

News of Baird PEOPLE & THINGS

By E. M.

ABOUT THIS TIME of year, every year, the yards begin to show up a mass of color, and even though rain has been scarce, this year is no exception. A thing to see is the yard of Mrs. B. O. Brame at 531 East 10th. Her iris bed is a multi-colored beauty, and she has a lot of roses thrown in for good measure. . . . Another thing we would recommend you seeing is a very pretty Snowball bush at Mrs. Adria Baulch's at 421 Race. It is a very pretty sight. There are dozens of other yards that are colorful and pretty, and we will try to mention more as they are called to our attention.

SPENT THE WEEK end in Dallas, and made it home without incident, which is no bad accomplishment considering the traffic. Doesn't matter if they are going just a block, people there drive like they were going for a long trip. Went out to Six Flags Sunday, which was Press Day. It is fabulous, and we would recommend it to you. It is quite a deal. Saw thousands of people, but only one group we knew. Got within waving distance of the Jerry Sitton family of Cisco. Jerry publishes three newspapers in Eastland County, and son Jim, and daughter Judy are students at S.M.U. where Jim shows great promise of being one of Southern Methodist's top football players.

CONGRATULATIONS ARE in order to members of the Jr. Wednesday Club and the Neophyte Club of Baird. They walked away with a major share of the prizes awarded at the Mesquite District Federated Club meeting in Graham Friday . . . and before we forget it, let's say congratulations to Curtis Sutphen, Sonny Wristen and Rabbit Jones on their fine new Premier service station on West Highway 80. They have their official opening Saturday as you will see from an ad elsewhere in the Star. Go by to see their attractive place.

WE WERE SORRY to hear that Elton Ables is leaving Baird and resigning as manager of the Chamber of Commerce. Elton has done a top job, and the town will surely miss him and his family. It will be hard to find a man who will be as enthusiastic, as loyal and as hard a worker as Elton has been. Best wishes will go with him as he takes a well deserved promotion. He is joining the staff of Abilene Chamber of Commerce on May 16.

IT IS ALMOST time for the annual Callahan County Sheriff's Posse Rodeo, and we will all want to make plans to attend. Tickets, the reserved kind, are on sale at the Chamber of Commerce. Hear that the boosters got a good reception on their rodeo boosting trip Saturday, and already, they are making plans for a similar trip this Saturday. Our scouts report that Chas Walker, Akers and Hardwick did a creditable job in cooking the barbecue and other things which were served at noon Saturday. Haven't heard if a repeat is in store for the trippers this Saturday.

LET'S ALL REMEMBER to put out our spare bottles Saturday as members of the Little League baseball teams are coming by to get them. They are sponsoring the bottle drive to raise a little money to kick off the L.L. season early next month. . . . And let's remember that we are still in the middle of a clean-up campaign, so get the trash all gathered up and ready for the haulers.

Mrs. Sam McClendon, former Callahan County resident, now living in Fort Worth, has been in Harris Hospital there the past four weeks, after suffering a stroke. She was moved to Jones Convalescent Home 1723 Hemp-hill St., Room 16, Fort Worth. She will celebrate her 89th birthday there Sunday, April 28.

County Commissioners Faced With Cost Rise; Fund Loss

Callahan County commissioners will be faced with the problem of increasing costs and dwindling valuations as they meet as a board of equalization on May 14 to set values for the coming year as required by law. The board is faced with a possible loss of more than a million dollars in taxable valuations

Rummage Sale Plans Are Completed Here

Things were shaping up this week for the Saturday rummage sale sponsored by the Wednesday Club as a benefit for the County Library, it was announced by club officials this week. The sale will be held on two consecutive Saturdays, beginning Saturday, April 27, at the Terrell Building on Market Street in place of the Gilliland Building as was planned. Contributions of clothing, furniture and other household items were still being accepted for sale and everyone was urged to contribute something to it. There will be sandwiches and drinks on sale during the day. The money derived from the sale will be used to improve library facilities.

Mr. and Mrs. Webb make their home in Baird where they are members of the Methodist Church. They have one son, Mike.

