

# Christmas Spirit 1981 shop late night

Last year, Clarendon experienced a real old fashioned Christmas shopping festival. We had Mrs. Santa revealed, KAMR TV visited, stores stayed open late, kiddies had their photos taken with Santa, choirs sang, bake sales were underway--in short, it was a genuine treat for all of us because the weather was

beautiful and the Christmas Spirit was radiating everywhere.

Once again, THE CLARENDON PRESS and all of our merchants are going to do their very best to provide you with a wonderful, exciting evening of fun and festival. December 11, a Friday evening is the date scheduled for this late night

Christmas party-shopping date.

Church choirs are encouraged to contact Katie Dvorak at THE CLARENDON PRESS 874-2259, if they would like to participate. We will need to schedule the choirs so that they can sing in stores or on the streets without conflict.

The great Clarendon High

School Band will give us a wonderful concert starting at 6:30 p.m. The Clarendon Square Dance Club will perform at 7:00, Mrs. Santa will be revealed at 8 p.m. the treasure hunt will be posted that evening.

We hope that clubs interested will contact the paper so we can make arrangements for locating your bake

sale tables, etc. Keep December 11, a Friday night of fun, open on your Christmas Festivities calendar!

These stores will stay open late: Guys and Dolls Salon; The Tumbleweed; Salem II; Stavenhagen Furniture; Bob's Variety Store; Hensons; Sayes; Osburn Furniture; he Nook; Greene Dry Goods Co.; and Bivens.

## Treasure hunt scheduled

At participating merchants in town, you will receive a little ticket when you make a purchase in the store. Keep this ticket and any others you may accumulate beginning December 3 until December 11, the Friday evening of the Clarendon Christmas Spirit

Late Night Shopping Festival.

When you come downtown Friday, December 11 for the fun night of late shopping, the winning numbers will be posted in the store windows. You bring your ticket and match it up with the posted

numbers. The participating merchants will give you a gift upon receipt of your matching ticket.

The matching numbers will be posted in plain sight in the stores, you just have to bring your tickets, locate the signs and collect your prize!

If a red check appears by your name your paper has expired. Subscription rates for Donley County \$8.00 outside of County \$10.00. Mail Box 1110, Clarendon, Texas 79226.

Hale Center takes Broncos out of district play but...

## We are proud of the Broncos & coaches

BY SPENCER HAYES!

In state playoff competition, it is said that the teams who makes the fewest mistakes will almost always win. If that adage is true, it was certainly reinforced Friday at Kimbrough Memorial Stadium as the Clarendon Broncos were downed for the first time this season by the Hale Center Owls, 31-14, in Regional Playoff competition.

Clarendon, who entered the game as four-point favorite (according to the Harris

Rating System) was plagued by six turnovers and 80 yards in penalties, and they all seemed to come at the wrong time.

The Broncos started out shaky, fumbling on their first two offensive plays, losing the second. Hale Center had problems moving the ball on the awesome Clarendon defense, however and soon Clarendon got the ball back. The Broncos gave up the pigskin again, however, and the Owls were able to drive close enough for J. K. Comp-

ton to boot a 28-yard field goal.

Hale Center moved the ball comparatively well on the Broncos after a Clarendon drive ended in a punt. The birds drove to the nine yard line before the Clarendon defense stiffened, bringing on Compton to attempt another field goal. But holder Ernest Pardo faked it and rolled right, eluding Bronco end Scott Newland for the score. The Broncos, then down 10-0 mid-way through the second quarter, returned

the favor on their next drive. In an apparent punting situation, Brad Thompson took the snap from Bret Bryant and ran left. Thompson pitched to Bob Weatherton at the line of scrimmage, who cut back up the right sideline for 78-yards and a touchdown. Arlis Thomas's extra point kick brought the score to 10-7 at halftime.

Clarendon had more than one opportunity to score in the first half. Twice drives were stalled deep in Owl territory by penalties.

Weatherton was called back first on a touchdown pass from Thompson because of a clip. Then another pass was called back when Clarendon had an illegal receiver downfield. Both drives were serious threats to score, but both ended with unsuccessful field goal attempts. Clarendon dominated the statistics in the game, but especially in the first half, doubling Hale Center's offensive output, 286 to 140.

The Broncos took the lead in the third quarter, as they cut

down on their mistakes and capped a scoring drive with a 13 yard jaunt by fullback Hosea Hearn. Thomas's kick gave the stronger-looking Broncos a 14-10 advantage, and suddenly, the all-important momentum. Clarendon gained further confidence as they recovered an onside kick on the ensuing kickoff. Clarendon ate up most of the third period before Thomas punted into the end zone, giving Hale Center the ball at their own 20. 30 yards later,

AMY HANCOCK AND SPENCER HAYES

## Hancock & Hayes winners of beauty and brawn contest

Monday evening, the annual Beauty and Brawn contest was concluded at the Clarendon College Auditorium. The proceeds from the event went to the publication of the 1982 BRONCO Annual. Editors of the BRONCO are Dianne Havens, Karen Alderson, Anna Harrison and Shalane Chamberlain. This crew did a magnificent job with the pageant.

Seating the guests were members of the Annual Staff and the FTA. Music was provided by Wayne Chambliss and Dayln Croslin as the folks found a comfortable seat. The stage was set from "The Best of The West", the CJC production. Tickets were taken by Mark Dickerson and Billy Perry and the annual photographs were taken by Anna Harrison.

The welcome to the pageant was given by Miss Betty Veach who introduced the M.C.'s Dianne Havens and Scott Newland. The judges were introduced.

The first category began, the Western Wear Division. This was followed by the Formal Wear Division.

Entertainment was provided by the following singers: Tammy White sang

"Hello Again", Dennis Knowless joined her in "Endless Love", Dena Green and Dennis Knowless sang "Time in a Bottle", Miss Veach sang "There is a Kind of Hush".

At last the grand moment arrived!

**MOST BEAUTIFUL**--Amy Hancock, Fresh. **MOST HANDSOME**--Spencer Hayes, Sr. First Runner up is Steve Shaller, Soph. and Lori Robinson, Soph. Third runner up is Dean Cearly, Fresh. and Gina Spier, Soph.

**MISS CONGENIALITY** is Linnie Salmon, Jr. and **MR. CONGENIALITY** is Brad Woodman, Sr.

This is such a fine and fun pageant, it is done so beautifully by Miss Veach and her stalwart annual staff and FTA's that it really deserves national coverage, but THE CLARENDON PRESS will just have to do.

## Senior Citizens events

**MON. DEC. 7** all day Blood Pressure and diabetes screening.

**TUES. DEC. 8** game night 7:30.

**MON-WED.** exercise class 2:15.

**MON 7:00** dance.

Who is the "better half" of Jolly St. Nick? Who is it that gets up each day to fix breakfast for reindeer, elves and Santa? Who is it that has the cheery disposition and hearty laugh that encourages Santa along?

That is the question we would like to find here in Clarendon. If you know of a sweet grandmotherly type that would qualify to be Mrs. Santa, why don't you write a letter explaining why she is the best wife for that jolly old man.

Write a letter telling who she is, what she does that makes her so helpful, jolly, cheerful, why she likes kids and what she does that shows her holiday spirit and drop it in the mail to Clarendon Press, POB 1110 or bring it by the office from 9 a.m. Monday through Friday until 5 p.m. Or give it to Helen Woody, Katie Dvorak or Kay McDaniels.

The letters must contain Mrs. Santa's name, age, phone number, your name and phone number. Anyone qualifies to enter a name, the

## A big thanks to

the merchants

Melinda McAnear of the Tumbleweed would like to express her appreciation to all the merchants and enthusiastic Bronco supporters who made signs and delivered them to her to put along the route between Claude and Canyon, Clarendon and Pampa.

The enthusiasm in those signs was contagious to the team. Melinda certainly did a great job in coordinating this project as well.

## Chamberlain

## Center news

Chamberlain Community Center will have their regular meeting Friday, December 4 at 7:00. There will be a covered dish supper afterwards. Hosts and hostesses will be Molly Dickson, C.T. Bates and Mr. and Mrs. Frank Corder.

## CC plans homecoming

Homecoming at Clarendon Junior College is slated for December 10, 1981. It will begin with a rip-roaring basketball game against Western Texas College in the gym. The game begins at 6 p.m. Girls and boys teams will play. There will be a dance after the game in the cafeteria, sponsored by the cheerleaders.

The highlight of the game

will be the crowning of the Homecoming Queen at half time during the boys game. It will be a formal ceremony, with the girls wearing lovely formal gowns. There are twelve contestants, three of them from Clarendon, one from Hedley.

The cheerleaders are selling mums, contact any cheerleader or the business office to order your mum today.

