Grass, Corn 'Excellent;' Cotton Hurt By Rain

Ron Linebarger, minister of the Circleback Baptist Church, said a revival is planned at the church, July 11-13.

David Adams, evangelist and associate pastor of First Baptist Church in Godley, will be leading the revival services. He will be accompanied by members of the youth department of the First Baptist Church of Godley.

Services will be at 7:30 p.m. on July 11-13, and the minister said all interested persons are cordially welcome to attend the services.

Dan C. McVicker of Midland, and son of Mr. and Mrs. J.E. McVicker, has recently been promoted by Beechum Co. from sales representative to territory manager of the Midland area.

He is a graduate of Muleshoe High School and a 1985 graduate of Texas Tech University.

Auston Floyd, who recently underwent surgery at Methodist Hospital in Lubbock, had additional surgery at the hospital on Wednesday.

At presstime, he was still a patient in surgical intensive care.

Circleback Baptist Church will conduct Vacation Bible School, July 14-18 from 2-5 p.m. at the school, with commencement on July 18.

Children preschool through sixth grade are encouraged to attend, according to the minister, Ron Linebarger.

A van will pick up children near the service station in Bula between 1:15-1:25 p.m. each day; in Sudan, a van will pick up children near the Pay and Save between 1:05-1:15 p.m.

Hunt Dates,

Bag Limit Set

Texas Parks and Wildlife Department officials have announced proposed season dates and bag limits for waterfowl hunting during the 1986-87 hunting seasons.

Final action on the proposals will be taken by the Parks and Wildlife Commission in a public hearing in Austin during late August. Public comment on the proposals may be directed to Dale Witt, migratory game bird program director, TPWD 4200 Smith School Road, Austin, TX 78744, toll-free 1/800/792-1112.

Sportsmen will notice few variations in season dates or bag limits from last year, officials said.

In the eastern portion of the state, the duck hunting season is proposed for Nov. 1-9, and

A BIG, BIG SPLASH--Lonnie Adrian spends a lot of time in the water Friday morning during activities at the Bailey County Civic Center commemorating Independence Day. In a big splash here, Adrian again gets 'dunked' off the diving board in one of the cooler activities conducted in the day-long celebration. Youngsters in the background enjoyed the activities, along with hundreds of other local residents and visitors who attended at least a part of the celebration.

Steady Renovation Is Noted On Depot; Janes Ranch House

"Members of the Muleshoe Heritage Foundation realize that progress on the Santa Fe Depot and the Janes Ranch House may seem extremely slow to observers," said Ruth Hall, MHF president. "but despite the way it looks, renovation is moving forward. The help given by volunteers, and the cooperation shown in the renovation effort is tremendous and is appreciated by every board member of the Muleshoe Heritage Foundation."

After moving the Janes Ranch House, a basement was dug underneath it similar to the basement the home was over at the original Janes Ranch site. The house is now over the basement and the original fireplace has been restored in the basement. The exact chimney has been replaced and the roof is getting new shingles. The initial work is almost completed.

Also, at this time, the depot roof will soon be replaced with new shingles and work will be started on the inside of the depot. It is planned to convert the old freight platform into a large area that will accommodate large round tables and chairs, similar to those at the Bailey County Civic Center.

These tables and chairs will be acquired through the CPP program at the Western Gift Store in Muleshoe. CPP is Community Progress Points and

the merchant who gives Circle Blue Stamps, Pay and Save in Muleshoe, has underwritten the entire cost of this program.

Mrs. Hall said a large number of points will be required to get the number of tables and chairs needed, and points are given each time a customer visits Western Gift Store to redeem stamps. Mrs. Hall said they are asking persons redeeming stamps to request that their CPP points be credited toward the tables and chairs. The tables and chairs will be made available for the various activities of the Senior Citizens when the Santa Fe Depot is ready to be used on a daily basis.

A workable and convenient kitchen will be installed between the freight platform and an existing wall. The former waiting room and ticket office of the old depot will be renovated and remodeled to accommodate a reception area, rest rooms, and a small office.

The Muleshoe Heritage Foundation held their organizational meeting nearly a year ago in August, 1985. The first annual meeting of the Muleshoe Heritage Foundation will be

Pass TECAT

Test Unanimously

Muleshoe ISD has received official word from the Texas Education Agency that 100 percent of the faculty members taking the TECAT test on the March 10 testing date successfully completed the test, announced H. John Fuller, superintendent.

He said, "This was not a complete surprise to the Muleshoe administration, but until official word was received by the school district, no absolute statements could be made."

There were 202,084 teachers tested on March 10. Of those taking the test, 195,505 (96.7 percent) passed. Muleshoe was among several schools having 100 percent of their teachers passing. Teachers who failed the TECAT on March 10 had the opportunity to re-take the test on Saturday, June 28, with the results expected to be released in six weeks.

"The Muleshoe school administration is hopeful that the entire community will join them in congratulating the Muleshoe staff for 100 percent performance," concluded the superintendent.

held Monday, August 4, at the Santa Fe Depot. Following a short business meeting and brief program, a tour of the buildings will be conducted so the public can see the 'before' and in due time, they will be shown the 'after' said the MHF president.

Members of the Foundation are urged to attend this first meeting, and those who are not currently members may become members with donations of \$15 or \$25 for a one year membership and this will become a charter membership through 1986. The Sesquicentennial Membership, good for the year, and costing \$150, will still be available through 1986.

A \$500 donation will be for a lifetime Homesteader membership; and a \$1,000 or more

Liles Installed Leader Of Muleshoe Rotary

"A Rotarian's Rotarian," is how C.K. Castleberry introduced the guest speaker and installation officer to the Muleshoe Rotary on Tuesday night.

Dewey Langston, a member of the faculty at Eastern New Mexico University, Portales, and a Rotarian for many years, was an enthusiastically welcomed to Muleshoe as he has been on the three to four other occasions he has visited with the local Rotary Club.

He served as guest speaker for the annual Muleshoe Rotary Officer Installation Banquet at the Bailey County Civic Center. The speaker gave a 'pep talk' to the Rotary members, and encouraged new leadership "in order to give a leadership role to as many Rotarians as you can, that is very desirable."

He also advocates installing every Rotarian, every year, and a new charge, or challenge, issued to them.

He also installed the incoming Rotary officers, including: Bill Liles, president; Tommy Gunstream, vice president; George Nicman, secretary; Randy Field, treasurer; Paul Wilbanks, past president; Terry Hutto, sergeant at arms and directors, Mike Hahn, Ray Day, James Lee and Tom Bonds.

Two special guests introduced were former Rotary Sweethearts, Kelli Hamblen and Terri (Crane) Hahn. Rotary-Anns were also introduced by their Rotary husbands.

Workshop Continues For Insects

Cotton, corn and sorghum producers in Bailey county are invited to the second part of the annual High Plains Scout Training Workshop to increase the effectiveness of their pest management programs.

The last of two workshop sessions will focus on mid- and late-season pests and will be held Tuesday, July 8, at the Mabce Regional Heritage Center (Llano Estacado Museum) on the Wayland Baptist University campus in Plainview. Spencer Tanksley, county Extension agent, said.

The first workshop, in June, covered mid to late-season crop pests.

The workshop, conducted by the Texas Agricultural Extension Service, was first held in 1973 to train scouts in the pest management programs conducted by Extension, part of the Texas A&M University system.

The workshop will begin at 8:30 a.m. with Dr. Pat Morrison, Extension Entomologist, outlining the scope of the training and explaining general concepts. Dr. James Leser, Extension Entomologist, will then open the cotton pest section with information on the growth and development of cotton. Greg Cronholm, Extension Agent-Entomology headquartered at Plainview, will discuss cotton bollworms, Beet armyworms, loopers and aphids will be discussed by Leser.

Corn pests will be covered by Allen Knutson, Extension Agent-Entomology based in Dimmitt and Morrison. Information on the identification and scouting of sorghum pests will be presented by Cronholm and Knutson.

The daylong workshop will conclude with a field session in which participants will identify pests and beneficials and practice scouting techniques.

Bailey County Extension Agent Spencer Tanksley toured the county on Wednesday, and commented, "Normally, by the first of July, and on through August, Bailey County thinks they have their Sunday clothes on. Fields are clean, crops are growing, and they are beautiful, beautiful crops. This is not so on July 2, 1986."

"We saw late crops, heavily infested by weeds, we saw too much surplus water standing in the fields, fields too wet to get in to work on the weeds. We are looking at a low yield potential, unless we have an excellent fall."

The County Extension Agent explained the 'heat unit' program that has been in effect in Bailey County for the past two years. This is a program that measures how many heat units, using high and low temperatures, are needed to produce a good crop.

"Heat units are needed for normal production of a crop," said Tanksley. "According to the heat unit figures used, corn is well ahead of heat units accumulated at this time last year, and cotton is well below heat unit figures from last year."

"Last year, cotton had 586 heat units at this time, and had 534 this year, while at this time last year corn had 1192 heat units and had 1535 at the same time this year, with the corn being ahead by 400 units, and the corn crop shows it."

According to the tour made by the county agent, from Needmore to Circleback to Bula to Baileyboro to Enochs, there was no field work being done, as all the fields were too wet to be in them. He said fields in that area needed a minimum of three hot days' drying time in order to allow producers in to work them.

