Local Dealers To Show New Car Models Here This Week End

Local Automobile Dealers have a big week ahead for them with the showing of the 1965 models today thru Saturday. This is the year for major style changes so it will be an exciting week end for the public also.

Dealers showing their new lines today are Alderson Chevrolet, Estlack Machinery Co. and Chamberlain Motor Co. Those showing their new line Friday are Palmer Motor Co., AAA Motor Co., and Bartlett Motor Co.

In addition to showing of new shapes in Chevrolets, Chevilles, Chevy II, Corvair and Corvettes, Alderson Chevrolet will be holding Open House in celebration of the 10th Anniversary as the local Chevrolet Dealer. Estlack Machinery will be showing the new Oldsmobile 98, 88 and F-85 series which are described as all new from every view. Chamberlain Motor Co. will be showing both the Buick and Pontiac lines. The Buicks are said to be changed a lot in appearance in all models including the Skylark and the Wildcat and the same for the Pontiac and Tempest. A report from Fred E. Chamberlain Jr. who is a patient in Adair Hospital as result of a heart attack, states that he will not be on hand for the showing this year but his sales force will be present for the big showing.

On Friday, AAA Motor Co. will be showing 4 new kinds and 60 new performers in the Plymouth and Valiant line and the Chrysler and Imperial which are described as completely new. Bartlett Motor Co. will be featuring four brand new cars including the compact series, and a new-sized Coronet line in addition to the compact and regular-sized cars. Palmer Motor Co. will be showing 17 Ford, Falcons etc. including a new Super luxury series. Many features have been added to this line in addition to complete new style changes.

SCD ELECTION SET FOR SATURDAY

ATTENTION: landowners who live in subdivision No. 1 of the Donley County Soil Conservation District. An election will be held on Oct. 6, 1964 at 7:30 P.M. in the County Agents Office. Notices of this election have been posted in the County Court house and in the Clarendon Post Office. Instructions for eligible voters are included on these notices along with the boundary of the sub-division.

City Council Raises Service Rates

The City Council met in recessed session last Thursday and passed two motions effecting the users of the City Sewer System. Present were Mayor C. J. Lohoefer and Aldermen Basil Smith, Gene White, Chauncey Hommel, J. G. McAnear and Clyde I. Price Jr.

A motion was made by Chauncey Hommel that all sewer taps be raised from \$10 to \$65 effective immediately and revenue from such tap charges be placed into the Sewer Improvement Fund at the Farmers State Bank. Motion was seconded by Clyde I. Price Jr. and carried.

Motion was made by Alderman Gene White that the City raise all Sewer charges the amount of one-dollar per month for each sewer connection in addition to the respective present sewer charges being made, effective on September 20, 1964 billing, the proceeds of the increase to be placed into a revolving fund called the sewer improvement fund, to be used for sewer repair and extensions. Motion was seconded by Alderman J. G. McAnear. Motion carried with all voting 'Aye'.

With this increase in the sewer charge, the residential minimum will now be \$5.50 instead of \$4.50 which includes water, sewer and garbage.

243 Sign Petition To Move City Offices

A petition, signed by 243 local residents, was delivered to Mayor C. J. Lohoefer this past week asking that City offices be moved from their present location upstairs to the ground floor level at the City Hall. Due to present repair needs of the City Hall, a movement is under way promoting a completely new City Hall building with Community Center facilities.

The petition as handed to Mayor Lohoefer reads as follows: We, the undersigned, all resident citizens of the City of Clarendon, hereby petition the City of Clarendon, acting through the Honorable C. J. Lohoefer, mayor, and the aldermen, to make arrangements to move the tax office and/or the water department to the lower floor so as to remove danger of climbing steps in order to transact city business.

Winners Of Quarter Horse Show Named

Forty-five top quarter horses from all over the country paraded before judge John Stotts last Friday at the Donley County and Horse Show. Flip Breedlove, Fair secretary said that the farthest distance for horses to come for the show was Monte Vista, Colorado; Walsh, Colorado; Houston, Texas; and Las Vegas, N. Mex. Jerry Hawkins assisted judge John Stotts in the ring and Virginia Browder handled the ribbons and the trophies. Grand Champion Stallion went to Bachelor Bar, owned by Gary Reed of Ralls, Texas. Reserve Champion Stallion went to Tuff Hank, owned by Cecil Gillispie of Shamrock, Texas. In the mare division of the show Grand Champion went to Tretesa Bars, owned by C. C. Jones of Flomont, Texas; Reserve Champion to Alicia 19, owned by W. B. Blake more of Midland, Texas. Grand Champion Gelding went to Mr. Paymaster owned by W. H. Local Youth Shows Top Barrow At Amarillo

Gaylon Fredericksen, Clarendon F. F. A. member and son of Mr. and Mrs. Leroy Fredericksen, took grand champion honors Monday in the Tri-State Fair Barrow Show with his Hampshire Barrow.

Gaylon won the Hampshire breed champion; first place for light Hampshire and heavy Hampshire.

Dave McAnear, Clarendon F. F. A., was a top winner in the Spotted Poland China class showing the champion and reserve champion; 1st and 2nd place Light Spotted Poland China and first in the heavyweight division.

Basketball Preview At Clarendon Jr. College

It is a little early in the season but if first impressions are any indication, things are looking up on the basketball court at Clarendon Junior College. The Bulldog's roster has been completed and looks very promising. Coach Billy White stated that he has only two boys reporting from last years team, but the over-all analysis of his freshmen players indicates more speed and more natural ability. "We're expecting a good year," he said. "If enthusiasm and willingness to work hard can carry any weight, we're on our way."

This season's roster includes: Bill Spier, sophomore, 6'4", Clarendon; Bill Trospier, sophomore, 6'4", Higgins; Don Campbell, freshman, 6'4", Amarillo; Walter Roberson, freshman, 6'4", Lamesa; Jerry Johnson, freshman, 5'11", McAdoo; Johnny Powers, freshman, 6'1", McAdoo; Ceaman Scott, freshman, 5'10", McAdoo; Alvin Alexander, freshman, 5'7", Hedley; Gary Varnell, freshman, 6'2", Wichita Falls; Robert McQuire, freshman, 5'10", Paducah; James Wilson, freshman, 6'2", Quanah.

COLTS WIN STARTER WITH BUCKS 6-0

The Clarendon Junior High Colts got off to a good start Thursday night when they defeated the White Deer Bucks by a score of 6-0 in their opening game of the season. Fans enjoyed the game.

A Junior High Pep Rally held Thursday afternoon kept spirits running high to game time. Mrs. Barrow is sponsor of the Pep Squad.

FARM NEWS

from County ASCS Committee

County Convention
On Friday, September 18, 1964, the eight delegates to the County Convention met and elected the County Committee for the 1964-65 term. The following men were elected:

Lacy M. Noble - Chairman; Horace A. Green - Vice-Chairman; A. B. Ivey - Regular Member; Henry Moore - First Alternate; John Fraser III - Second Alternate.

These men are elected to serve you. Feel free to call on them any time they can help you.

1964 Program Payments
We are approximately 95% complete with making the 1964 domestic cotton allotment and wheat payments. The remainder of these payments will be made as soon as the farms are in compliance.

We are completing the forms for the final payment for the Feed Grain Program. If you have not signed for this payment, you may do so at any time it is convenient.

1965 Feed Grain Program
The minimum and maximum acreage diversion for the 1965 feed grain program will be unchanged from 1964. This announcement was made early so that producers who want to use the wheat-feed grain substitution provision in the 1965 programs can plan their plantings now.

