A Fine Paper For Fine People

Bronchos Travel to Stinnett Fri. Night To Tangle With Rattlers

The Clarendon Bronchos take on their last non-conference foe, the Stinnett Rattlers, at Stinnett Friday night at 8 p.m. and with this game tucked in, will settle down to the business of taking care of District opponents as they come along, beginning with Claude next week on the home field.

The Bronchos still hold the number 1 spot in the Panhandle Class A rating, 2nd in the state in the Star-Telegram rating and 3rd in the Dallas News rating. The Bronchos own a 4-0 record and have not been scored on in regular play this year.

Coach Clyde Noonkester reports the Rattlers will be more competition than our last two games and is a team that will demand respect for their ability to hit hard even though they are not a big team.

The Bronchos are in good shape for the game for the exception of Phillip Longan who is classed as a hopeful starter this week, Noonkester added.

The probable starting lineup for the Bronco offense Friday night will be: Larry Kidd and Jim Moore, ends; Ronnie Hastey or Phillip Longan and Everett Monroe, tackles; Billy Longan and Doyle Gilbreth, guards; Mitchell Martin, center; Don Mooring, quarterback; Walter Reese as wingback; Bennie Reese, fullback and Steve Land as tailback.

Go along with the Bronco Friday night, give them your full support and help them bring home another convincing win.

WTSU BUFFS VS MEMPHIS STATE IN SATURDAY GAME

The Tigers of Memphis State, Memphis, Tennessee will encounter the mighty West Texas State University Buffaloes Saturday night, October 12, in Buffalo Bowl. Game time is 7:30 p.m. The series history stands at 4-0 with Memphis State the victor. Last season the Tigers lost six games out of a nine game schedule.

Last week the Buffs handed the Bobcats of Montana State, Bozeman, Montana a stinging defeat with a final score of 35-20.

The Buffs have three home games scheduled yet this season: Memphis State, October 12; U. T. of Arlington, October 19; and Western Michigan, November 9. The November 9th game will mark Homecoming for all WT Exes and their guests.

For football at its best plan to attend these West Texas games. Tickets are on sale at the Farmers State Bank where you may contact Joe Lovell or tickets may be purchased at the gate.

Broncs Humble Wildcats 53-0

By IRVIN MEARS

Before a soaked HOMEcoming crowd the No. 2 ranked Clarendon Bronchos kept their unbeaten and unscored on record clean by walloping the Canadian Wildcats 53-0.

Larry Longan kicked off to the Wildcats to open the game. The first play from scrimmage saw Larry Kidd pounce on a Wildcat fumble on the 10 yard line. Two plays later saw Steve Land standing across the goal line for a 1 yard TD run with 11:15 left in the quarter. Larry Longan missed the extra point to make it 6-0.

On a fourth down play the Bronchos lined up for an attempted field goal, but Don Mooring took the snap and rolled around right end and fired a TD strike to speedster Jim Moore for a 20 yard TD with 11:54 left in the first half. Charles Louis ran the extra point to make the score 14-0.

Louis scored the third six pointer for the Maroon and White as he scampered 11 yards untouched into the end zone with 8:29 left in the half. Longan again missed the extra point to make it 20-0.

After a Canadian punt and a penalty the Bronchos scored another time as Land rampaged 60 yards to make it 26-0. Mooring passed to Moore for the 2 point conversion for a 28-0 advantage.

Moore intercepted a Wildcat pass and returned it 7 yards. The Bronchos had time for just one more play. Louis took the hand-off from Mooring and raced to the goal line for a 64 yard TD run. Longan missed the extra point for a 34-0 lead as the teams retired to the dressing rooms.

Walter Reese accepted the second half kickoff and raced to the 30 yard line. Two plays later found the Bronchos with 6 more points on the score board as Land took the hand off from Mooring and scampered 66 yards. Longan missed the extra point to make it 40-0.

With the reserves playing offense Ike O'Neal scored the next Clarendon score with 8:14 left in the third period. Longan kicked the extra point to make it 47-0.

The Clarendon defense held the Wildcats in check and they took over on the Clarendon 35 yard line. O'Neal took the hand off from Moore and raced 53 yards to the 12 yard line. Two plays later O'Neal scored his second TD of the night with 6:10 left in the game. Longan missed the kick to end the scoring at 53-0.

Steve Land again led the Broncho rushers for the fourth straight week with 178 yards on 9 carries for a 19.8 average. Friday night the Bronchos travel to Stinnett for a game with the Rattlers. Everyone come to Stinnett and see the Bronchos.

LIONS LADIES NIGHT SET OCT. 29

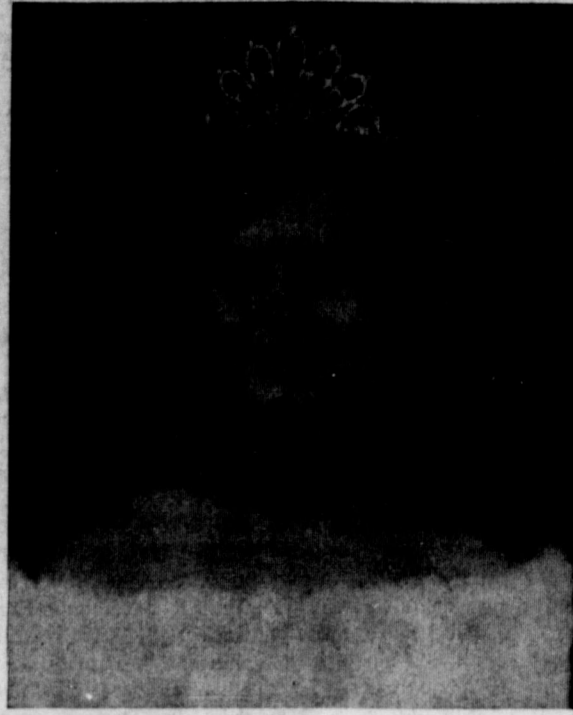

Lions Ladies Night and annual banquet has been set for 7:30 Tuesday night, October 29, at the College Cafeteria. Price for tickets will be \$2.50 each. You are asked to buy your tickets early as seating is limited.

Bob Izzard of Channel 7, Amarillo, will be the speaker for the evening. He will tell of his recent visit to Vietnam.

Dismissals: Mrs. Peggy Jones, Mrs. Cap Lane, Lynn Rumpy, Janice Riley, Mrs. J. T. Roberts, Gary Guill, Mrs. Emma Sheffield, Mrs. Buel Sanford.

Leader Advertisements Pay Dividends

Miss Judy Leggett, 18-year-old daughter of Mr. and Mrs. Lloyd Leggett of Hedley, will reign over the Hedley Cotton Festival as Queen. A new Queen to serve for the coming year will be crowned Saturday night.

