## Annual Hedley Cotton Festival To Be Held Friday And Saturday

Two big days are coming up with large crowds expected for the Annual Hedley Cotton Festival Friday and Saturday. Both days are chock full of entertainment for residents of the Panhandle area.

The celebration will begin Friday morning with a breakfast in the Lions Den. The Festival opening will be at 10 a.m. with Flip Breedlove and the MC. Registration of Old Settlers will begin at 10 a.m. also in the Security State Bank committee room, and the Old Settlers program will be from 1 to 3 p.m. A barbecue will be featured in the Lions Den at noon, and also again at 6 p.m. Various other entertainment will be offered throughout the afternoon.

Saturday morning will be started off with another breakfast from 7 to 9 and the opening of festivities for the day at 10 o'clock. Kiddie Parade, Kachina Indian dancers and other entertainment will follow. Barbecue will again be served at noon.

The Grand Festival Parade will take place at 1:30 and is expected to be the best one yet. The awarding of the bale of cotton will be at 5 o'clock. Old Fiddlers Contest at 7:30 and the Queen Coronation at 8 p.m. in the high school.

Hedley has the welcome mat rolled out for everyone in this entire area, so make your plans to join our Hedley neighbors during the celebration.

## Lions Club To Sponsor Pancake Supper

The Lions Club will hold a pancake supper on the evening and night of the 25th of October. Flip Breedlove, chairman of the supper says that the club voted to start serving at 5:30 p.m. to 7:15 p.m. and then close for the football game and open again after the game and serve until customers stop eating. You can eat all the hot cakes you want before and after the football game for only 75 cents per person.

Lions will be selling tickets next week and you can see any member of the Clarendon club and get your tickets. The proceeds from this pancake supper will go into the Lions Club Fund for the Blind. The feed will be held at the local Lions Club Hall in Clarendon. Let's every one plan to let the wife rest from one meal and bring her to the Lions Hall for a big hotcake supper.

### OFFICIAL MEMORANDUM

By JOHN CONNALLY Governor of Texas

AUSTIN, TEXAS

#### GREETINGS:

On October 11 and 12, the people of Hedley, Texas, will hold a celebration of thanksgiving for their bountiful cotton crops.

This is the 12th Annual Hedley Cotton Festival, a unique event fully sanctioned by the National Cotton Council.

It is fitting that recognition be given this outstanding celebration.

THEREFORE, I, as Governor of Texas, do hereby designate Oct. 11 and 12, 1963, as

COTTON FESTIVAL DAYS in Texas in honor of the Hedley Cotton Festival.

In official recognition whereof, I hereby affix my signature, this 2nd day of Oct., 1963.

/s/ John Connally Governor of Texas

SEAL of the State of Texas.

## Mrs. Mollie Inmon Last Rites Held Wednesday

Mrs. Mollie Inmon, 88, a long time Donley County resident, died at 8 p.m. Monday in the Groom Memorial Hospital.

Funeral services were held at 2 p.m. Wednesday in the First Methodist Church at Groom with the pastor, Rev. M. W. Reynolds, officiating.

Mrs. Inmon was born October 30, 1874, at Myra, Texas. She was Mary Kansas Cobb before her marriage to Clay Inmon, October 20, 1904, at Myra. Mr. Inmon died October 6, 1953.

She moved with her family to Donley County in 1916 from Myra. She had been in ill health the past eight months. Mrs. Inmon was a member of the First Methodist Church at Groom.

Surviving are one son, Cecil Inmon of Clarendon; three sisters, Mrs. Beulah Mikel of Amarillo, Mrs. Lena Tucker and Mrs. Lillie Bagwell, both of Clarendon; eight grandchildren and 10 great-grandchildren.

One son, Ernest Inmon, died in 1961.

Pallbearers were Monroe Cobb, Wilbur Cobb, Harold Cobb, Ray Bagwell, Rupert Tucker and Rudolph Tucker, all nephews.

Interment was in the Claude Cemetery with arrangements directed by the Murphy Funeral Home.

## Donley 4-H Holds First Livestock Class

The Donley County 4-H Club met at the Tomie Potts Ranch on the morning of the 5th of October. Twenty-two 4-H members and some of the parents were present. County Agent Flip Breedlove discussed the showing of steers and how they were to be handled in the show ring. Tracy Sanders and Gene Floyd of Hedley had their steers present and put on a demonstration of showing steers in the show ring. Breedlove then used Tomie Potts' herd bull to discuss points to be looked for in judging of beef cattle. One class of four bulls and a class of three heifers was judged by the group. This was the first livestock coaching class held this fall by the club and more will be held at a later date.

Breedlove says that his livestock judging teams will compete where judging is offered in the various shows that his 4-H Club members attend with their steers. The shows will open up with Odessa Sand Hill Herford Show in early January.

Mr. Potts served refreshments to the entire group.

## Services Held Saturday For Mrs. Ida Whitt

Funeral services were held Saturday afternoon at the First Methodist Church for Mrs. Ida Jane Whitt with Rev. J. V. Patterson and Rev. Vernon Willard officiating. Burial was in Citizens Cemetery with arrangements under the direction of Lamb Funeral Home of McLean.

