## Clarendon I S D. Will Dismiss School Early Friday

School will dismiss at 2:00 p.m. Friday, March 31, 1989. The buses will also run at 2:00 p.m.

Teachers and staff will have an inservice program from 2:15 p.m. until 3:45 p.m. on Friday.

## Spring Break-Out April 22

The Clarendon P.T.A. is sponsoring the annual "Spring Break-out" on Saturday, April 22. A tour of the Amarillo Globe News and a picnic at Memorial Park in Amarillo are the planned activities for the day.

Students, K-8, whose parents are members of P.T.A., are invited to participate. However, if a parent would like his/her child to attend, the person will have to join P.T.A. prior to the trip, by purchasing a membership for \$3.00. The money needs to be taken to Mrs. Jan Campbell, membership chairman, by April 21.

Students will meet at the school parking lot at 9:15 a.m. on the 22 and bring a sack lunch, including a drink. The group will return around 2:30 p.m. The P.T.A. urges all students who are eligible to attend this fun and educational outing.

## Track Teams

The Clarendon Bronco Track Teams will travel to Hart this week-end to participate in their track meet. The Junior High 7th and 8th Grade teams will participate in the Sanford-Fritch Track Meet Friday, March 31 - April 1. Support your children by attending their track meets.

## Defensive Driving Course Offered

A Defensive Driving course will be held at Clarendon College on Saturday, April 8, 1989. It will meet from 8:00 a.m. to 5:00 p.m. in room 102. The fee is \$25.00. Please contact Clarendon College at 1-806-874-3571 for further information. Upon completion of this course, participants will be eligible for a 10% discount on their liability insurance and dismissal of a traffic violation. All dismissals of traffic violations must be approved by the appropriate Justice of Peace.

## Strip-Cropping Protects Young Cotton

Spring winds in the Panhandle area of Texas constantly batter the land, picking up topsoil and sandblasting young crops. However, a simple and inexpensive farming technique called wind strip-cropping can help control wind erosion and reduce crop damage.

## Scout Show

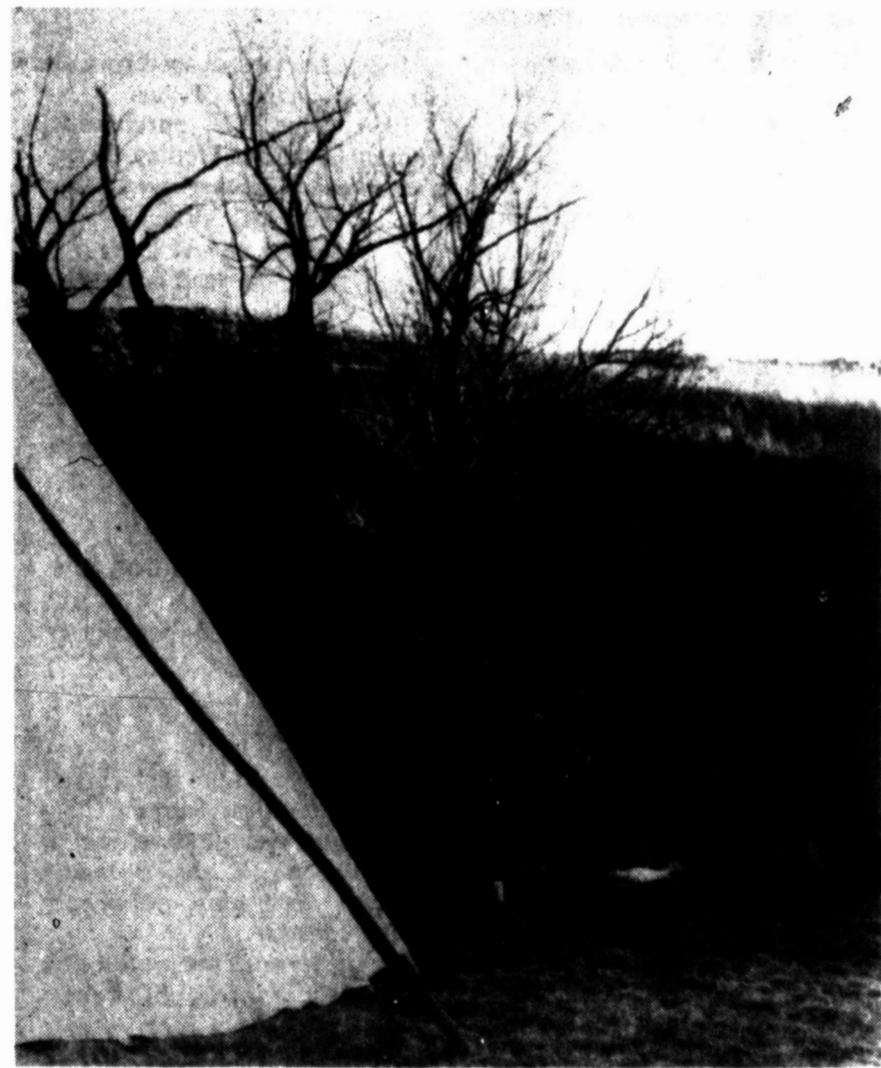

Boy Scouts and Cub Scouts throughout the Santa Fe District will join boys from the Golden Spread Council in the 1989 Scout Show to be held in Amarillo on April 8 from 12 noon to 5:00 p.m. The Rex Baxter Building at the Tri-State Fair Grounds will be the site of many exhibits and demonstrations of skills the boys have learned in their Scouting activities.

