor H. T. Burton and W. Carroll Knorpp, vice-president of the Greenbelt Water Authority, joined a delegation from this area at Ft. Worth last Friday at which time application was made for a loan for survey work on the Red River dam project. The loan application was for \$139,000.

The application was made to the Home and Housing Agency of the Federal government. Money from the loan, which is expected to be approved in Washington within 30 to 45 days, will be used to enable engineers to figure out nearly exact costs of the entire project.

No interest will be charged on the money but it must be paid back when the bonds for the project are voted. If the bonds are not voted, it will not be necessary that the money be paid back, it was reported.

Members of the delegation making the trip were from Childress, Quanah, Paducah, Clarendon, and Memphis.

REVIVAL IN PROGRESS AT FIRST BAPTIST CHURCH

A Revival, which began last Sunday at the First Baptist Church, is reported drawing a large crowd for each service and will continue through Sunday, April 15. Rev. Howard E. Scott of Cleburne and former pastor here, is the visiting evangelist. Glendon Sanders of Gainesville is in charge of the singing.

Services are being held at 7 a.m. and 7:30 in the evening. Everyone is invited to attend.

ATTEND PRESS MEETING IN AMARILLO

Editor and Mrs. G. W. Estlack and Jerry Allen, shop foreman of the Leader attended the 53rd annual meeting of the Panhandle Press Association held in Amarillo last Friday and Saturday. Charles Sarchet, our neighboring editor from Silverton, was elected president of the Association for the coming year. Estlack retired from the board after serving the association as president last year. The meeting was informative as well as enjoyable as this is usually the only time of the year that newspaper people have an opportunity to visit and exchange ideas that might be helpful in making their hometown paper a better publication.

Are You A Defensive Driver?

YOU ARE A DEFENSIVE DRIVER:

- (1) When you accept your responsibilities to others and practice courtesy and safety as a habit on the streets and highways.
- (2) By maintaining your vehicle in safe operating condition at all times through preventive maintenance, frequent inspection and regular lubrication service.
- (3) If you have a clear mind, free from outside worries and problems as you press the accelerator.
- (4) By knowing your State traffic laws and abiding by them at all times. Give proper signals—making certain the other drivers understand your signals.
- (5) When you utilize your knowledge of the facts of nature by adjusting your speed to physical, weather, and road conditions. Keep safety in balance.
- (6) Each time you expect the unexpected from drivers, pedestrians, wild life, or other moving objects.
- (7) If you observe safe distances between your vehicle and those ahead and behind you. To follow at a safe distance—always being ready for a sudden stop. Use your rear view mirrors regularly and frequently to see the traffic pictures behind you and around you as well as in front of you.

(8.) By practicing the "Give" rather than "Take" rule when it comes to "Right of Way." Watch for parked vehicles which may be ready to pull out into your lane. Get in the proper lane well in advance to make turns. Give plenty of warning before stopping.

(9) When you refuse to drive when feeling drowsy, ill, nervous or mentally disturbed.

(10) If you can keep your vehicle under control. This means seeing the traffic pattern ahead of you at all times, to a distance within which you can control your vehicle, regardless of what the big picture shows. At 60 miles per hour, you must be able to stop, avoid collision, keep road stability, etc. by seeing the road picture 366 feet ahead. When your headlight beam reduces this distance, you slow down and scan the fringe of darkness ahead of your headlights. To avoid overdriving your headlights, drive at least 10 miles slower at night than you would over the same road in the daylight. Drive slower when visibility is reduced by fog, rain, smoke, etc. Total stopping distance required when traveling 50 miles per hour on a dry road surface is 243 feet.

Defensive driving is doing one's utmost to stay out of dangerous situations created by other drivers which may lead to an accident.

HEDLEY NEWS

Mabel Bridges

Mrs. Francis Hinds Dies
Hedley was grieved and shocked when word came Friday evening that Mrs. Francis Kendall Hinds had died at 4:00 p.m. in St. Anthony's Hospital in Amarillo.

A third grade teacher in Silverton School she had taught two years in Silverton. She had had 27 years teaching experience. Her husband is superintendent of Silverton Schools. They had both taught in Hedley School for a number of years. Mrs. Hinds was a member of one of Donley County's oldest pioneer families. She was the daughter of Mr. and Mrs. Frank Kendall. She attended Hedley School and was a faithful member of the Methodist Church. She was loved by all who knew her. She had a kind word and a smile for everyone she met and she made life richer for those who knew her.

Survivors include her husband,

EXPERIMENTATION TROOPS of the U. S. Army Combat Development Experimentation Center, Calif., fire the Army's newly adopted M-60 machine gun. The M-60 machine gun weighs 30 pounds, uses the 7.62 NATO cartridges and may be fired from bipod or tripod. It was developed by Ordnance Corps' Springfield, Mass. Army, and is produced by Sacco-Lowell Shops Inc., Sacco, Me. The M-60 was designed to replace the air-cooled .30 caliber machine gun, the water-cooled Browning machine gun and the Browning automatic rifle. The soldiers are also equipped with prototype eye-armor goggles. The protective device is constructed of steel plate and has vision slots over each eye position. The goggles offer the wearer protection from explosive battlefield fragments.

General Taylor...

General Maxwell D. Taylor, USA-Ret., was recently appointed by President John F. Kennedy to assist in the review of the U. S. intelligence services, para-military and guerrilla warfare activities. General Taylor, a graduate of the U. S. Military Academy in 1922, was Army chief of staff prior to his retirement. "The Uncertain Trumpet," General Taylor's book, is currently on the recommended list of the U. S. Army Contemporary Military Reading Program.

versity in June. Both are former Hedley residents.

Mrs. Mattie Barnett and son, Adell Myers of Pampa spent the week end in Dallas with relatives.

