Memphis blasts Broncos 41-6

The Memphis Cyclones blew into Clarendon Friday night and proved they deserve their high state rating by defeating the Broncos 41-6. The Cyclones displayed their size and speed as they raced to a quick lead on the home team.

The Cyclones received the opening kick off and after three first downs, Roy Henderson raced 35 yards for the first score. The Broncos first drive was stopped and they punted and Randy Crump pulled the Cyclone returner down on the Bronco 10 yard line. The Cyclones scored in three plays to make the score 14-0. The Broncos received the kick off and on first down a Leland Howell pass was picked off and returned to the Bronco seven yard line and once again the Cyclones scored in three plays to up the score to 21-0. The rest of the quarter was scoreless as both defenses slowed the other offense.

The second quarter began with Memphis picking off another Bronco pass and scoring after a short drive to make the score 28-0. After the kick off, the Broncos moved the ball with James Ariola, Daniel Ford, and Howell running the ball. The Bronco drive stopped in Memphis territory. The Broncos were unable to hold the speedy Cyclones as they built a half time score of 35-0.

The Broncos came out after the half and played better defense and offense. The only Memphis score came on a punt return and the Broncos had a scoring drive headed by a 31 yard pass and run from Clay Sharp to Ford. Ford made some good runs also on the drive. Ford was named offensive player of the game and Richard Torres was named defensive player of the game. Torres recorded 17 tackles from his linebacking position.

The Broncos continue their district play at home Friday against Quanah at 7:30 p.m.

"A VOLUNTEER FOR JESUS"

A missionary friend of mine, Bro. Joe Lingo to Chile, told the story of when he joined the Navy in WWII. At basic training camp as they were lined up before the commander, he asked certain ones why they joined the Navy. They each gave various answers. The commander said, "Didn't anybody join to fight?" to

Denise's Cloth Shop

which they responded with a yes. The commander then said, "Well, I hope so because they just bombed Pearl Harbor." A war was on! There were many already worn out with battle fatigue and many good soldiers were needed to endure hardness, get equipped, and go forth to fight to fill in the lines and continue on. I hope we can say with Paul in Il Timothy 4:6-8, "For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith: henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing."

There is a time and a place for everything. There will be a time to put on the dress uniforms for the Grand Parade when the Medals of Honor are given. But now it's time to don the battle garments and be good

RESPECT AUTHORITY

Recently a girl, who is getting some good, old-fashioned Christian training in her home, told me of an incident which took place in her school, which is located in Illinois. The teacher had called upon the girl to answer a question. The girl did so by replying, "Yes Ma'am." Her response brought laughter from the other students. Her problem was whether she should continue to use terms of respect which her parents had taught her were right at the expense of the ridicule of fellow students.

Here is an interesting thing about human nature. We are inclined to ridicule anything which we do not understand. That is why you see cartoons and jokes about the atomic bomb. If a man really understood the frightening destructive potential of that bomb, he would not be making

any jokes about it. In reality men a ridicule that which they do not in

ridicule that which they do not understand in order to cover up their own embarrassment about being so ignorant.

Men laughed at Columbus, but he discovered the New Worl. Men laughed at Fulton, but he made the first steamboat. They laughed at Alexander Graham Bell, but he developed the telephone. The mocking laughter of people is never a trustworthy gauge of truth.

Is it right for young people to show respect for their elders? Of course it is. The child who is not taught to respect his parents will have no respect for his school teachers. He will have no respect for the law. He will have no respect for the Bible

and eventually will defy God. Teaching young people respect and common courtesy in the home is a basic principle of Bible Christianity. If you want to be a good Christian, then learn to be considerate and courteous.

Someone will say, "Won't the other kids think I am peculiar?" In the first place, if they don't think so already there is something wrong with your Christian testimony. In the second place, you are supposed to be different. Find your Bible and locate Romans 12:1 and 2. Read those verses. The Bible still says, "And no be conformed to this world." As a Christian in this world, you are a nonconformist. Don't try to be like everyone else. Just set out to please

the Lord and do right. You can expect that some will not understand and some will scoff, but it is still right to do right.

The Lions Tale

The Clarendon Lions Club met Tuesday at noon at their regular meeting place in the Lions Hall. After a very delicious meal the Boss Lion Winsor called the meeting to order in due form. There were twenty-two Lions, the Lion Sweetheart Jessie Adams and Lisa Winsor, assistant secretary were present. There were no guests. No program being available, matters of business

were as follows: the club voted to move the Ladies Night Banquet from November 5 to November 12 at 7:00 p.m. Bingo night will be this Saturday night. Among other business the Lions Club members present voted 100% upon a motion and seconded to fine Lion Tailtwister Leffew for being absent and not attending to business. There being no further business Boss Lion Winsor adjourned the meeting and invited all Lions not present to be there next Tuesday.

