

Centennial Countdown - Donley County - First 100 years

Lewis sisters visit

Julie and her sister Irma nee Lewis made a return visit to their former hometown last week as they visited with the Mongole sisters. Julia Jenkins from Amarillo came with her sister Irma Osborne of Green River, Wyoming, to visit with Edgar Mae and Mabel Mongole for a few days.

The Lewis girls first came to Donley County when their father, Reverend Leon O. Lewis, a retired Methodist minister, moved to Clarendon to retire in November of 1909. The Lewis family lived in a house which had been owned by Mr. McCle-

land. The lumber in the house was hauled by ox team from Dodge City, Kansas, and first put up in old Clarendon. It was moved and placed in its present location in new Clarendon. The wood was so hard, that the "modern day" nails of the 1909 era would bend. Old fashioned square nails were used to build the house originally. The house is still standing and is the home of Mrs. F. H. Lumpkin.

The Lewis girls had a brother, Leon O. Lewis, Jr., who now lives in San Antonio.

When the Lewis's moved to Clarendon, about all that

they could recall of the business area was Dr. Stocking's Drug Store and Williams Brothers Mercantile Store. They recalled that many times, a person would be paid in goods such as chickens, eggs or milk rather than money. The barter system looks better and better today as the value of the dollar continues to deteriorate.

In 1916 the Lewis family moved from the now Lumpkin home to the one that Tommie and Lucy Sayer now live in. They lived there until they left Clarendon.

Julia Jenkins said that she was nine when they moved to Clarendon. The two girls both went to Clarendon College for their first year of school in town, then they

went to the public school in a new building which had just been erected on the current post office site. It was a fine big two story red brick building with a small two room frame building on each side housing the first and second grades in one and the third and fourth grades in the other. Mrs. N. Bryant, Maggie and Katie Stout were some of their first teachers.

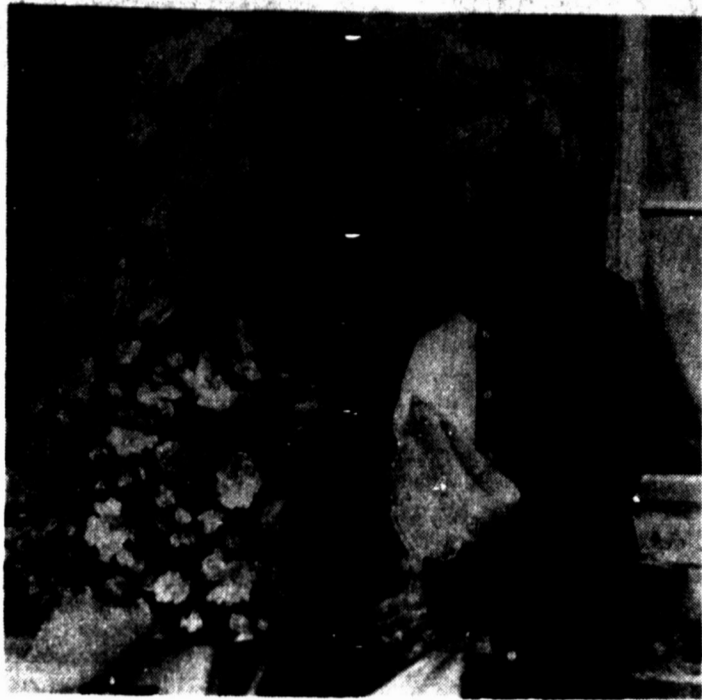

Before the old school house was torn down, a family by the name of Kutch lived there for awhile.

Irma Osborne graduated from Clarendon College then went to the University of Colorado. In 1925-26 and 1926-27 she taught school at Claude, then went to Lordsburg. Irma went to the Indian Service School at Mescalero,

New Mexico which was an Apache school. Then she went on to Green River, Wyoming.

Julia laughingly said that she only attended Clarendon college one year because she had earned too many demerits. If you walked to school with a boy, you could get 10 demerits. If you got 100 demerits in any one year, you were expelled. "But those ole books were heavy, and if I could find a boy that would carry them up the hill, I sure would let him... Most of the students would break up about a block from the college and even come to school from different directions, but I wouldn't do that, I always said, if he carried my books, I wanted him to carry them all the way to

school!"
She then went to Nashville, Tennessee, to the George Peabody College for teachers. The college later consolidated with Vanderbilt. She taught school for a few years, then she married a Clarendon boy, B. L. Jenkins, and they moved to a ranch south of Clarendon. Later they moved to Amarillo where Mr. Jenkins worked in the auto parts business.
Irma Osborne said the first car she ever saw in Clarendon had buggy wheels, a lever for a steering wheel and even had a buggy whip holder. The sidewalks were all wood, and trees grew down each side of the street. Every store had a big coal bin in front so it would be readily available for their stoves. Some of the towns

Top 4-H members earn salute

Two outstanding 4-H Club members from Donley County will be honored at the Panhandle District 4-H Gold Star Banquet at 6:30 p.m., Saturday, November 7, in Amarillo.

Among the top 4-H'ers in the district being honored will be Rodney McAnear, son of Mr. and Mrs. James A. McAnear, Jr., and Virginia Clifford, daughter of Mr. and Mrs. Jack Clifford.

State Rep. Foster Whaley of Pampa will address the banquet at the Hilton Inn on I-40 East. Master of ceremonies will be Flynn Farris of Dallam County, chairman of the district 4-H council.

Some 300 persons, including parents, distinguished guests and special friends of 4-H will attend the banquet to salute the county winners. Ronald Gooch and Cheri Brown, County Extension agent's said.

To qualify for the Gold Star Award, highest 4-H honor at the county level, a 4-H'er must be at least 13 years old, have completed three years of club work and be active in 4-H. The award is intended to stimulate winners to

higher achievement and to encourage other young people to participate in the county 4-H program.

