Miss Jill Benson, daughter of Mr. and Mrs. C. L. Benson, was crowned Sweetheart of the Clarendon Band during half-time ceremonies at the Broncho-McLean football game last Friday night. Miss Dolphia Vallance, daughter of Mr. and Mrs. Dick Vallance, was her attendant.

Youth To Participate In Annual CROP Halloween Project

Rev. J. V. Patterson has been appointed General Chairman of the annual CROP Halloween project of the youth of the churches in Clarendon. The church youth groups will be working together in a united endeavor and it is expected that all young people, of Junior High age (12 years) and older, will be taking part on Halloween.

They will meet at the Canteen at 6 pm. October 31st at which time they will be assigned areas to be covered. There will be refreshments and recreation for all at the Canteen after the solicitation has been completed.

Halloween, the eve of All Saints Day, has become a symbol of Christian sharing for many thousands of young people. Instead of begging for food or candy for themselves, these youth go from house to house seeking contributions to feed the hungry in other parts of the world through CROP.

Mr. and Mrs. Cawthon Bryant visited Monday night in the home of her sister, Mr. and Mrs. Mike West and Gary.

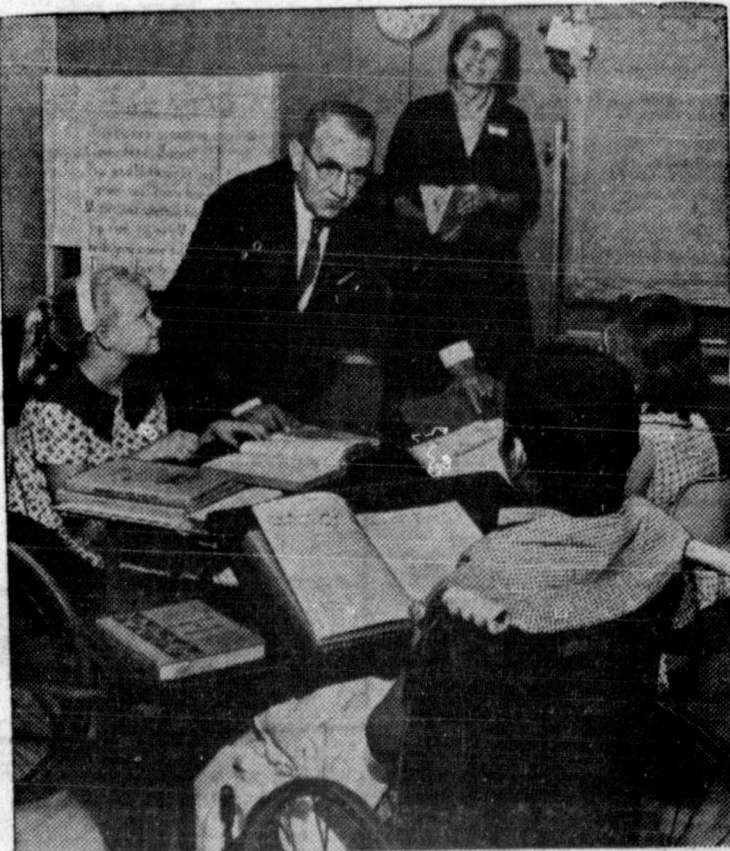

Halloween Carnival At Lelia Lake Sat.

The Lelia Lake Lions Club and the Lelia Lake Community Center is sponsoring an old fashioned Halloween Carnival at the Lelia Lake Center Saturday evening, October 27th, beginning at 7 p.m.

There will be plenty cats to come early, stated Luther Butler. In addition there will be Bingo and all other types of Halloween games and entertainment.

Jaycees Change Meeting Date & Time

Due to conflicts with other meetings, the Clarendon Jaycees have changed their meeting time from Thursday to Wednesday night at 8:30 p.m. The meeting time was set at 9:30 in order that Jaycees might attend church before the meeting. This change became effective this week with the Jaycees meeting last night.

Little crippled children at the Scottish Rite Hospital in Dallas are eager for learning and they try hard to keep up with their school-mates back home. Conservation Reserve Contracts Which Expire In 1962

Farmers whose Conservation Reserve contracts expire Dec. 31, 1962, will be able to continue all the land under contract for ONE YEAR ONLY.

To be eligible to continue the land under 1963 contract, the following requirements will be applicable to participate in the program:

- 1. Producers must designate all of the land on which the CR contracts expire in 1962.
2. All of the land expiring in 1962 will be eligible to be continued for 1963 EXCEPT the following:
a. Land for which the ownership has changed since December 31, 1960 and
b. Land on which the cover crop has been destroyed this summer or fall.
3. The regular payment rate for 1963 will be same as for 1962.
4. Grazing will be permitted on the designated acreage. The payment rate where the land is grazed will be 50 per cent of the regular rate.
5. No cost-share payments will be made under the 1963 program. However, land designated under the program will be eligible for regular ACP cost-sharing.
If you are interested in extending your contract for one more year, you should protect the cover, since compliance with the program will require that the land be protected from wind. (See FARM NEWS on Page 8.)

Bronchos Take Win From McLean, 28-6

The Clarendon High School Bronchos came to life last Friday night and rose up and kicked the McLean Tigers for a 28 to 6 win in the first District 2-A conference game for both teams.