## Santa mail box is ready at the Press office

Do not forget to get your letters to Santa Claus early this year. There will be a North Pole letter box at The CLARENDON PRESS for you to bring your letters to mail. The letters will then be printed in the newspaper before we mail them on to

the North Pole, USA.

Let your children write their letters and have the fun of seeing it in the paper. Bring these letters down to the office no later than December 18 at 5 p.m. to be printed in the December 23 issue.

## Childrens art through out the world at library

"Hands Around the World" art exhibit will be on display at the Burton Memorial Library December 2-30. "Hands Around the World" is an international goodwill program for school-age children in Texas and their counterparts in more than 60 nations throughout the world. The program, created by the Texas Cultural Alliance, a non-profit organization, provides elementary and secondary students the opportunity to create something such as a painting which they prepare as gifts to schools in countries around the world.

Each year, thousands of

Texan children prepare paintings based upon the theme, "Texas, Our Texas", which find their way to schools around the globe in the suitcases of private Texas citizens who agree to serve as couriers.

Fifty paintings from South America, the Far East, Europe, Central America, and Australia--each the creation of a child from another land--may be seen in our fine library. The Amarillo Library received 50 paintings while many others only received 25 or so. The Burton Memorial Library in Clarendon is certainly worthy of 50 paintings to be on

BRONCHS HAD 11-1 season (Photo by Ron Smith)

## Window decoction plaques on display at Press office

John Sarich brought three beautiful plaques to THE CLARENDON PRESS which will be on display until they are awarded, December 19.

There will be three impartial judges, none of them in business, who will walk around all over town looking at windows to decide on a 1-10 point system which window is decorated best. All businesses, gas stations, gins, car washes, or automotive stores can participate as well as the clothing, hardware, drug, furniture or dry goods businesses.

Help make Clarendon a

beautiful Christmas spirited town this year. Decorate those windows so that the late night shoppers Dec. 10 will have a feast for the eyes

as well. A pretty window invites window shoppers which also invites shoppers to come in. Think on it and get going.

## Pear Harbor... Could it happen again?

One of the most dramatic developments of the post-World War II period has been the growth of Soviet naval and maritime activities, this includes the merchant marine, fishing industry, research and shipbuilding activities. Today the Soviet Union is a true "sea power" challenging United States in all aspects of maritime activity. From the end of World War II until the early 1970's the United States maintained unquestioned naval supremacy. This gave the United States great flexibility in foreign policy and provided one of the West's primary shields against Soviet aggression.

Today, after a great expenditure of resources, the Soviet Navy has achieved quantitative and qualitative leadership in several aspects of naval power. However, the Soviet Navy is inferior in several important respects to the U.S. Navy; it has problems and limitations as has the military service of any nation.

"The flag of the Soviet Navy flies over the oceans of the world. Sooner or later the United States will have to understand it no longer has mastery of the seas," Admiral of the Fleet of the Soviet Union, S. G. Gorshkov says.

In terms of the ships the U.S. Navy is clearly outnumbered by the Soviet Navy, by a ratio of 3 to 1. Although we dominate in aircraft carriers, the Soviet Navy has 80 more principal surface combatants, 235 MORE submarines, six times as many auxiliaries, and a large land-based aviation strike force! Amphibious ships of the U.S. Navy are much larger and more capable, but this is a warfare area where the Soviets have greatly increased their capability over the last decade. The U.S. Navy clearly has a large advantage in seabased aircraft and a greater number of uniformed personnel.

Admiral Thomas B. Hayward, Chief of Naval Opera-

## Lelia Lake news

BY LAURA HARBERT

Hoping that you all had a good Thanksgiving, I can report that my family did. We went to Canyon to be with my oldest brother Rhett Plank and family and my

mother Neoma Plank. My childrens great-grandmother Laura Plank was able to join us, too. We visited the High Plains Historical Museum while there, Friday. If any of you get a chance to visit it, do, because it is really special.

By the way, did you know that our own Allene Leather's brother, Billy Griffin, works with the museum? He refinishes all those treasures, from old buggies and cars to popcorn poppers.

Speaking of the Leather's Leroy and his family went to Littlefield and were with Allene's family, Mr. and Mrs. Lige Griffin, brothers Billy and Eugene, and sister Mamie. Allene's sister Pauline who lives in Washington state was unable to be with them. They even enjoy some old home movies this year. So it was a good day for their family.

Come all and join in the organizing of a Christmas caroling party for our community's children. It will be at Bruce & Roxanne Shields home Sunday afternoon, December 6 at 3:00.

The caroling party is planned for December 19 at 7 p.m. with refreshments

afterwards at the community center.

Andrew and Arios Henderson enjoyed their son Jim and his boys Clay and Andy from San Antonio this last week. Avos' brother "Blue" Wiggins from Jefferson joined them, too. They enjoyed the hunting season with Phil, Jeanie and Shanna Lauderdale. Jeanies sister, Carolyn Courtney and son Bud spent Thanksgiving with their parents Ronald and Mary Castner, and daughter Cindy. Sounds like everyone had a real special holiday in those three homes.

The Bruce Shields family wishes to thank everyone for their help in the search for their temporarily misplaced son. Thank you all for your time and concern. We were so thankful that it was a happy ending.

The Earl Shields enjoyed a visit from Mr. and Mrs. Horace Henson from Wichita Falls. Horace is Earl's nephew that they haven't seen for some time and really enjoyed that visit. By this time we all hope Derrick is feeling better too.

Thanksgiving was made richer in the Arthur, Herbert and Earl Shields home by the addition of the children they sponsor from the Tipton Children's Home joining their families.

R.O. Nelson reportedly took a nap Sunday afternoon,

his busiest day. The Mrs. did report to caring for extra kittens at their home, so there is some excitement over there.

Ronnie and Wanda Deen and girls enjoyed a houseful of family this last week for the holidays. I found this out when they were enroute to Tammy's basketball game at Valley School. A loss was later reported, but assurance they'll get them the next game.

Jerry and Janan Koontz's family had good Thanksgiving with Janan's mother and daddy, Mr. and Mrs. Cliff Jones from McLean. Joining them was her brother Norman Jones from Pampa, her sister Sherry McKibbin and family from Morse. A big day in their home, correct?

I want you all to be sure and let me know anything that is important or even unimportant, going on at your home. I have discovered it is impossible to call each of you so remember to call me at 874-2595. You all are important to this community.

## CAR CARE TIPS

### BEWARE OF BIRD DROPPINGS!

Elbow grease won't erase the blotches bird droppings cause on car paint. The phosphates in bird droppings produce phosphoric acid so potent it has actually been known to eat through brick buildings.

Allowed to remain on the surface of a car long enough, bird droppings will eat through paint and metal as well.

Professionally applied paint protection, such as Tidy Car's Preserv-A-Shine®, gives car owners more time to wash off bird droppings before they bleach and damage the surface. No matter what kind of paint protection is on a car, the first sign of a bird dropping calls for cleaning with mild soap, water and a touch of vinegar.

Another tip: If a car is

parked in an area where birds congregate — a marina or waterfront, for example — keep the car in the shade. Direct sunlight will bake the droppings into the surface quickly.

For a free, 24-page Guide to Longer Lasting Cars, send a self-addressed, stamped envelope and 26 cents for handling to Gary Goranson, Tidy Car Inc., 3918 Broadway, Cheektowaga, NY 14227.

### Local

Anness Bennett of Tulsa, OK flew in Thursday last week to be with her Mother, Rooda Rattan and other relatives thru the Thanksgiving holiday. She was supposed to take the one o'clock flight to Dallas but due to bad weather, no planes were leaving or arriving in Dallas so she had to take a bus to Tulsa.

the weather has slowed things down for cotton harvesting, the gins were behind last year, but the wet weather may have given the gins a chance to catch up on production.

Donley County Farmer's Co-OP Association in Clarendon reports that there is an average turn out, but seems to be rather slow, 19%. They have processed

2,000 bales with grades being reported due to the dry, hot and the boll worms.

Paymaster Gln #3 in Lelia Lake reports that the turn out is fair, but varies widely because of variables of where planted, when planted and types planted. They are rather slow because the frost didn't hit them where it did hit west of the area. The wet weekend helped catch them up so the gin is ready to go. They have processed 1441 bales of a better grade than

## GIRL SCOUTS

By CRYSTAL HAVENS

BY ROGINA GRAY

Troop 111 had their meeting on Nov. 29.

New officers were elected with Bridget Bland as president, vice-president is Treva Denny and Rogina Gray secretary.

Refreshments was provided

ed by Jill Kidd and Mindy Hollar.

Then names were drawn by each Brownie to bring a gift for our Christmas party.

