Mrs. Olace Hicks visited Mr. and Mrs. H. A. Harrison Saturday afternoon.

day afternoon.

Mr. and Mrs. Garth Carter and boys of Dumas spent Saturday night with his parents, Mr. and Mrs. A. C. Carter and Neal.

Mrs. Billy Waddell and baby visited Mr. and Mrs. W. H. Gray Thursday afternoon.

Soil Testing Is Practical Guide for Fertilizer Use

It's good business to anticipate the fertilizer needs of your crops before deficiency symptoms can actually be seen, according to County Agent H. M. Breedlove. By the time the deficiency is noticeable by observation it is generally too late to correct the condition for the particular crop and poor yields will be the unavoidable result.

The soil test is the best known guide for planning a sound program of fertilizer use and now is a good time to collect samples to be sent in for a chemical analysis. Breedlove states that information on how to collect and mail samples is available through

his office. The new laboratory operated by the Extension Service at the Agricultural Experiment Station in Lubbock has excellent facilities for soil testing and is now entering its second year of operation.

Following the analysis a report is returned to the farmer giving fertilizer recommendations de-

signed to properly balance the plant food elements for the particular crop being planned.

The \$2.00 fee for a soil analysis might well be the best investment you could make in the beginning of a crop year. Breedlove concluded.

One big dazzler... one little gem...

now join the world's greatest V-8 collection

405-HP THUNDERBIRD V-8—Thirty years of Ford experience culminate in this startling V-8. Available in every Galaxie, it puts 405 horses under the throttle, a dazzling level of acceleration that cannot be imagined but must be felt. A super-performance option, it comes only with the four-speed gear box. But, unlike some "special" engines that require delicate tuning and modification, it puts out its potential right off the showroom floor. Even more impressive, Ford skill has made it a docile tiger; it idles smoothly, it is durable, its super capacity does not come at the expense of harshness and noise. Among expert drivers, it is praised as a true high-performance V-8 in America... the pace-setter for 9 other V-8's tailored to every driving need.

NEW FAIRLANE CHALLENGER "260" V-8—When the 221-cubic-inch Fairlane V-8 appeared last fall, automotive writers hailed it as a great basic advance, a compact jewel of design. Now, the "260" V-8 proves their prediction. With 164 hp, 19 more than the standard version, Fairlane gains a new brilliance of performance—but it still runs on "regular," still outsaves any standard-size Six. It has the durability of time-tested cast iron, slimmed and lightened by Ford's precision-casting technique. Created by the one maker who has built 30,000,000 V-8's since 1932, it brings the sparkle and smoothness of V-8 power well within the thrifty budget's reach, puts truly sophisticated engineering at the service of truly economical motoring.

Ford WORLD'S FOREMOST BUILDER OF HIGH PERFORMANCE V-8 ENGINES

Whatever you're looking for in a V-8, look to the long Ford line

there in his honor. The last one was at Brown's Book Store in Amarillo . . . Mr. Brown was so wonderful to us. He even ruined his weekly ad in The Citizen by using an over-sized picture of us.
Always we can find nice things to be thankful for when we look behind the scenes. For instance, at the party mentioned above, Mrs. Verlon Stevens of Sunray, Texas left a sizeable order to be autographed. She has been one of our faithful readers through the years in Southwestern Crop & Stock. Another pleasant surprise was to know that Mr. and Mrs. Ethean Stevens of Clayton came down to see us. Mrs. Stevens was threatening to come just for our party and he studied up another good reason just to be on the safe side. Funny thing about this family. Not long ago we were walking down the hall in Northwest Texas Hospital when we saw someone smiling at us from a room. We stopped and out of the blue sky became

friends. He is City Attorney in Clayton.
Another reader and I know a dear lady, ordered five books, and asked that the bill be sent to a banker in Canyon for payment. She was his wife, and I think we have met someplace out of the past. It was all such a grand experience, and Thank you David Brown . . .
Thinking of parking meters, sales tax and income tax, someone remarked, "Nickels to the mayor, pennies to the governor, and at this time of year, dollars to Uncle Sam. What is left for the poor taxpayer? . . ."
If we tell everyone everything we know, then everybody will be as smart as we are . . .
There is a quotation which is often used that goes something like this, "The Lord works in mysterious ways His wonders to perform. . ." Someone please give us the exact source of this quote. Send the information to Uncle Zeb c/o this paper and we will pass it along to a reader who is anxious to know . . .

be intent on it.
About the time we catch up with our neighbors these days, they have refinanced.
The louder we blow our own horn the more people will look around to see what's wrong . . .
We can't imagine why so much publicity was given to the pleading words of Mrs. Khrushchey that we lay down our arms. Even, if she does not know the intent of the Communist Party, which we doubt, it could serve no good purpose. In fact, it is almost certain that some will be deceived by the sweet talk . . . We need to remember that we can depend on a Communist — WE CAN depend on them to be a Communist.