Clifford Johnson returned home Sunday from Corpus Christi where he received medical treatment. His many friends are glad to see him. He was missed by home folks.

Mr. and Mrs. Bill Reeves and baby of Ft. Worth and Mr. and Mrs. Don Reeves of Canyon visited Saturday with Mrs. Reeves and Myrtle.

Mrs. Mabel Bridges spent the week end in Amarillo with her children and grandchildren. She was honored Sunday with a birthday dinner in the home of her daughter, Mrs. Mary Jeffreys.

Mr. and Mrs. Don Springer are the proud parents of a fine little daughter born April 7. She weighed 6 lbs., 13 ozs. Hedley grandparents are Mr. and Mrs. Ross Springer and Mrs. W. M. Moss.

The date of the hearing announced for Amarillo on the proposed national potato marketing agreement and order has been changed. The hearing is now scheduled to begin on April 12 at 9 a.m. in the auditorium of the Public School Administration Building, 910 West 8th Street. The hearing will continue as long as necessary.

CARL ALLMOND, CANDIDATE FOR COMMISSIONER PRECINCT 2 DISCUSSES POINT 8

Establish A Budget

I think the commissioners court should set up an operating budget, and in turn each commissioner should do the same for his precinct.

If the court does not want to operate under this system that is their privilege.

If elected your commissioner this will be my plan for Precinct 2.

It was most gratifying to see the interest shown in the city and school elections. It is my hope that you will show the same interest in the County and State election. This is the only way to keep our way of life from deter-

iorating. If you don't vote May 5th you have no complaint as to the method your tax dollar is spent. Pol. Adv.

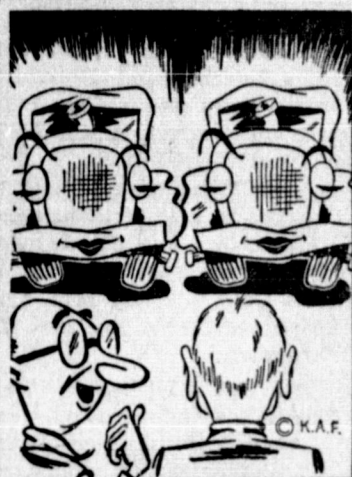

"Man has always had to work for what he wanted. This pattern was so ordained by the Almighty Himself. And even though some of the labor bosses today figure they are more powerful than He that made us, they're not. We had all of us best realize what we're doing to ourselves."—Carrollton, Illinois Gazette.

Les Beaux Arts Club Meeting Held April 6th

Les Beaux Arts Club met at Patching Club House April 6 with Mrs. E. O. Simmons and Mrs. M. R. Allensworth, hostesses. Mrs. J. H. Howze opened the meeting by leading the group in Club Collect. Minutes for the March meeting were read and a treasurer's report given. Mrs. C. G. Stricklin announced that the James D. Howze Art Exhibit would be held Sunday, April 29, from 2 to 4 p.m. at Patching Club House. A discussion was held in regard to a cabinet to be kept at the club house, the cabinet to be used for Art books and Art reference material.

The Regular meeting of the Community Center will be this Friday, April 13. Mrs. Leona Henson and Mrs. Edith Spivey will be hostesses. Everyone bring cookies for your party. The gentlemen of the Community think since it is "Friday the 13th" that if we will be there on time and sit tight when the cloud shows up, perhaps we will have to swim out. See you. Rep.

Mrs. W. C. Thornberry was leader of the program. Her subject was "Hobbies." She was assisted by Mrs. Walter Taylor, Mrs. J. D. Swift, Mrs. Forrest Sawyer, Mrs. Gene Alderson and Miss Mable Mongole. Hostesses, Mrs. Allensworth and Mrs. Simmons, served delicious refreshments to Mesdames Gene Alderson, Harold Bugbee, Stina Cain, W. K. Hardin, Charles Carman, J. H. Howze, W. J. Lewis, Jr. Tommye Saye, Forrest Sawyer, C. G. Stricklin, J. D. Swift, W. W. Taylor, Frank White, Jr., W. D. Bryson, W. C. Thornberry, and Miss Mable Mongole. Rep.

LELIA LAKE M.Y.F.

Meeting was opened with prayer by Mrs. Lacy Noble. There were five present with Beverly McCallum having charge of the program. We sang songs. We were dismissed by the M.Y.F. Benediction. Rep.

ASHTOLA COMMUNITY CENTER NEWS

The Candidate Rally was a real success. The amount raised for the Water Fund was \$100.25. We appreciate so much the response we received from the candidates, the county officials and the men of our community.

The boys played ball again Sunday. The Green family passed Fairview about that time Sunday afternoon and there seemed to be as many Fathers playing as there were sons. We would like to see more Dads taking part in our ball playing. If the Fathers are too busy, we could use some Grandfather umpires.

By doing so we feel our community Center has been a success. Our new officers elected were Mr. Roy Blackman, president, Mr. Bob Williams, vice president, Mr. Alfred Ivey, secretary-treasurer, Mrs. Ruth Lindley, reporter, Mrs. Mary Mann, Fair Chairman, and photographer. We all must give them our best cooperation this year and help in any way we can. We also want to welcome our visitors, Mr. and Mrs. G. W. Bradshaw, Mr. and Mrs. Frank Reid, Mr. and Mrs. Hughes, Mr. Jack McDonald of Amarillo, and Mrs. Velma Heathington and her two grandchildren, Joe Heathington and Kathy Cleaver, all of Tullia. Our next party will be our Pie Supper and Candidate Rally, April 20, Friday night. All women be sure and bring pie. Our hostesses will be Mrs. Hawley Harrison and Velma Heathington. Rep.