The awards will be presented by Mrs. Sue Farris and Paul Gross, district directors for the Texas Agricultural Extension Service. Four-H is the youth program of the Extension Service.

Donley County 4-H Food Show

There will be a meeting held Monday, November 9, at 4:00 in the Donley County Extension office for 4-H'ers interested in participating in the Donley County Food Show.

4-H'ers will match foods and nutrition expertise against each other in the Donley County Food Show, scheduled for Saturday morning, November 21.

There will be three age divisions in the County Show: Senior, Junior, and Pee Wee. Senior-division entrants are ages 14-19, while junior-division youth are 9-13. Pee Wee's are youth 8 years of age and under.

For the contest, each 4-H entrant will compete in one of four classes, including Main Dish, Side Dish, Breads and Cereals, or Snacks and Beverages.

Because the foods and nutrition program focuses on nutrition, each contestant will have to demonstrate what she or he knows about nutrition, meal planning, food buying, and meal service, as well as preparation techniques.

Anyone interested in the County 4-H Food Show should attend the November 9th meeting or contact the Extension office at 874-2141.

Donley County Food Show is sponsored by the Texas Agricultural Extension Service, Texas A&M University, and the Morrison Milling Company.

The association is asking for help in donations of money and labor in order that the project can be completed.

A fund has been set up in the Donley County State Bank for the community center. Donations should be made directly to this fund.

Notices will be placed in the paper to inform all interested persons when work days will be planned. Remember, we must have donations of labor as well as money.

DAY CENTER CHILDREN had a good time Friday as they paraded around town in their Halloween costumes.

The Big Shoot Out

This is the game, the week, the day, the hour on which a great season has been waiting. A game between two teams that are undefeated in district play, state ranked #9 and #18 in the Harris poll. The excitement is high in the schools; the communities are geared to follow the teams in to the playoffs. What more do you need to get you to Wellington Friday night?

BACK THE BRONCOS!!
A coaches view of Wellington give you an idea of what the Broncos are facing.

The defense has held opposing teams to very small amounts of team offense. They have shut out all of their district wins. In addition, in their third game of the season against Panhandle, this very strong defense shut out a high powered offense 22-0.

The most noticeable facet of their defense is their quickness. They make a lot of mistakes but cover them up because of this quickness. They are strong and do a good job of tackling.

The Wellington offense has been quiet during the last three games, but has played well-enough to get by in these three victories. Don't be fooled. It is very explosive. They can score from anywhere on the field with the pass or run. Alexander can throw well and the speed at splint and tight end is in a class of its own. The running backs are big and hard to bring down. Harris is 6'2", 190 lb-a bull. Warren is 5'10", 170 lb. "quick at the corner" man. Both are very good athletes.

Our defense will be tested as never before by Wellington's offense and at the same

time, our offense will face the best defense of the year.

All in all, this is the type of game that winners are made

from. The character, the self discipline of doing it right, the over all discipline of a team will all rise up and

help in a game of this type. The Broncos are going to be high as a kite to play the high-flying Sky Rockets.

Bank deposits up

Total deposits of the three banks, Donley County State Bank, The Farmers State Bank & Trust Co., and the Security State Bank of Hedley, have increased when compared to the same time period last year.

Individually the increases are for the Donley Co. State Bank \$15,802,000 as com-

pared to \$13,030,000 for 1980 and up \$2,772,000. This is for the period ending with the close of business September, 1981.

For the Security State Bank of Hedley the fringes is \$3,650,000, up \$294,000 for the previous years. This was as of the close of

business on September 1981. For the Farmers State Bank & Trust Co. the figure is \$27,035,000 as compared with last years figure of \$24,427,000 an increase of \$2,608,000.

This indicates a steady rate of growth without the profit of the fall crop, mostly cotton, which comes late this year.

Clarendon stomps Canadian 51-7

A balanced offensive attack that exploded for 29 second-quarter points, coupled with a fired-up defensive effort, led by Senior noseguard Billie Perry, boosted the Clarendon Broncos to a 51-7 pounding of the Canadian Wildcats Friday at Bronco Stadium.

The win put the Broncos at 8-0 for the season and 3-0 in district play, setting up a showdown with Wellington, also 3-0, Friday. Canadian dropped to 4-4 and 1-2 following the loss.

The Wildcats struck first in the game, however, when Clarendon bumbled away the first play from scrimmage. Canadian took ten plays to hit paydirt and, after a successful kick, led 7-0.

Canadian appeared sky-high, when, after the ensuing kickoff, they held the Broncos for three plays. Then, in punt formation, Brad Thompson hit John Braxton for a first down in Wildcat territory. Thompson went on to score five plays later, despite having a 20 yard scoring run called back by an inadvertent whistle. He led all rushers with 82 yards on 7 carries.

Neither team scored again until early in the second quarter when Thompson capped a 63 yard drive with a five-yard pass to Braxton. A sack by Perry forced Canadian to punt, and Bobby Weatherton capped the scoring drive with a five-yard plunge. Thereafter, the

Broncos seemed unstoppable, scoring 45 seconds later on an impressive 24 yard run by David Weatherton, who replaced the injured Hosea Hearn midway through the first quarter. David Weatherton finished the game with a whopping 67 yards on only six attempts. Hearn finished with 19 yards on three carries.

The Broncos tacked on another score when Thompson hit Junior Crump on an 18 yard strike with only 31 seconds left in the half. After an Arlis Thomas kick, the Broncos retired with a 36-7 halftime lead.

Clarendon had its most successful night scoring points: largely because the

Meldoy Moreman 1st at State Fair

Melody Moreman exhibited the 1st place junior yearling Hereford heifer at the State Fair of Texas recently according to County Extension Agent Ronald Gooch. Melody also exhibited a Hereford steer that sold in the premium sale for 76

cents per pound. Melody will be attending the annual meeting of the American Junior Hereford Assn. in Kansas City next week.