Wednesday afternoon, there was a shower in the Stegall area at the time the county agent was there to Maple to Goodland. Tanksley said producers were beginning to get the fields clean, with some plowing being done.

Tanksley said he saw young cotton in some areas across southern Bailey County ranging from late May to early June to cotton planted late in June. He also saw some growing grain sorghum that had been planted in late June, with much replanting to be done. Some crops were hailed out again last Tuesday and Wednesday nights in the southern parts of the county.

According to estimates, some 100,000 acres of cotton were planted. It has been further estimated that 25,000 to 30,000 acres of cotton is still growing of the 100,000 acres that were planted.

In the northern part of the county, as well as the north-

Mamie Saylor Services Held Here Friday

Funeral services for Mamie Saylor, 85, of Clovis, N.M. was held at 11 a.m. Friday, July 4 in Ellis Funeral Home Chapel of the Chimes in Muleshoe with the Rev. Glenn Harlan, pastor of the North Side Baptist Church of Odessa, officiating.

Born Dec. 15, 1901 in Randolph, Alabama, Mrs. Saylor had been a resident of Clovis since 1979, moving there from Apache, Arizona. She was a housewife and a member of the West Camp Baptist Church. She married N.L. "Pete" Saylor on July 3, 1923, in Phoenix, Arizona. He died in July of 1981.

Survivors include a son, C.L. "Jake" Saylor of Clovis, N.M.; a daughter, Norma Dunbar of Clovis, N.M.; two brothers, Vernon Sexton of Apache Jct., Arizona, and Harry Sexton of Phoenix, Arizona; five grandchildren; and seven great grandchildren.

ing, Doyce Turner and Voc. Ag instructor Jerry Adams and Ross Langham. The team competed against 238 other teams, winning first place in the event as a team; first place in swine judging plus a special award; third high team in sheep judging. Langham won tenth individual and \$125 to purchase a breeding beef heifer; third in sheep judging and a medal, and top in swine judging and a gold medal.

Elnora Dennis Graveside Services Held Saturday

Graveside services for Elnora Dennis, 74, of Springlake were conducted at 10 a.m. Saturday, July 5 in Hillcrest Cemetery in Temple with the Rev. Steve Branson, pastor of the First Baptist Church of Springlake, officiating.

Burial was under the direction of Parsons-Ellis Funeral Home of Earth. Mrs. Dennis died at 10:52 p.m. Tuesday in Littlefield Medical Center.

She was born October 25, 1911, in Ranger and moved to Earth in 1961, from Temple. She was a homemaker. She married Connell Wayne Dennis on March 7, 1927, in Ranger. He died in 1961.

Survivors include a daughter, Mrs. Billy W. Clayton of Springlake; a son, Ray Dennis of Austin; a sister, Mrs. Carmon Young of Ranger; four grandchildren; and seven great grandchildren.

Mules In Good Form Conference Opener Friday Against Littlefield

Muleshoe's Mules are primed to shoot both barrels at the chesty Littlefield Wildcats Friday night in a football game at Benny Douglass stadium here to open their conference schedule. In non-conference play, the Mules now have an even 500 percentage, having lost 3 and won 3 games.

The Mules may play without the help of Bobby Seid, sensational junior fullback, who has an injured knee. The big boy did not get into the last game, against Springlake last Friday.

Otherwise the squad is rearing to go with the exception of the Robert Waggoner, highest scoring lineman in these parts, who got a nasty lick on a shin in scrimmage Tuesday, but is expected to play. Seid likely will play a part of the time.

Probable Line-Up
Coach T.J. Bailey said the team likely will start the game about as follows:

Left end, Bill Willis, No. 29.
Left tackle, Lloyd Kreigel, No. 46.
Left guard, Johnny Ladd, No. 40.
Center, Jody Blaylock, No. 44.

Right guard, Kenneth Henry, No. 35.
Right tackle, Robert Waggoner, No. 30.

Quarterback, Roald Johnson, No. 21.
Right half, Freddie Harvey, No. 23.

Left half, Dewayne Burkhead, No. 27.
Fullback, Aubrey Heathington, No. 20.

But the coach has big Seid, No. 49; Jimmy Holt, No. 24; and Benny Bickel, No. 43, for the backfield alternates; and the following good linemen: J.B. Moore, No. 33; Wayne Moore, No. 31; Donald Harrison, No. 32; Lewis Shafer, No. 26; and two more good ends, Jimmy Hall, No. 47, and Gerald Elders, No. 25, all of whom are ready to go at any time and have been seeing lots of action in recent games. Those named likely will play enough to letter this year.

Burkhead did such a splendid job of carrying the ball last Friday night that the coach is

starting him in the backfield this time. King usually shifts to defensive halfback from his end position; Ladd sometimes is in the center role; Holt is used a lot on defensive since he is good against passes; and Bickel has been showing promise with his ball carrying.

Littlefield's team this year doesn't seem to be the powerhouse it has been the last few years. They dropped a game to Seminole last week. Their starting line-up will be:

Left end, D. Perkins; left tackle, F. Howard; left guard, D. Nichols; center, J. Brantley; right guard, R. Hill; right tackle, C. Jordan; right end, B. Brantley; quarterback, R.L. Rhoten; wingback, J. Beckner; fullback, M.C. Northam; and tailback, J. Walden.

The Littlefield game is "homecoming" game for all the exes. Mrs. Aubrey Heathington, wife of a star backfield player, was elected by members of the squad as their football queen and will be crowned in appropriated half time ceremonies.

Suprise farewell Party Is Given

Friday night November 11, a group of friends gathered at the Annex of the Baptist church to help Mona Ellen Whillite celebrate her 16th birthday. A number of games were played. They had a contest, Mona Ellen won, and as a result she was presented with many nice gifts.

Refreshments of ice cream and cake were served to: Delia Ann King, Pat Lane, Charles King, Phyllis Creamer, Carroll Pool, Junior McKnight, Alvin Dalton, Jackie Bovell, Tommie Lee Bovell, Betty Shook, Donald Harrison, Charles Bratcher, Buddy Lane.

Teddy Harrison, Laura Whalin, Venette Wood, Rosemary Pool, Billy Joe Morrison, Roger Pool, Sue Actkinson, D.L. Morrison, Mr. and Mrs. Byron Griffiths, C.W. Wilhite and the hostesses, Wanema McKnight, Peggy Buchanan, and Mrs. C.W. Wilhite. They left wishing Mona Ellen would have.

Seid Scores 4 TDs As Mules Defeat Crosbyton

Bobby Seid made four touchdowns last Friday night as the Muleshoe Mules got in the win column for the first time this season by trouncing a less experienced Crosbyton eleven, 39 to 0.

Seid's first outburst came midway in the second quarter, after the Crosbyton lads had played on even items with the Mules. Seid burst through tackle and out ran secondary defenders 35 yards to the goal line.

When the second half opened, the Mules began to bear down, having forgotten what they had read in the paper about Crosbyton's disastrous defeat by Brownfield. On the second play of their first series of downs Seid raced around left end and went 75 yards for the marker. Burkhead kicked the extra point.

Seid scored twice more in this quarter on 7 and 8 yard runs.

Robert Waggoner intercepted a Crosbyton pass on the Crosbyton for the fifth touchdown. It was the second touchdown for this hustling guard, since he scored on a lateral from Roald Johnson in the Hereford game.

Aubrey Heathington ended the scoring by knocking off 15 yards and crossing the goal line for the Mules sixth touchdown. Dewayne Burkhead tried 5 extra point kicks, made three good and missed two. Bill Willis missed one try for extra point.

Crosbyton never really was a threat, although they put together two first downs in the opening minutes of the game. Every boy in the traveling

squad saw some action. Coach Bailey said. The Mules meet the Tulia Hornets here Friday night. Tulia has won 2 games and tied one; Spur was a Hornet victim, and the tie was with Dumas. Tulia's attack is a wing T while Muleshoe uses a T flanker type of offense. 40 and raced over the goal line.

Elected FHA Chapter Girl

The first girl ever to have the honor of being elected Chapter Girl of the Month for the Muleshoe FHA Chapter is Rilda Lou; you will understand why all the FHA girls feel they have made such a good choice. She has been an FHA member for four years and is now serving the club as treasurer. She was chosen 'Girl of the Month' for her leadership, her willingness to do anything she was asked to do for the club, her character showing herself representative of the club, its purposes and ideals and her outstanding service to the club for the month of October.

Rilda is also a member of the Thespian Club, the Annual Staff, The Pep Squad, and is an officer in the Chorus Club, and has been especially helpful in putting out the student Directory, now being published.

MRS. JOHN LOUIS SPRING
(nee Christie Ann Wiseman)

Candle Light Ceremony Unites Miss Wiseman, Spring

Christie Ann Wiseman became the bride of John Louis Spring Saturday, June 7 at 6 p.m. in the First Baptist Church of Friona. The Rev. Daymun White, pastor of the First Baptist Church and the Rev. Archie Echols, pastor of the First United Methodist Church,

read the double ring vows.

Parents of the couple are Mr. and Mrs. Buddy J. Wiseman of Friona and Dr. and Mrs. Paul L. Spring, also of Friona.

The altar of the church was decorated with brass candelabras and pink tapers. These consisted of a heart candelabra backed by the center arch and flanked by two candle trees and two spirals entwined with fresh wild smilax. Two large bouquets of mixed fresh flowers completed the setting.

