FARM NEWS

from County ASCS Committee

Cotton Reapportionment

The time has now past for farmers to release and request extra cotton. Donley County had 1111.7 acres released within the county with requests amounting to well over 3000 acres.

As of this date we have not heard from the State Office as to whether or not there was any cotton turned back to the State from counties for reapportionment to other counties.

Watch your mail for your notice of adjusted allotment which will be mailed very soon.

1963 Feed Grain Program

We have had a large number of farmers who have been into the office and let us figure with them on their individual farm as to how the feed grain program would apply to them. They have taken their notes home to think it over for a few days. Let us urge you not to let the final day slip by you. March 22 is the last day for signing your intention to participate in the program.

1964 Wheat Referendum

Plans for the 1964 wheat referendum are now being made for it to be held in either May or June of this year. It is most important that each and every wheat producer vote in the referendum.

Wheat growers will have a choice of two programs for 1964. The first program would limit production of wheat to market and export needs. It would provide price support at an average of \$2 per bushel for most wheat marketed. It would offer payments for wheat acreage diverted to conservation use. It would maintain farmers' income from wheat at the average of recent years.

The alternate program would provide no limits on production on marketings, and — only to growers who stay within their allotment — price support at 50 percent of parity, about \$1.20 per bushel. It would result in increased wheat production and a sharp decrease in income for wheat growers.

You will be receiving more information about the program as soon as your county office receives it from the State.

Foundation Sponsors Contest For Youths

The Texas Panhandle Foundation is sponsoring a contest, urging school students (high school or grade school) to make a sketch 18 inches square depicting some historical event in their county to be reproduced in stone at the entrance of the amphitheatre in Palo Duro Canyon.

A Heritage committee composed of Mr. and Mrs. Harold Bugbee, Mrs. Emmett Simmons and Mrs. W. J. Lewis, Jr., has been formed for Donley County, and this committee with the assistance of Mr. Morris Ledger and Mr. Stina Cain, has chosen as the event to be drawn "The First Ranch" and the "First Christian Colony."

The sketches submitted will be judged by the committee and the winning one in each county sent in not later than March 20. Any student in any school in the Texas Panhandle from the age of 12 through high school is eligible to compete. Any student who really is interested but is younger than 12 years of age may be accepted if they contact Mr. Ledger or Mr. Cain.

Contestants will submit a black and white drawing or sketch that will depict something about the first ranch as cattle, brands, horses, etc., or maybe a church, school, or some building depicting the development of Old Clarendon. The committee felt that these events were truly a heritage that the people of Donley County should be proud of, and it will certainly be an honor for any student to have his drawing reproduced in such a historical place as the theatre in Palo Duro Canyon now under construction. Size must be 18 by 18 inches.

Judging will be based on: 1. adaptability of the drawing to duplicate in relief in stone; 2. neatness in presentation; 3. artistic value.

VOLLEYBALL TOURNNEY TO BE HELD AT LELIA LAKE MAR. 21-22-23

There will be a volleyball tournament at the Lelia Lake Community Center March 21-22-23. Sponsor of the tourney is the Lelia Lake Community. Entrance fee is \$6 per team. All entries should contact Mrs. J. C. Shields no later than Tuesday, March 19. There will be plenty to eat and soft drinks will be served.

Girl Scout Week Is Observed By Local Troops

Girl Scouts of Clarendon are observing Girl Scout Week which began Sunday, March 10, and will run through Saturday, March 16. Girls will be participating in different activities throughout the week. They sat together as a group, in uniform, at the worship service at the Methodist Church Sunday.

Beginning March 8 through March 30 the girls are selling Girl Scout cookies. Buying cookies from the girls will help them in the following ways: (1) make money for their troop treasuries, (2) raise the money for building their own established camp, and (3) help with the 1963 Camping Program, which includes Day Camping, Troop Encampment, and Established Camp.

At present there are four Brownie Troops in Clarendon and two Girl Scout Troops. This includes all of the girls from the second grade through the eighth grade with the exception of the fifth grade. There has not been a leader for this group.

Hymn Singing At Calvary Baptist Church

There will be an old-fashioned hymn singing at the Calvary Baptist Church Sunday afternoon at 2 o'clock. This will be a community-wide singing with singers from the Baptist Church in Brice and other churches in the area.

There will be congregational singing as well as quartets, solos, duets, etc. If you enjoy good gospel singing then you don't want to miss this singing.

All Christians that like to sing for their Lord are invited to attend. Remember that this is a community-wide singing and everyone is invited.

FATHER OF LOCAL RESIDENT BURIED AT OLTON

Funeral services were held Saturday afternoon at Olton for Odie Lee Williams, father of Mrs. Bessie Maebery of Clarendon. Burial was in Olton Cemetery.

Survivors include his wife, five sons, two daughters, and one brother.

Use Leader Classifieds for Quick Results.

Sabin Oral Sunday March 31st

The Clarendon Jaycees have announced that they will sponsor the Sabin Oral Vaccine, Type III, to be given Sunday, March 31st. As with previous Sabin Oral Sundays, it will be given at the Donley County Courthouse between the hours of two and four in the afternoon. No make-up date has been set.

The U.S. Public Health Service and the American Academy of Pediatrics have announced that the Sabin Vaccine, Type III, can be safely given at this time. It is recommended to those persons under thirty years of age, and to those over thirty who desire it. As previously, it should not be administered to infants under three months of age.

Circle your calendar. Sabin Oral Sunday — March 31st.

Bond Assumption Election April 6

Along with the school trustee election on April 6, voters of the Clarendon Consolidated Independent School District will vote to accept the bonded indebtedness of the old Lelia Lake School District.

The voters in the Lelia Lake District voted to consolidate with the Clarendon District two years ago and the Clarendon District voted to accept them. It was not voted at the time to accept the bonded indebtedness and this must be done at this time. This is for public school purposes only.

The Clarendon Fire Department will hold a regular meeting tonight, Thursday, at 7:30 p.m. All firemen are urged to be present for this important meeting. Chief Graham reports grass fires are becoming more numerous over the area. With the windy season coming up, he urges everyone to exercise extreme care in the city as well as on the roads to keep grass fires to a minimum.

If you would like for the Fire Department to burn the vacant lot you own, please sign the cut-out portion of this article and mail to B. L. Graham and it will be burned as soon as weather permits.

I hereby grant permission for the Clarendon Fire Department to burn my lot located at _____

(Signed) Delbert Robertson, Rep.

Mr. and Mrs. Kenneth Sams and children of Ropesville visited the week end with her mother, Mrs. Allene Estlack, and Dana and other relatives.

HOSPITAL NOTES

Patients as of Wed., March 13: R. O. Thomas, Cap Morris, Mrs. Cap Morris, C. C. Carter, Mrs. Mark Raney, Gary Baker, H. T. Burton, Jimmy Braddock, Mrs. W. C. Jones, and Grover Heath.

Dismissals: Mrs. C. E. Flowers, Sallie Haley, Narsis Jones, Mrs. Lee Leek, M. L. Rattan, Mrs. Dorothy Williams, and Evelyn Warren.

Funeral Services For W. H. Gray Held Sun.

William Homer Gray died Friday, March 8, in Groom Memorial Hospital after an illness of almost six years. Funeral services were held Sunday afternoon, March 10, in the First Methodist Church, Clarendon, with the Rev. J. V. Patterson, pastor, officiating.

Mr. Gray was born November 22, 1887, in Hopkins County and moved to the Donley County area in 1906. He was married to Miss Irene Sanders November 29, 1914, in Memphis. He was engaged in farming.

Surviving are his wife, Mrs. W. H. Gray of Clarendon; two sons, W. Vance Gray, Clarendon and Winslow A. Gray of Amarillo; one half-brother, Brice Rhoades of Sulphur Springs; also seven grandchildren.

Palbearers were Hubert Rhoades, Lynn Payne, Slaton Mahaffey, Pat Myers, Price Webb, and Van Knox. Interment was in Citizens Cemetery under the direction of Murphy Funeral Home.

