National Boy Scout Week Being Observed Here This Week

National Boy Scout Week, February 7-13, is being observed by all units of Scouting here in Clarendon. Several special events have been scheduled for this week.

At a troop meeting of Troop No. 33 Monday night, year pins were awarded to qualifying boys.

Cub Scouts Blue and Gold banquet was held Tuesday night in the school cafeteria with 183 people present. Mr. David Agnew, Scout Executive of the Comanche District, was guest speaker for the occasion.

The twelfth point of the Scout Law is "A Scout is Reverent." All Scout units will attend Sunday morning services on Scout Sunday, February 13th.

Boy Scouts of Troop No. 33 have prepared a window display at the City Gas Co. in observance of Boy Scout Week and the public is extended a cordial invitation to stop by the Gas office and view their work.

Bulldogs To Play Top Teams Here Tonight

One of the finest basketball teams in junior college today will invade Clarendon College tonight (Thursday) when the powerful Cameron College (Okla) cagers pay the Bulldogs a visit.

Cameron has lost only one game this season and that was to Dallas Baptist and Cameron avenged that defeat in fine fashion later in the season.

Rated either No. 1 or No. 2 this season, Cameron is a choice pick to march to the national finals in March where they could take home all the marbles.

Cameron has everything necessary to produce a possible national championship: speed, ability, height and an excellent defense.

Clarendon will have their hands full against Cameron as coach Lawrence Overcast said Wednesday, "Cameron has one of the finest cage teams I have ever had the pleasure, or displeasure to see. We are going to have to play excellent ball to even stay in the same gym with them."

"The Bulldogs have been working out hard for this one and we are going to do our best."

Clarendon lost to Odessa College last Tuesday and will host Howard County in Bulldog Gym Saturday night.

Special guests of the college today will be the members of the Chamber of Commerce, Jaycees, and Jaycee-Ettes.

The special guests for the Howard County game will be members and leaders of the Boy Scouts and Girl Scouts.

PHI BETA LAMBDA TO VISIT LOCAL BUSINESS FIRMS

Members of Phi Beta Lambda (Future-Business Leaders) from Clarendon College plan to visit area merchants in Clarendon and Hedley during the week of February 14, 15, and 16.

The purpose of the visit is to become better acquainted with businessmen and their firms and to promote a close relationship between educational and business interests.

PENTECOSTAL CHURCH SCHEDULES YOUTH RALLY

The United Pentecostal Church of Clarendon will host a district Youth Rally Friday night, February 11, at the local Church. Meeting time has been set for 7:30 p.m. The public is extended a cordial invitation to attend.

CHS Cagers Defeat McLean and Canadian

CHS basketball teams, both boys and girls, hosted McLean teams in games at the local gym Friday night and came out victorious in each game.

The boys' game started slow with a first quarter score of 5-2. Clarendon stretched their lead to 22-7 by halftime, 33-13 at the close of the third quarter, and a final tally of 51-18. Archie Smith hit the basket for 17 points, Odell Louis 12, David Moring 8, Larnce Gardner 6, and Richard Thornberry 4.

High point man for McLean was Jime Hester with 7 points.

Clarendon girls trailed the first quarter by a score of 7-11 and at halftime by 20-23. They managed to overtake their foes in the third quarter 34-30 and won the game on a close 3 point margin with a score of 43-40. Sandra Longan paced the local team with 18 points, Cheryl Fedric with 16, and Judy McAnear hit the basket for 26 points to lead the scoring for McLean.

Tuesday night of this week the local teams journeyed to Canadian where the Clarendon boys won their game by a final score of 67-51. By quarters the scoring stood at 13-10, 29-24, and 47-32. Archie Smith was high point man racking up 42 points for the local group. He was followed by David Moring with 8, Odell Louis 7, and Irvin Mears 4.

Tony Stienle hit the basket for 16 points for Canadian.

The Clarendon girls were able to maintain a lead over the Canadian team throughout the entire game reaching a total of 11-4 in the first quarter, 29-15 in the second quarter, 37-32 in the third quarter, and a final tally of 50-39. Cheryl Fedric set the pace for Clarendon with 19 points; Judy McAnear and Sandra Longan hit for 12 each; and Sue Hill hit for 5.

Susie Owens was high point girl for Canadian with 21 points.

Clarendon remains in the Number One position in district play but must win games with Wellington at the local gym Friday night to cinch District; if not, they will be forced into a play-off with Wellington. Clarendon boys and girls hold a district record of 7-1 and the Wellington teams have a 6-2 record. Game time Friday night is 6:30 p.m.

Tuesday night, February 15, CHS cagers will host Canadian teams in the local gym. Game time will be 6:30 p.m.

ORGANIZATIONS TO BE HONORED AT CC

Several Clarendon civic and service organizations will be honored guests of Clarendon College tonight (Thursday) at the Bulldog-Cameron College basketball game, it was announced Wednesday by Lawrence Overcast, Athletic Director for Clarendon College.

Those honored will be the members of the Clarendon Chamber of Commerce and their wives and the Clarendon Jaycees and Jaycee-Ettes.