Minimum diversion will be 20 percent of the feed grain base. Any farmer can divert up to 50 percent of his base, or 25 acres whichever is larger.

Summer Performance
We lack only a few farms being through with all cotton and feed grain measurements. We appreciate all the cooperation we have from all the farmers both in the field and in the office.

Our special "thanks" go out to all the reporters and planimeter operators who worked so diligently. Our reporters were: Jeff Walker, Alvin Alexander, Jim Robinson, Morris Crump, Steve Shelton, Grady B. Jones, and C. H. Long. Grady and C. H. are still with us at this time.

Susan Cox and Sharon Williams, two of our planimeter operators, have gone back to college. Sara Messer is still with us helping out with the office work. Thanks to everyone.

Reminder
October 2, 1964 - Final date to Sign in the 1965 Wheat Program.

COOKE APPOINTED HEAD OF COUNTY DEMOCRATIC PRESIDENTIAL CAMPAIGN

Ashtola Wins First In Community Exhibits

Exhibits in the entire Donley County Fair this year were much better than in past years says County Agent Flip Breedlove. All committees and individuals working with the County Fair were highly praised by the overall fair committee for the fine work done. Winners in the Flower Show, sponsored by Les Beaux Arts Club, and the winners in the Fine Arts Department and Quarter Horse Show appear in different articles.

Winners in the Agriculture department were as follows: Ashtola community won first place; second place went to Martin Community; and third place went to Chamberlain community. Goldston placed fourth and Midway fifth. Fourteen communities exhibited displays at the fair.

In the Home Economics department for schools, first place went to Hedley and second to Clarendon.

In Needlecraft several divisions were made. Mrs. Nelson Riley took first and second place for quilts; and in Crochet Mrs. Riley took two first places and one second place; Mrs. J. W. Sullivan won a second, and Mrs. J. I. Spurgeon took a first and second. Winners in Embroidery were Bert Garland, first; Ginny Garland, second; and Mrs. J. I. Spurgeon, a first and second. Miscellaneous Needlecraft winners were Mrs. Otto Elliott, Mrs. Sid Stewart, Mr. and Mrs. E. V. Quattlebaum (3 firsts).

The Baking department winners were: Special cakes, Miss Leane Risley, Butter Cakes Mrs. J. I. Spurgeon, Mrs. J. A. McAnear, Mrs. Wilma Lindley; Po-und Cakes, Mrs. J. I. Spurgeon; Chiffon Cakes, no first places; Doughnuts, Mrs. James Ashcraft; Cookies, Mrs. Bill Clifton; Pies, Mrs. A. J. Hicks; Bread, Sandra Deyhle.

First places in Canned Goods went to Mrs. G. D. Hillis, Mrs. Van Knox, Sherry Shaw, and Mary Crain. Bobby Dishman was in charge of these departments and did a fine job in handling them. Judges were B. G. Hancock, Extension Agronomist from Texas A & M University for the community Agriculture exhibits, and Sybil Stringer, Home Demonstration agent from Panhandle for the women's department.

PASTOR OF ST. MARY'S CHURCH RETURNS

Rev. J. J. Magana has returned to Clarendon as pastor of St. Mary's church and the Spanish mission at Memphis. Rev. Magana was on three months leave to visit his home and family in Spain. He also visited in Panama.

COACHES RELEASE COLT SCHEDULE THIS WEEK

Coaches Pete Brumley and assistant Coach Jack Hall have released the 1964 Colt Football schedule as follows: Sept. 24 - Groom at Clarendon, 7 p.m.; Oct 1 - Clarendon at McLean, 7 p.m.; Oct. 8 - Clarendon at Skellytown, 7 p.m.; Oct. 15 - Wellington at Clarendon, 7 p.m.; Oct. 22 - Clarendon at Canadian, 6:30 p.m.; Oct. 29 - Memphis at Clarendon, 7 p.m.

Semrad Visits Relatives

Robert Semrad, Jaltipan, Vera Cruz, Mexico visited his parents, the John Semrads and brother, James Semrad last week end. Robert is superintendent of production of the Pan American Sulphur mine in Jaltipan. He has been promoted to vice-president and company director and will transfer to the Houston office January 1, 1965. Semrad attended the Clarendon schools and Texas Tech, Lubbock. His wife is the former Elise Norwood, also of Clarendon. The couple has three children.

Bronchos To Play Shamrock Team Here Friday Night - 8 p.m.

Colts To Meet Groom On Local Field Thursday Night

The Colts will play the Jr. High team from Groom at Broncho Field Thursday evening, September 24, after tucking away their first win last week. Game time is 7 p.m.

Starters for the Colts are: Philipp Longan, 51; Mike Martin, rg, 61; Billy Longan, lg, 62; Doyle Gilbreth, rt, 72; Everett Moore, lt, 77; Larry Kidd, le, 83; Don Thornberry, re, 80; Don Moor-ing, qb, 44; Mike Sloan, tb, 33; Robert Thomas, fb, 25; and Steve Land,wb, 12.

Other players are: Chuck Adkins, 50, Charlie Deyhle, 63, John Hermesmeyer, 60, Steve Allen, 41, Feroi Shelton, 23, Ronnie Sims, 70, Ronnie Rippetoe, 73, Jim Moore, 40, Nick Lowry, 21, Pat Slavin, 20, Benny Reece, 31, Ray Fields, 32, and Walter Reese, 30. Clip these numbers for reference and keep up with the plays throughout the game.

These youngsters will appreciate your support. The concession stand will be operated by Colt mothers.

Donley Exhibits Place High At Tri-State Fair

Donley County had its best year agriculture wise in showing at the Tri-State Fair this year says County Agent, Flip Breedlove. Donley County had forty-five entries in the Tri-State Fair and out of that number there were twenty-one first places, twelve second places, and the rest were third and fourth places. All of the agriculture items shown at Amarillo were taken from the Donley County Fair and all of the premium money won at Amarillo will be returned to the individuals and communities who won them.

People helping County Agent Flip Breedlove with the Donley County booth at Amarillo were Mr. and Mrs. C. E. Jackson, Bobbie Dishman, Mary Mann, and Mrs. Breedlove. Every one attending the Tri-State Fair at Amarillo is invited to go into the agriculture building and see the Donley County Exhibit.

Flip Breedlove and Mrs. Breedlove will take the Panhandle agriculture exhibit for the Panhandle of Texas to Dallas to be prepared for the State Fair on Sunday, September 27th. This will be made up of agricultural commodities from all counties in the Panhandle shown at the Tri-State Fair.

Use Leader Classifieds for Quick Results

The Clarendon Bronchos will play hosts to the Shamrock Irishmen in Broncho Stadium here Friday night with game time set at 8 p.m.

Shamrock has a 2-1 record, having defeated both Memphis and McLean. They were favored last week but lost to the Wellington Skyrockets 13-0.

Coach Walker states that the local team is really working hard this week and should be ready for the encounter with Shamrock Friday night. He says that team speed and finesse are improving because the boys are extending themselves on their agility drills and sprints.

"We try to teach our boys to give everything they've got on every drill and sprint in order to develop to their fullest potential. It means a sacrifice to play winning football," Coach Walker added.

Every fan should be in Broncho Stadium Friday night for the opening kickoff to back the Broncos all the way.

