Most Of County Receives Much Needed Moisture Thursday, Friday

For the exception of the western edge, Donley County was on the receiving end of much needed moisture last Thursday and Friday with the greater portion of the rain falling last Thursday afternoon.

Farmers have been in need of the moisture to get their land in shape for planting and ranchers needed the moisture to get the grass growing so feeding operations could be shut off. Wheat in the area was needing moisture badly also.

Our official weather observer here in town recorded 1.65 inch Thursday and an additional .15 Friday which brought our monthly total for April to 2.22. The rainfall was heavier to the east with the Hedley area receiving 3 to 4 inches. Ben Lovell reported only .30 for the area just west of the county line and Ash-tola received around a half inch. Leonard Putman reported 1.65 at the Country Club north of town.

Efforts Being Made To Complete Sign-Up On Brucellosis Program

The Donley County Animal Health Committee met in the office of Flip Breedlove, County Agent, on Monday night. Eighteen members of the twenty-one man board were present. Spencer Sitter, rancher of McLean, and chairman of the board, presided.

Breedlove explained the brucellosis law in Texas to all of the board as it was decided at the April 2nd Agriculture clinic held in Clarendon for the county to go into the brucellosis control program. This was on a vote by all livestock owners present at the meeting. The committee took seven petitions into their communities for livestock owners to sign saying that they want brucellosis control in Donley County. The state of Texas is over one-half in the program at this time and by fall three-fourths of the state will be in the program. It will be very difficult to move breeding cattle into the areas free of brucellosis coming from counties that are not under the program. Already some of our ranchers have experienced this problem, stated Mr. Sitter.

Mr. Sitter urges all livestock owners to sign about this brucellosis problem, we can be bottled in, and the rest of the state approved. He urges all livestock owners to sign our petitions so the committee can get them into the Animal Health Commission as quickly as possible.

Breedlove, stated that with the working of the program at the present time, it is planned to try to do all of the testing in the fall and winter. Seventy-five percent of all livestock owners must sign the petitions, representing at least fifty-one percent of all livestock in the county. Some of the members of the Donley County animal health committee will call on you in the near future. Breedlove says that anyone wishing information on the program can call by his office. There have already been two county-wide meetings in the past year explaining the program.

1st Primary Election Saturday, May 5th

Sample Ballot And Voting Information

For the benefit of those who would like to look over the ballot prior to the first primary election Saturday, a sample ballot is being published in this issue of the Leader on page eleven through the courtesy of County Clerk P. C. Messer. Look the ballot over and be ready to select your candidates more easily when you go to the polls.

Here in Clarendon, voters living the east part of town will vote at the Lions Club Hall instead of City Hall. This arrangement has been made due to the steps at the City Hall. Those living west of main street will vote at the Court House. All other voting places in the county will be the same.

The election judge at the Lions Club building will be Sam Lowry. Mrs. A. T. Cole and Jane Bownds will register voters and counters will be Morris Ledger, Paul Hancock, Neta Shelton and Avis Benson. Judge at the Court House will be Johnnie Leathers. Katherine Kent and Mary Cooke will register the voters and Chauncey Hommel, Helen Land, Ellen Bryan and Mrs. Lloyd McCord will be the counters.

Services Held Sunday For Harrison Hall

Last rites in memory of Harrison Hall, 59, were conducted at 3 o'clock Sunday in the First Baptist Church at Hedley with the pastor, Rev. Gene Grace, officiating, assisted by Rev. J. S. Tipton of Carter, Okla.

Harrison, a resident of Hedley for 34 years, died at 12:45 a.m. Saturday in Goodall Hospital. He had been associated in business with his father since coming to Hedley. He was a service station operator and wholesale automobile dealer at time of his death.

He was married to Miss Verda Rose Gilliam July 23, 1938. He was a member of the First Baptist Church, Masonic Lodge and Hedley Lions Club.

Survivors are his wife; two daughters, Mrs. Warren Baker of Amarillo and Mrs. Sam Owens, Jr., of Salina, Kansas; two brothers, T. E. Hall of Bowie and Wofford Hall of Myra, Texas; one sister, Mrs. Allen Pruitt of Houston; and six grandchildren and a host of friends.

Pallbearers were Frank Murray, Earl Wheatley, Elmer Dishman, Harold White, W. B. Wiggins, Tommy Bain, Royce Hall, R. M. Saunders, Honorary pallbearers were W. P. Doherty, Bill Wiggins, Jay Hunt, Ike Rains, Tom Wilson, Roy Jewell, Ross Adamson, John Aufill.

Democratic Precinct Meetings Saturday

County Democratic Chairman, Mike McCully, announced this week that the various precinct meetings in the county would be held Saturday night. Precinct No. 2 will be held at the Court House at 8 p.m.; Precinct No. 1 will be at the Goldston Community Center at 8 p.m.; Precinct No. 4 will be held at the home of C. P. Hamilton at 8 p.m. and Precinct 3 will meet at the City Hall in Hedley at 8 p.m.

All persons interested in these precinct meetings are reminded to keep the above date and time in mind.

The political pot has reached the boiling point as candidates on all levels wind up their campaigns in preparation for the first primary election this coming Saturday, May 5th.

The Governor's race has attracted the most interest in state politics with six strong candidates vying for a spot in the run-off. Marshall Formby, the only candidate from the high plains area, is expected to pull a good vote locally. Other candidates are Gov. Price Daniel, Don Yarborough, Will Wilson, Edwin Walker and John Connally. The other state race drawing most interest is for Attorney General. Tom James of Dallas and Waggoner Carr of Lubbock seem to be the strongest candidates in this area. James gained notoriety in the big investigation at Amarillo and Waggoner Carr is a West Texan.

The State Representative, 82nd District race between Alex B. Saied of Childress and W. S. (Bill) Healy of Paducah is drawing the most interest on an area basis. According to various informants, Saied has steadily gained ground the past two weeks and is expected to give Healy plenty of competition for the office. Numerous voters who were supporting Healy at the beginning of the campaign have switched over to Saied after sifting up campaign tactics and information regarding several issues. We understand that three newspapers supporting Healy in the area refused to publish Saied's advertisement in their issue last week. Two of the papers refused advertisements of both candidates. An attempt was made by Healy supporters to discourage publication of Saied's

advertisement in some of the papers, including the Leader, but failed. Here in Donley County, we have five contested races with a run-off highly possible in three of the races. The County Commissioner, Precinct 2 race drew the largest number of candidates with a total of seven. H. L. Riley is seeking re-election and is opposed by John W. Swinney, Carl H. Allmond, Roy Mabery, J. A. Ivey, L. O. Christie and Edd Hutton.