Currently the boys are engaged in a ticket selling contest, which gives them a chance to practice salesmanship and leadership. In

addition the boys have the opportunity to help their units earn commission of 25% to 45% to be used for equipment or other program needs. The amount of commission is determined by the units' extent of participation in the Scout Show itself as an exhibitor or demonstrator.

Not only do the tickets admit a person to the Scout Show, but they also provide the purchaser with some coupons worth more than the price of the ticket.

Be sure to put April 8 on your calendar. There will be continuous entertainment and fun for the whole family as indicated by the 1989 Scout slogan, "The Adventure Continues".

## Building Winning Kids

by Tim Trimble

### Donley County Extension Agent

"Building Winning Kids" and "Strengthening Donley County Families" will be the emphasis for the day of Thursday, April 6, by the Donley County Extension Service. On this day, Dr. Lynne Thibodeaux will focus on helping Donley County build winning kids and strengthen families through TV and radio interviews, 3 school assemblies, and a Seminar that night for parents and children, teachers, pastors, college students and others that have the potential to mold youth. Dr. Thibodeaux is a 4-H Youth Development Specialist for the Texas Agricultural Extension Service, Texas A&M University. She is in demand all over Texas as well as in the United States in working with youth and adults on

self-esteem.

Dr. Thibodeaux will be meeting with Clarendon High School students for an assembly at 10:15 a.m. on April 6, and at 12:00 noon with Clarendon Elementary. She will also be meeting with the Hedley School students at 1:35 p.m. At the assemblies Dr. Thibodeaux will be stressing the importance of positive self-esteem related to youth problems.

The Seminar will be held at the Clarendon Community Building in Clarendon and will start at 7:00 p.m. Again, Dr. Thibodeaux will be focusing on "Building Winning Kids" but will also look at the importance of the Donley County family and the impact that family life can have on youth development. She will be stressing the importance of prevention of youth problems by building self-esteem and will be giving information to participants that will help to strengthen families in the County.

At the Seminar the winners of the poster contest on prevention of drug and alcohol abuse that

Clarendon and Hedley school students participated in will be announced. Also, results of a survey on drug and alcohol use by Donley County youth will be given. The results should give Donley County a better idea of the problems youth have in the County and should help local leaders, school officials, churches, extension, and others to work on prevention strategy in these areas.

The Donley County Extension Service Executive Council is sponsoring Dr. Thibodeaux and the activities on April 6. If you have the potential to help mold youth then you will benefit from the seminar or assemblies. There is no charge for these activities. For more information contact the Donley County Extension Service, 874-2141.

## Food & Fashion 4-H Club to Meet

Food & Fashion 4-H Club will meet Monday, April 3rd at the Old Courthouse from 4:00 p.m. to 5:00 p.m.

## Burlington Northern Renovating Tracks through Clarendon

Work crews are placing a new foundation under the railroad tracks through Clarendon. They did not even stop when a spring shower drenched workers and right-of-way alike. The work is a part of an on-going effort to keep the road in the top shape.

This phase should also result in smoother grade crossings. "We realize that this work creates a temporary inconvenience at crossings," says Roadmaster Charles Guldge of Childress. "But we feel that the results will be more than worth the trouble." Wherever possible, the crossings are being raised and leveled for about 20 feet either side of the rails. The new crossings will have better visibility, as well as being smoother.

The work crew is also placing a carpet-like material under the rock ballast at the crossings. The material-called "underlay felt" prevents mud from working up into the stone foundation, keeping the base firm and stable.

The railroad began this particular project about four miles east of the old depot building, and will finish about six miles west of Claude. The track on either end was reworked last year.