FHA ELECTS OFFICERS

The Clarendon F.H.A. Chapter elected officers this past week as follows: President, Pat Green; 1st Vice-(yearbook) Melissa Patterson; 2nd vice-(Degree) Maudena Self; 3rd vice-(Projects) Mollie Floyd; 4th vice-(Songleader) Lynn Bourland; 5th vice-(Reporter) Clydean Gilbreath; corresponding secretary, Ann Martin, Recording Secretary, Darlene Shields, Treasurer, Deanna McAnear, Historian, Jan Weatherly, Parliamentarian, Charlene Gray, Sgt.-at-Arms, Connie Martin; Pianist, Mary Louise Caldwell. Rep.

CHAMBERLAIN COMMUNITY NEWS

The Chamberlain Community had their regular meeting night April 6th. There was a large crowd to vote for their new officers for 1962. Mr. H. A. Harrison, president, Mr. Dick Dingler, vice-president, Mr. Donald Ballew, secretary-treasurer, Mrs. A. B. Ivey, reporter, Mrs. Mary Mann, Fair Chairman and photographer wish to thank all the Chamberlain members for your wonderful cooperation in 1961 and we are happy to live in a community where all the neighbors meet and have fellowship with one another. This fellowship teaches us to get along with each other and love and understand one another better.

Mr. and Mrs. J. W. Helms of Lelia Lake announce the engagement and approaching marriage of their daughter, Leveta to Roddy Klinnert of Hedley. The parents of the groom are Mrs. Billie Stegall of Hedley and Mr. Carl W. Klinnert of Oklahoma City, Okla. The wedding date has been set for June 8 at 7:30 p.m. at the First Baptist Church in Clarendon.

KIL KARE KLUB TO MEET

The Kil Kare Klub will meet in the home of Mrs. Willard Skelton Thursday afternoon, April 12, at 3 p.m. Mrs. Buel Sanford and Mrs. Frank Whitlock will be hostesses.

Gary Don and Kyle Wayne Bagwell visited from Thursday to Sunday with their grandparents, Mr. and Mrs. L. N. Cox, while their parents were vacationing.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. T. S. Denney, Lone Wolf, Okla., are announcing the engagement and approaching marriage of their daughter, Virginia, to Nelson Christie, son of Mr. and Mrs. L. O. Christie, Clarendon.

GOLDSTON QUILTING CLUB

Goldston Quilting Club met at the Center Thursday, April 5th with Joy Roberson as hostess. One quilt was partly finished. Visitors for the afternoon were Barbara and Ronda Brown from Amarillo. Nine members were present. Refreshments of coffee, Kool Aid and cookies were enjoyed by all.

We will meet Thursday, April 12th at the home of Ola McBrayer, and make a quilt for the Jim Barrett family. Our next regular meeting will be April 19th with Blanche Gray as hostess. Rep.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Ronald D. Castner of Lelia Lake announce the engagement and approaching marriage of their daughter, Carolyn Ruth, to Lynn Max Courtney, son of Mr. and Mrs. Lynn J. Courtney of Wellington. The wedding date has been set for April 19th in the Lelia Lake First Methodist Church.

GILES PIONEER CLUB MET APRIL 5 FOR ANNUAL EASTER BREAKFAST

The Giles Pioneer Club met April 5 in the home of Mrs. G. T. Foster for their annual Easter Breakfast. Mrs. Foster welcomed the members as they arrived. The meeting was called to order by the president. During a short business session the club voted to send a quilt to a family in Clarendon who had the misfortune of losing their home by fire.

Mrs. Sims brought the Devotional. The scripture selected was Rev. 1-18. She also read a poem "The Oldest Easter Message." Roll call answered with favorite Bible quotation. A sumptuous breakfast was served, consisting of sausage, scrambled eggs, hot biscuits, butter, assorted jellies, and coffee.

Quartet tables were covered with white damask and each had a centerpiece of Easter greenery. Noted on a small table was an arrangement of Easter lilies.

The following members were present, Mrs. Darnell, Mrs. W. C. Foster, Mrs. Ruby Glass, Mrs. Inez Hunt, Mrs. Gladys Johnson, Mrs. Annie Mae Sims, Mrs. Edna Wilson, Mrs. Mary Sue Stotts, Miss Jessie Davis, and the hostess, Mrs. Foster, and three children, Tommie, Sissie Johnson, and Glenn Parnell. Rep.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met Thursday, April 5 at the club house. Lena Mae Graham, Eula Butler, and Alene Partain were hostesses. Mrs. A. J. Garland reviewed the book, Gone Are The Days by Amalee Burns. This book brought back the memories of the good old days of asafetida bags and coal oil remedies. It was greatly enjoyed by everyone.

There were 15 members present and six visitors. The visitors were Mrs. Henson, Mrs. McAnear, Mrs. Allen, Mrs. Dewey, and Mrs. Reid. The next meeting will be April 19. It will be an Easter Program given by Mrs. Charlotte Word. Mrs. Roeda Rattan will be the hostess. Mrs. Lillie Knox will be the leader. Rep.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. T. S. Denney, Lone Wolf, Okla., are announcing the engagement and approaching marriage of their daughter, Virginia, to Nelson Christie, son of Mr. and Mrs. L. O. Christie, Clarendon.

The bride-elect is a graduate of Lone Wolf High School and of Southwestern State College, of Weatherford, Okla. She is presently teaching in the Clarendon Public Schools.

The prospective bridegroom is a graduate of Clarendon High School, Clarendon Junior College, and of Texas Technological College, Lubbock. He was formerly employed as an agriculture teacher in Clarendon Public Schools and is presently attending Texas Tech, Lubbock.

The wedding will be an event of May 26 after which the couple will reside in Lubbock.

MIDWAY CLUB NEWS

The members of the Midway Club met in the home of Mrs. Glen Williams in regular session April 5th. Everyone brought a sack lunch and we quilted a club quilt.

