**ATTENTION!!!
YOUR NEWS REPORTS
NEEDED EARLY**

This is the busy season of the year for clubs, various organizational meetings and news in general. With the overload of reports, etc. it becomes necessary for us to remind all reporters that all items must be turned in on time to be published in the Leader. Late news such as week end reports will be directed to file 13 which is the waste basket for us to know everyone likes to read current news and it is our policy to put out the newest paper possible.

All reports of meetings etc. in the future must carry the date of meeting so we can keep our news current. Meetings of news created on Monday must be turned in early Tuesday and Tuesday meetings must be in by 8:30 a.m. Wednesday to be published. If a Tuesday meeting is held over until the next week, it is considered as old news (10 days from meeting date and will be discarded). News created prior to Sunday should be turned in no later than Monday morning. Our news space is limited and is regulated each week by the amount of advertising which will support a certain number of pages. We always make an extended effort to print all worthwhile news turned in on time. Your cooperation in news will help build your hometown paper.

**COLTS LOSE TO McLEAN
6-0 IN THURSDAY GAME**

The Junior High Colts lost their first game of the season to the McLean Junior High team by a score of 6-0 in a game played at McLean Thursday night. McLean scored their touchdown in the first few minutes of the fourth quarter.

The Colts' offense and defense wasn't as sharp as usual and they were slow in getting started but did improve in the last stages of the game. McLean had a good ball club.

The next game will be against Skellytown and will be played there at 7 p.m. October 8. Colts fans are urged to go along and lend support to the team and also see a good game.

New mascots for the Junior High Pep club are Roy Lee Monroe and Medina McAnear.

**Cotton Classing Office
Opens In Memphis**

The Cotton Classing office at Memphis is now open and serving farmers in this area. This is the fifth season this office has received samples for grading. Approximately 500 samples have been received this season from the 58 gins serving this territory.

The U. S. Agricultural Marketing Service reports the predominating grade Middling Light Spotted accounting for 30%; Strict Middling Light Spotted 26%; 26% white grades mostly Middling and better; and 12% Spotted.

Staple lengths have averaged about one-half 15-16, one-third 29-32 and shorter, and one-fifth 31-32. Micronaire averages showed about three-fourths in the 3.5 to 4.9 range, a little under one-fourth 5-0 and higher with a small percentage below 3.5.

Commodity Credit Corp. reported a limited amount going into the government loan. Spot markets showed light fluctuation in prices. Middling Light Spotted 15-16 was reported at 27.75 cents per pound at Oklahoma City and Dallas with 27.85 cents at Lubbock. Area cotton seed prices stood at \$44 and \$45 per ton.

**BROTHER OF LOCAL
RESIDENT DIES**

L. (Deacon) Quinn, 63, of Amarillo died Monday afternoon in an Amarillo Hospital. Mr. Quinn is a brother of Mrs. Oscar Thomas of Clarendon and the father of Mrs. Beryl Clinton of Stanton, a former Clarendon resident.

Mr. Quinn, a linotype operator at the Globe-News Publishing Company for 37 years prior to his retirement, is survived by his wife, a daughter, a brother, two sisters, and five grandchildren.

FREE COFFEE

The Women's Donley County League of Democratic Voters have opened an office in south side of the Legion Hall and are serving free coffee to all who wish to visit the office. Bumper strips and other material are available also. The office is open week days from 8 a.m. to 5 p.m.

**Bronchos Rack Up
First Win Over Groom**

The Clarendon Bronchos pulled an upset Friday night in Tiger stadium by whipping the Groom Tigers 18-16. Clarendon's tough defense was one of the deciding factors in this close contest.

Groom kicked off to Clarendon but a few plays later the Bronchos fumbled and lost the ball. The Tigers set up a scoring situation with a long pass down to Broncho territory. Then another pass from Jerry Roberts to Terry Cornett scored their first six points. Larry Lamberson ran the ball over for the extra points, and the score was 8-0 early in the first quarter.

Just as the quarter ended, Clarendon began a drive to pay dirt. The Bronchos made yardage on a long pass from David Mooring to Bobby Cain who was caught by Tiger defenders before scoring. John Grady took the ball and ran to the end zone, but the officials ruled he had stepped out of bounds, so Richard Bell scored on the next play on a sweep around left end. The conversion run by Grady failed leaving the score 6-8.

Clarendon scored again during the second quarter after good defensive play regained possession of the ball for the Bronchos. Grady carried the ball over from the five. Archie Smith tried the run for the extra points but was unsuccessful. The half-time score showed Clarendon ahead 12-8.

The Bronchos dominated play in the third quarter also, scoring their third touchdown on a 10 yard run by Larnce Gardner. Grady's conversion attempt failed, but the Bronchos went further ahead 18-8.

Groom came back in the fourth quarter and successfully moved the ball on some long passes. The Tigers scored on a short run by Lamberson who also ran the extra points making the score 18-16.

