Farm Bureau Approves Draft Of New Bill Concerning Greenbelt Authority

Maurice Risley, president of the Donley County Farm Bureau, stated that the local organization had passed a resolution approving the draft of a new bill to be presented to the Texas Legislature dealing with underground water rights in Donley County.

The part of the new bill as approved is as follows:

Sub-section (b) of Section 8 of the Act is hereby amended so that said sub-section shall be as follows: (b) To acquire and develop any other available surface water and to construct, acquire, and develop all facilities deemed necessary with respect thereto. The authority is authorized to acquire, develop, use and maintain the underground water facilities and underground water rights presently owned by any cities located in Donley, Hall, Childress, Hardeman and Foard Counties, to the extent of the present yield which is 3500 acre feet per annum. The Authority is authorized to acquire, develop, enlarge, use and maintain the underground water facilities presently owned by the cities for emergency use and peaking, as determined by the Board of Directors of the Authority, to the extent of an additional 1500 acre feet of underground water per annum until December 31, 1971, at which time the maximum allowable withdrawal shall revert to each respective city's present yield. The Authority is authorized to purchase water from any city within or without the Authority, any other water authority, or district or any governmental agency.

Risley stated that Attorney General Waggoner Carr had been asked for an opinion regarding parts of the above section. Carr was of the opinion that the Authority could not buy water from any individual and could not drill any new wells along the route of the pipe line.

It was pointed out further that no water from city wells and no enlargement of city wells as above stated could take place at all until water is furnished such cities and the water supplies are handed over to the Authority which will, in all probability be two or three years hence. In view of these facts and the stop-date clause of Dec. 31, 1971, we feel that underground water rights in Donley County will not be affected in any great manner, Risley concluded.

Bernie Green Wins Teen-Age Road-E-O Contest

Bernie Green, 17, son of Mr. and Mrs. Horace Green, won the first annual Clarendon Jaycee Teen-Age Safe Driving Road-E-O conducted last week in the parking area north of the High School. The senior student scored 347 points out of a possible 400 to defeat four other contestants and win the honor of representing Clarendon at the State Jaycee Road-E-O contest in Fort Worth May 8-9.

Green scored an astounding 190 points out of 200 in the driving competition. He missed a perfect score by inches. He also led the competition in the written test with a score of 152.

Second place was won by Jack Robinson with 313 points while third place was captured by Dwayne Lamberson. Larry Green placed fourth and Gene Branum won fifth place.

Jaycees Bill Bradshaw, Gery Gerdes, and Tom Higley were in charge of the Road-E-O. The contest car was a 1965 Chevrolet from Alderson Chevrolet of Clarendon.

TOM COOK ELECTED CHM. OF ZONING AND PLANNING BOARD

In a recent meeting of the Clarendon planning and zoning board, Tom Cook, vice-president of the Donley County State Bank, was elected chairman of the board. K. K. Day was elected vice-chairman and Mrs. Frank Phelan Jr. was elected secretary.

The board has set up regular meeting dates as the first and third Thursday nights of each month but since the board is just getting started, they will meet tonight, which is the fourth Thursday. The meeting will be held at the City Hall at 7:30 p.m. and is open to the public.

FEED GRAIN AND WHEAT PROGRAMS

Any producer who has an interest in a farm or farms in another county must comply with his bases and allotments on that farm or farms in order to be eligible for payments in this county. If you have an interest in a farm in another county please come in and let us know so that farm can be checked for cross-compliance at performance time. Wheat producers—May 1 is the final disposition date for wheat. Any wheat you have which you do not intend to keep and want to use the land for any other purpose must be reported to this office by May 1. We will not revisit your farm to measure wheat destroyed unless you request us to do so. Diverted Acres Requirements—May 1 is also the final date for grazing any land you wish to use as diverted acres under the Wheat and/or Feed Grain Programs.

COTTON DOMESTIC ALLOTMENT PROGRAMS

To date 78 farms are signed up to participate in the Cotton Domestic Allotment Program. 1407 acres will be reduced voluntarily. There are 80 farms with a domestic allotment that is the same as the effective allotment. Producers participating in the Cotton Domestic Allotment Program that will be reducing their effective allotments cannot exceed the feed grain base for the farm regardless of whether or not they are participating in the feed grain program. Do not overlook this fact.