The Bronchos played spirited football throughout the game and had the favored Tigers reeling on the ropes as the game ended. The Bronchos scored once in the second period, twice in the third, once in the fourth and were on the McLean five yard line with first down as the game ended. They also had a touchdown called back because of clipping.

After a rather uninteresting scoreless first quarter, the Bronchos took the lead early in the second quarter. They took over on a punt on their own 44 yard line, and on the first play, tailback Jerry Elmore went around left end for 56 yards and the score. Quarterback Dwight McAneer kicked the first of four extra points and the Bronchos had a 7-0 lead. The Tigers came racing back, however, and quickly got back into the ballgame. Bob Patton, Tiger halfback, took the kickoff and returned it all the way to the Broncho 15 yard line. Four plays later Dickie Crockett plunged one yard for the score and that was all the scoring for the first half that saw the Bronchos leave the field at half time with a slim 7-6 margin.

The Bronchos widened their lead early in the third quarter. McAneer intercepted a Tiger pass and was downed on his own 41 yard line. On the next play, fullback Teddy Graham broke through the McLean line and outran the secondary on a 59 yard scoring run. A little later, wingback Robin Green scored from 25 yards out to climax a 60 yard scoring drive. The Bronchos got their last score midway of the fourth quarter on a 19-yard gallop by Elmore. On the last play of the game, John Cearley took the ball on the McLean 25 and raced to the five before he was finally stopped.

The Bronchos had their biggest night of the season so far as statistics are concerned. They rolled up 303 yards rushing as compared to 177 for McLean. McLean had 14 first downs to Clarendon's 12 and completed four of ten passing attempts for 67 yards. The Bronchos could not connect on four passing attempts. The Bronchos were a little over-anxious at times and were penalized 100 yards on 11 penalties while the Tigers lost 45 yards on five penalties.

Coach James stated that it was a great team effort on the part of all the boys. It would be impossible to single out any one or two boys as being outstanding although Gary Campbell was a pretty big thorn in the Tiger's side on defense as was the entire Broncho line. All the Bronchos wanted this game and it was apparent from the start that they intended to win it.

MRS. MORELAND DIES AT AUSTIN

Loyd Moreland attended funeral services in Austin Sunday for his mother, Mrs. W. W. Moreland, who died there Saturday. Mrs. Moreland was a former Donley County resident and lived in the Martin Community for 16 years prior to moving away in 1926.

There will be an inspirational program, special music, games, and refreshments. Everyone is invited to take part in the fellowship.

JERRY BARRETT

Jerry Barrett, son of Mr. and Mrs. Jim Barrett, will do the preaching at the 7 o'clock service Sunday evening at the First Baptist Church. Jerry is a student at Wayland College, Plainview. He will also sing "No One Ever Cared For Me Like Jesus" at the Morning Service.

Services Held Sat. For H. P. Aull

Funeral services were held Saturday afternoon in the Murphy Memorial Chapel for Henry P. Aull with Rev. W. R. Lawrence officiating.

Mr. Aull, 73, died Thursday afternoon at the Verwyn Motel at Hedley where he was making his home. He was a retired farmer and businessman and had been a resident of Donley County since 1919. He was a member of the Hedley Baptist Church.

Survivors include two daughters, Mrs. Wallace W. Raney of Clarendon and Mrs. Bob Shannon of Hillsburg, Calif.; three sons, John Aull of Lubbock, Arnold Aull of Torrance, Calif., and Jim Aull of Pampa; five sisters, Mrs. John Starley, Rising Star, Mrs. Will Hendrix, Amarillo, Mrs. Jennie Hite and Mrs. Lula Hall, Abilene and Mrs. Bessie Keys of Andrews; 12 grandchildren and 18 great-grandchildren.

Pallbearers were Vergil McPherson, P. C. Messer, Hobart Moffitt, Woodrow Farris, Leonard Baggett and Winfield Mosley.

Burial was in Rowe Cemetery, Hedley, with the Murphy Funeral Home in charge of arrangements.

SCOUT DIST. COMMITTEE MEETING MON. NIGHT

The monthly meeting of the Comanche District Committee will be held in the high school library at Shamrock on Monday night, October 29. The meeting is scheduled to start at seven-thirty.

Lawrence Neece, District Chairman, has urged all members of the district committee to be present. All Institutional Representatives are urged to be present for the election of new officers. Also, plans for the annual district meeting and appreciation dinner to be held in Wellington on November 19 will be completed.

Final plans on the district annual meeting will be presented by Frank Phelan, program chairman for the annual affair.

Tickets are available for the annual district meeting and appreciation dinner from Lawrence Neece, Frank Phelan, Carl Allmond, Clyde Price and Tommy Saye.

BREEDLOVE'S FATHER DIES

Bronchos Play Canadian Wildcats At Canadian Friday Night, 7:30

ANNUAL STAFF IS ORGANIZED; MR. & MISS C.H.S. ELECTED

The largest Annual Staff in several years of Clarendon High School history has been organized. This year there are 44 members. Sponsors are Mrs. Fred Bourland, Willard Edgett, and Morris Ledger. Editors are Molly Floyd, Dwight McAneer, and Larry Neece. James Bates is fund-raising manager and Marie Blackburn is circulation manager and reporter. Photographers are Mike Heath, Sharon Henson and Wendall Luttrell.

