## Ceramic Connection under new management

The Ceramic Connection was originally started by Stacy Mooring, on Highway 287 in the building where Mike's Pharmacy is now located. It later sold to Loretta Harrison and moved to its present location in the building behind Biven's Pharmacy on Highway 287 and Sully. This past winter it was sold to Sue Robinson.

Sue teaches first grade and started coming down to the Ceramic Connection as a hobby. She found it relaxing after a day of teaching and liked visiting with all the customers who were making things in the shop.

The Ceramic Connection has some 250 molds and they give free lessons to anyone wanting to come by the shop and work on a project. Sue or Loretta will show you how it is done step by step.

Later on this summer they may give lessons to children if they find there is a demand for one.

Sue and Loretta are attending a certification class in Amarillo. These classes are being taught by Ceranichrome.

Sue would like to stress the fact that they are not just a do it yourself hobby shop. They are also a gift shop. Anyone wanting to come by and look over their finished products are welcome to do so. If you are looking for something, and you don't see it finished, they will be more than happy to do one for you, in your own colors.

The shop is open Tuesday thru Friday from 10 a.m. until 5 p.m. They are closed Saturday, Sunday and Monday.

Sue stated, "If we don't have what you are looking for, we will search high and low for the mold. We have some very lovely gifts and would like to invite everyone to drop by and visit with us. We have many ready made gifts, or will teach you how to paint your own. We would also like to say, that Judy Sanders sometimes gives doll lessons at the shop, if you are interested, call us and we will let you know when there will be a class."

## Burn-out Shower for Thompson family

A shower is planned for Carol and D'Lynn Thompson whose Howardwick home and all possessions were destroyed by a June 8th fire.

D'Lynn, daughter of Johnnie Rattan, wears size 6-8 pants and size 8 shirt. Carol wears size 34-32 pants and 15 1/2 shirt.

The shower will be Friday, June 19th from 7:30-9 p.m. at the Hospitality Room, First Bank and Trust, Clarendon.

GIFTS FROM CERAMIC CONNECTION

## First United Methodist Church Vacation Bible School to begin June 22

Have you ever wondered what children did back in Bible times? What they did for fun? What they ate? Where they did their shopping? Come and experience one version of "Marketplace 29 A.D." and live it yourself. Open to all children from 4 years of age through 6th grade.

We will begin June 22 and for that week we will learn and play at least in part the way children did 2,000 years ago. On Friday, June 26, we will have a program to show parents and friends what we have learned. Please come from 9:00-12:00 starting Monday, June 22.

## District conventions of Jehovah's Witnesses June 26-28

The Watchtower Bible and Tract Society of New York has revealed that a three-day district convention of Jehovah's Witnesses has been scheduled for the Amarillo Civic Center, June 26-28.

Frank Barr, convention manager, said 6,000 persons are expected to attend the annual convention.

Barr said 123 conventions are planned in the United States this summer with more than one and a quarter million delegates visiting 65 different U.S. cities.

"In addition to English," Barr said, "conventions are arranged for seven other languages including

Spanish, French, Greek, Italian, Japanese, Korean, and Portuguese."

"The program will focus on the major problems that affect humanity," Barr said, "and will offer practical suggestions on coping with these problems. The pressures on the family in these times of tremendous change is of special concern to us," he said.

The principal address of the convention, "In Our Fearful Times, Whom Can You Really Trust?" will be delivered by Billy Nichols, Sunday, June 28, at 2:00 p.m.

## Library Book Sale and Silent Auction successful

Thanks to Library Volunteers

By BOB WILLIAMS

The Book Sale and Silent Auction at the library was a tremendous success, netting over \$400 for library use. This success would not have been possible without the generosity of donors who gave the material for the silent auction and volunteers who manned the sale.

The Friends of the Library want to publicly thank Phoebe Ann Buntin, Diane Chamberlain, Jean Chamberlain, Helen Cook, Cinda Courtney, Jane Gilkey, Chris Matthews, Anabeth McNabb, Evelyn Moore, Jo Schollenbarger, Francis Skelton, Mary Ann Slavin, and Darlene Spier, who donated objects to the silent auction. All of the items were high quality.

Thanks also go to Lydia Black, Andrea Edwards, Kelly Edwards, Shane Judd, and Megan Williams who helped conduct the sale. All Clarendon can be proud of producing such fine young people.

Adults who assisted with the book

## Church activities

The Clarendon Church of the Nazarene will have "Kid's Crusade" the week of June 22-26 at 7:00-9:00 p.m.

The First Baptist Church will have a youth group attend an Evangelist Conference in Dallas June 26th.

The First Baptist Church will hold a RA Barbecue planning meeting June 27th at 6 p.m.

First United Methodist Church Vacation Bible School begins June 22 and ends June 26 from 9:00-12:00 noon.

## Clarendon Church of the Nazarene to have "Kid's Crusade"

Clarendon Church of the Nazarene is having "Kid's Crusade" next week June 22-26 at 7:00 p.m. to 9:00 p.m. each evening (Monday-Friday).

Come join us in an unforgettable week of puppets, clowns, skits, a chalk talk stories and Bible memorization. The week closing with a Hot Dog Supper. Every night there will be lots of things planned to help

children to get to know about Jesus. Please plan on coming. Everyone is welcome. If you need a ride let us know. Call 874-2321.

## Rodeo entry information

Rodeo entries will be taken by phone Monday, June 22, 9 a.m. to 4 p.m. -- 874-3144. Donley County double mugging entries will be taken

Friday, June 19 by phone--874-3144. Arena parking spaces are available at James Owens Boot Shop.

Trophies will be awarded to all first and second places.

## Position open at Burton Memorial Library

Annis Stavenhagen has resigned as Librarian for the Gabie Betts Burton Memorial Library effective August fifteenth to accept the position of Assistant Librarian at Clarendon Junior College.

The job vacated by Mrs. Stavenhagen needs to be filled as soon as possible. It is for thirty hours a week. There is also an assistant working at the library, with a work study student from Clarendon College helping.

To qualify as a librarian in a town the size of Clarendon requires completion of thirty semester hours at an

accredited college or university; or graduation from high school or GED test with one year's experience in a library in the past five years; or an equivalent combination of semester hours and experience. A copy of your college transcript is necessary.

Applications are available at the city library or the office of the City Manager, Donna Edwards. Please leave your completed application and/or resume with Donna Edwards. Anyone needing additional information may contact Jean Chamberlain, President of the Library Board.

## Kerr McGee Station under new ownership

The Kerr McGee Service Station is now under new ownership. John D. Adams would like the people to know SERVICE will be the key in keeping your business. There will be a mechanic on duty at all times. Compare prices and save on tune ups, oil changes, wash and lubes, air conditioner service, and flats.

John also has an emergency number for after hours--874-3227. He

## Father's Day Bake Sale

The Nazarene Youth will have a bake sale at Thriftway, Saturday, June 20 from 9-3. The proceeds will go toward the camp fund to help expenses for summer camps. Come on down!

## Cheese distribution and

## Blood Pressure Clinic

June 18

The Donley County Community Action will be distributing commodities one day only Thursday, June 18 from 9-12 noon and 1-5 p.m.

There will also be a free Blood Pressure Clinic Thursday, June 18 in the Community Action Building.

FUN! FUN! FUN is in store for Texas Reading Club members, ages four through sixth grade, at Burton Memorial Library. "Animal Antics" is the theme for this summer's program.

The first special meeting with films, stories, puppet shows, music,

poetry, and special guests will be presented Tuesday, June 30, from 10:00 a.m. until 11:45 a.m.

Be making your plans to attend the very first meeting which will begin promptly at 10:00 a.m. on June 30. More details will be in next week's Clarendon Press.

## Miss Donley County Pageant

Make plans now to attend the Miss Donley County Pageant on Saturday, June 27. The pageant is sponsored by Alpha Upsilon Epsilon and will begin at 7:30 p.m. in the Clarendon College Auditorium. All girls who attend Donley County schools and will be in high school next year are eligible to participate. Contestants will begin selling tickets this week, or you may get your tickets at the door on the 27th. Admission will be \$2.00 per person with children under school age admitted free.

Donations of prizes or money for

prizes will be greatly appreciated. AUE would like to thank Clarendon Outdoor Entertainment for their generous donation of \$100.00. We appreciate your support and encouragement of Donley County youth. If you would like to contribute prizes or cash or have questions please contact Sandra Shields at 874-3546 or Rose Lemley at 874-2440.

Show your support of our Donley County girls by planning to be at the College Auditorium on June 27 at 7:30 p.m.

## Museum to accept antiques

The Saints' Roost Museum is ready to accept antiques, relics, artifacts or anything you may have to offer. Please contact any of the following Board Members and they will help you deliver your museum contribution before July 1. Ruth Hancock, Frankie Henson, Helen Woody, Phebe Buntin, Evelyn Moore, James Owens, Willard Skelton, Bob Boston, Wes Henson and Ernest Kent.

## Casteel-Johnston united in marriage

Angela Renae Casteel and Mark Douglas Johnston were united in marriage June 13th at 7:00 p.m. with the Rev. Rob Ford officiating. The ceremony was held at United Methodist Church in Canyon, Texas. The bride is the daughter of Mr. and Mrs. Kenneth Casteel of Amarillo and the granddaughter of Mr. C.I. Casteel and Mrs. W.J. David of Clarendon. Parents of the groom are Mr. and Mrs. Donald Johnston of Canyon.

Maid of Honor was Sheila Ball of Amarillo. Bridal attendants were Sarah Bush, Tracey Woodbridge, Cindy Scakinger and Kim Johnston.

Best man was Curt Johnston, brother of the groom, of Amarillo. Groomsmen were Greg Johnston

brother of the groom of Roundrock, Guy Puckett, Jeff Karr and Tim Shelley.