Then we sat in a group and learned some songs using sign language.

## Secretary's preferred program

The Secretary of Agriculture has invited the public to comment on the U.S. Department of Agriculture's proposed soil and water conservation program. The Secretary's preferred program features expanded roles for local and state governments and the targeting of USDA dollars and personnel to conserving critical resource problem areas.

People who are interested in the program, or potentially affected by it, are urged to comment. Responses will be accepted through January 15, 1982, and can be mailed to State Conservationist, Soil Conservation Service (SCS), P. O. Box 648, Temple, Texas 76503.

Jim Donaho, district conservationist for SCS at Clarendon said the Secretary's proposed program would concentrate more USDA assistance in areas where soil erosion and other problems threaten to reduce agricultural productive capacity and to increase agriculture production costs. Basic USDA technical and financial assistance would continue in all areas.

The program would use local and state conservation coordinating boards to identify critical problem areas, set priorities, and develop

program for local and state action to solve the problems. These boards would be based on existing organizations--conservation district boards, Agricultural Stabilization and Conservation (ASC) committees, extension advisory boards, and other groups.

Based on the recommendation from these local and state boards and national priorities, more USDA assistance would be aimed at reducing the most serious soil erosion and related problems.

Donaho said the program

is the Secretary's proposed response to the Soil and Water Resources Conservation Act of 1977 (RCA). It is contained in an RCA Program report and a summary leaflet with response form that can be reviewed at the local SCS or Agriculture Stabilization and Conservation Service Office.

The basis for the program is an appraisal of the condition, trends and natural resource problems of the nation. Published in two reports, the appraisal is also available for public reference in the two USDA offices.

## News from Troop 33

Shawn Hermesmyer, Jay Gage, Jeffery Henson, all received their Tenderfoot Rank in Security. New Scout of the Week is Kevin Payne. Kevin moved here from Amarillo and we are happy to have him in the troop.

The Order of the Arrow Winter Banquet will be held Saturday night December

12th in Pampa at the First Presbyterian Church Fellowship Hall, tickets will sell for \$5.00 at the door. Please contact Donny Garman or James Thomas if you plan on attending.

MRS. JAMES LAWRENCE HILL

## Matthews - Hill wed

Cheryl Jeanine Matthews and James Lawrence Hill of Midland, were married Saturday night, November 28, 1981 at Albany, former home of the bride, in the Matthews Memorial Presbyterian Church with the Rev. Richard Wood officiating.

Given in marriage by her father and her step-father, the bride is the daughter of Mr. and Mrs. Jack C. Matthews of Kingsville and Mr. and Mrs. Robert D. Echols of Albany.

Parents of the groom are Mr. and Mrs. Emmett T. Hill of Dallas.

Jan Matthews of Midland, sister of the bride, was maid of honor.

Elizabeth McAnear of Clarendon was flower girl.

Candlelighters were Robbie Echols and Jill Echols both of Bedford and sisters of the bride.

Joseph W. Hill, Sr. of Midland was his brothers best man.

Guests were seated by

John D. Teinert of Albany, Freddie C. McAnear, and H. Don Hughes of Midland.

Bill Foster, organist, provided the traditional wedding music including selections from "Camelot". Robert Echols sang "The Lord's Prayer".

The reception was hosted by Mr. and Mrs. Clifford Teinert and the rehearsal dinner was hosted by Mr. and Mrs. E.T. Hill.

A graduate of Albany High School, the bride attended Texas Tech University and Texas A & I University. She is employed by the First National Bank of Midland.

The groom graduated from Robert E. Lee High School in Midland and attended Texas Tech University. He is employed by Harper Oil Co. in Midland.

Denny Tice from Calleyville rang the church bells as the bride and groom left the church announcing to the town that the ceremony had ended and that they were

officially Mr. and Mrs. James Lawrence Hill.

The couple will live in Midland.

Mrs. Hill is the granddaughter of Mr. and Mrs. J.G. McAnear and the great granddaughter of Mrs. D. T. Smallwood of Clarendon.

Those from Clarendon attending the wedding were: Mr. and Mrs. J.G. McAnear, Mr. and Mrs. Ronnie McAnear, Todd, Jennifer and Elizabeth. Mrs. Hill is the niece of Ronnie McAnear.

## Brownies

## build ramps

## downtown

This article is about fourteen Brownies and their leaders who decided to raise money for use in their community. To raise the money, they had a Halloween Carnival which turned out to be a great success. They decided that they had enough money to put not one, but TWO ramps down on Kearney St.

The first step was getting this approved by the City. It went over well with them and they also furnished a drain

pipe for one of the ramps.

The second step was finding someone to do the work. Ronnie Baker was called and said he would do the cement work, at no charge. Then Donnie Phillips was called upon to make handrails, which he did, furnishing the pipe and labor, no charge.

Morrow's Redi-Mix poured the cement and you guessed it, NO CHARGE. It just goes to show you that the Community of Clarendon has the greatest people living here.

Brownie Troop 111 would like to thank each and everyone of you for your time and contributions for this worthwhile project.

## Reynolds celebrate 25th anniversary

Sunday, Nov. 22, 1981 at the home of Flossie Reynolds the family of Mr. and Mrs. Steve Reynolds hosted a "surprise" 25th anniversary celebration. The event was hosted by their daughter, Cindy, Greg & Jason Bunyan of Amarillo; their son Wayne Reynolds of Clarendon; mothers Flossie Reynolds and Dorothy Sullivan; sister JoAnn Bennett of California and brother Orval, Karen, Denise & Aaron Bennett of Clyde.

Friends and relatives were served cake and punch which were delicious. There were many beautiful gifts received.

We wish to thank everyone who helped make the surprise a success.

## Fun After

## 50 to meet

The regular monthly meeting of the Fun After Fifty Club will be held this Saturday, December 1st at the Lions Club Hall beginning at ten a.m. This will be our Christmas covered dish dinner with lots of good food and fellowship. Mrs. Clarence Moss will provide music for a Christmas carol sing-a-long.

## Women's Aglow

## to have meeting

"Faith and the Gospel Heirs", a gospel singing group will be special guest of Women's Aglow Christmas meeting on December 7, 7:00 p.m. at the Lion's Hall. Refreshments will be served afterwards.

We wish to extend an invitation to the men for this month's meeting also.

Don't miss a great time of worship and fellowship!

Mrs. Newell Rice from Los Alamos, N. Mex. and Unice Buster from Stratford spent the week with the J.R. Halls. Miss Ava Naylor had Thanksgiving dinner with them also.

## The Lions Tale

BY GENE ALDERSON

The Clarendon Lions Club held its regular meeting on Tuesday, Nov. 24th at noon at the Lions Hall. There were 17 members, 1 new member, Lion Sweetheart Jessie Adams, and 10 guests present. Pat Messenger of Amarillo was the guest of Lion Hayes. Past District Governor Lynn Cherry of the Howardwick Club was the guest of Lion Kent. The membership application of Cohn Brister, local Ford Dealer, was unanimously approved.

Following the regular opening ceremony, Acting Boss Lion Henson called on Lion Alderson to introduce the program which was brought by the Greenhand Chapter Conducting Team from the Agricultural Department of the Clarendon High School. The team consisted of Tim Cole, Lynn Alderson, Carl Cox, Dean Cearly, Mitch Johnson, Rod Koewn and Wayne Chambliss was introduced by their teacher Milton Mann. Mr. Mann told us that this group had already won Greenbelt District consisting of twelve schools and also the Area meet composed of approximately 120 school in the Texas Panhandle. They will be conducting in the state contest at Huntsville on December 4th. The team then gave the club a very good demonstration of the handling of four parliamentary problems, similar to those which they handle in the contests.

The Clarendon Lions Club met at noon on Tuesday, Dec. 1 at the Lions Hall. Twenty members, Lion Sweetheart Jessie Adams and two guests were present. Walt Knorpp, John Momer with Knorpp Insurance, Inc. were the guests of Lion Courtney. Boss Lion McCombs led the pledge to the flag and called on Lion Henson to lead in prayer. The Boss Lion asked for discussion on our custom of skipping a meeting around Christmas. A motion was passed that we skip the December 29th meeting and to make a \$250 donation to Girlstown. Meeting adjourned.

#317 of Nocona Hills, an Addition to the City of Howardwick.

## Duncan member of Alpha Chi

Tanya Ann Duncan, the daughter of Mr. and Mrs. Carol Duncan, has been selected as a member of Alpha Chi honor society at Abilene Christian University.

More than 100 other students were inducted into the national honor society November 15 during a formal

ceremony. Junior members are required to have at least 64 hours with a grade point average of at least 3.4. Senior members are required to have at least 96 hours and a grade point average of at least 3.4.