Several fund-raising projects and social activities have been planned. Next week, canned peanuts will be sold by all members. Everyone is urged to buy these so we can afford to make this year's annual the biggest and best ever.

Friday, Oct. 19, the Annual Staff sponsored the election of Mr. and Miss C.H.S. The entire student body elects these on the basis of looks and personality.

Sharon Williams and Dwight McAneer were chosen Mr. and Miss C.H.S. They are both seniors and have outstanding records in serving their school.

Steve Richardson and Agatha Wallin were runners-up. Beauties are Sharon Williams, Connie Martin, Darlene Shields, and Deanna McAneer. Connie, Darlene and Deanna are juniors. Both Sharon and Deanna have been beauties in previous years.

Brawns are Jerry Elmore, Dwight McAneer, Billy Hearn, and Danny Ray, all seniors. This is the second consecutive year that Dwight and Jerry have been brawns.

MAYOR REPORTED IMPROVED

Mayor H. T. Burton who is a patient in Northwest Texas Hospital, Amarillo, is reported some improved at the present time. He received head injuries in a fall from a ladder at his home several weeks ago. According to latest information, he may be moved back to the local hospital this week end.

HOSPITAL NOTES

Patients as of Wed., Oct. 24. Jess Hill, Claude Mann, Milton Dunn, Mrs. Virginia Mills and baby girl, Kimberly Ree Mills. Dismissals: John Allen, Elva Garza and baby, Hattie Jones, Mrs. W. R. Lawrence, Mrs. R. O. Mabery, Fannie Reynolds and Rosa Lee Rhodes.

The Clarendon Bronchos, with an impressive 28 to 6 win over McLean under their belts, will travel to Canadian Friday night for their second conference game of the season. They will meet the always dangerous Canadian Wildcats at 7:30.

The Bronchos upset the rankings last Friday night by beating McLean. They had been picked to fight it out with Memphis looking to their meeting the District 2-A race this year. Prior to the first district games last week, Lefors was, and still is, a clear-cut choice to take the district championship. Next came Wellington, Canadian, and McLean, with Clarendon and Memphis looking to their meeting on Nov. 16 to see who was to finish last. Both Lefors and Wellington lived up to their billings as Lefors defeated Canadian, 20 to 9, and Wellington took a 26 to 6 win from Memphis.

The Wildcats will be established as a clear favorite over the Bronchos Friday night. The two teams have met two mutual opponents so far this season. Gruber defeated the Bronchos, 42 to 12, and had trouble taking a 20 to 6 win from Canadian. Panhandle routed the Bronchos, 32 to 6, and one week later had to fight to the last ditch to beat Canadian, 6 to 0.

However, the Bronchos gained a lot of spirit and confidence in last week's win over McLean, and may have enough momentum left to tame the Wildcats of Canadian.

Coach James was well pleased with the play of the boys last week and will probably go along with the same starting line-up which will be Danny Ray and Dee Sudgins at ends; David McBrayer and Larry Gray at tackles; Charlie Slavin and Billy Hearn at guards and Steve Richardson at center. Dwight McAneer will be at quarterback and Robin Green at wingback, Teddy Graham at fullback and Jerry Elmore at tailback.

The next home game will be Nov. 2 against the district favorite, Lefors.

FORMER RESIDENT DIES IN CALIFORNIA

Word has been received by relatives here that Capt. J. L. Grimsley, retired, died October 18 at Gridley, Calif.

TO THE PEOPLE OF THE 18th DISTRICT

OLD GLORY

Fifty stars and thirteen stripes—each star a symbol of the heavens and the divine goal to which man has aspired from time immemorial; the stripe a reminder of the rays of light emanating from the sun. And the colors, red, white and blue, recognized throughout the world as the emblem of liberty. This is our flag.

But how much do we actually know about this pennant that spells freedom of religion, of speech and of peaceable assembly; the right to bear arms plus other equally important rights that give each American security and protection so that no State shall deprive a person of life, liberty or property without due process of law. This could also be interpreted to include a man's reputation — one of his most valuable possessions.

The story of the origin of our national flag is not unlike the history of our great country. We received our birthright from the peoples of many lands who gathered on these shores to build a new life and found a new nation. So, also, did the pattern of the Stars and Stripes rise from numerous origins back in the mists of antiquity to become emblazoned on the standards of our

infant Republic.

The earlier flags used by our forefathers reflected their struggles in the new world. Oftentimes beavers, pine trees, rattlesnakes, anchors and various local insignia with mottoes such as "Hope," "Liberty," "Appeal to Heaven," or "Don't Tread on Me" were used on the earlier banners.

However, the first flag to have any resemblance to the flag so familiar to us today was the Grand Union flag, sometimes referred to as the "Congress Colors." It, too, was made up of 13 stripes, alternately red and white, representing the Thirteen Colonies. The blue field in the upper left hand corner bore the crosses of St. George and St. Andrew, signifying union with the mother country. This flag was first flown by the ships of our Colonial Fleet in December of 1775.

Although some historians dispute the story, it is commonly believed that Betsy Ross made the first flag on June 14, 1777 the Continental Congress established the Stars and Stripes by Resolution even though they did not specify the arrangement of the stars. Establishment of a national flag became a necessity so that our ships at sea would be recognized and not mistaken for pirate ships.