The unity candle was surrounded with fresh greenery and baby's breath. The pews were marked with pink ribbon bows.

Mrs. Roy Miller, organist, and Mrs. John Taylor, pianist, presented traditional wedding selections and accompanied the vocalists. The service selections included "There Is Love", sung by Kevin and Carolyn Wiseman of Snyder, brother and sister in law of the bride. Geary Brogden, vocalist, sang "God, A Woman and A Man", along with the bride's own vocal presentation of "My Treasure" during the unity candle lighting service.

Given in marriage by her parents and escorted by her father, the bride paused to give her mother a long stemmed pink rose. After the ceremony, she gave her mother in law a long stemmed pink rose also.

The bride was attired in a formal gown of white organza with schiffli embroidered lace. The fitted bodice featured an English net yoke with schiffli lace medallion and embroidery and a high neckline outlined with Venice lace and pearls. The full puffed sleeves were elbow length and decorated with embroidered lace motifs of flowers and leaves.

The bodice dipped to a point in the front and back and was trimmed in lace, pearls and sequins. The softly gathered skirt was trimmed in lace motifs and pearls throughout the skirt. The bottom of the skirt had a wide band of scalloped schiffli embroidered lace which swept to a chapel train.

She wore a Juliet cap of lace accented with seed pearls which held her waist length veil of imported silk illusion.

The bride carried a bouquet of rainbow colored silk flowers cascading atop a white lace covered Bible. The bouquet consisted of pink roses, white snowflakes, blue daisies, peach azaleas, azalea leaves, yellow daisies, lavender larkspurs and pathos ivy mingled with pearl sprigs. Two pearl hearts in the center atop the bouquet held the pennies minted in the years of the bride's and groom's

birth. The bouquet was lavished with lace streamers tied in love knots. A handmade linen handkerchief edged in tatting that was the bride's great grandmother Turners' and carried in several family weddings was also worked into the bridal bouquet.

For "something old" the bride wore her mother's wedding ring. "Something new" was her bridal gown and "something borrowed" was the veil her sister had worn in her wedding. She wore the traditional blue garter for "something blue".

Mrs. Mike Proctor of Huntsville served her sister as matron of honor. Bridesmaids were Susan Bailey of Friona, Daphne Rosson of Hereford, Nadine Rice and Rhonda Stephens, both of Canyon. Flower girl was Sheila Wiseman of Snyder, niece of the bride.

Susie Spring, sister of the groom, of San Antonio presided at the registration table. A mirrored arrangement of crystal candlesticks holding pink tapers and ribbon bows accented the table.

Jarrett Proctor of Huntsville and Kyle Wiseman of Snyder, nephews of the bride, presented guests with wedding programs.

Ronnie Wilkerson of Friona served as the best man. Groomsmen were Randy Boeckman of Bryan, Winfield Davenport, Eddie Allen and Steve Talkington, all of Canyon.

Mitchell Wiseman of Friona, brother of the bride, and the groomsmen served as ushers. Candlelighters were Heath Proctor of Huntsville, nephew of the bride and Brandon Sisco of Abilene, cousin of the bride. Landon Wiseman of Friona, nephew of the bride, served as ring bearer.

Following the ceremony, the newlyweds and their parents greeted guests at a reception in the fellowship hall of the church.

Serving at the bride's table were Sherree Talkington of Canyon, and Kelli Uechi of Roswell, N.M. Serving at the groom's table was Johnnie Wiseman of Friona, sister in law of the bride. Nadine Doeflar of Amarillo and Susan Thomason of Canyon served punch and coffee from the long center table.

Others assisting at the reception were: Mrs. Bill Bailey, Mrs. Dee Clark, Mrs. Curtis Murphree and Mrs. Jarrell Wright.

Jonathan Proctor of Huntsville and Daniel Wiseman of Friona, nephews of the bride, passed out rice bags to the guests from small white baskets.

Following a wedding trip to New Orleans, the couple are

making their home in Canyon. The bride is a 1982, graduate of Friona High School and is a December candidate for graduation from West Texas State University. She is employed by Kaiser and Associates Insurance Agency in Amarillo.

Spring is a 1978, graduate of Friona High School and a 1982, graduate of W.T.S.U. and a 1983, graduate of the Police Academy at Texas A&M. He is currently employed as a deputy with the Potter County Sheriff's Office.

Out of town guests and relatives attending the wedding were from Bovina, Muleshoe, Abilene, Hereford, Farwell, Plainview, Canyon, Amarillo, San Antonio, White Deer, Claude, Caldwell, Bryon, Lubbock, Normangee, Brady, Abenath, Matador, Quitaque, Huntsville, Snyder, Dumas, Clovis, N.M., Roswell, N.M., Albuquerque, N.M., Colorado Springs, Colo., and Dunkirk, N.Y.

Special guests at the wedding were the bride's grandparents, Mr. and Mrs. W.A. Turner of Friona and Mrs. Charles Wiseman of Hereford. Charles Wiseman and the groom's grandmother, Mrs. Rose Pleszewski of Dunkirk, N.Y. were unable to attend.

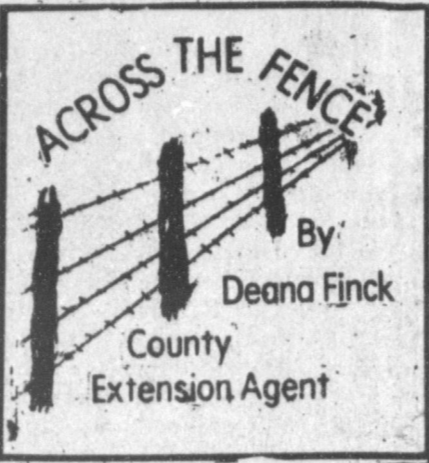

Dr. and Mrs. Paul Spring, parents of the groom, hosted the rehearsal supper in their back yard, assisted by Mr. and Mrs. Ron Davenport, Mr. and Mrs. Frank A. Spring and Mr. and Mrs. H.K. Kendrick.

Bridal courtesies included a bridal shower given for Christie Wiseman on Saturday, May 3 in the home of Mrs. Curtis Murphree. Mrs. Mike Chaney and Mrs. Jackie Morgan were co-hostesses at a rice bag party for Christie in the home of Mrs. Chaney, Friday night, May 9.

The home of Mrs. Steve Talkington of Canyon was the site of a luncheon and lingerie shower Saturday, May 10.

A luncheon was held Thursday, June 5 at the Amarillo Club in Amarillo for Christie, her bridal attendants and the mothers of the bride and groom. Hostesses for the luncheon were Mrs. Joe Shields, Amarillo; Mrs. Jay Missenger, Abilene; Mrs. H.K. Kendrick and Mrs. Danny Kendrick, both of Friona.

On Saturday, June 7, Mrs. Bill Bailey and Susan Bailey were hostesses at a bridal luncheon in their home for Christie, her attendants and out of town relatives.

Eggplant is a member of the nightshade and is grown for its edible fruit. Fruits are most commonly purple in color but may also be white or green and are produced on vigorous growing plants that often are 4 feet tall. The fruit of most varieties are 3-5 inches in diameter and 7-9 inches long. Some of the newer varieties produce fruit that are slender and 8-10 inches long.

The eggplant is a solanaceous plant like tomato and responds to the same basic cultural care. Plants should be set in the garden in early spring after all danger of frost. Maintain the plants in a vigorous state of growth with adequate fertilizer and moisture. Mrought stress will result in the development of bitter flavor.

Eggplant is a commercially grown crop throughout Texas. Locally grown fruit will be on the market from early June to November. Production from California, Florida, and Mexico provides eggplant in the winter and spring months.

Select fruit that have a glossy shine and are 6-8 inches long. A dull or brown color signals that the fruit is over mature and will be tough and bitter. Eggplant will be best if it is consumed soon after harvest or purchase. Optimum storage conditions for eggplant are 40-50 degrees F. and a humidity near 85%. Keep only about 7-10 days.

Eggplant is lower in calories and high in potassium and 3 1/2 oz. serving contains 28 calories.

When ready to cook, use a vegetable peeler or knife to remove the skin if tough. If skin is tender, you need not peel. Cut in 1/2 inch slices or 1/2-1 inch strips. To cook dip in flour or fine bread or cracker crumbs, in an egg beaten with 2 tablespoons milk, and again in the flour or crumbs. Cook in skillet containing hot fat until brown on one side then turn and brown on the other side. Serve hot, sprinkle with salt and grated Parmesan cheese.

Microwave instructions are to prepare just before cooking. Cut off cap, remove skin or leave on for color contrast and cut into 3/4 inch cubes. Place in 2 qt. casserole with 2 tablespoons butter. Cover, microwave on high 7-10 minutes. Stir every 2 minutes.

ing enough iron should be sure to include red meats in meals, notes Cooksey. Iron-fortified breads and cereals are another good source of this mineral. "When a child has an extremely poor appetite or does not seem to be growing, parents should consult a physician who can then prescribe vitamins or other nutritional supplements if needed," she advises.

Mr. and Mrs. Harold Fair and children from Lubbock were dinner guests in the Bill Dolle home Sunday.