Miss Duncan is a junior finance major and is a 1979 graduate of Greeley West High School in Greeley, CO.

## Work day at Community Center

Saturday, December 5 at 9 a.m. will be another chance for all of you hard working civic minded individuals to come out and help work on the Community Center.

The project that day will be to begin work on the restrooms. Anyone with a hammer, plumbing skills, muscles or plain old enthusiasm will be more than welcome.

Contact Jerry Gage or James Owens if you would like to help out in some other way, such as donating supplies, equipment, manpower of your son or perhaps donate a few greenbacks.

Don't forget that you can pitch in to the Community Center Project Fund established at the Donley County State Bank.

can be available through the year 2000 to supply as much as a third of the nation's growing energy requirements.

Gas supply availability will continue to increase as long as the production and consumption of gas energy is not constrained by the government.

With the improved gas supply picture, and efficient delivery system, the gas industry should be able to make a significant contribution to our nation's energy goals—one of which is to reduce our unhealthy dependence on high-priced foreign oil.

## ENERGY FACTS

### Natural Gas Outlook Is Good

Because of the energetic search for natural gas, resulting in part from the phased deregulation of new gas prices at the wellhead, and in part from the gas industry's aggressive supplemental gas program, the nation's natural gas supply situation is greatly improved.

A report of the American Gas Association concludes that sufficient gas energy

President Eads turned the meeting over to vice-president Summers. \$10 was voted upon to be given to the national project this year. It is the Children's Dialysis Foundation.

Becky Hill sent a letter requesting a leave of absence

of the chapter and the chapter president at Hedley High. Regrettably, members accepted this leave of absence, and are looking forward to fellowship with her again in March.

A letter from our sister chapter invited us to the annual joint Christmas Party to be held December 3. We will exchange gifts and enjoy a salad supper.

December 12 at 8 p.m. in the home of Susan Henson will be the Chapter Christ-

mas dinner. The program will feature a presentation of the names of the donors of the Christmas dinner.

The program was given by Frankie Henson who read several excerpts from the Shriper's magazines about America, the flag and patriotism. The articles informed us about the plight of other nations, reminded us of the wonderful freedoms we enjoy in this nation and also reminded us of our respon-

sibilities. Hostesses were Beth Walker and Carol Bryant. They served hot fruit punch, coffee and Carol concocted a delicious sandwich loaf. There were also pretzels and mints enjoyed by all those present.

## Obituaries

### Marion Bain

Marion Bain of Wasco, CA passed away Friday, November 20. She was buried Monday, November 23 in Wasco.

Survivors include her husband, Clyde E. Bain; two daughters, Mrs. Von Velick of Bakersfield, CA and Barbara Hughes of Chowchilla, CA; one son, Charles Bain of Chico, CA; and ten grandchildren. Mrs. Bain was the sister-in-law of Thelma Hall of Clarendon.

### Jason Darrell Hunt

Jason Darrell Hunt, 3, died Sunday, November 28, 1981.

Services were at 2 p.m. Tuesday, December 1, 1981 in Northside United Pentecostal Church with the Rev. T. F. Starnes, pastor, officiating. Burial was in Llano Cemetery by N. S. Griggs & Sons Funeral Home.

He was born in Amarillo and was a member of the Northside United Pentecostal Church.

He is survived by his parents, Mr. and Mrs. Darrell Hunt; a sister, Jennifer Elizabeth Hunt of the home; his grandparents, Mr. and Mrs. A.B. Hunt, Jr. of Kerrville, Archie Maxfield of Clarendon, and Mary Maxfield of Amarillo; great-grandparents, Mrs. Selma Oehler of Kerrville, Mr. and Mrs. A.B. Hunt, Sr. of Eastland and Archie H. Maxfield of Amarillo.

### Virgie Leona Johnson

Funeral services for Mrs. Virgie Leona Johnson, age 76, wife of Loyd C. "Shy" Johnson, were held at 2:00 p.m. on Sunday, November 29, 1981 in the First United Methodist Church in Clarendon with Rev. Bill Watson, Pastor and Rev. Paul Hancock, Christian Minister,

conducting the services.

Mrs. Johnson died at 10:55 p.m. on Thursday, November 26, 1981 in Hall County Hospital in Memphis after a lengthy illness. She was born on November 7, 1905 at Hillsboro, Tennessee and was married to Loyd C. "Shy" Johnson on March 3, 1957 at Clarendon. She was a retired teacher having taught for 43 years in the public schools before her retirement. She taught for 22 years in the Clarendon Independent School District. She was a member of the 1926 Book Club, the National Retired Teachers Association, the Texas State Teachers Association, and was a member of the First United Methodist Church in Clarendon.

Survivors include her husband, Loyd C. "Shy" Johnson of Clarendon; three sisters, Mrs. Opal Johnson of San Angelo, Mrs. Vicie Chatham of Dennison, Mrs. Elmer Kettman of Alexandria, Louisiana; and one brother, L. C. Strawn of Henderson.

Casket bearers were H. P. Barnard, Pat Barnard, LeRoy Campbell, Edwin Campbell, Ernest Kent, and J. R. Brandon.

### O.L. "Bunny" Bunyan

Funeral services for O. L. "Bunny" Bunyan, age 58, were held at 10:00 a.m. on Friday, November 27, 1981 in Robertson Chapel. Of Memories with Rev. Paul Hancock, Christian Minister, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mr. Bunyan died at 6:32 a.m. on Tuesday, November 24, 1981 at his home in Clarendon after a lengthy illness. He was born May 12, 1923 at Madison, Kansas and married Ann Kelley July 12, 1946 at Wichita, Kansas. He had lived in Plainview for 9 years before moving to Clarendon in July of 1981. Prior to his retirement approximately one year ago, he had worked for 31 years as a salesman for McKesson Drug Company. He was a veteran of World War 2 and a Baptist.

Survivors include his wife, Ann Bunyan of Clarendon; his parents, Mr. and Mrs. Vernon Bunyan of Wichita, Kansas; one daughter, Mrs. Cheryl Burch of Clarendon; two sons, Noel Bunyan and Greg Bunyan both of Amarillo; one sister, Mrs. Doris Rishel of Wichita, Kansas; and six grandchildren.

Casket bearers were Ted Seay, Bobby Lewis, Will Breazeale, Chuck Armstrong, Weldon Powell, Truett Hall, Bill Wise, and Steve Reynolds.

The family requests that any memorials be made to the American Cancer Society.

### Who's Who Among Students in American Jr. Colleges

The 1982 edition of Who's Who Among Students in American Jr. Colleges will carry the names of 14 students from Clarendon College, who have been selected as being among the country's most outstanding campus leaders.

Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and future potential.

They join an elite group of students selected from more than 1,300 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

Students named this year from Clarendon are as follows:

Mr. Buddy Joe Hall; Mr. Howard Wayne Hardin; Mr. Dean Earl Hawkins; Ms. Patricia Medina McAnear; Mr. Phillip Wesley Moreman.

## Donley County Food Show held

Donley County held its Food Show Saturday morning, November 21, in the Clarendon School cafeteria.

Winners earned first place awards in two division, junior and pee wee.

There were no senior entrants this year. Each age division included four classes.

First place winners in the junior division are D'Liss Robinson, main dish; Susan Mann, side dish; and Twana Garland, snacks and beverages.

First place pee wee winners were Katrina Leathers, breads and cereals; and Laura McAnear, snacks and beverages.

"Best All-Around" was awarded to Christie McAnear, junior 4-H'er, and Laura McAnear, pee wee 4-H'er.

Prizes for "Best All-Around" and for each entrant were furnished by the Extension Homemakers Council.

The Junior winners will compete in district competition Saturday, December 5, in Amarillo.

### THANK YOU

LVN Association would like to thank James Stubblefield for letting us have our bake sale at Gibson's. We would like to thank all of the employees for putting up with us. Also, all of the people who were kind enough to buy our cakes, pies and cookies. It helped more than you will ever know. It will go far in helping a student to get their LVN training. Thanks so much. God Bless You all. LVN Association.

BY KATIE DVORAK

Candy making may seem difficult, but it really isn't. Not even chewy Nut Caramels. The trick for making caramels, of course, is to follow directions to the tee. The candy makers friend is creamy evaporated milk. If you'd like a folder of candy recipes, write to "Candies," Pet Kitchens, Pet Inc. POB 192, St. Louis, MO 63166.