When the Star Spangled Banner was first flown by the Continental Army, General Washington is reputed to have said, "We take the stars from heaven, the red from our mother country,

separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity representing liberty."

As new states were admitted to the Union, it was first suggested that a star and a stripe be added but it was soon recognized that the flag could become unwieldy so the law of April 4, 1818 proclaimed that a star be added for each new state on the 4th of July after its admission. No change was made in the flag from 1912 with the admission of New Mexico and Arizona until 1959 when a star was added for Alaska and a year later our 50th star, representing Hawaiian statehood.

Recognition of the Pledge of Allegiance to the flag was given by the Congress in 1942 and in 1954 when the phrase "under God" was officially added. President Eisenhower, at that time, said that "in this way we are reaffirming the transcendence of religious faith in America's heritage and future; in this way we shall constantly strengthen those spiritual weapons which forever will be our country's most powerful resource in peace."

A very fine booklet was authorized to be published which gives the complete history of the flag, suggestions about displaying it, and approved customs for its use. I will be glad to obtain a copy for anyone indicating an interest in receiving one.

HEDLEY NEWS

Mabel Bridges

We wish to thank all Clarendon people and organizations taking part and helping to make the Hedley Cotton Festival a big success.

The car winning first prize in the parade "Yellow Rose of Texas" carrying Miss Dolores Messer, Cotton Queen for 1962 and 1963, was sponsored by Harlan's Flowers and Johnson Insurance.

The beautiful flowers brought down by Clarendon ladies made our Flower Show bigger and better. We couldn't have the Festival without Flip Breedlove.

Your reporter made an error in last week's paper in reporting the Queen Contest of the Cotton Festival. The new Queen is Dolores Messer, daughter of Mr. and Mrs. L. D. Messer. COLLEGE TAX ILLEGAL? — Texas Supreme Court action is expected soon on a case which could upset the junior college set-up in Texas.

Taxpayers' suit from Harris County contends that the Legislature had no constitutional authority to allow the levying of taxes by junior college districts.

Supreme Court has been studying the case since April. Should it agree with the taxpayers, it would take a constitutional amendment to legalize the college districts. Meanwhile, state money might be needed to keep the 32 junior colleges going until the voters have a say on the subject.

OLD BADGES — Texas Rangers have gone back to the old days and old ways.

Old-time Rangers carved their own badges out of Mexican pesos. It was a star within a circle.

A fancy new-style badge was adopted in 1936 when Rangers were put under the Department of Public Safety.

Now they are going back to the old-type badge. But they won't carve their own. All 62 Rangers were issued shiny new ones, ready-made.

SLOW PICKING — Texas Department of Agriculture reports a slow-down in cotton picking. Harvest slowed to 29 per cent, which is the same as this time last year.

Damp weather kept bolls from opening in the South Plains and rains slowed the picking in other areas.

Wet fields also have slowed the sorghum harvest.

SUMMER READING — Nearly 21,000 school-age children in 285 cities earned certificates from the Texas State Library for summer reading.

Boys and girls who read 12 books during the summer got the awards.

STUDY COMMITTEE — A citizens' advisory committee has been named to help the Texas Legislative Council study the

problems of emotionally disturbed children. Rep. C. W. Percy, Jr., of Temple is chairman.

The study committee was set up after experts advised that Texas has few facilities for curing such disorders.

GOVERNOR NAMES — Governor Daniel named Mack Wallace of Athens as district attorney, to replace Jack Hardee of Athens, who resigned because he is the Democratic nominee for district judge. District is composed of Henderson, Anderson and Houston Counties.

He also named Boyd Hilley of Lamesa to the Egg Marketing Advisory Board, and reappointed Jack Dubose of Gonzales and Marvin Gilbreath of Weimar on that board.

B. H. Dewey of Bryan and Rep. George Hinson of Mineola were named to the Southern Regional Education Board.

BALLOT ROSTER — Secretary of State Frank Lake has certified 24 candidates for statewide office.

Names appearing on the November 6 general election election ballot will include 14 Democratic nominees, eight Republicans and two from the Constitution Party.

In addition, the fate of 14 proposed constitutional amendments will be decided by the voters.

TWO WITHDRAW — Two Constitution party candidates have notified the Secretary of

State to withdraw their names from the November election.

They are Ruben Lozano of San Antonio, candidate for Congressman-at-Large and Roy R. Brown of Bonham, candidate for Lieutenant Governor.

JOBS ON RISE — Figures released in Austin by the U. S. Department of Labor show the Texas employment picture to be twice as good as the national average.

Texas' non-agricultural employment increase from 1947 to 1961 was 45.4 per cent, almost double the national average of 23 per cent.

NEW ERA PREDICTED — Maurice Turner, chairman of the State Parks Board, believes a surge of public interest presages "a mighty effort to modernize Texas' neglected state parks system."

He credits this new interest to a sizeable movement to develop tourism in Texas.

Attendance at Texas state

parks increased by some 500,000 persons during the last fiscal year.

In keeping with the national trend, overnight campers increased by more than 100,000.

Total visitation for the fiscal year ending August 31, 1962, was 7,099,672, compared with 6,614,332 for the preceding year.