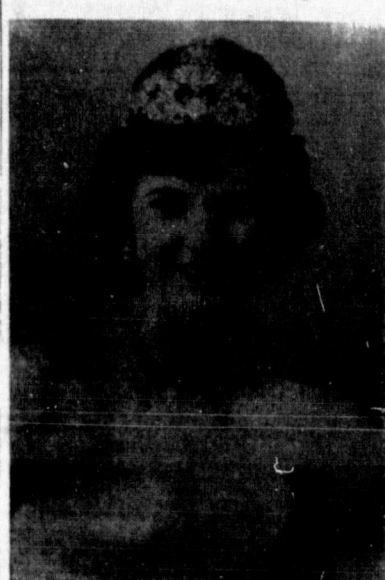

Mrs. Whitt, 76, died Thursday morning in Adair Hospital following a short illness. She was a retired school teacher and had been a resident of Donley County since 1929. She last taught school at Skelly near Dumas. She was a member of the Methodist Church and Woodmen's Circle.

Survivors include two daughters, Mrs. Lopez Hauck of McLean, Mrs. Charley Ann Scribner of Olton; three sisters, Mrs. Nora Scott of Paducah, Mrs. Jessie Melton of Grand Saline, Mrs. Lillie Parker of Dallas; one brother, Tom E. Long of Seminole; four grandchildren and one great-grandchild.

### PRACTICE SHOOT

It has been announced that a practice skeet and trap shoot will be held at the Clarendon Country Club Sunday afternoon beginning at 1:30 p.m. Ammunition will be available at the grounds. Anyone desiring to brush up on their shooting skill is invited to participate.

### COTTON FESTIVAL QUEEN

DOLORES MESSER CRUMP

Dolores Messer Crump will reign as Queen of the 12th Annual Hedley Cotton Festival this Friday and Saturday. She is the 18-year-old daughter of Mr. and Mrs. L. D. (Dudie) Messer of Route 1, Hedley. She is also a niece of our County Clerk P. C. Messer.

There are eight girls competing for her crown. The winner will be crowned at a beautiful Coronation Ceremony at the Hedley High School Auditorium at 8 p.m. Saturday night. Mrs. Don (Letha) Springer has charge of the program.

The Queen and queen contestants with other Festival Boosters were shown on a "Preview of the Festival Program" over television station KGNC on Cotton John's Farm and Home Show last Saturday afternoon.

The Festival will furnish two days and nights of almost continuous free entertainment and the midway and part of the exhibits and booths will be in operation from Thursday night on.

Hedley is all cleaned up and decorated in readiness for their annual thousands of Festival visitors.

## Last Rites For Jackie Lois Phelps Held Friday

Funeral services for Mrs. Jackie Lois Phelps, age 43 years, were held Friday, October 4, in the First Baptist Church, Clarendon, at 2:00 p.m. with Rev. W. B. Lawrence, pastor, officiating. Interment was in the Citizens Cemetery under the direction of the Murphy Funeral Home.

Mrs. Phelps died Wednesday, October 2, in the Northwest Texas Hospital in Amarillo, where she had been a patient for the past three weeks.

She was born January 9, 1920 in Farmersville, Texas, the daughter of Mr. and Mrs. Joe M. Howard. She was educated at Snyers, Texas and attended Texas Tech at Lubbock. On September 17, 1938, she was married to W. Harold Phelps in Lubbock, Texas. They moved to Clarendon in 1942. She was a member of the First Baptist Church.

Surviving are: her husband, W. Harold Phelps, Clarendon; her father, Joe M. Howard, Lubbock; two sisters Mrs. J. T. Porbes, O'Donnell, Texas and Mrs. Rex Willis, Snyers, Texas; two brothers, Marshall Howard, Littlefield and Billy Joe Howard, Lubbock.

Pallbearers were: Marvin Jones, Hall Hardin, John Knorpp, Shelby Bell, Paul Talley, and Bill Lowe.

## W. E. (BILL) RAY INJURED IN FALL

W. E. (Bill) Ray is recuperating at Adair Hospital from injuries received when he fell down a flight of stairs at Tunnell Pharmacy Monday. He received a broken right shoulder and a pulled muscle in his right leg. His many friends wish him a speedy recovery.

## Open House Slated At Fire Station Saturday

In observance of National Fire Prevention Week the local Fire Department will host an Open House at the fire station beginning at 7:00 p.m. on Saturday, October 12th. A Fire Prevention Parade will also be held on Saturday afternoon with the high school band and fire trucks making a run down main street as soon as the band can return from the Hedley Cotton Festival.

Features of the Open House will be films on fire prevention along with all the department's equipment on display and members of the department giving an explanation of their functions and uses at a fire. Free coffee and doughnuts will be served those attending and the firemen will pass out fire helmets, balloons and chewing gum to the children.

The winners of the poster contest among the 4th and 5th grades will be announced and the posters will be on display.

Tonight the firemen and their families will be enjoying a chili supper and card party at the fire station beginning at 7:30 p.m.