The last minutes of play were enlivened by several exchanges of ball control. The Broncho running attack was plagued by fumbles and the Tigers had a pass intercepted. Clarendon put together one other substantial drive which ended on the five yard line when Groom held on downs.

Bronchos who looked good on defense were Douglas Bradshaw, Mike Horton, Odell Louis, Kenneth Price and David Mooring. Among the Broncho offensive standouts were Buster Brannum, Richard Bell, John Grady and Richard Thornberry.

The Clarendon coaches were very pleased with the effort shown by the Bronchos. "It was a tense, exciting game, and the Bronchos came through under pressure," stated coach Walker. "However," continued coach Walker, "We made a few mistakes that we're going to work on before the Canadian game, October 16. In order to have the most effective offense and defense, we must eliminate these small mistakes", he added.

The Bronchos have an open date this week end but the B-Team will play Memphis here at 7:30 Thursday evening. If this game runs true to form, it will be a thriller from start to finish as the B-squad is a high scoring outfit. Last Thursday night they defeated Silverton in Broncho stadium 54-0 and had two touchdowns called back on infractions.

**DR. HALL TO BE
HONORED AT GROOM**

Dr. Richard Hall, formerly of Turkey, Texas, will be honored at a Pot Luck dinner at the Parish Hall in Groom, Texas, Monday evening, October 12. Serving hours will be from 6 p.m. to 8 p.m. The public is invited to meet Dr. Hall.

Dr. Hall will be associated with Doctors Witt and Clayton at Groom.

FARM NEWS

from County ASCS Committee

GRAZING DIVERTED ACRES

We have received several inquiries on the early release date of diverted acres for grazing. These diverted acres were released as of October 1, 1964, for grazing only. This does not include Soil Bank acreages.

If you wish to harvest hay from these acres, you must have prior approval and pay the haying fee. Please contact this office if you have any questions.

COVER CROPS ON DIVERTED ACRES

This is just a reminder that you must have a cover crop on all acres diverted under the feed grain and wheat programs. If you have been keeping this land clean tilled through the summer and now have a cover on it, please come in and let us know.

If you do not have a cover on this land now and are interested in seeding rye on it, come in and talk with us about ACP cost-share assistance for rye seeding.

SOIL BANK PAYMENTS

We plan to begin making payments to soil bank producers this week. Payments to producers who are grazing or haying will be withheld until a later date.

WHEAT DIVERSION PROGRAM

The sign-up for this program closed Friday, October 2. 108 producers signed up to divert 1883 acres of wheat.

All these intentions may be changed during the sign-up period for the 1965 Feed Grain Program.

OFFICE HOURS

This office is closed each Tuesday morning from 8:00 to 9:00 A.M. This time is used for staff conferences.

WELLINGTON ROTARIANS PROVIDE SCHOLARSHIPS TO CLARENDON JR. COLLEGE

Members of the Rotary Club in Wellington have set a precedent for other area civic groups by including in their new budget a \$150.00 scholarship to Clarendon Junior College. A 1964-65 graduate of Wellington High School will be the recipient of the scholarship which will be effective for the school year of 1965-66. Requirements which a student must meet in order to qualify for the scholarship will be determined at a later date.

"We are most appreciative of this tangible means of support and encouragement from Wellington Rotarians," stated Mr. Weldon Day, Dean of the college. "We are definitely an area college, serving the citizens of outlying communities. We welcome any type of support in the form of scholarships or other assistance from individual business men as well as civic groups in our neighboring communities. Many high school graduates will be unable to attend college without financial assistance. Such assistance is the soundest investment that can be made, since it is underwriting the education of all those who give scholarships of some young person and is, at the same time, enabling Clarendon Junior College to function more effectively."

A section of the college catalogue is reserved for a listing of all those who give scholarships to Clarendon Junior College. A full scholarship for out of district students for two semesters amounts to \$120.00. Half a scholarship (one semester) totals \$60.00. Any one interested in making such an investment should contact the Registrar's Office at the College.

Jerry Bones of Texas Tech, Lubbock, and Sam Jacobs and Miss Nancy Burris of Portales N. Mex. visited Sunday afternoon in the home of Mr. and Mrs. G. W. Estlack.

Mother Of Local Resident Dies In Claude

Mrs. Mary Ann Cobb, 96, mother of Mrs. Clyde Gilbert of Clarendon, died Sunday morning in Groom Memorial Hospital.

Funeral services for Mrs. Cobb were held Tuesday afternoon at the First Baptist Church in Claude with the Rev. Clarence C. Garrison, pastor, officiating. He was assisted by the Rev. Jeff Moore of Borger. Interment was in the Claude Cemetery.

Born in Sherman, Mrs. Cobb moved from Cooke County to the Panhandle in 1891 and settled near the J. A. Ranch. She lived on the ranch until 1950 when she moved to Claude. Her husband, the late Albert L. Cobb, died in 1934 and a son, Oscar, died in 1958.