WORK, is the best known cure for boredom.
It is a fact that if we have plenty of work to do, and this work is something that we enjoy doing we will never be bored with life.

We noticed the following on a blackboard at the Amarillo Livestock Auction Co. Instructions on how to grow.
G—Go
R—Right
O—On
W—Working
Work is play, when love finds the way.
Idleness is the devil's workshop.
Hard work is often robbed of its reward because of poor planning.

Ben Franklin is credited with saying, "Work as if you were to live a hundred years; pray as if you were to die tomorrow."
Sittin' and a-wishin'
Won't improve our fate
The Lord provides the fishes, But we gotta dig the bate.
It doesn't do any good to hurry when we are going down the wrong road.
If we are unhappy at our work, we either have the wrong job, or our employer has the wrong man.

After roll call and a short business meeting a general song practice was held in preparation for Girl Scout Week. Rep.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Curtis A. "Penny" Johnson of Clarendon announce the engagement and approaching marriage of their daughter, Annie Beth to Ernest Neal Johnston, son of Mr. and Mrs. Walter Johnston of the Naylor Community.

Beth is a graduate of Clarendon High School and is a freshman in Clarendon Junior College. Ernest is a graduate of the Lelia Lake High School and at the present time is in the National Guard.

The couple plans to be married in the home of Beth's parents, Mr. and Mrs. Curtis Johnson. Rep.

MU GAMMA CHAPTER OF BETA SIGMA PHI MET IN LEATHERS HOME

Mu Gamma Chapter of Beta Sigma Phi met in the home of Betty Leathers in a regular meeting February 22. Lea Tyler called the meeting to order and the Opening Ritual was given in unison.

The program "Nature's Landscapes" was presented preceding the business meeting. Mrs. C. B. Morris was program chairman and introduced Mrs. Forrest Sawyer and Mrs. Frank White, Jr., who showed several paintings of nature and natural landscapes. One of these was a painting done by Mrs. Eloise Bugbee.

In the regular order of business Mary Neal Risley reported that the College Scholarship had been paid. The Closing Ritual was given.

Those present were Mrs. C. B. Morris, Ginny Garland, Frankie Henson, Ann Hommel, Dee Williams, Mary Neal Risley, Hazel Guy, Lea Tyler, Glynn Bromley, and Betty Leathers. Rep.

HEDLEY NEWS

Mabel Bridges

Mr. and Mrs. Charley Johnson are building a home south of the Johnson Brothers Conoco Station.

Mr. and Mrs. Hobart Moffitt and Sandra Moffitt visited in Clovis Sunday with Hobart's sister, Mrs. Maggie Rozzell, who has been quite ill. We are glad to report her showing some improvement.

Mrs. Herlie Moreman was called to Mineral Wells Tuesday due to illness of her aunt, Mrs. Biffie Browder who suffered a heart attack. Last report was that she was improving.

Mr. and Mrs. Chas. Rains of

Amarillo visited his mother, Mrs. W. I. Rain and Ike Sunday. Pete Newman returned home Friday from an Amarillo Hospital where he received treatment for his eye.

We extend sympathy to the W. F. Brown family. Mr. Brown passed away Wednesday morning in a Memphis Hospital. Funeral service and burial were in Lakeview Friday.

Mr. and Mrs. Jerry Weatherley and children spent Friday in Shamrock visiting the lady's parents.

Sorry to report Loyd Bailey was rushed back to Amarillo Saturday morning at 3 a.m. Monday's report was he was better.

Clifford Johnson returned home Sunday from Corpus Christi after spending two weeks with his son Billie and family.

Mr. and Mrs. Jap Shaw spent last week end in Ropesville with their daughter, the Pat Patterson family.

Mr. and Mrs. Doug Lowe and children of Muleshoe are visiting the lady's parents, Mr. and Mrs. Alfred Spaulding. Doug is being transferred to Jayton, Tex in Soil Conservation work. We understand he will be head of the office there.

Mrs. Frank Kendall of Silverton spent a few days here last week visiting friends. Her many friends are always happy to see her.

