Clarendon Little Theater to Open

Clarendon's newest addition to its growing list of cultural and tourist attractions will open this Saturday, June 27.

The inaugural act, appropriately, will be the local music combo called **Backwoods**.

The theater venue is located upstairs at 3rd and Kearney, atop JAMZ, and will accommodate an audience up to 100 person.

Following the opening concert, the location will present additional programs while completing the decoration and fine-tuning of the space for the fall season.

Meanwhile it is hoped a **Little Theater Group** will organize. And toward that achievement, the following formula is offered as a starting option.

One: Drop-by and get-acquainted meetings of interested persons may be held in the theater on Thursday evenings between 6:30 and 8:00 on the dates of July the 23rd and 30th, and August 6. (Announcements will be posted in *The Clarendon News*).

Two: Ballots may be distributed at each meeting for the purpose of nominating five directors for the General Theater and five directors for the Children's Theater.

Three: At the August 6th meeting, the ballots may be tabulated and the ten (5 & 5) directors seated. Subsequently, the directors will elect a president.

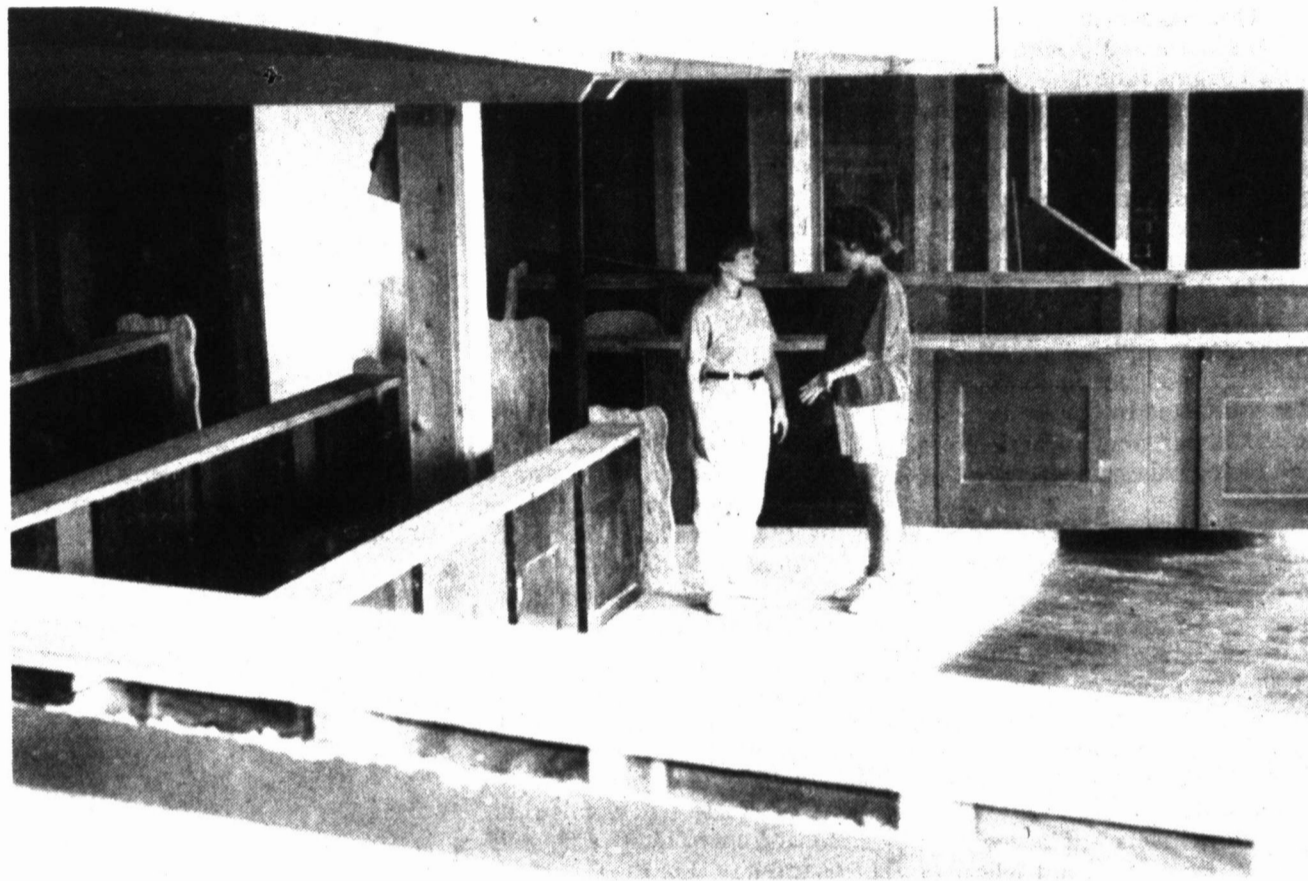

Four: Directors of the General Theater and the Children's Theater may retire to their respective groups and select a director or co-director, along with a treasurer, and so forth; and then set their goals and by-laws.

