1989 Seniors Party

You are invited to get involved in establishing a new tradition for graduating classes of Clarendon High School. Parents of the Senior Class of 1989 are busily making plans for a chemical-free party which is exciting, fun, and safe.

Clarendon Country Club will be the scene for this year's party, and "The Love Boat" will be the theme. Plans include a calf-fries and fish feast, swimming, a dance with Jim Shadle as D.J., casino games with prizes, a silent auction, ping pong, pool and a photography booth. Entertainment will also include performances by variously "talented" parents, an appearance by Hypnotist Don Vance of Panhandle, and breakfast. Door prizes will be given throughout the evening, and various winners of "special awards" will be announced throughout the affair.

If you would like to be a part of this new tradition, please contact Gayla Fletcher at 874-2324 or Derlene Graham at 874-3335 or 874-2010.

Attention Colt Mothers

The Colts Banquet is Monday, May 1, 1989. We need all the 7th and 8th grade mothers to help decorate the cafeteria at 2 p.m.

Annuals For Sale

The 1989 Bronco Annuals have come in at Clarendon High School. There are 6 Extra Annuals at this time. The cost is \$25.00.

Please contact Miss Veach at CHS if you would like to buy one. 874-2181 - CHS.

PTA Celebrates Teacher Appreciation Week

The Clarendon PTA is focusing on the quality of education in Clarendon schools by saluting teachers for their good work.

May 1-4 has been designated as Teacher Appreciation Week by the National PTA, giving children and their parents the chance to thank teachers for their contributions to both their students and the community.

During the week teachers will receive a variety of thank you items provided by the PTA organization. On Thursday, May 4, PTA members will host a luncheon for all teachers, aides and administrators. Parents are urged to send personal notes of appreciation throughout the week.

Singing at Martin

Martin Baptist Church will host 5th Sunday singing, Sunday, April 30, at 2:00 p.m.

Everyone is cordially invited to come join us in this praise and worship service. If you have a song or testimony, please come prepared to share it with us. We will have lunch and fellowship morning worship service. Pastor Johnny Hoggatt and members will be looking for you. Come expecting a Blessing.

JAMES IVEY EDWARDS explains plans for Clarendon's park renovation to Roxanne Ehly and John Kiel of the Texas Parks and Wildlife Department. The City has applied for a grant to help restore the park so that it is again a source of pride for Clarendon residents.

First Baptist Sets Revival

Revival services will begin Sunday, April 30th at First Baptist Church of Clarendon, and will continue through Friday evening, May 5th. Sunday services will begin at 11:00 a.m. and 7:00 p.m. Week-day services will be at 12:25 following lunch, and 7:30 nightly.

Rev. Bill Rambo will be the evangelist for the week. He is a revival evangelist from Jacksonville, Texas. His background includes twenty three years pastoring churches in Texas, Oklahoma, and Illinois. He also served for seven years as Director of Missions, in the Jacksonville area.

Music for the week will be under the direction of Ed Wingfield, from Dalhart, Texas. He has served in the field of Music and Youth for over fifteen years. His work has included Music and Youth ministries at several churches in Oklahoma and Texas. Most recently, before entering the field of full time Music Evangelism, he served as Minister of Music of First Baptist Church in Dalhart, Texas.

Martin Quilting Club

Martin Quilting Club met in the home of Eunice Leeper, April 20. A delicious meal was served at noon. Those present were: Marie McCracken, Verdine Tipton, Billie Vaughn, Melba Risley, Hazel Edens, Lorene McAnear, Ann Bunyan, Pauline Koontz, Flossie Reynolds, Mary Lee Nobles, Mary Banister and Host Eunice Leeper. One quilt was finished. We had one guest Sue Leeper.

Notice

Senior Citizens 1st Tuesday Dance will be May 2, 1989 at the Community Building on North Ayers Street in Clarendon, Texas from 8 to 11 p.m. Music by Melvin Srygley and the Offbeats. Admission \$2.00 per person. No Alcohol beverage allowed.

Another New Business Starting

Clarendon will soon get its first full-time travel agency. The new service will be offered through Phil and Gayla Fletcher and the Pampa Travel Center. Tammie Johnston will be assisting, as well.

The new travel agency will book a trip for Clarendon residents to any point in the world. They can arrange transportation, lodging, tours, cruises and a variety of other services.

And one of the nicest features of the travel agency is that they are not only free, but they often can save the traveler money. Since the travel agency has access to all of the fare schedules, they can often find a cheaper route. Such information would be hard for the average traveler to find. But check with the travel agency as early as possible. To qualify for the lowest rates, it is sometimes necessary to schedule a trip as much as 21 days in advance.

"We are excited about offering this service," says Gayla Fletcher. "This is a service Clarendon needs."

The business will be based at Security Abstract, 307 S. Sully. The phone number is 874-2324.