Car Tag Sales Short With Deadline Near

Sheriff, Tax-Assessor, Collector, Truett Behrens announced yesterday that vehicle tag sales were unusually short with only two weeks remaining before the deadline April 1.

He stated that only about one-fourth the usual number of tags had been delivered at the present time which numbers 500. This means there will be a mad rush between now and April 1st as new tags must be on all vehicles operated on public roads at that time.

Car and truck owners are reminded also that the current car inspection stickers must be on your vehicle by April 15.

WIGINTON SERVICES HELD AT MEMPHIS

Funeral services for Dulah Wiginton, 80, retired farmer, were held Monday at the Memphis Church of Christ with minister Lloyd Shirley officiating. He was assisted by Tom Pickard minister from Chickasha, Okla. Burial was in Lakeview Cemetery.

Surviving are the wife, two sons, three daughters, one of which is Mrs. A. E. Ransom of Hedley; seven grandchildren, and one great-grandchild.

Junior College Choir Begins Spring Tours

The Clarendon Junior College Choir, under the direction of Mrs. Velma Weaver, is beginning their spring tours this week. The choir performed at the Clarendon Lions Club on Tuesday of this week and on Wednesday put on performances at the schools at Lakeview, Silverton, Quitaque and Turkey. Other tours to area schools are scheduled for March 29 and April 10.

The choir has more members this year than it has had in the past several years. The following students are members of the choir: James Allen, Jimmy Boyd, Judy Castner, Susan Cox, Jo Dishman, Leon Gibbs, Kay Green, Sheldon Jacobs, Sammy Johnston, Dellis Monk, Robert Phelps, Inelda Proctor, James Starkey, Jerry Whitfield, Presley Yarbrough, J. O. Armstrong, Eddie Hunt, Kay Lemons, Joe Lennon, Bobby McBrayer and Norma Self.

The choir is accompanied by Connie Williams.

BAPTIST BROTHERHOOD TO MEET MONDAY NIGHT

The Brotherhood of the Calvary Baptist Church will meet Monday night at 7 o'clock. There were 27 men present at the last meeting; more are expected Monday night. Supper will be served by the men of the church.

A speaker has not yet been decided upon, but there will be a speaker.

There were several visitors at the last meeting and an invitation is extended to every man. "We want to invite every man to come and enjoy a good time fellowship with us," Bro. Hill said.

Remember men, Monday night at the Calvary Baptist Church, supper will be served at 7 o'clock. Come and fill your stomach with physical food, then feed your soul upon spiritual food and let the Lord fill your cup.

MORROW IS NAMED JAYCEE OF THE MONTH

The executive board of the Clarendon Jaycees selected John Morrow as Jaycee of the Month for the month of February. John has been in charge of the Jaycee basketball team which won second place in the Shamrock tournament recently. He has been very regular in attendance and a good worker in the club. John is a student at West Texas State College.

Jaycees Purchase Portable Bleachers For Little League Park

The Jaycees have bought portable bleachers to be used at the Little League Park by spectators during the Little League season. People who have attended games in the past have had to sit in cars or stand about the fences.

The Jaycees, trying to make the park one of the best in the area, believe that by the addition of these bleachers and the construction of a press box, the park will be one that the city can be proud of as well as being an asset to the community.

The Jaycees report that they have spent more than \$1,000 at this time for materials for the park and many hours of labor have been donated by Jaycees and other individuals as well as many dollars worth of materials donated by some of the local businesses.

Jaycees say thanks to all who have given support to this project and to the support given the Little League Association.

Sheriff Issues Warning To Shooters

Sheriff Truett Behrens office has received several reports recently regarding the shooting of insulators on poles carrying REA lines in the neighborhood of the City Dump ground and issued a warning regarding the danger involved.

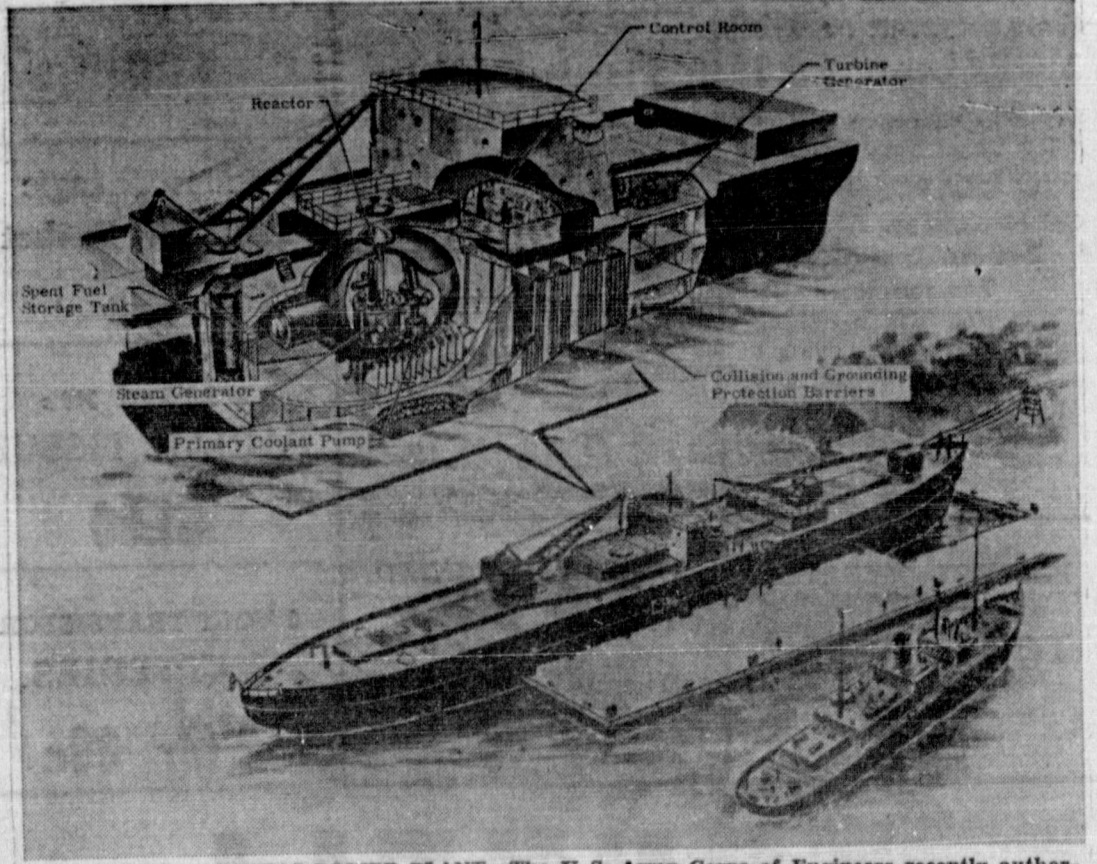

Should one of these lines drop and hit a fence, a person could be electrocuted by touching the fence a good distance away. The insulators are of an explosive type, popping apart when hit by a bullet thereby completely releasing the line.

Those who have been out target practicing with their rifles or other firearms should take special note of this warning and refrain from shooting these insulators or in any manner whereby the bullet might stray off and hit some person in a passing auto or a valuable animal. The penalty could be serious, Sheriff Behrens concluded.

BAND PARENTS TO MEET MONDAY NIGHT

Band Parents will meet Monday night, March 18, in the band room. Meeting time has been set for 7:30 p.m. and all parents of high school band students are invited to attend.

ARMY'S NEW FLOATING POWER PLANT—The U. S. Army Corps of Engineers recently authorized the construction of the Free World's first floating atomic power plant. The ship-mounted nuclear power plant which is designed to provide electric power to military units on shore, will enhance the mobility of STRAC forces. Designated as the MH-1A, the plant will have a generating capacity capable of supporting a community of 20,000. The power plant will be housed in a reconditioned and rebuilt Liberty ship, the Walter G. Perry, and will require a crew of 10. The new nuclear plant will assume tasks that are now being performed by barge-mounted diesel plants which require constant tanker escort to provide the large amounts of bulk fuel necessary to maintain operation. The Martin-Marietta Corporation of Baltimore, Md., is the prime contractor.