Fire Chief B. L. (Mutt) Graham has done a terrific job as chief of the local department this past year. In order that you might know the members of the department they are as follows: Chief, B. L. Graham; Asst. Chief, Lloyd McCord; Fire Marshal, George Green; President, Basil Smith; 1st Vice President, Delbert Robertson; 2nd Vice President, Hubert Kidd; Secretary-Treasurer, Richard Maxey; Chaplain, Paul Hancock; Hose Captain No. 1, Billy Jack Land; Hose Captain No. 2, Clyde Price; Truck Driver, Bob Anderson; Membership, B. C. Antrobus, Randall Choate, Ralph Hill, Roland Hill, Guy Mills, Bill Ridenour, Paul Schull, Bill Weatherly, Chauncey Hommel, Bob Kidd, Jack Clifford and J. L. Moreland.

Make your plans to go by the Fire Department Saturday evening and enjoy the fellowship with the local firemen, along with learning the functions of a department and tips on fire prevention.

## Have You?

Have you been wanting to discard those extra books (text-books, book club selections, etc.) from your library shelves ... ?

Have you been wanting to get rid of that box of books or that stack of magazines up in the attic or down in the basement ... ?

Have you heard someone say they wish they knew of some worthwhile place to give their books ... ?

These and many other ways can help the college meet the demand of increasing needs of library materials. With the College Library book drive in full swing, many books have been coming in the past weeks. All types of materials are needed to meet this increasing demand.

A special book plate has been designed to place with the name of each donor during this drive. Call 874-3552 during the day or 874-2249 at night or contact Dan Nutter, Library Director, arrangements will be made to pick up these materials.

## JR. HIGH COLTS TO PLAY WELLINGTON TONIGHT

The Clarendon Jr. High Colts will journey to Wellington tonight for their third conference game. Kick-off time will be 6:30 p.m.

The Colts were defeated last Thursday night by Canadian 38-12. Mac McClellan scored both touchdowns for the Colts.

### Weatherton Receives Prison Sentence Totaling 124 Years

Bonnie Ray Weatherton, colored, age 20, was found guilty by District Judge Luther Gribble in District Court Tuesday afternoon and was assessed a total of 124 years in prison on two separate charges. Weatherton pled guilty to both charges and waived trial by jury.

Weatherton was charged with assault with intent to rape and burglary of a private home at night. He was assessed 99 years on the first charge and 25 years on the second charge.

Weatherton was apprehended here the morning of August 30th and admitted entering the living quarters at the Coronado Courts and the home of Pete Borden.

## Capt. Wadsworth Shot Down In Viet Nam

Capt. Dean Wadsworth of Ballinger, Texas, and formerly of Clarendon, was reported to have been shot down in Viet Nam Monday and has been listed among 13 other military personnel as missing and presumed dead. Wadsworth was the pilot of a T-28 two-place fighter plane that was shot down along with two co-pilots.

Capt. Wadsworth was reared in Clarendon and attended the local schools. His mother, Mrs. D. F. Wadsworth lives at Ballinger. His wife, Barbara, resides with her parents at Cotulla.

## Aggies To Give Away Pair Of Cowboy Boots

The Clarendon Junior College Aggie Club will have tickets available soon for a pair of handmade cowboy boots which will be given away at the first college basketball game November 21st.

The major purpose is to raise money to support a livestock judging team that anticipates competing with other colleges in major contests such as the Houston Stock Show. The Club has potential personnel to judge with high hopes of gaining recognition for the local college.

Leader out-of-county rate \$4.50

The Clarendon Jaycees have been in training the past several weeks in preparation for the clash with Shamrock Jaycees in the local football stadium on Friday night. The Pot Bellies, the professional name for the local Jaycees, and the NoWinds, the professional name for the Shamrock club, was chosen for the way the clubs perform on the football field.

The Pot Bellies feature name players such as Big Train Payne, Soring Mooring, Billard Willard, The Horror Morrow, Good Balance Vallance, and many others in the backfield. The line has such famous men as Sleath Heath, Fatshaw Bradshaw, Hardwood Newhouse, Tall Boy Hill, Killer Kidd, Lightning Housden, Bigger Messer, Big Mo Hommel, No Mo Robertson, and others.

The Pot Bellies will use team substitution in order to outlast their opponents, if at all possible. The team has also developed many new plays which they plan to use, many of which you have never seen before and will probably never see again.

A halftime show will also be featured at the game, which you certainly will not want to miss. Game time will be 8:00 p.m. and the admission will be only 75c for adults and 50c for school children. The game will be played on the open date of the Bronchos in order that you might get to see football every Friday night during this season. It will be regulation football with the Jaycees playing good hard football and trying to win. They need the money for many of their worthwhile projects and they will be taking a lot of hard knocks. They promise that you will see a lot of good hard football along with a lot of laughs, so make your plans now to attend and support your local Jaycees.

Mr. and Mrs. A. O. Hott called on Mr. Jess Ivey and Mr. and Mrs. H. H. Shields Sunday afternoon.

Clay and Carolyn Harrison, son and daughter of Mr. and Mrs. Hawley A. Harrison, Jr., of Heyburn, Idaho, won several honors in the Minnedoka County Fair.

