Some of the activities planned are contests, a book swap and readings by UIL participants. For the contests, the children are encouraged to bring posters of puppets they have made of their favorite books and to dress up like their favorite character from a book. You may also prepare a skit or puppet show as a group to perform during the Reading Rally. Every child who brings a book from home may trade it for a different one in the book swap. So plan now for a fun afternoon. See you there.

NATURE FOOLED THE FRUIT TREES this year, with pretty, balmy weather for several weeks. No one knows what is in store in March, however. Clarendon could have continued pretty weather, blizzards, thunderstorms, hail or just about anything. Only time will tell. This tree belongs to Bud Lovelady, just south of the Courthouse.

Texas Open Meetings Law Reprinted

Editor's Note:

The editor asks every citizen in the area to carefully read the law that is printed below.

There has been considerable controversy recently about the legal requirements for meetings. Here are the rules that govern such meetings. They apply to the county, the three cities in the county, the two school districts, the college board and hospital board.

Every citizen and every elected official has the obligation to see that these laws are observed both in letter and in spirit. Smoke-filled rooms and evasive maneuvering foster suspicion and distrust. Democracy—like our native blue grama grass—thrives best in fresh air and bright sun.

Open Meeting Law

Art. 6252-17. Prohibition on governmental bodies from holding meetings which are closed to public.

Definitions

Section 1. As used in this Act: (a) "Meeting" means any deliberation between a quorum of members of a governmental body or between a quorum of members of a governmental body and any other person, at which any public business or public policy over which the governmental body has supervision or control is discussed or considered, or at which any formal action is taken. It shall not be construed that the intent of this definition is to prohibit the gathering of members of the governmental body in numbers of a quorum or more for social functions unrelated to the public business which is conducted by the body or for attendance of regional, state, or national conventions or workshops, as long as no formal action is taken and any discussion of public business is incidental to the functions, conventions, or workshops.

"Deliberation" means a verbal exchange during a meeting between a quorum of members of a governmental body, or between a quorum of members of a governmental body and any other person, concerning any issue within the jurisdiction of the governmental body of any public business.

(c) "Governmental body" means any board, commission, department, committee, or agency within the executive or legislative department of the state, which is under the direction of one or more elected or appointed members; and every Commissioners Court and city council in the state, and every deliberative body having rulemaking or quasi-judicial power and classified as a department, agency, or political subdivision of a county or city; and the board of trustees of every school district, and every county board of school trustees and county board of education; and the governing board of every special district heretofore or hereafter created by law.

"Quorum" unless otherwise defined by constitution, charter or law applicable to such governing body, means a majority of the governing body.

Application of act

Sec. 2 (a) Except as otherwise provided in this Act or specifically permitted in the Constitution, every regular, special, or called meeting or session of every governmental body shall be open to the public; and no closed or executive meeting or session of any governmental body for any of the purposes for which closed or executive meetings or sessions are hereinafter authorized shall be held unless a quorum of the governmental body has first been convened in open meeting or session for which notice has been given as hereinafter provided and during which open meeting or session the presiding officer has publicly announced that a closed or executive meeting or session will be held and identified the section or sections under this Act authorizing the holding of such closed or executive session.

(b) In this Act, the Legislature is exercising its rule-making powers to prohibit secret meetings of the

Legislature, its committees, or any other bodies associated with the Legislature, except as otherwise specifically permitted by the Constitution.

(c) A governmental body may exclude any witness or witnesses from a hearing during examination of another witness in the matter being investigated.

(d) Nothing in the Act shall be construed to affect the deliberation of grand juries.

(e) Private consultations between a governmental body and its attorney are not permitted except in those instances in which the body seeks the attorney's advice with respect to pending or contemplated litigation, settlement of offers, and matters where the duty of a public body's counsel to his client, pursuant to the Code of Professional Responsibility of the State Bar of Texas, clearly conflicts with this Act.