Boosting Baird

By Elton Ables

Even though we are leaving Baird there will always be a sense of belonging in your fair town. I have lived in small towns all my life but never have I lived in a town that the people are as friendly and kind. We will sincerely miss Baird and the fine people of Baird. Last Wednesday the below letter was addressed to the Baird Chamber of Commerce Board of Directors:

Dear Gentlemen:
It is with mixed emotions that we submit our resignation as manager of the Baird Chamber of Commerce. My wife and I have learned to love Baird and the people of Baird, but this is a tremendous opportunity for us.

I will be on the staff of the Abilene Chamber of Commerce. Mr. Joe Cooley, Executive Vice President of the Abilene Chamber is known as one of the outstanding chamber executives in the United States. We are very proud and happy to be associated with him and the Abilene Chamber of Commerce.

While we are leaving, there will always be a soft spot in our heart for Baird. We have enjoyed serving as your manager and working with the fine Board of Directors and membership of the Baird Chamber of Commerce. Everyone has been kind and courteous and we sincerely appreciate it.

We would like for our resignation to become effective May 15. You have a wonderful organization going and with a lot of spirit and enthusiasm wonders can be done. Feel free to call on me anytime my services are always available to your chamber. With best wishes, I remain.

Sincerely yours,
E. Elton Ables
Manager

due to decrease of oil activity and depreciation in the public utility field. And even more of a problem is the ever increasing cost in operations of county activities.

Spokesmen for the commissioners said that the roll would be studied thoroughly and each individual piece of property looked at to equalize the tax load. It is estimated that some three months would be required to complete the task.

They urged the cooperation of everyone in the county as they attempt to do their job for the best interest of the county as a whole.

Photo Contest Planned Here

An expert children's photographer with all the necessary equipment for this specialized work will be in Baird Saturday, May 4th.

Pictures will be taken at the Baird Star Office from 10 a.m. to 4:30 p.m.

No Charge To Parents

There is no charge to the parents. There are absolutely no strings to this invitation. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

The more pictures the better. This paper simply wants pictures of all the youngsters and the more the better. So the mothers and fathers of the community in which this paper circulates should remember the date, Saturday, May 4, bring their children to the photographer.

You will be mighty glad afterwards, if you did and very very sorry if you do not permit your children to participate in this event. The kiddies will have fun and both mothers and dad and the youngsters too will be very proud to see their picture in print later.

THURSDAY PARADE TO OPEN ANNUAL SHERIFF'S POSSE RODEO EVENT

Most details of the Annual Callahan County Sheriff's Posse World Championship Rodeo have been completed, and posse members say they are ready to "put the show together."

Members of the riding club and other volunteer workers have been working day and night for the past several weeks building a new arena, moving concession stands to better locations, and making other needed improvements for the presentation of the R.C.A. approved rodeo.

Ralph Collier of Austin is the producer. He produced last years show and posse members were impressed with the quality of the stock and with the manner in which the show was handled.

A parade in downtown Baird Thursday, May 2, will open the festivities. In the parade will be a number of riding groups, many individuals on horseback, several floats and bands. Also riding in the parade will be the Rodeo Queen candidates. China Allphin has been named parade marshal. He asked all who want to enter the parade to call him in advance at 4-1230 for assignments. That will facilitate the starting of the parade on time, he said.

One of the features of the show this year will be Endgate Hawk, nine year old performer who rides wild Brahmas and bucking broncs. He has an outstanding record for staying on the animals he rides.

The Rodeo Queen contest is also one of the highlights of the show. Entered as contestants are five high schools of the county.

Baird's representative is Vicki Finley, 17 year old daughter of Mr. and Mrs. Gene Finley. The attractive Baird High School Junior is active in school and 4-H Club affairs. This year she took top honors at the Callahan County show, the Abilene show and the El Paso show. She is active in youth work at the Baird Methodist Church. SS Is Vital To The Economy

Monthly old-age, survivors, and disability insurance benefits in Callahan County now top \$73,265, R. R. Tuley, Jr., District Manager of social security in Abilene, said today on releasing his annual county benefit data report.