FIRST FLIGHT, OH-5A LIGHT OBSERVATION HELICOPTER

ARMY'S TURBINE-POWERED OH-5A Light Observation Helicopter makes its first flight over the Hiller Aircraft Corporation's flight line. Five OH-5A prototypes are now in production and should be ready for Army evaluation early in 1964. The OH-5A is fitted with an automatically stabilized rotor system. It is powered by the Allison T63 gas turbine engine. Speeds will be over 50 percent higher than present Army light helicopters.

ESTLACK MACHINERY CO. - Clarendon, Texas

BLOWIN' Out the CORNERS

The Uncle Zeb

Mrs. Nancy Norchel, Home Economist for the Lighthouse Electric of Floydada, always sends us a copy of a column which she writes for the weekly papers in that area. The one this week had to do almost entirely with recipes for making and serving cheese . . . All the hints made us hungry but the

For COLDS take 666

little saying thrown in for good measure gave us a real chuckle. It said: "Apple pie without cheese, is like a kiss without a squeeze."

Mrs. W. E. Kemp passes the following clever thought along to us: "The worst thing about getting old is that there is no future in it." Mrs. Kemp was also the first one to call and offer used clothing to Faith City Mission after we had written about their work . . .

From the Briscoe County News: "Modesty is the art of encouraging people to find out for themselves how smart you are."

Editor Tom Anderson says: "Chester Bowles," but he has never made a 'strike' for our side."

Comment from most of those who attempted the 50-mile hike: "I just pulled the dumbest stunt I ever tried yet."

Material sent by our friend Frank Daugherty; "How can we expect others to keep a secret if we can't keep it ourselves."

From a newsletter of O. R. Stark, Jr.; "When God measures a man, He puts the tape on his heart — not the head."

"The soul would have no rainbows if the eyes had no tears."

"Humility makes us lie low, and makes us think highly of God." —Spurgeon

The highest compliment a daughter could pay to her mother; "She's my mother. I had nothing to do with that. But I can choose my friends, and she's first on my list." From Sunshine Magazine.

Henry Ward Beecher once received a letter from a student asking his advice in the matter of an easy career in life. He replied; "Young man, you cannot be an editor. Do not try the law. Do not think of the ministry. Let alone all ships and merchan-

dise. Abhor politics, and do not practice medicine. Don't be a farmer, a soldier, or a sailor. Don't study. Don't think. None of these are easy. Oh, my son, you have come into a hard world. I know of only one easy place in it, and that is in the grave." From The Book of Sunshine.

Ad in a Paris Newspaper got outstanding results . . . It read: "What every young girl should know before marriage. Profusely illustrated, and sent in a plain envelope." . . . Every eager soul who clipped the coupon and sent the dollar received a cookbook . . .

The best way to go up in the world, is to be up before the rest of the world starts going . . .

The failure puts things off, and the successful man puts things over.

No man is as good as he thinks, or as bad as his enemies think.

Booker T. Washington, the negro educator, was entertained at a luncheon in the White House by President Theodore Roosevelt on October 18, 1901.

SOIL CONSERVATION DISTRICT NEWS

CROP RESIDUE USE

Crop Residue Use is utilizing plant residues left in cultivated fields by incorporating them into the soil or leaving them on the surface during that part of the year when critical erosion periods usually occur.

The purpose of crop residue use is to conserve moisture, increase infiltration, reduce soil losses, and improve soil tilth. Crop residue is applicable on cropland where seasonal soil protection is not provided by other practices and where the physical conditions of the soil needs to be improved and maintained.

If there is not enough soil moisture to insure sufficient growth for soil protection during the fall, winter, and spring, the residues should not be incorporated into the soil. Stubble mulching should be performed if a crop is planted.

Where large amounts of residue are produced, partial in-

corporation of the residue into the soil surface at least three weeks or longer prior to planting may be advisable. At least the minimum amounts of residue will be maintained on the soil surface through the critical erosion period. Fertilizers may be added at time of incorporation or afterwards to highly carbonaceous material in accordance with S.C.S. specifications for fertilizing. When insufficient residues are produced, supplemental surface roughening tillage should be performed.

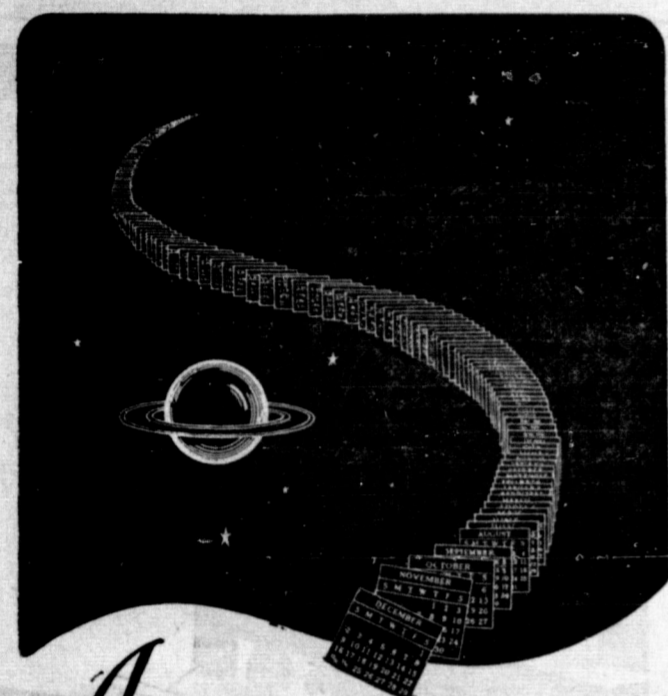

Your local Soil Conservation District stresses the importance of the correct application of this practice. For technical assistance contact your local Soil Conservation Service Office.

You remember Martha . . . the smart homemaker who put the laundry in her electric freezer to keep it ready for ironing and beat the wet weather with an electric dryer. NOW . . .

Martha gets rid of cleaning problems...

with her new **Flameless Electric Range!**

Martha always was a do-it-yourself enthusiast, and she was always handy with cleaning tools for her old-style range, too. But not any more! Now, with her new flameless electric range, cleanliness is a natural part of her kitchen life . . . with practically no effort. Cooking electrically has many other advantages, too. It's safer — it's cooler and, of course, it's cleaner! Why don't you try Martha's way . . . and live better electrically. See your electric appliance dealer right away

Live Better ELECTRICALLY!

JUST LIKE OLD MAN RIVER

If you want a truck that does its work without yelling for attention all the time, buy a "new reliable" Chevrolet.

You have to take care of it; it's a machine. But this isn't a full-time activity. The clear idea is that the truck works for you, not vice versa.

The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to

fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?

Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roofs are insulated. Body floors are select wood, not metal. Tailgate chains are wrapped in rubber. If you'd like to examine or drive a new '63 Chevrolet truck, just call us. We'll be right over.

By Congressman Walter Rogers

TAX PRESSURES

At this time every year, Uncle Sam takes his heartiest cussing from his nephews and nieces. It's time to wrestle with Form 1040. We all see the awesome percentage of income Uncle Sam requires from us. A man just can't be calm about taxes, even when he knows that the money goes to support the most perfect form of national government ever devised. His feelings about taxes aren't helped by his conviction that the Federal budget they help support is badly in need of trimming.

Walter B. Knorpp

Uncle Sam's bite is sharp. But he's not the only one who imposes a heavy duty upon the citizens. Never before this year has there been so serious a revenue problem facing U.S. State and local governments. In legislature after legislature, city council after city council, this year is being marked by a struggle to find money legislators and councilmen believe must be found to support needed programs.

FACTS: Tax collections in the 50 States have been rising at a rate of about \$1 billion a year. This year's increase is expected to be twice that.