17th Annual Cotton Festival At Hedley Friday and Saturday

All roads will be leading to Hedley Friday and Saturday for the 17th Annual Cotton Festival sponsored by the Hedley Lions Club and sanctioned by the National Cotton Council.

The big event will actually get under way Thursday night (tonight) with the opening of the Midway. The D. S. Dudley Shows will have more rides, shows etc. than in previous years which promises lots of entertainment Thursday night as well as throughout the week end.

Hedley residents have been working for weeks on the Festival and have been putting in

some extra long hours on floats, booths etc. this week. Parade entries have already exceeded last year which was a big one. For their size, Hedley excels larger cities in the Panhandle in putting on a celebration in grand style.

A complete program of events, time etc. is being published on this page so you may clip it out and be ready for the main points of interest.

Hedley is inviting everyone to come and is anticipating a crowd of 5 to 10 thousand on Saturday which will feature the big parade.

17TH ANNUAL HEDLEY COTTON FESTIVAL

OCTOBER 10-11-12

THURSDAY

Midway Opens D. S. Dudley Shows of Mankins, Texas

Lou Hurt and His Western Swing Band

Chamber-Commerce Membership Drive Now in Progress

An early morning breakfast at Jake's Steak-Out kicked-off the annual membership drive for the local Chamber of Commerce Monday at 7:00 a.m. Several interested people attended this breakfast. Bright Newhouse, chairman of the membership committee, urged everyone present to become enthusiastic about Clarendon and the possibilities which are now ours if we take advantage of them.

It's your duty as a citizen of this community to "Sell Clarendon" so join in this effort and become a member of the Clarendon Chamber of Commerce.

Other activities at this time within the Chamber of Commerce include the support of the Hedley Feed Lot and Charles Payne who is proceeding with the construction of it. Also a bid has been submitted to the Fort Worth and Denver Railroad for the purchase of the loading pens at Clarendon and Ashtola.

The big signs East and West of Clarendon are to be painted and the wording changed.

Clarendon is on the move won't you join us to improve our town so that this will be the best place in the world to live. This is the challenge.

Entries Being Taken For Annual Bull Sale

Entry blanks have been mailed to registered breeders for their entries of bulls in the 1968 Rolling Plains Registered Beef Cattle Association's 11th annual sale. The sale will be held in Clarendon, Texas at the Fair Grounds November 20 starting at twelve o'clock noon. Walter Britten will be the auctioneer.

Flip Breedlove, secretary and manager of the association, says that 25 head of Galloway bulls, 20 Angus bulls, and 55 Hereford bulls are expected. These bulls will be from some of the best herds in this section and the kind of animals that will help any rancher with his beef cattle improvement program. Breedlove asks that anyone who has not received an entry blank and is planning to consign bulls to the sale contact him at once and a blank will be mailed you.

All entries must be in not later than October 25 so that the catalog can be published at an early date. Bulls will be classified for sales order on the day of the sale, November 20, at 9 a.m.

Bob Newton of Groom, Texas, newly elected president of the association, is urging everyone to make plans now to attend the sale. Mr. Newton says this will be one of the best sales the association has ever had and some of the best quality bulls will be offered. There will be some good herd bull prospects for the registered breeder as well as good range bulls for the commercial breeder.

HANSARD IS CADET AT AIR FORCE ACADEMY

Wendell A. Hansard, son of Mr. and Mrs. Wayne A. Hansard of Hedley, Tex., is one of more than 1,200 freshmen cadets who have entered the U. S. Air Force Academy class of 1972.

He recently completed the academy's stringent basic training program for acceptance into the cadet wing. The two-month program includes field training at a simulated frontline combat base near the academy, strenuous physical conditioning and survival instruction.

The cadet now enters a four-year course of study leading to a bachelor of science degree in one of nearly 30 fields covered by the curriculum and a commission in the Air Force as a second lieutenant.

Cadet Hansard is a 1968 graduate of Hedley High School where he was named salutatorian of his class.

Hearing Underway To Determine Gilbreth's Competency To Stand Trial For J. R. Gillham Murder

Sandra Mooring New President CHS Ex-Student Ass'n.

In the business meeting following the banquet Saturday night, Mrs. Sandra Mooring was elected president of the Clarendon Ex-Student Association to succeed Delbert Robertson who has done an excellent job serving in this capacity the past two years. Officers are elected for a two year term and the other slate of officers are as follows:

Gene White, vice president; Mrs. Don Thornberry, secretary; assisted by Mrs. Ralph Hill and Mrs. Bill Porter; Cherry Shadle, treasurer; Roberta Pittman, Historian, assisted by Tommie Saye.

Mrs. Bob Kidd was presented as the Ex-student queen. Other recognitions were as follows: Longest distance traveled, Wesley Powell of Houston; Taught most years in Clarendon schools, Judge R. E. Drennan; Oldest class represented, Barcus Antrobus.

The largest number of Exes registered in recent years and although they were dampened somewhat at the football game, their spirit was not lowered as the Bronchos came up with a big winning score of 53-0 over the Canadian Wildcats and the Old Fashion gab session at the Ag building following the game was crowded with Ex-students who enjoyed refreshments, visiting, etc.

Points of Interest Regarding School Affairs Available

The Governor's Committee Report on making Texas a national leader in public education was presented to a combined meeting of School Boards and School Superintendents at their annual meeting in Austin September 29-30. Many varied and sometimes drastic recommendations especially in the fields of finance (Requires State Equalization of Values for Property Taxes) and consolidation (would require at least a county unit for each school district) are contained in this report.

It behooves every citizen, school patron or not, to study and to understand the report. It will be presented to the 1969 session of the State Legislature for enactment into law. Clarendon School has a copy of the report, and films of it, are also available for showing in various areas of the state.

Another event of interest to be voted on November 6, is Amendment No. 9, which permits a teacher to pay in for his retirement 6 per cent of whatever his total salary is for the year, rather than paying upon a maximum of \$8,400 as now permitted by law. This will help many fine people to provide more for their own security after retirement. Your vote will help to carry this needed amendment to our State Constitution.

A friend of the Panhandle Schools who has served us faithfully for several years is up for re-election to the State Board of Education. He is Mr. Herbert O. Willborn of Amarillo, and he deserves your consideration and support.

VISIT HOMEFOLKS

Captain Donald A. Pitts of Omaha, Nebraska and Captain David Pitts of Ft. Sill, Okla. have recently visited their parents, Mr. and Mrs. C. A. Pitts, and attended Homecoming activities here the past week end.