SHORT SNORTS — Governor Price Daniel attended his last Southern Governors Conference in Hollywood, Fla., and brought out a report challenging national import policies on oil, saying that the domestic oil industry is hit hard by imports from foreign lands. . . . Atty. Gen. Will Wilson held that school teachers are not entitled to get their jobs back when they return from military service, such as the recent call-

up of part of the Texas National Guard. . . . Texas will send 153 men to military service through the draft in November. . . . August report of the Liquor Control Board shows revenues collected for the state since the Board was created at the end of prohibition, November 16, 1935, amount to \$501,279,416.

LABORATORY FOR ELECTRICAL POWER

West Texas Utilities Company maintains a laboratory and a full time chemist in each of the power plants to check the chemical content of water used by WTU. Chemical content of the water helps to determine the frequency of equipment overhauls.

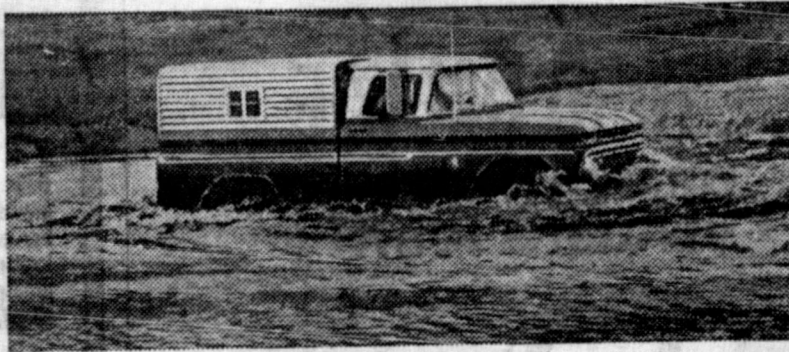

Boilers, turbine blading, cylinders, piping, steam inlet valves, condensers, water pumps, and much other operational equipment is impaired by chemicals in the water. Close laboratory control of water conditions can prevent equipment breakdown before it happens. This is just one of the many maintenance procedures by WTU to assure you a continual flow of electrical power.

Demonstrating new '63 Chevrolet truck
features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension —easier on truck, load and driver.

Users of new conventional medium- and heavy-duty units who have to operate in close quarters are going to like the narrower front ends (up to 7 inches).

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

THE "NEW RELIABLES" FROM CHEVROLET

Quality trucks always cost less.

See the "New Reliables" now at your Chevrolet dealer's!

of the latest ones going the rounds; "One of the basic democratic rights still left is that one can vote for the Kennedy of their choice," and several disgusted business men have placed ads in their hometown paper to the effect they will not be responsible for the debts made by the Kennedy family. It may make a good joke, but the sad part is that we will all be held accountable for the run-away debts of the last several presidents.

If Moses had been one of the government bureaus, the children of Israel would still be wandering and waiting in the land of Egypt.

LIBRARY NOTES:

EDITH BARNES

Allen Drury was a Washington political correspondent for fifteen years. He used his knowledge of the Senate to write a book, "Advise and Consent" which won him the 1960 Pulitzer Prize for fiction.

During these years he often covered the doings of the United Nations as a reporter. Out of this came his new book "A Shade of Difference."

"Advise and Consent" gave the reader a pretty good picture of our Senate, the Senators and how they operate.

"A Shade of Difference" does the same thing for the United Nations, our delegates and the delegates from other nations.

Quoting: "In this powerful sequel to 'Advise and Consent,' Allen Drury moves from Washington to the United Nations, to carry forward the lives and careers of many of the characters who figured in his first, Pulitzer Prize-winning novel of politics."

The novel begins when Terrible Terry comes to the United States to plead Gorotolands cause before the U. N. During his visit to America he is honor guest at a luncheon in South Carolina. There he injects himself into the racial problems and is involved in a riot that brings world-wide attention and an immediate anti-American uproar in the United Nations.

In Washington the result is a Congressional resolution of ap-

logy to Terry inspired by Secretary of State Knox, introduced by Congressman Hamilton and opposed by Senator Cooley.

ly independent, and his duty is to look into any grievance a citizen may have against bureau or bureaucrat. His powers are broad, and include the right to see the relevant files, to question the bureaucrats thus accused and, if he so finds, to award redress. The Ombudsman stands, in other words, between the often-lost and lonely citizen and the vague, often-terrifying powers of the state.

WHERE IS OUR OMBUDSMAN?

An editorial in National Review asks: "Have you ever got a dirty deal from a Treasury tax agent — not the kind of thing to go to court about, but an arbitrary ruling that showed either personal bias or a defect in the law as applied to your case?" Going on, it asks, in effect, if you have ever been given the rough-shod, red-tape treatment by any of the other government bureaus which have something to say about our health, solvency and liberties. It then says: "In our era of the Giant State, more and more of us would answer Yes, sadly adding that of course there isn't anything to be done about it."

But something can be done about it, and Scandinavia shows us how. There the voters have installed in office an official called the Ombudsman. He is total-

ly independent, and his duty is to look into any grievance a citizen may have against bureau or bureaucrat. His powers are broad, and include the right to see the relevant files, to question the bureaucrats thus accused and, if he so finds, to award redress. The Ombudsman stands, in other words, between the often-lost and lonely citizen and the vague, often-terrifying powers of the state.