In the period from 1947 to 1952, the debt of the Federal government rose \$40 billion, or 15 percent of the 1947 total. At the same time, the debt of State and

local governments increased \$56 billion, an increase of 332 percent over the 1947 total.

A substantial portion of Federal revenue is passed to States and cities. Grants-in-aid to State and local governments are estimated to total \$7.8 billion in the current fiscal year and would total \$8.8 billion in the next fiscal year, according to the President's budget proposal.

Approximately one-fourth of the total expenditures by the State of Texas comes from the Federal treasury. Only two other States receive more Federal money.

The State of Texas is in a critical position again this year as it seeks to meet the responsibilities of our State government. The sales tax passed by the Legislature in 1960 was only a partial, and not very popular, answer. Now the cities of the State, pushed to the wall by the property tax limitation on their revenue raising ability, also are seeking new sources of money. The

Texas Municipal League, comprised of about 600 Texas cities, is plugging for a bill in the Texas House of Representatives to give cities optional authority to levy a municipal sales tax of either 1/2 of 1 percent, by ordinance or with approval of voters, or 1 percent, with voter approval. The president of the TML, Robert Willis (mayor of Livingston), reports in the TML magazine "Town and City" this month that, "If we are to fulfill the promise of modern Texas, it is imperative that we take the action necessary now to permit local governments — especially the cities — to finance their own responsibilities out of their own revenue sources."

Showing how serious the situation is becoming, Willis points out that of the major States Texas is experiencing the third largest annual increase in population, that more than 85 percent of the annual population increase is coming in Texas cities, and that the growth is straining a taxation system he says was "inherited from the 19th century." Texas cities were spending \$528 million a year six years ago. Six years from now, city spending will be \$778 million a year. Within 10 to 15 years it will reach \$1 billion annually.

We're Texans, and Texas problems are of deep interest to us. But the picture is the same all around the country. According to U.S. News and World Report, 21 States are considering new or higher sales taxes this

year. Five more States may boost income taxes. Fifteen States are considering new or higher gasoline, cigarette and liquor taxes. And county and city levies are in for a boost in countless localities.

These common, national problems are reasons why pressures on the Congress increase as aid is sought by States and cities from the Federal government. Too many Americans assume the Federal treasury has a never-ending supply of money for urban renewal, for alleviating big-city transportation problems, for building more highways, for aiding education, for correcting pollution problems.

Congress this year must pay heed to these State and local problems. It should recognize them, not by stepping up grants-in-aid but by alleviating tax pressures on American citizens from the Federal level. This feeling is one reason why a tax cut is very likely — and a good reason why it is desirable. Reduced Federal taxation would provide leeway for tax increases that seem sure to come in many cities and States.

the "largest dollar loan without interest ever made by the United States."

Maybe India needs the money, and maybe we can afford to be so generous. But neither of these thoughts jibes with another story that broke into the news a few weeks ago.

It seems that the U.S. mission in Geneva, Switzerland, had been trying for several months to buy a Swiss chalet for its expanding operation. Finally our officials gave up on the deal, because the price of the chalet was simply too steep.

A couple of weeks later, India's mission to Switzerland bought and moved into the expensive chalet. It is hard to reconcile India's purchase of this building that we couldn't afford with the poverty implied in our latest generous loan. You'd think, at least, that the purchase might have put a damper on our generosity. — From the Editorial Section of The Dallas Morning News, Dick West, Editor.

In the open test that tears 'em apart...the Daytona 500 Ford durability conquered the field
1st, 2nd, 3rd, 4th, and 5th

BOX SCORE OF DURABILITY STAMINA AND PERFORMANCE AT DAYTONA, FEB. 24, 1963

| NUMBER STARTED | NUMBER FINISHED | POSITIONS |
|------------------|-----------------|-------------------------------|
| 12 '63 FORDS | 8 | 1, 2, 3, 4, 5, 10, 11, 17, 24 |
| 5 '63 CHEVROLETS | 2 | 8, 14 |
| 7 '63 PONTIACS | 3 | 7, 8, 13 |
| 5 '63 PLYMOUTHs | 3 | 6, 18, 23 |
| 2 '63 DODGES | 0 | |
| 1 '63 CHRYSLER | 0 | |

Daytona is no "private" test arranged by a manufacturer to favor his car's strong points. It is open competition — anyone can enter — and the one thing that is proved by its searing 500 miles is just exactly how well a car hangs together. At Daytona, Florida, on February 24, five brand-new 1963½ Fords showed the world what durability means by sweeping the first five places. And that has never been equaled in Daytona history!

The box score at the left tells the true story...car endurance that takes brutal punishment and comes back for more.

No proving ground can equal this kind of torture. Daytona was a challenge we welcomed, a chance to prove in open competition the essential durability that makes possible the silence, the solid road-grip, the ease of control, the balanced braking...and

all the other things that go into Ford's concept of total performance.

These were the same '63½ Super Torque Fords that made styling history, at their preview at Monaco, and which were recently announced at your Ford Dealer's. They're yours now, get behind the wheel and find out for yourself what total performance means!

LIBRARY NOTES:

EDITH BARNES

There are some good articles in the March "Ladies' Home Journal" and "Redbook."

Folks must be reading less fiction where magazines are concerned, as those which use to be most all fiction now have almost all non-fiction articles.

Of course too many of us are going to write them off as a lot of eye wash or think that may

apply to everyone else but not to me. Yet if even a little of what is written month after month manages to get through our armor of self righteousness, makes us think even for a little while that we might be one of the guilty the writer has done his good deed.

Doctor Spock, in "The Ladies' Home Journal," has an important message for working mothers, if she works because she has to, to feed her children, because of the extra income, because she likes working better than home making or what ever the reason, her

first concern should be who she picks for a substitute mother for her child or children. Here is what he considers important: "She should love children. She should understand their basic needs at different ages . . . She should show in actual performance that she senses and responds to a child's legitimate appeals and requirements. She should be able to enjoy the child's company and to share his interests occasionally so that he can enjoy her, and enjoy himself while he's with her . . . She should, of course, be able to control him well with a light touch and a positive approach. keep him out of serious trouble, not have to use harsh punishment or stern disapproval."

Here are some that he thinks unimportant: "I myself wouldn't worry about whether a woman spoke good English or was well educated or was neat and clean or had taken a first-aid course." Since so many of us gag on the gnat but are able to swallow the camel with no effort there is going to be some teeth gnashing over his last statement if not over the first.

Also in the same magazine is something we, who are not getting any younger, should have printed in big letters and hung where we could read it often then practice it: "An old man becomes what he has been only more so."

If we want it more high brow Plato wrote: "If they (men or women) possess well-regulated mind's and easy tempers, old age itself is no intolerable burden; if they are differently constituted, why in that case, they find even youth is as irksome to them as old age."

HEDLEY NEWS

Mabel Bridges

Dulah Wiginton, 80, former McKnight resident, died in a Memphis hospital Sunday morning. Funeral services were held in the Church of Christ at Memphis Monday afternoon. He is the father of Mrs. A. E. Ranson, Jr., of Giles.

R. B. Christian of Turkey, former Hedley High School coach, was a Hedley visitor Friday.

Mr. and Mrs. Harry S. Boatright of Boys Ranch spent last Friday, Saturday and Sunday in their home in Hedley.

The Hedley American Legion Post observed the American Legion's 44th birthday with a supper Tuesday night. The Post is nearing its 1963 quota of 91 members.

J. W. Noel of Memphis was a Hedley visitor last Saturday.

New officers and directors of the Hedley Lions Club will be nominated Thursday night. Nominees will be voted upon at the March 28th meeting of the club. Jack Hoggard is in Fort Worth on business this week.

The Coquettes, girls' volleyball team sponsored by the Clifford Johnson Insurance Agency, won the volleyball tournament at Lakeview last week. They have entered the Hedley tournament this week.

SOIL CONSERVATION DISTRICT NEWS

STUBBLE MULCHING

Stubble-mulch farming is a planned system of tillage operations and use of crop residues to conserve soil and water. It includes harvesting, preparing the seedbed, controlling weeds and planting in such a way that protective amounts of residue of the previous crop remain on the soil surface until a new crop is established.