In the race for County Treasurer, Mrs. A. G. Lane is seeking re-election and is opposed by Mrs. Walter Lowe and Mrs. Ruby Hutton. In the Justice of Peace, Precinct 2 race there are five candidates seeking election. They are Paul H. Duncan, Ed Mahaffey, R. M. (Dick) Chunn, Homer Estlack and Sid McElroy. There are two candidates for Commissioner, Precinct 4. Jess Finley is seeking re-election and is opposed by Billy D. Rice. Two new candidates are seeking the County Democratic Chairman post and they are Ernest Kent and Richard V. Kennedy.

Other local candidates unopposed are County Judge R. E. Drennan, County Clerk P. C. Messer, Commissioner Precinct 1, Clarence Reynolds; Democratic Chairman Precinct 1, W. H. McDonald; Precinct Chairman No. 2, Mrs. Dick Shelton, Precinct 3, Henry Moore, Precinct 4, C. P. Hamilton.

There are also three propositions to be voted on at this time. Proposition No. 1 — For or Against the Legislature to submit a Constitutional Amendment to legalize parimutuel wagering on horse races; Proposition No. 2 — For or Against the Legislature to enact a law legalizing parimutuel pool, the home-county receiving two per cent of the total pool, and all other counties receiving one-half of the net State Share on the basis of population. No racing on Sunday. Proposition No. 3 — For or Against the Legislature to submit a Constitutional Amendment to abolish the poll tax as a prerequisite for voting. Be sure and go vote Saturday if you are a qualified voter.

James D. Howze Art Exhibit Presented Sunday Afternoon

James D. Howze of Lubbock, son of Mr. and Mrs. J. H. Howze of Clarendon, was presented in an Art Exhibit Sunday afternoon, April 28, at Patching Club House. Les Beaux Arts Club sponsored the exhibit. Hostesses for the afternoon were Miss Mable Mongole, Mrs. C. G. Stricklin, Mrs. Walter Taylor, and Mrs. J. H. Howze.

Guests were greeted by Mrs. Stricklin and Mrs. Taylor. During the afternoon, Mr. Howze made a thirty minute talk on "How To Judge Art Work."

Punch and cookies were served from a table laid with a white linen cloth and centered with an arrangement of mixed spring flowers. Mrs. J. H. Howze and Miss Mable Mongole presided at the crystal service.

Approximately fifty attended the exhibit. —Rep.

PRESBYTERIAN WOMEN'S MEETING AT CHURCH

The Presbyterian Women's meeting was held at the church Wednesday afternoon. Meeting was opened by the president, Mrs. J. Gordon Stewart. The Bible lesson was taken from the book of Romans and was given by Mrs. J. H. Howze. She was assisted by the pastor, Rev. Baldwin Stribling.

Those present were Mable Mongole, Rev. Baldwin Stribling, and Mesdames J. Gordon Stewart, Edna Smith, J. H. Howze, Lee Bell, George Green, Homer Taylor, Bill Montgomery, and Heckle Stark.

BIRTHDAY PARTY HONORS TWO LADIES

Friends and neighbors met in the hospitable home of Mrs. R. S. Brumley with Mrs. W. E. Ray co-hostess the afternoon of April 30 honoring two lovely ladies, Mrs. H. C. Brumley and Mrs. A. T. Cole, whose birthdays were on the same day, with a surprise party.

Mrs. R. S. Brumley introduced her sister, Mrs. Ray, who read a charming poem which she had written congratulating the two friends and wishing them many more happy birthdays. Mrs. Cap Morris, in her pleasing manner, gave a delightful review of a story of reminiscence of a courtship to a twenty-fifth wedding anniversary, "Will The Romance Be The Same" by Bess Streeter Aldrich. The group, led by Mrs. R. S. Brumley, sang "Happy Birthday" to the honorees who opened their gifts for all to inspect and enjoy.

The hostesses invited guests to the dining room to a table laid with a beautiful white linen, cut-work cloth and centered with an arrangement of pink stock, blue Dutch iris, and pink carnations. Mrs. Ray served birthday cakes centered with tiny green candles, and Mrs. Ernest Kent dispensed coffee and salted nuts.

Those present included the honorees, Mrs. H. C. Brumley and Mrs. A. T. Cole, Miss Etta Harned, and Mesdames A. O. Hefner, Frank White, Sr., Ralph Keys, Joe Goldston, Cap Morris, Homer Mulkey, Crockett Taylor, W. G. Word, Myrtle Headrick, George Benson, Mae L. Prewitt, Cal Merchant, J. B. Masterson of Hedley, Ernest Kent, and the hostesses, Mrs. R. S. Brumley and Mrs. W. E. Ray. —Rep.

1926 BOOK CLUB PRESIDENT'S DINNER HELD TUESDAY EVENING

The annual President's Dinner, bringing to a close the current club year for members of the 1926 Book Club, was held at Patching Club House Tuesday evening, May 1. Dinner was served by Mrs. Ruby Bromley. The buffet table was laid with a white linen cloth and centered with an arrangement of iris in a variety of colors. Quartet tables were also centered with iris. Miniature umbrellas on pink bases served as place cards. The invocation was pronounced by Miss Inez Blankenship.

A delightful musical program was presented by Rev. and Mrs. Gene Moore of Amarillo. Rev. Moore is assistant pastor of Polk Street Methodist Church. Mrs. Moore is the daughter of Mrs. Nelson Seago, retiring president of Book Club. The program was made up of religious songs and negro spirituals. Accompanying the two was Mrs. Dee Williams. Mrs. Nelson Seago, retiring president, introduced Mrs. W. M. Crain, president for the coming club year. Other officers assisting her will be Mrs. A. J. Garland, vice-president; Mrs. W. C. Thornberry, recording secretary; Mrs. J. R. Brandon, corresponding secretary; Mrs. C. E. Bairfield, treasurer; Mrs. Loyd Johnson, parliamentarian; Mrs. Homer Bones, federation counselor.