ACP

249 farms have requested assistance to carry out a conservation practice. Estimated amount requested is \$46,502. \$42,476 has been approved and \$16,318 completed and approved for payment. Payments can be made currently to CMS Vendor's on behalf of producers for services performed; however, payments cannot be made directly to farmers until after July 1. Some of the services offered by vendors through the County office are deep plowing, installation of underground irrigation pipeline, tank construction, terracing, and brush control.

GENERAL

We are grateful for the nice rains we have had. Farming operations will begin to pick up now. SOMETHING TO THINK ON No one lives in this world without some way effecting the lives of others.

Funeral Services Held Wednesday For Mrs. Dollie Wilson

Funeral services were held Wednesday afternoon at the First Baptist Church for Mrs. Dollie Elizabeth Wilson with the Rev. W. R. Lawrence, pastor, and the Rev. Archie Hawkins, pastor of the Brice Church, officiating. Interment was in Citizens Cemetery.

Mrs. Wilson, age 56, died of an apparent heart attack Monday evening. She was born on October 28, 1908 at Wills Point, Texas. November 7, 1929 she was married to Clyde F. Wilson at Lutie, Texas. They came to Donley County in 1929 from Collingsworth County. Mrs. Wilson, a member of the First Baptist Church, was an employee at the High School Cafeteria.

Survivors include her husband, Clyde F.; two daughters, Mrs. Klyda Fern Blackman of Indio, Calif. and Mrs. Pat McAnear of Brice; two sisters, Mrs. T. L. Shumate and Mrs. E. O. Wilson, both of Amarillo; two brothers, Clarence and Jess Tate of Amarillo; and five grandchildren.

Pallbearers were Roy Blackman, Glen Adkins, Grady Henson, Joe Bownds, Joe Ritter, and Glenn Churchman. Arrangements were under the direction of Murphy Funeral Home.

LIONS LADIES NIGHT SET FOR APRIL 27

GREENBELT ELECTRIC ANNUAL MEETING FRI.

George Henry, manager, announced this week that the Greenbelt Electric Cooperative, Inc. will hold its annual meeting Friday afternoon at 2 p.m. in the Community Building at Wellington. Registration will begin at 1 p.m.

Mr. Henry stated that a number of door prizes would be given and refreshments would be served. The program will be provided by the Wellington High School Stage Band.

Two directors of the organization are to be elected at the business meeting.

LEADER CLASSIFIEDS GET RESULTS

According to Postmaster Mike McCully, a meeting of area farmers has been set for Thursday April 29th in the High School Cafeteria at 7:30 p.m. at which time the Farm Training Program under the Federal Economic Opportunity Act will be explained.

McCully attended Gov. John Connally's luncheon in Austin last Wednesday at which time all phases of the Economic Opportunity Act of the Poverty Bill were discussed. It was pointed out at this time that Federal money is available and will definitely be used somewhere and Donley County farmers could benefit through the Farm Training Program.

Gov. Connally called McCully Tuesday night and April 29 was set as the date of the meeting at which time Tom Blodgett, a member of the Governor's cabinet will be here to explain this phase of the program to local farmers. It will deal with a program of training migrant laborers on the job in farming operations with the Federal government paying the labor bill.

According to McCully, Donley County has been selected as a test site for this particular program if enough local farmers wish to participate.

If you are a farmer and wish to learn the details of the program, you are invited to attend this meeting. Since this Federal money is going to be spent regardless, it may prove to be quite beneficial economically in a program here in Donley County.

OFFICERS AND DIRECTORS OF RPRB CATTLE ASS'N SCHEDULE MEETING

The officers and directors of the Rolling Plains Registered Beef Cattle Association will meet Thursday night the 22nd of April at 7:30 P.M. in the Community room of the Farmers State Bank in Clarendon, Texas. Tommie Potts, president of the association is calling the meeting. Flip Breedlove, secretary and manager of the association says the business at hand will be the planning of the association's big barbecue to be held at the Clarendon Country Club in August.