Guests were seated by Chris Phillips of Clarendon, Harvey Ratliff, Johnny Merchant and Casey Aston.

Flowergirls were Bridgett Leeper of Clarendon and Brittany Johnston of Amarillo.

Ring bearer was Grant Dickerson of Shallowater.

Candlelighters were Gwen Bohannon and Steven Phillips both of Clarendon.

Music was performed by Jim Shadle of Clarendon and Sarah Bush of Canyon.

After a trip to Cancun, Mexico the couple will be at 4418 S. Parker, Amarillo.

MRS. MARK JOHNSTON nee Angela Casteel

## Patterson-Leffew engagement announced

Mr. and Mrs. James Patterson announce the engagement of their daughter, Sharon Renee Patterson, to Stanley Darrell Leffew, son of Mr. and Mrs. Darrell Leffew of Clarendon.

The couple will engage wedding vows August 15 at the First Baptist

Church in Richardson, Texas.

The bride-elect and the future bride-groom are graduates of Texas Tech University. The bride-elect is an elementary education major. The bride-groom is employed by the Texas Tech University Health Sciences Center.

STANLEY LEFFEWE AND SHARON PATTERSON

## Obituaries

### RUTH ELIZABETH DOTSON

Funeral services for Mrs. Ruth Elizabeth Dotson, age 85 of Clarendon were held at 3:00 p.m. on Wednesday, June 10, 1987 in Robertson Chapel Of Memories with Rev. O.C. Edwards, Baptist Minister, and Rev. Truman Ledbetter, Pastor of the First Baptist Church, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Dotson died at 3:31 p.m. on Monday, June 8, 1987 in Medical Center Nursing Home in Clarendon following a lengthy illness. She was born August 19, 1901 in Cleburne, Texas and married Milo Dotson in 1921 at Lelia Lake. He died in 1960. She had been a clerk and a homemaker and had lived in Clarendon since 1981, moving here from Dallas. She was a Baptist.

Survivors include one son, Tommy C. Dotson of Wills Point; one daughter, Robbie Cureton of Slidell, Louisiana; four sisters, Melba Leathers of Clarendon, Jessie Cruse of Claude, Dean Angel of Canyon,

Rubye Lowery of Wills Point; five grandchildren; five great-grandchildren; and a number of nieces and nephews.

Casket bearers were nephews and grandsons of Mrs. Dotson.

### FLOYD SHANNON

Funeral services for Floyd Shannon, age 70, were held at 11:00 a.m. on Wednesday, June 10, 1987 in the First Baptist Church with Rev. Truman Ledbetter, Pastor, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Shannon died at 4:10 p.m. on Monday, June 8, 1987 in St. Anthony's Hospice in Amarillo following a lengthy illness. He was born March 18, 1917 in Saint Jo, Texas and married Emma Ayers on January 4, 1958 in Carlsbad, New Mexico. He was the owner/operator of Shannon's Dozer Service and had lived in Clarendon since 1972 moving here from Guyton, Oklahoma where he lived for 15 years. He was a veteran of World War II, a 32nd Degree Mason and a member of the Clarendon Masonic Lodge, and a member of the First Baptist Church in Clarendon.

Survivors include his wife, Emma Shannon of Clarendon; four sisters, Velma Crownover of Seymour, Audra Cox of Decatur, Maurine Brady of Dallas, Jo Ann Prestage of Gainesville; five brothers, Bill Shannon of Grapeland, Bob Shannon of Grapeland, Cecil Shannon of Cleburne, Raymond Shannon of Grandbury, June Shannon of Gainesville; and several nieces and nephews.

Casket bearers were Billy Powell,

Dude Cornell, Leo Smith, Larry Wade, Bill Hill, Harold Phelps, Jeff Walker, and Flavil Hodge.

The family requests that memorials be to a favorite charity.

### TROY EDWARD GUY

Funeral services for Troy Edward Guy, age 75, were held at 10:30 a.m. on Tuesday, June 16, 1987 in the First Baptist Church with Bright Newhouse, Pastor of the Hedley Church of Christ and Rev. Truman Ledbetter, Pastor, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Guy died at 12:30 p.m. on Sunday, June 14, 1987 in Northwest Texas Hospital in Amarillo following a short illness. He was born November 10, 1911 in Pauls Valley, Oklahoma and was married to Hazel Bingham on January 14, 1950 at Clovis, New Mexico. He had been a resident of Donley County since 1939, coming here from Pauls Valley, Oklahoma. He had been a farmer most of his life, served as county VA service officer for 14 years and was a veteran of World War II. He was a

member of the First Baptist Church in Clarendon.

Survivors include his wife, Hazel Guy of Clarendon; one son, Troy Joe Guy of Memphis; two brothers, James Guy of Holbrook, Arizona, Charles Guy of Irving; two grandsons, Ricky Guy and Rodney Guy; and one great-grandson, Trevor Joe Guy.

Casket bearers were P.C. Messer, Lyle Lacy, Maurice Risley, Grady Tyler, Lloyd McCord and James Kirkland.

Honorary bearers were members of the First Baptist Church Adult Men's Sunday School Class.

The family requests memorials be to the Citizens Cemetery Fund or to the Clarendon EMS Equipment Fund.

### MALCOLM WARREN MAXEY

Funeral services for Malcolm Warren Maxey, age 70, were held at 2:00 p.m. on Wednesday, June 17, 1987 in Robertson Chapel Of Memories with Rev. Maxie Beggs, Pastor of the Fairview Assembly Of God Church in Amarillo, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Maxey died at 10:00 p.m. on Sunday, June 14, 1987 in Northwest Texas Hospital in Amarillo following a lengthy illness. He was born

September 14, 1916 at Travis County, Texas and was married to Opal Mae Hudson on February 28, 1949 at Raton, New Mexico. He had been a truck driver most of his life and had moved from Oklahoma to Amarillo in 1986. He was a Baptist.

Survivors include his wife, Opal Maxey of Amarillo; six daughters, Joyce Sutton of Midland, Wanda Roulett of Killeen, Maxine Wzlecyc of West Columbia, Mary Wells of Louisiana, Pam Camy of Lake Charles,

Leavenworth, Kansas; six sons, Phillip M. Helton, Bobby D. Helton, Mack Maxey, Gary Maxey, Warren Maxey, all of Amarillo, Johnny Helton of Albertville, Alabama; two brothers, Mitchell Maxey of San Antonio, J.M. Maxey of Arlington; 33 grandchildren; and 11 great-grandchildren.

Casket bearers were Phillip Helton, Kenny Reid, Monty Helton, Brandon Helton, Bryon Helton, Phil Helton, Bob Helton, and Warren Maxey.

### FACTS ABOUT TEXAS WATER

Why Conservation?

Water conservation is defined as the efficient use of water so that unnecessary or wasteful uses are eliminated. In Texas, more ground water is drawn out of aquifers each year than is recharged through rainfall and streamflow. As a result, groundwater levels have dropped dramatically in some parts of the state. Demand for water from the state's streams and reservoirs is rapidly approaching the available long-term supply. Across the state, many communities are regularly required to limit water use at some time during the year.

While some additional water supplies can be developed by constructing new reservoirs, in many locations the demand for water will still equal or exceed the available long-term supply. For these towns and cities, water conservation can make the difference between adequate supplies and shortages. Importantly, the way water is used and, in some instances, wasted must be rethought.

Water conservation—the more efficient use of the state's water—is vital if Texas is to provide adequate future water supplies to meet the needs of the state.

MONTE HOLLAR

### Monte Hollar named an Academic All-American

The National Secondary Education Council announced that Monte Hollar has been named an Academic All-American.

The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The Academic All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the NSEC. These are awards few students can ever hope to attain.

Monte who attended Clarendon High School, was nominated for this National Award by Ms. Betty Veach, Business Instructor. Monte will appear in the Academic All-American

can Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the Academic All-American Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the National Secondary Education Council.

The Council selects Academic All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the NSEC for other honors.

Monte is the son of Burl and Carlene Hollar. The grandparents are Mr. and Mrs. Carl Taylor of Amarillo and Mrs. Clyde Hollar of Paducah.

### Transportation charges required on wool sales slips

Edwin Campbell, CED of the Donley County Agricultural Stabilization and Conservation Service, reminds wool and lamb producers that marketing charges must be itemized on all wool and mohair sales documents other than sales at a farm, ranch, or local shipping point.

"Any transportation charge that the producer pays or is billed for is considered a marketing charge," Campbell said.

If transportation charges are not shown on the sales receipt, Campbell said producers will be required to furnish this information when they turn in sales receipts and file a payment application.

"The reporting of any transportation charge is the producer's responsibility," Campbell said transportation charges will be deducted from the sales document even if the producer sells through a wool pool, with or without a manager, or through any other agent. The location for which the net proceeds are computed also must be shown on the sales document.

Farmers who have a record of their wool and mohair sales are eligible for incentive payments only if the sales are reported to ASCS. Shorn wool and mohair payments are made only for bona fide sales documented on invoices prepared by the purchaser, according to the Donley County office.

In addition to marketing expenses, the sales document must show the month of shearing, month of sale, number of head shorn, pounds of wool (grease basis) or mohair sold, and net proceeds. Sales slips for lambs also must show the liveweight and state that the lambs were unshorn.

Farmers who have questions concerning wool and mohair marketing expenses should contact the Donley County ASCS Office.

The biggest fresh water fish ever recorded as having been caught with a rod and reel was a 468-pound sturgeon caught in California in 1983.

### Ashtola Martin

By NAOMI GREEN

Duane Hearn of Brownfield spent Friday night with the Charlie Hearn.

Mr. and Mrs. Mike Lyle of Gilmer, Texas visited Sunday with the Charlie Hearn enroute back from a Colorado honeymoon.