Those present to enjoy the day and help quilt were: Mesdames Loyd Hillis, Ellen Moreland, Altie Quattlebaum, Josie Simmons, Louise Aten, Grace Ayers, Beulah Sanders, and Eddie Williams.

Our next meeting will be with Louise Aten for an all day meeting. Everyone bring a covered dish, and come enjoy the day. Rep.

DISTRICT FEDERATED CLUB MEETING TO BE HELD AT SHAMROCK

The District meeting of Federated Club Women will be held at Shamrock Thursday and Friday of this week. All Federated Clubs of Clarendon will send delegates to the meeting and as many club members as possible plan to attend.

Mr. and Mrs. G. D. Hillis, son, Don, and grandson visited last week in Casper, Wyoming with Mr. and Mrs. Tommy Hillis and family. Also, another son, Edward Hillis of Rupert, Idaho was there.

Awards Presentation Highlights Band Fete

The annual Band Banquet was held Friday evening, April 6, in the High School Cafeteria. The theme of "Painting the Town" was carried out in gold, white, red, and black. Tables were decorated in white and gold and centered with miniature gold instruments on white candles, and larger instruments. Walls were decorated with record murals, black musical notes, gold and red balloons, black horn murals and red and gold star wall paper.

Rev. J. V. Patterson offered the invocation. Band Parents president, Mrs. Dick Vallance, welcomed the members and guests, then Jerry Bones gave the response. Band president, Andra Pinkerton introduced the Combo of the Band: Larry Stewart, Bill Bryson, James Bates, Larry Don Phillips, and Jerry Bones. This group played two numbers, "Tea For Two," and "Brown Jug." Following these numbers Larry Stewart told jokes on Mr. Edgett and various band members.

Highlighting the evening was the presentation of the following awards by Mr. Edgett: Most Progressive Students, Jerry Bones and Chris McMurtry; Citizenship, Marsha Maxey and Barry Hudson; Musicians, Larry Stewart and Janis Smith; Most Dependable, James Bates and Melissa Patterson; Outstanding, Andra Pinkerton and Billy Hutton.

After the banquet members and guests enjoyed dancing. Guests for the occasion were Mr. and Mrs. Edgett, Mr. and Mrs. Stina Cain, Mr. and Mrs. Morris Ledger, and Rev. and Mrs. J. V. Patterson.

Food was prepared by the ladies of the Cafeteria and served by several of the Band Mothers. The Band Parents organization sponsored the entertainment. Rep.

Mr. and Mrs. Don Hudgins of Ft. Worth announce the arrival of a baby boy, Gary Kent, on March 19. He weighed 7 pounds and 4 ounces. Proud grandparents are Mr. and Mrs. David Hudgins of Lakeview.

FARM NEWS

from County ASCS Committee

RELEASE OF UNUSED COTTON ACREAGE

Cotton producers who do not intend to plant their cotton allotment, or any part of it, should release it to the committee by April 13, 1962, so it can be re-appportioned to other growers who sign up requesting more cotton acreage. By releasing the unused acreage your cotton history will be protected.

WOOL - LAMBS PROGRAM
The 1961 marketing year for wool and unshorn lambs ended March 31, 1962. Eligible producers have until April 30, 1962, to file applications for incentive payment on 1961 marketing year sales. If you have not submitted your sales receipts, please bring them by the office as soon as your sales are completed so we may complete your application for payment.

If you have purchased unshorn lambs, please bring the following information with you when you sign your application: Date of Purchase, Number of Head Purchased, and Liveweight of Lambs at time of Purchase.

1962 FEED GRAIN PROGRAM
This is to remind all farmers with a feed grain base that April 16th is the new final date to sign up under the 1962 Grain Sorghum-Corn Program. There is quoted below information recently received from the Texas State ASCS Office:

"As was done in connection with the 1961 Feed Grain Program, acreage diverted under 1962 Feed Grain and Wheat Stabilization Programs will be released to permit grazing late this fall when more is known about seasonal weather conditions and the needs of livestock farmers.

Adequate advance notice will be given to treat all participants fairly and to permit the cleaning of stalk fields and other adjoining fields without unreasonable expense for protective fencing. Any new land broken out is required to be offset by turning back to grass the equal amount broken out. Failure to do so will result in a loss of price support and payments. Any acreage so retired to non-crop use shall not be eligible for designated as diverted acreage or considered as meeting the normal conserving acreage requirements for the farm in 1962.

Remember, May 1, 1962 is the final date to grade diverted acres.

1962 ACP PROGRAM
Don't forget your approval to seed peas for a summer cover. Let the ASCS office help improve the soil on your diverted feed grain acreage. This program is set up to assist you in carrying out needed practices on your farm, so come by the office and discuss it with us.

The program is available to all eligible producers and we would like to see previous participants continue as well as to assist new producers having a conservation problem that might be solved through the ACP Program.

BETTER GROOMING
Carry a piece of plain white chalk in your handbag to erase the smudge on your white gloves or cover soil that gets on your white shoes. An old lipstick case makes a better place to carry your chalk. It isn't hard to remove traces of lipstick from an old case. Just run a nail file point around the bottom and swab it out with a small piece of cotton.

Mr. and Mrs. Lloyd Hefner and Hollie of Amarillo visited Sunday with his mother, Mrs. A. O. Hefner.

Mrs. Nora Hewitt who underwent surgery to correct a hip ailment recently in Northwest Texas Hospital is reported improving satisfactorily and has appreciated the many cards she has received.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

H. R. 10977 On March 28, 1962 I introduced the following measure in the House of Representatives:

A Bill To provide that certain information relating to the national security shall be made available to the Speaker of the House of Representatives.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, that, notwithstanding any other provision of law, of any Executive order, or of any rule or regulation, whenever the head of any department, agency or instrumentality of the United States determines, as the result of information developed in the course of any investigation, that any officer or employee of the United States or any person seeking employment as an officer or employee of the United States is a person whose retention or employment as an officer or employee of the United States would not be consistent with the interests of the national security, he shall transmit all information developed in such investigation to the Speaker of the House of Representatives.