National Review concludes editorial by observing: civil service — that is bureaucracy — views the plucking to a recent di 'with grave misgivings.' in itself, is eloquent test to the soundness of the plea need for it. When w American citizen, certain legitimate grievance against of the vast bureaucracies, be to knock on the door of an budsman, he made welcome encouraged to state his case, finally, if right is on his side given the heady fruits of just

Mrs. Doyce Graham

Mr. and Mrs. Dane Perdue and daughters from Levelland spent the week end with relatives here — her parents, Mr. and Mrs. S. H. Mahaffey, and were very welcome guests at the Community Center Saturday night for the party there.

Mr. and Mrs. Harold Green and daughters and Mrs. Austin Rhoades from Borger spent the week end with Mr. and Mrs. Hubert Rhoades and Mary Sue, and were also very welcome guests at the Community Center party. Other guests who attended the Hot Dog and Pie Supper and "42" Party on Saturday night were Mr. and Mrs. Walter Hughes, Mrs. J. C. Butler, Mr. and Mrs. Pete Land, Mr. and Mrs. W. D. Higgins, and Mr. and Mrs. Herbert Shields and sons of Lelia Lake.

We are always very happy to

have guests and invite you all back. The next meeting will be Saturday night, November 3rd, and we will have pie for refreshments. The hostesses, Mrs. Doyce Graham and Mrs. Steve Reynolds will serve coffee. The program for that night will be a Sing-Song. If you can work up a special song, please do so. Let your children get a number prepared, and give it. We hope people from the churches in Clarendon will come and sing special songs that night, or anyone who will help with the program. There will also be group singing. Don't forget the date, November 3rd.

Mr. and Mrs. Doyce Graham and Mike accompanied by Mr. and Mrs. C. T. Bates went to Lubbock Sunday to see their sons, Jimmy Graham and Charles Bates.

Mrs. Ben Lovell and Mr. and Mrs. Leo Wallace visited their father, Mr. W. A. Poovey, who is ill in Groom Hospital, Sunday. Also here visiting him were Mr. and Mrs. Willard Cooke and Dean from Meade, Kan., Mr. and Mrs. Tate Poovey from Stinnett, and the Earl Butlers from Borger.

Mr. and Mrs. Lloyd Reid spent the week end with their son, Bill, and family at Lamesa.

We are sorry to report that Mr. Milton Dunn received a broken hip in an accident while working cattle.

Mr. and Mrs. J. B. Lane visited Mr. and Mrs. Richard Roehr and children at Plainview during the week end. Debra Roehr came home with them and will spend this week with her other grandparents, Mr. and Mrs. Chet Roehr.

Mr. and Mrs. Kenneth Webb and their small child moved into the Poovey house last week. Mr. Webb is a carpenter and is helping build on the remodeling of the Farmers State Bank, and Mrs. Webb is employed at the ASCS Office.

Other new residents are Mr. and Mrs. Jimmy McAnear who have moved to the G. J. Hinders farm. Mr. and Mrs. Hinders have bought a house in Memphis and have moved down there.

Mrs. Imogene (Wilson) Woodin and her children have moved into the Hill house in our community. She is employed in Amarillo. We extend a warm welcome to each of our new residents and invite them to come to our Community Meetings; we wish them to know that we

LELIA LAKE COMMUNITY TO ORGANIZE NOV. 2

The Lelia Lake Community Center is sponsoring a get-together for all residents of the community at seven o'clock Friday evening, November 2. You are urged to attend so that we may organize and have regular meetings. You are requested to bring sandwiches, cookies, potato chips, and cups for your family. Drinks will be furnished. Various games will be played and we especially need some dominoes. —Rep.

CLARENDON F.H.A. HAS REGULAR MEETING

The Future Homemakers of America met in the College Auditorium October 22, 1962, for their regular meeting. After the business was taken care of J. V. Patterson, minister of the Methodist Church, gave a talk on "Learning to Enjoy Older People." It was suggested that each FHA girl adopt a senior citizen. Visitors are always welcome. The visitors at this meeting were: Mrs. Risley, Mrs. Smith, Mrs. Hill, Mrs. Longan, Mrs. Partain, Mrs. Tollinson, and Mrs. Gilbreth. —Rep.

Mrs. Jimmy Gattis and Liz of Colorado Springs are visiting in the O'Neal and Gattis homes.

CHAMBERLAIN HAS REGULAR MEETING

The Chamberlain Community Center had their regular meeting Friday night, October 19. The crowd was small due to the football game and a stormy night. Games of "forty-two" were enjoyed for a while, then refreshments of sandwiches, potato chips, and coffee and tea were served.

We were happy to have Mr. and Mrs. Van Kennedy and Paul Hancock with us from Clarendon. We had an old fashioned singing with Mrs. Kennedy at the piano and Paul Hancock as song leader which everyone enjoyed very much. Paul sang several specials which were inspirational and beautiful — we invite these folks back with us any time.

We are planning a special program for our next meeting which will be changed from Friday, November 2, to Thursday, November 1, due to the football game. We are going to have our bingo party — fun for everyone — come one, come all! The hostess will be Mrs. A. B. Ivey, Mrs. Walter Hughes, and Mrs. Jess Ivey. Bring sandwiches and cookies, and the hostesses will furnish the drinks. Don't forget the change of date — Thursday, November 1st

instead of Friday, November 2nd. Everyone come and bring some one with you. —Rep.