More Moisture; Crops Damaged By Hail

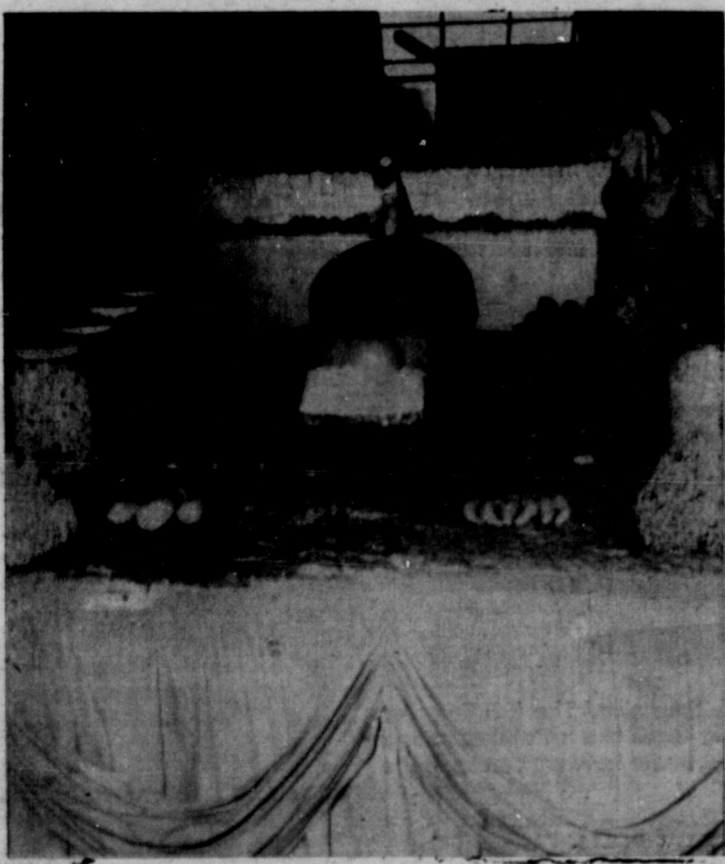

A rain storm which moved across the area last Saturday afternoon, dropped some more good moisture totals but also dropped some destructive hail. The hail area extended from about four miles south of town thru part of the Chamberlain and Midway communities to the area northwest of Lelia Lake. Crops were considered a total loss in the center of the hail area which was estimated a mile or so wide. Hail is bad any time of the year, but at crop gathering time it is worse as there is no growing season left to plant a recovery crop.

The heaviest rain reported was south of Ashtola where Mrs. J. B. Lane reported 2.25 inches. Hubert Rhoades reported .75 at Ashtola; C. C. Rich reported .40 at the Country Club; Willard Knox .17 at Lelia Lake; 40 at Hedley and .45 here in Clarendon.

So far this year we have received a total of 12.24 compared with 13.75 by the end of Sept. 1963. Our monthly total has grown to 2.42 compared with 2.38 a year ago. More moisture is forecast for the remainder of the week.

TO ATTEND NATIONAL MEET

Misses Ruth Richerson and Marjorie Harlan left today by plane for Washington D.C. where Miss Richerson will attend a national meeting of County and Rural Superintendents. The two will then visit the World's Fair before returning home.

The First place Community Exhibit at the County Fair last week end was Ashtola. The Martin Community placed 2nd and the Chamberlain Community third.

Flower show trophy winners at the County Fair were, left to right, Rev. Paul Hancock, Mrs. Joe Goldston and Mrs. J. A. McAnear.

HIGHLIGHTS & SIDELIGHTS
AUSTIN, Tex. — Hunter McLean, chairman of the State Board of Insurance, will head the Johnson-Humphrey campaign in Texas, Gov. Connally announced at a news conference.

At the same time, Connally said he himself may have "no precise role" in the presidential campaign, although there is a possibility he will make some out-of-state speeches for the ticket.

Selection of McLean ended some speculation over whether a Democrat of the moderate-conservative group which backs Connally or the liberal faction would run the Texas Johnson-Humphrey show.

McLean is a close friend of the governor and one of his first major political appointees. He is also a longtime supporter of the president.

Connally acknowledged he contacted McLean about the campaign director's job after talking the matter over with Johnson.

"The choice was completely satisfactory to the President and to me," Connally told reporters. "The President was delighted."

McLean, former Fort Worth insurance executive, is taking a leave of absence from the board of insurance and will open a campaign office here. Connally said.

Goldwater-for-president headquarters under direction of Tad Smith of El Paso, working with State Republican Chairman Peter O'Donnell of Dallas, already is operating full blast a few blocks from the state capitol.

SPENDING REQUESTS UP—State financial outlook is rosier than ever, but state agency spending plans are breaking all records too.

Gov. Connally gave reporters a briefing on fiscal matters in a photo-slide illustrated press conference.

State agencies, he reported, are asking a whopping \$689,472,181 increase in spending for the

make "abundantly clear" that the review of the requests did not represent his approval.

"The money is going to be a little harder going out than it was coming in. My own recommendations (to the legislature) will probably differ to a marked degree (from these figures)."

This is the way the requests break down:

Judiciary—asking an increase of \$962,908; hospitals and special schools, up \$51,600,000; departments and agencies, up \$229,100,000; public and higher education, up \$331,700,000 (not including a \$76,000,000 figure for pay raises being sought by school teachers).

STATE BAR COMMITTEE MEETS — A State Bar Committee, representing grievance groups from over the state, met here to discuss proposed changes in procedures for disciplining lawyers.

Proposed revisions will be submitted to attorneys in a statewide referendum next year. Supreme Court Chief Justice Robert W. Calvert addressed the luncheon meeting of the group.

PAROLE SUPERVISION HELPS — Fewer boys are being sent back to the State Training School due to the better parole supervision, Youth Council Director James Turman reports.

Rate of return has dropped to 26 per cent, lowest in history, Turman told the Council. He calculated the dollar savings for the last year at \$217,000.

BUSES ARGUE FOR RATE BOOST — National Bus Traffic Association representing some 31 Texas bus lines told a State Railroad Commission examiner that operating costs justify a 10 per cent increase for most types of in-state service.

Rates requested would apply to passenger, charter and express service.

POLLUTION BOARD CHALLENGED — State attorneys claim district court has no jurisdiction over the Texas Water Pollution Control Board in an oil company's suit challenging the agency's authority to regulate disposal of oil field brines and waste.

Superior Oil Company sued the board in 53rd district court here, claiming the Railroad Commission is the proper agency to regulate oil field brines and waste disposal. District Judge Herman Jones agreed to consider the suit questioning board jurisdiction.

The state moved for dismissal, claiming such an action could be brought only with legislative permission.

TRAFFIC FATALITIES INCREASING — A steadily-increasing highway death rate is bringing demands for corrective action.

The death rate is up 14 per cent from last year. Total number of fatal accidents is up 13 per cent.

There have been 1,860 fatalities this year, compared with 1,631 in 1963.

PARKS PROGRAM — J. Weldon Watson, executive director of the Parks and Wildlife Department, says improvements at Lake Whitney, Falcon and Dam B State Parks have reached the point where he foresees completion of the \$1,200,000 parks improvement program before next summer.

Parks people said the first days of the dove season proved a definite success as hunters "generally" obeyed the law, and most hunters apparently got their limits since birds were plentiful.

EMPLOYMENT — The advent of cotton-picking time in Texas offset the decline in the number of workers employed in veget, able fruit and nut activities from mid-June, and the Texas em-

ployment Commission reported that farm employment ran 346,300 workers by mid-July, and total employment in the state rose for the seventh successive month to a total of 3,622,600 — an increase of 2,100 from June and up 60,800 from July 1963.