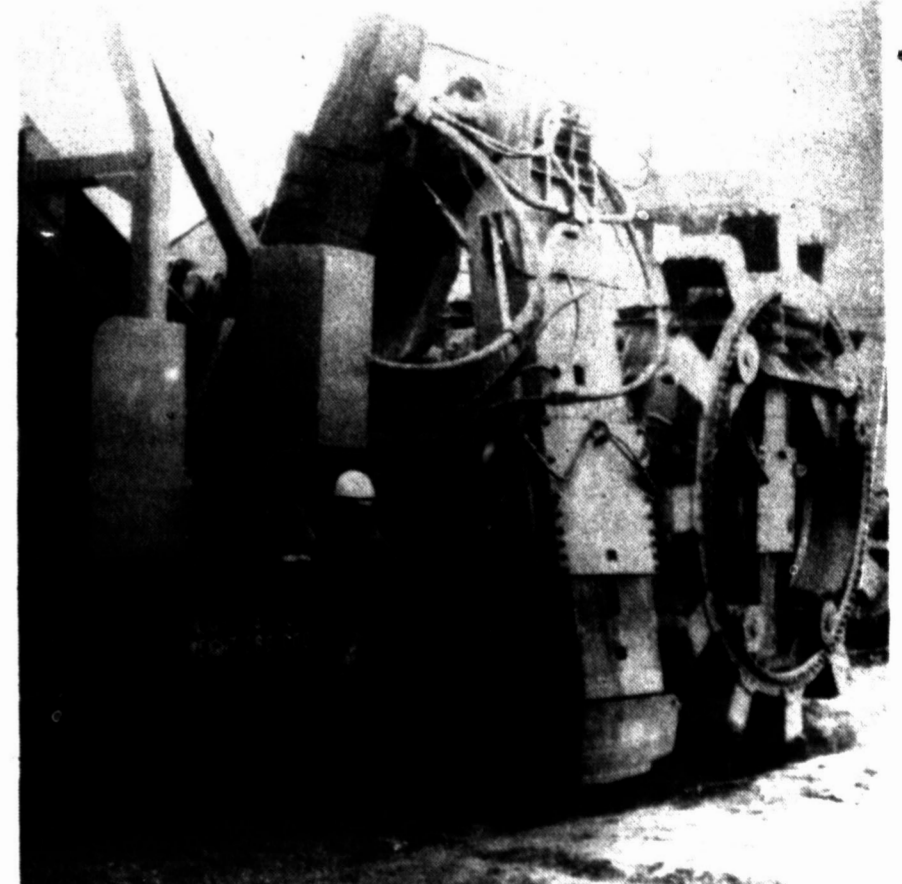

"We hope the crossings will be at least 100% better than before," said Guldge.

The process is quite expensive. The first step was the replacement of all rotten or questionable ties. The mud and ballast was dragged from under the ties. The undercut machine screened the material it removed. Large crushed rock was returned for re-use. Smaller rocks, mud and gravel were belted to one side. That mixture was used to build up unpaired crossings. It is a good roadbed material. The large rock was tucked under the ties, more crushed rock was added, tamped under the ties and finally the track was leveled. The undercut alone costs \$700 to \$800 per hour.

The expense of the refurbishing the track is borne by the Burlington Northern Railroad, which is also the largest taxpayer in Donley County. (By contrast, Highway 287 was built and maintained by tax money, a big indirect subsidy for truckers.)

The railroad was completed through Clarendon from Ft. Worth to Denver in the last few decades of the 19th Century. The Texas portion was the Fort Worth and Denver City Railroad, but beyond the state line it was the Colorado and Southern. Later the railroad was taken over by the Chicago, Burlington and Quincy. That company eventually merged into the big Burlington Northern.

Today the railroad runs about 25 trains per day through Clarendon.

## Farmers and Ranchers at Risk from Skin Cancer

Farmers, ranchers and others who spend time out-of-doors are in danger of developing skin cancer, but the risks can be reduced with a combination of protection and common sense.

According to Dr. Turner Caldwell, who was raised in Clarendon, the incidence of skin cancer is rising at near epidemic proportions. Melanoma, the most fatal form of skin cancer, is increasing at a rate of three to five percent every year. Basal cell carcinomas appear as slowly growing, raised, translucent, pearly nodules. If untreated, they may crust, ulcerate

## Check Soil Temperature Before Planting

In many cases the early bird does get the worm. But when it comes to spring planting, farmers may want to use a little restraint and take a look at soil temperatures before cranking up their planters.

One of the keys to getting spring crops off to a good start is to heed soil temperatures.

Soil temperatures have been shown to have an important effect on how well seeds germinate. Planting in cool soils often leads to poor seed germination and poor crop stands. Plants that do come up often lack vigor for early growth. And this opens the door to early season diseases and insect attacks.

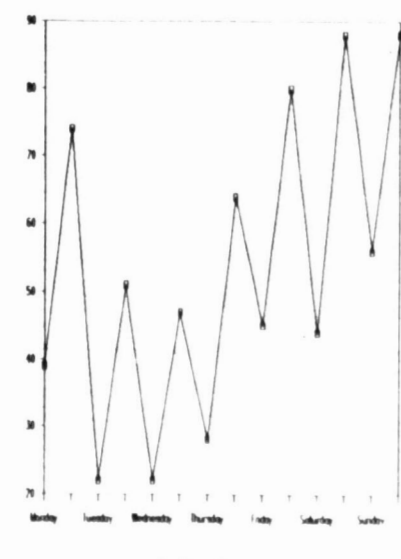

Farmers should begin plant-

## Seniors VS Very Seniors Ends In Tie

If you did not see the Seniors VS Very Seniors (Parents) basketball game, you missed an evening of fun, excitement, and action. Thanks to some excellent, biased calls by referees, Cary Sappenfield and Monty Chapman, and some clever manipulation of the scoreboard and statistics by Andrea Chapman, Wayne Hardin, and Hulon Kirkland, the final score ended in a tie 50-50.

Coaches Marion Davis and Roger Estlack really put their "pseudo Harlem Globetrotters" through the paces during the pre-game warmup. Twenty-one seniors and twenty parents participated in the action-packed game. Coach Estlack kept reminding his team, as he would send a new crew to the floor, "Remember the rules, guys; there are no rules." Fortunately there were no major injuries, but the spectators began to wonder when Cheryl Burch was tackled by her own daughter, Lisa.

The seniors pretty much controlled the first half of play with the score at halftime being: seniors 32, parents 9. When the third quarter began, the score was 32-19. Donald Bland wins the award for freethrow shooter of the game by sinking 7 of 10 freethrows for one foul charged against the seniors. The seniors were pretty weak at the freethrow line, or did they even shoot any freethrows? No fouls were called on the parents, so the seniors didn't get a chance to show their ability at the line. That Derlene Graham was really hot at the freethrow line and closer up. How many tries was it, Derlene, 10 or 20? But you finally made the freethrow with a lay-up, good girl. Now we know why you only got to play guard in high school and college.