Arrangements for the dinner were made by members of the social committee composed of Mesdames A. J. Garland, Frank White, Jr., Homer Bones, Fred Chamberlain, Jr., and Billie Christal.

Guests attending included Rev. and Mrs. Gene Moore of Amarillo, and Mesdames Frances Cottingham of Dallas, L. L. Wallace, H. M. Breedlove, C. A. Potts, and members Mesdames C. E. Bairfield, E. S. Ballew, Homer Bones, J. R. Brandon, Fred Chamberlain, Jr., L. N. Cox, W. M. Crain, A. J. Garland, Loyd Johnson, C. B. Morris, Otis Taylor, J. R. Porter, W. N. Poole, Nelson Seago, W. C. CLARENDON FHA CHAPTER MEETING

The Clarendon FHA Chapter met Monday night in the auditorium. The freshmen members presented a comedy, "Women Discover America," after which the business meeting was held.

Those attending the State FHA meeting in Dallas gave a report on their adventures. We discussed plans for the upcoming installation ceremony and the meeting was adjourned.

Pathfinder Club Holds Friday Meeting

The regular meeting of Pathfinder Club was held at Patching Club House Friday afternoon, April 27, with Mrs. H. T. Burton and Mrs. Geona Lowe, hostesses.

Mrs. Heckle Stark, president, called the house to order and led the group in the reading of Club Collect.

An interesting program was presented by Mrs. Wm. J. Lowe. She presented a review of the life of two playwrights, Tennessee Williams and Jean Kerr.

The usual order of business was taken care of with a treasurer's report, roll call, and reading of the minutes. Members voted to give a memorial in tribute to Mrs. J. L. McMurtry. The bill for the club year books was allowed, and Mrs. Karl H. Adams was elected to membership.

Mrs. T. M. Caldwell, Jr., chairman of the social committee, announced that each member would be entitled to two guests for the last meeting of the current club year to be held May 11 at the Club House. Mr. and Mrs. Don Hughes of Amarillo will be guests of the club at that time.

Reports of the district meeting of Federated Club Women held at Shamrock were given by Mrs. Heckle Stark, Mrs. C. G. Stricklin, and Miss Mable Mongole.

A special memorial program in tribute to Mrs. J. L. McMurtry was presented by Mrs. Heckle Stark, Mrs. C. E. Bairfield, and Mrs. Frank Phelan, Jr. Mrs. Stark made several fitting remarks and Mrs. Bairfield read a poem in conclusion Mrs. Phelan sang "The Lord's Prayer." Mrs. Stark declared the meeting adjourned.

FHA DELEGATES ATTEND STATE CONVENTION

"Values Point The Way In FHA" was the theme of the state FHA meeting held in Dallas April 26-27 and of the inspirational talk by Dr. James A. Jauncey, pastor of First Christian Church, El Paso, when he addressed some three thousand delegates and advisors. "Values are things that are important to you in Life," he declared. "We can't have all the valuable things we want without giving up something to find them. Religious faith affects our attitude on life, draws out our inner powers, and gives us a mission in life. Patriotism and Loyalty are important to any citizen. I would rather be dead than Red," he declared. "We must have faith in the future and freedom."

Special music was directed by Area VI-X song leaders. They were assisted by Dr. Walter Purdy, University of Houston.

The second general session was held Friday afternoon. "Like A Rose Our Values Grow" was the theme used for conferring degrees. Long stem red roses were presented each candidate in addition to the pen. "Salute to the Stars and Stripes" was a very impressive flag ceremony presented by Area I. Alaska and Hawaii were welcomed into the group. The background for this and all the programs was a giant U.S. Flag. Each stripe was one yard wide and the flag was 72 feet long. At times it was veiled and unveiled and rippled softly in the breeze. Patriotism was instilled as a value we can't take for granted.

In addition to skits by Areas I-V foreign exchange students from Australia, Scotland, New Zealand, Sweden, and Iceland spoke on teen-age customs and impressions of the U.S. The State chorus, made up of Areas VI-X, presented patriotic songs at the Friday night meeting.

The House of Delegates met Saturday morning and revised the constitution to correspond with Roberts Rules of Order. Committee reports were presented by skits. The new officers were installed by 1961 officers

assisted by Area presidents. Girls representing Clarendon Chapter were Jeanne Gray, Lynn Bourland, voting delegate, Freda Bourland, State Degree candidate, and Mrs. Velma Bourland. Advisor.

LES BEAUX ARTS CLUB ENTERTAINED AT AMARILLO LUNCHEON

ASHTOLA COMMUNITY CENTER NEWS

Wednesday, April 25, 1962. Miss Edith Lois Wilson and Mr. Noland Chandler, Judges for the Texas Community Improvement Program visited in Ashtola and had lunch with us at the Community Center.

The Texas Community Improvement contest is sponsored by the Electric Utility Companies of Texas and conducted by the Agricultural Extension Service of Texas A&M College. Its purpose is to revive, strengthen and educate rural neighborhoods. Progress is judged on Agriculture Soil Conservation practices, improvement of livestock breeding, beautifying and conveniences of home, landscaping, fences, shop and maintenance centers and family participation in all community activities.

Friday night, April 28, a film was shown by Mr. Bright Newhouse of the Donley County Soil Conservation Office. This was a 16 mm film with sound on WATER. We learned about water use and abuse in the United States.

States. History proves that civilization cannot exist with continual mismanagement of its water supply. Donley County, and especially Ashtola should feel very wealthy because of an adequate supply of underground water and should strive to make use of its watershed. You missed a thought worthy program if you did not attend the Friday night meeting.

There will be a meeting Tuesday evening of all officers and committees to work out programs and goals for the coming year.

CHAMBERLAIN CENTER NEWS

A good crowd came out to the Center Wednesday afternoon as it was Rural Community Judging time. Miss Edith Lois Wilson and Noland Chandler were our judges. Flip Breedlove, our County Agent, also accompanied them to our Community.

Visits were made to the homes of Hester Shields, J. D. Jones, Jr., Hawley Harrison, A. O. Hott and C. J. Bates. All these people had made improvements in their homes in the past year. It was also pointed out to the judges the new terraces and deep plowing the farmers had done.