(f) The public may be excluded from the portion of a meeting during which a discussion is had with respect to the purchase, exchange, lease, or value of real property, negotiated contracts for prospective gifts or donations to the state or the governmental body, when such discussion would have a detrimental effect on the negotiating position of the governmental body, as between such body and a third person, firm or corporation.

(g) Nothing in this Act shall be construed to require governmental bodies to hold meetings open to the public in cases involving the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee or to hear complaints or charges against such officer or employee, unless such officer or employee requests a public hearing.

(h) Nothing in this Act shall be construed to require school boards to hold meetings open to the public in cases involving discipline of public school children, unless an open hearing is requested in writing by a parent or guardian of the child.

(i) All or any part of the proceedings in any public meeting of any governmental body as defined hereinabove may be recorded by any person in attendance by means of tape recorder, video camera, or any other means of sonic or visual reproduction. The governmental body may adopt reasonable rules to maintain order at the meeting place. These rules may include, but shall not be limited to, a determination of the location of such equipment and the manner in which the recording is conducted; provided, however, that the rules do not have the effect of preventing or unreasonably impairing camera coverage or tape recording.

(j) Nothing in the Act shall be construed to require governing bodies to deliberate in open meetings regarding the deployment, or specific occasions for implementations, of security personnel or devices.

(k) Nothing in the Act shall be construed to require governing bodies to deliberate in open meetings regarding the deployment, or specific occasions for implementations, of security personnel or devices.

(l) Whenever any deliberations or any portions of a meeting are closed to the public as permitted by this Act, no final action, decision, or vote with regard to any matter considered in the closed meeting shall be made except in a meeting which is open to the public and in compliance with the requirements of Section 3A of this Act.

(m) Nothing in the Act shall be construed to require school boards operating under consultation agreements provided for by Section 13.901 of the Texas Education Code to deliberate in open meetings regarding the standards, guidelines, terms or conditions it will follow or instruct its representatives to follow, in consultation with representatives of employee groups.

(n) Nothing in the Act shall be construed to require an agency wholly financed by Federal funds to deliberate in open meetings.

(p) Nothing in the Act shall be construed to require that interviews or counseling sessions be-

tween the members of the Board of Pardons and Paroles and inmates of any facility of the Texas Department of Corrections be open to the public.

(q) The requirements of the Act shall not apply to a meeting of the State Board of Insurance in the discharge of responsibilities to regulate and maintain the solvency of those persons over which the agency has regulatory authority. In this regard, the State Board of Insurance may meet in closed meeting with any of its staff and/or the regulated persons or representatives of the regulated person to deliberate and determine appropriate action to be taken with respect to the person's solvency.

(r) Nothing in the Act shall be construed to require a quorum of the members of a governmental body to confer with an employee or employees of the governmental body in an open meeting where such conference is for the sole purpose of receiving information from the employee or employees or to ask questions of the employee or employees; provided, however, that no discussion of public business or agency policy that affects public business shall take place between the members of the governmental body during the conference.

IT'S JUST LIKE A DIAMOND.

You know it's an imitation. But what about the many people today who have decided they are just like a banker? From stockbrokers to retailers, from credit unions to insurance men, to savings and loans, they all seem to be saying, "You don't need a banker, we'll do just as well." Oh, no they won't. Because no one else has the banker's hundreds of years of banking experience behind them. Nor do they enjoy the kind of trust that bankers do from the majority of Americans. So why settle for an imitation when you can have a real banker at our Full Service Bank?
THE ONLY PLACE YOU'LL FIND A BANKER IS THE BANK.

THE THROCKMORTON CAST - (l to r) Mykala Hall of Shamrock, Tx, Shawn Jetter of Artesia NM, Billy Lefeire of Roaring Springs, Tx, Nikkie Maxwell of Edgewood, NM, Connie Sims of Childress, Texas.