The guarding was really close the whole evening. Just ask Audrey Hall. Randy Gaines with his octopus arms was her seven foot shadow the entire time. Chris Ward and Jason May had some pretty spectacular moves. What teamwork! Too bad you got a technical foul for that slam dunk, Jason. Another bit of cooperative effort

TWERPS, ETC. including Megan Williams, Cinde Hermesmeier, Jodie Kidd, Shonda Phillips, Nathan Lowrie, Kelly Edwards, Lani Douthit, Stephen Bivens, Danny Smith, Amber Dunham, Kim McAfee, Jenny Porter and Becky Rattan.

was displayed by David Shaller and Cody Fletcher. How did you survive the next day at school after trying to disrobe an unsuspecting referee?

The seniors made one last "all-out" effort to score the winning basket when all 21 players invaded the floor the last 30 seconds of the game. Their attempt was futile as the unbeatable defense of the parents held the final score at 50-50.

The PTA would like to thank all the seniors who participated and were such good sports: Tina, Nugget, Lindy, Lisa, Jenifer, Roger, Cody, Randy, Richard, Stacy, Jeff, Kristal, Georgie, Jason K., Jason M., Mike, Myrtle, Lori, David, Jason S. and Chris.

Thanks also to the brave parents who were willing to put their lives on the line for a little fun with the kids. Thanks also to the spouses on the sideline cheering the parents team on to victory.

Thanks to the girls Little Dribblers and their coaches for an enjoyable halftime performance.

## Broncos Advance To Quarter Finals In Plainview Tennis Meet

Two Men's Doubles teams represented Clarendon High School in the Plainview tennis meet held Saturday, March 25. Che Shadle and Michael Adams faced Tahoka in their first match. After getting off to a slow start, losing the first set 4-6, Shadle and Adams came back to win the next two sets 6-1, 6-0. In their second match, Shadle and Adams defeated a team from Happy 6-1, 6-0. This win advanced them to the quarter finals where they met a Wellington team. Wellington took the first set 6-3. Shadle and Adams won the second set 6-3. After being down 1-5 in the third set, Shadle and Adams came back to tie the set 6-6, but lost the set in a play-off.

The team of Jason Sharrar and Matt Mooring also fared well in the meet. Sharrar and Mooring defeated Slaton, 6-3, 7-5. Sharrar and Mooring met Dimmitt in their second match, but were defeated by a score of 6-1, 6-1. Congratulations to our Bronco tennis teams. They are representing our school well.

The District tennis meet will be held April 6. GOOD LUCK, BRONCOS!!

## Engagement Announced

Mr and Mrs. Ricky Alexander would like to announce the engagement of their daughter Tina, to Mike Hook, son of Mr. and Mrs. Cecil Hook of Clarendon. The wedding will be held, June 24, 1989, at the Nazarene Church by Bill Hodges.

Tina is a Senior at Clarendon High School and will graduate in May. Mike graduated from Clarendon High School in 1986 and attended Clarendon College. He is currently employed with John Morrow Drilling Co.

## Firebelles

The Clarendon Firebelles held their monthly meeting on March 14, 1989 at the firehall. Patsy Roberson opened the meeting with the invocation and presented a program on ATTITUDE. There were 15 members present and one guest. We welcome Denise Bertrand as a new member. The treasurer's report was given which included information on the volleyball tournament. At the next meeting we will be making a decision on ordering new fire jackets. It will soon be time to start planning for the State Fire Convention, please call Tammy Taylor if you want her to reserve a room for you.

Forty years ago  
Was born a little tyke  
And his Mom & Dad  
Decided to call him Mike.

Like most little boys  
He was a lot like the rest  
Playing with his toys  
And usually being a pest.

He went to Clarendon schools  
And despite everyone's fears  
He made it through, he was no fool  
So what if it took several extra years

He went off to the Navy  
That was way back when  
Before the time his Uncle Sam  
Was looking for a few good men!

Now he is a Fireman  
And an EMT  
He could save your life  
Unless you have an injury!

He is really outstanding  
When it comes to volleyball  
Most of the time you can find him  
Out standing in the hall

He has got a shiny badge  
One bullet and a gun  
And everybody knows  
How he's really having fun.

A heart of stone and eyes of steel  
He will face a gun or knife  
Like his greatest hero  
Deputy Barney Fife.

I'll sleep good tonight-the streets  
are safe  
And my friend so should you  
'Cause the best reason is  
Mike's off duty and sleeping too!

## Attention Children!

PTA Welcomes Jim Newton and "A Musical Celebration For Children"

The Cultural Arts Committee of the Clarendon PTA will present "A Musical Celebration for Children" with singer, Jim Newton on Tuesday, April 4, 6:00 p.m. at the Clarendon school cafeteria.

Newton sings to and for Children! His songs are designed to give self-esteem and hope to all children. In the fast life of the 1980's it is often difficult for children to feel good about themselves. Faced with many questions about major issues, children may feel out of control or out of charge. Newton's songs teach them that it is Okay to be just who they are!