#### NUT CARAMELS

1/4 C oleo  
1 C evaporated milk  
1 C sugar  
1 C dark corn syrup  
1/4 tsp salt  
1/4 tsp vanilla  
1 C pecans, coarsely broken

Generously butter 8" square pan. In saucepan, heat oleo and milk until oleo melts. In separate 2 qt. pan cook sugar, syrup and salt over medium heat until reaches firm-ball stage (244), stirring often. Slowly stir in milk mix, so sugar mix does NOT stop boiling. Stir constantly, cook until reaches firm-ball stage again. Remove from heat and stir in vanilla and nuts, mix well. Pour into buttered pan. When firm, turn out onto cutting board cut into 1" squares and wrap in plastic wrap. 5 doz.

#### SNOWBALLS

1/4 C evaporated milk  
10 large marshmallows  
10 large marshmallows, halved  
1-1/2 C shredded coconut  
In double boiler, place evaporated milk and marshmallows. Cool until melted. Dip halved marshmallows in mix and roll in coconut. Easy for kids to do. 20 pieces

#### PECAN CHEESE COFFEE CAKE

1/4 C warm water  
1 pkg dry yeast  
1/4 C oleo  
1/4 C scalded milk  
1/4 C sugar  
salt  
1 egg  
1 tsp vanilla  
3-4 C flour (divided)  
cheese filling  
1 1/2 C chopped pecans (divided)  
1 beaten egg  
1/4 C water

Dissolve yeast in warm water. Melt oleo in milk and cool. Combine sugar, salt, egg, vanilla, dissolved yeast, 1 C flour and milk mix, beat until smooth. Stir in remaining flour to make soft dough. Knead on floured board until smooth and elastic. Place in greased bowl, turn to grease top, cover and let rise until doubled (1 hr.). Punch dough down. Divide in half. Roll

dough to 10 x 6 rectangle, spread each with 1/4 of Cheese filling and sprinkle with 1/4 pecans. Roll up jelly roll style starting at narrow end. Cut lengthwise completely through center of dough to within 1/4 from either end. Place in greased 8x1 1/2 round pans. Cover, let rise until doubled. Brush with egg mixed with water and beaten, sprinkle with 1/4 C pecans each. Bake at 375 for 25 minutes or until golden brown. Ice with powdered sugar icing while still warm.

#### CHEESE FILLING

1 (8 oz) pkg cream cheese  
1/4 C powdered sugar  
salt  
1 egg  
1/4 C flour  
dash lemon juice  
4 oz sour cream

Beat cream cheese until fluffy. Add remaining ingredients and blend until smooth.

## Christmas mailing

### tips offered

With the Christmas mailing season just ahead, Clarendon Postmaster Bob McCombs is offering tips for customers to assure that their cards and packages arrive on time and in good shape.

In addition to shopping and mailing early, customers are urged to properly address cards and packages with the name, street number and name (or post office box number), and the city, state and Zip Code reserved for the last line.

"It is also a good idea to put a slip of paper with the recipient's name and address and your return address inside parcels, and be sure the addressing on the outside of the parcel includes your return address and Zip Code," McCombs says.

Customers are also reminded to check the size of their envelopes before mailing Christmas and other holiday cards. Letter size standards require that envelopes be at least 3 3/4 inches high and 5 inches long to be accepted for mailing.

The Postal Service is also asking customers to put an ounce of extra care into preparing parcel post and other packages for mailing. Parcels will arrive at their intended destination in good shape if mailers will follow a few simple suggestions:

CUSHION: Make sure contents are well-cushioned and

there is no empty space in the box. Use crumpled newspaper around the item -- including all sides, top and bottom. Commercially available foam shells or air-pocket padding also make good cushioning materials.

**DON'T OVERWRAP:** Just use your carton. Brown paper and twine cord are not necessary. Paper can rip, and twine can become entangled with processing equipment.

**SEAL PROPERLY:** Close your parcel with one of the three recommended types of tape: pressure sensitive, nylon-reinforced kraft paper, or glass-reinforced pressure sensitive.

**AVOID SMUDGES:** Use smudge-proof ink for your addressing.

**LOCATE ADDRESSES PROPERLY:** Put the recipient's address in the lower right portion of the container. Put your return address in the upper left hand corner. Remove all other labels from the box.

**USE ZIP CODES:** Be sure to include the ZIP Code in both the recipient's and your return address.

**TIME IT RIGHT:** Mail early in the month and early in the day. This will help

you avoid the rush. **USE THE RIGHT SERVICE:** Irreplaceable items, cash and other valuables should be sent by registered mail.

**IF YOU RUN OUT OF TIME:** Priority Mail affords First-Class handling for packages weighing over 12 ounces and up to 70 pounds. Priority Mail can be sent from any post office, station or branch or through rural carriers to any address in the U.S. Priority Mail can even be used for foreign mailings.

The service is available with insurance, return receipt, COD, certificates of mailing and special delivery. Customers interested in Priority Mail should contact the post office for details.

## Cotton Board opens office in Japan

"We all know the tremendous challenges that the cotton producer faces today: low prices, high interest rates and a huge crop. The

more important time than now for cotton research and promotion programs," said Murray Williams, Chairman of the Cotton Board. "When adding up that a 15-year decline in overall market share has been arrested; that just as new equipment and systems have solved old problems, existing problems can be overcome through continuing support of the program. There is light at the end of the tunnel based upon long term projections for increased demand," stated Williams.

Emphasis is being given to combat byssinosis which both producers call one of cotton's most serious problems. Toward this end, Cotton Incorporated is currently in an \$8 million accelerated program involving both government and industry.

Robertson also reports that greater emphasis will be given to international markets in 1982. Cotton Inc.'s first European office will open in London next year. And the Cotton Board has recently received approval by the Secretary of Agriculture for Cotton Inc. to open an office in Osaka, Japan, to

## HOW TO BE A GOOD COOK

### The Art Of Chopping

One of the first techniques many beginning cooks learn is how to chop an onion. Here's an easy way to do it.

Peel and cut an onion in half lengthwise. Place cut side down and slice crosswise into 1/2" pieces. Slice lengthwise into 1/2 inch pieces. Give a quarter turn and slice again. This method also works well for other vegetables, such as potatoes and carrots.

## Old Fashioned Christmas in Canyon museum

December 3 and 4 from 7 until 9 the traditional "Old Fashioned Christmas" will be held at the Panhandle Plains Historical Museum in Canyon. Santa will be there,

caroling, exhibits, dancers, costumed characters and Minnie Mouse will be on hand to make it a safe and wonderful evening of fun. Be sure and take your family.

## THIS SEASON MAKE IT A HAWAIIAN HOLIDAY

At Best Western Villa Inn  
7:00 p.m. Dec. 9, 10, 11 and 12

If you're coming to Amarillo on a shopping trip, or just looking for a special night out, this is it: An Authentic Luau -- An exotic evening of Hawaiian food, including traditional roast pig, served in a Hawaiian setting around the pool in the Tropic Garden. Hawaiian entertainers will be flown in by Hawaiian Airlines. Travel agencies, airlines, and area merchants will set up booths providing information about the Islands and adding to the Hawaiian atmosphere.

### REGISTER FOR A FREE TRIP TO HAWAII

Anyone who attends the Luau will have a chance to win an 8-day, 7-night trip for 2 to Hawaii (travel arrangements by Creative Travel and Hawaiian Airlines). Anyone spending the night at Best Western Villa Inn and attending the Luau will have a second chance to register.

Make your reservations early  
\$14.95 per person

## 1926 Book Club met

The 1926 Book Club met in regular session Tuesday, November 17, 1981 at 4:00 p.m. at the Patching Clubhouse.

The members and guests were served delicious gingerbread cake topped with whipped cream, coffee, tea and nuts by our gracious hostesses, Mrs. Gladys Blackburn and Mrs. Joy Martin.

President Betty Veach brought the meeting to order by reading the club "collect" in unison. Evelyn Mann read the minutes of the last meeting.

Helen Phelps brought a short report on the tea coming up Saturday, December 5. The members were urged to invite a guest. Four members volunteered to make candy for the occasion, Betty Veach, Katherine Green, Billie Clinton and Helen Phelps. The tea will be at 3:00 p.m. with a \$2.50 charge for admissions which will go to the Patching Clubhouse for miscellaneous repairs.

A letter was received and read from the state hospital at Wichita Falls. Our club decided to donate \$20 toward Christmas gifts for the patients.

The Christmas party for club members will be December 1 at Mrs. Hazel Brandon's home. Gifts will be exchanged. Dr. Manning will present our program.

Dessa Day has consented to present her book review on THORPE at a later date in the evening. The date will be set by the committee which was appointed to work out details. It will be in January sometime. Any donations will go for the Patching Clubhouse.

The program was presented by Mrs. Anna Simmons on her trip with the "People to People" tour of London, Brussels, Frankfurt, Switzerland and Germany. It was very enjoyable to hear her presentation of her adventures.

