Hedley's 17th Cotton Festival Huge Success

(Editor's Note: We are indebted to Mabel Bridges, our Hedley Correspondent, for this account of the Festival.)

Hedley's 17th Cotton Festival has passed into history as a most successful event. The annual celebration is sponsored by the Lions Club of Hedley, but all of the folks join in and work to make it a success. Judy Leggett, daughter of Mr. and Mrs. Lloyd Leggett of Hedley reigned as Queen.

Many dignitaries were present to enjoy all or part of the many activities. Lion District Governor 27-1 Milton E. Laurie rode in the parade and crowned the Queen of Cotton Nancy Saunders. District Lion Sweetheart, Miss Francine Tippet, daughter of Mr. and Mrs. G. R. Tippet of Paducah was on hand for the parade Saturday afternoon. Kent Bennett, Field Representative of the National Cotton Council, and his wife, a former Hedley girl—Judy Keoninger of Quanah, were present. Congressman and Mrs. Bob Price waved to the crowd as they rode in the parade and received a warm welcome as they visited later. Hopeful candidates Dick Brown of Hartley and Tom Christian and his wife of Claude were also present.

Beautiful floats with lovely girls made the parade most attractive. Marching bands, and riding clubs along with several Model A Clubs of Amarillo made up the parade, one of the best to be seen in the Panhandle area.

Window exhibits featuring carving, handicrafts, and paintings were viewed by the many who attended the two day event. The Style Show was also enjoyable. Models were members of the Sodalitis Club and their All Cotton Wardrobe was a feature of the National Cotton Council of America.

Highlighting the entire two days was the spirit of friendliness, good fellowship, and visiting. Though everyone was tired at its conclusion, residents are looking forward to next year and a bigger and better than ever 18th festival and extend a warm welcome to you then.

Mr. and Mrs. John Plaster and John Charles of Pampa visited Saturday night with her mother, Mrs. Clyde Gilbert.

Bronchos Take 35-6 Win Over Stinnett

By IRVIN MEARS
In perfect football weather the No. 3 ranked Class A Clarendon Bronchos took a win over the spunky, sophomore laden Stinnett Rattlers.

The Bronchos took the kickoff from the Rattlers, and marched to their first score of the night as Walter Reese took a handoff from Don Mooring and raced 68 yards for the TD with 9:54 left in the first quarter. Phillip Longan kicked the extra point to make it 7-0.

After a Jim Moore fumble on a Rattler punt, it didn't take the Rattlers very long to put the first 6 points on the scoreboard that has been scored against the Bronchos this season. Glenn Shiplet, a 165 pound sophomore ran 3 yards for the score. The try for extra point was no good and the score was 7-6.

With 2:52 left in the first quarter Jim Moore took a pass from Mooring and sped 43 yards for the Bronchos second TD. Longan again kicked the extra point to make it 14-6.

With the Bronchos facing a second down with only 46 seconds left in the half, Mooring went back to pass but couldn't find a receiver open and ran 18 yards for the third Broncho TD. Longan's kick was good and the score 21-6 in favor of the visiting Bronchos.

Most of the third quarter was played in the middle of the field while neither team could muster any type of offense. But with 2:11 left, Mooring hit Moore with a pass across the middle that left everyone surprised. Moore raced 51 yards for the TD. Longan again kicked to make it 28-6.

The Bronchos again scored with 4:35 left in the fourth quarter as Mooring scored from 2 yards out. Longan's kick was true and the final score stood 35-6.

Walter Reese led the Broncho rushers this week with 69 yards in 5 carries for 13.8 average. Steve Land picked up 64 yards on 11 carries for a 5.8 average. The Bronchos picked up 388 total yards and 13 first downs, while limiting the Rattlers to only 101 total yards and 3 first downs.

Friday night Clarendon plays host to the Claude Mustangs in the first conference encounter for both teams.

Possibility of Water Show Discussed At Meeting Tonight

Directors of the Clarendon Chamber of Commerce will meet tonight, Thursday, at the City Hall at 8 p.m. in a special called meeting by President Flip Breedlove to discuss the possibility of promoting a Water Show next spring.

Lloyd Bowman, publicity chairman of the Panhandle Boat & Ski Club of Amarillo and other members of the club will be present to discuss the possibility of such event at Greenbelt Lake.

All members of the Chamber of Commerce and other interested persons are welcome to attend.