SR. H.D. CLUB MEETING HELD FRIDAY

Members of the Senior Home Demonstration Club met Friday afternoon in the home of Mrs. William Payne. Meeting was opened with Club Collect read by Mrs. Claude Darden. The president, Mrs. Clyde Butler, presided over the usual order of business. Following the reading of minutes and roll call the Penny Parade was held.

Refreshments of pumpkin pie topped with whipped cream, tea and coffee were served. Plate favors were miniature candy pumpkins. All of the members were present. Attending were Mesdames J. H. Helton, W. L. Jordan, O. C. Watson, Clyde Butler, Virgil Poole, Claude Darden, Will Kennedy, George Green, Bertha Benson, Bennie Crabtree, and the hostess, Mrs. William Payne. —Rep.

Mr. and Mrs. Donald Mills are the parents of a daughter, Kimberly Ree, born October 22nd. She weighed 7 lbs., 5 oz. and is the granddaughter of Mr. and Mrs. Clifford Taylor and Mr. and Mrs. Guy Mills.

TEN OCTOBER PLENTIFULS STRESS FALL ABUNDANCE

COLLEGE STATION — October is the month of traditional farm abundance. It's the time when Grandpa and Grandma took inventory of their granaries, vegetable and fruit cellars, pantries and larders.

The fall inventory of foods is even more important today than it was in bygone years. Our living is more complex. More of us rely on others to supply our food needs, points out the Texas Agricultural Extension Service.

That's why the Agricultural Marketing Service, working with growers and the food trade, runs a monthly survey of our nation's supplies of foods. Is there enough? What foods are more than ample? Texas homemakers and other Americans again can rest assured. There is plenty for all, this October. What's more, supplies of at least 10 foods are in excess of normal needs. That means they likely will be among your most economical food buys.

Three items — apples, broilers, and cheese — are featured on AMS's October list of plentiful foods. Supplies are extra-huge. Also plentiful this month are frozen orange juice, cranberries, pears, grapes, potatoes,

turkeys and rice. Menu planners will do well to serve these foods often. Besides offering economy, they enhance fall meals with flavor, nutrition and color.

P.V.T. DEBORD COMPLETES RECRUIT TRAINING

SAN DIEGO, Calif. (FHTNC) — Marine Private Claude E. DeBord, son of Mr. and Mrs. B. F. DeBord of Route 1, Clarendon, Tex., completed recruit training, Oct. 9, at the Marine Corps Recruit Depot, San Diego, Calif.

The indoctrination to Marine Corps life includes instruction in basic military law, discipline, physical conditioning and other military subjects. Three weeks are spent on the rifle range, where recruits fire the M-14 rifle and receive instruction on other infantry weapons.

Mr. and Mrs. Mike West and Gary spent the week end in Santa Fe where they were guests in the home of her brother and wife, Mr. and Mrs. Ray Smith.

Mr. and Mrs. Glen Robertson of Amarillo visited the week end in the home of Mr. and Mrs. Frank Hommel.

WHEN THE LIGHTS GO OFF DOWN ON THE FARM

College Station — When the electric power fails on the modern farm many essential operations are halted. Because much of the work of dairymen, poultrymen, sheep producers and many others depend on electric power, farsighted farmers today are preparing for such emergencies by installing stand-by generating equipment.

According to W. S. Allen, extension agricultural engineer, suppliers are constantly improving their systems and power failures are becoming less frequent. But hurricanes, ice storms and other catastrophes of nature cannot be predicted and still cause interruptions in service.

When choosing a generator the farmer may select a completely automatic engine driven or a model powered by a farm tractor. The tractor driven type is the most popular because it is less expensive and the farmer has less money invested in a piece of equipment that he will use only occasionally. These generators may be belt or power-take-off driven, according to Allen.

The size of the generator can be determined by estimating the amount of power needed to run

equipment that must be operated at all times and selecting one that will handle this load. It is usually not practical to install a generator that will handle the entire electrical load of the farm, as this would call for a large investment, says Allen.

Generators are usually rated in watts, or in kilowatts, Allen explains, and if it is to be powered by a tractor, allow two horsepower per kilowatt capacity of the generator. If your generator has a 10 kilowatt rating, you need a 20 horsepower tractor to operate it.

Allen reminds that for safety and good service, the generator should be installed properly and a transfer switch should be part of the installation. Farmers should consult their electric power supplier for help in safe and satisfactory installation, Allen states.

Mr. and Mrs. O. C. Watson visited through the week end at Hobart, Okla.

SOURCE OF OPPORTUNITY
 From time to time, over the years, new forces enter retailing. Then established retailers must devise ways and means of meeting the competition, or suffer a loss of business, to perhaps a fatal extent. That is the way things work in a free enterprise system — and that is the reason why this system provides the consuming public with the greatest possible selection of goods and services at the most reasonable possible cost. In a competitive economy, idea and innovations, if they are sound, are rewarded.

The newest of these forces, so far as retail trade is concerned, is the discount house. In many areas, it is a powerful and growing force. So the question is — what are the established retailers, confronted with what some think amounts to a possible retail revolution, doing about it?