Ice cream and cake were served.

Our next party night will be May 4. Mrs. A. O. Hott and Mrs. J. D. Jones, Jr., will be hostesses. Bring sandwiches and chips.

JR. H.D. CLUB PARTY HELD THURSDAY NIGHT

Members of the Junior Home Demonstration Club entertained their husbands with a buffet supper and 42 party at Patching Club House Thursday evening. The buffet table was laid with a white cloth and centered with an arrangement of snowballs and irises.

Following the meal games of 42 were played with Mr. and Mrs. Grady Henson winning low score prize and Mr. and Mrs. Clyde Wilson, the high score prize.

Attending were Mr. and Mrs. Roy Crutchfield, Mr. and Mrs. Bert DeBord, Mr. and Mrs. Fontayne Elmore, Mr. and Mrs. Grady Henson, Mr. and Mrs. G. A. Lamberth, Mr. and Mrs. Carol Lewis, Mr. and Mrs. Gordon Mann, Mr. and Mrs. C. C. Spivey, Mr. and Mrs. J. H. Spier, Jr., Mr. and Mrs. Bobby Trout, Mr. and Mrs. Bill Adams, Mr. and Mrs. Clyde Wilson, and Letha Smith.

CLARENDON MYF NEWS

The Clarendon MYF met Sunday afternoon at 5:30 p.m. Buster Branham was in charge of the program. It was announced that installation of officers will be some time in May.

The meeting was dismissed with the MYF benediction. Refreshments were served following the meeting.

GOOD NEIGHBORS CLUB MEETING

The Good Neighbors Club met April 27th in the home of Mrs. W. L. Jordan for an all day quilting. One quilt was finished. A delicious meal was served at the noon hour to Mr. W. L. Jordan and members Eula Butler, Bessie Helton, Florence Harp, Nova Barker, Maggie Easterling, Blanche Gray, Lida Warren, Carrah Mixon, and Ruby Jordan.

The next meeting will be with Alta Spradlin May the 11th.

BROWNIE TROOP 190 HOLDS MEETING

Brownie Troop 190 held its regular meeting Monday, April 30, 1962. We discussed things we should do at home. We went on a 15 minute leaf hike looking for different kinds of leaves.

Mrs. Pinkney Palmer was ill so Mrs. Emmett O. Simmons was leader. Those attending were: Anna Beth Simmons, Debra Hickman, Lee Ann Palmer, Paulette Pfeiffer, Vida Wallins, Candy Skelton, Cindy Lowe, Betty Blair, Rene Renner and Suzanne Moore. Anna Beth Simmons brought refreshments.

CARDS OF THANKS

In this way, I wish to thank my many friends who sent me cards, flowers and gifts during my long stay in the hospital. I wish to, to thank the grand staff at the hospital, the best doctors and nurses ever.

Mrs. W. M. Pickering

I wish to thank all my friends for the flowers, cards and many other kindnesses extended me during my recent illness. May God bless each of you.

Mrs. L. L. Taylor

We, the pastor and members, do thank our white friends for their contributions to our church. Will appreciate your coming to see what all we have done.

St. Mark Baptist Church, by Albert Boyd

Since it would be impossible for us to send cards of thanks to all the wonderful people who have done so much for us in our tragedy without missing some one, I want to take this means to try to express in a very small way our thanks and appreciation to each of you. It would also be impossible for me to tell you how much each gift, kind word, and prayer along with visits and other kindnesses shown us has meant to us.

There just are no words with enough meaning to express our feelings adequately but from the bottom of our hearts we say "Thank You," with special thanks to Mrs. Eda Wallin and Mr. and Mrs. Bill Sickle for opening their homes to us so we might have a place to live, the Clarendon School children of all grades, churches of all faiths, and the doctors and nurses of Adair Hospital who have worked so untiringly caring for our family.

May God's richest blessings be upon each of you. The Jim Barrett Family and Jerry Wright

Mr. and Mrs. Benny Darnell of Amarillo announce the arrival of a son April 29. The young man weighed 8 lbs., 9 1/2 oz. and has been named David Russ. He is the grandson of Mr. and Mrs. Pete Darnell of Clarendon and Mr. and Mrs. C. Christian of Farwell.

Mrs. Z. D. Davis has just returned from a month's visit with her son and wife, Mr. and Mrs. Jerry Davis, who live in Houston. She has been helping to care for their new daughter. The baby, named Tania Kim, weighed 6 lbs., 14 oz. and was born April 2nd.

Mr. and Mrs. Genoa Goad of Plainview, Mrs. Pete Goad and Christine, also Mr. and Mrs. Sid Blair and children, all of Liberal, Kansas, visited through the week end with Mrs. Veda Goad.

Miss Virginia Robey of Wellington and Mrs. James Ross of Quail were Clarendon visitors Sunday.

Mrs. Joe Naylor of Portales, N.M., and Lewis Fields of Amarillo visited Saturday with the Naylor sisters.

Mrs. Billie Wolford and her sister, Johnnie, of Claude visited Monday afternoon in the home of Mrs. A. O. Hefner.

DON'T FORGET ELECTRICAL SYSTEMS DURING CLEANUP WEEK

College Station - Spring Cleanup Week, April 29-May 5, offers an excellent opportunity to clear up potential hazards in your farm wiring and electrical equipment. This word comes from W. S. Allen, extension agricultural engineer. He says many hazards have never been corrected simply because time was not taken to clear them up.

Allen offers several suggestions for an electrical cleanup program. First, clean around all main electrical switches by removing any obstacles which might prevent your getting to them quickly. Plug holes in any main switch boxes, because small animals can get inside and possibly cause trouble. After this is done, clean the outsides of corroded or rusty switch boxes with a steel brush and mineral spirits, and then repaint them.

Cobwebs, dirt and trash should be removed from around lights or switches, especially in hay barns, cribs and feed rooms. Heat from bulbs can set off an explosion or cause fire where dust or cobwebs accumulate.

You should also replace faulty wall switches or convenience outlets that have bad contacts or do not work properly, continue Allen. Repair frayed or damaged cords on any portable equipment such as irons, heaters, lamps or small appliances, and replace outside wires that have lost their insulation.