Flowers were once cultivated for food. In prehistoric Mexico, people ate the starchy roots of dahlias.

WOULD-BE BANKERS HAVE BEEN MULTIPLYING LIKE RABBITS.

Don't allow yourself to be misled by apparent similarities. Just because so many others are hopping to include the word

"bank" in their names doesn't mean that they are actually bankers. "Savings Banks," "Thrift Banks," stockbroker "bank" accounts, etc., try to blur the difference between them and real bankers. But they don't always offer you the experience or, sometimes, the security of bankers. In fact, the only place you'll find a banker is The Bank,

where your deposits are Federally insured up to \$100,000. As for multiplying, our Full Service Bank' is always ready and able to offer the newest ideas to help your money reproduce.

THE ONLY PLACE YOU'LL FIND A BANKER IS THE BANK.

Reba and Carl McDaniel from Fort Amarillo Monday for Tom to have a Worth to Admore, Okla. They visited Irene Davis and Bill Foley and his wife Essie at the nursing home. In Oklahoma City they visited another cousin Charlene Leigon.

Ruth Perkins was surprised by Harry Hartzog and his son Larry from Whickenburg, Arizona on her door step this past week. She says she has already mailed her son Pat his good luck blackeye peas to Alaska. We would hope that they arrive well before the new year. Tom Martin of the Marketing Assocition tells me the best market for blackeye peas is in Dallas, Texas between Christmas and New Years. There ought to be a supply of them this year.

Everyone around Ashtola has web feet or fins. More than eight inches of rain this time of year leaves your terraces and lakes full and running over. We are ready for some sunshine and wind to dry us all out and get us back in the fields.

I had not realized how widely read this column appears to be until I mistakenly moved the Charles Dunns from Dallas to Amarillo. It could have been Ricci or Woody but I am inclined to think my mind was circling in the same manner it frequently does when I start to call a child, grandchild or in-law, They are all so gracious to answer whatever they are called except Lindsey who refuses to answer to Missie - which is; the dog. No, Katherine's parents still live in Dallas.

While it was too wet to get in the field Horace has put up two ceiling fans with some remarks about the Japs and their instructions.

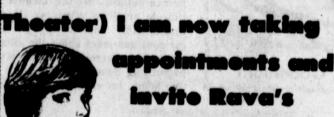

Reta Hawkins came through to report the phone out and gave us the good news that her daughter Brandy won a \$50.00 gift certificate from McDonalds at Dumas. She gets to spend it at Walmart. That is almost like Christmas in October.

Friday night Don and Jimmy Lee Matherson of Claude were guests at supper time and for dominoes in the Lloyd Risley home.

Mr. and Mrs. Lloyd Risley attended the Cotton Festival Saturday afternoon and the Chamberlain-Windy Valley community reunion Sunday.

LICE - AN EPIDEMIC?

In some areas of the United States, particularly the warmer regions, lice infestations have achieved epidemic status. The three types of lice that affect humans are head lice, body lice, and puble lice. Puble lice are also called crab lice because of their crab-like appearance. In actuality, these lice can infest other body areas [for example, head lice in the puble area, and puble lice on one's beard].

Good personal hygiene does not prevent lice, nor can it remove a lice infestation. Rather, an agent must be used which kills these parasites. Two such agents are gama-benzene hexachloride and the pyrethrums. The first agent is a prescription insecticide available in lotion and shampoo forms. The pyrethrums, which are extracted from crysanthemum plants, can be purchased without prescription.

Once lice have been killed, it is necessary to wash or dryclean clothing to eliminate lice and eggs [nits] which could quickly cause reinfection. Insecticide sprays are available from pharmacists for killing lice and nits on bedding and furniture.

Country Cooking

By LINDA L. NIXON

With the arrival of crisp Autumn days, our sense are apt to be tantalized by spicy aromas from our kitchens. Among fall's bounty a favorite for sight and smell is the apple - bright Red Delicious apples, yellowish red Romes, scarlet Jonathans, and yellow sweet Golden Delicious, to name a few. In the history of our country there have been literally thousands of varieties. Many of the old varieties are no longer available on a large scale in that they were disease prone, unattractive, and the trees would bear only every two years. In the early days of our country most apples were used for hard cider, a staple used in some areas in place of currency. Some apples were stored in root cellars and those not quite so perfect were peeled, sliced and dried. Although few today attempt cider making, the apple is still a favorite for pies, cakes, salads, canning, and of course, out-of-hand eating. For proper storage apples should be kept at a temperature of 32° - 40°F and a relative humidity of 80-90 percent. To store in refrigerator, place apples in plastic bags to retain moisture and to prevent absorption of other food odors. A good ripe apple can aid in the ripening of other fruits when placed with them in a brown paper bag which has holes punched in it and is securely tied at the top. To welcome the arrival of autumn, try some of these ways with apples. APPLE-DATE-NUT SALAD

Combine diced red apples with skins, chopped pitted dates and chopped walnuts. Pour fresh orange juice over fruit, spoon into individual cups and serve with a dab of sour cream. Sprinkle with brown sugar.