QUALITY JOB PRINTING AT THE LEADER

Dist. Judge Charles Reynolds agreed to a hearing to determine the competency of Clyde Gilbreth to stand trial on the charge of murder with malice Tuesday morning after listening to arguments from both the defense and the prosecution. Gilbreth was charged with murdering John R. Gillham July 22nd in front of his office here.

The original motion by the defense for a sanity hearing also included a request for the hearing to be conducted to determine Gilbreth's sanity at the time of the alleged offense, but the Judge overruled the second part of the motion. (Editor's Note) If a jury finds the suspect incompetent to stand trial, he can be sent off for treatment but if ever declared sane, he can still be brought back and tried on the original charge.

The hearing began Tuesday afternoon after a 10-man, two-woman jury was selected and attorneys presented opening statements.

Three witnesses for the defendant testified Tuesday afternoon that the defendant is a "schizophrenic paranoid" who is subject to delusions and a feeling that he is being persecuted.

The trial was resumed at 9 a.m. Wednesday morning with numerous witnesses testifying for the defense. Both sides rested their case at 11:20 and court was recessed until 1:15 at which time Judge Reynolds would have his charge to the jury prepared and attorneys for both sides could present their closing arguments.

Due to the time the final pages of the Leader are filled up and prepared to go to press, we regret that we were unable to wait for the verdict of the jury as we are limited in getting the Leader to the Post Office in time to catch the last mail truck.

Electrification Short Course To Be Held Here Oct. 14-17

A Farm Electrification short course for adult farmers will be held October 14-17 under the sponsorship of the Clarendon High School Vocational Agriculture Department, according to Mr. Arling Cordell, Superintendent and Mr. Milton Mann and Randy Simmons, teachers of vocational agriculture.

The short course is being sponsored by the vocational agriculture department of Clarendon High School. Mr. Cleve Walkup, Farm Electrification specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University. Mr. Walkup holds a B.S. degree in Industrial Education and a B.S. degree in Agricultural Education.

The short course at Clarendon is scheduled to begin October 14 at 7:30 p.m. in the vocational agriculture building.

During the dates the short, is in progress, Mr. Walkup will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Milton Mann and Randy Simmons.

Farmers interested in attending the short course should write or call the superintendent of schools, Mr. Cornell, or the teacher of vocational agriculture, Mr. Milton Mann or Randy Simmons. An entry fee of \$3.00 will be charged. Farm Electrification Short Course Certificates are to be presented to each farmer who attends all the training sessions.

1968 BRONCHO FOOTBALL QUEEN

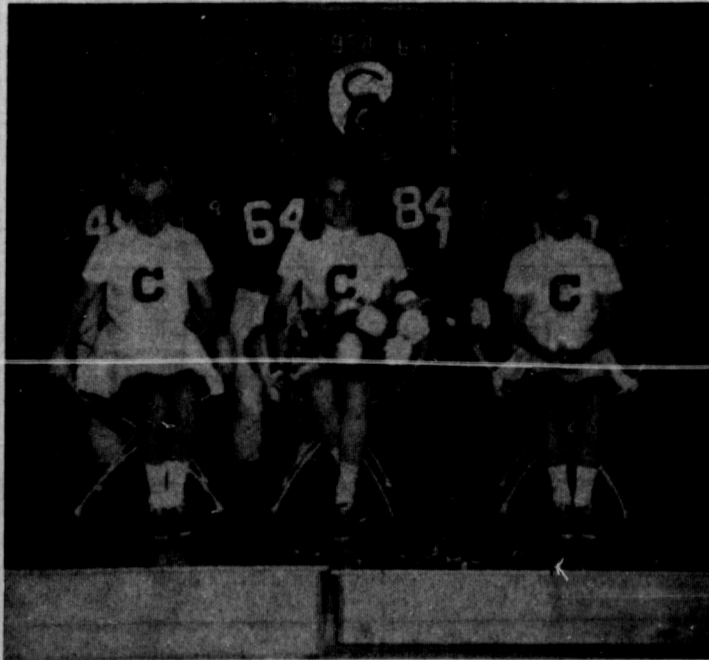

Photo by Saye—Leader Engraving

Miss Cathy Craft, daughter of Mr. and Mrs. Bill Craft, was crowned 1968 Football Queen at the pep rally last Friday afternoon. Her attendants were: left, Candy Skelton and Lanette Allison. The four Broncho Captains, left to right, Steve Land, Everett Monroe, Larry Kidd and Phillip Longan, wore their escorts.

Mr. and Mrs. W. R. Clack were guests in the home of the Lee Palmers Saturday.

Mrs. Ben Lovell visited Mrs. W. A. Poovey Tuesday.

Mrs. Tyler and Mrs. Edwards visited Mrs. D. C. Peden Friday.

Ward Palmer participated in the Clarendon Jr. High game last Thursday.

Congratulations to the 1968-69

football queen, Cathy Craft.

Miss Blankenship and Mrs. Steve Donald attended an English Workshop at Palo Duro High School Saturday.

Rev. O. C. Edwards attended the Clarendon game last week.

Mr. and Mrs. Joe Lovell and Leah visited the Ben Lovells Saturday.

Hear again I pray, this old time they say;

An apple a day, will keep the doctor away.

An onion a day, will keep everybody away . . .

Now in this modern day someone comes up with the angle that onions will keep even the insects away . . .

We know at least a couple of ladies that plant the old time Shellot onions around their peach trees. They both claim, and we are going to try it, that not one single borer will invade your trees. They recommend it highly as a safeguard planted around any tree which the hurtful borer is inclined to molest.

Also, along the same line another lady says that one can take the juice from the tops of these same onions and spray on any tree and that no insects will bother . . . Someone else tell me whether these two remedies

will work.

We trust our Heavenly Father To keep our lives a-right.

To keep life's ship a-sailin' straight Throughout the stormy night. —CCW.

Where on earth would we be if we could not trust the great problems which loom up to meet us to this Higher Power?

If you wish a joyous time— Just visiting the Lord; Try praying for your enemies As written in His Word. —CCW

Forgiving our enemies is one of the conditions we have to meet before we can expect Our Heavenly Father to forgive us. . . . We can not expect our own prayers to be answered unless we meet the above condition. A forgiving heart is a heart already prepared for rich blessings. . . .

From Treasured Verses, 1968, we glean the following advice on How To Get Along With People: Keep skids on your tongue; always say less than you think; cultivate a low, persuasive voice. Make promises sparingly and keep them faithfully, no matter what it costs you. Praise good work well done, regardless of who did it. If criticism is merited, criticize helpfully, never spitefully. Preserve an open mind on all debatable questions. Discuss but don't argue. It is a mark of superior minds to disagree and yet be friendly. . . .