Newton's songs are also therapeutic for children who are severely, chronically or terminally ill and family members who are burdened by caring responsibilities, anxiety, financial stress and an uncertain future concerning their child. Newton's music speaks to all children facing a crisis or difficult periods of their lives or simply the normal transitional stages that can be so frustrating to children and their parents. This is more than just another "let's help the children forget about their pain" project. There is a crucial need for a new musical resource which is therapeutic as well as entertaining!

The program is FREE and open to all children, parents, grandparents, and everyone concerned with the welfare of the very inner being of our children!

The Clarendon PTA is honored to welcome Jim Newton to our community on April 4. Give your children the gift that Jim Newton gives to us--the gift of hope and love.

Please contact Jamie Deyhle, Chairman, for any more information.

Antihistamines Aid Ulcer Patients  
When we mention antihistamines, people may think of the ingredients in many nonprescription cold medicines. Antihistamines are included for their "drying" effect. A special class of prescription-only antihistamines has proven to be useful in the treatment of peptic ulcers. These special antihistamines, referred to as "H-2 receptor antagonists," are used alone or in connection with other ulcer medicines such as medicines which neutralize acid (the antacids).  
Peptic ulcers are open sores or lesions that form in the lining or wall of the stomach or small intestine. "Peptic" means that the ulcer is associated with *pepsin*, a digestive enzyme which works along with hydrochloric acid to help digest many of the foods we eat.  
Cimetidine and ranitidine were the first H-2 antagonists available to treat peptic ulcers. Both of these antihistamines have chemical structures that are similar to histamine. These and newer H-2 antagonist medicines such as famotidine compete with histamine at H-2 receptor sites in the gastrointestinal tract, reducing the output of hydrochloric acid and, indirectly pepsin. Ulcer healing may require up to three months of therapy with these special antihistamines.

**Local Girls Enter Twirling Championships**

Several Donley County "Twistin' Twirlers" entered the NBTA Southwest Regional Twirling Championships in Amarillo on March 11 and 12. This competition is held for girls in the five-state region of Texas, Oklahoma, New Mexico, Kansas, and Colorado. These contests teach the girls discipline, sportsmanship, and help them set goals for themselves. Those who entered under the direction of Gina McKinney, brought home many medallions and trophies for their talent and efforts.

Those from Clarendon who placed were:  
Age 0-6: Amanda McKinney: 3rd in Best Appearing, 4th in Basic Strut, 4th in Presentation.  
Age 7-9: Jessica Rogers: 2nd in Beg. Fancy X-Strut, 2nd in Best Costume, 5th in Beg. Solo, and 5th in Beg. Military.  
Age 10-12: Adrian Dunn: 2nd in Novice Fancy X-Strut, 4th in Beg. Military, and 5th in Beg. Solo.  
Age 13-15: Suzette Henson: 1st in Beg. Military, 1st in Basic Strut, 2nd in Novice Fancy X-Strut, 3rd in Beg. Solo, and 4th Best Appearing.

**Strip** Cont'd from p. 1

Wind strip-cropping consists of alternating rows of a tall growing crop like sorghum, wheat, or perennial grasses with a shorter crop that is susceptible to wind erosion damage, such as young cotton. use them as a barrier to reduce wind velocity and thus soil erosion," says Donley County District Conservationist Jim Donaho of the USDA-Soil Conservation Service.

Donaho notes, "Blowing sand can damage cotton considerably. By using wind strip-cropping, we're trying to hold soil movement down to a minimum which will save soil moisture, topsoil and seedlings. If planned and applied according to SCS guidelines, the system will also satisfy the new government regulations concerning highly erodible land and USDA farm program benefits."

**Sam Combs**

Funeral services for Sam Combs, age 93, were held at 2:00 p.m. on Saturday, March 25, 1989 in The True God In Christ with Elder John Bowser, Pastor, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Combs did at 2:00 p.m. on Sunday, March 19, 1989 in Georgia Manor Nursing Home in Amarillo following a lengthy illness. He was born August 10, 1895 in Roanoke, West Virginia and was married to Mary Smith on May 5, 1934 at Gilmer, Texas. He lived in Gilmer for two years before moving to Clarendon in 1934. He had worked in construction for the Fort Worth and Denver Railroad for 31 years before retiring in 1978. He was a member of the True Church of God in Christ in Clarendon.

Survivors include his wife, Mary Combs of Clarendon; one daughter Willie Mae Johnson of Philadelphia, Pennsylvania; one son Sammie Shoels of Oklahoma City, Oklahoma; 24 grandchildren; and 8 great grandchildren.

Casket bearers were Anthony Shoels, Curtis Smith Jr., Randy Smith, Nathana Shoels, Lawane Brown, and Billy Gardner.

Honorary bearers were Walter Reese, Walter L. King, Walter McCampbell, Dick Shelton, J.C. Giddings, Clifford Alexander and Red Morrison.

**Hedley News**

by Nina Riddlespurger

As you probably noticed, there was very little Hedley News in last week's paper. Due to business I was unable to write the column and for that I do apologize.

My father, R. B. Sain of Memphis was admitted to St. Anthony's Hospital in Amarillo on Monday, March 20th. He underwent surgery on Wednesday. At this time he is doing as well as can be expected and hopefully will be released from the hospital later this week.

Birthday wishes to some folks who celebrated birthdays week before last. Johnny Linville had a birthday on Sunday, March the 19th. Hope Johnny had a great day.

