SOUTHWESTERN OKLAHOMA STATE UNIVERSITY'S SCHOOL OF PHARMACY recently held its annual honors and awards convocation on the Weatherford campus. Receiving awards included second year professional Southwestern students (from left): Kayla D. Lindley, Lakeview, Texas, \$600 Jerry D. McWilliams Memorial Scholarship; Roy L. Mason, Lubbock, Texas, \$200 Becky Ferguson Memorial Scholarship; James G. Martin, Wellington, Texas, \$600 Lloyd S. Ulrich Memorial Scholarship; James E. Green Muleshoe, Texas, McNeil Consumer Products Company Award; and Joy L. McKeever, Haskell, Texas, \$600 Cindy Toal Memorial Scholarship. Not pictured is Richard K. Waide, Perryton, Texas, \$1,000 Dillon's Pharmacy Scholarship.

Area Students Graduate

Rhonda Dee Aveni and Jay Brent Gage of Clarendon graduated with honors from West Texas A&M University on Saturday, May 8. Both honor students earned a Bachelor of Science degree. Other area students who got a bachelor of Science degree from West Texas were Kristi Ann Bailey of Hedley, and Jennifer Lee McAnear Lindsey of Memphis (formerly of Clarendon). Shawn A. Hermesmeier of Amarillo, (formerly of Clarendon) graduated with a Bachelor of General Studies. Congratulations to these fine young people on their success.

Cancer Screening Scheduled

On Saturday, June 12, from 10:00 a.m. to 3:00 p.m., The Don And Sybil Harrington Cancer Center and High Plains Baptist Hospital Mobile Mammography Unit will be in Clarendon at Clarendon Medical Center Clinic, HWY 70 North. Exams are done by appointment only. For information or to schedule an appointment call 1-800-377-HOPE (4673) or (806) 359-4673.

The total cost of the screening is \$70.00. This includes the x-ray, physical breast exam, and the fee for reading the mammogram. Funding has been provided by the Texas Department of Health to allow for free breast screenings for women who qualify.

The major goal of the clinic is the early detection of breast cancer. The clinic provides low cost screening which includes a breast exam by a Registered Nurse trained in breast cancer detection, teaching of breast self examination, and a mammogram. Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done by following the guidelines recommended by the American Cancer Society for breast cancer screening for women who have no signs or symptoms of breast cancer. The guidelines are: 1. Learn and perform breast self examination every month. 2. Have a physical examination every year. 3. Have a mammogram according to the recommendations by age: 35 to 39 - one baseline mammogram; 40 to 49 - a mammogram every 1 to 2 years; 50 and over - yearly mammograms.

News Bits:

Paper Will be Later

The Clarendon News will be back in Clarendon about 3 p.m., Wednesdays, due to new printing arrangements.

Band Booster Meeting Rescheduled

The Band Meeting scheduled for May 13, has been rescheduled for May 14, at 6:30 p.m. in the Band Hall. Please try to attend.

The 1993 Summer Reading Club will begin June 1. This year's theme is "Lions and Tigers and Books, Oh My!" Awards will

Student Honored

Meg Williams, daughter of Bob and Lynne Williams, was inducted into the Alpha Lambda Delta Honor Society on May 1, 1993. Meg is a freshman at Angelo State University in San Angelo, Texas.

Alpha Lambda Delta membership is open to all freshmen who meet the academic qualifications. Students must be registered for a full course of study leading to a bachelor's degree and must rank in the top 20 percent of their freshman class. The minimum scholastic average required for membership is a grade exactly halfway between the two highest grades given by the school (i.e., 3.5 or above 4.0 scale).

"Skip Days" Turn Nasty

More than a dozen youths were injured and several were hospitalized as a result of a fight at Greenbelt Lake. Eight Randall High students were hurt and six from Pampa.

"Skip Day" is a tradition at some Pampa and Amarillo schools, but has in recent years many students have wound up in jail or worse.

Several students from Amarillo's Randall High School began arriving at Greenbelt Lake early Friday morning. By mid afternoon, others had trickled in. About 4:30, a vehicle load of Pampa youths drove up to the Randall crowd. A Pampa man and a Randall man fought for 10 to 15 minutes, then the Pampa gang left with the threat, "We're coming back."

About 10 p.m., a convoy of vehicles carrying an estimated 20 to 30 people suddenly came over the hill, shining spotlights and headlights into the eyes of the Randall camp. The passengers began pelting the camp with large rocks. Several injured youths fled to Clarendon and notified authorities about 10:30. Other Randall people took cover under cars or in bushes. Several vehicles had windshields, back windows, headlights and tail lights broken out, as well as other damage. Quite a few people wound up in the emergency rooms of area hospitals.

"Some of the Pampa youths were simply thugs or bullies," said Chief Deputy Jerry Holland. "They have a long history of beating folks up, but have always been allowed to get by with it."

Friday night they nearly went too far. Their assault on one Randall youth put him in the hospital reportedly with a broken nose, fractured skull and other serious injuries. Witnesses at the scene said the attackers would probably have continued the attack until they had killed the youth, had not some Pampa girls intervened. Two young women threw themselves over the unconscious victim, literally shielding him from further kicking with their own bodies.

The youth was still hospitalized as of press time.

The youth was still hospitalized as of press time.

The assailants from Pampa later turned on some of their fellow townsmen, injuring them as well. "All were victims of the same culprits," said Donley County officers.