Surviving are her daughters, Mrs. Nell Gilbert of Clarendon, Mrs. Ola Brinson of Allen, Okla., Mrs. J. E. Johnson, Mrs. Billie Wolford, and Mrs. Johnnie Miller of Claude; five grandchildren and nine great-grandchildren.

Scout Fund Drive To Begin With Kick-Off Breakfast Oct. 14

Gene Alderson, chairman of the Boy Scout Fund Raising Drive this year, has announced that the annual campaign would get underway next Wednesday morning with a Kick-off breakfast for campaign workers at Lions Club Hall.

A film on Scouting will be shown at the breakfast and results of the preliminary drive which is about complete, will be revealed at this time.

"The Scout program in Clarendon has been highly successful in the past and we are looking forward to a good drive this year in order that the scouting program will continue at such a good rate", Alderson stated.

SPOTTED FROST HERE SUNDAY NIGHT

Although the official temperature reading was forty degrees, spotted frost was reported in northeast Clarendon Sunday night. Herman Percival brought in evidence in the way of a leaf from a pumpkin vine that was melted down by the frost. Frost was observed on car tops in the area also. A report of spotted frost the same night from the Lelia Lake area was also made.

The average killing frost date for this area is around October 20th but local farmers are hoping that it will hold off until up in November. Some that are not waiting on late grain crops say they are ready for the frost to defoliate the cotton right now.

CITY DADS TO ATTEND MEETING AT CHILDRESS

Mayor C. J. Lohoefer and Aldermen, Gene White and Chauncey Hommel will attend an Open House and dedication of the Texas Highway Department's new District Laboratory Building in Childress October 9th which is being held in connection with National Highway week. This will give our local officials a better opportunity to become better acquainted with the activities of the Texas Highway Department.

FATHER OF DUB SMITH DIES

Charley F. Smith, 77, father of Wayne Smith of Clarendon, died Wednesday morning in an Olton hospital. He was a native of Goliard and had lived in Olton ten years.

Funeral services for Mr. Smith were held Thursday afternoon in the First Methodist Church of Tell, Texas with burial in the Tell Cemetery. Survivors include his wife, five sons, three daughters, a sister, 24 grandchildren, and 9 great-grandchildren.

Clarendon Bank Is High Bidder On Greenbelt \$4 Million Deposit

The Donley County State Bank of Clarendon was designated to receive all the money which will be used for the construction of the 73-mile pipeline for the Greenbelt Municipal and Industrial Water Authority, according to action by the authority Thursday night.

Seven banks, all of which made application, were designated as depositors for the Greenbelt. The banks were the Security State Bank of Hedley, Farmers State Bank of Clarendon, Security National Bank of Quanah, First National Bank of Childress, Donley County State Bank of Clarendon and Crowell State Bank.

The Donley County State Bank had the high bid for the \$4,041,302.20 deposit by the Greenbelt. Their bid was: up to 90 days, 1 percent; up to 180 days, 3 1-8 per cent and up to 360 days 3 3-8 per cent. This is on the interest the deposit will draw. The Donley County State Bank asked for the full amount while the other bidders asked for amounts ranging from \$200,000 to \$1 million.

The contracts between the Greenbelt and R. L. Fulton's firm in Lubbock, which will start construction on the pipeline project in November, were signed by Dr. Shell H. Townsend, authority president, and William Lowe, authority secretary, treasurer and attorney.

Hedley Cotton Festival Set October 16-17

The Pre Festival Television show will be presented over T.V. Station KGNC at Amarillo Saturday afternoon, October 10, at 1:30 P.M. This will be Cotton Johns Farm and Home Show.

Appearing on the show will be the reigning Queen Miss Brenda Wynn and the twelve girls competing for her crown, Mrs. Don Springer, who has charge of the musical program, and several other Festival workers.

The entire Hedley Community is busy cleaning up and decorating and getting ready for their 13th Celebration. The Midway, Central State Shows of Hazelton, Kans., and some booths and exhibits will be ready and in operation Thursday night before the Festival proper.

The Old Settlers of Donley County will be honored Friday at the Festival and will have part of that days program. Most of the old events will be back and several new ones have been added. The program is about complete with two days and nights of almost continous free entertainment.

The Grand Parade is scheduled for 1:30 P.M. Saturday the 17th. The Clarendon High School Broncho Band, now having one of their best years will be among the bands attending.

Festival speakers include Congressman Walter Rogers, State Senator Andy Rogers and Lions Dist. Governor James Wheeler of Amarillo.

GUILD IS SPONSORING HOOTENANNY AT GROOM

The Groom Memorial Hospital Guild is sponsoring a Hootenanny Saturday night, October 10 at St. Mary's School at 8 o'clock. Talent will be present from all surrounding towns.