The Farmers State Bank of Clarendon will again be host for the occasion. Other business will be a discussion of advertising and opening of entries for bulls to the sale. The sale will be held on December 1st this year and will be at the Fairgrounds in Clarendon. All officers and directors have been notified of the meeting and are urged to attend. Mr. Potts hopes for 100 percent attendance.

get one thing you won't (big expensive-looking payments)**

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

WHEN AND WHERE

Summer Schedule

The second edition of the col-

lege newspaper, the BULLDOG BANNER, came off the press Tuesday, containing a copy of the summer schedule of classes. Anyone who is interested may stop by the office and secure a copy. An unusually large selection of courses is available this summer, which should attract a large number of students for both sessions.

All-College Picnic

The Student Senate has announced that it is sponsoring an all-college picnic on Thursday, April 29th. Everyone will leave the college at 4:00 P.M. to drive to Bursons Lake for an afternoon and evening of fun—and food. A picnic supper, consisting of a wiener roast with all the trimmings will be served to members of the faculty and their families, students and guests. This outing should be loads of fun, so all of you make your plans to attend. There will be plenty of transportation available for those who do not have a car on campus.

THIS AND THAT

Clarendon College Seal
Clarendon College is sporting a new seal. It was designed and produced by two art students, Glen Judd, Clarendon freshman, and Jerry Don Snyder, sophomore from Groom, and it will be adopted as the official seal of the

college. The new instrument incorporates two themes: the athletic program is represented by the Bulldog mascot while the Centurion identifies the academic program of the college. Around the outer edge of the seal, and interlaced with an artistic design, are the words, "Clarendon College, The Athens of the Panhandle." The design is a good one, and the college is fortunate to have this student talent available for such a project.

Dress-Up Day

The Phi Beta Lambda sponsored a Dress-Up Day on Wed., April 15, creating a noticeable difference in the atmosphere on the Hill. Most of the students participated in the project, and they looked especially nice. Those who didn't bother to participate, well, they looked about as usual! Actually, it's rather fun to do something different for a change, and even if the girls did com-

plain of aching feet, we suspect that they secretly enjoyed the feeling of sophistication that high heels give.

WHO AND WHAT

Tennis Matches

The college tennis team traveled to South Plains at Levelland last Tuesday for their final match of the regular season. Johnny Lacy, Greg Wood, Doug Mitchell, and Kenneth Willingham all gave good performances, but lost their matches in both the singles and doubles. Karen Clements and Sandy Verden came off better, claiming wins in both fields. The tennis teams, along with Mickey Daugherty and Bill Trosper and their golf equipment, will enter

the Roswell Regional meet to be held May 7th and 8th.

In Memoria

Mr. Daniel Nutter has announced that numerous contributions are being made to the college Library Memorial Fund in memory of Bob Kester, freshman student from Chillicothe who was killed in a tragic automobile accident on Saturday, April 10th. Anyone wishing to purchase a book as a memorial to Bob may contact Mr. Nutter or a member of the Library Faculty Committee.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Where can our town see an example of Community Development?

WTU says Childress is a good example... many projects are underway.

Water is a problem with many West Texas communities, but Childress is solving it with an ambitious program. In connection with neighboring towns, there is a \$6 million dam and reservoir starting soon... under construction a \$4 million pipeline from the water supply to the city... and a pipeline system in the city. Add such things as a remodeled City Auditorium with convention facilities... vapor lamp street lighting downtown and on highways through town... remodeled Chamber of Commerce offices... over \$400,000 in Church construction... new lounge at the Airport... and modernizing of many business buildings. Scheduled for the immediate future are a school bond election... expansion of State buildings... and a new hospital. The Childress record is a PATTERN FOR PROGRESS in "community development," improving chances for continued economic growth and attraction of new industry plus making it a better place to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.

Mr. and Mrs. Earl Myers Surprised With Housewarming

Mr. and Mrs. Luther Butler and Mr. and Mrs. Oscar Roberts hosted a housewarming Friday night honoring Mr. and Mrs. Earl Myers and Glenn who have recently moved into their new home in Lelia Lake. Approximately fifty guests were registered.

The housewarming came as a complete surprise to the Myers and brought to mind such an occasion 42 years ago when they moved into their new farm home. Modes of travel differed somewhat then for most of the guests arrived in wagons.

The Myers home is indeed a lovely, lovely home and one of which Lelia Lake is justly proud. —Rep.

SR. H. D. CLUB MEET HELD

Mrs. Virgil Poole entertained the Senior Home Demonstration Club in her home Friday afternoon. A short-business meeting was held.