Mr. and Mrs. C. R. Hunsucker and Mrs. Al Manny and daughter of Lubbock visited their daughter and sister, the Neal Tibbetts family in Gainsville last week.

Mr. and Mrs. McMann of Abernathy visited the lady's parents, Mr. and Mrs. Roy Darnell over the week end.

Johnny Myers was called to Wichita Falls Sunday due to serious illness of his mother, Mrs. Chas. Myers. She will undergo surgery the first of the week.

Mr. and Mrs. Jack Donald Doherty are the proud parents of a fine little daughter born Feb. 23 in Groom Hospital. She weighed 4 lbs., 2 ozs. and has been named Milinda Beth. Hedley grandparents are Mr. and Mrs.

Winifred Doherty and Mr. and Mrs. Vern Patton. Congratulations. The little lady's mother was a Cotton Festival queen, the former Miss Patty Patton.

Mesdames Jap Shaw and Connie Taylor shopped in Childress Wednesday.

Mr. and Mrs. Henry Moore spent Sunday in Aspermont visiting Rev. Mathews and family, a former Methodist pastor here.

Mrs. Grace of Lubbock visited her son Rev. Gene Grace and family last week.

Mrs. Ruth Turner of Lubbock visited over the week end with her brother, the Roy Darnells.

Glad to see Harve Wilson able to be back in the store after several days' illness.

Mrs. Henry Nivens underwent major surgery in Northwest Hospital in Amarillo last Tuesday. Glad to learn she is doing well.

Andy Anderson received word Sunday night his father was killed in a car wreck between Duncan and Ryan, Okla. Mr. and Mrs. Anderson left for Ryan Monday. Will give a more detailed report next week.

There's a line on the ocean which, when crossed loses you a day. There's one on the highway where you can do better.

GOLDSTON NEWS

Mrs. Roy Roberson

Mr. and Mrs. Bill Porter and son took dinner Sunday with Mr. and Mrs. Bill Bradshaw and boys of Clarendon.

Mr. and Mrs. John Stewart of Pampa visited a while Saturday evening with Mrs. Walter Goldston.

Mr. and Mrs. Cleve Ingram and Terry of Amarillo spent Sunday with Mr. and Mrs. C. W. Tolleson and children.

Mr. and Mrs. Jim Littlefield and grandchildren of Groom took supper Sunday with Mrs. V. Littlefield and Bill.

Mrs. Crum who is staying with Mrs. W. E. Bray spent the week end with her daughter in Amarillo.

Mr. and Mrs. R. D. Finley visited Sunday evening with Mr. and Mrs. Lois Putman.

Mr. and Mrs. James Shults and baby of Panhandle spent Saturday night with Mr. and Mrs. Lois Putman.

Mr. and Mrs. Everett Johnson and twin babies of Claude spent Sunday with Mr. and Mrs. Rich Johnson.

Mrs. Nancy Farr and babies of Groom spent the week end with

Mr. and Mrs. Raymond Farr and Wesley.

Mr. K. W. Bunch of Pampa visited Friday evening with Mr. and Mrs. Raymond Farr.

Mr. and Mrs. Jack Pritchard spent Sunday in Wellington to be with Mr. Pritchard's mother on her birthday.

Everyone enjoyed the 42 party Saturday night at the Center. We had a nice crowd and several visitors and we invite you all back any time.

Mrs. Roy Roberson and Minnie, Mrs. Jack Pritchard and Mrs. Crum visited Friday evening with Mrs. V. Littlefield and her son. Jim Littlefield of Groom visited with her Friday morning.

Mr. and Mrs. A. O. Hott visited Sunday evening with Mr. and Mrs. Roy Roberson, Pat and Minnie.

Mr. and Mrs. J. J. Helm of Groom visited Saturday evening with Mr. and Mrs. Roy Roberson and Minnie.

Mr. and Mrs. Leonard Putman spent Sunday in Amarillo with Mrs. Donnie Jacobs and Mrs. O. L. Jacobs to help them celebrate their birthdays. Mrs. O. L. Jacobs was 85 years old.

Bobby and Douglas Kidd spent Monday night with their grandparents, Mr. and Mrs. Leonard Putman.

Mr. and Mrs. Pete Darnell of Clarendon visited Saturday night with Mr. and Mrs. R. D. Finley. Mrs. Brame was buried at Clarendon Saturday evening. She had lived in our community several years ago. At the time of her death she was living with a daughter, Mrs. Thomas Clayton of Memphis. She was the mother of Mrs. Nina Dale and Mrs. Roy Morgan. Both girls have lived in the community for a number of years. May God bless each and everyone is our prayer.