Sec. 2. The Speaker of the House of Representatives is authorized to make available, for purposes of possible legislation, all or any part of the information transmitted to him under this Act, to such of the committees of the House of Representatives and to such of the Members of the House of Representatives as he determines necessary in the interests of the United States.

This bill was referred to the Committee on Post Office and Civil Service and requests have been made of several departments of government for full reports and recommendations concerning it. As soon as these reports have been prepared, I hope to request hearings on the subject matter and ask for passage of the bill.

Some have expressed doubt as to the need for such a measure. They have taken the position that this is a matter presently within the jurisdiction of the FBI and the other security agencies

ship mongers. However, this is a matter having to do with the safety and interest of this country, and it is my opinion that every possible opening for a Communist or Communist sympathizer or one subscribing to an ideology conflicting with ours to get into government employment should be closed. Contrary to the general belief, the FBI does not issue clearances or non-clearances or express opinions regarding the suitability of persons for employment with the government. Nor does it make recommendations regarding the hiring, firing or retaining of applicants or employees of other Federal agencies. I must confess that for a great number of years I have been proceeding under the false impression that the FBI, the body charged with the internal security of this nation, made recommendations as a result of facts gathered by it concerning the employment or retention in employment of Federal employees. Having discovered the contrary, it occurred to me that under a true representative form of government, the duly elected officials of the people should have information on the subject. Primary responsibility for the preservation of the United States of America rests in the hands of the Congress. Unless that body has full access to information concerning the employees of this government, whether they be Civil Service employees, Foreign Service employees, or purely political appointees, this responsibility cannot be effectively carried out. As the matter presently stands, the FBI gets together facts and submits them to an official of the Federal government who has been appointed rather than elected and who, along with others, makes the decision as to whether or not the particular individual is to be employed. H. R. 10977 simply permits the duly elected members of the Congress of the United States to know what is going on in the executive branch of the government, as well as the judicial branch of the government, with regard to employees. It will provide a most effective bulwark against possible infiltration of undesirable regardless of ideology.

Breakfast to Kick Off Annual Salvation Army Fund Campaign

The annual campaign of the Donley County Salvation Army Service Unit will be kicked off at a breakfast at the Dixie Cafe on Tuesday, April 17th at 7 a.m. according to P. C. Messer, Campaign Chairman. The goal will be \$1200. It is sincerely hoped that the people of Donley County will support this worthy organization.

The Salvation Army Service Unit Committee does an outstanding local welfare program. The past twelve months they have given assistance to a great number of needy people. The assistance given is composed of: groceries, hospital care, lodging, meals, gas and oil, transportation and etc. In addition to local welfare work there are many State Services which are available to the people of Donley County through this committee. Such as home and hospital for unwed mothers, summer camp for boys (Donley county sends 2 boys each summer to this camp), emergency disaster relief. During the Carla disaster many thousands of people were helped by this service. To date more than One Million, seven hundred thousand dollars have been spent in the Carla area.

The work done by the Salvation Army in assisting the men and women of the Armed Services during peacetime and wartime is very famous. Most all veterans have seen the Salvation Army workers in the front lines.

The local Committee has sole administration of the funds which remain in the County. This Committee has as its chairman Mayor H. T. Burton, Van Kennedy, Treasurer, Odos Caraway, Bill Todd, William J. Lowe, C. A. her home.

Pitts, Sheriff Truett Behrens and Quinn Aten of Lelia Lake. Anyone not contacted by a volunteer worker on Tuesday, April 17 may mail a check to Van Kennedy, Treasurer of the local committee.

Bulldog Netters Meet Badgers Here Today

Clarendon Junior College Tennis Team will play Amarillo College at the local courts here today. The matches are scheduled to get underway at one o'clock. This is a re-scheduled match which was postponed due to bad weather on March 27th.

The Bulldogs have won only one of four matches so far this year, but are showing signs of gaining speed in their future matches. They beat Frank Phillips College here Tuesday afternoon by a 5-0 score. Bob Brown defeated Johnny Turner, 6-1, 6-2; Kenneth Housden defeated David Niles, 6-0, 6-1 and Dennis Bradshaw and Howard Talley defeated Niles and Turner in doubles, 6-3, 6-4.

The Bulldogs lost to Odessa and Lubbock Christian College by 6-0 scores and they lost to San Angelo, 4-2.

FORMER RESIDENT DIES AT MCKINNEY, TEX.

Funeral services for W. F. (Scottie) Warden, former Clarendon resident, were held at McKinney, Texas Monday. Mr. Warden died there April 7th.

He was a resident of Donley County about 30 years and was associated with Lloyd Risley in the farming business.

Those attending funeral services from here were Adam Risley, Maurice Risley, Mr. and Mrs. Lloyd Risley and daughter Martha Jo Schollenbarger.

Mr. and Mrs. Harmon Fricks and David visited over the week end with their son, Mr. and Mrs. Bruce Fricks in the W. W. Sandifer home at Kermit, also with the ladies brother, Mr. and Mrs. Bill Williams and boys at Andrews, Texas.

Negro Killed in Auto Collision Sunday Night

Alfred Adkins, a Negro resident of the Lelia Lake community, was killed Sunday night about 9 o'clock and four other persons were injured when a car driven by J. T. Stone of Memphis crashed into the rear of a car which was being towed by a pick-up operated by the Negros.