The thugs fled the scene just before police arrived. But Pampa law enforcement officers apprehended some of the men as they returned to Pampa. They picked up others the next morning. "We have had the full cooperation of the Gray County Sheriff's Office," said Sheriff Randy Stubblefield, Deputy Steve Smith and the other officers have been superb."

Officers from Clarendon took statements from dozens of witnesses from both Amarillo and Pampa.

Investigating officers included Sheriff Jimmy Thompson, Chief Deputy Jerry Holland, Deputy Charles Blackburn, Warden Gary Hunt, Lake Patrolman Faylon Watson and Lake Patrolman Jim Mincey. The investigation continued well into Sunday.

Two men were arrested Friday night, and another on Saturday. The accused were released on bail almost immediately.

Parents of some of the Pampa youths helped clean up the mess Saturday morning. They expressed regret about the actions of the hoodlums.

The accused will go before the Donley County Grand Jury this week. More than 40 people are expected to testify.

Authorities estimate that more than 50 people were involved in all. Many of the injured were apparently not seeking a fight.

"We plan to prosecute this thoroughly," said Sheriff Thompson. "Donley County does not permit this type behavior."

NEW POSTMASTER APPOINTED FOR CLARENDON. Lonnie Davis, formerly of Lubbock, has been named the new Postmaster for Clarendon. He was formerly an Operations Support Specialist, and a supervisor at Childress. Davis has been with the Postal Service for 27 years. Davis, his wife, daughter and granddaughter have moved to Clarendon. "We're happy to be here," the new Postmaster said.

Grant Awarded

Donley County has been selected as one of the 1993 site locations for a grant from the Panhandle HomeCare Coalition in Amarillo.

The grant will provide "gap-filling" services in the areas of case management, home repairs and home health.

The newly formed Society of Social Services (SOS) for Senior initiated the grant process. The local coalition will be named Donley County HomeCare Coalition on Aging and the Don and Sybil Harrington Foundation. Referrals will be accepted for Lelia Lake, Hedley, Howardwick, and Clarendon.

Anna Beth McNabb will provide assessments and case management and will be assisted by Peggy Cockerham which will centralize the community needs, net-working and service. Gail Pierce will take care of intake information through Shepards Helping Hands, a non profit organization that helps with the needs of the elderly.

The Donley County HomeCare Coalition on Aging will refer clients to established agencies such as Meals on Wheels. Volunteer organizations will volunteer in such areas as telephone reassurance, volunteer telephons and labor for repairs.

Home Health agencies will contract for homemaker aides and housekeeper aides. Referrals will be made through Shepards Helping hands at 874-3858.

The other site selected for 1993 is Gray County. Dumas and Hereford were the 1992 site selections.

WTU Changes To Envelope Billing

To provide extra convenience and more account information to the people it serves, West Texas Utilities Company has improved the monthly bill it mails to customers.

Beginning May 14 the postcard-style bill customers have been receiving will change to a full-page, more detailed bill that will be mailed in an envelope. A return envelope will be enclosed for convenience when paying by mail.

The most obvious change in the bill will be its appearance. The letter-sized format will be noticeably larger, with a detachable bill portion at the top and a detailed statement below. The top portion of the bill will be identified by WTU's logo and light blue color.

While the new bill is more attractive, its real purpose is to serve WTU customers more efficiently. Cont'd on p. 2

MEG WILLIAMS inducted into the Alpha Lambda Delta

Girl Scout Councils May Merge

Texas Plains Girl Scout Council, headquartered in Amarillo, and Quivira Girl Scout Council, headquartered in Pampa, have announced today that they are entering into negotiations to combine the two councils. If the new council is formed, it will serve the Panhandle Counties of Hemphill, Roberts, Hutchinson, Moore, Oldham, Potter, Carson, Gray, Wheeler, Deaf Smith, Randall, Armstrong, Donley, Collingworth and Hall with parts of Swisher, and Lipscomb. Members of the Volunteer Boards of Directors of the two councils began meeting in October to conduct a study as to the feasibility of a merger. "We found so many similarities that it seemed like the best thing for all concerned," said Mary Green, President of Quivira Girl Scout Council.

"In the days of corporate downsizing, non-profits must also manage more efficiently and get more value for the dollars raised," said Joan Horn, President of Texas Plains Girl Scout Council. The new council would serve all the girls in the Panhandle jurisdiction more efficiently and with less overlap than two separate councils could", Horn said.

Look Who's New

Mr. and Mrs. Clay Christopher and Caitlyn announce the birth of Elizabeth Dawn, 7 lbs. and 14 1/2 oz. born May 2. Proud grandparents are Fern Ashcraft of Clarendon, Tommy Stegall of Tulia, Mr. and Mrs. Larry Christopher of Clarendon. Proud great grandparents are Mr. and Mrs. J.C. Ashcraft of Clarendon, Mr. and Mrs. Dick Stegall of Fritch, Mr. and Mrs. Ernestine Christopher of Clarendon and Mrs. Lou Morris of McLean. Also proud three uncles, one aunt, and two cousins.

TARAENA COLE AND ERIC DAVID

Engagement Announced

Mr. and Mrs. Wayne Cole would like to announce the engagement and approaching marriage of his daughter Taraena Machel to Eric Shane David. Shane is the son of Mr. and Mrs. C.F. David of Dumas. Taraena is a graduate of Clarendon High School and West Texas State University. Shane is a graduate of Dumas High School. The Wedding will be at the Hill Chapel on the West Texas A & M Campus in Canyon on June 4, 1993.