The agency has already scheduled trips to Africa and travel to the National Finals Rodeo. It is also arranging an Alaska Cruise for August.

Other special tours will form from time to time. Phil Fletcher says, "Watch for our ads in *The Clarendon Press*. We will offer some neat and exciting trips."

Revival efforts will get under way Sunday with high attendance drive for Sunday School. There will be a different special emphasis for each evening throughout the week, including Junior High Night on Sunday night, Youth Night on Monday, Family Night on Tuesday, Children's Night on Wednesday, Old Fashioned Night on Thursday, and Friends Night on Friday.

Everyone is invited to attend. A nursery will be available for those needing it.

Cotton Meeting

Donley County cotton producers are encouraged to attend a breakfast meeting on Thursday, April 27 at the Clarendon Community Building. Donuts, coffee and orange juice will be served starting at 7:00 a.m. and the meeting will start at 8:00 a.m. The breakfast is sponsored by the local gins in Donley County.

The boll weevil is still a big concern for many cotton farmers and this will be the main topic at the meeting. 100 boll weevil traps have been ordered for use by farmers to use to monitor boll weevil population at their fields. The traps will be issued at this meeting and farmers will receive training on how to use them at the meeting. Most farmers should only need from 5 to 10 traps.

This also may be one of the most important years yet for farmers to consider a uniform late planting date since two late cold snaps should have reduced overwintering weevil numbers. With a uniform late planting date weevil numbers could be lowered to nonexistent levels. Getting farmer participation for later planting will be most important and this will be discussed at the meeting on Thursday.

Reunion Slated For Weekend

Clarendon College Ex-Students and Faculty will meet on the local campus Saturday and Sunday, April 29-30. Local residents are extended a special invitation to participate. Most have attended Clarendon College at some time. It is not necessary that you be a graduate to attend.

Registration is scheduled to begin at 9 a.m. Saturday in the College Cafeteria. There will be a Tea and Visitation at Saint's Roost Museum from 2 to 3 p.m., and a Banquet beginning at 7 p.m. in the College Cafeteria to conclude Saturday's activities. Classes to be recognized this year are those of 1939, 1964 and 1969.

Sunday you are invited to attend the church of your choice or a special service at the First United Methodist Church. A luncheon will be served at the College Cafeteria at 12:30 p.m. to be followed by a Business Meeting.

A number of Ex-students and teachers have indicated plans to attend. It is always interesting to know who traveled the greatest number of miles to be present, who represents the oldest graduating class, who the most recent class, etc. We are look forward to having you visit and renew acquaintances.

Ex-Students Romp and Stomp

Last weekend at Clarendon College's Spring Intramural Rodeo that is open to current and ex-students, time honed expertise reigned supreme as event after event was controlled by the former students returning to Clarendon for a time of reminiscing and renewing old friendships. Of the 200 plus people entering the rodeo events this year, about 50 were ex-students and 150 are currently enrolled students.

Saturday morning saw two divisions of Jackpot Roping with 90 teams entered. The first division was for Ex-students only and was won by Keith Hight and Randy Crump. The second division was open to everyone and hometown roper, Randy Crump, was hot as he and Frank Sisneros won this event.

Afternoon events and winners were: Bareback Riding - Carr Vincent, Calf Roping - Clint Cornell, Saddle Bronc Riding - Matt Gonzales, Barrel Racing - Lyssa Brooks Elliott, Rescue Race - Frank Sisneros and Brenda Bell, Bull Riding - Max Payne, Ribbon Roping - Clint Cornell and Kayla Rutherford, Hide Pull - Jimmy Uppergrove and P. J. Inguanti, Team Roping - Destrly Colter and Sam Watson, Calf Dressing - Tiki Jackson Farrar, Lyssa Brooks Elliott and Madelyn Caldwell, Steer Sadding - Tracy Drummond, Ken Cantrell, and Randy Davis.

MANDY AND TIM McKINNEY

Local Children To Be In "Kids of America" Pageant

Amanda Beth McKinney, age 3, Timothy Lyn McKinney, age 6, and Shauna MaRee Adams, age 6, will represent Clarendon at the "Kids of America" Pageant. The Pageant will be Sunday, May 7, 1989. The competition is an overall regional one with representatives from five states; Texas, Oklahoma, New Mexico, Colorado and Kansas competing.

"Kids of America" is a nationwide organization which includes area, regional, state and national competitions.

Amanda and Timothy are the children of Lyn and Gina McKinney of Clarendon. Their grandparents are Rava & James McKinney and Jiggs and Jerri Land.

The McKinneys would like to

thank their sponsors for making Amanda and Timothy's representation possible. They include B & R Thriftway, Buddy James-manager; McKinney Motors, the McKinney family; Mr. Burger, Eddie Taylor-manager; and Osburn Appliance, Rabbit and Shirley Osburn.