The commission also stated that only 4.2 per cent of the total labor force was unemployed in mid-July, compared to 4.8 per cent in July, 1963, and 4.4 per cent in June, 1964.

WATER PROPOSALS — Another bid to capture flood waters of the Colorado River above the Highland Lakes has been sub-

mitted to the Texas Water Commission by the Menard County Water Control and Improvement District No.1.

Menard County WC&ID No. 1 wants to study the possibility of a dam site on the San Saba River four miles above Menard. This is the same dam site on which the U. S. Army Corps of Engineers is expected to propose a \$27,000,000 dam and reservoir when it completes its comprehensive report on the Colorado basin.

MENTAL HEALTH PLANNING — A year from the date when Gov. Connally asked interested citizens to develop a

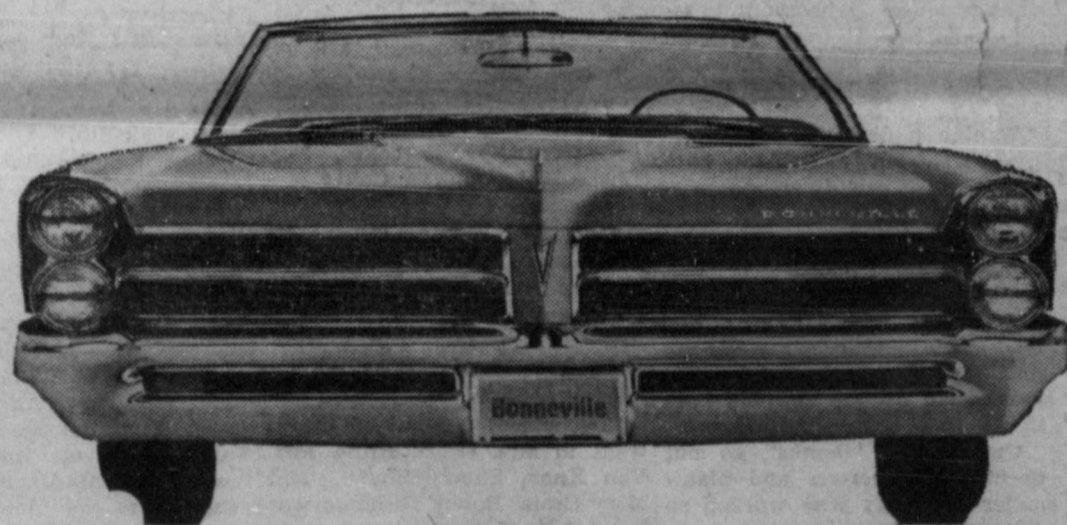

moderate, comprehensive program of mental health services for The State, a 112-member committee, headed by Judge C. L. Abernathy of Hale County, was ready to review its steering committee's hefty volume of "a nearly-complete working draft" of a new Texas plan.

Central theme of the 298-page document is that of treating mentally ill persons in or near their home communities, rather than sending them off to a mental hospital far from home and isolating them from society.

Today is '65 Pontiac Day.
1965: The year of the Quick Wide-Tracks

What do we mean by "quick"? Just this: A new-all-over Pontiac offering a new Turbo Hydra-Matic — the silkiest, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track-quick!

'65 Pontiac Pontiac

How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest

Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

The Plymouth Valiant for 1965 remains an economical, low-priced American compact, built on a 106-inch wheelbase. With its new grille, front fenders, deck lid, tail-lamps and body side ornamentation, the Valiant establishes a family resemblance to the Plymouth Fury, Plymouth Belvedere and Plymouth Barracuda. A complete line of 6- and 8-cylinder models for motorists interested in low-cost transportation is available in three series—V-100, V-200 and Signet,

and includes two-and-four-door sedans, two-door hardtops, convertibles and four-door, two-seat station wagons. The 18 Valiants for 1965 are part of an expanded Plymouth lineup which totals 60 models in four lines, an increase of 14 over last year. The engine options for the new Valiant include a new high-performance version of the 273 cubic inch V-8 with a four barrel carburetor and 10.5 to 1 compression. Shown here is the V-200 four-door sedan.

New, Bigger Plymouth Fury For 1965

Plymouth's new entry in the low-priced, full-sized car field, the 1965 Fury, has a completely new body, a new, longer wheelbase of 119 inches, wider front and rear tread, and greater over-all width. There are 22 Fury models in four different series: Fury I, Fury II, Fury III, and Sport Fury. New Fury sedans are the longest-wheelbase Plymouth sedans ever produced. Large new Fury station wagons are on a 121-inch wheelbase. The 1965 Fury styling accentuates its increased size as shown in this picture of the Fury III two-door hardtop. Body lines are crisp and angular. There is a choice of five engines, ranging in displacement from the 225 cubic inch Commando six to the 421 cubic inch high-performance V-8. Plymouth continues to provide a 5-year or 50,000 mile warranty on engine and drive train components for all lines of 1965 cars.

PLYMOUTH DIVISION CHRYSLER MOTORS CORPORATION

AAA MOTOR COMPANY of CLARENDON, 113 W. 2nd, Clarendon, Texas

The 1965 Ford is the most-changed in the 15-year history of Ford Division. The traditional, round Ford taillight is replaced by a modernistic hexagonal shape in keeping with the crisp, elegant look of the new Ford. Luxury styling is combined with a luxury car ride described as so smooth and so quiet the heater and air conditioner fans had to be moved into the engine compartment because their low-toned whirr was distracting. A luxurious new Ford Galaxie 500 LTD series (above) features an interior of quality and style previously obtainable only in higher-priced cars. Five separate roof lines are offered with interior and exterior trim features to give greater distinctiveness to each of the 17 models than ever before.

The complete line of 1965 Fords — two- and four-door hardtops, sedans, convertibles and station wagons — will be introduced in Ford dealer showrooms on Friday, September 25.

Mr. and Mrs. Jack Pullman spent the week end with her parents, the Clarence Mehendalls.

A third Mustang model — the "2+2" fastback — joins hardtop and convertible Mustangs announced as the first of its 1965 cars by Ford Division last April. The new Mustang provides seating for four. Fold-down rear seats permit added luggage — including skis and other lengthy equipment — to be carried inside the car with driver and passenger. Functional air louvers styled into the rear roof quarter-panels provide an efficient, flow-through ventilation system for window-up driving free from wind noises and drafts in nearly all kinds of weather. Continued as standard equipment on all Mustangs are such sports and luxury features as bucket seats, molded nylon carpeting, floor mounted shift for both manual and automatic transmissions, all-vinyl interior, padded instrument panel, and full wheel covers.

The new Mustang "2+2" joins the 1965 Mustang hardtop and convertible models in Ford dealer showrooms Friday, September 25.

1964 APPLE CROP STARTS ARRIVING AT MARKETS

COLLEGE STATION, Aug. — Vanguard shipments of the 1964 apple crop are already available at many markets.

Most of them are summer varieties like Starr, Gravensteins, Lodi, early Delicious and Transport, reports the Agriculture Marketing Service.

This year, as a result of better-keeping fruit and improved storage, apples are available all year long. As the new crop begins to arrive, there's still a fair supply of Winesaps from last year's harvest.

Indications are that the 1964 crop of apples is going to be a big one. If mid-summer predictions of the U. S. Department of Agriculture materialize, there'll be more apples than any year since 1937. The estimate of 144.6 million bushels is 15 percent more than average.