Five: The two directors receiving the most votes in each category may serve two years, and the remaining three, one year.

The Little Theater venue and calendar will be managed by Debbie Howard, who expects to extend equal courtesies to all groups, and assist the location in becoming a truly community events center.

To date, interested persons from the college, school system, churches and business community have made the following suggestions for wholesome programming: Melodrama, Children's productions, Seasonal events, Cowboy poets, Cowboy comedy, Gospel singers and other Vocal groups, Festival of plays, Week-end plays, Oral interpretation, Talent try-outs, Repeat of special performances of the churches of any group, Practice for U.I.L., Music concerts, Recital space for private teacher, Lecture type study groups (book-club, art lessons), Conferences; and others. (The community's ideas would be appreciated)

For its opening act, The Little Theater Venue is grateful to the music group, **Backwoods**. Members who will be appearing are Jimmy Adams on Fiddle, Bud White on Lead Guitar, Wesley Thomas on Mandolin, Jerry Chambliss on Rhythm Guitar, along with special guests.

LITTLE THEATRE COMING. Debbie Howard, right, shows a guest the progress on facilities for Clarendon's new theater. The theater will be available for concerts, plays, seminars and other events. The new mini-auditorium is located above JAMZ. It has an audience capacity of about 100.

Holiday Safety Urged

The 4th of July is one of the most highly celebrated of all holidays throughout the United States, and rightly so. This occasion should be remembered and should be celebrated, because of the rights and the freedoms that each of us possess.

We are also reminded this time each year that far too many will not have much to celebrate about in this great State of Texas. Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety, states, "At least 50% of all traffic deaths are alcohol related and during this holiday many people will celebrate by consuming alcoholic beverages. We urge those that drink to plan their celebrations and to always have a sober driver behind the wheel of their automobiles, if the automobiles must be used. For everyone to remember, if you drink, don't drive -- if you drive, don't drink. Become a responsible person, if you are going to drink, help us protect you, as well as the other people, on our state streets and highways."

Girl Scout Water Fun Set

Girl scouts are reminded to register for the July Water Fun Event at Bitter Creek July 16-17.

For all Daisies and Brownies the event will include hiking, cooking out, songs, games, and try-it activities. The hours will be 9:30 a.m. until dark on the 17th. The fee will be \$6.00.

For all Junior, Cadettes, and Seniors the event will include hiking, canoeing, camping out, cooking out, songs, games, and badge work. The hours will be 6:00 p.m. on the 16th until dark on the 17th. The fee will be \$9.00.

A picnic supper, flag disposal ceremony and camp fire will begin at 6:00 p.m. on the 17th. All parents and families are invited to come join us. Bring your sack lunch and a sack lunch for your daughter.

Contact Denise Bertrand to register and for supplies list.

Museum Party Set

Everybody is invited to visit Saint's Roost Museum during our annual membership drive. Admission and entertainment is free for all. We could not get Garth Brooks but we did get Cowboy Singer and Poet Buck Ramsey to entertain you. Cake and ice cream will be served, wagon rides will be available and a game of Water Polo will be played for your entertainment. We hope to have our new air conditioning system in operation that day and are looking forward to a large crowd of faithful supporters to join us once again to help maintain a worthwhile facility that we are so proud of. Remember the time and date, Sunday July 5th from 2 to 5 in the afternoon. We will be looking for you.

DAIRY QUEEN MANAGER - Mitchie Fuston presents checks in the amount of \$614.00 to the Clarendon Merchants Association and one for \$150.00 to the Donley County Museum, for their endorsement of the Children's Miracle Telethon Network during their recent campaign. The local Dairy Queen sold 1,528 Country Baskets and received fifty cents per basket. Pictured from left to right are Terri Floyd, Bill Stavenhagen, Virginia Patten, Mitchie Fuston, Paul Bivens and Wes Henson.

Clarendon To Be Featured

For persons who missed the "Perspective" sequence featuring Donley County on KACV, there will be another chance. Kathy Teague aired the program earlier.

Mrs. Ledbetter has graciously agreed to show the tape for those who want to view it. It will be shown on the Christian Broadcasting local Cable Channel 8 on June 28, Sunday after noon at 5:30. The second showing will be on Tuesday, June 30 at 7:00 p.m.

Protect Cotton From Thrips

By Tim Trimble, County Extension Agent-Ag.

Much of the cotton in Donley County has or is just now emerging, which means that the cotton crop is already three to four weeks behind schedule. With this in mind, producers have to be on the look out for anything that might cause additional stress and delay to the crop. One of the first insects that will be encountered (already in many fields) is thrips.

Thrips damage is for the most part under rated by producers in the area. These tiny insects suck the plant juices from cotton resulting in the reduction of vigor and in severe cases, may cause stand losses and yield reduction. One of the biggest benefits that might be derived from protection from thrips damage is, in getting the crop off to a good start. This will not only help with earliness, but will minimize the impact of wind and

sand damage. This will be particularly important this year since we are already behind.