Let me be a witness, Lord, Let me tell Thy goodness true. Tell of all the precious things That the Lord can do for you . . .

If you aim at the engine you'll catch the caboose, even with a near miss . . .

It's better to be found still trying than to be left out.

In the battle of life you are seldom counted out unless you have dropped out.

One of the editors reminded me that there were three things that were a sure sign we were getting old; one, when we were forgetful, and when we couldn't remember the other two things.

If someone could invent a sure-fire complimentary mirror he would make a fortune for sure. . . .

"Toasting a man at a banquet is sometimes called buttering him up" . . .

"A fair-weather friend is one that is always around when he needs you."

They say: "Nothing shortens a gossip story like having the person being talked about show up suddenly."

"Most folks go into debt trying to keep up with those who already are" . . .

"Even though it is a boring trip, they tell us we should see our dentist twice a year."

"Money works two ways, it talks, and it stops talk."

Dr. James Swift of Wichita Falls visited his mother, Mrs. J. D. Swift, and sister, Mr. and Mrs. E. O. Simmons and family, Sunday.

We want to say "thank you" to all of our friends and neighbors who helped us in so many ways while W. C. was in the hospital. Thank you for the prayers, visits, flowers, cards, and so many deeds of kindness

shown us and our family. May the Lord bless each of you. Mr. and Mrs. W. C. Ragan Nelda and boys

I desire to express to my kind neighbors and thoughtful friends my heartfelt thanks for their many expressions through their cards and letters during my stay in the hospital.

Pfeiffer - Ivy Nuptials Read October 5 In Local Church

Miss Janet Paulette Pfeiffer, daughter of Mr. and Mrs. Joe Pfeiffer of Amarillo, Texas, became the bride of Larry Don Ivy, son of Mr. and Mrs. J. E. Ivy of Memphis, Texas, in a ceremony performed Saturday, October 5, in the First Christian Church of Clarendon. The Rev. Paul Hancock, minister, officiated at the double ring service.

The church was decorated with large floating candelabra and kneeling bench sided by baskets of gladioli. In the background a cross was illuminated with red lights. Satin ribbon marked family pews. Mrs. Katherine Mitchell of Lubbock, sister of the groom, presided at the register.

Mrs. Raleigh Adams, Clarendon, organist, presented nuptial music and accompanied Miss Jeanie Hunter of Lubbock who sang "Twelfth of Never" and "Wedding Prayer."

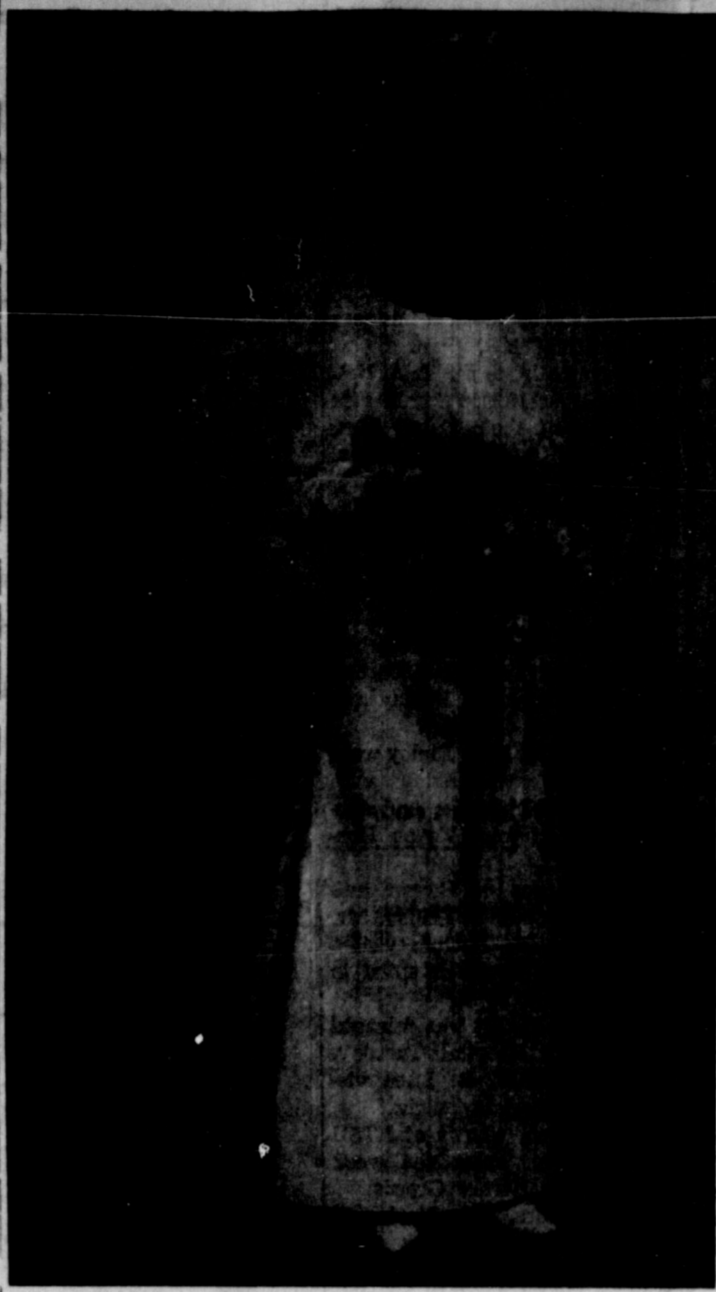

The bride, given in marriage by her father, wore an empire styled gown of white lace over pastel pink satin fashioned with long sleeves and a chapel train made by her grandmother, Mrs. O. T. Pfeiffer of Clarendon, Her

veil of pink illusion was attached to a crown of rhinestones and pearls and she carried a bouquet of feathered carnations centered with mums. All of the traditions were observed. She wore a diamond necklace given her by the groom and an heirloom gold bracelet.

Mrs. Kay Lindsay of Amarillo attended her sister as matron of honor, and Miss Sandra Ivy of Memphis, sister of the groom, was bridesmaid. Their dresses were fashioned along empire lines and were of shocking pink Peau de Soie. They wore matching headpieces and carried bouquets of rounded baby mums backed by pink meline and swinging from the wrist with silk cording.

Mike Mitchel of Lubbock, brother-in-law of the groom, served as best man. David Moore of Memphis was groomsman. Ushers were Steve Lindsay of Amarillo, brother-in-law of the bride; Neal Hughes, Terry Gables, and Dean Yarborough, all of Memphis, Texas.

Mrs. Pfeiffer, mother of the bride, wore a three piece beige suit with matching accessories. Mrs. Ivy, mother of the groom, wore a rose knit dress with black accessories. Each costume was accented by a corsage in white.