Guests in the George Tyson home Sunday evening were Mr. and Mrs. Carol Fleming from Brownfield, Mrs. Ima Fleming from Alto, Mr. and Mrs. S.G. Long and Mrs. H.W. Garvin from Maple.

Mr. and Mrs. Beck Martin from Canyon are visiting the Robert Kindles.

Children And Vitamins

Children's chewable vitamins are designed to appeal to youngsters with bright colors, animal and cartoon character shapes and a candylike taste.

They're so appealing, in fact, that last year more than 8,500 children under six swallowed large numbers of the pills at one time.

"The greatest danger of vitamin pill overdosing is iron toxicity," says nutritionist Dr. Dymple Cooksey. "The symptoms include bloody diarrhea and vomiting, which can occur in a 30-pound child after eating 15 to 20 tablets of a children's multivitamin-plus iron."

Parents need to treat children's vitamins as though they are a prescription medicine, says the Texas A&M University Agricultural Extension Service specialist. "The child-proof cap should be tightly fastened and the vitamin bottle placed in a locked cabinet or a shelf out of reach.

Since children may still get access to vitamin pills in spite of these precautions, she says parents should also teach their youngsters that vitamins may look like candy, but they are not.

"Parents may also want to consider if they even need to be giving children vitamins," remarks the specialist. "After infancy, most children do not need routine vitamin supplementation."

According to the nutritionist, children who eat a balanced diet containing protein foods such as meat, poultry, fish and peanut butter; cereals and grains; dairy products; and fruits and vegetables should not need vitamins.

Preschoolers often do have spells of not eating well, or wanting to eat only certain things. But over the course of several days their nutrient needs are likely to be met.

Parents who are particularly concerned about children get-

Creative Living with Sheryl Borden

Information on Verosol pleated shades and country cooking will be presented on "Creative Living" on Tuesday, July 8 at 12 noon and repeated on Saturday, July 12 at 2:00 p.m. (All times are Mountain).

Stan Jankiewicz is Vice-President of Sales and Marketing with Verosol U.S.A., and he will show some ways to make use of Verosol pleated shades. They not only provide an extra touch of class to home decorating, they provide a real service because they also repel dust and save energy. Stan's from Pittsburgh, PA.

In the last year or so, we've seen an incredible revival in regional American cooking. Merle Ellis--"the butcher"--will talk about a favorite topic of his--downhome country cooking.

Merle will use an old American favorite--the pressure cooker--to prepare some delicious country spare ribs. He will show how to use the pressure cooker, explain the safety aspects and help us save money at the meat counter by being more resourceful in our shopping. Merle is from San Francisco, CA and he represents the Presto Co.

On July 8 at 9:30 p.m. the show will feature two interesting topics. A new symbol is gaining widespread consumer attention and favor and Helen Hatton, who represents the American Paper Institute, will discuss this. Helen is from Toronto, Canada.

Have you ever wondered how clothing manufacturers get started? Jacqueline Davis, a designer and manufacturer of the Lady "J" line will tell about her beginning and show some exciting fashions she designed. Her models will be her mother, Roberta Stout, and her sister, Janice Gardner, and the three co-own The Blue Room in Clovis.

Information relating to special occasion desserts and the role of physical therapy will be presented on "Creative Living" on Thursday, July 10 at 12 noon. Regardless of where you live, cooks use chocolate to make really special desserts. Jo Ann Cooper, a home economist at Hershey Foods Corp. from Hershey, PA will show off three desserts made with unsweetened cocoa. She will prepare a chocolate cheesecake, a black forest cherry cake and a chocolate orange roll and explain why cocoa is a good choice for making chocolate desserts--especially if you're watching calories!

Steve Wilson is a licensed physical therapist at Roosevelt General Hospital in Portales, and he will explain who can benefit most from physical therapy, what the patient's responsibilities are and show some pieces of equipment and

explain their uses.

"Creative Living" is produced and hosted by Sheryl Borden. The show is carried on more than 95 PBS stations in the United States, Canada, Guan and Puerto Rico, and is distributed by the Pacific Mountain, Denver, Colorado.

MARBLE CHEESECAKE

Graham crust (below), 3 pkg. (9 oz. each) cream cheese, ¼ cup sugar, ½ cup sour cream, 2 tsp. vanilla, 3 eggs, 3 Tbsp. flour, ¼ cup unsweetened cocoa, ¼ cup sugar, 1 Tbsp. vegetable oil and ½ tsp. vanilla.

Prepare graham crust, set aside. Combine softened cream cheese, ¼ cup sugar, sour cream and 2 teaspoons vanilla in large mixer bowl; beat on medium speed until smooth. Add flour, 1 tablespoon at a time, blending well. Add eggs; beat well. Combine cocoa and ¼ cup sugar in small bowl. Add oil, ½ teaspoon vanilla and 1½ cups of the cream cheese mixture; mix until well blended.

Spoon plain and chocolate mixtures alternately into prepared crust, ending with dollops of chocolate on top; gently swirl with knife or spatula for marbled effect. Bake at 450 degrees for 10 minutes; without opening oven door, decrease temperature to 250 degrees and continue to bake 30 minutes. Turn off oven; let cheesecake remain in oven 30 minutes without opening door. Remove from oven; loosen cake from side of pan. Cool completely; chill thoroughly. Yield: 10 to 12 servings.

GRAHAM CRUST

Combine 1 cup graham cracker crumbs, 2 tablespoons sugar and ¼ cup melted butter or margarine. Press mixture onto bottom and ½ inch up the side of a 9-inch springform pan. Bake at 350 degrees for 8 to 10 minutes; cool.