It was reported that the Negro men had stopped to work on the towing connection when the Stone car crashed into the rear of the auto being pulled and Adkins was pinned between the pick-up and car. Clarence Williams, a second Negro was helping him and received a fractured leg. A third Negro was said to be flagging traffic.

Mr. and Mrs. Stone and their three year old son were treated at the hospital here and were transferred to Memphis that night. Their injuries were not believed to be serious.

The auto being towed was smashed up like an accordion and the front of the Stone car was badly damaged.

Graveside rites for Adkins were held in Citizens Cemetery Wednesday afternoon with the Murphy Funeral Home in charge of arrangements.

FORMER RESIDENT DIES AT CLOVIS, N. M.

Funeral services were held Monday in Clovis, N. M. for Mrs. Estella O'Neal, former Clarendon resident, who died Saturday in a Clovis hospital. She had been a resident of Clovis 26 years.

Survivors include her husband, W. E. O'Neal; two daughters, Mrs. J. P. Pearson of Roswell, Mrs. W. J. Smith of Bellflower, Calif.; three sons, J. L. O'Neal of Clarendon, W. L. of Clovis and Willard O'Neal of Amarillo.

Services Held Wed. for F. M. Neaves, Sr.

Funeral services were held Wednesday afternoon in Murphy Memorial Chapel for Francis Marion Neaves Sr., with Rev. Tom Posey of Amarillo and Rev. Paul Hancock of Clarendon officiating.

Mr. Neaves, 74, died Monday in the Veterans Hospital in Temple where he had been a patient for 11 years. He was a former Clarendon resident, a retired oil field worker and a veteran of World War I.

Survivors include a daughter, Mrs. L. B. Tucker of Amarillo; two sons, F. M. Neaves Jr. of Vandenberg Air Force Base, and D. L. Baker of Riverside, Calif.; two sisters, two brothers and two grandchildren.

Pallbearers were W. C. Stallings, Frank White Jr., J. B. Melton, Bob Corman, Roy Clappitt, and Richard Finch.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

LLOYD McCORD THANKS CITY VOTERS

I wish to thank my friends who supported me and gave me the nice vote of confidence in the city election. I will serve you to the best of my ability and in the interests of all taxpayers concerned. Lloyd McCord.

COLLEGE BASKETBALL TRYOUTS POSTPONED

The tryouts scheduled for the local gymnasium on Friday of this week have been postponed until May 11.

Mr. and Mrs. J. B. Hilburn of Pampa visited Monday with Mrs. A. O. Hefner. All visited the J. O. Hefners at Hedley Tuesday.

FLAG GOLF TOURNEY WINNERS ANNOUNCED

The Donley County Golf Club Flag Tourney held the week end of April 1 was another big success although the weather wasn't too cooperative in the wind and cold departments.

There was a good entry list and eight golfers were able to make the 18th hole with their set handicap. The winners were Bill Allen, J. L. Butler, John Cook, G. W. Estlack, Gerald Noble, Roddy Seago, John Wayne Stepp and E. A. Tipton.

Another tournament, probably a partnership affair, is slated for the near future. New memberships are welcome in the club and are open to any resident of this area. Golf playing is a good wholesome sport and is exceptionally good exercise for those who need to get out in the open.

ROBERT SPENCER AWARDED BASKETBALL LETTER

Cadet Robert Spencer, son of Mrs. Dollie Dee Bain of this city, has been awarded a company basketball letter at Wentworth Military Academy at Lexington, Mo.

Major John C. Readecker, athletic director, said the letter was approved by the athletic council following a study of the recommendations by the intramural coaching staff.

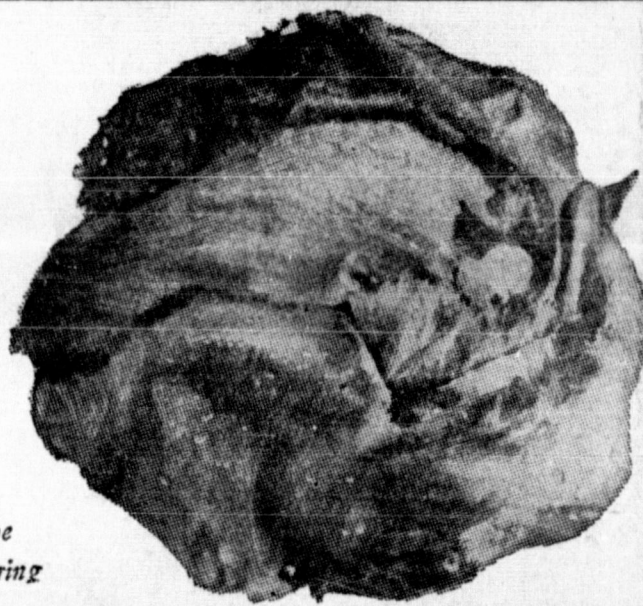

Bob was a member of Co. F team this past winter and he represented his company in most of its games in intramural competition.

ABEL MAKES HONOR ROLL

The honor roll for the first nine weeks of the second semester for Clarendon Junior College as announced last week failed to list Philip Abel. Abel is one of the highest ranking students in the college and his name should have been listed on the honor roll.

Blowin' Out the Corners
by Uncle Zeb
The Fine Arts Club of Carson County really came to our rescue, even though they didn't know about our problem. On next Saturday they have invited my wife and I, along with Uncle Zeb to

meet with the Club. The exact date will be April 14th at 2:30 in the Carson County Court-house. We are to bring our book 'Blowin' Out the Corners' and will have the pleasure of autographing copies for those who wish them. As we said, the Club ladies likely didn't know that we had bargained to sell too many copies during the first three months and my wife might demand that we eat a copy. With this party coming up we feel on the safe side. Those from nearby communities are invited to attend.