On Saturday, the Bulldogs will meet Howard County and special guests will be the Clarendon Boy Scouts, Girl Scouts and their leaders.

Cameron College is ranked the best in the nation among junior colleges by the National Junior College Ranking Board. They have been in a race for the top spot in the nation with an Iowa team.

Howard County is always one of the better teams in Texas and this year is no exception.

"We are pleased to be able to honor the different civic and service organizations in Clarendon at these two games," said Overcast. "They have done much for Clarendon College during the past years and it will give us much pleasure to have them as our guests," he added.

FARM NEWS

from County ASCS Committee

LISTING AND CHISELING If you have an approval for listing or chiseling, and have completed the practice, please return the Form ACP-245 mailed to you previously to this office at once.

Because of the bad weather, most of you have not had an opportunity to get your listing or chiseling done. In all probability, the County Committee will give a general extension of time for completing and reporting this practice. If this is done, you will be notified by letter at a later date.

ADVANCE PAYMENTS

Upland cotton and feed grain farmers who take part in the 1966 programs may receive in advance half of the estimated diversion payments to be earned. The advance payment will be made at the time of signing up or as soon as possible after that time. Time provision of the program should be of substantial benefit to growers who can use some extra ready cash during the spring planting season. The program sign-up is now in progress and will continue through March 31.

This year, filing a sign-up application form is necessary for all cotton farm operators who wish to qualify for any of the program benefits. This applies to operators on "small farms" as well as the larger ones.

By taking part in the 1966 cotton program, farmers may qualify for price support loans and extra price support in the form of payments as well as for diversion payments.

MEDICARE INFORMATION Senior citizens, 65 years and over, have until March 31st, 1966, to decide whether or not they will register for medicare through their social security.

All Donley County senior citizens may contact their social security representative at the court house on February 23, March 9, or March 23, for more specific information.

Carl Ray Snyder Found Dead Saturday Under Red River Bridge

Carl Ray (Jasper) Snyder, age 34, who was reported missing Thursday morning, was found dead on an ice bank near his auto under the Salt Fork Red River bridge north of Clarendon Saturday afternoon. His body and wrecked car were discovered by a group of Clarendon youngsters. He had been dead since Thursday morning.

Mr. Snyder, a ranch hand, was employed on the Richard Adams Ranch west of Silverton. He was born October 26, 1931 in Canadian and had worked on ranches for Mr. Richard Adams south of Clarendon, at Sunray, and near Silverton.

Funeral services were held Monday afternoon in the Stickley Funeral Home Chapel at Canadian with burial there. Local arrangements were under the direction of Murphy Funeral Home.

Surviving are his wife, Sharon Wright Snyder of the home; two daughters, Lena Ann and Eddie Lee, also of the home; parents, Mr. and Mrs. Carl W. Snyder of Canadian; a sister, Mrs. Laura Lee Dickenson and a brother, James H. Snyder, both of Canadian.

Mrs. Carl Bennett visited last week with her daughter and family, Mr. and Mrs. Bill Graham and Pat at Seymour. Pat accompanied her home for a few days visit.

Byrd Adkins and his sister, Mrs. Carl Pittman, visited their uncle Milton Adkins at Crowell last Thursday. Mr. Adkins is recovering from a stroke.

Mrs. Ellen Bryan In Charge Of County School Supt. Office

The Donley County Commissioners Court met in called session Tuesday morning and named Mrs. Ellen Bryan to supervise the office functions of the Donley County Superintendent's office following the death of Miss Ruth Richerson January 30th. Mrs. Bryan, who has been assistant to Miss Richerson for a long number of years, will take care of the office until a County Superintendent is appointed in May or June following the Democratic Primary elections.

The County Board of School Trustees met in called session Monday morning to make necessary arrangements for normal operation of the office.

The importance of the County School Superintendent's office was discussed and reaffirmed by the group. "This office can be of great value to our county schools in the future" the trustees agreed. It was pointed out by the group that the salaries, functions etc. of the Superintendent's office are paid entirely by the state and that no local tax money was being used. If this office should be abolished, the money would remain in Austin to be distributed elsewhere with our county schools receiving no benefit from the money and we would lose the benefits available thru operation of the county office.

FIVE NEW C OF C DIRECTORS NAMED

Five new directors have been elected to three year terms on the Board of directors of the Clarendon Chamber of Commerce.

The new directors are Dr. George Smith, Richard Tunnell, Ronald Gooch, J. G. McAnear and Bright Newhouse. At the next regular meeting of the board on February 14, the directors will elect new officers for 1966-67 and begins plans for the annual banquet.

BAIN'S RESTAURANT TO OPEN FRIDAY

After making their home in Claude the past six years, Mr. and Mrs. Olin Bain have moved back to Clarendon and have leased the Cafe formerly operated as the Dixie Cafe in the Hommel Mobil Service Station building.

Martha and Olin plan to have their restaurant open for regular business Friday. Turn to their advertisement in this issue of the Leader for full details.

PROPER PAPERS NECESSARY TO REGISTER CARS

Clerks in the Tax Assessor-Collector's office report only 41 vehicles registered through Friday of last week. Several desiring to register cars and etc have not been able to do so at the time due to the fact that they did not have the proper papers necessary for registration.