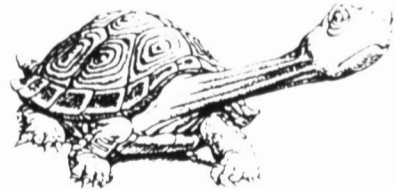

Prevention of thrips with systemic insecticides is thought to be the best treatments. But, over the top insecticides can also be used at economical prices. Producers that used soil applied systemic insecticides should keep in mind that the heavy rains may have leached the insecticide below the root zone, or the insecticide may have broken down by now which would mean that no control would be achieved. At any rate, all fields should be checked closely and cotton, with no old leaves, should be treated when one thrip per plant is found. Once plants start putting on healthy leaves, the treatment level should be elevated to two or more thrips per plant.

As of last week much of the cotton in the two to four leaf stage was showing signs of thrips damage. Cotton that was just emerging and in the cotyledon stage had not been infested much, but by this week infestation could be expected.

Turtle Race Scheduled

Donley County will maintain a long tradition Friday, July 3, when children race their turtles in a classic reptile derby. The race, sponsored by Henson's, is open to children from anywhere with any native tortoise; (water turtles are not eligible).

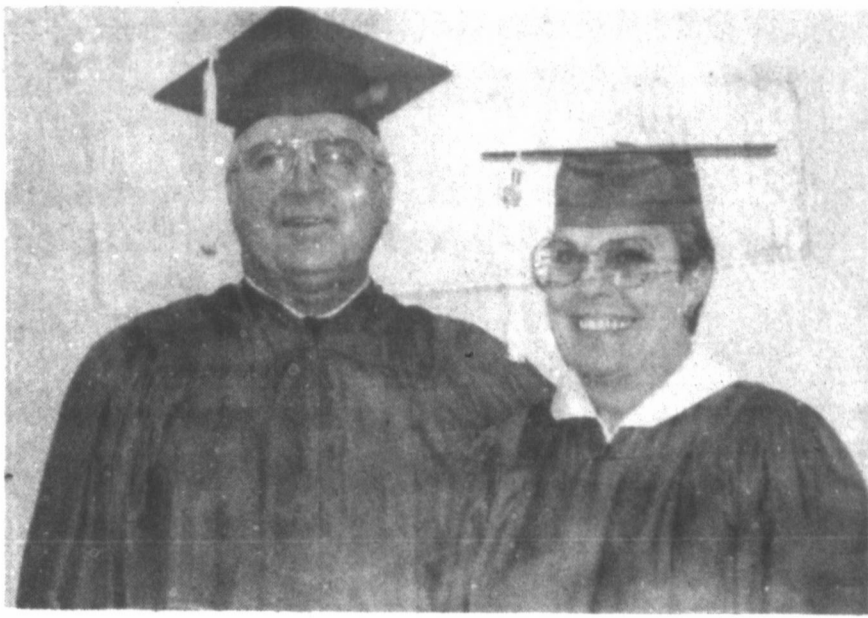

Children will be divided into age groups. Children between ages zero to five will race in a novice category. Children between six and nine years of age will be in an intermediate group. And the "old pros" will be between ages 10 to 14.

The race is set for 3:00 p.m., but participants will want to be a few minutes early for registration and pre-race visiting. Spectators are welcome at the annual event.

For further information contact the folks at Henson's.

You Are Invited

Alpha Upsilon Epsilon would like to invite you to the 1992 Miss Donley County Pageant, at 6:00 Saturday the 27, at the Harned Sisters Auditorium. Tickets at the door are \$2.00 for adults and children, with their parents, 12 and under get in free. Everyone is welcome to out and enjoy the evening.

JAMES AND SHERRIE MARTINDALE

Martindales Graduate

Former Howardwick residents James and Sherrie Martindale graduated from the Seminary Extension Center of the Amarillo Baptist Association of Amarillo, Texas on June 5, 1992.

James became pastor of the First Baptist Church of Howardwick in January 1985, and served until February 1989. He moved to Adrian, Texas where he

continues to serve as Pastor of the First Baptist Church.

The Martindales are the parents of local residents, Leitha Watson and Gib James Martindale.

Vorheis Receives Grant

Texas Tech University junior Jonathon Vorheis is one of six U.S. college students to receive grants to attend a summer program sponsored by the National Science Foundation at Cornell University in Ithaca, N.Y.

Vorheis, an agricultural engineering major and native of Clarendon, will attend the 10-week Agricultural and biological Engineering Research Experiences for Undergraduates Program in Biogradation and Bioremediation, which begins June 8.

Grants for the program are awarded based on an applicant's scholarly work, previous research, a written essay and faculty recommendations. Each grant includes a \$3,000 stipend and travel reimbursement.

The program is available to sophomores and juniors who are majoring in science or engineering. It is conducted by faculty members of the department of agricultural and biological engineering at Cornell.

The 40-hour-a-week session will be devoted to six topics relating to research on aerobic biogradation of organic waste and bioremediation of contaminated soils. The topics require an understanding of mass and energy transport, microbiology and the process of theoretical and experimental synthesis.