Fun After Fifty Club to have Thanksgiving dinner

At 10:00 a.m. on Saturday, November 7 in the Lion's Club Hall, the Fun After 50 Club will meet for their Thanksgiving dinner. They will have turkey, dressing and all of the trimmings, this fine meal will be served at 12 noon.

Everyone is invited to come to the meeting and especially be on hand for the wonderful turkey dinner celebrating Thanksgiving a bit early.

MELODY MOREMAN

GIRL SCOUTS

By CRYSTAL HAVENS

October 26th, was a big meeting for us. Audra Hoggard called the role, we had two absent. Jill Kidd collected the dues. We elected new officers for November. Minde Hollar was elected the new president, Misty Longan the vice-president and Shonda Phillips is secretary. Congratulations!

We had 'Monster' cookies, bags of treats and orange sherbet punch for refreshments. Minde Hollar, Audra Hoggard, Michele Chamblis, and Crystal Havens put on a skit about Juliette Lowe. Rogina Grey made a book on what 'scouting' meant. Jill Kidd drew a picture of four seasons and what the colors reminded her of. Bridget Bland did a picture on underground life. Shonda Phillips did pictures of jobs that women can do but are usually done by men. After that we bobbed for apples and played games.

Saturday night we are going to have a Halloween Carnival in the basement. It will be lots of fun. Brownies, be sure to tell all your friends. It's from eight until ten and wear your costumes.

Reported by Shonda Phillips

At the last meeting of the Brownie Troop 111, we studied the Girl Scout Promise and the Girl Scout slogan. We practiced the Girl Scout motto.

We called out our names to roll and called out our dues. After all that was over, we played games.

News from Troop 33

Five Scouts completed the Atomic Energy merit badge held in Amarillo. They are Jay Gage, Jamie Todd, Brad Braddock, Todd Phillips and Scott Edwards. Their two Junior counselors are Richard Richerson and Tim Cole. This group accompanied by Jimmy Braddock and James Thomas to go on a field trip to New Mexico on Friday and Saturday.

Boy Scout Troop 433 will hold another workday Saturday, November 7 from 8:30

a.m. until 4:30 p.m. We are going to try to complete the demolition of the house at Carhart and E. Third. We have had several generous donations from the following groups and individuals from Clarendon.

Mr. and Mrs. Carl Pittman.
Mr. Forest Sawyer.
Mr. J.P. Rhoades.
Mr. and Mrs. Danna Myers.
The Church of Christ.
The Episcopal Church.

We greatly appreciate all of the support we are receiving.

adults who are aged or disabled.

Hunter said, "One woman we helped to place was 76 and living alone. She had fallen and broken a hip. During the healing process, she went into a nursing home, but it became too expensive. An Alternate Living Home was the answer to her problem."

The Alternate Living Home owner must provide supervision, three meals per day, transportation and other needed services for their residents.

To assure the safety of clients, the home must have fire, health and building code inspections.

Although the owner of an Alternate Living Home receives about \$12.00 per day for each client, the job is confining and requires a great deal of patience.

Any person interested in supplying an Alternate Living Home should contact Debbie Hunter at the Department of Human Resources, 665-1863 or 1541 N. Hobart Street, Pampa, Texas 79065.

Why gas is plentiful:

Two New Sources

There's enough natural gas in proven and existing reserves to heat America's homes and run its factories for many years. And now gas is flowing in enormous volumes from two new sources: the tight basins and the deep basins right here in Texas and Oklahoma. Experts

believe each of these sources could double the nation's proven supply. And our pipeline system will let us deliver your share of this gas efficiently and economically. It's another reason to be glad you're served by the Lone Star system.

Gas. It's plentiful, efficient and right for the times.

Lone Star Gas Company

CLARENDON HIGH school class of 1931 has 50th reunion

"Down Memory Lane"

By GLENNA WILSON

Outside the cafeteria on the campus of Clarendon Junior College, chilling rain continued to fall throughout the day of Oct. 10, 1981; but inside the cafeteria the at-

mosphere was warmed by recognition and reminiscence among the seventeen class members who gathered to celebrate their 50th anniversary from Clarendon High School, most of whom were together from the 4th grade.

The happy occasion was the dream of Viola Jones Dillard of Phillips and was brought to reality with the planning and work of classmates Jean Bourland Ross of Quail and Roberta Adkins Pittman, Bernice Andis O'Neal, Harold Phelps, and Lloyd Benson, all of Clarendon.

The event was so well organized and successful that plans were made in the afternoon business session to meet again in 1984, with hopefully, the classes of 1930 and '32 joining class of '31. The planning committee was highly and rightly commended by the '31 class for their correspondence and search for addressed to provide another day of happy memories.

As classmates, some spouses, brothers, sisters, and one of the faculty, John Hutton, arrived, such remarks as the following were heard: "You don't look one year older, dear." "Your gray hair looks quite well on you." "No, I don't think you're fat." "Your eyes are just the same." and "Well, I'll be damned!!!"

After much anticipation of meeting again with classmates so long separated, the day was filled with serendipities, such as red roses sent from one born on the 9th birthday of her sister Glenna Haley Wilson of Canyon.

"Down Memory Lane," theme of the reunion, was beautifully carried-out as the program progressed, with Jean acting as M.C. at the banquet in the evening. The lovely fall flower arrangements were done by Marjorie Harlan Boston of Amarillo. Fred Bourland of Ennis gave the invocation, after which the welcoming address was given by Glenna Haley Wilson, who later read the class prophecy she wrote in 1931.