Persons registering vehicles of any type must have with them title to the vehicle and the 1965 license receipt. Hunt these papers up and take them with you to the tax office. It will save time for both you and office personnel.

Jaci and Monty Johnson of Dimmitt, and Kem and Karla Jordon of Amarillo spent the week end with their grandparents, Mr. and Mrs. Carl Pittman.

Political Pot Begins To Churn As Filing Deadline Ends Monday Nite

NEWS FROM CITY HALL

by R. L. Gilkey, Mayor

Extreme weather of last week has caused a great number of frozen water mains. Some of which have not been thawed as yet. Many of these will burst when the ice melts. Be sure that we know if you are one of those with frozen water mains. Other city maintenance will be done as time permits but having water is most important.

January was a good month. Income was \$10,616.65. Expenses were \$9,180.62 which included \$1,500.00 budgeted to the fire department toward the purchase of their new utility van. Current taxes collected were \$5,125.14, and delinquent taxes collected were \$536.75. The bank balance was \$3,238.60. February, however, will be more costly. Our city crews worked Saturday and Sunday thawing water mains. Our income will be limited to minimum water bill only. So expect the difference next month.

In the last city council meeting, the aldermen voted to table the proposal to add a garbage and trash pickup fee to our monthly water bill. Their reason: next month's water reading will be greater for most of us, and trash and garbage is at a minimum in the months of January and February. It seems unlikely that this additional dollar will be added until March or later when the cost of trash and garbage pickup will be greater.

Find a copy of Feb. 14 U. S. News and World Report. Read the last page. It is titled "I Am The Tired American". Never in one brief page has anyone described their love for America so well. Read it. You'll love it too.

Politics really picked up this week as the filing deadline came to pass Monday midnight with a number of new candidates pitching their hats in the political pot to be voted upon in the first primary in May.

Candidates who signed up with Miss Mary Cooke, Democratic Chairman, before the deadline Monday night included Walter Rogers for Congressman 18th District; Grady Hazelwood for State Senator; and two candidates for the new District 80 State Representative, J. M. (Red) Simpson and Warren E. Zimmerman, both of Randall County. Donley County is included in a new district this year for both State Representative and State Senator.

On the local level sign-up were R. E. Drenan for County Judge; P. C. Messer for County Clerk; Mrs. J. M. (Nina) Dale and Yvonne King, both new candidates for County Treasurer; Carroll L. Lewis, new candidate for Justice of the Peace, Precinct No. 2; John W. Swinney, incumbent, Roy Blackman and H. G. Bobbitt for Commissioner Precinct No. 2; Jess Finley, incumbent, and Bernard McClelland for Commissioner Precinct No. 4; M. L. (Bill) Todd, J. C. Stepp and Maurice Risley for County School Superintendent; Mary S. Cooke, Democratic County Chairman; Hubert Rhoades for Precinct 1 Chairman; Mrs. Dick Shelton, Precinct 2 Chairman, R. W. (Bill) Scales, Precinct 3 Chairman and Lee Roy McCracken, Precinct 4 Chairman.

R. M. (Dick) Chunn made a statement to the Leader Wednesday morning that he would be a write-in candidate for re-election as Justice of the Peace even though his name would not appear on the democratic primary ballot due to a filing technicality.

SOIL CONSERVATION DISTRICT NEWS

WATERWAYS

The need for permanent sod waterways to dispose excess water without causing erosion to cropland is great. Vegetated or sodded waterways are usually installed in the main drainage ways through cropland where it is apparent that the water flow is causing serious erosion. If used in connection with terrace systems and field diversions, runoff water is carried to safe points of release with a minimum of erosion. Waterways are a protection to natural floodways through cropland.

Usually a cover of perennial vegetation is the most satisfactory cover. This protective cover of permanent grasses keeps the land from forming gullies and is beneficial in furnishing food for livestock when farmland is grazed during the winter months. Perennial grasses are usually seeded in a dead sorghum litter. Alfalfa may be seeded in waterways if the slope of land is very flat and if the waterway is sufficiently flat to keep the velocity of the floodwater to less than two feet per second. Bermuda may be sprigged without dead litter cover if there is sufficient irrigation water to hasten a turf before erosion takes place.

For recommendations as to engineering design, contact your local SOIL CONSERVATION SERVICE.

The problem of water conser-

ing capacity of the soil.

Soil erosion, and water conservation is not limited just to cropland. Ranchers have found that managing rangeland so as to decrease erosion and runoff is of great importance. Properly using rangeland by maintaining a stubble of half of the grass produced insures enough ground cover to slow down runoff and increase the infiltration rate of the soil. In most cases water erosion and water loss due to runoff is caused by poor or improper management of the soil and the crops grown on this soil.

If America ever makes any measurable accomplishment in the area of water conservation, it will be up to the landowners and operators to properly manage

their land. Water conservation must start first by proper management of the land at the very top of a watershed and must include every farm or ranch within a watershed area.

Donley County land owners and operators can receive technical assistance and in most cases cost sharing assistance from the Soil Conservation Service assisting the Donley County Soil and Water Conservation District. Come in and see us in our new building located behind the Post Office.