Most apple-producing states will share in the increase. And of the five major commercial apple states — Washington, New York, Michigan, Virginia and California, that normally account for 82 percent of the crop — only Washington prospects are down.

WING EDICT CLARIFIED

AUSTIN, Aug. — A new regulation requiring retention of one fully feathered wing on dressed migratory game birds as a ready means of field identification has prompted some questions by Texans, according to J. B. Phillips, law enforcement coordinator for the Parks and Wildlife Department.

"This regulation was adopted by the Parks and Wildlife Commission from the framework supplied by the U. S. Fish and Wildlife Service and applies to all migratory game birds," he said. "That means the average hunter

will be primarily concerned about mourning doves, white-winged doves, wild geese and wild ducks. Likewise the new rule applies to rails, gallinules, jacksnipe and woodcock, which also are migratory birds."

Phillips said the wording of the regulation speaks for itself. It is: "The retention of one fully

feathered wing on dressed migratory game birds as a ready means of field identification of species is required."

The weathered wing retention provision is the only major change announced to date in regulations governing the taking of migratory game. He pointed out, however, the rules covering

waterfowl hunting have not yet been disclosed.

Flower Show At County Fair Huge Success

The Flower Show, held in connection with the Donley County Fair, was an overwhelming success. A total of 109 entries made up an array of the most beautiful flowers ever shown at a Donley County Fair. The panel of judges consisting of Mrs. T. V. Nelson and Mrs. Nell McLeish of Claude, and Mrs. Joe Lovell of Clarendon, did an excellent job of selecting the winners. Trophies were awarded to Rev. Paul Hancock for the Best of Show Arrangement; Mrs. J. A. McAnear for Runner-Up Arrangement, and Mrs. Joe Goldston for Best Specimen Flower.

Class winners were as follows with the listings first, second, and third place in that order: Dahlias - Mrs. Joe Goldston, Mrs. J. N. Weaver, Mrs. J. A. McAnear; Rose - Mrs. J. A. McAnear, Mrs. C. W. Cornell, Rev. Paul Hancock; Fall Flowers - Mrs. Wiley Morris, Mrs. A. G. Lane, Miss Mable Mongole; Summer Flowers - Rev. Paul Hancock, Mrs. Joe McMurtry, Mrs. H. S. Harjin; Wild Flowers - Emmett Simmons; Dried Material - Rev. Paul Hancock, Mrs. Tommie Saye, Rev. Paul Hancock; Vegetables and Fruits - Mrs. Joe McMurtry, Mrs. J. Gordon Stewart, Mrs. Jerry Lohoefer; Material Other than Blossoms - Rev. Paul Hancock, Mrs. John Goldston, Mrs. John Goldston; Special Occasion Centerpieces - Mrs. E. O. Simmons, Mrs. J. D. Swift, Mrs. Forrest Sawyer; Children 8 years or over - Bernie Edens, Terry Saye, Bobby Edens; Children 7 years and under - Brady Edens; Specimen Classes, Dahlias - J. N. Weaver,

W. C. Ragan, J. N. Weaver; Roses - Mrs. Joe Goldston, Mrs. Frances Smith, Mrs. J. D. Swift. The Flower Show committee of Les Beaux Arts Club, which sponsored the affair, would like to thank everyone who brought their flowers out and for their cooperation in making the show such a success. Also a special note of appreciation to Henson's for help in obtaining the trophies and displaying them, to the Donley County Leader for the publicity, to Harlan's Flowers for the loan of equipment, and to Flip Breedlove for his unending assistance.

JAYCEE-ETTE SEMINAR TO BE HELD HERE SEPTEMBER 26th

Clarendon Jaycee-ettes will host an Area I Seminar at the High School Cafeteria Saturday, September 26th. It will be an all day affair starting at 10 a.m. A style show will be followed by a luncheon and a business meeting. Seventeen Jaycee-ette clubs are expected to attend.

All the Jaycee wives are welcome to attend. Registration fee will be \$1.75.

MIDWAY CLUB

The Midway Club met with Lillie May Carmichael. One quilt was worked on.

Those present were Louise Aten, Jewell Myers, Ellen Moreland, Pearl Terry, Allie Quattlebaum, Leona Scott, and Lillie May Carmichael.

The next meeting will be with Eddie Williams October 1. A covered dish luncheon will be served.

Pathfinder Club To Sponsor Program On Communism

Mrs. Lia Wills of Pampa, who escaped Communist rule in Yugoslavia and came to this country in 1956, will speak before members and guests of the Pathfinder Club on Friday afternoon, September 25th, at 3 p.m. at Patching Club House. All other interested persons, both men and women, are urged and invited to come hear her.

Mrs. Wills tells, from first-hand experience, of life under the Nazis and then the communists, of her escape, and eventual arrival in America. She is noted throughout this area for her talk on the dangers of Communism and what life in America means.

WESLEYAN GUILD HOSTS DISTRICT MEETING

Clarendon Methodist Wesleyan Service Guild was host Sunday, September 20th, to the Chiles District Wesleyan Service Guild at the First Methodist Church. Members attended church services here, then were served a luncheon at 12:30. Study divisions were held until 2 p.m. when a general assembly program was presented.

Theme of the program was "Summoned to a New Age." Mrs. Reagan Bryan, Clarendon president, welcomed the guests. Several members from the area contributed to the program and the topic discussions, "Woman in the New Age," and "Spiritual Investment in a New Age." Fifty members and guests attended.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. J. R. Gillean of Clarendon, Texas announce the engagement and approaching marriage of their daughter, Pauline, to Orren Robinson, son of Mr. and Mrs. John L. Robinson of Los Angeles, Calif. Vows will be exchanged October 17, 1964 at the First Methodist Church, Clarendon, Texas.

Mrs. Delbert W. Reed was elected as Area I President of Young Homemakers of Texas for the coming year at a Area I meeting at Hereford Sept. 12.

SR. HD CLUB MEETS IN POOLE HOME

The Senior Home Demonstration Club met in the home of Mrs. Virgil Poole Friday afternoon, September 18th, for their first meeting of the fall season. Mrs. Poole presided over the usual order of business and the Penny Parade.

The following officers were elected for the coming year: President, Mrs. W. L. Jordan; Vice-President, Mrs. J. H. Helton; Secretary-Treasurer, Mrs. Virgil Poole; and Reporter, Mrs. O. C. Watson. After adjournment the group visited the County Fair.

Refreshments of cheese sandwiches, banana cake topped with whipped cream, and coffee were served to Mesdames O. C. Watson, William Payne, A. G. Lane, J. H. Helton, C. H. Darling, and W. L. Jordan by Mrs. Poole.

The next meeting will be with Mrs. J. H. Helton Friday, October 16th. Mr. and Mrs. Bill Tipton and children visited their grandparents, Mr. and Mrs. Guy Garrett and Mr. and Mrs. J. A. DeSha at Vernon Sunday and attended the Garrett's fiftieth wedding anniversary open house at the Legion Hall Sunday afternoon.

TOLBERT - WILKERSON

Mrs. Daisie Tolbert and Wes Wilkerson were united in marriage Friday evening, September 18. The marriage was performed in the home of Mrs. Tolbert by Rev. Roy Eason.

A small reception was given by her children after the vows were read. Mr. Wilkerson is the uncle of Loyd Carmichael. -Rep.