There's no fixed answer — one retailer may have one plan, the man down the street another. But it's interesting to see what one of the country's leading chain store systems has in the works. It is dealing with new retail trends on their own ground.

Specifically, it is opening a series of Check-Out Discount Department Stores. According to a top officer, "These new stores offer all the economies that mass merchandising can produce, plus quality merchandise that is guaranteed, friendly service where needed and a tradition of integrity." Meeting the discount competition is being done by applying the principle on which mass merchandising was founded — volume sales at minimum prices on a guarantee basis — not just cut prices and the buyer "beware".

No one has a patent on the multitude of devices and techniques that attract the various categories of consumers. Successful and aggressive established retailers do not look on new developments as a menace. They look on them as the source of opportunity.

ESSENTIAL FOR FREEDOM...

... MEN-MODERN MATERIEL-MODERN TACTICS—In a defensive position, U.S. Army soldiers of the 5th Infantry Division (Mechanized) fire their M14s from a bunker on the firing range at Ft. Carson, Colo. Replacing four infantry weapons previously in use by the Army, the M14 uses the standard NATO 7.62mm cartridge. The 5th Infantry Division is organized under the new concept of combat division organization known as ROAD (Reorganization Objectives, Army Division). ROAD increases nuclear and non-nuclear firepower, tactical ground and air mobility, and command and control.

WHY, Mr. Congressman?

(A letter to Mr. Rogers)

Someone must speak up!

Why do you say, "It doesn't do any good to holler and scream about the problem of increasing bureaucracy"? Unless you can offer something better, don't knock the hollering and screaming a few men in Congress have courage enough to do. People of the Panhandle are disturbed about "increasing bureaucracy", about wasteful government spending and the national debt, about the Kennedy-Freeman farm plan you supported, and the Arms Control and Disarmament Agency you voted for. Someone must have the courage to speak up, Mr. Congressman. And here is where you have failed the people who elected you. That's why the citizens of the Panhandle will vote for Jack Seale, a man who does have the courage to speak up.

*From the incumbent's speech before the Panhandle Chapter of the National Association of Bank Auditors and Comptrollers.

Elect JACK SEALE to Congress

The Courage to Speak up for you

Cub Scout News

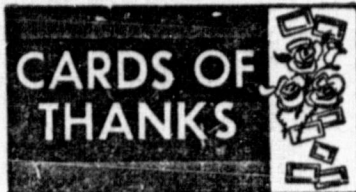

The second session of the Den Mothers' training program was held Tuesday night, Oct. 23, in the Cyclone Cafe in Memphis. This session explained the achievement plan. Those attending from Clarendon were: Shirley Johnston, Lenita Estes, Bobbie Floyd, Roxie Barbee, Dot Pointer, Lucy and Tommie Saye.

Admittance tickets for the Cub Scout Halloween Party have been given this week to the boys for themselves and their brothers and sisters. Parents must accompany their children, but do not need tickets. The party will begin at 7 o'clock in the college gym. All games and activities for the children will be free. There will be some games and coffee and doughnuts for adults for which there will be a charge. All proceeds will go into the Cub Scout Pack treasury.

Some of the planned activities for the children are: apple bobbing, biting an apple on a string, fortune telling, a seance, go-fishing, a pumpkin-walk, several games of skill, and as the finale,

the walk through the spook rooms that the dads have fixed up. Because this is on a school night, the closing time has been set for 9 o'clock. See you Monday night!

Mrs. H. T. Wilkins of Roswell, N.M., returned home Saturday after visiting the past three weeks in the home of Mr. and Mrs. Frank Hommel.

I would like to take this means of expressing my thanks and appreciation for all the flowers, cards and visits during my recent illness, and for the wonderful neighbors and friends who helped and offered to help harvest my grain. We will always be grateful for your generosity and kindness.

Van Knox

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful.

The Family of C. S. McCallum

With deepest gratitude we extend this word of thanks for the many kind acts of sympathy, expressed by thoughtful friends. Your kindnesses have meant much to us.

The Family of H. P. Aultiff

To those who expressed their sympathy in so many beautiful and practical ways during our recent bereavement, we extend our heartfelt thanks.

Rangers Prefer Old-Time Badge

AUSTIN—Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today the Texas Rangers are going back to the tradition - steeped Mexican badge worn by their predecessors in frontier days.

Garrison said the new official Ranger badge, issued to each of the 62 members of the force, is a replica of the badge which old-time Rangers carved out of Mexican silver pieces when Texas became a state and their duties changed from military to law enforcement.

The best information available indicates that the five-pointed star on the badge symbolizes the "Lone Star" of Texas. The points are supported by an engraving wheel.

When the department of Public Safety was created in 1935 and the Rangers became a part of it, this badge was replaced with a solid badge of somewhat different shape and design. Then in 1957, a different badge was adopted for all officers of the Department, including the Rangers. This is a modern version of the old Ranger badge, with a five-pointed star surrounded by a royal blue background.

The history of the Rangers dates back to 1823 when Stephen F. Austin hired a contingent of 10 men to "range" over a wide area to protect his colonists from Indians. Since that time, the force has been synonymous with the suppression of lawlessness and crime—first the Indians, then the bandits and cattle-rustlers, then the outlaws of the early 20th century and finally the modern-day criminals.