The other day we were reading a copy of The Wary Cry, the official publication of the Salvation Army, and the following thought impressed my mind for several days. In mentioning the death of several faithful worker members the editor used this expression: "So and So was recently promoted to glory." The more we thought about it the more wonderful it seemed. And, if all the good things we often hear about both the work and the workers in this great army of people the more we are convinced that after a lifetime of such faithful service they do deserve this wonderful promotion.

Mr. Farley says, "Give a boy enough rope and he'll bring home a dog on the end of it."

One of the most important lessons we can learn in business is to learn what is none of our business.

Mr. Epps, the Radio Bible Preacher expresses a great thought in words similar to the following: "Faith is believing in something you cannot see. The reward is seeing something in which you believed."

Some time back our good reader Rev. Mills from Lancaster, Wisconsin sent us some bound volumes of Harpers Weekly dated back in 1877. In the next few columns we want to give a few excerpts from this prize collection. Such as the following:

prised to see a student running down the halls with a horrified expression on his face and water rapidly dripping behind him!

Other than those occasional bursts of hysteria, all has been quite up here on the hill. It's that time of year again when thoughts are turning to those warm summer months. It seems that those longing thoughts are what enable some students to endure the last few months of school. But for most of us, however, the time is passing away all too rapidly, and too soon we will be saying "farewell" to CHS for another three months.

Last week I noticed that there was still an occasional snowball fight, and upon several instances I noted some seniors sneaking down the main hall with a wet snowball clutched in their fist. It was obvious that they had no intention of keeping the snow, so I lingered around while they were subtly dropping snow down their selected victim's back. If one did not know what was going on, then he was more than likely quite surprised.

Electricity Makes A World Of Difference

We've come a long way since the Stone Age. Wouldn't the cave man be awed by our Space Age! Through the years, we've grown so accustomed to electricity we have taken it for granted. And yet, we are more dependent on electricity than any other source of energy. One of the jobs of West Texas Utilities Company is to make electricity so available, we can take it for granted. There's nothing quite like electricity... it can't be seen, heard or smelled... yet it is used daily in dozens of different ways to make our life easier and better. So sit back, relax and enjoy life...

Campus Chatter
by Jim Blackerby

My how things have changed this semester! Last semester one almost had to buy a seat at the card table if he wanted to play. Now, there is nearly always a vacant place at the once popular card table. This could be attributed to the fact that no grades were given last semester for creative card playing.

The second semester tends to be more serious than the first, probably because the students are finally adapting to the somber atmosphere of books and studies. The grades from the last semester also tend to jolt most students into seriousness.

The 19 survivors in organic chemistry are walking testimonials to the more serious side of the second semester. During the first semester, students were con-

tinually drifting out of the lab, but in the first lab this semester, Mr. Ellerbrook was surprised to find the students still working at the end of the lab period. Of course, all was not serious in this particular lab, but the lighter vein was only a side effect of serious scientific inquiry. For instance, Roger Weems discovered how to make a small bomb and Jimmy Srygley learned that some solutions do not have a pleasant odor. Mickey Thomas resembled a mad scientist, but not during experiments. Mickey's moment of triumph was the discovery of colors he could make while pouring all the chemicals out at clean-up time.

Dogett News
by Ricki Rowell

The Clarendon College Dogett met in the college auditorium, Friday, February 4. They voted to sponsor a Valentine Dance to be held in the Canteen, February 14. The dance will be semi-formal.

Tickets may be bought in advance from any Dogett member for \$1.50 a couple and \$1.00 single or tickets may be bought at the door for \$2.00 a couple and \$1.50 single.

The Velasquez Brothers will be playing for the dance. Everyone is cordially invited to attend the dance, which should be a highlight of the spring social season on the Hill.

Talent To Spare

If you want to hear something really and truly great, drop in on our newly revised choir. It has really improved. We've got one

of the greatest bass sections around, and our tenor section is the most! So if you need a good variety of entertainment for a program, call on us! We are willing and eager.

Due to complications, we lost our president and reporter from last semester, but these offices have been filled. Jerry Bursleson is our new President and Nina Snyder will try her best to get the news in on time.

We'd like to report another successful choir tour. We performed first at Quanah. Quite a good turnout, and we harmonized pretty well. Next came Childress, this being the place where we gave our best performance. And last but not least we entertained at Memphis. In all, a very interesting and fulfilled day.

We'd like to let you know a little ahead of time, of our Talent Show coming up on February 23. We believe it will prove to be interesting as well as entertaining. Everyone is cordially invited to attend. There will be two performances, one at 10:00 and another at 11:15. So if you can't make one, try to attend the other. Admission is \$.35 for everyone.

around plenty before becoming a Bulldog. Thomson attended high school at Morton and Sudan and last year was the Bulldog manager before deciding to play for the Green and White this season. While in high school, however, Thomson was all-district in both football and basketball and was honored by being named to the all-sectional baseball team.

At 6-2, Thomson is a sophomore guard, but has the eligibility of a freshman because he saw no action last season.