Mrs. Katie Vinson Rites Held Sunday

Funeral services for Katie Pemelia Vinson, age 79, a resident of Clarendon for over 38 years, were held Sunday afternoon, October 13, in the First Baptist Church with Rev. W. R. Lawrence, pastor, and Rev. R. L. Lockwood, pastor of the Assembly of God Church, officiating. Interment followed in Citizens Cemetery under the direction of Murphy Funeral Home.

Mrs. Vinson died Friday evening, October 11 in Groom Memorial Hospital where she had been a patient for one week. She was born December 21, 1888 in Velasco, Texas and married Luther Vinson in December, 1921 at Childress. The family came to Clarendon in 1930 from Childress. She was a member of the First Baptist Church.

Survivors are a step-daughter, Mrs. E. R. Small of Amarillo; a step-son, Leon Vinson of Delano, California; a sister, Mrs. Clara Stone of Turkey; fourteen grandchildren and four great grandchildren.

Bearers were Roy Johnson, Albert Johnson, Jr., Ross Hill, W. N. Elam, G. T. Mayo, and Billy Mayo.

DRILL TEAM BAKE SALE SATURDAY

The Clarendon Drill Team will sponsor a bake sale Saturday, October 19. Booths will be set up at Junior's Food Market, Clifford's Grocery and Landers & Ray Super Save. Shop these booths for your week end pastry needs.

Colts Defeat Claude By Score Of 38-14

Coaches Pete Brumley and Jack Hall led the Colts to another victory when the Junior High boys from Claude invaded Broncho Stadium last Thursday night. The final score was 38-14.

Tommy Shields led off the scoring for the Colts in the first quarter striking from 15 yards out, John Holland converted for the two extra points. Ewayne Barbee scored from 20 yards out for the second TD and John Holland again converted. The Colts second string played the remainder of the first half and allowed Claude to score one TD from 55 yards out with their try for extra point good. The half-time score tallied 16-8.

In the third period of play Joe Shadle scored from 50 yards out and Holland's try for extra points was good. The Colts score by Kenny Tyler was from 2 yards out but the try for extra points failed. Clarendon's second string allowed one more score for Claude from 60 yards out but the conversion failed. Ewayne Barbee accounted for the final tally from 30 yards out and Holland made up the two extra points.

Cheerleaders presented a fine skit at the rally Thursday afternoon and the support given the Colts by their fans was appreciated. Both the offense and defense looked good in the game.

The Colts will travel to Silverton Thursday of this week. Game time will be 6:30 p.m. Everyone is invited to come out and make the trip with the Colts and give them your firm support.

GREENBELT RECEIVES LOAD OF CHANNEL CAT

Roy Hunter reported Monday that Jack Crabtree, Parks and Wildlife Biologist of Canyon, released 45,000 four to six inch channel cat in Greenbelt Lake which make fishing prospects for the future much brighter.

Hunter reported good catches the past week of crappie and bass and said more pike were being taken also with some six and seven pounders being reported.

Mrs. C. T. McMurtry visited through the week end in the home of Mr. and Mrs. Pat Slavin and Mike at Lubbock and attended the wedding of Miss Karol Kuykendall.

CHS To Host Marching Band Festival Saturday

The Clarendon Public School in cooperation with area High School Bands will host the third annual Clarendon Marching Festival to be held in Broncho Stadium Saturday, October 19.

The festival will be conducted as a seminar to allow time after each band's performance for criticism and demonstrations for marching improvement and correction. Judges are directors of the participating bands. These include: Larry Kingsley, Clarendon; Carl Thompson, Lefors; Ron Sheppard, McLean; Jim Haile, White Deer; Martin Glass, Memphis; Wayne Tucker, Wellington; and Paul Matthis, Canadian.

The schedule follows: Class B—1:30 p.m. Lefors; Class A—1:50 p.m. Clarendon; 2:10 p.m. White Deer; 2:30 p.m. McLean; Class AA—2:50 p.m. Wellington; 3:10 Memphis; and 3:30 p.m. Canadian.

The public is invited to attend. Concessions will be provided by the Band Parents organizations and proceeds used to finance Band activities during the year.

DONLEY FARMERS UNION MEETING SET

The Donley County Chapter of the Farmers Union will hold a meeting at the Ag Building at the school Saturday night, October 19, at 7:30. Purpose of the meeting is to re-organize the Donley County Unit.