Make sure that no clothes line poles, antennas or other such possible contacts can be made with your system of wires around the farmstead.

Allen points out that the appearance and safety of the farm is vastly improved by a neat outside electrical distribution system. Spring Cleanup Week is a good time to repair any flaws in yours.

CLASSING & MARKETING PART OF COTTON SCHOOL

College Station - Plans for the 53rd annual summer cotton school at Texas A&M College have been released.

The school will be held from June 4 to July 13. Attendance for the full period is advisable, points out Professor J. M. Ward, Department of Agricultural Economics and Sociology and in charge of the school, but persons in the cotton business who are unable to remain for six weeks may enroll for two or four weeks of study.

Ward said the purpose of the school is to provide training for persons who expect to enter the cotton trade; for producers who would like to learn more about cotton marketing and for buyers who wish to review grade and staple standards or become more familiar with the elements of quality in cotton.

Such important phases of the cotton industry as grading, stapling and the determination of cotton properties and trade procedures will receive major attention, Ward said. Much of the time will be spent doing actual practice work and in discussions, but visiting specialists will lecture on various phases of production, marketing and processing of cotton, Ward added.

Detailed plans for the school may be obtained by writing Ward in care of the sponsoring department, College Station, Texas.

ALTAMONT, N.Y., ENTERPRISE: "Campaign promises are the same everywhere - bigger benefits, more services, something for everyone - and all for nothing. Costs are ignored. The public rarely is reminded that if these promises are fulfilled there will be higher taxes. Those seeking public office should show the price tag that accompanies each of their promises. Governments are, in a sense, consumers' cooperatives - they act as the purchasing agent for the public. Many persons fail to realize that when they elect a candidate pledged to increase government spending, they are in effect voting for higher taxes."

If President Kennedy's entire legislative program - including aid to education, medical care for the aged, public welfare and the rest - were approved in toto by Congress, what would the costs be? U.S. News & World Report has totaled up the tab and finds that increases would come to \$2,538,000,000 in the fiscal year ending June 30, 1963 and \$9,076,000,000 for the fiscal year ending in 1965.

KEEP JUDGE ZOLLIE STEAKLEY On Your TEXAS SUPREME COURT Pd. Pol. Ad.

A Voting "RECORD" 6-Section 1 The Dallas Morning News Sunday, August 13, 1961 Illegal Voting on Pay Bill Admitted by 4 Legislators By JIMMY BAUKS Austin Bureau of The News /AUSTIN, Texas - Illegal voting on the teacher pay raise bill passed Friday was admitted Saturday by four state representatives. Additional irregularities were obvious Saturday during voting on the controversial, pressure-pushed bill to require runoffs in special congressional elections. The four House members frankly told The Dallas News they instructed their secretaries or deskmates to push their voting machine buttons for them while they were absent for short periods of time. House Rule 11, Section 3, states: "A member must be on the floor of the House to vote."

Worth was absent Saturday morning but cast five record votes. His secretary said she had instructions to do his voting while he was gone. Keys which lock the voting machines were taken up from the desks of some absentee members Saturday to prevent their votes from being cast on the election runoff bill. Speaker James A. Turman said he ordered the keys removed when the absence of members was called to his attention. But Kennard's key was returned to his desk on Turman's orders. Hughes said he "thought" he was in the House at the time of the Whitfield amendment vote but admitted he left several during consideration of the pay bill. Mrs. Billie Wolford and her sister, Johnnie, of Claude visited Monday afternoon in the home of Mrs. A. O. Hefner. A big vacuum is used regularly on the hard surfaced trails of the world's largest and most beautiful cavern - Carlsbad Caverns National Park in New Mexico. Seven wheelbarrows of lint and shoe leather are picked up each vacuuming.

SPRING HERE: FISH BITING, BIRDS NESTING

AUSTIN — Doves are beginning to nest, and the bobwhite quail are calling. H. D. Dodgen, executive secretary of the Game and Fish Commission, says game wardens and biologists throughout the state are now reporting nesting activity of game birds. Dove nests have been reported throughout the state, and quail are pairing off for the season. Most of the Texas lakes also are reporting heavy runs of white bass and crappie. Although the March winds continue into April, fishing on inland waters has been very successful, with some unusually large bass reported this spring. On the coast there was a slight

"Customers, Please Note - -"

By JERRY COLLINS Southwestern Retailer

An indignant eastern retailer, who felt that his customers should give him and his store a little more consideration, posted the following large sign on one of his walls. It read as follows:

CUSTOMERS - PLEASE NOTE Paul W. Thomas Owner

We have heard on many occasions of the indignant wails of customers who have complained of the treatment received in many stores. Some of these complaints are undoubtedly justified but, perhaps, some of these customers should use a looking glass and see what the long suffering storekeeper has to contend with.

We operate a store and, while we have many wonderful customers, we also have a personal classification for types of customers who range from harmless to those who are a downright nuisance. It's said "the customer is always right" so that this we are going to express our pent-up invigoration on the "man bites dog" idea, but dignity and give you our view of some of the species of customers that give us quite

a time.

1. Children Parkers - those mothers who drive up to our store, dump out three or four children and go shopping and calling elsewhere for an hour or so. Meanwhile, we become glorified baby sitters as the kids have to be watched while they are killing time in our store. This is a particularly interesting sport if the "little darlings" have bare, dirty feet or wet clothes. When mother returns, she merely blows the horn and the children rush out. No sale - no charge for baby sitting.

2. Doting Mothers - those who come in with children who can do no wrong. These lovely family groups are especially intriguing when the children are equipped with dripping ice cream cones or sticky lollipops and when they play hide-and-seek under the counters and tables. One mother sat her two year old girl at a main counter equipped with crayon, paper and a large, soft chocolate bar to keep her happy. There were expensive leather goods within the reach of the child, but the mother blithely left her alone - she was so self-reliant! Another young pride and joy gleefully ran all over the place, opening every door and cupboard and, when quietly told to restrain himself, the mother walked out in a huff.