In high school, he averaged 14.6 points per game and held an average of seven rebounds. He is 19 and his parents, Mr. and Mrs. H. M. Thomson, live in Morton.

cent. The boys are hoping to shake off the slump Saturday night when they play Odessa. We beat them on their own court—a feat which was considered one of the biggest upsets in the conference this year. The Odessa boys are supposedly one of the best ever to play for Coach Mc. Culough.

We journey to Amarillo Tuesday night to play the Amarillo Badgers, a team we could have beaten when they were here. We are still not convinced that we can't do it, so we are going to try again. The Badgers have been one of the surprisingly strong teams in our conference, getting outstanding freshman play from two or three boys.

I think the game of interest in

the whole area which is going to draw several college and university coaches will be the one which brings the Cameron Aggies to town. They will be one of the best teams in years to play in Clarendon. They are rated second in the nation. Coach Red Miller's team has won 18 games and lost one—falling to Dallas Baptist who started the season in the number one slot nationally. But in the return match Cameron spanked Dallas with a 20 point margin. Cameron has played and defeated six of the eight teams in our conference this year, winning by margins of from 25 to 59 points. I seriously doubt that the Bulldogs will be able to damage Cameron's record Saturday night.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers
ON KEEPING SMALL VOICES HEARD

The Small Business Administration is marked for destruction under a proposal to place it within the mammoth bureaucracy of the Department of Commerce. I have long held that there are too many boards, bureaus, and agencies in the Federal Government—and I have long been critical of the Small Business Administration for abusing its powers and for concentrating too heavily on big city problems. But the fact remains that in all of the Federal Government, only the Small Business Administration speaks for the small businessman. I believe the SBA should be preserved as an independent agency and not buried in the Commerce Department. The SBA needs improving, it needs to be made to do better what it is supposed to do, but it should not be killed as part of the continuing concentration of Government power.

The small businessman is too often the overlooked victim of increasing bigness in Government and the economy. The danger of Big Government, Big Business, Big Labor is a subject of great concern. Bigness is a very real threat; size alone can be a ruinous factor in business competition. It is a problem Congress has decided to tackle over and over as the country has grown because there has been general recognition that the small entrepreneur is—all through history—a basic strength in our economic system.

I'm opposed to submerging the Small Business Administration in the vast bureaucracy of the Commerce Department. Although I have frequently been critical of SBA policies as not being fully responsive to small businessmen's problems, the agency has maintained its independence and does report directly to the President. As of now, it is not susceptible to policy misdirection by a large Department where big fish might seek to devour the small.

Centralization is a danger at

all levels of government. We have witnessed—to the deep regret of many of us—the diminution of the Constitutional doctrine of separation of powers. States and cities have lost their influence as power has shifted to Washington, and our efforts to reverse the trend meet with little success.

Now a very dangerous new power axis is forming—that between the big Federal Government and the biggest U. C. cities. This is a form of centralization with which we're familiar. Another kind takes place within the Federal Government structure. This is the kind that resulted in putting together unrelated departments during the Eisenhower Administration to form the cabinet-rank Department of Health, Education, and Welfare. HEW, as it is called, is a hodge-podge of activities and only the most far-fetched argument would support the idea that the U. S. Public Health Service, the Office of Education, and the Social Security Administration (not to mention other functions under the HEW wing) have any business being included under the same centralized administration. This error despite my objections and those of others, was repeated last year when separate and independent agencies of the Government were lumped together to create the new cabinet-rank Department of Housing and Urban Development. Although its activities are more closely allied in purpose than those of Health, Education, and Welfare, the new department (called "HUD" for short) is going to pose problems common to any organization with a centralized administration and set of policies. For example, HUD in my view threatens to concentrate so heavily on urban matters that its responsibilities in rural and semi-rural areas may suffer.

Voices speaking for small interests must be preserved in this Government. The Department of Agriculture, originally the voice of the farmer, is now concerned with its "image" to the extent that its 1965 Yearbook of Agriculture, "Consumers All," is not aimed any more at farmers than it is to city dwellers. In its own way, every Department is concerned about city support—and it is a continuing fight to see that

Les Beaux Arts Club Meets In Hardin Home

Les Beaux Arts Club members met at the home of Mrs. W. K. Hardin for their February meeting Friday, February 4th.

In the absence of the president, Mrs. John Bass, the vice-president, Mrs. W. K. Hardin, presided. One new member, Mrs. John Knorpp, was welcomed into the club.

The program was brought by Mrs. Hall Hardin and Mrs. Morris Ledger. Mrs. Hardin spoke on stained glass windows. She exhibited one lovely example of the art and had pictures of many beautiful Cathedral and church windows. Mrs. Ledger traced the history of doors down through the ages and told of the many different materials used for doors.

From a Valentine decorated table guests were served cherry torte and coffee. Hostesses were Mrs. Hardin and Mrs. Stina Cain.

One guest, Mrs. Carroll Knorpp, was present; and members Mesdames Gene Alderson, Thomas L. Cook, H. S. Hardin, Morris Ledger, W. J. Lewis, Jr., Forrest Sawyer, Tommie Saye, Douglas Shelton, E. O. Simmons, C. G. Stricklin, J. D. Swift, C. T. McMurry, W. W. Taylor, and John Knorpp.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met February 3rd. The hostess served cake, jello, and coffee to six members and one visitor.