Both men and women are invited to attend. A covered dish supper will be served. Meat will be furnished with those who attend bringing a covered dish.

All interested persons are invited.

RUMMAGE SALE SET FOR OCTOBER 25

The WMC of the Assembly of God Church will hold a rummage sale Friday, October 25, and perhaps Saturday in the building across from the Donley Hotel to the north end of Main Street. Used clothing of all types—men's, women's, and children's with the largest amount being in children's wear will be featured.

The public is invited to shop this sale.

Jury Finds Gilbreth Incapable To Stand Trial For Murder

After six hours of deliberation, a 100th District Court jury composed of ten men and two women, found Clyde Gilbreth insane at this time and incapable of standing trial for the Murder of John R. Gillham July 22nd.

District Judge Charles Reynolds ordered Gilbreth be taken to the state mental hospital at Rusk as soon as possible and that he remain there until such time as the superintendent shall certify that he has regained his sanity. Gilbreth could be returned here to face the murder charge at such time he is ruled sane.

The case went to the jury about three o'clock last Wednesday afternoon. They reported back in at 5:30 deadlocked. Judge Reynolds recessed the court until 6:30 at which time he ordered the jury to resume deliberation. The jury returned its verdict shortly after 9 p.m.

Old Settlers Meet At Hedley Festival Fri.

Seventy Old Settlers signed the register Friday when the group gathered in Lions Den for their annual meeting in conjunction with the Hedley Cotton Festival. Clifford Johnson welcomed all those present and Judge R. E. Drennan made the response after which a sing-song of old and familiar hymns was enjoyed.

Mrs. W. I. Rains, the only living founder of this organization, was recognized and presented a gift. She was the oldest lady present, being 88 years of age. She has lived in Donley County 79 years and has been present at 15 of the Hedley Cotton Festivals including the first one.

F. G. Watt, 81, was the oldest man present. He has lived in Donley County since 1896. Mrs. Maude Lynn of Hemet, California traveled the greatest distance to be present for the festival. Each was presented a gift.

Mrs. Ruth Kennedy and her daughter, Mrs. Edward Hess, both of Oklahoma City arrived today (Thursday) to visit in the home of Mrs. C. T. McMurtry. Mrs. Hess continued on to Lubbock where she will attend a Girl Scout meeting returning to Clarendon Saturday. The visitors will leave for their home in Oklahoma Sunday.

Bronchos Open Conference Play With Claude Here Friday Night

The Bronchos will settle down to serious business here Friday night when they take on the Claude Mustangs in the first conference game of the season. Game time is 7:30 p.m. so plan to get ready to back the Bronchos a bit earlier than in previous games.

Claude is not considered a dangerous foe as indicated by their previous defeats this season, but they have always been an explosive team in past years and demand a certain amount of respect for their ability any time.

The Bronchos had their goal line crossed for the first time this season by Stinnett last Friday night and will be extending their power Friday night to prevent it from happening in this encounter. Stinnett was not considered much opposition but they played the Bronchos a better contest than any previous team and limited them to less yardage.

The probable starting line-up for the Bronco offense Friday night will be: Larry Kidd and Jim Moore, ends; Phillip Longan and Everett Monroe, tackles; Billy Longan and Doyle Gilbreth guards; Mitchell Martin, center; Don Mooring, quarterback; Walter Reese as wingback, Bennie Reese, fullback and Steve Land as tailback.

Be out Friday night and give the Bronchos your full support. They appreciate your being there.

Services Held For McKinney Infant

Funeral services for Shelley Bernice McKinney, infant daughter of Mr. and Mrs. Frankie Gene McKinney of 1201 Madison Ave., Amarillo, formerly of Clarendon, were held Saturday morning, October 12 in Murphy Memorial Chapel with Rev. Roy Eason of Amarillo, officiating. Interment was in Citizens Cemetery under the direction of Murphy Funeral Home.

Shelley died at 7:30 p.m. Thursday in Amarillo. She was born November 6, 1967 in Amarillo and had been in ill health since birth.

Survivors beside the parents are grandparents: Mr. and Mrs. Leroy Johnson of Clarendon and great grandparent, Cecil Mills of Clarendon.

Winners Announced In Hedley Parade

This year's parade at the Hedley Cotton Festival was one of the finest ever witnessed there and was, as it has been for a number of years, one of the most outstanding parades in the Panhandle as evidenced by the many beautiful floats seen there each year. Residents of Hedley and others preparing these floats are to be complimented on their efforts for these take a great deal of time in preparation and for this successful parade the cooperation of everyone is required.