Mr. and Mrs. Charlie Sullivan and babies of Channing spent Saturday night with Mr. and Mrs. Roy Roberson, Pat and Minnie and helped Mr. Roberson celebrate his birthday.

Mrs. Roy Roberson and Minnie, Mrs. Jack Pritchard visited Wednesday evening with Mrs. V. Littlefield.

Mr. and Mrs. Goodwin Bray and family of Dallas spent the week end with his mother, Mrs. W. E. Bray.

Smith

(Continued from Page One)
red to Shamrock where he served as an operator in the Shamrock Plant until his transfer to Quitaque as chief engineer of the diesel plant in that town.

In August, 1935, Smith moved to Clarendon to serve as chief engineer of the plant and as a serviceman in the Clarendon office.

Born in Eastland County, Texas in 1897, he began working on his father's farm at an early age. When he was 12 years old, the Smith family loaded their belongings in a covered wagon and started for Collingsworth County where Mr. Smith had purchased a farm. A few months after their arrival Mr. Smith died and

Vic and his family continued to farm until the following year. They sold the farm and moved to Wellington.

During the next few years young Smith did odd jobs in Wellington, worked in the harvest fields, and spent one year in Pueblo, Colo. working in a steel mill. He returned to Wellington the following year and was employed by the Brooks Grain Company.

He was married to Miss Chloe Norred in 1919 and moved to Burkburnett, Texas where he worked as a "roughneck" during the oil boom. He later qualified as a driller and helped drill two "wildcat" wells on the Waggoner Ranch.

Smith returned to Wellington in the early twenties and worked for a brick contractor, a gin company, and was working at the ice plant when he was employed as an operator at the Wellington Light Plant.

They are the parents of one son, Basil Smith, and three married daughters, Mrs. Ottis Rolls, Mrs. Harry Constantine, and Mrs. Bert Smith, Jr.

They are members of the Methodist Church where Mr. Smith is a member of the Board of Stewards and president of the Methodist Men's Organization.

Sitter

(Continued from Page 1)
raising program by July 1st, Mr. Sitter said. The program now is in full swing and we should have a greatly reduced screwworm incidence this year.

Those attending the area meeting of stockmen in Amarillo Wednesday Feb. 21st were: Joe McMurtry, Spencer Sitter, H. M. Breedlove, Alan Jefferies, W. H. Cooke III, and Lee Shaller.

Mrs. Sam Power of Canyon spent the weekend with Mr. and Mrs. Lawrence Price.

Little League

(Continued from Page 1)

boys a chance to play as last year we had too many boys on some teams, causing a few of the boys to become discouraged since only nine boys can play at a time.

Another accomplishment of the first meeting was the election of Little League officials. The president this year will be Horace McClelland, and vice-president is Bill Land. The president's job will not be easy, therefore Horace will need all the help he can get from each person interested in the Little League program.

Our secretary-treasurer and finance chairmen will once again be Phoebe Ann Buntin and Jane Moore. These two did a commendable job last year, and although they haven't been notified as yet, we're hoping they will again serve in these capacities.

The official scorekeeper and publicity director of each game will be John Payne. This too, is a full time job, and he will need an assistant as plans are to keep the public informed each week of the pennant races, batting averages and etc. of each separate league.

One of the main categories in the creation of a Little League is having good, solid baseball men to serve as umpires. John Richie has offered his services as chief umpire, and he will need lots of help from at least four or five individuals.

Everyone interested in the Little League program is urged to be at the next meeting scheduled for this Friday night at 7:30 in the Lions Hall. Everyone is urged to take part in Clarendon's youth development program. Next week we will try to inform each of you more fully on the Little League Organization; how it works, and how it has benefited innumerable of our youth.

Paula Adams Stars for Bronchoettes

Miss Paula Adams, senior student in Clarendon High School and daughter of Mr. and Mrs. Raleigh Adams, is highly responsible for the Clarendon High School Girls Basketball team winning the District 2-A championship for the second year in a row and the Bi-District Tuesday night. Paula has been a scoring sensation for the Bronchoettes for the past four years. In addition to her basketball activities, Paula is consistently on the honor roll and takes part in many other school activities. She was selected as Student of the Month by the Student Council for the month of November.

This year Paula has scored 672 points in 27 games for the Bronchoettes for a game average of 25. Her point total could have been much higher had Coach J. R. Williams let her play more. However, on many occasions this year, after the Bronchoettes had a comfortable margin, Coach Williams would let the reserves finish the games. As a result, in several games, Paula played little more than half the game.