The residue of small grain, grain sorghum and other high residue-producing crops is suitable for stubble-mulch farming.

The stubble left on the surface of the soil protects the soil from raindrop splash and wind. It eventually decays and returns to the soil a humus.

Wind erosion is a problem on many unprotected soils, but is more severe on sandy soils. The critical wind erosion period in the Rolling Plains is from late fall to late spring. Water erosion can be a problem wherever slopes are steep enough that runoff will occur. A protective surface cover is necessary during seedbed preparation and through the planting of the following crop. Surface residues will protect the soil until the newly planted crops can develop sufficiently to take over this protective role.

You, as the farmer, should always keep in mind that conservation through improved ways will make farming more economically feasible. Your Donley County Soil Conservation District will assist you in any way in the application and management of this practice. Contact your local Soil Conservation Service Office for additional information.

DONLEY DRIVERS URGED TO GET SAFETY STICKERS

Many motorists in Texas are going to be faced with long lines and waiting periods in order to have their cars inspected prior to the April 15 deadline. Only 39 per cent of the 586,270 registered vehicles in Region 5 of the Texas Department of Public Safety have visited safety inspection stations and obtained their 1963 safety inspection sticker, according to Captain Alan Johnson, Motor Vehicle Inspection Service of the DPS.

"All registered vehicles in Texas must be inspected by April 15 and have a 1963 inspection sticker on the windshield," Captain Johnson said. He stated that there would be no extension of the April 15 deadline and ad-

Given cool reception to a series of Senate-proposed constitutional amendments and bills designed to revise — and eventually eliminate — the state property tax, and leave it to local units of government.

Approved a Senate bill to set up a new school for mentally-retarded children in Corpus Christi. Another bill to create a similar school somewhere west of the 100th meridian in West Texas is set for a Senate committee hearing on March 20.

BUDGET HEARINGS — In two quiet rooms in the Capitol and one in the Sam Houston State Office Building, budget hearings are grinding toward an end by the Senate Finance and House Appropriations committees, and by Governor Connally's budget staff.

These groups have the most influence on how the state's \$3,000,000,000 income will be spent in the two years starting September 1.

Their figuring will determine whether the hearings by the House Revenue and Tax committee eventually will turn into serious consideration of bills for sales tax revisions.

It's very likely that the first bill to increase taxes will be one revising the exemption on outer clothing under \$10, and other items, to raise sales tax revenue by \$10,000,000 a year.

COURT RULES ON SAFETY LAW — Col. Homer Garrison, Jr., director of the State Department of Public Safety, cautioned drivers of publicly-owned vehicles that they must comply with the provisions of the state's responsibility law.

Garrison said that a recent ruling by the Waco Court of Civil Appeals confirmed the fact that the law must be complied with by drivers of publicly-owned vehicles. The safety responsibility law requires everyone involved in an accident to show his ability to pay for damages caused to others.

This can be done by purchasing a liability insurance policy; by obtaining written releases from damaged persons; or by depositing cash in the amount of damages with the Department of Public Safety.

House Committee on Insurance has approved a bill by Rep. Robert Fairchild of Center which would strengthen and stiffen the safety responsibility law. Under this bill, if anyone failed to prove financial responsibility, the DPS could take his driver's license, as well as his car license plates.

GOVERNOR'S APPOINTMENTS — Governor Connally has made these new appointments:

Everett Fulgham of Lubbock has been named to the State Securities Board.

Appointed to the Board of Regents of State Teachers Colleges are Clayton Heare, Amarillo; Otis Lock, Lufkin; and Dr. Jose San Martin, San Antonio.

W. S. Bellows, Jr., of Houston will fill the unexpired term of Joe Ed Winfree, also of Houston, on the Board of Control.

The Philippines Republic has swapped position with Cuba as America's No. 1 source of cigar imports, says the Philippine Tobacco Board.

In 1626 Peter Minuit purchased Manhattan Island from the Indians for trinkets worth about \$24.00.

PATHFINDER CLUB PRESENTED REVIEW AT REGULAR MEETING

Mrs. William J. Lowe and Mrs. J. V. Patterson were hostesses when Pathfinder Club met at Patching Club House Friday afternoon, March 15. The St. Patrick theme was carried out in decoration and the refreshment plate.

Mrs. Heckle Stark, president, called the meeting to order, and Mrs. T. M. Caldwell, Jr., led the group in the Pledge of Allegiance to the Flag.

The program was presented by Mrs. C. E. Bairfield who gave a splendid review of the book "Preacher's Kids" by Grace Nies Fletcher. As "Preacher's Kids" young Grace Nies ran into unusual problems. For one thing, they had 200 parents — their father's parishioners — trying to bring them up. But they wouldn't have traded their childhood, full of love, inspiration and laughter, for any other. The story is a sequel to "In My Father's House."

Attending were Mesdames Karl H. Adams, C. E. Bairfield, John Bass, George Benson, T. M. Caldwell, Jr., Joe Goldston, Wm. S. Greene, Genoa Lowe, S. W. Lowe, Wm. J. Lowe, J. V. Patterson, and Heckle Stark. —Rep.

GOOD NEIGHBORS CLUB MEETING

The Good Neighbors Club met March 8th in the home of Eula Butler. One quilt was finished.

A covered dish luncheon was enjoyed at the noon hour to eleven members and Mr. Butler. Mrs. Spradlin came in the afternoon.

Our next meeting will be March the 22nd with Rosa Birmingham. —Rep.

MARY MARTHA CLASS HAS BUSINESS MEETING

The Mary Martha Class met Tuesday, March 5, in the dining hall of the First Baptist Church for their luncheon and business meeting. After a scrumptious meal, President Mrs. James Smith presided at the business meeting. Mrs. Carl Naylor brought the Devotional. Her scriptures were found in third chapter of Proverbs. Her message was entitled "Some to Hold to." Mrs. D. M. Cook had charge of the program. She handed each member copies of quotations from famous Christian authors to be read by each member. We found them very inspiring and enjoyed them.

Our class project is to remember someone less fortunate than we each month. Last month we remembered Inez Rest Home. This month our love offering went to Mrs. D. C. Williams, a shut-in.

Those who had a part in this meeting were Mrs. Walter Clifford, Mrs. James Smith, Mrs. D. M. Cook, Mrs. Doss Palmer, Mrs. D. E. Leathers, Mrs. R. C. Regan, Mrs. Pat Myers, Mrs. A. H. Moore, Mrs. George Benson, Mrs. Walter Lowe, Mrs. M. C. Rumpy, Mrs. Carl Naylor, Mrs. Van Knox.

Next meeting will be the first Tuesday in April, the 2nd. —Rep.

GIBSON-CULVER NUPTIALS SOLEMNIZED

An evening ceremony, February 28, in the Assembly of God parsonage at Lompoc, California, united in marriage Miss Tammie Jean Gibson, daughter of Mr. and Mrs. Gar Gibson of Clarendon, and Airman First Class, John O. Culver, son of Otis L. Culver of Van Nuys, California. The pastor, The Rev. J. O. Epperson, officiated at the double-ring service.

Attending the couple were Miss Linda Epperson and Marine P.F.C. Jim Cox.

Nuptial selections were presented by Mrs. J. O. Epperson and following the ceremony the couple was honored at a wedding supper climaxed by the serving of a three tiered wedding cake.

After a trip along the coast and a visit to points of interest there, the couple will be at home in Lompoc, California, where Mrs. Culver is engaged in church work and assists with the presentation of a radio program. Mr. Culver is with the 392nd Aerospace Med. Gp., Vandenberg, A.F.B.

HUDGINS CLUB MEETS IN NOBLES HOME

The Club met March 5th with Mary Lee Nobles as hostess. One quilt was finished.