It was Will Rogers who once said, "What this country needs is dirtier fingernails and cleaner minds." If this were true in his day, how much more so today. This same all-time great humorist also said that he didn't make jokes but only followed the news-

papers and reported those the politicians made." . . . If he had been living at the time of the Cuban invasion flop he would have had a heyday. We can hardly understand why we had anything to do with it at all. But, it is even harder to understand why after meddling with it we allowed the whole thing to fizzle out. Seemed a bit like getting burned with a match while toying with the idea of setting off a big charge of dynamite.

Many men rise to the call to speak, but few hear the soft whispers of hope that they will sit down.

Whether we are young or old it is likely that our strongest desire is to be a part of things about us. We do not want to be left out of the circle. No suffering can hurt a child like that of being shun-

ned by his classmates. When we are grown up we may not so readily admit it, but the same is usually true in our adult pursuits of life's vicious circle.

People agree to taking a drink when their reactions are against it sometimes simply because they hate to be different. They go along with something they know is wrong rather than be in the minority. It becomes a hard choice whether we are a child or a grownup.

This desire to be a part of a group can be a good thing when we pick this right group. It can be the spark that will cause us to strive to be a better person is the face of all temptations. To be headed in the right direction is one of the first rules against becoming lost.

If we sacrifice our principles in order to be a part of one social

group we will certainly be the loser. Neither can hope to be helped by joining hands in coasting downhill.

About the worst kind of situation has to do with those who choose to drag others down to their way of living. They are not satisfied to call a spade a spade but seek to force others down to their level in an effort to prove to themselves that they are right. Pulling others down in order to make the law of averages look better is poor sportsmanship at its worst.

If our spelling is bad, then it also helps if our handwriting is also poor. This reminds me of the many times we have typed over a letter when we could not be sure without hunting up the dictionary. This might be the reason so many type-setters have gotten their fingers in the buzz saw lately.

For some reason which for the moment escapes our explanation we are on the mailing list of a prison magazine called the Mentor. Many of the articles are very interesting and for the most part are written by the inmates of the Massachusetts Correctional Institution in Walpole, Mass. In the last issue we reprint the following from an article by one of the inmates on mail order guns.

"So long as responsible adults go on putting money ahead of home, country and children, the situation is not going to improve. Also, all the admonitions from here to hell, and back again, are going to do no good—unless the example is first set in the home. When it is, then Junior is not going to want guns—not real ones at least. Death, just like delinquency starts in the home. Don't have your child take life."

According to this article most any teenager can buy a gun by mail order—some of them so small that one can conceal them in a hand, but deadly enough to kill another person. This proves again that "The love of money is the root of all evil."

"Counting time is not as important as making time count."
"Better to be tormented with anxious apprehensions than to

**A WAY TO REMOVE
GREEN SCUM FROM TANKS**

When water in stock troughs, reservoirs or ponds is exposed to sunlight, it may become covered with algae, commonly called green scum or slime. One way to remove the algae is to treat the water with copper sulfate (bluestone), says Ed Cooper, extension wildlife specialist.

Care must be taken when using bluestone, because too much is injurious to livestock, humans and fish. Safe dosage is 8 pounds of bluestone per million gallons

of water, 1 ounce per 8,000 gallons, or 1 level teaspoon per 1,500 gallons of water. Livestock or humans should not drink water receiving more than the above dosage.

TEXAS PRESS ASSOCIATION

John White, State Commissioner of Agriculture, injected a bright note in the Billie Sol Estes investigations when he predicted, "I am confident that the grain storage picture is going to come out all right."

He and his men completed inventory of grain in elevators Es-

tes owned at Lamesa and Leveland. They assured receipt-holding farmers that their grain is there.

The State's responsibility lies in supervision of elevators where farmers store their grain and then borrow money against their warehouse receipts.

White suspended the licenses of five grain elevators in which Estes has an interest, and sent his men to check the contents against warehouse receipts. Then he announced temporary warehouse license suspensions on Hale County Grain Company and Southwestern Grain, Inc., both in Plainview.

W. L. Cooper of Plainview, operator of one of Estes' large grain storage facilities, is also listed as operator of these two warehouses.

State Securities Commissioner William M. King said his investigators are checking evidence which would tend to show Estes has violated the Texas Securities Act.

Measles Popping Out All Over

A remarkably rapid spread of measles was noted by the Texas Department of Health last week when 99 counties reported 4,316 new cases.

During the first quarter of 1961 the measles outbreak totaled only 4,441 cases. First quarter this year a total of 32,538 outbreaks have been reported.

Dr. Van Tipton of the Health Department's communicable diseases division said the epidemic followed a trend of light incidence one year and heavy the next. He said enough children seem to escape the highly-infectious disease one season to catch it the next time around.

Employment Hits New High

Unusually mild weather caused employment in the State to reach a record high for February. Texas Employment Commission announced 3,346,900 jobholders that month, as compared to 3,330,100 in January and 3,312,300 for February of 1961.

Warm weather was favorable for construction workers, agricultural employees and other outdoor workers, and helped reduce the number of unemployed from 239,900 to 189,900. The commission presents an even better employment picture by mid-April, if prospective manpower needs reported by employers hold true.

Council Defends System

"How do you deal with the extremely aggressive, hostile student?" asked Dr. James T. Turman when the Texas Youth Council conferred with members of the Texas Citizens Committee of the National Council on Crime and Delinquency.

Youth Council's executive director referred to criticism from the committee's vice chairman, Mrs. Edmund P. Williams of Cor-

pus Christi, who earlier had called the barbed wire fence around Gatesville's Mountain View School "the only one of its type outside Nazi Germany."

Dr. Turman said two such security units in California are fenced. He joined council chairman Robert W. Kneebone in informing the committee that Gatesville inmates include 387 boys who have committed serious crimes — 45 convicted on murder charges.