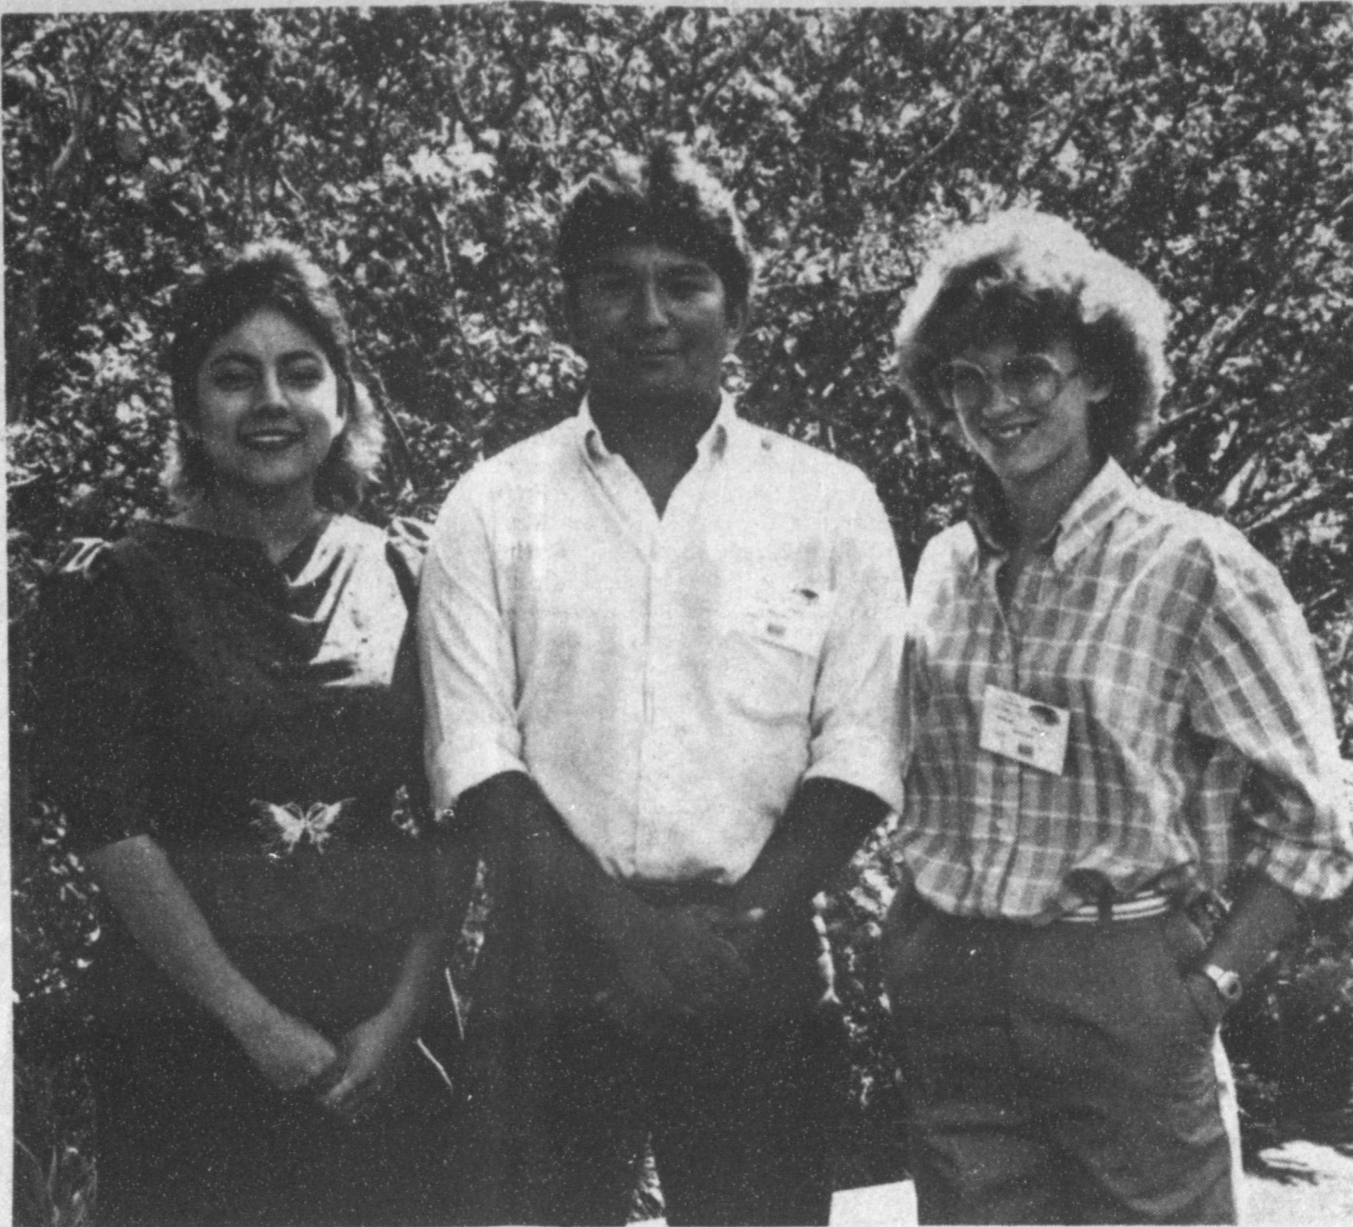

Surprise Birthday Party Given Nov. 11

A surprise farewell party was given for Jo Nell Maberry Tuesday evening June 25, in the home of Marion Clark.

The girls all went in swimming and then returned to Marion's house, where they were served cokes and sandwiches.

Those attending the party were: Sue Young, Beverly Arnold, Delia King, Lavell Bellar, Lola Roark, and the hostesses were Marion Clark, Helen Stovall and Janell Green.

The girls presented Jo Nell with a gold identification bracelet as a farewell gift.

RETURNED FROM CITIZENSHIP SEMINAR--More than 400 high school juniors and seniors participated in the 24th Annual Texas Farm Bureau Citizenship Seminar, June 16-20, on the campus of Angelo State University at San Angelo. Attending the seminar from Bailey County were: Maggie Navejar, daughter of Mr. and Mrs. Danny Navejar; Mark Mata, son of Mr. and Mrs. Luis Mata; and Robin Evins, daughter of Mr. and Mrs. Kenneth Evins. They are all students of Muleshoe High School. The purpose of the seminar is to give students a better understanding of various forms of government, the free enterprise system and their responsibilities as citizens, according to James Gipe, TFB Citizenship Seminar coordinator. Students are sponsored through county Farm Bureaus.

13 Muleshoe Track Team Members Point For Regional Meet April 20

Barbara Bowers In Top 17 At State Dress Revue

Barbara Bowers, winner of the Bailey County 4-H Girls Dress Revue, was in the top 17 at the state 4-H Club Roundup, held at A&M College June 25 through June 27. She modeled the garment she had made, a dressy dress. Colored slides were made of Barbara and her dress and will be shown at gatherings over the state and will be shown in Muleshoe sometime during the coming school year.

Barbara is the daughter of Mr. and Mrs. Wiley Bowers of Muleshoe.

She was accompanied to A&M by Mrs. Bowers, the adult leader, Miss McClurkin, the county home demonstration agent, and by Doris Jean Copley, Muleshoe 4-H Club who won second in the county dress revue, and Marie Fort, of Three Way, who placed third in the county revue. The two girls also were in line for the trip because of outstanding 4-H work.

Miss McClurkin and J.K. Adams, the county agent, remained at A&M through June 29 for the annual extension agents' conference.

Billie Joe Morrison Lone Star Farmer

Billy Joe Morrison, Muleshoe FFA boy, son of Mr. and Mrs. D.L. Morrison, Monday night was honored by being named a Lone Star Farmer, highest honor the state Future Farmer organization awards.

Edward White, Voc. Ag. instructor, and Mr. and Mrs. Morrison accompanied Billy Joe to Hereford for the awards banquet when 63 boys in this area received the degree. Billy Joe was the only boy to make the degree this year in the Muleshoe school.

Billy Joe is associated with his father and brother in breeding Chester White hogs. They also have Hampshires and Billy Joe has one of the heifers of the merchants' Jersey cattle program started several years ago.

Two Declaimers To Lubbock Meet

Muleshoe will have two representatives in the literary events of the regional meet this week end of the Texas Interscholastic League.

Road Johnson will be entered in senior boys declamation and Marilyn Gupton will compete in senior girls declamation.

powers as Brady, Amarillo, Lubbock, and Odessa, first, second, third and fourth in the order named.

Road Johnson won second in the mile, coming in about a stride behind Amarillo's miler. It was a horse race, for Johnson really had to put out to win over the third place man, as they had come down the final stretch together. Right behind these two and pressing them was another Mule distance runner, Bob Kind, who seems to get better with every track meet he enters. Johnson, who has just run the 220 dash, was a little tired, but was clocked in the good time of 4 minutes, 54 seconds.

Then the Mules teamed up to win 3rd in the two mile relay. Running the 880 yard laps in the is relay for Muleshoe were Kenneth Hicks, Johnson, King, and little Jimmy Holt.

Other boys who competed but who failed to make points were Bobby Scid, Fred Harvey, Charles Hornbrook, Gerald Elders, Eugene Buhrman, and Donald Moore.

Pointing to Regional The boys are now pointing for

the regional Interscholastic Track and Field Meet to be held at Tech in Lubbock next Friday and Saturday, April 20 and 21.

All the boys named above and three more, Odell Spivey, Ray Kersy, and Sammy Donaldson, are eligible to enter the regional meet. Coach Willard Hedges and all the fans are hopeful that Muleshoe will have representatives in the big state meet in Austin.

A four school track and field meet will be held at Floydada this weekend in which the Mules will participate. Others schools are Floydada, Lockney, and Tullia.

Legg Family Reunion Held In Sudan

The Legg family held their family reunion on June 20, 21 and 22 at the Community Center in Sudan. Persons attending included: Mr. and Mrs. Herman Welkener of Sudan, mother of the family.

Others attending were Mr. and Mrs. Howard Pegram of Boerne; Mrs. Marie Allen of Littlefield; Mr. and Mrs. Danny Allen, Kass and Corey of Arlington; Mr. and Mrs. Bill Allen, Lora, Christine, and Jennifer of Indiana; Mr. and Mrs. Mark Baker, Fawn and Kristan of Lubbock; Mr. and Mrs. D.W. Muller and Austin of Canyon, Mr. and Mrs. Tony Reasoner and Michael of Level-land.

Also Mr. and Mrs. Gene Quisenberry of Amarillo; Mr. and Mrs. Stanton Quisenberry, Stacey, Lorie and Marcus of Clarendon; Mr. and Mrs. Ray Quisenberry, Donna Jo, Jeff and Rachel; Mr. and Mrs. Bobby Breedlove, Rene and Jason, all of Arlington; Mr. and Mrs. Robert Breedlove and Mr. and Mrs. Terry Dickson and Chris, all of Slaton.

And Mrs. Frances Gray, Dawn Stephanie, Donny and Windy, all of Vega; Matt Hanna of Plainview; and Mr. and Mrs. Ernest Legg, Mr. and Mrs. Carroll Legg, Courtney and Casey, Mr. and Mrs. Freddy Legg, Amber and Justin; Mr. and Mrs. Billy Hanna, Mr. and Mrs. Kermit Whitten, Kyle, Mitzi and Karin, Mr. and Mrs. Theron Hill, Mr. and Mrs. Rick Hill, Dustin Provenca, all of Sudan.

Mr. and Mrs. Darren Provenca made quick visit with the group so they would not be away from their son, D.J., who was a patient in the hospital during that time.

The group played soft ball, volley ball, water fights, dominoes and cards, and a spokesman of the family asked "Would you believe we ate?"

GREENHOUSE EFFECT

A dramatic loss of ozone over Antarctica proves the greenhouse effect is real and presages a gradual warming of the Earth that threatens floods, drought, human misery in a few years and -- if not checked -- eventual extinction of the human species, scientists warned recently.

Nov. 22-30, 1986, and December 13, 1986, through January 13, 1987. In the High Plains Mallard Management Unit of West Texas and the Panhandle, the recommended season is Nov. 10, 1986, through Jan. 13, 1987.

No changes are recommended for the 100-point system of duck bag limits. The point values are 100 points each for canvasbacks, mallard hens, mottled ducks and black ducks; 70 points for redheads, wood ducks, hooded mergansers, and fulvous and black-bellied whistling ducks; 20 points for blue-winged teal, green-winged teal, cinnamon teal, gadwall, scaup, wigeon, shoveler and mergansers (except hooded mergansers); and 35 points for all other ducks not listed, except the season is closed on masked ducks.

The coot season would be concurrent with the duck seasons, and the bag limit is proposed to be unchanged at 15 per day, 30 in possession.