Wedding Announced

Mr. and Mrs. Russell K. Grater request the honor of your presents at the marriage of their son Stephen Richard to Barbara E. Mann Blair on Saturday, May 29, 1993 at 3:00 p.m. at the Chapel L'Amour, 1903 Las Vegas Boulevard South, Las Vegas, Nevada.

Piano Recital Set

Mrs. Bernabe will present the following students in a piano recital Sunday, May 16, 1993 at 3:00 in the afternoon at the Lion's Hall. Those participating are as follows: William Wallendorf, Ethan Rhinehart, Grady Swearingen, Jordan Zehr, Allison Hill, Jamie Simmons, Kensi Morrow, Brandy Betts, Chancy Floyd, Jill Hicks, Nelly Menchaca, Kelley Lemley, Taylor Shelton, Greg Templen, Nathan Floyd, Lacey Wallendorf, Samantha Vargas, Lauren Hill, Ashley Hill, Kara Barker, Erika Valek, Aaron Robinson, Sage Rhinehart, Lindsey Shelton, Elizabeth Simmons, Chandra Ford and Gannon Rhinehart.

The public is invited to attend, refreshments will be served following the program.

The Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, May 11, 1993, at the Lions Hall with sixteen members and three guests present. A delicious steak dinner was enjoyed by all.

Vice-president Chambliss called the meeting to order and led the Pledge of Allegiance. The prayer was given by Lion Bernabe. Lion Chambliss introduced our guests including Allen Taylor of Lubbock who was the guest of Lion Walt Knorpp. Lion Secretary Bernabe presented the club with some information in regard to our finances. The members were urged to give serious consideration to coming up with some solutions that will be in the best interests of the club and all of our members. Meeting adjourned.

WTU - from p. 1

The biggest change most customers will notice is how much more information the new bill provides about their accounts. "The new format has more space, so we can include additional information regarding each customer account," said Jerry Chambliss, Clarendon Area Manager. "You'll see exactly how your bill is calculated with meter reading usage, fuel, and other factors."

Now customers will see a detailed breakdown of their energy usage and rates, as well as how much they owe. The bill will also show more detailed information on other matters such as merchandise accounts.

WTU also is also taking this opportunity to provide extra convenience to customers. In the past, customers have expressed a strong wish for a return envelope to be provided with their bills. Now that bills will be mailed in envelopes, WTU will be able to provide this request service.

The return envelope will have a window. The top portion of the bill you return to WTU, when placed correctly in the envelope, will position the address of your local WTU office in the window.

The full page format fared well in selected customers tested early this year. WTU randomly chose 100 accounts company wide to receive the new bill. Afterward, each of the 100 customers called personally and asked reactions. Some of the features customers especially like include: the new bill is easier to read; having the return envelope provided for them; the privacy of their account information going through the mail in a sealed envelope; and having more detailed information about their accounts.

The only change customers should notice is more information and added convenience. There won't be an increase in customers' bills to pay for the new features.

Although the return envelope is provided for customer convenience, those who prefer to pay their bill in person at their WTU local office may continue to do so. Your favorite WTU office personnel can still take your payment in person.

Any customer with a question or comment about the envelope billing may call his or her WTU area office for more information.

GIRL SCOUTS - from p. 1

The two councils will conduct information meetings throughout the two jurisdictions to talk with volunteers and community leaders about the effect of merging the two councils. The elected delegates of each council will have the final approval at a special called meeting in June. If these two groups approve the plan it goes to the Girl Scouts of The U.S.A. National Board of Directors for final endorsement. The new council would begin operation October 1, 1993 if all goes well.

Smoking Gun on Maternal Smoking

A study published by the American Lung Association* found that children with asthma were 57 percent more likely to have a mother or maternal care giver who smoked. After analyzing the data, researchers determined that mothers who smoke are doubling the risk their children will develop this common lung disease.

Percentage of Kids in Study With Mothers Who Smoke

Senior Citizens News

by Nova Neuhaus

Eda Wallin brought in a big beautiful bouquet of fresh flowers for us to enjoy last week and Rachel Butler brought in a vase of pretty roses from her garden on Monday. Thanks ladies for sharing with us.

Carmen Wright did 46 Blood Pressure Checks for us last Tuesday, May 4th along with Shepard's Crook Home Health doing the Blood Sugar Clinic this month. Thanks to Carmen, Ruth Petty and Kathy Hagler for providing the Health Services for the clinics.

The Senior Citizens Dance Club sends a big "Thank You" to Victor Bolin of Borger for stopping by and repairing our sick Juke Box and donating the cost of repairing it.

Thanks to Darrel Harper for his untiring efforts trying to keep the oven going on the cookstoves in the kitchen. Ovens that not dependable are a cook's nightmare.

Remember this Sunday, May 16th is the planned tour of the Historical Museum in Canyon. Darrel Harper will be driving the Ford Van for us and we still have some room left for passengers.

After visiting the Museum they will be stopping at Furr's Cafeteria in Amarillo to eat before returning early evening. Please Call Nova at the Center for more details or if you would like to go.

Bob Kidd was the fortunate winner of the German Chocolate Cake made and donated by Emma

Shannon for the Friday noon fundraiser drawing. Thanks Emma for participating.

We are planning our first annual auction to be held Saturday, June 12th at the Lions Hall. This will be our last large fund raiser this year. We will need donated items of furniture, craft items, tools, jewelry, pictures, appliances, and etc. No Clothes Please. We will pick-up your items on Saturday afternoon prior to the Auction. Contact Nova, Lee Caskey, Darrel Harper or any board member for more information. We appreciate all your help on the past fundraiser. Proceeds from this auction will go to the center for equipment and nutrition service.