The citizens committee proposed a statewide study of community services for delinquent children, which the Youth Council said it would welcome. However, it already has retained a prominent authority, Dr. Austin McCormick, to survey the five detention institutions it oversees.

State Archives Open

Invaluable historical documents

which tell the story of Texas' history have finally found a safe and permanent home. For more than a century they have been placed and misplaced in various temporary quarters.

Now they are housed in the \$2-500,000 Texas State Library and Archives Building adjacent to the State Capitol. Prior to the April 10 dedication researchers and librarians had been collecting and classifying the precious documents in a quonset hut in North Austin.

Gov. Price Daniel, whose hobby as a Texas historian is almost an avocation, started urging the Legislature to approve an archives building in 1957. Appropriately, he made the dedicatory address at the opening ceremony.

A special exhibit will be on display during April. It will include William B. Travis' letter from the Alamo, the Texas Declaration

of Independence, five treaties of the Republic of Texas and other memorable papers.

As a new tool of the total Great Plains Program, the Great Plains Conservation Program supplements existing activities and does not replace any of them. The main purpose of the program is to help you carry out a plan of operations that will help to minimize hazards and protect your land from erosion and deterioration by natural causes.

The above questions, along with many others, are answered in a bulletin now available to you on request from your local Soil Conservation office. The Donley County Soil Conservation District is well pleased with the progress this program has made here since it began in 1957. However, there is still a great need for increased participation so that we may indeed be proud of our District, from a conservation standpoint. At the present time about 70,000 acres are receiving conservation treatment with help from the Great Plains Conservation Program.

gram.

We urge all landowners who are proud of their land and wish to take the best possible care of it to contact any of our local USDA offices for further information as to how the program can fit your needs and assist you with your problems. The Donley County Soil Conservation District supervisors will be happy to furnish you assistance in obtaining technical help with Soil and Water Conservation problems.

LIBRARY NOTES
EDITH BARNES

The Pathfinder Club has given the library their usual generous check.

When you think of the library and its contribution to the community over the years and the part it has played in the lives of many of us, especially our young people, remember the Pathfinders started it way back in 1923! Besides the time and work these faithful ones have given to the library those checks have been coming every year for the last 39 years!

It is unfortunate that the hours of enjoyment alone it has brought to readers, young and old, cannot be accurately measured. We do know that for those three or more generations of young folks who have used it that it has been a source of not only knowledge but untold enjoyment. Many of them have said so.

This would be a good time for all of us to take time out and say Thank You to all past and

present who have made our library possible, since this is National Library Week.

Remember not for just this week, but all year, "Read and Watch Your World Grow!"

Miss Erdman's books are among the library's most read and have been over the years. We have most of her books and her last two have been ordered.

The library received some new material from the Hogg Foundation on mental health.

Some of you may not know the time and money spent year in and year out by this Foundation, trying to interest all of us in a bigger and better mental health program. Also how important emotional stability is to us all whether it be children from birth to teens, teens to twenties, twenties on to oldsters.

If someone knows how adults with an E.Q. (emotional quotient) of say an eight or ten year old can possibly pass on to the next generation healthy mental attitudes, it is time he was letting the rest of us in on it.

When mental is used it is another word for psyche and psyche is another name for the soul.

In one of the surveys the Hogg

Foundation made among college students three girls, used as case histories in one of their books, rated highest in all the tests given had one thing in common, they all came from happy homes, their parents loved one another and lavished love on their children.

This book and several more are in the library. They give them to us and many more can be had for from 5 to 50 cents.

* **1¢ per Kilowatt Hour For Electrically-heated Water!**

A New, Low, Rate for Owners OF ELECTRIC WATER HEATERS

Customers of West Texas Utilities are now enjoying a new, uncontrolled (no time clock)* 1¢ rate for residential water heaters. Only 1¢ per kilowatt hour for 400 KWH after the first 300 KWH at the regular residential rate. A new low rate, and still the safest and cleanest way to heat water (or anything else)... because it's flameless!

HEAT YOUR HOME OR BUSINESS ELECTRICALLY FOR ONLY 1¢ PER KILOWATT-HOUR(*)

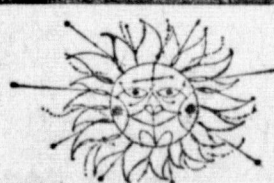

This 1¢ low rate applies to electrically heated homes or businesses, too—1¢ per kilowatt hour. In winter, as in all seasons, Live Better Electrically!

This ad appeared last month with an omission in the text. Stated above is the full and correct text.

NOW FUN AND SUN DAYS

AT YOUR CHEVROLET DEALER'S

(where you'll find the nicest ways to get away!)

You won't find a vacation-brightening variety like this anywhere else. And now that spring has sprung, the buys are just as tempting as the weather. Your choice of 11 new-size Chevy II models. Fourteen spacious, spirited Jet-smooth Chevrolets. And a nifty, nimble crew of rear-engine Corvairs. Three complete lines of cars—and we mean complete—to cover just about any kind of going you could have in mind. And all under one roof, too! You just won't find better pickings in size, sizzle and savings anywhere under the sun. And you couldn't pick a better time than now—during your Chevrolet dealer's Fun and Sun Days.

NEW BEL AIR 4-DOOR STATION WAGON
Jet-smoothie that rides just right, loaded or light—with 97.5-cu.-ft. cargo cave and Full Coil suspension.

CORVAIR MONZA 4-DOOR SEDAN
From snappy interiors to sure-footed seat, this one's got the gift of making sport of most any trip.

NEW CHEVY II NOVA STATION WAGON
Here's a wagon that sells at a compact price, yet totes in a big way with a longer load floor than any compact—over 9 ft., with second seat and tailgate down.