Attended were: Mary Thornberry, Thelma Bairfield, Rachael Butler, Dorothy White, Jesse Adams, Pauline Heath, Ehtelyn Grady, Oressa Delaney, Carlyn Hamilton, Katherine Green, Billie Clinton, Frieda Tucker, Dessa Day, Helen Phelps, Pauline Morris, Evelyn Mann, Joy Martin, Gladys Burns, Hazel Monroe, Betty Veach and guests-Eleanor Cronlard, Anne Kennedy, Polly Sarich and Anna Simmons.

## Tulsa District regains military construction mission

A plan for reintroducing military construction into the Corps Tulsa, Seattle and Louisville Districts in Fiscal Year 1982 has been approved by Lt. Gen. J. K. Bratton, Chief of the U.S. Army Corps of Engineers.

Bratton said this action will increase the number of divisions and districts with military construction experience to support mobilization, balance the workload to eliminate unmanageable peaks in the districts and provide a

larger number of districts and divisions with both civil works and military programs experience which can then employ a full range of specialists.

The Tulsa District will assume responsibility for military installations in Oklahoma and Arkansas. These include five Air Force Bases, two Army posts, one Army ammunition plant and one Army arsenal. The Southwestern Division office in Dallas is developing plans for

the transfer of military programs between the Tulsa and Fort Worth Districts.

Lt. Col. A. Clark Welch is Deputy District Engineer for military construction in the Tulsa District. He formerly was military assistant to the resident engineer in charge of the construction of Clayton Lake.

## Odom-Thompson

wed

Marriage vows were solemnized for Miss Lisa Dawn Odom, daughter of Mr. and Mrs. Gene Odom of Fort Worth and Randall John Thompson, son of Mr. and Mrs. Edgar Thompson, Jr. of Claremont, New Hampshire, at the University Methodist Church in Ft. Worth at 2 p.m. Saturday the 28th of November.

Miss Odom is the granddaughter of Mr. and Mrs. W.H. Skelton and the great-granddaughter of Mrs. Mayme Skelton of Clarendon.

The wedding march was "Allegro Maestoso" by Handel and the recessional "Rondeau" by Mouret.

Baskets of white chrysanthemums, caranations and baby breath interspersed with emerald votive candles banked the altar rail.

Mrs. Carole Ridge of Ft. Worth, maid of honor, wore a peach georgette gown and carried a long stemmed rose. Miss Odom's bridesmaid was Miss Debbie Moore of Austin, cousin of the bride.

Verne Lariviere, Huntington, Mass., was best man and Edgar Thompson, III, Belchertown, Mass.,

MRS. RANDALL JOHN THOMPSON

brother of the groom, was his groomsman. Sharing ushering duties were David Bradley Dean and Matthew Gene Odom, brother of the bride, both of Ft. Worth.

The bride wore her mother's wedding gown of white peau de soie with a sculptured bodice and wrist-tapered sleeves of imported Alencon lace flecked with iridescent sequins. The hem of her cone-shaped skirt was applied with Alencon lace and flowed to a chapel train. The bride's chapel length veil of imported illusion was caught by a bandeau of encrusted iridescent sequins. Her bouquet was a cascade of white roses.

Immediately following the ceremony a reception was held in the Continental Room at the Hyatt regency Hotel. The three tiered wedding cake was supported by three columns through which a fountain pumped peach colored water. Peach flowers

and doves adorned the top layer. The table was covered with a hand-made Irish linen cut-work cloth. White and Hebbard roses in a crystal epergne on a silver stand centered the wall side of the table which was lighted by ivory twisted candles in silver candelabra. Miss Debbie O'Neal, Ft. Worth, registered the guests.

The couple took their wedding trip to Hawaii.

The bride is a graduate of Southwestern High School in Ft. Worth and Barbizon Modeling School. Mr. Thompson graduated from the University of Mass. with a degree in Agronomy. The couple will live in Ft. Worth where he is employed by Squaw Creek Country Club.

Mr. and Mrs. W.H. Skelton from Clarendon attended the wedding.

## Local

Mr. and Mrs. Carl Pittman, Mr. and Mrs. Clyde Pittman of Stratford and Mr. and Mrs. Jack Eddings of Amarillo have returned home after a tour of Texas, Louisiana and Arkansas. The foliage was still very pretty in East and Southeast Texas and Louisiana. Two brothers were visited, one in Beaumont, another in Bentonville, ARK and a sister in Ruston, LA.

## CAPITOL UPDATE

John Tower  
U.S. SENATOR for TEXAS  
142 RUSSELL OFFICE BUILDING  
WASHINGTON, D.C. 20510

Of all the elements of national defense, our strategic, or nuclear, capability is perhaps the most important. The existence of our strategic forces protect the United States itself from foreign attack, as surely as ships and forts did in the pre-nuclear age.

Only a strong strategic system can deter attack from another nuclear power -- which would know that they could not possibly "win" a nuclear exchange.

During the past decade, our superiority in that area has dwindled. It is essential that we modernize our forces so that our deterrent remains strong for the rest of this century. President Reagan has proposed a 5-point program to redress the inadequacies of our current forces. By and large, it is an excellent program, one I can support with few exceptions.

The program addresses the need for improved communications and control systems, a new long-range bomber, submarine forces, land-based missiles, and strategic defense.

Communications and Control refers to the survivability, performance and area of coverage of the radars and satellites used to warn us of a Soviet missile attack. It also includes the command centers that would direct U.S. strategic forces during a nuclear war and the way in which they would communicate with our forces. Improving these systems is essential if we are to have the capability to use our weapons systems.

In the area of strategic defense, the Administration's program calls for upgrading, in coordination with Canada, the North American air surveillance network. This would include defensive systems ranging from radars to anti-satellite capabilities, as well as civil defense.

The heart of our strategic system is the "triad" of weapons systems on land, in the sea and in the air. The Administration's program addresses all three of these areas.

For our sea-based forces, it includes an improved missile, with greater accuracy and a larger payload. It also calls for building Trident submarines at a steady rate and deploying Cruise missiles on many ships and submarines.

As for the air-based leg of the triad, our B-52 bombers which have served us so well for many years need to be replaced by a new long-range bomber. The Administration's program calls for a vigorous program to develop a bomber using advanced -- or "stealth" -- technology. In addition, the Administration proposes to develop a variant of the B-1 bomber to use during the period until the advanced technology bomber can be developed. The B-1 can be used to launch Cruise missiles, even after the Stealth bomber is in use.

We in the Senate Armed Services Committee will be looking closely at this recommendation to see how best to use limited available money in the best way to ensure that we have a viable replacement for the B-52's during this decade.

The final element of the strategic modernization package is the MX missile. This missile is a major improvement over our existing Titans and Minutemen, and its development is vital to our national defense.

I do not approve of the President's recommendation for deploying the missile in the existing missile silos instead of developing a deceptive basing mode. It is my view, and that of the military experts, that only a deceptive basing mode will provide us the survivability we need to maintain an effective land-based deterrent.

The Armed Services Committee will be looking closely to the various basing modes for the future. But, in the interim, development of the missile itself must continue.

## Chamberlain News

By Mrs. Hawley Harrison

Chamberlain Community Center will have their next regular meeting Friday, December 4th. Come and enjoy the good times together.

Craig and Jan Darby and Tomi of Burleson came Tuesday for the Thanksgiving Day Holidays with Mr. and Mrs. Donald Ballew and Ruth and Nell Corbin and Mary Bairfield.

Those attending Thanksgiving dinner at Donald and Bradis Ballew's were: Mr. and Mrs. Harold Darby of Ft. Worth, Craig and Jan Carter and Tomi of Burleson, Ruth and Nell Corbin and Mary Bairfield of Granbury. Mr. and Mrs. Wayne Lowe and Mrs. Genoa Lowe spent Wednesday, Thursday and Friday in Ft. Worth with Doug and Martha Lowe, Charles and David and Sidney and Jane Tice and Mandy of DeRidder, La. were with them for the Thanksgiving Day celebration.

Mr. and Mrs. Henry Mann and Mrs. Clara Mae Carter went to Pampa for Thanksgiving Dinner with Johnny and Becky Carter.

Thanksgiving weekend visitors of Mr. and Mrs. Henry Mann were: Louise Carter of Dumas, Mr. and Mrs. Abe Turner, Sharon and April, Mike and Teresa Turner and Jessica of Has-

tell, Garvis and Frances Kennard and Mrs. Lena Springer of Amarillo, and Mrs. Clara Mae Carter.