Shauna is the daughter of John Dee and Sharon Adams of Clarendon. Her grandparents are John E. & Nadine Hawes and J.D. & Mary Adams.

The Adams would like to thank the sponsors who made Shauna's representation possible. They include The Grocery Store, The Clifford Family; Greene's Dry Goods, Bubba & Nancy Newhouse; The Nook, Bobbie Floyd; Green Light Auto, Johnny Floyd; and Adams Kerr McGee, John D. Adams.

TINA ALEXANDER

Tina Alexander Named All-American Scholar

The United States Achievement Academy announced today that Tina Alexander has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The All-American Scholars must earn a 3.3 or better grade average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for

other awards given by the USAA. Tina who attends Clarendon High School was nominated for this National Award by Betty Veach.

Tina will appear in the All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Tina is the daughter of Rick & Barbara Alexander. The grandparents are Frankie Alexander of Claude, and Mickey Coffey of Bethany, Missouri.

lucky member who is in attendance at this annual meeting will win a complete satellite system. Greenbelt's Board of Directors have agreed to give away this satellite system worth \$1895.00 to encourage greater member turnout for the April 28 annual meeting. Greenbelt Electric has been selling and financing satellite systems since November of 1987. Greenbelt

has served the electrical needs of rural residence since 1938 and pledges the same service to satellite systems.

This year members will elect directors from Districts 2 and 5 to serve three year terms on the Board of Directors. District 2 is composed of all of Wheeler County west of Highway 83 and parts of Gray, Roberts and Hemphill Counties. District 5 includes all of Armstrong County and parts of Randall County.

The nominating committee from these districts have placed James W. Batton from District 2 and Kenneth Mathews from District 5 on the ballot for directors. Other nominations for director from these two districts will be taken from the floor at the annual meeting.

In April, each member will receive by mail a notice of the annual meeting, along with the Co-op's annual report. Everyone is encouraged to look over the report before the meeting since the financial statements in the report will be

reviewed during the business session.

The annual membership meeting dates back to the very beginning of Greenbelt Electric Cooperative. The founding directors, back in 1938, felt the members should have a specific opportunity each year to learn more about their organization. The directors felt the annual meeting was important to the success of the Cooperative that the bylaws of the Cooperative were written to provide for such a meeting.

Greenbelt Electric Cooperative was established as a nonprofit organization in order to bring electricity to rural areas which were first lighted by kerosene lamps and heated with wood.

Today, as when it was first founded, Greenbelt observes basic cooperative principles in its operation.

* Each member, no matter how much electricity he or she purchases, has one vote.

* Nonprofit operation with affordable electric services to members

is the primary objective.

All members are encouraged to mark their calendars to be at this year's annual meeting April 28. Without members involvement and concern, Greenbelt Electric cannot continue serving as it has since 1938.

Topical and Oral Acne Medicines

Acne is one of the most difficult-to-treat of all the skin conditions. Effective topical and oral acne medicines include:

Benzoyl Peroxide: This topical medicine is considered the most effective of the nonprescription acne medicines. Benzoyl peroxide dries the skin and helps peel away dead layers that might otherwise clog openings in the skin. It also causes the release of oxygen in the skin, which kills bacteria associated with the development of acne.

Tretinoin: This prescription-only topical medicine is often reserved for moderate to severe acne that does not respond to benzoyl peroxide.

Antibiotics: Topical antibiotics, such as erythromycin, clindamycin, and tetracycline, are often effective in treating mild to severe acne. Severe acne often requires oral antibiotics, however.

Isotretinoin: If oral antibiotics are not effective, isotretinoin, a derivative of vitamin A, is sometimes considered. This oral medicine decreases sebum production in the skin and is effective in treating severe acne. Isotretinoin should not be taken by women who have recently become pregnant.

MIKE WANTS TO BE YOUR PHARMACIST

The Old Goldston Community School and the addition.

The Way We Were

This is the first of a series of articles about the old Goldston Community and the people who lived there. A reunion is being planned for July 15th. at the Community Center.

After the resettlement of New Clarendon, almost a century ago, a little community was born just north of Old Clarendon. The community went by the name of Graff, named for, or by, a rancher by that name. The ranch was located just north of the Quivera Girl Scout Camp. The number of inhabitants at that time is not known, but the "Graff" community would be short lived.

Mable Elmore remembers when the community became know as Goldston. It was named in honor of her grandfather, J.J. Goldston.

J.J. Goldston moved to the Graff community in 1900 from Waco. "Uncle Jack," as he became known, had a large family: "Preach," Leck, Walter, John, Joe, Nathe, Tom, Ethel, Eva and Hollie.

Hollie Goldston was married to Dick Eickleburger and the couple had one child, Mable. Mable was very young when the flu epidemic of 1918 struck the community, taking the life of her mother.