Viola Jones Dillard read the names of the deceased members of the class, with a poem in memory of each, who are: Carrol Holzolaw, Everett Johnson, Lois Lafon Sibley, Lonnie Langford, Ruth Nichols Newton, Dick Nichols, Agnes Oakley, Frances Choate Seate, Pauline Sanfore Oswalt, Robbie Shepherd, James Smith, Bill Wood, Melba Del Warner Rowan.

Annual Meeting of delegates for National Cattle Breed are named

Annual Meeting of delegates for National Cattle Breed are named

7 M Polled Shorthorns, James McAnear, Jr., Clarendon, Tx., has been designated an elected delegate to represent Shorthorn and Polled Shorthorn breeders at the annual meeting and convention of the American Shorthorn Association (A.S.A.) in Louisville, Ky., November 15-17, during the North American International Livestock Exposition.

Voting delegates will be involved in policy decisions made at the meeting that will continue to provide direction for the national beef breed organization into the 1980's.

James W. Shirley, executive secretary-treasurer of the A.S.A., said that the business sessions at this annual meeting will solidify the long range planning that has been done by the breed in the areas of promotion, growth, and development. Figures compiled at the end of the fiscal year show a 10 percent increase in the number of registrations of purebred Shorthorn and Polled Shorthorn cattle and a 16 percent increase in memberships, while "Shorthorn Country", the official publication of the A.S.A., has doubled its volume over the past three years.

The meetings and other activities will be held in conjunction with a National Shorthorn Show with nearly 300 head entered from top Shorthorn and Polled Shorthorn herds across this country and Canada. National Shorthorn Show will be using a three-man composite judging system with Robert Taylor, Colorado State University, Fort Collins, Co.; Roger Worthington, Peoria, Ill.; and F.A. Heckendorf, Jr., Castle Rock, Co., serving as the team of officials.

had a few cases. Unlike colds with the raw throat, runny nose, cough, mild aching and low fever, the influenza symptoms are much different. It starts with chills and fever to 103, severe muscle aching, profuse sweating, chest pain, slight cough and shortness of breath. Persons who come down with this flu, know it. They are very weak and tire very easily. There are no antibiotics to cure it. A few antibiotics help prevent secondary infection, but they don't help the flu. The treatment is aspirin or tylenol, plenty of liquids, and bed rest. The liquids are necessary because those with the flu simply don't want to eat. The bed rest is also easy because the flu patients are too weak and tired to be up and about. And now the bad news is, that this illness lasts

for all of these 48 years, and any person with chronic illness as heart disease, lung disease or other debilitating diseases. The flu vaccine used this year is twice as effective as that produced last year, and we have had very few reactions to this stronger vaccine. If you have planned to take the vaccine and haven't as yet, now is the time.

PLEASE NOTE: My office will be closed Fridays the 6th & 13th while I'm recovering from eye surgery. The office will be open Mondays thru Thursdays, for my staff to assist you with minor or routine health problems. I hope to be back in the office part time by the 18th.

Remember ---- GOOD HEALTH IS A POSITIVE ATTITUDE AND COMMON SENSE.

Budweiser Texas Ranch Roundup nets \$27,000

Three Texas charities will soon receive \$27,000 from the proceeds of the Budweiser Texas Ranch Roundup, held in Wichita Falls August 21-22 and co-sponsored by Budweiser and the three benefiting charities.

The primary recipient, the North Texas Easter Seal Rehabilitation Center in Wichita Falls, will receive \$17,000. Two other charities, the Boys' Ranch in San Angelo and the West Texas Rehabilitation Center in Abilene will receive \$5,000 each.

The North Texas Easter Seal Rehabilitation Center, like the West Texas Rehabilitation Center, provides outpatient services to children and adults with physical, developmental, communicative and educational limitations. Boys' Ranch provides a home for dependent and neglected boys at its 34-year-

old, 963-acre ranch. "The Roundup was a rousing success. Not only did it generate monies for charity, but it also brought together 12 of Texas' oldest and largest ranches in the biggest, most exciting show-down since High Noon. The ranchers and cowboys had a great time. They gave the spectators a great show, and, most importantly, they're raring to come back next year," said Mike McAfee, roundup creator and Falls Distributing Co. general manager.

After two days of roundup events, such as team branding, team penning, saddle bronc riding and team roping -- all of which emphasized the cowboys' ability to work as a unit -- the Lewis Ranches, headquartered in Clarendon, were named the best ranch in Texas.

defense kept Canadian in such a hole. The field position advantage showed clearly, because, even though the Bronco offense was rarely stopped before scoring, it only piled up 411 total yards (a high total indeed, but only average by Bronco standards).

In the third quarter, Clarendon picked up where it had left off. The Broncos got the ball at mid-field early and soon scored on a 32 yard scamper by Bobby Weather-ton. Weather-ton carried the ball only six times and picked up 50 yards and two touch-downs. He added another additional score when he caught a Brad Woodman pass for 30 yards and carried it into the end zone. Weather-ton's reception came on a drive set up by a free kick following a safety tackle by Junior Crump, after Clarendon failed to score on fourth

and one at the goal line.

In the fourth quarter, no scoring took place. As a dejected Wildcat fan summed up the final period, "Both teams are just trying to run out the clock and get this over with."

The Broncos had several key accomplishments in Friday's game. They showed that their high-power offense could extend itself as far as necessary to score big points. They also showed some depth in bringing in successful backups, such as David Weather-ton, Creed Wright, Ray Lindley, and Brad Woodman. And perhaps most importantly, they cut down on mistakes. Sure, six penalties cost Clarendon 55 yards, but at least three of the calls were questionable, leaving fans wondering whether they were just useless attempts at keeping the score down.