Carolyn won a red ribbon for quality and blue-ribbon for fitting and showmanship on her lamb, a blue ribbon for quality and a blue ribbon for fitting and showmanship on her pig, a red ribbon on her sewing project, a white ribbon on her cooking project, and qualified on her lamb in fitting and showmanship to go to the district fair. Clay fed and showed the grand champion fat barrow, won a blue ribbon on fitting and showmanship with his pig, won a blue ribbon for fitting and showmanship on his lamb and a red ribbon for quality. He also showed a gilt in the breeding gilt division and won a red ribbon on it; also won a trip to the Sawtooth 4-H Camp next summer for being top man in the under 14 age group in the county fair. Mr. and Mrs. Harrison have just returned from a two week visit and report the mountains were gorgeous in their fall colors.

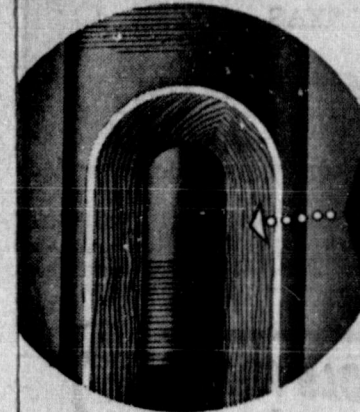

U.S. Senator Beall of Maryland says: "By some distorted logic the merit of a legislative session has come to be judged by the number of laws enacted. If these are numerous, Congress is thought to have done well; if the number of bills side-tracked is high, the session is deemed a failure. This misconception indicates that we have forgotten the whole theory of our form of government... The true measure of a Congress could very well be the measure of bad bills it refuses to pass."

# BLOWIN' Out the CORNERS

The following little poem came from Nancy Morchel's Column one that we make a habit borrowing from;

Grandpa took no vitamins; his bread was not enriched. He started, and he simply never switched. Grandpa ate the things he liked; his diet was all wrong. Poor grandpa died at eighty-nine, I hope I live as long.

To the above we might add our own bit of poetry; Grandpa smoked her pipe in peace, and dipped her snuff galore. Before she made this life's de-

mise, she'd chalked us ninety-four.

It does make one wonder what has happened. . . It did seem true that the corn-cob pipes and the roll-your-own days were not so risky as the filtered tips. . . Now it seems that only a quarter of a century of indulging in modern day filthy ludders and most everyone has a full set of ulcers. I remember one fellow who would roll his own in corn shucks.

We lived by a neighbor who kept his jug of better spirits on the mantle and nipped at it off and on throughout the day, especially at the beginning. . . Now it seems that only a few rounds of social swigging almost always converts a person into a problem drinker. As I remember it, the only problem our old neighbor had was keeping something in the jug. . . Reckon what has happened to the peoples pastime pacifiers? ? ? Some folks think the Communists have infiltrated even those things. . .

UNDERCOVER COMMUNICATIONS—U. S. Army soldiers of the 125th Signal Battalion, 25th Infantry Division, camouflage a communications vehicle in a jungle training maneuver during SEATO's Exercise DHANARAJATA in Thailand. From left to right are Pfc Clifford Love, New York City; Sfc Charles W. Fritchard, San Francisco; and Sp4 Alphonse Halmen, Tipton, Mo.

tell us that they wait until she is off the premises. . .

If your wife wants to drive don't stand in her way.

Joe Parham writes in the Macon, Georgia, Telegraph and News: "The U.S. Treasury borrows money at the going rate of four percent plus and lends it to REA at two percent. Result: you and I and umpteen-million other taxpayers make up the difference. The electric co-ops enjoy an income tax exemption (which private power companies do not enjoy) while their managers grow fatter, more sassy and

more powerful. In places this state of affairs would be called for strong action."

### ...not with Flameless Electric Heating!

Drafts are out... comfort is in... because electric house heating lets you wrap heat around each room — with separate room controls, too! And you can choose from a variety of built-ins—installed inconspicuously in baseboard floor, ceiling, or wall. Here's a treat for your budget, too; you save on installation because no flues or chimneys are needed. Annual operation costs for heating during the winter months in the territory served by WTU averages about 7¢ per square foot of living area in the home. Why not ask your electrical contractor or WTU to survey your home for flameless electric heat?

HEAT BETTER... ELECTRICALLY

AUSTIN, Texas — Gov. John Connally spiked increasing rumors of a "near future" special legislative session on congress-

ional redistricting and made clear that he plans to await the decision of a federal court on this touchy issue. In a specially-called press conference, the Governor also emphasized his support for poll tax repeal. He said "chaos" will result at the polls if the state constitutional amendment is rejected and the Federal amendment to ban the poll tax requirement for voting in presidential and congressional elections is ratified. Connally was in Washington this week to discuss U. S. financing of the screwworm eradication program, oil imports, forest lands around Toledo Bend Dam, the Jefferson County seawall project, and possibility of a national park in the Guadalupe Mountain Peak area.