P. I. Eastlake and son, Dan, of Wichita Falls spent the week end with Homer and G. W. Estlack.

LAKE TREATMENT SET FOR LAKE McCLELLAN

Region I fishery crews will take the first step toward rehabilitating Lake McClellan, 65 miles east of Amarillo, on September 29, 1964, by totally destroying existing fish populations with a 5 per cent mixture of rotenone.

Fishery surveys show fish population in McClellan are made up of 90 per cent rough fish, principally carp and bullhead catfish. Game fish, which total less than 10 per cent, are mostly stunted white crappie and sunfish.

The September 29 treatment should be highly successful since the lake is now drawn down for dam repairs and the water is cool enough to assure high kill effects with rotenone on highly resistant species, such as bullhead catfish.

Since rotenone in no way harms the meat of fish killed during treatment, the public is cordially invited to join in the salvage of fish destroyed. Individuals who drive to Lake McClellan with high hopes of harvesting large numbers of game fish may be disappointed because game fish make up only a small portion of the total population.

The final step toward renewed good fishing in Lake McClellan will take place in October when 10,000 two-inch largemouth bass and 70,000 two to six-inch channel catfish will be stocked from Federal fish hatcheries.

Senator Bill Caraway of LeLand Mississippi, and Houston Case of Brookhaven, Miss. visited Thursday in the home of Mr. and Mrs. Mike West and son. Senator Caraway was enroute to Tulsa where he delivered an address. The men were all boyhood friends.

Mr. and Mrs. G. W. Estlack attended Ice Capades in Amarillo Monday evening.

During the Civil War the Alamo in San Antonio was used by the Confederacy as a Quartermaster depot.

W T Buffs To Meet Devils In Buffalo Bowl Saturday Evening

After losing the season's opener, 16-14, to Ohio last Saturday night, Buffalo head coach, Joe Kerbel, is looking forward to the game with Arizona State University Saturday night.

The Sun Devils from Tempe rapped national scoring champion Utah State by a score of 24-8 last week holding the Aggies scoreless for the first 59 minutes. Sun Devils will undoubtedly fill the air with bombs in the coming game. Having scored all three touchdowns through the air against Utah State and thrown 52 times against West Texas in the last two meetings, the Sun Devils passing game is surely one with which to be reckoned.

Responsibility for stopping this attack rests on the shoulders of Gene Browning, Ronnie Mankin, Tony Waters, and Earl West. The Buffs passing game cannot be entirely overlooked considering it brought them from a ten point deficit incurred by way of a 37 yard field goal, an 85 yard punt return and the subsequent conversion. Charlie Daves, Buff center, is considered good All-American material by several.

TEXAS TECH VS. UNIVERSITY OF TEXAS SATURDAY NIGHT

LUBBOCK, Sept 21 - Texas Tech's Red Raiders, surprisingly over a major hurdle, take on last year's No. 1 team, the University of Texas, in Jones Stadium here at 7:30 p.m. Saturday.

Largest crowd ever to see a Texas football game west of Fort Worth is forecast. The turnout is expected to exceed the record crowd of 42,000 that saw the Longhorns beat Tech by a 34-0 score here two years ago. Tech's capacity is 41,500, but special bleachers have been erected behind the north end zone.

Following the Texas game Coach J. T. King's Raiders go on the road for three straight Southwest Conference contests before returning for a game with Southern Methodist here Oct. 24.

SALT ANALYSIS OF IRRIGATION WATER ADVISED

COLLEGE STATION, Aug.—It's poor business to guess at the quality of your irrigation water. Rather than be in doubt as to

possible harmful effects of the water on future soil productivity, Jim Valentine, area Extension soil chemist, suggests you have the water evaluated by a chemical analysis. The ideal time to collect samples is during the highest period of water use. This need is particularly acute with new wells and in instances where wells are deeper than average for the area. Valentine says it is known that common salt in high concentrations may

exist below the red bed formation. If wells extend into this strata, there is a greater possibility of dangerous salt levels in the water.

Soils vary widely in their ability to tolerate salt without being harmed — and some crops are more tolerant than others. Clays, where the water intake rate is already slow, can be made less porous by a water high in sodium. Obtaining stands can become a problem on lighter soils due to sodium accumulation that "seals" or crusts the surface.

Water samples may be submitted to the Soil Testing Laboratory at Texas A&M University. Samples must be accompanied by the completed Information Sheet D-716, available at the local county agricultural agent's office. The present fee is \$5.00 per sample.

Dodge comes on big for '65

What does Dodge do after two record-breaking years in a row? Go for a third. Dodge comes on big for '65, with four brand-new cars that are big, quick, fresh... backed by the strongest warranty* in the business. See them.

'65 Dodge

'65 DART: The Dodge-size compact. If you'd like to live a little, we'd like to let you in on something big—Dodge Dart for '65. Big beauty. Big comfort. Big ride. And big savings. At your Dodge dealer's now.

'65 POLARA: Beautiful way to leave the low-price field. Inches bigger and a lot better-looking than anything near the price. Why settle for less? Why, indeed? Ask for Polara at your Dodge dealer's.

'65 CORONET: A hot new Dodge at a new lower price. An all-new car that's as comfortable as a standard-size Ford or Chevy, yet priced with Fairlane, Chevelle. Refreshing new styling. Oceans of room. Coronet '65—drive it.

'65 CUSTOM 880: If elegance were spelled in numbers, this would be it. From exclusive 6-window sedan to elegant convertible, this one will wear well with your appreciation of luxury and your sense of good taste.

Bartlett Motor Company

HIGHWAY 287 — CLARENDON, TEXAS

HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. **REQUIRED MAINTENANCE:** The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Panhandle Panthers Slip By Broncs 12-8

The Panhandle panthers slipped by the Clarendon Bronchos with a close score of 12-8 Friday night at Panhandle. The Bronchos made some costly mistakes, but they still played a good ball game from beginning to end.

Both teams played defensive ball during the first quarter with no scores made. In the second period of play, Panhandle recovered a Broncho fumble and drove to the five yard line on a series of plays. There the Bronchos held them in a goal line stand for three downs, but on the fourth down the Panthers were able to score on a trap play. Their attempt to run for the extra points failed, leaving the score 6-0 at the half.

Clarendon came out for the second half determined to play ball, but the Bronchos were hurt by several penalties in a row. Panhandle intercepted a deflected Bronco pass and moved the ball on plays and penalties deep into Bronco territory. With two and one-half minutes to go in the third period, the Panthers scored their second touchdown. Again they failed in their attempt to pass for the extra points, and the score stood 12-0.

The Bronchos took the kickoff and put together a substantial drive to the Panther twenty where David Moring passed to Bobby Cain in the end zone for six points. On the extra points attempt, John Grady swept around right end to pay dirt, making the score 12-8.

Clarendon held Panhandle and took over on downs on the Panther thirty-five. The Bronchos tried drive for the goal but fumbled on the twenty. Panhandle took over and moved the ball downfield to the Broncho nineteen where the Bronchos held again on downs. With only 57 seconds of playing time remaining, the Bronchos moved the ball down

field to the Panther 25. In a do-or-die play on fourth down with 5 seconds to go, the Bronchos attempted a throw-back pass, but it fell incomplete in the end zone. Time ran out, and the game ended with the score 12-8 in Panhandle's favor.

The Clarendon coaches felt that the Bronchos gave good effort in this game and showed much improvement that has come through hard work. Some defensive standouts were Bobby Cain, Lloyd McCord, and David Mooring. On offense, Richard Bell, Doug Bradshaw, Archie Smith and Mooring were among those who turned in good performances.