There will be two full hours of good, clean entertainment. Proceeds will go toward the purchase of an anesthetic machine in memory of Dr. John London for the Groom Memorial Hospital.

ABSENTEE VOTING TO BEGIN NOVEMBER 14th

Absentee voting in the general election will begin Wednesday, November 14th and will continue thru November 30th. Those desiring to vote an absentee ballot may go to the County Clerk's office; if you are away, you may request a ballot be sent to you by the County Clerk.

Funeral services were held at the First Methodist Church in Hedley Friday afternoon, October 2, for Marvin G. Whitfield. The Rev. Wilton Lynn, pastor, and the Rev. Robert Estes, pastor of First Baptist Church, officiated. Burial was in Rowe Cemetery, Hedley.

Mr. Whitfield, age 71, died October 1, in an Amarillo hospital. He moved to Donley County in 1912, in 1915 was married to Miss Ora Holland of Clarendon. He owned and operated the Whitfield Blacksmith Shop in Hedley. Surviving are his wife of Hedley; one son, Marvin E. Whitfield of Amarillo; one granddaughter, Mrs. Sandra Collins of Amarillo; one brother and one sister.

Pallbearers were Charley Johnson, Roy McKee, Ray Altman, Henry Moore, Woodrow Farris, Ross Springer, Hobart Moffitt, and Winfred Doherty.

A 'Shocking' Lesson in Fire Prevention

Junior Fire Marshal Stanley Livingston, holding frayed electrical cord, gets a lesson in fire prevention from his TV dad, Fred MacMurray, star of ABC-TV's popular "My Three Sons." Stanley, who plays the role of "Chip" in the series, is one of 4.5 million boys and girls who will qualify as Junior Fire Marshals by inspecting their homes for fire hazards such as this one during National Fire Prevention Week (Oct. 4-10). The year-round school Junior Fire Marshal program is a public service of The Hartford Insurance Group and its agents across the country.

Social Security News

"Maids and babysitters — protect your rights." This advice comes from Hal Geldon, social

security district manager in Amarillo.

Geldon says that many housewives and homeowners are unaware that household employees are covered by social security. This and the subsequent failure of employers to make earning reports have caused many maids and other household employees to lose valuable retirement and disability benefits which were rightfully theirs.

"Household employees" includes maids, babysitters, cooks gardeners, and others who work in or around a private home. Geldon said that each of these persons has a definite responsibility to see that his or her employer makes proper earnings reports. A report is due at the end of any quarter in which the worker is paid as much as \$50 in cash by one employer. The social security tax is shared equally by the worker and the employer. The present tax rate is 3 3/4 per cent from each.

To protect your rights to social security benefits, Geldon urges you to get in touch with his office to make sure your employer is making correct reports.

The social security office for this area is located at 1006 Adams Street, Amarillo, Texas.

FHA
Mr. Jimmy Carter, local Art teacher was an interesting speaker at the regular FHA meeting held Monday in the College Auditorium. Mr. Carter's demonstrated talk was on sponge painting. While explaining the values of learning a creative hobby that not only brings pleasure to yourself, but to your friends as well, he was skillfully demonstrating the finer techniques of this type of art. These pictures are not only quick to paint, but they also resemble oil paintings. The pictures which he completed will be on exhibit in the high school corridor with information regarding lessons, etc. Mr. Carter is a former FHA Beau and the husband of a former State Degree FHA girl. Mrs. Carter was formerly Beth Lamberth, and the second girl in our chapter to complete a state degree. Approximately sixty girls observed the demonstration and

welcomed Jimmy back to visit our chapter.

The Clarendon Chapter of FHA met Tuesday at 11:00 o'clock in the College Auditorium to elect a Chapter Beau and Chapter Parents. The nominees for Chapter Beau were Charlie Smith, Jimmy Riley, Richard Thornberry, and Buddy Wooten. Buddy Wooten was elected for 1964-65. Buddy is on the varsity football team and a member of the Student Council. His wonderful personality makes him well-liked by the entire student body. We are honored to have Buddy for our Beau for 1964-65.

Chapter Parents for 1964-65 are Mr. and Mrs. Lamberson, Allene Estlack, Mr. and Mrs. Fedric, and Mr. and Mrs. Benson. Parents-at-Large are Mr. and Mrs. Shields. The chapter parents help chaperone our socials and field trips as well as serve in an advisory capacity.

We should read the Bible every day, not as we would the daily paper, but more like a long looked for letter from home. It tells about a place that we hope to make our home for all eternity. It tells about the road that leads to this home-the way to this home eternal.

Reading the Bible is a bit like walking in the garden or orchard. Here and there we find a cluster of Heavenly fruit that can be ours if we only reach out and gather them. Truly a food that will satisfy our hunger.

Searching its pages can be like following the creek toward its source. Here and there we can find the fresh bubbling springs of life giving water that can be ours for the drinking.