Shortly after the armistice of World War I(November 7,1918) a snow storm paralyzed the community. "It started about the first of December," Mable recalls, and "never let up." During that time flu had reached epidemic proportions.

The doctor could not reach the sick because of the storm and many lives were lost, including Mable's mother and Fontayne Elmore's (her future husband) sister and husband. Hollie Goldston Eickleburger was buried on Christmas day, 1918. Dick Eickleburger later married Mazie Stewart, and the couple farmed in Goldston for many years.

Mable started to school in a two room house. The two rooms still exists after several remodeled jobs as

the Porter Ranch headquarters, located on the road that leads to the girl scout camp. In the days of the Goldston Community the road was known as the Country Club Road. Ross McAdams owned the land, where the school was located. Later the land was sold to J.R. Porter. The school was then a twelve year school and, as it grew, another portion was moved and placed beside it. It had been the old Boyston Switch school house and had accommodated five students.

"We rode horses to school," Mable related, "everybody did -- or buggies. I rode a horse and at first had to be lifted on and off. We had boys and girls basketball teams in high school. Our uniforms were black stockings, bloomers and box-pleated skirts that hung below the knees. We played matched games with Martin and Jericho."

Mable and Fontayne lived across the road from what is now the

Quivera Girl Scout Camp before moving into Clarendon. Even then, they remained a large part of the community and owned land there.

Fontayne died February 14, 1963. Mable still lives in Clarendon.

Senior Citizens News

It was another good week and the little shower we had sure was welcome.

Didn't have many out for Dance Practice on Monday, April 17th, but had a big crowd, good music and lots to eat at 3rd Tuesday Dance on April 18th.

Carmen had a good Blood Pressure Clinic on Tuesday, April 18th, she checked fifty-five people. Carmen will be back on Tuesday, May 2, 1989.

Board of Directors met in regular session on Wednesday, April 19th. Jean gave the operating report for March 1989. We are half way through our fiscal year and everything is looking pretty good. Our Home Deliveries are growing. We need to be looking for ways to support this need. As of right now there are no additional federal dollars. Suggestions from the Public are welcome for this revenue need. Several items were discussed with good results. As the Director, I would like to say THANKS to our Board of Directors for their interest and concern of our Center. I'm going to be out quite a bit the next two months and I truly appreciate their willingness to help at the Center in my absence.

If you didn't come down to the Musical Jam Session on Friday, April 21st, you missed a good time. We had a total of forty two present. Musicians were Forrest Denton,

R.T. Wood, Nova Neuhaus, Bill Meador, Floyd Crofford, Weldon Petty, Woodrow Floyd, and F.G. Crofford. Many thanks to Thelma Rudder, Bradis Ballew, Helena Catoc, and Irene Jones for refreshments of cake & punch.

Tuesday, May 2, 1989 will be the Senior Citizens 1st Tuesday Dance at the Community Building from 8 to 11 p.m. Music by Melvin Srygley and the Offbeats. Come and join us for an evening of exercising to music.

Fun After Fifty will meet at the Center on Saturday, May 6, 1989. Bring a dish and enjoy some good fellowship and good eating. 10:30 a.m. til ???

REUNION-Cont'd From Pg. 1

This reunion is the Fifty-First for the College, the Twentieth anniversary for the first graduating class from the new facility, and Twenty-Five years of leadership and service of our college President, Kenneth D. Vaughan, to Clarendon College.

I am now open for business in Clarendon.

The purpose of opening is to try to give Clarendon a business I believe the community needs. This is a Tennis Shoes, Dress Boots and Work Boot Shop. I'll take the gamble and hope the community agrees with me.

This is one of the hardest, if not the hardest ends of merchandising in the retail business.

I will need a lot of help from the community to come by and tell me what "YOU" would like and price ranges.

At the present time I have Sanders Dress & Work Cowboy Boots in Bull Hide, Elephant, Retan Cow, Calf Skin, and Goat. In stock sizes from 6 1/2 to 13. Special orders welcome.

I also am going to handle AUTRY Tennis Shoes, sizes 6 1/2 to 13 in low quarters and high tops.

There will be more styles as you people will come by and tell me what "YOU" would like for me to have and handle for you the customer.

Store Hours: Tuesday thru Friday 9:00 to 5:00

Saturday 10:00 to 4:00

Closed: Sunday & Monday

If you need some Tennis Shoes or Boots when I,m closed please call 874-2535 at my home. I'll be more than happy to come into town for your needs.

THANK YOU,

Tim Salem

Letter To The Editor

We often take for granted skills such as reading, writing, adding, and subtracting. These come so naturally to many of us that we tend to forget how we learned these skills.

During the first week of May, National PTA is reminding us that we learned them all from teachers. May 1-5 is the 6th annual National Teacher Appreciation Week. It is being observed by thousands of local PTAs nationwide in an effort

to focus attention on the many contributions teachers make to our society.