Mrs. Larry Don Ivy - nee Paulette Pfeiffer

Following the ceremony a reception was held in Fellowship Hall. The refreshment table was marked by a floral arrangement

of pink carnations and highlighted by the three tiered wedding cake decorated with pink roses. Favors were small bags of rice. Included in the hotseparty were Misses Marilyn Gregory and Sheila Givens of Pampa; Vida Wallin of Amarillo; and Cindy Anglin and Donna Windom of Clarendon. Guests were registered by Miss Donna Cameron of Pampa.

For the wedding trip to points of interest in Texas and Oklahoma the bride traveled in a two piece gray and white knit suit with black accessories and the corsage of mums lifted from her bridal bouquet.

After October 7, the couple is at home at Memphis, Texas. The bride attended Clarendon and Amarillo public schools. The groom attended Memphis public school and is employed by Standard Oil in Memphis.

Among the courtesies extended the couple was a shower in the home of Mrs. Bobby Staton of Amarillo and co-hosted by Mrs. Weldon Lehms and a miscellaneous shower at Patching Club House in Clarendon hosted by Misses Cindy Anglin, Donna Windom, Vida Wallin and Mesdames C. A. Wright, Billy Goodman, Curtis Mears, Elbon Naylor, Billie Christal, Raleigh Adams, Hershel Heath, and Dollie Bain.

The rehearsal dinner was given by Mr. and Mrs. J. W. Ivy and was served at Mrs. Bromley's Dining Room.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met Thursday, October 3, at 2:30 p.m. in the club room. Arrangements of fall flowers were used in decoration since that was the program for the afternoon.

Mrs. Horace Green, president, presided at the business meeting. It was voted to give the school for the retarded a cash donation to be used for refreshments.

The next meeting will be October 17 at the club room. Lena Mae Graham will be the hostess and Gladys Gresham the program leader. Each member is asked to bring a pan and ingredients for making candy. This candy will be sent to service men overseas. A recipe exchange will follow.

Hostesses Naomi Green and Sue Rhoades served watermelon and cookies with coffee or tea to 12 members and one visitor: Members: Mary Dozier, Ismanell Gray, Gladys Gresham, Lillie Knox, Addierene Mahaffey, Veda Mahaffey, Johnny Poovey, Irene Vinson, Tressie Hughes; and visitor Mrs. Walter Green. Rep.

FHA PROJECT FOR OCTOBER PLANNED

The Clarendon High School Future Homemakers of America have planned a special project for the month of October. Chapter members will collect items for servicemen in Vietnam.

Articles to be collected include non-perishable candies and cookies, razor blades, paperback books, pre-sweetened drink powder, and ready pop popcorn.

Everyone is invited to participate and may leave items at the Home Economics Department at the High School or give them to any FHA officer.

MRS. A. G. LANE HOSTS REUNION

Mrs. A. G. Lane recently had the pleasure of having her children, most of her grandchildren, and eight great grandchildren visit her for a family reunion. The occasion also marked her birthday.

Her visitors included Mr. and Mrs. Roy Gammons and daughter and family of Fort Worth; Mr. and Mrs. Dalton Ford of Sunnyvale, California and their daughter and family of White Deer; Mr. and Mrs. A. G. Lane of Phillips and daughter and family of Dallas; and Mr. and Mrs. Maurice Lane and a son of Amarillo.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met October 3 with Bonnie Davis. One quilt was worked on.

Refreshments of doughnuts, cookies, Cheezits, coffee, and punch were served to members: Joy Roberson, Johnie Bryson, Della Allen, Blanche Gray, Nina Dale, Minnie Roberson, Georgia Vaughn, Quata Phillips, Lila Roberts, and one visitor. Rep.

Fertility in the soil is the wealth of our nation.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Gerald Noble, Clarendon, Texas, announce the engagement and approaching marriage of their daughter, Karilyn Jean, to Virgil Kidwell, son of Mr. and Mrs. Curtis L. Kidwell of Wheeler, Texas. The wedding will take place November 16.

FHA NEWS

A very interesting program was presented when the Clarendon High School FHA Chapter met Monday night. Kay Greer and Diane Carter narrated the program, "Accessories Your Wardrobe." Girls from the Home and Family Living Class and the Homemaking II class modeled a dress selected from their wardrobe and accessorized it in three different ways.

Purpose of this program was to show the girls how a wardrobe could grow on a limited budget.

Plans were made for the October project which will be "A Salute to Soldiers." Rep.

Guests in the home of Mr. and Mrs. Carl Naylor Saturday were Mrs. Jim Baker and Mrs. Don Baker of Alvarado. All were dinner guests in the home of Mr. and Mrs. Calvin Naylor of Amarillo Sunday and the visiting ladies returned to their respective homes Monday.

Federated Club Women To Meet Here October 15

The Top of Texas District Text as Federated Women's Club board of directors, club members and guests will meet in Clarendon Tuesday, October 15, with Mrs. B. M. Sims, of Wellington, president, presiding. Theme for the District is "Spheres of Service, Patterned for Progress" and for the workshop, "Surveying Our Spheres of Service."

Host Clubs will be the Federated Clubs of Clarendon and Hedley with Mrs. R. S. Brumley of Clarendon the co-ordinator.

Registration will be held from 8:30 to 9:30 a.m. in Fellowship Hall of the Methodist Church with the formal opening at 9:30 a.m. The group will recess at 10 a.m. for Workshops. Luncheon will be served at 1 p.m. in the new College Cafeteria.

Following the lunch period, ladies will return to the church and workshops reconvene at 2:15 p.m. The progressive finale will be reached at 2:45 when Les Beaux Arts Club will host a punch party using as their theme "The Possible Dream."

Attendance is expected to be good at this, the ninth annual fall meeting.

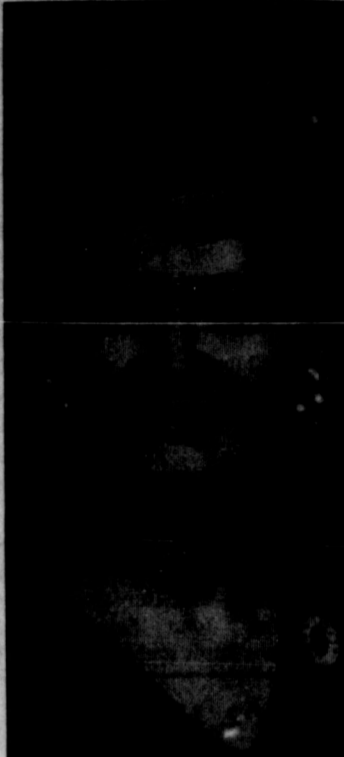

HILLS ATTEND FUNERAL

Mr. and Mrs. O. T. Hill, also Nolen, Orin Lee, and Ross Hill went to Mulshoe last Wednesday to attend funeral services for Mrs. Hill's brother, O. H. Lorance of Mulshoe.