Participants will be required to write a final report and deliver an oral presentation on their research experience.

BRAD BRADDOCK AND STEPHANIE MILLER

Engagement Announced

Mr. and Mrs. Wayne Miller of Childress announce the engagement of their daughter Stephanie Gayle to Bradley L. Braddock son of Jim Braddock of Pampa and Mar Cole of Clarendon. The couple will exchange vows on August 7th at 7:00 p.m. at The Wedding Chapel on 45th and Coulter in Amarillo. She will be receiving her bachelor of Science in Elementary Education in August. He attended TSTI and is now employed at Morgan Builders. All friends and relatives are invited to attend.

Blood Drive to Be Held

Traffic accidents will injure many travelers during this holiday season. Coffee Memorial

Blood Center is having a blood drive July 3rd to help fill this extra blood need. Free hot dogs and Cokes will be given to donors. Chamberlains Motor Co., First Bank and Trust, and the Donley County State Bank have donated money so that each donor receives a T-shirt as well.

Because the blood is split into several components to be used, one pint can help save the lives of several people. Red blood cells are used for accident victims, in surgery and for people with anemia. The plasma is made into medicines to treat people in shock, hemophiliacs, and medicines to fight infection. White cells are given to those who can not produce the white cells, which fight disease. Platelets are used to control bleeding in people who cannot make their own.

Giving blood is a simple process. The needle for every donation is new so there is no risk of AIDS from donating.

Medical Center News

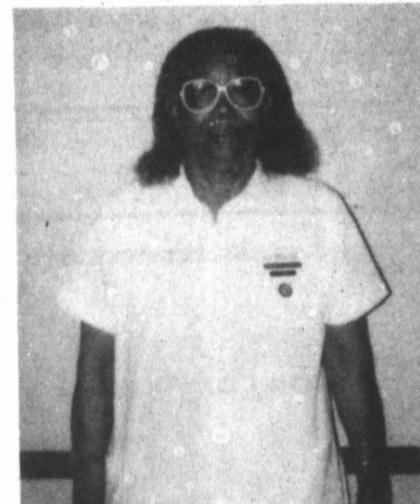

On Friday, June 12th at 3:00, residents of the Medical Center had their very own Resident Parade. Wheelchairs, walkers, and residents were decorated with balloons, streamers and ribbon. Each resident was given a balloon, party hat, noise maker and some even blew bubbles.

The parade started with a stroll in the nursing home and then all went outdoors in the front parking lot to form a circle. Each resident's balloon had the name of the facility, residents name, town, zip code and a small message welcoming correspondence. All at once the residents released their own personal balloon. There were thirty balloons in all released. Residents are hoping that someone may find their balloon and write to them.

After the parade we had a parade party in the dining room where we served refreshments and listened to records on our stereo that was donated to the Medical Center by Mary Stevens who works in our dietary department. It has really come in handy. Thanks Mary! Records that we listened to were donated by Hugh Mahaffey who comes to the center and puts in long hours doing volunteer work

The residents enjoyed the parade and the fresh air and it was a change of pace for them so we hope to do this every year.

Thanks also goes out to the Nurses Aides, Nurses, and other staff members who made time to help push our wheelchair residents and assist others during the parade and Betty Muse at Harlan's Flowers for donating the helium for the balloons.

Medical Center is proud to announce the Resident & Employee of the Month for the months of April and May. Chosen for the Month of April were Joy Roberson and Bobbie Louis. Joy has been a resident at the nursing home since September 1989. Joy's name fits her perfectly for she brings much joy to those around her. She is always happy, cheerful and is a vital part of the Medical Center family. Joy loves visiting with friends and family and participating in all activities.

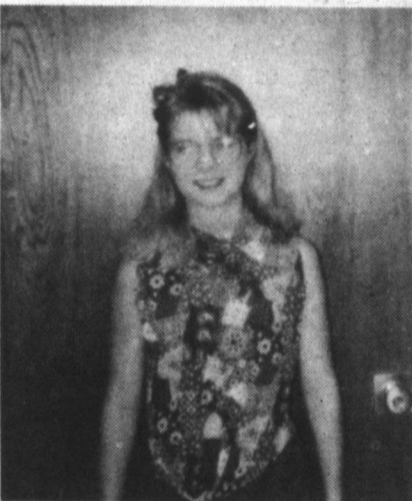

Bobby Louis is and L.V.N who has been employed at Medical Center since March 1989. Bobbie better known as, "Nannie", is deeply loved by every resident and employee at the nursing home. She brightens the day with her beautiful smile and Medical Center is proud to have such a caring, compassionate, dedicated nurse.

May's winners were Lillie Carmichael and Shonda Phillips. Lillie has only lived at the Medical Center since February 1992 but she certainly stole the hearts of those around her. She is such a giving person and has added another ray of sunshine to the nursing home. Lillie loves to crochet, play bingo and go for walks.