Reading God's word could be

likened to looking upon beautiful paintings. Everywhere we find examples of real life that becomes an inspiration. Here and there a prayer is recorded that brings increased faith into our own heart to ask for greater things to be given to us.

The Bible is our passport to a new land. It is our passbook to security. It is our prescription to health. Our guide to our eternal home.

'65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? HILLTOP NOTES

News from CJC

THIS AND THAT

Three Cheers For CJC
Dean Day has announced with justifiable pride that the 1964-65 school year promises to be a banner year for the Athens of the Panhandle. The final enrollment stands at a record-breaking all-time high of 190 students enrolled in day and evening classes. In addition to the numerical increase, the student body this year promises to be one of the most outstanding in many years. The students seem to be here for

the sole purpose of gaining an education. This is indicated by the fact that only two students have withdrawn from college since registration. This fact in itself probably sets a record, since the first few weeks at any college usually see large numbers of drop-outs before the final date of enrollment. "We are fortunate in having an excellent faculty, and the student body has been most cooperative in every way," stated Dean Day. "A combination like that can't be improved."

HERE AND THERE

Area Representation
A breakdown of our enrollment indicates that students from the following counties are enrolled at Clarendon Junior College:

Potter - 1; Lipscomb - 4; Hutchinson - 2; Oldham - 2; Briscoe - 5; Childress - 4; Armstrong - 2; Donley - 66; Carson - 11; Dawson - 1; Dickens - 3; Gray - 9; Motley - 1; Hall - 29; Cottle - 3; Ochiltree - 1; Hardeman - 3; Wheeler - 6; Sherman - 1; Wilbarger - 2; Collingsworth - 31; Wichita - 1; Beaver, Oklahoma - 2.

Under Way
Organizational meetings have been "bustin' out all over" lately as classes and clubs begin their programs of work. Here is the scoop on those who have completed their roster of officers.

Ray Big Fish
Timmy Ray, Clarendon, was chosen to serve as President of the Freshman class in their organizational meeting last week. Kenneth Patterson, Wellington, was elected Vice-President. T. Rose Stepp, Clarendon, will serve as Secretary-Treasurer, and Karen Clements, Lakeview received the nod as Reporter. Mr. White and Mrs. Hamilton are class sponsors.

Sophomores Select Spier
Bill Spier, Clarendon, was selected President of the 1964-65 Sophomore Class at CJC. Others serving with him include Cappy Wise, Quitaque, as Vice-President; Jeanie Love, Clarendon, Secretary-Treasurer; James Boliver, Hedley, Reporter. Mrs. Weaver and Mr. Ellerbrook will sponsor the group. Plans were discussed for Freshman initiation. Everything's a deep, dark secret right now, but things will start poppin' soon. So watch out you lowly Frosh!

Annual Staff Announced
Students interested in working on the Annual met on September 14, for the purpose of organizing their staff.

Jerry Don Snyder, Groom, was selected as Editor, and Jeanie Lowe, Clarendon, was chosen as Associate Editor, Larry Neece and Ann Weatherly, both of Clarendon, will serve as photographers.

Other staff members are Sue Tabor, Quanah, Betty Sandfer, Matador; Marilyn Lewis, Lefors; Perry Gruhkey, Adrian; Cody McAnear, Clarendon; Gary Campbell, Clarendon; and Johnny and Michael London, Groom.

The staff met again on September 24 with Mr. Chester Sullivan, Taylor Publisher's representative, to work out details for the yearbook. Mrs. Lucile Naylor is the yearbook sponsor.

Mrs. Bromley's

lor and Mr. James Tucker are yearbook sponsors.

Dogetts Decide
The CJC Dogetts met Tuesday under the sponsorship of Mr. Dan Nutter to elect officers for the '64-65 school year. The following were elected: President, Ann Weatherly, Clarendon; Vice-President, Steve Richerson, Clarendon; Secretary-Treasurer, Pat Sperry, Groom; Reporter, Punk Campbell, Clarendon.

Tryouts for cheer leaders will be held on Monday, October 5th.

Choir Corps of Officers
Billy Wilkerson from Wellington will preside as President of the College Choir. Maudena Self, Clarendon is Vice-President; T. Rose Stepp, Clarendon is Secretary-Treasurer; Don Campbell of Amarillo will be Librarian; Charlie Anderson, Clarendon, is Reporter. Pat Sperry from Groom is the new accompanist for the choir, which is under the direction of Mrs. Velma Weaver.

Moffett Proxy Aggies
The CJC Aggie Club met September 16 for the purpose of electing officers for the 1964-65 school year. The following slate was chosen: President, James Moffett, Clarendon; Vice-President, Cody McAnear, Clarendon; Secretary, (Butch) Gary Brown, Groom; Treasurer, Johnny London, Groom; Reporter, Tom Bridges, Memphis.