The season for light geese in the eastern portion of the state would be Nov. 1, 1986-Jan. 25, 1987; dark goose season dates would be Nov. 1-30, 1986, and December 8, 1986 through Jan. 18, 1987. The bag limit would be five light geese plus one Canada or black brant and one white-fronted goose per day, for a maximum total of seven geese. The possession limit would be twice the daily bag limit.

In the western portion of the state, the season for all species of geese would be Oct. 28, 1986 through Jan. 18, 1987. Bag limit would be five geese, not to include more than two dark geese. The possession limit would be twice the daily bag limit.

The proposed seasons for sandhill cranes are: Zone A, Nov. 8, 1986 through Feb. 8, 1987; Zone B, Nov. 29, 1986 through Feb. 8, 1987; Zone C, Jan. 3-Feb. 8, 1987. The bag limit would be the same for all three zones, three per day, six in possession.

As in the past, a free sandhill crane permit issued by the TPWD is required of all sandhill crane hunters.

The proposed season dates for woodcock are Nov. 22, 1986 through Jan. 25, 1987; bag limit five per day, possession limit 10.

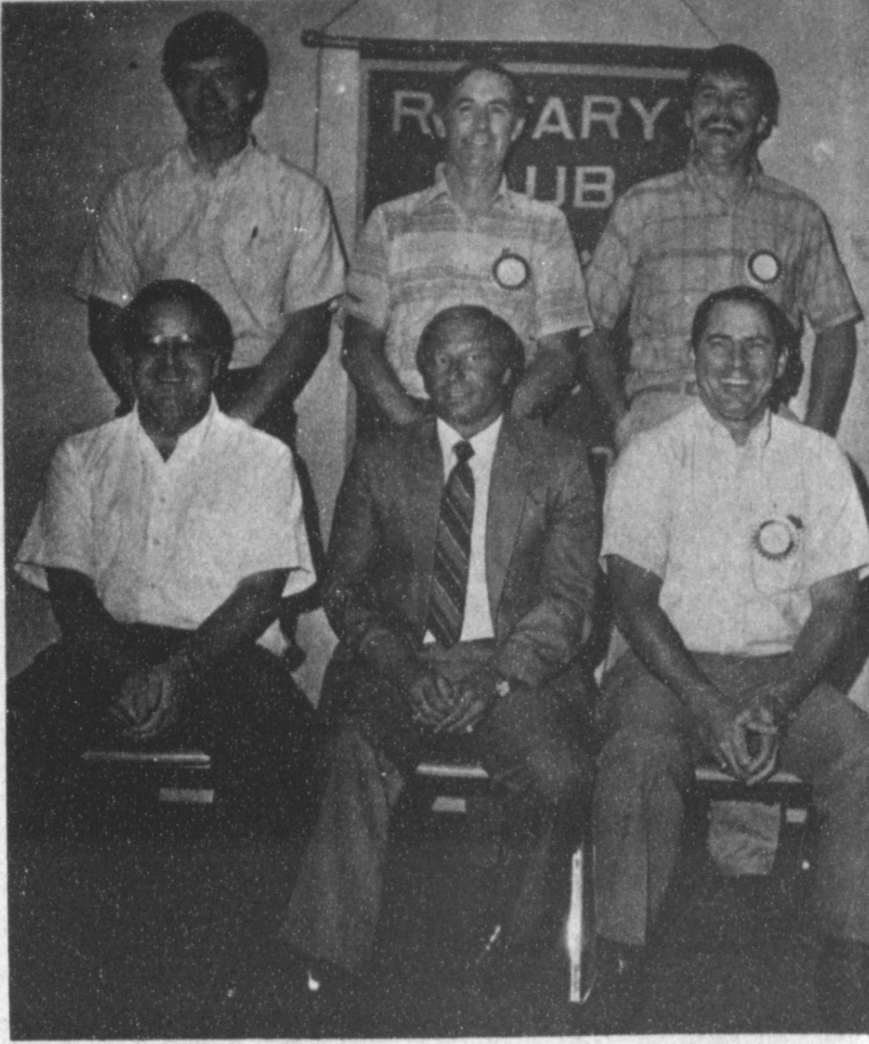

The proposed season for common snipe (jacksnipe) is Nov. 1, 1986, through Feb. 12, 1987; bag limit eight per day, possession limit 16.

A complete listing of all the late-season migratory game bird regulations will be contained in the department's supplement to the hunting regulations which will be available in September, added Witt.

24,000 Bales In County To Dec. 1

Unofficial figures for Bailey County ginnings are 24,000 bales to December 1, from the crop of 1951.

Latest estimates are that the county will gin 35,000 bales from this year's crop. Snow and weather of the last few days have halted harvesting, but with good weather most of the cotton will be ginned by the first of the year.

1986-1987 ROTARY OFFICERS--Tuesday night, Dewey Langston of Portales installed the 1986-87 Rotary officers, including from left, standing, Randy Field, treasurer; George Nieman, secretary and Terry Hutton, sergeant-at-arms; and seated from left, past president Paul Wilbanks; vice president Tommy Gunstream and president Bill Liles.

City Police Report

Criminal mischief and the issuance of worthless checks are leading the reports made in the Muleshoe Police Department for the past week.

Five reports of criminal mischief included \$1,000 damage to a vehicle door from the vehicle being egged; a golf ball thrown through a glass storm door caused \$130 in damage; obscenities were written on a car door with a mark a lot pen and \$2,000 was reported as damage to new sprinkler system when sprinkler heads were removed. A person reported \$500 damage from sand being put in the gas tank of an automobile.

Four cases of worthless checks were reported to the police department.

A local business reported the theft of two video movies.

Arrests included one for disorderly conduct and assault on an officer; one for driving while intoxicated and on a warrant from Dallas County; one for public intoxication; one for no driver's license and no liability insurance; one for burglary of a building.

western corner, including West Camp, Progress, Lariat and Y-L, not as much rain fell last week, and there's lots more action, including plowing, cultivating and hoeing.

The county agent said he saw some fields where irrigation was starting on corn. He said he also saw some planting and cleaning fields, in the north and northwestern part of the county.

Tanksley also saw a lot of haying activities in the northern part of the county that has not received the almost daily rains that have fallen in the southwest and southeast.

Major problems he observed included fields too wet, surplus water, lakes filled to overflowing, lost land that won't be farmed this year, some washed out areas, although those areas were not bad. Weeds, which if not controlled within the next ten days, will be taking over fields and crops lost, according to Tanksley.

He also noted that some farmers have lost the cost of their pre-irrigation because of all the rainfall and replanting. Such costs can't be recovered, he said.

Corn is in excellent shape, he said, what cotton that is growing is looking good, grain sorghum looks good, as do vegetables. A few potatoes are beginning to be harvested at this time.

Grass on rangelands are said to be in the best shape they have been in for a number of years.

There appears to be no major insect problem at this time, added the county agent, who said there have been a few infestations in certain crops, such as thrips, ear worms in sweet corn and squash bugs, but nothing major.

Later, farmers are warned to watch for bollworms and ear worms, especially because of all the rain received to date. Insect trays are monitoring ear worms and bollworms moths.

"We need good, hot, clear, sunny weather," said Tanksley. "If we continue with the rainfall, and below normal temperatures, it will hurt all crops, except corn, which will continue to thrive."

"If we have a good July, August and September, we could see a good harvest, especially with good grain sorghum."

At this time farmers are only days away from thinking about planting early wheat. It will need to be planted by August 15-20. So right now, they are waiting for fields to dry enough to get in to plow for wheat sowing.

The recipient, Harvey Bass, was president of the Muleshoe Rotary in 1970-71 and when he took over, the organization was \$700 'in the red.' He led several successful projects, and the club was well 'in the black' when he relinquished the presidency to another.

Harvey Bass joined former recipients, Earl Harris, Harmon Elliott, Olan Burrows and Gil Lamb, who each received the Paul Harris Fellow award.

Entertainment for the evening was the unique and different Kitchen Band from the Senior Citizen's Center at Clovis. They entertained with a washboard, accordion, piano, coffee pot, rolling pin, triangle/with spoon, ballpeen hammer and potato masher. Their style was totally different.

Perfect attendance awards went to J.D. Cage, C.K. Castleberry, Bruce Purdy, Harvey Bass and Paul Wilbanks.

In relinquishing the gavel to incoming president Bill Liles, outgoing president Paul Wilbanks commented, "This is my final meeting as president of Rotary, and I am very proud to say that we have a great club."

At the last district report, we were in third in the district out of the 64 clubs. I appreciate all your work during the past year."

Livesay Trial For Murder Will Be Heard After

The First Of The Year

A jury in Bailey County district court last Thursday night deliberated only 20 minutes before assessing the death penalty against Lester Douglass Stevens at the conclusion of his trial for the murder of Josh Blocher, Bailey County citizen last August.

Judge E.A. Bills will sentence the man after the legal time has lapsed, ten days.

The death penalty, first ever to be assessed in this county, was voted by the jury on its second ballot. The trial had consumed nearly a week, beginning Monday morning with the selection of the jury. The end of the trial came with surprising suddenness after the state had completed taking of its testimony just before noon Thursday; the defense testimony consumed only 10 minutes. After the jury had heard the charge of Judge Bill and final arguments of attorneys they brought in a verdict in a very short time.

Trial of Thomas C. Livesay, also charged in the murder of Blocher will not be heard until after the first of the year. Judge Bill had to hold court in Plainview this week and will be busy with court in other counties of the district until after Jan. 1.