Red Hill had a birthday on Monday, March 20th. On Thursday, March the 16th, Red was given a surprise birthday party at the home of Marty and Lisa Martin of Giles. Red was presented with a beautiful cake with German Chocolate icing. The cake was decorated with red lettering and 2 dominos in each corner that totaled the number of years of his age. The only problem was that Lisa and Dean had frosted and decorated a piece of foam rubber. Red had a hard time trying to cut the cake. After the fun he was presented with the real cake which had greyhounds chasing a coyote on top. Red said this was the first time he ever had a birthday party. He had to wait 69 years but seemed to think it was worth the wait. Happy Birthday, Red!

Those who attended were Matt, Kendra, Chase, China, Woodroe and Ora Pearl Farris, Ronnie, Janie, Jana, Jr, Martha and Dean Hill, Loretta Crump and Jason Ham, Leon, Carol, Amanda and David Ward and Walter Johnson.

Jean Rowell had a birthday on Friday, March 24th. Happy Birthday, Jean!

Don Blanks celebrated his birthday on Monday, March 27th. I also had a birthday on the 27th. Loyd and I also celebrated our 19th wedding anniversary on the 27th of March.

Buster Hinds celebrated his birthday on Tuesday, March the 28th.

Happy Birthday, Buster. Jean Taylor had a birthday on Monday, April the 3rd. Hope Jean had a great day.

Inez Bland and V. T. McPherson both celebrated their birthdays on Tuesday, April the 4th. Hope both these folks had a great birthday.

Cullen Taylor had a birthday on Wednesday, April the 5th. Happy Birthday, Cullen!

Ardell Eppers from Archer City, Texas has been visiting with his mother, Mrs. Ola Eppers and his sister, Jonnie Wilson this past week. Ardell spent 4 days with his mother and sister and is planning to return for a few more days this next week.

Mrs. Ethel Grimsley was taken to the hospital in Memphis on Thursday night. I have not been able to contact Ray so don't know about her condition at this time.

Seems almost everyone had company over the Easter Weekend. I can't begin to list them all but here is a few that I know of.

Harold and Mary Ruth White had all of their children home for Easter.

Woodroe and Ora Pearl Farris had their son, John from Las Vegas, and their daughter, Erma Young from Wichita Falls home for Easter. Erma and Ora Pearl attended the Quail Ex-student Ban-

quet on Saturday night. John and Woodroe stayed home and played dominos.

Blackie and Shirley Johnson had a visit from Blackie's sister and brother-in-law. They are Arthell and Velva Gibson from Pampa.

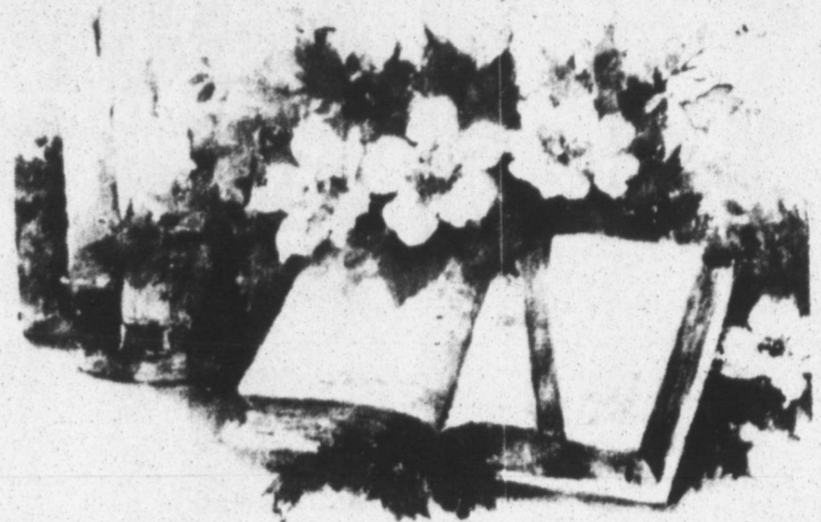

Opal Mann's son, Keith Mann from Austin, Texas visited with his mother over the weekend.

Gladys Howell had a visit from her son Gene, on Sunday. Gene is from Dallas.

Pauline Kaufman had lots of company on Easter Sunday. They were Ronnie, Wanda and Heather Knightstep, Jeanine Celey, Carrie Jackson and children, Jeremy, Jarrod, Joshua, Martha & Iman Crawford, Jerrod, Iman, Landon and Alex, Dorothea Crawford and Jane Taylor.

Celebrating Easter with V. T. and Opal McPherson were; Verlin and Bill McCracken of Pampa, Carolyn and James Kirkland of Amarillo, Sherri Rogers and Sasha Kaye of Amarillo, Kathy Richardson of Lawton, Oklahoma, Beverly Ray, Chris Ray and Gwyn Phillips, Becky Edmonson and Emily all of Springfield, Mo.. Everyone enjoyed great food and fellowship but most of all helping Emily and Gwyn find all the Easter eggs that the Easter Bunny brought. Jean Rowell, Dottie and Louie Bogue and Ray Steele have

### Hedley Senior Citizens News

by Nina Riddlespurger

been enjoying a visit from Toni Lynn Steele from Anchorage, Alaska. Toni is the daughter of Ray and granddaughter of Jean, Dottie and Louie. Toni is a senior at Diamond High School in Anchorage. She visited for a week and left to return to Alaska on Saturday.