He said that President Kennedy may come to Texas on or about November 21-22. Connally indicated no surprise at a recent statewide Belden poll which showed that 61 per cent of the voters interviewed approved of the way he is running his office. That's an increase of seven per cent since May. Survey revealed that Mexican-American, Negro and labor representatives liked the Governor by about the same percentage as other voters. REDISTRICTING SUIT HEARD — A federal court took under advisement a Republican group's suit for Texas congressional reapportionment. Suit alleges discrimination against big cities in present representation. Atty. Gen. Waggoner Carr argued that the U. S. Supreme Court has furnished the Legislature no real guidelines for carving out new districts. Rep. Menton Murray of Harlingen, chairman of the House Committee on Congressional and Legislative Districts, testified

that this was a key factor in the Legislature's failure to re-district this year. AWAIT FEDERAL ACTION — Carr told newsmen he plans to take speedy action to enforce the Texas Communist registration law after the federal government winds up its present proceedings against John W. Stanford Jr. of San Antonio. U. S. Subversive Activities Control Board held lengthy hearings on alleged-Communist Stanford's activities at the request of U.S. Atty. Gen. Robert Kennedy. Stanford refused to register under either State or Federal Communist control laws. Recently he wrote President Kennedy: "The government has no business telling me what my politics should be." LAW ENFORCEMENT CONFERENCE — Hundreds of local prosecutors, sheriffs, judges and policemen met here for the 13th annual attorney general's law enforcement conference. Speakers included Carr; Dist. Atty. Alton R. Griffin, 72nd ju-

dicial district; Gaines Co. Judge Charles E. Lawrence; Dawson Co. Sheriff Henry C. Mayfield; Washington Atty. Gen. John J. O'Connell; Midland Co. Atty. Harrell Moore; Harris Co. D. A. Frank Briscoe; Runnels Co. Judge W. H. Ramey; Gray Co. Sheriff R. H. (Rufe) Jordan; Dallas Co. D. A. Henry Wade; State Atty. Leon Douglas of Vernon; Dist. Atty. Bill W. Waters of Pampa; State Sen. Ralph Hall of Rockwall; Assistant Atty. Gen. J. C. Davis; and Federal Judge John R. Brown of Houston. TRIBUTE TO GARRISON — Col. Homer Garrison Jr., received a surprise tribute on his 25th anniversary as director of the Texas Department of Public Safety. Said Sec. of State Crawford C. Martin, representing the Governor at the program honoring Garrison: "It is a tremendous job protecting the lives and property of the people of Texas. We Texans are very fortunate in having a tremendous man to do the job over the past quarter of a century." CRISIS PERIOD AHEAD — Following a meeting of leaders in the screwworm program, Dolph Briscoe Jr. of Uvalde, predicted the eradication drive will face perhaps its most crucial test within the next 30 to 60 days. Screwworm cases were reported in the Big Ben area, Wilson, Kinney, Medina, Bandera, Dimmit, Maverick, Edwards, Frio, Val Verde and Zavala counties. Program leaders called for early drops of more sterile flies in the areas hardest hit. Also establishment of a federally-financed "barrier" zone 200 miles deep into Mexico to block continued migrations of screwworm flies across the border. DISASTER AREAS PROCLAIMED — President Kennedy notified Governor Connally that he has declared the zone hit by Hurricane Cindy on September 16 as a "major disaster" area. He also advised that damages are being surveyed by federal government representatives to determine assistance requirements. President Kennedy pledged "all possible assistance in the rehabilitation of the area." NEW APPOINTMENTS — Governor's Committee on Eradication of Tuberculosis in Texas, headed by Dr. Charles A. LeMaistre of Woodlawn Hospital, Dallas, has been appointed by Governor Connally. He also reappointed Louis A. Scott, El Paso attorney as Rio Grande Compact Commissioner and J. C. Wilson, Pecos rancher, as Pecos River Compact Commissioner. Jack Valenti, Houston advertising man, was picked by the University of Houston Board of Regents as its representative on the Committee of the Governing Boards of State Colleges and Universities. VACANCY CLAIM — Guerry Strong of Austin contends that a land "vacancy" exists in Victoria County. However, his claim has been turned down by land Commissioner Jerry Sadler. So Strong will file suit in Victoria County within 90 days, seeking to have some 6,300 acres of land declared the property of the public school fund, instead of private owners. Since the land involved contains much oil and gas production companies with interests in the area. Strong has filed another claim in Hidalgo County on a long, thin stretch of land which has 1,800 landowners. Should Strong be successful, the "good faith claimants" will have the right to buy back the land they thought they owned, at a price to be set by Sadler. Strong will get one-sixteenth of the oil and gas, and the school fund will get the rest of the royalty. STOCK ISSUES MOUNT HIGH — State Securities Commissioner William M. King says August permits for issuing stock in Texas exceeded the July figure by \$2,500,000. Total reached was \$19,499,357. Big push for state-based securities sales brought the fiscal 1963 total of securities authorized by the state board to \$2,500,000. HEALTH REPORT — Only 49 cases of polio had been reported to the State Health Department by mid-month. Venereal disease is on the upswing in Texas. By September 14, a total of 21,405 cases of gonorrhea had been reported, compared to 1962's high of 20,086. Syphilis cases totaled 4,156, compared to 3,562 at this point last year. THORNBERRY RESIGNS —