Pat Perkins, Montie Land, Tony Dromgoole and a friend of Stephenville spent the week end with homefolks and attended Homecoming.

Mr. and Mrs. D. E. Leathers spent the week end with their daughter, Mr. and Mrs. J. R. Williams and family at Pagosa Springs, Colo. They enjoyed seeing the snow covered mountains and the beautiful fall colors.

Twenty-six per cent of the total State Park acreage is water.

Mrs. B. M. Sims of Wellington, Texas, president of the Top of Texas District Texas Federation of Women's Clubs will preside at the District meeting to be held here October 15. Mrs. Sims has worked with many civic organizations in Wellington, served as a Den Mother and recognized with an award of distinction by the Comanche District, and has served on the County Historical Committee. She has held several offices in Federation work and represented Texas in the Mrs. America Pageant. She is also listed in the first edition of Outstanding Young Women of America.

Eight of the 10 largest cities in the country lost population between 1950 and 1960.

STATE Capital NEWS

AUSTIN, Tex. — "Unity" was the unofficial theme of both Democratic and Republican state conventions, and each party to carry that concept on to a victory on election day, November 5.

Democrats at Austin passed the torch to Lt. Gov. Preston Smith, their nominee for governor, and heard ringing cries to support the party's ticket from courthouse to White House. Ben Barnes, the youthful lieutenant governor nominee, and Smith literally joined hands to dispel all rumors that they would not work together.

State Democrats also adopted a 16-point platform, emphasizing need for law and order and improvements to education at all levels. They elected both liberals and conservatives to the new State Democratic Executive Committee (with only 13 holdover members) headed by Dr. Elmer C. Baum of Austin as chairman, Mrs. Ralph O'Connor of Houston as vice-chairman and H. H. Coffield of Rockdale as secretary.

Gov. John Connally broke the ice on the national ticket front by endorsing Hubert H. Humphrey and urging Democrats to band together in his behalf. And the convention was read a telegram from Pres. Lyndon B. Johnson saying Humphrey is his man.

In Fort Worth, Republicans, full of optimism over Richard Nixon's chances to sweep the state and nation and hopeful of statehouse gains as well, heard

their backing of George Wallace for President. Wallace himself was at the convention, exhorting his followers to work hard on his behalf.

NEW COLLEGE APPROVED — Creation of new state senior colleges in San Antonio Corpus Christi, Houston (two) and the Midland-Odessa area has approval of the Coordinating Board, Texas College and University System. Board also recommended an "upper division" — junior and senior years — higher education center at Laredo.

Master plan being compiled by the Board apparently will contain a proposal to limit enrollments at state institutions beginning in 1972.

Board recommended creation of a new dental school although it declined to make recommendation as to site.

OIL ALLOWABLE HELD FIRM — Railroad Commission fixed statewide oil allowable at 41.3 per cent of production potential. Figure is unchanged from September. Percentage factor permits maximum production of 3,246,026 barrels a day. Nine of 14 major crude oil buyers sought to keep the allowable intact. Four wanted a decrease and only one sought an increase.

TAVERN VENDING MACHINE PROBE OPENS — First witnesses before a House committee's probe of connections between vending machine operators and taverns said their testimony endangers their safety.

Rep. James Clark Jr. of Dallas offered evidence of alleged financial control of taverns by vending machine firms. Committee Chairman R. H. Cory of Victoria said information has been gathered on the subject in Dallas, Fort Worth, Austin, San Antonio, Houston, Midland-Odessa and Amarillo.

He emphasized there is as yet no evidence of unlawful activities by the merchandise vendors. Hearings apparently will continue through most of the year.

APPOINTMENTS — Wilson E. (Pat) Speir now is full-fledged director of the Texas Department of Public Safety.

Colonel Speir has been acting director since May 14 following the death of Col. Homer Garrison Jr. whom he had served as assistant director for six years.

Lt. Col. Leo E. Gossett was designated DPS assistant director and Joseph E. Miller, chief of traffic law enforcement, Texas Ranger Sergeant James M. Ray of Midland was promoted to captain and stationed at Lubbock. Ranger Edwin G. Albers Jr. of Canyon was promoted to sergeant and transferred to Midland.

Governor Connally named Joe Benjamin Roberts chairman of the Texas Industrial Accident Board.

Frank J. Womack is new assistant director of regional programs for the Department of Mental Health and Mental Retardation. Connally re-appointed State Sen. William T. Moore of Bryan as legislative member of the board of control for Southern Regional Education.

CITIES COLLECT UNDER SALES TAX — Local option one-per-cent sales taxes collected by 155 Texas cities from Comptroller Robert S. Calvert totaled \$20.7 million.

Money represents local collections from April 1 to June 30. In most cities, collections ran substantially ahead of estimates.

NEW HUNTING GUIDE NOW IN THE MAIL

The Texas Parks and Wildlife Department this week began mailing the 1968-69 Texas Hunting Guide to license deputies and Department regional and district offices throughout the State, according to Robert G. Mauermann, deputy director of the Department.

Altogether, the Department will distribute 800,000 of these guides with most of the distribution being handled by 3,000 license deputies or field personnel of the Department.

The Austin office of the Department generally distributes a good number of the guides, but most are requests from out-of-state.

This year's guide, printed on both sides of 18 by 21-inch paper, gives the seasons, bag limits and a condensation of the State's hunting laws for deer, turkey, javelina, quail and squirrel for each of the 254 counties in the State.

In addition the guide contains information on hunting licenses, antlerless deer permits, means and methods of taking game, shooting hours and much other information of value to the novice or the oldtimer, Mauermann said. Hunters are urged to pick up their copy of this year's guide from a local license deputy or the nearest Department office, Mauermann said.

The hand that worked the plow — that led the team — that hustled the corn — was the hand that guided America to its greatness.

GETTING UP NIGHTS

Common Kidney or Bladder Irritations make many men and women feel tense and nervous from frequent, burning or itching urination night and day. Secondly, you may lose sleep and have headache, backache and feel older, tired, depressed in such cases. CYSTEX usually brings relaxing comfort by curbing irritating acids in acid urine and quickly easing pain. Get CYSTEX at drug stores.