Hazel and J.R. Brandon attended the Cole-Thompson Family Reunion Sunday, June 7th at Lindale, Texas. Enroute home they visited the following relatives: W.W. Cole at Frankston, Texas, Carrie Johnson and Gilbert Cole of Tyler, Alvin and Coty Malone at Lindale, John, Margaret and Daddi Sundaners at Brownsboro, Emerson and Virginia Chapman at Brownsboro, Irva Reynolds and Faris Brown at Athens, Theresa Stout of Mabank and Mose and Doris Martin met the Brandons at Canton where they were visiting friends, Herbert and Cora Simmons.

Friday J.R. and Hazel Brandon were in Amarillo to see a dentist. While there they visited T.M. and Jaunita Cole.

Frank and Myrl Reger of Hedley, Don and Jimmie Lee Matherson of Claude and W.. Brandon of Clarendon were lunch guests Sunday 14th of June in the J.R. Brandon home.

Monday the J.R. Brandons went to Claude to visit with Willard and Willa Cook.

Last week Katherine, David, Clint and Lindsay made the long trip to St. Louis to attend the graduation of Scott Phillips their cousin and nephew.

H.A. Green and Naomi were in Thalia last weekend t visit Duane and Mae Naylor. Danny, Cindy and Maegan were also weekend visitors there. Mrs. Cathy Gray joined the group for supper Saturday evening.

Naomi Green and Louise Shadle visited with Lesley Watson Monday morning at the time of the funeral service for Mrs. Watson's oldest son O.C. Jr. in Colorado.

Gary, Marcia, Carrie Sue and Kriss Ann Davis along with Skeet and Eileen Brown went to Tulsa to see the Grishems for the weekend.

They had tickets to the barbecue and saw the play Oklahoma in outdoor theater. Sunday they all went to Grand Lake. Skeet and Eileen came in Sunday night but Gary and Marcia remained another day to take the girls to the zoo and do some other sight-seeing.

Dusty Tittle of Canyon is spending the week with the Vance Grays and Buster Gray.

Charline Brown of Floydada came Tuesday to visit the Vance Grays and returned to Floydada Thursday.

### Lion's Tail

The Clarendon Lions Club held a special meeting at our regular meeting time at noon on Tuesday, June 16th. Boss Lion Jem Simmons, ably assisted by Lion Mac Stavenhagen and Wilbert Bernabe, prepared an absolutely delicious chicken barbecue for approximately 70 members and guests. Our regular cooks prepared the trimmings. A special invitation had been extended to each member's family and the response was excellent.

Following the regular opening ceremony, Boss Lion Simmons gave Lontamer Messer a "day off" from the introduction of guests so we would have time for our program. The Boss Lion thanked Lion Bernabe and Stavenhagen for helping with the barbecuing and the recognized club vice-president Shelton, Hicks and Knorpp for the good job they have been doing on our bingo project. He also read a letter of thanks from Northwest Texas Hospital for the stethoscopes which our club donated to the Neonatal Unit. Program chairman Smith arranged for a very enjoyable musical program which was brought by West Thomas and Jerry Chambliss.

### NEWS OF SHRINERS HOSPITALS For Crippled Children

Progress In Burn Therapy

Will the child shown on the right grow up to live a happy, healthy life? The odds are greater than ever these days that he will, thanks to the remarkable work of the world's finest burn physicians, surgeons and researchers at a unique group of hospitals.

Thousands of children are crippled, disfigured or killed each year by what has been called one of the largest hazards of childhood. At the Shriners Burns Institutes, sponsored by the Shrine of North America, an international fraternity, the world's best medical treatment goes to children requiring acute care, reconstructive or restorative surgery and rehabilitation from severe burns—free of charge.

Research and training of medical personnel is also conducted at these hospitals, affiliated with the outstanding medical schools at Harvard University, the University of Cincinnati and the University of Texas Medical Branch at Galveston.

Since the Burns Institutes opened, they have more than doubled the chances for survival of the severely burned child. Surgeons at the Shriners Burns Institute in Boston made medical history in 1982

Advanced burn treatment techniques help this boy recover from his injuries.

with the announcement of the first successful use of human skin—grown in a laboratory—to cover large portions of the severely burned bodies of two boys from Wyoming. This laboratory grown human skin was paramount in saving the boys' lives.

Thanks to the work done at these Burns Institutes, many non-Shrine burn centers have sprung up throughout North America. Research continues—with the support of the group many have called "The World's Greatest Philanthropy."

### TIPS ON TRIPS

\*\*\* In 1986, 2,827 Americans were arrested in 101 foreign countries. At the end of the year, 1,388 were still in custody in 79 countries. Thirty-four percent of those arrests were for drug offenses.

\*\*\* Drug laws in most countries are stiffer than those in the United States. Even a small amount of a so-called "soft drug," such as marijuana, carries a stiff penalty in many countries. If you're caught, you may be faced with: interrogation; long pre-trial delays; mistreatment; solitary confinement; a lengthy trial in a foreign language; two years to life in prison; even the death penalty in a growing number of countries.

THE BULL,

THE BEAR

### ...OR THE BANKER?

Stock market investments can be very inviting. Everybody, it seems, knows "this guy" who knows "this other guy" who made a real killing in a big bull market. Of course, behind every Cinderella story there's another tale—of uncertainty and vulnerability.

Unfortunately, the stock market often takes a downward turn. The rampaging bull can become a lumbering bear, changing dreams of an easy "killing" into harsh reality. Not so at our bank. In addition to an

impressive range of investments—such as our new money market accounts—we offer things that stocks and mutual funds can't. Like risk-free protection of principal. Assured rates of interest. And the soothing security of Federal Deposit Insurance by the F.D.I.C.

So, while we won't promise to make you rich overnight—we will place a risk-free guarantee on your tomorrow. That's the bare facts. With no bull. 1983 AMERICAN BANKERS ASSOCIATION

### FIRST BANK & TRUST OF CLARENDON

## Welty's celebrate 60th wedding anniversary

On Saturday, June 6, 1987, Troy and Frankie Welty were guests of honor at a celebration of their sixtieth wedding anniversary at the home of their son, C.B. Welty, on Greenbelt Lake. Their children and grandchildren hosted the event.

Troy Welty and Frankie Pollard were married June 2, 1927 in Shamrock, Texas. They made their home there for many years where they engaged in farming in the Twitty community. They moved to Greenbelt Lake in 1971 after Troy accepted the job of lake patrol. He retired April 1, 1987.

About 75 guests enjoyed a noon barbecue buffet. Entertainment was provided by granddaughter, Joburta Welty Helms, soprano, accompanied by Sheila Wade. Highlight of the day came when Frankie Welty played many old favorites on the piano and then accompanied the group for hymn singing.

The house was decorated throughout with red roses and white wedding bells. This theme was carried out on the three-tiered wedding cake at the reception table. The center piece featured a white ceramic base with red roses and votive candles. Granddaughters Terri Welty of Amarillo and Jeanine Hampton of Springfield, Mo. served at the reception table.

Guests were registered at a table that included early day pictures and memorabilia of the Welyts, as well as Frankie's autobiography which she completed last year. The table was laid with a white lace cloth and had a centerpiece of red candleabra. Billie Welty, daughter-in-law, presided.

Troy and Frankie had three children, Charles B. of Amarillo, Dolores Hampton of Springfield, Mo. and Michael Paul, deceased. They have 8 grandchildren and 10 great-grandchildren.

MR. AND MRS. TROY WELTY

## Don't Mess With Texas wins two National advertising awards

DON'T MESS WITH TEXAS, the first antilitter program in the country to target habitual litterers, has received two of the most prestigious national awards in the advertising industry.

First, the American Marketing Association of New York honored the highway department's advertising campaign with a gold Effie. The Effie recognizes the highest achievement in advertising: superior results.

Then, the American Advertising Federation awarded the program a national Addy as one of the years best advertisements. The national Addy was presented for the DON'T MESS WITH TEXAS radio commercial featuring The Fabulous Thunderbirds.

"We are, of course, excited about these awards. They are the first national advertising awards the highway department has ever received," said Don Clark, spokesperson for the State Department of Highways and Public Transportation.

"Our best reward, however, is that this program is successfully saving tax dollars," Clark said.

The program, now in its second year, is credited with a 29% reduction in trash along Texas highways during its first year. Results for the second year are expected in August. "Between 1970 and 1985, Texas

highway litter costs increased 17-20% every year. By 1985, the annual price tag was \$24 million. With the program in place in 1986, we were able to stop the annual increase and save Texas taxpayers about \$5 million.

"These awards simply mean Texas is receiving recognition for an innovative, bold program that is working to benefit all the people of our state," Clark said.

### Motorcycle Operator

### training course at TSTI

Learn how to safely ride a motorcycle through the Motorcycle Operator Training course at Texas State Technical Institute.

The class meets from 6 to 10 p.m. Fridays and from 8 a.m. to 3 p.m. Saturdays - June 19-20 and June 26-27.

Certified instructors provide both classroom and on-cycle training in the 20-hour course. Motorcycles and helmets will be provided.

The course, which is approved by the Texas Department of Public Safety and the Motorcycle Safety Foundation, is required for 15 to 17 year olds prior to obtaining a license to operate a motorcycle in Texas. It is designed to teach safe and efficient operation of a motorcycle in traffic.

Eight hours of classroom instruction stresses protective equipment, basic operational procedures, safety habits and riding strategies. The 12 hours of on-cycle training helps develop basic operational skills such as braking, turning and hazard avoidance techniques.

Graduates receive a patch, a decal, a course completion certificate and insurance discounts at some companies.

Cost of the program is \$40 per person. For additional information, contact Bert Pinales in the TSTI Special Program Office or call 335-2316 ext. 346.

The skin on your body least sensitive to pain is that on your heel.