Ruth and Nell Corbin and Mary Bairfield had their dinner Friday. Those attending were: Mr. and Mrs. D.H. Condon and Bertie Faye Corbin and Jake Corbin of Amarillo, Mr. and Mrs. Harold Darby, Mr. and Mrs. Craig Darby and Tomi, Donald and Bradis Ballew and Mrs. Clara Mae Carter. Jennie and Randy Croslin spent the Thanksgiving Holidays visiting Mr. and Mrs. Ernest Barbee and Mr. and Mrs. David Croslin.

Dennis and Loretta Harrison and Anna hosted a Thanksgiving supper Thursday. Those attending were: Mr. and Mrs. Olace Hicks, Mr. and Mrs. Hawley Harrison, David and June Chase, J. D. and Nelda Jones, Sam and Mary McAnear, Connie and Dawn, and Stuart, John and Joy Naylor.

Mr. and Mrs. Charles Blackburn hosted Thanksgiving dinner Thursday. The Mr. and Mrs. Charles Blackburn hosted Thanksgiving dinner Thursday. Those attending were: Mr. and Mrs. Lloyd Risley and children, Mr. and Mrs. Larry Taylor, Butch Blackburn and Mr. J. C. Blackburn. Teresa spent the weekend and Mr. and Mrs. Blackburn took her

home Sunday. Ed and Doris Harp and son Jeff and his friend Lynn visited Mrs. Florence Harp Thanksgiving day.

Mrs. Bob Sanders of Duncanville, visited her aunt, Mr. and Mrs. W. R. Chaney Wednesday night and Thursday.

Mr. and Mrs. Ray Sherwood of Pine Bluff, Arkansas visited his aunt Mr. and Mrs. W. R. Chaney Thursday and Thursday night.

Ernest and Shirley Lamberson of Groom visited Bud and Carmen Wright Tuesday.

Mrs. Jack Lamberson visited Mr. and Mrs. Wright Wednesday.

Thanksgiving dinner guests of Mr. and Mrs. Frank Thomason were: Gary and Kathleen Duncan of Odessa, Tonya Duncan of Abilene, Renee and Carol Duncan and Mr. and Mrs. A. L. Duncan, and Jerry and Debbie Duncan and Allen of Wellington.

Mr. and Mrs. Richard Dingley spent Thanksgiving Day in Tulsa with Mr. and Mrs. Billy Cowan. Others attending were: Mr. and Mrs. Gene Grimland, Mr. and Mrs. Eddie Bird, Mr. and Mrs. Mitch Chappell and children, all of Amarillo.

Mr. Ernest Barbee visited Mr. and Mrs. Tom Barbee of Quitaque Saturday. Bud and Carmen Wright had Thanksgiving Dinner with Mrs. Bessie Broome.

Gene and Camille Smith visited Mr. and Mrs. Richard Dingley Sunday en route home to San Angelo.

Ernest and Bob Barbee were dinner guests of Ewayne and Janice Barbee and Beth Sunday.

Mark Mann visited Mr. and Mrs. Richard Dingley Sunday afternoon en route back to Lubbock.

Mrs. Pauline Koozt visited Mrs. Lois Lair of Hedley Monday.

Mr. and Mrs. Dean Chaney of Amarillo visited Mr. and Mrs. W. R. Chaney Sunday.

J. T. and Ola Stone visited Bud and Carmen Wright Sunday afternoon.

Wayne Lowe and Mrs. Genoa Lowe attended funeral services for Mrs. Virgie L. Johnson Sunday afternoon. Our sympathy goes to loved ones and friends in their loss.

Warren and Ruby Jewel Hardin visited Mr. and Mrs. Richard Dingley Sunday Afternoon.

Mrs. Ruby Blackman entered an Amarillo hospital Sunday afternoon, and had surgery Monday. Our thoughts and prayers are with her continually.

Mrs. Carmen Wright visited Mrs. Dick Shelton in Hall County Hospital Monday.

Mrs. June Chase flew from Amarillo to Austin Saturday to see her new grandson Jacob Lloyd Morris, son of Debbie and Aaron Morris.

## EMS Activity Report

11-25-81 C. J. Thomason, 50 of Clarendon treated at residence and released. No transport. Trauma.

11-28-81 George Alfred Beames, 57 of Oklahoma City, Oklahoma DOA in Clarendon following accident 6 miles north of Clarendon on Highway 70. Trauma.

11-29-81 Pauline Morris, 68 of Clarendon from residence to Hall County Hospital, Memphis. Medical and Trauma.

11-29-81 Glenn Paul Anear, 23 of Pampa from intersection of Highway 70 and Interstate 40 to Corona-

64 Community Hospital, Pampa, Texas.

11-30-81 Anna Belle Mesingame, 75 of Clarendon from residence to High Plains Baptist Hospital, Amarillo, Medical.

218 responses handled in 1981 to date.

Airman Kevin J. Fincher, son of retired Coast Guard Chief Petty Officer and Mrs. Kenneth E. Fincher of Clarendon, has completed Air Force basic training at Lackland Air Force Base, Texas. During the six weeks at Lackland, the airman studied the Air Force mission, organization and customs and received credits towards an associate degree in applied science through the Community College of the Air Force. The airman will now receive specialized instruction in the aircrew operations field at Kirtland Air Force Base, N.M. Fincher is a 1981 graduate of Clarendon High School.

## of interest to VETERANS

Federal help for veterans and most other categories of citizens is being tightened or reduced by the current administration. But other sources of aid, often overlooked because of their variety and special requirements, remain available. Consult your state or county veterans' office.

Virtually every state offers special benefits supplementing federal programs handled by the Veterans Administration. Among the most valuable can be school loans and scholarships often available to the children and spouses of deceased or severely disabled veterans and former prisoners of war. Not all are so limited.

Some states, like Virginia, exempt war veterans from paying tuition at state colleges if they are no longer eligible for GI Bill benefits. Minnesota offers honorably discharged state vets \$250 toward tuition after GI benefits are exhausted.

Alaska, Hawaii, Maine and Ohio give preference to veterans and their families in tenant selection for housing projects. Other states waive certain business or professional licensing requirements or fees. Benefits like these do not cost taxpayers money but provide a readjustment boost to men and women who have honorably served their country in uniform.

Veterans can get more information and assistance from any American Legion Post or Veterans Administration office. — Jack Flynt, National Commander.

## Shaky foundation of an All-Volunteer Force

For the past eight years the United States has struggled to build a credible defense on the shaky foundation of an All-Volunteer Force. By almost all accounts the experiment has been a failure and stands as the weakest link in our chain of defense.

Right now upper-income and middle-income Americans have opted out of the volunteer military. I believe that rich and poor alike should acknowledge and accept an obligation to defend the system that has made us free.

If America is serious about bolstering its national defense in the Eighties, we must begin by providing more skilled people to operate our complex weaponry systems.

To those who throw up their hands and suggest that a return to the draft is politically unacceptable, I respond that a continued reliance on the All-Volunteer Force is militarily unacceptable.

## Fitness Facts

by Dr. Richard Ryan, Consultant to the Nutrition Industry

**Avoid The Health Food Rip-Off — Read The Label**  
 Vitamins have almost become a staple to the American diet, as an industry survey reveals that by 1990, \$3.75 billion will be spent annually on nutritional supplements. That's an increase of 13.7% over 1981 levels.

The consumer should beware that such large dollar numbers will attract new vitamin products. How do you know the good from the not-so-good? My advice is to read the label on the product.

Regardless of how the product is sold, be it in the supermarket, drug store, local health food store or marketed door to door by your neighbor, read the label for contents and potency, because the ripoff is on.

First, some of the more established brands have not incorporated the recent nutritional findings. Second, some of the newer products are in a horsepower race in potency.

For example, our modern diet is no longer deficient in Vitamin D, nor do we require biotin. Also, a formulation shouldn't combine oxidants with anti-oxidants.

Conversely, a vitamin program should offer what your

able and morally irresponsible.

Ideally, I'd like to see the draft as one option in a program of universal national service in which every citizen of this democracy would recognize and accept a period of service of some kind to his country.

We have a responsibility to restore some basic values which have eroded in recent times; patriotism, the willingness to serve one's country, and the understanding of the freedom we enjoy which is threatened in so many places around the world.

That freedom wasn't earned by those who turned their back when their country was in need.

If this nation is to succeed in the dangerous decade of the Eighties, we must rekindle the spirit of patriotism and unity that sets us apart from the rest of the world. The privilege of democracy includes an obligation to serve in the cause of liberty.

diet needs today, like calcium, magnesium, carotene, selenium and G.T.F. chromium.

Then look at the vitamin potency. Too much can be toxic, while too little is worthless. Just ask the person selling the product. If they don't know about its optimum nutritional range, then you should get your product and advice elsewhere.