While teacher quality and availability has never come under so much scrutiny as recently, we have discovered there are many educators whose work deserves to be applauded.

During the week, let's take time to show our appreciation for the good work being done in our public schools. Let's encourage our children and our community to thank teachers for giving the gift of knowledge.

Extension 75th and 4-H Spring-Fest Celebration

Donley County residents are invited to participate in the celebration of the 75th Anniversary of the Texas Agricultural Extension Service with the first annual Donley County 4-H Spring-Fest Celebration on May 5th. The 4-H Spring-Fest is a fund raiser, sponsored by the Extension E.H. Council to start a scholarship fund for Donley Co. 4-H'ers and to celebrate the 75th Anniversary of the Texas Agricultural Extension Service.

The actual day of the 75th anniversary is on May 8 when in 1914, President Woodrow Wilson signed the Smith-Lever Act. On that date the Extension Service legally became the educational arm of the U.S. Department of Agriculture (USDA). The Act established Extension activities within a unique nationwide system, funded and guided by a partnership of federal, state and local governments.

The Spring-Fest will include a sloppy joe lunch with all the trimmings and delivery for those that can't get away at that time of the

day. Also various booths will be present on the Courthouse lawn for the general public to view. Booth space is available to those interested, with no charge for booth space but rather a donation made to the Donley County 4-H.

In celebration of the 75th Extension Anniversary the Donley County Extension Office will have an open house also on May 5th. The open house is for the public and will start at 9:00 a.m. to 2:00 p.m.

The agriculture agents office is in process of being moved to the courthouse and should be located at the courthouse by May 1. Hope you will come by and take part in our celebration and support the Donley County 4-H with your participation.

KEVIN WENDLANDT NAMED outstanding manager of the region for Morrison's Custom Management and accepts the award from District Manager Bob Sversson and Kenneth Vaughn, president of Clarendon College.

Wendlandt Named Outstanding Manager

Kevin Wendlandt, manager of Clarendon College's cafeteria, was recently named Outstanding Manager of the Region for Morrison's Custom Management. Bob Sversson, District Manager, of Morrison's presented Kevin with a plaque and savings bond in recognition of this honor.

Kevin has been managing the College Cafeteria for the past three years. He was chosen from 187 college, business, and hospital managers after being nominated by Mr. Sversson and finally selected by the Regional President, Bill Crane of Dallas. Kevin is now in contention for Manager Of The Year. Kevin and his staff; Cheryl Wendlandt, Louise Horton, Sharon Grady, Lynn Byrd; also cater for local organizations' ban-

quets and special programs. Kevin and Cheryl have managed the cafeteria facilities at Boy Scout camps at Possum Kingdom for the past few summers. Kevin is very well liked and respected by the faculty, staff, administration, and students at Clarendon College who wholeheartedly congratulate him on this accomplishment.

Naomi's News

by Naomi Green

A week ago Sunday Fern and Truett Hall went to Gruver to visit his sister, Mrs. Vivian Harris who is ill.

Hope Beckwell of Fulsom, New Mexico has been visiting her daughter and family for the past few months. Her daughter is Ina Like.

Henry Lee has been helping his dad Henry Like on the fencing crew. He too is visiting with Ina and Henry.

H.A. Green went to Canyon Sunday to see his father, Joe Green.

Former Ashtola resident Lena Mae Graham's funeral service was at the Baptist Church Saturday at 2 p.m. The Ashtola Community Building was opened and friends and neighbors prepared the noon meal for the Graham family. Out of town relatives to attend were: Mr. and Mrs. Martin Hermesmyer of Groom, Mr. and Mrs. Allen Graham and children Ben and Jenne Barrea of Panhandle, Mr. and Mrs. Bill Talley and family of Hedley, Bobby White of San Antonio, Mr. and Mrs. Gary White of Amarillo, Mary Rush of Plainview, Mr. and Mrs. Don Graham of Sunray, Billy Ray Graham of San Angelo, Mr. and Mrs. A.T. Sutton, Mr. and Mrs. Ira Sutton and Anna Dow, all of Vernon. Mr. and Mrs. Haskell Talley and Elsie Ward of Memphis, Wayne Ward of Mesquite, Texas and Mr. and Mrs. Charlie Slavin of Garland. Local residents to attend the Jerry Green family and Viola and Mike Graham and the J.R. Graham family.

We were so happy to see Mrs. Gresham with her daughter Betty at the Graham service. Bushland must agree with her. We miss her as a neighbor but are thankful that she can be with her daughter.

Aline Partain's brother Buel Taylor spent several days visiting the Partains and their guest Mrs. Minnie Taylor last week.

Robert Kime, Joyce Ducek and Heather Williams of Amarillo came to the Robert Partain home for the weekend. They were joined by Rudy, Rhonda, Ricky, and Roddy Partain from Panhandle.