Tenth District Congressman Homer Thornberry of Austin has resigned. Effective date is Dec. 20. Thornberry is to become a federal district judge in El Paso. Voters will select a new congressman on Nov. 9. That's the day Texans vote on the four proposed constitutional amendments. Immediately following Thornberry's resignation, J. J. (Jake) Pickle of Austin resigned his post on the Texas Employment Commission and announced as a candidate for Congress. Pickle, 49, was appointed by Gov. Price Daniel to a five year term on the TEC in January of 1961. He has been active in Democratic circles since his graduation from the University of Texas in 1938. Rep Jack Ritter Jr. of Austin announced for the post several weeks ago when Thornberry first indicated he might resign. OGALLALA — A vast underground water reservoir, which supplies irrigation and municipal water for all or part of 48 counties in West Texas, was the subject of a two-day hearing before the Texas Water Pollution Control Board. Water districts in the area from Dalhart to Odessa asked the board to outlaw the use of open, unlined salt-water disposal pits by oil and gas operators. Their experts contend that the salt seeps into the underground formation, contaminating the water. Oilmen were concerned that the Pollution Control Board might set up regulations for the use of salt water disposal wells which would replace the pits as a means of getting rid of the water. They want supervision of their operations to remain under the Railroad Commission. Board delayed hearing until November 20, to give the oil industry time to make suggestions for curing the problem. Short Snorts Secretary of State Crawford Martin warns that Texas Automobile clubs which continue to operate without the new State Certificate of Authority will be turned over to the attorney general soon. First enrollment period for "Over 65" health insurance is October 1-31. Governor Connally called attention to the program with a special proclamation. House General Investigating Committee took its first look at allegations of faulty construction in nursing homes for the aged. Governor's Committee on Aging will move "to eliminate whatever weaknesses may exist in present regulations and codes for construction of nursing homes after its own study" says Chairman Walter Richter, State Senator from Gonzales. Applications to establish new banks in Nacogdoches (Fredonia State Bank) and Paris (Citizens State Bank) have been approved by the State Banking Board.

## PATCHING CLUB HOUSE IS SCENE OF LES BEAUX ARTS CLUB MEETING

Les Beaux Arts Club met at the Patching Club House Friday, Oct. 4th. The meeting was called to order by the Vice-President, Miss Mable Mongole.

The speaker was Mrs. Harold Lindsey of Berger who gave the "Purpose and Function of the Federation of Women." The purpose of club work is to learn and serve. Motto is "Unity and Diversity."

She stated that all resolutions made at the Federation conventions are sent to the State or Federal Government Legislature and then an all out effort is made to have these resolutions made into laws. Here are examples of a few:

Right of women to vote; the Child Labor Law; Pure Food and Drug Law; State and National Parks; Safety Driving Laws; Establishment of State Colleges and Universities.

At the present, the women are concentrating on a law to purify the water from detergents. They hope to get a law passed on the amount of suds a detergent can make. They are also lending a helping hand to the women in underdeveloped countries to get clubs established to help their countries progress.

Hostesses were Mrs. C. G. Stricklin and Mrs. C. T. McMurry. — Rep.

Refreshments were served to Bradis Ballew, Laura Ivey, Clara Mae Carter, Eunice Mann, Ethel Dingler, by the hostess.

The next club meeting will be October 10 with Bradis Ballew as hostess. Bring needle work.

## DELTA KAPPA GAMMA REGIONAL MEETING TO BE HELD IN MEMPHIS

"Delta Kappa Gamma on the Move" will be the theme for a regional meeting of Delta Kappa Gamma Society, international organization of women teachers, at Memphis High School, Memphis, on Saturday, October 12.

Gamma Kappa Chapter will be hostess chapter to this regional meeting which is one of 18 conducted throughout Texas in October and November. Director of the meeting, representing Alpha State, will be Dr. Lola Beth Green of Lubbock, chairman of the committee on Scholarships.

Chapter presidents will meet Friday evening. Registration and a coffee will open the day's program at 9 a.m. Saturday morning. The general session will begin at 9:30 a.m. Clarendon members will have charge of the coffee with Mrs. Lucile Naylor serving as chairman. Mrs. Velma Weaver will assist Mrs. Faye Gilbreath in pouring.

An interesting program has been planned with various chapters taking part. The meeting will conclude with a luncheon in Travis School Cafetorium.

## GIRL SCOUT TROOP 186

Mrs. Kenneth Vaughan called a meeting of Girl Scout Troop 186 Wednesday afternoon of last week. Seven eighth graders joined our troop.

We now have three patrols in our troop and have a leader and assistant leader for each patrol. Leaders and assistant leaders are: Patrol 1, Susan McAnear, Janie Noble; Patrol 2, Carol Chamberlain, Sherol Shelton; Patrol 3, Lanita Fedric, Donna Bennett.

A Court of Honor was held after the meeting and a recorder and finance manager for each patrol decided upon.

Anyone in the 7th through the 9th grade interested in joining the Troop is invited to come to the Episcopal Parish House from 4 to 5:30 p.m. on Wednesday afternoons or contact Mrs. Jack Hall or Mrs. Kenneth Vaughan.