3. "Don't Tuck Dear" - this is a closely related species of customer. Children from two to ten are brought in by fond parents or parent, told "don't touch anything, dear" - and then promptly forgotten by the parents. The children usually take this admonition to disperse in all directions, and they keep the sales force real busy attempting to prevent soilage and breakage (you would be surprised to know how much is broken in a store by careless handling). Our prize example is a woman who came in with four walking children and one in a coach and pushed that coach all over our store. Total sale, 50 cents - wear and tear on the sales force ???

4. Browsers - May I browse? The famous and most often heard statement in many stores. These people are often killing time before a movie or bridge and have little or no intention of buying. Meanwhile, the staff must stand by when they might be doing needed work in the stock room.

5. Oh! Mammies - This is a very interesting but harmless breed of customer. Generally found in groups of four or five (all female) they shriek at each other all over the store, "Oh, Mamie, look at this adorable..." or "Oh, Mamie, look at this darling..." and so on. These voluble people are usually good for about a \$1.00 token purchase each.

6. The Unique-ers! A strange breed usually characterized by a strained expression. They can spend thirty minutes of a clerk's time without any trouble looking for something "unique, different and unusual for about 50 cents." Amusing, tiring and harmless.

7. Gushers - An exasperating type. "I've driven by every day for months and have never been

in before. Everything you have is so wonderful. I'll be back at Christmas and do all my shopping!" Lots of hot air, meaningless praise and wasted time for our clerks. We write them off.

8. Handlers - Probably the most dangerous of all customers. They pick up everything. Open every closed article - they cannot seem to look at anything without touching it (even when not remotely interested in buying the article examined). They often have a sly technique - we have missed articles and weeks later found the broken pieces hidden in an odd spot. They think nothing of forcing or prying something open with a pen knife. Also, some of this type are not above appropriating a "souvenir." Yes, my friends - even on the Main Line!

9. Boxers - This is a species usually found at the holidays. When the store is packed and everyone busy, they will buy eight or ten inexpensive gifts (ranging in price from 25 cents to \$1.00) and then want each one boxed separately and beautifully gift wrapped. "I'll wait," they say, "but do hurry as I'm catching the next train." Our box and wrapping is, of course, designed to make a cheap gift look expensive - at our cost. This type of customer usually doesn't know we exist except at Christmas.

10. Busy Bodies - This is an amazing, presumptuous species of customer encountered all year round. "How long have you been here? What was your previous business? How old are you? Are you making money? Do you live here?" And so on with all sorts of personal questions from complete strangers. The \$64 question is, "I've always wanted to have a business just like this - it must be so much fun!"

Well, it is fun - but not due to the kind of customers listed above. The hard work is justified and the fun of business comes from customers who expect courtesy and consideration from the storekeeper, but in return, show their own good breeding through extending equal courtesy to those who serve them and consideration for merchandise on display equal to that given their own possessions.

FARM NEWS

from County ASCS Committee

Anyone doing aerial spraying of mesquite, sage, shinnery, etc., should by all means keep in mind that in Donley County the Texas Herbicide Law and Regulations apply. Producers and vendors should be familiar with this legislation so that complete understanding of the law and regulations will enable all concerned to be protected. Please contact and consult your County Agent on this law.

Practice B-3 has been revised to add the control of blueberry cedar by bulldozing, treedoing, chaining, cabling, cutting or slashing. Federal cost-share assistance will be 50% of the cost, not to exceed either 20c for each 1% of infestation or \$5.00 per acre. Acceptable cost statements will be required by the County Committee.

The County Committee has added sprigging of Midland Bermudagrass to the 1962 ACP County Handbook. This practice is applicable to cropland as a needed land use adjustment.

There have been several producers who have been taking advantage of the cost-share assistance offered to have dams, tanks, and terraces constructed or restored. Some of these are J. T. Trew, and Thomas D'Spain

TO THE VOTERS OF DONLEY COUNTY

I have made an extended effort to see and visit with every voter in our county. I know I have missed seeing some of you but want you to know I will certainly appreciate your support and vote in the first primary election Saturday, and I earnestly solicit the vote of everyone with whom I have visited during the campaign.

Sincerely yours,
Mrs. Ruby Hutton

AN OPEN LETTER TO THE PEOPLE OF DONLEY CO.

Please accept this as a personal visit with you; for because of my work I'm away from home except for week ends, which makes it impossible for me to contact all of you, as I wish I could.

I take this means to sincerely solicit your vote as a candidate for Justice of Peace in the upcoming election.

I came to this county as a little boy 51 years ago in a covered wagon. This is home to me and I would like very much to stay at home. I have been following road construction work for the past four years.

Sincerely yours,
Ed Mahaffey
Candidate for Justice of Peace
(Pol. Adv.)

MIDLAND BERMUDAGRASS

If you intend to sprig Midland Bermudagrass, the County Committee would appreciate if you would come to the office and make application for assistance as soon as possible.

REMEMBER, there are two ways to slide easily through life; to believe everything or to doubt everything. Both ways save us from thinking.

Mrs. Edwina Thro of Wichita Falls visited Mrs. A. O. Hefner Saturday.

Little League News

For the benefit of the public as a whole, the following Little League By-Laws are being published so everyone may know the policy followed in promoting this project in Clarendon:

BY-LAWS
1. Any manager or coach under the influence of alcohol in any form will be relieved of his duties immediately.
2. Any umpire under the influence of alcohol of any form will be relieved of his duties immediately.
3. Any fan under the influence of alcohol and/or creators of any disturbance or using profane language, where it can be heard by Little League Players will be forced to leave the premises.

4. Any manager who uses profane language on the playing field will be terminated.
5. Any umpire who uses profane language on the playing field will be terminated.
6. Any Little League player who uses profane language on the playing field will be suspended for two games.

7. Any Little League player who criticizes, to extremes, the umpires' call shall be suspended from the game.
8. The Clarendon Little League Organization will agree to comply with all rules as listed in the "Little League Baseball" Rule Book.

9. At any time during a ball game, no one is permitted inside the fence other than ball players, coaches, and officials.
10. No one shall be permitted inside playing area 30 minutes prior to ball game except those mentioned in No. 9.

11. Anyone throwing debris or destroying Little League property will be asked to leave the premises.

Cooperation Asked In Screwworm Control

County Agricultural Agent Flip Breedlove reports that because of exceedingly favorable weather conditions for screwworm activity, screwworms have spread into Central and West Texas, most of the counties in the Edwards Plateau and about half of the counties in the Trans-Pecos area.