**DONLEY COUNTY SENIOR CITIZENS**  
Caring People...A Lamp to the Community

Thanks to Maude Killian for the lovely gift items for the Arts and Crafts shelf. This lady doesn't have any scraps, she makes something useful from the smallest cut-aways. We appreciate these nice things.

Monday Night Dance Practice had a good crowd and a good time. The Dance Club had planned a Weiner roast and homemade ice cream party at Bitter Creek for Tuesday, June 9th. When it just kept raining the group took the party to the Center and thirty-two enjoyed a lovely evening.

Board of Directors met in regular session on Wednesday, June 10, 1987. Jean gave a report of May operations, stating year to date we are well within our budget for this fiscal year. We have been notified the Program is going to change from a Cost Reimbursement Contract to a Performance Based Unit Rate Contract. This change will hurt the small programs like ours. Jean will be attending a meeting at PRPC on Tuesday, June 16th to learn more about this change. Jean proposed a request to add a Car-Port at the back of our new building to protect our buses from the extreme heat and cold. This request was approved. We need about 6 or 8 utility poles to get this started, if you know where we can get some -- please let us know.

Three tables were busy at Game Night with a couple just watching and visiting.

Another super Musical Jam Session on Friday, June 12th. We had about forty-one here enjoying music by Hugh and Nova Neuhaus, Forrest Denton, Lucille Smith, Jack Davidson, Johnny and Margaret Hancock.

J.B. Yates, Dick Stephens, Weldon Petty, Wesley Thomas, Creed Sutton, Fred Fortenberry, Howard Sutton, Kim Green, Phillip Stroud, Billy Norton (Charlie Norton's son) from Minnesota came up and sang several songs. We appreciate everyone that joins in to help our musical be a better evening of entertainment.

- Calendar of Events**  
June 18-24
- Thursday Exercise 11 a.m., Game Night 6 p.m.
  - Friday Exercise 11 a.m., Musical Jam 7 p.m.
  - Monday Exercise 11 a.m., Dance Practice 7-9 p.m.
  - Tuesday Exercise 11 a.m.
  - Wednesday Exercise 11 a.m., Nutrition Program 11:45 a.m., Arts and Crafts 1 p.m.

**Menu**  
June 18-24

Thursday Baked ham with sweet and sour sauce, candied sweet potatoes, fried okra, ambrosia salad, apricot cobbler, hot rolls, milk, tea, coffee.

Friday Spaghetti and meat balls, brussel sprouts, waldorf salad, chocolate pudding, garlic bread, milk, tea, coffee.

Monday Liver and onions, buttered carrots, spinach, waldorf salad, peach cobbler, hot rolls, milk, tea, coffee.

Tuesday Bar-B-Q pats, baked beans, potato salad, stewed tomatoes, pears and cookies, dinner rolls, milk, tea, coffee.

Wednesday Chicken fried steak, parsley potatoes, green beans, tossed salad, pineapple upside-down cake, dinner rolls, milk, tea, coffee.

## Federal Land Bank lowers interest rates enters phase II of fixed rate loan program

Officials of the Federal Land Bank of Texas announced plans to extend their new fixed rate, purchase money loan program.

Favorable response to the Land Bank's fixed-rate loan program in May prompted the bank to initiate Phase II of the program. Phase II offers qualified purchasers a 9 3/8 percent interest rate for the purchase of farms and ranches and a 9 5/8 percent rate for the purchase of rural residences. Each program has a 1 point closed loan fee to the bank.

"The bank's Executive Committee reviewed the overall benefits of the program and determined that the program would be beneficial to our stockholders by helping stabilize the rural land market in Texas," says Don Rogge, president of the Federal Land Bank of Texas.

Rogge noted that during the first 30 days of the program, 298 applications totaling \$47 million were submitted to Federal Land Bank Associations across the state.

"We are encouraged by the response to the new program. We feel it could be an indicator that the real estate market in Texas is beginning to turn around," Rogge said.

The program fixes the interest rate for 10 years and converts to the bank's variable rate at the end of the 10 years. Purchasers must qualify under the Land Bank's usual credit standards and use the money for new purchases only.

According to Rogge, rates for the bank's existing variable rate borrowers also were reduced on June 1. The new rates are 10.25 percent on farm and ranch loans and 10.50 percent on rural residence and farm-related business loans.

The Federal Land Bank and 44 Federal Land Bank Associations located throughout Texas have \$2.38 billion in loans outstanding on 37,000 loans to approximately 100,000 Texas farmers and ranchers.

Those interested in more information should contact their local Federal Land Bank Association, the bank president said.

## Shorthorn field day set for Plainview

James A. McAnear, Jr. a director of the Texas Shorthorn Association advised that Mary and J.O. Bass III, M J Shorthorns, 17 miles west of Plainview will host the state-wide Shorthorn field day, Sunday, June 21 beginning with registration at 9:00 a.m. Speakers will include Frances Owen, Lubbock past president of the American National CattleWomen (formerly CowBelles), and Charles Koonz, Olton, member of the Cattlemen's Beef Promotion and Research Board. The hosts will serve lunch and have their herd of registered beef cattle open for inspection.

Bill Masterson, Guthrie, president of the Texas Shorthorn Association, will conduct their annual meeting in the afternoon. The group will honor their Pioneer Breeder of the Year, Dean Harman, Tulia, and their Progressive Breeder of the Year, Gary Buchholz, Bardwell.

Mrs. Edwin (Gladys) Oevermann, Houston, president of the auxiliary, will chair the annual meeting of the Texas Shorthorn Ladies at 10:00 a.m., Sunday morning. Miss Annette Priddy, Desdemona, National Shorthorn Lasso Queen, will speak about Shorthorn promotion in the afternoon session. The 1987-88 Texas Shorthorn Lasso Queen will be crowned at the close of the activities. Princesses vying for the title are Christie McAnear, Clarendon; Julie Grace, Duncanville; and Sharon Springer, Rockwall.

The Summer Preview of the Texas Junior Shorthorn Association will be held June 20 during the Panhandle Parade of Breeds prospect heifer and steer show in Plainview. Steve Young, Tulia, president of the Texas Jr. Shorthorn Association, is in charge of their annual meeting the evening of June 20th.

All interested cattlemen are invited to attend any and all of the Shorthorn activities.

There are only 20-30 Mexican grizzly bears left in California's Sierra Madre mountains.

## Commissioners Court

Donley County Commissioners Court met in regular session in the Conference Room of the Courthouse Annex on June 8, 1987 at 9:00 a.m. with County Judge W.R. Christal presiding calling this open session to order with Commissioners Steve Reynolds Pct 1; C.W. Cornell Pct. 2; and Buford Holland Pct. 3, Pam Fletcher, Treasurer, Fay Vargas District and County Clerk and Ex-Officio Clerk of Commissioners Court attending.

Following business was transacted.

Approved the minutes of May 11, 1987 as read in open court this date.

To permit Treasurer Pam Fletcher to make transfers within each dept.

as needed to pay bills.

Approve to pay the bills for month of May.

Approved the bond of the appointment of County Treasurer Pam Fletcher.

Approved office reports submitted by Sheriff's Dept.; JP #2; JP #3; Tax Assessor-Collector; Judge.

Approved General Telephone Easements as according to County specifications.

Approved to pay Public Officials Liability Insurance.

Adjourned this session of Commissioners Court until later date and be subject to recall at any time.

### Drugs During Pregnancy

We tend to hear a lot about the potential adverse effects to the unborn that may occur if mothers drink or smoke during pregnancy. Less seems to be said about use of medicines during pregnancy. Pregnant women should take only those medicines which have been approved by their physicians. This caution applies to both prescription and nonprescription medicines.

It is not possible for many women to avoid all medicines during pregnancy. It is important for the health of mother and child for chronic health problems such as high blood pressure, depression, seizure-related conditions, and heart

problems to be controlled during pregnancy. Not controlling these health problems may be of greater harm to the unborn child than would be the risks associated with use of certain medicines.

According to an article in a recent issue of *British Medical Journal*, the cause of most birth defects is still unknown. It is believed by many authorities, however, that only two to three percent of all birth defects result from the use of prescribed medicines. Unnecessary medicine should be avoided by everyone. This caution is especially appropriate for pregnant women.

JIMMY UPTERGROVE\* Brad Shadle, Shannon Buckner and Jeff King.

## Five C.H.S. students attend high school rodeo finals

By LISA BURCH

The Tri-State High School Rodeo Association Finals were held June 4th, 5th, and 6th in Amarillo, Texas.

The Clarendon Rodeo Club had five people participating in the finals this year. They were: Jimmy Uptergrove, Shannon Buckner, Brad Shadle, Jeff Mills, and Jeff King.

In the roping events, it was Jimmy Uptergrove. He competed in two events: Calf Roping, and Ribbon Roping. In the Calf Roping, Jimmy went into the finals sitting 3rd with 49 points. The first night of the finals he had a time of 14.594 which made him get third in the first go. Friday night he had a time of 11.005 putting him in first for the second go, and Saturday night he had a time of 9.895, which also made him get first in the 3rd and final go. Jimmy got 2nd in the Average for the finals and received a belt buckle. Jimmy also won Reserve Champion Calf Roper for the year and was presented with another belt buckle. Jimmy's time of 9.895 was the fastest time in the calf roping at the finals.

Jimmy also went into the finals for Ribbon Roping sitting in 9th place with 27 points. The first night of the finals he had a time of 11.159 placing 6th for the first go. He had a time of 8.397 for the second go placing 5th. And 8.451 for the final go placing 2nd. He finished in 6th place for the year, and 2nd in the average. He was presented with a belt buckle for the average, also.

In the rough stock, we had four competitors. They were Shannon Buckner, Bull Riding; Brad Shadle, Bull Riding; Jeff Mills, Bull Riding; and Jeff King, Barebacks.