## 1963 STATE FAIR FASHIONS

Among the 35 new fashions to be shown in Dallas at the seventh annual Sewing Fashion Festival at the 1963 State Fair of Texas, October 5 through 20, will be coat and dress ensembles for day and evening wear. On the left, Singer shows a pencil slim crepe sheath dress made from Vogue Pattern #1269 topped with a glittering coat of Matelasse. Both fabrics from American Silk Mills. The dress was applied on the Slant-O-Matic by Singer; at the right, a handsome coat with scarf is made of sand color Kaplan Mohair Loop from Simplicity Pattern #5148. This coat is worn over a Cantoni Suede Cloth jumper with blouse of American Silk Mills Silkalore from Simplicity Pattern #5140.

**Braniff Announces Winners Of Trips**

Mrs. William S. Greene, of Clarendon, and Bob Simmons, 1631 Bellaire, Amarillo, were announced Monday as the district winners in "Holiday in Mexico Sweepstakes" of Braniff International Airways.

Braniff District Manager Don E. Schomburg announced the winners in the Amarillo Chamber of Commerce office of Don Hileman, executive director of the chamber.

The two winners will receive seven-day tours to Mexico City, Taxco and Acapulco with transportation to Mexico via Braniff El Dorado Super Jet. Other arrangements include hotel accommodations and sightseeing tours.

These trips are presented by the Mexican National Council of Tourism. Travel must be made between November 1st and December 10th, 1963, or between April 6th and June 20th, 1964.

The Mexico Holiday Sweepstakes Contest was a free entry contest of signing one's name to an entry blank. It has no connection with the Mexican National Sweepstakes.

Mrs. Greene was prompted to enter the contest by a Braniff advertisement in the Amarillo Globe-Times. She secured her entry blank at the Universal Travel Service at 315 Polk Street, Amarillo, Texas.

Mrs. Olace Hicks returned home Oct. 2nd from a two weeks visit in Heyburn, Idaho, with her daughter and family, Mr. and Mrs. Dennis Harrison. While there she got acquainted with her new granddaughter, Anna Camille.

Mr. and Mrs. A. M. Moss, Mr. and Mrs. Clarence Moss and Shirley, Mr. and Mrs. Harold Gerner, Johnny and Rickey, Mrs. Patsy Hill, Tony and Teresa, and Mr. and Mrs. J. D. Moss of Borger enjoyed a family reunion at Lake McClellan Sunday.

Miss Oneta Russell of Sweetwater was a guest Wednesday night in the home of Mr. and Mrs. Otis Naylor.

**GRASSROOTS OPINION**

CLAYTON, N.M., LEADER:

"The founding fathers recognized government as citizens' biggest enemy. In order to keep the monster whittled down to size, they limited government's powers and growth with a Constitution. What has happened since? Federal government is now: The largest electric power producer—the largest lender and borrower—the largest landlord—the largest owner of grazing land—the largest holder of timberland—the largest shipowner—the largest truck fleet operator—the largest warehouse—the largest employer—in the nation. In fact, with only one exception, Soviet Russia, the United States government is the largest property holder in the world. The major part of this mushrooming growth of Federal bureaucracy has been made without Constitutional authority."

May we express our sincere appreciation to the many friends and neighbors who showed us such kindness and love during our recent time of sorrow. We will always remember your material and spiritual aid at this time.

**VERSATILE COMBAT TRACTOR FOR ENGINEERS** — Two experimental "Universal Engineer Tractors" undergo tests at Fort Belvoir, Va. As well as serving as bulldozer, grader, scraper, dump truck, prime mover and cargo carrier, the machine can carry a squad of combat engineers over rough terrain at speeds up to 30 MPH. The U. S. Army Mobility Command's Engineer Research and Development Laboratories have awarded the International Harvester Company a contract to produce six more experimental models for testing in the field.

The specialist points out that the present and foreseeable consumption of radiostrontium in milk and other foods is well below the level considered by the Federal Radiation Council to be acceptable for a lifetime. However, there is a need for a stand-by decontamination process that would also maintain the nutritive value, wholesomeness, flavor and sanitary quality of our milk supply in the event of an emergency, he explains.

The process, now in pilot-plant operation, will be evaluated by the Missouri Producer Creamery Company under contract to the USDA and the Department of Health, Education and Welfare. The Company will determine the commercial feasibility of the radiostrontium removal process and work out details for its operation on an industrial-scale basis, says Meekma.

Work was begun on the process three years ago at the Agricultural Research Center, Beltsville, Maryland, according to the specialist. He adds that these pilot operations have demonstrated that more than 90 per cent of the radioactive strontium can be removed from the milk by the process.

The purpose of the commercial evaluation is to scale up the operation from a rate of 850 pounds of milk per hour to approximately 12,500 pounds per hour, and to determine if the process can be used in the average dairy plant, stated Meekma.

b. It again covers corn, grain sorghum and barley in a combined base.

c. Participating farmers may again qualify for diverted-acre payments and a price-support combination of loans and supplemental payments-in-kind.