Clarendon travels to Wellington tomorrow in one of the highly-publicized games of the season. This bitter rivalry will invariably determine the District 2-AA champion. The Skyrockets boast a defense that has not given up a point in three district games. On the other hand, the Wellington offense has done little to support the defense. The match promises to be well-worth the trip. The game starts at 7:30.

	CLARENDON	CANADIAN

Players of the Week

OFFENSIVE PLAYER

Brad Thompson. 6-82 rushing-8 of 15-167 yard pass. Scored 1 TD, passed for 2 TDs. Brad is one of the strong reasons the Broncos are 8-0. Brad is a Senior, 6'1", 164 lbs.

DEFENSE PLAYER

Billy Perry. A 5'10", 177 lb Senior noseguard, Billy made 8 unassisted, 5 assisted, 2 DBs and an excellent end call and caused a fumble. This was an excellent effort from his position.

Toy exchange
A Christmas Idea

This column will be dedicated to that idea. You bring down your classified ad telling what you have for sale, some toy that is in good shape, fairly new or never been used. You can also bring down your ad for what you would like to have for a gift this Christmas. A sample ad could read, "For Sale: one boys bicycle. Call to buy: small motorcycle. 874-0000." Why not give it a try? All you could lose is the \$3 for the classified ad.

Perhaps Jr. has outgrown that perfectly good toy you just got for him, or little Suzie doesn't like that cute doll. Or perhaps you just can't afford a new toy this year. What is the solution? Why not start a toy exchange?

TOY EXCHANGE: Want to buy: Lincoln Logs, Dump & Load Construction Set, Baby Busy Box, and a jumper-walker. Mrs. Drager 874-2087. 45-1tp

THANK YOU FROM GIRLSTOWN
 I would like to thank you for the panties. They will come in very handy. They are very pretty and very well made. Once again I would like to thank you. Love always, Kelli Melson.

Thank you very much for the panties. You did a very good job. I appreciate your taking the time and making them. Love, DeAnna Conley.

Hello, This is a word of thanks for the panties and bras. They were really appreciated. Needed, too. Thanks for taking time to make them. Thanks, Teri Butler.

The girls are moving into the newly constructed cottages and everyone is so excited...this is a dream come true for everyone at Girlstown.

Donations have made it all possible.

Hospital Report
 Cloe Smith is in Hall County Hospital.
 Shorty Thompson is in Veteran's Hospital.
 Mrs. Lizzie Woods is in High Plains Baptist Hospital.

Rain Report
 Windy Valley had the creeks up and running with their reported 1 1/2" of rain-fall over the weekend, according to Lucy Lee Noble. Ashtola had a report from J.A. McAnear of .20 while Lelia Lake reported 8/10 at the J.C. Woody place. Brice, Goldston and Hedley were unreported but we feel sure they had measurable moisture as well.

BAILEY ESTES and son Steve working on the new front of Says Department Store.

Clarendon a boon to Girls Town

Molita Greer, Mrs. Girlstown USA for Clarendon, has had a wonderful response to her plea for help for the girls living in the two Girlstowns in Texas. Last week she had a double horse trailer from Whiteface pull up to her house to load up the goodies she had accumulated from the generous folks of Clarendon.

Someone donated a broken clothes dryer and Bob McCombs repaired it just in time for the pick up of the other goods destined for Girlstown. In fact, it seems that one of the dryers in Girlstown had just broken down and they were short handed, isn't that more than just a coincidence?

Gifts of curlers and curling irons from Janie Finch, gifts of jewelry, blow dryers and clothing from dozens of super-generous Clarendonites filled the trailer. The Library gave dozens of duplicate copies of books as well.

Paul and Elmonette Bivens have given generously of both time and miscellaneous gifts to Girlstown. In fact, Elmonette has volunteered to be the chairwoman in charge of the Girlstown project undertaken by the Edith Ballew Circle.

This project will be a noble and enormous undertaking. Each girl living in Girlstown has a resume of her physical description and her personal wants and desires in the way of clothing, hobbies, gifts, etc. Elmonette has taken these resumes so that the ladies in this Circle may choose one of the girls' names to give a personalized gift to for Christmas. She will keep a record of what lady takes what girl's name. If the lady decides not to follow through with the idea, Elmonette will be able to reassign the name of the girl to someone else so that each and every girl will receive one gift chosen especially for them.

This idea is NOT limited only to the ladies in the Edith Ballew Circle. Elmonette said that "everybody has a gift or item they have stored away that they don't need or don't use that could make a perfect gift for one of these girls." Everyone has something they could give or a desire to share their affluency with those who don't have at Christmas. "Anyone who wants to take the name of a girl can contact me and look at the names available and choose a girl that they feel they can give a personalized gift to," Elmonette said.

"We give so much to our children and these girls get so little. I've decided that there are just some things I'm not giving my kids this year so these girls can have them." One suggestion comes from Doris White. She makes many of her daughter's clothes. Sometimes after the garment is made, for some reason, it just isn't right. What do you do with a hand made garment? Find a girl in Girlstown that is about the same size and give her a hand made personalized item, that's what!

Mr. and Mrs. Brannigan from Memphis have decided that their special gift to these girls will be a pair of solid gold pierced earrings for those girls who do have pierced ears. Those who don't have pierced ears will receive an equally valuable gift that will be cherished always.

Several of the ladies have found sweaters that are in excellent condition but have been stored away because they no longer fit. Elmonette feels it would surely be a wonderful thing if every girl could receive a warm sweater for the winter months. She encourages all of us to search our wardrobes to find these things and then contact her.

All of the girls have a sponsor at this time. But don't let that diminish your Christmas Spirit. Contact Elmonette Bivens and choose a girl to give a Christmas gift to and maybe a birthday gift too. You may keep the name of this girl for as long as she remains in Girlstown or as long as you choose to keep the name. Simply let Elmonette know when you change your mind or when your girl leaves so she can keep track of who has what name.