Those present were Mamie Mills, Ola Bradshaw, Belle Smallwood, Bessie Lane, Cora Elliott, Harlene Phillips and boys, Paul-Jones will be hostesses. Bring pie Lindley, Wilma Lindley and one new member, Ruth Hudson. Refreshments of cake, cookies, coffee and tea were enjoyed by all.

Our next meeting will be March 19th with Harlene Phillips as hostess. —Rep.

MISS BENSON NAMED TO DEAN'S HONOR ROLL

Miss Judy Benson, daughter of Mr. and Mrs. C. L. Benson and a student at the University of New Mexico, Albuquerque, has been named to the Dean's University College Honor Roll for the fall semester. An average of 3.25 must be maintained to receive this recognition and Judy's average was 3.6.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. William B. Hanna of Rockport, Texas, are announcing the engagement and approaching marriage of their daughter, Martha Ann, to Mr. Claude DeBord, son of Mr. and Mrs. Bert F. DeBord of Ashtola.

Miss Hanna is the niece of Mr. and Mrs. J. H. Howze of Clarendon.

The couple plan to be married in the First Presbyterian Church, Clarendon, Texas, in early June.

ASHTOLA CLUB MEETING HELD MARCH 7

The Ashtola Club met Thursday, March 7, at the Center. In the absence of the President, Veta Mahaffey, the vice president presided. We voted to change the program for next meeting. Instead of the flower exchange as originally planned we will have an all day meeting and will quilt. All members are urged to come and bring your thimble and a covered dish. Those who don't quilt are urged to come anyway and visit with us. We will make it a day of fellowship as well as a work day.

Only nine members were present last meeting. Let's try to raise our attendance record next meeting.

Attention all members — our little Club Sweetheart, Patricia Trout, celebrates her birthday next Sunday, March 17th. Let's send her a card. —Rep.

CHAMBERLAIN CLUB HAS REGULAR MEETING

The Chamberlain Club met with Earnestine Bates as hostess. One quilt was quilted.

Refreshments were served to Clara Mae Carter, Eunice Mann, Ethel Dingler, Vivian Allen, Laura Ivey, Mary Mann, the hostess, and one visitor, Opal Williams.

Next club meeting will be March 14. Clara Mae Carter will be hostess. We will tack quilts. —Rep.

GOLDSTON QUILTING CLUB MEETING

Goldston Quilting Club met March 7 in the home of Blanche Gray. One quilt was finished.

Refreshments of cake, coffee and tea were served to eight members and one visitor. Maudia James and Carolyn Davis received pollyanna gifts.

Next meeting will be March 21 with Bonnie Davis. —Rep.

SR. H.D. CLUB TO MEET FRIDAY

The Senior Home Demonstration Club will meet Friday afternoon March 15, in the home of Mrs. W. L. Jordon. Meeting time has been set for 2 p.m. The program for the afternoon will be quilting. —Rep.

CHAMBERLAIN CENTER SCENE OF MEETING

A good crowd attended and enjoyed the "42" party at the Center Friday night, March 1. We had several visitors. We always enjoy having them and invite them back again.

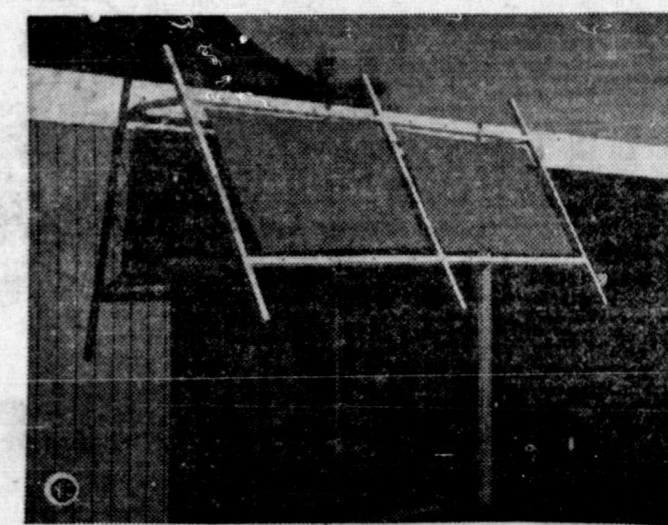

Friday night, March 15, Mrs. Theron Holland and Mrs. J. D. Jones will be hostess. Bring pie and the hostess will furnish the drinks. —Rep.

Misses Edgar Mae and Mable Mongole visited the week end with Mrs. Marguerite Goodner in Amarillo and attended the TSTA meeting Friday.

Mr. and Mrs. L. T. Whitlock visited a short time Sunday afternoon in the home of her sister and husband, Mr. and Mrs. G. W. Estlack.

AMERICANA ROOM—From the colorful cotton braid rug on the floor to the exposed beams on the ceiling, this living area has the Americana touch. Cotton fabrics on the table, at the windows, and on the furniture are further enhanced by imaginative use of cotton trimmings by Conso.

NEW DESIGN—Bright canvas panels, angled against the sun, are laced on simple wood frames to blend with clean-lined architecture of this modern home. This year's awnings and patio canopies combine smart styling and practicality. The heavy cotton sunshades can lower indoor temperatures as much as 15 degrees and save on air conditioning costs.

John Arbutnot, a Scotsman, Alabama seceded from the Union January 11, 1861, and re-known as John Bull. entered July 13, 1868.

ALVIN LANDERS WE DELIVER W. E. RAY

LACROSSE ANYONE?—Cadets at the U. S. Military Academy Preparatory School, Fort Belvoir, Va., keep in top physical shape through an extensive physical training program. Conditioning exercises, tests, intramural and school team sports, supervised special instruction, and cross country and road runs, prepare the cadet for the Physical Aptitude Test and the strenuous athletic program at West Point. Admission to the Preparatory School is limited to enlisted personnel on active duty in the Armed Forces who have a valid nomination for appointment to the U. S. Military Academy and who meet required medical and academic standards. Information is contained in AR 350-55 and the U. S. Military Academy Catalogue. Applications must be submitted to the individual's commanding officer by June 30, 1963.

Governor Connally, who still is recuperating from a hernia operation, believes he can get a better balanced committee if he names all members.

TRESPASSING BILL — Rep. Bill Rapp of Raymondville, wants to simplify trespassing convictions.

He has introduced a bill that would allow a landowner to establish ownership simply by going into court and swearing he owns the land. But Rapp found few supporters when he appeared before the House Criminal Jurisprudence Committee.

Rep. Travis Peeler of Corpus Christi backed him up. "I know of no convictions in my area," he said. "It is so absurd to spend maybe \$500 to establish title to get a \$50 conviction, no one tries it."

Rapp told the committee, "I own no land, but I feel that a man who owns land should be able to keep me off if he doesn't want me on. People know they can get by with trespassing under the present law, so they trespass."

He said ranchers in his part of Texas are especially plagued with trespassing hunters.

Criminal jurisprudence committee agreed with Rapp that a man should be able to protect his land from hunters who might mistake cows for deer. But some were afraid that the bill could be used to establish title in an ownership dispute.

So the bill was sent to a subcommittee to have the wrinkles ironed out.

LYNCH BAN CONSTITUTIONAL — A law prohibiting lynching is constitutional, says Atty. Gen. Waggoner Carr.

Carr also held that Floyd R. Palmer Landscape Company can be held to a bid of \$16,161 for landscaping work around a state office building, even though the company says it will lose money on the project.

In other opinions, Carr said: A facility caring for six or less children during the day must be licensed as a commercial boarding house.

A county which purchases gasoline for its own use must pay the state excise tax, but is not subject to the federal excise tax.

Texas, buying and registering cars in other states, still must

pay the 1.5 per cent tax on the purchase price if the car is operated in Texas.

New residents coming into the state, are subject to a \$15 use tax, he says.

VENDORS WIN — The state cannot collect the two per cent sales tax on sales through vending machines, where each sale is less than the minimum 24-cent taxable range.

Justice John C. Phillips of the Austin Court of Civil Appeals pointed out that the sales tax is a levy on the consumer, not the vendor.