In other respects, however, the 1964 program is an improvement over the 1963 program.

a. The maximum feed grain acreage which an individual producer may divert has been raised to 50 percent (from 40 percent) of the base.

b. The average payment rate per acre for diverting 40 percent or more also will be substantially higher than in 1963.

The diversion payment rate per acre will be based on the normal yield for the farm, the county price-support rate, and the percentage of the feed grain base that is diverted to conservation uses.

The diversion payment will be computed this way:

1. **Smallest** — If only 20 percent of the base is diverted, the payment will be computed by multiplying the number of diverted acres times the normal yield times one-fifth of the county price support rate for such crop.

2. **Middle Range** — For diversion between 20 and 40 percent of the base acreage for the farm, the payment for this part of the diversion will be computed by multiplying the normal yield times the number of acres diverted times one-half the county price support rate for such crop. Payment for this additional diversion will be added to the payment for the minimum 20 percent diversion.

3. **Largest** — For farms on which the diversion is 40 percent or more, the entire payment will be computed by multiplying the normal yield for the farm times the number of acres diverted times one-half the county

price support rate. The largest number of acres on which this payment can be made is the larger of 50 percent of the feed grain base of 25 acres. For these farms, there will be one payment rate per acre for all acreage diverted-based on one half the county price support rate.

A new provision of law for determining average yields for computing payments require that county and farm yields for the 1964 program will be based on a 4 year average - 1959 through 1962. A 2 year average of 1959 and 1960 was used in previous feed grain programs.

Additional details on this program will be made available to feed grain producers before sign-up period, which is planned for early 1964.

## Release of Diverted Acres

The diverted acres was released October 1, 1963 for grazing purposes only. YOU MAY NOT HARVEST A CROP FROM YOUR DIVERTED ACRES WITHOUT PRIOR APPROVAL OF THE COUNTY COMMITTEE AND A REDUCTION OF PAYMENT.

## LEE JOHNSON NAMED JAYCEE OF THE MONTH

The Executive Board of the Clarendon Jaycees have named Lee Johnson as Jaycee of the Month for the month of September. Lee who is employed by the Texas Highway Patrol was the Director in Charge of the Jaycee Labor Day Hospitality Booth. He was selected because of his enthusiastic attitude in all phases of Jaycees. Lee has helped in almost every Jaycee project since becoming a member, and has good attendance at the Jaycee meetings. He was elected as director to replace the director which was in charge of community development, and will be serving in this capacity the remainder of this Jaycee year.

## Bronchos Beat Groom Tigers, 7-6, Friday

By Rod Stone, Staff Reporter

Smarting from four straight losses, the Clarendon Bronchos beat the Groom Tigers in a thrilling exhibition of football in Broncho Stadium Friday night. The Bronchos were plagued with fumbles throughout the game, but were able to come out on top in the scoring column. The Bronchos defense was relatively stronger than in previous games this season as the Groom Tigers gained only five first downs in the entire game.

Despite numerous fumbles by both teams, neither was able to reach paydirt in the first half, although serious threats were made by both teams. The Bronchos pushed the Groom defense back to the Groom 10 yard line, but the scoring threat was ended when Groom recovered a Broncho fumble. The Groom Tigers received a first down on the Broncho 12 yard line, and were unable to gain an inch against the Broncho linemen.

After receiving the kick off to begin the second half the Bronchos marched down field picking up three first downs before scoring six points. The touchdown was set up when the Bronchos gained 20 yards on a pitchout from Broncho quarterback, David Mooring to fullback Ted Graham. After being stopped three successive times on the one yard line the Bronchos reached paydirt as fullback Granam ran through the left side of the Groom defense. Graham hit the uprights for the extra point.

Capitalizing on a Broncho fumble on the Broncho 20 yard line the Groom Tigers scored their only touchdown of the game in the fourth quarter as halfback Jerry Quirk reached paydirt from the one yard line. The

## FASHIONS FOR EVENING AT 1963 STATE FAIR

This fall you'll compliment your hostess by "dressing" for dinner. From left to right are pictured three fashion highlights of the seventh annual Sewing Fashion Festival with its exciting preview of 35 new fall fashions shown daily at the 1963 State Fair of Texas in Dallas, October 5 through 20. At the left is shown an over dress of Gottschalk Brocade lined with American Silk Mills Peau d'Or topping slim tapered pants of Cantoni Velveteen made from Vogue Pattern #1220. The soft shaping and the wide curving of

the neckline are news. Pictured in the center is a design which brings into focus the new sportive look for evening wear, the skirt, blouse and pull-over ensemble. Made from McCall's Pattern #7069, the skirt of Kaplan's Mohair Loop in turquoise is topped by an aqua silk blouse with Glade Green overblouse of velveteen. On the right Butterick Pattern #3488 fashions a patio dress with Empire waist and flowing skirt made of Rosewood's Pussy Willow in a flower garden print.

Tigers' bid for extra points failed as the Tigers' Keith Black was hit hard at the line of scrimmage. The Broncho "B" team and the Wellington Skyrockets "B" team engaged in a scoreless duel in Broncho Stadium last Thursday night. Neither team was able to conquer the opposing defense as the final score was 0-0.