The following were named winners Saturday: Bands: Clarendon Junior High, first; McLean Junior High, second; Memphis Junior High, third. Riding Clubs: Clarendon, first; Memphis, second; Hedley, third; and Quail, fourth. Business Floats: Security State Bank, first; Stafford Grocery and Ken Taylor Garage, second; and Moffitt Hardware, third. Clubs and Organizations: Sodalitis Club, first; Hedley Garden Club, second; and First Baptist Church, third. Out-of-town entries: Collingsworth County Farmers Union, first; Hall County C. B. Radio Club, second; and Coon Dog Davis, third. Cars: Dorothy's Beauty Shop, first; Hazel's Beauty Shop, second; and Robbie Wilkinson, third.

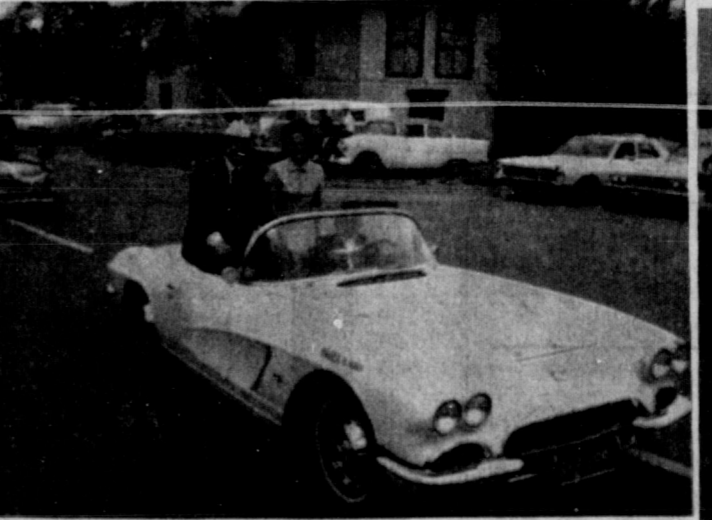

Overall winner was the Security State Bank of Hedley.

New Queen of Hedley Festival Crowned

A large crowd was on hand Saturday evening at the Hedley High School to witness the crowning of the new Queen of Cotton.

In a beautifully decorated setting, Nancy Saunders, daughter of Mrs. R. M. Saunders and the late Mr. Saunders of Hedley, was crowned Queen of Cotton to reign for the coming year. Milton Laurie, Lion District Governor of 27-1 had the pleasure of crowning the new queen.

Debbie Stephens, daughter of Mr. and Mrs. O. D. Stephens of Hedley, was first runner-up and Pam Myers, daughter of Mrs. Johnny Myers and the late Mr. Myers, was second runner-up.

BUFFS-REBELS PLAY IN CANYON SAT. NITE

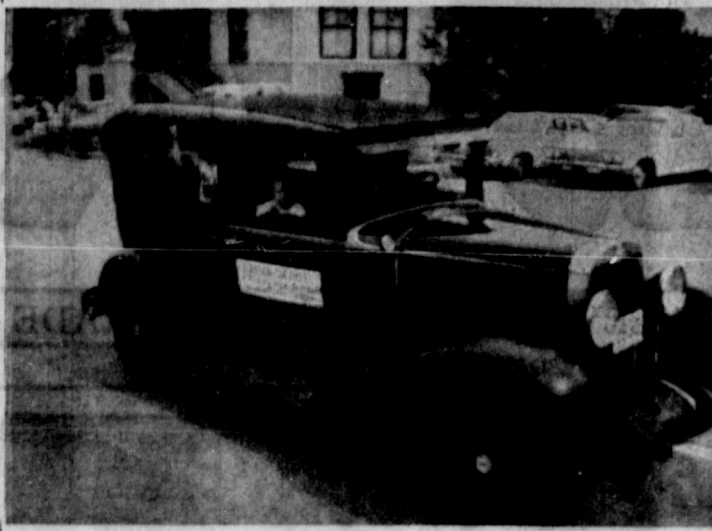

The West Texas State Buffaloes will have as their opponent the Rebels of U. T. of Arlington for their Saturday night game, October 19, at Buffalo Bowl. Game time is 8 p.m. Series history shows the Buffs to have won four victories out of five games played against the Rebels.