"VACATION STATE" — A lady legislator believes the slogan "Vacation State" will bring Texas a bundle of tourist dollars.

Rep. Myra Banfield of Rosenberg wants that slogan placed on all future Texas auto license plates.

She has introduced such a resolution in the House, asking that the Texas Highway Department order it done.

"Personally, I believe that tourism can bring more money into our state than any industry," she says.

VACCINATION REMINDER — Texas Health Department currently is reminding travelers to foreign countries of the need for certificates of vaccination.

Citizens planning to go abroad or visit the interior of Mexico must obtain a smallpox vaccination certificate.

U.S. citizens returning from another country are required to have a valid International Certificate of Vaccination or re-vaccination against the disease.

SENATE CHANGE PROPOSED — Big city legislators joined Rep. Tom Bass of Houston in a new effort to break up the rural domination of the state senate.

Bass' resolution calling for a vote on a constitutional amendment that would cut out the limitation of one senator per district was signed by Reps. Herbert Shutt, Chet Brooks and Charles Whitfield of Houston; V. E. Berry and Jake Johnson of San Antonio; Dick Morgan and George Macatee of Dallas, and Dave Finney of Fort Worth.

Under Bass' proposal, Harris County would get four state senators on the basis of qualified electors. But no one has suggested a solution to the constitutional limitation that restricts the senate to 31 members.

OPEN MEETINGS — By the time Rep. Chet Brooks' bill to ban secret sessions by all state and local boards, commissions and councils passed the House of Representatives, it was little more than a legislative resolution in favor of open public meetings.

Brooks — news reporter on leave from the Houston Post — failed in his attempts to fight the exclusion of a penalty. So the way the bill now stands, if a citizen is barred from a meeting of elected governmental officials, he may seek an injunction against the barring group.

Rep. Charles Whitfield of Houston said, "Ordinarily, it takes eight or 10 days to get an injunction. Meanwhile the meeting is over."

COUNTY PARKS BILL PASSES — House of Representatives voted to give county commissioners authority to set speed limits in county parks and more regulations against littering.

Rep. James L. Lattimore of Corpus Christi was author of the bill. It now goes to the Senate for confirmation.

SHORT SNORTS

Texas again led the nation in 1962 as the foremost interstate highway builder, with 3,000 miles of highway construction contracts awarded during the year.

Rep. Bill Rapp of Raymondville and Rep. Maurice Pipkin of Brownsville introduced a bill to repeal the 1961 Sunday Blue Law.

State Comptroller Robert S. Calvert said a new cigarette vending machine permit — a gold, pressure-sensitive decal — must be displayed on all machines March 1.

Texas Railroad Commission ordered an oil allowable of 28 per cent for March. This would be a production decrease of 56,559 barrels per day from the 29-per-cent February allowable.

On March 20, principal executives from oil purchasers throughout the nation will come to Austin to testify on the demand for Texas oil.

Savings and loan associations may operate multiple branches within the same city says the Third Court of Civil Appeals in Austin.

Highlights
AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN — Some like it hot. Some like it cold.

Politicians seem to prefer the latter. So, candidates again will campaign from the freezing weather of January and February, right up to the heat of summer.

This preference on the part of office holders became evident when the Texas House of Representatives killed a bill by Rep. Howard Green of Fort Worth that would have moved the Spring voting dates to August and September.

Representative Green urged passage of his bill to bring the voting dates closer to the General Election and thus cut campaigning time in half. But the House would have none of it. Legislators decapitated the bill 97 to 44.

Opponents argued that August was vacation time, therefore a poor time to try to get out the voters.

Green countered with a reminder that absentee voting took care of that problem.

But the House refused to con-

cur. In fact members proved their almost total dislike for the bill by a most unusual move. They struck the enacting clause . . . which was like severing a head and leaving only the body.

FIRST FILIBUSTER — Gov. John B. Connally's program on higher education has run into trouble in both houses of the legislature.

House State Affairs subcommittee, considering the bill to create a 25-member study committee on higher education, is holding up the measure in the lower chamber.

Sen. Andy Rogers of Childress delayed action on the bill for at least six days with a Senate filibuster.

House subcommittee and Senator Rogers both feel that other top officials, in addition to the governor, should have a say in selecting the 25 committee members. They propose that the governor name 15 committeemen, Lt. Gov. Preston Smith five, and Speaker Byron Tunnell, five.

"Once you've typed on an electric portable, you'll never type on a manual typewriter again!"

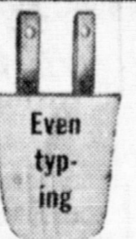

Electricity lets you underline a full row of words just by holding down the key, rat-tat-a-tat, just like that. The same is true for dashes, spaces, dots and the letter "X" for crossing out.

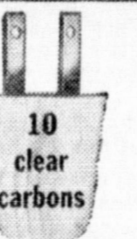

Electricity lets you type as fast as you want even if you're a speed champ. And there's no jumbled letters, no jumpy lines, no uneven spacing.

Electricity does the work for you. There's no pounding the keys. And you can adjust the Touch from featherlight to the same as a manual's.

Electricity gives you an expert's even touch on the keys. All letters are typed with the same even blackness . . . your typing looks perfect.

You adjust a dial and can make up to ten carbon copies. More important, the tenth is just about as clear and readable as the first.

SMITH-CORONA CORONET—Crisp, modern styling. Four decorator colors. Full office keyboard. Choice of many type styles. Lightweight all-steel carrying case. **ONLY \$10 DOWN.**

St. Patrick's Day Celebration Slated For Saturday, 16th

SHAMROCK — This Irish City in the Texas Panhandle is putting the finishing touches to plans for the 17th annual St. Patrick's Day Celebration to be staged this year on Saturday, March 16.

"The program is shaping up well and if the luck of the Irish proves true, weatherwise, we could have one of the most colorful festivals in the long history of the unique celebration," said Jim Moore, general chairman. "We hope that, as in past years, the fun-loving residents of the

LOST

LOST — Male German Shepherd dog, 1 year old, answers to the name of Shane. Reward. Walter B. Knorrp. (7-2c)

Clarendon area will join us on the glorious day," Moore stated.

Kicking off the series of program features will be the Pre-St. Patrick's Day Banquet to be held in the Armory on Friday night, March 15, with Frank N. Ikard, president of the American Petroleum Institute, as guest speaker. Sharing the spotlight with Mr. Ikard will be the talented Brooks Trio of Denton, which completely captivated last year's audience. Saturday will be jam-packed with entertainment such as the gigantic street parade with scores of beautifully decorated floats, marching bands and drill teams and many other exciting entries.

The giant sound stage at the corner of Main and Second Streets will be the scene of a series of programs of interest to young and old alike. It's there that the Donegal Beard Growing Contest will be held, and fiddlers of the area will vie for honors and cash prizes. Miss Irish Rose of 1963, selected from more than 20 comely colleens, will be crowned in an impressive coronation at the Armory during the afternoon. For the Western minded Irishmen, a rodeo will be held at the Sheriff's Posse arena. Three dances are scheduled Saturday night, the biggest of which will be the regular St. Patrick's dance to be held at the Armory, with Jess Gayer and His Orchestra furnishing the music. Leon Miller and His Western Band will play for a Western dance at the junior high school gymnasium, and a "coat and tie" dance is

slated at the American Legion Home. A real Irish welcome awaits you at Shamrock.

According to a Department of Agriculture publication, the persistence of a relatively high birth rate, a low death rate, and a moderate amount of immigration have made it likely that the U.S. population will rise to 245 million or more by 1980. That is 30 per cent above the present population of 187.5 million.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION Sealed proposals for constructing 6.855 miles of grading, structures, base, and surfacing from 5 Miles South of Gray Co. Line, South 6.855 Miles on Highway No. RM 2695, covered by A 560-4-2 in Donley County, will be received at the Highway Department, Austin, until 9:00 A. M. Bronchoettes Place Four On All-District Team

Even though the high school Bronchoettes ended up in second place in conference play for the 1962-63 basketball season four of the girls were picked by the coaches in the district for all-district honors. Dorothy Richey who spent much of the season on the bench due to knee injuries received the first nomination for the forwards. Connie Martin was the first nomination on the guard end. Mollie Floyd was also chosen for the second successive year and Sharon Williams was the fourth girl to be selected. Cheryl Fedric, a freshman, was given an honorable mention. A total of six forwards and six guards were chosen for the all-district team this year.