Meantime Livesay will have to remain in jail since this is not a bailable case. Karl Lovelady, Muleshoe attorney, and Bill Sheena of Friona were appointed by the court to defend Stevens. He appointed W.G. Street and J.R. "Billy" Hall to defend Livesay.

Dist. Attorney Joe Sharp of Plainview was assisted in the prosecution by Norman W. Bays, Bailey County attorney.

The trial attracted state wide attention. Harry Hoare, of the Amarillo News and head of its regional staff spent most of the time here and covered the trial not only for his publication but for other papers and the Associated Press.

Muleshoe Teams

Defeat Bovina

Muleshoe's Mules chalked up a 58-51 victory over Bovina here Monday night, coming from behind in the last quarter to win. In a game just before the boys' game, the Muleshoe girls defeated Bovina's girls 63 to 34.

Glenn Harlin paced the Mules attack with 21 points, helping to spearhead the last ditch victory. Bovina held a 21 to 9 lead after the first eight minutes of play and held a 28 to 19 lead at the half. Muleshoe cut the margin to 41 to 38 as the third period ended.

Jo Addine Wagon pitched in 36 points for the Muleshoe girls, while Rita Peeler had 17 points for muleshoe.

Eighth Grade Graduation Exercises To Be Tonight

Commencement exercises will be held tonight, Thursday, May 18, at 8 o'clock in the senior high school auditorium for the 105 students who are graduating from the eighth grade. This will be the first graduation to be held in the new building.

Processional will be played by Miss Jane Scott and Rev. T.G. Craft will pronounce the invocation. Wanda Busby will give the salutatory address and Laura Whalin will deliver the valedictory. The class will sing "Dear Land of Home".

Ray West will read the class will. A solo is scheduled by Keith Gaede and the address will be given by Rev. A.W. Blaine, pastor of the First Baptist Church of Muleshoe. Principal Troy Perkins will present diplomas and awards. Supt. C.W. Grandy will give the benediction and Miss Scott will play the recessional.

Honor students of this year's class are: Jimmy Allison, Lavelle Beller, Wanda Busby, Edith Caldwell, Joe Edd Coffey, Sammy Donaldson, Jancell Green, Donald Harman, Jimmy Clyde Holt, Madge Johnson, Barbara Jones, Wilma Jean Kilton, Betty Lee Lovvorn, Dorothy Lowery, Peggy Nell McCormick, Rachel Stonciphcr, Helen Stovall, Ray West and Laura Whalin.

Eleven Students To Band Clinic

Among the 1500 high school gangmen in Lubbock Friday and Saturday will be several from Muleshoe. The occasion is the annual Texas Tech Band Clinic held each year in December on the campus of Texas Technological College.

Fifty one hundred piece bands will be rehearsing at the same time in different schools of the Lubbock school system. The Texas Tech Concert Band will play all of the contest music in the Lubbock high school auditorium in the Friday afternoon session from one until four-thirty o'clock.

Students from the Muleshoe Band who will play in the Clinic band include Johnnie Williams, Helen Stovall, Lavon Copley, Marlene Black, Holly Ann Cox, Darrell Myers, Jannell Green, Wanda Cawthorn, Archie Scarbrough, Lavelle Beller and David Mathis.

Miss Sharon Evans Has Party

Misses Shirley and Joyce Evans entertained at the home of their parents, Mr. and Mrs. Leonard Evans in honor of the eighth birthday of their sister, Sharon, last Saturday afternoon at 2:30.

Games were played and cake and punch were served to Jackie Brown, Brenda Fincannon, Elaine Blaylock, LaToya Howell, Arlene Howard, Ann Sybert, Sharon Cox, Shirley Lane, Jo Dell Lane, and the honoree.

47 Seniors Of Class Of 1951 To Receive Diplomas

This is the second graduating class to receive diplomas in the beautiful new auditorium. The '50 graduating class moved into the new school only a few weeks before the term ended. The 1951 seniors have the distinction of being the first graduating class to attend a full year in the new school.

TAXES

The first people to pay taxes to support a public school system were the residents of Dorchester, Mass. The rate of 20 pounds a year was established in 1639.

Mules Track Team Downs Floydada,

Muleshoe track and field team defeated Floydada high school's thinly clad athletes in a dual meet held there last Saturday, 59 points to 45. Coach Willard Hedges' charges scored high in virtually everything they entered.

This week the boys bore down in preparation for the regional interscholastic league track and field meet to be held at Tech College in Lubbock this week end. Thirteen squad members are eligible to compete, and Muleshoe fans are expecting to hear that some at least will go to the big state meet in Austin.

Points were made by the Mules in the Floydada Meet as follows:

- 100-Yard Dash--Bobby Seid, 1st.
- 220-Yard Dash--Don Moore, 2nd.
- Low and High Hurdles--Don Moore, 2nd.
- 440-Yard Sprint--Kenneth Hicks, 1st, 54.6 sec.; Jimmy Holt, 4th.
- Broad Jump--Roald Johnson, 1st, 18 ft. 10 3/4 in.
- 880-Yard Run--Kenneth Hicks, 1st; Gerald Elders, 2nd.
- Mile Run--Roald Johnson, 1st, 4 min. 58 sec.; Bob King, 2nd.
- Pole Vault--Sammy Donaldson, 1st.
- Shot Put--Bobby Seid, 1st; Dwayne Burkhead, 2nd.
- Discus--Dwayne Burkhead.

2nd. 440-Yard Relay -- Muleshoe 2nd: Don Moore, Sammy Donaldson, Bobby Seid, and Kenneth Hicks.

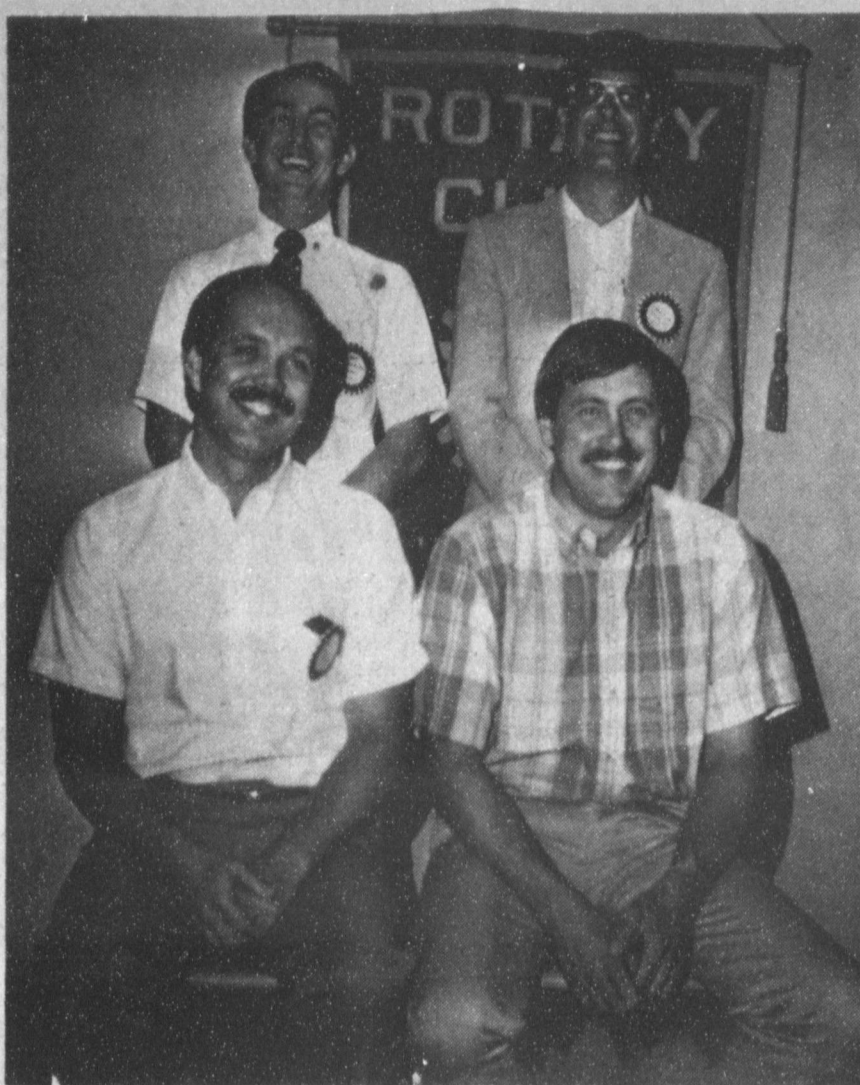

Mile Relay--Muleshoe 1st: Roald Johnson, Jimmy Holt, Bobby Seid, and Kenneth Hicks.

Charles Lewis To Boys State

Charles Lewis, son of Dr. and Mrs. A.E. Lewis, will attend Boys State, Austin, as a representative of Muleshoe, under sponsorship of Ben Richardson Post, American Legion. Charles will leave Saturday morning for Austin.

Homer Sanders, Jr., post adjutant, said the post will pay Charles' expenses, including transportation. He will be there a week. The Journal hopes to obtain a report from Charles when he returns.

The American Legion, Department of Texas, is in charge of Boys State. During the week the boys from all over the state are handed important posts in the state government and learn about government in a democracy by doing, rather than by reading.