Shonda Phillips has been employed since May 1990. Shonda may be little in size, but she has a big heart that is full of love for those she is caring for. She plans to pursue her interest in caring for others by going to school to become a

Low Doses of Aspirin Following Stroke

Numerous reports have occurred in the medical literature in recent years regarding the value of daily doses of aspirin in preventing heart attacks. The use of aspirin to prevent heart attacks is associated with the drug's ability to prevent the accumulation and clumping of platelets in the blood.

Studies also show the value of aspirin in the prevention of transient ischemia attacks (TIAs) and strokes. Aspirin doses of 300 mg to 1,500 mg have been reported to produce this protective effect. According to a recent issue of *New England Journal of Medicine*, as little as 30 mg of aspirin daily will inhibit the clumping of platelets with fewer gastrointestinal side effects.

According to the article, the lower dose of aspirin has less tendency to disturb an enzyme in the stomach lining. The result is less gastric discomfort. Patients receiving 30 mg of aspirin daily also experienced less minor bleeding, fewer major bleeding episodes, and less death-related bleeding when compared to those in the study group who received over 200 mg. Reducing the dose did not appear to eliminate allergic reactions to aspirin, however. Researchers indicate that the first dose of aspirin for stroke and TIA prevention should be 120 mg, followed by the 30 mg daily dose.

Arden Enoch "Dick" Rodgers

Funeral services for Arden Enoch "Dick" Rodgers, age 79, were held at 4:00 p.m. on Wednesday, June 17, 1992 in Griggs Pioneer Chapel in Amarillo with Rev. James Martindale, Pastor of the First Baptist Church in Adrian, officiating. Interment was in Llano Cemetery in Amarillo with arrangements under the direction of N.S. Griggs Funeral Directors. Local arrangements were by Robertson Funeral Directors.

Mr. Rodgers died at 5:30 p.m. on Monday, June 15, 1992 in Hall County Hospital in Memphis following a lengthy illness. He was born June 11, 1913 in Cotton Plant, Arkansas and moved to Amarillo in 1941. He moved from Amarillo to Howardwick in 1980. He married Christine Reneau on December 22, 1932 in Wiville, Arkansas. He had worked most of his life as a carpenter, contractor, and builder before his retirement. He was a member of the Clarendon Masonic Lodge #700 and was a Deacon and member of the Howardwick Baptist Church.

Survivors include his wife, Christine Rodgers of Howardwick; three daughters, Larra Mae Druin of Duncanville, Texas, Anna Ruth Sain of Amarillo, Texas, Barbara Ann Wasson of Lubbock, Texas; two brothers, H.H. Rodgers of Howardwick, Texas, John Samuel Rodgers of Amarillo, Texas; two half-sisters; ten grandchildren; and twelve great grandchildren.

Casket bearers were Mark Sain, Richard Butler, Dusty Jarnagin, Douglas Windsor, Gary Sain, Ryan Butler, James Davis, and Orvil Hight, all grandsons of Mr. Rodgers.

Thelma Laverne Weatherly Bennett

Graveside services for Mrs. Thelma Laverne Weatherly Bennett, age 85, were held at 2:30 p.m. on Thursday, June 18, 1992 at Citizens Cemetery with Rev. Terry Tamplin, Pastor of the First United Methodist Church in Clarendon, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Bennett died on Tuesday, June 16, 1992 in Shannon Memorial Hospital in San Angelo following a lengthy illness. She was born February 2, 1907 in Claude, Texas and had lived much of her life in Clarendon before moving to San Angelo 21 years ago. She owned and operated Parson Brothers Tailor Shop for approximately 18 years before her

retirement. She was the Past Worthy Matron of the Clarendon Chapter 6, Order Of The Eastern Star and was a member of the First United Methodist Church in Clarendon.

Survivors include on daughter, Mrs. Bill Graham of San Angelo; one sister, Betty Foxhall of Memphis; one granddaughter, Patricia Graham of San Angelo. She was preceded in death by two brothers, Bill Weatherly in September 1988 and Harry Weatherly Jr. in February 1991.

Ollie Leona Kirkland

Funeral services for Mrs. Ollie Leona Kirkland, age 97, were held at 3:00 pm on Monday, June 22, 1992 in Robertson Chapel Of Memories in Clarendon with Rev. Bob Reid, Pastor of Travis Baptist Church in Memphis, officiating. Interment was in Citizens Cemetery with arrangement under the direction of Robertson Funeral Directors.

Mrs. Kirkland died at 12:40 p.m. on Saturday, June 20, 1992 in Memphis Convalescent Center following a lengthy illness. She was born November 8, 1894 in Alabama and came to Memphis from Linden, Texas in 1945 and then to Lelia Lake in 1950. She returned to Linden for 4 years before moving back to Memphis 17 years ago. She married Archie Templeton Castner on June 15, 1913 at Linden. He preceded her in death on May 30, 1964. She later married A.D. Kirkland in 1967 at Linden and he died in 1984. She was a homemaker and a member of the Calvary Baptist Church in Clarendon.