Shannon Buckner went into the finals in 1st place with 85½ points. The first night of the finals, Shannon was bucked-off, but had a good ride started. The second night he scored a 70 that put him in 1st place for the 2nd go. He also bucked-off in the 3rd go. Shannon got Champion Bull Rider for the 86-87 year, and received a belt buckle and a saddle. We are all going to miss Shannon next year, but we all wish the best of luck in whatever he does.

Brad Shadle went into the finals sitting in the 5th place position, with 54 points and not very far behind the 4th place position. Brad bucked-off the first night of the finals, but came back strong in the 2nd and 3rd goes.

He had a great score of 66 the second night which put him in 2nd place. Then he scored a 65 in the third go, also putting him in second place. Brad got third for the year, and received a belt buckle. He also got third in the average for the finals. Congratulations Brad. We are all very proud of you.

Jeff Mills had 14 points going into the finals putting him in the 13th position. He was also bucked-off in the first go, and in the second go he scored a 61 for 3rd place. The third night he scored a 62 and got fourth place in the third go of the Tri-State finals. He ended up with a 10th place for the year.

We also had one guy that went to the finals in the Bareback event. Jeff King qualified 6th with 32 points. The bareback event was the first of each performance, so it took alot of concentration to get out there first thing every night, and only think about how you were going to ride, or even if you were going to make the buzzer. Well, Jeff King gave it all that he had to offer, but he just didn't make the buzzer any night. He got out there and tried, I think that takes a lot of guts. Even if he didn't score any points, he at least got the chance to go and represent the Clarendon Rodeo Club. And we are all very proud of him.

The Clarendon Tri-State High School Rodeo Club met Monday the 8th of June, at Mary's County Kitchen to discuss some general business. There were six members present, three of them new. We voted on having the same Sponsors that we had last year, except that we added one more which was Joe Shadle.

We have about four new members that are going to be in Tri-State next year, and they are as follows: Minde Hollar, Michael Shadle, Justin Ham and Johnny Mangum.

If everyone that has participated in Tri-State this year is coming back to represent Clarendon again next year we will probably come back with a couple of Team Trophies. So far we have about thirteen people interested in rodeoing, but we would be glad to have anyone join. If you are going to be a Freshman in high school, or are recently in high school, and are interested in the Tri State High School Rodeo Association, then call

Ethie Uptergrove 874-5011, or Carlene Hollar 874-2017.

Our sponsors will contact me and I will put an article in the paper when we are to have a meeting about our Tri-State Rodeo this fall. We all need to get together before school so that we can all send in our cards for the new year. Please look for some information in the paper about the Rodeo Club, so we can have another great year. We will also be electing new officers for the upcoming year.

Don't have too much fun this summer, and stay out of trouble. Please take care.

## Change in hog diet can cut saturated fat in pork

Many consumers perceive red meat to be high in saturated fat and one of the major sources of saturated fat in the diet, according to Dr. J.T. Keeton, meats scientist with the Texas Agricultural Experiment Station.

But few consumers seem to be aware, Keeton says, that red meat, especially pork, is also high in a monounsaturated fatty acid, oleic acid, which when eaten has been shown to decrease plasma cholesterol levels in humans.

In order to improve the nutritive value of pork and increase consumers' acceptance of pork as a source of high-quality protein, research by Drs. S.B. Smith, J.T. Keeton, and D.A. Knabe studied the effect of feeding pigs a diet with elevated levels of an oil containing 70% oleic acid.

"Pigs fed diets containing 10 percent oil," Keeton says, "produced meat that did not differ in overall tenderness or flavor, relative to meat from pigs fed standard finishing rations. Cooking loss and mechanical shear force (a measure of tenderness) also were not different between rations."

"Total saturated fatty acids were decreased from 43 percent to 30 percent of the total fatty acids, with a corresponding increase in unsaturated fatty acids."

"Oleic acid comprised 55 percent of the total fatty acids in muscle from pigs fed the high-oleic acid oil supplement, compared to 47 percent in muscle from the control pits on the ordinary diet."

"Pork lean and fat from these animals were combined with beef lean to produce frankfurters that were lower in saturated fat and lower in total fat. These 'lite' frankfurters contain 25 percent fat, compared to 30 percent fat in regular frankfurters."

"As expected, chemical analysis of the frankfurters from pigs fed the high-oleic acid oil indicated that these frankfurters had elevated unsaturated fat and decreased saturated fat, compared to regular frankfurters."

"There were no significant differences in processing yields or overall palatability between regular frankfurters and the 'lite' frankfurters, containing less total fat and less saturated fat."

"It looks like production costs of

this more desirable pork can be competitive, especially if it can be identified in marketing and rewarded with a premium price."

"Our research indicates that pork and pork products can be produced that are lower in saturated fat, with no sacrifice in texture, or flavor," Keeton concluded.

### Get Started by Creating Awareness

The first step is to educate employees, tenants, or other groups. Getting employees to use common sense when using water can make a big difference.

1. Designate an individual or a committee to organize a water conservation program. Develop a program that is tailored to the organization's particular situation and needs.
2. Stimulate employee interest in conservation with posters, newsletter articles, and training programs. Contact the local water utility or the Texas Water Development Board for examples of literature or to assist in developing a training program.
3. Solicit and reward employee ideas that contribute to water savings. A reward system can provide a financial incentive to employees to conserve, thereby resulting in a cost savings to the organization.
4. Hold meetings with all employees, especially those employees in heavy water using areas, and discuss the conservation methods that are being implemented.
5. Post reminders near all water sources, such as sinks and drinking fountains.
6. Read the water meter weekly and chart the progress of conservation efforts, including the monetary savings in water and wastewater charges, on a highly visible display.

Condition your leather book covers and keep them new by rubbing them with lanolin or saddle soap.

## Happening In Hedley

By NINA RIDDLESPURGER

Meredith Wood, who is 14 years old is visiting Flossie and Jane Wood. Meredith is the daughter of Joe Wayne and Mackie Wood of Panhandle, Texas.

Don Bramblett is still in St. Anthony's Hospital in Amarillo. Don seems to be doing better but is still very ill.

Mrs. Joe Walker of Lelia Lake is on a month long visit to Modesto and parts of northern California. She will be visiting her mother, brother, children and grandchildren. She is the sister-in-law of Ruby Bardwell of Hedley.

Mr. and Mrs. Tom Clendennon and Tony spent the weekend at Lake McClellan with Paula Clendennon of McLean and Mr. and Mrs. Woodrow Clendennon of Amarillo. A little fishing, a lot of good food and visiting was enjoyed by all.

L.E. and Dottie Bogue had friends visit overnight last Wednesday from Anchorage, Alaska. They were Jack and Dorothy Lane. Mr. Lane's mother, Doris Elder from Lubbock also came with them.

Pauline Kaufman has just returned from a weeks visit to La Porte, Texas. She was visiting with the James Knightstep family. This is her son, daughter-in-law and grandchildren.

Joining Pauline on her trip were Iman, Martha and Jerrod Crawford. Wanda and Heather Knightstep and Jon David Jennel all from Amarillo. Pauline said it rained every day they were there. But they still had a good visit and lots of fun.

Wanda Coats has 2 granddaughters here for a 2 week visit. They are Amber Alexander and Tiffany Rutledge. Amber is the 8 year old daughter of Jimmy and Sharon Alexander and Tiffany is the 11 year old daughter of Tim and Debbie Rutledge. They both live in Amarillo.

Its good to see Homer Hill up and around town again. Homer said he had a good report from his check-up in Amarillo. Best wishes Homer for a speedy recovery.

Holli and Mandi White, Dana and Dustin Monre and Carrie and Heather Shields are all in Hedley to

visit their grandparents Harold and Mary Ruth White. Holli and Mandi White are the children of Bob and Pat White of Granbury, Texas. Dana and Dustin Monroe are the children of Shauna and Danny Monroe of Afton, Texas. Carrie and Heather are the children of Gary and Renee Shields of Lelia Lake.

Shauna Monroe will be spending two weeks with her parents while she attends West Texas State University. Shauna will be taking a Spanish course there.

Danny Crawford from Memphis spent last Saturday night with his aunt Laura Grace Stuckey of Hedley.

The Hoggatt family reunion was held at Memphis June 6th. All of the immediate family of the late Fred Hoggatt were present except one daughter, Eula Eager, deceased. Those from Hedley attending were J.O. (Bud) and Betty Hoggatt, James Hoggatt and Mrs. Elmo Kennedy.

Virgil and Opal McPherson have just returned from attending the McPherson family reunion at Conway, Ark. There were 92 present for the reunion. Their daughter Carolyn Kirkland of Amarillo and Kathy Richardson of Lawton, Okla joined them on the trip.

Amanda Ward celebrated her 12th birthday Thursday, June 11 with a party at her home. They watched a movie, ate lots of cake and ice cream and listened to music. Those attending were Tanya Holland, Jennifer Hill, Tylenea Bright, Merrideth Wood, Kari Shields, Tracie Shields, Shanna McCrary, Shawna McCrary, Mark Glover, Chad Wiggins, Bobo Wiggins, and Jeff Wilkinson. Happy birthday Amanda!

Raymond and Nora Hopper returned from a weeks visit to Twoella, Utah on Sunday, June 7th. They visited their son's family there. Cari Hopper their 11 year old granddaughter came home with them to spend the summer. Cari is the daughter of Mike and Caprice Hopper of Twoella, Utah.

Edith Bain is out of the hospital and staying with her brother Clayton Mann in Clarendon. Edith is doing a

little better. Our prayers and best wishes to Edith for a full recovery.

Mack and Judy Garrison youth directors at the First Baptist Church in Hedley would like to invite everyone to the youth activities at the church each Friday night. This will begin at 7:00 p.m. each Friday and usually lasts until around 10:00 p.m. Everyone is welcome to attend and we especially want all the young people to join us. We play ping pong and volley ball and have lots of good

refreshments. Come join us for lots of fun.