Miss Adams, however, as all good sports do, credits her teammates with her success. She states that if it weren't for the unselfish play of fellow forwards Dorothy Richey and Judy Castner, and the double tough defensive unit of Peggy Jackson, Molly Floyd and Connie Martin, that her efforts would be nil. The versatility of Jeanette Rampy has also helped greatly. Miss Rampy can play equally well at either forward or guard and is a very important cog in the machine. Miss Jackson, also a senior, has sparked the Bronchoette defense all season, and along with the other guards, has been mighty stingy in the opponent's score column. Other girls, too, have

contributed to the success of the team this year. Sharon Williams and Brenda McAnear have played well at forwards and Janie Ivey, Ann Mills and Pat Bannister have made valuable contributions at guards.

Dorothy Richey, although a freshman in high school, is certainly due her part of the glory for the success of the team. She has scored 362 points for an average of 13.4 per game. Her high for the season was 31 against Lefors recently. Judy Castner, the other regular forward, and also a senior, has scored at a 7-point per game clip and has made a valuable contribution to the team.

The guards on a girls basketball team rarely come in for much glory since they do no scoring. However, their jobs are just as important since they attempt to keep the opponent from scoring. In that effort, the Bronchoette guards have done an outstanding job this season. They have held the opposition to an average of only 32 points per game, while the Bronchoettes were averaging 51 points per game.

TO THE VOTERS OF THE CITY OF CLARENDON

I wish to announce that I am a candidate for City Commissioner subject to the City Election April 3rd. I believe my past experience in this capacity qualifies me to be able to serve you to the best interest of every resident in our city. I want to say too, that I am in a position to give full time to the job. Your support and vote will be appreciated.

W. M. Pickering

Mr. and Mrs. B. J. Leathers visited Sunday in the home of their son and family, Mr. and Mrs. Leroy Leathers. Dorothy Nora and Leroy, Jr. in Amarillo and helped Dorothy Nora celebrate her fourteenth birthday.

STERILE SCREWWORM FLIES PLAY VITAL PART IN ERADICATION PROGRAM

"The screwworm eradication program is in its second week of operation in Texas. Five million sterile screwworm flies were released in the lower Rio Grande Valley last week," says County Agent Flip Breedlove. "The first phase of the eradication program, the raising of funds to support the program, is almost complete. The second phase of the eradication program is just beginning. The individual stock owner will play an important part in this phase of the eradication program," says Breedlove.

"A buffer zone in the Southern portion of Texas along the Mexican border will be maintained," officials in charge of the eradication program say. If the eradication program is to be effective, the individual rancher must inspect his livestock frequently — treat screwworm cases immediately with a recommended insecticide — collect ten worms from each wound and take to his county agent — not move animals from any areas unless they all have been treated with a recommended insecticide — not move animals out of counties where screwworms have been reported until the animals have been sprayed with a recommended insecticide — not accept or move animals from other states where screwworms may exist unless the cattle dealer, buyer, or hauler inspects and treats all animals at origin with the recommended screwworm smear or spray — do everything possible to prevent screwworm infested animals from entering his neighborhood.

Scientists, capitalizing on freeze-out of overwintering screwworms in January, believe there is an opportunity for lowering — if not totally eradicating

—screwworms from Texas this year.

Millions of artificially raised male screwworm flies, made sterile by exposure to radioactive material, will be released in the overwintering area in South Texas.

CONSERVATIVE GROUP TO MEET FRIDAY NIGHT

A group of citizens interested in the formation of a Conservative Club in Clarendon held their second meeting Tuesday evening at Lions Club Hall. Much interest was shown by those present.

The time has come when individuals must take an active part in helping our congressional representatives make important decisions that will affect the lives of this generation and the lives of those generations to come. This is one purpose of the proposed Conservative Club.

It was agreed that there should be at least fifty families represented at the next meeting. Meeting time has been set for Friday, March 9, at 7:30 p.m. at Lions Club Hall. An interesting and informative tape recording will be heard. Keep this date in mind and plan to attend this meeting. Learn what we as individuals can do to help curb the trends toward socialism in this great country of ours.

BULLDOGS INVITED TO REGION 5 TOURNEY

The 1961-62 edition of the Clarendon Junior College bulldogs has scored again with the National Junior College Athletic Association Regional Tournament Committee. This week Dean Abel received an invitation for the Bulldogs to participate in the Region 5 NJCAA Tournament. The tournament will be held in the new Amarillo College Gymnasium, March 8, 9, 10.