Mr. and Mrs. Thurman Adams visited Thursday afternoon with the Bill Bennetts.

Mr. and Mrs. Jimmy Bennett and Larry of Amarillo were guests Saturday in the Bill Bennett home.

Gay Cole and Rose Lee Watson had business in Amarillo Thursday.

Those to visit in the Bud White home Thursday evening were: Mr. and Mrs. John Wesley Thomas, Mr. and Mrs. L. A. Watson, Joyce Thomas and Mark Lindley.

Friday, Larry, Janet and Rene' Watson, Betty Shields and Gay Cole had lunch with the L.A. Watsons.

Saturday morning Rose Lee Watson visited her father C.I. Casteel at the Medical Center Nursing Home.

Martin Baptist Church is planning a 5th Sunday Singing at 2 p.m. April 30th. You All Come!

Mary Green was in Pampa Friday for a Quivira Girl Scout Council Meeting. Christal joined her that evening for a Girl Scout banquet at the Chamber of Commerce Building.

J.R. and Hazel Brandon were co-hosts for a Air Stream Trailer Rally at Collingsworth County Pioneer Campground five miles north of Wellington last weekend. Hazel drove back to Clarendon after setting up camp to attend Dlynn Coslin's shower and to help with the meal at Community Center and to attend Lena Mae Graham's funeral.

If you will pardon the pun the dawg liked the idea of changing names so well that he moved in with the "Likes". Ina already had three dogs so she kindly brought Porky Nick home. I sorta think I have a mooch as well as a pooch on my hands. But he is out gathering news as I get a chance to visit when he gets brought home.

Those into perfume manufacture have missed the boat when they have not captured the locust tree bloom odor. Of course one might have difficulties fighting bees and candle bugs and butterflies out of your hair if they used it in shampoo and it might be a bit overpowering in a room de-odorizer. The Lord knew what he was doing and we might do well to leave it alone.

Ruby Jewel and I both decided that the time was here to clean out the cellar and be ready for our Spring bouts with mother nature.

The blackberry patch is taking considerably longer to clean out. It went back to pasture last year when I was avoiding the hoe. Jerry helped

me out late summer with the brush cutter. I feared we had killed it but a little bit of water and a lot of weeding and I am beginning to see blossoms.

Chris and Terressa Shollenbarger of Amarillo visited Monday with Melba Risley.

Martin Quilting Club meet at Mr. Lepper's home Thursday. Eleven members completed one quilt.

The Deacons of the Baptist church honored Bob Haven with a party for his 90th birthday Sunday evening.

Our volunteer firemen were called for a grass fire on S.J. Ranch north and west of Clarendon Saturday and to the J.A. Ranch southwest that same day. They fought fire all day Sunday and it must have been most difficult with the high winds and canyons making equipment inaccessible to the fire. The fire departments from Groom, Claude, Hedley and Silverton have tried to assist.

Firemen and firebelles who have been on the job with first aid, water and food for the firefighters are to be commended for the job they are doing.

A fire southwest of Lloyd Risleys was brought under control before it escaped to C.R.P. acreage.

We are most grateful for the equipment that has been purchased with past donations. Every bit of it was needed. We must keep good equipment for our volunteers to use. It is very expensive to fight fires. Our volunteers were still out there fighting Monday evening. If you cannot assist physically you can assist financially. Thank your fire department by sending a donation to Fire Chief Delbert Robertson.

Lion's Tale

The Clarendon Lions Club met at noon on Tuesday, April 18, 1989. There were 31 Lions present and seven visitors not including the program. After a very delicious meal, Lion Tamer Redell Henson introduced the following guests: Mr. Robert Byrd - Highway Patrol from Memphis, Texas, a guest of Lion Sergeant Mike Thomson; Mr. Dan Hawthorne, Highway Patrol from Memphis; also a guest of Lion Sergeant Mike Thomson; Mr. Lee Jackson, instructor from Clarendon College, a guest of Lion Stavenhagen; Mr. David Smith of Clarendon, a guest of Lion Smith; Mr. David Hicks of Clarendon, a guest of Boss Lion Hicks; Mr. Roger Estlack, of Clarendon, a guest of Lion Estlack; and Mrs. Edythe Carter of Clarendon, a guest of Lion Fred Carter. The Boss Lion Hicks opened the meeting in due form and after a few announcements, one concerning the Broom Sale which the Lions will conduct on Tuesday, April 25, 1989. Lion Smith then introduced the program with the Judging Team instructors from Clarendon College and five participants.

The instructors were Mr. Jerry Hawkins and Mr. Kelvin Sharp. A very interesting talk was given by each of the team members. It was very informative and enjoyed very much. There being no further business the Boss Lion Jerry Hicks adjourned the meeting.