College Presents Play

The Theater Department of Clarendon College is proud to present its Spring Theatre production on March 7, 8, and 9. "Throckmorton, Texas 76083" is a wonderfully funny and warmhearted adult comedy about the local characters of a small Texas town. The first play, *The Whiz Bang Cafe*, is set at a truck stop in Throckmorton, Texas. The cast consists of: Mykala Hall, (Shamrock, Texas), Shawn Jeter, (Childress, Texas), Billy Lefeire (Roaring Springs, Texas), and Nikkie Maxwell (Edgewood, NM).

A run down hotel is the setting for the second adult play called *The E.Z. Snooze Hotel*. This cast consists of: Trey Cumming (Amarillo, Texas), Jill McLain (Hart, Texas), Scott Wilbourn (Archer City, Texas), Cody Camilli (Felt, OK), and Caralea Riddlespurge (Dumas, Texas).

"Throckmorton, Tx 76083", was written by Barry Corbin and will be directed by Leslie Schnauffer, chairman of the Fine Arts Center of Clarendon College. This is an adult comedy farce that western people can relate to. Everyone in this area can relate to living in or close to a small cow-town, and dealing with the local colorful residents.

This will be a new type of theatre for Clarendon College. The Saturday night 7:00 p.m. performance and Sunday afternoon 2:00 p.m. performance will be in the new Bairfield Activity Center. Between the acts, dessert will be served to the audience members. Tickets for the dessert theatre will be \$5.00. Call early for reservations at (806)874-3571, Fine Arts Center. Limited seating for Saturday and Sunday performances.

On Monday, March 9 at 7:00 p.m., the production will be presented in the Harned Sisters Fine Arts Center. Tickets can be purchased at the door for \$3.00.

Program Receives Grant

Clarendon College's Licensed Vocational Nursing program has received one of ten incentive grants from the Texas Higher Education Coordinating Board.

Carole Ward, Director of the LVN Program, received a letter of congratulations about the money this week from THECB.

The funds will be used to provide time management software for the students at facilities in Shamrock, Childress, and Clarendon.

The nursing students at these locations are usually mature women caught in the juggling acts of school demands, family responsibilities and employment. Workshops to teach these skills available in larger communities are not accessible to Clarendon's LVN students, so making the computer and video programs available will bring the information to them.

Clarendon College entered the competition for this grant in order to maximize student use of computers purchased with another grant, the Carl D. Perkins Vocational Act, and placed in the Shamrock and Childress facilities this year. THECB made the nursing incentive award to Clarendon College in part because of the creative combination to make the best use of tax dollars by the College.

Through the information in the skills-building software instruction, students will be able to balance the many demands on their time, better. With better time use they will be better equipped to complete their studies and prepare for state examination. The lessons will also be useful to them in their work life after graduation.

Association Gives Endowment

The Ranch and Feedlot Operations program at Clarendon College has been named recipient of a \$5,292.00 scholarship endowment from the Panhandle Livestock Association. At its annual meeting held February 22nd in Amarillo, a silent auction organized by Kris and Walt Lasley of Stratford, provided the bulk of the funding for the endowment. The first scholarship will be awarded during the 1992-93 college year.

Over 200 persons attended the association's 77th anniversary gathering. The group, which is emphasizing the importance of the young rancher, added 29 new members to its ranks. Officers re-elected for the coming year are: President, Nancy McIntyre, Spearman; Vice President, Earl Wheatley, Hedley; and Secretary-Treasurer, Stacy Stephenson, Amarillo.

Contributions and memorials to the Clarendon College Ranch and Feedlot Operations Scholarship fund may be sent to: Panhandle Livestock Association Scholarship Fund, Box 1553, Amarillo, Texas 791-5-1553. For additional information, please contact: Nancy McIntyre, Spearman (806)659-2083.

Estrous Synchronization Pays For Cattle Ranchers

by Tim Trimble
Estrous synchronization pays dividends for cattle herds, ac-

ording to a beef cattle specialist with the Texas Agricultural Extension Service.