ANNOUNCEMENT

Our business has increased, especially in the Amarillo area, regarding appraisals for large loans involving industrial plants, office buildings, etc. We therefore called on Homer Simmons, our Panhandle area manager, to attend a recent Board of Directors meeting at which time he agreed to move to Amarillo sometime in the next 30 to 60 days. He owns a home there. Mr. Simmons, however, retained the privilege of spending one to three days per week in Hedley and vicinity when necessary, at his discretion, to continue with his Real Estate Business.

NEWS FROM

Congressman Bob Price 18th District, Texas

The Republican Task Force on Crime on which I serve has analyzed the recently released FBI Uniform Crime Reports.

In my opinion, the incidence of violent crimes is the most meaningful indicator of the trend of criminal behavior in America. The figure cited in the following analysis are, I believe, much more significant than the 88 per cent overall increase to which there has heretofore been wide reference:

Some criminologists have taken issue with the validity of the FBI Crime Index as an indicator of nationwide crime increases. Property crimes, i.e., burglary, larceny and auto theft, year after year comprise the great preponderance of Index offenses and they say that, for a variety of reasons, increases in property crimes do not truly reflect the trend in criminal behavior.

As the Index pertains to violent

crimes, however, there is virtually no dispute. Most, if not all, agree that increases or decreases in murders, rapes, robberies and aggravated assaults from year to year present the most accurate measure of the overall crime picture. Moreover, the perhaps more important, it is universally recognized that it is precisely the violent crimes about which the people are most concerned. When one talks of escalating crime rates it should be borne in mind that it is principally the escalation of violent crimes that is truly a cause for concern.

The FBI Crime Index figures for 1967 and the preliminary report for the first six months of 1968 (released September 20) contain some startling revelations concerning the incidence of violent crime in America. Riots and civil disorders have no relation to the evaluation of these crimes and some interesting comparisons can be made with earlier years.

During 1967, violent crimes as a group increased by 16 per cent over the previous year.

During January - June 1968, violent crimes as a group increased an additional 21 per cent over the same period in 1967.

If this rate remains constant until the end of 1968, violent crimes as a group will have increased by 40 per cent in just two years.

During the full eight years of the Eisenhower-Nixon Administration, 1953 to 1960, violent crimes as a group increased by 31 per cent.

During the seven years since 1960, that is 1961 to 1967 inclusive crimes as a group have already increased by 73 per cent and if the last half of 1968 matches the first half, the increase for the comparable eight year period will be 109 per cent.

In the separate categories of violent crimes:

Murder has increased by 34 per cent during 1961 and 1967 and will show an eight year increase of 58 per cent by the end of 1968.

During 1953 to 1960, murder increased by 9 per cent.

Forcible rape has increased by 61 per cent during 1961 to 1967 and will show an eight year increase of 85 per cent by the end of 1968. During 1953 to 1960, rape increased by 51 per cent.

Aggravated assault has increased by 67 per cent during 1961 to 1967 and will show an

eight year increase of 90 per cent by the end of 1968. During 1953 to 1960, aggravated assault increased by 29 per cent.

Robbery has increased by 88 per cent during 1961 to 1967 and will show an eight year increase of 125 per cent by the end of 1968. During 1953 to 1960, robbery increased by 33 per cent.

Mr. and Mrs. Charlie Hearn and Frank Lyle shopped in Amarillo Tuesday.

Improved Pasture Management

Improved pasture acreage in Donley County is increasing each year as more livestock producers attempt to increase beef production on a limited acreage. As a result of this land use change there is a growing need for increased knowledge of pasture management.

The common grasses used for improved pasture in our locality are Midland Bermudagrass, side-oats grama, Indiangrass, Johnsongrass, weeping lovegrass, and switchgrass.

The Soil Conservation Service offers the following suggestions for continuous high production from pure stands of these grasses.

Fertilization is essential for maximum quality and quantity of forage production. A soil analysis is the most sure method for determining fertilizer needs, however the local Soil Conservation Service employees can provide general recommendations.

Grass should be allowed to approach full production before grazing is started. Switchgrass, Johnsongrass, and Indiangrass should be about 18 inches tall before grazing is begun. Side-oats grama and Bermudagrass should be 6 inches high and weeping lovegrass needs to reach an 8 inch height.

During the season of use, the tall grasses should not be grazed below a 10 inch height and side-oats grama and Bermudagrass should not be grazed below a 4 inch height. Inadequate root systems usually result when grasses are grazed below these heights and future production suffers.

It is also wise to allow a few weeks regrowth before frost in order to provide food storage in the plant roots. This will insure strong topgrowth the following spring.

Under intensive irrigation and fertilization, it is profitable to cross fence the pasture into several equal sized areas and rotate grazing. The rotation periods can be arranged to correspond with the proper regrowth, irrigation, and fertilization inter-

vals needed for the particular species involved. Regrowth periods will normally be two to four times as long as each grazing period. This type of management results in the maximum beef output per acre.

AREA AODAD PERMIT TO INCREASE

The Texas Parks and Wildlife Department will issue 93 aoudad permits for the Palo Duro Canyon area, 9 more than last year.

The aoudad or Barbary sheep, a native of the Atlas Mountains of Africa, is considered a difficult animal to hunt, due to its choice of habitat.

The animals were released experimentally by the Department several years ago, and the herds have increased to an estimated population of some 650 animals.

Project leader Richard DeArment said the 84 permits issued during the 1967 season resulted in a harvest of only 21 animals.

"The species has adapted well in the most rugged terrain, says DeArment, "and the only way to bag one of the 200 pound-plus sheep is the hard way.

BOBWHITE AND BLUE QUAIL POPULATIONS ARE EXCELLENT

Wildlife biologists of the Texas Parks and Wildlife Department have been hesitant to make other than casual estimates of the bobwhite and scaled quail crop in West Texas, but there's no doubt about it now—the quail crop is tops this year.

Birds have hatched early and late, and wildlife personnel and sportsmen are reporting large numbers of birds throughout most of West Texas.

Wildlife Supervisor Jack Parsons asserts that although there have been periodic high populations in some spots over the past several years, the 1968 crop, region-wide appears to be as good or better than any during the past nine years.

The soil like Freedom is not appreciated until it is endangered. —William R. Van Dersal and Edward H. Graham.

SIX FOODS COMPOSE OCT. PLENTIFULS LIST

Six is the magic number for October.

For this fall month hosts six special national celebrations and six foods are reported in abundance, according to the Texas Agricultural Extension Service.

For the festivities, there's National Apple Week, National School Lunch Week, Fall Cheese Festival, Rice Harvest Festival, Fish 'n' Seafood Parade — and Halloween.

Food abundance falls right in line with the celebrations. The U. S. Department of Agriculture reports plentiful offerings of apples, potatoes, rice, dry beans, pork and cheese.