To any of you who have items you would like to have in the paper please give me a call at 856-5270. We want all the happenings in Hedley in the paper, but unless you have tried to contact everyone in Hedley in a weeks time you don't realize how many people there are. So please let me know if you have items for our column and we will be glad to include them. Nina.

## Matthews and Bramblett reunion

June 12 and 13 the 1987 Matthews and Bramblett family reunion was held at Memphis.

There was a covered dish dinner Saturday. Lots of games and lots of fun. They played bingo, volleyball, frisbee, and soccer among other games. Also seems they had a water balloon fight. Sounds like lots of fun.

There were 155 people attending. Among those who attended were: Wanda Carter, Buddy, Cathy, Kevin and Jessica Matthews, Pat and DaWayne Ince, Alene, Tom, Dale Swindell, Jeanne Gammage, Gerald and Sheldon Bramblett, Vandy and Zack Campbell, Gerald Ray, Carmen, James and Ty Swindell, Linda and Robert Small, Tony, Nellie, Walter, Angel Bramblett, Tony and Dennis Moore, Debbie and April Stitzel, Sidney Ketchum, Evelyn Hendrix, Ruby, Bobby, Bobby Jr., Jackie, Amber Arnold all of Amarillo.

Those from Hedley who attended were Juanita and Roy Brown, Jess and Kelly Bridges, Marilyn, Tom, Becky, Steven Gough, Alvin, Tammy April, Timmy and James Bramblett, Judy, Freedom, and Promise Garrison, Roy Clayton, Sue, Susan, Cindy, and Les Brown, Jack Oldham, Becky Ward.

Cora Marie, R.L. Norton, Melvin and Christina Guinn, Viola, Gynell, Sam and Kirk Roberts, Charlie Jones, Gertie Swindell, Helen, Kim, and Karen Crump, Dorina Haire all from Memphis.

Gertie and George Hatfield from Littleton, Colorado; Diane, Jimmy, Faith and Farrell Denton, Beaumont; Pete and Loveta Matthews, Wildorado; Billy Ray, Artie Jou Bramblett, Lewisville; Vera and Jodi Ray, Mabank; Bambi, Ginger, Tre, Matthew Lamb and Shirley Adams, Trinidad; Kahlayah, Reinhard, Shane and Tanya Voight, King; Odessa, Haskell, Leatha and Tammy Matthews, Borger; Thelma and Ed Dill, Muenster; Tommy, Dianne, Sharrell, Cody Bridges, Levelland; Donnie, Janet, Jason Bridges, tecumsch, Oklahoma; Margaret, and Tom Lett, Borger; Grace and Ricky Burkhalter, Dell City, Oklahoma; Teresa, Tim, Brandon Wilson, Rhonda, David, Cody Henderson, Dink Holman, Jimmy Don Swindell, Kim Austin all of Midwest City, Oklahoma; Mary Jane, Angela Thomas, Childress; Alice Jo and Johnnie

Lanty, Livia and Little John Lucero from Navasota; Wayne, Gail, Leslie Cline, Eva Mackey, Julia and Raymond Maness of Pampa; Clyde, Allene, Misty Stone of Plainview; Joe Land Babe Cline, Deanie and Dion DeShayer, Jack and Sue Odum of Killigore; Johnny, Kay, Dwayne, Wade, Jesse, Donnie Brown all of Kyle also attended the reunion.

## CPR class attended by five Hedley residents

Saturday June 13, a class in Cardiopulmonary Resuscitation (CPR) was held at the Bronze Room at the First Bank and Trust in Memphis. The class was sponsored by the Memphis EMT Association.

Those who attended from Hedley were: Jean Taylor, Rachael Adams, Martha Hill, Nina Riddlepsurger, Don Springer, Mary Lee Miller from Memphis also attended. Mary Lee is the cook at Hedley Senior Citizens.

We were taught the up dated procedure of CPR. CPR is easily learned a life saving technique that continues to provide oxygen and circulation of blood to the vital organs, increasing chances of survival.

Instructors from Amarillo Medical Services were Dave Clark, Leland Lewis and Scott Johnson.

Local instructors were La Moss Springer, Butch Collins, Nealie Briggs, Linda Collins, Debbie Bloxom, and Mary Lenderman.

## Hedley Senior Citizens

**News**  
 Monday, June 8 was musical night at Senior Citizens Center.

Those who provided the music were Creed Smith, Woodrow Floyd, Weldon Petty, Dick Stephens, Wallace Sides, J.B. Yates and Lucille Smith. 31 people attended. Refreshments were served by the ladies of the Senior Citizens Center. Everyone had lots of fun.

Tuesday night was 84 Club. There were 17 members present. Host and hostesses for this month are John and Verda Hinds. Everyone is welcome to come play.

Thursday night was also 84 Club. We had 16 members playing. Good time was had by all. All you 84 players out there come out on Tuesday and Thursday nights and join us for a lot of fun.

Thursday afternoon was also blood pressure clinic. We really do appreciate Dean Hill and Mickey Lett for the good job they are doing on this. There were 32 people checked last Thursday. This is free of charge and for anyone who would like to have their blood pressure checked.

Friday night was Bridge Club. There were 8 people present. If you don't know how to play but would like to learn, come Friday and we will be glad to teach you. We have

several players who are just learning to play. They are really enjoying the game. So come on and learn with us each Friday night.

Special thanks to Ruby Bardwell for the good job she has done this week filling in for Pauline Kaufman on the front desk while Pauline was on a trip to La Porte, Texas.

We are very busy making plans for our remodeling project coming up next month. More on this next week.

We will be taking the Senior Citizens van to Palo Duro Canyon to see the play TEXAS Friday night June 19, and June 26. All of you who want to go see TEXAS please contact Jean Taylor at the Senior Citizens Center. Tickets will be \$5.00, \$6.50 or \$8.00. Your choice. We will be leaving Hedley at 4:00 p.m. You will need to pack a picnic lunch. We will eat in the Canyon before the play. We hope everyone will come and join us for these trips. If you would prefer to eat at the BBQ at the play this will also be possible. For further details please call Jean at the Center.

Lunch served each day Monday thru Friday from 11:45 a.m. to 1:00 p.m.

## Hedley ISD receives congratulations from PUC

The Public Utility Commission of Texas sent this letter to the Hedley Schools congratulating them on their commendable energy management achievements.

Dear Mr. Holland:

I am writing to congratulate your school district for its commendable energy management achievements, which have earned Hedley ISD recognition in the 1986 Gold Star School Project. I am pleased to enclose certificates for the principals and building operators of the award-winning schools, as well as certificate of appreciation for the Board of Trustees.

Your principals and building operators have demonstrated that personal attention and commitment to

energy management can free school tax dollars for other, more direct, educational purposes. Had the award winning schools in your district used as much energy as the average schools in your area, the 1984-85 energy costs for these campuses would have been an additional \$3,703.

You, your trustees, and the staff of these schools are to be commended for using tax dollars wisely. Please extend my congratulations to these principals and their maintenance staffs for their excellent work.

Sincerely,  
 Carol Tombari  
 Director

Energy Efficiency Division

## Hedley Board of Trustees meeting

The Hedley CISD Board of Trustees met in regular session in the school library. Six members were present. Mr. Hill and Mr. Holland were also present.

Ben Carson called the meeting to order. The minutes of the previous meeting were read and approved.

The board accepted the resignation of Cheryl Wiggins as board

member. The Security State Bank was selected as the depository for school funds.

The Petty Cash Report was reviewed. Mr. Holland gave the superintendent's report.

Current bills were paid and the meeting adjourned.

## Veterans Q and A

**Q--Do the VA eligibility assessment procedures apply to veterans age 65 or older?**

**A--VA's eligibility assessment procedures apply to all nonservice-connected veterans regardless of age. Public Law 99-272 repealed a provision in The Veterans Omnibus Health Care Act of 1970 that allowed veterans 65 years of age or older to receive care in VA facilities regard-**

**less of income. Q--Is there a penalty if a VA guaranteed home loan is partially or fully paid before it becomes due?**

**A--There is no penalty if a VA loan is partially or fully paid in advance.**

**Q--Do veterans with service-connected disabilities have to pay a funding fee for VA guaranteed home loans?**

**A--No.**

Thursday-Ladies Playday tee off 10:00 and/or 5:30; Board of Directors meeting 7:30.  
 Friday-Ladies Club Championship, no buffet special.  
 Saturday-Ladies Club Championship.  
 Sunday-Buffer-chicken fried steak.  
 Tuesday-Club closed.  
 Results of Friday's midnight scramble: 1st place-Bill Blackman, Jerry Gage, Ronnie Hill, Edwin Campbell, Billie Chauveaux and Neva Spier won with 1 under par; 2nd place-Danny Mayfield, Morris

Barcroft, Stan Garland, Carol Hinton and Cheryl Johnston with even par (won tie on card playoff); 3rd place-Trey Chamberlain, Dan Sawyer, Owen Johnson, Terry Floyd and Susie Blackman with even par.  
 Winner of Sunday's 18 hole scramble were: 1st place-Morris Barcroft, Clay Sharp, Jim Lampier, Tommy Noble and Helen Cook with 13 under par; 2nd place-Bill Blackman, Corky Leffew, Willard Skelton and Bonnie Crofford with 10 under par; 3rd place-Donnie Mooring, F.G. Crofford, Donald Bland, Russell Keown and Ruth Jackson with 9 under par.  
 There will be a Two-Man Low Ball Partnership July 11th and 12th and a Ladies Invitational Partnership July 16th so find you a partner and sign up now. Check with Eddie Baker in the Pro Shop for more details - 874-2166.