The gift of Christmas is the joy of giving. Little girls are living in austere conditions bordering on poverty because of a lack of the extra little things in life that many of us take for granted, that many of us have in surplus. Consider giving the gift of love to a girl this Christmas.

Last Tuesday evening, the Lions held their Ladies Night dinner. At that dinner, Molita presented 15 of her extra night gowns to the Club to auction off. She had completed her goal of having a gown for each and every girl in Girlstown and these were "extra".

One Lion member offered a \$20 donation for the gown. "What would I do with it?" he asked. It was decided that the gowns would be sent to Girlstown to keep on hand should there be new girls come in that might need one and the \$20 donated per gown, totalling \$300 was also donated to Girlstown! Thank you Lion's Club!

Travis H. Ivey sold to Jenks E. Boston a part of Blk. #3 of Miller's Subdivision of McLean's Addition to the Town of Clarendon.

Lion's Club 59th Anniversary Ladies Banquet
 The Lions Club was the sponsor of the Clarendon Lion's Club's 59th Anniversary Ladies Night Banquet on Tuesday night, October 27th. An exceptionally nice decorating job was done by Elmonette Bivens.
 The meeting was called to order by Boss Lion McCombs at 7:30 p.m. Lion Billy Ray Johnston led the singing accompanied by Lion Sweetheart Jessie Adams at the piano. A delicious turkey dinner followed the Pledge of Allegiance and invocation. Lion Tamer Messer handled the introduction of guests. Attendance and longevity pins were presented by the Deputy District Governor.
 The first part of our program was brought by four local Boy Scouts, Lynn Alderson, Tim Cole, Carl Cox and Shaun Heil; and their adult supervisor, Donnie Garman. Each of the boys spoke briefly about the National Jamboree at Fort A.P. Hill, Virginia, which they attended this summer. They also spent four days in Washington, D.C. Donnie Garman showed a very interesting slide presentation on the trip. At the conclusion of their part of the program, the scouts presented Tommie Saye with a desk pen set from the Jamboree with their names burned into the wooden base.
 The second part of the program was brought by Molita Greer. Molita has been very busy making undergarments and night gowns for the girls at Girlstown. She told us a little about this and about how much she had made. She was able to go to the store who live there. Molita brought a number of the gowns which she had made and gave them to the Lions Club. She also brought some of the gowns to Girlstown. Thanks, Molita, for a job well done.

Obituaries

Paul Michael White

Paul Michael White, infant son of Mr. and Mrs. Gary White of Amarillo died Mon-

day, October 28, 1981. Graveside services were at 10 a.m. Thursday, October 29, 1981 in St. Mary's Cemetery at Groom with the Rev. Kevin Hand, pastor of Immaculate Heart of Mary Catholic Church of Groom, officiating. Arrangements

were by Schooler-Gordon Funeral Home. Survivors in addition to parents include grandparents, Mr. and Mrs. Jack Vetter of El Paso and Mr. and Mrs. Martin Hermesmeyer of Groom; and great-grandparents, Mr. and Mrs.

Charley Hermesmeyer of Groom, Mrs. Velma Eady of Amarillo, Mrs. Lena May Graham of Clarendon and Mrs. Daisy White of Midland.

The Lions Tale

The Clarendon Lion's Club met in a regular meeting November 3, 1981. There were 25 Lions present, the Lions Sweetheart and two visitors, Mr. Bob Larue and Mr. Paul Bell. Lion Redull Henson, in the absence of Boss Lion Robert McCombs, called the meeting to order after a very delicious meal. He commented on the banquet and said it was well attended and the decorations were beautiful. All seemed to enjoy it very much. Other business was called for. Lion Redell introduced Mrs. Molita Greer who gave a very interesting and informative program on Girls Town at White Face, Texas. Girls Town has expanded from 9 girls to 17 girls at present. There is an average of 3 girls per day being turned away on account of room. Here is a chance for anyone to help support Girls Town. The meeting closed in due order.

THE COSTS OF SUPPLYING YOU ENERGY ARE CONSTANTLY GOING UP...

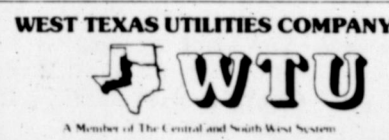

WTU 1/2 Ton Pick-up truck

1977 cost **\$4,956⁰⁰** 1981 cost **\$8,425⁰⁰**

This pick-up truck is just one example of how rising prices are affecting the cost of producing electric energy. Of course everything else has gone up, too. Materials, equipment, labor - nothing has escaped the effects of inflation.

Which means that we at WTU are striving harder than ever to operate efficiently and economically as we meet the daily needs of our customers.

As always, WTU's goal is to provide a dependable supply of electric energy at the most practical cost. We hope you'll use it wisely.

SAYE'S

Whaley and Bernstein congratulate Johnston

After the Canyon Long Term Care Unit survey team visited the Medical Center Nursing Home on August 6, 1981, the team gave a glowing report back to the Texas Department of Health and Commissioner of Health, Robert Bernstein sent a letter stating his highest approval of the facilities.

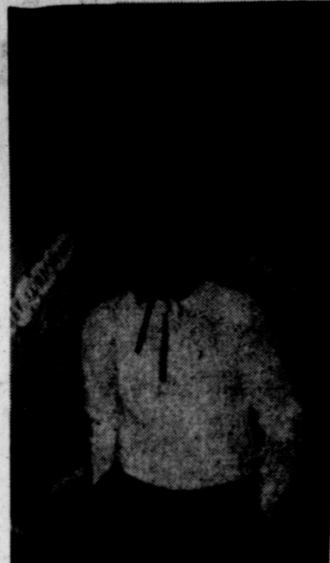

"I am pleased to report there were no health deficiencies noted in your facility," said Bernstein. "It is significant that you have met the standards that were set in State and Federal regulations. This indicates that, with diligence and dedication, better care can be given."