An Easter program was presented with all taking part. Subjects were "Ring Easter Bells," "Legend of the Easter Flower," "Easter Bunny Land," and "The Magic Pool."

Refreshments of sandwiches, jello, and coffee were served by the hostess, Mrs. Poole, to Mesdames O. C. Watson, Bertha Benson, W. L. Jordan, and J. H. Helton. Favors were Easter eggs. Plans were made for a trip to Palo Duro Canyon at the next meeting date which will be May 21st. —Rep.

Mrs. G. W. Estlack visited Saturday with her sister, Mrs. L. T. Whitlock, in Amarillo.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. W. E. Goodman of Clarendon, Texas announce the engagement and approaching marriage of their daughter, Janet Kay, to Robert Leland Lewis, son of Mr. and Mrs. Leland Lewis, also of Clarendon.

Vows will be exchanged June 5th, the twenty-fifth wedding anniversary of the bride-elect's parents, in their home.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met April 15th at the community center with Mrs. Robert Partain hostess. An Easter program was presented by Naomi Green.

Refreshments of Easter eggs, cookies, cracker sandwiches, coffee, and tea were served by the hostess to nine members and one child.

The next meeting will be April 28th when we will have an all day quilting. Club 25 of Amarillo will meet with us. Mrs. Lillie Knox will be our hostess. —Rep.

1926 Book Club Presents Guest Speaker

Mrs. Pete Bromley was guest speaker when 1926 Book Club met at Patching Club House Tuesday afternoon, April 20. Highlights of the Big Bend country furnished the basis for her discussion and she used her text "How Come It's Called That" by Virginia Madison and Hattie Stillwell. Of interest to her audience was the fact that Hattie Stillwell is Mrs. Bromley's aunt.

In her charming manner, Mrs. Bromley gave an interesting and delightful description of the Big Bend Country and told stories relating to the names given mountains and points of interest within the area.

Mrs. Bill Williams, president, presided over the business session.

Mrs. Frank White, Jr. and Mrs. W. N. Poole, hostesses, served refreshments of strawberry cake and coffee. A lovely array of spring blossoms provided the decor.

Attending were guests: Mesdames Heekle Stark, George Benson, Don Thornberry, Edward Sawyer, and members: Mesdames C. E. Bairfield, E. S. Ballew, A. J. Garland, Otis Naylor, W. N. Poole, W. C. Thornberry, Frank White, Jr., Bill Williams, C. A. Pitts, J. R. Gillham, and Ruby Bromley.

The next meeting will be the annual President's Dinner. All members are urged to make plans to be present. —Rep.

G. A. CORONATION AT BAPTIST CHURCH SUNDAY

The G. A. coronation will be held Sunday, April 25th, at 7:30 p.m. at the First Baptist Church. The public is invited to attend this service and the reception which will follow.

GOLDSTON QUILTING CLUB TO MEET

The Goldston Quilting Club will have an all day quilting in the home of Nora Helm, Thursday, April 22. A covered dish luncheon will be served at the noon hour. —Rep.

FHA LOANS MADE UNDER WAR ON POVERTY PROGRAM

Mr. L. J. Cappleman, State Director of the Farmers Home Administration, announced that 247 loans to individual families have been made in Texas under the provisions of the Economic Opportunities Act of 1964, which is one of the powerful weapons of the United States Department of Agriculture being used in President Johnson's all-out War on Poverty Program.

These loans were made to individual farmers and rural residents in most sections of Texas. A farm family is a family who is operating a farm they own or lease, and is producing at least a portion of their subsistence from crops or livestock. A rural resident is classified as one living in a town of not more than 2,500 population.

Economic Opportunity Loans to farmers may be made to improve farming operations; to buy more land, livestock, machinery and equipment; to construct needed farm buildings; and to pay annual operating expenses for feed, seed, and fertilizer. These loans may be obtained by farm and rural families to finance rural-based, but non-agricultural enterprises. Funds may be used to purchase land, construct buildings, buy and install equipment

and pay normal operating expenses of a variety of non-agricultural enterprises such as a farm machinery repair shop; TV and radio repair shop; ladders, spraying equipment and tools to be used by painters and carpenters; blacksmith shop; septic tank and sewage disposal system servicing; custom grass setting and land preparation; saw and lawn mower sharpening shop; post and wood cutting equipment; portable sheep and goat shearing equipment; etc.