The next meeting will be February 17th. Hostess will be Roeda Rattan and leader Sue Rhoades. —Rep.

Clarendon YHA Chapter On Farm & Home Show

The Clarendon Chapter of Young Homemakers was a guest of KGNC Saturday on Cotton John's Farm and Home Show. The occasion was in recognition of the program of work of the local chapter which earned for them the Outstanding Chapter Award at the State convention in Austin recently.

Mrs. Jo. Schollenbarger reviewed the accomplishments of the local chapter. Mrs. Delbert Reed explained the award program and mentioned the sponsoring groups who make these awards possible. The Texas Electric Co-operatives provide meals both on state and area levels as well as supply the beautiful sterling trays which are given as awards. Sears Roebuck Foundation helped the state organization financially as well as educationally. Pioneer Natural Gas of Amarillo has also been active in the awards program.

The Clarendon quartet composed of Maudena Self and T'Rose Stepp, students of Clarendon College, Lynn Bourland of Texas Tech, and Beth Bourland of CHS were accompanied by Mrs. Jessie Adams. This group, working through the Music Department of Clarendon College has represented our schools and town for several years.

Miss Leane Risley, Chapter Little Sister and first runner-up at Area; Beth Bourland, FHA president; and Mrs. Barbara Orsak were also interviewed. Others making the trip were Mesdames Harlene Phillips, Wilma Lindley, Ginny Garland, Audrey Beth Garland, Shirley Bobbitt, and Velma Bourland, Advisor. —Rep.

Cub Scout Blue And Gold Banquet Held Tuesday Night

The annual Cub Scouts' Blue and Gold banquet was held at the High School Cafeteria Tuesday night with 180 Cub Scouts, leaders, parents, and interested friends attending. Theme for the occasion was "Strong For America." In keeping with tradition blue and gold were the colors used in the decor, each Den being responsible for the decoration for that particular table.

Harold Gerner, Cub Scout Master, was master of ceremonies. Rev. W. R. Lawrence, pastor of First Baptist Church sponsoring organization of Clarendon Cub Scouts, pronounced the invocation.

Mr. Gerner introduced special guests and paid tribute to those who had worked with the Cubs the past year. He also presented Arthur Shields as Assistant Cub Scout Master.

Guest Speaker for the occasion was Mr. Dave Agnew of Shamrock, Scout Executive. He spoke on the part Scouting plays in keeping faith with our American Heritage. Following his remarks a skit was presented by the entire group of Cub Scouts. Den 6 under the direction of Mrs. Mike West also gave a skit and several musical selections.

More than 150 awards were made by E. O. Simmons assisted by Johnny Leathers. Den 6 won the attendance banner. This is the second banner they have won and they indicated their intentions to begin work toward a third.

We wish to thank all the people who gave us comforting words, prayers, and all others for the kindnesses shown during our recent sorrow. May the Lord bless each of you.

MCCARTY VISITS PARENTS

Sgt. Richard A. McCarty, son of Mr. and Mrs. Paul McCarty of Claude, has spent the past thirty days visiting his parents and brothers, Jerry and Doug of Amarillo. He has been transferred from Camp Pendleton, Calif. to Key West, Florida where he will attend Officer's School. Upon graduation he will become a Warrant Officer with duties with the Corrective Service as Classification Officer. He will be in Florida for eighteen months.

He spent three weeks in Vietnam as a member of an inspection team and while at Camp Pendleton took two weeks training jumping from a plane. He is now the proud possessor of a jump pin. He plans twenty years in the service, having served four years at the present time.

J. M. (RED) SIMPSON IN RACE FOR STATE REPRESENTATIVE

J. M. (Red) Simpson, State Representative, has announced that he will seek re-election to the Texas House of Representatives in the newly created 80th district. The new district will include Randall, Carson, Armstrong, Donley and Collingsworth counties.

Simpson has been a member of the Texas Legislature since 1962, as a representative of the 94th Floterial District, which included Potter, Randall, Carson and Armstrong Counties. He has served as chairman of the committee controlling representation before the House, and a member of the Oil, Gas and Mining, Taxation and Revenue, Labor, Motor Traffic, Congressional and Legislative Districts.

Simpson lives at 3209 Parker, Amarillo, with his wife Mattie Lou. He has two sons, Wesley and Bob, and is in the wholesale gas and oil business.

Pecan-shelling is a good pastime for bleak, wintry days when the children can't play outside, emphasizes Mrs. Glenn Clyatt, consumer marketing specialist for the Texas A&M University Extension Service. Pecans are plentiful this season, and homemakers may want to use them in a number of ways in their meal planning, she says.

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

Gov. John Connally is going along with forecasts that a "substantial amount" of new government spending in the next fiscal period is "almost inevitable."

However, Connally declined to join in predicting specific new taxes. He called such forecasts "premature," although the Committee on State and Local Tax Policy earlier has indicated it agrees with the predictors.

"It's almost inevitable that we are going to be looking at increased expenditures in a substantial amount," Connally told a press conference. "But I don't want to try to estimate the magnitude of a tax program, if any, or the expenditures."