Thanks to all our volunteers for April: Ann Bunyan, Pauline Ballinger, Lee Caskey, Helena Cotoe, Hazel Guy, Dolly Cole, Cora Hamilton, Bob Kidd, Mary McAnear, Bob and Pat McCombs, Bill and Juanita Meador, Kolett Mireles, Letha Mulder, Charles Penix, Mike and Margie Suiter, Brent Shields, Ellie Wilkinson, Verdie Tipton, Don Wooten, Karen Wortham, Carmen Wright, and numerous others whose deeds do not go unnoticed. Memorials to: Claude Gilmore by Themla Behrens; Robin Fortenberry by Elmo, Della and Fred Fortenberry; Guy Putman by Cennet Rhodes, Thelma Behrens, Sr. Citizens Dance Club, Lee Caskey and Clyde Putman; J.B. Lane by Elmo and Della Fortenberry; Lil Eudy by Ellie Wilkinson, Donley Co. Memorial Aux. Post 7782, Rose Holland, Hazel Monroe, Della Allen, Elmo and Della Fortenberry. Facility Use: Weight Watchers and Sr. Citizens Dance Club.

Club Completes Project

A remark made by club member, Durelle Stark, sparked the interest of Pathfinder Club more than a year ago. Durelle stated that Medical Center Nursing home patients were having cold water shampoos in the room that was allotted for beauty operators to come to the nursing home to help patients with their hair. We began a fund that was added to by folks all over town to put in a small hot water heater as a supplement just for the shampoo basin.

Then it was discovered that the chair being used was in a sad condition. Once again the club sought help from Sunday School Classes and Needle Club organizations as well as individuals and a new chair was bought with Gene Alseron, Medical Center Administrator going to Amarillo after it. Edna Dishman, who was on the original hot water committee and a former beautian discovered we needed a "wet station" which makes the water basin, faucets and cabinet all fit together. She was able to find a used "wet Station." Once Again the administrator helped us get it from Hedley to Medical Center. We had a little accident with the mirror while mounting and that had to be replaced. Edna and Myrle Butts went to Memphis for replacement. Tena Powell, also on the original hot water committee, donated a manicure table. The Medical Center Board and Gene Alderson caught our "beauty parlor fever" and painted the room.

Pathfinder Club wants to thank all of you who had a hand in the improvement out there. It is so wonderful to live in a community where when a need is made known everybody wants to be a part in meeting the need. Go out and see for your self.

evangelist effort at Guadalajara, Mexico. The next world Evangelist Meeting will be held in Russia in 1994. Ann's ardor was so contagious that we all wanted to join her for that trip—or at least see that she gets there and brings as a report.

Hostess for this Guest Day were the social committee, Naomi Green, Edna Dishman, Myrle Butts and Tena Powell. The house was decorated with Easter decor. A cut-work cloth was used with crystal appointments for the serving table where Frankie Henson presided over punch bowl. Refreshments were Quiches and strawberry tarts, nuts and miniature Easter eggs.

Guests present were Jo Lyn Wieter, Delories Drew, Jeralce Duval's mother from northern Calif. and Leona Musgrove. Members present were: Frankie Henson, Pearl Hermesmeyre, Ruth

Robinson, Polly Sarich, Lucy Saye, Dorothy White, Jeanice Weatherly, Anita Mooring, Mary Jane Smith, Ann Sells, Sue Dunagan, Jerilee Durvall and hostesses previously mentioned.

AN EQUAL OPPORTUNITY EMPLOYER

Medical Center News

The Medical Center Residents welcomed Tina Davis, Activity Director, back last Monday. Everyone is glad to have her back.

The Residents have been busy. The garden has really grown with the nice rains. Residents were outside enjoying the fresh air and sunshine whenever possible. The residents had a large group bowling and pitching horse shoes last week. They are really getting good at their scores.

If you noticed Friday that Residents and some of the Staff's foot apparel was slightly strange, it was because Friday was "Crazy Socks Day". Thanks to the staff for being so creative and being such good sports. It certainly was eye catching.

National Nurses Week will be celebrated May 6-12. All the centers nurses are greatly appreciated.

Residents Birthday Party will be Wednesday, May 12, at 3:30. Residents celebrating birthdays are: Claris Leffew, Leona Shaw, and Bernice Thompson.

Medical Center Residents and Staff would like to thank Geraldene Holland for stitching up some bibs for the residents.

Next week is "Senior Simle Week!"

Local Teen Chosen

Rebecca Campbell has been chosen to participate in Summer Missions Team 1993 to Philippines and Hong Kong through the United Pentecostal Church International Youth Department.

Thirteen youth across the United States have been chosen for this tour.

Rebecca and Christi McCvan from Amarillo have been chosen from the Panhandle area. Cynthia Brown from Odessa, Texas totals three youth from the Texico District.

Rebecca is needing sponsors for this trip. Her past experiences and high evaluation of Directors makes her well qualified for the team.

Anyone wishing to donate contact the Youth Director at 874-2161.

If you don't think you need renters insurance, this could change your tune.

Don't take chances with what you've accumulated. Call me.

Pathfinder Club Meets

The Pathfinder Club met April 9th at Patching Club house at 3:30 p.m. In absence of the President, Vice-president, Frankie Henson called the meeting to order and welcomed guests. The club collect was read, minutes to previous meeting were approved and Tena Powell, Treasurer, reported a balance of \$270.95.