Plan to attend this game at Canyon. Tickets may be purchased from Joe Lovell at the Farmers State Bank or at the gate prior to the game. The Buffs will have only one more home

game which will be Homecoming set for November 9.

In writing the story for last week's paper, I goofed in stating that the Buffs game would be in Canyon when it was to be played in Memphis, Tenn. Perhaps it was well that the game was not on home ground for fans felt really let down when the Buffs were defeated 42-21. In many areas the Buffs out-played the Tigers but fumbles and inability to come up with scoring plays at critical points provided the difference.

Fans are hopeful that this week's game will put the Buffs back in the winning column. Sen-

DONLEY RURAL ACCIDENTS REPORTED

The Texas Highway Patrol investigated seven accidents on rural highways in Donley County during the month of September, according to Sergeant J. L. Dalrymple, Highway Patrol Supervisor of this area.

These crashes resulted in five persons injured and an estimated property damage of \$3,910. The rural traffic accident summary for this county during the first nine months of 1968 shows a total of 46 accidents resulting in three persons killed, 34 persons injured, and an estimated property damage of \$107,211.

Top Of Texas Federated Women's Workshop Held Here Tuesday

Top Of Texas District Federated Club Women convened here Tuesday, October 15, at the Methodist Church for a Workshop using as the theme for the day "Surveying Our Spheres of Service." Mrs. B. M. Sims of Wellington, District President, presided.

Registration opened at 8:30 a.m. with 148 representatives from Federated Clubs in the twenty counties in the district attending.

The formal opening was held in the sanctuary of the church. Rev. Carl Nunn, pastor, greeted those present and pronounced the invocation after which Mayor Richard L. Gilkey welcomed the visitors to Clarendon.

An impressive presentation of colors was carried out with Jeff Campbell displaying the United States Flag and Kenny Tyler, the Texas Flag. Both boys are members of Scout Troop No. 33. Adding to this ceremony was the group's pledge of allegiance to the flag and the singing of the "Star Spangled Banner." "Texas our Texas" was sung by the group after the Salute to the Texas Flag. Mrs. Sims gave a short resume of the development of the American Creed and the assembly repeated the Creed in unison.

The morning program continued with a jovial recitation, "America—The What," by Mrs. Frank Phelan, Jr. The assembly sang "O Beautiful For Spacious

Skies" with Mrs. C. T. McMurry, a District Life Member of Federated Club Women, giving the formal welcome. The response was offered by Mrs. V. O. Lassley of Stratford. A short business meeting was held and ladies adjourned to various workshops returning to the assembly hall for reports and project conference before lunch. Mrs. Frank Phelan, Jr. brought the morning session to a close with "Nations Prayer."

Lunch was served in the new College Cafeteria. "Patterns for Progress" was the theme used in the decor stressing Spheres of Service in the areas of Conservation, Education, the Fine Arts, Home Life, International Affairs, and Public Affairs. This was done through the use of pictures spaced on the tables with arrangements of pyracantha and runners. Baskets of pyracantha added to the attractiveness of the dining room.

The buffet was highlighted by a beautiful coral colored geranium used in a fall arrangement adding to the attractiveness of a colorful array of salads, relishes, vegetables, meat, rolls, dessert, and drinks.

Mrs. Sims presided at the luncheon with Mrs. L. N. Cox offering the invocation. Kenneth Vaughan, president of Clarendon College, welcomed those present. Musical entertainment was presented by Elvis Sain, a College

student, who sang songs, old and new, using his guitar as the accompaniment. Introduction of special guests followed.

A Style Show in the form of Living Pictures proved to be a delightful experience as fashion trends from pioneer days to the present were modeled. The show was climaxed by a model dressed as the Club Woman of the Future using as the projection the year 2000 A.D.

Concluding the luncheon program, Mrs. Sims reviewed the work of Federated Club Women in the fields of service as hospitals, scholarships, and other areas, and thanked all for the part each contributed to make this work a success.

The group adjourned to reassemble at Fellowship Hall of the Methodist Church where Les Beaux Arts Club of Clarendon entertained with a punch party.

The theme carried out in decoration was "The Possible Dream." The table was beautifully laid with a pale yellow cloth and was accented by a colorful rainbow with a pot of gold daisy mums overflowing with gold at its end. A crystal service was placed to either end of the table where Mrs. B. M. Sims and Mrs. C. T. McMurry dispensed punch prior to the visitors departure for their respective homes.