Louie Bogue was admitted to St. Anthony's Hospital in Amarillo on Monday, March 27th. Louie has

pneumonia. Our prayers and best wishes to Louie for a complete and speedy recovery.

### Letter To The Editor

A letter from Cheryl Pickard appeared in the Press on March 22, 1989. That letter expressed a feeling that the Clarendon Press did not provide proper coverage concerning Hedley. Several comments concerned events at Hedley School. As superintendent of Hedley School, let me assure the Clarendon Press and the people of Donley County that the views expressed by Cheryl Pickard do not reflect the views of Hedley School.

The Clarendon Press has been a positive supporter of our school for the past several years. I cannot remember an instance when I submitted a news article that was not published. Our staff members are encouraged to submit worthwhile news articles concerning school events to the media. We realize that a rural newspaper does not have the resources or the employees to be everywhere. Thus, it is our responsibility to submit articles concerning events at our school.

Nina Riddlespurger makes weekly visits to our school to collect such articles. She works hard to see that Hedley is covered. But, it is our responsibility to provide her the information.

For the past few years, the Press has assisted our school in the publication of its yearbook. This assistance has saved the school hundreds of dollars.

I feel that the Clarendon Press provides us an excellent outlet to inform the community about our school. We will try harder to get complete school information to the Press. The Press has always been responsive to publishing school articles and it is certainly appreciated.

Sincerely,  
Glyndol Holland, Supt.  
Hedley CISD

Due to the cold-cold weather there were only 6 who attended the Musical on Monday night. Our musicians couldn't make it so we just had a nice visit. Hope the weather will cooperate and we can have a good musical next week.

There were 15 who played 84 on Tuesday night. Everyone had a very good time.

On Wednesday we had 5 who went on our grocery shopping trip. If you need to go to the grocery store or if you would like to send a list just contact Jean at the center and she will be glad to help you with this.

On Thursday evening we had 14 who played 84. We have also had a good group each afternoon playing dominos. If you like to play dominos, then come and join these folks each afternoon for a lot of fun.

Our exercise classes are going great. They are growing each day.

Come out and you will really enjoy these classes.

### Don Lemons Services Held

Don Allen Lemons, 54, of Amarillo, died Thursday, March 23, 1989.

Services will be at 10 a.m. Saturday, March 25, in Bible Baptist Temple with the Rev. Richard Martin, pastor, officiating. Graveside services will be at 3 p.m. Saturday in Citizens Cemetery in Clarendon by Boxwell Brothers of Amarillo.

Mr. Lemons was born in Brice and moved to Amarillo in 1981. He was a truck driver for Texas Industrial. He was married to Doris Webb in 1952 at Hollis, Oklahoma. He was a member of Bible Baptist Temple and was a 10-year member of XYL and N Square Dance Club.

Survivors include his wife, two sons, Allen Lemons of Iowa Park and Dale Lemons of Tulia; two brothers, Jerry Lemons of Hardenville, Missouri, and Jimmy Lemons of Brice; and five grandchildren.

Temp Cont'd from p. 1 ing only after the danger of a late frost is past and the soil has warmed to temperatures favorable to the intended crop.

Farmers also need to keep tuned to weather forecasts prior to planting. A sudden change in weather conditions following planting can be detrimental to the crop, particularly a cool, wet spell that can lower soil temperatures drastically.

Just when is it safe to plant what crop?

Average minimum temperatures (at the four-inch depth) for planting are as follows: corn, 50 degrees; sorghum, 55 degrees; cotton, 65 degrees; and soybeans, 70 degrees. "Minimum" rather than "average" temperatures should be used for rice and peanuts, with rice being 60 degrees and peanuts, 70 degrees.

**Neeley Named To All-Academic Basketball Team**

District 6-A basketball schools named an All-Academic team to honor those who participated in basketball and could meet the following criteria:

A. The student must have completed the season on a junior varsity or varsity team.

B. The student must be taking English I, II, III, IV or honors English, algebra I, algebra II or higher math, physical science, biology or higher science and any other courses; and must have received a semester grade of 90 or above in all courses taken the first semester of the current school year.

C. The school wishing to nominate students must send evidence of the first semester grades to the district chairman.

Curtis Neeley, a sophomore at Hedley High School, is one of four young men in the district to meet the qualifications. Curtis is the son of Mr. and Mrs. Cary Don Neeley of Quail. Curtis averaged 19 points and 11 rebounds per game for the 1988-1989 Owls. He is also involved in baseball, One Act Play, Future Farmers of America, and Sophomore Class Activities. Congratulations to Curtis.

**WHY DOES GOD LIKE HIS STEAK WELL DONE? OR WHY A BURNT OFFERING?**

by Jon Leggitt

A few days ago, the co-author of this column asked me why God required a burnt offering of the Children of Israel. I was tempted to answer too flippantly and too simplistically, "God told them to do it, and ours is not to question why." But the question was a serious one, and God never told us that we were forbidden to ask questions. So after a bit of thought, and after tossing several ideas around, we came up with these answers.

First, there are several passages in scripture that mention incense, and suggest that the prayers of His people rise heavenward like the smoke of the incense. Psalm 141:2 and Revelation 8:4 are two examples. Possibly the smoke from the offering would also be symbolic of those prayers.