A motion was made by Tena Powell that \$50 be donated to the Fine Arts Dept. at Clarendon College. Motion was seconded by Ruth Robinson. Motion carried. Edna Dishman made a motion that \$50 be given to the Burton Memorial Library. Motion was seconded by Dorothy White, motion carried.

Dues to late coming new members were accessed \$3.00 for the rest of the year.

Roll call was answered with "most embarrassing moment." We really let our "hair down" and had some hearty laughs.

Ann Sells brought the program, giving us some insight into the World Gathering of Missionaries from all denominations who gathered for a health clinic and

Together We Can Fix-Up Clarendon!

With home improvement costs going through the roof, it's nice to know you can get the cash you need at interest rates that leave you room to grow on.

Whether you want to expand your living space or shrink your heating bills with new storm windows, we promise to give you a speedy approval and simple repayment terms that are easy to live with.

Come in and see how one of our friendly loan officers can help you turn your dreams into reality.

Senior Citizens Plan Auction For Fund-Raiser

The Donley County Senior Citizens are planning their first Annual Auction, to be held Saturday, June 12th at the Lions Hall. This will be their large fund-raiser for the year.

Furniture, tools, jewelry, pictures, appliances, craft items, and etc. are needed. No clothes please! The Senior Citizens are a non-profit organization and depend upon fund-raisers and donations.

They will pick up your items on any Saturday afternoons prior to the Auction. Contact Nova Neuhaus, Darrel Harper, Lee Caskey or any board member for more information or call 874-2665.

The Senior Citizens Association appreciates all the help everyone has given in the past and on this project. Proceeds from this auction will go to the Center for equipment and nutrition services.

They are planning on making this Auction an annual affair.

Banana, Milk

Letter to the Editor:

Texas Department of Transportation
P.O. Box 900
Childress, Texas 79201-0900

May 5, 1993

Mr. Bob Williams,
Editor and Publisher
Clarendon Press
P.O. Box 1110
Clarendon, Texas 79226

Dear Sir:

As per telephone conversation concerning railroad crossings and signals in Donley County, I will pass along some information regarding the Railroad Signal Program that the state and the federal government has enacted for the traveling public.

A financial package from the Intermodal Surface Transportation Efficiency Act (ISTEA) has established a fund of an estimated \$5,000,000.00 for the School Bus Crossing Railroad Signal Program. This is a separate program from the regular signal program. The selection process includes recommendations from the independent school districts, the average daily traffic, daily number of school bus traffic and accident history of the crossings.

There are five tentative selections for the 1993 program in Donley County. They are as follows:

- DOT Number 274844T West of Lelia Lake
- DOT Number 274848V in Lelia Lake
- DOT Number 275178J West of Clarendon
- DOT Number 275282D West of Ashtola
- DOT Number 275289B Southeast of Ashtola

As you are probably aware, the construction for the signal at Ayers Street has been completed.

Please feel free to contact Robert L. Mills, District Maintenance Superintendent or Steve Smith of our Donley County Section if you need any information regarding Texas Department of Transportation or railroad crossings.

Sincerely,

/s/William J. Parks, P.E.
District Engineer

EDITOR'S NOTE: Mr. Parks, Mr. Mills, Mr. Smith, the Texas Department of Transportation, Clarendon Consolidated Independent School District and the others involved in this effort should be commended. Undoubtedly many parents and grandparents in the Clarendon area have a heartfelt "Thank you!" for their efforts.

Chemical Free Party Planned

A pizza party and games have been planned and sponsored by the 1993 Senior Parents following graduation on May 21, 1993 for all Clarendon Seniors.

The graduation party will be at Jamz from 10:00 p.m. until 1:00 a.m. Pizza, Cokes, and games will be furnished for all seniors. Senior parents are encouraged to attend and enjoy this last moment of being together. Those parents that will be attending need to contact Jamz to make arrangements for food or drinks that you will need.

Make plans now to attend the After Graduation Party at Jamz.

Attention Bronco Parents!
The All-Sports Banquet
will be held
May 17, at 7:00 p.m.
at the Bairfield Building
at the College

Check It Out

by Mary Beth Nelson

Hey Kids! Today's column is especially for you! It's time for Burton Memorial Library's annual bookmark contest which is open to all schools in Donley County. Detailed information will be distributed to schools, and may also be picked up at the library. Two winners will be chosen from the area. This is something you will enjoy as well as having a chance to compete with your artistic ability.

It's also time to be thinking about the Summer Reading Club which will begin June 1. You remember the great time you had before. Many of you are going to want to be the first to register so you can begin working on those awards which will be presented during the summer. Your pre-school brothers and sisters are eligible, too. Watch this column for more details later.

As many of you know, your special section in the library has a large variety of good book. In fact, so many that I'll continue to discuss them in my next article.

There is a group of twenty books call the Bluebonnet Books. If you are a fifth grader, you already know about them because you helped select the winner in the Bluebonnet contest during this past spring. According to Jean Stavenhagen, school librarian, the winner was *The Houdini Box* by Brian Seznick. Fifth graders will probably agree that these are exceptionally well-written, appealing books for elementary age. The *Lone Star Award* books, in the young section, possess the same quality as the Bluebonnets, but are written for Junior and Senior High age.

Congratulations

To

**Bret and Virginia Patten
On The Arrival Of Their
8 Lb. Baby Girl!**

The *Bobbsey Twin Series* by Laura Lee Hope offers entertainment. If mystery is your favorite, the well-known *Hardy Boys* by Franklin W. Dixon and *Nancy Drew* by Carolyn Keene promises plenty of suspense. There are almost sixty books in each series. How do you suppose Mr. Dixon and Ms. Keene were able to think of so many different exciting stories?