GOOD NEIGHBORS CLUB

Lida Warren entertained the Good Neighbors Club Friday, October 11. A covered dish luncheon was enjoyed at the noon hour by one guest, Evelyn Warren; and members, Mesdames Bessie Helton, Tressie Hughes, Carrah Nixon, Ruby Jordan, Blanche Gray, Maggie Easterling, Rosa Bingham, and the hostess, Lida Watten. Alita Spradlin came for the afternoon.

The day was spent doing needlework and visiting. The next meeting will be Friday, October 25, when we will meet with Rosa Bingham. We will quilt a club quilt. Everybody is urged to come early. Rep.

Young Homemakers Enjoy Mon. Meet

The forgotten art of Mending was the subject of demonstrations presented by Mrs. Pearl Hermesmeier when Young Homemakers met in the Homemaking Department Monday night.

Many damaged articles usually thrown away can be mended neatly. Stay Pressed materials pose many alteration problems. Changing the length of a trouser, tapering the legs, altering waistline, replacing, or repairing zippers were among items demonstrated. Also demonstrated was the replacement of pockets in men's trousers using the old pocket as a pattern for replacement. Lengthening or shortening sleeves in Men's coats and jackets was explained.

In women's wear, Mrs. Hermesmeier emphasized the importance of buying to fit from the waist up and shortening permanent pleated skirts. Interest in a workshop was shown and if you are interested in participating in a short course of this type, contact Mrs. Bourland, Homemaking Teacher. If there is sufficient interest this short course will be scheduled.

In the meantime, if you have any sewing problems with which you need help, come by the Homemaking Department between the hours of 2 and 3 p.m. any day except Monday. Twelve members and guests were present for the Monday night meeting. Rep.

Soil Conservation District News

E. W. Barbee of the Chamberlain Community was elected to the Board of Supervisors of the Donley County Soil and Water Conservation District in an election held last Tuesday night in the Chamberlain Community Center. He will be the supervisor for Zone 5 of the district for the next 5 years. Zone 5 is comprised of the area of the county East of Highway 70 and South of Highway 287. A District Board is comprised of 5 supervisors from 5 separate zones within the district. Each of these supervisors serve a 5 year term with the terms being rotated so that a supervisor is elected each year. Next year the election will be held for Zone 1.

Prior to the election the group viewed slides and heard Douglas E. Cunningham, Area Conservationist with the Soil Conservation Service in Pampa, narrate the depiction of soil and water conservation work in Texas for the last year.

Following the election the Board of Supervisors held a business meeting.

T. C. D'Spain and John Knorpp met with the Donley County Commissioners. Court during their regular meeting Monday. Attending with them was Monty Sowers of the Soil Conservation Service in Clarendon. They presented two proposed watershed projects to the Court for co-sponsorship. Applications for watershed projects on Whitefish Creek and Jesse Arroyo will be prepared and submitted to the Soil Conservation Service for approval. This will bring the total proposed watershed projects in Donley County to 4, being Lakeview, Lake Creek, and the above mentioned.

Highlights and Sidelights from Your State Capitol

By Vern Stanford

AUSTIN, Tex. — Presidential Campaign 1968 is starting to roll full speed in Texas.

Democrat Hubert Humphrey's official state organization — a political patch-work of two committees representing varying factions — was formed just six weeks before the November 5 election.

Former State Democratic Chairman Will Davis of Austin and Congressman Jim Wright of Fort Worth head Texas Democrats for Humphrey - Muskie, Cecil Burney of Corpus Christi is executive director and National Committeeman Robert Strauss of Dallas is finance chairman.

At its initial meeting in Fort Worth, the group — made up predominantly of Gov. John Connally's and President Johnson's friends — declared the election is yet to be won, and Humphrey has a chance of carrying the state.

U. S. Sen. Ralph Yarborough, leader of Texas liberals, heads a separate Texas Citizens for Humphrey - Muskie, and has formed a 137-member executive committee which met here Monday. Yarborough will work with traditional Democrats, ethnic minorities, independents, Republicans and "former supporters of Sen. Eugene McCarthy, Sen. George McGovern, Gov. Nelson Rockefeller and of the late Sen. Robert F. Kennedy."