Secondly, the sacrifice was to be burnt so that the offering could not be used for any other purpose. Again, using incense as a parallel, the Word specifically forbade the use of that preparation for any other purpose (Exodus 30:32-33). The incense, the oil, the sacrifice were God's, and God's alone.

In the third place, the burning flesh of the sacrifice would hardly have been the most pleasant of smells. The aroma of the sacrifice, plus the fact that the smoke from the altar rose continually (Exodus 29:38,42), should have reminded the worshiper that the expiation of sin was serious business. ". . . Without the shedding of blood is no remission" (Hebrews 9:22). "The wages of sin is death. . ." (Romans 6:23). In a word, sin stinks!

And that suggests a fourth reason—a very practical, down-to-earth reason—for the burnt offering: had the animal's body not been burned, a health hazard would have quickly developed.

Finally, the entire sacrificial system pointed to the perfect sacrifice of Jesus Christ. We use the expression "up in smoke" to indicate that something is completely gone. The smoke was an Old Testament picture of how completely our sins are taken away by God's grace. "As far as the east is from the west, so far hath He removed our transgressions from us" (Psalm 103:12).

La Jean Taylor was approved as Trustee Election judge.

The 1989-90 school calendar was discussed.

The following teachers were rehired for the 1989-90 school year: Bryan Hill, Sharon Wheatly, Janny Longan, Becky Hill, Hoss Pickard, Nancy Woodard, Linda Naylor, Sheila Wade, Andrea King, Lyndon Messer, Cheryl Pickard, Jon Leggitt, Terry Collins, and La Moss Lambert.

The Board accepted the resignation of Linda Naylor and hired Terri Lackey in her place for the 1989-90 school year.

The Board rehired the following other personnel: Nancy Mullins, Kay Talley, Jessie Alston, Brenda Walker, and Josi Andaverdi.

The Petty Cash Report was reviewed.

Mr. Hill and Mr. Holland presented administrative reports.

Current bills were paid and the meeting adjourned.

**Ruth Shanklin**

Ruth Shanklin, daughter of J.R. and Selma La Fon, both deceased, who were longtime residents of Clarendon, died March 17, 1989, in Albuquerque, New Mexico. She had lived in Albuquerque for 40 years. Ruth was born in Nemo, Texas, she graduated with a BA Degree in Primary Education from West Texas State College in Canyon, Texas. With an active teaching career, Ruth taught in a number of primary education curriculum. Her interest in education continued throughout her life as a member of the AAUW American Association of University Women, Sunday School teacher, and District Chairman of the Albuquerque Girl Scouts. Her Church and community activities included service as a Deaconess and Christian Education teacher at Emmanuel Presbyterian Church, Social Service through New Life Presbyterian Church of which she was a founding member and worked for meals on Wheels.

Her husband, John Shanklin, who died in 1986, was a longtime supporter of the New Mexico Council of the Navy League. The council recently selected Mrs. Shanklin as one of the first women admirals in the Rio Grande Navy.

Survivors are two daughters, Patricia Mastrandrea, her husband David and son Michael, of Berkeley, Calif., and Lina Shanklin and her husband, Bryan McLellan, of Los Angeles; sisters Roberta Currie Seastrand of Amarillo, Edna Beville of Bethesda, Md., and Bobbye Condron; and a brother, James LaFon.

Graveside services were held Monday, March 20 at the National Cemetery in Santa Fe.

# CLASSIFIED BUYING GUIDE

## Bradward on Classifieds 2

How can you handle "price" in your classified ad so your friends and neighbors will jamb your phone lines or flood your mailbox?

Classifieds are a gentle and quiet kind of announcements. They do not yell, neither do they scream.

You want to sell a used Chevrolet, or some other higher priced product or service.

Every classified you've ever seen simply says, "Chevrolet . . . \$1500."

Put this way, the price is hard, fixed, and cold. By adding just one word you can take all the sting out of "price." That word is "asking."

"Chevrolet . . . asking \$1500."

How fixed this price is, only you know. "Asking" simply means there may be an opportunity to "bargain."

Remember! Americans consider some bargaining as good sport. Nothing wrong with that.

What do you risk by adding "asking?" Nothing.

What did you gain by adding "asking?" Plenty. That word makes your prospective purchaser feel more equal in meeting you.

Okay. Adding "asking" is good, but it is not good enough.

Try this: "Chevrolet . . . asking \$1500. Terms? Let's talk."

Much better.

But we can still improve this classified ad.

Here's the best: "Chevrolet . . . asking \$1500. Terms? Call me. Let's talk. After 6:30 p.m. 000-0000."

That's it. As perfect a classified ad closing as you will ever read.

Yes, this great ad has eight more words. Yes, these powerful new words will cost another two or three dollars payable to your newspaper.

But if you seek qualified prospective purchasers, this may be the most rewarding little investment you ever make.

Think about it! A couple more dollars for some amazing words to increase your chances of success most wonderfully.

As for your friends and neighbors, you have given them a quiet and gentle classified announcement as big and cordial as the biggest WELCOME mat in your community.

Next time, all about what to say that will bring the most qualified persons in your community to work with you, all in the HELP WANTED classifieds.

VFW POST 7782 will meet at 7:00 p.m., 1st and 3rd Thursdays at the Community Center. 41 tfc