Survivors include three daughter, Chloc Brown of Memphis, Texas, Opal Clayton of Memphis, Texas, Barbara Griffith of Albuquerque, New Mexico; three sisters, Lola Boone of Georgia, Annie Henderson of Linden, Texas, Ethel Hamilton of Linden, Texas; 14 grandchildren; 28 great grandchildren; and 10 great great grandchildren. She was preceded in death by one son, Ronald Castner on February 1, 1992.

Casket bearers were Tommy Naylor, Phil Lauderdale, Doug Hill, David Hill, Richard Donidio, Carlton Kennon, Dale Ayers, and John Fulton.

The family requests that memorials be to Hall County Hospital in Memphis.

War Memorial Planned

The war memorial is a tribute to the men and women of the 26 counties known as the Texas Panhandle. It is a memorial to all

veterans living and deceased who have served from this area during the following periods: Spanish-American War, World War I, World War II, Korea, Vietnam, and the Persian Gulf.

The memorial will be located at the corner of Canyon E-Way and Georgia Street, next to the Randall County Annex, in Amarillo, Texas. It will encompass a circumference of 60 feet. Each of the above designated periods will be honored with tablets of granite denoting the names of the men and women who died or are missing in action from the Panhandle area.

A citizens planning committee was developed to provide ideas and input for the project. The local Vietnam Veterans of America chapter (Texas Panhandle Chapter 297) was designated to spearhead the fund-raising campaign and to coordinate the construction efforts.

In relation to donations, any amount would be appreciated. With \$75 or more individuals may have their name put in granite leading up to the memorial. The plaques would be installed on either side of the walkway leading to the memorial.

Tax-Exempt cash donations would also be accepted and may be sent to the following address: Texas Panhandle War Memorial Fund, Account #932-6755, c/o First National Bank, P.O. Box 1331, Amarillo, Texas 79105-9990.

Any questions regarding the memorial, or if you care for a speaker to present the project to your organization or group, contact: Texas Panhandle Chapter 297, Vietnam Veteran of America, Inc., P.O. Box 50041, Amarillo, Texas 79159 or call 806/355-4212.

The Panhandle Chapter 297, Vietnam Veterans of America, Inc., is looking for individuals residing in each of the twenty-six counties to volunteer their time in researching the names of those who gave their lives during the noted periods from each county. We currently have volunteers for Potter, Hutchinson, Collingsworth, and Childress counties. If you would be interested in helping, please contact the Chapter address.

Reunion Held

The Clarendon High School Class of 1942 held its 50th Anniversary Reunion in Clarendon June 12, 13, and 14, 1992. The reunion was for all classmates who started school with the class in 1931 or who were in school with them through any grade up to their senior year in 1942. A total of 61 attended, including 35 classmates, 21 guests and 5 teachers.

The reunion began Friday, June 12 with registration and visitation from 2:30 to 6:30 p.m. at Bairfield Student Activity Center on the Clarendon College campus. At 7:00 p.m. there was a steak supper at the Bar H Working Dude Ranch. The program consisted of a sing along led by Jim Shadle and a comparison of Clarendon as it was in 1931, in 1942 and today by Naomi Morris Green. Former teacher and coach, L.B. Penick, ended the program with an inspirational poem.

On Saturday, June 13, registration for late arrivals continued from 9:00 a.m. to 12:00 noon. Simultaneously, from 10:00 a.m. to 12:00 noon, open house was held for friends, relatives and Clarendon High School alumni who wished to come and visit.

At noon, school buses were boarded for a trip down memory lane. The first stop was at the First United Methodist Church for a catered lunch. That was followed by a short program in the church sanctuary where classmates sang some of the same songs, heard some of the same music and received certificates as they had done in their graduation exercises there fifty years ago. That program included an inspirational message from the Rev. Terry Tamplen and the singing of "The Star Spangled Banner" by Katherine Williams. Certificates were handed out by former teachers L.B. Penick and Alta Lane.

From there, classmates and guests made the short trip to their old Alma Mater. A tour of Clarendon High School was ended with an assembly in the auditorium which remained much the same as it was fifty years ago. There, the classmates, by means of a recording, again heard President Roosevelt make his declaration of war, just as they had hear it in the same auditorium on December 8, 1941. This historic event changed their lives forever. In a short time, every abled bodied boy in the class of 1942 was in the service of his country. One, Obra Spier, gave his life.

The next stop was at the old South Ward building. Almost half of the class of 1942 began school together there. Returning classmates had their pictures taken on the steps of the old school building. From there they continued on the Saint's Roost Museum. After touring the museum, the classmates boarded the buses for a nostalgic ride down Main Street before returning to the Bairfield Building.

On Saturday evening classmates and guests met at the Clarendon Country Club for dinner and a program. Entertainment included songs by Barbara Collins and music from participants' high school days.

Sunday morning, June 14, a farewell breakfast and devotional was held at the Country Club. There was also a short memorial service for the 20 classmates who were deceased. The Reunion concluded with the singing of "Auld Lang Syne."