ROTARY DIRECTORS--Installed as directors for the Muleshoe Rotary Club during an installation banquet last Tuesday night were from left, standing, Ray Day and James Lee; and seated from left, Tom Bonds and Mike Hahn.

High School A or B Honor Rolls

Names of twenty-three pupils appeared on the "A" honor roll released this week by Jerry Kirk, principal of the high school. At the same time, Mr. Kirk made known the names of 59 pupils who made the "B" honor roll for the first semester. He listed the names as follows:

- "A" HONOR ROLL**
- Betty Dalton, Betty Lee Lovvorn, Tommie Ann Drinkard, Jim Green, Wanda Estep, Janice Jordan, Kay Malone, Peggy McGee, Pat English, Sondra Wagnon, Ed Nichols, Billy Wayne Wagnon, Earl Jennings, Ernest Ware, Jimmy Allison, Ray West, Faye Gatlin, Jerie White, Charles Lewis, Eugene Buhrman, Mona Smith, Lillie Ruth Lee, Billie Faye Graves.
- "B" HONOR ROLL**
- Wilma Jean Kelton, Helen Stovall, Rachel Stonecipher, Dorothy Lowery, Edith Caldwell, Patsy Miers, Travis Clements, Billy Joe Estep, Keith Gæda, Jim Holt, Jonell Mayberry, Charles Bratcher, Helen Dawson, Jo Ann Hale, Martha Tipton.

- Pat Vinson, Billy Whatley, Mary Ellen Wingo, Jackie Bovell, Dixie Jennings, Dolores Locker, Minnie Ola Cox, Lloyd Kriegel, Jimmy Pruitt, Doris Underdown, Howard Hale, Lee Kimbrough, Wanda Busby, Jean Johnson, Madge Johnson, Leatrice Martin, Donna Kimbrough, Marlon Harris, Cora Lee Vinson, Dickie Fudge, Lorraine Jackson, Lucille Sullivan, Neil Eubanks, Kathryn Norwood, Robert Waggoner, J. Ann Wyer, Narilyn Gupton, Charlene Williams, Jo Ann Barbour, R.E. Williams, Marvin Davenport.
- Willard Dement, Jimmy Hall, Sig Kimbrough, Wanda Oltree, Bruce Shimmacher, Beatrice Knowlton, Joe Coffee, Joyce Shofner, Harold Browder, Bobbie Nell Glenn, John Dee Whipple, Mary Morton, Jerry Parsley.

Muleshoe Students Win 2 Seconds, 1 Fourth In Keen Regional Meet

Muleshoe had to be content with two first places and one fourth place in the Regional Interscholastic League meet held in Lubbock Saturday.

Marilyn Gupton won second place in Class A senior girls declamation, held Saturday morning. Roald Johnson, contrary to all expectations, failed to place in the senior boys declamation in Class A. Marilyn is eligible to compete at the state finals in Austin.

Second in Mile Run

Roald made up for this by coming in second in the Class A mile run. He had a perfect reason for coming in second, for the winner, Buxby Taylor, of Dalhart, ran a sizzling mile in 4 minutes, 43.1 seconds. Roald must have run the best mile of his career, for he couldn't have been more than a few seconds behind Taylor. Roald's best time prior to Saturday was 4:54. He is eligible to compete at the State Interscholastic League Meet in Austin May 5.

It was a great day for the mile runners in every division. In Class AA, Ray Bongham of Amarillo made the four laps in 4:44.8. In Class B, Dale Inmel of White Deer burned up the distance in 4:43.2, very close to the record.

It was a perfect day for a track and field meet and the boys made the most of the good weather by breaking record after record. The crowd which filled the stands, stood and cheered lustily as the three division milers sprinted in the last 100 yards or so.

Fourth in Mile Relay

Muleshoe's hustling mile relay team came in fourth in a big field. The team was composed of Bobby Seid, Jimmy Holt, Johnson, and Kenneth Hicks. Bobby wound up in third position with the fresh Kenneth eating up the leaders' advantage when the race ended. This race was determined by lapses of time, since it was run in two heats because of the large entry

list.

Pecos won the Class A regional title with total points of 27. Amarillo won the Class AA meet and the Dimmitt won the Class B track and field title.

Don Moore qualified for the finals in high hurdles but failed to place in the final contest. Bob King and Gerald Elders ran in the finals of the 880 yard run and failed to place in the first four.

Coach Willard Hedges had ten boys at the regional, boys who had qualified at the district meet for the regional meet. Others who competed besides those mentioned are: Dwayne Burkhead, shot put and discus; Sammy Donaldson, pole vault; Eugene Buhrman, high jump; Freddy Harvey, pole vault; Charles Hornbrook, discus.

Coach Hedges and his team are to be congratulated on their performances this year. They won second place in the district meet and have given a good accounting for themselves in every meet they entered. Fans should remember that Hedges' star performers are all freshmen or sophomores. Johnson, for instance, is a sophomore and has two more years of competition and already is one of the top notch milers in this region regardless of class of school.

And Jimmy Holt, a good quarter miler and mile relay performer, for another example, is a freshman with three more years in which to get his size and develop form. Several others of the team are freshmen, so it appears that the years just ahead will witness a bug spurt in track, both from the standpoint of student participation and from the fans viewpoint.

Quite a few followed the team to Lubbock Saturday. Among those observed at the meet were Supt. C.W. Grandy, Coach T.J. Bailey, Mr. and Mrs. Raymond Gæda, H.C. Holt, Clyde Holt and Mary Jo, J.M. Forbes, Mr. and Mrs. Fred Johnson, and Mr. and Mrs. George Hicks.

Last Grid Game Of Season To Be Played Here Tonite

The Morton Indians and the Muleshoe Mules will face each other in Benny Douglass Stadiums here tonight in the season final for both teams. The game was put back to Thursday night from Friday night in order to give fans a chance to attend this game tonight, then be free to see Brownfield vs. Littlefield game Friday night that may be a conference championship clincher.

Morton has gone along through the season with only one win, having defeated Whiteface.

The Mules have a record of three wins and six defeats this season. They have now lost to Littlefield, Levelland, and Brownfield, the three powers in his district. Muleshoe also lost to Tulia, Olton, and Hereford during the season while winning from Crosbyton, Springlake, and Sundown.

Starting line-up for the Mules tonight will feature as many seniors as possible, and will look something like this:

- Left end, Jimmy Hall.
- Left tackle, Lloyd Kriegel.
- Left guard, Johnny Ladd.
- Center, Jody Blaylock.
- Right tackle, Robert Waggoner.
- Right tackle, Dwayne Burkhead.
- Right end, Bob King.
- Quarterback, Roald Johnson.
- Fullback, Bobby Seid.
- Bill Willis, starting end, is out because of a broken ankle bone.

Head Coach T.J. Bailey told The Journal: "Coach Hedges and I are proud of the boys we have coached this year. We are proud of their spirit, their fine attitude. We have enjoyed our association with them. At the same time, we are appreciative of the fine attitude of our followers, of the great manner in which the business people and people of the district have backed us this year. It all adds up to a pleasant year for our coaches.

While losing more than they won, every boy on the squad has not failed to show a good competitive spirit and have never failed to merit the admiration of the fans and they will go into the game tonight with the full determination to show the same sportsmanlike spirit they have exhibited all the season.

Coach Hedges already has begun his practice sessions for the girls basketball squad. Coach Bailey announced the boys will begin their practice sessions the coming Monday. He has a big job cut out for him in basketball this year because he lost five starting players from the team which last year won the district championship and played well in the regional meet. But some fine material has come on up and Mr. Bailey believes the boys will be playing a good game after a few weeks of work. His first game will be against Farwell high school here Nov. 27.

Public Installation Of Rainbow Assembly Was Held Here Sunday

In a public installation of the Muleshoe Assembly No. 161 of the Order of Rainbow for Girls held Sunday, Sept. 30, J. Ann Wyer was installed as Worthy Advisor. Her colors were yellow and white. The decoration theme carried out these colors with yellow roses at the east and a single white rose at the other stations. In the east as a background was a rainbow of the proper colors. Season flowers in vases around the room added color to the scene. J. Ann chose as her motto, "Service" and her flower, rose. Her dress was of yellow taffeta with a white corsage. She wore white pumps.

After the installation ceremonies J. Ann's parents were presented for introduction. J. Ann presented her mother with a red rose corsage and her father with a red rose boutonniere. Mrs. Don Cook, the former

Dixie Lee Jennings dedicated a lovely song, "A Rose for You", to J. Ann, her friend since childhood and presented her with a beautiful red rose.

The installing officers, Mrs. Grandy and Dixie were given gifts of appreciation by J. Ann. In the absence of Mary Morton, past worthy advisor, Jacque Bovell protomed as installing officer. Other officers were installed as follows:

Worthy assistant advisor, Jacque Bovell; Charity, Marilyn Gupton; Chaplain, Jon Ann Thomson; drill leader, Norma Graves; Love, Tommie Bovell; Religion, Betty Shook; Nature, Sammie Carroll; Immorality, Bettie Collins; Fidelity, Elizabeth Ann Farley; Con. observer, Ann Woodley; Musician, Pat Morgan; Choir, Rita Peeler.

Refreshments of orange punch and cake were served to members and visitors.