## BASEBALL

The Clarendon Senior League played Groom, here Tuesday, June 9 and won by a score of 13 to 5. Jonathan Stewart was the winning pitcher and Randy Allen, the catcher. Members playing were: Gabriel Mechaco, Desmond Johnson, Jonathan Stewart, Michael, Shadle, Randy Allen, Luis Comacho, Shane Ashcraft, Stanley Wilson, Brice Fletcher and Kevin Badgwell.  
 On June 12 the team played Claude here and lost a close game 11

to 8. Randy Allen and Chipper Morgan were the pitchers.  
 On June 13, the team went to Claude where they beat Claude 25 to 6. Jonathan Stewart was the winning pitcher and Chipper Morgan catcher. One home run was made by Jonathan Stewart. All of the boys done a great job of fielding and hitting the ball. Our next game will be Friday here at 7:00 p.m. so come see the game and support the team.

EDDIE BAKER questions Gary Jack about his sunglasses.

## Low-income households may be eligible for energy assistance

Austin—Some low-income Texans may be eligible for help in paying cooling bills this summer through the Home Energy Assistance Program, according to Texas Department of Human Services Commissioner Marlin Johnston.  
 Johnston said the one-time payment is available to many low-income households. Applications for energy assistance were mailed to households that received food stamps, Aid to Families with Dependent Children, or Supplemental Security Income in May. If those households have at least one member who will be 60 or older in 1987 or a member with a medical condition that is aggravated by heat, they may qualify for assistance. Other low-income individuals may request an application from local DHS offices during the enrollment period of June 15-July 17.

Eligibility is limited by gross income and resources. This year, because of budget cuts and participation rates, the benefits for the cooling program may be lower than last year's. Aid is available for a one-person household having less than \$555.49 gross income per month. The gross income limits are \$745.49 for households of two persons, \$935.49 for three, \$1,125.49 for four, \$1,315.49 for five, and \$1,505.49 for six.  
 Households are eligible if the cost for cooling is included in the rent payment or if the household pays a portion of its home energy costs.  
 Energy assistance checks are sent directly to the people who are eligible for assistance. However, the checks are made payable to the energy company. Persons receiving one of these energy assistance checks should mail it or take it in person to the energy company business office with their regular energy bill. The check can be cashed only by the energy company. If the HEAP check is more than the energy bill, the additional amount will be credited to the person's account for the next month's bill. If the energy bill is higher than the check, the person is responsible for paying the difference.

### Seven Ways to Save Water Inside A Building

The following seven water saving ideas, if followed, can significantly reduce indoor water use.

1. Install devices like low-flow showerheads and aerators in faucets. Most faucets flow at 3.0 to 3.5 gallons of water a minute. An aerator will limit the flow to about 2.5 gallons a minute which is sufficient for hand-washing. Standard showerheads flow at 5 to 10 gallons a minute, while the 3 gallons a minute produced by low-flow showerheads is actually enough for a refreshing, cleansing shower. **Estimated Water Savings: 30%**
2. Check faucets and pipes for leaks. Leaks waste water 24 hours a day, 7 days a week, and can often be repaired with a very inexpensive washer. **Estimated Water Savings: 100%**
3. Reduce the amount of water needed to flush toilets by adjusting the flush mechanism or by installing devices to displace water in the toilet tank. **Estimated Water Savings: 25%**
4. Replace worn-out fixtures with water saving models. **Estimated Water Savings: 25-30%**
5. When retrofitting or installing new air conditioning, use water and energy-efficient equipment. **Estimated Water Savings: Variable**
6. Use recycling systems for cooling towers. Increase the cycles of concentration as much as possible. Increasing the cycles of concentration can also result in a sizeable savings in chemical costs. **Estimated Water Savings: 10-50%**
7. Turn the water off when it is not needed. Do not allow water to run in the process.

"Adolescence is a kind of emotional seasickness. Both are funny, but only in retrospect."  
 Arthur Koestler

**You Can't Be Recycled**

**Buckle Up**

A reminder from this newspaper and the Troopers of the Texas Department of Public Safety.

**UP WITH AGRICULTURE**  
 By David Garst

Some people think the best way to get ahead in agriculture these days is to get out. Fortunately, there are people like my son-in-law who saw farming as a good opportunity. So he left a good job in San Francisco to come to Iowa and start a farrow-to-finish hog operation.  
 He's never farmed before, so he's got a lot to learn. But he'll make it, for several reasons:  
 He can buy good-quality machinery second-hand that is well worth the money. This reduces his up-front capital expenses substantially, and frees up money for other uses.  
 He also bought a small farm to go along with the land I rented him. This makes good sense. It didn't take much in the way of a down payment, and farmland — which has gone down 63 percent in the last five years — is sure to soon regain some of its lost value.  
 The feed-to-livestock ratios are also the best since I started farming more than 45 years ago. For example, the corn-hog ratio is now better than

30-to-1, when 15-to-1 is the break-even point.  
 Cattle numbers also are at a new low. We have 30 million less cattle today than we had only 10 years ago. And if we increase cattle numbers in the next 10 years as rapidly as we reduced them in the past, we'll need to cut cattle slaughter by about 15 percent. This will buoy up the price of beef, and should give a window for hogs and poultry, for quite some time.  
 Plus, lower energy costs and interest rates — which are now half what they were five years ago — will reduce expenses and the cost of money. This helps farmers more than other businesses because agriculture is so capital intensive.  
 Never before have farmers had so many opportunities. I'm excited about the future for farming. If people think it's time to get out of farming, that's their problem. But it's good to know there are people like my son-in-law who believe agriculture's cup is half full...not half empty.

## ASCS reminds farmers to report seed peanuts

Edwin Campbell, CED of the Donley County Agricultural Stabilization and Conservation Service, reminds farmers to report 1986-crop peanuts retained on the farm for seed or other purposes when they certify their 1987 planted peanut acres. Peanuts retained for seed are considered as marketed quota peanuts and were required to be reported on the 1986 peanut marketing card.  
 Campbell said farmers who did not retain peanuts for seed are required to report the name and address of the person from whom their seed peanuts were obtained, in addition to the amount and type of peanuts, to avoid being in violation of the peanut poundage program regulations.  
 "If the amount of peanuts retained for seed, plus 1986-crop quota peanuts marketed, exceed the poundage quota, a penalty will be assessed," Campbell said. ASCS will visit the farm to verify the quantity reported and to determine whether the pe-

nuts retained exceed the poundage quota.  
 The peanut price support program, through poundage quotas, limits the number of pounds of peanuts that can be marketed by producers for domestic edible uses. Farm program legislation allows any person to grow peanuts anywhere in the country and market the peanuts for other than domestic edible use.  
 The ASCS official said price support loans will be available for 1987-crop warehouse-stored peanuts from harvest time through January 31, 1988. Loans on farm-stored peanuts will be available through April 30, 1988.  
 For additional details on seed peanuts, farmers should contact the Donley County ASCS Office.

Wigwagging is a method of signaling with one flag. The three motions used represent a dot, a dash and the end of a word or paragraph.

### NOTICE OF ELECTION

The Farmers Home Administration (FmHA) County Committee Election this year will be held on June 30, 1987. The ballot below must be filled out, detached and mailed and, received or returned in person to FmHA, Clarendon, not later than June 30, 1987. If you do not vote in person you should mail your ballot inside a blank envelope marked ballot to ensure a secret ballot. This blank envelope should be placed inside the envelope you use to mail your ballot. Your name and address must be legible on the outer envelope. Failure to provide this information will render your ballot invalid. Ballots and envelopes may also be obtained from your local FmHA office.

The slate of nominees for area committeemen are listed in the ballot below. The qualifications of persons voting are described in the "Voter Certification Statement." For further information regarding voting and voter eligibility, see the county office listed above. FmHA elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, marital status, sex, and/or handicap.

U.S. DEPARTMENT OF AGRICULTURE  
 FARMERS HOME ADMINISTRATION  
 Ballot For County Committee Member (s)

State Texas County Donley, Armstrong, Gray

\*Candidate (s) MAURICE L. RISLEY

\*Only Vote For 1 Candidate (s)

Please detach this notice before voting ballot

### VOTER CERTIFICATION STATEMENT

Support W of Part 2054 of Title 7, Code of Federal Regulations requires that all voters for FmHA county or area committee elections meet the following eligibility requirements: (a) be farmers; (b) derive the principal part of their income from farming (that is more than 50 percent of their gross income must come from agricultural production); (c) have their principal farming operation within the county or area for which the election is being held.  
 I, submitting this ballot, I attest that I meet the criteria to vote.

**Really???**

Here's what happens if we do not support local merchants and lose a five employee business:

1. Five jobs are lost from the local job market.
2. About \$60,000 in personal income is lost.
3. Our schools have four fewer students.
4. \$25,000 in local retail sales is lost with the loss of the former employees and their families.
5. One other person in one other store is not needed.
6. \$1,764 in county, city, school and hospital taxes is lost.
7. Three fewer families live in the area.
8. Bank deposits by the businesses in local financial institutions would drop by approximately \$670,000 during one year.
9. There is one less business to support civic and school projects.
10. There are fewer people to afford and support local churches.

FIRST BAPTIST CHURCH VACATION BIBLE SCHOOL

**ASCS news**

tant this year because of severe economic conditions facing many producers. Individual information is confidential.

**5th CRP sign-up**

Donley County will not be having a sign-up for CRP because our acreage limitation was reached and exceeded during the 4th sign-up.

**Conservation reserve program maintenance**

If you are approved to participate in the CRP Program, you need to remember that haying or grazing of the CRP acreage will result in the loss of program benefits. Failure to control weeds and soil erosion on CRP acreage will also result in loss of program benefits. Even if you have not established a cover on the acreage, you are responsible for controlling erosion and growth of weeds.