## IT'S A FACT!

Less than 20 percent of all the energy produced by a car's engine survives as actual usable power at the drive wheels! The rest of the energy dissipates through the exhaust and cooling system, and in other ways. And friction claims about five percent of that energy.

The good news is that you can cut the energy your car loses to friction by using the proper lubricant. According to Amalie Refining Company, concerned with America's drivers and their automotive needs for 75 years, using multi-grade motor oil could net substantial fuel savings for vehicles—three to six percent—and reduce some of the impact of the gas crisis.

## Farm Income

Economic indicators of October 1981 reported that the seasonal adjusted annual rate of net farm income for 1981 is \$24.8 billion, compared to \$19.9 billion for

1980. If the 1981 projected net farm income is reduced to the purchasing power of the 1967 dollar, the income drops to \$9.0 billion, compared to \$8.1 billion in 1980.

## NUMB ARMS, LEGS Danger Signals

There may be misalignment of vertebrae in the spine causing pressure on nerves, yet the patient experiences no pain in the back. Instead, a variety of sensations may be felt in other parts of the body. These include tingling, tightness, hot spots, cold spots, crawling sensations, electric shock sensations, stinging, burning, and others.

Here are nine critical symptoms involving back pain or strange sensations which are usually the forerunners of more serious conditions. Any one of these usually spells back trouble.

- (1) Paresthesia (see above) (2) Headaches
- (3) Painful joints (4) Numbness in the arms or hands (5) Loss of sleep (6) Stiffness in the neck (7) Pain between the shoulders (8) Stiffness or pain in lower back (9) Numbness or pain in the legs

These signals indicate that your body is being robbed of normal nerve function. Until this function is restored, you will, in some degree, be incapacitated. The longer you wait to seek help, the worse the condition will become. Don't wait! Should you experience any of these danger signals, call for in depth consultation in Layman's terms.

## Doing MORE...With LESS! THE MOTHER EARTH NEWS

### BUILD A ROOT CELLAR FOR WINTER FOOD STORAGE

Root cellars were once commonly used to store crops through the winter, and they work just as well nowadays. So if your basement is too dry and warm to keep root vegetables in, just cobble together one of these simple structures... and keep your garden's bounty fresh well into the cold months.

You can build a crude barrel root cellar by setting a wooden container at a 45° angle, two-thirds of the way into the ground... letting its bottom rest on a few large rocks or bricks (for drainage). Cover the barrel with six inches of dirt, six inches of straw, and a final two inches of soil. Carefully pack firm, unwashed vegetables in straw—layer after layer—in the barrel and cover the top of the full container with (1) its lid, (2) a foot of straw or leaves, and (3) a board held in place by a large rock. (If you can't obtain a wooden barrel from a hardware store or lumberyard, a section of culvert drainage tile fitted with plywood ends will work just as well.)

Folks who find that a barrel root cellar isn't quite fancy (or large) enough can assemble a simple cold-storage box. Use one-inch hardwood lumber (pine pitch can ruin many vegetables) and make the box five feet long, by three feet wide, by three feet deep.

You can divide this container into several compartments if you want (one of our readers, Grace Schilling, partitioned hers into three 20-inch "cupboards"), before building a covering that extends an inch or so past the edge of the box on all four sides. The "lip" will give your cold-numbered fingers something to hold onto when you lift the lid later in the winter.

Once the box and the top are built, you're ready to dig your pit. This excavation should be two and a half feet deep and—of course—large enough to hold your wooden bin. Sink the box in the hole, fill in any spaces around the container's sides with loose soil, and then heap more earth up around the box's "above-ground" edges. Be sure to slope this soil so that water will run off the mound and away from the wood.

You can fill the box to within about six inches of its top with vegetables—using cabbages and most any root crops—and then spread a dry gunnysack over each pile of garden goodies. The rest of the space in the mini-root cellar should be packed with oak or maple leaves, which insulate well and don't settle much.

After you've filled your cellar, put the lid back on, cover it with about four inches of leaves, and top it all with a sheet of old roofing tin or some such covering and a couple of bricks (to hold everything in place).

TAKE AS NEEDED

A common abbreviation used in prescription writing is PRN. The three letters are from the Latin words *pro re nata* which are loosely translated "as needed", "if needed", or "when needed". The directions on a medication may read "take two tablets every four hours PRN pain". PRN directions give the user some discretion in determining whether or not medicine is taken.

Why would a prescriber direct the patient to take medicine in this manner? There could be several reasons...the most common being that the symptom or problem is expected to disappear with time or from time to time. Examples of such problems include itching, pain, sleeplessness, constipation, diarrhea, fever, and nausea.

For many health problems, medicines must be taken on a routine basis...day after day, month after month. Chronic diseases such as high blood pressure, for example, are not well controlled with PRN use of high blood pressure medicines. It is important that the patient understand whether medicine is to be taken on a routine basis or prn basis. When a medicine calls for "as needed" use, there is a responsibility to take that medicine only when needed. For most chronic diseases, however, medicines are taken day in and day out.

# CHS Basketball team enter tournament

Basketball season is hard upon us again. The Varsity Girls and Boys will participate in the Spearman Tournament on Thursday and Friday. The players are Brad Thompson, Bryan Hill, Bobby Weatherston, Junior Crump, Spencer Hayes, John Braxton, Kelly Hill, David Weatherston, Arlis Thomas, Scott Newland, Hosea Hearn, Brad Woodman, Doug Walker, Ray Crump, and Brett Bryant. The girls

team is: Sulynn Ariola, Rhonda Butler, Vanessa Calloway, Angela Gardner, Kelli Hardin, Dorothy Brad-

cock, Linda Weatherston, Kristen Walker, Kelli Hardin, Patricia Shields, Susan Alderson, and Kristin Weatherston.

Tea bags were first used in 1804, when Thomas Sullivan, a New York City coffee and tea merchant, sent his customers samples of tea in small silk bags instead of in the usual tin containers. The customers began to order tea leaves in bags after finding that the drink could be brewed easily with them.

Football Pm P 1 at midfield, the Owls found themselves facing a 4th and 15 situation. Then came one of those mistakes that come at what was, perhaps, the worst time of all. Clarendon was pegged with two unsportsmanlike conduct calls that put the Owls at the Bronco 20 with a first down and confident momentum. Mitch Johnson scored three plays later to give Hale Center a lead they would not relinquish.

Clarendon still had a good chance to win with 5:27 remaining in the game. But before Clarendon could get moving, they lost the ball at

their own 20 on a Thompson fumble. Seconds later, the Owls clinched it on another run by Johnson. Hale Center added one more meaningless score with little time remaining to give the game its final score 31-14.

The Broncos finished 11-1 and certainly will go down as one of the finest teams in Clarendon history. Not since the 1972 state finalist team has a Bronco squad been so successful.

Hale Center advances into a quarterfinal playoff with Hamlin, who defeated Plains 28-24 Friday.

## Bronchette Basketball

BY SCOTT NEWLAND

The Clarendon Bronchettes returned to old playoff form last week with two resounding victories over the Hedley and Tulia varsity teams. The Bronchettes bounced back well after dropping a stunning defeat to Childress the week before.

On Monday, the Bronchettes used a twenty-four point second quarter to overcome Hedley 56 to 28. Hedley was behind by only one point after the first period, but outstanding play by senior leaders Kelli Hardin and Angela Gardner was enough to put the Owlettes away for good. Hardin had a team-leading twelve points and 13

rebounds for the Bronchettes while Gardner tossed in 11 points and grabbed five boards.

The defending district champs gave Hedley an opportunity to get back into the game in the third period by scoring only seven points, but the Bronchettes defense picked up the slack by limiting Hedley to a measly two points in the same period.

On Tuesday, the trio of Vanessa Calloway, Angela Gardner, and Kelli Hardin combined for 48 of the Bronchettes season high 64 points. Gardner grabbed 11 rebounds and scored 22 points in just the first three quarters as the Bronchettes

had a relatively easy time with Tulia.

The Bronchettes showed in both games that they are not just a three girl team by impressive play by Seniors Lana Davis, Sulynn Ariola, Rhonda Butler, Juniors Patricia Shields and Dorothy Braddock; and young but promising Sophomores in Linda Weatherston and Kristen Walker.

The Lady Broncos are looking forward to a promising season with Coach Bob Howell at the helm. Everyone expects extended play-off prospects from the Bronchettes, and with play like the Bronchettes displayed last week, the townspeople of Clarendon have something to look forward to in High School girls Basketball.

### US Land Holdings

How much land does Uncle Sam own? More than 775 million acres, or better than one-third of the entire country. The Advisory Committee on Intergovernmental Relations reports that the value of Washington's holdings—land, buildings, and other facilities—was \$279 billion in 1978, the last year for which figures are available.