In a letter dated October 29, Senator Foster Whaley also congratulated Billy Ray Johnston and his staff "For the honor of having a high quality care facility."

It is reassuring to know that our little facility is of the highest standards and offers the best possible care to its residents. We all know of the personal touch our folks at the Nursing Home receive and now so does our Senator and the State Department of Health.

Congratulations to Billy Ray Johnston and all of the hard working staff at our Medical Center!

PAT RICHIE

FTA'er of the Month

By ANNETTE WATSON

Pat Richie was announced F.T.A.'er of the month for October. Pat is a Senior at Clarendon High School.

News

The F.T.A. candy sale is coming along great, and almost all sold. We are preparing for the upcoming District Convention to be held on November 10th at Canyon. Our candidate for District president is Annette Watson. Good luck, Annette! We hope you win! We also got campaign signs together and a skit to present while at Canyon. Until next time, have a good week.

LVNA

install officers

Officer installation will take place at Sue Leepers' home Thursday, November 5 at 6:30 p.m. Everyone is to bring a salad for the supper to follow the ceremony.

Butlock said third drink taxes collected during July, August and September will also net the state's general revenue fund \$22.5 million. The 10 percent gross receipts tax is collected by the Alcoholic Beverage

We will open up for regular business as soon as the rest of our merchandise comes in. Look for beautiful prizes to be given away at our open sale.

T & M FURNITURE

THE FACTS

ANSWERS TO YOUR QUESTIONS ABOUT THE

TAX FREE

ALL SAVERS CERTIFICATE

FARMERS STATE BANK & TRUST COMPANY

What is the purpose of the All Savers Certificate?

The All Savers Certificate has been created by Congress as an incentive to save. All the interest on this certificate within prescribed limits — is tax-excluded from your Federal Income Tax. Also, the All Savers legislation was enacted to help housing. It requires that the major portion of the new savings created by this certificate be used for residential and agricultural financing.

How much interest may I earn tax-free?

As the Law now reads, this is a once-in-a-lifetime opportunity to earn as much as \$2,000 in tax-free interest if you file jointly (\$1,000 for single returns). Any interest earned in excess of these sums is taxable.

What amount may I deposit?

The Tax Act of 1981 stipulates that All Savers Certificates must be made available for a deposit of \$500. However, regulations permit deposits in other amounts. Ask us for complete information.

May I add to my certificate?

No, you are not allowed to add to any existing certificate. Each certificate is issued for one year. You may, however, purchase additional certificates.

What will my annual effective yield be?

Your certificate will have an annual investment yield to maturity equal to 70% of the average investment yield on 52-week Treasury Bills as of the most recent auction date. Thus, when the 52-week treasury rate is 18% your annual effective yield is 12.6% tax free! Treasury bills are auctioned every four weeks, so, check with us for the current rate. Also, discuss with us the maximum deposit that will still be completely free of taxes.

Is my interest rate fixed?

Yes. The rate in effect when you open your All Savers Certificate remains in effect for one year. You know exactly how much income you will receive. Your interest rate will not fluctuate.

May I convert from a 6-Month Certificate to an All Savers Certificate without penalty?

Yes. Regulations permit such a conversion provided the interest rate on the 6-Month Certificate is higher than that of the All Savers Certificate. The transfer must be initiated by the customer.

Is my certificate insured?

Yes. Ask us for specific insurance information.

May corporations or institutions take advantage of the tax-exempt feature?

No. Interest can be excluded from taxation only by individuals, partners or estates that receive certificates due to the buyer's death.

Are there any other reasons to invest in an All Savers Certificate?

Yes! Housing! The Tax Act requires that except for credit unions, 75% of the funds received from these certificates (or 75% of the net increase in new savings, whichever is less) be invested in residential or agricultural loans. Substantial deposits in these certificates could result in more money for those purposes — and lower loan charges. Everyone would benefit.

When may I open an account?

Any time from October 1, 1981 through December 31, 1982, inclusive. Your account will be in effect for one year from date of issue.

Will All Savers Certificates be issued after December 31, 1982?

Presently this is a one-time, lifetime tax exemption. However, the Tax Act instructs the Secretary of the Treasury to advise Congress before June 1, 1982 as to the effectiveness of these certificates in "generating additional savings". It is possible that this tax-free incentive to save will be extended.

How does the All Savers Certificate help me?

It means you, too, can now earn tax-free interest. This privilege, previously available only to those in a high tax bracket, is now offered to anyone who can set aside funds for one year. What is best, the new savings method reduces your taxes where it counts the most — at the top bracket of your income.

Can any interest earned on an All Savers Certificate in 1981 be included in the general interest and dividend exclusion of \$200 for single taxpayers and \$400 for joint returns?

No. The Tax Act specifies that no interest earned on an All Savers Certificate can be included in the \$200/\$400 exclusion, even if the interest is not tax exempt due to a premature redemption or disposition.

Will the All Savers Certificate help me if I own 6-Month Certificates?

More than likely, but it will depend on your income bracket and the current rates for both types

of certificates.

If you are in one of the higher tax brackets, you will usually get a much better net yield from an All Savers Certificate, but only up to the maximum interest limitation of \$2,000.

If your income falls into one of the lower brackets, you may be better off staying with 6-month certificates. The chart below provides a useful guide in helping you to a decision. Please come in to talk with us, and get all the facts. (It will be important to first look up the net taxable income you reported on last year's Federal income tax form.)

Will the All Savers Certificate help me if I own Money Market Mutual Fund Shares?

Again, more than likely. But, as in the previous comparison, it is necessary to check current rates for both forms of investment. After learning these rates, the decision will hinge on your top tax bracket. The higher your bracket, the more advantageous is the All Savers Certificate.