Meanwhile the tax policy committee held its first meeting, ordered Texas Research League studies on impact of sales tax adjustment and an unusual appraisal of how to equalize the widely-varying state property tax.

Rep. Ben Atwell of Dallas, committee chairman, reported that all members of the panel seemed to feel that more revenue will be necessary when the Legislature writes the new budget for Texas government operations next year.

Atwell said a committee will be taking a reading on revenue which could be obtained from raising the sales tax rate (now two per cent) and removing various exemptions.

These exemptions apply to food, drugs, farm machinery, alcoholic beverages, industrial and agricultural fuel and power. Atwell doubts that the legislature will tamper with the food, medicine and farm implements. He expressed a personal preference for a rate hike in new money as mandatory.

Committee also is going to study the likely effect of income tax-

ation and corporation tax formula adjustments.

As a possible method of equalizing the property tax, the committee will evaluate results of assigning each county its equitable share of the ad valorem loan on the basis of estimated fair market values. Voters would have to approve such a procedure by Constitutional amendment.

Citizens of some counties now are paying seven times as much tax on property with the same value as do citizens of other counties.

LEGAL SERVICES — Harold Jones of Wichita Falls is chairman of the newly chartered Texas Bar Foundation to raise funds for expansion of the State Bar's program of legal services for the poor.

Phillip Brin of Longview is vice chairman and Associate Justice T. Gilbert Sharpe of Brownsville, 13th Court of Civil Appeals, is secretary.

DRAFT RULES TIGHTENED — Young Texans served draft orders no longer can get them cancelled by joining reserve or national guard units. Col. Morris Schwartz, State Selective Service director, announces.

A man still can enlist in regular active-duty forces after receiving his draft orders — if he can be signed up before induction date, Schwartz said.

New policy reached Texas draft boards from National Selective Service Headquarters where it was adopted on recommendation of the Assistant Secretary of Defense for manpower.

CANDIDATES ANNOUNCE — In a press conference at the Capitol, Stanley C. Woods, 43, of Houston and State Rep. Bill Hollowell, 37, of Grand Saline announced as team candidates for

Governor and Lieutenant Governor respectively.

Judge Joe Greenhill announced his candidacy for re-election as Associate Justice of the Texas Supreme Court.

COURTS SPEAK — Third Court of Civil Appeals here upheld the State Banking Board in granting a charter to Northline State Bank of Houston, thus reversing the decision of District Judge Tom Reavley of Austin. Airline National Bank of Houston brought suit claiming there was no public necessity for a new bank.

State Supreme Court declined to give special consideration to adequacy of legal services rendered by a Robstown couple by the Nueces County legal aid office in a suit where they stand to lose their home.

Court of Criminal Appeals sustained the death sentence conviction of Walter Lee Siros in the rape of a Houston woman.

CONNALLY TO SOUTH AMERICA — Governor Connally is considering a week's tour of major South American countries starting February 21 to drum up participation in San Antonio's 1968 HemisFair.

He said he hopes to visit presidents of Venezuela, Brazil and Argentina — and perhaps Chile and Peru — and ask their cooperation in staging HemisFair exhibits. Connally doubles as commissioner general of the "Fair of the Americas."

"We are running out of time," Connally told a press conference. "The fair is scheduled to open in April of 1968. Exhibits must be built in a little over 2 years. Once the line is broken, I think they (all the major South American countries) will come in."

TOURIST SEMINARS SET — Texas businesses will get tips on how they can get a bigger share of \$30,000,000-a-year U. S. vacation market in series of tourist seminars scheduled for 20 Texas communities March 7-May 13.

University of Texas Department of Distributive Education and Texas Tourist Development Agency will co-sponsor the meeting places yet to be selected.

Clinics are mainly designed for groups which have direct contact with tourists, including police,

hotel, service station and restaurant personnel. Interested communities and groups should correspond with Texas Tourist Development Agency here.

OIL AND GAS ARGUMENTS — Oil and gas operators in 15 West Texas counties have been given a chance to show why they shouldn't be ordered to stop using open unlined surface pits for salt water disposal.

Texas Railroad Commission set Feb. 24 for hearings on fields in Young and Archer Counties.

A March 10 hearing has been set on fields in Hemphill, Swisher, Andrews, Martin, Bailey, Hale, Cochran, Dawson, Gaines, Hockley, Lynn, Terry and Yoakum Counties.

WATER RIGHTS MAY BE CANCELLED — At a March 15 meeting in Austin, the Texas Water Rights Commission proposes to cancel water rights for all who fail to exercise them by that date. Only five rights are scheduled to be heard at this time.

This is the first of more than 200 hearings expected to be held in 1966 as the state moves to erase "paper rights" to use stream water. Then the state will be able to show how much water really is available for future use in Texas rivers.

POLICE REPORT COMPLETE — Out of almost 300 police agencies, employing 9,000 officers, less than half have established formalized minimum requirements for employment. So states the Texas Commission on Law Enforcement Officer Standards and Education.

In addition, less than a fourth of the agencies require any sort of formal training before officer assignment.