Although the new apple crop is expected to be about 8 per cent less than the average, it's above last year's production. Since October is the peak harvest month, you can expect especially good supplies all this month.

Seasonal increase in hog slaughter should mean a greater volume of pork on the market at attractive prices.

Potato production is about 5 per cent off from last year's large crop, but 7 per cent above average. October's the chief harvest month of late summer and fall potatoes.

Rice, dry beans and cheese production all are running well above average. And October is a peak month for supplies. So offerings should be plentiful, says USDA's Consumer and Marketing Service.

You'll enjoy teaming up pork and beans, apples and pork, cheese and apples, rice and pork —really an excellent selection of "go-with" foods.

Once again we are in a conservation crisis that is a matter of urgent public concern. At stake is the quality of our total environment. The crisis will not go away. It demands action now. It demands intelligent purposeful direction at all levels of government and personal involvement by all citizens. Conservation is a physical task, a social philosophy, and an economic necessity. —Secretary of Agriculture Orville L. Freeman.

Cover Crops Halt Wind Erosion

By B. DALE REDDING Soil Conservationist

Landowners in the Donley County Soil Conservation District are preparing to combat the seasonal wind erosion and dust storms which have become such a serious problem in this area.

One of the best methods for controlling wind erosion is a cover crop such as rye or wheat. Several thousand acres of small grain cover crops have already been planted in the Donley County area.

Wind erosion and dust storms can be held in check. Proper land use and good soil and water conservation will prevent much of the damage to the land, crops, and people caused by blowing soil particles.

Research has proven that one cubic mile of air in the erosion stage can carry 126,000 tons of soil or the equivalent of one forty acre farm. Another interesting fact is that the winds which cross the Mississippi carry 1,000 times more soil than the river itself.

A growing crop is much more effective per volume weight than is dry residue to prevent erosion. Fields protected by vegetation will not blow severely regardless of how dry it gets. The highest wind velocity ever recorded at one foot above the ground is 35 mph and a growing cover will reduce this more than half.

An unprotected field nearby can reduce the effectiveness of a cover crop markedly. The blowing soil particles from such a field can cut off the tender leaves of a growing cover crop and add to the hazard of wind erosion.

A plant cover should be established on blowing land at the earliest opportunity. Even weeds that grow on blowing fields should be protected until moisture permits planting of a cover crop.

Grain sorghums, sudan, rye, and wheat are well suited to this area.

The Soil Conservation Service will assist farmers in planning and selecting cover crops best suited to the individual farms.

For summer picnics you can increase your cooler's performance by pre-cooling with a few pounds of ice for an hour before you pack it and by refrigerating the food and drinks that will be placed in it, suggest Extension home management specialists.

When doing your family's laundry you may or may not get a washing advantage by underloading your machine, but you're very likely to lose cleaning power if you overload.

Why is the home an attractive target for the burglar? "Watchmen, watchdogs, highly intricate alarm devices have been employed by business, while many homeowners don't even bother to lock their doors when they go out."

The People of the HEDLEY AREA

- Wheat — \$1.26 per bushel
- Grain Sorghum—\$1.64 per cwt.
- Cotton—20.25 cents per pound

BINDWEED CONTROL

We have received information that cost-sharing is no longer authorized for Practice B-12 (Bindweed Control). Due to a change in the labeling of bindweed control chemicals, their use has been "restricted to waste areas, around farm buildings and right-of-way and then only when there is no danger of residues entering into streams, drainage channels and irrigation ditches." This means that bindweed control will no longer be a part of our Agricultural Conservation Program.

In view of the new restrictions on the use of these chemicals, you are cautioned that

compliance with government regulations concerning their use rests with each individual user.

EMPLOYEES ATTEND TRAINING CONFERENCE

Lacy, Horace, Molly, Pat, and Irene were in Dallas this week to attend a three-day training conference for ASCS employees and committeemen. Meetings such as this are always helpful to those who administer the farm programs.

MOISTURE TOTAL IS STILL GROWING

The rain last Friday night added another .63 to the years total moisture figure and this was boosted a bit more Tuesday night with another .14 to bring the grand total to date to 23.36 inches.

The area west of town seems to be the focal point of the moisture and hail, receiving two inches of rain Friday night and damaging hail Tuesday night. Hail here in town was scattered Tuesday night but some stones were between hen egg and tennis ball size.

Mr. and Mrs. Lee Muse returned home Monday night after having visited their son, Sidney, and family in Joplin, Mo.

Wednesday night, October 16 at 7:30 p.m. Clarendon College will sponsor the exciting new folk musical "Good News" presented by the Chapel Choir of the First Baptist Church, Quitaque, Texas.

This fifty-five minute musical includes original folk songs written and compiled by Bob Oldenbuey and other features included are dramatic sequences, monologues and personal testimonies.

"Good News" is a musical which will appeal to all ages, but is written especially for the

youth of today. Under the direction of Mrs. O. R. Stark, Jr., there is a cast of 28 young people with Oliver Clark playing the reactor. Many solos and special parts will be presented. Drama director is Mrs. Wayne Hunter and playing the guitars are Benie Brown and Wayne Hunter. Mrs. Elwayne Turner is the pianist.

There will be no admission charge for this hour of exciting portrayal of todays teenagers. Be sure to make it to the Clarendon auditorium October 16 at 7:30!

BOLL WEEVIL CONTROL MEETING AT MEMPHIS OCTOBER 14TH

The Hall County Insect Control Association will hold a meeting on the Boll Weevil control. This meeting will be at Memphis on the 14th of October, 1968 in the Community Center. The idea of this meeting will be to organize an executive to carry out the desire to control the boll weevils. If at all possible please try to attend this meeting in

Memphis at the Community Center p.m., a spokesman of the association October 14, 1968 at 8:00 o'clock stated.

Restaurant Ramblings

By Jake Lemberth

American wines are classified into five types: appetizer wines, white table wines, red table wines, dessert wines and sparkling wines.

The appetizer wines include Pale Dry Cocktail Sherry, Extra Dry Vermouth, and Sweet Vermouth. The white table wines are: Sauterne and Rhine. The red table wines are Burgundy, Claret and Rose.

There are six dessert wines, namely Port, Tawny Port, Sherry, Cream Sherry, White Tokay and American Muscatel.

The sparkling wines comprise: Dry Champagne, Brut Champagne which is very dry and Sparkling Burgundy which is Champagne Rouge.

The body of wine indicates its consistency or thickness. Bouquet

is the fragrance which originates from the fermentation and aging. Brut means the driest type of Champagne. "Dry" is the opposite of sweet.

WATCH NEXT WEEK FOR "GUIDE TO SERVING WINE"