Republican candidate Richard Nixon and American Party candidate George Wallace have had the benefit of months of spadework on behalf of their election

efforts. A recent Texas poll calculated Nixon and Humphrey are running close together (with about a third of the state's votes each) and Wallace is third with a fourth of the votes. Nixon was seen as having "the best potential for carrying the state." Most observers regarded that as an understatement as of now, although Humphrey's campaign could change the picture dramatically during the next five weeks.

Opinions vary widely as to Wallace's effect on the outcome of the hard-fought state contest. Democrats claim presence of the former Alabama governor on the ballot is hurting Nixon most. Wallace campaign leaders say they are cutting more deeply into traditional Democratic votes that normally would go to Humphrey. Nixon's Texas campaign director, John Hurd of Laredo, sizes up the Wallace candidacy as having "equal impact" on Nixon and Humphrey.

Both the GOP and organized labor (backing Humphrey) are mounting special campaigns aimed at winning back from Wallace votes for Nixon and Humphrey. Success of these efforts might spell the difference on November 5.

UNIVERSITY OF THE NORTH — Staff of the higher-education Coordinating Board has recommended "a multi-campus urban university" for the Dallas-Fort Worth-Denton area to include — at first — North Texas State University, Texas Woman's University and the University of Texas at Arlington.

These schools would be put under a new board of regents for the area and would be joined in a system later by other state-supported colleges and schools to form a university system designed specifically for the area. Board itself will hold a hearing on the proposal October 11, along with UT's own plan for uniting some of its institutions in the area.

HOMESTEAD CHANGE URGED — Constitutional Revision Commission has suggested tightening the homestead debt exemptions following a member's charge that the present basis state law provides a "haven for swindlers."

In its semi-final meeting, the panel agreed to a ceiling on a homestead exemption from foreclosure for debt should be limited to \$25,000. Present constitution provides exemption for rural homesteads of up to 200 acres and urban homesteads (of any value) on lots of up to \$5,000.

maximum valuation. PARK BONDS SOLD — First \$5.75 million of a \$75 million parks improvement bond issue has been sold at favorable interest rate.

Lehman Brothers and Associates of New York headed an investment syndicate which submitted 3.5846 per cent net interest rate bid, lowest of 16. American National Bank of Austin was selected paying agent for the bonds.

Initial development are expected to be a 120-mile range of the state's 10 largest population centers. A \$1 per car entrance fee at 30 existing parks and 50 cent per car charge at six others will pay off the bonds.

BEACON OF FAITH — Among the most prominent new landmarks in Florida is a 20-story-high nickel stainless steel cross at the Mission of Nombre de Dios, St. Augustine. Known as a "Beacon of Faith," the monument marks the site where the cross of Christianity was first permanently planted in the United States more than 400 years ago.

Guests in the home of Mrs. Edith Longan Sunday afternoon were Ben Andis of Amarillo, Wiley Fronabarger of Ft. Sumner, Mr. and Mrs. Tom Corder of Amarillo, and Mrs. J. C. Estlack.

My past eighty years young preacher friend from Lancaster, Wisconsin, writes to tell me that he has been real sick with a 30-day stay in the hospital. . . . He is home and better now, and he didn't lose his sense of humor. He closes his letter with "I was really sick for awhile — sicker than the Democratic party."

Speaking of Daniel we read this in a commentary: "The world can not breed a lion whose mouth the Lord cannot close." Likewise there are no problems too large for Him to solve. . . .

The world demands the very best, That we each have within us To meet with all the storm and strife That rises up against us. We can't give up, we can't let down, Not for one single minute, Or else the battle will be lost With all that there is in it. . . . CCW

Some folks are so busy keeping the records, that they don't have time to make a record.

Sympathy is never wasted except when you give it to yourself. . . .

Ever so hard I'd try. At last I looked unto Heaven And things fell into place. It was there I found the difference— God's ever loving Grace. . . .

Daniel recorded how the king lived on grass like the cattle for seven years until finally he looked unto Heaven. Then, his kingship was returned.

As a scholarship graduate of West Texas State University and while in the Navy as a member of the U. S. Navy Ceremonial Guard, Tom Christian has earned many honors and has been recognized for his leadership.

Tom Christian, an Armstrong County farmer-rancher, is an advocate of strong state government based on a common sense fiscal policy, sound law enforcement designed to protect the people, not the lawbreakers, and is opposed to a state income tax and stands for reduction in waste and an increase in efficiency in state government.