RAILWAY RATES REDUCED TO DALLAS

A reduction of one-third in chair car fares from all points on Fort Worth and Denver Railway between Decatur and Texline to Dallas for the State Fair of Texas October 10-25 was announced today by Roy H. Kimble, General Passenger Agent for the FW&D.

Round-trip tickets good in air-conditioned cars on all FW&D trains, including Texas Zephyrs, will go on sale daily commencing October 10 and will be sold to and including October 25. Final limit of tickets will be midnight October 26, according to Mr. Kimble.

The reduced fares may be purchased by individuals or parties, such as FHA groups, grade school and high school classes, etc., it was also announced.

According to C. W. Morris, Agent for the FW&D at Clarendon, the special excursion fare to Dallas will be \$11.25, as compared with the regular fare of \$16.95.

Mrs. Tolbert, Wes Wilkerson, Mrs. Clifton Elliott, and Mrs. Inez Gonce shopped in Amarillo Thursday.

Continental elegance prevails in
Completely Restyled Corvair Line

The two Corvair Monza Sedans shown above are related, but their appearance is decidedly changed. Since its introduction in 1959 the Corvair line has retained a family likeness that has not been substantially changed until the advent of the 1965 models. The original body design of the 1964 Monza 4-Door Sedan (top) poses in sharp contrast to the smooth continental flowing lines of the 1965 Monza Sport Sedan. The new sedan is 3 inches longer and over 2 inches wider; offers more roominess and many mechanical innovations. Public announcement date for these new cars is September 24.

Chapter. Dolia Vallance presented the proposed program of work for Chapter approval and Leane Risley, "F.H.A. Chatter" editor distributed the Chapter newsletter to each member. Miss Judy Greene was elected to assist Leane with this responsibility for the remainder of the year. Beth Bourland taught the Chapter a new relaxer song while the program members made ready for the big show.

The Senior girls inspired us all with a mock style show. A pin stripe dress (straight pins), a slip over dress (slip worn over a dress), a tea gown (tea bags attached), a spring suit (coil springs), a box suit (cardboard box) were among the more hilarious costumes.

The Junior Class, that has waited two years to get to sign up for a typing class, demonstrated some of the minor skills you learn the first few weeks including the latest techniques in teaching skills.

The Sophomores presented a "Gab Fest" in which one socialite described an episode when her friends' hat was sat upon only to discover too late that it was her own.

The Freshmen dressed with "cat masks" presented a swinging lesson in Parliamentary Procedure.

Sack suppers were then enjoyed and watermelon and ice cream finished off the picnic.

FHA Dutch Dinner

The officers of the Clarendon F.H.A. Chapter met Thursday afternoon at 4:30 at Rustler's Roost at Jakes Steak-Out, to complete plans for the program of work and projects for the local Chapter. After enjoying a delicious meal, they posed for group pictures to be used in the 1964-1965 High School Annual. They were dressed in their traditional white pleated skirts and white blouses with F.H.A. emblems worn over their hearts.

Local Officers for 1964 are: Lynn Bourland - President, Dolia Vallance - First Vice President, Charlene Gray - second Vice President, Jill Benson - Third Vice President, Ella Just - Fourth Vice President, Janet Goodman - Fifth Vice President.

Sophomore class. Sorry that she was left out last week.

F.T.A. Elects Officers

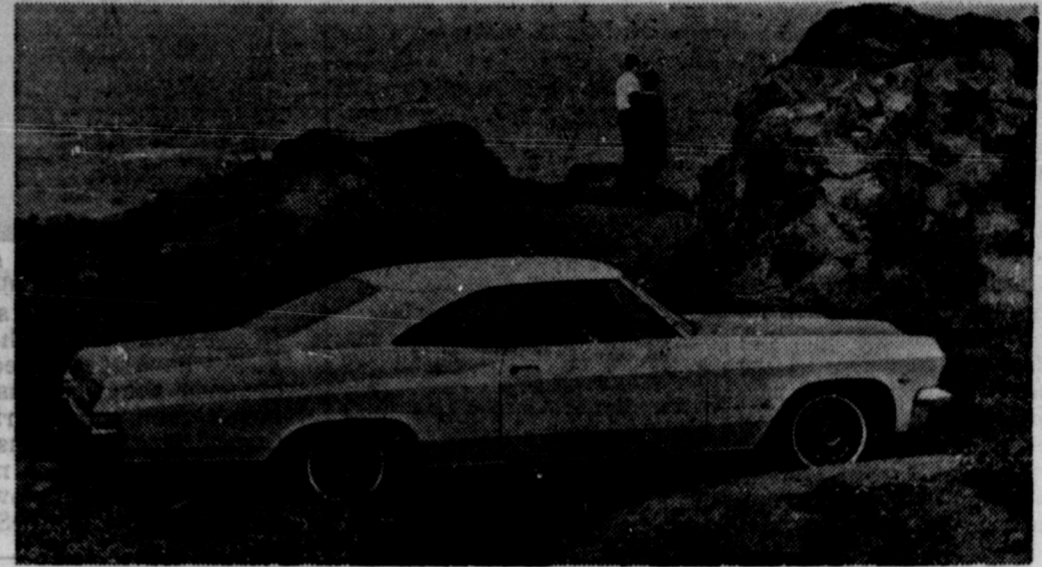

Officers for the 1964-1965 year in F.T.A. were elected Wednesday, September 17th. They are as follows: President, Nan Neal; Vice President, Mary Martin; Secretary, Vicki Sloan; Treasurer, Judy Greene; Reporter, Emily Neece; Librarian, Ella Beth Just; Historian, Sandra Longan; Parliamentarian, Lynn Bourland; Song Leader, Adele Barnhill.

The other members are as follows: Sherri Shaw, Annis Windom, Tommy Longan, Sandra Longan, Linda Hill, Shirley Hearn, Frankie Waldron, Pam Hicks, Linda Longan, and Mrs. John Justice, sponsor.

FHA Howdy Party

The Clarendon Chapter of Future Homemakers opened the new school year with a "Howdy Party" in the city park. Approximately sixty members were present and two Mothers, Mrs. Martin, an honorary F.H.A. member who has recently moved to Clarendon, was introduced to the

HILLTOP NOTES

News from CJC

Sixty-Six Years of Service

Sixty-six years ago the first institution of higher education in the Panhandle opened its doors in Clarendon. It was with merited pride that the pioneer settlers of the area began an era and instituted a precedent that has continued to the present time. With the beginning of classes on September 9th, Clarendon Junior College took another forward step toward the fulfillment of a destiny and purpose formulated and kept alive by a determined and progressive citizenry. With an increased enrollment, enlarged curriculum, additional faculty members, and improved facilities, the realization of the promise for a highly successful year is insured.

Here and There

Things are really hummin' on the Hill these days. Registration is in its final stages; the same thing could probably be said of the faculty and administration! As for the students, they hardly know what to do with themselves now that they no longer have to stand in line. There was a line for registration—a line for schedules—a line for books—a line for schedule changes. One student, obviously in a daze, was heard to mutter, "How do I get out of here? I've already registered three times and paid my tuition twice!"

Some students seemed to think they'd have to stand in line to attend classes, but the only line

we've observed the last few days has been the one in front of the coke machine in the lounge.