APPLE CIDER PIE

Pastry for double-crust 9 inch pie 1/2 cup sugar

2 tablespoons water

1 cup apple cider

6½ cups peeled, sliced Winesap or other cooking apples

2 tablespoons cornstarch 1/2 teaspoon cinnamon

1 tablespoon butter

Line a 9 inch pie plate with half of pastry; set aside. Combine cider and sugar in a large saucepan; bring to a boil. Add apples; cook, uncovered, 8 minutes or until apples are tender. Drain, reserving syrup. Add enough water to syrup to measure 11/3 cups liquid; return syrup mixture and apples to saucepan. Combine cornstarch and 2 tablespoons water, stirring well; add to apple mixture. Stir in cinnamon; cook, stirring constantly, until thickened. Stir in butter. Spoon mixture into pastrylined pie plate. Cover with top crust. Trim edges of pastry; seal and flute edges. Cut slits in top of crust to allow steam to escape. Bake at 375 degrees for 45-50 minutes (cover edges with foil to prevent overbrowning, if necessary). Serve warm or cool. Yield: one 9 inch pie. DRIED APPLES

Peel, core, and cut up in eights 32-36 apples. Places slices so they do not touch each other on cookie sheets in 110-150 degree F oven and leave for 6 hours, turning slices twice. They can be left in the oven overnight. Dried fruit should be dry outside, but soft inside; there should be no moisture when squeezed, but do not let fruit become brittle and hard. Put in container and cover loosely. Condition by pouring apples into another bowl back and forth several times to mix. Do this daily for 4 or 5 days. Then store in jars with brown paper tied over top. Makes 3 pints (enough for 4 pies).

Fire Department holds open house

the open house held at the Clarendon Volunteer Fire Department on Saturday, October 12, 1985 from 10:00 until 2:00 p.m. was a huge success. The weather cooperated for the most part and a huge turnout resulted in this years open house being one of the best in several years.

Following the presentation of awards, all of the posters were on display along with all of the firefighting apparatus and rescue equipment. Video tapes of the fire schools and all of the fires from the past were shown throughout the day. The usual rides on the 1927 Seagraves Fire Truck were enjoyed by many kids and several adults.

The Clarendon firefighters would like to thank everyone who helped to make this years open house a success including Mr. Floyd Guinn and the Clarendon Elementary school teachers, all of the students who made posters for the contest, Rev. Gary Pinion and the Calvary Baptist Church staff and students, Mary Jo Hodges and the First Baptist Preschool students, the Firebelles, the judges of the poster contest, the Coca Cola Company, all of the local merchants who provided various donations, the parents and other adults who helped their children learn fire prevention and came by the open house, the Clarendon Press for all their help, and the citizens of Donley County for their support. Hopefully, this will continue to be an annual event thanks to everyone

Watts Happening in Hedley

I don't know about anybody else, but I'm glad the Cotton Festival is over. I visited with a lot of Hedley people who live in other towns and cities across the country. I missed some that I really wanted to see. One that I especially wanted to see was George Gordon of El Paso. Mr. Gordon lived in Hedley before I was born. I'm sorry I missed him. Another person I missed was Bert Usrey of Phoenix, Arizona. Mr. Usrey and his wife Wanda lived in Hedley when I was young.

I did visit with Elsie Shaw and Wanda Patterson. They were at the Methodist Church Sunday morning and Elsie and Pie held Fred's hands as we sang the benediction.

Pete and Eunice Land, Mrs. Jack Land, Pauline Morris, Billie Taylor and a lot of other Clarendon people were here. I visited with Bob Couch and his mother Mrs. Melba Couch of Vernon. Bob writes to mother regularly.

Hulett Swinney of Missouri was here. I didn't know him before, but Fred did. I know him now.

Harold and Mollie Moffitt from Memphis enjoyed the Cotton Festival. So did Monte and Sharon Rogers and Gary and Janice Alexander and girls.

Leroy and Mary Pullum, Doug and Kay Owens, Jim and Peggy Owens, Bill and Jo Bridges, Maurice Myers, Alvie Butler, Evelyn Hendrix, Paul and Pam Dewight, Don and Charlene Wells, Betty McQuire, Lynn and Ginnie Cherry, Marie Corona, Ernie Houdashell and kids, Kathy Spier, and Wanda Richard all of Amarillo were enjoying the Festival.

Roger and Tanya Gibson and girls of Perryton came for the Cotton Festival and stayed for a few days visiting with their families Harold and Mary White and Walter John-

Thunder was home for the Cotton Festival. Everytime he comes home, almost don't let him go back. He's going to school and working in Amarillo.