Economic Opportunity Loans are for the purpose of helping low-income rural families raise their income level. Rural families who need a small amount of capital to improve their incomes may borrow up to \$2,500 for 15 years at 4-1/8 percent interest. These loans are secured by a promissory note by the borrower and a loan agreement scheduled in accordance with his ability to repay.

Families and single individuals with incomes which are too low to cover basic needs, and who, with the assistance of the Farmers Home Administration county supervisor, are successful in developing a plan of operation which will provide a reasonable prospect of increasing their earnings through a small amount of credit from a farming operation or other non-agricultural enterprise, and who are unable to obtain ade-

quate credit on reasonable terms elsewhere, are eligible to receive the loans.

Mr. Cappleman also advises that Economic Opportunity Loans may be made to finance processing, marketing, purchasing and service type cooperatives which directly benefit low-income families living in rural areas. These loans may be scheduled for repayment over periods up to 30 years at an interest rate of 4-1/8 percent. The cooperatives must pledge as security for the loan a property lien and pledge of revenue.

BULLDOG TRY-OUTS HELD APRIL 15-16

Clarendon College played host to a record number of basketball prospects on Thursday and Friday of last week. Forty young men from over the area competed for berths on the college Bulldog team during the try-out sessions. Mr. Lawrence Overcast, new head coach of the Clarendon squad, commented that he was not only well satisfied with the turn out, but was also quite impressed by the talent displayed.

The following boys entered the try-out competition: David Kendrick and Billy Wischkaemper from Samnorwood; Gene Burkett, Mike Echols and Charles

Johnson from Amarillo High; Dennis Shugart from Clayton, New Mexico; Jim Norris and Rudy Garcia from Tucumcari, New Mexico; Ronald Curlee and Lanny Lewis from Pampa; Pat Chesser, Butch Weatherly and Glen Ward from Hedley; Leon Choat, Robert Counts, Gifford Ensey, and Ricky Potts from Panhandle; Mike Wolf and Dennis Stratton from Caprock High in Amarillo; George Markam, Allison; Jack Young, Turkey; Jimmy Kirkland, Spearman; Fred Peters and Roger Weems from Wellington; Tim Green, Matador; Greg Pollard and Harold Pollard from Stinnett; Carrol Kennedy, Quail; John Grady and Glen Judd from Clarendon; Danny Cruse and Jerry Stevens from Flomont; Ramon Guerrero, Miami; Thomas Thomson, Morton. The following boys from the 1964-65 varsity Bulldog team also competed, seeking re-assignment to next year's squad. Don Campbell, Amarillo; Gary Varnell, Wichita Falls; Johnny Powers and Jerry Johnson, McAdoo; Alvin Alexander, Hedley, and James Wilson, Quanah.

Coach Overcast expressed his appreciation to these young men for the interest they have shown in Clarendon College and its athletic program as well as to the area school administrators for

allowing them to miss classes in order to participate in the try-outs.

Mr. and Mrs. Clyde Pamplin of Cleburne and Mr. and Mrs. Ted Springs and girls of Amarillo visited Mr. and Mrs. Goble Barker thru the holiday week end.

Mr. and Mrs. Bill Tipton and children visited Friday night and Saturday with his parents, Mr. and Mrs. Jack Tipton at Sweetwater, Okla.

FLIP BREEDLOVE SPEAKS TO McLEAN LIONS

Flip Breedlove of the Farmers State Bank and Garland Smith, "Cotton John," of Amarillo were principal speakers at a meeting of the McLean Lions Club Tuesday of this week. Registered Beef Cattle Breeders of the area were honored at this meeting.

Breedlove and Smith addressed the group on phases and problems of the Registered Beef Cattle industry.

Mr. and Mrs. Elmer Howell have enjoyed having all of their children home the past week: Mr. and Mrs. Joe Dillard and sons, Mr. and Mrs. Billy Wilson and daughter of Lubbock, Dr. and Mrs. Tofte and baby of Lake Oswego, Oregon, and Gene Howell who is home on leave from the army and is stationed at Oak Dale, Pa., also Mr. and Mrs. J. R. Howell and family of Amarillo.

Pete Bromley and daughter, Liz Ann, of Clarendon visited their aunt, Mrs. W. I. Rains Monday.

Mrs. Gene Bowlin is not feeling too well. She is at the home of a daughter in Pampa. Her friends wish her a speedy recovery.