The local girls were district champs for two years. Last year's team won the bi-district but lost to Idalou in regional play.

In Conference 2-A basketball play for the 1962-63 season, after losing to Wellington and to Canadian, the local girls defeated both teams in a second meeting on their home court. In their first meeting with Wellington the score was Wellington 42, Clarendon 39 and in the second meeting the score was Clarendon 50 and Wellington 35. The scores with Canadian were a little closer as Canadian defeated the Bronchoettes in the first game at Canadian 44 to 39 but when the game was returned the score was 39 for Clarendon and 32 for the Canadian team. The score at the start of the third quarter was Clarendon 34, Canadian 19 as the local girls scored only 5 points on free shots while allowing the visitors 13 points in the last quarter, several of which were made in the last minute of play. Sharon Williams was crowned Basketball Queen for the 1962-63 season.

Now that basketball season is over, we are getting ready to start tennis. Several prospects have reported for work outs. Among these are Regina Borden, Sharon Williams, Cheryl Fedric, Melissa McCully, Melinda Moore, Ann Allen, Betty Dever, Pat Banister, and Sandy Deyhle for the girls' competition.

For the boys, tennis competition, Richard Bell, Douglas Bradshaw, Jerry Elmore, David McBrayer, Phil Hart, and Steve Stewart. It is hoped that the weather will co-operate with the desire for wanting to play this fine sport which can be played by folks of most any age.

Mr. and Mrs. Sidney Ezzell of Eunice, N.M., visited a few days last week in the home of Mr. and Mrs. J. C. Estlack.

LAST RITES HELD FOR ODESSA RESIDENT

Last rites were held in Odessa Saturday for Mrs. Octa (Speer) Scurlock, sister of Mrs. S. D. Churchman of Clarendon. Services were held at Rex Chapel there with graveside services and burial at Rose Hill Cemetery in Fort Worth Monday. Mrs. Scurlock died Thursday.

Survivors include a daughter, Miss Doris Scurlock, and a son, Jack Scurlock, both of Odessa; three sisters, Mrs. S. D. Churchman of Clarendon, Mrs. Leonora Merrell of Garland, Mrs. Eula Rush of Fort Worth; six grandchildren and three great-grandchildren.

Attending services from Clarendon were Mrs. Zack Salmon, Mrs. O. B. Rampey, Mr. and Mrs. Glenn Churchman, Mrs. S. D. Churchman and Mona were unable to attend.

WOOTEN TO BE PRESENTED AWARD

Frank D. Wooten of Palmer Motor Company, Clarendon Ford dealership, will be presented Ford Motor Company's 300-500 Club award at a banquet at the Skirvin Tower Hotel in Oklahoma City March 16. The banquet will honor high-ranking Ford dealership car and truck salesmen of 1962 in the Oklahoma City District. The average 300-500 Club member sold near \$400,000 of automotive merchandise in qualifying for the national honor.

Martha Jo Schollenbarger of Guymon, Okla., visited Mr. and Mrs. George Schollenbarger, Mr. and Mrs. Robert Bain and family and Mr. and Mrs. Adam Risley last week.

Martha Jo Schollenbarger of Guymon, Okla., visited last week with her parents, Mr. and Mrs. Lloyd Risley and family.

Cub Scout News

The Cub Scout tour of Amarillo was enjoyed by all who went. Many thanks go to Delbert Robertson, who arranged the tour, and to Jake Lamberth, who is chairman of the transportation committee. Eighty Clarendon people were on the caravan. The group first toured the Borden plant, then went to Mead's Bakery. The boys played in Elwood Park before eating their sack lunches. After lunch there was time for individual shopping or sight-seeing. At 2 o'clock the group met at the Amarillo Police Station and were shown the Station and Police Museum. This tour was termed "the best" by many boys.

The Fire Station was next on the list and the boys were shown the new Snorkel fire truck, the firemen's sleeping and eating quarters, and offices there.

Because the boys felt they must see Major Comar of KGNC-TV, hasty arrangements were made to go to the station. We were given only a short visit with Major Comar and were on television only as a group.

Our March Pack meeting will be Monday night, March 25th, at the First Christian Church. Emmett O. Simmons is now in charge of awards. Awards to be given at the March Pack meeting must be turned in to him by Monday, March 18. Help him in his new job by turning in awards on time and written clearly on paper. Remember, gold and silver arrows must have the rank of Wolf, Bear, or Lion under which they are given. The boys should

turn in their awards to their Den Mother who will then give them to Mr. Simmons. On Monday night, March 11, a Cub Scout Training Session for Pack Committeemen was held in the hospitality room of the Farmers State Bank. Mr. Melvin Jennings of Memphis and Mr. Tex McCoy of Pampa were present to show a film on Pack Management.

SCHOOL CAFETERIA MENU

Week of March 18-22
Monday: Barbecue on a bun, potato salad, celery stick, cherry pie, ½ pint milk.
Tuesday: Baked ham, candied sweet potato, green beans, cranberry sauce, hot rolls, butter, ½ pint milk.
Wednesday: Roast beef, cream corn, green peas, stewed apricots, hot rolls and butter, ½ pint milk.
Thursday: Hot dogs with chili baked beans, green salad, apple pie and butter, ½ pint milk.
Friday: Tuna salad, blackeyed peas, carrot sticks, fresh fruit jello and whip top, enriched bread and butter, cake, ½ pint milk.

Visitors in the home of Mr. and Mrs. Lloyd Risley and visiting with Martha Jo Schollenbarger during last week were Gay Cole, Alice Davis, Frances Kennard and Jennifer, Wilma Lindley and Jay, Gayle McCaskil, and Sherry Semrad and Melissa.

Mr. and Mrs. Oscar Thomas of Lubbock visited relatives and friends here Sunday.

Food chains with two or more stores had a sales volume of \$27,535 billion last year, according to Chain Store Age — a gain of 3.8 per cent over the previous year.

NOTICE TO DEBTORS AND CREDITORS ESTATE OF EARL EDWARD BULLOCK, DECEASED

No. 1397. County Court Donley County, Texas.
All persons who take notice that Loyd Cecil Bullock who resides on Route V, Tulla, Texas, and Charlie Leonard Bullock, who resides at 907 Bowie, Amarillo, Texas, were named as executors of the last will, and estate of Earl Edward Bullock by the county court of Donley County, Texas, on March 12th, 1963, and have duly qualified.

All persons having claims against the estate of Earl Edward Bullock, and/or all persons being indebted to the estate of Earl Edward Bullock, will present such claims to the above named executors or either of such executors at their residence, and all persons being indebted to the said Earl Edward Bullock, will pay such debts to the above named executors. This March 12th, 1963.

Loyd Cecil Bullock, Executor, Route V, Tulla, Texas.
Charlie Leonard Bullock, 907 Bowie, Amarillo, Texas. (1-1c)

FACT AND OPINION

One of the most important institutions which has made possible the astounding development of the American society is the "rule of law." When the "rule of law" prevails, men can predict the consequence of their actions and can avoid entanglements and difficulties with political authorities. The deterioration of the "rule of law" continues at an accelerated pace and has reached a point where men can no longer even estimate the consequences of either their individual or their collective actions. — Strom Thurmond, U.S. Senator from South Carolina.

CARDS OF THANKS

We would like to say "thank you" to all of the wonderful people who were so helpful and kind to us during the illness and passing of our loved one. Your kindness will never be forgotten. May God's richest blessings ever abide with you.

The Family of W. H. Gray

We would like to express our appreciation for all the cards, flowers and food sent during the illness and death of our loved one.

The V. W. Carpenter Family