The Clarendon Lions Club held its regular meeting at noon on Tuesday, April 25th at the Lions Hall. Thirty one members and guests were present. Following the regular opening ceremony, Liontamer Henson introduced our guests including Jake Ray, Texas Department of Public Safety Trooper from Claude, guest of

Lion Mike Thomson and Stephen Hagner with Caravan Sales for the Blind who was a guest of the Club. Boss Lion Hicks mentioned some proposed new officers and reminded us that elections for officers and directors would be coming up soon. Lion Smith discussed work assignments for the broom sale which is going on today. Meeting adjourned.

Letter To The Editor

Two of the greatest sources that our city has to offer are its youth and the future. That is a part of that youth, and we, as citizens, should take a special interest in situations involving the young people of our town.

I would like to share with you some unfortunate facts. The county extension office recently worked with Dr. Thibodeaux in conducting a local survey among our youth. The results of that survey show that within the last year 44% of the students in our county in grades four and higher have experimented with alcohol. Although the exact percentage could not be released, the survey also indicated a very high usage rate among Clarendon's high school youth.

We as parents - even we parents of small children - and we as citizens can and should take note of these survey results. Parents have a God-given responsibility to take an active part in the guidance of our children's lives. Therefore, I commend those who are bold and stand for what they believe in is the best interest of their children by working to offer an alcohol-free graduation party. By doing so, the parents are trying to provide for the students a memory to recall fondly in the years to come. More importantly, these parents are making a statement to their children as well as other students involved. Making

such a statement takes a boldness that we as citizens should appreciate.

I applaud the senior class for choosing to have a chemical-free graduation party, because by doing so they are setting a fine example for the underclassmen of our high school. This commendable choice will take a commitment from each senior, and it can be the beginning of a change in the statistics offered by Dr. Thibodeaux.

I offer congratulations to our seniors, and I hope their graduation night will be a night of fond moments to treasure in the future.

Sincerely,
David Davidson, Mayor

philosophies, clamor for our affection, we are often bewildered. Actually, there is no real choice. "Worthy is the Lamb that was slain to receive power, and riches, and wisdom, and strength, and honour, and glory, and blessing" (Revelation 5:12). Just as the dedication is page one of our book, shouldn't your dedication to Him take top priority in your life?

A school yearbook would be pretty dull if it contained only carefully-posed portraits. What about activities, projects, special events? What about your life, and the life of your church? What does the world see—a public-relations-type image, or a caring people trying to make every moment before Jesus comes count for Him? Which better describes you and your congregation—the words of Jesus to the Pharisees: "...Ye... appear beautiful outward, but are within full... of all uncleanness" (Matthew 23:27), or the hymn which says, "And they'll know that we are Christians by our love"?

Nearly one-fourth of our yearbook is given to our advertisers—our supporters. The book simply could not be produced without the financial aid they provide. In fact, we need support and encouragement in virtually all of life's activities. Do you enjoy the support of a local church? Are you a part of a support team for other Christians?

The finished annual should be a reflection of the school itself. It shows students at many levels of maturity and development, from kindergarten through the graduating class. It should also portray works in progress, athletic teams growing and improving. And, of course, part of the fun is to compare the current book with past volumes. "My, how she's grown!" "The students' writing is so much better this year." "Isn't he looking more and more like his dad?"

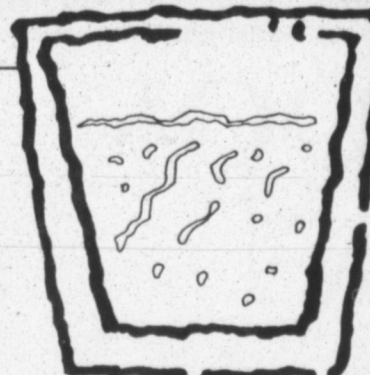

Suppose you were chronicling the past year of your life? How have you grown in your service to your Lord and His church? What about that project you began for Him last year? Is it developing as it should? Are you becoming more and more like your Father?

Your life's a book before their eyes. They're reading it through and through;

Say, does it point them to the skies,

Do others see Jesus in you? --B. B. McKinney

CHARLES BAIRFIELD and ROY BLACKMAN

RALPH DECKER born 4-20-1902, celebrating his birthday with wife Nora Decker at the Medical Center.

Medical Center News

Ralph Decker celebrated his 87th birthday April 18 in Medical Center Dining Room.

The table was covered with a white cloth and flowers were pale orange. His beautiful chocolate and white cake also graced the table.

We all did the Hokey Pokey exercise for entertainment. Everyone made birthday wishes for Ralph as he blew out his 3 candles - one for the past, the present and the future. Everyone present; 32 residents, wife-Nora Decker, and employees; were served cake and orange punch.