Lisa Mullins enjoyed the Cotton Festival. I might be getting forfetful Su-San giggling that way when she was a teenager.

There were several former queens at the Cotton Festival. I saw Kathy McPherson Richardson, Kathy Spier. Wanda Hansard Richards, Becki Johnson Ward, and my queen Su-San Couch. Of course, Stephanie Holland and Debbie Clubb still live here. So do Susan Johnson Hall, Shawna White Monroe and Renee White Shields. I don't know how Wanda Richard does it, but she's as young and pretty as she was when she was the first Hedley Cotton Festival Queen.

Dean Hill.

Mississippi now and is 94 years old. Doyce Swearingen of Clarendon was enjoying the food in the junior food booth. That was about the only place I got to visit with people. I don't know about the other food booths, but the juniors could have sold teh containers the food came in if they had tried. We sold out of food

Jack and Shirley Spier were here

for the Cotton Festival from Dallas.

I saw Ray and Sue Pinkerton of

Dallas with her parents, Red and

Fred visited with James Lowrie.

He said that his mother lives in

almost before parade time. Merle and Betty Owens and Cody of Elk City, Okla. were here. So were Woodrow and Mildred Clendennen. I think they live in Pampa now. I know Doyle and Judy do. I saw Judy

and the kids but missed Doyle. Paula Clendennen and Nancy Burr of McLean visited Paula's parents over the weekend. So did Tommy and Carolin Clendennen and Benjamin of Amarillo.

Kenneth and Alinda Word, Deedra and D'Armon of Dallas spent the weekend with their parents, Herman Word and L.C. and June Johnson. D'Armon rode on the Rhema Ranch Country Store float. It won 3rd place in the out of town division.

Danny and Vanessa Bell, Courtney and Josh of Amarillo were here for the Cotton Festival. Vanessa is the former Vanessa Myers.

Alfred and Eloise Spalding had all their girls and Eloise's three sisters visiting for the weekend. Marvin and Geneva Kenny of Burleson, Jeff and Fay Wiggins of Pasadena, and Jack and Jackie Stafford of Hedley enjoyed their sister and Doug and Martha Lowe of Fort Worth, Gary and Sarah Carter and Lisa of Clayton, N.M., and Bob and Kathleen Pixley of Lindsey, Oklahoma enjoyed their parents. Grandchildren Chris and Angie Mackey, Travis and Trenton of Sayre, Oklahoma and Jerry and Carol Kenny of Amarillo were also here.

Mrs. Cassie Owens got to come home for the night from the Rehabilitation Center in Amarillo. She spent the night at home Saturday night. Most of her children were with her.

Leon and Linda came up for the Cotton Festival. Her uncle in Oklahoma died last week, but she, well actually I think it was he, decided it would be better for her if she didn't go for the funeral.

Charlie and Eunice Johnson of White Deer spent the weekend with his brothers, Alfred and Walter, enjoying the Cotton Festival.

Jean Stafford and Robert of Carlsbad, N.M. spent the weekend with her parents. Joe and Flossie Wood and sister Jane. Joy Stone of Childress and her

daughter, Cindy, visited Joe and Flossie. I've forgotten Cindy's name as well as that of her little girl. Sammy Slover is home following

surgery to repair an injured shoulder at Northwest Texas Hospital in Amarillo. Shirley is long suffering.

Gladys Howell enjoyed the company of her daughters, June and Elsie over the weekend.

The Hedley Lioness Club met September 30th to finalize their plans for the chili supper to be held during the Cotton Festival. They also voted to donate \$50.00 to the school for the annual fund and to carpet the Lioness building and to give the senior class \$50.00 for their project.

Those enjoying a delicious salad supper were Lioness president Louise Stewart, Mary Ruth White,

Dorothy Whitaker. Betty Gilchrest. Jessie Roland, Tiny Harmon, Evelyn Messer, Mahdeene Debord, Helen Lambarcan Nora Hopper, Betty

Williams, Patty Springer and Robin. Dorotha Crawford, Nell Hudgens. Sue Weatherly, and Pauline Kauf-

Nell Land had all her children and part of her grandchildren home for dinner Sunday. Those enjoying her hospitality were Nookie and

Geraldine Wiggins, Edie and Johnny Fisher, Dorothy and Kermit Hopper. Phillip Wiggins and Sharon Johnson.

Mrs. W.W. Wiggins is enjoying a visit from her son Jeff and Fay Wiggins of Pasadena, Texas.

Classes were resumed at Hedley School Monday after the Cotton Festival holiday. Report cards were handed out Wednesday. There were several who wished they had tried a little harder to keep their grades up because they will be missing the first basketball game of the season in a few weeks.

The School Board will meet Monday, October 21 in the library. These meetings are open to the public and anyone interested may attend them.