A discussion was held concerning ways and means of supporting judging teams for the year.

Organization of Future Business Leaders of America, and Phi Theta Kappa is still pending. The Student Government is also postponing its organization until a new constitution is drawn up. More on these groups later.

WHO AND WHAT

Meet the Faculty
Mr. James Tucker is the third new member of our faculty to be introduced to you. His home town is listed as Oklahoma City, and he came to Clarendon from Dumas, where he taught for five years. Mr. Tucker is head of the Math Department and holds a B. S. in Agriculture from Oklahoma State University in Stillwater, a B. S. in Education from Central State in Edmond, Oklahoma, and a M. T. from Southeastern State College, Durant, Oklahoma. He is a Christian Scientist and enjoys reading and tennis for relaxation. Mr. Tucker's family consists of his wife, Freda, two sons — Brian, aged 12 and John,

aged 5; and one daughter, Leanne, aged seven.

SCHOLARSHIPS GIVEN FOR BIBLE CLASS AT CJC
Rev. W. R. Lawrence received eight scholarships for Clarendon Junior College in the amount of \$22.50 each from an anonymous donor. The scholarships were given for the night class in Bible 137 with the understanding that they would be awarded by Rev. Lawrence to those interested in taking the course. There are 19 students enrolled in Bible 137 which carries three hours credit. "We are most appreciative of such generosity and are gratified to know that so many people will benefit from the course who would have been unable to enroll were it not for the financial assistance afforded by the gift,"

stated Weldon Day, Dean of the college.

PATTERNS FOR PROGRESS

When Industry votes for your community... you are the winner

The campaign WTU is conducting to bring new industry to this service area is based upon a platform of economic advantages. That's because profitable operation is the objective of all industry on the move. But when you come right down to it, local enterprise, local activity, local leadership are the deciding factors in winning the race for new industry. That is why when industry votes for your community, your platform is adopted and YOU are the winner.

Farm Census Coming

Census takers will visit every farm and ranch in the United States during November or December as part of the 1964 Census of Agriculture, conducted by the U.S. Bureau of the Census. Census questionnaires will be delivered by mail; the farmer will answer the questions and keep the questionnaire until the census taker calls for it. Answers are confidential and are used only for statistics. From the last Census of Agriculture in 1959 the nation learned that the number of farms had dropped by about 1 million in five years, but farm production had increased.

YOUNG HOMEMAKERS MEET

The Clarendon Young Homemakers met Tuesday afternoon in the home of Gay Cole.

Dollie Dee Bain of Bob & Dee's Flowers, presented an interesting program on flower arranging, using artificial as well as garden grown flowers. It was interesting to learn how and when to cut our flowers and how to arrange them to follow basic lines, including the lazy S, the triangle, half circle and the cone shaped. We learned that foliage plays an important part in any arrangement.

In the business meeting Pat Reed, Area president, reported on the area conference. Delicious refreshments of chips, dips, cake, tea and coffee were served by Gay Cole and Barbara Orsak to Jo Schollenbarger, Pat Reed, Donna Tipton, Sherry Semrad, Wilma Lindley, Eulonda Jones, Peggy Maxcey, Harlene Phillips, Velma Bourland and Pearl Hermsmeyer. Guests were Beth Waldrop, Eloise Ashcraft, Margaret Waldrop, Marie Patterson, and Mary Mann. —Rep.

1926 BOOK CLUB MEETS TUESDAY AFTERNOON

Members of 1926 Book Club met Tuesday afternoon, October 6, at Patching Club House with the president, Mrs. Bill Williams, presiding. Hostess for the afternoon was Mrs. E. S. Ballew.

After the usual order of business was dispensed with Mrs. Fred Clifford presented a very interesting program. She gave a clever review of parts of Helen Corbitt's "Cook Book." Mrs. Clifford is a Home Economics major and prior to moving to Clarendon demonstrated electrical appliances for an electrical firm at Houston. She concluded her program with a demonstration making "Cherries Jubilee" and serving it with angel food cake. Everyone enjoyed the program.

Attending were one guest, Mrs. Frances Cottingham of Dallas, and ten members. —Rep.

 TEXAS PRESS ASSOCIATION

AUSTIN, TEX. — It's almost time to vote again. General election ballots are already in the hands of local officials, for printing.

Secretary of State Crawford C. Martin has mailed out the sample ballot to the clerks. Along with it went a 44-page certified list of all state and district candidates. Many clerks had been pressing for material so they could order necessary printing well in advance of the November 3 election date.

Absentee voting begins 20 days before the general election, and clerks must post ballots 10 days earlier than that.

This ballot will list Democratic nominees in Column 1, Republicans in Column 2 and Constitution Party candidates in column 3.

Three constitutional amendments also will appear on the ballot:

One would remove authorization for transfer of up to one percent a year from the permanent school fund for current spending.