Breedlove says that plans are being made to expand the sterile screwworms fly release area to include most of the infested area. The majority of the sterile flies being produced will be released in a barrier zone which will encompass the northern edge of the screwworm infested area.

Breedlove encourages all livestock producers to inspect all livestock regularly, to treat all wounds promptly, and to collect ten or more worms from deep in the wound and bring them to his office. He points out that the more screwworms that are killed by chemical treatment, the fewer sterile flies will be required to overwhelm the native flies.

Any rancher or livestock owner can call by the Agent's office and he will give them a container with the address on the can to mail any worms that are found. Many livestock owners already have these on hand just in case they find evidence of worms.

Mr. and Mrs. Van Knox visited with the Carl Woods (Uncle Zeb) and the Sam Stewarts, all of Claude, Sunday.

Mr. and Mrs. C. C. Jones of Wheeler visited Saturday in the home of Mrs. A. O. Hefner.

Mr. and Mrs. W. M. Crain of Goodnight visited Mr. and Mrs. Van Knox Wednesday.

TO THE VOTERS OF PRECINCT 2

I would like to apologize for not making a house to house canvass. Due to a physical handicap and an injured back due to a car wreck it was impossible. I earnestly solicit your vote and influence May 5. Thank you. Paul H. Duncan, for Justice of Peace, Precinct 2. (pol. adv.)

Mr. and Mrs. Bill Beedy of Claude and Mr. and Mrs. B. L. Jenkins of Amarillo were guests Sunday in the home of Misses Edgar Mae and Mable Mongole.

MAY PLENTIFUL FOODS IN TUNE WITH SPRING
College Station — May plentiful foods — on the official list — can make your menus sing a merry air, right in key with perked-up spring appetites, suggests the Texas Agricultural Extension Service.

Milk and the whole family of dairy foods are the feature. Production in early 1962 was averaging more than 2 percent above that of a year earlier. It's at its peak in May and June. Further, lower milk support prices, effective April 1, are being reflected in lower consumer prices on

some dairy foods. Other items on the May plentiful foods list, as determined by the Agricultural Marketing Service, include tender broiler-fryers, canned freestone peaches, eggs and vegetable fats and oils. The supply of each is expected to exceed normal trade needs.

NEW HIGHWAY MARKERS
—The 57th Legislature failed to appropriate funds for advertising Texas' tourist attractions out of the state. But the Texas Highway Commission has come up with a dazzling device for pointing out places of interest to travelers once they get in the State.

Historic sites and other spots of unusual interest will be pointed out by big, cast-aluminum markers, such as those used in Virginia. These markers will be erected at roadside parks and

turnoffs, so drivers can pull over and read the legends at leisure. Markers are three feet wide and four feet, 10 inches, high and look like they're made of Swedish steel. They'll be mounted on six-foot aluminum poles.

Two already have been erected at a cost of \$1,000 each. One, placed two miles northeast of Tyler, marks the site of the largest Confederate Army prisoner of war camp west of the Mississippi. It was paid for by the grandson of a Union soldier who spent some time there.

The other was purchased by the Odessa Chamber of Commerce to point to the famous Meteor Crater near Odessa. On May 4, a third plaque will be set up at McCamey. It will mark Castle Gap — the old Butterfield State pass.

Attorney general ruled that such markers are necessary for maximum use of modern highways, and thus okayed the expenditure of state funds for future plaques. Cost of plaques can be reduced to \$700 each in mass lots.

A committee headed by George W. Hill of the State Historical Survey Committee and composed of representatives from the Highway Department, the Parks Board and the Game and Fish Commission screens all recommended sites. About 100 spots are being considered right now.

SHORT SNORTS
Governor Daniel picked Lewis Spears of the Texas Education Agency to represent him at the White House Conference on the Youth Fitness Program.

A Dallas law graduate, Robert E. Wade, scored an average of 87 1/4 to make the highest grade of the 145 applicants who recently passed the 1962 Texas Bar examinations.

Odessa won second place in the National Cleanest-Town contest. Honored also were six other Texas cities — Devine, Brazoria, Pleasanton, El Paso, Fort Worth and San Antonio.

The Texas Animal Health Commission finished the fiscal year with a \$38,388 balance from its \$654,880 appropriation. Although the commission can accept private donations for its brucellosis eradication program, no contributions came through in the year ending in August, 1961.

Twenty-two U. S. congressmen have been invited to take part in a panel discussion at the May 17 convention of Texas Independent Producers and Royalty Owners Association in Houston.

WHERE TO FISH
A good answer to the age-old question of "where to fish?" can be given in a few words: "Fish where the fish are."

Wherever there is cover, such as pilings, rocks, logs, weeds, feeder streams, creek mouths, lily pads, or gravel and sand bars, fish are to be found.

The federal government's deficit for the fiscal year ending last June was \$3,900,000,000. The Administration estimates the deficit for the fiscal year ending next June at \$7,000,000,000. Others, Senator Byrd among them, think it will be higher — as much as \$9,000,000,000. What next?

LET'S RE-ELECT BILL HEATLY

DEMOCRAT FOR STATE REPRESENTATIVE

82nd District

As a senior member of the Legislature Heatly has served as chairman of the State Affairs Committee and the Appropriations Committee, probably the two most important committees in the Legislature. He has also represented Texas many times at the meetings of the Southern Regional Education Board. Bill Heatly's experience and effective service will stand him in good stead in representing the people of the 82nd district.

★
Bill Heatly is the recognized ardent foe of Legalized Gambling. He succeeded in his fight to curb this unwholesome growth during the last Legislature.

★
Bill Heatly is the leader in the struggle to equalize the tax on beer with cigarettes and gasoline.

Cigarettes pay 27 1/2% sales tax
Gasoline pays 18% sales tax
BEER PAYS ONLY 3% sales tax

Bill Heatly's untiring efforts in this matter is gaining the support and recognition of Texans from all walks of life.

★
Bill Heatly is one of the authors of the Farm to Market road bill that was passed during the last Special Session, and has maintained an outspoken record of voting for ALL constructive legislation affecting the farmer, cattlemen and merchant.