These are just a few suggestions to help you start your summer reading. I hope you'll read my next article for more ideas.

There is a display in the library that you will surely want to see. So will adults. When you go in, look to the left. You'll see a glass case with beautifully carved wooden toy vehicles. One is an exact replica of a 1929 model plane truck. These were made by Cleo Russell, and are truly a work of art. Thanks for sharing your talent, Cleo.

Interesting items at the library? You bet! Why not check it out?

AC, WT Programs Receive Awards

By Melanie Yeager and Tom Walton
Globe-News Staff Writers
Reprinted from the Amarillo Globe News

Amarillo College and West Texas State University journalism departments took 12 firsts in Texas competition.

Both departments attended the annual convention of the Texas Intercollegiate Press Association at Corpus Christi on Thursday through Saturday. Also meeting in conjunction with TIPA was the Texas Community College Journalism Association, which is for two-year schools.

"This is the largest collegiate journalism organization in Texas, and we're competing with two- and four-year schools. We're happy to do so well against a lot of other good programs," said Mike Haynes, AC students publications director.

AC's magazine, *AC Current*, gained first place in TCCIA Division II. Editors recognized were Wil Burlin, from Clarendon, and Trace Nevad.

The Ranger, AC's newspaper won in the Best of Show competition among two-year, non-dailies' one edition judged at the site.

From The Ranger editions, January through December 1992, came three first places. Dusty Green received a first place for an editorial. Jeff Watts won first in the general column category and Brett Anne Williams took a first for feature page design.

AC's magazine students won big.

Zoe Tucker received a first for magazine color feature photo. Sherri Morrison's general magazine illustration took first. Nevad gained a first for general magazine cover.

Burlin and Jerry Rush took first in magazine typography, layout and design. The story package of John Dollarhide, Tucker and Nevad took a first. And the final first went to Anne O'Rourke for her magazine opinion piece.

"AC has traditionally won quite a few awards, but we've won more this year than last year," Haynes said.

We hope we can keep it up."

WT journalism students took two first-place awards at TIPA.

Tracy Turner received first place in Newspaper Feature for a story appearing in *The Prairie* about WT students who live at the Canyon fire station.

Bryan Guess took first place in Newspaper Feature Photo for a picture appearing in *The Prairie* of WT Head Football Coach Ron Stelle dressed in drag.

"I think it was nice to get the two first-place awards because this was a tough competition," said Dave Wohlfarth, an instructor of journalism and adviser to *The Prairie*, WT's student newspaper. "There are 69 schools in TIPA now... so there's a lot of competition for these awards."

The TIPA awards come on the heels of awards for WT and AC from the Rocky Mountain Collegiate Media Association last month.

"It's kind of interesting on awards because we submitted some of the same material to the Rocky Mountain group and in some cases the same stories or things won and in other cases they didn't," Wohlfarth said. "You just never know."

WIL BURLIN

Did You Know?

Food Allergies Can Make Your Head Spin!

A change of diet might be all that is needed to provide relief to some people who suffer from persistent vertigo, tinnitus (ringing in the ears) and hearing loss due to Meniere's disease, an inner ear disorder.

If you have been diagnosed with Meniere's disease, and suffer from allergic reactions such as a stuffy nose, itching eyes, and skin rashes with seasonal changes, you may have noticed that the symptoms of the disease have also increased at these times.

A medical study showed that in some cases, allergies brought on attacks of Meniere's disease. Tests showed that many patients had allergic reactions to pollen and dust, or to foods such as chocolate or coffee. They also reacted to certain "hidden" ingredients such as wheat, corn, egg, yeast, milk and soy found in processed foods. The number of Meniere's disease attacks was greatly reduced in most cases, after the underlying problems of allergies were treated with shots, or by an elimination/rotation diet.

If you have reacted positively to food testing, you may be able to relieve the symptoms of Meniere's by watching what you eat. Develop an understanding of the food families, avoid suspect foods and read the labels on food products.

For brochures write to "Allergies," House Ear Institute, 2100 W. Third Street, Los Angeles, CA 90057.

Host Families Needed

Foreign high school students will be arriving soon into the Clarendon area for homestays, and the sponsoring organization urgently needs a few more local host families for their upcoming academic programs.

According to Pacific Intercultural Exchange (P.I.E.), Executive Director, John Doty, the students are all between the ages of 15 and 18 years, have their own money, are fully insured and are anxious to share their cultural experiences with their new American families. P.I.E. currently has programs to match almost every family's needs, ranging in length from a semester to a full academic year, where the students attend local high schools. P.I.E. representatives match students with host families by finding common interests and lifestyles through an informal in-home meeting. Prospective host families are able to review student applications and select the "perfect match". As there are no "typical" host families, P.I.E. can fit a student into just about any situation, whether it be a single parent, a childless couple, a retired couple or a large family.

Families who host for P.I.E. are also eligible to claim a \$50.00 per month charitable contribution deduction on their itemized tax returns for each month they host a sponsored student.

For the upcoming programs, P.I.E. has students from Spain, Germany, Poland, Russia, Italy, Argentina, Brazil, Columbia, Australia, New Zealand, France and many other countries. P.I.E. is a non-profit educational organization that has sponsored more than 18,000 students from 18 countries since its founding in 1975.

Clarendon area families interested in learning more about students exchange or arranging for a meeting may call P.I.E., toll-free, 1-800-245-6232. The agency also has travel/study program opportunities available for American high school students as well as possibilities for community volunteers to assist and work area host families, students and schools.