This and That

Orientation was a howling success—the Frosh howled, but they were good sports and had to admit that they learned a few things. Now, if they will just get around to putting some of them into practice. The atmosphere will soon be less hectic and confusing, as students settle down into a comfortable routine. (Comfortable for those who have realized what their books are for!)

When and Where

The social season is already off to a good start. Names and phone numbers are flying thick and fast. And all the time we thought they were exchanging study notes! Students were given a special invitation by the Methodist Church to attend an ice cream supper on Wednesday evening of last week.

Ann Weatherly hosted a gab session for all the gals last Thursday afternoon so that they might become better acquainted and compare notes.

A "get-acquainted" party was promoted by the Doggets on Tuesday evening at the Canteen for all college students and their guests. Members of the faculty had their "un-official" personalities all polished and, along with the students, were on their best behavior. Everybody had a ball.

The various organizations are in the process of electing officers and getting down to business. More info on this later.

Who and What

Personality portraits of members of the faculty will be appearing from time to time in this column. We'd like this week to introduce to you one of our new professors, Mr. William L. Ellerbrook. Mr. Ellerbrook comes to Clarendon from Childress High School where he taught for the past 3 years. He is a native of Nacogdoches, Texas, and took his B.S. and M. Ed. degrees from Stephen F. Austin College. He is currently teaching courses in Inorganic Chemistry, Organic Chemistry, and Physics. Bridge is his favorite means of relaxation, and working in electronics is a hobby. Mr. Ellerbrook is a member of the Methodist Church, and his family consists of his wife, Bonnie, and two sons—Terry, aged 8, and Bobby, aged 4.

BUICK WILDCAT FOR 1965

The semi-fastback styling of two-door models in Buick's 1965 line is epitomized in the Wildcat with its longer hood, lower, longer rooflines and short rear deck. Three inches have been added to the hood by increasing the wheelbase from 123 to 126 inches for improved riding and handling. Overall length remains approximately the same as last year. A new cross-flow radiator design permits lowering the hood line on all models in LeSabre, Wildcat and Electra 225 series. The stainless steel five-spoke wheels shown on the Wildcat are optional equipment. The Wildcat is powered by a 401-cubic inch high compression V-8 engine with four-barrel carburetor. Optional power plants—for outstanding performance—include a 425-cubic inch engine with either one or two four-barrel carburetors. The Super Turbine 400 torque converter transmission or floor-mounted four-speed gear box are optional on the Wildcat.

planned effort, she believes, many children quit reading at about ten years of age. Give or take a year or two. "Later these children are in trouble academically because of the gap in their reading habits. The child has developed in other ways, but not as a reader."

"Better they read something than nothing at all," Mrs. Griffin believes.

"As to the oft-quoted reason why Johnny doesn't read, Mrs. McGriffin doubts that television is the major villain."

"I think most parents just don't give the child time enough to read. They have their music lessons, Cub Scout work and so forth all planned for them. I believe most youngsters would read if given enough time."

"After some abject apologies she hears such as 'our son reads a lot, but he's a real boy; he plays baseball and other sports too,'

Mrs. McGriffin finds some wonderment that Johnny reads at all.

The importance of good reading habits can not be over emphasized. It has been found that the big majority of "drop outs" are very poor readers.

Many students who have been classified as mentally retarded have made remarkable strides in school work when they were given remedial reading courses. There was nothing wrong with them that being able to read didn't cure.

A memorial gift has been given to the library to be dedicated to the memory of Mrs. Ina Mann.

Buick '65 Buick

We changed the Buick a lot this year. And you may never be the same again yourself.

We doubt you'll want to be the same. Not once you set eyes on our new Buicks.

On the Buick Special and the Skylark. The LeSabre, Electra 225, Riviera.

And on the sleek, modified fastback of the wild, wilder, Wildcat in the picture.

True, there's a new high-style touch. But that's hardly all. Engineering still has the emphasis. It's a Buick tradition. So are the extras

Buick spends a little extra on. Like finned brake drums that do a little better.

And smoother drivelines. A tuned suspension to smooth ribcage roads.

Now add Buick's Super Turbine transmissions—and you have an idea

of what Buick owners have always liked about Buick. We think you'll feel the same.

Wouldn't you really rather have a Buick

PATTERNS FOR PROGRESS

The Industrial Foundation - Tool for Community Development

In little more than ten years Industrial Foundations have been established in 182 Texas communities. These are communities — both large and very small — which have recognized the vital need for a community financing group in securing new industry.

Called by various names, the Industrial Foundation is a community-wide organization with the prime objective of creating payrolls. Its functions vary from community to community, but basically its purpose is to provide development funds for the land, brick and mortar required for new industry.

It is one of the best ways to show favorable community attitude towards new industry or to help finance the expansion of an existing local industry. By having community money invested in an industry the community becomes more interested in seeing that the industry profits and grows.

The Community Industrial Development Foundation is another PATTERN FOR PROGRESS.

WTU's area development representatives have information about the creation of industrial foundations. These facts are available to growth-conscious communities on request through your WTU local manager.

WINNERS NAMED IN FINE ARTS AT COUNTY FAIR

The Fine Arts Division of the Donley County Fair drew more entries this year than ever before. Some seventy-five were displayed and approximately thirty art students participated. Mrs. Adamson of Hedley, Ruth Richerson and Jimmy Carter also displayed some of their work. Mrs. Headrick displayed water color pictures given to her as gifts and painted in 1912.

Landscapes, portraits, and still life were the most popular divisions this year. However, considerable interest continues in water color, animal landscapes, leather tooling, and pastel divisions. The Fine Arts Department was sponsored this year by the Young Homemakers, an ad-

ult organization under the direction of the Homemaking teacher at the local high school.

The following winners were named by Jimmy Carter, judge of this division, and are listed as winners in the order named: Landscapes (adult) Peggy Carter, Vaudine Page, Velma Bourland, Vaudine Page; Landscapes (high school) Jill Benson; Landscape (honorable mention) Des-sa Day, Ginny Garland, Ruby Jewell Hardin; Still Life, Heavy Oils, Beverly Edgett; Still Life, Light Oils, Mrs. Roy Jewell, Mrs. Ginny Garland, Mrs. Becky King; Modern Art, Ronnie Rattan; Water Color, Ronnie Rattan, Glenda Hawkins; Animal Landscape (adult) Ruby Jewel Hardin, Nina Mills, Roy Lewis; Animal Landscape (high school)

Adelle Barnhill; Portraits, Sammy Lou Salmon, Beverly Edgett; Leather Tooling (high school) Cheryl Fedric; Leather Tooling (junior high) Sandy Thornberry; Pastels, Glenda Hawkins; Ceramic Painting, Aubrey Beth Garland; Seed Pictures, Beth Bourland; Heavy Oils on Tissue, Sue Yankee; Felt and Burlap Pictures, Deyhle.

In response to our request for our readers to send in their favorite quotations we received the following from Mrs. Peden of Goodnight. It is from an article by Faith Baldwin in which was used a quote from a prayer of Sir Jacob Astley just before going into battle at Edge Hill: "Lord, I shall be verie busie this day. I may forget Thee, but doe not Thou forget me." . . . Quoting further from the article: "That we are never forgotten is as certain as sunrise but that we forget, and often, is equally true".

Even when God remembers to bless us we are often forgetful of saying Thank You Lord.

And thank you Mrs. Peden for sending us the beautiful tho-

ught, and also for the kind things you had to say about this column. We hope that others will send in their own favorite quotations.

'65 Chevelle Malibu Super Sport Coupe

Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window,

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.