Classmates attending were: June Armstrong Allen, Dwight L. Blair, Hershil Brinson, Frances Easterling Christie, Bob-bye Jo LaFon Condron, Charline Knox Denny, Mariam Gordon Car-rett, Jack Gray, Naomi Morris Green, Chester Gregory, H.A. Harrison, Jr., Frankie Hommel Henson, Redell Henson, C.G. Kirkland, Rowena Crutchfield Looney, Wilma Jean Warren Mandril, Billy May, Lora Mae Seaton Moffett, Sue Burton Norris, Claude Parker, Iva Ruth Gibbs Parker, Juanita Bingham Phelps, LaRue Shadle Pittman, Roy Guy Pyeatt, Max Rhea, Sara Beth Lowry Rhea, Anna Lynn Barnes Scussell, Joan Hillman Shaw, Basil W. Smith, Leona McCraw Stone, An Porter Stuckman, Bill Thornberry, Betty Naylor Vick and J.F. White.

Guests attending were: Bob Allen, Linda Moore Blair, Wanda Cornell Brinson, Lee Christie, Sturat Condron, Soozie Gray, H.A. Green, Doris Cooper Gregory, Herbert O. Looney, J.C. Moffett, Ray Pittman, Ila Bess Porterfield, Frances Rhea, John Scussell, H.C. Shaw, Letha Bain Smith, Joe Stone, Billie Nell Warren Tiller, Melvin Vick, and Lanelle White.

Teachers attending were: Alta Lane, Edgar Mae Mongole, L.B. and Laura Penick, and Claudine Todd.

Monday Night Dance Practice is enjoying the new Juke Box. Last week the service man came in and put the finishing touch to it and the record selector now works. It has a great sound so come down and join in the fun and exercise.

Last week Carmen Wright

was out of town for Blood Pressure Clinic and Big Thanks to Rolina Longan from Shepard's Crook Home Health Care filled in until 10:30 a.m. and Murle Butts finished out the clinic. Thanks to these ladies for giving of their time to assist with this program.

The Golden Spread Aid held the Hearing Clinic on Thursday, June 18th. He will be back on July 16th from 10:00 a.m. till 12 noon.

We are very pleased to announce that the Clarendon Housing Authority has received the funding to remodel our Center's facilities. This will be a big project this summer. It will mean some inconvenience at times, but we won't complain for the end result will be more space, new heating/cooling systems and kitchen addition for food freezers. So please bear with us as we embark on the much needed improvements. Preliminary construction begin on Monday, June 22nd. Needless to say we are very excited.

On Wednesday, June 17th, the Board of Directors met in

regular session. As that meeting the Board elected to establish a membership fee of \$1.00 per/year whereby each paid member will be entitled to 1 vote on each matter submitted to a vote of the general membership. Anyone 55 years of age or older may become a member. Membership fees will be effective from July 1 through June 30 of each year. Membership cards will be issued each year. Please understand that membership is not required for the nutrition program which is the daily noon meal which is for any one 60 years of age or older as has always been.

REMINDER: Birthday Anniversary supper, Tuesday night, June 30th, at 6:00 p.m. Bring a covered dish. Our program will be BINGO for nice prizes.

Greatrace Cars to Top 7 Million Mile Mark

The 10th Anniversary Interstate Batteries Great American Race start Sunday, June 21 on King Street in historic Charleston, SC is one milestone—a second straight start below the Mason-Dixon Line. The world's greatest old car race will rack up a second mark sometime after up to 100 cars from across the globe head out on a 14 day, 9 state, 47 stop, 4,475 journey to a Saturday, July 4 finish at South Costa Metro in Costa Mesa, CA.

Sometime during the cross country classic the 1992 Buick Skylark Pace Car or one of 35 Buick Official cars, up to 100 racers and about 60 support vehicles will ring up the 7 millionth mile traveled by Greatrace vehicles since its 1983 inception. That figures is at 6.35 million miles with only three accidents. Some safety record!

This year's race just missed ringing up over 1,000 cars whose teams have thrilled to the now internationally famous classic in 10 years. When the last car crosses the Charleston start line at least 967 teams from 45 states and 5 continents will have competed in 10 years—an average of 97 pace cars per race. Biggest field was 119 in 1988. Lowest was 67 in the inaugural race in 1983. The field limit is now 100 so that mark may stand for quite a while.