On Thursday, April 20, Charles Bairfield, Roy Blackman, residents of the medical center, traveled to Amarillo to participate in the Grand Ole Follies. Charlie and Roy were accompanied by Larry White, Administrator, Vera Johnson and Jeannie Formway, Activity Directors, and Shirley McKinney, Nurses Aid.

The Follies are the climax of a year of fun and activities. The Fun consists of 40 Homes, Retirement and Nursing Day Care Centers, and Hospitals, coming together to

present and enjoy their particular type of activity, be it singing, reciting poetry, dancing, playing instruments or what ever you might have.

All participants are awarded Blue Ribbons for their efforts? Mr. Bairfield being President of the Residents Council, decided to give a talk on this subject. Roy, sang "How Great Thou Art" and "You Are My Sunshine" accompanied by Shirley McKinney and Jeannie Formway. A talent show is the center of interest, in which each resident does what (he or she) does best.

The purpose of the Follies is to bring these people together to have fun and at the same time, rid some of the fears, and anxieties they or the public might have about this type of placement.

The residents morale status, dignity, and self esteem is very important in this type of care, and most important with our association. They are able to come together, meet, mix and socialize, meet new friends and become acquainted with others in the same situation, in other homes.

A great performance was made by both men and a grand time was had by all attending.

CLASSIFIED BUYING GUIDE

Bradward on Classifieds 6

Would you like some great classified ads? (Say Yes!)

One company built its success in placing its ads, all exactly alike, under several different classifications.

More friends and neighbors read these, so there was heavier response.

These ads appeared under Personals, Business Opportunities, Merchandise for Sale.

Remember, no one reads every classified ad in any issue of any newspaper.

Your friends and neighbors read only the classifications of interest.

The fact is this: if your classified is not seen by those who should see it, you won't get the response you deserve.

One very smart retailer had his ad typeset as a small ad about an inch deep. He used a black border, had his name and phone in large block letters.

He worked with his newspaper staff to have seven — count them — seven of these scattered throughout the classified pages.

He sold out the item advertised with just two insertions.

An even smarter retailer grew up in New York in the theater district. He had seen countless posters for Broadway shows pasted on fences, empty buildings, everywhere.

These posters, all alike, were often mounted 10 posters wide X 2 posters deep.

He thought about his classifieds. He had a one inch ad typeset and ran 7 ads, all exactly alike, one after the other, in a single classified column, something like "ducks in a row."

Did these ads work for him? In six months he built his small computer electronics repair business from \$100 a day gross sales to more than \$800 each day. He never changed his ad. Not one word.

His magic number was 7. 7 ads all right together.

Another wise man with limited budget ran a 4-inch classified. Then he had 15 tiny ads of 2 or 3 lines each scattered throughout the classifieds asking the reader to see his important 4-inch classified. Did that work? Well, he still does it. Every week.

Here is genius: it comes from telling everyone again and again. Constantly. All with little classifieds everywhere they look.

If you seek success, think classifieds. Your newspaper knows!

Next time, what to do when all ads look alike.

A \$1.00 charge will be added if statements are sent on classified ads. If you want your classified ad blocked, there will be an additional \$1.00 charge on the first ad.

Classified ad rates are \$3.50 for 15 words or less, 10 cents per word over 15 words. Cards of thanks, average length is \$4.00. Subscription rate in Donley County is \$13.00 a year. Subscriptions for outside of Donley County and out of state are \$16.00 a year. Six month subscriptions are \$8.00 and three month subscriptions are \$6.00. Display ads on request.

Notice To City Of Hedley Residents

The City of Hedley operates an Imhoff type wastewater treatment plant located northeast of Hedley. This plant takes care of all of Hedley's waste delivered to it through the City's wastewater collection system.

Waste is broken down there and neutralized. The liquid portion of the waste is evaporated into the air while the solids are buried. The waste is broken down by natural bacteria found in wastewater. The bacteria thrive in such an environment. Wastewater plants and plant operators depend heavily on such bacteria to do their job and do it well. If the bacteria are interrupted for some reason they stop the break down process. If this occurs the solid waste that is delivered to the plant begins to stack-up and causes a very serious problem.

The most common reason that the bacteria die is do to foreign substances being put into the wastewater collection system. These foreign substances kill the bacteria thereby backing up the plant and this ends up costing the City hundreds and sometimes thousands of dollars as well as many unplanned for man hours.

The substances most often put into the collection system that does damage to the wastewater plant are petroleum products such as diesel, gasoline, and kerosene. Another foreign substance that is very harmful is salt. These are often used to kill roots.

If you are putting these substances into the collection system at this time please stop. These actions are costing the City hundreds of dollars in chemicals and bacterial agents.

Please note: It is also illegal to put such substances in the collection system.

The City is required to submit bacteriological samples to the Texas Water Commission in Austin, TX and is also inspected two to three times a year.

Will you help the City of Hedley keep its wastewater treatment plant in good, cost efficient working order?

Thank you,
The City Management