Another would set tougher requirements for creation of special conservation and reclamation districts; and

The third would permit the Legislature to authorize medical care payments (on a matching basis with the federal government) to needy persons over 65 who are not receiving old age assistance.

Martin held up his final certification of candidates pending a Supreme Court ruling on a Scoury and Borden Counties suit. Court declined to hear Snyder attorney J. Ray Martin's request for listing as an independent candidate for 132nd district attorney. Martin also sought, unsuccessfully, to keep Democratic nominee for district attorney, Wayland G. Holt, off the November ballot.

CITIZENS COMPLAIN — A band of citizens from Nolan County came to Austin to call on State Highway Engineer DeWitt C. Greer with a petition requesting his department to reconsider a decision to close the engineering office at Sweetwater.

Greer said the decision to close was due to slackening of the work load in that area, but said that the petition will be given careful consideration.

WATER — Water engineers from 17 Western States discussed and swapped ideas on how their states are attacking the coming water crisis at the Association of Western States Engineers' convention here.

Marvin C. Nichols of Fort Worth told the group that the proposal of the U. S. Bureau of Reclamation for a canal along

the Gulf Coast, to carry surplus from the Sabine and Neches to water-shy Gulf Coast areas of South Texas, should be held up until the state gets the money from the legislature to investigate alternatives. He feels that canals or pipelines, carrying surplus East Texas water to upper points of central and South Texas streams, would be far better. Thus the water could be used more than once.

Leon Hill of Amarillo, regional director of the Bureau of Reclamation, said that engineers can propose plans, but they must be refined into "people plans" before they will gain enough public acceptance to reach reality.

John Simmons of Orange, general manager of the Sabine River Authority, endorsed the idea that big rivers surplus water be carried to areas which need it. He believes such transfers of water should be made by arrangements between river authorities, under supervision of the Texas Water Commission.

J. E. Sturrock of Austin, manager of the Texas Water Conservation Association, told the delegates that by the year 2010, population growth may necessitate the \$100,000,000 proposal to move water from Alaska to supply the Southwest United States and Northwestern Mexico. He warned the water engineers that it is their responsibility to educate the people on the coming crisis in water, and to be ready with proposals to meet that crisis.

VETS LAND PROGRAM RENEWAL URGED — State Land Commissioner Jerry Sadler says Texans ought to vote again on whether to continue the veterans land program.

It just now is starting to make money for the state, he advises in his annual General Land Office report. Profits were reported as nearly \$3,000,000 last year and eventually should run to \$80,000,000 — maybe \$100,000,000.

Voters last year turned down a proposal to issue an additional \$150,000,000 in bonds to continue the purchase of land for resale to qualified veterans at low interest rates.

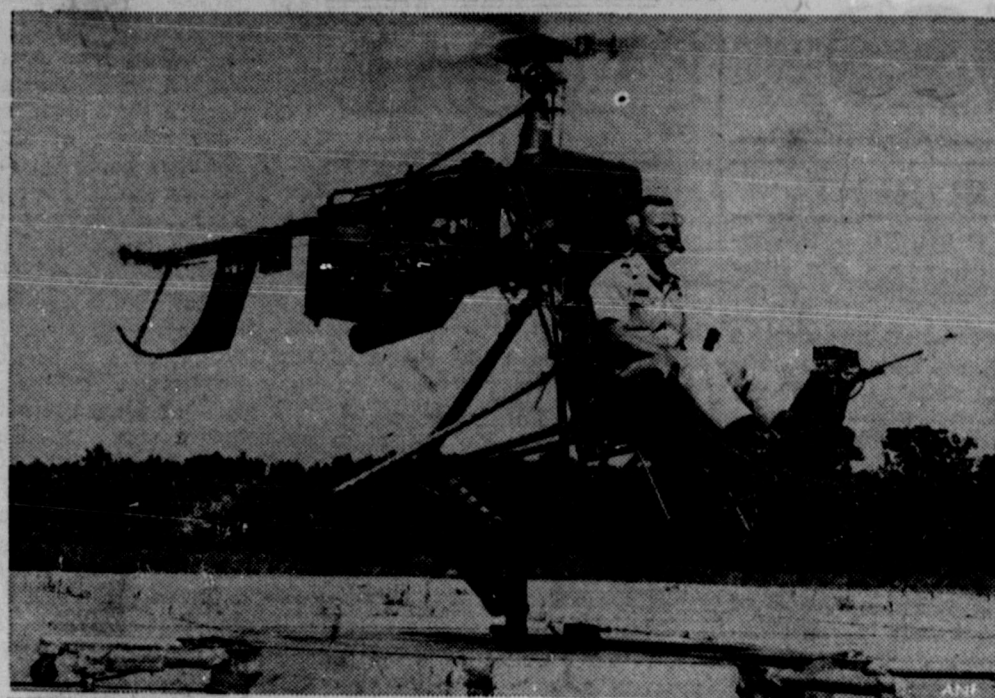

BUS TOUR — State Republican Headquarters here announces that a gold-colored bus—called the "Goldwater Special"—carrying Republican candidates for statewide office will arrive in Austin on October 3, following a three-day tour through East Texas, down the Gulf Coast to Corpus Christi, and up South Texas through Alice.