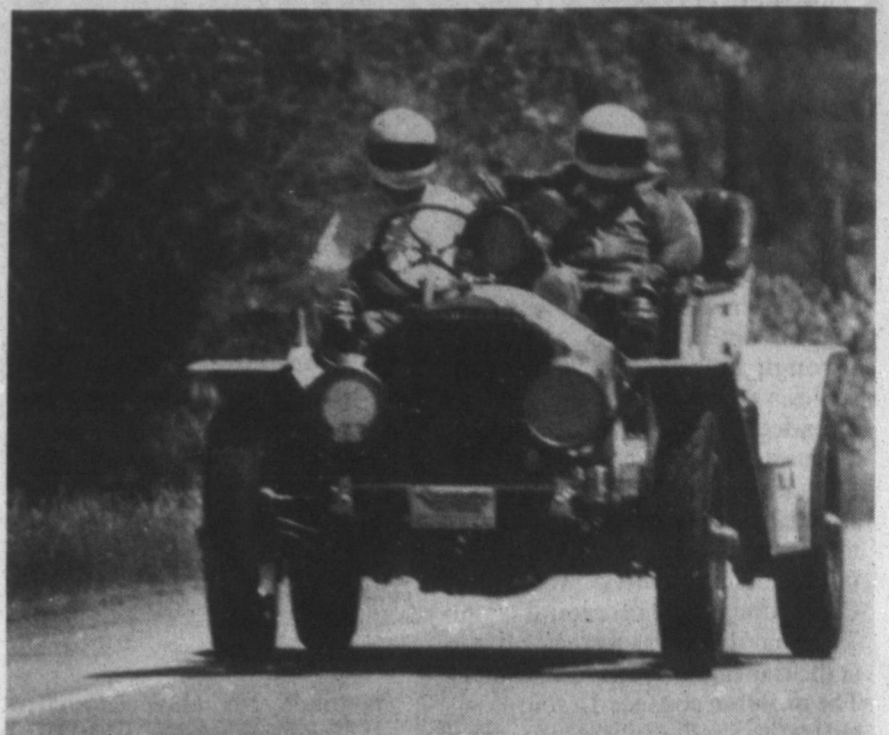

There are cars from 31 state and 5 countries now slated to start this year's greatest show on wheels and total of 26 different makes built from 1910-1941. They'll set up housekeeping June 18 in Charleston's beautiful Francis Marion Square adjacent to the old Citadel campus buildings.

Saturday racers travel to Charleston Naval Base and come away newly-sworn-in as Honorary Navy Recruiters. Then it's off to a practice rally to sharpen one's skills or to get acquainted with Greatracing before a Saturday night contestants' meeting.

After church Sunday, cars move down King Street to the starting area. The U.S. Nave Ceremonial Band starts things rolling at 1 PM. After a short stint down King and Broad Streets, Greatracers turn north toward Columbia, SC and the quest for old car racing's richest purse of \$250,000 is on!

"Limited to authentic restorations through 1936 with cars up to 1942 admitted on individual merit, the cars complement Charleston's charm," said Greatrace Executive Director Tom McRae. "When USA entries meet foreign competitors from Japan, New Zealand, England, and Canada, a 71 mile long transcontinental caravan results that obeys traffic laws in an exciting test that's tough to finish, let alone win."

"Our route includes Columbia, SC, Atlanta, GA, Birmingham, Montgomery & Mobile, AL, Picayune, MS, Baton Rouge & Lake Charles, LA, Galveston, Victoria, Austin, Hillsboro, Dallas, Wichita Fall, and Amarillo, TX, Albuquerque and Farmington, NM, Pinetop-Lakeside and Phoenix, AZ and Blythe and San Diego, CA enroute to the big finish in Costa Mesa," he explained.

THINK YOU'RE GOIN' TO A FIRE? No, but Steve Arnold's 1922 American La France Fire Chief's car went to plenty of them in its heyday. Colorado Springs man made it all the way across the USA in this gargantuan vehicle in last year's Interstate Batteries Great American Race. This year's 10th anniversary old car classic starts in Charleston, SC June 21 and finishes 2 weeks, 9 states, 49 stops and 4,475 miles later on the 4th of July at Costa Mesa, CA. Up to 100 antique vehicles will contend for a purse of \$250,000, old car racing's largest.

Health Insurance Bitter Pill

If Congress passes a nationalized health insurance program, it will be a bitter pill for senior citizens. That's the belief of the Seniors Coalition, a non-profit advocacy group that represents nearly a million active seniors.

Nationalized health programs tend to discriminate against the elderly, according to a new study by the National Center for Policy Analysis,

a Dallas-based research group. For instance, a 75-year old living in the United States has four times more opportunity to receive bypass surgery than under Canada's nationalized system. Yet, determined politicians want such a system in the United States.

If they succeed, Congress will dismantle all public and private health systems—such as Medicare, Medicaid and military programs—and substitute a package of "basic" health care services. And it's not clear how Congress would define "basic."

But it is clear that nationalized health insurance means lower quality, long waiting lines and higher taxes. For instance, such a proposal set forth by Senator Bob Kerrey of Nebraska will bring a 71 percent increase in state taxes, according to some estimates.

There are good alternatives to sending our health care dollars and decision-making to Washington.

Currently, 87 percent of Americans have public or private health insurance. Proposed state reforms will make health insurance accessible and affordable to millions of uninsured workers. Available cost control measures, such as managed care programs, work to keep health care expenses in check. And the federal government must accept responsibility for extending Medicaid to the poor and near-poor.

A combination of public and private initiatives can provide universal access to health care for all Americans, through public or private insurance coverage.

Improving our health care system beats tearing it down and shipping it to Washington.

For more information, write: The Seniors Coalition, "Seniors Oppose Nationalized Health Insurance," 11166 Main Street, Suite 302, Fairfax, Va. 22030.