Property Tax Protest and Appeal Procedures

The law gives property owners the right to protest actions concerning their property tax appraisals. You may follow these procedures if you have a concern about:

- *the value placed on your property;
- *exemptions that may apply to you;
- *cancellation of agricultural appraisal;
- *whether your property is taxable;
- *which local governments should be taxing your property; or
- *you think the appraisal district has done something else that adversely affected you.

Your Appraisal District staff urges you to review the value records of your property at any time prior to the day of the Appraisal Review Board Hearings tentatively set for July 9, 1993, in the Donley County Courthouse Annex. Some protests result from errors or misconceptions which we are pleased to correct.

Review by the Appraisal Review Board: If you can't resolve your problem informally with the appraisal district staff, you may have your case heard by the appraisal review board.

The appraisal review board (ARB) is an independent board of citizens that reviews problems with appraisals and other concerns listed above. It has the power to order the appraisal district to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You'll receive written notification of the time, date, and place of the hearing. The hearing will be informal. You and the appraisal district representative will be asked to present evidence about your case. The ARB will make its decision based on the evidence presented. You can get a copy of a protest form from the appraisal district office at the Donley County Courthouse Annex, P.O. Box 1220, Clarendon 79226; phone 806-874-2744.

Note: You shouldn't try to contact ARB members outside of the hearing. The law requires ARB members to sign an affidavit saying that they haven't talked about your case before the ARB hears it.

Review by the District Court: After it decides your case, the ARB must send you a copy of its order by certified mail. If you're not satisfied with the decision you have the right to appeal to district court. If you choose to go to court, you must start the process by filing a petition within 45 days of the date you receive the ARB's order. If the appraisal district has appraised you property at \$1,000,000 or more, you must file a notice of appeal with the chief appraiser within 15 days of the date you receive the ARB's order.

More information: You can get more information by contacting your appraisal district at the Donley County Courthouse Annex, P.O. Box 1220, Clarendon 79226; phone 806-874-2744. You can also get a pamphlet describing how to prepare a protest from the appraisal district or from the State Comptroller's Property Tax Division at 4301 Westbank Dr. Bldg. B, Suite 100, Austin, TX 78746.

DEADLINE FOR FILING PROTESTS WITH THE ARB

Usual Deadline: On or before May 31 (or 30 days after a notice of appraised value was mailed to you, whichever is later).

Late protests are allowed if you miss the usual deadline for good cause. Good cause is some reason beyond your control, like a medical emergency. The ARB decides whether you have good cause.

Late protests are due the day before the appraisal review board approves records for the year. Contact your appraisal district for more information.

Special Deadlines: For change of use (the appraisal district informed you that you are losing agricultural appraisal because you changed the use of your land), the deadline is before the 30th day after the notice of determination was mailed to you.

For ARB changes (the ARB has informed you of a change that increases your tax liability and the change didn't result from a protest you filed), the deadline is before the 30th day after the notice of determination was mailed to you.

If the assessor discovers taxable property that was not taxed in prior years mandated by law, the assessor shall appraise the property and send notice of its appraised value each year to be taxed. The owner has 30 days after the notice to file protest with the appraisal review board.

If you believe the appraisal district or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually Feb. 1). The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

*The deadline is postponed to the next business day if it falls on a weekend or holiday.

Howardwick Lions Club

by Jaunita Meador

Howardwick Lions Club held its regular meeting Saturday, May 8, 1993 at 6:00 p.m. After the opening ceremonies, fourteen members, sweetheart and seven

guests enjoyed a delicious meal prepared by the members. Boss Lion Cherry called the meeting to order and thanked the Howardwick Lions for all the work and help they do for each other and for all the good food. Boss Lion Cherry welcomed the first sweetheart (the apple of our eye) Debbie Hamilton and the present (pretty special to us also) Haley Hamilton and our guests, District Governor Rick Garrett and wife Carol; Brian McPherson

and wife Cheryl; Max and Winona Hennigh. Boss Lion Cherry turned the meeting over to District Governor who installed the new officers for the 1993-94. Gennelee Cherry, President; Trudy Davis, Vice President; Freland Davis, Secretary/Treasurer; Goldie Barbee, Tail Twister; Bill Meador, Lion Tamer; John McCauley, and the Sweetheart, Haley Hamilton. Haley Hamilton reported on the Queen Contest.

Lion Lee Jackson gave a report on the Necrology Service held April 24, 1993, at the District 2-T1 Convention in Amarillo. Lion Trudy Davis will present the program for young diabetics and their parents that dreams can come true at Texas Lions Camp this spring/summer in Kerrville, Texas at our next meeting.

Boss Lion Cherry wished Lion Lela Norton Happy Birthday and Happy Anniversary to Lions D.W. and Lucille Swain.

Boss Lion Cherry stated Lions D.W. and Lucille Swain will set up for June, she will set up for July and Lions Bill and Nita Meador will set up for August.

Boss Lion Cherry thanked Amarillo Centennial Lions for donating five cherry trees to Howardwick. They were planted by District Governor Rick Garrett, Brian McPherson, B.J. Hamilton and Max Hennigh all on the memory of Past District Governor Lynn Cherry.

Boss Lion Cherry invited District Governor Rick Garrett to speak. He gave a review of his year in office encouraged all clubs to work on getting new members and what lionism means to him, he encouraged clubs to visit other clubs.