Passengers will include candidates Jack Crichton for Governor; Horace Houston, Lieutenant Governor; John Trice, Attorney General; T. E. Kennerly, State Supreme Court; Don Flanagan, Railroad Commissioner; Dallas Calmes Jr., State Comptroller; Fred S. Nauman, State Treasurer; John Matthews, Land Commissioner; and John Armstrong, Agriculture Commissioner.

This week's tour will be the first of three. On October 12, the "Goldwater Special" will tour four days from El Paso through West Texas and North Texas and wind up in Houston. On October 27, the candidates will make a plane tour of major cities not touched by bus.

APPOINTMENTS ANNOUNCED — Johnson-Humphrey headquarters in Austin announces the following appointments:

Chairman Wm. Hunter McLean picked Mrs. Eugene Locke of Dallas and Frank C. Erwin Jr. of

WHIRLYMITE TRAINER—Capt. Norman E. Hoeltzel (Jacksonville, Fla.) demonstrates a new helicopter training device at Fort Wolters, Texas. The one-man chopper is mounted on a platform that glides across the runway on a cushion of air. A pilot can move in all directions, practice such in-flight maneuvers as 360 degree rotation, vertical rise and descent, tilt in all directions, and forward flight. Still in the test stage, the trainer was planned as an economical substitute for flight training in operational helicopters. Manufacturer is Del Mar Engineering Laboratories, Los Angeles, Calif.

Austin, national Democratic co-chairmen of the Texas drive.

Mrs. Jerre S. Williams, formerly of Brownsville, was named women's activities director.

Wayne G. Weachman of Houston, Bob Slagle of Austin and Scott Mann of Houston, are chairmen of Young Citizens for Johnson.

Wilmer Smith of Lubbock, Dolph Briscoe of Uvalde and Romeo North of Karnes City are tri-chairmen of the statewide Rural Texans for Johnson-Humphrey committee.

EMPLOYMENT STILL ON RISE — Non-farm employment in July rose to 3,316,300, compared to 3,314,200 in June and 3,255,500 in July, 1963, according to the Texas Employment Commission.

MAKE IT IN TEXAS — Governor Connally hailed the opening of a sugar beet refining industry at Hereford as an example of the "unlimited opportunity" for processing plants utilizing Texas raw materials.

Connally said, "No other state produces more of the basic chemical feedstock that goes into

making synthetic fibers. Yet not one inch of these fibers is made in Texas. Our greatest challenge is economic development and our brightest opportunity is the attraction of end-product manufacturing to use raw materials and provide skilled jobs for our growing labor force."

DISASTER PLAN STUDIED — A new "hospital zone support concept" which would link all Texas hospitals in the event of a major disaster was unveiled here.

Texas Medical Association and the State Advisory Committee on Health and Medical Aspects of Civil Defense have set up a statewide conference of disaster medical care directors. They will detail medical and health disaster plans.

Texas Hospital Association initiated the project for the linking of hospital services and the handling of casualties.

TIPS ON MACHINERY COSTS AND EFFICIENCY

Successful management and operation of farm machinery is becoming increasingly important, says Henry O'Neal, Extension Agricultural Engineer at Texas A&M University.

The average machine costs for Texas farms is between 20 and 25 percent of total farm receipts. Fortunately, farmers can do much to achieve better operating efficiency with their machinery.

O'Neal offers these tips on how farmers can get more for their machinery dollar. One way is to be familiar with the manufacturer's recommendations for each machine. Farmers should know how the machines are to be maintained as well as what they are designed to do.

Keep machinery in adjustment, with cutting edges sharp, working parts aligned and lubricated, and all mechanisms timed and in good working condition. The result will be more trouble-free operation, lower power requirements and reduced operating costs.

O'Neal emphasized that periodic tractor tune-up and minor repairs pay big dividends. Eng-

ineers throughout the country, he says, have found that properly adjusted breaker points, ignition timing, spark plugs, and carburetors, and clean air filters and crankcase breathers will lower operating cost considerably.

Complete and regular lubrication and proper storage also make for better service, he says.

Other machinery management practices O'Neal encourages are keeping records on lubrication and repairs. Also operating equipment at near capacity and hiring some machines on a part-time basis when needed might be cheaper and more practical than buying them.

O'Neal urges farmers to keep up-to-date on latest developments in machinery for their particular types of farming. When buying machinery, shop wisely, he says. He suggests comparing not only prices and features, but also the service that can be expected.

The muscle that closes a clam's shell is, for its weight, the most powerful muscle known.