Mr. and Mrs. Chas. Rains of Amarillo spent Saturday night with Mrs. W. I. Rains and Ike.

Visitors over the holiday week end in the T. J. Cherry home were the Aubrey Cherry family of El Paso, the Troy Brown family of Vernon, Mr. and Mrs. Royce Crysler and Lanny and Miss Churchwell of Plainview, Mr. and Mrs. Lloyd Kidd of Clovis, Mrs. Altie Rochelle of Dallas, the G. T. Cherry family and the Lynn Cherry family of Amarillo, Mr. and Mrs. Ray Stewart, Mr. and Mrs. J. E. Kidd, and Tom Stewart, all of Clarendon.

Elmer Howell suffered a stroke at his home Monday morning. He was rushed to Hall County Hospital. We wish him a speedy recovery.

CLARENDON COLLEGE AGGIE RODEO SET FOR APRIL 23-24

A number of contestants have entered competition in the junior rodeo sponsored by the Aggie Club of Clarendon College and scheduled for April 23-24. As of April 16, books were closed in the Bareback Bronc Riding event. Contestants were entered from Aiken, Lockney, Dumas, Wellington, Amarillo, Clarendon, Panhandle A&M, and West Texas State University.

Openings are available in other events and more entries are expected before books close at noon April 21st. Twenty contestants have entered the Bull Riding contest and the Tie Down Calf Roping has drawn nine contestants to date. Three boys from West Texas State University have entered the Ribbon Roping event and eight contestants from Amarillo have entered the Barrel Race. Only two entries to date

have been made for the Pole Bending event. These are also from Amarillo.

Mr. Reed, sponsor of the Aggie Club is well pleased with the response to date and is expecting a top-notch show.

FORMER RESIDENT TO EXHIBIT ART WORKS

An exhibition of recent works of James D. Howze, professor at Texas Tech, Lubbock, and son of Mr. and Mrs. J. H. Howze of Clarendon, will be on view beginning April 25th in the Lubbock offices of Kittrell and Pierce. The paintings represent several months' effort in the study of bright color and strong graphic statement and are semi-figurative in content reflecting Howze's philosophy of painting as a direct visual experience and not a literary statement. The paintings will be on display for two weeks.

NEWS FROM CITY HALL

Continuing with last week's theme, here are a few more answers to questions. Mr. X, the city aldermen have already considered an Anti-Litter Ordinance. It was brought up several months ago and it was their decision that such an ordinance was not necessary at this time. It was their opinion that most of us wouldn't litter our town if we were just asked, making an ordinance unnecessary.

Did you know that we have a \$360,000 industry here in Clarendon? Well I didn't know that industry was so large. It effects our entire population, including those dollars changes hands an average of seven times in the community, more than any other dollar. The industry?—just 1% of those 4,165 cars that pass thru Clarendon daily. This is an industry that can be expanded. The tourist stops for food, gas, lodging, and we have to supply these articles. Just think of our "stopping power" when we have a lake close by. Since 80 to 90% of all vacations are toward inland lakes for fishing and water sports we can stop tourists for days at a time, if we're ready and have the facilities for them.

It appears as if our underground water problem has been solved. The Greenbelt Water Authority's use of underground water is to be limited to the yield of all the previous cities wells, which is 3500 acre feet per year. Plus, the permit to enlarge present facilities for an additional 1500 acre feet per year until 1971 for peaking purposes or an emergency. This appears to be a realistic amount for the water authority and for each member city.

Jaycee Road-e-o chairman Bill Bradshaw and chief judge Gary Gerdes check over one of the entries in the Clarendon Jaycee Teen-Age Safe Driving Road-e-o which was held in Clarendon last week. The winner of the contest was 17-year-old Bernie Green.

JAYCEE EASTER EGG HUNT BIG SUCCESS

Over 150 children attended the first annual Clarendon Jaycee Easter Egg Hunt held Sunday afternoon in the City Park. Jaycees and Jaycee-ettes hid over 1200 candy eggs and awarded prizes to six lucky children. As soon as the starting signal sounded children ranging in age from 2 to 10 years scattered over the park.

The Jaycees extend their thanks to all who donated Easter eggs for the hunt. For the children it was a most enjoyable event and one they will be looking forward to again next year.