Tom Christian is a sportsman with a vital interest in the canyon area. Tom has worked hard to organize the nationally famous Palo Duro Shooting Preserve and to introduce Aucud Sheep to the canyon. It is becoming a major tourist attraction drawing people from all over the U. S.

His inspiration to the young people and his experience as a teacher and coach qualifies Tom Christian to construct legislation related to education. He believes in a strong educational system and local control of the schools.

The Panhandle of Texas is known for its vitality and energy. Tom Christian offers an active and fresh approach to the legislative log jam of obsolete and ineffective bills and bureaus. Tom Christian can represent the people without previous commitments and owes his allegiance to no one

Which Came First THE CHICKEN or the EGG?

It really doesn't make much difference when it comes to serving a good chicken dinner . . . and that's our business — serving GOOD chicken dinners. The reason they're so good . . . ? There's a variety of elements — the way they're fried, the seasoning, the batter — but equally as important our chickens are FRESH — never frozen.

We've served over 30 million dinners . . . we like to think it's because "quality speaks for itself" . . . why don't you treat your family to DRUMSTICK dining tonight and make it . . . over 30 million and two (or ten as the case may be)!

WOULD YOUR CONGRESSMAN VOTE FOR GEORGE WALLACE?

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN . . .

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives . . .

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!

THERE IS A BETTER CHOICE . . .

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!

YOU CAN TAKE OUR WORD FOR IT!

23% INCREASE IN COLLEGE ENROLLMENT

College Dean Beryl Clinton has announced a 23 per cent increase in college enrollment for the fall term. The total enrollment at the conclusion of registration was 309 students in day and night classes. The total enrollment last year was 244 students.

He reported a total of 4,080 semester hours are being taught at the present.

President Kenneth Vaughan reported Tuesday that work on the campus was progressing nicely at present and the contractor was hopeful of having the streets, parking areas, etc. completed by Thanksgiving.

A government engineer is scheduled to inspect the new buildings November 7th and if acceptable, will turn them over to the college at that time. We will start moving operations sometime following that date.

Vaughan added.

LIONS CLUB SELLING HALLOWEEN CANDIES

Halloween candy will be sold by the Clarendon Lions Club Tuesday night, October 22. The bags, 160 pieces individually wrapped, are reasonably priced at \$1 per bag.

Lions will sell door to door in the community on October 22; however, bags can now be

bought at George's Cleaners or Estlack Machinery, and prior to that date perhaps at other businesses of Lions Club members. The candy is not only ideal for traditional "Trick or Treat" but fine for Halloween party candies as there is an assortment in the bag.

Proceeds from the candy sale will go into the Lions Club fund to provide glasses for young people who might not otherwise be able to afford them as well as

assisting on the Boys and Girls' Activity Fund, according to Boss Lion Carl Nunn.

Mrs. Ben Andis of Amarillo and Mrs. Dale Andis Fronabarger of Ft. Sumner, N. Mex. visited a short time Sunday morning in the home of Mrs. Edith Longan. They were enroute to Houston to be with a sister, Mrs. Willie Andis McFarland, who underwent surgery Tuesday morning of this week to repair a broken hip.

ACP

All producers who have outstanding approvals for ACP practices which have been completed are urged to turn these in as soon as possible. There are many producers whose applications have not been approved due to lack of funds and cannot be approved until unearned funds are put back into the budget.

DESTROYED COTTON

ACREAGE

The County Committee has been asked to furnish the State Office with the acreage of cotton which has been destroyed by rain, hail, etc. This amount will be deducted from the final planted acreage report submitted earlier. The final acreage will be used in computing the cotton yield for Donley County.

If you have lost cotton since you turned in your final cotton acreage report, we urge you to come in and report this to us. This will not help you in proving a yield in later years unless you have an official measure-

ment service. However, it will help in keeping the cotton yield up which in turn helps everyone.

Restaurant Ramblings

By Jake Lamberth

Red wines are served at room temperatures, while white wines are served chilled. Good restaurant operators always take great

care in proper chilling and appropriate pairing of foods and wines.

Hor d'oeuvres call for the serving of Rose, a white wine or champagne. Clear soup may be accomplished by a good Maderia or a dry Sherry.

Fish requires a well-chilled dry white wine. However, a red wine with a light body can surely enhance the deliciousness of red salmon.

Red meats call for a Burgundy or a Claret. White meats and chicken become more delectable with white wine or rose. Red wine should be served with

cheese. Game birds should be accompanied by a fuller-bodied red wine.