SOME WIN, SOME LOSE — Some Texas cities have been adversely affected by the recent closing and reduction of 126 military bases in the nation. But this may turn out to benefit other communities in need of airport equipment.

Texas Aeronautics Commission will act as a go-between for communities seeking surplus property.

Austin and Abilene both had Nike facilities declared excess recently and Bellville and Huntsville lost Naval Reserve installa-

CAPT. JEARL M. SPIER AWARDED BRONZE STAR MEDAL

Captain Jearl M. Spier, son of L. M. Spier, Rt. 1, Hedley received the Bronze Star Medal for meritorious service in Viet Nam at an awards ceremony at the post gymnasium January 28th. The presentation was made by Col. Robert O. Lambert, Fort Wolters deputy commander.

Capt. Spier, a 33 year old Army aviator, distinguished himself by outstanding service in connection with ground operations in the Republic of Viet Nam during the period of October 1964-October 1965. Capt. Spier has been at Fort Wolters since November 1965 and is an instructor at the U. S. Army Primary Helicopter School.

THE STATE OF TEXAS TO ANY SHERIFF OR ANY CONSTABLE WITHIN THE STATE OF TEXAS—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight (28) days before the return date thereof, in a newspaper printed in Donley County, Texas, the accompanying citation, of which the hereinbelow following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS.

To Charles L. McDonald and Helen E. McDonald, if living, and if dead, the legal representatives of each of the said named defendants, and the unknown heirs of each of said Defendants; the legal representatives of the unknown heirs of each said named Defendants, if the unknown heirs of said named Defendants are dead; the unknown heirs of said Defendants, if the unknown heirs of said Defendants are dead, Defendants in the hereinafter styled and numbered cause:

You and each of you are hereby commanded to appear before the District Court of Donley County, Texas, to be held at the courthouse of said county, in the City of Clarendon, Donley County, Texas, by filing a written answer at or before 10:00 a.m. on the first Monday after the expiration of forty-two (42) days from the date of issuance of this citation, the same being the 21st day of March, A. D., 1966, to Plaintiff's Petition filed in said Court, on the 30th day of September, A. D. 1965, in this cause, No. 3219 on the docket of said Court and styled John R. Gillham vs. Charles L. McDonald, et al, in which John R. Gillham is the Plaintiff, and in which Charles L. McDonald, Helen E. McDonald, George W. Estlack, Ronald C. Lamberth, Dorothy Lamberth, G. A. Lamberth, M. Louise Lamberth, Herbert E. Elliott and Helen Florene Elliott are Defendants, and the nature of and the pur-

pose of which said suit is to collect the deficiency amount owing on a promissory note by virtue of a foreclosure of a vendor's lien and a deed of trust lien, including principal, interest, attorney's fees, court costs, and taxes as provided in the deed of trust, which note and deed of trust were originally executed by Charles L. McDonald and Helen E. McDonald and others.

If this citation is not served within ninety (90) days after date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements by law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said Court, at Clarendon, Texas, this 1st day of February, A. D. 1966.

NOTICE OF HEARING IN THE MATTER OF CANCELLING PERMIT NO 1962 TO APPROPRIATE PUBLIC WATER

By virtue of the authority vested by law in the Texas Water Rights Commission, notice is hereby given that a hearing will be held in Austin, Texas, beginning at 10:00 o'clock A.M., on March 15, 1966, in the matter of cancelling:

Permit No. 1692 (Application No. 1822) carried in the names of W. H. Cooke III and Mary S. Cooke according to the records of the Commission. Said permit authorized the diversion and tributary of Salt Fork of the use of 87.5 acre-feet of water per annum from Jesse Arroyo, Red River in Donley County for the irrigation of 35 acres of land out of survey No. 93, Block 21, H. & G. N. RR, in Donley County, Texas.

All affected parties are directed to appear and show cause, if any, why the water rights listed above should not be cancelled.

Given under and by virtue of an order of the Texas Water Rights Commission, on January 17, 1966.

Rev. O. C. Edwards is using the book of John for the basis for his message on Sunday night at 7:00 p.m. at the Goodnight Baptist Church. The public is invited to attend the services. The General Theme for the series of messages is "Jesus Christ, the Son of God."

Rev. O. C. Edwards recently announced that the Panfork Baptist Encampment program north

of Wellington plans an enlargement program. The directors voted recently to sell 65 acres of the land and use the money to enlarge and improve the camp grounds and facilities.

The swimming pool area will be improved with a 6 ft. walk and 8 ft block fence completely enclosing this facility.

Three buildings have been bought and are being prepared for use by camp time in July.

Rev. Edwards says that the camp has become more attractive each year and attendance continues to grow.

BILL TODD IN RACE FOR COUNTY SCHOOL SUPERINTENDENT

In making my announcement for the office of Donley County School Superintendent, I want the voters of Donley County to know that I am sincerely interested in school affairs and the services connected with this office. I have had several years teaching experience in addition to the other qualifications necessary to file for this office and believe I can render a valuable service to the schools of our county if given the opportunity to serve you. I look forward to making this campaign visiting with each of you before election time. I will appreciate your consideration and support.