This comparison chart shows taxable interest yield required to match the All Savers Certificate tax-free rates.

Your Joint Taxable Income*	Your Maximum Tax Rate*	All-Savers Tax-Free Rates**									
		10.00%	10.50%	11.00%	11.50%	12.00%	12.50%	13.00%	13.50%	14.00%

60,001 - 85,600	49%	19.61	20.59	21.57	22.55	23.53	24.51	25.49	26.47	27.45	

*Joint Taxable Income is the net amount subject to Federal Income Tax after deductions and exemptions. Figures per 1982 Federal tax regulations
**Annual Effective Yield.

If any portion of a certificate is redeemed, disposed of or used as collateral or security for a loan before maturity, the interest earned on that certificate is not tax-exempt. Also, the penalty for early withdrawal on a one-year certificate is loss of 3 months interest on the amount withdrawn.

WIN A TURKEY

RULES

Twenty Clarendon Shoppers will receive Free Thanksgiving Turkeys this year as a "Thank You" gesture from these 20 Clarendon businesses. You are invited to register free in all of the stores listed below every time you visit them between now and November 20th. Twenty different customers will become winners and will be notified Friday, November 20th. You must be at least 18-years-old to register and you may win only ONE turkey, so that more customers may share in this Thanksgiving Bonus. Happy Thanksgiving and may one of the free turkeys decorate your table.

GREEN THUMB workers attended meeting 1 to 4 Kto

Jones, Inez Skinner, Ruby White, Quatt Phillips and Billy Ray Johnston.

Clarendon Green Thumbers attend meeting

Green Thumb workers in Armstrong, Briscoe, Donley, Gray, Hall, and Wheeler counties met Thursday, October 22, at Memphis City Hall complex to learn some "tricks of the trade" when it comes to finding permanent jobs in their home communities.

The workers participated in a "job hunt" session to teach them how to re-assess their job interests and to promote themselves to local employers.

The nearly 44 Green Thumbers are now working under the sponsorship of non-profit community organizations such as schools, senior centers, libraries, museums, community centers, colleges and housing programs.

The Green Thumb pro-

gram stresses the needed rural community services when it places a worker with a sponsor. A primary goal of the program is to assist workers in finding permanent, non-Green Thumb employment to meet their individual needs.

Green Thumb, an equal opportunity employer, is the oldest federal senior citizen employment and placement program in the nation. Sponsored by National Farmer's Union, Green Thumb has been active in Texas since 1970 and now has workers in 107 counties.

Local workers attending the training session were: Kate Jones, Inez Skinner, Ruby White, Quatta Phillips and Billy Ray Johnston, local Green Thumb Sponsor.

From Hedley, Mrs. Mollie

Dickson, Mrs. Viwon Winn and Mrs. Eva Hansard.

Hunting season is upon us

Sandhill crane hunters are reminded that a free federal sandhill crane permit is required before hunting, according to the Texas Parks and Wildlife Department.

The permits may be obtained by contacting John Roberson, TP & WD, 4200 Smith School Road, Austin 78744, or by calling 512-475-4800 ext. 2707.

Zone A includes this area from Dumas to Dallam County at the Texas-Okla-

line, to Highway 87 to San Angelo. The season opened October 31 and will remain open until January 31, 1982.

Quail season opened October 31 as well and will continue until January 31. The daily bag limit for quail up here is 20, no possession limit on quail.

Goose and duck season opened the 27th of October. The daily bag limit is 5 geese with no more than 2 dark geese per day, that means Canadian Geese up here.

The duck limit is on the 100 point system. For further information on the point system, contact Dave Dvorak at 874-3789 or Gary Hunt at 874-2631. Be sure to have both the federal and state duck stamps to hunt duck and geese.

Aoudad Sheep season opens November 7. There is no permit required to hunt aoudad sheep, however, you must get permission from the landowners to hunt. Contact the Cluade or Silverton Chamber of Commerce for names of landowners who permit sheep hunting. The limit is one sheep per season.

Above all, obey hunting safety and hunter courtesies. Get your licenses and have your proper equipment, stamps, permits on your person at all times. Respect the laws and have a safe hunt.

Endrin infected ducks extremely remote

The highly publicized incidence of Endrin residues in waterfowl in Montana should not jeopardize the waterfowl season. This evaluation was based on analysis of information received from a number of agencies, including the U.S. Fish and Wildlife Service, the Environmental Protection Agency, Texas A & M University of Agriculture and other state wildlife agencies in the Central Fly way.

Biologist Dave Dvorak said

Endrin was detected in waterfowl and other wildlife in the farming region of Eastern Montana where wheat crops had been sprayed for control of cutworms.

Ted Clark, director of the department's Wildlife Division, said Montana officials already have approved normal opening of their duck season.

The Texas situation is vastly different from Montana, Clark noted. "First of all, we have no reports that Endrin was used on or near the water areas used by most of the ducks and geese in Texas," he said. "Second, the chance of an individual

Endrin is stored in body which is mobilized in pesticide being detoxified or eliminated from the bird's system, according to Robert Bernstein, Commissioner of Health.

All those concerned about the possibility of killing a Montana duck should get rid of as much of the fat as possible both before and after cooking. Do not stuff the bird for baking or use any internal organs and remove the drippings from cooked birds.

"Wildlife is a barometer of environmental quality," said Clark, "and we should be alert to any lessons to be learned from this experience."

Chamberlain News

By MRS. HAWLEY HARRISON

Chamberlain Community Center will have their regular meeting Friday night, November 6th. Come and enjoy the food and games.

Mrs. Gladys Blackburn and Marie Risley visited Mrs. Susan Hardin at Medical Center Nursing Home last Sunday.