In a four-year study in Central Texas, cattle were artificially inseminated following estrous synchronization with Syncromate B, said Dr. L. R. Sprott.

This practice actually gave cattle ranchers a 2-to-1 return over the cost of estrous synchronization at today's cattle prices, Sprott said.

Cows were implanted eleven days prior to the start of breeding and mass mated by artificial insemination forty-eight hours after the implant was removed, he said.

Conception during synchrony ranged from 20 percent to 54 percent, averaging 36 percent. The conception rate from one breeding, whether it is artificial insemination or with a bull, averages 50 percent. However, poor semen, disease or improper nutrition can lower breeding averages. Additionally, in pasture conditions, a bull may breed a cow more than once and the probability of pregnancy increases.

"Even though the average conception from synchrony was quite low, the synchronization still paid," he said.

The synchronized breeding resulted in 158 calves from 440 matings.

"These calves were conceived at an average of 26 days earlier than any other calf," he said.

Because these calves were conceived at the time of synchrony, the additional weight is attributed to the practices. Calves typically gain 1.8 pounds or more per day from birth to weaning, he said.

At that rate of gain, and due to their 26-day age advantage, the offspring from synchrony were about 47 pounds heavier per head at weaning than any of their herdmates. As a result, the calves contributed an additional 7,394 pounds of calf to the four herds.

From 440 attempts, there were an additional 16.8 pounds of calf per artificially inseminated mating.

"At today's prices, 16.8 pounds of calf translates into approximately \$15.50 per mating. In this particular study, the cost of estrous synchronization would still be covered even if calf prices were as low as 47 cents per pound," he said.

Proclamation

Thousands of older Texans offer employers the experience and wisdom of a lifetime of hard work and dedication. Our mature population is both willing and able to put that knowledge and expertise to work for the benefit of our great state.

Texas is proud of the contributions made by our mature workers in today's society and we must maintain and strengthen this valuable resource in our labor force of the future.

For over twenty-five years, the Senior Community Service Employment Programs, through organizations such as Texas Farmers Union Green Thumb, have provided older workers the opportunity to apply their lifelong skills and abilities in local community projects while receiving marketable training for employment transition into the private sector.

Therefore, I, Murrell Whitaker, Mayor of Hedley, DO HEREBY PROCLAIM THE WEEK OF MARCH 8-14, 1992, AS OLDER WORKER WEEK IN DONLEY COUNTY.

Invest in Experience -- Hire an Older Texan!

Green Thumb Workers Honored

"To meet the economic and social challenges of the future, Texas must conserve and nurture one of our most important resources -- the older worker," concludes Joe Rankin, President, Texas Farmers Union. For over twenty-five years, the Green Thumb program, sponsored by the Union, and funded through the Department of Labor, has provided meaningful community service employment and training for over 1,000 senior Texans.

Operating primarily in the rural areas of 119 Texas counties, Green Thumb has given older job-seekers the opportunity of sharing their years of experience, hard work, and dedication in local community projects. Green Thumb's emphasis upon training has allowed program participants to transition back into private sector employment.

"During Older Worker Week, March 8 through March 14, let us recognize and highlight the work force contributions of our seniors while we strengthen our commitment to assuring that we invest in their talents and resourcefulness as productive partners in tomorrow's future," emphasized Mr. Rankin.

The Texas Green Thumb program encourages employers to consider utilizing the skills and abilities of seniors for their job openings not only during Older Worker Week but every other week. Hiring experience, dependability, reliability, and dedication is good business!

Contact the Green Thumb state office at P.O. Box 7898, Waco, Texas 76714, 817/776-4081, for information regarding senior employment and training opportunities.

Local Green Thumb workers in the City of Hedley are Flora Sanders, and Edgel Tisdale and at the Hedley Senior Citizens Center are Rachel Adams and Mildred Fontenot.