Boss Lion Cherry invited Brian McPherson to speak. He spoke briefly on the environmental condition that will affect our children and their children. He hopes to plant more trees and has a long range plan for the future.

Boss Lion Cherry adjourned the meeting with this thought "I've learned that a fulfilled life is not possible without friends and love".

Yesterday's Children Fund-Raisers Begin

The commemorative coins minted for Yesterday's Children have arrived and may now be picked up at the time of purchase. Each coin measures 1 9/16 inches in diameter and contains one troy ounce of fine silver (which is more pure than sterling).

On one side of the coin is the logo of Thunder Junction, the proposed Western theme park to be located near Greenbelt Lake.

The price of the coin is \$35 each or \$33 each for three or more. Each coin comes with a letter of certification entitling the original owner to one free day in the park per year, for life, after it opens.

Yesterday's Children is also selling chances on an original oil painting and a handmade "Star"

quilt, both to be given away during the 4th of July celebration. The painting and quilt may be seen at First Bank and Trust from May 10-21 and at other places of business as permitted.

Price of each raffle ticket is \$1 or six tickets for \$5. Coins and tickets can be purchased at the Yesterday's Children office, 318 S. Kearney. For more information, call Dortha McNutt, VISTA volunteer (Volunteers in Service to America), at 874-3429.

All proceeds go to Yesterday's Children who are striving to develop a permanent source of funding through Thunder Junction to aid the senior citizens of the Texas Panhandle.

COOK WANTED

APPLY AT THE HEDLEY SENIOR CITIZENS CENTER

8 A.M. TO 2 P.M.

Public Notice

On April 16, 1993, Southwestern Bell Telephone Company (SWBT) filed an application with the Public Utility Commission of Texas (Commission) for approval of a new optional service, Network Subscriber Information Interface (NSII). NSII is a new service feature developed primarily for the provision of Voice Messaging Service (VMS). It will give a VMS provider (as SWBT's customer) the ability to receive originating call information from SWBT's central office and to activate and deactivate a Message Waiting Indicator (MWI) on the line of the VMS provider's patron. NSII also gives the VMS provider the ability to activate and deactivate an intermittent dial tone on a patron's line in multiple offices. The VMS provider will be able to perform these functions in multiple offices through a connection to a single Message Node office. The Message Node will be a predesignated central office and will interconnect with all central offices within the Message Node Service Area. Upon approval of this application, NSII will be available to customers where facilities are available. Available facilities are not currently deployed statewide. The proposed effective date of this service is June 20, 1993.

SWBT estimates these new services will increase its annual revenues during the first year by approximately \$2.4 million. VMS providers and Telephone Answering Services and their subscribers are the types of customers likely to be affected by approval of these services.

The proposed recurring monthly rate and nonrecurring installation charge is as follows:

Rate Element	Recurring	Nonrecurring
NSII	\$6,000.00	\$2,000.00

Persons who wish to comment on this application should notify the Commission by June 10, 1993. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at 512-458-0256, or 512-458-0221 teletypewriter for the deaf.

Breast Screening Set

On Friday, June 4, 1993, from 10:00 a.m. to 2:30 p.m., The Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital Mobile Mammography Unit will be in Hedley at the Lions Club. Exams are done by appointments only. For information or to schedule an appointment call 1-800-377-HOPE (4673 or (806) 359-4673.

The total cost of the screening is \$70.00. This includes the x-ray, physical breast exam, and the radiology fee for reading the mammogram. Funding has been provided by the Texas Department of Health to allow for free breast screening for women who qualify.

The major goal of the clinic is the early detection of breast cancer. The clinic provides low cost screening which includes a breast

exam by a registered nurse trained in breast cancer detection, teaching of breast self examination, and a mammogram. Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done by following the guidelines recommended by the American Cancer Society for breast cancer screening for women who have no signs or symptoms of breast cancer. The guidelines are: 1. Learn and perform breast self examination every month. 2. Have a physical examination every year. 3. Have a mammogram according to recommendations by age: 35 to 39-One baseline mammogram. 40 to 49-A mammogram every 1 to 2 years. 50 and over-Yearly mammograms.

PUBLIC MEETING

PURPOSE: For the discussion of Transportation Improvement Plans for the fiscal year 1994 in the following counties: Briscoe, Collingsworth, Donley, Hall and Wheeler.

DATE: Tuesday, May 25, 1993

TIME: 10:00 a.m.

PLACE: First Bank & Trust 301 Main, Clarendon, Texas

All interested parties are encouraged to attend.

OBSERVE THE WARNING SIGNS.

If you have chest pain lasting two minutes or more, see a doctor.

American Heart Association

Why Is Opening Bob's Electric Bill Like Having A Party?

ANSWER: Because every month Bob celebrates the savings on his WTU bill from being a Good Cents homeowner.

A Good Cents home is designed and built to keep your family comfortable and use less energy. That means lower monthly energy bills.

WTU works closely with area builders to ensure Good Cents homes are built with energy-saving construction techniques, materials and equipment like the year round electric heat pump.

To find out more details about buying or building a Good Cents home in your area, ask your local builder or call WTU.

Because saving energy...makes Good Cents.

Thank You

We would like to thank everyone for the cards, flowers, food, memorials, visits and for everyone that visited and asked about Guy. Your thoughtfulness and kindness will always be appreciated.

The family of Guy Putman

Thank You,

A big thank you to the Burrow family! It is a pleasure to work with a family that works together. They took on the enormous task of putting in a yard for us. We have never experienced such cooperation and willingness. Our community is blessed to have a family of optimum attributes and want to share our gratitude.