Bill Heatly has at all times voted to maintain the operation of Rural Electrification.

★
Because it would have been less expensive to administer, fewer loopholes and more convenient for the merchant to collect, Bill Heatly supported a 1% across-the-board sales tax.

★
Bill Heatly states that there are inequities in the insurance rating system and after a report from the study committee corrective legislation should be introduced.

★
Bill Heatly states that 85% of every tax dollar spent by the Legislature goes to EDUCATION (both public and higher levels), HIGHWAYS, MENTAL INSTITUTIONS, WELFARE, PENAL AND REFORM SCHOOLS. Bill Heatly has supported all constructive measures which have aided in elevating the standards of both the Public Schools and colleges and will continue to support such measures.

★
Bill Heatly points with pride to his work on our hospitals and special schools in elevating them, thereby helping many of our unfortunate citizens who have become afflicted. He is particularly proud of his support of the M. D. Anderson Hospital in Houston which is responsible for the care, treatment and research of cancer.

IT PAYS TOO! Do you like to hunt and fish? Most of us do and it is always more enjoyable when fish are big ones and the game plentiful. We can improve our fishing and hunting by following a few suggestions. These suggestions are designed to help farmers and ranchers realize the importance of our wildlife.

Most all of our farms and ranches here in Donley County have natural areas for wildlife. These areas can range from less than one acre to a complete farm or ranch. Such places on the farm or ranch may include odd areas, marshes, field borders and strips, fencerows, gullies, and stream borders.

Wildlife production is part of our total farm and ranch production although many of us fail to recognize this important point. The pounds or numbers will depend on our management just as other farm and ranch products.

Food is essential for all living things. To insure an adequate food supply, a fish pond should be fertilized regularly. This not only increases available food but it decreases weed growth. By decreasing weed growth a better oxygen balance in the water is maintained. With more food and

WHY MR NORMAN?

"Mr. Norman" is Mr. James M. Norman, who resides in Memphis, Texas. He was wronged by the government — his own Federal government; not deliberately wronged, perhaps, but nevertheless a victim of too much red tape or inefficiency or, perhaps a reasonable mistake. In any event, Mr. Norman has been out \$2,001.48 which, in the opinion of the House of Representatives (which passed a bill for his re-

lief), he is entitled to recover. He would have been well on his way to recovering it, had the other body of the Congress (sometimes referred to as the Senate) proceeded to discuss his bill for relief on its merits. However, when the bill for the relief of James M. Norman came up on the calendar of the Senate, an amendment known as the Mansfield - Dirksen Amendment was offered, to substitute the provisions of S. 2750, a bill to bar arbitrary literacy tests in Federal elections, for the contents of the Norman bill. Mr. Mansfield is the Majority Leader of the Senate, and a Democrat. Mr. Dirksen is the Minority Leader of the Senate, and a Republican. So, it would seem

that Mr. Norman involuntarily became a bipartisan victim. If the amendment is adopted, it will mean that Mr. James M. Norman, individual citizen of the United States, will be denied the relief to which he is entitled and be forced to begin anew the mechanics of obtaining a recovery of his money. The irony of the situation lies in the fact that the debate on S. 2750 will no doubt produce much weeping and wailing about the violation of the rights of individual citizens of the United States of America. Yet here is Mr. Norman, an innocent victim of the fault of the Federal government, whose rights as an individual citizen are being ignored and encroached upon. And, this encroachment of individual rights in this particular situation is being used as a platform or a vehicle from which to argue against the encroachment upon individual rights. One wonders, how inconsistent is inconsistency?

are simply this: in 1952 he was approached by representatives of the Federal government to purchase crop insurance on property owned by him in Foard County, Texas. He yielded to the entreaties and agreed to purchase the crop insurance. Under the rules then applicable, such crop insurance, once purchased remained in force and was reinstated each year unless affirmatively cancelled by the landowner. And, in the event a landowner did not cancel the insurance, he was charged the premium for the full year and it could be collected from him by law and, in fact, was in many cases. Hence, Mr. Norman was insured beginning with the 1952 crop year, and from year to year afterward, through 1958. For some unexplained reason, the description records reflected section 26 rather than section 16. This was unknown to Mr. Norman, as he had not made out the applications but had only signed them in the first instance at the request of representatives of the Federal government. In 1952, 1953, 1955, and 1957, indemnities were claimed in accordance with the contract and were paid by the proper agency in the Department of Agriculture. It will be remembered that this was the period of the long drought in Texas. In 1958 there was another crop failure and Mr. Norman again claimed the indemnity to which he was entitled. It was then that the Department of Agriculture discovered that his land was actually section 16 and not section 26. They also discovered that section 16 was not in an insurable area, al-

though this fact had never been made known to Mr. Norman. Consequently, the 1958 claim was rejected and a demand was made upon Mr. Norman to pay to the Federal government the sum of \$2,001.48. When Mr. Norman made these facts known to me, I immediately instituted an investigation of the matter and concluded that Mr. Norman was not at fault, but that the fault lay with the Federal government. In fact, had the insurer been a private corporation instead of the Federal government and had made the same mistake, any claim against Mr. Norman would have been barred by the statute of limitations, or Mr. Norman could have successfully defended a law suit from an equitable standpoint. However, not so with the Federal government. Under the circumstances, I introduced a bill for the relief of Mr. James M. Norman in the summer of 1960. Due to the lateness of the time, the bill was not reached during that session of the Congress. Hence, on January 3, 1961, I reintroduced the bill and proper hearings were had before the Judiciary Committee of the House of Representatives. The bill, H.R. 1361, was favorably reported from the Committee and was subsequently passed by the House of Representatives and sent to the Senate. It passed through the Judiciary Committee of that body and was placed on the calendar

for consideration by the Senate. Mr. Norman was kept fully advised of the progress of the measure, as he was entitled. He no doubt subscribed to the policy that in this country justice is slow, but sure. There is no doubt in his mind about it being slow, but when his bill became the vehicle for a civil rights dispute with the bipartisan support of both the Republican and the Democratic Parties, I wonder if Mr. Norman is not somewhat skeptical about justice being sure. In any event, let it be known here and now that we shall continue the fight for justice, whether it be Mr. Norman or any other individual citizen of this nation who is entitled to redress.