The new monthly figure represents an increase of 10 percent in beneficiaries and 11 percent in dollar amount over the corresponding period last year.

"This increase can be attributed to the recent changes in the law and to the growth of our aged population," Tuley said. "As most of it is spent for food, clothing, and shelter, there is no longer any doubt that social security benefits are helping to stabilize the income and spending power of many residents in Callahan County."

More people in Callahan County, he said, could draw social security benefits if they knew more about the law, and for that reason they are urged to visit or call the local social security office whenever they have a question concerning their benefits or responsibilities.

As of January 1963, in the nation at large, more than 18 million beneficiaries were receiving payments at the rate of \$14.5 billion per month.

The following shows the number and amount of each type of monthly benefit paid in Callahan County, as of December 31, 1962.

Retired workers, 766, \$47,798; Wife or husband, 254, \$7,581; Widow or widower, 133, \$7,461; Mothers and children, 132, \$5,733; Disabled workers and dependents, 85 \$4,465.

Rites Held For Former Resident

William Glenn Clark Macdonald, 66 year old Baird native and McCulloch County stock farmer was found dead at his Brady home about 6:30 p.m. Sunday. He was the brother of Lea Macdonald of Baird and a member of a pioneer Callahan County family.

Justice of the Peace Joe Myrick said he would announce cause of death, probably Wednesday, but indicated he felt that death was apparently due to natural causes.

Mr. Macdonald is believed to have been dead from 6 to 10 days, the justice of the peace said.

Friends became concerned Sunday and attempted to arouse the deceased at his home.

Upon finding the residence locked, Sheriff Luther Vogel was summoned and broke into the house. Mr. Macdonald was found lying on the floor in his undergarments.

Funeral was held Monday at 1:30 p.m. in the Wilkerson Funeral Chapel in Brady, with the Rev. Allen Brown, pastor of First Presbyterian Church, officiating. Callahan County Leads Neighbors In Percentage Population Gain

Callahan County gained some 897 inhabitants between 1960 and 1962, according to a report this week from the University of Texas Bureau of business research.

The 897 increase represented a growth of 5.4 per cent, and placed the county in the top 11 counties of the state in growth percentage-wise. Callahan County led all counties in West Central Texas. The average growth in Texas was about 4 per cent, the report said.

Taylor County showed a 3.6 per cent gain, Eastland gained 0.2 per cent and Shackelford County lost 3.5 per cent. Brown County gained 2.0 per cent and Jones showed a 2.2 per cent increase.

Coryell County with a gain of 12 per cent showed the largest gain in the two year period.

Much of the Callahan County gain was said to be in the Clyde

area which has seen a population boom since the 1960 census was completed.

Norma Jane Hamrick Marries Carl Davis

Norma Jane Hamrick became the bride of Carl Dale Davis in a double ring ceremony read by the Rev. Knox Waggoner Friday evening in the Crescent Heights Baptist Church.

The bride is the daughter of Mr. and Mrs. N. V. Hamrick of 2018 N. Mockingbird. Mr. and Mrs. Carl Davis of Clyde are parents of the bridegroom.

Music was presented by Wanda Parsons, organist, and Joy Temple, soloist.

Given in marriage by her father, the bride selected a ball-erina-length gown of chantilly lace over satin. The bodice featured a scalloped neckline. The bride's fingertip veil was held by a crown of seed pearls and she carried white carnations atop a white Bible.

Mrs. Adrian Huddleston was matron of honor and Judy Wilson and Jean Ann Hunter were bridesmaids.

Attendants selected dresses of blue taffeta fashioned with full skirts. Their flowers were white carnations.

Edwin Huddleston of Clyde was best man. Adrian Huddleston and Grady Edwards were groomsmen.

The bride is a senior at Abilene High School where she is a member of the "A" Association, Future Homemakers of America, Red Cross and volleyball team.

The bridegroom, a 1958 graduate of Clyde High School, is employed by Glaze Electric Company.