**Quota peanut protection**

Peanut production on a farm will protect the basic quota on a farm regardless of whether the quota has been transferred off the farm by a spring transfer. For example: If you have a basic quota of 100,000 lbs. with zero under-marketings carried over from the prior year, and you transfer 100,000 lbs. of quota off to another farm and plant sufficient acreage of peanuts on the farm you transferred the quota off of the produce 100,000 lbs. of additional peanuts. The production or considered production will protect the 100,000 lbs. of basic quota.

**Failed crop acreage**

You must file an ASCS-574 prior to the destruction of any crop that is failed. Failure to certify the crop and file the ASCS-574 prior to destroying will affect your deficiency payment and possibly your base for 1988. If

you have a partial loss, you must certify the entire acreage planted to that crop.

**Limited cross compliance**

Limited cross compliance means that you cannot have more crop planted than your base. If you lose your cotton acreage, you can plant the same acreage back to another crop in the same pattern as the cotton and be OK. If you plant it back to a more concentrated pattern, you could have too much grain sorghum planted and exceed your base. In addition, if you are in the 50/92 program and you are using the skips as CU, it would leave you short on CU for payment.

**Accurate certification**

We are now accepting acreage reports for spring seeded crops. The final date to certify your spring seeded crops and ACR is July 15th. An accurate certification entitles you to program benefits. If the spot-checked acreage differs from the reported acreage by more than the larger of 1 acre or 5% (more or less than certified) the farm is ineligible for program benefits. The same tolerance applies to ACR and conserving use acreage, however, it is only applicable when you have less than your required. Certification goes smoother and quicker if you have a map or sketch of your farm and crops with you.

**Measurement service**

Let me encourage you to use our aerial measurement service if there is any doubt about the acreage you need to certify. This office will guarantee all official measurement services. This is cheap insurance for program benefits. All peanut farms need to consider the large penalties for failure to certify accurately.

**ACP Program sign-up**  
An ACP sign-up will be held 6/8/87 through 6/19/87. There are limited funds available so if you have a conservation problem come in and let's see if we can help you solve it.

**Cotton Planting Dates**  
Producers are required to replant any failed acreage back to cotton through June 20th. After that date, you may still plant cotton or fall out the first crop and go back with a subsequent crop. You may replant cotton as late as you feel there is a chance of making a satisfactory yield.

**Payment yields**  
The Donley County ASC Committee will be looking closely at farms reported to them by county office spotcheckers that are not using normal cultural practices. Participating farms should prepare a good clean seedbed and plant the crop in a timely workmanlike manner. Payment yields will be reduced on those farms that are determined not to be planted and worked in a manner that is customary for the county. If payments are to be received, a good effort must be put forward by all producers.

**Mid-year crop and livestock report**  
The Texas Agricultural Statistics Service (TASS) will begin contacting farmers and ranchers across the state to help set estimates of 1987 planted acreage and mid-year livestock inventories. Estimates are very impor-

### THANK YOU NOTE

The family of Edie Robertson would like to thank all of those who prepared and brought food for the family meal to Molita Greer's home the day of the funeral service. The record of food which was brought was somehow misplaced and became lost before we received it. Since we do not have an itemized list of everyone who brought food, we can not thank each of you individually but we hope you will accept this as your personal thank you. We would especially like to acknowledge the contributions of the Firebelles, the people of the Nazarene, First Baptist, Church of Christ, Methodist, and Calvary Baptist Churches who helped so much as well as the individuals who do not belong to any of these groups but who brought food individually who do not belong to any of these groups but who brought food individually and helped with the meal in any way. Your efforts were appreciated more than you know and more than mere words can express. We deeply regret that the food record was lost and that we can not thank you each one individually.

Sincerely,  
Pat and Chuck Robertson  
Delbert and Patsy Robertson  
Debbie Hollan and kids

### AIR CONDITIONERS

Q. My new room air conditioner makes "clicking" sounds. Does it need service?

A. Probably not. Home economists from Whirlpool Corporation advise that some of the unit's normal operating sounds resemble that of "pinging" and "clicking." Familiar sounds include dropping of water onto the condenser, air movement from the fan (loudest at higher speed settings) and clicks as the thermostat cycles. If there is a rattling sound, check the installation, window, and house construction for looseness — three common causes of vibrations.

Q. Why does it take so long for an air conditioner to cool the room in which it's installed?

A. The unit may be too small for the area. Close off extra rooms. For maximum cooling, readjust the controls from "fan only" or "fresh air" to a cooler setting with continuous fan operation. It is also recommended that the filter be periodically checked and cleaned.

# CAMPING OUT

By RV or car, at campsite or lodge, roughing it, backpacking it, or trailing it alone — camping out can be an invigorating, instructive, togetherness experience for you and your family. Plan your destination, research the area, compile a list of possible activities and sites to see — spots that can appeal to all ages: fairs, historical restorations, museums, national parks and forests. As the safest family pastime about, camping is fun, healthy, easy and relatively inexpensive. It can be whatever you want it to be: a quiet wilderness adventure, a comfy stay-put sojourn at a lively resort, or an over-the-road ramble to see the world.

Here are some safety tips to pack with your gear to ensure you of the best family vacation you've ever had!

- 1. Choose Your Route:** Use existing trails whenever possible. Have a tentative route written down and given to someone who will be alerted if you fail to show at a given time and point. Know where you are at all times. Always take along a map and compass.
- 2. Clothes to Pack:** Your hiking shoes should be old friends, well-broken in, with soft uppers and strong soles. Take short sleeves and shorts for hot weather. Long-sleeves and long pants are right for cool weather, brush and bramble ambling. Layers of clothes will insulate against cold.
- 3. Health precautions:** Always carry a first aid kit.
- 4. Drinking Water:** Carry water purification tablets if you must drink water from a spring or a stream. It's better to carry canteen water you've brought from home. For thirst, stay away from candy and soft drinks. Don't continually drink from your canteen. Put a small, clean pebble in your mouth (large enough not to swallow) to help quench thirst.
- 5. Walking Along Roads:** Be sure to keep as far over to the left as possible. In this way, you can see an oncoming car and get off the road. For night hiking, carry a flashlight. Wear reflective tape around your lower right leg and back of shirt. Tie a white handkerchief flat around leg if tape not available.
- 6. Washing:** Don't use soap, even biodegradable soap, in streams, ponds or lakes. It will pollute the water.
- 7. Fire Safety:** A fire must be watched at all times. It is criminal to leave a fire unattended. To extinguish a fire with water, sprinkle embers, stir the wetted down ashes with a stick and sprinkle again. Be sure there are no smoldering roots or humus. Without available water to extinguish fire, work mineral soil into embers, then stir until last ember is out. Try to leave campsite as you would like to find it! Be careful if you smoke; better yet, don't smoke at campsite or in woods. Don't toss cigarettes out of car windows.
- 8. Garbage:** Don't drop food scraps into high mountain lakes and streams. They do not have decomposers necessary to break down food, causing pollution and a reduction in fish life. Wash out empty cans and smash flat. Wash out empty jars and bottles. Put them, with unburned trash, in a heavy-duty, plastic trash-can liner. Take everything out with you when you leave camp. Get rid of it in the nearest trash can or at home. An aluminum can takes from 75 to 100 years to decompose!

## you and the LAW

PRESENTED BY THE STATE BAR OF TEXAS

Q. My husband died in 1982. He owned separate property given to him by his father and also inherited. We, as husband and wife, paid taxes on the property for 33 years. I was told by my lawyer that I would receive only a third life estate in my husband's separate property, and that real property in his estate belongs to our children. If the property is sold, the children will receive all of it. Is this true?

A. Under the Texas Probate Code, if a person dies intestate (without a will) and is survived by a spouse and children, the separate property of the decedent is distributed as follows:

- 1) Personal Property - 1/3 to surviving spouse 2/3 to children and their descendants
- 2) Real Property - 1/3 estate for life to surviving spouse remainder to children and their descendants subject to surviving spouses life estate.

If the property is sold, the surviving spouse would be entitled to the income produced by the 1/3 of the proceeds.

Generally, the fact that community property was used to pay the taxes on separate property will not give the rise to a claim for reimbursement. This is because the benefits received by the community from the separate property

are usually greater than the value of the taxes.

Q. My ex-husband, who is in California, wants to reconcile. I have property in Missouri and in Texas, where I now live. In which state should we draw up a pre-marital agreement? Is a pre-marital agreement legal in Texas? Are there other ways of protecting myself and the property I own?

A. You can prepare and execute a pre-marital agreement in either state. As a result of your divorce, each of you will be bringing your sole and separate property into the new marriage. You can now choose whether you wish the laws of a common-law state, or a community-property state, such as Texas and California, to apply to your property. Where the parties to a pre-marital agreement live in separate states, either state's laws apply to the marital status and either state's courts may divide property within its jurisdiction upon divorce. The contract may be written in such a way that it governs all real and personal property wherever situated, regardless of any change of domicile of the parties.

A pre-marital agreement is legal in Texas so long as it is in compliance with the Texas Family Code, which requires that a change of community property be accomplished by partition or exchange, and that it be in writing, subscribed by all parties and not prejudice the rights of pre-existing creditors.

## TENSION HEADACHE

If you're bothered by headache that seems to have its origin at the base of your skull, you may be suffering from tension headache.

Tension headaches can be caused by an irritation of the nerves in the area of the spine immediately under the skull. These are called the suboccipital nerves. They pass through small openings in the spinal column to muscles in the surrounding area. Any abnormal pressure or dysfunction of neck and muscles can irritate the nerves, causing tension.

The tension doesn't cause the headache. To treat this form of headache, attention should be paid to the bone and muscle structures. They should be returned to normal balance so they can function properly again.

Medication is not the answer to tension headaches. Aspirin and other painkillers may give you temporary relief - but they won't solve the problem. Once the source of the problem is found and treated, THEN you can get the relief you need.
